Re: Case No. 23-10937; Claim of Offset/Dismiss – NVN Liquidation, Inc. (Trust), Successor
in Interest to Certain Assets of EPI Health, LLC

Dear Mr. Banker, Mr. Schnitzer and Mr. Detweiler,

This letter is submitted on behalf of Cahaba RX Corp, referred to as Pharmsouth Pharmacy in the Complaint, to contest the outstanding balance claimed by NVN Liquidation, Inc. (Trust), successor in interest to certain assets of EPI Health, LLC (“EPI”) against Pharmsouth Pharmacy. The Trust/EPI asserts that Pharmsouth Pharmacy owes \$39,182.06 for pharmaceutical products purchased. However, we respectfully submit two arguments disputing this claim:

2310937241108000000000001

1. No Valid Amount Owed by Pharmsouth Pharmacy: Pharmsouth Pharmacy maintains that it has no balance outstanding with EPI, as any amounts previously invoiced are subject to further analysis based on additional liabilities owed by EPI to Pharmsouth Pharmacy. This review, along with the substantial reimbursement obligations owed to Pharmsouth Pharmacy under EPI's coupon program, indicates that no valid outstanding balance is owed to EPI or its successor. *See, Change Healthcare Letter with supporting documents.*

2. Offset for Unpaid Coupon Reimbursements: Furthermore, EPI has failed to fully reimburse Pharmsouth Pharmacy for coupon discounts it extended to patients as part of an agreement with EPI. In this arrangement, EPI used Truveris to administer coupon reimbursement funds, which were then processed by Change Healthcare to pay Pharmsouth Pharmacy for patient discounts on specific drugs. Pharmsouth Pharmacy, acting in good faith and in accordance with the parties' agreement, provided the stipulated discounts. Despite assurances provided in the attached Change Healthcare letter indicating that partial payments for the coupon amounts owed would be forthcoming, Pharmsouth Pharmacy has yet to receive any reimbursements from EPI, Truveris, or Change Healthcare. This has resulted in an outstanding balance of **\$192,731.29** owed to Pharmsouth Pharmacy. This is documented in the *attached Change Healthcare Letter and supporting documents*. Given this offset, Pharmsouth Pharmacy should not owe any amount to EPI/Trust and, instead, should be recognized as a creditor in the bankruptcy proceeding.

In light of these points, Pharmsouth Pharmacy respectfully requests that its creditor status be updated in the bankruptcy proceeding and that the alleged outstanding amount claimed by NVN Liquidation, Inc. be deemed offset in full by the unreimbursed coupon balance. In the alternative, if Pharmsouth Pharmacy is unable to be added as a creditor due to timeliness, we request that Pharmsouth Pharmacy be dismissed in full as a creditor from the proceeding.

Thank you for your attention to this matter. Please feel free to contact us at Pharmsouth@gmail.com should you require any additional information.

Sincerely,

Cahaba RX Corp.

NOTICE OF DISPUTE RESOLUTION ALTERNATIVES

As party to litigation, you have a right to adjudication of your matter by a judge of this Court. Settlement of your case, however, can often produce a resolution more quickly than appearing before a judge. Additionally, settlement can also reduce the expense, inconvenience, and uncertainty of litigation.

There are dispute resolution structures, other than litigation, that can lead to resolving your case. Alternative Dispute Resolution (ADR) is offered through a program established by this Court. The use of these services are often productive and effective in settling disputes. **The purpose of this Notice is to furnish general information about ADR.**

The ADR structures used most often are mediation, early-neutral evaluation, mediation/arbitration and arbitration. In each, the process is presided over by an impartial third party, called the "neutral."

In mediation and early neutral evaluation, an experienced neutral has no power to impose a settlement on you. It fosters an environment where offers can be discussed and exchanged. In the process, together, you and your attorney will be involved in weighing settlement proposals and

² The Debtors in these chapter 11 cases, along with the last four digits of the Debtors' federal tax identification number, are: NVN Liquidation, Inc. (f/k/a Novan, Inc.) (7682) and EPI Health, LLC (9118).

crafting a settlement. The Court in its Local Rules requires all ADR processes, except threat of a potential criminal action, to be confidential. You will not be prejudiced in the event a settlement is not achieved because the presiding judge will not be advised of the content of any of your settlement discussions.

Mediation/arbitration is a process where you submit to mediation and, if it is unsuccessful, agree that the mediator will act as an arbitrator. At that point, the process is the same as arbitration. You, through your counsel, will present evidence to a neutral, who issues a decision. If the matter in controversy arises in the main bankruptcy case or arises from a subsidiary issue in an adversary proceeding, the arbitration, though voluntary, may be binding. If a party requests de novo review of an arbitration award, the judge will rehear the case.

Your attorney can provide you with additional information about ADR and advise you as to whether and when ADR might be helpful in your case.
