Creditor's Response to Debtor's Motion

Comes now the creditor in the above styled bankruptcy case and files this Response to Debtor's Claim Objection

Creditor filed its motion on 10/8/25 shortly after notification by the Debtor to the Plaintiff, and filing of the chapter 11 filing by Debtor, well before the deadline for claims in this case. Creditor objects to its case being dismissed.

Creditor Respectfully submits this response and prays that the debtor's motion be denied.
