Chapter 11
Case No. 12-12020 (MG)
Administratively Consolidated

**JOINDER IN
OBJECTION OF WENDY ALISON NORA TO CONFIRMATION OF DEBTORS'
CHAPTER 11 PLAN
AND DECLARATION OF PAUL N. PAPAS II
(ALL RIGHTS RESERVED)**

Paul N. Papas II, pro se, ResCap Creditor and holders of filed Claims, joins in the Objection of Wendy Alison Nora to the confirmation of the Debtors' Chapter 11 Plan. I have personally and individually been denied the opportunity to be heard in these proceedings on January 29, 2013, when Attorney Wendy Alison Nora, attempted to speak on my behalf when she was bullied, intimidated and threatened with bodily removal, as more eloquently described in **Doc 5347** - which I endorse, all in an attempted to justify and display his animosity toward me and denying me my First Amendment Right to associate with who I choose, as he did when he rudely cut me off and denied me the ability to refute the lies Debtor ResCap Counsel was spewing about me and facts on the record concerning previous Court interactions between the Debtor and me during the hearing on my Motion to Convert the Debtor to Chapter 7, I also had to keep calling in during the "hearing" because the call kept dropping using the Court Call services. I was cut off from the call, called back in, was by told by Judge Glenn that I was interrupting the proceedings and then my Motion was denied, oddly enough my Motion was based upon the Frauds of the Debtor, as

addressed by the same Judge Glenn when he said:” *Faced with daunting prospects, the Debtors’ ultimate parent, Ally Financial Inc. (“AFI”), file these chapter 11 cases and seek an early sale of its significant mortgage-related businesses AFI’s goal was obviously to isolate its money-losing businesses and shed as much of the present and future liabilities associated with those businesses as possible.* ‘ in **Doc 1921**. The actions Judge Glenn stated in his order are in fact Bankruptcy Fraud and he has and had a duty to address the Frauds perpetrated by Debtors as more eloquently stated in 18 USC 4 “*Whoever, having knowledge of the actual commission of a felony cognizable by a court of the United States, conceals and does not as soon as possible make known the same to some judge or other person in civil or military authority under the United States, shall be fined under this title or imprisoned not more than three years, or both*” which is what I have being doing since I filed **Doc 0157** and Judge Glenn has chosen to ignore.

Homeowners are not being heard as a classification of claims, but are relegated to individualized self-representation to the extent that any of us receive notice and few of us can determine how we might proceed, and then, it appears, that the process is designed to prevent us from being heard.

I did not receive the Exhibits to the Debtors’ Chapter 11 Plan **until Friday October 18, 2013 with a due date of Monday October 21, 2013** which listed different classes of Claimants who were allowed to vote. There was NO mention as to which class I am in and my class is not listed, therefore I once again have been denied the Right to Redress, my First Amendment Right.

The Notes and Mortgages on the properties in which I have an interest were obtained under false pretenses. It was said that a mortgage loan was being granted. The notes and mortgages were actually taken as collateral for a securities offering and sold for profit without knowledge or consent. The "loan" has more than one "loan number" and even though when paying the mortgage payments. In discovery in a state Superior Court the Debtor refused to give an accounting of the payments made because they are "irrelevant would not lead to any discoverable evidence", may I remind you that the Debtor CLAIMED the mortgage was in Default, that payments were not made, which was the Debtor's justification for foreclosing upon the property. May I also remind you that the Debtor ADMITTED in two different state Superior Courts AND in this Court AND in the US District Court for the Southern District of New York that MERS did not assign the Mortgages to the Debtor, that the Debtor NEVER owned the Note, that the Debtor did NOT have the standing to foreclose upon the properties, auction or sell the properties AND that they violated 18 USC 1961, *et seq* and the Uniform Fraudulent Transfer Act in the process AND those violations continue unabated as Judge Glenn and others have allowed those violations to continue. Credits for the payments and refunds date back to 2003. The Debtors have been fully paid by TARP funds for mortgages they claim to own and they are committing a fraud upon the taxpayers by denying claims and keeping more than \$12B in TARP funds for themselves. When I attempt to be heard by this Court to expose the securitization and other frauds and defend my home and other properties in which I have an interest I have been ignored shut out and/or ORDERED not to file anything else of that nature.

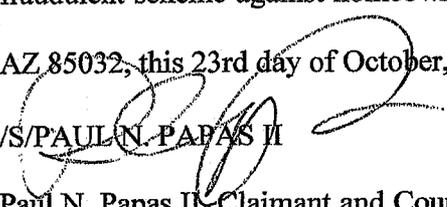

Only if the homeowners are allowed to organize as a group would we be able to expose the nature, extent and purpose of the securities fraud and accompanying foreclosure fraud necessary to conceal it. Ms. Nora has been following the filings and developments in these proceedings from the point of view of the homeowners. I have sought to retain Ms. Nora to

defend my interests and to assist her in defending the rights of all affected homeowners in these proceedings, but she advised me that her pro hac vice admission was revoked and she cannot now represent me, but that I may join in her filings pro se if I am in agreement with her, now pro se, filings.

I am not familiar enough with the requirements of bankruptcy reorganization plans to assess the validity of all the points Ms. Nora raises in her objection to confirmation of the Debtors' Chapter 11 Plan, but I do know that I have been denied the opportunity to present my case to the Court, despite my best efforts and that I have been blocked from defending my property against the frauds in the securitization and mortgage servicing process by various means which the Debtors use as a sword and a shield. People's lives and homes have been turned upside down by the actions of the Debtor and those enabling them to continue.

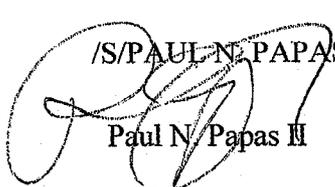

WHEREFORE, I join in Ms. Nora's Objection to the Confirmation of the Debtors' Chapter 11 Plan because the Debtors have profited from using my home as part of their fraudulent scheme against homeowners to steal homes and keep TARP funds. Dated at Phoenix, AZ 85032, this 23rd day of October, 2013.
