7.1. Special Collateral Account. The Administrative Agent may, at any time after the occurrence and during the continuance of an Event of Default, require all cash proceeds of the Collateral to be deposited in a special non-interest bearing cash collateral account with the Administrative Agent and held there as security for the Secured Obligations. No Grantor shall have any control whatsoever over said cash collateral account. If an Event of Default has occurred and is continuing, the Administrative Agent may (and shall, at the direction of the Required Lenders), from time to time, apply the collected balances in said cash collateral account to the payment of the Secured Obligations then due. If no Event of Default has occurred and is continuing, the Administrative Agent shall promptly deposit the collected balances in said cash collateral account into the applicable Grantor's general operating account with the Administrative Agent or as otherwise directed by such Grantor in writing.

7.2. Application of Proceeds. If an Event of Default has occurred and is continuing, the proceeds of the Collateral shall be applied by the Administrative Agent to payment of the Secured Obligations as provided under Section 7.03 of the Credit Agreement.

ARTICLE VIII

GENERAL PROVISIONS

8.1. Notice of Disposition of Collateral; Condition of Collateral. Each Grantor hereby waives notice of the time and place of any public sale or the time after which any private sale or other disposition of all or any part of the Collateral may be made; provided, that no Grantor waives such notice for any such sale or sales that is/are to take place on such Grantor's premises. To the extent such notice may not be waived under applicable law, any notice made shall be deemed reasonable if sent to the Borrower, addressed as set forth in Article IX, at least ten (10) days prior to (i) the date of any such public sale or (ii) the time after which any such private sale or other disposition may be made. To the maximum extent permitted by applicable law, each Grantor waives all claims, damages, and demands against the Administrative Agent or any other Secured Party arising out of the repossession, retention or sale of the Collateral in connection with any exercise of such Secured Party's rights and remedies in accordance with the Loan Documents, except such as arise solely out of the gross negligence or willful misconduct of the Administrative Agent

or such other Secured Party or their respective Related Parties as finally determined by a court of competent jurisdiction. To the extent it may lawfully do so, each Grantor absolutely and irrevocably waives and relinquishes the benefit and advantage of, and covenants not to assert against the Administrative Agent or any other Secured Party, any valuation, stay, appraisal, extension, moratorium, redemption or similar laws and any and all rights or defenses it may have as a surety now or hereafter existing which, but for this provision, might be applicable to the sale of any Collateral made under the judgment, order or decree of any court, or privately under the power of sale conferred by this Security Agreement, any other Loan Document or applicable law. Except as otherwise specifically provided herein or in any other Loan Document, each Grantor hereby waives presentment, demand, protest or any notice (to the maximum extent permitted by applicable law) of any kind in connection with this Security Agreement or any Collateral.

8.2. Limitation on Administrative Agent's and other Secured Parties' Duty with Respect to the Collateral. The Administrative Agent shall have no obligation to clean-up or otherwise prepare the Collateral for sale. The Administrative Agent and each other Secured Party shall use reasonable care with respect to the Collateral in its possession or under its control, in accordance with Section 9-207 of the UCC or any other applicable law. Neither the Administrative Agent nor any other Secured Party shall have any other duty as to any Collateral in its possession or control or in the possession or control of any agent or nominee of the Administrative Agent or such other Secured Party, or any income thereon or as to the preservation of rights against prior parties or any other rights pertaining thereto. To the extent that applicable law imposes duties on the Administrative Agent to exercise remedies in a commercially reasonable manner, each Grantor acknowledges and agrees that it is commercially reasonable for the Administrative Agent (i) to fail to incur expenses deemed significant by the Administrative Agent to prepare Collateral for disposition or otherwise to transform raw material or work in process into finished goods or other finished products for disposition, (ii) to fail to obtain third party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or disposition of Collateral to be collected or disposed of, (iii) to fail to exercise collection remedies against account debtors or other Persons obligated on Collateral or to remove Liens on or any adverse claims against Collateral, (iv) to exercise collection remedies against account debtors and other Persons obligated on Collateral directly or through the use of collection agencies and other collection specialists, (v) to advertise dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature, (vi) to contact other Persons, whether or not in the same business as such Grantor, for expressions of interest in acquiring all or any portion of such Collateral, (vii) to hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the Collateral is of a specialized nature, (viii) to dispose of Collateral by utilizing internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capacity of doing so, or that match buyers and sellers of assets, (ix) to dispose of assets in wholesale rather than retail markets, (x) to disclaim disposition warranties, such as title, possession or quiet enjoyment, (xi) to purchase insurance or credit enhancements to insure the Administrative Agent against risks of loss, collection or disposition of Collateral or to provide to the Administrative Agent a guaranteed return from the collection or disposition of Collateral, or (xii) to the extent deemed appropriate by the Administrative Agent, to obtain the services of other brokers, investment bankers, consultants and other professionals to assist the Administrative Agent in the collection or disposition of any of the Collateral. Each Grantor acknowledges that the purpose of this Section 8.2 is to provide non-exhaustive indications of what actions or omissions by the Administrative Agent would be commercially reasonable in the Administrative Agent's exercise of remedies against the Collateral and that other actions or omissions by the Administrative Agent shall not be deemed commercially unreasonable solely on account of not being indicated in this Section 8.2. Without limitation upon the foregoing, nothing contained in this Section 8.2 shall be construed to grant any rights to any Grantor or to impose any duties on the Administrative Agent that would not have been granted or imposed by this Security Agreement or by applicable law in the absence of this Section 8.2.

8.3. [Intentionally Omitted].

8.4. Secured Party Performance of Grantor's Obligations. Without having any obligation to do so, after the occurrence and during the continuance of an Event of Default, the Administrative Agent may perform or pay any obligation which any Grantor has agreed (but failed) to perform or pay in this Security Agreement and such Grantor shall reimburse the Administrative Agent for any reasonable amounts paid by the Administrative Agent pursuant to this Section 8.4 (subject to any applicable limitations set forth in Section 8.12). Each Grantor's obligation to reimburse the Administrative Agent pursuant to the preceding sentence shall be a Secured Obligation payable on demand.

8.5. Authorization for Secured Party to Take Certain Action. Each Grantor irrevocably authorizes the Administrative Agent at any time and from time to time in the sole discretion of the Administrative Agent and appoints the Administrative Agent as its attorney in fact (i) to execute on behalf of such Grantor as debtor and to file financing statements necessary or desirable in the Administrative Agent's sole discretion to perfect and to maintain the perfection and priority of the Administrative Agent's security interest in the Collateral, (ii) after the occurrence and during the continuance of an Event of Default, to indorse and collect any cash proceeds of the Collateral, (iii) to file a carbon, photographic or other reproduction of this Security Agreement or any financing statement with respect to the Collateral as a financing statement and to file any other financing statement or amendment of a financing statement (which does not add new collateral or add a debtor) in such offices as the Administrative Agent in its sole discretion deems necessary or desirable to perfect and to maintain the perfection and priority of the Administrative Agent's security interest in the Collateral, (iv) after the occurrence and during the continuance of an Event of Default, to contact and enter into one or more agreements with the issuers of uncertificated securities which are Collateral owned by such Grantor and which are Securities or with financial intermediaries holding other Investment Property as may be necessary or advisable to give the Administrative Agent Control over such Securities or other Investment Property, (v) after the occurrence and during the continuance of an Event of Default, to enforce payment of the Accounts and Receivables in the name of the Administrative Agent or such Grantor, (vi) after the occurrence and during the continuance of an Event of Default, to apply the proceeds of any Collateral received by the Administrative Agent to the Secured Obligations as provided in Article VII and (vii) after the occurrence and during the continuance of an Event of Default, to discharge past due taxes, assessments, charges, fees or Liens on the Collateral (except for such Liens as are specifically permitted hereunder or under any other Loan Document), and each Grantor agrees to reimburse the Administrative Agent on demand for any reasonable payment made or any reasonable expense incurred by the Administrative Agent in connection therewith on the terms set forth in Section 8.12; provided that this authorization shall not relieve any Grantor of any of its obligations under this Security Agreement or under the Credit Agreement.

8.6. Specific Performance of Certain Covenants. Each Grantor acknowledges and agrees that a breach of any of the covenants contained in Sections 5.2 or 8.8 or in Article VII hereof will cause irreparable injury to the Administrative Agent and the Secured Parties, that the Administrative Agent and Secured Parties have no adequate remedy at law in respect of such breaches and therefore agrees, without limiting the right of the Administrative Agent or the Secured Parties to seek and obtain specific performance of other obligations of the Grantors contained in this Security Agreement, that the covenants of the Grantors contained in the Sections referred to in this Section 8.6 shall be specifically enforceable against the Grantors.

8.7. Use and Possession of Certain Premises. Upon the occurrence and during the continuance of an Event of Default and the acceleration of the Obligations under the Credit Agreement pursuant to Article VII thereof, the Administrative Agent shall be entitled to occupy and use any premises owned or leased by the Grantors where any of the Collateral or any records relating to the Collateral are located until the Secured Obligations are paid or the Collateral is removed therefrom, whichever first occurs, without any obligation to pay any Grantor for such use and occupancy.

8.8. Dispositions Not Authorized. No Grantor is authorized to sell or otherwise dispose of the Collateral except as set forth in Section 4.1.5 hereof or as otherwise permitted under the Loan Documents and notwithstanding any course of dealing between any Grantor and the Administrative Agent or other conduct of the Administrative Agent, no authorization to sell or otherwise dispose of the Collateral (except as set forth in Section 4.1.5 hereof) shall be binding upon the Administrative Agent or the Secured Parties unless such authorization is in writing signed by the Administrative Agent with the consent or at the direction of the Required Lenders.

8.9. Reinstatement. This Security Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against any Grantor for liquidation or reorganization, should any Grantor become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver or trustee be appointed for all or any significant part of any Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Secured Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Secured Obligations, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Secured Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

8.10. Benefit of Agreement. The terms and provisions of this Security Agreement shall be binding upon and inure to the benefit of the Grantors, the Administrative Agent and the Secured Parties and their respective successors and permitted assigns (including all persons who become bound as a debtor to this Security Agreement), except that the Grantors shall not have the right to assign their rights or delegate their obligations under this Security Agreement or any interest herein, unless such assignment is made with the prior written consent of the Administrative Agent. No sales of participations, assignments, transfers, or other dispositions of any agreement governing the Secured Obligations or any portion thereof or interest therein shall in any manner impair the Lien granted to the Administrative Agent, for the benefit of the Administrative Agent and the other Secured Parties, hereunder.

8.11. Survival of Representations. All representations and warranties of the Grantors contained in this Security Agreement shall survive the execution and delivery of this Security Agreement.

8.12. Taxes and Expenses. Any obligation of the Loan Parties under Section 2.17 of the Credit Agreement to pay any additional amounts to, or indemnify, the Administrative Agent or any Lender for any Indemnified Taxes that are required to be withheld or deducted from payments made to any Lender or to pay for, or indemnify the Administrative Agent or any Lender for, any Other Taxes, shall apply *mutatis mutandis* (and without duplication) to each Grantor with respect to this Agreement and payments made hereunder. The Grantors shall reimburse the Administrative Agent for any and all reasonable, documented and invoiced out-of-pocket expenses paid or incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, collection and enforcement of this Security Agreement on the terms and subject to the limitations contained in Section 9.03(a) of the Credit Agreement. Any and all costs and expenses incurred by the Grantors in the performance of actions required pursuant to the terms hereof shall be borne solely by the Grantors.

8.13. Headings. The title of and section headings in this Security Agreement are for convenience of reference only, and shall not govern the interpretation of any of the terms and provisions of this Security Agreement.

8.14. Termination. This Security Agreement shall continue in effect (notwithstanding the fact that from time to time there may be no Secured Obligations outstanding) until the satisfaction of the Final

Release Conditions.

8.15. Entire Agreement. This Security Agreement and the Credit Agreement embody the entire agreement and understanding between the Grantors and the Administrative Agent relating to the Collateral and supersede all prior agreements and understandings among the Grantors and the Administrative Agent relating to the Collateral.

8.16. Governing Law; Jurisdiction; Waiver of Jury Trial.

8.16.1 **THIS SECURITY AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.**

8.16.2 Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the United States District Court for the Southern District of New York sitting in the Borough of Manhattan (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan), and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Security Agreement or any other Loan Document or the transactions relating hereto or thereto, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may (and any such claims, cross-claims or third party claims brought against the Administrative Agent or any of its Related Parties may only) be heard and determined in such Federal (to the extent permitted by law) or New York State court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Security Agreement or any other Loan Document shall affect any right that the Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Security Agreement or any other Loan Document against any Grantor or its properties in the courts of any jurisdiction.

8.16.3 Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Security Agreement or any other Loan Document in any court referred to in Section 8.16.2. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

8.16.4 Each party to this Security Agreement irrevocably consents to service of process in the manner provided for notices in Article IX of this Security Agreement. Nothing in this Security Agreement or any other Loan Document will affect the right of any party to this Security Agreement to serve process in any other manner permitted by law.

8.16.5 **WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS SECURITY AGREEMENT OR ANY OTHER LOAN DOCUMENT (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED,**

EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS SECURITY AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

8.17. Indemnity. Each Grantor hereby agrees, jointly with the other Grantors and severally, to indemnify the Administrative Agent, the Secured Parties, and each Related Party as provided in the Credit Agreement.

8.18. Severability. Any provision in this Security Agreement that is held to be invalid, illegal or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the remaining provisions in that jurisdiction or the validity, legality and enforceability of that provision in any other jurisdiction, and to this end the provisions of this Security Agreement are declared to be severable.

8.19. Counterparts. This Security Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Security Agreement and/or any document to be signed in connection with this Security Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures (as defined below), deliveries or the keeping of records in electronic form (including deliveries by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be. As used herein, "Electronic Signatures" means any electronic symbol or process attached to, or associated with, any contract or other record and adopted by a person with the intent to sign, authenticate or accept such contract or record.

8.20. Limitations on the Rights of Secured Parties Generally. No Secured Party that obtains the benefits of this Security Agreement shall have any right to notice of any action or to consent to, direct or object to any action hereunder or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender or the Administrative Agent, as applicable, and, in such case, only to the extent expressly provided in the Loan Documents. Each Secured Party not a party to the Credit Agreement that obtains the benefit of this Security Agreement shall be deemed to have acknowledged and accepted the appointment of the Administrative Agent pursuant to the terms of the Credit Agreement, including, without limitation, under Article VIII of the Credit Agreement.

ARTICLE IX

9.1. Sending Notices. Any notice required or permitted to be given under this Security Agreement shall be sent (and deemed received) in accordance with Section 9.01 of the Credit Agreement. Any notice delivered to the Borrower shall be deemed to have been delivered to all of the Grantors.

9.2. Change in Address for Notices. Each of the Grantors, the Administrative Agent and the Lenders may change the address for service of notice upon it by a notice in writing to the other parties in accordance with Section 9.01 of the Credit Agreement.

WHEREAS, the Grantor owns the Trademarks (as defined below), which Trademarks are pending or registered with the United States Patent and Trademark Office.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed that:

1) Definitions. All capitalized terms used and not otherwise defined herein shall have the respective meaning given to them in the Credit Agreement.

2) The Security Interest.

(a) This Confirmatory Grant is made to secure the prompt and complete payment and performance of all the Secured Obligations. Upon the satisfaction of the Final Release Conditions, this Confirmatory Grant shall automatically terminate and all rights to the Trademarks shall revert to the Grantor. Upon such termination, the Grantee shall promptly, upon such satisfaction, execute, acknowledge, and deliver to the Grantor all reasonably requested instruments in writing releasing (and/or evidencing of record the release of) the lien and security interest in the Trademarks acquired under the Security Agreement and this Confirmatory Grant.

(b) The Grantor hereby pledges and grants to the Grantee, on behalf of and for the benefit of the Secured Parties, a security interest in all of the Grantor's right, title and interest, whether now owned or hereafter acquired, in and to (1) all trademarks (including service marks), trade names, trade styles, trade dress and the registrations and applications for registration thereof, including the foregoing listed on Exhibit A, and all goodwill connected with the use of or symbolized by the foregoing; (2) all renewals of the foregoing; (3) all income, royalties, damages, and payments now or hereafter due or payable

with respect thereto, including, without limitation, damages, claims, and payments for past and future infringements, dilutions, and other violations thereof; (4) all rights to sue for past, present, and future infringements, dilutions, and other violations thereof; and (5) all rights corresponding to any of the foregoing throughout the world (the "Trademarks").

(c) Notwithstanding anything to the contrary contained above, the security interest created by this Confirmatory Grant shall not extend to Excluded Assets.

3) Grants, Rights, Remedies. This Confirmatory Grant has been executed in conjunction with the security interest granted under the Security Agreement to the Grantee for the benefit of the Secured Parties. The rights and remedies of the Grantee with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the Security Agreement and the other Loan Documents, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Confirmatory Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern and control.

4) Governing Law. **THIS CONFIRMATORY GRANT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.**

5) Counterparts. This Confirmatory Grant may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Confirmatory Grant by telecopy, e-mailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Confirmatory Grant.

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLORADO

Civil Action No.

DINESH KALERA, Individually and on Behalf of All Other Similarly Situated,

Plaintiff,

v.

JURY TRIAL DEMANDED

MODIVCARE, INC., L. HEATH SAMPSON, KENNETH SHEPARD, and BARBARA K. GUTIERREZ,

Defendants.

CLASS ACTION COMPLAINT FOR VIOLATION OF THE FEDERAL SECURITIES LAWS

Plaintiff Dinesh Kalera ("Plaintiff"), individually and on behalf of all others similarly situated, by and through his attorneys, alleges the following upon information and belief, except as to those allegations concerning Plaintiff, which are alleged upon personal knowledge. Plaintiff's information and belief is based upon, among other things, his counsel's investigation, which includes, without limitation: (a) review and analysis of regulatory filings made by ModivCare, Inc. ("ModivCare" or the "Company"), with the U.S. Securities and Exchange Commission ("SEC"); (b) review and analysis of press releases and media reports issued by and disseminated by ModivCare; and (c) review of other publicly available information concerning ModivCare.

NATURE OF THE ACTION

1. This is a class action on behalf of persons and entities that purchased or otherwise acquired ModivCare securities between November 3, 2022, and September 15, 2024, inclusive (the "Class Period"). Plaintiff pursues claims against the Defendants (defined *infra*) under the Securities Exchange Act of 1934 (the "Exchange Act").

2. Throughout the Class Period, ModivCare, which provides a suite of integrated supportive care solutions for public and private payors and their members, misled the market to believe certain contracts used in its non-emergency medical transportation ("NEMT") segment mitigated risks to its free cash flow. In reality, the Company's free cash flow deteriorated throughout the Class Period. When the truth began to reach the market, ModivCare's stock price suffered significant declines, harming investors.

3. Throughout the Class Period, Defendants made materially false and/or misleading statements, as well as failed to disclose adverse facts about the Company's business, operations, and prospects. Specifically, Defendants failed to disclose that certain contracts used in ModivCare's NEMT segment caused the Company's free cash flow to deteriorate and that, as a result, (1) contract renegotiations and pricing accommodations negatively impacted the Company's adjusted EBITDA; (2) the Company had insufficient liquidity; and (3) Defendants' positive statements about the Company's business, operations, and prospects were materially misleading and/or lacked a reasonable basis.

4. As a result of Defendants' wrongful acts and omission, and the precipitous decline in the market value of the Company's securities, Plaintiff and other Class members have suffered significant losses and damages.

JURISDICTION AND VENUE

5. The claims asserted herein arise under Sections 10(b) and 20(a) of the Exchange Act (15 U.S.C. §§78j(b) and 78t(a)) and Rule 10b-5 promulgated thereunder by the SEC (17 C.F.R. §240.10b-5).

6. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §1331 and Section 27 of the Exchange Act (15 U.S.C. §78aa).

7. Venue is proper in this Judicial District pursuant to 28 U.S.C. §1391(b) and Section 27 of the Exchange Act (15 U.S.C. §78aa(c)). Substantial acts in furtherance of the alleged fraud or the effects of the fraud have occurred in this Judicial District. Many of the acts charged herein, including the dissemination of materially false and/or misleading information, occurred in substantial part in this Judicial District. In addition, the Company's principal executive offices are located in this District.

8. In connection with the acts, transactions, and conduct alleged herein, Defendants directly and indirectly used the means and instrumentalities of interstate commerce, including the U.S. mail, interstate telephone and wire communications, and the facilities of a national securities exchange.

PARTIES

9. Plaintiff Dinesh Kalera, as set forth in the accompanying certification, incorporated by reference herein, purchased ModivCare securities during the Class Period, and suffered damages as a result of the federal securities law violations and false and/or misleading statements and/or material omissions alleged herein.

10. Defendant ModivCare provides a suite of integrated supportive care solutions for public and private payors and their members. ModivCare's common stock trades on the NASDAQ under the symbol "MODV."

11. Defendant L. Heath Sampson ("Sampson") has served as the Company's President and Chief Executive Officer ("CEO") since July 27, 2022, and served as the Company's Chief Financial Officer ("CFO") from February 26, 2021, to September 2023.

12. Defendant Kenneth Shepard ("Shepard") has served as the CFO of ModivCare Mobility, which comprises the Company's NEMT segment, since August 2022.

13. Defendant Barbara Gutierrez ("Gutierrez") has served as the Company's CFO since September 2023.

14. Defendants Sampson, Shepard, and Gutierrez (together, the "Individual Defendants" and together with the Company, "Defendants"), because of their positions with the Company, possessed the power and authority to control the contents of the Company's reports to the SEC, press releases, and presentations to securities analysts, money and portfolio managers, and institutional investors, i.e., the market. The Individual Defendants were provided with copies of the Company's reports and press releases alleged herein to be misleading prior to, or shortly after, their issuance and had the ability and opportunity to prevent their issuance or cause them to be corrected. Because of their positions and access to material, nonpublic information available to them, the Individual Defendants knew that the adverse facts specified herein had not been disclosed to, and were being concealed from, the public, and that the positive representations which were being made were then materially false and/or misleading. The Individual Defendants are liable for the false statements pleaded herein.

SUBSTANTIVE ALLEGATIONS

15. Under its NEMT segment, ModivCare generates revenue by providing non-emergency medical transportation services directly to its customers. These services are provided on either a capitated basis, which means paid on a per-member, per-month ("PMPM") basis for each eligible member, or on a fee-for-service ("FFS") basis, which means paid based on the volume of trips or services performed. Payment for the Company's NEMT services is received from third-party payors, predominately made up of state Medicaid agencies and managed care organizations ("MCOs").

16. From 2020 through the end of 2022, nearly all the Company's NEMT capitated contracts were "full risk" contracts, as opposed to "shared-risk" contracts. Under full risk contracts, payors pay a fixed amount per eligible member per month and the Company assumed the responsibility of meeting the covered healthcare related transportation requirements for the number of eligible members in the payor's program. By contrast, shared-risk contracts have provisions for reconciliations, risk corridors, and/or profit rebates. These contracts allow for periodic reconciliations based on actual cost and/or trip volume and may result in refunds to the payor, or additional payments due from the payor based on the provisions contractually agreed upon.

FALSE AND MISLEADING STATEMENTS

17. On November 3, 2022, the start of the Class Period, before market hours, ModivCare issued a press release, on a Form 8-K filed with the SEC, reporting its financial results for third quarter 2022. The press release stated, in relevant part, as follows:

Case 25-90309 Document 950-9 Filed in TXSB on 12/02/25 Page 27 of 567

Third Quarter 2022 Highlights:

- Revenue of $647.8 million, a 31.4% increase as compared to $493.1 million in Q3 2021
- Net loss of $28.5 million or $2.03 per diluted common share was primarily attributable to a goodwill impairment for Matrix
- Adjusted EBITDA of $51.8 million, Adjusted Net Income of $22.7 million and Adjusted EPS of $1.61
- Net cash used in operating activities during the quarter of $5.7 million
- Cash and cash equivalents of $72.7 million as of September 30, 2022, with $1,000.0 million principal amount of debt outstanding related to the Senior Unsecured Notes due 2025 and 2029
- Undrawn $325.0 million revolving credit facility as of September 30, 2022

18. During the associated earnings call on the same day, Sampson touted the benefits of the newly negotiated capitated contracts to the NEMT segment:

> On the transportation side, as you know, most of our -- 85% of our contracts are capitated. So there's really no kind of reimbursement change in the NEMT side. It is really about how we manage through that. In addition, and this is also something we've done over the last 12 to 18 months, is ensuring our contracts have been structured so we have a win-win, and able to share in these increased costs that are currently happening primarily in the transportation with the driver. So that's been beneficial to us. So those costs have come up that our transportation providers actually have to bear.

19. On May 4, 2023, before market hours, the Company issued a press release, on a Form 8-K filed with the SEC, reporting its financial results for first quarter 2023. The press release stated, in relevant part:

First Quarter 2023 Highlights:

- Service revenue of $662.3 million, a 15.3% increase as compared to $574.5 million in Q1 2022
- Net loss of $4.0 million or $0.28 per diluted common share
- Adjusted EBITDA[] of $50.2 million, adjusted net income[] of $20.2 million and adjusted EPS[] of $1.42 per diluted common share
- Net cash used in operating activities during the quarter of $2.7 million
- Cash and cash equivalents of $12.8 million as of March 31, 2023, with $1.0 billion principal amount of debt outstanding related to the Senior Unsecured Notes due 2025 and 2029

- $15.0 million drawn on the $325.0 million revolving credit facility as of March 31, 2023

20. During the associated earnings call, Sampson informed investors ModivCare had been preparing for Medicaid redetermination (*i.e.*, Medicaid coverage renewal that may result in loss of coverage for those beneficiaries who are no longer eligible for Medicaid) by transitioning many of its full risk contracts to shared-risk contracts:

> Additionally, we've been preparing for redetermination over the last several months. When we exit the pandemic in 2020 and 2021, we made a conscious effort to effectively and efficiently transition, a large portion of our previous full-risk contracts to contracts that are shared risk or fee-for-service arrangements, protecting ourselves and our customers. These shared risk contracts significantly derisk the financial impact from redetermination by setting contractual revenue rates, primarily based on trip volumes as opposed to membership. In many situations, we can fully offset the gross profit impact from lower membership from re-determination as these contracts reset monthly.
>
> Our remaining full-risk capitated contracts currently only account for approximately 20% of NEMT revenue, compared to 60% at the start of the pandemic. For these contracts we will continue to have anticipated contract repricing negotiations throughout the year, and annual actuarial pricing reset that allow us to normalize pricing in a post-redetermination environment. As it relates to our membership, we continue to believe that we can grow through the 10% to 15% redetermination headwinds through 2025, based on our new contract wins, existing market expansion, Medicare advantage growth, and just the underlying Medicaid market growth. In total, we believe that we have encapsulated the impact from redetermination in our 2023 outlook, as well as our 2024 outlook.

21. On August 3, 2023, after the market closed, ModivCare issued a press release, on a Form 8-K with the SEC, reporting its financial results for second quarter 2023. The press release stated, in relevant part:

> **Second Quarter 2023 Highlights:**
>
> - Service revenue of $699.1 million, an 11.3% increase as compared to $628.2 million in the second quarter of 2022
> - Net loss of $190.9 million or $13.47 per diluted common share, primarily attributable to goodwill impairment of $183.1 million

Case: 25-90309 Document: 950-9 Filed in TXSB on 11/20/25 Page 278 of 567

- Adjusted EBITDA[] of $52.4 million, adjusted net income[] of $20.8 million and adjusted EPS[] of $1.47 per diluted common share
- Cash used in operating activities during the quarter of $108.2 million along with capex spend of $8.9 million
- Contract payables decreased by $78.5 million to $109.1 million and contract receivables increased by $17.4 million to $119.8 million, resulting in net contract receivables of $10.7 million as of June 30, 2023
- $126.5 million drawn on the $325.0 million revolving credit facility as of June 30, 2023
- Amended credit agreement's maximum Total Net Leverage Ratio to provide improved access to liquidity

22. During the associated earnings call on the same day, Sampson continued to tout the benefits of the new shared-risk contracts to investors. Specifically, Sampson stated:

> And the one point that you hit on again, which is really important, it's really critical, especially if some of these new coming into here, looking at that delta between the contract payables and contracts receivables. I'm just repeating what you said again, this is the first time that it's flipped to a receivable. So then your question more broadly, how does this work? Basically, our contracts are working post COVID. So the contracts that we've restructured primarily around really implementing these shared risk contracts have been very helpful for us and help protect our kind of long-term margin. So that's -- you will see fluctuations as we move through the years going in quarters. Those will still fluctuate.
>
> So the good thing now though, because of the COVID benefits -- now the contracts are going to work or they are. And I think they'll bump around. But the good thing is we have the receivables and the payables. And because we have so many contracts, we expect that to be kind of a normalized working capital fluctuations in and out, not the big swings like we've seen over the last couple of quarters.
>
> And then the other item coming out of COVID now, all the states or MCOs, we have more predictable and rigid time frame for when we paid us back. So it really is kind of a 3- to 6-month time frame. So this predictability and normalization coming out of COVID allows us to have a more predictable cash flow and then a more normalized working capital. So which is why we have a lot of confidence in the back part of this year that we will generate cash flow in accordance with how our P&L works. And I expect that to continue throughout the quarter into 2024.

23. During the same call, Shepard informed investors that the new shared-risk contracts would continue to increase revenue:

Shifting to guidance. We raised our revenue guidance to a range of $2.75 billion to $2.8 billion, and we lowered our adjusted EBITDA guidance to a range of $200 million to $210 million. The increased revenue guidance was primarily due to higher NEMT utilization and transportation costs driving more revenue from our shared risk contracts. We lowered our adjusted EBITDA guidance due to the higher NEMT utilization and the [indiscernible] costs and a delay in the start of some of our new contract wins, which will start in early 2024.

To sum things up, our second quarter results were mixed compared to our expectations as revenue was better than expected due to shared risk, cost protection in our NEMT business and adjusted EBITDA was slightly below plan due to higher utilization. Despite these results and our guidance reset, we remain confident about our mission and long-term growth strategy, along with the expected benefits from the initiatives to drive efficiencies and create operating leverage. Our team is working diligently to win new business and improve cash flow, and I want to thank everyone at Modivcare for their hard work and dedication in providing high-quality care and delivering the best experience for our members.

24. On February 22, 2024, before market hours, ModivCare issued a press release, on a Form 8-K filed with the SEC, reporting its financial results for fourth quarter 2023 and fiscal year 2023, respectively. The press release stated, in relevant part:

Fourth Quarter 2023 Summary:

- Net loss of $5.3 million, or $0.37 per diluted common share
- Adjusted EBITDA[] of $50.5 million, adjusted net income[] of $18.4 million and adjusted EPS[] of $1.29 per diluted common share
- Net cash used in operating activities during the quarter of $25.6 million and negative free cash flow[] of $36.8 million, primarily related to a delayed payment from a single client
- Contract receivables increased by $14.7 million to $144.0 million and contract payables decreased by $16.1 million to $117.5 million, resulting in net contract receivables of $26.5 million as of December 31, 2023
- $216.2 million of NEMT TCV[] won during the fourth quarter of 2023, including sizable managed Medicaid contracts contributing to total new wins that will outpace contract attrition in 2024
- $113.8 million drawn on our $325.0 million revolving credit facility
- As a subsequent event, in early 2024 we amended the leverage covenant to provide additional cushion for credit facility availability, ensuring sufficient liquidity

Full Year 2023 Summary:

- Service revenue of $2,751.2 million, a 9.9% increase as compared to $2,504.4 million in 2022
- Net loss of $204.5 million, or $14.43 per diluted common share
- Adjusted EBITDA[] of $204.4 million, adjusted net income[] of $79.9 million and adjusted EPS[] of $5.60 per diluted common share

- In 2023, won $463.5 million of NEMT TCV[] or $141.8 million ACV[], as well as $10.6 million in ACV[] for remote patient monitoring

25. During the associated earnings call on the same day, Gutierrez informed investors that the new shared-risk contracts not only protected the NEMT segment's margin but also increased utilization. Specifically, Gutierrez stated:

> Turning to a review of our segment financials. NEMT fourth quarter revenue increased 9% year-over-year to $499 million. Total membership decreased 5.5% year-over-year to 32.9 million members, and we averaged 33.6 million members for all of 2023. On a sequential basis, average monthly members decreased 2% during the fourth quarter, primarily due to Medicaid redetermination, which was in line with our expectations.
>
> Trip volume increased 13% in the fourth quarter, while revenue per trip decreased 3.5% due to mix changes and an approximate 1% decrease in purchased services expense per trip, which drives the revenue in our shared risk contracts. Sequentially, NEMT gross margin increased 150 basis points as payroll and other expense per trip decreased 6% to $6.89, while purchase services per trip increased 2.5% to $42.24. The reduction in payroll and other expense per trip is being driven by our cost saving initiatives that Heath discussed, which are reducing our calls per trip.
>
> * * *
>
> As a reminder, our margins are protected from increased utilization from redetermination on our shared risk contracts. Our shared risk Medicaid contracts accounted for approximately 60% of our NEMT revenue in 2023. Even though we'll lose some Medicaid members in these contracts, we expect higher pass through revenue under our shared risk contracts. Finally, the remainder of NEMT revenue, approximately 20% is generated from Medicaid advantage and fee-for-service arrangements.

Case 25-90309 Document 950-9 Filed in TXSB on 11/29/25 Page 282 of 567

26. On May 2, 2024, after market hours, ModivCare issued a press release, on a Form 8-K filed with the SEC, reporting its financial results for first quarter 2024. The press release stated, in relevant part:

> **First Quarter 2024 Summary:**
>
> - Service revenue of $684.5 million increased 3.3% from the first quarter of 2023
> - Net loss of $22.3 million or $1.57 per diluted common share
> - Adjusted EBITDA[] of $32.1 million, adjusted net loss[] of $1.2 million and adjusted EPS[] of negative $0.09 per diluted common share
> - Cash provided by operating activities during the quarter of $9.6 million and free cash flow[] of $1.7 million
> - Contract receivables, net of contract payables, of $25.9 million as of March 31, 2024
> - Won $171.2 million of NEMT total contract value (TCV) during first quarter 2024 ($36.4 million annual contract value (ACV)), with implementation beginning in the second quarter of 2024

27. During the associated earnings call the following day, before market hours, Gutierrez stated that average monthly NEMT membership decreased sequentially due to contract losses and Medicaid determinations. Nevertheless, Gutierrez assured investors NEMT margin would improve throughout the year because of new contracts. Specifically, Gutierrez stated:

> NEMT revenue incrementally benefited from successful execution of contract settlements and negotiated pricing increases that were more favorable than expected. Average monthly membership decreased 12% sequentially to $29.1 million due to previously announced contract losses and Medicaid redetermination.
>
> * * *
>
> NEMT adjusted EBITDA was in line with our expectations at $27 million or 5.7% of revenue. We expect to see margins improve throughout the year due to the onboarding of new contracts in the second and third quarters as well as the execution of our cost initiatives. During the first quarter, our membership was impacted by Medicaid redetermination of approximately 600,000 members. Our top 5 states with full-risk contracts are 80% through their respective redetermination period. Redetermination impacted first quarter revenue by $10 million and adjusted EBITDA by approximately $5 million. Overall, Medicaid redetermination is tracking in line to slightly better than we previously expected.

Case 25-90309 Document 950-9 Filed in TXSB on 12/05/25 Page 288 of 567

28. The above statements were materially false and/or misleading and failed to disclose material adverse facts about the Company's business, operations, and prospects. Specifically, Defendants failed to disclose that certain contracts used in ModivCare's NEMT segment caused the Company's free cash flow to deteriorate and that, as a result, (1) contract renegotiations and pricing accommodations negatively impacted the Company's adjusted EBITDA; (2) the Company had insufficient liquidity; and (3) Defendants' positive statements about the Company's business, operations, and prospects were materially misleading and/or lacked a reasonable basis.

THE TRUTH EMERGES

29. The truth began to emerge on May 4, 2023, before market hours, when the Company issued a press release, on a Form 8-K filed with the SEC, reporting its financial results for first quarter 2023. During the associated earnings call on the same day, in addition to the false and misleading statements referenced above, Shepard revealed the Company experienced a reduction of cash flow from operations during the quarter. Specifically, Shepard stated, in relevant part:

> Consolidated cash-flow from operations in the first quarter of 2023 was the use of approximately $3 million due to a $7 million reduction in contract payables and $31 million increase in contract receivables. Excluding these items, our cash flow from operation would have been better in the first quarter by $38 million.

Defendants continued to make false and misleading statements about the Company's cash flow throughout the Class Period.

30. On this news, the Company's stock price fell $11.30, or nearly 16%, from $69.30 per share on May 3, 2023, to close at $58 per share on May 4, 2023, on unusually high trading volume.

31. The truth continued to emerge on August 3, 2023, after market hours, when the Company issued a press release, on a Form 8-K filed with the SEC, reporting its financial results for second quarter 2023. During the associated earnings call on the same day, in addition to the false and misleading statements referenced above, Sampson informed investors the Company experienced the expansion of a "large payable balance" that impacted the Company's cash flow from operations during the quarter. Specifically, Sampson stated:

> Next, I'd like to address our second quarter cash flow from operations, which was negative $108 million, mainly due to a $96 million decrease in our net contract payables, less receivable balance during the quarter, along with a onetime $9.6 million arbitration settlement with a former employee. Post the pandemic, coupled with a shift to more shared risk NEMT contracts, we experienced a temporary timing mismatch between payments and collections, which created a large payable balance that we've been reducing over the past year.

Defendants continued to make false and misleading statements about the Company's cash flow throughout the Class Period.

32. On this news, the Company's stock price fell $2.86, or nearly 7%, from $38.24 per share on August 3, 2023, to close at $35.38 per share on August 4, 2023, on unusually high trading volume.

33. On February 23, 2024, before market hours, the Company issued a press release, on a Form 8-K filed with the SEC, reporting its financial results for fourth quarter 2023. During the associated earnings call on the same day, in addition to the false and misleading statements referenced above, Sampson informed investors the Company suffered negative cash flow during the quarter, and that he expected the trend to continue for the first half of fiscal year 2024. Specifically, Sampson stated:

> Firstly, our free cash flow for the fourth quarter was negative $37 million, which was below expectations, primarily due to delay in payment from an MCO client

> within a specific contract in Florida. Looking ahead, and primarily to us managing redetermination and the increased healthcare utilization environment, we anticipate our free cash flow for the first half of the year will be constrained to the ongoing build in contract receivables and the settlement of several large payables expected in the second quarter.

Defendants continued to make false and misleading statements about the Company's cash flow throughout the Class Period.

34. On this news, the Company's stock price fell $17.25, or nearly 39%, from $43.87 per share on February 22, 2024, to close at $26.62 per share on February 23, 2024, on unusually high trading volume.

35. On September 12, 2024, before market hours, the Company issued a press release, on a Form 8-K filed with the SEC, reporting, among other things, that it would "undertak[e] actions to seek additional capital, including filing a shelf registration statement" with the SEC to improve its liquidity.

36. On this news, the Company's stock price fell $18.43, or nearly 59%, from $31.19 per share on September 11, 2024, to close at $12.76 per share on September 12, 2024, on unusually high trading volume.

37. Finally, the truth continued to emerge on September 16, 2024, before market hours, when the Company issued a press release, on a Form 8-K filed with the SEC, reporting, titled "Modivcare Provides Financial Update." Therein, the Company revised its 2024 Adjusted EBITDA guidance range from $185–$195 million to $170–$180 million, "primarily due to NEMT segment pricing accommodations made to strategically retain and expand key customer relationships."

38. On this news, the Company's stock price fell $1.40 or nearly 10%, from $14.12 per share on September 15, 2024, to close at $12.72 per share on September 16, 2024, on unusually high trading volume.

CLASS ACTION ALLEGATIONS

39. Plaintiff brings this action as a class action pursuant to Federal Rule of Civil Procedure 23(a) and (b)(3) on behalf of a class, consisting of all persons and entities that purchased or otherwise acquired ModivCare securities November 3, 2022, and September 15, 2024, inclusive, and who were damaged thereby (the "Class"). Excluded from the Class are Defendants, the officers and directors of the Company, at all relevant times, members of their immediate families and their legal representatives, heirs, successors, or assigns, and any entity in which Defendants have or had a controlling interest.

40. The members of the Class are so numerous that joinder of all members is impracticable. Throughout the Class Period, ModivCare's shares are actively traded on the NASDAQ. While the exact number of Class members is unknown to Plaintiff at this time and can only be ascertained through appropriate discovery, Plaintiff believes that there are at least hundreds or thousands of members in the proposed Class. Millions of ModivCare securities were traded publicly during the Class Period on the NASDAQ. Record owners and other members of the Class may be identified from records maintained by ModivCare or its transfer agent, and may be notified of the pendency of this action by mail, using the form of notice similar to that customarily used in securities class actions.

41. Plaintiff's claims are typical of the claims of the members of the Class as all members of the Class are similarly affected by Defendants' wrongful conduct in violation of federal law that is complained of herein.

42. Plaintiff will fairly and adequately protect the interests of the members of the Class and has retained counsel competent and experienced in class and securities litigation.

43. Common questions of law and fact exist as to all members of the Class and predominate over any questions solely affecting individual members of the Class. Among the questions of law and fact common to the Class are:

(a) whether the federal securities laws were violated by Defendants' actions as alleged herein;

(b) whether statements made by Defendants to the investing public during the Class Period omitted and/or misrepresented material facts about the business, operations, and prospects of ModivCare; and

(c) to what extent the members of the Class have sustained damages and the proper measure of damages.

44. A class action is superior to all other available methods for the fair and efficient adjudication of this controversy since joinder of all members is impracticable. Furthermore, as the damages suffered by individual Class members may be relatively small, the expense and burden of individual litigation makes it impossible for members of the Class to individually redress the wrongs done to them. There will be no difficulty in the management of this action as a class action.

UNDISCLOSED ADVERSE FACTS

45. The market for ModivCare's securities was open, well-developed, and efficient at all relevant times. As a result of these materially false and/or misleading statements, and/or failures to disclose, ModivCare's securities traded at artificially inflated prices during the Class Period. Plaintiff and other members of the Class, relying upon the integrity of the market price of the Company's securities and market information relating to ModivCare, purchased or otherwise acquired ModivCare's securities and have been damaged thereby.

46. During the Class Period, Defendants materially misled the investing public, thereby inflating the price of ModivCare's securities, by publicly issuing false and/or misleading statements and/or omitting to disclose material facts necessary to make Defendants' statements, as set forth herein, not false and/or misleading. The statements and omissions were materially false and/or misleading because they failed to disclose material adverse information and/or misrepresented the truth about ModivCare's business, operations, and prospects as alleged herein.

47. At all relevant times, the material misrepresentations and omissions particularized in this Complaint directly or proximately caused or were a substantial contributing cause of the damages sustained by Plaintiff and other members of the Class. As described herein, during the Class Period, Defendants made or caused to be made a series of materially false and/or misleading statements about ModivCare's financial well-being and prospects. These material misstatements and/or omissions had the effect of creating, in the market, an unrealistically positive assessment of the Company and its financial well-being and prospects, thus causing the Company's securities to be overvalued and artificially inflated at all relevant times. Defendants' materially false and/or misleading statements during the Class Period resulted in Plaintiff and other members of the Class

Case 25-90309 Document 950-9 Filed in TXSB on 12/02/25 Page 28 of 567

purchasing the Company's securities at artificially inflated prices, thus causing the damages complained of herein when the truth was revealed.

LOSS CAUSATION

48. Defendants' wrongful conduct, as alleged herein, directly and proximately caused the economic loss suffered by Plaintiff and the Class.

49. During the Class Period, Plaintiff and the Class purchased ModivCare's securities at artificially inflated prices and were damaged thereby. The price of the Company's securities significantly declined when the misrepresentations made to the market, and/or the information alleged herein to have been concealed from the market, and/or the effects thereof, were revealed, causing investors' losses.

SCIENTER ALLEGATIONS

50. As alleged herein, Defendants acted with scienter since Defendants knew that the public documents and statements issued or disseminated in the name of the Company were materially false and/or misleading; knew that such statements or documents would be issued or disseminated to the investing public; and knowingly and substantially participated or acquiesced in the issuance or dissemination of such statements or documents as primary violations of the federal securities laws. As set forth elsewhere herein in detail, the Individual Defendants, by virtue of their receipt of information reflecting the true facts regarding ModivCare, their control over, and/or receipt and/or modification of ModivCare's allegedly materially misleading misstatements and/or their associations with the Company which made them privy to confidential proprietary information concerning ModivCare, participated in the fraudulent scheme alleged herein.

APPLICABILITY OF PRESUMPTION OF RELIANCE

(FRAUD -ON-THE-MARKET DOCTRINE)

51. The market for ModivCare's securities was open, well-developed, and efficient at all relevant times. As a result of the materially false and/or misleading statements and/or failures to disclose, ModivCare's securities traded at artificially inflated prices during the Class Period. On February 2, 2023, the Company's share price closed at a Class Period-high of $110.58 per share. Plaintiff and other members of the Class purchased or otherwise acquired the Company's securities relying upon the integrity of the market price of ModivCare's securities and market information relating to ModivCare, and have been damaged thereby.

52. During the Class Period, the artificial inflation of ModivCare's share prices were caused by the material misrepresentations and/or omissions particularized in this Complaint causing the damages sustained by Plaintiff and other members of the Class. As described herein, during the Class Period, Defendants made or caused to be made a series of materially false and/or misleading statements about ModivCare's business, prospects, and operations. These material misstatements and/or omissions created an unrealistically positive assessment of ModivCare and its business, operations, and prospects, thus causing the price of the Company's securities to be artificially inflated at all relevant times, and when disclosed, negatively affected the value of the Company shares. Defendants' materially false and/or misleading statements during the Class Period resulted in Plaintiff and other members of the Class purchasing the Company's securities at such artificially inflated prices, and each of them has been damaged as a result.

53. At all relevant times, the market for ModivCare's securities was an efficient market for the following reasons, among others:

(a) ModivCare shares met the requirements for listing, and was listed and actively traded on the NASDAQ, a highly efficient and automated market.

(b) As a regulated issuer, ModivCare filed periodic public reports with the SEC and/or the NASDAQ.

(c) ModivCare regularly communicated with public investors via established market communication mechanisms, including through regular dissemination of press releases on the national circuits of major newswire services and through other wide-ranging public disclosures, such as communications with the financial press and other similar reporting services; and/or

(d) ModivCare was followed by securities analysts employed by brokerage firms who wrote reports about the Company, and these reports were distributed to the sales force and certain customers of their respective brokerage firms. Each of these reports was publicly available and entered the public marketplace.

54. As a result of the foregoing, the market for ModivCare's securities promptly digested current information regarding ModivCare from all publicly available sources and reflected such information in ModivCare's share price. Under these circumstances, all purchasers of ModivCare's securities during the Class Period suffered similar injury through their purchase of ModivCare's securities at artificially inflated prices and a presumption of reliance applies.

55. A Class-wide presumption of reliance is also appropriate in this action under the Supreme Court's holding in *Affiliated Ute Citizens of Utah v. United States*, 406 U.S. 128 (1972), because the Class' claims are, in large part, grounded on Defendants' material misstatements and/or omissions. Because this action involves Defendants' failure to disclose material adverse

information regarding the Company's business operations and financial prospects – information that Defendants were obligated to disclose – positive proof of reliance is not a prerequisite to recovery. All that is necessary is that the facts withheld be material in the sense that a reasonable investor might have considered them important in making investment decisions. Given the importance of the Class Period material misstatements and omissions set forth above, that requirement is satisfied here.

NO SAFE HARBOR

56. The statutory safe harbor provided for forward-looking statements under certain circumstances does not apply to any of the allegedly false statements pleaded in this Complaint. The statements alleged to be false and misleading herein all relate to then-existing facts and conditions. In addition, to the extent certain of the statements alleged to be false may be characterized as forward looking, they were not identified as "forward-looking statements" when made and there were no meaningful cautionary statements identifying important factors that could cause actual results to differ materially from those in the purportedly forward-looking statements. In the alternative, to the extent that the statutory safe harbor is determined to apply to any forward-looking statements pleaded herein, Defendants are liable for those false forward-looking statements because at the time each of those forward-looking statements was made, the speaker had actual knowledge that the forward-looking statement was materially false or misleading, and/or the forward-looking statement was authorized or approved by an executive officer of ModivCare who knew that the statement was false when made.

FIRST CLAIM

Violation of Section 10(b) of the Exchange Act and Rule 10b-5 Promulgated Thereunder Against All Defendants

57. Plaintiff repeats and re-alleges each and every allegation contained above as if fully set forth herein.

58. During the Class Period, Defendants carried out a plan, scheme, and course of conduct which was intended to and, throughout the Class Period, did: (i) deceive the investing public, including Plaintiff and other Class members, as alleged herein; and (ii) cause Plaintiff and other members of the Class to purchase ModivCare's securities at artificially inflated prices. In furtherance of this unlawful scheme, plan, and course of conduct, Defendants, and each defendant, took the actions set forth herein.

59. Defendants (i) employed devices, schemes, and artifices to defraud; (ii) made untrue statements of material fact and/or omitted to state material facts necessary to make the statements not misleading; and (iii) engaged in acts, practices, and a course of business which operated as a fraud and deceit upon the purchasers of the Company's securities in an effort to maintain artificially high market prices for ModivCare's securities in violation of Section 10(b) of the Exchange Act and Rule 10b-5. All Defendants are sued either as primary participants in the wrongful and illegal conduct charged herein, or as controlling persons as alleged below.

60. Defendants, individually and in concert, directly and indirectly, by the use, means, or instrumentalities of interstate commerce and/or of the mails and wires, engaged and participated in a continuous course of conduct to conceal adverse material information about ModivCare's financial well-being and prospects, as specified herein.

61. Defendants employed devices, schemes, and artifices to defraud, while in possession of material adverse nonpublic information and engaged in acts, practices, and a course of conduct as alleged herein in an effort to assure investors of ModivCare's value and performance and continued substantial growth, which included the making of, or the participation in the making of, untrue statements of material facts and/or omitting to state material facts necessary in order to make the statements made about ModivCare and its business operations and future prospects in light of the circumstances under which they were made, not misleading, as set forth more particularly herein, and engaged in transactions, practices, and a course of business which operated as a fraud and deceit upon the purchasers of the Company's securities during the Class Period.

62. Each of the Individual Defendants' primary liability and controlling person liability arises from the following facts: (i) the Individual Defendants were high-level executives and/or directors at the Company during the Class Period and members of the Company's management team or had control thereof; (ii) each of these defendants, by virtue of their responsibilities and activities as a senior officer and/or director of the Company, was privy to and participated in the creation, development, and reporting of the Company's internal budgets, plans, projections, and/or reports; (iii) each of these defendants enjoyed significant personal contact and familiarity with the other defendants and was advised of, and had access to, other members of the Company's management team, internal reports, and other data and information about the Company's finances, operations, and sales at all relevant times; and (iv) each of these defendants was aware of the Company's dissemination of information to the investing public which they knew and/or recklessly disregarded was materially false and misleading.

Case: 25-90309 Document: 950-9 Filed in TXSB on 01/29/25 Page: 295 of 567

63. Defendants had actual knowledge of the misrepresentations and/or omissions of material facts set forth herein, or acted with reckless disregard for the truth in that they failed to ascertain and to disclose such facts, even though such facts were available to them. Such Defendant's material misrepresentations and/or omissions were done knowingly or recklessly and for the purpose and effect of concealing ModivCare's financial well-being and prospects from the investing public and supporting the artificially inflated price of its securities. As demonstrated by Defendants' overstatements and/or misstatements of the Company's business, operations, financial well-being, and prospects throughout the Class Period, Defendants, if they did not have actual knowledge of the misrepresentations and/or omissions alleged, were reckless in failing to obtain such knowledge by deliberately refraining from taking those steps necessary to discover whether those statements were false or misleading.

64. As a result of the dissemination of the materially false and/or misleading information and/or failure to disclose material facts, as set forth above, the market price of ModivCare's securities was artificially inflated during the Class Period. In ignorance of the fact that market prices of the Company's securities were artificially inflated, and relying directly or indirectly on the false and misleading statements made by Defendants, or upon the integrity of the market in which the securities trades, and/or in the absence of material adverse information that was known to or recklessly disregarded by Defendants, but not disclosed in public statements by Defendants during the Class Period, Plaintiff and the other members of the Class acquired ModivCare's securities during the Class Period at artificially high prices and were damaged thereby.

65. At the time of said misrepresentations and/or omissions, Plaintiff and other members of the Class were ignorant of their falsity, and believed them to be true. Had Plaintiff and the other members of the Class and the marketplace known the truth regarding the problems that ModivCare was experiencing, which were not disclosed by Defendants, Plaintiff and other members of the Class would not have purchased or otherwise acquired their ModivCare securities, or, if they had acquired such securities during the Class Period, they would not have done so at the artificially inflated prices which they paid.

66. By virtue of the foregoing, Defendants violated Section 10(b) of the Exchange Act and Rule 10b-5 promulgated thereunder.

67. As a direct and proximate result of Defendants' wrongful conduct, Plaintiff and the other members of the Class suffered damages in connection with their respective purchases and sales of the Company's securities during the Class Period.

SECOND CLAIM

Violation of Section 20(a) of the Exchange Act Against the Individual Defendants

68. Plaintiff repeats and re-alleges each and every allegation contained above as if fully set forth herein.

69. Individual Defendants acted as controlling persons of ModivCare within the meaning of Section 20(a) of the Exchange Act as alleged herein. By virtue of their high-level positions and their ownership and contractual rights, participation in, and/or awareness of the Company's operations and intimate knowledge of the false financial statements filed by the Company with the SEC and disseminated to the investing public, Individual Defendants had the power to influence and control and did influence and control, directly or indirectly, the decision

making of the Company, including the content and dissemination of the various statements which Plaintiff contends are false and misleading. Individual Defendants were provided with or had unlimited access to copies of the Company's reports, press releases, public filings, and other statements alleged by Plaintiff to be misleading prior to and/or shortly after these statements were issued and had the ability to prevent the issuance of the statements or cause the statements to be corrected.

70. In particular, Individual Defendants had direct and supervisory involvement in the day-to-day operations of the Company and, therefore, had the power to control or influence the particular transactions giving rise to the securities violations as alleged herein, and exercised the same.

71. As set forth above, ModivCare and Individual Defendants each violated Section 10(b) and Rule 10b-5 by their acts and omissions as alleged in this Complaint. By virtue of their position as controlling persons, Individual Defendants are liable pursuant to Section 20(a) of the Exchange Act. As a direct and proximate result of Defendants' wrongful conduct, Plaintiff and the other members of the Class suffered damages in connection with their purchases of the Company's securities during the Class Period.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff prays for relief and judgment as follows:

A. Determining that this action is a proper class action under Rule 23 of the Federal Rules of Civil Procedure;

B. Awarding compensatory damages in favor of Plaintiff and the other Class members against all Defendants, jointly and severally, for all damages sustained as a result of Defendants' wrongdoing, in an amount to be proven at trial, including interest thereon;

C. Awarding Plaintiff and the Class their reasonable costs and expenses incurred in this action, including counsel fees and expert fees; and

D. Such other and further relief as the Court may deem just and proper.

JURY TRIAL DEMANDED

Plaintiff hereby demands a jury trial.

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

I.(a) Plaintiffs-Defendants. Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.

(b) County of Residence. For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)

(c) Attorneys. Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".

II. Jurisdiction. The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.
United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.
United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.
Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.
Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; **NOTE: federal question actions take precedence over diversity cases.**)

III. Residence (citizenship) of Principal Parties. This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.

IV. Nature of Suit. Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: Nature of Suit Code Descriptions.

V. Origin. Place an "X" in one of the seven boxes.
Original Proceedings. (1) Cases which originate in the United States district courts.
Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. When the petition for removal is granted, check this box.
Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.
Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.
Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.
Multidistrict Litigation – Transfer. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407.
Multidistrict Litigation – Direct File. (8) Check this box when a multidistrict case is filed in the same district as the Master MDL docket.
PLEASE NOTE THAT THERE IS NOT AN ORIGIN CODE 7. Origin Code 7 was used for historical records and is no longer relevant due to changes in statue.

VI. Cause of Action. Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service

VII. Requested in Complaint. Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.
Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction.
Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.

VIII. Related Cases. This section of the JS 44 is used to reference related pending cases, if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.

MODIVCARE, INC.,

Nominal Defendant.

VERIFIED SHAREHOLDER DERIVATIVE COPMLAINT

Plaintiff Zane Whitfield ("Plaintiff"), by and through his undersigned attorneys, brings this verified stockholder derivative action on behalf of nominal defendant ModivCare, Inc. ("ModivCare" or the "Company"), against certain of the Company's executive officers and its board of directors (the "Board") for breaches of fiduciary duties and violations of federal law by the Individual Defendants (defined below). Plaintiff's allegations are based on personal knowledge as to himself and his own acts, and upon information and belief as to all other matters, based on, *inter alia*, the investigation conducted by his counsel, including review of publicly available information regarding the Company; the allegations of a class action complaint filed in

the Securities Class Action captioned *Kalera v. ModivCare, Inc., et al.*, Case No. 1:25-cv-00306-GPG-KAS (D. Colo.); (the "Securities Class Action"); conference call transcripts and announcements; filings with the United States Securities and Exchange Commission (the "SEC"); press releases disseminated by ModivCare; legal filings; news reports; and securities analysts' reports about the Company.

NATURE OF THE ACTION

1. This shareholder derivative action is brought by Plaintiff on behalf of ModivCare against certain officers and members of the Company's Board (the "Individual Defendants")[1] for breaches of their fiduciary duties between at least November 3, 2022 and September 15, 2024, inclusive (the "Relevant Period"), and for violations of the federal securities laws, as set forth below.

2. ModivCare is a technology-enabled healthcare services company that provides a suite of integrated supportive care solutions for public and private payors and their members.

3. The Company's three business segments are: (i) non-emergent medical transportation ("NEMT"); (ii) personal care services ("PCS"); and (iii) and in-home monitoring solutions.

4. The Company's NEMT segment's operating model includes the coordination of non-emergency medical transportation services supported by an infrastructure of core competencies in risk underwriting, contact center management, network credentialing, and claims management.

[1] The Individual Defendants are L. Heath Sampson ("Sampson"), Kenneth Shepard ("Shephard"), Barbara K. Gutierrez ("Gutierrez"), Leslie V. Norwalk ("Norwalk"), Todd J. Carter ("Carter"), David A. Coulter ("Coulter"), Garth Graham ("Graham"), Rahul Samant ("Samant"), Richard A. Kerley ("Kerley"), Christopher S. Shackelton ("Shackelton"), Stacy Saal ("Saal"), and Frank J. Wright ("Wright"). "Defendants" means ModivCare and the Individual Defendants.

Case: 25-90309 Document: 1-5 Filed in TXSB on 05/12/25 Page: 346 of 567

5. Throughout the Relevant Period, the Individual Defendants touted certain of the Company's contracts used in its NEMT segment, highlighting these contracts as mitigating risks to the Company's free cash flow. However, in reality, ModivCare's free cash flow was rapidly deteriorating.

6. The truth began to emerge on May 4, 2023, when the Company hosted an earnings call for investors and analysts to discuss its financial results for the first quarter of 2023 (the "1Q23 Earnings Call"). During the 1Q23 Earnings Call, Defendant Shepard revealed that the Company experienced a reduction in cash flow from operations during the first quarter, stating, in relevant part:

> Consolidated cash-flow from operations in the first quarter of 2023 was the use of approximately $3 million due to a $7 million reduction in contract payables and $31 million increase in contract receivables. Excluding these items, our cash flow from operation would have been better in the first quarter by $38 million.

7. On this news, the Company's stock price declined $11.30 per share, or approximately 16%, to close at $58.00 per share on May 4, 2023.

8. Then, on August 3, 2023, the Company hosted an earnings call for investors and analysts to discuss its financial results for the second quarter of 2023 (the "2Q23 Earnings Call"). During the 2Q23 Earnings Call, Defendant Sampson revealed that the Company's cash flow from operations during the quarter was impacted due to a "large payable balance," stating, in relevant part:

> I'd like to address our second quarter cash flow from operations, which was negative $108 million, mainly due to a $96 million decrease in our net contract payables, less receivable balance during the quarter, along with a onetime $9.6 million arbitration settlement with a former employee. Post the pandemic, coupled with a shift to more shared risk NEMT contracts, we experienced a temporary timing mismatch between payments and collections, which created a large payable balance that we've been reducing over the past year.

9. On this news, ModivCare's stock price declined $2.86 per share, or approximately

7%, to close at $35.58 per share on August 4, 2023.

10. On February 23, 2024, the Company hosted an earnings call for investors and analysts to discuss its financial results for the fourth quarter of 2023 (the "4Q23 Earnings Call"). During the 4Q23 Earnings Call, Defendant Sampson revealed that the Company suffered negative cash flow during the fourth quarter and that the Company expected this trend to continue into the first half of 2024, stating, in relevant part:

> Firstly, our free cash flow for the fourth quarter was negative $37 million, which was below expectations, primarily due to delay in payment from an MCO client within a specific contract in Florida. Looking ahead, and primarily to us managing redetermination and the increased healthcare utilization environment, we anticipate our free cash flow for the first half of the year will be constrained to the ongoing build in contract receivables and the settlement of several large payables expected in the second quarter.

11. On this news, the Company's stock price declined $17.25 per share, or approximately 39%, to close at $26.62 per share on February 23, 2024.

12. Then, on September 12, 2024, the Company filed a Form 8-K with the SEC, wherein ModivCare revealed that the Company was "undertaking actions to seek additional capital, including filing a shelf registration statement" with the SEC to improve its liquidity due, in part, outstanding contract receivables.

13. On this news, the Company's stock price declined $18.43 per share, or approximately 59%, to close at $12.76 per share on September 12, 2024.

14. The truth was fully revealed on September 16, 2024, when the Company issued a press release providing a financial update. In this press release, the Company revised its 2024 Adjusted EBITDA guidance range from $185–$195 million to $170–$180 million, "primarily due to NEMT segment pricing accommodations made to strategically retain and expand key customer relationships."

Case: 25-90309 Document: 950-9 Filed in TXSB on 05/12/25 Page: 318 of 567

15. On this news, the Company's stock price declined $1.40 per share, or approximately 10%, to close at $12.72 per share on September 16, 2024.

16. Throughout the Relevant Period, the Individual Defendants breached their fiduciary duties by issuing, causing the issuance of, and/or failing to correct the materially false and/or misleading statements and omissions of material fact to the investing public. Specifically, the Individual Defendants failed to disclose to investors, *inter alia*, that: (i) certain of the Company's contracts in its NEMT segment were causing ModivCare's free cash flow to deteriorate; (ii) as a result, the Company's contract renegotiations and pricing accommodations were negatively impacting the Company's adjusted EBITDA; (iii) as a result, the Company had insufficient liquidity; (iv) the Company failed to maintain adequate internal controls and risk oversight over its financial reporting; and (v) as a result of the foregoing, the Company's public statements regarding its business, operations, and prospects were materially false and misleading and lacked a reasonable basis at all relevant times.

17. As a result of the foregoing, the Securities Class Action was filed against the Company and Defendants Sampson, Shephard, and Gutierrez, in the United States District Court for the District of Colorado, exposing the Company to massive class-wide liability and costs related to defending itself in the Securities Class Action.

18. Furthermore, as detailed herein, as a direct and proximate result of the Individual Defendants' misconduct, the Company repurchased its own stock at artificially inflated prices during the Relevant Period, costing the Company hundreds of thousands of dollars.

19. Moreover, in light of the breaches of fiduciary duty engaged in by the Individual Defendants, most of whom are the Company's current directors, their collective engagement in fraud, the substantial likelihood of the directors' liability in this derivative action and Defendants'

liability in the Securities Class Action, their being beholden to each other, their longstanding business and personal relationships with each other, and their not being disinterested and/or independent directors, a majority of ModivCare's Board cannot consider a demand to commence litigation against themselves and the other Individual Defendants on behalf of the Company with the requisite level of disinterestedness and independence. Accordingly, Plaintiff did not make a demand on the Board because, as further detailed herein, demand would be a futile and useless act.

JURISDICTION AND VENUE

20. This Court has subject matter jurisdiction pursuant to 28 U.S.C. § 1331 and Section 27 of the Securities Exchange Act of 1934 (the "Exchange Act") over the claims asserted herein for violations of Section 14(a) of the Exchange Act (15 U.S.C. § 78n(a)) and Rule 14a-9 (17 C.F.R. § 240.14a-9) promulgated thereunder by the SEC, Section 10(b) of the Exchange Act (15 U.S.C. § 78(j)) and Rule 10b-5 (17 C.F.R. § 240.10b-5) promulgated thereunder by the SEC, and Section 20(a) of the Exchange Act (15 U.S.C. § 78t(a)).

21. This Court has supplemental jurisdiction over Plaintiff's state law claims pursuant to 28 U.S.C. § 1367(a).

22. This action is not a collusive action designed to confer jurisdiction on a court of the United States that it would not otherwise have.

23. In connection with the acts, conduct and other wrongs complained of herein, the Individual Defendants, directly or indirectly, used the means and instrumentalities of interstate commerce, the United States mail, and the facilities of a national securities market.

24. Venue is proper in this District pursuant to Section 27(a) of the Exchange Act and 28 U.S.C. § 1391 because ModivCare maintains its principal executive offices in this District,

Defendants have conducted business in this District, a substantial portion of the acts and omissions alleged herein, including the issuance and dissemination of materially false and misleading information, occurred in this District, Defendants have received substantial compensation in this District by engaging in numerous activities that had an effect in this District, and the Securities Class Action is pending in this District.

40. Therefore, the Individual Defendants were required to act in furtherance of the best interests of ModivCare and its shareholders.

41. Each director and officer of the Company owes to ModivCare and its shareholders the fiduciary duty to exercise good faith and diligence in the administration of the Company and in the use and preservation of its property and assets and the highest obligation of fair dealing.

42. The Individual Defendants, because of their positions of control and authority as directors and/or officers of ModivCare, were able to and did, directly and/or indirectly, exercise control over the wrongful acts complained of herein.

43. Each Individual Defendant, by virtue of his or her position as a director and/or officer owed to the Company and to its shareholders the highest fiduciary duties of trust, loyalty, good faith, and the exercise of due care and diligence in the management and administration of the affairs of the Company, as well as in the use and preservation of its property and assets. The conduct of the Individual Defendants complained of herein involves a knowing and culpable violation of their obligations as directors and/or officers of ModivCare, the absence of good faith on their part, or a reckless disregard for their duties to the Company and its shareholders that the

Case 25-90309 Document 950-9 Filed in TXSB on 05/22/25 Page 325 of 567

44. As senior executive officers and directors of a publicly-traded company whose common stock was registered with the SEC pursuant to the Exchange Act and traded on the NASDAQ, the Individual Defendants had a duty: to ensure that ModivCare implemented and properly monitored the Company's internal controls over financial reporting; to prevent the dissemination of inaccurate and untruthful information with respect to the Company's financial condition, performance, growth, financial statements, products, management, internal controls, earnings, and present and future business prospects, including the dissemination of false and/or materially misleading information regarding the Company's business, prospects, and operations; and to cause the Company to disclose in its regulatory filings with the SEC all those facts described in this Complaint that it failed to disclose, so that the market price of the Company's common stock would be based upon truthful, accurate, and fairly presented information.

By virtue of such duties, the officers and directors of ModivCare were required to, among other things:

(a) Ensure that the Company was operated in a diligent, honest, and prudent manner in accordance with the laws and regulations of Colorado and the United States, and pursuant to ModivCare's own Code of Conduct (the "Code of Conduct");

(f) Maintain and implement an adequate and functioning system of internal legal, financial, and management controls, such that ModivCare's operations would comply with all applicable laws and ModivCare's financial statements and regulatory filings filed with the SEC and disseminated to the public and the Company's shareholders would be accurate;

The Individual Defendants caused the Company to conceal the true facts as alleged herein. The Individual Defendants further aided and abetted and/or assisted each other in breaching their respective duties.

50. The purpose and effect of the conspiracy, common enterprise, and/or common course of conduct was, among other things, to facilitate and disguise the Individual Defendants' violations of law, including breaches of fiduciary duty and unjust enrichment.

51. The Individual Defendants accomplished their conspiracy, common enterprise, and/or common course of conduct by causing the Company, purposefully, recklessly, or negligently, to conceal material facts, fail to correct such misrepresentations, and violate applicable laws.

52. In furtherance of this plan, conspiracy, and course of conduct, the Individual Defendants collectively and individually took the actions set forth herein. Because the actions

described herein occurred under the authority of the Board, each of the Individual Defendants, who are directors of ModivCare, was a direct, necessary, and substantial participant in the conspiracy, common enterprise, and/or common course of conduct complained of herein.

53. Each of the Individual Defendants aided and abetted and rendered substantial assistance in the wrongs complained of herein. In taking such actions to substantially assist the commission of the wrongdoing complained of herein, each Individual Defendant acted with actual or constructive knowledge of the primary wrongdoing, either took direct part in, or substantially assisted the accomplishment of that wrongdoing, and was or should have been aware of his or her overall contribution to and furtherance of the wrongdoing.

54. At all times relevant hereto, each of the Individual Defendants was the agent of each of the other Individual Defendants and of ModivCare and at all times acted within the course and scope of such agency.

55. ModivCare's Code of Conduct begins with a message from Defendant Heath, which states, in relevant part:

56. The Code of Conduct applies to all of the Company's "team members" and must be followed by the Company's Board members, vendors, contractors, and subcontractors.

57. In the "Introduction" section, the Code of Conduct states, in relevant part, that:

> - Handling actual or apparent conflicts of interest between personal and professional activities and relationships in an ethical and timely manner
> - Making full, fair, accurate, timely, and understandable public communications
> - Reporting to the appropriate person(s) identified in this COC of violations of the COC, including ethical rules, principles, and standards, completely and promptly
> - Enforcing accountability for failure to adhere to the COC

58. In a section titled "Effective Compliance Program Components," the Code of Conduct states:

> The Company works diligently to have an effective compliance program. This COC is one component of this multi-faceted effort. The Compliance Program, consisting of the seven elements listed below and discussed throughout this COC, reduces the likelihood of instances of unethical and noncompliant behavior, minimizes the consequences should instances of noncompliance occur, and otherwise protects the Company's corporate brand and reputation.
>
> The seven elements of the Company's Compliance Program are:
>
> 1. Compliance Officer, Compliance Committee, and high level oversight
> 2. Written code of conduct, policies, and procedures
> 3. Effective training and education
> 4. Effective lines of communication
> 5. Routine identification, monitoring, and auditing of compliance risks

6. Enforced standards and discipline

7. Prompt and effective responses to compliance issues

Each of these seven elements is vital to the success and effectiveness of the Company's Compliance Program. They are discussed in greater detail throughout this COC.

59. In a section titled "Violations of the COC, Policy, or Law," the Code of Conduct states, in relevant part:

> All team members are responsible for complying with the COC, the Company's related compliance policies and procedures, and applicable laws and regulations. Part of that responsibility is to report known or suspected violations of the COC, Company policies and procedures, or applicable law. In addition, supervisors or managers may be held responsible for the behavior of their subordinates and all agents, consultants, and other representatives of the Company under their reasonable control. If a violation occurs, the specific disciplinary action taken will depend on the circumstances but may include suspension or termination of employment or other association with the Company, or legal action, as the Company deems appropriate.

60. In a section titled "Maintain Accurate Business and Financial Records," the Code of Conduct states, in part:

> Everyone must create and maintain accurate business and financial records. Preserving the integrity of our financial records is not only the law, but is also important for accurately measuring and maintaining our competitive success and public credibility. Modivcare's parent company, Modivcare Inc., must file periodic reports with the Securities and Exchange Commission (SEC) that are also available for public review and contain information upon which the public may rely. We take this public disclosure responsibility very seriously, and are committed to ensure that all Company communications are complete and accurate.
>
> Books and records must also be kept in compliance with government procurement and contracting rules, other client contract requirements, and any administrative requirements of the government agencies that oversee or do business with the Company. We maintain records relating to our provision of services under Medicaid, Medicare, and MCO contracts for a period of 10 years from creation.
>
> Business records, including financial documents, expense accounts, reimbursements, and timesheets, must be accurate and complete. Never include false or misleading information in any business record, and do not omit accurate information in an effort to mislead or conceal. Those team members who are

authorized to enter agreements that bind the Company must never execute a contract that does not fully reflect the true nature and economic substance of the transaction or business activity, or omit material facts from an agreement. Only certain Modivcare team members may execute contracts, and then only in accordance with the Company's Schedule of Authorizations, which is found on the Employee Web Portal or may be provided by request to the Chief Compliance Officer or General Counsel, Jonathan Bush, at jonathan.bush@Modivcare.com.

You must never create or maintain any accounts, entities, assets, or funds that are not fully and accurately recorded in the Company's books. You must at all times comply with the Company's internal accounting and auditing policies and controls, which are designed to protect the integrity of our corporate records and the Company's finances. If you are uncertain as to the appropriateness of any accounting or financial reporting matter, you should ask your supervisor. Further, no team member may fraudulently influence, coerce, manipulate, or mislead an auditor (whether internal or external) for the purpose of rendering misleading financial statements or for any other purpose.

61. In a section titled "Ensure the Accuracy of Financial Reporting," the Code of Conduct states:

As the wholly-owned subsidiary of a publicly-traded company, Modivcare is required to comply with federal and state laws and regulations with respect to the accuracy of the information it supplies to its parent company, Modivcare Inc., which is ultimately reported to the SEC and communicated to the public. The Company's financial statements are relied upon both internally and externally by individuals making business or investment decisions. Accuracy and candor are critical to the financial health of the Company. As a result, each Company team member, including every executive, officer, and member of management involved in the review, preparation, or substantiation of Modivcare Inc.'s SEC Reports and Public Documents (as defined below) must act in good faith, responsibly, and with due care and diligence to ensure that the Company provides full, fair, accurate, timely, and understandable information for Modivcare Inc.'s disclosures in its SEC Reports and Public Documents. The term "SEC Reports and Public Documents" means financial statements, reports, and other documents filed with or submitted to the SEC, as well as other public communications made by Modivcare Inc. or the Company.

Financial executives, officers, and other personnel involved in the review or preparation of SEC Reports and Public Documents must help ensure that SEC Reports and Public Documents fairly disclose the Company's assets, liabilities, and any material transactions made by the Company. Senior Financial Officers are responsible for the SEC Reports and Public Documents meeting the following requirements:

- SEC Reports and Public Documents must, in reasonable detail, accurately and fairly reflect the transactions engaged in by the Company and acquisitions and dispositions of the Company's assets

- SEC Reports and Public Documents must not contain any untrue statement of material fact that would make the statements in the SEC Reports and Public Documents misleading

- Financial reports must be prepared in accordance with, or reconciled to, Generally Accepted Accounting Principles ("GAAP") and applicable SEC rules, including the SEC accounting rules

- SEC Reports and Public Documents must contain full, fair, accurate, timely, and understandable disclosures

62. In a section titled "Never Engage in Insider Trading," the Code of Conduct states, in relevant part:

> Under federal securities laws, you cannot trade in Modivcare Inc.'s stock on the basis of material, non-public information, nor can you "tip" such material, non-public information to others who use it to trade in Modivcare Inc.'s stock. These laws are designed to ensure that all investors are on an equal footing and are relying upon the same information in making their investment decisions. The Company's Corporate Communications Policy sets forth the trading and reporting obligations of employees of public companies (or their wholly-owned subsidiaries) in greater detail. Every executive, officer, member of management, and employee of the Company has access to these policies and must strictly adhere to them at all times.

63. In a section titled "Avoid Conflicts of Interest," the Code of Conduct states, in relevant part:

> You must make every effort to avoid situations in which your personal interests conflict or appear to conflict with the interests of the Company. Even the suggestion of impropriety will hurt the valuable reputation the Company has worked so hard to establish. When in doubt about whether something constitutes a conflict of interest, ask your supervisor, the Chief Compliance Officer, or any member of the Legal Department. You may also submit your question through the Ethics Hotline (855-818-6929).
>
> Every Modivcare team member is required to perform his/her responsibilities in a manner that furthers Modivcare's interests, and may not compromise those interests due to actual or perceived conflicts with other business matters or personal concerns. A conflict exists when your real or perceived personal interests interfere with or appear to interfere with the interests of the Company. To carry out our

business effectively, every team member must be loyal to the Company. You should therefore refrain from entering into relationships that might impair your judgment about what is best for the Company. Even relationships that give the appearance of a conflict of interest should be avoided.

Conflicts of interest may arise in many ways, including, for example, receiving improper personal benefits as a result of your position with the Company, or having outside duties, responsibilities, or obligations that run counter to your duties to the Company. Conflicts of interest may reach farther than just the person employed by or otherwise serving the Company. In fact, many conflicts arise as a result of situations involving the relative of an executive, officer, member of management, or other team member.

64. In a section titled "Conduct Business Fairly and with Integrity," the Code of Conduct states, in relevant part:

Deal Fairly with Business and Work Associates:

Every Modivcare executive, officer, member of management, or other team member must at all times deal fairly and in good faith with our clients and their members, business partners, suppliers, competitors, stakeholders, regulators, and co-workers. You must never take unfair advantage of anyone through manipulation, concealment, misrepresentation, conspiracy, offers of illegal favors, or any other unfair or unethical practices. Dealings with contractors, suppliers, and vendors must be fair, and cannot be conditioned on requiring that they purchase services from or otherwise deal with the Company. . . .

Interacting with Regulators, Auditors, and Counsel

Government authorities or lawyers for outside parties may seek to contact you directly with respect to audits, reviews, investigations, or claims against the Company. Inquiries by governmental or regulatory agencies or counsel must be brought to the attention of the Legal Department before any information or response is provided so that such inquiries may be coordinated and handled properly.

It is Modivcare's policy to cooperate fully with all duly-authorized governmental inquiries and respond truthfully and completely in any legal action. Remember that both you and the Company have a right to a lawyer in connection with any government investigation. If you are contacted by a government investigator, you have a right to have a lawyer present when you speak to the investigator, whether that questioning occurs at your workplace or away from work after business hours. If you are contacted by a third party about an investigation (or otherwise learn of an investigation), you should contact the Legal Department immediately.

In addition, if you receive any written inquiry, subpoena, or other legal document

regarding Company business, whether at home or in the workplace, from any governmental agency, outside lawyer, or any other source, you should notify your supervisor or a member of the Legal Department immediately. More details about your rights and responsibilities with respect to contact by government agencies and officials, and legal counsel from any source, are found in the Employee Manual, "Employee Rights in Connections with Government Investigations and Interviews," and elsewhere in the Employee Manual.

SUBSTANTIVE ALLEGATIONS

Background

67. ModivCare is a technology-enabled healthcare services company that provides a suite of integrated supportive care solutions for public and private payors and their members.

68. The Company's three business segments are: (1) NEMT services; (ii) PCS; and (iii) in-home monitoring solutions.

69. Under its NEMT segment, the Company primarily provides services on a capitated basis, meaning payors pay a fixed amount per eligible member. With capitated contracts, the

Company assumes the responsibility of meeting the covered healthcare related transportation requirements based on on a per-member, per-month ("PMPM") fees for the number of eligible members in the customer's program. According to the Company's annual report for 2024 filed on a Form 10-K with the SEC on March 6, 2025 (the "2024 10-K"), in 2024, 80.9% of the Company's NEMT revenue came from capitated contracts.

70. According to the 2024 10-K, the NEMT capitated contracts operate under either a full-risk or a shared-risk structure. Under full-risk contracts, payors pay a fixed amount per eligible member per month and ModivCare assumes the responsibility of meeting the covered healthcare related transportation requirements for the number of eligible members in the payor's program. This means that the Company assumes the full-risk for the costs associated with arranging transportation of members. Revenue is recognized based on the number of members served during the period. Under shared-risk contracts, the Company has provisions for reconciliations, risk corridors, and/or profit rebates. These contracts allow for periodic reconciliations based on actual cost and or/trip volume and may result in refunds to the payor (contract payables), or additional payments due from the payor (contract receivables) based on the provisions contractually agreed upon. These shared-risk contracts also allow for margin stabilization, as generally the amount received PMPM is adjusted for the costs to provide the transportation services.

71. The Company also provides services on a fee-for-service ("FFS") basis through its NEMT segment, under which fees are generated based upon billing rates for specific services or defined membership populations. According to the 2024 10-K, under FFS contracts, payors pay a specified amount for each service provided based on costs incurred plus an agreed-upon margin. FFS revenue is recognized by the Company in the period in which the services are rendered and is reduced by the estimated impact of contractual allowances.

72. Payment for the Company's NEMT services are rendered from third-party payors, primarily from state Medicaid agencies and managed care organizations ("MCOs"), including Medicare agencies.

73. From 2020 through the end of 2022, nearly all of the Company's NEMT capitated contracts were "full-risk."

74. Throughout the Relevant Period, the Individual Defendants touted certain of the Company's contracts used in its NEMT segment, highlighting these contracts as mitigating risks to the Company's free cash flow. However, in reality, ModivCare's free cash flow was rapidly deteriorating.

The Individual Defendants' Materially False and Misleading Statements

75. On November 3, 2022, the Company issued a press release announcing its financial results for the third quarter of 2022 (the "3Q22 Earnings Release"). The 3Q22 Earnings Release stated, in relevant part:

Third Quarter 2022 Highlights:

- Revenue of $647.8 million, a 31.4% increase as compared to $493.1 million in Q3 2021
- Net loss of $28.5 million or $2.03 per diluted common share was primarily attributable to a goodwill impairment for Matrix
- Adjusted EBITDA of $51.8 million, Adjusted Net Income of $22.7 million and Adjusted EPS of $1.61
- Net cash used in operating activities during the quarter of $5.7 million
- Cash and cash equivalents of $72.7 million as of September 30, 2022, with $1,000.0 million principal amount of debt outstanding related to the Senior Unsecured Notes due 2025 and 2029
- Undrawn $325.0 million revolving credit facility as of September 30, 2022

76. Defendant Sampson was quoted in the 3Q22 Earnings Release as stating, in relevant part, that "[w]e delivered another solid quarter highlighted by over 30 percent revenue growth as compared to the same quarter last year, driven by 23 percent membership growth from our non-

emergency medical transportation business and 43 percent revenue growth from our personal care business."

77. On the same day, the Company hosted an earnings call for investors and analysts to discuss its financial results for the third quarter of 2022 (the "3Q22 Earnings Call"). During the 3Q22 Earnings Call, Defendant Sampson highlighted the benefits of the capitated contracts to the NEMT segment, stating, in relevant part:

> On the transportation side, as you know, most of our -- 85% of our contracts are capitated. So there's really no kind of reimbursement change in the NEMT side. It is really about how we manage through that. In addition, and this is also something we've done over the last 12 to 18 months, is ensuring our contracts have been structured so we have a win-win, and able to share in these increased costs that are currently happening primarily in the transportation with the driver. So that's been beneficial to us. So those costs have come up that our transportation providers actually have to bear.

78. On November 8, 2022, the Company filed a quarterly report for the period ended September 30, 2022, on a Form 10-Q with the SEC (the "3Q22 10-Q"). In addition to reiterating the previously disclosed financial results, the Company touted the increase in service revenue in the NEMT segment, due, in part, to its capitated contracts, stating:

> *Service revenue, net.* Service revenue, net, increased by $86.8 million and 23.3%, during the three months ended September 30, 2022 as compared to the three months ended September 30, 2021. This increase is primarily attributable to a 16.1% increase in trip volume, a 22.6% increase in average monthly membership and higher rates per member as compared to the three months ended September 30, 2021. . . .***The increase in average monthly membership drove higher revenue because a majority of our contacts [sic] are capitated and we receive monthly payments on a per member/fixed basis in return for full or partial risk of transportation volumes***.

(Emphasis added).

79. The 3Q22 10-Q was signed by Defendant Sampson. The 3Q22 10-Q was also accompanied by certifications made by Defendant Sampson pursuant to Sections 13a-14 and 15d-15 of the Exchange Act and Section 906 of the Sarbanes-Oxley Act of 2002 (the "SOX

Certifications"), wherein he attested to the accuracy of the 3Q22 10-Q.

80. On February 23, 2023, the Company issued a press release announcing its financial results for the fourth quarter and full year of 2022 (the "4Q22 Earnings Release"). The 4Q22 Earnings Release reported that:

> **Fourth Quarter 2022 Highlights:**
>
> - Service revenue of $653.9 million, a 14% increase as compared to $575.8 million in the fourth quarter of 2021
> - Net loss of $6.9 million, or $0.49 per diluted common share
> - Adjusted EBITDA of $59.7 million, adjusted net income of $29.8 million and adjusted EPS of $2.11 per diluted common share
> - Net cash used in operating activities during the quarter of $56.0 million
> - Cash and cash equivalents of $14.5 million as of December 31, 2022, with $1,000.0 million principal amount of debt outstanding related to the Senior Unsecured Notes due 2025 and 2029
>
> **Full Year 2022 Highlights:**
>
> - Service revenue of $2,504.4 million, a 25% increase as compared to $1,996.9 million in 2021
> - Net loss of $31.8 million, or $2.26 per diluted common share
> - Adjusted EBITDA of $221.9 million, adjusted net income of $103.4 million and adjusted EPS of $7.32 per diluted common share
> - Net cash used in operating activities in 2022 of $10.4 million
> - On February 3, 2022, Modivcare Inc. entered into a new senior secured revolving credit facility with total borrowing capacity of $325.0 million and a maturity date in February 2027. This new facility was undrawn at closing and replaces the Company's prior $225.0 million revolving credit facility.

81. On March 7, 2023, the Company filed its annual report for 2022 on a Form 10-K with the SEC (the "2022 10-K"). In addition to affirming the Company's previously stated financial results, the 2022 10-K touted the increase in service revenue in the NEMT segment due to capitated contracts, stating, in relevant part:

> *Service revenue, net.* Service revenue, net, increased by $284.7 million and 19.2%, from 2021 to 2022. This increase is primarily attributable to a 12.9% increase in trip volume, a 14.4% increase in average monthly membership and higher rates per member as compared to the year ended December 31, 2021. . . .The increase in average monthly membership drove higher revenue because a majority of our contacts are capitated and we receive monthly payments on a per member/fixed basis in return for full or partial risk of transportation volumes.

82. The 2022 10-K was signed by Defendants Sampson, Shackelton, Carter, Coulter, Kerley, Norwalk, Wright, Samant, Saal, and Graham. The 2022 10-K was also accompanied by SOX Certifications made by Defendant Sampson, wherein he attested to the accuracy of the 2022 10-K.

83. On May 1, 2023, the Company filed its annual proxy statement on a Schedule 14A with the SEC (the "2023 Proxy"). The 2023 Proxy assured investors that the Board was actively overseeing risks to the Company, stating, in relevant part:

> The Board's Role in Risk Oversight
>
> The Board has an active role, as a whole and at the committee level, in overseeing management of the Company's risks. The Board regularly reviews information regarding the Company's credit, liquidity and operations, as well as the risks associated with each. The Company's Compensation Committee is responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements. The Audit Committee oversees management of financial risks. The Nominating and Governance Committee manages risks associated with the independence of the Board, potential conflicts of interest as well as legal and regulatory compliance. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board is regularly informed through attendance at committee meetings or committee reports about such risks. In addition, members of senior management regularly provide reports to the Board about their respective areas of responsibility and any related risks. These reports include actions taken by senior management to monitor and control such risks.

84. The 2023 Proxy also stated that the Audit Committee, among other things, reviewed the Company's internal controls over financial reporting and recommended to the Board that the audited financial statements be included in the 2022 10-K, stating, in relevant part:

> The Audit Committee has reviewed and discussed with management its assessment and report on the effectiveness of ModivCare's internal control over financial reporting as of December 31, 2022, which it made using the criteria established in Internal Control-Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission. The Audit Committee has also reviewed and discussed with KPMG, the Company's independent registered public accounting firm, its review and report on ModivCare's internal control over

Case 25-90309 Document 950-9 Filed in TXSB on 05/22/25 Page 34 of 567

financial reporting. ModivCare published these reports in its 2022 Annual Report.

> The Audit Committee has reviewed and discussed with management and KPMG the audited consolidated financial statements of ModivCare for the fiscal year ended December 31, 2022. Management represented to the Audit Committee that ModivCare's consolidated financial statements were prepared in accordance with generally accepted accounting principles in the United States. The Audit Committee also discussed with representatives of KPMG the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board ("PCAOB").
>
> The Audit Committee received the written disclosures and the confirming letter from KPMG required by applicable requirements of the PCAOB regarding the independent accountant's communications with the Audit Committee concerning independence and discussed with KPMG its independence from ModivCare.
>
> Based on these reviews and discussions and in reliance thereon, the Audit Committee recommended to the Board that the audited financial statements be included in the 2022 Annual Report.

85. On May 4, 2023, the Company issued a press release announcing its financial results for the first quarter of 2023 (the "1Q23 Earnings Release"). The 1Q23 Earnings Release stated, in relevant part:

> **First Quarter 2023 Highlights:**
>
> - Service revenue of $662.3 million, a 15.3% increase as compared to $574.5 million in Q1 2022

86. The statements identified in ¶¶ 75 through 85 were materially false and misleading and omitted to state material adverse facts necessary to make the statements not misleading because they failed to disclose, *inter alia*, that: (i) certain of the Company's contracts in its NEMT segment were causing ModivCare's free cash flow to deteriorate; (ii) as a result, the Company's

contract renegotiations and pricing accommodations were negatively impacting the Company's adjusted EBITDA; (iii) as a result, the Company had insufficient liquidity; (iv) the Company failed to maintain adequate internal controls and risk oversight over its financial reporting; and (v) as a result of the foregoing, the Company's public statements regarding its business, operations, and prospects were materially false and misleading and lacked a reasonable basis at all relevant times.

87. On the same day it issued the 1Q23 Earnings Release, the Company also hosted the 1Q23 Earnings Call, wherein Defendant Shepard revealed that the Company experienced a reduction of cash flow from operations during the quarter, stating, in relevant part:

> Consolidated cash-flow from operations in the first quarter of 2023 was the use of approximately $3 million due to a $7 million reduction in contract payables and $31 million increase in contract receivables. Excluding these items, our cash flow from operation would have been better in the first quarter by $38 million.

88. On this news, the Company's stock price declined $11.30 per share, or approximately 16%, to close at $58.00 per share on May 4, 2023.

89. Despite this, the Individual Defendants continued to mislead investors and assure them that the Company was on track. Indeed, during the same 1Q23 Earnings Call, Defendant Sampson assured investors that the Company made arrangements to account for Medicaid redetermination (i.e., Medicaid coverage renewal that may result in loss coverage for those beneficiaries who are no longer eligible for Medicaid) by transitioning many of its full-risk contracts to shared-risk contracts. Specifically, Defendant Sampson stated:

> Additionally, we've been preparing for redetermination over the last several months. When we exit the pandemic in 2020 and 2021, we made a conscious effort to effectively and efficiently transition, a large portion of our previous full-risk contracts to contracts that are shared risk or fee-for-service arrangements, protecting ourselves and our customers. These shared risk contracts significantly derisk the financial impact from redetermination by setting contractual revenue rates, primarily based on trip volumes as opposed to membership. In many situations, we can fully offset the gross profit impact from lower membership from re-determination as these contracts reset monthly.

> Our remaining full-risk capitated contracts currently only account for approximately 20% of NEMT revenue, compared to 60% at the start of the pandemic. For these contracts we will continue to have anticipated contract repricing negotiations throughout the year, and annual actuarial pricing reset that allow us to normalize pricing in a post-redetermination environment. As it relates to our membership, we continue to believe that we can grow through the 10% to 15% redetermination headwinds through 2025, based on our new contract wins, existing market expansion, Medicare advantage growth, and just the underlying Medicaid market growth. In total, we believe that we have encapsulated the impact from redetermination in our 2023 outlook, as well as our 2024 outlook.

90. Also on May 4, 2023, the Company filed a quarterly report for the period ended March 31, 2023, on a Form 10-Q with the SEC (the "1Q23 10-Q"). In addition to affirming the Company's previously stated financial results for the first quarter of 2023, the 1Q23 10-Q touted the increase in service revenue in the NEMT segment due to capitated contracts, stating, in relevant part:

> *Service revenue, net.* Service revenue, net, increased by $68.5 million, or 17.1%, during the three months ended March 31, 2023 as compared to the three months ended March 31, 2022. This increase is primarily attributable to a 15.3% increase in trip volume, a 4.7% increase in average monthly membership and higher rates per member as compared to the three months ended March 31, 2022. . . .The increase in average monthly membership drove higher revenue because a majority of our contacts are capitated and we receive monthly payments on a per member/fixed basis in return for full or partial risk of transportation volumes.

91. The 1Q23 10-Q was signed by Defendant Sampson and was also accompanied by SOX Certifications made by Defendant Sampson, wherein he attested to the accuracy of the 1Q23 10-Q.

92. On August 3, 2023, the Company issued a press release announcing its financial results for the second quarter of 2023 (the "2Q23 Earnings Release"). The 2Q23 Earnings Release stated, in relevant part:

> **Second Quarter 2023 Highlights:**
>
> - Service revenue of $699.1 million, an 11.3% increase as compared to $628.2 million in the second quarter of 2022

- Net loss of $190.9 million or $13.47 per diluted common share, primarily attributable to goodwill impairment of $183.1 million
- Adjusted EBITDA[] of $52.4 million, adjusted net income[] of $20.8 million and adjusted EPS[] of $1.47 per diluted common share
- Cash used in operating activities during the quarter of $108.2 million along with capex spend of $8.9 million
- Contract payables decreased by $78.5 million to $109.1 million and contract receivables increased by $17.4 million to $119.8 million, resulting in net contract receivables of $10.7 million as of June 30, 2023
- $126.5 million drawn on the $325.0 million revolving credit facility as of June 30, 2023
- Amended credit agreement's maximum Total Net Leverage Ratio to provide improved access to liquidity

93. The statements contained in ¶¶ 89 through 92 were materially false and misleading and omitted to state material adverse facts necessary to make the statements not misleading because they failed to disclose, *inter alia*, that: (i) certain of the Company's contracts in its NEMT segment were causing ModivCare's free cash flow to deteriorate; (ii) as a result, the Company's contract renegotiations and pricing accommodations were negatively impacting the Company's adjusted EBITDA; (iii) as a result, the Company had insufficient liquidity; (iv) the Company failed to maintain adequate internal controls and risk oversight over its financial reporting; and (v) as a result of the foregoing, the Company's public statements regarding its business, operations, and prospects were materially false and misleading and lacked a reasonable basis at all relevant times.

94. Also on August 3, 2023, the Company hosted the 2Q23 Earnings Call, wherein the Company revealed that the Company experienced the expansion of a "large payable balance," which impacted the Company's cash flow. Specifically, Defendant Sampson stated:

> Next, I'd like to address our second quarter cash flow from operations, which was negative $108 million, mainly due to a $96 million decrease in our net contract payables, less receivable balance during the quarter, along with a onetime $9.6 million arbitration settlement with a former employee. Post the pandemic, coupled with a shift to more shared risk NEMT contracts, we experienced a temporary timing mismatch between payments and collections, which created a large payable balance that we've been reducing over the past year.

Case 25-90309 Document 950-9 Filed in TXSB on 05/12/25 Page 348 of 567

95. On this news, ModivCare's stock price declined $2.86 per share, or approximately 7%, to close at $35.58 per share on August 4, 2023

96. However, the Individual Defendants continued to mislead investors on the Company's financial prospects. During the 2Q23 Earnings Call, Defendant Sampson later touted the benefits of the new shared-risk contracts to investors, stating, in relevant part:

> And the one point that you hit on again, which is really important, it's really critical, especially if some of these new coming into here, looking at that delta between the contract payables and contracts receivables. I'm just repeating what you said again, this is the first time that it's flipped to a receivable. So then your question more broadly, how does this work? Basically, our contracts are working post COVID. So the contracts that we've restructured primarily around really implementing these shared risk contracts have been very helpful for us and help protect our kind of long-term margin. So that's -- you will see fluctuations as we move through the years going in quarters. Those will still fluctuate.
>
> So the good thing now though, because of the COVID benefits -- now the contracts are going to work or they are. And I think they'll bump around. But the good thing is we have the receivables and the payables. And because we have so many contracts, we expect that to be kind of a normalized working capital fluctuations in and out, not the big swings like we've seen over the last couple of quarters.
>
> And then the other item coming out of COVID now, all the states or MCOs, we have more predictable and rigid time frame for when we paid us back. So it really is kind of a 3- to 6-month time frame. So this predictability and normalization coming out of COVID allows us to have a more predictable cash flow and then a more normalized working capital. So which is why we have a lot of confidence in the back part of this year that we will generate cash flow in accordance with how our P&L works. And I expect that to continue throughout the quarter into 2024.

97. Also during the 2Q23 Earnings Call, Defendant Shepard told investors that the Company's new shared-risk contracts would continue to increase revenue, stating, in relevant part:

> Shifting to guidance. We raised our revenue guidance to a range of $2.75 billion to $2.8 billion, and we lowered our adjusted EBITDA guidance to a range of $200 million to $210 million. The increased revenue guidance was primarily due to higher NEMT utilization and transportation costs driving more revenue from our shared risk contracts. We lowered our adjusted EBITDA guidance due to the higher NEMT utilization and the [indiscernible] costs and a delay in the start of some of our new contract wins, which will start in early 2024.

> To sum things up, our second quarter results were mixed compared to our expectations as revenue was better than expected due to shared risk, cost protection in our NEMT business and adjusted EBITDA was slightly below plan due to higher utilization. Despite these results and our guidance reset, we remain confident about our mission and long-term growth strategy, along with the expected benefits from the initiatives to drive efficiencies and create operating leverage. Our team is working diligently to win new business and improve cash flow, and I want to thank everyone at Modivcare for their hard work and dedication in providing high-quality care and delivering the best experience for our members.

98. On August 4, 2023, the Company filed a quarterly report for the period ended June 30, 2023, on a Form 10-Q with the SEC (the "2Q23 10-Q"). The 2Q23 10-Q assured investors that the Company's contracts were fueling the growth of the NEMT segment, stating, in relevant part:

> *Service revenue, net*. Service revenue, net, increased by $48.2 million, or 10.8%, during the three months ended June 30, 2023 as compared to the three months ended June 30, 2022. This increase is primarily attributable to a 9.0% increase in revenue per member per month due to contract repricing and the partial pass-through of costs associated with higher trip utilization in our shared risk contracts, along with a 1.5% increase in average monthly members. Service revenue, net, increased by $116.8 million, or 13.7%, during the six months ended June 30, 2023, primarily attributable to a 10.5% increase in revenue per member per month driven by the same reason as above, including a 3.1% increase in average monthly membership.
>
> The increase in average monthly members drove higher revenue because a majority of our contracts are capitated, and we receive monthly payments on a per member per month basis in return for full or shared risk of transportation volumes. Member growth was anticipated under existing contracts, but it was partially offset by delayed contract wins, certain contract losses, and the impacts of Medicaid redetermination. Most capitated contracts have been restructured to shared risk, resulting in increased rate per member with higher trip volume but not fully offsetting the rise in service expense, leading to a decrease in overall margin. Furthermore, higher trip volume in full risk contracts does not result in corresponding rate increases, and thus, does not contribute to increases in revenue. Trip volume increases also positively affected revenue for fee-for-service contracts due to a larger number of services performed.

99. The 2Q23 10-Q was signed by Defendant Sampson and was also accompanied by SOX Certifications made by Defendant Sampson, wherein he attested to the accuracy of the 2Q23 10-Q.

100. On November 2, 2023, the Company issued a press release announcing its financial

results for the third quarter of 2023 (the "3Q23 Earnings Release"). The 3Q23 Earnings Release reported that:

> **Third Quarter 2023 Highlights:**
>
> - Service revenue of $686.9 million, a 6.0% increase as compared to $647.8 million in the third quarter of 2022
> - Net loss of $4.3 million or $0.30 per diluted common share
> - Adjusted EBITDA[] of $51.3 million, adjusted net income[] of $20.5 million and adjusted EPS[] of $1.44 per diluted common share
> - Cash provided by operating activities during the quarter of $53.5 million and free cash flow[] of $44.7 million
> - Contract receivables increased by $9.5 million to $129.3 million and contract payables increased by $24.5 million to $133.6 million, resulting in net contract payables of $4.3 million as of September 30, 2023
> - Repaid $43.5 million on the $325.0 million revolving credit facility, reducing the balance drawn to $83.0 million as of September 30, 2023
> - $138.0 million of NEMT managed Medicaid total contract value (TCV) won during third quarter 2023; awarded a state Medicaid expansion in the northeast that will be implemented in mid-2024 once finalized; national MCO contract won earlier in 2023 implemented during the quarter

101. On the same day, the Company hosted an earnings call for investors and analysts to discuss its financial results for the third quarter of 2023 (the "3Q23 Earnings Call"). During the 3Q23 Earnings Call, Defendant Sampson assured investors that the Company's shared-risk contracts were "operating effectively," stating, in relevant part:

> Our shared risk contracts are operating effectively and as intended, safeguarding our gross margins against the backdrop of increasing utilization and costs. The challenges brought about by Medicaid redetermination notwithstanding, our margins consistently match our forecast. This instills confidence in the accuracy of our internal redetermination model. As it stands, we are going to be in line with our 2023 expectations for redetermination as well as our expectations for 2024, which we expect to be a $20 million to $40 million impact.

102. Defendant Sampson also stated during the 3Q23 Earnings Call that "our shared risk contracts with the customers are protecting the downside to our cash flow."

103. Also on November 3, 2023, the Company filed a quarterly report for the period ended September 30, 2023, on a Form 10-Q with the SEC (the "3Q23 10-Q"). In the 3Q23 10-Q,

the Company assured investors that the Company's contracts were fueling the growth of the NEMT segment, stating, in relevant part:

> *Service revenue, net*. Service revenue, net, increased by $26.2 million, or 5.7%, during Q3 2023 as compared to Q3 2022. This increase is primarily attributable to a 13.2% increase in revenue per member per month, which was driven by a 9.7% increase in trip volume. These two factors are correlated due to contract repricing and the partial pass-through of costs associated with our shared risk contracts. This increase to revenue was partially offset by a 6.6% decrease in average monthly members primarily due to Medicaid redetermination. Service revenue, net, increased by $142.9 million, or 10.9%, during YTD 2023 as compared to YTD 2022, primarily attributable to a 11.2% increase in revenue per member per month driven by a 12.1% increase in trip volume, partially offset by a 0.3% decrease in average monthly membership.
>
> The change in revenue is impacted by both the change in average monthly members, as well we the rate received per member. The change in average monthly members is correlated to the change in revenue because a majority of our contracts are capitated, and we receive monthly payments on a per member per month basis in return for full or shared risk of transportation volumes. Declines in membership over the periods presented were anticipated and primarily related to Medicaid redetermination efforts, along with certain contract losses. While membership decreased, revenue increased due to increases in the average rate received per member, which increases in line with increases in utilization or trip volume in our shared risk contracts. As most of our capitated contracts have been restructured to a shared risk format, revenue increased despite the decline in membership. Trip volume increases also positively affected revenue for fee-for-service contracts due to a larger number of services performed.

104. The 3Q23 10-Q was signed by Defendants Sampson and Gutierrez and was also accompanied by SOX Certifications made by Defendants Sampson and Gutierrez, wherein they attested to the accuracy of the 3Q23 10-Q.

105. On February 22, 2024, the Company issued a press release announcing its financial results for the fourth quarter and full year of 2023 (the "4Q23 Earnings Release"). The 4Q23 Earnings Release stated, in relevant part:

> **Fourth Quarter 2023 Summary:**
>
> - Service revenue of $702.8 million, a 7.5% increase as compared to $653.9 million in the fourth quarter of 2022
> - Net loss of $5.3 million, or $0.37 per diluted common share

- Adjusted EBITDA[] of $50.5 million, adjusted net income[] of $18.4 million and adjusted EPS[] of $1.29 per diluted common share
- Net cash used in operating activities during the quarter of $25.6 million and negative free cash flow[] of $36.8 million, primarily related to a delayed payment from a single client
- Contract receivables increased by $14.7 million to $144.0 million and contract payables decreased by $16.1 million to $117.5 million, resulting in net contract receivables of $26.5 million as of December 31, 2023
- $216.2 million of NEMT TCV[] won during the fourth quarter of 2023, including sizable managed Medicaid contracts contributing to total new wins that will outpace contract attrition in 2024
- $113.8 million drawn on our $325.0 million revolving credit facility
- As a subsequent event, in early 2024 we amended the leverage covenant to provide additional cushion for credit facility availability, ensuring sufficient liquidity

Full Year 2023 Summary:

- Service revenue of $2,751.2 million, a 9.9% increase as compared to $2,504.4 million in 2022
- Net loss of $204.5 million, or $14.43 per diluted common share
- Adjusted EBITDA[] of $204.4 million, adjusted net income[] of $79.9 million and adjusted EPS[] of $5.60 per diluted common share
- Net cash used in operating activities in 2023 of $83.0 million and negative free cash flow[] of $125.3 million
- Contract receivables increased by $72.8 million to $144.0 million and contract payables decreased by $76.8 million to $117.5 million
- In 2023, won $463.5 million of NEMT TCV[] or $141.8 million ACV[], as well as $10.6 million in ACV[] for remote patient monitoring

106. The statements contained in ¶¶ 96 through 105 were materially false and misleading and omitted to state material adverse facts necessary to make the statements not misleading because they failed to disclose, *inter alia*, that: (i) certain of the Company's contracts in its NEMT segment were causing ModivCare's free cash flow to deteriorate; (ii) as a result, the Company's contract renegotiations and pricing accommodations were negatively impacting the Company's adjusted EBITDA; (iii) as a result, the Company had insufficient liquidity; (iv) the Company failed to maintain adequate internal controls; and (v) as a result of the foregoing, the Company's public statements regarding its business, operations, and prospects were materially false and misleading and lacked a reasonable basis at all relevant times.

107. On the same day, the Company hosted the 4Q23 Earnings Call, during which Defendant Sampson revealed that the Company suffered negative cash flow during the fourth quarter and that the Company expected this trend to continue into the first half of 2024, stating, in relevant part:

> Firstly, our free cash flow for the fourth quarter was negative $37 million, which was below expectations, primarily due to delay in payment from an MCO client within a specific contract in Florida. Looking ahead, and primarily to us managing redetermination and the increased healthcare utilization environment, we anticipate our free cash flow for the first half of the year will be constrained to the ongoing build in contract receivables and the settlement of several large payables expected in the second quarter.

108. On this news, the Company's stock price declined $17.25 per share, or approximately 39%, to close at $26.62 per share on February 23, 2024.

109. Despite this, the Company continued to mislead investors. For instance, later during the 3Q23 Earnings Call, Defendant Gutierrez assured investors that the NEMT segment's margin was protected due to the new shared-risk contracts, stating, in relevant part:

> Turning to a review of our segment financials. NEMT fourth quarter revenue increased 9% year-over-year to $499 million. Total membership decreased 5.5% year-over-year to 32.9 million members, and we averaged 33.6 million members for all of 2023. On a sequential basis, average monthly members decreased 2% during the fourth quarter, primarily due to Medicaid redetermination, which was in line with our expectations.
>
> Trip volume increased 13% in the fourth quarter, while revenue per trip decreased 3.5% due to mix changes and an approximate 1% decrease in purchased services expense per trip, which drives the revenue in our shared risk contracts. Sequentially, NEMT gross margin increased 150 basis points as payroll and other expense per trip decreased 6% to $6.89, while purchase services per trip increased 2.5% to $42.24. The reduction in payroll and other expense per trip is being driven by our cost saving initiatives that Heath discussed, which are reducing our calls per trip. . . .
>
> As a reminder, our margins are protected from increased utilization from redetermination on our shared risk contracts. Our shared risk Medicaid contracts accounted for approximately 60% of our NEMT revenue in 2023. Even though we'll lose some Medicaid members in these contracts, we expect higher pass

through revenue under our shared risk contracts. Finally, the remainder of NEMT revenue, approximately 20% is generated from Medicaid advantage and fee-for-service arrangements.

110. On February 26, 2024, the Company filed its annual report for 2023 on a Form 10-K with the SEC (the "2023 10-K"). The 2023 10-K stated, in relevant part:

> *Service revenue, net*. Service revenue, net, increased by $183.0 million, or 10.3%, during 2023 as compared to 2022. This increase is primarily attributable to a 12.1% increase in revenue per member per month, which was driven by a 12.2% increase in trip volume. These two factors correlated due to contract repricing and the partial pass-through of costs associated with our reconciliation, risk corridor or profit rebate contracts (which are considered shared-risk contracts due to the reconciliation provisions). This increase to revenue was partially offset by a 1.6% decrease in average monthly membership primarily as a result of Medicaid redetermination.
>
> The change in revenue is impacted by both the change in average monthly members as well as the rate received per member. The change in average monthly members is correlated to the change in revenue because a majority of our contracts are capitated, and we receive monthly payments on a per member per month basis in return for full or shared risk of transportation volumes. Declines in membership over the periods presented were anticipated and primarily related to Medicaid redetermination efforts, along with certain contract losses. ***While membership decreased, revenue increased due to increases in the average rate received per member, which increases in line with increases in utilization or trip volume in our shared risk contracts. (Emphasis added).

111. The 2023 10-K was signed by Defendants Sampson, Gutierrez, Shackelton, Carter, Coulter, Kerley, Norwalk, Wright, Samant, and Graham. The 2023 10-K was also accompanied by SOX Certifications made by Defendants Sampson and Gutierrez, wherein they attested to the accuracy of the 2023 10-K.

112. On April 29, 2024, the Company filed its annual proxy statement on a Schedule 14A with the SEC (the "2024 Proxy"). The 2024 Proxy assured investors that the Board was

actively overseeing risks to the Company, stating, in relevant part:

> The Board's Role in Risk Oversight
>
> The Board has an active role, as a whole and at the committee level, in overseeing management of the Company's risks. The Board regularly reviews information regarding the Company's credit, liquidity and operations, as well as the risks associated with each. The Company's Compensation Committee is responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements. The Audit Committee oversees management of financial risks as well as the Company's information technology, data privacy and cybersecurity risks. The Nominating and Governance Committee manages risks associated with the independence of the Board, potential conflicts of interest as well as legal and regulatory compliance. The Audit Committee and the Nominating and Governance Committee jointly oversee the Company's ESG and climate-related risks, with the Audit Committee focusing on such matters that relate to financial reporting or processes that could have a material impact on the Company's operations, financial statements, or reporting obligations and the Nominating and Governance Committee focusing on such matters that relate to governance. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board is regularly informed through attendance at committee meetings or committee reports about such risks. In addition, members of senior management regularly provide reports to the Board about their respective areas of responsibility and any related risks. These reports include actions taken by senior management to monitor and control such risks.

113. The 2024 Proxy also included the "Audit Committee Report," which assured investors that the Company had remediated its internal controls over financial reporting and stated that the Audit Committee recommended to the Board that the audited financial statements be included in the 2023 10-K, stating, in relevant part:

> The Audit Committee has reviewed and discussed with management its assessment and report on the effectiveness of ModivCare's internal control over financial reporting as of December 31, 2023, which it made using the criteria established in Internal Control-Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission. The Audit Committee has also reviewed and discussed with KPMG, the Company's independent registered public accounting firm, its audit and report on ModivCare's internal control over financial reporting. ModivCare published these reports in its 2023 Annual Report.
>
> With respect to the Company's previously disclosed internal control over financial reporting material weakness remediation efforts, the Company's management, which is being overseen and held accountable by the Audit Committee in this effort,

has made significant strides in fully remediating and eliminating a number of the identified deficiencies culminating in the material weakness. As disclosed in the 2023 Annual Report, during the fiscal year ended December 31, 2023, management completed the remediation efforts necessary to remediate and eliminate fully and effectively the material weaknesses concerning the Company's NEMT and Corporate and Other segments related to the payroll processing function and change management and logical access controls, and the Company's PCS segment related to its reporting lines and identification of appropriate authorities and responsibilities. The Audit Committee continues to motivate management to focus on projects that automate, standardize, and centralize the Company's control environment as it continues to integrate the PCS segment and remediate and eliminate fully and effectively the remaining deficiencies in the Company's internal control over financial reporting.

The Audit Committee has also reviewed and discussed with management and KPMG the audited consolidated financial statements of ModivCare for the fiscal year ended December 31, 2023. Management represented to the Audit Committee that ModivCare's consolidated financial statements were prepared in accordance with generally accepted accounting principles in the United States. The Audit Committee also discussed with representatives of KPMG the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board ("PCAOB").

The Audit Committee received the written disclosures and the confirming letter from KPMG required by applicable requirements of the PCAOB regarding the independent auditor's communications with the Audit Committee concerning independence and discussed with KPMG its independence from ModivCare.

Based on these reviews and discussions and in reliance thereon, the Audit Committee recommended to the Board that the audited financial statements be included in the 2023 Annual Report.

114. On May 2, 2024, the Company issued a press release announcing its financial results for the first quarter of 2024 (the "1Q24 Earnings Release"). The 1Q24 Earnings Release reported, in relevant part:

First Quarter 2024 Summary:

- Service revenue of $684.5 million increased 3.3% from the first quarter of 2023
- Net loss of $22.3 million or $1.57 per diluted common share
- Adjusted EBITDA[] of $32.1 million, adjusted net loss[] of $1.2 million and adjusted EPS[] of negative $0.09 per diluted common share
- Cash provided by operating activities during the quarter of $9.6 million and free cash flow[] of $1.7 million

- Contract receivables, net of contract payables, of $25.9 million as of March 31, 2024
- Won $171.2 million of NEMT total contract value (TCV) during first quarter 2024 ($36.4 million annual contract value (ACV)), with implementation beginning in the second quarter of 2024

115. On the next day, the Company hosted an earnings call to discuss its financial results for the first quarter of 2024 (the "1Q24 Earnings Call"). During the 1Q24 Earnings Call, Defendant Gutierrez reported that the Company's average NEMT membership decreased due to contract losses and Medicaid determinations, but assured investors that the NEMT margin would improve throughout 2024 due to new contracts, stating, in relevant part:

> NEMT revenue incrementally benefited from successful execution of contract settlements and negotiated pricing increases that were more favorable than expected. Average monthly membership decreased 12% sequentially to $29.1 million due to previously announced contract losses and Medicaid redetermination.
> . . .
>
> NEMT adjusted EBITDA was in line with our expectations at $27 million or 5.7% of revenue. We expect to see margins improve throughout the year due to the onboarding of new contracts in the second and third quarters as well as the execution of our cost initiatives. During the first quarter, our membership was impacted by Medicaid redetermination of approximately 600,000 members. Our top 5 states with full-risk contracts are 80% through their respective redetermination period. Redetermination impacted first quarter revenue by $10 million and adjusted EBITDA by approximately $5 million. Overall, Medicaid redetermination is tracking in line to slightly better than we previously expected.

116. The statements contained in ¶¶ 109 through 115 were materially false and misleading and omitted to state material adverse facts necessary to make the statements not misleading because they failed to disclose, *inter alia*, that: (i) certain of the Company's contracts in its NEMT segment were causing ModivCare's free cash flow to deteriorate; (ii) as a result, the Company's contract renegotiations and pricing accommodations were negatively impacting the Company's adjusted EBITDA; (iii) as a result, the Company had insufficient liquidity; (iv) the Company failed to maintain adequate internal controls; and (v) as a result of the foregoing, the

Company's public statements regarding its business, operations, and prospects were materially false and misleading and lacked a reasonable basis at all relevant times.

The Truth Emerges

117. As detailed above, the truth began to emerge as early as May 4, 2023. The truth continued to emerge on September 12, 2024, when the Company filed a Form 8-K with the SEC and revealed that the Company was "undertaking actions to seek additional capital, including filing a shelf registration statement" with the SEC to improve its liquidity due, in part, outstanding contract receivables. The Form 8-K stated, in relevant part:

> In anticipation of ModivCare Inc.'s (the "Company" or "our") undertaking actions to seek additional capital, including filing a shelf registration statement with the Securities and Exchange Commission ("SEC"), this Current Report on Form 8-K is being filed solely to update our consolidated balance sheets as of December 31, 2023 and 2022, the related consolidated statements of operations, stockholders' equity, and cash flows for each of the years in the three-year period ended December 31, 2023, and the related notes, and financial statement schedule II (collectively, the "Consolidated Financial Statements"), to add Note 19 (Events Subsequent to the Date of the Issuance of the Financial Statements (Unaudited)) thereto.
>
> As previously disclosed, the Company continues to pursue collection of outstanding contract receivables for services rendered. While a portion of these receivables has been collected, the Company has not offset the existing and continued accumulation of receivables during the period. Management believes it has made substantial progress in reaching oral and written assurances and agreements from its customers related to collecting these outstanding receivables. However, various factors beyond the Company's control have delayed and extended the timeline beyond original expectations. Although these collection and mitigation efforts continue, there remains the possibility that the Company will not achieve full resolution in a timely manner or at all if unforeseen circumstances arise.

118. On this news, the Company's stock price declined $18.43 per share, or approximately 59%, to close at $12.76 per share on September 12, 2024.

119. Then, on September 16, 2024, the truth was fully revealed when the Company issued a press release providing a financial update. In this press release, the Company revised its

2024 Adjusted EBITDA guidance range from $185–$195 million to $170–$180 million, "primarily due to NEMT segment pricing accommodations made to strategically retain and expand key customer relationships." Specifically, the press release stated:

> Modivcare Inc. (the "Company" or "Modivcare") (Nasdaq: MODV), a technology-enabled healthcare services company providing a platform of integrated supportive care solutions focused on improving health outcomes, today addressed its recent filings with the U.S. Securities and Exchange Commission ("SEC") and announced adjusted guidance.
>
> On September 12, 2024, the Company filed a Form S-3 shelf registration statement with the SEC, as well as a Form 8-K, providing additional information. Once declared effective by the SEC, the Form S-3 will provide the Company with flexibility to raise capital as needed over the next three years.
>
> The Company does not plan to issue equity at this time. The Company is focused on seeking near-term covenant relief under its revolving credit facility to address potential delays in contract receivable collections. Advanced discussions with the Company's bank group have been collaborative and supportive.
>
> **Contract Receivables**
>
> - Modivcare remains confident in collecting outstanding receivables from its managed care organizations ("MCOs") and state payor customers.
> - As previously disclosed, the Company has experienced delays in the timely collection of approximately $60 million of its outstanding $159.3 million in NEMT segment current contract receivables, primarily from MCO customers, as of June 30, 2024.
> - This situation is primarily driven by the impacts of Medicaid redeterminations and the resulting increase in utilization under its shared-risk contracts.
> - The Company expects to enter 2025 with aligned prepayment rates and does not anticipate the situation to persist as utilization patterns continue to stabilize.
>
> **Adjusted Guidance**
>
> The Company revised its 2024 Adjusted EBITDA guidance range from $185–$195 million to $170–$180 million, primarily due to NEMT segment pricing accommodations made to strategically retain and expand key customer relationships.

Additionally, the Company provided guidance for Adjusted EBITDA growth in excess of 10% in 2025, based on the updated 2024 guidance.

120. On this news, the Company's stock price declined $1.40 per share, or approximately 10%, to close at $12.72 per share on September 16, 2024.

Stock Repurchases During the Relevant Period

121. According to the Company's public filings, while the price of Company stock was artificially inflated due to the false and misleading statements detailed herein, the Individual Defendants caused the Company to repurchase approximately 10,529 shares of its own stock, for a total of roughly $967,691.

122. According to the Company's public filings, ModivCare made the following repurchases of its own stock during the Relevant Period:

Dates of Stock Repurchase	Number of Shares Repurchased	Average Price Per Share on Date of Repurchase	Total Cost of Repurchase
November 1, 2022 to November 30, 2022	1,323	$91.17	$120,617.91
December 1, 2022 to December 31, 2022	68	$90.10	$6,126.80
February 1, 2023 to February 8, 2023	4,896	$107.66	$527,103.36
March 1, 2023 to March 30, 2023	1,104	$84.93	$93,762.72
April 1, 2023 to April 30, 2023	3,028	$70.94	$214,806.32
June 1, 2023 to June 30, 2023	110	$47.95	$5,274.50

123. Given that the price of ModivCare stock was $12.72 per share after the corrective disclosures on September 16, 2024, the true value of the 10,539 repurchased shares was roughly $133,928. Accordingly, the Individual Defendants caused the Company to overpay by approximately $833,763 to repurchase these shares.

Harm to the Company

124. As a direct and proximate result of the Individual Defendants' misconduct, ModivCare has lost and expended, and will lose and expend, millions of dollars.

125. Such expenditures include, but are not limited to, the legal fees associated with the Securities Class Action filed against the Company and Defendants Sampson, Shepard, and Gutierrez, and amounts paid to outside lawyers, accountants, and investigators in connection therewith.

126. Such expenditures also include, but are not limited to, significant compensation and benefits paid to the Individual Defendants who breached their fiduciary duties to the Company, as well as the hundreds of thousands of dollars the Individual Defendants caused the Company to spend in repurchasing its stock at artificially inflated prices during the Relevant Period.

127. Furthermore, the Securities Class Action has exposed the Company to massive class-wide liability.

DERIVATIVE AND DEMAND FUTILITY ALLEGATIONS

128. Plaintiff brings this action derivatively in the right and for the benefit of the Company to redress injuries suffered and to be suffered as a direct and proximate result of the Individual Defendants' breaches of fiduciary duties and other violations of law.

129. ModivCare is named solely as a nominal party in this action. This is not a collusive action to confer jurisdiction on this Court that it would otherwise not have.

130. Plaintiff is a current shareholder of ModivCare stock and was a continuous shareholder of the Company during the period of the Individual Defendants' wrongdoing alleged herein. Plaintiff will adequately and fairly represent the interests of the Company in enforcing and prosecuting its rights and retained counsel competent and experienced in derivative litigation.

131. A pre-suit demand on the Board of ModivCare is futile, and therefore, excused. At the time this action was commenced, the seven-member Board was comprised of Defendants Norwalk, Carter, and Sampson (the "Director Defendants"), and non-parties Alec Cunningham, David Mounts Gonzales, Erin L. Russell, and David B. Silvers (collectively with the Director Defendants, the "Directors"). Accordingly, Plaintiff is only required to show that four directors cannot exercise independent objective judgment about whether to bring this action or whether to vigorously prosecute this action. As set forth below, at least four of the Board's current directors are incapable of making an independent and disinterested decision to institute and vigorously prosecute this action, including because they face a substantial likelihood of liability, and so demand on the Board to institute this action is not necessary because such a demand would have been a futile act.

132. The Director Defendants either knew, or should have known, of the false and misleading statements that were issued on the Company's behalf and took no steps in a good faith effort to prevent or remedy that situation.

133. Additionally, each of the Director Defendants approved and/or permitted the wrongs alleged herein to have occurred and participated in efforts to conceal or disguise those wrongs from the Company's stockholders or recklessly and/or with gross negligence disregarded the wrongs complained of herein and are therefore not disinterested parties.

134. Moreover, the Director Defendants willfully ignored, or recklessly failed to inform themselves of, the obvious problems with the Company's internal controls, practices, and procedures and failed to make a good faith effort to correct the problems or prevent their recurrence.

135. Defendant Sampson is not disinterested or independent and is therefore incapable

of considering a demand. Defendant Sampson has served as the Company's President and CEO since November 2022 and served as CFO of the Company from February 2021 until September 2023. Thus, the Company admits that Defendant Sampson is a non-independent director. Furthermore, Defendant Sampson is not disinterested or independent because he is named as a defendant, and faces significant personal liability, in the Securities Class Action based on substantially the same wrongdoing as alleged herein, specifically issuing materially false and misleading statements during the Relevant Period.

136. Moreover, the 2022 10-K and 2023 10-K were signed by Defendants Sampson, Carter, and Norwalk. Accordingly, Defendants Sampson, Carter, and Norwalk breached their fiduciary duties, face a substantial likelihood of liability, are not independent or disinterested, and thus, demand upon them is futile, and therefore, excused.

137. Furthermore, Defendants Sampson, Carter, and Norwalk each solicited the 2023 Proxy, which led to the reelection of Defendants Samant and Sampson to the Board, allowing them to continue breaching their fiduciary duties to the Company. Defendants Sampson, Carter, and Norwalk also each solicited the 2024 Proxy, which led to the reelection of Defendants Carter, Coulter, Graham, Norwalk, Samant, and Sampson to the Board, allowing him to continue breaching their fiduciary duties to the Company.

138. Defendant Norwalk served as a member of the Audit Committee during the Relevant Period and, pursuant to the Audit Committee Charter, was specifically charged with the responsibility of assisting the Board in fulfilling its oversight responsibilities related to internal controls over financial reporting and public disclosure requirements. Throughout the Relevant Period, however, Defendant Norwalk breached her fiduciary duties to the Company by failing to prevent, correct, or inform the Board of the issuance of material misstatements and omissions

regarding material deficiencies in the Company's accounting practices and the adequacy of the Company's internal controls as alleged above. Therefore, Defendant Norwalk cannot independently consider any demand to sue themselves for breaching their fiduciary duties to the Company, as that would expose them to substantial liability and threaten their livelihood.

139. Additionally, each of the directors received payments, benefits, stock options, and other emoluments by virtue of their membership on the Board and their control of the Company. Indeed, all of the Individual Defendants benefitted directly from the wrongdoing alleged herein. Specifically, the Individual Defendants benefitted from the artificial inflation of the price of the Company's stock and the resulting increase in the value of ModivCare stock and stock options they held.

140. Moreover, the Director Defendants willfully ignored, or recklessly failed to inform themselves of, the obvious problems with the Company's internal controls, practices, and procedures over financial reporting and failed to make a good faith effort to correct the problems or prevent their recurrence. As a result of the foregoing, the Director Defendants breached their fiduciary duties, face a substantial likelihood of liability, are not disinterested, and demand upon them is futile, and thus excused.

141. The Director Defendants, as members of the Board, were and are subject to the Company's Code of Conduct. The Code of Conduct goes well beyond the basic fiduciary duties required by applicable laws, rules, and regulations, requiring the Director Defendants to also adhere to ModivCare's standards of business conduct. The Director Defendants violated the Code of Conduct because they knowingly or recklessly engaged in and participated in making and/or causing the Company to make the materially false and misleading statements alleged herein. Because the Director Defendants violated the Code of Conduct, they face a substantial likelihood

of liability for breaching their fiduciary duties, and therefore demand upon them is futile.

142. Furthermore, demand in this case is excused because each of the Directors derive substantial revenue from the Company, control the company, and are indebted to each other. For instance, Defendants Norwalk and Graham, and Director Alec Cunningham ("Cunningham") each have served in various roles at CVS Health Corporation ("CVS") or its subsidiary companies, including Aetna. Defendant Norwalk currently serves as a member of the board of directors of CVS. Director Cunningham previously served as Executive Vice President of CVS from February 2021 until July 2022 and as the Executive Vice President and Chief Operating Officer at Aetna from August 2019 until February 2021. Defendant Graham served as Chief Community Health Officer at CVS from 2018 until 2020 and as President of the Aetna Foundation from 2013 until 2019, as well as Vice President of Community Health at Aetna, Inc. from 2017 until 2018. Additionally, Defendants Shackelton and Sampson have each served in roles at Advanced Emissions Solutions, Inc., with Sampson serving as CEO from 2015 until 2020 and Shackleton serving on the board of the company from 2014 through 2016.

143. These conflicts of interest have precluded the current directors from adequately monitoring the Company's operations and internal controls and calling into question the other Individual Defendants' conduct. Significantly, none of the Board's current members have taken remedial action to redress the conduct alleged herein. For instance, none of the Company's current directors have sought to enforce the Company's Clawback Policy, which allows the Company's Compensation Committee to "make retroactive adjustments to any excess cash or equity-based incentive compensation paid to executive officers and certain other officers where the payment was predicated upon the achievement of certain financial results that were subsequently the subject of a restatement."

144. The Director Defendants' conduct described herein and summarized above could not have been the product of legitimate business judgment as it was based on bad faith and intentional, reckless, or disloyal misconduct. Thus, none of the directors can claim exculpation from their violations of duty pursuant to the Company's charter. As a majority of the Directors face a substantial likelihood of liability, they are self-interested in the transactions challenged herein. They cannot be presumed to be capable of exercising independent and disinterested judgment about whether to pursue this action on behalf of the shareholders of the Company. Accordingly, demand is excused as being futile.

145. The acts complained of herein constitute violations of fiduciary duties owed by ModivCare's officers and directors, and these acts are incapable of ratification.

146. Accordingly, for all of the reasons set forth above, at least four of the Company's current Directors cannot consider a demand with disinterestedness and independence. Consequently, a pre-suit demand on the Board is futile and excused.

COUNT I

Against the Individual Defendants for Violations of § 14(a) of the Exchange Act, 15 U.S.C. § 78n(a) and Rule 14a-9 (17 C.F.R. § 240.14a-9)

147. Plaintiff incorporates by reference and realleges each and every allegation contained above, as though fully set forth herein.

148. The Individual Defendants violated Section 14(a) of the Exchange Act, 15 U.S.C. § 78n(a)(1), and Rule 14a-9, 17 C.F.R. § 240.14a-9, promulgated thereunder by the SEC.

149. Section 14(a) of the Exchange Act, 15 U.S.C. § 78n(a), provides that "[i]t shall be unlawful for any person, by use of the mails or by means of instrumentality of interstate commerce or of any facility of a national securities exchange or otherwise, in contravention of such rules and regulations as the [SEC] may prescribe as necessary or appropriate in the public interest or for the

protection of investors, to solicit or to permit the use of his name to solicit any proxy or consent or authorization in respect of any security (other than an exempted security) registered pursuant to section 12 of this title [15 U.S.C. § 781]."

150. Rule 14a-9, promulgated pursuant to Section 14(a) of the Exchange Act, provides that no proxy statement shall contain "any statement which, at the time and in the light of the circumstances under which it is made, is false or misleading with respect to any material fact, or which omits to state any material fact necessary in order to make the statements therein not false or misleading[.]" 17 C.F.R. § 240.14a-9.

151. The Individual Defendants, individually and in concert, disseminated and/or permitted the dissemination of the materially false and misleading statements in the 2023 Proxy and 2024 Proxy (collectively, the "Proxy Statements"), which were each filed with the SEC. As alleged above, the Proxy Statements contained materially false and misleading statements concerning the adequacy of the Company's risk management function and its internal controls over financial reporting.

152. The misrepresentations and omissions in the Proxy Statements were material to Company stockholders. Specifically, the misrepresentations and omissions were material to Company stockholders in voting on matters set forth for shareholder determination in the Proxy Statements, including, but not limited to, the reelection of certain Director Defendants.

153. The 2023 Proxy was used to solicit shareholder votes in connection with the reelection of Defendants Sampson and Samant to the Company's Board, among other things. The materially false and misleading statements contained in the 2023 Proxy regarding the adequacy of the Company's risk management function and its internal controls over financial reporting therefore misleadingly induced shareholders to vote in favor of the reelection of Defendants

Sampson and Samant to the Board.

154. The 2024 Proxy was used to solicit shareholder votes in connection with the reelection of Defendants Carter, Coulter, Graham, Norwalk, Samant, and Sampson to the Company's Board, among other things. The materially false and misleading statements contained in the 2024 Proxy regarding the adequacy of the Company's risk management function and its internal controls over financial reporting therefore misleadingly induced shareholders to vote in favor of the reelection of Carter, Coulter, Graham, Norwalk, Samant, and Sampson to the Board.

155. As a result of the Individual Defendants material misrepresentations and omissions in the Proxy Statements, the Company has sustained significant damages.

156. Plaintiff, on behalf of the Company, has no adequate remedy at law.

COUNT II

Against the Individual Defendants for Violations of § 10(b) of the Exchange Act, 15 U.S.C. § 78(j), and Rule 10b-5, 17 C.F.R. § 240.10b-5

157. Plaintiff incorporates by reference and realleges each and every allegation contained above, as though fully set forth herein.

158. The Individual Defendants participated in a scheme with the purpose and effect of defrauding ModivCare. Not only is ModivCare now defending claims that it violated Section 10(b) of the Exchange Act and Rule 10b-5 promulgated thereunder, but the Company itself is also one of the largest victims of the unlawful scheme perpetrated upon ModivCare by the Individual Defendants.

159. During the Relevant Period, while the Company's stock price was artificially inflated as a result of the false and misleading statements issued, the Individual Defendants caused the Company to overpay by approximately $833,763 to repurchase roughly 10,529 shares of its own stock.

160. The Individual Defendants also individually and in concert, directly and indirectly, by the use and means of instrumentalities of interstate commerce and/or the mails, engaged and participated in a continuous course of conduct designed to falsify the Company's press releases, public statements, and periodic and current reports filed with the SEC.

161. The Individual Defendants employed devices, schemes, and artifices to defraud while in possession of adverse, material, non-public information and engaged in acts, practices and a course of conduct that included the making of, or participation in the making of, untrue and/or misleading statements of material facts and/or omitting to state material facts necessary in order to make the statements made about ModivCare not misleading.

162. The Individual Defendants, as directors and officers of the Company, are liable as direct participants in the wrongs complained of herein. Through their positions of control and authority as directors and officers of the Company, the Individual Defendants were able to, and did, control the conduct complained of herein and the content of the public statements disseminated by ModivCare.

163. The Individual Defendants acted with scienter during the Relevant Period, in that they either had actual knowledge of the scheme and the misrepresentations and/or omissions of material facts set forth herein or acted with reckless disregard for the truth in that they failed to ascertain and to disclose the true facts, even though such facts were available to them. The Individual Defendants were the top executives of the Company, or received direct briefings from them, and were therefore directly responsible for the scheme set forth herein and for the false and misleading statements and/or omissions disseminated to the public through filings with the SEC.

164. The Individual Defendants, through their violation of Section 10(b) of the Exchange Act, 15 U.S.C. § 78j(b), and Rule 10b-5, have caused the Company to expend over

$967,691 in the repurchase of Modivcare stock at artificially inflated prices and have exposed the Company to millions of dollars in potential class-wide damages in the Securities Class Action.

165. By virtue of the foregoing, the Individual Defendants have violated Section 10(b) of the Exchange Act and Rule 10b-5 promulgated thereunder.

166. Plaintiff, on behalf of ModivCare, has no adequate remedy at law.

COUNT III

Against the Individual Defendants
For Violations of Section 20(a) of the Exchange Act

167. Plaintiff incorporates by reference and realleges each and every allegation contained above, as though fully set forth herein.

168. The Individual Defendants acted as controlling persons of the Company within the meaning of Section 20(a) of the Exchange Act. By virtue of their positions of control within the Company, the Individual Defendants had the authority to cause the Company to issue materially false and misleading statements, and to repurchase ModivCare stock at prices artificially inflated by those materially false and misleading statements.

169. Plaintiff, on behalf of ModivCare, has no adequate remedy at law.

COUNT IV

Against the Individual Defendants for
Breach of Fiduciary Duties

170. Plaintiff incorporates by reference and realleges each and every allegation contained above, as though fully set forth herein.

171. The Individual Defendants owed the Company fiduciary obligations. By reason of their fiduciary relationships, the Individual Defendants owed the Company the highest obligation of good faith, fair dealing, loyalty, and due care.

172. The Individual Defendants violated and breached their fiduciary duties of care, loyalty, reasonable inquiry, and good faith.

173. The Individual Defendants engaged in a sustained and systematic failure to properly exercise their fiduciary duties. Among other things, the Individual Defendants breached their fiduciary duties of loyalty and good faith by failing to implement and monitor adequate internal controls over the Company's financial reporting and, as a consequence, issuing or permitting the issuance of materially false and misleading statements in the Company's SEC filings and other public disclosures. These actions could not have been a good faith exercise of prudent business judgment to protect and promote the Company's corporate interests.

174. Specifically, the Individual Defendants willfully or recklessly made and/or caused the Company to make false and/or misleading statements and omissions of material fact that failed to disclose, *inter alia,* that: (i) certain of the Company's contracts in its NEMT segment were causing ModivCare's free cash flow to deteriorate; (ii) as a result, the Company's contract renegotiations and pricing accommodations were negatively impacting the Company's adjusted EBITDA; (iii) as a result, the Company had insufficient liquidity; (iv) the Company failed to maintain adequate internal controls and risk oversight over its financial reporting; and (v) as a result of the foregoing, the Company's public statements regarding its business, operations, and prospects were materially false and misleading and lacked a reasonable basis at all relevant times.

175. In further breach of their fiduciary duties, the Individual Defendants failed to correct and/or caused the Company to fail to correct the false and/or misleading statements and omissions of material fact referenced herein.

176. Additionally, the Individual Defendants willfully or recklessly caused the Company to repurchase over ten thousand shares of its own common stock at artificially inflated prices

during the Relevant Period.

177. As a result of the misconduct alleged herein, the Individual Defendants are liable to the Company. As a direct and proximate result of the Individual Defendants' breach of their fiduciary duties, the Company has suffered damage, not only monetarily, but also to its corporate image and goodwill. Such damage includes, among other things, costs incurred in defending itself in the Securities Class Action, exposing the Company to millions of dollars in potential class-wide damages in the Securities Class Action, and damage to the share price of the Company's stock, resulting in an increased cost of capital, and reputational harm.

178. Plaintiff, on behalf of ModivCare, has no adequate remedy at law.

COUNT V

Against the Individual Defendants for Aiding and Abetting Breach of Fiduciary Duty

179. Plaintiff incorporates by reference and realleges each and every allegation contained above, as though fully set forth herein.

180. By encouraging and accomplishing the illegal and improper actions alleged herein and concealing them from the public, the Individual Defendants have each encouraged, facilitated, and advanced their breaches of their fiduciary duties. In so doing, the Individual Defendants have each aided and abetted, conspired, and schemed with one another to breach their fiduciary duties, waste the Company's corporate assets, and engage in the ultra vires and illegal conduct complained of herein.

181. As a result of the misconduct and breaches of duty alleged herein, the Individual Defendants are liable to the Company.

182. Plaintiff, on behalf of ModivCare, has no adequate remedy at law.

COUNT VI

Against the Individual Defendants for Unjust Enrichment

183. Plaintiff incorporates by reference and realleges each and every allegation contained above, as though fully set forth herein.

184. By their wrongful acts, violations of law, and false and misleading statements and omissions of material fact that they made and/or caused to be made, the Individual Defendants were unjustly enriched at the expense of and to the detriment of ModivCare.

185. The Individual Defendants either benefitted financially from the improper conduct, or received bonuses, stock options, or similar compensation from ModivCare that were tied to the performance or artificially inflated valuation of ModivCare, or received compensation that was unjust in light of the Individual Defendants' bad faith conduct.

186. Plaintiff, as a stockholder and representative of the Company, seeks restitution from the Individual Defendants, and seeks an order from this Court disgorging all profits, benefits, and other compensation obtained by the Individual Defendants as a result of their wrongful conduct and fiduciary breaches.

187. As a direct and proximate result of the Individual Defendants' misconduct, the Company has suffered significant damages, as alleged herein.

188. Plaintiff, on behalf of ModivCare, has no adequate remedy at law.

COUNT VII

Against the Individual Defendants for Waste of Corporate Assets

189. Plaintiff incorporates by reference and realleges each and every allegation contained above, as though fully set forth herein.

190. The wrongful conduct alleged regarding the issuance of false and misleading

statements was continuous, connected, and on-going throughout the time period in issue. It resulted in continuous, connected, and ongoing harm to the Company.

191. As a result of the misconduct described above, the Individual Defendants wasted corporate assets by, *inter alia*: (i) paying and colleting excessive compensation and bonuses; (ii) causing the Company to repurchase millions of shares of its own common stock at artificially inflated prices; and (iii) incurring potentially millions of dollars of legal liability and/or legal costs, including defending the Company and its officers against the Securities Class Action.

192. As a result of the waste of corporate assets, the Individual Defendants are liable to the Company.

193. Plaintiff on behalf ModivCare has no adequate remedy at law.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff demands judgment as follows:

A. Awarding money damages against all Individual Defendants, jointly and severally, for all losses and damages suffered as a result of the acts and transactions complained of herein, together with pre-judgment interest, molded in a fashion to ensure the Individual Defendants do not participate therein or benefit thereby;

B. Directing all Individual Defendants to account for all damages caused by them and all profits and special benefits and unjust enrichment they have obtained as a result of their unlawful conduct, including all salaries, bonuses, fees, stock awards, options and common stock sale proceeds, and imposing a constructive trust thereon;

C. Awarding punitive damages;

D. Awarding costs and disbursements of this action, including reasonable attorneys' fees, accountants' and experts' fees, costs, and expenses; and

E. Granting such other and further relief as the Court deems just and proper.

JURY DEMAND

Plaintiff hereby demands a trial by jury.

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

I.(a) Plaintiffs-Defendants. Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.

(b) County of Residence. For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)

(c) Attorneys. Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".

II. Jurisdiction. The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.
United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.
United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.
Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.
Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; **NOTE: federal question actions take precedence over diversity cases.**)

III. Residence (citizenship) of Principal Parties. This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.

IV. Nature of Suit. Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: Nature of Suit Code Descriptions.

V. Origin. Place an "X" in one of the seven boxes.
Original Proceedings. (1) Cases which originate in the United States district courts.
Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441.
Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.
Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.
Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.
Multidistrict Litigation – Transfer. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407.
Multidistrict Litigation – Direct File. (8) Check this box when a multidistrict case is filed in the same district as the Master MDL docket.
PLEASE NOTE THAT THERE IS NOT AN ORIGIN CODE 7. Origin Code 7 was used for historical records and is no longer relevant due to changes in statue.

VI. Cause of Action. Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service.

VII. Requested in Complaint. Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.
Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction.
Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.

VIII. Related Cases. This section of the JS 44 is used to reference related pending cases, if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.

UNITED STATES DISTRICT COURT
DISTRICT OF COLORADO

DIANNA GUINYARD and **DIANA CLAUDIO,** on behalf of themselves and all others similarly situated, Plaintiffs, v. **MODIVCARE SOLUTIONS, LLC,** a Colorado limited liability company, Defendant.	Case No: Hon. **COLLECTIVE AND CLASS ACTION COMPLAINT AND JURY DEMAND**

Now comes Plaintiffs Dianna Guinyard and Diana Claudio ("Plaintiffs"), individually and on behalf of all others similarly situated, by and through their attorneys, hereby bring this Collective and Class Action Complaint against Defendant ModivCare Solutions, LLC ("Defendant"), and states the following:

INTRODUCTION

1. This is a collective and class action brought pursuant to 29 U.S.C. § 216(b) and Fed. R. Civ. P. 23 by Plaintiffs, individually and on behalf of all similarly situated persons employed by Defendant, arising from Defendant's willful violations of the Fair Labor Standards Act ("FLSA"), 29 U.S.C. § 201, *et seq.*, New Jersey Wage and Hour Regulations, N.J.S.A. 34:11-56a *et seq.*, New Jersey Wage Payment Law, N.J.S.A. 34:11-4.1 *et seq.* ("New Jersey Wage Acts"), South Carolina Payment of Wages Act, S.C. Code Ann. §§ 31-10-10, *et seq.* (South Carolina Wage Act"), and common law.

2. According to Defendant's website, Defendant "is leading the transformation to better connect people with care, wherever they are. We serve the most underserved by

facilitating non-emergency medical transportation, remote patient monitoring, meal delivery, and personal and home care to enable greater access to care, reduce costs and improve outcomes."[1]

3. In providing the aforementioned services, Defendant employed hourly customer service representatives with job titles that include, but are not limited to, Device Support Specialist and Care Center Representative (collectively referred to herein as "CSRs"), in brick-and-mortar call centers and in remote call center settings across the United States. Defendant heavily relied on CSRs to, among other things, answer incoming and outgoing calls arranging non-emergency transportation for medical recipients, provide compassionate customer support, monitor high volume medical alerts an alarms, record call details, verify and update customer information, manage access to highly sensitive materials and maintain strict confidentiality. (*See* **Exhibit A**, ModivCare Job Postings).

4. Defendant classified its CSRs as non-exempt and tasked them with the primary job duty of providing over-the-phone, email and electronic customer service.

5. The United States Department of Labor ("DOL") recognizes that call center jobs, like those held by Defendant's CSRs, are homogenous; in July 2008, the DOL issued Fact Sheet #64 to alert call center employees to some of the abuses that are prevalent in the industry.[2]

6. One of those abuses, which is at issue in this case, is the employer's refusal to pay for work from the beginning of the first principal activity of the workday to the end of the last principal activity of the workday." *Id.* at p. 2.

7. More specifically, DOL Fact Sheet #64 condemns an employer's non-payment of an employee's necessary pre-shift activities: "An example of the first principal activity of the day

for agents/specialists/representatives working in call centers includes starting the computer to download work instructions, computer applications and work-related emails." *Id.* Additionally, the FLSA requires that "[a] daily or weekly record of all hours worked, including time spent in pre-shift and post-shift job-related activities, must be kept." *Id.*

8. Defendant violated the FLSA and common law by systematically failing to compensate its CSRs for work tasks completed before their scheduled shifts when they are not logged into Defendant's timekeeping system. This timekeeping procedure resulted in CSRs not being paid for all overtime hours worked and in workweeks in which CSRs worked overtime, for straight time.

9. In addition to this pre-shift work, Defendant also required its CSRs to perform mid-shift work during their unpaid meal periods. The CSRs' duties performed during their unpaid meal periods included similar login procedures. 29 C.F.R. § 785.19(a).

10. More specifically, Defendant failed to compensate CSRs for the substantial time they spent turning on and booting up their computer and computer systems prior to clocking into Defendant's timekeeping system, and before and after their unpaid meal periods.

11. Plaintiffs seek a declaration that their rights, and the rights of the putative Collective and Class members, were violated, a judgment awarding them unpaid back wages, liquidated damages, attorneys' fees and costs to make them and the putative Collective and Class whole for damages they suffered, and any other remedies to which they may be entitled, and to help ensure Defendant will not subject future workers to the same illegal conduct in the future.

12. At the earliest time possible, Plaintiffs will request a Court-authorized notice of this action pursuant to 29 U.S.C. § 216(b) to all similarly situated employee who worked for Defendant at any time in the past three years.

JURISDICTION AND VENUE

13. This Court has subject-matter jurisdiction over Plaintiffs' FLSA claim, pursuant to 28 U.S.C. § 1331, because Plaintiffs' claim raises a federal question under 29 U.S.C. § 201, *et seq.*

14. Additionally, this Court has jurisdiction over Plaintiffs' FLSA claim pursuant to 29 U.S.C. § 216(b), which provides that suit under the FLSA "may be maintained against any employer… in any Federal or State court of competent jurisdiction."

15. Defendant's annual sales exceed $500,000, and Defendant employs more than two individuals; thus, the FLSA applies in this case on an enterprise basis. Defendant's CSRs engage in interstate commerce and, therefore, they are also covered by the FLSA on an individual basis.

16. This Court has personal jurisdiction over Defendant because Defendant conducts business within the state of Colorado, employs individuals within the state of Colorado, is registered with the Colorado Office of the Secretary of State, and maintains its principal place of business in the state of Colorado.

17. Venue is proper in this District pursuant to 28 U.S.C. § 1391 because Defendant conducts business in this district, and a substantial portion of the events that give rise to Plaintiffs' claims occurred in this district.

PARTIES

18. Plaintiff Dianna Guinyard is a resident of Columbia, South Carolina and worked for Defendant as a remote non-exempt CSR from approximately September 2023 through March 2024. Defendant compensated Plaintiff Guinyard through the payment of an hourly rate, most recently $15.00 per hour. Plaintiff Guinyard signed a consent to join this collective action, which is attached as **Exhibit B**.

19. Plaintiff Diana Claudio is a resident of Haledon, New Jersey and worked for

Defendant as a remote non-exempt CSR from approximately January 2023 through May 2024. Defendant compensated Plaintiff Claudio through the payment of an hourly rate, most recently $18.00 per hour. Plaintiff Claudio signed a consent to join this collective action, which is attached as **Exhibit C**.

20. Additional Opt-in Plaintiffs were or are employed by Defendant as CSRs during the past three years and their consent forms will also be filed in this case.

21. Defendant ModivCare Solutions, LLC, is a Colorado limited liability company headquartered in Denver, Colorado. In the state of Colorado, Defendant has a registered agent for service of process listed as Registered Agent Solutions, Inc., 36 South 18th Ave., Ste. D, Brighton, Colorado 80601.

GENERAL ALLEGATIONS

22. Prior to hiring prospective CSRs, Defendant provided them with a written offer setting forth the job title, the offered rate of pay, and the conditions of their employment.

23. Defendant maintained documents demonstrating the promised hourly wage for each CSR, including, but not limited to: offer letters, paystubs, and/or payroll records.

24. Plaintiffs received an offer from Defendant to work as a CSR and they accepted Defendant's offer with the understanding that their base hourly rate would be paid for all hours worked.

25. Plaintiffs performed under their agreement with Defendant by carrying out their job duties and responsibilities. More specifically, Plaintiffs fielded incoming calls from and made outbound calls to Defendant's customers regarding non-emergency medical transportation for medical recipients; handled and resolved escalated customer inquiries, issues, and complaints; provided appropriate customer solutions; and maintained records of customer interactions.

Plaintiffs utilized Defendant's applications and systems to track all events and customer service information. Plaintiffs additionally performed the required unpaid off-the-clock work explained below.

26. Defendant paid its CSRs at varying hourly rates.

27. Defendant's CSRs typically worked five (5) days each week and up to, and on occasion more than, forty (40) hours per week. There were one or more instances during Plaintiffs' employment when they worked forty (40) hours or more in a workweek.

28. Upon information and belief, Defendant utilized a centralized payroll system which calculated overtime pay for all similarly situated employees in the same or similar manner.

29. Defendant provided training to CSRs, on, *inter alia*, how to carry out their day-to-day job duties; how to track their time; how to load and log into their computer programs at the beginning of the day and how to log out at the end of the day; attendance, schedule, and call quality expectations; and Defendant's policies. The training that all of Defendant's CSRs received was substantially, if not entirely, the same, and Defendant's CSRs, including Plaintiffs, were subject to the same relevant policies and procedures.

30. At all relevant times, Defendant controlled Plaintiffs' and all other CSRs' work schedules, duties, protocols, applications, assignment, and employment conditions.

31. To the extent that Defendant may have had written policies that required its employees to be paid for all hours worked, including overtime, the reality is that Defendant did not follow these policies, which resulted in CSRs, like Plaintiffs, not being paid for all hours worked, including the off-the-clock work described herein.

32. Defendant required Plaintiffs and all other CSRs to use a computer and a variety of essential and indispensable computer programs, applications, and servers in order to perform

their job duties.

33. Defendant instructed Plaintiffs and other similarly situated CSRs to be "call ready" the moment their scheduled shift started. This required Defendant's CSRs to load and log into essential work-related computer programs ***before*** the start of their shifts and ***before*** they were allowed to clock in so they could be prepared to field calls the moment their shifts began.

34. Defendant enforced its "call ready' policy and required its CSRs to perform off-the-clock through its uniform attendance, compensation, timekeeping, and schedule adherence procedures; and the call quality assurance system it used.

35. Defendant additionally maintained schedule adherence and adherence metrics pursuant to which it monitored the CSRs' clock in times in relation to their start of shift time, as well as the time the CSRs went into a "ready" status. Defendant enforced these policies and procedures by routinely evaluating, and at times disciplining, CSRs. This discipline included, but was not limited to, supervisor coaching, verbal warnings and termination.

36. All of Defendant's CSRs used the same or similar computer networks, software programs, and applications in the course of performing their job responsibilities. These programs and applications were an integral and an indispensable part of the CSRs' work and they could not perform their jobs without them.

37. Defendant's CSRs also performed off-the-clock work during their unpaid 30-minute meal period, for example undergoing some or all of the computer boot-up process mentioned above.

38. At all relevant times, Defendant used its attendance and adherence policies against Plaintiffs and its CSRs in order to pressure them into performing pre- and mid- shift work off-the-clock.

39. The pre- and mid-shift off-the-clock time Plaintiffs and all other CSRs spent booting-up/logging into and shutting down their computers and applications and programs directly benefited Defendant and was integral and indispensable to the CSRs' job responsibilities.

40. As a result of the pre- and mid-shift off-the-clock work described herein, Plaintiffs and other CSRs were unlawfully deprived of approximately fifteen (15) to thirty (30) minutes of compensation every day.

41. At all relevant times, Defendant was able to track the amount of time Plaintiffs and other CSRs spent in connection with the pre- and mid- shift activities; however, Defendant failed to do so and failed to compensate Plaintiffs and all other CSRs for the off-the-clock work they performed, thus breaching its contracts with their CSRs.

42. Further, in light of the explicit long-standing DOL guidance cited above, there is no conceivable way for Defendant to establish that it acted in good faith.

43. Despite knowing Plaintiffs and all other CSRs performed this pre- and mid- shift work, Defendant and its managers failed to make any effort to stop or disallow it and instead suffered and permitted it to happen.

44. Defendant possesses, controls, and/or has access to information and electronic data indicating the times Plaintiffs and all other CSRs booted-up and logged into their computers each day, along with the time they logged into the timekeeping system.

45. Because Defendant required its CSRs, including Plaintiffs, to perform pre- and mid-shift work off-the-clock, the hours tracked in Defendant's timekeeping system are inaccurate representations of the total amount of time CSRs spent working for Defendant. Thus, the hours reflected on the CSRs' paystubs are also inaccurate representations of the hours they worked.

Pre-Shift Off-the-Clock Work

46. The off-the-clock pre-shift process took substantial time on a daily basis, approximately ten (10) to twenty (20) minutes per shift. Specifically, before each shift CSRs had to undertake the following essential work tasks:

a. Turn on or wake up their computer;

b. Log into Microsoft Windows using a username and password;

c. Secure access to Defendant's server (the Virtual Private Network or "VPN") using a three-factor authentication process;

d. Open Microsoft Teams – the application Defendant's CSRs used for meetings and internal communications;

e. Open Microsoft Outlook – the application used to review emails for meetings and new information regarding policy or procedure changes;

f. Open and/or log into government platform (i.e., Medicaid/Medicare);

g. Open and log into phone system using a username and password;

h. Open and log into their timekeeping system, ADP; and

i. Clock into the timekeeping system and place themselves in "Available" immediately.

47. Defendant's CSRs must complete much, if not all, of this process ***before***: (1) the start of their scheduled shifts; (2) they were allowed to clock into Defendant's timekeeping program; and (3) fielding calls. Consequently, the CSRs had arrive to work approximately ten (10) to twenty (20) minutes before their scheduled shifts to complete their above-described start-up and log-in activities.

48. Thus, in workweeks where Defendant's CSRs worked forty (40) hours or more, or close enough to forty (40) hours to have worked over forty (40) hours when considering the uncompensated off-the-clock work time discussed herein, Defendant violated the FLSA by failing

to: (1) pay them the federally mandated overtime compensation for all work performed; (2) pay them straight time for all regular hours worked up to forty (40); and (3) record all of the time its CSRs, including Plaintiffs, worked for Defendant's benefit.

49. The pre-shift off-the-clock work CSRs performed directly benefitted Defendant and was integral and indispensable to their job duties and responsibilities.

Meal-Period Off-the-Clock Work

50. Defendant provided its CSRs with a scheduled 30-minute unpaid meal period during each work shift.

51. Under federal law, in order to deduct an unpaid meal period from an employee's compensable time, an employee must be completely relieved of his or her employment duties for the entire meal period. C.F.R. § 785.19(a) states:

> **Bona fide meal periods.** Bona fide meal periods are not work time. Bona fide meal periods do not include coffee breaks or time for snacks. These are rest periods. The employee must be completely relieved from duty for the purposes of eating regular meals. Ordinarily 30 minutes or more is long enough for a bona fide meal period. A shorter period may be long enough under special conditions. The employee is not relieved if he is required to perform any duties, whether active or inactive, while eating. For example, an office employee who is required to eat at his desk or a factory worker who is required to be at his machine is working while eating. (emphasis added).

52. According to the U.S. Department of Labor, "[r]est periods of short duration, usually 20 minutes or less, are common in the industry (and promote employee efficiency), and must be counted as hours worked. Bona fide meal periods (typically 30 minutes or more) generally need not be compensated as work time as long as the employee is relieved from duty for the purpose of eating a regular meal." (*Fact Sheet #64* at p. 2).

53. Defendant did not provide CSRs with legitimate bona fide meal periods because it required the CSRs to return to their computer stations prior to the end of their unpaid meal periods

to unlock and log back into their computer and program/applications, and place themselves in in an "available" state so they could resume taking/making calls/emails promptly at the end of their scheduled meal periods.

54. CSRs spent approximately five (5) to ten (10) minutes performing this work during their unpaid meal periods. This process was similar to the pre-shift login process described herein, and this time went uncompensated.

55. In workweeks where Defendant's CSRs worked forty (40) hours or more, or close enough to forty (40) hours to have worked over forty (40) hours when considering the uncompensated off-the-clock time discussed herein, Defendant violated the FLSA by failing to: (1) pay them the federally mandated overtime compensation for all work performed; and (2) record all of the time that its CSRs,, including Plaintiff, worked for Defendant's benefit.

56. The unpaid off-the-clock work Plaintiffs and other CSRs perform during their lunch breaks and prior to clocking back into Defendant's timekeeping system is compensable, directly benefits Defendant and the tasks undertaken in connection with the off-the-clock work are integral and indispensable to their job duties and responsibilities as CSRs.

The Off-the-Clock Work Results in Viable "Gap Time" Claims

57. "Gap time" claims are those "in which an employee has not worked 40 hours in a given week but seeks recovery of unpaid time worked, or in which an employee has worked over 40 hours in a given week but seeks recovery for unpaid work under 40 hours." *Kinkead v. Humana at Home, Inc.*, 450 F.Supp.3d 162, 182 (D. Conn. Mar. 31, 2020); *Conner v. Cleveland Cty., N.C.*, 22 F.4th 412, 426 (4th Cir. 2022) ("we hold that overtime gap time claims are cognizable under the FLSA").

58. Plaintiffs, and similarly situated CSRs, regularly worked non-overtime hours (i.e.

Case 25-90309 Document 950-9 Filed in TXSB on 12/05/25 Page 402 of 567

"gap time") for which they were not paid.

59. During the weeks that CSRs do not work over forty (40) hours in a workweek, the outcome of Defendant's policies and practices was a deprivation of straight time wages, in breach of Defendant's contracts with its CSRs.

Plaintiff Guinyard's Exemplary Workweek

60. Defendant paid CSRs on a biweekly basis. The FLSA violations discussed herein occurred throughout Plaintiffs' employment with Defendant; however, as an example of one pay period where Defendant failed to pay Plaintiff's Guinyard's regular wages for work performed and overtime for hours worked in excess of forty (40) hours (as mandated by the FLSA), Plaintiff Guinyard provides her paystub for the pay period of 11/26/23 through 12/9/23:

November 6 – December 2 Work Week Earnings

- Plaintiff Guinyard worked more than 40 hours in the work week at an overtime rate of $21.00 per hour and upon information and belief was paid $21.00 per hour in overtime.
- With pre- and mid-shift off-the-clock work, Plaintiff Guinyard should have been paid an additional 25 to 40 minutes or more at her overtime rate of $21.00 for each hour worked in excess of 40 in the workweek.

December 3 – 9 Work Week Earnings

- Plaintiff Guinyard worked less than 40 hours in the work week at a rate of $14.00 per hour and upon information and belief was paid $14.00 for each regular hour worked.
- With pre- and mid-shift off-the-clock work, Plaintiff Guinyard should have been paid an additional 25 to 40 minutes or more at her regular rate of $14.00 for each regular hour.

Exhibit D, Guinyard Pay Stub.

FLSA COLLECTIVE ACTION ALLEGATIONS

61. Plaintiffs bring this action pursuant to 29 U.S.C. § 216(b) of the FLSA on behalf of herself and on behalf of:

> *All current and former similarly situated CSRs who worked for Defendant at any time during the three years preceding the date of an order from this Court granting conditional certification up through and including judgment.*

(hereinafter referred to as the "FLSA Collective"). Plaintiffs reserve the right to amend this definition if necessary.

62. Excluded from the proposed FLSA Collective are Defendant's executives, administrative and professional employees, including computer professionals and outside sales persons.

63. Defendant is liable under the FLSA for, *inter alia*, failing to properly compensate Plaintiffs and others similarly situated.

64. Consistent with Defendant's policies and practice, Plaintiffs and the proposed FLSA Collective were not paid for all straight and/or premium overtime compensation in workweeks during which they worked forty (40) hours or more when considering the uncompensated off-the-clock work discussed herein.

65. All of the work Plaintiffs and the proposed FLSA Collective performed was assigned by Defendant, and/or Defendant was aware of all of the work the Plaintiffs and the proposed FLSA Collective performed.

66. Defendant was aware, or should have been aware, that federal law required it to pay Plaintiffs and the proposed FLSA Collective members for all hours worked and an overtime premium for all hours worked in excess of forty (40) per workweek.

67. As part of its regular business practice, Defendant intentionally, willfully, and repeatedly engaged in a pattern, practice, and/or policy of violating the FLSA with respect to Plaintiffs and the members of the FLSA Collective. This policy and pattern or practice includes, but is not limited to:

a. Willfully failing to pay its employees, including Plaintiffs and the FLSA Collective members, for all regular hours that they worked off-the-clock in non-overtime workweeks;

b. Willfully failing to pay its employees, including Plaintiffs and the members of the FLSA Collective, for all overtime gap time and premium overtime wages for hours that they worked off-the-clock in excess of forty (40) hours per workweek; and

c. Willfully failing to record all of the time that its employees, including Plaintiffs and the members of the FLSA Collective, worked for the benefit of Defendant.

68. Defendant's unlawful conduct has been (and is) widespread, repeated, and consistent.

69. Upon information and belief, Defendant utilized a centralized payroll system that calculated overtime pay for all similarly situated employees in the same or similar manner.

70. A collective action under the FLSA is appropriate because the employees described above are "similarly situated" to Plaintiffs under 29 U.S.C. § 216(b). The employees on behalf of whom Plaintiffs bring this collective action are similarly situated because (a) they have been or are employed in the same or similar positions; (b) they were or are performing the same or similar job duties; (c) they were or are subject to the same or similar unlawful practices, policies, or plans; and (d) their claims are based upon the same factual and legal theories.

71. The employment relationships between Defendant and every proposed FLSA Collective member are the same and differ only by name, location, and rate of pay. The key issues are the same for every proposed FLSA Collective member, to wit: whether the FLSA Collective

members are 1) required to work without compensation due to uncompensated boot-up time and log in/out time; and 2) entitled to their regular hourly wage in non-overtime workweeks and overtime for hours worked over forty (40) in a week.

72. Plaintiffs estimate the FLSA Collective, including both current and former CSRs over the relevant period, includes hundreds, if not thousands, of members. The precise number should be readily available from a review of Defendant's personnel and payroll records, which Defendant is required to maintain pursuant to the FLSA 29 U.S.C. § 211(c); 29 C.F.R. § 516 *et seq*.

73. The FLSA Collective should be notified of and allowed to opt-in to this action, pursuant to 29 U.S.C. § 216(b). Unless the Court promptly issues such a notice, the FLSA Collective members, who have been unlawfully deprived of pay in violation of the FLSA, will be unable to secure compensation to which they are entitled, and which has been unlawfully withheld from them by Defendant.

74. Conditional certification of this case as a collective action pursuant to 29 U.S.C. § 216(b) is proper and necessary so that these employees may be readily notified of this action through direct U.S. mail and/or other means including email and allowed to opt in for the purpose of collectively adjudicating their claims for unpaid wages, unpaid overtime compensation, liquidated damages and/or interest, and attorneys' fees and costs under the FLSA.

75. All of the estimations discussed herein will be refined after collective discovery is completed.

RULE 23 NEW JERSEY STATE LAW CLASS ACTION ALLEGATIONS

76. Plaintiff Claudio brings this action pursuant to Fed. R. Civ. P. 23(b)(2) and (b)(3) on behalf of:

> *All current and former CSRs who worked for Defendant at any location in New Jersey during the applicable statutory period.*

(hereinafter referred to as the "Rule 23 New Jersey Class"). Plaintiff Claudio reserves the right to amend this definition if necessary.

77. The members of the Rule 23 New Jersey Class are so numerous that joinder of all Rule 23 New Jersey members in this case would be impractical. Plaintiff Claudio reasonably estimates there are hundreds, if not thousands, of Rule 23 New Jersey Class members. Rule 23 New Jersey Class members should be easy to identify from Defendant's computer systems and electronic payroll and personnel records.

78. There is a well-defined community of interests among Rule 23 New Jersey Class members and common questions of law and fact predominate in this action over any questions affecting individual members of the Rule 23 New Jersey Class. These common legal and factual questions include, but are not limited to, the following:

a. Whether the off-the-clock time worked by the Rule 23 New Jersey Class members in connection with the activities described in this Complaint is compensable time;

b. Whether the Rule 23 New Jersey Class members are owed wages for the off-the-clock time worked in connection with the activities described in this Complaint;

c. Whether Defendant engaged in a policy or practice of failing to pay each Rule 23 New Jersey Class member regular wages or minimum wage for each non-overtime hour worked;

d. Whether Defendant engaged in a policy or practice of failing to pay each Rule 23 New Jersey Class member overtime compensation for each overtime hour worked; and

e. Whether Defendant should be required to pay compensatory damages, attorneys' fees, penalties, costs, and interest for violating the state laws and wage acts applicable to the members of the Rule 23 New Jersey Class.

79. Plaintiff Claudio's claims are typical of those of the Rule 23 New Jersey class in that she and all other Rule 23 New Jersey Class members suffered damages as a direct and proximate result of the Defendant's common and systemic payroll policies and practices. Plaintiff Claudio's claims arise from the same pay policies, practices, promises, and course of conduct as all other Rule 23 New Jersey Class members' claims and her legal theories are based on the same legal theories as all other Rule 23 New Jersey Class members.

80. Plaintiff Claudio will fully and adequately protect the interests of the Rule 23 New Jersey Class and Plaintiff retained counsel who are qualified and experienced in the prosecution of nationwide wage and hour class actions. Neither Plaintiff Claudio nor her counsel have interests that are contrary to, or conflicting with, the interests of the Rule 23 New Jersey Class.

81. A class action is superior to other available methods for the fair and efficient adjudication of this controversy, because *inter alia*, it is economically infeasible for Rule 23 New Jersey members to prosecute individual actions of their own given the relatively small amount of damages at stake for each individual along with the fear of reprisal by their employer.

82. This case will be manageable as a Rule 23 class action. Plaintiff Claudio and her counsel know of no unusual difficulties in this case and Defendant has advanced networked computer and payroll systems that will allow the class, wage, and damage issues in this case to be resolved with relative ease.

83. Because the elements of rule 23(b)(3) are satisfied in this case, class certification is appropriate. *Shady Grove Orthopedic Assoc., P.A. v. Allstate ins. Co.*, 559 U.S. 393; 130 S. Ct.

1431, 1437 (2010) ("[b]y its terms [Rule 23] creates a categorical rule entitling a plaintiff whose suit meets the specified criteria to pursue his claim as a class action").

84. Because Defendant has acted and refused to act on grounds that apply generally to the Rule 23 New Jersey Class and declaratory relief is appropriate in this case with respect to the Rule 23 New Jersey Class as a whole, class certification pursuant to Rule 23(b)(2) is also appropriate.

RULE 23 SOUTH CAROLINA STATE LAW CLASS ACTION ALLEGATIONS

85. Plaintiff Guinyard brings this action pursuant to Fed. R. Civ. P. 23(b)(2) and (b)(3) on behalf of:

> *All current and former CSRs who worked for Defendant at any location in South Carolina during the applicable statutory period.*

(hereinafter referred to as the "Rule 23 South Carolina Class"). Plaintiff Guinyard reserves the right to amend this definition if necessary.

86. The members of the Rule 23 South Carolina Class are so numerous that joinder of all Rule 23 South Carolina members in this case would be impractical. Plaintiff Guinyard reasonably estimates there are hundreds, if not thousands, of Rule 23 South Carolina Class members. Rule 23 South Carolina Class members should be easy to identify from Defendant's computer systems and electronic payroll and personnel records.

87. There is a well-defined community of interests among Rule 23 South Carolina Class members and common questions of law and fact predominate in this action over any questions affecting individual members of the Rule 23 South Carolina Class. These common legal and factual questions include, but are not limited to, the following:

a. Whether the off-the-clock time worked by the Rule 23 South Carolina Class members in connection with the activities described in this Complaint is compensable time;

Case 25-90309 Document 950-9 Filed in TXSB on 12/05/25 Page 409 of 567

b. Whether the Rule 23 South Carolina Class members are owed wages for the off-the-clock time worked in connection with the activities described in this Complaint;

c. Whether Defendant engaged in a policy or practice of failing to pay each Rule 23 South Carolina Class member regular wages or minimum wage for each non-overtime hour worked;

d. Whether Defendant engaged in a policy or practice of failing to pay each Rule 23 South Carolina Class member overtime compensation for each overtime hour worked; and

e. Whether Defendant should be required to pay compensatory damages, attorneys' fees, penalties, costs, and interest for violating the state laws and wage acts applicable to the members of the Rule 23 South Carolina Class.

88. Plaintiff Guinyard's claims are typical of those of the Rule 23 South Carolina class in that she and all other Rule 23 South Carolina Class members suffered damages as a direct and proximate result of the Defendant's common and systemic payroll policies and practices. Plaintiff Guinyard's claims arise from the same pay policies, practices, promises, and course of conduct as all other Rule 23 South Carolina Class members' claims and his legal theories are based on the same legal theories as all other Rule 23 South Carolina Class members.

89. Plaintiff Guinyard will fully and adequately protect the interests of the Rule 23 South Carolina Class and Plaintiff retained counsel who are qualified and experienced in the prosecution of nationwide wage and hour class actions. Neither Plaintiff Guinyard nor her counsel have interests that are contrary to, or conflicting with, the interests of the Rule 23 South Carolina Class.

90. A class action is superior to other available methods for the fair and efficient adjudication of this controversy, because *inter alia*, it is economically infeasible for Rule 23 South Carolina members to prosecute individual actions of their own given the relatively small amount of damages at stake for each individual along with the fear of reprisal by their employer.

91. This case will be manageable as a Rule 23 class action. Plaintiff Guinyard and her counsel know of no unusual difficulties in this case and Defendant has advanced networked computer and payroll systems that will allow the class, wage, and damage issues in this case to be resolved with relative ease.

92. Because the elements of rule 23(b)(3) are satisfied in this case, class certification is appropriate. *Shady Grove Orthopedic Assoc., P.A. v. Allstate ins. Co.*, 559 U.S. 393; 130 S. Ct. 1431, 1437 (2010) ("[b]y its terms [Rule 23] creates a categorical rule entitling a plaintiff whose suit meets the specified criteria to pursue his claim as a class action").

93. Because Defendant has acted and refused to act on grounds that apply generally to the Rule 23 South Carolina Class and declaratory relief is appropriate in this case with respect to the Rule 23 South Carolina Class as a whole, class certification pursuant to Rule 23(b)(2) is also appropriate.

RULE 23 NATIONWIDE CLASS ACTION ALLEGATIONS

94. Plaintiffs bring this action pursuant to Fed. R. Civ. P. 23(b)(2) and (b)(3) on behalf of themselves and on behalf of:

> *All current and former similarly situated CSRs who worked for Defendant at any time during the applicable statutory period.*

(hereinafter referred to as the "Rule 23 Nationwide Class"). Plaintiffs reserve the right to amend this definition if necessary.

95. The members of the Rule 23 Nationwide Class are so numerous that joinder of all Rule 23 Nationwide Class members in this case would be impractical. Plaintiffs reasonably estimate there are thousands of Rule 23 Nationwide Class members. Rule 23 Nationwide Class members should be easy to identify from Defendant's computer systems and electronic payroll and personnel records.

96. There is a well-defined community of interests among Rule 23 Nationwide Class members and common questions of law and fact predominate in this action over any questions affecting individual members of the Rule 23 Nationwide Class. These common legal and factual questions, include, but are not limited to, the following:

a. Whether the pre-shift time Rule 23 Nationwide Class members spent on startup and login activities each shift is compensable time under applicable law;

b. Whether the mid-shift time Rule 23 Nationwide Class members spend rebooting Defendant's programs, applications, and networks during their unpaid lunch breaks before they return from their breaks is compensable;

c. Whether Defendant's non-payment of wages for all compensable time amounted to a breach of contract; and

d. Whether Defendant's non-payment of wages for all compensable time resulted in an unjust enrichment to Defendant.

97. Plaintiffs' claims are typical of those of the Rule 23 Nationwide Class in that he and all other Rule 23 Nationwide Class members suffered damages as a direct and proximate result of the Defendant's common and systemic payroll policies and practices. Plaintiffs' claims arise from the same pay policies, practices, promises and course of conduct as all other Rule 23 Nationwide Class members' claims and their legal theories are based on the same legal theories as all other Rule 23 Nationwide Class members.

98. Plaintiffs will fully and adequately protect the interests of the Rule 23 Nationwide Class and Plaintiffs retained counsel who are qualified and experienced in the prosecution of nationwide wage and hour class actions. Neither Plaintiffs nor their counsel have interests that are contrary to, or conflicting with, the interests of the Rule 23 Nationwide Class.

99. A class action is superior to other available methods for the fair and efficient adjudication of this controversy, because, *inter alia*, it is economically infeasible for Rule 23 Nationwide Class members to prosecute individual actions of their own given the relatively small

amount of damages at stake for each individual along with the fear of reprisal by their employer.

100. This case will be manageable as a Rule 23 Class action. Plaintiffs and their counsel know of no unusual difficulties in this case and Defendant has advanced networked computer and payroll systems that will allow the class, wage, and damages issues in this case to be resolved with relative ease.

101. Because the elements of Rule 23(b)(3) are satisfied in this case, class certification is appropriate. *Shady Grove Orthopedic Assoc., P.A. v. Allstate Ins. Co.*, 559 U.S. 393; 130 S. Ct. 1431, 1437 (2010) ("[b]y its terms [Rule 23] creates a categorical rule entitling a plaintiff whose suit meets the specified criteria to pursue his claim as a class action").

102. Because Defendant has acted and refused to act on grounds that apply generally to the Rule 23 Nationwide Class and declaratory relief is appropriate in this case with respect to the Rule 23 Nationwide Class as a whole, class certification pursuant to Rule 23(b)(2) is also appropriate.

COUNT I
FLSA COLLECTIVE ACTION
VIOLATION OF THE FAIR LABOR STANDARDS ACT,
29 U.S.C. § 201, *et seq.* -- FAILURE TO PAY OVERTIME

103. Plaintiffs re-allege and incorporate all previous paragraphs herein.

104. At all times relevant to this action, Defendant was subject to the mandates of the FLSA, 29 U.S.C. § 201, *et seq*.

105. At all times relevant to this action, Defendant was engaged in interstate commerce, or in the production of goods for commerce, as defined by the FLSA.

106. At all times relevant to this action, Plaintiffs and the FLSA Collective were "employees" of Defendant within the meaning of 29 U.S.C. § 203(e)(1) of the FLSA.

107. At all times relevant to this action, Defendant "suffered or permitted" Plaintiffs and

the FLSA Collective to work and thus "employed" them within the meaning of 29 U.S.C. § 203(g) of the FLSA.

108. Plaintiffs and other FLSA Collective members, by virtue of their job duties and activities actually performed, were all non-exempt employees.

109. Plaintiffs either: (1) engaged in commerce; or (2) engaged in the production of goods for commerce; or (3) were employed in an enterprise engaged in commerce or in the production of goods for commerce.

110. The FLSA requires an employer to pay employees for all hours worked and the federally mandated overtime premium rate of 1.5 times their regular rate of pay for every hour worked in excess of forty (40) hours per workweek. 29 U.S.C. § 207.

111. The FLSA requires all employers to keep accurate payroll records and time records for at least three (3) years (including all basic timecards and daily starting/stopping times of individual employees). *See* 29 U.S.C. § 211(c); 29 C.F.R. 516.1, *et seq*.

112. At all times relevant to this action, Defendant engaged in an unlawful policy and practice of requiring Plaintiffs and all the proposed FLSA Collective members to perform pre- and mid- shift work off the clock, every shift, and failed to pay these employees their regular hourly rate for all hours worked in non-overtime workweeks, overtime gap time in weeks where it occurred and the federally mandated overtime compensation for all work performed over forty (40) hours per week.

113. The off-the-clock work performed every shift by Plaintiffs and the proposed FLSA Collective was an essential part of their jobs and these activities and the time associated with these activities was significant.

114. In workweeks where Plaintiffs and other FLSA Collective members worked forty

Case: 25-90309 Document: 950-9 Filed in TXSB on 06/26/25 Page: 24 of 567

(40) hours or more, or close enough to forty (40) hours to have worked over forty (40) hours when considering the uncompensated off-the-clock work time discussed herein, all of this overtime should have been paid at the federally mandated rate of 1.5 times each employee's regular hourly wage, including a shift differential where applicable. 29 U.S.C. § 207. Further, all "gap time" should have been paid at Plaintiffs and the FLSA Collective's regular hourly rate.

115. As a result of Defendant's unlawful policies and practices, Plaintiffs and the FLSA Collective members were deprived of both straight time and overtime wages in violation of the FLSA.

116. Defendant's violations of the FLSA were knowing and willful. Defendant could have easily accounted for and properly compensated Plaintiffs and the proposed FLSA Collective members for all work activities, but did not.

117. At all relevant times, Defendant had a policy and practice of willfully refusing to pay Plaintiffs and all putative FLSA Collective members the legally required amount of overtime compensation for all hours worked in excess of 40 hours per workweek, in violation of the FLSA.

118. As a result of Defendant's willful failure to compensate Plaintiffs and the putative FLSA Collective members at a rate not less than 1.5 times the regular rate of pay for work performed in excess of 40 hours in a workweek, Defendant violated and continues to violate the FLSA, 29 U.S.C. §§ 201, *et seq.* Defendant's conduct as alleged herein constitutes a willful violation of the FLSA within the meaning of 29 U.S.C. § 255(a).

119. As a result of the foregoing, Plaintiffs were injured and seek appropriate relief against Defendant including unpaid wages (including unpaid overtime), an additional equal amount in liquidated damages (double damages), reasonable attorneys' fees and costs, interest, and all other relief just and appropriate under the circumstances.

Case 25-90309 Document 950-9 Filed in TXSB on 06/26/25 Page 415 of 567

COUNT II
RULE 23 NEW JERSEY CLASS ACTION
VIOLATIONS OF NEW JERSEY WAGE AND HOUR LAWS, N.J.S.A. 34:1156A, *et seq.*
FAILURE TO PAY OVERTIME WAGES; VIOLATION OF NEW JERSEY WAGE PAYMENT LAW, N.J.S.A., 34:114-1, *et seq.*
FAILURE TO PAY STRAIGHT TIME WAGES ("NEW JERSEY WAGE ACTS")

120. Plaintiff Claudio re-alleges and incorporates all previous paragraphs herein and further alleges as follows.

121. At all times relevant to the action Defendant was an employer covered by the overtime and wage mandates of the New Jersey Wage Acts, and the Rule 23 New Jersey Class are employees entitled to the protections of the New Jersey Wage Acts N.J.S.A. 34:11-56a1(h) and N.J.S.A. 34:11-4.1b.

122. Defendant 'suffered or permitted" Plaintiff Claudio and other Rule 23 New Jersey Class members to work and thus "employed" them within the meaning of N.J.S.A. 34:11-56a1(f).

123. N.J. Stat. § 34:11-56a4(a) provides that "each employer shall pay to each of his employees wages at a rate of not less than $8.85 per hour as of January 1, 2019…."

124. N.J. Stat. § 34:11-56a4(b) provides that "An employer shall also pay each employee not less than 1 1/2 times such employee's regular hourly rate for each hour of working time in excess of 40 hours in any week…."

125. N.J. Stat. § 34:11-4.2 provides that "every employer shall pay the full amount of wages due to his employees at least twice during each calendar month, on regular paydays designated in advance by the employer…."

126. Under New Jersey law, employees are entitled to be paid for "all hours worked." N.J. Admin. Code tit. 12, § 56-5.1.

127. Defendant violated the New Jersey Wage Act by regularly and repeatedly failing

Case: 25-90309 Document: 950-9 Filed in TXSB on 06/26/25 Page 216 of 567

to compensate the Rule 23 New Jersey Class for the time spent on the work activities described in this Complaint.

128. Defendant's uniform policy and practice, as described above, was/is willful, intentional, unreasonable, arbitrary, and in bad faith.

129. As a result, the Rule 23 New Jersey Class has and will continue to suffer loss of income and other damages. Accordingly, the Rule 23 New Jersey Class is entitled to recover unpaid wages owed, including overtime wages, liquidated damages in the amount of 200% of the wages owed, plus costs and attorneys' fees, and other appropriate relief under the New Jersey Wage Acts at an amount to be proven at trial. *See* N.J. Stat. § 34:11-58.

COUNT III
RULE 23 SOUTH CAROLINA CLASS ACTION
VIOLATIONS OF THE SOUTH CAROLINA PAYMENT OF WAGES ACT, S.C. CODE ANN. §§ 41-10-10, et. seq. ("SOUTH CAROLINA WAGE ACT")

130. Plaintiff Guinyard re-alleges and incorporates all previous paragraphs herein and further alleges as follows.

131. The South Carolina Payment of Wages Act, S.C. Code Ann. §§ 41-10-10, *et seq.;* provides that "[e]very employer in the State shall pay all wages due in lawful United States money or by negotiable warrant or check bearing even date with the payday." S.C. Code Ann. § 41-10-40(A).

132. Pursuant to S.C. Code Ann. § 41-10-80(C), an employee who has not been paid in accordance with the South Carolina Payment of Wages Act "may recover in a civil action an amount equal to three times the full amount of the unpaid wages, plus costs and reasonable attorney's fees as the court may allow."

133. At all times relevant to the action, Defendant was an employer covered by the overtime and wage mandates of the South Carolina Wage Act, and the Rule 23 South Carolina

Class are employees entitled to the South Carolina Wage Act's protections.

134. The South Carolina Wage Act entitles employees to compensation for every hour worked in a workweek.

135. The South Carolina Wage Act entitles employees to overtime compensation at a rate equal to one and one-half the amount of their regular rate of pay for all hours worked in excess of 40 hours per week.

136. Defendant violated the South Carolina Wage Act by regularly and repeatedly failing to compensate the Rule 23 South Carolina Class for the time spent on the work activities described in this Complaint.

137. Defendant's uniform policy and practice, as described above, left it without any bona fide dispute as to why it failed to pay Plaintiff Guinyard and CSRs for all time worked.

138. As a result, the Rule 23 South Carolina Class has and will continue to suffer loss of income and other damages. Accordingly, the Rule 23 South Carolina Class is entitled to recover unpaid wages owed, plus costs and attorneys' fees, and other appropriate relief under the South Carolina Wage Act at an amount to be proven at trial.

COUNT IV
RULE 23 NATIONWIDE CLASS ACTION
BREACH OF CONTRACT

139. Plaintiffs re-allege and incorporate all previous paragraphs herein and further allege as follows.

140. At all times relevant to this action, Defendant had a binding and valid contract with Plaintiffs and every other Rule 23 Nationwide Class member to pay each employee for each hour they worked at a pre-established (contractual) regular hourly rate in consideration of the work duties Plaintiffs and the Rule 23 Nationwide Class members performed on behalf of Defendant.

Case 25-90309 Document 950-9 Filed in TXSB on 06/26/25 Page 418 of 567

141. Evidence of these contracts include Defendant's letters offering employment, pay statements, and other documentary evidence in Defendant's possession. Additionally, Defendant made verbal offers for payment at a specified, above minimum wage for CSR work, which Plaintiffs accepted and performed, but Defendant failed to perform by paying Plaintiffs and the Rule 23 Class the promised wages.

142. For example, Defendant offered to compensate Plaintiffs at a minimum of fixed, agreed upon hourly rates if they agreed to perform services for Defendant as a CSR. Plaintiffs accepted Defendant's offer and performed their duties as CSRs in reliance on the offer.

143. Defendant breached its contractual promises by failing to pay CSRs at their fixed, pre-agreed upon hourly rate for all of the hours worked.

144. Upon information and belief, each Rule 23 Nationwide Class member, including Plaintiffs, was contractually entitled to a varying minimum hourly rates within the applicable period.

145. Plaintiffs and every other Rule 23 Nationwide Class member accepted the terms of Defendant's contractual promises contained in Defendant's offer letters, and performed under the contracts by doing their jobs and carrying out the work they performed each shift, which included the unpaid off-the-clock work that was required of them in connection with pre- and mid- shift work described herein.

146. By not paying Plaintiffs and every other Rule 23 Nationwide Class member the agreed upon hourly wage for the work they performed each shift in connection with the off-the-clock work described herein, Defendant systematically breached its contracts with Plaintiffs and each member of the Rule 23 Nationwide Class.

147. Defendant can easily ascertain the amount of damages owed to Plaintiffs and the

Rule 23 Nationwide Class members based on the allegations made in this complaint (specifically the amount of off-the-clock work claimed each shift) in conjunction with Defendant's payroll records, which will provide the number of shifts worked by each Rule 23 Nationwide Class member.

148. Plaintiffs and the Rule 23 Nationwide Class members' remedies under the FLSA are inadequate in this case to the extent Defendant paid them *more* than the federally mandated minimum wage of $7.25 per hour, but less than forty (40) hours per week (*i.e.*, pure "gap time" claims for non-overtime hours/workweeks).

149. Defendant also breached its duty of good faith and fair dealing by failing to keep track of the time Plaintiffs and other Rule 23 Class members spent performing off-the-clock activities, which is a fundamental part of an "employer's job."

150. As a direct and proximate result of Defendant's contractual breaches, Plaintiffs and the Rule 23 Nationwide Class members were damaged in an amount to be determined at trial.

COUNT V
RULE 23 NATIONWIDE CLASS ACTION
UNJUST ENRICHMENT

151. Plaintiffs re-allege and incorporate all previous paragraphs herein.

152. This Count is pled in the alternative to Count III, *supra*, pursuant to Fed. R. Civ. P. 8(d)(2)-(3).

153. At all times relevant to this action, Defendant promised Plaintiffs and every other Rule 23 Nationwide Class member a pre-established regular hourly rate in consideration of the work duties Plaintiffs and the Rule 23 Nationwide Class members performed for the benefit of Defendant.

154. Plaintiffs and every other Rule 23 Nationwide Class member relied upon

Defendant's promise for the pre-established regular hourly rate and performed by doing their jobs and carrying out their required work duties.

155. By not paying Plaintiffs and every other Rule 23 Nationwide Class member the agreed upon hourly wage for the off-the-clock work they performed each shift, Defendant was unjustly enriched.

156. Plaintiffs and the Rule 23 Nationwide Class members performed off-the-clock work tasks at the request of and without objection by Defendant.

157. Defendant received and accepted the above-referenced off-the-clock work services from Plaintiffs and every other Rule 23 Nationwide Class member and enjoyed the benefits derived therefrom.

158. Upon information and belief, Defendant used the monies owed to Plaintiffs and every other Rule 23 Nationwide Class member to finance its various business ventures or pay its equity owners.

159. Defendant has been unjustly enriched by the retention of monies received pursuant to the services Plaintiffs and the Rule 23 Nationwide Class performed for Defendant's benefit, without having compensated Plaintiffs and the Rule 23 Nationwide Class for the same.

160. Plaintiffs and the Rule 23 Nationwide Class suffered detriment due to Defendant's failure to compensate them for the off-the-clock work described herein, in that Plaintiffs and the Rule 23 Nationwide Class were deprived of the ability to utilize that time, effort and their resources in a profitable manner.

161. As a direct and proximate result of Defendant's actions, Plaintiffs and every other Rule 23 Nationwide Class member suffered damages, including but not limited to, loss of wages.

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

I.(a) **Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.

(b) **County of Residence.** For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)

(c) **Attorneys.** Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".

II. **Jurisdiction.** The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.
United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.
United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.
Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.
Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; **NOTE: federal question actions take precedence over diversity cases.**)

III. **Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.

IV. **Nature of Suit.** Place an "X" in the appropriate box. If the nature of suit cannot be determined, be sure the cause of action, in Section VI below, is sufficient to enable the deputy clerk or the statistical clerk(s) in the Administrative Office to determine the nature of suit. If the cause fits more than one nature of suit, select the most definitive.

V. **Origin.** Place an "X" in one of the six boxes.
Original Proceedings. (1) Cases which originate in the United States district courts.
Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. When the petition for removal is granted, check this box.
Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.
Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.
Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.
Multidistrict Litigation. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407. When this box is checked, do not check (5) above.

VI. **Cause of Action.** Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service; **OR "AP Docket."**

VII. **Requested in Complaint.** Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.
Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction.
Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.

VIII. **Related Cases.** This section of the JS 44 is used to reference related pending cases, if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.

Pursuant to Section 9.02 of the Old Notes Indenture, the Company and the Old Notes Trustee intend to (x) amend or supplement the Old Notes Indenture with the consent of the Holders (as defined in the Old Notes Indenture) of a majority in principal amount of the Old Notes outstanding (the "**Requisite Consents**") in order to remove substantially all covenants and events of default in the Old Notes Indenture and release the guarantees provided by the guarantors party thereto (collectively, the "**Proposed Amendments**") and (y) enter into a subordination agreement (the "**Old Notes Subordination Agreement**"), in form and substance reasonably satisfactory to the Company, the Old Notes Trustee and the Backstop Parties, whereby the Old Notes will be subordinated to the Exchange Notes and the loans under the Credit Agreement, and the Holders have agreed to provide their consents to the Proposed Amendments in accordance with the requirements of the Old Notes Indenture and the procedures set forth herein and hereby direct the Old Notes Trustee to enter into the Supplemental Indenture (as defined herein) and the Old Notes Subordination Agreement.

In the event that the Requisite Consents have not been obtained and the Supplemental Indenture has not been entered into by January 31, 2025, (i) the Holders that hold Old Notes will exchange (the "**Backstop Party Exchange**") $50.0 million in aggregate principal amount of the Old Notes held by the Backstop Parties for $50.0 million in aggregate principal amount of Exchange Notes on the terms and subject to the conditions set forth herein, and (ii) following the receipt of the Requisite Consents, Holders will exchange (the "**Subsequent Exchange**") $201.0 million in aggregate principal amount of the Old Notes held by such Holders for $201.0 million in aggregate principal amount of the Exchange Notes on the terms and subject to the conditions set forth herein.

The Exchange Notes will be issued in reliance upon the exemption from securities registration afforded by Section 4(a)(2) of the Securities Act of 1933, as amended (the "**Securities Act**"), and pursuant to the provisions of an Indenture (the "**Exchange Notes Indenture**") to be dated as of the Exchange Closing Date (as defined herein) or the Backstop Party Exchange Closing Date (as defined herein), as applicable, among the Company, the guarantors party thereto and Ankura Trust Company, LLC, as trustee or such other trustee as may be mutually acceptable to the Backstop Parties holding a majority of the Amendment No. 5 Incremental Term Loans (as defined in the Credit Agreement (as defined herein)) held by all Backstop Parties (such majority, the "**Required Backstop Parties**") and the Company (in such capacity, the "**Exchange Notes Trustee**") and as note collateral agent (in such capacity, the "**Exchange Notes Collateral Agent**"). The Exchange Notes Indenture shall be in a form to be mutually agreed between the Company and the Required Backstop Parties and the terms of the Exchange Notes Indenture shall be substantially similar in all material respects to the terms of the Old Notes Indenture, as in effect on the date hereof, except that (i) all covenants contained therein (other than covenants which are customarily different for an indenture governing high yield securities like the Exchange Notes) shall be amended to be substantially consistent with the terms of the Credit Agreement, subject to certain cushions to be

agreed, with the obligations thereunder being guaranteed by the same entities that guarantee the obligations under the Credit Agreement and the obligations under such Exchange Notes Indenture being secured by the same collateral securing the Credit Agreement, (ii) the debt covenant contained therein shall permit the Company to issue up to $50.165 million in aggregate principal amount of Exchange Notes in the form of additional notes, and (iii) interest shall be, at the option of the Company, 5.000% if paid in cash and 10.000% if paid-in-kind (provided, that if the Company and its subsidiaries have liquidity of more than an amount to be agreed between the Company and the Required Backstop Parties and set forth in the Exchange Notes Indenture, interest shall be required to be paid in cash). Pursuant to the Exchange Notes Indenture, the Exchange Notes will be unconditionally guaranteed on a senior secured second lien priority basis by the guarantors party to the Exchange Notes Indenture and will be secured on a second lien priority basis by the collateral that secures the Company's obligations under that certain Credit Agreement, dated as of February 3, 2022 (as amended, amended and restated, supplemented or otherwise modified from time to time, including by that certain Amendment No. 5, dated as of the date hereof ("**Amendment No. 5**"), the "**Credit Agreement**"), by and among the Company, the guarantors named therein, JPMorgan Chase Bank, N.A., as administrative agent, and the lenders party thereto (such collateral, the "**Collateral**"), subject to certain permitted liens.

On and subject to the terms and conditions set forth in this Agreement, the parties hereto agree as follows:

Article I: Exchange of Old Notes

Section 1.1 **Total Consideration.** Each Holder, severally and not jointly, hereby agrees to exchange and deliver to the Company the aggregate principal amount of Old Notes set forth in Exhibit A hereto, and in exchange therefor the Company hereby agrees to issue to each Holder the Exchange Consideration, set forth in Exhibit A hereto, in each case at the Closing (as defined herein). For the avoidance of doubt, Exhibit A shall be updated from time to time after the date hereof prior to the Exchange concurrently with the execution of a joinder agreement pursuant to Sections 1.4(iv), 2.11 or 6.3 hereof to give effect to any assignment of the rights and obligations hereunder in connection with any succession, assignment or transfer of Old Notes permitted hereunder.

Section 1.2 **Closing Dates.**

(i) Subject to the satisfaction or waiver of the closing conditions set forth in Article IV hereto, the closing of the Exchange (the "**Exchange Closing**") shall occur on such date as shall be mutually agreed, in writing (e-mail between legal counsel to the Company and legal counsel to the Backstop Parties being sufficient), between the Company and the Backstop Parties (the date the Exchange Closing occurs, the "**Exchange Closing Date**").

(ii) In the event that the Requisite Consents have not been obtained prior to January 31, 2025, in lieu of one closing, the Exchange shall close in two parts, in each case subject to the satisfaction or waiver of the closing conditions set forth in Article IV hereto: (1) the closing of the Backstop Party Exchange (the "**Backstop Party Exchange Closing**") shall occur on January 31, 2025 (the "**Backstop Party Exchange Closing Date**") and (2) the closing of the Subsequent Exchange (the "**Subsequent Exchange Closing**") shall occur on the fifth Business Day after the Holders have delivered the Requisite Consents to the Company (the "**Subsequent Exchange Closing Date**").

As used in this Agreement, each of the Exchange Closing, the Backstop Party Exchange Closing and the Subsequent Exchange Closing shall be a "**Closing**" and each of the Exchange Closing Date, the Backstop Party Exchange Closing Date and the Subsequent Exchange Closing Date shall be a "**Closing Date**".

As used in this Agreement, "**Business Day**" means any day that is not a Saturday, a Sunday or a day on which commercial banking institutions are not required to be open in the State of New York.

(iii) All acts, deliveries and confirmations comprising a Closing, regardless of chronological sequence, will be deemed to occur contemporaneously and simultaneously on the respective Closing Date.

Section 1.3 Exchange of Old Notes for Exchange Notes.

(i) At each Closing, (A) each Holder shall deliver, or cause to be delivered, to the Old Notes Trustee for the benefit of the Company all right, title and interest in and to the aggregate principal amount of its Old Notes to be exchanged at such Closing, free and clear of any mortgage, lien, pledge, charge, security interest, encumbrance, title retention agreement, option, equity or other adverse claim thereto (collectively, "**Liens**"), together with any documents of conveyance or transfer that the Company or the Old Notes Trustee may deem necessary or desirable to transfer to the Company all right, title and interest in and to the Old Notes, free and clear of any Liens, (B) the Company, the guarantors party thereto, the Exchange Notes Trustee and the Exchange Notes Collateral Agent shall enter into (x) in the case of the Exchange Closing or the Backstop Party Exchange Closing, the Exchange Notes Indenture, or (y) in the case of the Subsequent Exchange Closing, a supplemental indenture to the Exchange Notes Indenture in a form to be mutually agreed between the Company and the Required Backstop Parties (the "**Exchange Notes Supplemental Indenture**") permitting the issuance of the Exchange Notes to be issued as part of the Subsequent Exchange as additional notes under the Exchange Notes Indenture, (C) the Company shall deliver to the Exchange Notes Trustee one or more global notes representing the applicable aggregate principal amount of Exchange Notes to be issued to the applicable Holders at such Closing, and (D) upon the Company's receipt of the aggregate principal amount of Old Notes of a Holder specified on Exhibit A hereto in accordance with sub-clause (A) of this Section 1.3(i), the Company shall cause the Exchange Notes Trustee to deliver to such Holder the aggregate principal amount of Exchange Notes specified on Exhibit A hereto (which principal amount, for the avoidance of doubt, shall not include, in the case of the Subsequent Exchange Closing, the Exchange Notes delivered to the Backstop Parties in the Backstop Party Exchange); *provided*, *however*, that the parties acknowledge that the delivery of the Exchange Notes to the Holders may be delayed due to procedures and mechanics of the Depository or other events beyond the Company's control and that such delay will not be a default under this Agreement so long as the Company is using commercially reasonable efforts to effect the delivery of Exchange Notes of the Holders.

(ii) The delivery (A) by Holders of Old Notes to the Old Notes Trustee and (B) by the Exchange Notes Trustee of Exchange Notes to Holders shall be effected via one-sided Deposit/Withdrawal at Custodian ("**DWAC**"). Each Holder shall ensure that its DTC participant initiates a one-sided DWAC withdrawal for the principal amount of the Old Notes to be exchanged and a one-sided DWAC deposit for the principal amount of Exchange Notes that are to be received no later than 10:00 a.m. New York City Time on the applicable Closing Date. For the avoidance of doubt, the Company shall be obligated to cause the Exchange Notes Trustee to deliver Exchange Notes to a Holder only after both (1) the Old Notes are delivered by the Holder to the Old Notes Trustee via DWAC withdrawal and (2) the Exchange Notes Trustee has received a DWAC deposit for the Exchange Notes that are to be received by the Holder.

(iii) The Old Notes delivered to the Old Notes Trustee by each Holder at any Closing shall be cancelled pursuant to the procedures set forth in the Old Notes Indenture.

(v) Interest will accrue on the Exchange Notes from October 1, 2024 (the preceding "interest payment date" under the Old Notes Indenture) and no interest will be due in connection with the Exchange, the Backstop Party Exchange or the Subsequent Exchange, as applicable.

Section 1.4 Consent to Proposed Amendments.

(i) Each Holder shall (A) deliver to the Depository or its nominee, or cause its DTC participant to deliver to the Depository or its nominee, through the Depository's "Demand and Dissent" procedures, a consent to the Proposed Amendments with respect to all Old Notes beneficially owned by such Holder (or certain funds and/or accounts for which such Holder acts as investment advisor), *provided*, that, if the Old Notes Trustee or the Depository instructs that such consent to the Proposed Amendments be delivered or made through another reasonable procedure, such Holder shall deliver or cause to be delivered such consent through any such other procedure in accordance with the instructions provided by the Old Notes Trustee or the Depository, as applicable; and (B) deliver or cause to be delivered to the Company executed copies of such consents.

(ii) Promptly following receipt of the Requisite Consents, the Company, the guarantors party to the Old Notes Indenture and the Old Notes Trustee shall enter into the Old Notes Subordination Agreement and a supplemental indenture to the Old Notes Indenture to effectuate the Proposed Amendments, in a form to be mutually agreed between the Company and the Required Backstop Parties (the "**Supplemental Indenture**"), which Supplemental Indenture shall become effective and binding on the Company, the guarantors party to the Old Notes Indenture, the Old Notes Trustee and the Holders (as defined in the Old Notes Indenture) upon the execution and delivery thereof; *provided*, *however*, that the Old Notes Subordination Agreement and the Proposed Amendments shall become operative only upon, or immediately prior to, the consummation of the Exchange or the Subsequent Exchange, as applicable, upon the terms and subject to the conditions stated in this Agreement.

(iii) The Company shall use its reasonable best efforts to fulfill its obligations hereunder as promptly as practicable, including using its reasonable best efforts to (i) work with the Holders and the Old Notes Trustee to obtain the Requisite Consents, effectuate the Proposed Amendments and enter into the Supplemental Indenture and the Old Notes Subordination Agreement, and (ii) work with the Holders, the Old Notes Trustee and the Exchange Notes Trustee to consummate the Exchange,

the Backstop Party Exchange and the Subsequent Exchange, subject to obtaining the Requisite Consents, as applicable.

(iv) In the event that any Holder has not delivered its consent to the Proposed Amendments or its Old Notes in accordance with this Agreement, in each case, on or prior to January 31, 2025 (any such Holder whose consent is not obtained or whose Old Notes have not been timely delivered being referred to herein as a "**Non-Consenting Holder**"), the Required Backstop Parties may, on and after February 4, 2025, elect to replace a Non-Consenting Holder as a Holder party to this Agreement with another holder of the Old Notes satisfactory to the Required Backstop Parties, which such holder shall, concurrently with such replacement, execute and deliver to the Company and the Backstop Parties a joinder agreement to this Agreement in form and substance reasonably satisfactory to the Company, whereupon such replacement holder shall become entitled to the rights (and subject to the obligations) hereunder with the same entitlements hereunder as the Non-Consenting Holder so replaced.

At the Exchange Closing or the Subsequent Exchange Closing, as applicable, the Old Notes Subordination Agreement will have been duly executed and delivered by the Holders and will constitute a valid and legally binding obligation of the Holders, enforceable against the Holders in accordance with its terms, except that such enforcement may be subject to the Enforceability Exceptions. This Agreement, the Old Notes Subordination Agreement and the consummation of the Exchange will not violate, conflict with or result in a breach of or default under (A) any Holder's organizational documents, (B) any agreement or instrument to which any Holder is a party or by which any Holder or any of their respective assets are bound, or (C) any laws, regulations or governmental or judicial decrees, injunctions or orders applicable to any Holder, except in the case of clauses (B) and (C), where such violations, conflicts, breaches or defaults would not affect any Holder's ability to consummate the transactions contemplated hereby in any material respect.

Section 2.3 **Title to the Old Notes.** Each Holder has good, valid and marketable title to its Old Notes, free and clear of any Liens (other than pledges or security interests that such Holder may have created in favor of a prime broker under and in accordance with its prime brokerage agreement with such broker and any restrictions on transfer arising by operation of applicable securities laws), and except as noted in the preceding sentence, no Holder has, in whole or in part, (i) assigned, transferred, hypothecated, pledged, exchanged or otherwise disposed of any of its rights, title or interest in or to its Old Notes or (ii) given any person or entity any transfer order, power of attorney or other authority of any nature whatsoever with respect to its Old Notes. Section 2.8 **Privately Negotiated Exchange.** Each Holder acknowledges that the terms of this Agreement have been negotiated between such Holder and the Company on an arms' length basis. laws for transactions not involving a public offering, which depends in each case upon, among other things, the accuracy of certain of each Holder's representations as expressed herein. As used in this Section 2.9, "**Person**" means an individual, a limited liability company, a partnership, a joint venture, a corporation, a trust, an unincorporated organization, and a government or any department or agency thereof.

Section 2.12 **Fungibility**. Each Holder acknowledges and agrees that, in the event that the Exchange is not consummated by January 31, 2025 and the Backstop Party Exchange and the Subsequent Exchange are consummated in accordance with this Agreement, the Exchange Notes issued to the Backstop Parties pursuant to the Backstop Party Exchange may not be fungible with the Exchange Notes subsequently issued to the Holders pursuant to the Subsequent Exchange.

Section 3.2 **Valid and Enforceable Agreements; No Violations.** This Agreement has been duly executed and delivered by the Company and constitutes a valid and legally binding obligation of the Company, enforceable against the Company in accordance with its terms, except that such enforcement may be subject to

Section 3.3 **Validity of the Exchange Notes and Related Guarantees.** The Exchange Notes and the guarantees thereof have been duly authorized by the Company and the guarantors contemplated to be party thereto, as applicable, and, when executed and authenticated in accordance with the provisions of the Exchange Notes Indenture, deposited on behalf of the Holders with the Exchange Notes Trustee and registered in the name of the Depository or the nominee of the Depository for the account of each Holder pursuant to the provisions of the Exchange Notes Indenture against delivery of the Old Notes in accordance with the terms of this Agreement, the Exchange Notes and the guarantees thereof will be valid and legally binding obligations of the Company and such guarantors, as applicable, enforceable in accordance with their terms, except that such enforcement may be subject to the Enforceability Exceptions, and the Exchange Notes and the guarantees thereof will not be subject to any preemptive, participation, rights of first refusal or other similar rights. Section 6.5 **Waiver; Amendment; Termination.** This Agreement may not be changed, amended, terminated, augmented, rescinded or discharged (other than in accordance with its terms), in whole or in part, except by a writing executed by the parties hereto. No waiver of any of the provisions or conditions of this Agreement or any of the rights of a party hereto shall be effective or binding unless such waiver shall be in writing and signed by the party claimed to have given or consented thereto. Except to the extent otherwise agreed in writing, no waiver of any term, condition or other provision of this Agreement, or any breach thereof shall be deemed to be a waiver of any other term, condition or provision or any breach thereof, or any subsequent breach of the same term, condition or provision, nor shall any forbearance to seek a remedy for any non-compliance or breach be deemed to be a waiver of a party's rights and remedies with respect to such non-compliance or breach. Notwithstanding the foregoing, any Holder which transfers all Old Notes beneficially owned by such Holder in compliance with this Agreement shall no longer have any rights and obligations under this Agreement from the time that such Holder no longer beneficially owns any Old Notes.

Section 6.7 **Jurisdiction; Governing Law; Waiver of Jury Trial.** This Agreement shall in all respects be construed in accordance with and governed by the substantive laws of the State of New York, without reference to its choice of law provision or rule (whether of the state of New York or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the state of New York. Each of the Company and the Holders hereby irrevocably submit to the exclusive jurisdiction of the state and federal courts sitting in the city of New York, borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waive, and agree not to assert in any suit, action, or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action, or proceeding is brought in an inconvenient forum or that the venue of such suit, action, or proceeding is improper. Each of the Company and the Holders hereby irrevocably waive personal service of process and consent to process being served in any such suit, action, or proceeding by mailing a copy thereof to such party at the address for such notices to it under this Agreement and agree that such service

shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. **EACH OF THE COMPANY AND THE HOLDERS HEREBY IRREVOCABLY WAIVE ANY RIGHT THEY MAY HAVE, AND AGREE NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY).**

Section 6.8 **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument. Any counterpart or other signature hereon delivered by facsimile or any standard form of telecommunication or e-mail shall be deemed for all purposes as constituting good and valid execution and delivery of this Agreement by such party.

Section 6.9 **Mutual Release.** To induce the other parties hereto to enter into this Agreement and for other good and valuable consideration, the adequacy of which is hereby confirmed, effective as of the date hereof, each party hereto acknowledges and agrees as follows, which agreement shall bind all parties hereto:

(i) (x) Each Holder, on behalf of itself and its respective Related Persons (the "Holder Releasors"), hereby releases and forever discharges the Company and its Related Persons (hereinafter, all of the above released parties in this clause (x) collectively referred to as the "Company Releasees"), (y) the Company, on its behalf and on behalf of its Related Persons (the "Company Releasors," and together with the Holder Releasors, the "Releasors"), hereby releases and forever discharges each Holder and their respective Related Persons (hereinafter, all of the above released parties in this clause (y) collectively referred to as the "Holder Releasees," and together with the Company Releasees, the "Releasees") and (z) each Holder, on its behalf and on behalf of its respective Related Persons, hereby releases and forever discharges each other Holder Releasee, in the case of each of clauses (x), (y) and (z), to the fullest extent provided by applicable international, foreign, federal, state, provincial and local statutes, treaties, rules, guidelines, regulations, ordinances, codes and administrative or judicial precedents or authorities, including the interpretation or administration thereof by any Governmental Authority (as defined herein) charged with the enforcement, interpretation or administration thereof, and all applicable administrative orders, directed duties, requests, licenses, authorizations and permits of, and agreements with, any Governmental Authority (collectively, "Laws") from any and all claims, counterclaims, demands, damages, losses, costs, expenses (including attorneys' fees), debts, suits, obligations, liabilities, cross-claims, interests, suits, controversies, actions and causes of action (collectively, the "Losses") of any kind or nature whatsoever, whether individually or collectively, arising on or prior to the applicable Closing Date, whether arising at law or in equity, known or unknown, direct or indirect, actual or potential, liquidated or unliquidated, absolute or contingent, foreseen or unforeseen, asserted or unasserted and including any rights to indemnity or contribution and any derivative claims (collectively, "Claims"), that such Holder Releasor or Company Releasor, as applicable, could have asserted, did assert or may be able to assert against any of the Company Releasees or Holder Releasees, as applicable, that are based, in whole or in part, on any act, omission, error, negligence, breach of contract, tort, violation of law, transaction, event, occurrence or facts or circumstances occurring, taking place, being omitted, existing or otherwise arising on or prior to the applicable Closing Date in any way relating to the common stock of the Company beneficially owned by the Holders, the Old Notes, the Old Notes Indenture, the Proposed Amendments, the Exchange, the Exchange Notes, the Exchange Notes Indenture, the Backstop Party Exchange, the Subsequent Exchange, or any contract, instrument, release or other agreement or document created or entered into in connection therewith, including any breach, default or failure to comply with any such agreement or document or any allegation of the same (collectively, the "Released Claims"); provided, that nothing in this Section 6.9 shall

release or relieve any person from, and the term "Released Claim" shall not be construed to include, (a) any liability for fraud, bad faith, gross negligence or willful misconduct of such person or (b) any other Claims arising after the applicable Closing Date. To the extent any Holder exchanges any Old Notes or Exchange Notes in a subsequent exchange or otherwise is issued securities or indebtedness in exchange for any Old Notes or Exchange Notes, the applicable documentation for such exchange shall include a release by each exchanging Holder on substantially the same terms as those contained in this Section 6.9 granting each of the Releasees the releases provided in this Section 6.9. As used in this Section 6.9, "Related Persons" means, with respect to any Person (as defined in the Old Notes Indenture), each Affiliate (as defined in the Old Notes Indenture) of such Person, all funds managed or advised by it or by its Affiliates, and each of the successors, assigns, partners, managers, directors, officers, members, shareholders, unitholders, equityholders (regardless of whether such interests are held directly or indirectly), limited partners, general partners, investment committee members, managing members, principals, employees, agents, trustees, representatives, attorneys, accountants and each insurance, environmental, legal, investment, financial and other advisors and other consultants, agents and sub-advisors of or to such Person and of or to such Person's Affiliates.

(ii) The Company, on its behalf and on behalf of the other Company Releasors, on the one hand, and each Holder, on its behalf and on behalf of its respective Holder Releasors, on the other hand, hereby expressly agrees that the release contemplated by this Section 6.9 extends to any and all rights granted under Section 1542 of the California Civil Code ("Section 1542") or any analogous state law or federal law or regulation are hereby expressly waived. Section 1542 reads as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY."

(iii) Each Releasor understands that Section 1542, or a comparable statute, rule, regulation or order of another jurisdiction, gives such party the right not to release existing claims of which such party is not aware, unless such party voluntarily chooses to waive this right. Having been so apprised, the Company, on its behalf and on behalf of the other Company Releasors, and each Holder, on its behalf and on behalf of its respective Holder Releasors, nevertheless hereby voluntarily elects to and does waive the rights described in Section 1542, or such other comparable statute, rule, regulation or order, and elects to assume all risks for claims that exist, existed or may hereafter exist in its favor, known or unknown, suspected or unsuspected, foreseen or unforeseen, arising out of or related to the Released Claims. The Company, on its behalf and on behalf of the other Company Releasors, and each Holder, on its behalf and on behalf of its respective Holder Releasors, acknowledge and agree that the foregoing waiver is an essential and material term of this Agreement and that, without such waiver, the other parties would not have agreed to the terms of this Agreement. The Company, on its behalf and on behalf of other Company Releasors, and each Holder, on its behalf and on behalf of its respective Holder Releasors, hereby acknowledges that it may hereafter discover facts and legal theories concerning such other parties or the subject matter hereof in addition to or different from those which it now believes to be true. Each such Releasor understands and hereby agrees that the release set forth in this Section 6.9 shall remain effective in all respects with respect to the Released Claims notwithstanding those additional or different facts and legal theories or the discovery of those additional or different facts or legal theories. Such Releasor, on its behalf and on behalf of its Related Persons, assumes the risk of any mistake or ignorance of fact or applicable Law with regard to any Released Claim.

(iv) The Company, on its behalf and on behalf of the other Company Releasors, and each Holder, on its behalf and on behalf of its respective Holder Releasors, covenants and agrees that, after the date hereof, such Releasor will not, and will cause each of it respective Affiliates not to, individually or with any other person or entity, directly or indirectly, file or commence any charge, lawsuit, complaint or proceeding (a "Proceeding") with any nation or government, any state, province, territory or other political subdivision thereof, any agency, authority, instrumentality, regulatory body, court, administrative tribunal, central bank or other entity exercising executive, legislative, judicial, taxing, regulatory or administrative powers or functions of or pertaining to government, including any applicable supranational bodies (such as the European Union or the European Central Bank) (each, a "Governmental Authority") with respect to any Released Claim, and notwithstanding the foregoing, if any such Proceeding is so commenced, then the Releasor commencing such Proceeding (or whose Affiliate commences such Proceeding) shall immediately cause it to be dismissed, and the Releasee or other released person or entity subject thereto shall have the right to be reimbursed by the party that commenced such Proceeding (or whose affiliate commenced such Proceeding) for all reasonable fees, costs and expenses incurred in connection therewith, without limitation of any other rights and remedies.

(v) In the event that any Releasor, third party, estate, trustee, debtor-in-possession, creditor, estate, creditors' committee, or any other Person obtains any recovery (including, without limitation, any liens) in respect of any Released Claim (or any other Claim that would have been a Released Claim under this Agreement if the party bringing such Claim were a Releasor under this Agreement against a Releasee, including any avoidance, preference, strong arm, or claw back action subsequently arising by operation of an insolvency or creditor rights law, that would have been a Released Claim if the Person bringing such claim or cause of action were party to the Old Notes Indenture or Exchange Notes Indenture), each Releasor, on its behalf and on behalf of its Related Persons, agrees that it shall not recover any funds, property, or other value received, awarded, or arising from settlement, judgment, or other resolution of such actual or threatened claim or cause of action, and shall assign any such recoveries exclusively to, and hold them in trust exclusively for, such applicable Releasee. For purposes of this Section 6.9, any reference to any Releasor shall mean and include, as applicable, such Releasor's successors and assigns, including, without limitation, any estate, receiver, trustee, debtor-in-possession, or other Person.

(vi) Each Releasor understands, acknowledges and agrees that, after the date hereof, the releases set forth above may be pleaded as a full and complete defense to any Released Claim and may be used as a basis for an injunction against any action, suit or other proceeding without any need to post a bond or other indemnity which may be instituted, prosecuted or attempted in breach of the provisions of such release. Each Releasor further agrees that no fact, event, circumstance, evidence or transaction which could not be asserted or which may hereafter be discovered shall affect in any manner the final, absolute and unconditional nature of the releases set forth in this Section 6.9, and agrees that it shall turn over and return or cause to be turned over and returned any recovery it receives in respect of a Released Claim (without creating any recourse, contribution, subrogation or similar claim, each of which is hereby waived). The releases of the Releasors set forth in this Section 6.9 are final releases, effective as of the date hereof, even if there may exist a mistake on the part of any Releasor as to the extent and nature of the Released Claims of any such Releasor against any other party. Each of the Releasors acknowledges that it has access to adequate information regarding the terms hereof, and the scope and effect of the releases contained in this Section 6.9, to make an informed and knowledgeable decision with regard to entering into this Agreement. Each Releasor agrees and acknowledges that, except as expressly set forth in this Agreement, no other party (or any Related Person of any other party), in any capacity, has warranted or otherwise made any representations concerning any Released Claim (including any representation or warranty concerning the existence, non-existence, validity or invalidity of any Released Claim). Notwithstanding the foregoing, nothing contained in this

Agreement is intended to impair or otherwise derogate from any of the other representations or warranties expressly set forth in this Agreement or any other document related to the Old Notes Indenture or the Exchange Notes Indenture or limit or otherwise excuse any obligation of any Person under the Old Notes Indenture or the Exchange Notes Indenture or any of the other documents executed in connection therewith or any of the rights of the agents, trustees, lenders or noteholders, as applicable, under such documents. Subject to the terms and conditions set forth in this Agreement, each Releasor hereby warrants, covenants and agrees (on behalf of itself and its Related Persons) that, from and after the date hereof, it will not sue or otherwise commence, maintain, prosecute, encourage or otherwise support any Proceeding against any of the other parties' respective Releasees with respect to any Released Claim in any administrative or judicial forum of any jurisdiction. Each Releasor also agrees not to give notice of or file any complaint against any of the other parties' Releasees with any Governmental Authority or non-Governmental Authority, based on, or which involves, any Released Claim.

Section 1.04 Trust Indenture Act.

This Indenture is not qualified under, and, does not incorporate or include any of the provisions of, the Trust Indenture Act of 1939, as amended.

Section 1.05 Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing. Except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments or record or both are delivered to the Trustee or the Notes Collateral Agent, as applicable, and, where it is hereby expressly required, to the Issuer and the Guarantors. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 7.01 and Section 12.07 of this Indenture) conclusive in favor of the Trustee, the Notes Collateral Agent, the Issuer and the Guarantors, if made in the manner provided in this Section 1.05.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved (1) by the affidavit of a witness of such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof or (2) in any other manner deemed reasonably sufficient by the Trustee. Where such execution is by a signer in a capacity other than an individual capacity, such certificate or affidavit shall also constitute proof of the authority of the Person executing the same. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that the Trustee and the Issuer deem sufficient.

(c) The ownership of Notes shall be proved by the Note Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Note shall bind every future Holder of the same Note and the Holder of every Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, in respect of any action taken, suffered or omitted by the Trustee, the Notes Collateral Agent, the Issuer or the Guarantors in reliance thereon, whether or not notation of such action is made upon such Note.

(e) The Issuer may set a record date for purposes of determining the identity of Holders entitled to make, give or take any request, demand, authorization, direction, notice,

consent, waiver or other action provided in this Indenture to be made, or to vote on or consent to any action authorized or permitted to be taken by Holders; *provided* that the Issuer may not set a record date for, and the provisions of this paragraph shall not apply with respect to, the giving or making of any notice, declaration, request or direction referred to in clause (f) below. Unless otherwise specified, if not set by the Issuer prior to the first solicitation of a Holder made by any Person in respect of any such action, or in the case of any such vote, prior to such vote, any such record date shall be the later of 30 days prior to the first solicitation of such consent or vote or the date of the most recent list of Holders furnished to the Trustee prior to such solicitation or vote. If any record date is set pursuant to this clause (e), the Holders on such record date, and only such Holders, shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action (including revocation of any action), whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Notes, or each affected Holder, as applicable, on such record date. Promptly after any record date is set pursuant to this paragraph, the Issuer, at its own expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder in the manner set forth in Section 13.02 of this Indenture.

(f) The Trustee may set any day as a record date for the purpose of determining the Holders entitled to join in the giving or making of (1) any notice of default under Section 6.01 of this Indenture, (2) any declaration of acceleration referred to in Section 6.02 of this Indenture, (3) any direction referred to in Section 6.05 of this Indenture or (4) any request to pursue a remedy as permitted in Section 6.06 of this Indenture. If any record date is set pursuant to this paragraph, the Holders on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Notes or each affected Holder, as applicable, on such record date. Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Issuer's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Issuer and to each Holder in the manner set forth in Section 13.02 of this Indenture.

(g) Without limiting the foregoing, a Holder entitled to take any action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents, each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or action taken by a Holder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Holders of each such different part.

(h) Without limiting the generality of the foregoing, a Holder, including a Depositary that is the Holder of a Global Note, may make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders, and a Depositary that is the Holder of a Global Note may provide its proxy or proxies to the beneficial

owners of interests in any such Global Note through such Depositary's standing instructions and customary practices.

(i) The Issuer may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in any Global Note held by a Depositary entitled under the procedures of such Depositary, if any, to make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders; *provided* that if such a record date is fixed, only the beneficial owners of interests in such Global Note on such record date or their duly appointed proxy or proxies shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action, whether or not such beneficial owners remain beneficial owners of interests in such Global Note after such record date. No such request, demand, authorization, direction, notice, consent, waiver or other action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date.

(j) With respect to any record date set pursuant to this Section 1.05, the party hereto that sets such record date may designate any day as the "*Expiration Date*" and from time to time may change the Expiration Date to any earlier or later day; *provided* that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder in the manner set forth in Section 13.02 of this Indenture, on or prior to both the existing and the new Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section 1.05, the party hereto which set such record date shall be deemed to have initially designated the 90th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this clause (j).

Section 1.06 Limited Condition Transactions.

This Indenture provides that, as it relates to any action being taken solely in connection with a Limited Condition Transaction, for purposes of (i) determining compliance with any provision of this Indenture which requires the calculation of any financial ratio or test, including the Secured Net Leverage Ratio and Total Net Leverage Ratio, or (ii) testing availability under baskets set forth in this Indenture, in each case, at the option of the Issuer (the Issuer's election to exercise such option in connection with any Limited Condition Transaction, an "*LCT Election*"), the date of determination of whether any such action is permitted under this Indenture shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into (the "*LCT Test Date*"), and if, after giving pro forma effect to the Limited Condition Transaction (and the other transactions to be entered into in connection therewith, including any incurrence of Indebtedness and the use of proceeds thereof, as if they had occurred on the first day of the most recent period of four consecutive fiscal quarters of the Issuer ended prior to such date for which internal financial statements are available (except with respect to any incurrence or repayment of Indebtedness for purposes of the calculation of any leverage-based test or ratio, which shall in each case be treated as if they had occurred on the last day of such period)), the Issuer would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with; *provided* that, if financial statements for one or more subsequent fiscal periods

shall have become available, the Issuer may elect, in its sole discretion, to redetermine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be deemed to be the applicable LCT Test Date. For the avoidance of doubt, if the Issuer has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA of the Issuer and its Subsidiaries or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been complied with as a result of such fluctuations. If the Issuer has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Restricted Payments, the making of any Investment, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Issuer, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, (each, a "*Subsequent Transaction*") following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or irrevocable notice for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Indenture, any such ratio, test or basket shall be required to be satisfied on a pro forma basis (i) assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated and (ii) assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have not been consummated.

ARTICLE 2
THE NOTES

Section 2.01 Form and Dating; Terms.

(a) Provisions relating to the Initial Notes, any PIK Notes, Additional Notes and any other Notes issued under this Indenture are set forth in *Appendix A*, which is hereby incorporated in and expressly made a part of this Indenture. The Notes and the Trustee's certificate of authentication shall each be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Notes may have notations, legends or endorsements required by law, rules or agreements with national securities exchanges to which the Issuer or any Guarantor is subject, if any, or usage (*provided* that any such notation, legend or endorsement is in a form acceptable to the Issuer). Each Note shall be dated the date of its authentication. The Notes shall be in minimum denominations of $1.00 and integral multiples of $1.00 in excess thereof.

(b) The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture, and the Issuer and the Trustee, by their execution and

delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be subject to repurchase by the Issuer pursuant to a Disposition Offer as provided in Section 4.10 of this Indenture or a Change of Control Offer as provided in Section 4.15 of this Indenture, and otherwise as not prohibited by this Indenture. The Notes shall not be redeemable, other than as provided in Article 3.

Additional Notes ranking *pari passu* with the Initial Notes and any PIK Notes issued pursuant to this Indenture may be created and issued from time to time by the Issuer without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes and any PIK Notes issued pursuant to this Indenture and shall have the same terms as to status, redemption or otherwise (other than issue date, issue price and, if applicable, the first Interest Payment Date and the first date from which interest will accrue) as the Initial Notes; *provided* that if any Additional Notes are not fungible with the Initial Notes and any PIK Notes for U.S. federal income tax purposes, such Additional Notes will be issued as a separate series under this Indenture and will have a separate CUSIP number and ISIN from the Initial Notes; *provided*, *further*, that the Issuer's ability to issue Additional Notes shall be subject to the Issuer's compliance with Section 4.09 of this Indenture. Any Additional Notes shall be issued with the benefit of an indenture supplemental to this Indenture.

For the avoidance of doubt, unless represented by PIK Notes, the aggregate principal amount outstanding under any Note (as reflected in the books and records of the Trustee) shall include any increase in the aggregate principal amount of the applicable Global Notes as a result of any PIK Payments.

Section 2.02 Execution and Authentication.

(a) At least one Officer shall execute the Notes on behalf of the Issuer by manual or electronic (in ".pdf" format) signature. If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note shall nevertheless be valid.

(b) A Note shall not be entitled to any benefit under this Indenture or be valid or obligatory for any purpose until authenticated substantially in the form of Exhibit A attached hereto by the manual or electronic (in ".pdf" format) signature of an authorized signatory of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

(c) The Trustee may appoint an authenticating agent acceptable to the Issuer to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders, the Issuer or an Affiliate of the Issuer. As of the Issue Date, the Trustee has appointed The Huntington National Bank to act as Authenticating Agent.

(d) The Trustee shall authenticate upon a written order of the Issuer signed by one Officer of the Issuer (an "*Authentication Order*"), an Opinion of Counsel and an Officers' Certificate (i) Initial Notes for original issue on the Issue Date in an aggregate principal amount of $251.0 million, (ii) subject to the terms of this Indenture, Additional Notes and (iii) any Unrestricted Global Notes issued in exchange for any of the foregoing in accordance with this Indenture. Such Authentication Order shall specify (A) the number, principal amount of the Notes and the registered Holder of each Note to be authenticated, (B) the date on which the original issue of Notes is to be authenticated, (C) whether the Notes are to be Initial Notes, Additional Notes or Unrestricted Global Notes, (D) whether the Notes are to be issued as Definitive Notes or Global Notes, and (E) delivery instructions and such other information as the Trustee shall reasonably request.

(e) At any time and from time to time after the execution and delivery of this Indenture, the Trustee shall, upon receipt of an Authentication Order in connection with a PIK Payment, either, at the Issuer's option, (1) authenticate and deliver PIK Notes in an aggregate principal amount specified in such Authentication Order, or (2) increase the aggregate principal amount of an outstanding Global Note in the amount set forth in such Authentication Order. Notwithstanding anything to the contrary contained in this Indenture, in connection with any PIK Payment (whether by an issuance of PIK Notes or by an increase in the aggregate principal amount of an outstanding Global Note as a result of a PIK Payment), only an Authentication Order shall be required to be delivered to the Trustee and no Officers' Certificate or Opinion of Counsel shall be required to be delivered.

Section 2.03 Registrar and Paying Agent.

(a) The Issuer shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange ("*Registrar*") and at least one office or agency where Notes may be presented for payment ("*Paying Agent*"). The Registrar shall keep a register of the Notes ("*Note Register*") and of their transfer and exchange. The Issuer may appoint one or more co-registrars and one or more additional paying agents. The term "*Registrar*" includes any co-registrar, and the term "*Paying Agent*" includes any additional paying agent. The Issuer may change any Paying Agent or Registrar without prior notice to any Holder. The Issuer shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuer fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Issuer or any of its Subsidiaries may act as Paying Agent or Registrar.

(b) The Issuer initially appoints DTC to act as Depositary with respect to the Global Notes. The Issuer initially appoints the Trustee to act as Paying Agent and Registrar for the Notes. The Trustee shall act as custodian with respect to the Global Notes.

Section 2.04 Paying Agent to Hold Money in Trust.

The Issuer shall, no later than 11:00 a.m. (New York City time) on each due date for the payment of principal, premium, if any, and Cash Interest on any of the Notes, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held in trust for the Holders entitled to the same, and (unless such Paying Agent is the Trustee) the Issuer shall promptly

notify the Trustee of its action or failure so to act. The Issuer shall require each Paying Agent other than the Trustee to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal, premium, if any, and interest on the Notes, and shall notify the Trustee of any default by the Issuer in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, a Paying Agent shall have no further liability for the money. If the Issuer or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Issuer, the Trustee shall serve as Paying Agent for the Notes.

Notwithstanding anything to the contrary contained in this Indenture, any PIK Payment due shall be made in accordance with Section 2.14 hereof and, if made in accordance therewith, shall be deemed to comply with this Section 2.04.

Section 2.05 Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least two Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

Section 2.06 Transfer and Exchange.

(a) The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer and in compliance with *Appendix A*.

(b) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order and any other documents required by and in accordance with Section 2.02 of this Indenture or at the Registrar's request.

(c) No service charge shall be imposed in connection with any registration of transfer or exchange (other than pursuant to Section 2.07 of this Indenture), but the Holders shall be required to pay any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Section 2.10, Section 3.06, Section 4.10, Section 4.15 and Section 9.05 of this Indenture).

(d) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(e) Neither the Issuer nor the Registrar shall be required (1) to issue, to register the transfer of or to exchange any Note during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 of this Indenture and ending at the close of business on the day of selection, (2) to register the transfer of or to exchange any Note so selected for redemption, or tendered for repurchase (and not withdrawn) in connection with a Change of Control Offer or a Disposition Offer, in whole or in part, except the unredeemed or unpurchased portion of any Note being redeemed or repurchased in part or (3) to register the transfer of or to exchange any Note between a Record Date and the next succeeding Interest Payment Date.

(f) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal, premium, if any, and (subject to the Record Date provisions of the Notes) interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(g) Upon surrender for registration of transfer of any Note at the office or agency of the Issuer designated pursuant to Section 2.03(a) and in compliance with *Appendix A*, the Issuer shall execute, and the Trustee shall, upon receipt of an Authentication Order in accordance with Section 2.02, authenticate and mail, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(h) At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at the office or agency of the Issuer designated pursuant to Section 2.03(a) and in compliance with *Appendix A*. Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Issuer shall execute, and the Trustee shall, upon receipt of an Authentication Order and in accordance with Section 2.02, authenticate and mail, the replacement Global Notes and Definitive Notes which the Holder making the exchange is entitled to in accordance with the provisions of *Appendix A*.

(i) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by mail or by electronic transmission.

(j) Neither the Trustee nor the Registrar shall have any duty to monitor the Issuer's compliance with or have any responsibility with respect to the Issuer's compliance with any U.S. federal or state securities laws in connection with registrations of transfers and exchanges of the Notes. The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer or exchange imposed under this Indenture or under applicable law with respect to any transfer or exchange of any interest in any Notes (including any transfers between or among the Depositary's participants or Beneficial Owners of interests in any Global Note) other than to require delivery of such certificates and other documentation, or evidence as are expressly required by, and to do so if and when

expressly required by the terms of this Indenture or the Notes and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(k) The Issuer, the Trustee, and the Registrar reserve the right to require the delivery by any Holder or purchaser of a Note of such legal opinions, certifications or other evidence as may reasonably be required in order to determine that the proposed transfer of any Restricted Global Note or Definitive Note is being made in compliance with the Securities Act or the Exchange Act, or rules or regulations adopted by the SEC from time to time thereunder, and applicable state securities laws.

(l) The transferor shall also provide or cause to be provided to the Trustee all information requested in writing by the Trustee that is reasonably necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information. In connection with any proposed transfer outside the Book Entry Only system, there shall be provided to the Trustee all information requested in writing by the Trustee that is reasonably necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

(m) Neither the Trustee nor any Agent shall have any responsibility or liability for any actions taken or not taken by the Depositary.

Section 2.07 Replacement Notes.

If a mutilated Note is surrendered to the Trustee or if a Holder claims that its Note has been lost, destroyed or wrongfully taken and the Trustee receives evidence to its satisfaction of the ownership and loss, destruction or theft of such Note, the Issuer shall issue and the Trustee, upon receipt of an Authentication Order in accordance with Section 2.02, shall authenticate a replacement Note if the Trustee's requirements are otherwise met. If required by the Trustee or the Issuer, an indemnity bond must be provided by the Holder that is sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuer may charge the Holder for the expenses of the Issuer and the Trustee in replacing a Note. Every replacement Note is a contractual obligation of the Issuer and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder. Notwithstanding the foregoing provisions of this Section 2.07, in case any mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Note, pay such Note.

Section 2.08 Outstanding Notes.

(a) The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof,

and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 of this Indenture, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note.

(b) If a Note is replaced pursuant to Section 2.07 of this Indenture, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser, as such term is defined in Section 8-303 of the Uniform Commercial Code in effect in the State of New York.

(c) If the principal amount of any Note is considered paid under Section 4.01 of this Indenture, it ceases to be outstanding and interest on it ceases to accrue from and after the date of such payment.

(d) If a Paying Agent (other than the Issuer, a Subsidiary or an Affiliate of any thereof) holds, on the Stated Maturity of the Notes, any redemption date or any repurchase date, money sufficient to pay Notes payable or to be redeemed or purchased on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

(e) For the avoidance of doubt, unless represented by PIK Notes, the aggregate principal amount outstanding under any Note (as reflected in the books and records of the Trustee) shall include any increase in the aggregate principal amount of the applicable Global Notes as a result of a PIK Payment.

Section 2.09 Treasury Notes.

In determining whether the Holders of the requisite principal amount of Notes have concurred in any direction, waiver or consent, Notes beneficially owned by the Issuer, or by any Affiliate of the Issuer, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to the Notes and that the pledgee is not the Issuer or any obligor upon the Notes or any Affiliate of the Issuer or of such other obligor.

Section 2.10 Temporary Notes.

Until Definitive Notes are ready for delivery, the Issuer may prepare and the Trustee, upon receipt of an Authentication Order in accordance with Section 2.02, shall authenticate temporary Notes ("*Temporary Notes*"). Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Issuer considers appropriate for Temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Notes in exchange for Temporary Notes. Holders and beneficial owners, as the case may be, of Temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial owners, respectively, of Notes under this Indenture.

Section 2.11 Cancellation.

The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee for cancellation any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall destroy cancelled Notes in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act). Certification of the destruction of all cancelled Notes shall, upon the written request of the Issuer, be delivered to the Issuer. The Issuer may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 Defaulted Interest.

(a) If the Issuer defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner *plus*, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 of this Indenture. The Issuer shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money (other than with respect to a PIK Payment) equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Trustee shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. The Trustee shall promptly notify the Issuer of such special record date. At least 15 days before the special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) shall mail or deliver by electronic transmission in accordance with the applicable procedures of the Depositary, or cause to be mailed or delivered by electronic transmission in accordance with the applicable procedures of the Depositary to each Holder, with a copy to the Trustee, a notice that states the special record date, the related payment date and the amount of such interest to be paid. Any PIK Payment due as part of defaulted interest shall be paid by the payment date in accordance with Section 2.14.

(b) Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue interest, which were carried by such other Note.

Section 2.13 CUSIP and ISIN Numbers.

The Issuer in issuing the Notes may use CUSIP or ISIN numbers (if then generally in use) and, if so, the Trustee shall use CUSIP or ISIN numbers in notices of redemption, exchange or repurchase as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed

on the Notes or as contained in any notice of redemption, exchange or repurchase and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption, exchange or repurchase shall not be affected by any defect in or omission of such numbers. The Issuer shall as promptly as practicable notify the Trustee in writing of any change in the CUSIP or ISIN numbers.

Section 2.14 Interest Rate, Payment of Interest; PIK Notes.

(a) With respect to each Interest Period, interest on the Notes shall, at the option of the Issuer, (i) accrue at a rate per annum equal to 5.000% (the "*Cash Interest Rate*") and be payable in the form of Cash Interest, or (ii) accrue at a rate per annum equal to 10.000% and be payable in kind. Payment of interest in kind will be paid, (x) if the Notes are represented by one or more Definitive Notes, by issuing additional Notes ("*PIK Notes*") in an aggregate principal amount equal to the relevant amount of interest to be paid in kind (rounded down to the nearest $1.00) and the Trustee will, upon receipt of an Authentication Order, authenticate and deliver such PIK Notes in the form of Definitive Notes for original issuance to the Holders on the relevant Record Date, as shown by the records of the Registrar and (y) if the Notes are represented by one or more Global Notes registered in the name of, or held by, DTC or its nominee on the relevant Record Date, by increasing the aggregate principal amount of the outstanding Global Notes by an amount equal to the amount of interest to be paid in kind (rounded down to the nearest $1.00) and the Trustee, upon receipt of an Authentication Order, will increase the principal amount of the outstanding Global Note by such amount. Interest will be calculated based on the outstanding principal of the Notes as of the beginning of the applicable Interest Period rounded down to the nearest $1.00, *provided* that (A) the Issuer shall be deemed to have elected to pay PIK Interest in accordance with clause (ii) of this Section 2.14(a) unless the Issuer gives notice to the Trustee on or prior to the date that is 5 Business Days prior to an Interest Payment Date that the Issuer has elected to pay interest for the corresponding Interest Period in the form of Cash Interest in accordance with clause (i) of this Section 2.14(a) and (B) the Issuer shall not be permitted to pay PIK Interest on the Notes (and must pay interest solely in the form of Cash Interest on the Notes at the Cash Interest Rate) for any Interest Period if Liquidity (calculated on a pro forma basis assuming that such interest was paid solely in the form of Cash Interest at the Cash Interest Rate) on any applicable Record Date occurring on and after March 15, 2026, for any such Interest Period would exceed $100.0 million.

(b) In connection with a PIK Payment in respect of the Notes, the Issuer shall, without the consent of Holders (and without regard to any restrictions or limitations set forth under Section 4.09), either increase the aggregate principal amount of outstanding Global Notes or issue PIK Notes under this Indenture. Any PIK Notes issued shall be consolidated with and form a single class with the Initial Notes or the Additional Notes, as applicable, and PIK Notes issued pursuant to this Indenture shall have the same terms as to status, redemption or otherwise (other than issue date, issue price and, if applicable, the first Interest Payment Date and the first date from which interest will accrue) as the Initial Notes or the Additional Notes, as applicable.

(c) On any Interest Payment Date on which the Issuer makes a PIK Payment by increasing the aggregate principal amount of an outstanding Global Note, the Trustee, or DTC at the direction of the Trustee, shall increase the outstanding aggregate principal amount of such Global Note pursuant to Section 2.14(a)(ii)(y) by an amount equal to the PIK Interest payable for

the relevant Interest Period on the outstanding aggregate principal amount of such Global Note on such Interest Payment Date, rounded down to the nearest $1.00, to the credit of the Holders on the relevant Record Date and an adjustment will be made on the Notes Register maintained with the Registrar with respect to such Global Note to reflect such increase and such increase shall thereafter be part of the outstanding aggregate principal amount of the Notes for all purposes of this Indenture, the Security Documents and the Intercreditor Agreements. For the avoidance of doubt, following the increase in the aggregate principal amount of any outstanding Global Note as a result of a PIK Payment, such Global Note will bear interest on such increased aggregate principal amount from and after the date of such PIK Payment at the rate applicable to the Notes in the manner set forth in this Section 2.14.

(d) Any PIK Notes issued in certificated form pursuant to Section 2.14(a)(ii)(x) shall be issued in an aggregate principal amount equal to the amount of PIK Interest for the applicable Interest Period (rounded down to the nearest $1.00), shall be dated as of the applicable Interest Payment Date and will bear interest from and after such Interest Payment Date. The Trustee shall authenticate and deliver the PIK Notes in certificated form for original issuance on the Interest Payment Date to the Holders of record on the relevant Record Date as set forth in an Authentication Order. All PIK Notes issued pursuant to a PIK Payment shall mature on the Stated Maturity of the Notes with respect to the Initial Notes or the Additional Notes, as applicable, shall be governed by, and subject to the terms, provisions and conditions of, this Indenture and shall have the same rights and benefits as the Initial Notes or the Additional Notes, as applicable. Any certificated PIK Notes shall be issued with the description "PIK" on the face of such PIK Note but shall be treated for all purposes under this Indenture with the same rights and obligations as the Initial Notes or the Additional Notes, as applicable.

(e) The Issuer shall be responsible for making all calculations required in order to determine the amount of PIK Interest payable on the Notes on any Interest Payment Date. The Issuer shall make the calculations in reasonable detail and in good faith and, absent manifest error, its calculations will be final and binding on the Holders. The Trustee shall have no duty to calculate or verify the Issuer's calculations under the Notes and this Indenture. The Trustee is entitled to rely conclusively upon the accuracy of the Issuer's calculations. Upon written request, the Issuer shall promptly provide a schedule of its calculations to the Trustee and the Paying Agent.

Section 2.15 Rights of the Trustee and Agents

(a) The Trustee and the Notes Collateral Agent (a) will not be charged with knowledge of the existence of any facts that would prohibit the making of any payment or distribution by the Trustee and the Paying Agent, and the Trustee and the Paying Agent may continue to make payments on the Notes, unless the Trustee has received at its corporate trust office (and the Paying Agent, if not the Trustee, has also received), at least three (3) Business Days prior to the date of such payment, written notice of facts from the Issuer that would prohibit the making of any payment or distribution by the Trustee and the Paying Agent.

(b) The Trustee and the Notes Collateral Agent shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in, DTC or other Person with respect to the accuracy of the records of DTC or its nominee or of any

participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than DTC) of any notice (including any notice of redemption or purchase) or the payment of any amount or delivery of any Notes (or other security or property) under or with respect to such Notes.

(c) All notices and communications to be given to the Holders and all payments to be made to Holders in respect of the Notes shall be given or made only to the registered Holders (which shall be DTC or its nominee in the case of a Global Note). The Trustee and the Notes Collateral Agent may conclusively rely and shall be fully protected in relying upon information furnished by DTC with respect to its members, participants and any beneficial owners in any Global Note.

ARTICLE 3
REDEMPTION

Section 3.01 Notices to Trustee.

If the Issuer elects to redeem Notes pursuant to Section 3.07 or Section 4.15(b) of this Indenture, it shall furnish to the Trustee, at least five Business Days before notice of redemption is required to be mailed or transmitted or caused to be mailed or transmitted to Holders pursuant to Section 3.03 of this Indenture (unless a shorter notice shall be agreed to by the Trustee) but not more than 60 days before a redemption date, an Officers' Certificate setting forth (a) the paragraph or subparagraph of such Note or Section of this Indenture pursuant to which the redemption shall occur, (b) the redemption date, (c) the principal amount of the Notes to be redeemed and (d) the redemption price, if then ascertainable.

Section 3.02 Selection.

(a) If less than all of the Notes are to be redeemed at any time, the Global Notes to be redeemed shall be selected for redemption in accordance with DTC's requirements, or, in the case of Definitive Notes, the Definitive Notes to be redeemed shall be selected by the Trustee on a pro rata basis, unless otherwise required by law or applicable stock exchange requirements.

(b) No Notes of $1.00 or less can be redeemed in part.

(c) If any Note is to be redeemed in part only, the notice of redemption that relates to that Note will state the portion of the principal amount of that Note that is to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note will be issued in the name of the Holder upon cancellation of the original Note. Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest will cease to accrue on Notes or portions of Notes called for redemption unless the Issuer defaults in the payment of the redemption price or the applicable notice of redemption is conditional and the conditions are not satisfied or waived.

Section 3.03 Notice of Redemption.

(a) The Issuer shall mail or deliver by electronic transmission in accordance with the applicable procedures of the Depositary, or cause to be mailed or delivered by electronic transmission in accordance with the applicable procedures of the Depositary, notices of redemption at least ten days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at its registered address, except that (i) redemption notices may be transmitted more than 60 days prior to a redemption date if the notice is issued in connection with a Legal Defeasance or Covenant Defeasance of the Notes or a satisfaction and discharge and (ii) notices of redemption pursuant to Section 4.15(c) shall be transmitted at least 30 days but not more than 60 days prior to the applicable redemption date.

(b) The notice shall identify the Notes to be redeemed (including CUSIP and ISIN number, if applicable) and shall state:

(1) the redemption date;

(2) the redemption price, including the portion thereof representing any accrued and unpaid interest;

(3) if any Note is to be redeemed in part only, the portion of the principal amount of that Note that is to be redeemed;

(4) the name and address of the Paying Agent;

(5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) that, unless the Issuer defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(7) the paragraph or subparagraph of the Notes or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;

(8) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes; and

(9) if applicable, any condition to such redemption.

(c) At the Issuer's request, the Trustee shall give the notice of redemption in the Issuer's name and at the Issuer's expense; *provided* that the Issuer shall have delivered to the Trustee, at least five Business Days before notice of redemption is required to be sent or caused to be sent to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in Section 3.03(b) of this Indenture.

Section 3.04 Effect of Notice of Redemption.

Once a notice of redemption is transmitted or mailed in accordance with Section 3.03 of this Indenture, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price, except as otherwise set forth in this Section 3.04. Notice of any redemption of the Notes may, at the Issuer's discretion, be given prior to the completion or the occurrence thereof and any such redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion or occurrence of a related transaction or event. In addition, if such redemption is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Issuer's discretion, the redemption date may be delayed until such time (including more than 60 days after the date the notice of redemption was delivered) as any or all conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed. In addition, the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

Section 3.05 Deposit of Redemption or Purchase Price.

(a) No later than 11:00 a.m. (New York City time) on the redemption or purchase date (or such later time as such date to which the Trustee may reasonably agree), the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued and unpaid interest on all Notes to be redeemed or purchased on that date. If a Note is redeemed or purchased on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest shall be paid to the Holder of record on such Record Date. The Paying Agent shall promptly mail to each Holder whose Notes are to be redeemed or repurchased the applicable redemption or purchase price thereof and accrued and unpaid interest thereon. The Trustee or the Paying Agent shall promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption or purchase price of, and accrued and unpaid interest on, all Notes to be redeemed or purchased.

(b) If the Issuer complies with the provisions of Section 3.05(a) of this Indenture, on and after the redemption or purchase date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the redemption or purchase date in respect of such Note will be paid on such redemption or purchase date to the Person in whose name such Note is registered at the close of business on such Record Date. If any Note called for redemption or purchase shall not be so paid upon surrender for redemption or purchase because of the failure of the Issuer to comply with Section 3.05(a) of this Indenture, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and, to the extent lawful, on any interest accrued to the redemption or purchase date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 of this Indenture.

Section 3.06 Notes Redeemed in Part.

Upon surrender of a Note that is redeemed in part, the Issuer shall issue and, upon receipt of an Authentication Order, the Trustee shall promptly authenticate and mail to the Holder (or cause to be transferred by book entry) at the expense of the Issuer a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered representing the same Indebtedness to the extent not redeemed; *provided* that each new Note shall be in a principal amount of $1.00 or an integral multiple of $1.00 in excess thereof.

Section 3.07 Optional Redemption.

(a) The Issuer may redeem all or a part of the Notes upon not less than ten days' nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount of the Notes (including PIK Interest previously paid in the form of an increase in the aggregate principal amount of the Notes) to be redeemed as set forth below *plus* accrued and unpaid interest (including an amount of cash equal to all accrued and unpaid PIK Interest), if any, on the Notes redeemed, to, but excluding, the applicable redemption date, if redeemed during the 12-month period beginning on October 1 of the years indicated below, subject to the rights of Holders of Notes on the relevant Record Date to receive interest on the relevant Interest Payment Date:

Year	**Percentage**
2024	102.500%
2025	101.250%
2026 and thereafter	100.000%

(b) On and after the redemption date, interest will cease to accrue on Notes or portions of Notes called for redemption unless the Issuer defaults in the payment of the redemption price or the applicable notice of redemption is conditional and the conditions are not satisfied or waived.

(c) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 of this Indenture.

Section 3.08 Mandatory Redemption.

The Issuer is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

ARTICLE 4
COVENANTS

Section 4.01 Payment of Notes.

(a) The Issuer shall pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Issuer or a Subsidiary thereof, holds on the due date money deposited by or on

behalf of the Issuer in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

(b) PIK Interest shall be considered paid on the date due if on such date the Trustee shall have received by electronic delivery or by first class mail postage prepaid, (i) an Authentication Order to increase the aggregate principal amount of an outstanding Global Note in the amount of the PIK Interest due as set forth in such Authentication Order, or (ii) PIK Notes duly executed by the Issuer together with an Authentication Order requesting the authentication of such PIK Notes by the Trustee in the amount of such PIK Interest due as set forth in such Authentication Order.

(c) The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

Section 4.02 Maintenance of Office or Agency.

(a) The Issuer shall maintain in the Borough of Manhattan, the City of New York, an office or agency (which may be an office of the Trustee or an Affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuer and the Guarantors in respect of the Notes and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

(b) The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided*, *however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in the Borough of Manhattan, the City of New York for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuer hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Issuer in accordance with Section 2.03 of this Indenture.

Section 4.03 Taxes.

The Issuer shall pay, and shall cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments and governmental levies except (a) such as are being contested in good faith and by appropriate negotiations or proceedings or (b) where the failure to effect such payment is not adverse in any material respect to the Holders.

Section 4.04 Reports.

(a) So long as any Notes are outstanding, the Issuer will furnish to the Trustee and the Holders:

(1) upon the earlier of the date that is 90 days after the end of each fiscal year of the Issuer and the date such information is required to be filed with the SEC, commencing with the year ended December 31, 2024, all annual financial statements of the Issuer substantially in the form that would have been required to be contained in a filing with the SEC on Form 10-K, in accordance with the requirements of such Form 10-K as of the Issue Date, if the Issuer were required to file such form, together with a report thereon by the Issuer's independent registered public accounting firm, and a "Management's Discussion and Analysis of Financial Condition and Results of Operations";

(2) upon the earlier of the date that is 45 days after the end of each fiscal quarter of the Issuer and the date such information is required to be filed with the SEC, in each case, commencing with the first fiscal quarter ending after the Issue Date (solely with respect to the first three fiscal quarters of each fiscal year), all quarterly financial statements of the Issuer substantially in the form that would have been required to be contained in a filing with the SEC on Form 10-Q, in accordance with the requirements of such Form 10-Q as of the Issue Date, if the Issuer were required to file such form, and a "Management's Discussion and Analysis of Financial Condition and Results of Operations"; and

(3) promptly from time to time after the occurrence of an event required to be therein reported, such other information containing substantially the same information that would be required to be contained in filings with the SEC on Form 8-K, in accordance with the requirements of such Form 8-K as of the Issue Date, under Items:

- 1.01 (Entry into a Material Definitive Agreement);

- 5.01 (Changes in Control of Registrant);

- 5.02(a)(1) (Resignation of Director due to Disagreement with Registrant);

- 5.02(c)(1) (Name and Position of Newly Appointed Officer and Date of Appointment); and

- 5.03(b) (Changes in Fiscal Year),

if the Issuer were required to file such reports; *provided*, *however*, that no such report will be required to be furnished if the Issuer determines in its good faith judgment that such event is not material to Holders or the business, assets, operations, financial position or prospects of the Issuer and its Subsidiaries, taken as a whole, or if the Issuer determines in its good faith judgment that such disclosure would otherwise cause material competitive harm to the business, assets, operations, financial position or prospects of the Issuer and its Subsidiaries, taken as a whole.

(b) With respect to the reports required to be furnished by clause (a) above:

(1) no such reports referenced under Section 4.04(a)(3) above will be required to include as an exhibit or summary of terms of, any employment or compensatory arrangement agreement, plan or understanding between the Issuer (or any of its Subsidiaries) and any director, manager or executive officer, of the Issuer (or any of its Subsidiaries);

(2) in no event will such reports be required to comply with Section 302, Section 404 or Section 906 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K promulgated by the SEC;

(6) trade secrets and other confidential information that is competitively sensitive in the good faith and reasonable determination of the Issuer may be excluded from any disclosures;

(7) to the extent that the Issuer is not a reporting company under the Exchange Act, in no event will such reports be required to be presented in

compliance with the requirements of the Public Company Accounting Oversight Board; and

(8) in no event will such reports contain compensation or beneficial ownership information.

(c) In addition, to the extent not satisfied by the reports required by this Section 4.04 or otherwise made publicly available by the Issuer, the Issuer will furnish to Holders thereof and prospective investors in the Notes, upon their request, the information, if any, required to be delivered pursuant to Rule 144A(d)(4) (or any successor provision) under the Securities Act.

(d) Notwithstanding anything to the contrary contained in this Indenture, the Issuer will be deemed to have furnished the reports referred to in clause (a) above if the Issuer has filed the corresponding reports containing such information with the SEC via the Electronic Data Gathering, Analysis and Retrieval System (or any successor system).

(e) The Issuer shall participate in quarterly conference calls after the delivery of the information referred to in Section 4.04(a)(1) or Section 4.04(a)(2) above (which may be a single conference call together with Issuer's equity investors and analysts) to discuss operating results and related matters. The Issuer shall issue a press release or otherwise provide notice of such conference call in the same manner in which information was delivered pursuant to Section 4.04(a)(1) and Section 4.04(a)(2) above which will provide the date and time of any such call and will direct Holders, prospective investors and securities analysts to contact the investor relations office of the Issuer to obtain access to the conference call. The Trustee shall not at any time be under any duty or responsibility to any Holder to determine whether the additional interest is payable, or with respect to the nature, extent or calculation of the amount of the additional interest owed, or with respect to the method employed in such calculation of the additional interest.

The Issuer will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(c) If Holders of not less than 90.0% in aggregate principal amount of the then outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making an offer to purchase the Notes upon a Change of Control in lieu of the Issuer, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer shall have the right, upon not less than 30 nor more than 60 days' prior written notice, given not more than 30 days following the Change of Control Payment Date, to redeem all Notes that remain outstanding following such purchase at a redemption price in cash equal to 101.0% of the aggregate principal amount of Notes repurchased *plus* accrued and unpaid interest, if any, on the Notes redeemed to, but excluding, the date of redemption, subject to the rights of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date.

(e) Notwithstanding anything to the contrary in this Section 4.15, the Issuer will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer or (2) notice of redemption has been given pursuant to this Indenture in respect of all Notes pursuant to Section 3.07 of this Indenture, unless and until there is a Default in payment of the applicable redemption price.

(f) A Change of Control Offer may be made in advance of and conditioned on the occurrence of a Change of Control if there is a definitive agreement in place to consummate a transaction that would constitute a Change of Control if consummated at the time such Change of Control Offer is made.

(b) Furthermore, the Issuer will not, and will not permit any Subsidiary to, amend the terms of any Restricted Junior Debt if such amendment, modification or change would add, modify or change any terms in a manner materially adverse to the interests of the Holders (*provided*, that if such Restricted Junior Debt, when originally incurred or at the time of such amendment, modification or change, would be permitted to be incurred having terms and conditions that give effect such amendment, modification or change, then such amendment, modification or change shall not be deemed adverse to the interests of the Holders).

(c) The Issuer will not, and will not permit any Subsidiary to, directly or indirectly voluntarily prepay, defease or in substance defease, purchase, redeem, retire or otherwise acquire, in each case prior to the Stated Maturity thereof, the Existing Unsecured Notes (other than in connection with (i) any refinancing of Existing Unsecured Notes with unsecured Indebtedness that has a Stated Maturity that is no sooner than, and a Weighted Average Life to Maturity that is no shorter than, such Existing Unsecured Notes being refinanced or (ii) the consummation of the transactions contemplated by the Exchange Agreements on the terms and subject to the conditions of the Exchange Agreements) unless, as of the date the applicable notice of redemption is given, after giving effect to such prepayment, redemption, repurchase, defeasement or other satisfaction on a pro forma basis, the Total Net Leverage Ratio shall not exceed 4.00 to 1.00.

The Issuer shall use commercially reasonable efforts to obtain and maintain in effect: (a) a public corporate family rating of the Issuer and a rating of the Notes, in each case from Moody's and (b) a public corporate credit rating of the Notes and a rating of the Notes, in each case from S&P (it being understood and agreed that "commercially reasonable efforts" shall in any event include the payment by the Issuer of reasonable and customary rating agency fees and cooperation with reasonable and customary information and data requests by Moody's and S&P in connection with their ratings process), it being agreed that there is no obligation to maintain any particular ratings at any time.

Section 4.24 Anti-Layering.

Notwithstanding anything herein to the contrary, the Issuer shall not, and shall not permit any Subsidiary to, incur any Indebtedness that is contractually subordinated or junior in right of payment to any other Indebtedness of the Issuer or such Subsidiary, as the case may be, unless such Indebtedness is expressly contractually subordinated or junior in right of payment, as applicable, to the Notes and the Guarantees (it being understood and agreed that Indebtedness shall not be considered junior in right of payment solely because it is unsecured or secured by Liens with a Junior Lien Priority to the Liens securing the Notes).

ARTICLE 5
SUCCESSORS

Section 5.01 Merger, Consolidation or Sale of Assets.

(a) The Issuer will not, directly or indirectly: (1) consolidate or merge with or into another Person or consummate a Division as the Dividing Person (whether or not the Issuer is the surviving Person); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Issuer and its Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

(1) Either: (A) the Issuer is the surviving entity (the "*Successor Company*"); or (B) the Person formed by or surviving any such consolidation, merger or Division (if other than the Issuer) or to which such sale, assignment, transfer, conveyance or other disposition has been made is an entity organized or existing under the laws of the United States, any state of the United States or the District of Columbia;

(2) the Person formed by or surviving any such consolidation, merger or Division (if other than the Issuer) or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made assumes all the obligations of the Issuer under the Notes, this Indenture and the applicable Security Documents pursuant to a supplemental indenture reasonably satisfactory to the Trustee; and

(3) immediately after such transaction, no Event of Default exists.

(b) The Issuer will not, directly or indirectly, lease all or substantially all of the properties and assets of it and its Subsidiaries taken as a whole, in one or more related transactions, to any other Person.

(c) Clause (3) of Section 5.01(a) of this Indenture shall not apply to:

(1) a merger of the Issuer with an Affiliate solely for the purpose of reincorporating the Issuer in another jurisdiction; and

(2) any consolidation or merger, or any sale, assignment, transfer, conveyance or other disposition of assets between or among the Issuer and its Subsidiaries or, so long as the Issuer is a surviving Person and any other surviving

Person is a Subsidiary of the Issuer, any Division of the Issuer as the Dividing Person.

(d) To the extent any assets of the Person that is merged or consolidated with or into the Issuer are assets of the type that would constitute Collateral under the Security Documents, the Issuer or the Successor Company, as applicable, will take such action and deliver such agreements, instruments or documents, if any, as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in this Indenture or the applicable Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by this Indenture and the applicable Security Documents.

Section 5.02 Successor Entity Substituted.

Upon any consolidation, merger, Division, sale, assignment, transfer, conveyance or other disposition of all or substantially all of the assets of the Issuer in accordance with Section 5.01 of this Indenture or a Guarantor in accordance with Section 10.04 of this Indenture, the Issuer and a Guarantor, as the case may be, will be released from its obligations under this Indenture and the Notes or its Guarantee, as the case may be, and the successor Issuer and the successor Guarantor, as the case may be, will succeed to, and be substituted for, and may exercise every right and power of, the Issuer or a Guarantor, as the case may be, under this Indenture, the Notes and such Guarantee; *provided* that, in the case of a lease of all or substantially all its assets, the Issuer will not be released from the obligation to pay the principal of and interest on the Notes and a Guarantor will not be released from its obligations under its Guarantee.

ARTICLE 6
DEFAULTS AND REMEDIES

Section 6.01 Events of Default and Remedies.

Each of the following is an event of default (an "*Event of Default*"):

(1) default in any payment of interest on any Note when due, continued for 30 days;

(2) default in the payment of principal or premium, if any, on any Note when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration, or otherwise;

(5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Issuer or any of its Significant Subsidiaries (or the payment of which is guaranteed by the Issuer or any of its Significant Subsidiaries), whether such Indebtedness or guarantee existed on the Issue Date, or is or was created thereafter, if that default:

(A) is caused by a failure to pay principal at the final Stated Maturity of such Indebtedness (a "*Payment Default*"); or

(B) results in the acceleration of such Indebtedness prior to its express maturity

and, in each case, the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates $44.0 million or more;

(6) with respect to any judgment or decree for the payment of money (net of any amount covered by insurance issued by a reputable and creditworthy insurer that has not contested coverage or reserved rights with respect to an underlying claim) in excess of $44.0 million or its foreign currency equivalent against the Issuer or any Significant Subsidiary of the Issuer, the failure by the Issuer or such Significant Subsidiary, as applicable, to pay such judgment or decree, which judgment or decree has remained outstanding for a period of 60 days after such judgment or decree became final and nonappealable without being paid, discharged, waived or stayed;

(7) except as permitted by this Indenture, any Subsidiary Guarantee of any Significant Subsidiary of the Issuer is declared to be unenforceable or invalid by any final and nonappealable judgment or decree or ceases for any reason to be in full force and effect, or any Subsidiary Guarantor that is a Significant Subsidiary of the Issuer or any Person acting on behalf of any Subsidiary Guarantor that is a Significant Subsidiary of the Issuer, denies or disaffirms its obligations in writing under its Guarantee and such Default continues for ten days after receipt of the notice specified in this Indenture;

(8) the Issuer or any Subsidiary that is a Significant Subsidiary of the Issuer pursuant to or within the meaning of Bankruptcy Law:

(D) makes a general assignment for the benefit of its creditors, or

(E) generally is not paying its debts as they become due;

(9) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(B) appoints a custodian of the Issuer or any of the Issuer's Subsidiaries that is a Significant Subsidiary of the Issuer for all or substantially all of the property of the Issuer or any of the Issuer's Subsidiaries that is a Significant Subsidiary of the Issuer; or

(C) orders the liquidation of the Issuer or any of the Issuer's Subsidiaries that is a Significant Subsidiary of the Issuer; and

(D) and the order or decree remains unstayed and in effect for 60 consecutive days;

(10) the Liens created by the Security Documents shall at any time not constitute a valid and perfected Lien on any material portion of the Collateral intended to be covered thereby (unless perfection is not required by this Indenture or the relevant Security Documents) other than (A) in accordance with the terms of the relevant Security Document and this Indenture, (B) as a result of the satisfaction in full of all Notes Obligations or (C) any loss of perfection that results from the failure of the Notes Collateral Agent to maintain possession of certificates delivered to it representing securities pledged under the Security Documents, and, in each case, such default continues for 15 days after receipt of written notice given by the Trustee on behalf of the Holders or by the Holders of at least 30.0% in aggregate principal amount of the outstanding Notes; and

(11) the Issuer or any of the Issuer's Subsidiaries shall assert, in any pleading in any court of competent jurisdiction, that any security interest in any Security Document is invalid or unenforceable;

Section 6.02 Acceleration.

(a) In the case of an Event of Default arising under clauses (8) or (9) of Section 6.01 of this Indenture with respect to the Issuer or any Significant Subsidiary of the Issuer, all outstanding Notes shall become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 30.0% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately.

(b) The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders, rescind an acceleration or waive any existing Default or Event of Default and its consequences under this

Indenture except a continuing Default or Event of Default in the payment of interest or premium, if any, on, or the principal of, the Notes.

Section 6.03 Other Remedies.

(a) If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

(b) The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Past Defaults.

(a) Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default or Event of Default if it determines that withholding notice is in their interest, except a Default or Event of Default relating to the payment of principal, interest or premium, if any.

(b) The Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any Holders unless such Holders have offered to the Trustee reasonable indemnity or security against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(1) such Holder has previously given the Trustee notice that an Event of Default is continuing;

(2) Holders of at least 30.0% in aggregate principal amount of the then outstanding Notes have requested the Trustee to pursue the remedy;

(3) such Holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and

(5) Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

(c) The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of the Holders of all of the Notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences

under this Indenture and the Security Documents except a continuing Default or Event of Default in the payment of interest or premium, if any, on, or the principal of, the Notes.

Section 6.05 Control by Majority.

Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or the Notes Collateral Agent, as applicable, or exercising any trust or power conferred on it. However, the Trustee or the Notes Collateral Agent, as applicable, may refuse to follow any direction that conflicts with law or this Indenture that the Trustee or the Notes Collateral Agent, as applicable, determines may be unduly prejudicial to the rights of other Holders or that may involve the Trustee or the Notes Collateral Agent, as applicable, in personal liability. Prior to taking any action under this Indenture, the Trustee or the Notes Collateral Agent, as applicable, shall be entitled to reasonable indemnification against all losses and expenses caused by taking or not taking such action.

Section 6.06 Limitation on Suits.

Subject to Section 6.07 of this Indenture, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(2) Holders of at least 30.0% in aggregate principal amount of the then outstanding Notes have requested in writing the Trustee to pursue the remedy;

(3) such Holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and

(5) Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a direction inconsistent with such written request within such 60-day period.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

Section 6.07 Rights of Holders to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring

suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 Collection Suit by Trustee.

Subject to the terms and conditions of the Intercreditor Agreement, if an Event of Default specified in clauses (1) or (2) of Section 6.01 of this Indenture occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer and each Guarantor for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Issuer, the Guarantors, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter and all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

Section 6.10 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 of this Indenture, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy are, to the extent permitted by law, cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or the Notes Collateral Agent, as applicable, or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or the Notes Collateral Agent, as applicable, or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or the Notes Collateral Agent, as applicable, or by the Holders, as the case may be.

Section 6.12 Trustee May File Proofs of Claim.

The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Notes Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of each of the Trustee, the Notes Collateral Agent, and their agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes, including the Guarantors), its creditors or its property and is entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims. Any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee or the Notes Collateral Agent, as applicable, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, the Notes Collateral Agent, and their agents and counsel, and any other amounts due the Trustee under Section 7.06 of this Indenture. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 of this Indenture out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.13 Priorities.

Subject to the Intercreditor Agreements, if the Trustee, the Notes Collateral Agent or any Agent collects any money or property pursuant to this Article 6, it shall pay out the money in the following order:

(1) to the Trustee and the Notes Collateral Agent and their respective agents and attorneys for amounts due under Section 7.06 of this Indenture, including payment of all reasonable compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the Notes Collateral Agent, as applicable, and the costs and expenses of collection (including, without limitation, all reasonable out-of-pocket expenses incurred by the Notes Collateral Agent in connection with the sale, foreclosure, collection or realization of the Collateral or otherwise in connection with the Note Documents), and then to payment of the Notes Obligations;

(2) to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

(3) to the Issuer or to such party as a court of competent jurisdiction shall direct, including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.13. Promptly after any record date is set pursuant to this Section 6.13, the Trustee shall cause notice of such record date and payment date to be given to the Issuer and to each Holder in the manner set forth in Section 13.02 of this Indenture.

Section 6.14 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 of this Indenture, or a suit by Holders of more than 10.0% in principal amount of the then outstanding Notes.

ARTICLE 7
TRUSTEE AND NOTES COLLATERAL AGENT

Section 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing (of which the Trustee is deemed to have notice thereof within the meaning of Section 7.02(h)), the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the occurrence and continuance of an Event of Default (of which the Trustee is deemed to have notice thereof within the meaning of Section 7.02(h)):

(1) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy or mathematical calculation or facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction in a final non-appealable judgment that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 of this Indenture.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Trustee will be under no obligation to exercise any of the rights or powers under this Indenture, the Notes and the Guarantees at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense that may be incurred by it in compliance with such request.

(f) The permissive rights of the Trustee to take certain actions under this Indenture or the other Note Documents shall not be construed as a duty unless expressly specified herein or therein.

(g) The Trustee shall not be liable for interest on (or the investment of) any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(h) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.01.

(i) Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Notes.

The provisions of this Section 7.01 shall survive satisfaction and discharge or the termination, for any reason, of this Indenture and the resignation and/or removal of the Trustee.

Section 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely upon and shall be fully protected in acting or refraining from acting upon any document (whether in original or electronic form)

believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine in good faith to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both which shall conform to the provisions of Section 13.05 of this Indenture. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture or the other Note Documents or its role hereunder or thereunder.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer or a Guarantor shall be sufficient if signed by an Officer of the Issuer or such Guarantor.

(f) No Depositary shall be deemed an agent of the Trustee, and the Trustee shall not be responsible for any act or omission by any Depositary.

(g) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(h) The Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default unless written notice of any event which is in fact such a Default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the existence of a Default or Event of Default, the Notes and this Indenture. Delivery of reports to the Trustee pursuant to Section 4.04 shall not constitute notice to the Trustee of the information contained therein. After the occurrence and continuance of an Event of Default, the Trustee, acting in accordance with the terms of this Indenture, may direct the Notes Collateral Agent in connection with any action required or permitted by this Indenture or the Security Documents. The Notes Collateral Agent shall take such action with respect to such Event of Default as may be requested by the Trustee.

(i) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to,

loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(j) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder and under the Note Documents and each Agent, custodian and other Person employed to act hereunder, including the Notes Collateral Agent.

(k) Delivery of reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates). The Trustee shall have no duty to review or analyze reports delivered to it. Additionally, the Trustee shall not be obligated to monitor or confirm, on a continuing basis or otherwise, the Issuer's compliance with or the breach of any representation, warranty or covenant made in this Indenture or with respect to any reports or other documents filed with the SEC or any website or datasite under this Indenture or participate in any conference calls.

(l) The Trustee may request that the Issuer and each Guarantor deliver an Officers' Certificate setting forth the names of individuals or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(m) The Trustee shall not be required to give any note, bond or surety in respect of the performance of its powers and duties hereunder.

Section 7.03 Individual Rights of Trustee.

The Trustee or any Agent in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not Trustee or such Agent. However, in the event that the Trustee acquires any conflicting interest (within the meaning of the Trust Indenture Act of 1939, as amended) it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Section 7.09 of this Indenture.

Section 7.04 Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation or warranty as to the validity or adequacy of this Indenture, the Notes or the Security Documents, or the other Note Documents, or the adequacy of the security for the Note Documents or the Security Documents. The Trustee shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture. The Trustee shall not be responsible for the use or application of any money received

by any Paying Agent other than the Trustee, and the Trustee shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication on the Notes. The Trustee shall be under no obligation to ascertain or to inquire as to the observance or performance of any of the agreements and covenants contained in, or conditions of, this Indenture or the other Note Documents or to inspect the properties, books, or records of the Issuer or any of its affiliates.

Section 7.05 Notice of Defaults.

If a Default occurs and is continuing and a Responsible Officer of Trustee has received written notice thereof (pursuant to Section 7.02(h)), the Trustee will transmit to each Holder a notice of the Default within 60 days after it is known to the Trustee (pursuant to Section 7.02(h)).

Section 7.06 Compensation and Indemnity.

(a) The Issuer and the Guarantors, jointly and severally, shall pay to the Trustee and the Notes Collateral Agent from time to time such compensation for its acceptance of this Indenture and services hereunder and under the Note Documents as the Issuer and the Trustee and the Notes Collateral Agent shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee and the Notes Collateral Agent promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services, except for any such disbursements, advances or expenses as shall have been caused by the willful misconduct, gross negligence or bad faith on the part of the Trustee or the Notes Collateral Agent, as the case may be. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's and Notes Collateral Agent's agents and counsel.

(b) The Issuer and the Guarantors, jointly and severally, shall indemnify the Trustee (in its individual capacity and its capacity as Trustee) and the Notes Collateral Agent (in its individual capacity and its capacity as Notes Collateral Agent) and any predecessor Trustee or Notes Collateral Agent (which for purposes of this Section 7.06 shall include each of their respective officers, directors, employees, agents, advisors, attorneys and representatives) for, and hold each of the Trustee, the Notes Collateral Agent and any predecessor harmless against, any and all loss, damage, claims, liability or expense (including reasonable attorneys' fees and expenses) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the reasonable costs and expenses of enforcing this Indenture or other Note Documents against the Issuer or any Guarantor (including this Section 7.06) or defending themselves against any claim whether asserted by any Holder, the Issuer or any Guarantor, or any other Person or liability in connection with the acceptance, exercise or performance of any of their rights, powers or duties hereunder or thereunder). The Trustee and the Notes Collateral Agent, as the case may be, shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee or the Notes Collateral Agent to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Trustee and the Notes Collateral Agent may have separate counsel and

the Issuer shall pay the reasonable fees and expenses of such counsel. Neither the Issuer nor any Guarantor needs to pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee and the Notes Collateral Agent through the willful misconduct, gross negligence or bad faith on the part of the Trustee or the Notes Collateral Agent, as the case may be.

(c) The obligations of the Issuer and the Guarantors under this Section 7.06 shall survive the satisfaction, discharge or the termination, for any reason, of this Indenture or any other Note Documents or the earlier resignation, removal, replacement of the Trustee and the Notes Collateral Agent.

(d) To secure the payment obligations of the Issuer and the Guarantors in this Section 7.06, the Trustee and the Notes Collateral Agent shall have a Lien prior to the Notes on all money or property held or collected by the Trustee or the Notes Collateral Agent, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

(e) When the Trustee or the Notes Collateral Agent incurs expenses or renders services after an Event of Default specified in Section 6.01(8) or Section 6.01(9) of this Indenture occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.07 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07. The Trustee may resign in writing at any time by giving 30 days' prior notice of such resignation to the Issuer and be discharged from the trust hereby created by so notifying the Issuer. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer in writing. The Issuer may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.09 of this Indenture;

(2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a receiver or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(b) If the Trustee resigns or is removed or if a vacancy exists in the office of the Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal

amount of the then outstanding Notes may remove the successor Trustee to replace it with another successor Trustee appointed by the Issuer.

(c) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Issuer's expense), the Issuer or the Holders of at least 10.0% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(d) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.09 of this Indenture, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall transmit a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* that all sums owing to the Trustee hereunder have been paid and such transfer shall be subject to the Lien provided for in Section 7.06 of this Indenture. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Issuer's obligations under this Section 7.07 shall continue for the benefit of the retiring Trustee.

(f) As used in this Section 7.07, the term "Trustee" shall also include each Agent.

(g) A resigning Trustee shall have no responsibility or liability for any action or inaction of a successor Trustee.

Section 7.08 Successor Trustee by Merger, etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or national banking association, the successor corporation or national banking association without any further act shall be the successor Trustee, subject to Section 7.09 of this Indenture.

Section 7.09 Eligibility; Disqualification.

This Indenture shall always have Trustee hereunder that is a company organized and doing business under the laws of the United States or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus as required by Section 310(a)(2) of the Trust Indenture Act.

Section 7.10 Security Documents and Intercreditor Agreements.

By their acceptance of the Notes, the Holders hereby authorize and direct the Trustee and the Notes Collateral Agent, as the case may be, to execute and deliver (including by

way of joinder) the First Lien/Second Lien Intercreditor Agreement (on behalf of the Trustee, the Notes Collateral Agent and the Holders), and the Security Documents in which the Trustee or the Notes Collateral Agent, as applicable, is named as a party, including the Security Agreement and any Security Documents executed on or after the Issue Date in accordance with Article 12. It is hereby expressly acknowledged and agreed that, in doing so, the Trustee and the Notes Collateral Agent are not responsible for the terms or contents of such agreements, or for the validity or enforceability thereof, or the sufficiency thereof for any purpose. Whether or not so expressly stated therein, in entering into, or taking (or forbearing from) any action under, the Intercreditor Agreements or any Security Document, the Trustee and the Notes Collateral Agent each shall have all of the rights, privileges, benefits, immunities, indemnities and other protections granted to it under this Indenture (in addition to those that may be granted to it under the terms of such other agreement or agreements).

Section 7.11 Limitation on Duty of Trustee in Respect of Collateral

(a) Beyond the exercise of reasonable care in the custody thereof and except as otherwise expressly set forth in the Note Documents, the Trustee shall have no duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and the Trustee shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. The Trustee shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords its own property and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Trustee in good faith.

(b) The Trustee shall not be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence, bad faith or willful misconduct on the part of the Trustee, for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title of the Issuer to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral. The Trustee shall have no duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture or the Note Documents by the Issuer and the Guarantors.

Section 7.12 Trustee in Other Capacities

References to the Trustee in Section 6.13 and Sections 7.01, 7.02, 7.03, 7.04, 7.06, 7.07 and 7.08 shall be understood to include the Trustee when acting in other capacities under the Indenture and other Note Documents, including, without limitation, as Notes Collateral Agent. Without limiting the foregoing, and for the avoidance of doubt, such Sections shall be read to apply to the Notes Collateral Agent, the Security Documents, the Intercreditor

Agreements and any other Note Document to which the Notes Collateral Agent is party, mutatis mutandis, in addition to this Indenture, and the Notes Collateral Agent shall be entitled to the same rights, benefits, privileges, powers, protections, indemnities and exculpations afforded to the Trustee by such Sections.

ARTICLE 8
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 Option to Effect Legal Defeasance or Covenant Defeasance.

The Issuer may, at its option and at any time, elect to have either Section 8.02 of this Indenture or Section 8.03 of this Indenture applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 Legal Defeasance and Discharge.

(a) Upon the Issuer's exercise under Section 8.01 of this Indenture of the option applicable to this Section 8.02, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 of this Indenture, be deemed to have been discharged from their obligations with respect to this Indenture, all outstanding Notes and Guarantees and the Liens, if any, on the Collateral securing the Notes will be automatically released (subject to the Security Documents) on the date the conditions set forth below are satisfied ("*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in clauses (1) through (4) below, and to have satisfied all of its other obligations under such Notes and this Indenture, including that of the Guarantors (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders to receive payments in respect of the principal, premium, if any, and interest on the Notes when such payments are due, solely out of the trust created pursuant to this Indenture referred to in Section 8.04 of this Indenture;

(2) the Issuer's obligations with respect to the Notes concerning issuing the Temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for Note payments held in trust;

(3) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's and the Guarantors' obligations in connection therewith; and

(4) this Section 8.02.

(b) Subject to compliance with this Article 8, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 of this Indenture.

Section 8.03 Covenant Defeasance.

Upon the Issuer's exercise under Section 8.01 of this Indenture of the option applicable to this Section 8.03, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 of this Indenture, be released from their obligations under the covenants contained in Sections 4.03, 4.04, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.15, 4.16, and 4.17 of this Indenture with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 of this Indenture are satisfied and the Liens, if any, on the Collateral securing the Notes will be automatically released (subject to the Security Documents) ("*Covenant Defeasance*"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to this Indenture and the outstanding Notes, the Issuer and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 of this Indenture, but, except as specified above, the remainder of this Indenture, and such Notes and the Guarantees shall be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.01 of this Indenture of the option applicable to this Section 8.03 of this Indenture, subject to the satisfaction of the conditions set forth in Section 8.04 of this Indenture, an Event of Default specified in Section 6.01(4) (only with respect to covenants that are released as a result of such Covenant Defeasance), Section 6.01(5), Section 6.01(6), Section 6.01(7), Section 6.01(8) (solely with respect to Significant Subsidiaries of the Issuer) and Section 6.01(9) (solely with respect to Significant Subsidiaries of the Issuer) of this Indenture, in each case, shall not constitute an Event of Default.

Section 8.04 Conditions to Legal or Covenant Defeasance.

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or Section 8.03 of this Indenture:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants engaged by the Issuer, to pay the principal of, or interest (and the Issuer shall be deemed to have elected to pay Cash Interest) and premium, if any, on, the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Issuer must specify

whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of Legal Defeasance, the Issuer must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that (a) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the beneficial owners of the outstanding Notes shall not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the beneficial owners of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement (including, without limitation, the Credit Agreement) or instrument (other than this Indenture) to which the Issuer or any of its Subsidiaries is a party or by which the Issuer or any of its Subsidiaries is bound (other than that resulting from any borrowing of funds to be applied to make the deposit required to effect such Legal Defeasance or Covenant Defeasance and any similar and simultaneous deposit relating to other Indebtedness, and, in each case, the granting of Liens in connection therewith);

(6) the Issuer must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or others; and

(7) the Issuer must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with

The Legal Defeasance or Covenant Defeasance will be effective at the time at which all the applicable conditions above have been satisfied. Upon compliance with the foregoing, the Trustee, upon request by the Issuer, shall execute proper instrument(s) acknowledging such Legal Defeasance or Covenant Defeasance.

Section 8.05 Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions.

(a) Subject to Section 8.06 of this Indenture, all money and Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 8.04 of this Indenture in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of all sums due and to become due thereon in respect of principal, premium, if any, and interest on the Notes, but such money need not be segregated from other funds except to the extent required by law.

(b) The Issuer will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 of this Indenture or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders.

(c) Anything in this Article 8 to the contrary notwithstanding, the Trustee will deliver or pay to the Issuer from time to time upon the request of the Issuer any money or Government Securities held by it as provided in Section 8.04 of this Indenture which, in the opinion of an independent financial advisor expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) of this Indenture), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to the Issuer.

Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease.

Section 8.07 Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or Government Securities in accordance with Section 8.02 or Section 8.03 of this Indenture, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and the Guarantors' obligations under

this Indenture, the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or Section 8.03 of this Indenture until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or Section 8.03 of this Indenture, as the case may be; *provided* that, if the Issuer makes any payment of principal, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 Without Consent of Holders.

(a) Notwithstanding Section 9.02 of this Indenture, the Issuer, the Guarantors, the Trustee and the Notes Collateral Agent may amend or supplement the Note Documents without the consent of any Holder:

(1) to cure any mistake, ambiguity, defect or inconsistency;

(2) to provide for uncertificated Notes in addition to or in place of certificated Notes;

(3) to provide for the assumption of the Issuer's or a Guarantor's obligations to the Holders and Guarantees in the case of a merger, consolidation, Division or sale of all or substantially all of the Issuer's or such Guarantor's assets, as applicable;

(4) [reserved];

(5) to make any change (including changing the CUSIP or other identifying number on any Notes) that would provide any additional rights or benefits to the Holders or that does not materially and adversely affect the legal rights hereunder of any Holder;

(6) [reserved];

(7) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture as of the Issue Date;

(8) to allow any Guarantor to execute a supplemental indenture and/or a Guarantee with respect to the Notes;

(9) to add security to or for the benefit of the Notes, or to confirm and evidence the release, termination, discharge or retaking of any Guarantee or Lien with respect to or securing the Notes when such release, termination, discharge or retaking is provided for under this Indenture;

(10) to mortgage, pledge, hypothecate or grant any other Lien in favor of the Trustee or the Notes Collateral Agent for the benefit of the Notes Secured Parties, as additional security for the payment and performance of all or any portion of the Notes Obligations, in any property or assets, including any which are required to be mortgaged, pledged or hypothecated, or in which a Lien is required to be granted to or for the benefit of the Trustee or the Notes Collateral Agent pursuant to this Indenture, any of the Security Documents or otherwise;

(11) to add representatives with respect to Indebtedness intended to have Junior Lien Priority, Senior Lien Priority and/or Pari Passu Lien Priority to the Intercreditor Agreements, in each case to the extent the related Indebtedness and Liens are permitted under this Indenture;

(12) to enter into any intercreditor agreement having substantially similar terms with respect to the Holders as those set forth in the First Lien/Second Lien Intercreditor Agreement, or any joinder thereto;

(13) in the case of any Security Document, to include therein any legend required to be set forth therein pursuant to the Intercreditor Agreements or to modify any such legend as required by the Intercreditor Agreements;

(14) to provide for the succession of any parties to the Security Documents (and other amendments that are administrative or ministerial in nature) in connection with an amendment, renewal, extension, substitution, refinancing, restructuring, replacement, supplementing or other modification from time to time of the Credit Agreement, this Indenture or any other agreement that is not prohibited by this Indenture; or

(15) to release Collateral from the Lien securing the Notes Obligations when permitted or required by the Security Documents, this Indenture and/or the Intercreditor Agreements.

(b) Subject to Section 9.02, upon the request of the Issuer accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture or other amendment, supplement or modification to the Note Documents, and upon receipt by the Trustee and the Notes Collateral Agent, as applicable, of the documents described in Section 13.04 of this Indenture, the Trustee and the Notes Collateral Agent shall join with the Issuer and the Guarantors in the execution of any amended or supplemental indenture or other amendment, supplement or modification to the Note Documents authorized or permitted by the terms of this Indenture or other Note Document, but the Trustee and the Notes Collateral Agent shall not be obligated to enter into such amended or supplemental indenture or other amendment, supplement or modification to the Note Documents that affects its own rights, duties or immunities under this Indenture or otherwise. The Trustee and Notes Collateral Agent shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel and Officers' Certificate stating that such amendment or supplement is authorized or permitted by this Indenture or other Note Document, as applicable.

Section 9.02 With Consent of Holders.

(a) Except as provided in Section 9.01 of this Indenture and this Section 9.02, the Issuer, the Guarantors, the Trustee and the Notes Collateral Agent may amend, supplement or otherwise modify any Note Documents with the consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) and, subject to Section 6.04 and Section 6.07 of this Indenture, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of the Note Documents may be waived with the consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Section 2.08 and Section 2.09 of this Indenture shall determine which Notes are considered to be "outstanding" for the purposes of this Section 9.02.

(b) Upon the request of the Issuer, and upon delivery to the Trustee and, if applicable, the Notes Collateral Agent of evidence satisfactory to the Trustee and the Notes Collateral Agent of the consent of the Holders as aforesaid, and upon receipt by the Trustee and, if applicable, the Notes Collateral Agent of the documents described in Section 13.04 of this Indenture, the Trustee and, if applicable, the Notes Collateral Agent shall join with the Issuer and the Guarantors in the execution of such amended or supplemental indenture or other amendment, supplement or modification to the Note Documents unless such amended or supplemental indenture or other amendment, supplement or modification directly affects the Trustee's or the Notes Collateral Agent's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee or the Notes Collateral Agent, as applicable, may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture or other amendment, supplement or modification to the Note Documents.

(c) It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement, waiver or modification. It shall be sufficient if such consent approves the substance of such proposed amendment, supplement, waiver or modification.

(d) After an amendment, supplement, waiver or modification under this Section 9.02 becomes effective, the Issuer will give to the Holders a notice briefly describing such amendment, supplement, waiver or modification. However, the failure of the Issuer to give such notice to all the Holders, or any defect in the notice, will not impair or affect the validity of any such amendment, supplement, waiver or modification.

(e) However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the optional redemption of the Notes pursuant to Section 3.07 of this Indenture (other than provisions relating to notice period for consummating an optional redemption of the Notes).

(3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(4) waive a Default or Event of Default in the payment of principal of, or interest or premium, if any, on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(5) make any Note payable in money other than that stated in the Notes;

(6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the contractual rights of Holders to receive payments of principal of, or interest or premium, if any, on, the Notes;

(7) make any change in the preceding amendment and waiver provisions;

(8) amend or otherwise modify any Security Documents or the provisions in this Indenture dealing with Collateral or application of trust proceeds of the Collateral with the effect of releasing (x) the Liens on all or substantially all of the Collateral which secure the Notes Obligations or (y) all or substantially all of the value of the Guarantees; or

(9) permit the creation or the existence of any Subsidiary that would be "unrestricted" or otherwise excluded from the requirements, taken as a whole, applicable to Subsidiaries pursuant to this Indenture.

(f) Without the consent of each Holder directly and adversely affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder) (a) subordinate, in a single transaction or a series of related transactions, the Liens securing any of the Notes on any material portion of the Collateral in contractual lien or payment priority to the Liens on all or substantially all of the Collateral securing any other Indebtedness for borrowed money or (b) subordinate any of the Notes in contractual payment priority to any other Indebtedness for borrowed money (such Indebtedness, the "Senior Indebtedness"), in each case, unless each directly and adversely affected Holder has been or will be offered a bona fide opportunity to fund or otherwise provide its pro rata share (based on the principal amount of Notes that are directly and adversely affected thereby held by each Holder immediately prior to the incurrence of such Senior Indebtedness) of the Senior Indebtedness on the same terms (other than bona fide backstop fees, any arrangement or restructuring fees and reimbursement of counsel fees and other expenses in connection with the

negotiation of the terms of such transaction; such fees and expenses, "Ancillary Fees") as offered to all other providers (or their Affiliates) of the Senior Indebtedness and to the extent such directly and adversely affected Holder decides to participate in the Senior Indebtedness, receive its pro rata share of the fees and any other similar benefit (other than Ancillary Fees) of the Senior Indebtedness afforded to the providers of the Senior Indebtedness (or any of their Affiliates) in connection with providing the Senior Indebtedness. Any subordination expressly permitted by this Indenture as in effect on the Issue Date or any other Note Document as in effect on the Issue Date (including any Intercreditor Agreement as in effect on the Issue Date) shall not be restricted by this Section 9.02(f). For the avoidance of doubt, this Section 9.02(f) shall not (i) override the permission for (x) Liens expressly permitted by this Indenture as in effect on the Issue Date, or (y) Indebtedness expressly permitted by this Indenture as in effect on the Issue Date, (ii) restrict any amendment to this Indenture to increase the maximum amount of Indebtedness permitted to be incurred under Section 4.09(c), Section 4.09(e), Section 4.09(w), Section 4.09(y), Section 4.09(z), Section 4.09(aa), Section 4.09(dd) or Section 4.09(ee) that has been consented to by Holders of a majority in aggregate principal amount of the Notes then outstanding pursuant to Section 9.02(a) or (iii) apply to the incurrence of any "debtor-in-possession" financing.

Notwithstanding the foregoing, without the consent of the Holders of at least 66 2/3% in aggregate principal amount of all the outstanding Notes issued under this Indenture, no amendment or waiver may amend or otherwise modify any provisions in this Indenture with the effect of extending or adding any grace periods with respect to the payment of principal or interest on the Notes.

(f) A consent to any amendment, supplement or waiver of this Indenture, the Notes or the Guarantee by any Holder given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

Section 9.03 [Reserved].

Section 9.04 Revocation and Effect of Consents.

(a) Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

(b) The Issuer may, but shall not be obliged to, fix a record date pursuant to Section 1.05 of this Indenture for the purpose of determining the Holders entitled to consent to any amendment or waiver.

Section 9.05 Notation on or Exchange of Notes.

(a) The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

(b) Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 Trustee and Notes Collateral Agent to Sign Amendments, etc.

The Trustee and the Notes Collateral Agent shall sign any amended or supplemental indenture, security documents, intercreditor agreements or other amendments, supplements or modifications to any Note Documents authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee and the Notes Collateral Agent, as applicable. The Issuer may not sign an amended or supplemental indenture, security document, intercreditor agreement or other amendment, supplement or modification to any Note Document until the Board of Directors of the Issuer approves it. In executing any amended or supplemental indenture, security document, intercreditor agreement or other amendment, supplement or modification to any Note Document, the Trustee and the Notes Collateral Agent, as applicable, shall be provided with and (subject to Section 7.01 of this Indenture) shall be fully protected in relying upon, in addition to the documents required by Section 13.04 of this Indenture, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture, security document, intercreditor agreement or other amendment, supplement or modification to any Note Document is authorized or permitted by this Indenture and the Note Documents. Notwithstanding the foregoing, no Opinion of Counsel shall be required in connection with the addition of a Guarantor under this Indenture upon execution and delivery by such Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit B hereto.

ARTICLE 10
GUARANTEES

Section 10.01 Guarantees.

(a) Subject to this Article 10, each of the Guarantors hereby, jointly and severally, irrevocably and unconditionally guarantees, on a second lien senior secured basis, to each Holder and to the Trustee and the Notes Collateral Agent and their respective successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that: (1) the principal, premium, if any, and interest on the Notes shall be promptly paid in full when due, whether at Stated Maturity, by acceleration, redemption or otherwise, and interest on the overdue principal and interest on the Notes, if any, if lawful, and all other Obligations of the Issuer to the Holders, the Trustee or the Notes Collateral Agent hereunder or under the Notes shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal,

whether at Stated Maturity, by acceleration or otherwise (collectively, the "*Guaranteed Obligations*"). Failing payment by the Issuer when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) Each of the Guarantors hereby agrees that its obligations under its Guarantee shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder, the Trustee or the Notes Collateral Agent with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that its Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture, or pursuant to Section 10.05 of this Indenture.

(c) Each of the Guarantors also agrees, jointly and severally, to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee, the Notes Collateral Agent or any Holder in enforcing any rights under this Section 10.01 of this Indenture.

(d) If any Holder, the Trustee or the Notes Collateral Agent is required by any court or otherwise to return to the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to the Issuer or the Guarantors, any amount paid either to the Trustee, the Notes Collateral Agent or such Holder, each Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(e) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all Obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders, the Trustee and the Notes Collateral Agent, on the other hand, (1) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of its Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such Obligations as provided in Article 6 of this Indenture, such Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of its Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders, the Trustee or the Notes Collateral Agent under any Guarantees.

(f) Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation or reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to

the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or the Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(g) In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(h) Each payment to be made by a Guarantor in respect of its Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

Section 10.02 Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent conveyance or a fraudulent transfer for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Guarantee will be entitled upon payment in full of all Guaranteed Obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment, determined in accordance with GAAP.

Section 10.03 Execution and Delivery.

(a) To evidence its Guarantee set forth in Section 10.01 of this Indenture, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by an Officer or person holding an equivalent title.

(b) Each Guarantor hereby agrees that its Guarantee set forth in Section 10.01 of this Indenture shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

(c) If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantees shall be valid nevertheless.

(d) The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

Section 10.04 Guarantors May Consolidate, etc., on Certain Terms.

(a) Except as otherwise provided in this Section 10.04, a Subsidiary Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into another Person (other than the Issuer or another Subsidiary Guarantor) or consummate a Division as the Dividing Person (in each case, whether or not such Subsidiary Guarantor is the surviving Person), unless:

(1) immediately after giving effect to such transaction, no Event of Default exists; and

(2) either:

(A) the Person (if other than the Issuer or a Subsidiary Guarantor) acquiring the property in any such sale or disposition or the Person (if other than the Issuer or a Subsidiary Guarantor) formed by or surviving any such consolidation, merger or Division assumes all the obligations of that Subsidiary Guarantor under this Indenture and its Subsidiary Guarantee, pursuant to a supplemental indenture satisfactory to the Trustee; or

(B) such transaction does not violate Section 4.10 of this Indenture.

Section 10.05 Releases.

(a) The Subsidiary Guarantee of a Subsidiary Guarantor will be released:

(1) in connection with any sale or other disposition of all or substantially all of the assets of that Subsidiary Guarantor (including by way of merger, consolidation or Division) to a Person that is not (either before or after giving effect to such transaction) the Issuer or a Subsidiary Guarantor, if the sale or other disposition does not violate Section 4.10 of this Indenture;

(2) in connection with any sale of Capital Stock of that Subsidiary Guarantor following which such Subsidiary Guarantor is no longer a Subsidiary, if the sale or other disposition does not violate Section 4.10 of this Indenture;

(3) if any Subsidiary that is a Subsidiary Guarantor becomes an Excluded Subsidiary in accordance with the applicable provisions of this Indenture;

(4) upon Legal Defeasance or Covenant Defeasance in accordance with Article 8 of this Indenture or satisfaction and discharge of this Indenture in accordance with Article 11 of this Indenture; or

(5) as described in Article 9.

ARTICLE 11
SATISFACTION AND DISCHARGE

Section 11.01 Satisfaction and Discharge.

(a) This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(A) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuer, have been delivered to the Trustee for cancellation; or
