**INTRODUCTION**

**A. Background and Overview of the Amended Plan and Liquidation**

Rhodium Encore LLC and its affiliated debtors and debtors-in-possession that are debtors and debtors-in-possession in the above-captioned chapter 11 cases (collectively, the “**Debtors**” and, on or after the Effective Date, the “**Wind Down Debtors**”) submit this disclosure statement (as may be amended, supplemented, or modified from time to time, the “**Amended Disclosure Statement**”) in connection with the solicitation of votes (the “**Solicitation**”) on the Amended Joint Chapter 11 Plan of Liquidation of Rhodium Encore LLC and its Affiliated Debtors, dated June 18, 2025 (including all exhibits, annexes, and schedules thereto, the “**Amended Plan**”), attached hereto as **Exhibit A**.<sup>1</sup> The Debtors commenced these chapter 11 cases (the “**Chapter 11 Cases**”) in the United States Bankruptcy Court for the Southern District of Texas (the “**Bankruptcy Court**”) on August 24, 2024 and August 29, 2024 (the “**Petition Date**”).<sup>2</sup>

The purpose of this Amended Disclosure Statement is to provide information of a kind, and in sufficient detail, to enable Holders of Claims and Interests that are entitled to vote on the Amended Plan to make an informed decision on whether to vote to accept or reject the Amended Plan. This Amended Disclosure Statement contains summaries of the Amended Plan, certain statutory provisions, events in the Chapter 11 Cases, and certain documents related to the Amended Plan. This Amended Disclosure Statement and the Solicitation and Voting Procedures<sup>3</sup> provide information on the process for voting on the Amended Plan.

The Amended Plan is funded in large part by a settlement agreement with the landlord at the Rockdale Site, Whinstone, which concluded time consuming and expensive litigation (the “**Whinstone Settlement**”), the details of which are described more fully below. The Whinstone Settlement was approved by the Bankruptcy Court, after a hearing, on April 10, 2025, and the Transaction was consummated on April 28, 2025.

In addition, as part of their restructuring efforts, on December 18, 2024, the Debtors closed the sale (the “**Temple Sale**”) of the Temple Site (as defined below) to Temple Green Data, LLC (“**Temple Green**”). As more fully described below, the Temple Sale is the result of an arm’s length auction, that was approved by the Bankruptcy Court, after a hearing on November 26, 2024. *See Order (I) Authorizing the Sale of the Debtors’ Temple Lease; and (II) Granting Related Relief* (Docket No. 509) (the “**Sale Order**”). A portion of the proceeds from the Temple Sale were used

<sup>1</sup> Capitalized terms used herein have the meanings ascribed to them in the Plan. To the extent any inconsistencies exist between this Disclosure Statement and the Plan, the Plan will govern.

<sup>2</sup> As used herein, “**Petition Date**” means August 24, 2024; *provided*, that with respect to the Debtors which commenced their Chapter 11 Cases subsequent to August 24, 2024, “**Petition Date**” shall refer to the respective dates on which such Chapter 11 Cases were commenced.

<sup>3</sup> The Solicitation and Voting Procedures will be attached as an exhibit to the *Order (A) Approving the Adequacy of the Amended Disclosure Statement, (B) Approving the Solicitation Procedures and Solicitation Packages, (C) Scheduling Confirmation Hearing, (D) Establishing Procedures For Objecting to the Amended Plan, (E) Approving the Form, Manner, and Sufficiency of Notice of the Hearings, and (F) Granting Related Relief* (as may be later amended and including all exhibits, annexes, and schedules thereto, the “**Disclosure Statement Approval Order**”).

to pay off all amounts outstanding under the DIP Facility (as defined below), which was subsequently terminated. The remainder of the proceeds were partially used to fund the continued operations of the Debtors, with any remainder being used to fund distributions under the Amended Plan.

The Amended Plan is the product of extensive negotiations among the Special Committee of Rhodium Enterprises, Inc.'s Board of Directors (the "**Special Committee**") and its advisors (Barnes & Thornburg LLP), working together with the Debtors' restructuring advisors (Province, LLC) and a number of the Debtors' key stakeholders, including the Transcend Parties (as Holders of various Claims against and Interests in the Debtors), Holders of a significant portion of the Rhodium Enterprises Class A Interests, Imperium, and the Founders (collectively, the "**Consenting Stakeholders**"), together with each of those parties' respective advisors.

Those parties, along with numerous others, including the parties to certain Simple Agreements for Future Equity ("**SAFEs**"), the Official Committee of Unsecured Creditors, certain Holders of LTIPs Claims, and additional Holders of Rhodium Enterprises Class A Interests, participated in a two-day mediation session with the Honorable Russell Nelms as mediator on April 28 and 29, 2025, in Dallas, Texas.<sup>4</sup> The parties' discussions during the mediation eventually led to the settlements among the Consenting Stakeholders embodied in the Amended Plan.

Those settlements were embodied in that certain Plan Support Agreement filed in these Chapter 11 Cases on June 10, 2025 among the Consenting Stakeholders and the Special Committee, on behalf of the Debtors. The Plan Support Agreement reflects the principal terms of an agreement among the Debtors (acting through the Special Committee), the Transcend Parties, certain Holders of Rhodium Enterprises Class A Interests, Imperium, and the Founders that would resolve numerous outstanding claims held by and asserted against the Debtors and allocate the Debtors' remaining Cash and other assets in a manner the Debtors believe is fair and equitable for all Classes of Claims and Interests.

Following the filing of the Plan Support Agreement, the Debtors and their advisors (Quinn Emanuel Urquhart & Sullivan, LLP ("**Quinn Emanuel**") and Province, LLC), the Special Committee and its advisors, and the Consenting Stakeholders and their advisors have worked to embody the agreements described in the Plan Support Agreement into the Amended Plan and its supporting documents. In the absence of the resolutions contained in the Amended Plan, the stakeholders would likely engage in protracted, costly litigation to resolve such disputes, potentially prolonging the Debtors' Chapter 11 Cases and increasing collective costs among those stakeholders.

The Debtors believe the optimal path towards emergence is to move forward with the Amended Plan so that they may proceed to exit these Chapter 11 Cases and make distributions to stakeholders expeditiously. Therefore, to the extent any Class votes to reject the Amended Plan, the Debtors

<sup>4</sup> The SAFEs have been asserting rights to which the Debtors and other stakeholders disagree, *see, e.g., SAFE AHG Objection to Debtors' Amended Third Motion For Entry Of An Order (I) Extending The Debtors' Exclusive Periods to File a Chapter 11 Plan and Solicit Acceptances Thereof Pursuant To Section 1121 of The Bankruptcy Code And (II) Granting Related Relief* (Docket No. 1286). All parties reserve the right to object to any position the SAFEs may take to the extent they do not agree with the terms of this Amended Plan.

will seek confirmation of the Amended Plan over such rejection under the “cramdown” provisions of the Bankruptcy Code.

*i. Overview of Amended Plan*

The Amended Plan provides for payment in full to all Holders of Allowed Secured Claims, Priority Non-Tax Claims, Guaranteed Unsecured Claims, General Unsecured Claims, Intercompany Claims, and Late Filed Claims, in each case with the exception of any such Claims as to which the Holders have agreed to accept other or lesser treatment. Many of such Claims have already been paid in accordance with the Payment Orders previously entered by the Bankruptcy Court. Where such Claims have already been paid, no further payment will be made under the Amended Plan.

The Amended Plan additionally provides for an allocation of value among the Holders of Transcend Parties Claims, SAFE Claims, LTIP Claims, Rhodium Technologies Interests, and Rhodium Enterprises Class A Interests, as detailed below. In the case of SAFE Claims and Rhodium Enterprises Class A Interests, the amounts to be received by the Holders thereof depends in part on whether the Holders of SAFE Claims vote as a Class to accept the Plan.

The Amended Plan also provides for a proposed D&O Insurance Settlement, which would involve the settlement of claims or Causes of Action that have been or may in the future be asserted by any of the Debtors against any of the Founders and/or Imperium (the “Rhodium D&O Claims”) by the Debtors’ insurance carriers that issued the Debtors’ directors’ and officers’ insurance policies. If the D&O Insurance Settlement is not funded within fifteen (15) days after the Effective Date, then the Plan provides for the creation of the Rhodium Litigation Trust and the designation of the Rhodium Litigation Trust Committee to oversee the Rhodium Litigation Trust. If the Rhodium Litigation Trust is created, the Amended Plan contemplates the assignment to the Rhodium Litigation Trust of the Trust Assets, which consist of the Rhodium D&O Claims and the Transcend Contributed Claims. The assets transferred to the Rhodium Litigation Trust shall be administered for the benefit of Holders of Rhodium Enterprises Class A Interests and, if they vote as a Class to accept the Plan, Holders of SAFE Claims.

*ii. Summary of Amended Plan Funding*

The Amended Plan will be funded by the Debtors’ existing Cash, proceeds from the Temple Sale, the Whinstone Settlement, the proceeds from the liquidation of the Debtors’ Remaining Assets, the proceeds from the D&O Insurance Settlement (if approved and funded), and the proceeds of any Causes of Action assigned to the Rhodium Litigation Trust, if established.

*iii. Summary of Amended Plan Treatment*

The following summary is qualified in its entirety by reference to the full text of the Amended Plan.

**YOU SHOULD READ THE AMENDED PLAN IN ITS ENTIRETY BEFORE VOTING TO ACCEPT OR REJECT THE AMENDED PLAN.**

The proposed liquidation embodied in the Amended Plan contemplates, among other things, the following treatment of Holders of Claims and Interests:

### **Administrative Expense Claims**

Except to the extent that a Holder of an Allowed Administrative Expense Claim agrees to different treatment, each Holder of an Allowed Administrative Expense Claim (other than a Professional Fee Claim) shall receive, in full and final satisfaction of such Claim, (i) Cash in an amount equal to such Allowed Administrative Expense Claim on, or as soon thereafter as is reasonably practicable, the later of (a) the Effective Date and (b) the first Business Day after the date that is thirty (30) calendar days after the date such Administrative Expense Claim becomes an Allowed Administrative Expense Claim or (ii) such other treatment consistent with the provisions of section 1129(a)(9) of the Bankruptcy Code; *provided, however*, that Allowed Administrative Expense Claims representing liabilities incurred in the ordinary course of business by the Debtors, as Debtors in Possession, shall be paid by the Debtors or the Wind Down Debtors, as applicable, in the ordinary course of business, consistent with past practice and in accordance with the terms and subject to the conditions of any orders, course of dealing or agreements governing, instruments evidencing, or other documents relating to, such transactions.

### **Professional Fee Claims**

All Professionals seeking approval by the Bankruptcy Court of Professional Fee Claims shall (i) File, on or before (and no later than) the date that is forty-five (45) days after the Effective Date, their respective applications for final allowances of compensation for services rendered and reimbursement of expenses incurred and (ii) be paid in full, in Cash, in such amounts as are Allowed by the Bankruptcy Court or authorized to be paid in accordance with the order(s) relating to or allowing any such Professional Fee Claims. The Wind Down Debtors and/or the Liquidating Trustee, as applicable, are authorized to pay compensation for services rendered or reimbursement of expenses incurred after the Effective Date in the ordinary course and without the need for Bankruptcy Court approval.

Each Professional shall estimate in good faith its unpaid Professional Fee Claim and other unpaid fees and expenses incurred in rendering services to the Debtors, the Special Committee, or the Creditors' Committee, as applicable, before and as of the Effective Date and shall deliver such reasonable, good faith estimate to the Debtors or the Wind Down Debtors, as applicable, no later than five (5) Business Days prior to the Effective Date; *provided* that such estimate shall not be deemed to limit the amount of the fees and expenses that are the subject of the Professional's final request for payment of Filed Professional Fee Claims. If a Professional does not provide an estimate, the Debtors or the Wind Down Debtors, as applicable, shall estimate in good faith the unpaid and unbilled fees and expenses of such Professional.

### **Priority Tax Claims**

Except to the extent that a Holder of an Allowed Priority Tax Claim agrees to less favorable treatment, each Holder of an Allowed Priority Tax Claim shall receive, in full and final satisfaction, settlement, release and discharge of, and in exchange for, such Allowed Priority Tax Claim, at the sole option of the Debtors or the Wind Down Debtors, as applicable, (i) Cash in an amount equal to such Allowed Priority Tax Claim on, or as soon thereafter as is reasonably practicable, the later of (a) the Effective Date, to the extent such Claim is an Allowed Priority Tax Claim on the Effective Date, (b) the first Business Day after the date that is thirty (30) calendar days after the

date such Priority Tax Claim becomes an Allowed Priority Tax Claim, and (c) the date such Allowed Priority Tax Claim is due and payable in the ordinary course, or (ii) such other treatment reasonably acceptable to the Debtors or the Wind Down Debtors (as applicable) and consistent with the provisions of section 1129(a)(9) of the Bankruptcy Code; *provided* that the Debtors and the Wind Down Debtors, as applicable, are authorized in their absolute discretion, but not directed, to prepay all or a portion of any such amounts at any time without penalty or premium. For the avoidance of doubt, Holders of Allowed Priority Tax Claims will receive interest on such Allowed Priority Tax Claims after the Effective Date in accordance with sections 511 and 1129(a)(9)(C) of the Bankruptcy Code.

### **Whinstone Settlement**

As further detailed in the Whinstone Settlement, the Whinstone Settlement effected a global settlement of all known and unknown claims among Rhodium Encore, LLC, its affiliates, and Imperium Investment Holdings, LLC (“**Imperium**”), on the one hand, and Whinstone and Riot Platforms, Inc. (“**Riot**”), the Company that acquired Whinstone in May 2021, on the other hand and brings finality to an otherwise uncertain and burdensome litigation. The Whinstone Settlement also provides for the sale and transfer of certain of the Debtors’ assets located at Whinstone’s Rockdale Site and confers substantial value on the Debtors’ estates. The Whinstone 9019 Motion was filed with the Court on March 21, 2025, and approved by the Court on April 8, 2025. *See Order (I) Approving Emergency Motion for a Settlement and Compromise Between Debtors and Whinstone US, Inc. Pursuant to Bankruptcy Rule 9019; (II) Authorizing the Use, Sale, or Lease of Certain Property of the Debtors’ Estate Pursuant to 11 U.S.C. § 363; and (III) Granting Related Relief* (the “**Whinstone Settlement Approval Order**”) (Docket No. 921).

### **Secured Notes Claims (Classes 1, 2, and 3)**

Secured Notes Claims consist of Claims arising under or related to the Rhodium 2.0 Secured Notes (the “**Rhodium 2.0 Secured Notes Claims**”) (Class 1), Claims arising under or related to the Rhodium Encore Secured Notes (the “**Rhodium Encore Secured Notes Claims**”) (Class 2), and Claims arising under or related to the Rhodium Technologies Secured Notes (the “**Rhodium Technologies Secured Notes Claims**” and, collectively with the Rhodium 2.0 Secured Notes Claims and Rhodium Encore Secured Notes Claims, the “**Secured Notes Claims**”) (Class 3). The Secured Notes Claims have been separately classified under the Amended Plan.

### ***Treatment***

Except to the extent that a Holder of an Allowed Rhodium 2.0 Secured Notes Claims (Class 1), Rhodium Encore Secured Notes Claims (Class 2), or Rhodium Technologies Secured Notes Claims (Class 3) agrees to a less favorable treatment, in full and final satisfaction, settlement, release, and discharge of such Allowed Rhodium 2.0 Secured Notes Claim, Rhodium Encore Secured Notes Claims and Rhodium Technologies Secured Notes Claims, on the Effective Date, or as soon as reasonably practicable thereafter, each such Holder shall receive payment in Cash in an amount equal to such Claim, *provided*, that the aggregate amount of all Allowed Claims shall be reduced by (i) the amount of Cash received by Holders of such Claims as adequate protection and (ii) the amount of Cash received by Holders of such Claims in accordance with the Payment Orders.

#### **Priority Non-Tax Claims (Class 4)**

Classification: Class 4 consists of Priority Non-Tax Claims.

**Transcend Parties Claims (Class 8a)**

Class 8a consists of Transcend Parties Claims.

***Treatment***

In recognition of the Transcend Parties' assertion that they are unable to exercise all of the ADI Warrants because of a purported breach of the ADI Warrants by Rhodium Enterprises, each Holder of an Allowed Transcend Parties Claim shall receive its pro rata share of Cash equal to the difference between (i) Fifteen Million Dollars (\$15,000,000) and (ii) the amount of the distribution received on account of the Transcend Parties Interests in Class 9b, and such distribution, if any, shall reduce the Debtors' distributable Cash, proceeds of Remaining Assets, proceeds from the D&O Insurance Settlement, and proceeds of any other assets of the Debtors prior to the allocation of distributions to the Holders of Claims and Interests in Classes 8b, 8c, and 9b; provided, however, that in the event the Transcend Parties receive a distribution of Fifteen Million Dollars (\$15,000,000) or more on account of the Transcend Parties Interests in Class 9b, the aggregate distribution on account of the Class 8a Transcend Parties Claims shall be \$1.00; and provided further that nothing in this section 4.9(b) shall be construed as preventing the Transcend Parties from obtaining more than Fifteen Million Dollars (\$15,000,000) on account of the Transcend Parties Interests in Class 9b.

Class 8a is Impaired and the Holders of Claims in Class 8a are entitled to vote to accept or reject the Amended Plan.

**SAFE Claims (Class 8b)**

Class 8b consists of SAFE Claims.

***Treatment***

Each Holder of an Allowed SAFE Claim shall receive its pro rata share of fifty percent (50.0%) of the Debtors' distributable Cash; provided, however, that if the Holders of Allowed SAFE Claims vote as a Class to accept the Amended Plan, then each Holder of an Allowed SAFE Claim shall receive its pro rata share of fifty-five percent (55.0%) of (i) the Debtors' distributable Cash, (ii) the proceeds from the liquidation of the Debtors' Remaining Assets, and (iii) the Rhodium D&O Proceeds. In the event the distributions to Holders of Allowed LTIP Claims is capped by operation of clause (ii) above, the aggregate amount of the excess shall be treated as distributable Cash of the Debtors and distributed to the Holders of Allowed Claims and Interests in Classes other than Class 8c in accordance with the Amended Plan.

Class 8c is Impaired and the Holders of Claims in Class 8c are entitled to vote to accept or reject the Amended Plan.

**Rhodium Technologies Interests (Class 9a)**

Class 9a consists of Rhodium Technologies Interests.

---

<sup>5</sup> SAFE Claims shall be afforded the treatment specified in section 4.10(b) of the Amended Plan notwithstanding any reclassification of the SAFE Claims as Interests, whether pursuant to a Final Order sustaining the *Debtors' Omnibus Objection to Claims Pursuant to Section 502(b), Bankruptcy Rule 3007, and Local Rule 3007-1 Because SAFE Holders Do Not Hold Claims* (Docket No. 1126), or the subordination of the SAFE Claims pursuant to section 510(b) of the Bankruptcy Code. Nothing in the Amended Plan or this Amended Disclosure Statement is or shall be construed as an admission by the Debtors that the Holders of SAFE Claims hold Claims rather than Interests.

***Treatment***

As a precursor to steps (b) through (e) in section 5.9 of the Amended Plan and any distributions to Holders of Allowed Rhodium Technologies Interests under section 4.12 of the Amended Plan, and following the Confirmation Date but immediately prior to the Effective Date, Rhodium Technologies shall distribute \$13,160,869.72 in Cash to Imperium, as the Holder of all Allowed Rhodium Technologies Interests in Class 9a, to redeem Imperium's equity interest in Rhodium Technologies, which shall be in full satisfaction of the Imperium Equity Claim. As a result of such redemption, the Rhodium Technologies partnership for purposes of tax treatment shall be deemed to terminate.

Class 9a is Impaired and the Holders of Rhodium Technologies Interests in Class 9a are entitled to vote to accept or reject the Amended Plan.

**Rhodium Enterprises Class A Interests (Class 9b)**

Class 9b consists of Rhodium Enterprises Class A Interests.

***Treatment***

If the Holders of Allowed SAFE Claims vote as a Class to accept the Amended Plan, its pro rata share of (i) 40.8% of the Debtors' distributable Cash, and (ii) 45% of (x) the proceeds from the liquidation of the Debtors' Remaining Assets and (y) the Rhodium D&O Proceeds; or

If the Holders of Allowed SAFE Claims vote as a Class to reject the Amended Plan, its pro rata share of (i) 45.8% of the Debtors' distributable Cash, and (ii) 100% of (x) the proceeds from the liquidation of the Debtors' Remaining Assets and (y) the Rhodium D&O Proceeds.

Notwithstanding the treatment provisions in Class 9b, the distributions to be received by the Transcend Parties on account of the Transcend Parties Interests shall be limited such that the Transcend Parties are entitled only to recover Fifteen Million (\$15,000,000) in total recoveries between the Transcend Parties Claims in Class 8a and the Transcend Parties Interests in Class 9b until such time as the total pro rata distributions to which they would have been entitled on a stand-alone basis on account of the Transcend Parties Interests exceeds Fifteen Million Dollars (\$15,000,000), after which the Transcend Parties will continue to receive pro rata distributions on account of the Transcend Parties Interests.

On the Effective Date, all Rhodium Enterprises Class A Interests held by Imperium or the Founders shall receive no distribution and shall be cancelled, released, and extinguished.

Class 9b is Impaired and the Holders of Rhodium Enterprises Class A Interests in Class 9b are entitled to vote to accept or reject the Amended Plan.

**Imperium REI Interests (Class 9c)**

Class 9c consists of Imperium REI Interests.

***Treatment***

On the Effective Date, all Imperium REI Interests shall be cancelled, released, and extinguished without any distribution; ***provided, however***, that the Holder of Imperium REI Interests shall remain entitled to receive distributions on account of its Class 9a Rhodium Technologies Interests and other Claims as expressly set forth in the Amended Plan (including, without limitation, Section 5.9 of the Amended Plan).

Class 9c is Impaired. In recognition of the treatment afforded to the Holder of Imperium REI Interests on account of its Class 9a Rhodium Technologies Interests, the Holder of Class 9c Imperium REI Interests shall not be entitled to vote such Interests on the Plan; however, nothing herein shall prevent such Holder from voting its Class 9a Rhodium Technologies Interests on the Plan.

**Intercompany Interests (Class 10)**

Class 10 consists of Intercompany Interests.

***Treatment***

Subject to the provisions of and in accordance with Section 5.9 of the Plan, the Holders of Intercompany Interests shall receive no distribution on account of such Intercompany Interests under the Plan. Debtors Jordan HPC LLC, Rhodium 10MW LLC, Rhodium 30MW LLC, Rhodium 2.0 LLC, Rhodium Encore LLC, and Rhodium Enterprises LLC shall continue in being after the Effective Date as Wind Down Debtors. The remaining Debtors shall continue in being after the Effective Date as Wind Down Debtors, or shall be dissolved or merged into other Wind Down Debtors, as set forth in the Plan Supplement, without the need for any further corporate or limited liability company action or approval of any board of directors, management, or shareholders of any Debtor.

Class 10 is Impaired and such Holders of Intercompany Interests are deemed to reject the Amended Plan pursuant to section 1126(g) of the Bankruptcy Code. Therefore, Holders of Intercompany Interests are not entitled to vote to accept or reject the Amended Plan, and the votes of such Holders will not be solicited with respect to such Intercompany Interests.

**Creation of a Litigation Trust**

In accordance with the Amended Plan, if the D&O Insurance Settlement is not approved on or before the Effective Date, or if such settlement is not funded within 15 days of approval, then the Rhodium Litigation Trust shall be established on the earlier of (i) the Effective Date or (ii) the expiration of 15 days following such approval without the D&O Insurance Settlement having been funded. If the D&O Insurance Settlement is approved before the Effective Date (whether by an order under Rule 9019 of the Federal Rules of Bankruptcy Procedure or the Confirmation Order) and funded within 15 days of approval, the Rhodium Litigation Trust shall not be established and the provisions of section 5.2 of the Amended Plan shall not apply.

If the Rhodium Litigation Trust is established under the Amended Plan, then the following provisions shall be applicable:

(a) *Vesting of Trust Assets in Rhodium Litigation Trust.* Upon establishment of the Rhodium Litigation Trust in accordance with the Amended Plan, and except as otherwise expressly provided in the Amended Plan, all Trust Assets shall vest in the Rhodium Litigation Trust free and clear of any and all Liens, obligations, and all other interests of every kind and nature, and the Confirmation Order shall so provide. The Rhodium Litigation Trust, through the Litigation Trust Committee, shall be authorized, but not directed, to pursue, negotiate, and or/settle the Trust Causes of Action and distribute the proceeds in accordance with the Amended Plan. The Rhodium Litigation Trust shall further be entitled to pursue recoveries from any of the D&O Policies on account of the Trust Causes of Action.

(b) *Appointment of Litigation Trust Committee.* Prior to the Confirmation Hearing, the Holders of Transcend Parties Claims, SAFE Claims (if SAFE Claims vote as a Class to accept the Amended Plan), and Rhodium Enterprises Class A Interests shall select one representative from each of such Classes to serve as a member of the Litigation Trust Committee. On and after the Effective Date, the operations of the Rhodium Litigation Trust shall be the responsibility of the Litigation Trust Committee.

(c) *Funding of the Rhodium Litigation Trust.* The Rhodium Litigation Trust Committee shall determine, on or as soon as practicable after the Effective Date, an amount of initial funding for the Rhodium Litigation Trust. Such amount, not to exceed \$5,000,000, shall be distributed to the Rhodium Litigation Trust under the Amended Plan and shall not be included in the Debtors' distributable Cash. The fees and expenses of the Rhodium Litigation Trust, and those of any employees or professionals engaged or retained by the Rhodium Litigation Trust, the Rhodium Litigation Trust Committee, and/or any trustee selected by the Rhodium Litigation Trust Committee to manage the Rhodium Litigation Trust, shall be satisfied from recoveries made by the Rhodium Litigation Trust. None of the Rhodium Litigation Trust, the Rhodium Litigation Trust Committee (in its capacity as such), or any trustee selected by the Rhodium Litigation Trust Committee to manage the Rhodium Litigation Trust, shall be entitled to any payment of fees and expenses from any of the Debtors or the Wind Down Debtors beyond the initial funding set forth in section 5.2(d) of the Amended Plan.

(d) *Pursuit of Trust Causes of Action.* On the later of the Effective Date or the date on which the Rhodium Litigation Trust is established, the Trust Causes of Action shall be vested in the Rhodium Litigation Trust, except to the extent a Holder of any Claim or Interest or other third party has been specifically released from any Trust Cause of Action by the terms of the Amended Plan or by a Final Order of the Bankruptcy Court. The Rhodium Litigation Trust will have the right, in its sole and absolute discretion, to pursue, not pursue, settle, release or enforce any Trust Causes of Action without seeking any approval from the Bankruptcy Court. The Debtors express no opinion on the merits of any of the Trust Causes of Action or on the recoverability of any amounts as a result of any such Causes of Action. All costs and expenses (including legal fees) to pursue the Trust Causes of Action shall be paid either from the initial funding provided in section 5.2(d) of the Amended Plan or from the proceeds of recoveries by the Rhodium Litigation Trust.

**IN THE EVENT THE D&O INSURANCE SETTLEMENT IS NOT APPROVED PRIOR TO THE EFFECTIVE DATE, THE AMENDED PLAN DOES NOT, AND IS NOT INTENDED TO, RELEASE ANY TRUST CAUSES OF ACTION, AND ALL SUCH**

**RIGHTS ARE SPECIFICALLY RESERVED IN FAVOR OF THE RHODIUM LITIGATION TRUST, SUBJECT TO THE LIMITATIONS SET FORTH IN SECTION 5.2(g) OF THE PLAN.** Holders of Claims and Interests are advised that legal rights, claims and causes of action the Debtors may have against them, if they exist, are retained under the Amended Plan for prosecution unless a Final Order of the Bankruptcy Court authorizes the Debtor to release such claims. As such, Holders of Claims and Interests are cautioned not to rely on (i) the absence of the listing of any legal right, claim or right of action against a particular Holder of any Claim or Interest in the Amended Disclosure Statement, the Amended Plan, or the Schedules, or (ii) the absence of litigation or demand prior to the Effective Date of the Amended Plan as any indication that the Debtors or the Rhodium Litigation Trust do not possess or do not intend to prosecute a particular claim or Cause of Action if a particular Holder of a Claim or Interest votes to accept the Amended Plan. It is the expressed intention of the Amended Plan to preserve the Trust Causes of Action and all rights, objections to Claims, and rights of action of the Debtors relating thereto, whether now known or unknown, for the benefit of the Rhodium Litigation Trust in the event the Rhodium Litigation Trust is established. A Trust Cause of Action shall not, under any circumstances, be waived as a result of the failure of the Debtor to describe such Trust Cause of Action with specificity in the Amended Plan or in the Amended Disclosure Statement; nor shall the Rhodium Litigation Trust, as a result of such failure, be estopped or precluded under any theory from pursuing such Trust Cause of Action. Except as expressly provided, nothing in the Amended Plan operates as a release of any of the Trust Causes of Action.

The Debtors do not presently know the full extent of the Trust Causes of Action and, for purposes of voting on the Amended Plan, all Holders of Claims and Interests are advised that the Rhodium Litigation Trust will have substantially the same rights that a Chapter 7 trustee would have with respect to the Trust Causes of Action. Accordingly, neither a vote to accept the Amended Plan by any Holders of Claims or Interests nor the entry of the Confirmation Order will act as a release, waiver, bar or estoppel of any Trust Cause of Action against such Holder of Claims or Interests or any other Person or Entity, unless such Person or Entity is specifically identified by name as a released party in the Amended Plan, in the Confirmation Order, or in any other Final Order of the Bankruptcy Court. Confirmation of the Amended Plan and entry of the Confirmation Order is not intended to and shall not be deemed to have any *res judicata* or collateral estoppel or other preclusive effect that would precede, preclude, or inhibit prosecution of such Trust Causes of Action following Confirmation of the Amended Plan.

The Estates shall remain open, even if the Chapter 11 Cases shall have been closed, as to any and all Trust Causes of Action until such time as the Trust Causes of Action have been fully administered and the recoveries on account of any Trust Causes of Action have been received by the Rhodium Litigation Trust; ***provided, however, that*** nothing in the Amended Plan or the Amended Disclosure Statement shall prohibit the Rhodium Litigation Trust from pursuing any Trust Causes of Action in any courts other than the Bankruptcy Court.

(e) *Prosecution and Settlement of Trust Causes of Action.* The Rhodium Litigation Trust (a) may commence or continue in any appropriate court or tribunal any suit or other proceeding for the enforcement of any Trust Cause of Action which the Debtor had asserted or had power to assert immediately prior to the Effective Date, and (b) may settle or adjust such Trust Cause of Action. From and after the Effective Date, the Rhodium Litigation Trust shall be authorized, pursuant to Bankruptcy Rule 9019 and Section 105(a) of the Bankruptcy Code, to

compromise and settle any Trust Cause of Action in accordance with the following procedures, which shall constitute sufficient notice in accordance with the Bankruptcy Code and the Bankruptcy Rules for compromises and settlements: (i) if the resulting settlement provides for settlement of a Cause of Action or objection to a Claim originally asserted in an amount equal to or less than \$100,000.00, then the Rhodium Litigation Trust may settle the Cause of Action and execute necessary documents, including a stipulation of settlement or release; and (ii) if the resulting settlement involves a Cause of Action or objection to a Claim originally asserted in an amount exceeding \$100,000.00, then the Rhodium Litigation Trust shall be authorized and empowered to settle such Cause of Action only upon Bankruptcy Court approval in accordance with Bankruptcy Rule 9019 and after notice to the required parties.

### **Plan Support Agreement**

On June 10, 2025 the Debtors (acting through the Special Committee) and the Consenting Stakeholders entered into the Plan Support Agreement. The Consenting Stakeholders are the Transcend Parties, certain Holders of Rhodium Enterprises Class A Interests, Imperium, and the Founders. The Plan Support Agreement and its exhibits collectively set forth the principal terms for the consensual distribution of the Debtors' assets embodied in the Amended Plan.

### **Substance Governs**

In accordance with applicable law, the Amended Plan defines and treats the rights and obligations of parties based on the substance of each underlying transaction, notwithstanding the label placed on a written agreement.

### **Wind Down of the Debtors**

The Debtors or the Wind Down Debtors, as applicable, may enter into any transaction that may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary or appropriate to effectuate the Amended Plan, including, but not limited to (i) the execution and delivery of appropriate agreements or other documents of merger, amalgamation, consolidation, restructuring, conversion, disposition, transfer, arrangement, continuance, dissolution, sale, purchase, or liquidation containing terms that are consistent with the terms of the Amended Plan; (ii) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Amended Plan; (iii) the filing of appropriate certificates or articles of incorporation, reincorporation, merger, consolidation, conversion, amalgamation, arrangement, continuance, or dissolution pursuant to applicable state or law and (iv) any mergers, consolidations, restructurings, conversions, dispositions, transfers, formations, organizations, dissolutions, or liquidations necessary or appropriate to simplify or otherwise optimize the Debtors or the Wind Down Debtors, as applicable, organizational structure. The Debtors or the Wind Down Debtors, are considering implementing one or more of these types of transactions pursuant to the Amended Plan for operational, tax, or other reasons. If certain assets are transferred between Debtor entities, the liabilities associated with such assets will also be transferred. Additionally, if a wind down transaction is consummated that results in the merger of one or more Debtor entities issuing debt pursuant to the Amended Plan, then the debt issued by such Debtor will be retained by or issued by the surviving Wind Down Debtors.

Pursuant to the Amended Plan, Debtors Jordan HPC LLC, Rhodium 10MW LLC, Rhodium 30MW LLC, Rhodium 2.0 LLC, Rhodium Encore LLC, and Rhodium Enterprises LLC shall continue in being after the Effective Date as Wind Down Debtors. The remaining Debtors shall continue in being after the Effective Date as Wind Down Debtors, or shall be dissolved or merged into other Wind Down Debtors, as set forth in the Plan Supplement, without the need for any further corporate or limited liability company action or approval of any board of directors, management, or shareholders of any Debtor.

### **Disputed Claims and Interests**

- There are a number of Disputed Claims and Interests that likely will not be resolved prior to emergence. As a result, the Debtors do not know the extent to which the Disputed Claims or Interests will become Allowed Claims or Interests and therefore be entitled to recoveries under section 7 of the Amended Plan.
- The Disputed Claims or Interests may ultimately be Disallowed or Allowed in an amount that is lower or higher than the amount reserved in respect of such Claims or Interests. To the extent any such Disputed Claims or Interests become Allowed, the Debtors or the Wind Down Debtors, as applicable, will distribute Cash to the Holder of such Claim or Interest.

### **Employee Arrangements and Employee Obligations**

Section 8.5 of the Amended Plan provides, among other things, that unless listed on the Schedule of Rejected Contracts, all employment agreements and offer letters shall be deemed assumed on the Effective Date as Executory Contracts pursuant to sections 365 and 1123 of the Bankruptcy Code (which assumption shall include any modifications to such employment agreements).

#### **B. Debtors' Recommendation**

The Debtors are confident that they can implement the Amended Plan to maximize stakeholder recoveries consistent with the Bankruptcy Code.

For this reason, among others, the Debtors strongly recommend that Holders of Claims and Interests entitled to vote on the Amended Plan vote to accept the Amended Plan. With respect to employees, the Amended Plan provides as follows:

- a. Employees shall be entitled to the Severance Benefits set forth on **Exhibit A** attached to the Amended Plan (to be filed with the Plan Supplement), notwithstanding any other previously negotiated contractual terms, in the event that (i) such Employee's employment with the Company is terminated by the Company without Cause and not due to such Employee's death or Disability, or (ii) by the Employee for Good Reason; provided, however, that the Severance Benefits shall be payable only if the Employee executes, and fails to revoke within the statutory revocation period, a release following termination of employment which is, in form and substance, satisfactory to the Company. Each Employee shall receive written notification, as soon as practicable after the Effective Date, of such Employee's Retention Bonus under the Amended Plan.

- b. Unless otherwise listed on the Schedule of Rejected Contracts, all employment agreements and offer letters shall be deemed assumed on the Effective Date as Executory Contracts pursuant to sections 365 and 1123 of the Bankruptcy Code (which assumption shall include any modifications to such employment agreements). Any such assumption shall not trigger any applicable change of control, immediate vesting, termination, or similar provisions therein, including, e.g., any right to severance pay in connection with a change in control. No Employee shall have rights under the assumed Employee Arrangements other than those existing immediately before such assumption (with respect to services performed prior to the Effective Date); *provided* that new rights may arise relating to the performance of services on or after the Effective Date pursuant to the terms of such assumed Employee Arrangements (e.g., go-forward salary and bonus) and any vesting of rights under such Employee Arrangements will be recognized as continuous through the Effective Date.
- c. As of the Effective Date, the Debtors or the Wind Down Debtors, as applicable, shall continue to honor their obligations under all applicable Workers' Compensation Programs and in accordance with all applicable workers' compensation laws in states in which the Debtors or the Wind Down Debtors, as applicable, operate. Any Claims arising under Workers' Compensation Programs shall be deemed withdrawn once satisfied without any further notice to, or action, order, or approval of, the Bankruptcy Court; provided that nothing in the Amended Plan shall limit, diminish, or otherwise alter the Debtors' defenses, Causes of Action, or other rights under applicable law, including non-bankruptcy law, with respect to any such Workers' Compensation Programs; provided, further, that nothing herein shall be deemed to impose any obligations on the Debtors or the Wind Down Debtors in addition to what is provided for under applicable state law.

### C. Confirmation Timeline

The Debtors seek to move forward expeditiously with the Solicitation of votes and a hearing on Confirmation of the Amended Plan in an effort to minimize the continuing accrual of administrative expenses. ### **SUMMARY OF AMENDED PLAN CLASSIFICATION AND TREATMENT OF CLAIMS**

#### **A. Voting Classes**

Pursuant to the Bankruptcy Code, only Holders of Claims or Interests in “impaired” Classes are entitled to vote on the Amended Plan (unless such Holders are deemed to reject the Amended Plan pursuant to section 1126(g) of the Bankruptcy Code). Under section 1124 of the Bankruptcy Code, a Class of Claims or Interests is deemed to be “impaired” unless (i) the Amended Plan leaves unaltered the legal, equitable, and contractual rights to which such Claim or Interest entitles the Holder thereof or (ii) notwithstanding any legal right to an accelerated payment of such Claim or Interest, the Amended Plan cures all existing defaults (other than defaults resulting from the

<sup>6</sup> This date is subject to the Bankruptcy Court's availability.

occurrence of events of bankruptcy) and reinstates the maturity of such Claim or Interest as it existed before the default.

### **III.** **THE DEBTORS' BUSINESS**

#### **A. General Overview**

The Debtors were industrial scale digital asset technology companies utilizing proprietary technologies to mine Bitcoin. The Company achieved sustainability and cost-effectiveness through the use of a fully integrated infrastructure platform, access to low-cost power, and directly owning and operating a majority of the components of its customized mining site. The fully integrated infrastructure platform included a proprietary liquid-cooling technology system, efficiency optimization software, and end-to-end management software allowing the Company to maintain low operating costs and manage energy consumption. Strategically chosen Texas sites allowed the Company to obtain competitive energy pricing through long-term energy contracts. The Company owned some of the largest liquid-cooling mining sites in the world, with approximately 227.5 MW of deployed capacity with mostly liquid-cooled miners across two operational data centers in Texas (the "**Data Centers**"). The Company's principal operations were conducted at a facility in Rockdale, Texas owned by Whinstone with significant infrastructure investment from the Debtors (the "**Rockdale Site**").

The Company's additional bitcoin mining operations were located at a second facility in Temple, Texas (the "**Temple Site**") prior to the Temple Sale. Through the use of proprietary software and infrastructure, the Debtors had the flexibility to curtail operations and release energy capacity during emergencies and high-demand periods, allowing their power supplier to sell unused capacity back to the Texas power market. In exchange, the Debtors had a contractual right to recoup energy credits from their power suppliers. In addition to bitcoin mining operations, the Debtors also provided hosting services to third parties at the Temple Site. From inception, the Debtors built a considerable asset base, gained market trust as a premier hosting provider, and demonstrated a multi-year track record of successful management of their businesses.

## B. Digital Asset Mining<sup>10</sup>

Digital asset mining (“**Mining**”) is the process in which transactions involving cryptocurrency are verified and added to the blockchain public ledger through specialized computers (“**Miners**”) solving a computational encryption puzzle. Mining secures the blockchain network and is also the process through which new coins are added to the existing circulating supply. The Debtors mine the cryptocurrency bitcoin, which operates on a proof of work system. Under a proof of work system, Miners compete with each other to solve complex algorithms to validate a block of transactions; as a reward for being the first to solve an algorithm, the Miner is rewarded with newly created bitcoin. Miners can work together in mining pools to increase their likelihood of solving an algorithm.

The profitability of Mining is driven by a number of key variables, including (1) the price of bitcoin, (2) the Miners’ hash rate, (3) the network hash price,<sup>11</sup> and (4) electricity costs. Hash rate refers to a Miner’s ability to solve algorithmic computations per second; a higher hash rate is more likely to be the first to solve the computation and be rewarded with bitcoin. Hash price is expressed as the monetary value of bitcoin per each terahash per second of computing power generated by a Miner. Electricity costs are important because electricity is used to power the Miners and other equipment within a Mining facility.

## C. Debtors’ History

### i. Company History

The Debtors’ principals first met Whinstone’s then-CEO in 2019, when Whinstone’s “facility” was nothing more than a large plot of empty land. At the time, Whinstone had few employees, limited prospects, and virtually no money. So, it offered certain of the Debtors a guaranteed 10-year electricity deal—the most important cost input for bitcoin mining—and in exchange, those Debtors would pay to build out the Rockdale Site. Critical to the deal was a fixed price for electricity for the 10-year term.

The Debtors were then formed variously between March 2020 and June 2021. The parties formed a joint venture, Rhodium JV LLC (“**Rhodium JV**”), to carry out their deal. The Debtors’ founders owned 87.5% of Rhodium JV’s equity, and Whinstone owned the remaining 12.5%. Rhodium JV serves as a holding company for a number of the operating entities actually conducting the bitcoin Mining operation at the Rockdale Site.

### ii. The Rockdale Site

The Company invested over \$150 million building out the Rockdale Site over two years, which involved installing complex and proprietary infrastructure that cannot readily be used anywhere

<sup>10</sup> A more detailed explanation of Mining can be found in paragraphs 27-37 of the Declaration of David M. Dunn in Support of Chapter 11 Petitions and First Day Relief (the “**First Day Declaration**”) (Docket No. 35).

<sup>11</sup> Network hash price reflects a combination of network hash rate, bitcoin price, and reward/transaction fees, distilled into one metric, that is expressed as the \$ value of bitcoin derived per 1 Th/s (terahashes per second) of computing power.

else. Much of the Rockdale Site investment was funded by outside investors of the Company; certain of the Debtors also incurred related funded debt.

In July 2020, Whinstone and various Debtors entered into hosting agreements, each providing for the Company party to receive quantities of electricity from Whinstone at a fixed price for at least ten years (the “**Hosting Agreements**”). Since that time, many of the Hosting Agreements have been assigned by and among the Debtors.<sup>12</sup>

On December 31, 2020, Whinstone redeemed its ownership interest in Rhodium JV in exchange for 12.5% of Rhodium JV’s profits under its profit sharing agreement (the “**RJV Profit Sharing Agreement**”), effectively giving Whinstone a “synthetic dividend” (the “**Redemption Agreement**”). The RJV Profit Sharing Agreement did not give Whinstone an interest in any other entity’s profits, nor did it expressly mention any of the other contracts among the parties. On the other hand, the accompanying Redemption Agreement provided that the duties and obligations of the parties to each other under any existing hosting or power agreements will continue as set forth in such agreements.

Separately, Whinstone entered into another profit sharing agreement with Air HPC LLC (“**Air HPC**”), which serves as a holding company for another operating entity that conducts a bitcoin Mining operation at the Rockdale site. Under that agreement, Whinstone was receiving 50% of Air HPC’s profits, as defined in such agreement (together with the RJV Profit Sharing Agreement, the “**Profit Sharing Agreements**”).

Rhodium JV and Air HPC are holding companies receiving dividends from their operating subsidiaries. Air HPC conducts mining operations in Building B of the Rockdale Site through its subsidiary Jordan HPC LLC (“**Jordan HPC**”). Rhodium JV conducts the operations in Building C of the Rockdale Site through subsidiaries Rhodium 30MW LLC (“**Rhodium 30MW**”), Rhodium Encore LLC (“**Rhodium Encore**”), Rhodium 2.0 LLC (“**Rhodium 2.0**”) and Rhodium 10MW LLC (“**Rhodium 10MW**”). Building C represents about 80% of Rhodium’s mining capacity at the Rockdale Site while Building B represents the other 20%.

Consistent with the Profit Sharing Agreements, Rhodium JV and Air HPC have regularly passed on the designated percentage of their after-tax cash profits to Whinstone (the “**Profit Sharing Payments**”). The Profit Sharing Payments only attach to the operations at the Rockdale Site, are specifically defined in Annex 2 to the Profit Sharing Agreements, and are separate from the electricity payments due to Whinstone under Hosting Agreements. The Profit Sharing Payments did not start accruing until 2021.

Separately, various Debtors entered into a water supply agreement with Whinstone for the provision of industrial water to assist with cooling of the Debtors’ Miners (the “**Water Supply Agreement**”). Cooling is a critical part of a Mining operation and contributes substantially to the efficiency and profitability of the operation. Rhodium uses a liquid coolant technology employing a dielectric fluid, dramatically increasing their heat efficiency and, consequently, productivity. For this system to work at maximum efficiency, an industrial water supply is necessary for the cooling

<sup>12</sup> A more detailed account of the various Hosting Agreements and specific Debtor entities to which they were assigned can be found in the First Day Declaration.

system and fans to work properly. Because Whinstone refused to perform under the Water Supply Agreement and does not currently provide water services to the contracting Company parties, the cooling system, and thus the Miners themselves, work less efficiently, increasing downtime during periods of high heat. Jordan HPC uses an air cooling system instead of liquid cooling. Whinstone entered into a 25 MW power contract with Jordan HPC.

In total, the Rockdale Site has in place 125 MW worth of infrastructure with a current hash rate of 2.8 EH/s. Whinstone acquired specified assets at the Rockdale Site in connection with the Whinstone Settlement.

### *iii. The Temple Site*

On August 31, 2021, the Company entered into a 10-year datacenter lease with Temple Green Data LLC (“**Temple Green Data**”) to receive datacenter site hosting and power supply services at the Temple Site. The Temple Site mining operation was conducted by Rhodium Renewables LLC (“**Rhodium Renewables**”). The Debtors’ operations at the Temple Site utilized a liquid immersion cooling system. The facility had in place 102.5 MW worth of infrastructure with a then-current hash rate of 2.7 EH/s. The Temple Site was sold in connection with the Temple Sale.

### *iv. Capital Raises*

Certain Company parties conducted several capital raises to fund the investment in its bitcoin Mining infrastructure. To fund the development of the Rockdale Site, certain of the Debtors issued equity and debt to several groups of investors. Investors in Rhodium 30MW and Jordan HPC obtained equity and secured debt in those two entities, respectively, but their debt was paid off early. Rhodium Encore and Rhodium 2.0 raised capital in the form of equity and debt in early 2021. Specifically, Rhodium Encore issued secured notes in the amount of \$23,100,000, under which approximately \$0.634 million is still outstanding with an interest rate of 2.2%. Rhodium 2.0 issued secured notes in the amount of \$31,500,000, under which approximately \$1.029 million is still outstanding and carries the interest rate of 2.20%. The respective equity interests of all investors in the Debtors were subsequently rolled up to Rhodium Enterprises, Inc. (“**Rhodium Enterprises**”) in a June 30, 2021 reorganization (the Rollup defined below).

In July 2024, some of the Rhodium Encore and Rhodium 2.0 noteholders exchanged their notes for approximately \$6.4 million of secured notes of Rhodium Technologies LLC (“**Rhodium Technologies**”), with collateral consisting of certain assets of Rhodium 30MW (the “**Note Exchange**”). The Rhodium Technologies’ notes issued pursuant to the Note Exchange carry an interest rate of 5.5%.

Between June 2, 2021 and October 19, 2021, in an effort to raise capital for the Company, Rhodium Enterprises entered into multiple SAFEs with certain investors, issuing rights to receive shares of Rhodium Enterprises Class A common stock upon the occurrence of subsequent financing or public listing, for a total of \$87 million in aggregate.

In October 2021, in connection with a bridge financing (fully repaid in 2022), Rhodium Enterprises issued the ADI Warrants to certain Transcend Parties in exchange of \$91,108. Among other things, the ADI Warrants provide that, prior to October 1, 2026 at 5:00 p.m. Eastern Time, their holders

are entitled to cumulatively purchase 7,500,000 Class A common stock in Rhodium Enterprises, par value \$0.0001 per share, at a price of \$10.29 per share.

In September 2022, the Debtors issued debt and equity warrants to a group of investors, with notes issued by Rhodium Technologies guaranteed by Imperium and secured by stock of Rhodium Enterprises (the “**2022 Note Issuance**”), and warrants exercisable for shares of Class A common stock in Rhodium Enterprises. Rhodium Technologies’ 2022 Note Issuance was in the amount of \$18,899,900.

In July 2024, some of the Rhodium Encore and Rhodium 2.0 noteholders exchanged their notes for approximately \$6.4 million of new secured notes of Rhodium Technologies, with collateral consisting of certain assets of Rhodium 30MW (i.e., the “**Note Exchange**”). The Rhodium Technologies’ notes issued pursuant to the Note Exchange carry an interest rate of 5.50%.

Rhodium Technologies secured obligations under the Note Exchange currently amount to \$4.429 million, while Rhodium Technologies obligations under the 2022 Issuance amount to \$1.598 million.

*v. The IPO Attempt*

In 2021, in an effort to raise capital for the Company, Rhodium Enterprises underwent a corporate reorganization to become a holding company for Rhodium Technologies in preparation for an Initial Public Offering (the “**IPO**”) on NASDAQ through an Up-C structure. Rhodium Enterprises filed with the Securities and Exchange Commission (“**SEC**”) a Registration Statement on October 28, 2021, an updated Registration Statement on January 18, 2022, and abandoned plans of an IPO in late 2022, withdrawing its Registration Statement on November 15, 2022.

*vi. The Rollup*

Rhodium Enterprises was formed on April 22, 2021 as a Delaware corporation to become a holding corporation for Rhodium Technologies (formerly named Rhodium Enterprises LLC) and its Debtor subsidiaries upon completion of a corporate reorganization that closed on June 30, 2021 (the “**Rollup**”). Rhodium Enterprises is the sole managing member of Rhodium Technologies. It controls and is responsible for all operational, management and administrative decisions related to Rhodium Technologies’ business and consolidates the financial results of Rhodium Technologies and its subsidiaries.

Pursuant to the Rollup, the Company completed the execution of its corporate reorganization whereby (1) all non-controlling interest unit holders of Rhodium 30MW, Jordan HPC, Rhodium Encore, Rhodium 2.0, and Rhodium 10MW; and (2) all non-controlling interest unit holders of Rhodium Technologies (collectively, the “**Rollup Participants**”) entered into a transaction whereby in-kind contributions of the Rollup Participants’ ownership in the respective entities (the “**Non-Controlling Membership Interests**”) were made to Rhodium Enterprises in exchange for 110,593,401 shares of Class A common stock, par value \$0.0001 per share, of Rhodium Enterprises (the “**Class A Common Stock**”) in the aggregate. Rhodium Enterprises then transferred the Non-Controlling Membership Interests to Rhodium Technologies in exchange for units of Rhodium Technologies (“**Rhodium Units**”) as a value-for-value in-kind contribution.

As a result of the Rollup, (a) Imperium retained 180,835,811 Rhodium Units, or approximately 62.1% of the economic interest in Rhodium Technologies, (b) Rhodium Enterprises acquired 110,593,401 Rhodium Units, or approximately 37.9% of the economic interest in Rhodium Technologies, (c) Rhodium Enterprises became the sole managing member of Rhodium Technologies, responsible for all operational, management and administrative decisions relating to Rhodium Technologies' business, and consolidates financial results of Rhodium Technologies and its subsidiaries, (d) Rhodium Enterprises became a holding company whose only material asset consists of membership interests in Rhodium Technologies, (e) Rhodium Enterprises issued 100 shares of its Class B common stock, par value \$0.0001 per share, to Imperium, which has 100% of the outstanding voting power of Rhodium Enterprises, (f) Rhodium Enterprises issued 110,593,401 shares of Class A Common Stock to the Rollup Participants,<sup>13</sup> which have certain limited voting rights, and (g) Rhodium Technologies directly or indirectly owns all of the outstanding equity interests in the subsidiaries through which the Company operates its assets. As of the Petition Date, Imperium owned 177,357,448 Rhodium Units and Rhodium Enterprises owned 114,332,113 Rhodium Units. In other words, Imperium owns approximately 60.67% of Rhodium Technologies, and Rhodium Enterprises owns approximately 39.33% of Rhodium Technologies, which in turn owns, directly or indirectly, the operating subsidiaries of the Company.

*vii. Data Centers and Business Operations*

The Company was previously an operator of dedicated, purpose-built facilities for Mining. As of the Petition Date, the Company's primary business activities consisted of Mining utilizing Company-owned Miners to process transactions conducted on the bitcoin network in exchange for transaction processing fees awarded in digital currency assets. The Company used two facilities: the co-located Rockdale Site and the leased Temple Site. As of the Petition Date, the Debtors operating the Rockdale Site own 42,504 Miners, of which they leased 8,880 Miners to Rhodium Renewables operating the Temple Site, with 33,624 remaining at the Rockdale Site in Buildings B and C. As of the Petition Date, Rhodium Renewables had 20,088 Miners deployed at the Temple Site, of which 8,880 were leased from Debtors operating the Rockdale Site and 11,208 were owned by Rhodium Renewables. As of the Petition Date, Rhodium Renewables hosted at the Temple Site an additional 5,376 Miners owned by a non-debtor, for a total of 25,464 Miners deployed at that Site. Additionally, Rhodium Renewables kept 10,486 Miners at the Temple Site that were not deployed but were used as spares or "bench" parts.

Rhodium Shared Services provides operational services to the Debtors under a Shared Services Agreement (the "SSA"). Under the SSA, Rhodium Shared Services provides the Debtors with employees, utilities, insurance, services related to taxes, certain other professional services, vendor contracts, and other operational needs of the Debtors.

As of the Petition Date, the Debtors' primary source of revenue was revenue generated from the sale of bitcoin mined by Company-owned Miners. Additional revenue was generated from

<sup>13</sup> For avoidance of doubt, the referenced 110,593,401 shares of Class A Common Stock do not include any of the shares of Proof Proprietary Investment Fund Inc., Proof Capital Alternative Income Fund, and Proof Capital Alternative Growth Fund resulting from the conversation of debt relating to the 2022 Issuance into equity of Rhodium Enterprises.

Debtors' Miner hosting operations at the Temple Site, pursuant to which a non-debtor paid Rhodium Renewables for the energy consumed by that non-debtor's 5,376 Miners hosted at the Temple Site and a profit share depending on performance and market conditions, and the sale of unused electricity at the Temple site, generally when more profitable to do so than mine bitcoin.

The Company has focused on bitcoin Mining since its inception. The Company's Mining subsidiaries participated in "mining pools" organized by its mining pool operators, in which the Company shares its Mining subsidiaries' mining power with the hash rate generated by other miners participating in the pool to earn cryptocurrency rewards. The mining pool operator provides a service that coordinates the computing power of the independent Mining enterprises participating in the mining pool. Revenues from cryptocurrency Mining are impacted by volatility in bitcoin prices, as well as increases in the bitcoin blockchain's hash rate resulting from the growth in the overall quantity and quality of Miners working to solve blocks on the bitcoin blockchain and the difficulty level associated with the secure hashing algorithm employed in solving the blocks.

***viii. Other Sources of Revenue***

Additional revenue was generated from hosting operations and electricity sales. At the Temple Site, Rhodium Renewables hosted 5,376 Miners owned by a non-debtor. Under the miner hosting arrangement, the non-Debtor paid Rhodium Renewables for the energy consumed by its Miners and a profit share depending on performance and market conditions.

Specifically, Rhodium Technologies secured obligations under the Note Exchange currently amount to approximately \$4.429 million, while Rhodium Technologies obligations under the 2022 Issuance amount to approximately \$1.598 million.

#### **D. Litigation against the Company**

##### ***i. The Whinstone Litigation:***

The dispute with Whinstone was connected to one of Rhodium’s largest competitors, publicly-listed Riot Blockchain, Inc. (“**Riot**”), which acquired Whinstone in a “strategic acquisition” on May 26, 2021. In its 2021 Form 10-K, Riot discussed its newly acquired business of co-location services for bitcoin mining companies and an expansion project of the Rockdale Site to add several new buildings for liquid-cooled mining operations. Riot touted that “the Whinstone Facility provides the critical infrastructure and workforce necessary for institutional-scale miners to deploy and operate their miners.” It also stated that “[w]e provide our clients with licensed space in specifically designed buildings to operate large quantities of miners with access to sufficient amounts of electricity to operate those miners under colocation agreements.” There was, however, an obstacle in Riot’s way: Rhodium, its Miners, its hosting clients, and its long-term contracts at competitive energy rates meant to compensate Rhodium for its investment in the very infrastructure Riot was now advertising.

In its public SEC filings, Form 10-Q for 2023 Q2, Riot acknowledged that the contracts with Rhodium are “Legacy Contracts inherited through the Whinstone acquisition containing below-market terms.” Riot wanted to either replace those contracts with “revised hosting agreements on market terms,” or, as it has done with other “Legacy Hosting” clients, remove Rhodium from the premises and use Rhodium’s infrastructure “as part of [Riot’s own] Bitcoin Mining operations.”

The purported dispute that led to Whinstone filing suit concerned the payments due to Whinstone under the contracts described above, specifically the Profit Sharing Agreements.

In April 2023, Whinstone’s counsel wrote to Rhodium JV, Air HPC, Rhodium 30MW, and the Rhodium parent company to notify them that certain Rhodium entities had allegedly breached the Profit Sharing Agreements by an alleged failure to pay fees due under those agreements, and demanded over \$13.5 million to remedy the underpayments and other alleged contractually owed amounts. Whinstone’s counsel further stated that Whinstone would terminate the Profit Sharing Agreements if Rhodium did not comply with the demand.

Shortly thereafter, on May 2, 2023, Whinstone filed the Whinstone Litigation against certain Debtors, a breach of contract case captioned Whinstone US, Inc. v. Rhodium 30 MW LLC, Rhodium JV LLC, Air HPC LLC, and Jordan HPC LLC, Case No. CV41873, pending in the 20th District Court of Milam County, Texas. Whinstone amended the petition twice, alleging that Rhodium breached the terms of the Profit Sharing Agreements related to the Rockdale Site where

Rhodium conducts bitcoin Mining operations, resulting in an alleged underpayment of now twice as much as Whinstone previously claimed: \$26 million in hosting and service fees. Whinstone also sought, among other things, a declaration that the Profit Sharing Agreements replace or supersede its other agreements with the Debtors.

Rhodium successfully moved to compel arbitration, and in September 2023 the trial court ordered the parties to arbitrate Whinstone's claims and stayed the suit pending the outcome of the arbitration.

Over six weeks later—and without taking any steps to commence arbitration—Whinstone filed a petition for writ of mandamus in the Third Court of Appeals in Texas (the “**Third Court**”). The Third Court denied the petition on Wednesday, November 22, 2023 (the day before Thanksgiving).

Acting without warning late in the evening on Monday, November 27, 2023—the next business day—Whinstone shut off the power supply to all Rhodium operations at the Rockdale Site and had armed security escort a Rhodium employee at the Rockdale Site off the premises.

While the shutdown was happening, notwithstanding stayed litigation and a court order to arbitrate the dispute, and while refusing to engage in arbitration with Rhodium, on November 27, 2023, Whinstone, through its counsel, sent a “Notice of Termination” letter (the “**Notice of Termination**”) to the Rhodium defendants’ counsel, notifying the Rhodium defendants that the Profit Sharing Agreements were “terminated effective immediately” because of the failure to pay the amount demanded by the April 2023 letter. The November 2023 letter stated that because of the termination, “Whinstone immediately ceases providing power and Hosting Services to Rhodium pursuant to” the Profit Sharing Agreements, and effectively threatened to begin removing Rhodium’s equipment, because it demanded an address to which the equipment should be sent.

This unlawful shutdown was an existential threat to Rhodium. Accordingly, Rhodium filed an emergency motion for a temporary restraining order and temporary injunction in the district court, asking the court for a temporary injunction requiring Whinstone to reinstate Rhodium’s access to the premises, restore power, water, and all other utilities at the site, and in all other respects restore the status quo. The trial court first entered a temporary restraining order and then, after a five-hour evidentiary hearing, granted the temporary injunction on December 12, 2023. The trial court explained that Rhodium faced irreparable harm on multiple fronts, including permanent harm to its equipment and custom-built facilities, immeasurable harm to its goodwill and reputation, loss of its highly skilled Rockdale Site workforce, and the likelihood that Rhodium would go out of business. Rhodium gave the required \$1,000,000 security, and Whinstone appealed the injunction to the Third Court.

Throughout the course of those proceedings, and despite the district court’s order compelling arbitration, Whinstone repeatedly refused to initiate an arbitration. Thus, on December 11, 2023, Rhodium initiated arbitration against Whinstone relating to the claims and counterclaims at issue, including Rhodium’s claims for energy credits and its damages under the Water Supply Agreement. Whinstone then sent a letter to the American Arbitration Association (“**AAA**”) threatening to sue it for exercising jurisdiction over the dispute. Nevertheless, Whinstone filed an

answer and counterclaims on December 29, 2023, and the parties began the arbitrator selection process under the rules of the AAA.

However, shortly thereafter, Whinstone decided once again to turn off the power to Rhodium's operations. It abruptly disconnected power to Building C at the Rockdale Site—which houses about 80% of Rhodium's operations at the Rockdale Site—late in the evening on Friday, January 12, 2024. Earlier that day, Rhodium had a minor failure of one of its over 600 fans, resulting in a small spill of BitCool, a non-toxic, non-hazardous, biodegradable coolant similar to a mineral oil that is used in Rhodium's immersion cooling systems. The spill was quickly cleaned up. Citing this incident, Whinstone again shut down Rhodium's power, this time having a Riot attorney send Rhodium a "Notice of Suspension," claiming that Whinstone had a right to contractually suspend power indefinitely. Whinstone allegedly relied on the RJV Profit Sharing Agreement to switch off power to all operating subsidiaries of the Company housed in Building C.

The improper shutdown caused extensive damage to Rhodium's equipment and infrastructure that further reduced the ability to mine bitcoin and required significant time and expense to repair. It is unclear whether Whinstone was profiting from the shutdown by selling the unused electric power capacity back to the ERCOT market. But Whinstone was contractually obligated to guarantee the provision of electricity for at least 96-97% of the time—which was not happening during its arbitrary power shutdowns.

Rhodium filed various motions seeking to cause Whinstone to restore power to Rhodium's operations at the Rockdale Site, and was ultimately successful in obtaining an emergency order from an emergency arbitrator, who, unpersuaded by Whinstone's pretextual safety concerns after a two-day evidentiary hearing, ordered Whinstone to once again restore Rhodium's power and site access. This time—and for now—Whinstone complied. All together, Whinstone unjustifiably kept the power off for eight weeks, costing Rhodium over \$9 million dollars in unmined bitcoin and causing significant harm to Rhodium's business.

Undeterred, Whinstone subsequently sent another letter threatening the AAA for exercising jurisdiction—and this time adding a threat against the emergency arbitrator personally.

Whinstone successfully appealed the earlier Milam County court's temporary injunction, and on March 27, 2024, the Third Court vacated that temporary injunction solely on the ground that certain provisions of the injunction order were vague. The appellate ruling did not disturb any of the district court's underlying factual or legal conclusions regarding the need for injunctive relief against the Notice of Termination.

Given the risk of irreparable harm should Whinstone implement the Notice of Termination, Rhodium immediately sought a further order from the emergency arbitrator. On April 3, 2024, the emergency arbitrator issued an order confirming that the district court's injunction remained in full force and effect at least until the appeals court issued its mandate in June 2024. Thus, there was no need for the emergency arbitrator to enter a further injunction at that time.

But in April 2024, Whinstone tried again: it purported to tender to Rhodium JV, Rhodium 30MW, Jordan HPC, and Air HPC a new, broader notice of termination of all power agreements and profit sharing agreements with any and all Rhodium entities, which was not sensibly based on any terms

of the challenged contracts. In response, in June 2024, Rhodium obtained interim relief in the arbitration enjoining Whinstone from acting on any of its notices of termination or its Notice of Suspension.

Defending the Whinstone Litigation in multiple forums was costly, and the costs were escalating as Rhodium continued playing whack-a-mole defending itself against Whinstone's self-help and appeals in various forums. The Whinstone Litigation was, however, a bet-the-company litigation: if Whinstone succeeded, Rhodium would have lost not just its damages but, more importantly, its life-blood—the energy supply to its mining site—and also its very access to the Rockdale Site with all the customized infrastructure in which Rhodium invested over \$150 million over two years and which is not readily movable to another location. This would have left Whinstone with a windfall of the infrastructure and highly desirable energy contracts necessary to conduct Mining operations, which Rhodium's competition and Whinstone's strategic purchaser, Riot, would thus have inherited.

As explained in more detail below, in November 2024, the Bankruptcy Court heard summary judgment motions and held a trial on issues related to the Assumption Motions (as defined below). The Bankruptcy Court denied the Debtors' and Whinstone's summary judgment motions, and, on December 16, 2024, issued a written opinion (the "**Phase One Assumption Order**") (Docket No. 579) finding for the Debtors on all issues tried during Phase One of the Assumption Litigation (each as defined below). Many of the findings in the Phase One Assumption Order bore directly on questions at issue in the Whinstone Litigation. On February 11, 2025, several of the Debtors filed a Complaint against Whinstone and Riot, alleging over \$300 million in damages (Docket No. 770). On February 22, 2025, after the Mediation (as defined below), the Court issued an order resolving the second phase of the Assumption Litigation (Docket No. 800). On February 24, 2025, Whinstone filed a notice of appeal of the Assumption Orders (as defined below) (Docket No. 814) (the "**Appeal**").

## *ii. The Second Whinstone Litigation*

Undeterred by its lack of success in the first Whinstone Litigation, Whinstone tried again, but in a different forum: on July 19, 2024, Whinstone filed an action in the District Court of Tarrant County, Texas, *Whinstone US, Inc. v. Imperium Investment Holdings LLC, Nathan Nichols, Chase Blackmon, Cameron Blackmon, Nicholas Cerasuolo, Rhodium Enterprises, Inc., Rhodium Technologies, LLC, and Rhodium Renewables, LLC*, Cause No. 153-354718-24 (the "**Second Whinstone Litigation**"). The case alleged various causes of action in relation with the Profit Sharing Agreements, including primary and control liability as well as aiding liability under sections 33(B) and 33(F) of the Texas Securities Act, fraud/fraudulent inducement, and conspiracy. The main allegations claimed that Whinstone suffered damages as a result of various capital raises and restructurings of the Debtors, which, Whinstone alleged, decreased its revenues derived from the Profit Sharing Agreements. In making such allegations, Whinstone forgot that such capital raises were necessary to provide capital to build out the Rockdale Site for the benefit of both Rhodium and Whinstone, and that without investor contributions, there would be no Rockdale Site infrastructure or any profits to share in the first place. By filing an action against the ultimate parent of the Debtors, Imperium, Whinstone attempted to stifle any further attempts at out-of-court restructuring of the Company.

### iii. *The Whinstone Settlement*

On March 21, 2025, the Debtors filed an *Emergency Motion for Entry of an Order (I) Approving Settlement Between Debtors and Whinstone US, Inc.; (II) Authorizing the Use, Sale, or Lease of Certain Property of the Debtors' Estate Pursuant to 11 U.S.C. § 363; and (III) Granting Related Relief* (the “**Whinstone Settlement Motion**”) (Docket No. 921). On April 8, 2025, the Court entered its *Order (I) Approving Emergency Motion for a Settlement and Compromise Between Debtors and Whinstone US, Inc. Pursuant to Bankruptcy Rule 9019; (II) Authorizing the Use, Sale, or Lease of Certain Property of the Debtors' Estate Pursuant to 11 U.S.C. § 363 and (III) Granting Related Relief* (“**Whinstone Settlement Order**”).

As set forth in further detail in the Whinstone Settlement Motion and Whinstone Settlement Order, the Debtors and Whinstone entered into the Whinstone Settlement (also referred to herein as the “**Whinstone Transaction**”), pursuant to which the parties resolved both the first Whinstone Litigation and the Second Whinstone Litigation, and the Debtors received “\$185 million consisting of the following: (i) \$129.9 million in cash; (ii) \$6.1 million return of power security deposit; and (iii) \$49 million in Riot Stock, which will be priced using the last 10 trading days volume-weighted average price immediately prior to the date of the closing of the Settlement & Asset Purchase Transaction which, for the avoidance of doubt, shall not occur prior to the Closing, and the Riot Stock will not be subject to any transfer restrictions.” Whinstone Settlement Motion at 9.

The Whinstone Transaction closed on April 28, 2025.

### iv. *The MGT Action*

On January 13, 2022, Rhodium was named as a defendant in a civil lawsuit alleging infringement of two patents and seeking compensatory and other damages. The case is captioned *Midas Green Technologies, LLC v. Rhodium Enterprises, Inc. et al.*, Civil Action Number 6:22-CV-00050-ADA, and is pending in the U.S. District Court for the Western District of Texas (the “**MGT Action**”). The initial complaint named defendants Rhodium Enterprises, Rhodium Technologies, Rhodium 10MW, Rhodium 2.0, Rhodium 30MW, Rhodium Encore, Rhodium Industries, Rhodium JV, Rhodium Renewables, Rhodium Shared Services, Rhodium Shared Services PR Inc., Chase Blackmon, Cameron Blackmon, and Nathan Nichols. The plaintiff has amended its complaint multiple times, most recently filing a Third Amended Complaint on March 29, 2023, naming defendants Rhodium Enterprises, Rhodium Technologies, Rhodium 10MW, Rhodium 2.0, Rhodium 30MW, Rhodium Encore, Rhodium Renewables, Rhodium Renewables Sub LLC (“**Rhodium Renewables Sub**”), and Rhodium Ready Ventures.

The Rhodium defendants asserted counterclaims for noninfringement, invalidity, and unenforceability of both asserted patents. The plaintiff subsequently dropped its claims against Rhodium Renewables Sub and Rhodium Ready Ventures, dropped one of the two originally asserted patents, and narrowed the asserted claims as to the remaining patent. The matter is pending at this time with respect to only one asserted patent. Discovery closed on February 9, 2024. The court held a pretrial conference on April 9, 2024. At the conference, the court orally granted defendants’ motion for summary judgment of noninfringement. Plaintiff then requested the opportunity to readdress the court’s ruling after revising an expert’s report. The court expressed that it did not think plaintiff could present additional evidence that would benefit the court, but

said that it would let the parties know if that changed. The court has not further responded to or ruled on plaintiff's request. The trial, previously scheduled for April 22, 2024, has been continued without a new trial date set. It is unclear at this time whether plaintiff will be appealing the court order.

*v. The Fairbairn Action (Post-Petition)*

On December 13, 2024, Imperium was named as a defendant in a civil lawsuit alleging fraudulent inducement of the plaintiffs' (collectively, the "**Fairbairn Parties**") investment in the Company, and other fraudulent behavior in connection with, among other things, the Rollup. The case is captioned 345 Partners SPV2 LLC, et al. v Imperium Investments Holdings, LLC, et al., Cause No. 342-360258-24, and is pending in the in the 342nd District Court in Tarrant County, Texas (the "**Fairbairn Action**"). The complaint named defendants Imperium, Chase Blackmon, Cameron Blackmon, Nathan Nichols, and Nicholas Cerasuolo. Though no Debtors are named defendants in the Fairbairn Action, the Debtors believe that the Fairbairn Action violates the automatic stay imposed by section 362 of the Bankruptcy Code and on December 13, 2024, filed a notice of bankruptcy in the Fairbairn Action to that effect.

After the Fairbairn Action was filed, the Fairbairn Parties and certain other related parties (as listed on Exhibit B to the Plan Support Agreement, the "**Transcend Parties**") participated in the mediation with the Debtors and other key stakeholders aimed at developing a consensual chapter 11 plan for the Debtors. See section VI.J, "Internal Investigation and Amended Plan Mediation," *infra*. As a result of that mediation and the subsequent negotiations described in Section VI.J, the Transcend Parties became Consenting Stakeholders under the Amended Plan and the Plan Support Agreement.

Under the Amended Plan, the claims and causes of action described in the Fairbairn Action are Transcend Contributed Claims. The Transcend Contributed Claims will be contributed to the Debtors' Estates or, if the D&O Insurance Settlement is not approved on or before the Effective Date and funded within fifteen days of such approval, to the Rhodium Litigation Trust, as part of the overall settlements embodied in the Amended Plan.

**SIGNIFICANT EVENTS LEADING TO THE CHAPTER 11 FILINGS**

**A. Challenges Facing Debtors' Business**

Although the Debtors' operating performance remained strong at all times, a number of factors affected the Debtors' liquidity. These primary factors include, among other things: (i) the souring of the relationship between Rhodium and its principal landlord and power supplier, Whinstone, after Riot acquired Whinstone; (ii) ongoing litigation costs, including litigation with Whinstone; (iii) power supply interruptions caused by Whinstone; (iv) weather-related power supply disruptions; and (v) Whinstone's refusal to pay Rhodium energy credits. These events leading to the chapter 11 filing are discussed in further detail below.

***i. Whinstone's Acquisition by Riot***

One of the largest competitors of Rhodium, publicly-listed Riot, acquired Whinstone in May 2021 and then attempted to oust Rhodium from the Rockdale Site using both litigation and self-help. Rhodium developed the Rockdale Site with a two-year investment of over \$150 million in custom infrastructure in exchange for certain favorable long-term contracts, which Riot intended to terminate so that it could take over and use the location for its own purposes (see the Whinstone Litigation section above). These activities of Riot caused significant disruptions in the Debtors' business (see Whinstone Litigation above).

***ii. Whinstone Litigation Costs***

The Debtors fight in parallel multiple lawsuits, the most important of which is the Whinstone Litigation.

The Whinstone Litigation is carried on between state courts and arbitration, with interlocutory appeals in state courts. Whinstone filed a breach of contract lawsuit on May 2, 2023, against certain Debtors in the 20th District Court of Milam County, Texas. After Rhodium successfully compelled arbitration, it ended up having to file an arbitration complaint itself, because Whinstone was refusing to comply with the court's arbitration order and instead engaged in self-help and meritless appeal of the order compelling arbitration. The various necessary injunctions and temporary restraining orders, along with their appeals and a related arbitration, caused a significant drain of both personnel and financial resources on the Debtors. The unpredictability and constant threat of irregular litigation tactics of Whinstone made budgeting for this litigation difficult and render long-term business planning almost impossible under the circumstances.

As if that was not enough, Whinstone filed yet another suit against certain Debtors and their non-Debtor affiliates in the Tarrant County, Texas, state court on July 19, 2024. Playing whack-a-mole with Whinstone's actions brought in various fora was not only costly, but also disruptive to the operations of the Company, making planning for business operations and budgeting extremely difficult.

Rhodium also has a patent lawsuit in the MGT Action in the Western District of Texas pending since January 13, 2022. *See supra* § IV.D.iv.

***iii. Power Supply Interruptions Caused By Whinstone***

Riot, a competitor of the Company, acquired Whinstone in May 2021 and, in unlawful efforts to eject Rhodium from the Rockdale Site that Rhodium had developed, Riot caused Whinstone to engage in self-help, locking out the Debtors from the Rockdale Site and turning off the power supply to the Debtors' bitcoin Mining infrastructure at the Rockdale Site. After a state court ordered Whinstone to restore the power supply to the Debtors' infrastructure, Whinstone initially complied, but a few weeks later again switched off power to the facility for weeks before Rhodium was able to obtain an emergency order from an arbitrator for Whinstone to restore power. These interruptions of electricity supply to the Debtors' bitcoin Miners further resulted in significant losses to the Debtors due to both the loss of bitcoin revenue estimated to be at least \$9 million as well as lengthy, costly repairs to the equipment damaged by the improper shutdown, for a total of at least \$10 million.

*iv. Weather Related Power Supply Disruptions*

Both the Rockdale Site and the Temple Site are located in Texas. Although Texas locations have the advantage of lower energy prices, they also come with the unreliability of power supply, which is especially exacerbated during storms. The Data Centers utilized by the Debtors were affected by multiple storms and adverse weather events.

*v. Whinstone's Refusal to Pay Rhodium Earned Energy Credits*

Certain Debtors have agreements with Whinstone to reduce energy use during high energy demand, so Whinstone, as Rhodium's power provider, could sell excess capacity back to the Texas power markets in exchange for energy credits. But Whinstone did not credit the Debtors with any of the earned energy credits to which the Debtors are contractually entitled, neither for voluntary reduction of energy usage, such as during periods of increased power demand in the ERCOT markets, nor for involuntary reductions, such as during power shutdowns at the Rockdale Site. This continued pattern of repeated contractual breaches by Whinstone over the last several years has resulted in an uncompensated loss of revenue for the Debtors of at least \$67 million.

**B. Restructuring Efforts**

In early 2024, the Debtors began to explore options for a comprehensive restructuring solution and engaged Quinn Emanuel with respect thereto. In summer 2024, the Debtors engaged Province.

The Debtors and their advisors engaged with their creditor constituents about alternative paths forward.

The Debtors needed breathing space to stabilize their operations, negotiate with their creditors, stop constant threats of power interruptions and other self-help initiatives of Whinstone, concentrate litigation in one forum to the extent possible, and obtain time to expeditiously resolve the Whinstone Litigation to regain access to liquidity and amounts owed to Debtors by Whinstone, including tens of millions of dollars in energy credits.

The Debtors obtained DIP financing: under the DIP Facility, the Debtors gained critical access to DIP financing in the aggregate amount of up to \$30 million or 500 bitcoin.

**OVERVIEW OF CHAPTER 11 CASES**

**A. Commencement of Chapter 11 Cases**

*i. First/Second Day Relief*

On or about the Petition Date, along with their voluntary petitions for relief under chapter 11 of the Bankruptcy Code, the Debtors filed several motions (the "**First Day Motions**") designed to facilitate the administration of the Chapter 11 Cases and minimize disruption to the Debtors' operations by, among other things, easing the strain on the Debtors' relationships with employees and vendors resulting from the commencement of the Chapter 11 Cases. The Debtors also filed an application to retain Kurtzman Carson Consultants, LLC dba Verita, as claims, noticing, and

solicitation agent (the “**Claims Agent Application**”), which was approved by the Bankruptcy Court on August 29, 2024 (Docket No. 43).

Following the first-day hearing held on August 30, 2024, the Bankruptcy Court granted all of the relief requested in the First Day Motions on an interim or final basis. Following the final hearing held on September 23, 2024, the Bankruptcy Court entered orders granting the rest of the relief on a final basis (collectively, the “**First Day Relief**”). The First Day Relief included authority to:

- Continue and maintain insurance and surety bond programs (Docket No. 75);
- Continue the use of the Debtors’ cash management system, bank accounts, and business forms (Docket No. 177);
- Use Cash Collateral (Docket No. 178);
- Pay employee expenses and payroll taxes (Docket No. 179); and
- Bid Procedures Order (“**Bid Procedures Order**”) (Docket No. 187).

The First Day Motions, the Claims Agent Application, and all orders for relief granted in the Chapter 11 Cases can be viewed free of charge at <https://www.veritaglobal.net/rhodium>.

*ii. Other Procedural and Administrative Motions*

The Debtors also obtained procedural relief to facilitate further the smooth and efficient administration of the Chapter 11 Cases and reduce the administrative burdens associated therewith, including:

- **Complex Case Designation.** The Debtors obtained an order designating their Chapter 11 Cases as a Complex Case and applying the Procedures for Complex Cases in the Southern District of Texas (Docket No. 9).
- **Joint Administration.** The Debtors obtained an order enabling the joint administration of their Chapter 11 Cases under the case name Rhodium Encore LLC (Docket No. 41).
- **Extension of Time to file Schedules and SOFAs.** The Debtors obtained an order (i) granting them an extension of time to file their schedules of assets and liabilities, schedules of executory contracts and unexpired leases, statements of financial affairs detailing known Claims against the Debtors, and Bankruptcy Rule 2015.3 reports (the “**Schedules and SOFAs**”) (Docket No. 78).
- **Authorization for the Debtors to file a matrix of their creditors on a consolidated basis** (Docket No. 77).
- **Retention of Chapter 11 Professionals.** The Debtors obtained orders authorizing the retention of various professionals to assist them in carrying out their duties under the Bankruptcy Code during the Chapter 11 Cases, including: (i) Quinn Emanuel,

as counsel to the Debtors (Docket No. 260); (ii) Province, as financial advisor (Docket No. 261); (iii) Stris & Maher, LLP, as special litigation counsel (Docket No. 262); (iv) Lehotsky Keller Cohn LLP, as special litigation counsel (Docket No. 263); (v) Barnes & Thornburg LLP, as counsel to the special committee (“**Special Committee**”) of the Board of Directors (“**Board**”) of Rhodium Enterprises (Docket No. 266); (vi) BDO USA, P.C. as financial advisor to the Special Committee (Docket No. 417); and (vii) B. Riley Securities, Inc. (“**BRS**”) as financial advisor and investment banker (Docket No. 418).

- Ordinary Course Professionals Order. The Debtors obtained entry of an order establishing procedures for the retention and compensation of certain professionals utilized by the Debtors in the ordinary course operations of their businesses (Docket No. 289).
- Interim Compensation Procedures. The Debtors obtained entry of an order establishing procedures for interim compensation and reimbursement of expenses of estate professionals (Docket No. 264).

## **B. DIP Financing**

### *i. DIP Facility*

As of the Petition Date, the Debtors had approximately \$2.49 million cash on hand and required immediate access to cash. The Debtors sought authority to use their prepetition secured creditors’ cash collateral to fund their operations and the Chapter 11 Cases. The Debtors also sought approval of their entry into a superpriority secured debtor-in-possession credit facility in an aggregate principal amount of up to either \$30 million or 500 bitcoin provided by certain funds and accounts under management by Galaxy Digital and agented by Galaxy Digital LLC (the “**DIP Facility**”). The DIP Facility provided for (i) upon entry of the interim order, initial availability of either \$15 million or 250 bitcoin to provide Debtors with needed liquidity immediately, and (ii) upon entry the final order, availability of the remaining DIP Facility of either \$15 million or 250 Bitcoin. The DIP Facility placed numerous obligations upon the Debtors, such as milestones throughout the Chapter 11 Cases.

The Bankruptcy Court entered an order granting the Debtors authority to use their prepetition secured creditors’ cash collateral to fund their operations and the Chapter 11 Cases on September 23, 2024 (Docket No. 178). The Bankruptcy Court approved the DIP Facility on an interim basis on August 30, 2024 (Docket No. 84) and on a final basis on September 24, 2024 (Docket No. 186). The Company drew down \$15 million on the DIP Facility.

On December 19, 2024, using proceeds from the Temple Sale, the Debtors paid all outstanding amounts due under or on account of the DIP Facility, and the DIP Facility was terminated. Accordingly, as of the date hereof, there are no amounts outstanding under the DIP Facility, no Person Holds any Claims against any Debtor in connection with the DIP Facility, and the DIP Facility no longer exists.

### C. Assumption of Whinstone Contracts

To minimize losses incurred by the Debtors in connection with Whinstone's attempted contract termination and the Whinstone Litigation more generally, the Debtors filed two motions to assume certain executory contracts with Whinstone, (the "**Whinstone Contracts**") on August 24, 2024 (Docket No. 7) and August 29, 2024 (Docket No. 32) (together, the "**Assumption Motions**"). As discussed above (Section IV.D.), the Debtors' businesses depended on the Whinstone Contracts for their survival. The Company invested over \$150 million building out the Rockdale Site owned by Whinstone, which involved installing complex and proprietary infrastructure that cannot readily be used anywhere else. The Hosting Agreements provided certain Debtors with physical space at the Rockdale Site and guaranteed electricity supply at a locked-in price. The Water Supply Agreements supplied certain Debtors with water needed for cooling their bitcoin mining operations. Without the Whinstone Contracts, the Debtors simply could not operate their customized bitcoin mining infrastructure at the Rockdale Site, built at Debtors' great expense. The infrastructure could not be readily moved and provided the means by which the Debtors made money. If the Debtors were unable to curtail Whinstone's continued campaign to oust Rhodium from the Rockdale Site or interrupting Rhodium's business operations at the premises by switching off its power supply, the Debtors would not have been able to profitably operate their business as intended, and the Amended Plan would no longer have been feasible.

Whinstone filed a "Preliminary Response and Objection" opposing the relief sought in the Assumption Motions on September 16, 2024 (Docket No. 144). The Assumption Motions were actively litigated (the "**Assumption Litigation**"). The Debtors and Whinstone both filed Motions for Summary Judgment (together, the "**MSJs**") on the Assumption Motions (Docket Nos. 208, 272). At a hearing on October 28, 2024, the Bankruptcy Court agreed to bifurcate the Assumption Litigation into a phase one ("**Phase One**") and a phase two ("**Phase Two**"). Phase One would focus on legal issues surrounding the assumption of the Whinstone Contracts, including, but not limited to, questions (i) whether assumption of the Whinstone Contracts was in the Debtors' sound business judgment, (ii) whether the Profit Sharing Agreements superseded the Hosting Agreements, (iii) the validity of the termination attempt(s) by Whinstone, and (iv) whether the Debtors were in default of the Whinstone Contracts, reserving for Phase Two any issues of amounts of damages, offsets, or cure payments due on account of the Whinstone Contracts.

The Bankruptcy Court held a hearing on the MSJs on November 8, 2024 and denied both MSJs on the record on November 12, 2024, at the outset of the Phase One trial. The Phase One trial was conducted over four days from November 12, 2024, to November 15, 2024. The Bankruptcy Court admitted numerous exhibits and heard testimony from Michael Robinson (Co-Chief Restructuring Officer for the Debtors), Nathan Nichols (co-founder and Co-CEO of Rhodium), David Schatz (Operations Manager for Whinstone at the Rockdale site), Nicholas Burnett (Whinstone's expert witness – Senior Service Supervisor for CTI Field Services), Alex Peloubet (Vice President of Finance and Accounting for Rhodium), Chad Harris (former CEO of Whinstone), Jeffrey McGonegal (former CFO and Senior Advisor to Riot), Jeff Matthews (Whinstone's expert witness – CPA and Certified Fraud Examiner), and Nenad Miljkovic (Debtor's expert witness – Professor of Mechanical Science and Engineering). On November 26, 2024, the Bankruptcy Court indicated that it planned to rule for the Debtors on issues such as supersession, but required more time to review the evidence as it related to certain of the other Phase One issues. On December 16, 2024, the Bankruptcy Court entered the Phase One Assumption Order, finding for the Debtors on each

of the Phase One issues and directing the parties to confer regarding scheduling of Phase Two of the Assumption Litigation. Namely, the Bankruptcy Court found that (i) the Debtors satisfied the business judgment standard; (ii) the Profit Sharing Agreements did not supersede the prior agreements between the parties; and (iii) none of the notices of termination tendered to the Debtors by Whinstone effectively terminated the agreements between the parties. The Whinstone dispute is discussed in more detail above.

On February 7, 2025, after motion practice and multiple status conferences, the Court set the hearing on Phase Two for February 26, 2025 *sua sponte*. On February 10, 2025, the Court entered the *Second Interim Order on Phase 1 of Motion to Assume Executory Contracts* (Docket Nos. 7 & 32) scheduling the same and determining the scope of Phase Two (the “**Second Interim Order**”) (Docket No. 763).

On February 11, 2025, the Court entered the *Agreed Mediation Order Appointing Judge Mark Mullin as Mediator* (the “**Mediation Order**”) (Docket No. 767). Pursuant to the Mediation Order, the Debtors, Whinstone, the Ad Hoc Group of SAFE Parties, and the Creditors’ Committee (collectively, the “**Mediation Parties**”) were authorized to mediate remaining issues related to the Assumption Motions (the “**Mediation**”) before the Honorable Judge Mark X. Mullin, United States Bankruptcy Judge (the “**Mediator**”). Also on February 11, 2025, the Debtors initiated adversary proceeding No. 25-03047 (the “**Whinstone AP**”) by filing a complaint against Whinstone and Riot demanding damages for, *inter alia*, breach of the Whinstone Contracts.

On February 19, 2025, the Mediation Commenced, and the Parties eventually resolved Phase Two as a result. *See* Docket No. 800 (collectively with the Phase One Assumption Order and the Second Interim Order, the “**Assumption Orders**”).

As detailed above, the Debtors and Whinstone entered into the Whinstone Transaction, which was approved by the Court on April 8, 2025 (Docket No. 921), and which closed on April 28, 2025.

#### **D. Appointment of the Creditors’ Committee**

On November 22, 2024, the Office of the United States Trustee for Region 7 (the “**U.S. Trustee**”) appointed the Creditors’ Committee pursuant to section 1102 of the Bankruptcy Code to represent the interests of unsecured creditors in these Chapter 11 Cases (Docket No. 488). The initial members of the Creditors’ Committee were: (i) CM Sing, Sing Family Enterprise Limited; (ii) Cameron Reid, Proof Capital Alternative Income Fund; (iii) Kyle Camp, SCM Worldwide LLC; (iv) Ronny Chakra, C5 Capital LLC; (v) Alex Vesano, Vesano Ventures LLC; (vi) Daniel Garrie; and (vii) Joseph Savage, Queue Associates, Inc. The Creditors’ Committee retained McDermott Will & Emery LLP as counsel, and Genesis Credit Partners LLC as financial advisor. (*See* Docket Nos. 633 and 634).

Following the Bankruptcy Court’s entry of the Payment Orders (*see* Docket No. 1197-98), five of the original members of the Creditors’ Committee were paid off. On June 9, 2024, the U.S. Trustee filed a *Notice of Reconstitution of the Creditors’ Committee* (Docket No. 1255). The members of the Creditors’ Committee as of and following that date are (i) Cameron Reid, Proof Capital Alternative Income Fund, (ii) Daniel Garrie, and (iii) Richard Camara, Infinite Mining, LLC.

### **E. Attempted Formation of SAFE Committee**

After the Petition Date, the Ad Hoc Group of SAFE Parties reached out to the U.S. Trustee seeking the appointment of an official equity committee. The U.S. Trustee declined their request.

### **F. Temple Sale**

Before the Petition Date, when the Debtors were identifying potential means to improve liquidity to avoid a chapter 11 filing, the Debtors engaged in a formal marketing process for the sale of Rhodium, including both the Temple Site and Rockdale Site facilities. In March 2024, BRS contacted 24 parties, sent 20 non-disclosure agreements (“NDAs”) to parties, and had 13 NDAs executed by potentially interested parties, but Rhodium ultimately received no bids for a sale which included the Rockdale Site because of the Whinstone Litigation concerning the Rockdale Site.

Rhodium received four bids for a sale of the Temple Site (only), and in May 2024, Rhodium signed a non-binding term sheet with a potential buyer for the acquisition of the Temple Site and all assets (including miners), and the assumption of the lease and power purchase agreement, for \$105 million in cash, plus a portion future electricity sales at Temple through September 2024. However, the potential buyer revoked its offer and passed on the sale after Whinstone initiated the Second Whinstone Litigation in July 2024.

After the Petition Date, the Debtors and Province continued to market the Debtors’ assets, but this time only Rhodium Renewables and the Temple Site. In the post-petition marketing process, BRS reached out to 79 parties, including a mix of: (1) bitcoin Mining strategics; (2) Tier 3/ High Performance Computing data centers; (3) private equity funds; and (4) family offices. Rhodium sent 39 NDAs to interested parties (30 of which were executed, pursuant to which 26 parties accessed the data room). Rhodium received four proposals, of which three were deemed to be Qualified Bids, as defined in the Bid Procedures Order.

On November 18, 2024, a competitive auction was held. One of the three Qualified Bidders did not participate in the auction after learning that the starting bid was \$41.6 million. Two parties participated in the auction, with the Successful Bidder being Temple Green, which bid \$55.07 million, including (i) \$14.4 million of ascribed value for leaving behind mining infrastructure and equipment which Rhodium intends to retain or sell, and (ii) an additional \$5.6 million for the return of the security deposit under the lease.

The Backup Bidder was Riot. Under Riot’s Backup Bid, Rhodium’s total proceeds are \$54.67 million for the sale of all assets pertaining to the Temple Site. Rhodium’s total proceeds under the Riot bid would have included (1) \$43.072 million cash; (2) \$1 million relating to the ascribed value of the assumption of the power purchase agreement; (3) \$5 million for the return of the security deposit under the power purchase agreement; and (4) an additional \$5.6 million for the return of the security deposit under the lease.

On November 20, the Debtors filed the *Notice of Successful and Backup Bidders with Respect to the Auctions of the Debtors’ Assets* (Docket No. 463), noticing parties of the Successful Bid, the Backup Bid, and the Sale Hearing. On November 26, 2024, the Bankruptcy Court held the Sale Hearing, at which the Temple Sale was approved, and the Bankruptcy Court entered the Sale Order the same day (*see* Docket No. 509).

The Temple Sale closed on December 18, 2024. After closing, the Debtors installed the Miners formerly housed at the Temple Site into the Rockdale Site, and Rhodium Renewables retained title to such Miners.

**G. Settlements/Agreements with Creditors**

*i. The Whinstone Settlement*

On March 21, 2025, Whinstone and the Debtors reached a global resolution of all issues. The settlement agreement is outlined in the Whinstone Settlement Term Sheet and the Whinstone 9019 Motion. That settlement agreement was approved by the Court on April 8, 2025.

**H. Claims**

*i. Schedules of Assets and Liabilities and Statements of Financial Affairs*

On October 11, 2024, the Debtors filed their Schedules and SOFAs (Docket Nos. 221-259), which were amended on January 23, 2025 (Docket Nos. 677-715). The Schedules and SOFAs provide information on the assets held at each Debtor entity along with Claims the Debtors know exist at each Debtor entity as of the respective Petition Date.

*ii. Claims and Equity Interest Bar Dates*

On October 18, 2024, the Bankruptcy Court entered an order, among other things, approving (i) November 22, 2024 at 5:00 p.m. (prevailing Central Time) as the deadline for all non-governmental creditors or other parties in interest to file POCs (the “**General Bar Date**”) and (ii) February 20, 2025 at 5:00 p.m. (prevailing Central Time) as the deadline for governmental units to file POCs against any of the Debtors (the “**Governmental Bar Date**”) and, together with the General Bar Date, the “**Bar Dates**”) (Docket No. 284) (the “**Bar Date Order**”).

On May 14, 2025, the Bankruptcy Court entered an order, among other things, establishing June 20, 2025 at 5:00 p.m. (prevailing Central Time) as the deadline for all holders of interests in the Debtors to file proofs of interest (the “**Equity Interests Bar Date**”) (Docket No. 1100).

As of May 23, 2025, 253 POCs have been filed against the Debtors. The Debtors continue to review and refine their analysis of the filed POCs.

*iii. Claims Reconciliation Process*

After the General Bar Date, the Debtors filed objections to several POCs. Those objections and their resolution are publicly available.

**VII.  
EXCLUSIVITY**

On November 19, 2024, the Debtors filed a motion seeking extensions of the Debtors’ exclusive periods to file a chapter 11 plan and solicit acceptances thereof through and including March 24, 2025 and May 21, 2025, respectively (Docket No. 455) (the “**First Exclusivity Motion**”). No

objections were filed to the First Exclusivity Motion and on December 11, 2024, the Bankruptcy Court entered an order (Docket No. 571) granting the relief requested in the First Exclusivity Motion.

On March 3, 2025, the Debtors filed a motion seeking extensions of the Debtors' exclusive periods to file a chapter 11 plan and solicit acceptances thereof through and including June 23, 2025 and August 19, 2025, respectively (Docket No. 832) (the "**Second Exclusivity Motion**"). On March 28, 2025, the Bankruptcy Court entered an agreed order (Docket No. 892) extending the Debtors' exclusive periods to file a chapter 11 plan and solicit acceptances thereof through and including May 7, 2025 and July 7, 2025, respectively.

On May 5, 2025, the Debtors filed a motion seeking extensions of the Debtors' exclusive periods to file a chapter 11 plan and solicit acceptances thereof through and including May 22, 2025 and August 31, 2025, respectively (Docket No. 1058) (the "**Third Exclusivity Motion**"). The Third Exclusivity Motion is currently pending.

#### A. Post-petition Stakeholder Discussions

Prior to the Initial Plan Filing Date, the Debtors had been in regular discussions with the Ad Hoc Group of SAFE Parties, the Creditors' Committee, and several other groups of equity holders (the "**Key Stakeholder Groups**") with respect to both a consensual plan framework and the Amended Plan.

On May 22, 2025 (the "**Initial Plan Filing Date**"), the Debtors filed the *Joint Chapter 11 Plan of Rhodium Encore LLC and its Affiliated Debtors*, dated (Docket No. 1174). After the Initial Plan Filing Date, the Debtors continued discussions with each of the Key Stakeholder Groups, in the hopes of reaching as much consensus as possible.

#### B. Internal Investigation and Development of the Amended Plan

The Amended Plan reflects negotiations around four critical legal issues in the Debtors' Chapter 11 Cases. Specifically, the Special Committee analyzed (with its legal and financial advisors), and factored into its negotiations with interested parties, whether: (i) the Estates have viable claims for breach of fiduciary duty against the Founders; (ii) the SAFE Holders had a liquidation preference—through the SAFE and the Contribution Agreement between Rhodium Technologies and Rhodium Enterprises—entitling them to the entirety of the defined Cash-Out Amount of \$87 million; (iii) the Special Committee could act in place of the Rhodium Enterprises Board of Directors (the "**Board**") to ensure that the funds received from the sale of the Rockdale entities' business to Riot were transferred from Rhodium Technologies to Rhodium Enterprises without regard to the Founders' sixty-percent interest in Rhodium Enterprises; and (iv) anti-dilution warrants held by the Transcend Group had, by virtue of the later issuance of penny-warrants in connection with certain loan agreements, been repriced in a manner that would allow the Transcend Group to demand issuance of 750,000,000 Class A shares in Rhodium Enterprises. The Plan Support Agreement that the Debtors (through the Special Committee) entered into with the Consenting Stakeholders reflects a negotiated settlement based upon the Special Committee's assessment, including from consideration of input from legal and financial advisors, of the strengths, weaknesses and risk related arguments on each of these issues.

*i. The Special Committee's Role*

On August 28, 2024, the Board determined that, in connection with the commencement of the Chapter 11 Cases, it was advisable and in the best interests of the Debtors and their stakeholders to establish a special committee of the Board (the “**Special Committee**”). The Board appointed David Eaton, an independent director of Rhodium Enterprises, as the initial member of the Special Committee. Mr. Eaton was selected for the Special Committee due to his extensive experience and in light of the Board’s finding that he did not have material business or other relationships or affiliations with any parties that might cause him to be unable to exercise independent judgment based on the best interests of Rhodium Enterprises.

On September 20, 2024, the Board appointed Spencer Wells, another independent director with significant restructuring experience, as a second member of the Special Committee.

The Board delegated to the Special Committee the authority on behalf of Rhodium Enterprises to, among other things, investigate any past or current matter or transaction that may involve a “Conflict Matter,” and to take any action with respect thereto, including release or settle potential claims or causes of action of Rhodium Enterprises or its subsidiaries, if any, against certain related parties. For these purposes, a “**Conflict Matter**” is defined as a matter in which a conflict of interest exists or is reasonably likely to exist between Rhodium Enterprises, on the one hand, and any of its direct or indirect equity holders, affiliates, subsidiaries, directors, officers, or other stakeholders, or any affiliate or other related party of the foregoing.

The Special Committee selected Barnes & Thornburg LLP (“**Barnes & Thornburg**”) as its counsel to assist with carrying out the Special Committee’s mandate. The Bankruptcy Court approved Barnes & Thornburg’s retention as counsel to the Special Committee on October 14, 2024 (Docket No. 266). The Special Committee further selected BDO USA, P.C. (“**BDO**”) as its financial advisor to assist with carrying out the Special Committee’s mandate. The Bankruptcy Court approved the Special Committee’s retention of BDO on November 11, 2024 (Docket No. 417). And, of course, the Special Committee worked closely with the financial advisory team from Province to carry out its mission.

Barnes & Thornburg conducted a five-month investigation, as described below. Next, given the proliferation of opposing legal positions taken by each group of equity claimants to the Estates’ assets, the Special Committee declared the distribution of assets amongst competing claimants (including the Founders) to be a Conflict Matter. So, as of mid-April 2025, Barnes & Thornburg and the Special Committee began to engage in intense negotiations with all stakeholders in order to try to reach a consensual allocation of value in the Debtors’ Estates among the stakeholders. Those efforts have included exhaustive communications with and among the various parties-in-interest to assess the strengths and weaknesses of their various claims against the Debtors and/or other stakeholders. They also included working with Province to model cash flow scenarios and their impact to various stakeholders.

On April 21, 2025, the Bankruptcy Court entered an Agreed Mediation Order (“**Mediation Order**,” Docket No. 966) in which the Honorable Russell F. Nelms (Ret.) was appointed as a Mediator concerning allocation and distribution of assets of the Estates to stakeholders and related matters. The Mediation Order was negotiated between and among all stakeholders who were

participating in the mediation—including the SAFE AHG, the Founders, and many of the Class A shareholders—and reflected concerns by certain stakeholders that some current and former members of the Board, directly or through investment vehicles they owned or controlled, and/or members appointed by them, had individual financial interests in the outcome of the mediation (the “**Insiders**”). The mediation took place before Judge Nelms in Dallas, Texas on April 28 and 29, 2025. Participants in the mediation included the Debtors, the Special Committee, the Transcend Parties, Imperium, the Founders, multiple Holders of Rhodium Enterprises Class A Interests, Holders of LTIP Claims, the Creditors’ Committee, and the Ad Hoc Group of SAFE Parties (the “**SAFE AHG**”). The negotiations that took place in connection with the mediation and thereafter among the various stakeholders gave rise to the settlements that were embodied in principle in the Plan Support Agreement and, ultimately, are contained in the Amended Plan.

What follows is an explanation of the various claims at issue—whether they be claims against the Founders, claims by the SAFE AHG, claims by the Transcend Group, or claims by the Founders—that led to the Plan Support Agreement that animates the Amended Plan.

*ii. Claims by the Estates Against the Founders*

Over the course of its five-month long investigation, the Special Committee collected over 700,000 documents and communications. The documents originated from a variety of sources, among them Debtors, Imperium Investments Holdings LLC, Nathan Nichols, Chase Blackmon, Cameron Blackmon, and Nicholas (“Nick”) Cerasuolo (the four individuals collectively referred to as the “**Founders**”), filings in the Chapter 11 Cases, and other publicly available materials. The Special Committee also conducted 17 interviews of 11 individuals, spoke with numerous others to obtain background information, and consulted financial and subject-matter experts. Despite multiple requests, the Special Committee never received a single piece of evidence from the SAFE AHG or its counsel—even though the SAFE AHG’s counsel repeatedly insisted it was aware of claims against the Founders.

This investigation led the Special Committee to conclude there were four plausible claims of breach of fiduciary duties against the Founders in their capacity as directors and officers of Rhodium. The Special Committee also found that there were plausible defenses to those claims. With that said, the Special Committee determined that these claims were, assuming all things remain the same, worth pursuing, given the significant potential benefit a recovery would have to the Estates. However, due to the expenses and resources required of pursuing litigation, as well as the prolonged nature of recovery via litigation, the Special Committee deemed it reasonable to settle these claims through a combination of requiring the Founders to compromise their personal claims for money from the Estates (through their interest in Rhodium Technologies) and to agree to pursue insurance proceeds for the remainder of the settlement—releasing them from liability to the extent it might reach their personal assets.

The Special Committee found the following potential claims:

1. A claim for breach of a fiduciary duty and a duty of candor by failing properly to disclose a “control premium” in May 2021, when the Rhodium entities rolled up into a consolidated enterprise in preparation for an initial public offering. Through the control premium,

Imperium related entities were able obtain 6.5% more equity than their pro rata interests arguably should have afforded them.

2. A claim for breach of a duty of loyalty and self-dealing by selling a portion of Imperium’s interest in Enterprises LLC (then Technologies) in Spring 2021 and in August 2022 through selling \$33.2 million worth of their own interests (through Imperium) in Enterprises LLC and \$2.16 million worth of their own interests in Technologies when REI also sought investments.
3. A claim for breach of fiduciary duty in connection with the 2021 amendment to Rhodium Technologies LLC’s (“Technologies”) operating agreement and related tax distributions amounting to \$7.75 million unjustified payment to the Founders (reflecting the netting of a \$9.5 million tax distribution against what should have been no more than \$1.75 million in true tax liability).
4. A claim for breach of duty of care in connection with the Founders’ decision to enter into a written release relinquishing rights to payments to which Rhodium was entitled as the result of Whinstone’s energy sale during Winter Storm Uri that might have netted over \$50,000,000 in damages based on a representation from Whinstone’s CEO, Chad Harris, that Whinstone was receiving “zero” in payment for power Whinstone sold back to ERCOT under the Demand Response programs.

### *iii. SAFE Analysis*

Those who invested through the Simple Agreement for Future Equity (the agreement is the “SAFE” and investors under it are “SAFE Holders”) can make is that the SAFE and the so-called Contribution Agreement provide them the unassailable right—if a Liquidity Event or Dissolution Event has occurred—to receive a “Cash-Out Amount” of \$87 million. The terms of the SAFE show that the SAFE Holders invested \$87 million in contingent equity on a \$3 billion market capitalization with a 15% discount, meaning they hold an approximate 3.4 percent interest in Rhodium Enterprises and are entitled—under any circumstances—to receive only that amount of the proceeds from either a Liquidity or Dissolution Event.

#### *(a) The SAFE Treats the SAFE Holders Like Common Stock.*

The SAFE states, at inception, that Rhodium Enterprises issues “to the Investor the right to certain shares of the Company’s Capital Stock . . . .” Capital Stock is defined as “the capital stock of the Company, including, without limitation, *the Common Stock*”, which means “the *Class A Common Stock of the Company* . . . .”<sup>15</sup> See SAFE at 1-2 (emphasis added). Further, the SAFE includes a specific representation from Rhodium Enterprises that it “*has no preferred stock* authorized or

---

<sup>15</sup> The SAFE is governed by Delaware law, which “adheres to the ‘objective’ theory of contracts, i.e. a contract’s construction should be that which would be understood by an objective, reasonable third party.” *Osborn ex rel. Osborn v. Kemp*, 991 A.2d 1153, 1159–60 (Del. 2010); see also *Manti Holdings, LLC v. Authentix Acquisition Co., Inc.*, 261 A.3d 1199, 1208 (Del. 2021) (“[w]hen a contract is clear and unambiguous, the court will give effect to the plain meaning of the contract’s terms and provisions.”).

issued and outstanding.” *Id.* § 4(a) (emphasis added).<sup>16</sup> Indeed, Celsius added the emphasized language of “Class A Common Stock” and “no preferred stock” to the SAFE, demonstrating parties’ knowledge that the SAFE was not intended for any preferred interests in Rhodium Enterprises.

Further, in no provision of the SAFE does Rhodium Enterprises (or any of its affiliates) become liable for a debt. Instead, the SAFE describes three scenarios, under which the SAFE Holders are entitled to receive specific types of returns on their investments, each of which *reiterates* that the SAFE Holders are to be treated like *common shareholders*.

In particular, in a Liquidity or Dissolution Event, the SAFE references *either* the right to receive shares or the right to receive the monetary equivalent of the value of their investments, *subject to the liquidation priority provision*, which importantly *reiterates* that, “[i]n a Liquidity Event or a Dissolution Event, this Safe is intended to operate like *standard Common Stock*.” The only reasonable application of this phrase is specifically to limit the SAFE Holders’ rights to receive cash as on par with other standard Common Stockholders. This is true even though section 1(d)(ii) says only that the right to receive the Cash-Out Amount is “[o]n par with payments for other Safes.” Section 1(d)(ii) does not mention other common shareholders because—unlike in a Liquidity Event in which there are likely to be other common shareholders—in a Dissolution Event in which the SAFE Holders have not already been converted to common shareholders, the ordinary situation would be that there are no common shareholders. In other words, the expectation that SAFE Holders have a right to receive cash “[o]n par with payments for other Safes” is that they are on par with the only equity-like class in the Company. To suggest otherwise would deprive the phrase “*this Safe is intended to operate like standard Common Stock*” of its plain meaning.<sup>17</sup>

In addition, the SAFE specifically states that the “*Safe is, and at all times has been, intended to be characterized as stock*, and more particularly as common stock” for tax purposes and that “*the parties agree to treat this Safe consistent with the foregoing intent . . . including, without limitation, on their respective tax returns or other informational statements.*” SAFE § 5(g) (emphasis added). Repeating the familiar theme of the SAFE, paragraph 5 of the SAFE reiterates the intent to operate SAFEs like common stock—something that also was intended to manage the expectations of all Rhodium investors.

Finally, although the SAFE is not a document subject to multiple, reasonable, interpretations, evidence exists (including, among others, correspondence describing the SAFE as an “equity investment” and clear statement that Class A Common stockholders are entitled to receive all of the proceeds of any sale or liquidation of Rhodium Enterprises from the SAFE Private Placement Memorandum) to demonstrate that SAFE Holders understood their investment as an equity investment and knew that they have a contingent equity interest in Class A Common Stock of

---

<sup>16</sup> The SAFE at issue are in stark contrast to Y Combinator SAFE (the first proponent of the concept of a SAFE that provided a format for the public’s use), which contains an explicit liquidation priority provision and specifies that the SAFE was to operate as preferred stock. The SAFEs at issue deviated from the Y Combinator document and treat SAFE Holders like common stock.

<sup>17</sup> Notably, section 1(d) is the only reference to a “liquidation preference” in the entire SAFE. But the preference it refers to is that SAFE Holders sit junior to debt in a repayment scenario.

Rhodium Enterprises without any liquidation preference. And, SAFE Holders historically have been treated like holders of common stock at Rhodium, as the SAFE Holders have received dividends when common stockholders received dividends.

(b) *Any interpretation that the SAFE holders should receive liquidation priority or be treated as other than common stockholders is commercially unreasonable and would give rise to an absurd result.*

As stated above, the SAFE is for the future issuance of Class A Common Stock of Rhodium Enterprises “subject to” a 15% discount with a valuation of Rhodium Enterprises at \$3 billion. *See* SAFE, p. 1. When SAFE Holders invested in Rhodium Enterprises in 2021, the company was valued at \$3 billion by Teknos Associates. Shortly before execution of the SAFEs, other equity holders in Rhodium entities converted their interests into Class A Common Stock based on the same valuation of Rhodium Enterprises at \$3 billion via the roll-up transaction. In other words, when SAFE Holders invested in 2021, their approximately \$87 million investment guaranteed an approximately 3.4% contingent equity interest in Rhodium Enterprises.

SAFE holders cannot receive a fixed portion of cash in the bankruptcy estate that is larger than their 3.4% contingent equity interest or it would eviscerate the SAFE’s maxim of “operat[ing] like standard Common Stock.”

As such, when the proceeds of the estate include approximately \$100 million distributable cash, the SAFEs, upon conversion to 9,856,552 shares of Class A Common Stock, would receive both portions of proceeds from RTL and portions of intercompany balance proceeds from REI, totaling \$5.24 million. In a hypothetical dissolution in which the proceeds include \$3 billion distributable cash, the SAFEs, as converted, could receive approximately \$96.8 million. And if the proceeds include \$5 billion distributable cash, the SAFEs as converted could receive approximately \$159.9 million. Surely, then, the SAFEs would not take the approach of arguing that they are entitled only to the fixed Cash-Out amount of \$87 million and would want to capitalize on the upside of their investment, which is what they negotiated for in the SAFE Agreement.

***iv. Founders’ Ability to Direct Substantial Value to Themselves***

Any suggestion that the SAFEs could require Rhodium Technologies—over any objection by Imperium—to transfer \$87 million to Rhodium Enterprises due to the Contribution Agreements is flatly wrong.<sup>18</sup> Upon a Liquidity or Dissolution Event under the SAFE, the Contribution Agreements require RTL to “authorize and issue a distribution to [REI] in an amount equal to the aggregate amount that the [SAFE Holders] are entitled to receive from [REI] in accordance with the terms and conditions of the SAFEs.” (emphasis added). (Contribution Agreement § 2.) And as the analysis above demonstrates, the SAFEs negotiated for and received the right to invest \$87 million in an entity with a \$3 billion valuation. On either Liquidation or Dissolution—not

---

<sup>18</sup> There are two contribution agreements: (1) a June 30, 2021, agreement pursuant to \$50 million SAFE investment by Celsius Core LLC, and (2) a December 1, 2021, agreement pursuant to approximately \$37 million SAFE investment by various investors. Relevant provisions of these two agreements have the same language.

conceding either has occurred here—the SAFE Holders would be entitled to approximately \$5 million dollars under the SAFE, and that is what Rhodium Technologies would have to distribute to Rhodium Enterprises under the Contribution Agreement.

This leaves the Founders in the position to profit substantially from the sale of the five Rockdale entities to Riot (i.e., the \$185 million transaction), because the funds from the sale will all have to flow through Rhodium Technologies en route to Rhodium Enterprises. And the Founders would be entitled to 60% (on their best day) or just about 55% (assuming the control premium claim is settled) of distributable cash, after resolution of intercompany debt. In practice, the Founders could obtain over \$30 million in proceeds.

The Special Committee explored various ways to force a dividend around the Founders but found that the structure of the companies made this difficult or impossible. Therefore, absent a settlement, it would require years of expensive litigation to subordinate the Founders (in their roles as Rhodium officers and directors) to nullify or reduce their claims. During that time, the funds that could be distributed to equity holders would be held up, depriving investors of the time-value of their money. The Special Committee believed that settling with the Founders in a way that ameliorated the effects of the corporate structure and relative entitlements provides a better solution for the estates than years of litigation.

The Plan reflects the view that the PSA Parties and the Special Committee achieved a settlement amount from the Founders that fairly weights and compromises the competing entitlements to a distribution from Rhodium Technologies.

*v. Transcend Group Warrant Claims*

On June 17, 2021, Rhodium Enterprises secured \$30,000,000 in bridge loans from various investors in order to capitalize on market purchasing power opportunities for additional ASIC miners. On June 17, 2022, the Company repaid the loans in full. In connection with the bridge loans, the Transcend Group (through NCF Eagle Trust, Kintz Family Trust, Kingdom Trust C-Malcolm IRA, Kingdom Trust C-Emily IRA, and GRF Tiger Trust) acquired anti-dilution warrants (“**ADW Warrants**”) allowing them to buy up to \$7.5 million worth of Rhodium Enterprises Class A Common stock, through October 1, 2026. The collective purchase price for the warrants was \$91,108.

The defined “**Exercise Price**” under the governing warrant agreements was \$10.29/share. However, the warrants each contain a “**Price Adjustment Provision**” under which the Exercise Price is changed to a “**New Issuance Price**” if Rhodium Enterprises:

“...sells any shares of Common Stock for a consideration per share or issues any common stock equivalents with an exercise price or conversion price ... less than a price equal to the Exercise Price in effect immediately prior to such issuance...”

In September 2022, Rhodium Enterprises issued certain “**penny warrants**” to Imperium, which allow Imperium “to purchase 756,988 fully paid and non-assessable shares of Rhodium Enterprises, Inc., a Delaware corporation (the “**Company**”), \$.0001 par value per share, Class A Common Stock (the “**Warrant Stock**”) at a price per share of \$0.01.” The Transcend Parties claimed that, in accordance with the Price Adjustment Provision, the issuance of these penny

warrants enables the Fairbairns to acquire their \$7.5 million worth of Rhodium Enterprises Class A Common Stock for \$0.01/share, for a total of 750,000,000 shares. To the extent REI had only 400,000,000 authorized shares, the Transcend Group also argued that it had a bad faith claim against REI for making a promise on which it could (or would) not deliver by authorizing sufficient shares to meet the full exercise option.

From the Special Committee's perspective, there are several factual arguments suggesting the subsequent issuance of the penny-warrants could or did not lead to repricing of the ADW Warrants. However, the plain language of the agreement tends to show that the Transcend Group has an argument for re-pricing. Should the issue be the subject of litigation, discovery would be expensive, there would be a significant delay in obtaining a result, and a finder of fact reasonably could find that the ADW Warrants were re-priced.

#### *vi. Settlement*

In light of the amount of evidence the Special Committee reviewed supporting a plausible finding of potential claims, defenses to those claims, and an assessment of the risk of litigating those issues (with the support of legal and financial counsel), the Special Committee concluded it was fair and reasonable to resolve each of these claims as directly and fairly as possible. For example, the Special Committee has reached an agreement with the Founders under which the Founders have agreed to accept \$13.2 million to redeem their interests in RTL—eliminating their ability to block or delay the movement of cash from the sale of the Rockdale entities up to REI. This agreement ensures that over \$30 million can be distributed from REI to stakeholders without protracted litigation seeking to subordinate the Founders' rights. Because their interests in RTL are redeemed (eliminating a partnership that sits in the middle of Rhodium's corporate structure and creates additional dividend taxes), this agreement also will allow REI to file its taxes on a consolidated basis, at tremendous savings to the bankruptcy estates. In exchange, the Special Committee has agreed to provide a complete release of liability *over and above* the \$20 million dollars in D&O Insurance coverage held by the Debtors. In other words, the Founders would be exculpated from personal liability, but the Debtors could continue to pursue the D&O Insurance for recovery on the claims identified by the Special Committee. The Special Committee and the Founders are mediating these claims on June 23, 2025, with the D&O Insurance carriers in attendance, in an effort to completely resolve these claims.

Similarly, the Special Committee concluded it was fair and reasonable to resolve the Transcend Parties' claims by: (i) allowing the Transcend Parties to exercise certain amount of ADW Warrants; (ii) authorizing Rhodium Enterprises to distribute those warrants among certain Holders of Rhodium Enterprises Class A Interests that agreed to support the Amended Plan; (iii) and providing the Transcend Parties sufficient consideration to ensure that, after receiving consideration for its original and additional Rhodium Enterprises Class A Interests, the Transcend Parties would receive total consideration of \$15 million from the distributable cash of the Estates; and (iv) limiting the Transcend Parties from receiving further consideration until such time as its original and additional Rhodium Enterprises Class A Interests would be entitled to in excess of \$15 million in distributions under the Amended Plan.

With that said, as additional consideration for the settlement of Imperium's interests in Rhodium Technologies, described above, the Transcend Parties also agreed to contribute their claims against

the Founders to the Estates. As part of the Amended Plan, the Estates (or the Rhodium Litigation Trust) will resolve those claims against the Founders, providing them with a complete release from such individual claims, as well, at least above any available insurance coverage for such claims. To the extent possible, the Estates also will try to obtain consideration from the Rhodium D&O Policies to settle these claims.

Finally, the Special Committee made every effort to resolve the SAFE Holders' claims consensually. Unable to do so, the Special Committee pushed for a Plan Support Agreement that provides the SAFE Holders the possibility of obtaining 55 percent of the cash and assets that would be available for distribution from the REI Estates. This percentage will entitle the SAFE Holders to a far greater distribution on current estimates than the approximately 5% to which SAFE Holders are due under the SAFEs.

Each of these settlements has allowed for an Amended Plan that will get the most money out to the most constituencies as quickly as possible, with the least amount of ongoing litigation and expense possible.

*vii. Proof Capital*

During the course of the Chapter 11 Cases, as the Court is aware, the Debtors converted approximately \$4.1 million of three Proof Capital entities' debt interests to equity. The affected Proof Capital entities (Proof Capital Alternative Income Fund, Proof Capital Alternative Growth Fund, and Proof Proprietary Investment Fund, Inc.) each have filed a claim for, effectively, wrongful conversion. Part of Proof Capital's claim is that their debt should not have been converted to equity at all, but Proof Capital also argues that, to the extent it was equitized, it was incompletely converted, having been shorted by over 400,000 shares.

In order to resolve Proof Capital's wrongful conversion claims, the Debtors, acting through the Special Committee, have agreed to a settlement (the "**Proof Settlement**") that provides that the Debtors will, on or before the Effective Date of the Plan, and pursuant to the Plan or Federal Rule of Bankruptcy Procedure 9019: (i) grant Proof Capital 452,175 additional shares; and (ii) pay Proof Capital \$1,125,000 the ("**Proof Payment**") (each spread ratably amongst the above-listed three Proof Capital entities). As a material part of the Proof Settlement, the Debtors agree that Proof Capital shall have all the shares listed in paragraphs (a)(iii), (b)(iii) and (c)(iii) above, and that as one of the Plan Support Parties, each of the three Proof Capital entities will also be entitled to additional ratable gift-shares from the settlement with the Transcend Parties described above, without deduction or reallocation due to the Proof Payment. This settlement would be reflected in, and confirmed along with, the Plan.

**VIII.**

**CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF THE AMENDED PLAN**

The following discussion is a summary of certain U.S. federal income tax consequences of the consummation of the Amended Plan to the Debtors and to certain holders of Claims and Interests. The following summary does not address the U.S. federal income tax consequences to Holders of Claims who are paid in full in cash, unimpaired, or deemed to reject the Amended Plan.

The discussion of U.S. federal income tax consequences below is based on the Internal Revenue Code of 1986, as amended (the “**Tax Code**”), U.S. Treasury regulations (“**Treasury Regulations**”), judicial authorities, published positions of the Internal Revenue Service (“**IRS**”), and other applicable authorities, all as in effect on the date of this Disclosure Statement and all of which are subject to change or differing interpretations (possibly with retroactive effect). The U.S. federal income tax consequences of the contemplated transactions are complex and subject to significant uncertainties. The Debtors have not requested an opinion of tax counsel or its tax advisors or a ruling from the IRS with respect to any of the tax aspects of the contemplated transactions, and the discussion below is not binding upon the IRS or any court. No assurance can be given that the IRS will not assert, or that a court will not sustain, a contrary position than any position discussed herein.

This summary does not address state, local or non-U.S. income or other tax consequences of the Amended Plan, nor does it address the U.S. federal income tax consequences of the Amended Plan to special classes of taxpayers (*e.g.*, non-U.S. persons, broker-dealers, mutual funds, small business investment companies, regulated investment companies, real estate investment trusts, banks and certain other financial institutions, insurance companies, tax-exempt entities or organizations, retirement plans, individual retirement and other tax-deferred accounts, holders that are, or hold their Claims or Interests through, S corporations, partnerships or other pass-through entities for U.S. federal income tax purposes, holders whose functional currency is not the U.S. dollar, dealers in securities or foreign currency, traders in securities that mark-to-market their securities, certain expatriates or former long-term residents of the United States, persons who use the accrual method of accounting and report income on an “applicable financial statement,” persons subject to the alternative minimum tax or the “Medicare” tax on net investment income, and persons whose Claims are part of a straddle, hedging, constructive sale or conversion transaction or other integrated investment or who may hold both Claims and Interests, and persons who received their Claim or Interest as compensation). In addition, this summary does not address the Foreign Account Tax Compliance Act or U.S. federal taxes other than income taxes.

The following discussion assumes that all Claims and Interests, and any new debt or equity interests or other property issued or distributed pursuant to the Amended Plan are held as “capital assets” (generally, property held for investment) within the meaning of section 1221 of the Tax Code (unless otherwise indicated), and that the various debt and other arrangements to which the Debtors are parties are respected for U.S. federal income tax purposes in accordance with their form.

The following discussion also assumes, that (i) the existing Rhodium corporate entities (and not any reincorporated entity or new entity) will comprise the post-emergence consolidated tax group, and (ii) each of the Debtors that are currently treated as entities disregarded as separate from Rhodium Enterprises, Inc. for U.S. federal income tax purposes will continue to be disregarded as separate from Rhodium Enterprises, Inc. following the Effective Date (the “**Current Structure**”). Any deviations from the Current Structure could materially change the U.S. federal income tax consequences of the Amended Plan to the Debtors, holders of Claims and holders of Interests described herein.

*The following summary of certain U.S. federal income tax consequences is for informational purposes only and is not a substitute for careful tax planning and advice based upon your individual circumstances. All holders of Claims and Interests are urged to consult their own tax advisors for the U.S. federal, state, local and other tax consequences applicable under the Amended Plan.*

#### A. Consequences to the Debtors

Each of the Debtors is either a member of an affiliated group of corporations that files consolidated U.S. federal income tax returns with Rhodium Enterprises, Inc. as the common parent (such group, the “**Tax Group**”) or an entity disregarded as separate from its owner for U.S. federal income tax purposes whose business activities and operations are reflected on the consolidated U.S. federal income tax returns of the Tax Group. The Debtors estimate that, as of December 31, 2023, the Tax Group had net operating loss (“**NOL**”) carryforwards of approximately \$69.6 million (all of which are post-2017 NOLs that are subject to an 80% taxable income limitation) and certain other tax attributes. The Debtors expect the amount of their NOLs to increase as a result of operations for their 2024 taxable year (before taking into account the implementation of the Amended Plan). The NOLs are expected to be available to offset future taxable income in an amount up to 80 percent of the Tax Group’s taxable income for each year.

The Debtors do not believe that their ability to utilize their NOL carryforwards and other tax attributes is currently limited under section 382 of the Tax Code. However, certain equity trading activity and other actions could result in an ownership change of the Tax Group independent of the Amended Plan, which could adversely affect the ability of the Debtors to utilize their tax attributes. In an attempt to minimize the likelihood of such an ownership change occurring prior to the Effective Date of the Amended Plan, the Debtors obtained a final order from the Bankruptcy Court authorizing certain protective equity trading and worthless stock deduction procedures (Docket No. 7). The amount of the Tax Group’s NOL carryforwards and other tax attributes, and the extent to which any limitations might apply, remain subject to audit and adjustment by the IRS.

As discussed below, in connection with and as a result of the implementation of the Amended Plan, the amount of the Tax Group’s NOL carryforwards, and possibly certain other tax attributes, may be reduced, though such reduction is not expected to be material. In addition, the subsequent utilization of the Tax Group’s NOL carryforwards and other tax attributes following the Effective Date may be restricted as a result of the implementation of the Amended Plan or subsequent changes in the stock ownership of the Wind Down Debtors.

Effective for taxable years beginning after December 31, 2022, the Tax Code generally imposes a 15% corporate alternative minimum tax on corporations with book net income (subject to certain adjustments) exceeding on average \$1 billion over any three-year testing period (the “**New AMT**”). The Debtors do not believe they are currently subject to the New AMT.

##### *i. Cancellation of Debt*

In general, the Tax Code provides that a debtor in a bankruptcy case must reduce certain of its tax attributes—such as NOL carryforwards and current year NOLs, capital loss carryforwards, tax credits, and tax basis in assets—by the amount of any cancellation of debt (“**COD**”) incurred

pursuant to a confirmed chapter 11 plan. The amount of COD incurred is generally the amount by which the adjusted issue price of indebtedness discharged exceeds the sum of the amount of cash, the issue price of any debt instrument and the fair market value of any other property exchanged therefor. Certain statutory or judicial exceptions may apply to limit the amount of COD incurred for U.S. federal income tax purposes. If advantageous, the debtor can elect to reduce the basis of depreciable property prior to any reduction in its NOL carryforwards or other Tax Attributes. Where the debtor joins in the filing of a consolidated U.S. federal income tax return, applicable Treasury Regulations require, in certain circumstances, that the tax attributes of the consolidated subsidiaries of the debtor and other members of the group must also be reduced. Any reduction in Tax Attributes in respect of COD generally does not occur until after the determination of the debtor's net income or loss for the taxable year in which the COD is incurred.

The Debtors do not expect to incur material COD for U.S. federal income tax purposes as a result of the implementation of the Amended Plan and, thus, do not expect that the Tax Group's NOL carryforwards or other tax attributes will be meaningfully reduced as a result of any COD incurred.

**ii. *Limitation of NOL Carryforwards and Other Tax Attributes***

Following the Effective Date, the Debtors' ability to utilize their NOL carryforwards and certain other tax attributes ("**Pre-Change Losses**") may be subject to limitation under section 382 of the Tax Code. Any such limitation would apply in addition to, and not in lieu of, the reduction of tax attributes that results from COD arising in connection with the Amended Plan and the 80% taxable income limitation on the use of NOL carryforwards.

Under section 382 of the Tax Code, if a corporation (or consolidated group) undergoes an "ownership change" and the corporation does not qualify for (or elects out of) the special bankruptcy exception in section 382(l)(5) of the Tax Code, the amount of its Pre-Change Losses that may be utilized to offset future taxable income generally are subject to an annual limitation. The Amended Plan does not contemplate an "ownership change", as shareholders are expected to retain and be paid on their Interests.

**B. *Consequences to Holders of Certain Allowed Claims***

The following discusses certain U.S. federal income tax consequences of the implementation of the Amended Plan to holders of Allowed Guaranteed Unsecured Claims and Allowed General Unsecured Claims.

The discussion of the U.S. federal income tax consequences of the receipt and ownership of the respective debt instruments is based on the principal terms of such debt as currently described in the Amended Plan (and thus, among other things, assumes, except as otherwise discussed below, that none of the respective debt instruments constitute "contingent payment debt obligations" for U.S. federal income tax purposes). ***Accordingly, depending on the final terms of the respective debt instruments, the U.S. federal income tax treatment of U.S. Holders could vary materially from that described herein.***

As used throughout the tax discussion, the term "**U.S. Holder**" means a beneficial owner of an Allowed Claim or Interest that is for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation, or other entity taxable as a corporation, created or organized in or under the laws of the United States, any state thereof or the District of Columbia;
- an estate the income of which is subject to U.S. federal income taxation regardless of its source; or
- a trust, if a court within the United States is able to exercise primary jurisdiction over its administration and one or more U.S. persons have authority to control all of its substantial decisions, or if the trust has a valid election in effect under applicable Treasury Regulations to be treated as a U.S. person.

If a partnership or other entity or arrangement taxable as a partnership for U.S. federal income tax purposes holds such Claims (or Interests), the tax treatment of a partner in such partnership generally will depend upon the status of the partner and the activities of the partnership. If you are a partner in such a partnership holding any Claims or Interests, you should consult your own tax advisor.

#### *i. Taxable Exchange*

In general, a U.S. Holder of an Allowed Claim will recognize gain or loss equal to the difference, if any, between (i) the sum of the “issue price” of any New Debt and/or the amount of any Cash received in respect of its Claim (other than any consideration received in respect of a Claim for accrued but unpaid interest and possibly accrued OID) and (ii) the U.S. Holder’s adjusted tax basis in its Claim (other than any tax basis attributable to accrued but unpaid interest and possibly accrued OID). It is expected that the issue price of any New Debt will be equal to the principal amount of such debt. A U.S. Holder of a Claim will have ordinary interest income to the extent of any consideration allocable to accrued but unpaid interest or accrued OID not previously included in income. For a discussion of the character of any gain or loss, *see* section (VIII)(B)(iii) below (“**Character of Gain or Loss**”).

Holders of Claims are urged to consult their own tax advisors regarding the appropriate status for U.S. federal income tax purposes of such Claims.

#### *ii. Distributions in Discharge of Accrued Interest or OID*

In general, to the extent that any consideration received pursuant to the Amended Plan by a U.S. Holder of an Allowed Claim is received in satisfaction of accrued interest during its holding period, such amount will be taxable to the U.S. Holder as interest income (if not previously included in the U.S. Holder’s gross income). Conversely, a U.S. Holder may be entitled to recognize a loss to the extent any accrued interest claimed or accrued OID was previously included in its gross income and is not paid in full. However, the IRS has privately ruled that a holder of a “security” of a corporate issuer in an otherwise tax-free exchange could not claim a current deduction with respect to any unpaid OID. Accordingly, it is unclear whether, by analogy, any U.S. holder of an Allowed Claim that does not constitute a “security” would be required to recognize a capital loss, rather than an ordinary loss, with respect to previously included OID that is not paid in full.

The Amended Plan provides that, except as otherwise provided therein or as otherwise required by law (as reasonably determined by the Debtors or the Wind Down Debtors, as applicable), distributions with respect to an Allowed Claim shall be allocated first to the principal portion of such Allowed Claim (as determined for U.S. federal income tax purposes) and, thereafter, to the remaining portion of such Allowed Claim (in contrast, for example, to a pro rata allocation of a portion of the exchange consideration received between principal and interest, or an allocation first to accrued but unpaid interest). There is no assurance that the IRS will respect such allocation for U.S. federal income tax purposes. ***U.S. Holders of Allowed Claims are urged to consult their own tax advisor regarding the allocation of consideration received under the Amended Plan, as well as the deductibility of accrued but unpaid interest (including OID) and the character of any loss claimed with respect to accrued but unpaid interest (including OID) previously included in gross income for U.S. federal income tax purposes.***

### ***iii. Character of Gain or Loss***

The character of any gain or loss as long-term or short-term capital gain or loss or as ordinary income or loss of a U.S. Holder will be determined by a number of factors, including the tax status of the holder, whether the Claim constitutes a capital asset in the hands of the holder and how long it has been held, whether such Claim was acquired at a market discount and whether and to what extent the holder previously claimed a bad debt deduction with respect to such Claim.

A U.S. Holder of Claims that purchased its Claims from a prior holder at a “market discount” (relative to the principal amount or “revised issue price”, as described below, of the Claims at the time of acquisition) may be subject to the market discount rules of the Tax Code. A holder that purchased its Claim from a prior holder will be considered to have purchased such Claim with “market discount” if the holder’s adjusted tax basis in its Claim is less than the stated redemption price at maturity of such Claim by at least a statutorily defined *de minimis* amount. Under these rules, any gain recognized on the exchange of Claims (other than in respect of a Claim for accrued but unpaid interest) generally will be treated as ordinary income to the extent of the market discount accrued (on a straight line basis or, at the election of the holder, on a constant yield basis) during the holder’s period of ownership, unless the holder elected to include the market discount in income as it accrued. If a holder of Claims did not elect to include market discount in income as it accrued and, thus, under the market discount rules, was required to defer all or a portion of any deductions for interest on debt incurred or maintained to purchase or carry its Claims, such deferred amounts would become deductible at the time of the exchange.

## **C. Consequences to Holders of Interests**

Pursuant to the Amended Plan, Holders of Existing Common Interests and all other Interest Holders will be paid pursuant to Allowance of their Proofs of Interest.

## **D. Information Reporting and Backup Withholding**

All distributions to U.S. Holders under the Amended Plan are subject to any applicable tax withholding, including backup withholding. Under U.S. federal income tax law, interest, dividends, and other reportable payments may, under certain circumstances, be subject to “backup withholding” at the then applicable withholding rate (currently 24%). Backup withholding

generally applies if the U.S. Holder (i) fails to furnish its social security number or other taxpayer identification number, (ii) furnishes an incorrect taxpayer identification number, (iii) has been notified by the IRS that it is subject to backup withholding as a result of a failure to properly report interest or dividends, or (iv) under certain circumstances, fails to provide a certified statement, signed under penalty of perjury, that the tax identification number provided is its correct number and that it is not subject to backup withholding. Backup withholding is not an additional tax but merely an advance payment, which may be refunded to the extent it results in an overpayment of tax. Certain persons are exempt from backup withholding, including, in certain circumstances, corporations and financial institutions. Holders are urged to consult their own tax advisors regarding the potential application of U.S. withholding taxes to the transactions contemplated under the Amended Plan and whether any distributions to them would be subject to withholding.

***The foregoing summary has been provided for informational purposes only. All holders of Claims and Interests are urged to consult their own tax advisors regarding any state, local and other tax consequences applicable under the Amended Plan.***

## **IX. CERTAIN RISK FACTORS TO BE CONSIDERED**

Before voting to accept or reject the Amended Plan, Holders of Claims and Interests should read and carefully consider the risk factors set forth below, in addition to the information set forth in the Amended Disclosure Statement together with any attachments, exhibits, or documents incorporated by reference hereto. The factors below should not be regarded as the only risks associated with the Amended Plan or its implementation. Documents filed with the SEC may also contain important risk factors that differ from those discussed below, and such risk factors are incorporated as if fully set forth herein and are a part of this Disclosure Statement. Copies of any document filed with the SEC, certain of which are referenced below, may be obtained by visiting the SEC website at <http://www.sec.gov>.

THIS SECTION PROVIDES INFORMATION REGARDING POTENTIAL RISKS IN CONNECTION WITH THE AMENDED PLAN. THE FACTORS BELOW SHOULD NOT BE REGARDED AS THE ONLY RISKS ASSOCIATED WITH THE AMENDED PLAN OR ITS IMPLEMENTATION. ADDITIONAL RISK FACTORS IDENTIFIED IN THE DEBTORS' PUBLIC FILINGS WITH THE SEC MAY ALSO BE APPLICABLE TO THE MATTERS SET OUT HEREIN AND SHOULD BE REVIEWED AND CONSIDERED IN CONJUNCTION WITH THIS DISCLOSURE STATEMENT, TO THE EXTENT APPLICABLE. NEW FACTORS, RISKS AND UNCERTAINTIES EMERGE FROM TIME TO TIME AND IT IS NOT POSSIBLE TO PREDICT ALL SUCH FACTORS, RISKS AND UNCERTAINTIES.

### **A. Certain Bankruptcy Law Considerations**

#### ***i. Parties in Interest May Object to the Amended Plan's Classification of Claims and Interests***

Section 1122 of the Bankruptcy Code provides that a plan may place a claim or an equity interest in a particular class only if such claim or equity interest is substantially similar to the other claims or equity interests in such class. The Debtors believe that the classification of the Claims and

Interests under the Amended Plan complies with the requirements set forth in the Bankruptcy Code because the Debtors created Classes of Claims and Interests each encompassing Claims or Interests, as applicable, that are substantially similar to the other Claims or Interests, as applicable, in each such Class. Nevertheless, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

***ii. Risks Related to Possible Bankruptcy Court Determination that Federal Judgment Rate is not the Appropriate Rate of Post-petition Interest for Unsecured and Undersecured Claim***

The Amended Plan provides that Guaranteed Unsecured Claims and General Unsecured Claims accrue post-petition interest on the principal amount of such Holder's Claim at 3.05 percent and the Federal Judgment Rate, respectively. The Debtors believe that this is the appropriate rate of interest to pay unsecured and undersecured claims in a solvent debtor case based on applicable case law. It is not settled law in the Fifth Circuit, however, as to whether the Debtors, as solvent debtors, are required to provide Holders of impaired unsecured/undersecured Claims with the Federal Judgment Rate of interest or the applicable contractual rate of interest. In *In re Ultra Petroleum Corp.*, 51 F.4th 138, 158 (5th Cir. 2022), the leading Fifth Circuit case on this issue, the Court held that unimpaired creditors were entitled to the contract rate, but did not issue a holding with respect to impaired creditors. Holders of such Claims may object to receiving the Federal Judgment Rate and may demand postpetition interest at their prepetition contractual interest rate. If a Court were to determine that such Holders of Claims were entitled to their contractual interest rate, the amount of such Claims will likely increase materially.

***iii. Distributions to Allowed Interests and Allowed Section 510(b) Claims (if any) May Change***

The value of distributions made on any Allowed Section 510(b) Claims will depend on amounts asserted by equity holders as Claims, the amount of Claims ultimately Allowed, and the outcome of the appropriate rate of post-petition interest (as detailed above).<sup>19</sup> The value of the projected distributions to Holders of Interests are based upon good faith estimates of the total amount of Claims ultimately Allowed and the determination that the Federal Judgment Rate is the appropriate rate of post-petition interest for Holders of unsecured/undersecured Claims. The Debtors believe that these assumptions and estimates are reasonable. However, unanticipated events or circumstances could result in such estimates or assumptions increasing or decreasing materially and the actual amount of Allowed Claims in a particular Class may change. If the total amount of allowed Claims in a Class is higher than the Debtors' estimates, the recovery to Holders of Interests may be less than projected.

***iv. Risks Related to Possible Objections to the Amended Plan***

There is a risk that certain parties could oppose and object to either the entirety of the Amended Plan or specific provisions of the Amended Plan. Although the Debtors believe that the Amended

---

<sup>19</sup> To the extent any current equity holder asserts (or has asserted) a claim against the Debtors arising from their equity interests, the Debtors and the Wind Down Debtors, as applicable, fully reserve, and do not waive, the right to seek to subordinate and/or reclassify such claims pursuant to section 510(b) of the Bankruptcy Code.

Plan complies with all applicable Bankruptcy Code provisions, there can be no guarantee that a party in interest will not file an objection to the Amended Plan or that the Bankruptcy Court will not sustain such an objection.

**v. Risk of Additional Rejection Damages Claims Being Filed**

There is a risk that certain contract counterparties could file Claims for rejection damages against the Debtors upon the Debtors' rejection of executory contracts with such contract counterparties. Any rejection damages Claims that are Allowed will increase the amount of General Unsecured Claims and/or Interests.

**vi. Risk of Non-Confirmation of the Amended Plan**

Although the Debtors believe that the Amended Plan will satisfy all requirements necessary for Confirmation by the Bankruptcy Court, there can be no assurance that the Bankruptcy Court will reach the same conclusion or that modifications to the Amended Plan will not be required for Confirmation or that such modifications would not necessitate re-solicitation of votes.

Moreover, the Debtors can make no assurances that they will receive the requisite votes for acceptance to confirm the Amended Plan. Even if all Voting Classes vote in favor of the Amended Plan or the requirements for "cramdown" are met with respect to any Class that rejected the Amended Plan, the Bankruptcy Court could decline to confirm the Amended Plan if it finds that any of the statutory requirements for Confirmation of the Amended Plan are not met. If the Amended Plan is not confirmed, it is unclear what distributions holders of Claims or Interests ultimately would receive with respect to their Claims or Interests in a subsequent plan.

**vii. Risk of Non-Consensual Confirmation**

If any impaired class of claims or equity interests does not accept or is deemed not to accept a plan, a bankruptcy court may nevertheless confirm such plan at the proponent's request if at least one impaired class has voted to accept the Amended Plan (with such acceptance being determined without including the vote of any "insider" in such class), and as to each impaired class that has not accepted the plan, the Bankruptcy Court determines that the plan "does not discriminate unfairly" and is "fair and equitable" with respect to the dissenting impaired classes. If any class votes to reject the plan, then these requirements must be satisfied with respect to such rejecting classes. The Debtors believe that the Amended Plan satisfies these requirements.

**viii. Conversion into Chapter 7 Cases**

If no plan can be confirmed, or if the Bankruptcy Court otherwise finds that it would be in the best interest of holders of Claims and Interests, the Chapter 11 Cases may be converted to cases under chapter 7 of the Bankruptcy Code, pursuant to which a trustee would be appointed or elected to liquidate the Debtors' assets for distribution in accordance with the priorities established by the Bankruptcy Code. See section (XI)(C) hereof, as well as the Liquidation Analysis attached hereto as **Exhibit C**, for a discussion of the effects that a chapter 7 liquidation would have on the recoveries of holders of Claims and Interests.

**ix. *Risk of Non-Occurrence of the Effective Date***

Although the Debtors believe that the Effective Date will occur soon after the Confirmation of the Amended Plan and that there is not a material risk that the Debtors will not be able to obtain any necessary governmental approvals (including any antitrust approval), there can be no assurance as to the timing of the Effective Date. If the conditions precedent to the Effective Date set forth in the Amended Plan have not occurred or have not been waived as set forth in section 9 of the Amended Plan, then the Confirmation Order may be vacated, in which event no distributions would be made under the Amended Plan, the Debtors and all holders of Claims or Interests would be restored to the status quo as of the day immediately preceding the Confirmation Date, and the Debtors' obligations with respect to claims and Interests would remain unchanged.

**x. *Releases, Injunctions, and Exculpations Provisions May Not Be Approved***

Section 10 of the Amended Plan provides for certain releases, injunctions, and exculpations, for claims and causes of action that may otherwise be asserted against the Debtors, the Wind Down Debtors, the Exculpated Parties, or the Released Parties, as applicable. The releases, injunctions, and exculpations provided in the Amended Plan are subject to objection by parties in interest and may not be approved. If the releases and exculpations are not approved, certain parties may not be considered Releasing Parties, Released Parties, or Exculpated Parties, and certain Released Parties or Exculpated Parties may withdraw their support for the Amended Plan.

**B. *Additional Factors***

**i. *The Debtors Could Withdraw the Amended Plan***

The Amended Plan may be revoked or withdrawn prior to the Confirmation Date by the Debtors.

**ii. *The Debtors Have No Duty to Update***

The statements contained in the Amended Disclosure Statement are made by the Debtors as of the date hereof, unless otherwise specified herein, and the delivery of the Amended Disclosure Statement after that date does not imply that there has been no change in the information set forth herein since that date. The Debtors have no duty to update the Amended Disclosure Statement unless otherwise ordered to do so by the Bankruptcy Court.

**iii. *No Representations Outside the Amended Disclosure Statement Are Authorized***

No representations concerning or related to the Debtors, the Chapter 11 Cases, or the Amended Plan are authorized by the Bankruptcy Court or the Bankruptcy Code, other than as set forth in the Amended Disclosure Statement.

Any representations or inducements made to secure your vote for acceptance or rejection of the Amended Plan that are other than those contained in, or included with, the Amended Disclosure Statement should not be relied upon in making the decision to vote to accept or reject the Amended Plan.

*iv. No Legal or Tax Advice Is Provided by the Amended Disclosure Statement*

The contents of the Amended Disclosure Statement should not be construed as legal, business, or tax advice. Each Holder of a Claim or Interest should consult their own legal counsel and accountant as to legal, tax, and other matters concerning its Claim or Interest.

The Amended Disclosure Statement is not legal advice to you. The Amended Disclosure Statement may not be relied upon for any purpose other than to determine how to vote on the Amended Plan or object to Confirmation of the Amended Plan.

*v. No Admission Made*

Nothing contained herein or in the Amended Plan will constitute an admission of, or will be deemed evidence of, the tax or other legal effects of the Amended Plan on the Debtors or Holders of Claims or Interests.

*vi. Certain Tax Consequences*

For a discussion of certain tax considerations to the Debtors and certain holders of Claims in connection with the implementation of the Amended Plan, see section 12 thereof.

**X.**

HOLDERS ARE STRONGLY ENCOURAGED TO SUBMIT THEIR BALLOTS VIA THE E-BALLOT PLATFORM.

### **C. Parties Entitled to Vote**

Under the Bankruptcy Code, only holders of claims or interests in “impaired” classes are entitled to vote on a plan. Under section 1124 of the Bankruptcy Code, a class of claims or interests is deemed to be “impaired” under a plan unless: (1) the plan leaves unaltered the legal, equitable, and contractual rights to which such claim or interest entitles the holder thereof; or (2) notwithstanding any legal right to an accelerated payment of such claim or interest, the plan cures all existing defaults (other than defaults resulting from the occurrence of events of bankruptcy) and reinstates the maturity of such claim or interest as it existed before the default.

If, however, the holder of an impaired claim or interest will not receive or retain any distribution under the plan on account of such claim or interest, the Bankruptcy Code deems such holder to have rejected the plan, and, accordingly, holders of such claims and interests do not actually vote on the plan. If a claim or interest is not impaired by the plan, the Bankruptcy Code deems the holder of such claim or interest to have accepted the plan and, accordingly, holders of such claims and interests are not entitled to vote on the Plan.

A vote may be disregarded if the Bankruptcy Court determines, pursuant to section 1126(e) of the Bankruptcy Code, that it was not solicited or procured in good faith or in accordance with the provisions of the Bankruptcy Code.

The Bankruptcy Code defines “acceptance” of a plan by a class of: (1) claims as acceptance by creditors in that class that hold at least two-thirds (2/3) in dollar amount and more than one-half (1/2) in number of the claims that cast ballots for acceptance or rejection of the Plan; and (2) Interests as acceptance by interest holders in that class that hold at least two-thirds (2/3) in amount of the Interests that cast Ballots for acceptance or rejection of the Amended Plan.

An Eligible Holder should vote on the Amended Plan by completing a Ballot in accordance with the instructions therein and as set forth above.

All Ballots must be signed by the Eligible Holder, or any person who has obtained a properly completed Ballot proxy from the Eligible Holder by the Record Date. Unless otherwise ordered by the Bankruptcy Court, Ballots that are signed, dated, and timely received, but on which a vote to accept or reject the Amended Plan has not been indicated, will not be counted. The Debtors, in their sole discretion, may request that the Voting Agent attempt to contact such voters to cure any such defects in the Ballots. Any Ballot marked to both accept and reject the Amended Plan will not be counted. If an Eligible Holder returns more than one Ballot voting different Claims or Interests, the Ballots are not voted in the same manner, and such Holder does not correct this before the Voting Deadline, those Ballots will not be counted. An otherwise properly executed Ballot that attempts to partially accept and partially reject the Amended Plan will likewise not be counted.

The Ballots provided to Eligible Holders will reflect the principal amount of each such Eligible Holder’s Claim or Interest; however, when tabulating votes, the Voting Agent may adjust the amount of such Eligible Holder’s Claim by multiplying the principal amount by a factor that reflects all amounts accrued between the Record Date and the Petition Date including interest.

Under the Bankruptcy Code, for purposes of determining whether the requisite votes for acceptance have been received, only Eligible Holders who actually vote will be counted. The failure of an Eligible Holder to deliver a duly executed Ballot to the Voting Agent will be deemed to constitute an abstention by such Holder with respect to voting on the Amended Plan and such abstentions will not be counted as votes for or against the Amended Plan.

Except as provided below, unless a Ballot is timely submitted to the Voting Agent before the Voting Deadline together with any other documents required by such Ballot, the Debtors may, in their sole discretion, reject such Ballot as invalid, and therefore decline to utilize it in connection with seeking confirmation of the Amended Plan.

***i. Fiduciaries and Other Representatives***

If a Ballot is signed by a trustee, executor, administrator, guardian, attorney-in-fact, officer of a corporation, or another, acting in a fiduciary or representative capacity, such person should indicate such capacity when signing and, if requested, must submit proper evidence satisfactory to the Debtors of authority to so act. Authorized signatories should submit the separate Ballot of each Eligible Holder for whom they are voting.

***ii. Agreements Upon Furnishing Ballots***

The delivery of an accepting Ballot pursuant to one of the procedures set forth above will constitute the agreement of the creditor with respect to such Ballot to accept: (a) all of the terms of, and

conditions to, this Solicitation; and (b) the terms of the Amended Plan including the injunction, releases, and exculpations set forth in sections 10.5, 10.6, 10.7, and 10.8 therein. All parties in interest retain their right to object to confirmation of the Amended Plan pursuant to section 1128 of the Bankruptcy Code.

**iii. *Change of Vote***

Any party who has previously submitted a properly completed Ballot to the Voting Agent before the Voting Deadline may revoke such Ballot and change its vote by submitting to the Voting Agent before the Voting Deadline a subsequent, properly completed Ballot voting for acceptance or rejection of the Amended Plan.

**D. *Waivers of Defects, Irregularities, etc.***

Unless otherwise directed by the Bankruptcy Court, all questions as to the validity, form, eligibility (including time of receipt), acceptance, and revocation or withdrawals of Ballots will be determined by the Voting Agent or the Debtors, as applicable, in their sole discretion, which determination will be final and binding. The Debtors reserve the right to reject any and all Ballots submitted by any of their creditors or shareholders not in proper form, the acceptance of which would, in the opinion of the Debtors or their counsel, as applicable, be unlawful. The Debtors further reserve their respective rights to waive any defects or irregularities or conditions of delivery as to any particular Ballot. The interpretation (including the Ballot and the respective instructions thereto) by the applicable Debtor, unless otherwise directed by the Bankruptcy Court, will be final and binding on all parties. Unless waived, any defects or irregularities in connection with deliveries of Ballots must be cured within such time as the Debtors (or the Bankruptcy Court) determine. Neither the Debtors nor any other person will be under any duty to provide notification of defects or irregularities with respect to deliveries of Ballots nor will any of them incur any liabilities for failure to provide such notification. Unless otherwise directed by the Bankruptcy Court, delivery of such Ballots will not be deemed to have been made until such irregularities have been cured or waived. Ballots previously furnished, as to which any irregularities have not theretofore been cured or waived, will be invalidated.

**E. *Further Information, Additional Copies***

If you have any questions or require further information about the voting procedures for voting your Claims or Interests about the packet of material you received, or if you wish to obtain an additional copy of the Amended Plan, the Amended Disclosure Statement, or any exhibits to such documents, please contact the Voting Agent.

**XI.**

**CONFIRMATION OF THE AMENDED PLAN**

**A. *Confirmation Hearing***

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court to hold a confirmation hearing upon appropriate notice to all required parties. On, or as promptly as practicable after, the date hereof, the Debtors will request that the Bankruptcy Court schedule the Confirmation Hearing. Notice of the Confirmation Hearing will be provided to all known creditors and equity holders or

their representatives. The Confirmation Hearing may be adjourned from time to time by the Bankruptcy Court without further notice except for the announcement of the continuation date made at the Confirmation Hearing, at any subsequent continued Confirmation Hearing, or pursuant to a notice filed on the docket for the Chapter 11 Cases.

**B. Objections to Confirmation**

Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to the confirmation of a plan. Any objection to confirmation of the Amended Plan must be in writing, must conform to the Bankruptcy Rules and the Local Rules, must set forth the name of the objector, the nature and amount of the claims held or asserted by the objector against the Debtors' estates or properties, the basis for the objection and the specific grounds therefore, and must be filed with the Bankruptcy Court, with a copy to the chambers of the Honorable Alfredo R. Pérez, United States Bankruptcy Judge, together with proof of service thereof, and served upon the following parties, including such other parties as the Bankruptcy Court may order.

**UNLESS AN OBJECTION TO CONFIRMATION IS TIMELY SERVED AND FILED,  
IT MAY NOT BE CONSIDERED BY THE BANKRUPTCY COURT.**

**C. Requirements for Confirmation of the Amended Plan**

The Bankruptcy Court will confirm the Amended Plan only if all of the requirements of section 1129 of the Bankruptcy Code are met. Among the requirements for confirmation are that the Amended Plan is (1) accepted by all Impaired Classes of Claims and Interests entitled to vote or, if rejected or deemed rejected by an Impaired Class, that the Amended Plan “does not discriminate unfairly” and is “fair and equitable” as to such Class; (2) in the “best interests” of the Holders of Claims and Interests Impaired under the Amended Plan; and (3) feasible.

***i. Acceptance of the Amended Plan***

If any Impaired Class of Claims or Interests does not accept the Amended Plan (or is deemed to reject the Amended Plan), the Bankruptcy Court may still confirm the Amended Plan at the request of the Debtors if, as to each Impaired Class of Claims or Interests that has not accepted the Amended Plan (or is deemed to reject the Amended Plan), the Amended Plan “does not discriminate unfairly” and is “fair and equitable” under the so-called “cramdown” provisions set forth in section 1129(b) of the Bankruptcy Code. The “unfair discrimination” test applies to classes of claims or interests that are of equal priority and are receiving different treatment under the

Amended Plan. A chapter 11 plan does not discriminate unfairly, within the meaning of the Bankruptcy Code, if the legal rights of a dissenting class are treated in a manner consistent with the treatment of other classes whose legal rights are substantially similar to those of the dissenting class and if no class of claims or interests receives more than it legally is entitled to receive for its claims or interests. The test does not require that the treatment be the same or equivalent, but that such treatment be “fair.” The “fair and equitable” test applies to classes of different priority and status (*e.g.*, secured versus unsecured; claims versus interests) and includes the general requirement that no class of claims receive more than 100% of the allowed amount of the claims in such class. As to the dissenting class, the test sets different standards that must be satisfied for the Amended Plan to be confirmed, depending on the type of claims or interests in such class. The following sets forth the “fair and equitable” test that must be satisfied as to each type of class for a plan to be confirmed if such class rejects the Amended Plan:

- **Secured Creditors.** Each holder of an impaired secured claim either (a) retains its liens on the property, to the extent of the allowed amount of its secured claim, and receives deferred cash payments having a value, as of the Effective Date of the Amended Plan, of at least the allowed amount of such secured claim, (b) has the right to credit bid the amount of its claim if its property is sold and retains its lien on the proceeds of the sale, or (c) receives the “indubitable equivalent” of its allowed secured claim.
- **Unsecured Creditors.** Either (a) each holder of an impaired unsecured claim receives or retains under the plan property of a value, as of the effective date of the plan, equal to the amount of its allowed claim or (b) the holders of claims and interests that are junior to the claims of the dissenting class will not receive any property under the Amended Plan.
- **Interests.** Either (a) each equity interest holder will receive or retain under the plan property of a value equal to the greater of (i) the fixed liquidation preference or redemption price, if any, of such equity interest and (ii) the value of the equity interest or (b) the holders of interests that are junior to the interests of the dissenting class will not receive or retain any property under the Amended Plan.

The Debtors believe the Amended Plan satisfies both the “unfair discrimination” and “fair and equitable” requirement with respect to any rejecting Class.

IF ALL OTHER CONFIRMATION REQUIREMENTS ARE SATISFIED AT THE CONFIRMATION HEARING, THE DEBTORS WILL ASK THE BANKRUPTCY COURT TO RULE THAT THE AMENDED PLAN MAY BE CONFIRMED ON THE GROUND THAT THE SECTION 1129(b) REQUIREMENTS HAVE BEEN SATISFIED.

*ii. Best Interests Test*

As noted above, with respect to each impaired class of claims and equity interests, confirmation of a plan requires that each such holder either: (a) accept the plan; or (b) receive or retain under the plan property of a value, as of the effective date of the plan, that is not less than the value such

holder would receive or retain if the debtors were liquidated under chapter 7 of the Bankruptcy Code. This requirement is referred to as the “best interests test.”

This test requires a bankruptcy court to determine what the holders of allowed claims and allowed equity interests in each impaired class would receive from a liquidation of the debtors’ assets and properties in the context of a liquidation under chapter 7 of the Bankruptcy Code. To determine if a plan is in the best interests of each impaired class, the value of the distributions from the proceeds of the liquidation of the debtors’ assets and properties (after subtracting the amounts attributable to the aforesaid claims) is then compared with the value offered to such classes of claims and equity interests under the plan.

The Debtors believe that under the Amended Plan all holders of impaired Claims and Interests will receive property with a value not less than the value such Holder would receive in a liquidation under chapter 7 of the Bankruptcy Code. The Debtors’ belief is based primarily on: (a) consideration of the effects that a chapter 7 liquidation would have on the ultimate proceeds available for distribution to holders of impaired Claims and Interests; and (b) the Liquidation Analysis attached hereto as **Exhibit C**.

The Debtors believe that any liquidation analysis is speculative, as it is necessarily premised on assumptions and estimates which are inherently subject to significant uncertainties and contingencies, many of which would be beyond the control of the Debtors. The Liquidation Analysis provided in **Exhibit C** is solely for the purpose of disclosing to holders of Claims and Interests the effects of a hypothetical chapter 7 liquidation of the Debtors, subject to the assumptions set forth therein. There can be no assurance as to values that would actually be realized in a chapter 7 liquidation nor can there be any assurance that a bankruptcy court will accept the Debtors’ conclusions or concur with such assumptions in making its determinations under section 1129(a)(7) of the Bankruptcy Code.

### *iii. Feasibility*

Section 1129(a)(11) of the Bankruptcy Code requires that a debtor demonstrate that confirmation of a plan is not likely to be followed by liquidation or the need for further financial reorganization. Because the Amended Plan contemplates the liquidation of the Debtors and their assets, the Amended Plan is feasible because it sets aside sufficient funds to pay all Allowed Administrative Claims and other Allowed Claims and Interests in accordance with the terms of the Amended Plan.

## **XII.** **ALTERNATIVES TO CONFIRMATION AND CONSUMMATION OF THE AMENDED PLAN**

The Debtors have evaluated several alternatives to the Amended Plan. After studying these alternatives, the Debtors have concluded that the Amended Plan is the best alternative and will maximize recoveries to parties in interest, assuming confirmation and consummation of the Amended Plan. If the Amended Plan is not confirmed and consummated, the alternatives to the Amended Plan are: (A) the preparation and presentation of an alternative reorganization; (B) the a sale of some or all of the Debtors’ assets pursuant to section 363 of the Bankruptcy Code; or (C) a liquidation under chapter 7 of the Bankruptcy Code.

**A. Alternative Plan**

If the Amended Plan is not confirmed, the Debtors (or if the Debtors' exclusive period in which to file a plan has expired, any other party in interest) could attempt to formulate a different plan. Such a plan might involve either: (a) a reorganization and continuation of the Debtors' businesses or (b) an orderly liquidation of their assets. The Debtors, however, believe that the Amended Plan, as described herein, enables their creditors and shareholders to realize the most value under the circumstances.

**B. Sale under Section 363 of the Bankruptcy Code**

If the Amended Plan is not confirmed, the Debtors could seek from the Bankruptcy Court, after notice and hearing, authorization to sell their remaining assets under section 363 of the Bankruptcy Code. Upon analysis and consideration of this alternative, the Debtors do not believe a sale of their remaining assets under section 363 of the Bankruptcy Code would yield a higher recovery for the holders of claims under the Amended Plan.

**C. Liquidation Under Chapter 7 of Bankruptcy Code**

If no plan can be confirmed, the Chapter 11 Cases may be converted to cases under chapter 7 of the Bankruptcy Code in which a trustee would be elected or appointed to liquidate the assets of the Debtors for distribution to their creditors in accordance with the priorities established by the Bankruptcy Code. The effect that a chapter 7 liquidation would have on the recovery of holders of Allowed Claims and Interests is set forth in the Liquidation Analysis attached hereto as **Exhibit C**.

The Debtors believe that liquidation under chapter 7 would result in smaller distributions to creditors than those provided for in the Amended Plan because of, among other things, the delay resulting from the conversion of the Chapter 11 Cases, the additional administrative expenses associated with the appointment of a trustee and the trustee's retention of professionals who would be required to become familiar with the many legal and factual issues in the Chapter 11 Cases, and the loss in value attributable to an expeditious liquidation of the Debtors' assets as required by chapter 7.

**XIII.**  
**CONCLUSION AND RECOMMENDATION**

The Debtors believe the Amended Plan is in the best interests of all stakeholders and urge the holders of Claims and Interests, as applicable, to vote in favor thereof.

## ARTICLE V. MEANS FOR IMPLEMENTATION.

### 5.1. *Compromise and Settlement of Claims, Interests, and Controversies.*

Pursuant to sections 363 and 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided under the Amended Plan, including, for the avoidance of doubt, the Whinstone Settlement, the ADI Warrants Settlement, the D&O Insurance Settlement (if applicable), upon the Effective Date, the provisions of the Amended Plan shall constitute a good faith compromise and settlement of all Claims, Interests, and controversies, including actions that would constitute Trust Causes of Action in the event the D&O Insurance Settlement is approved on or before the Effective Date and funded within 15 days of approval, relating to the contractual, legal, and subordination rights that a Claim Holder or an Interest Holder may have with respect to any Allowed Claim or Interest or any distribution to be made on account of such Allowed Claim or Interest. Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Allowed Claims, Interests, and controversies, as well as a finding by the Bankruptcy Court that such compromise, settlement, and transactions are in the best interests of the Debtors, their Estates, and Holders of Allowed Claims and Interests, and is fair, equitable, and is within the range of reasonableness. Subject to the provisions of this Amended Plan governing distributions, all distributions made to Holders of Allowed Claims and Interests in any Class are intended to be and shall be final.

### 5.2. *Rhodium Litigation Trust.*

(a) If the D&O Insurance Settlement is not approved on or before the Effective Date, or if such settlement is not funded within 15 days of approval, then the Rhodium Litigation Trust shall be established on the earlier of (i) the Effective Date or (ii) the expiration of 15 days following such approval without the D&O Insurance Settlement having been funded. If the D&O Insurance Settlement is approved before the Effective Date (whether by an order under Rule 9019 of the Federal Rules of Bankruptcy Procedure or the Confirmation Order) and funded within 15 days of approval, the Rhodium Litigation Trust shall not be established, and the remaining provisions of this Section 5.2 shall not apply.

(b) *Vesting of Trust Assets in the Rhodium Litigation Trust.* Upon establishment of the Rhodium Litigation Trust in accordance with Section 5.2(a) above, and except as otherwise expressly provided in the Amended Plan, all Trust Assets shall vest in the Rhodium Litigation Trust free and clear of any and all Liens, obligations, and all other interests of every kind and nature, and the Confirmation Order shall so provide. The Rhodium Litigation Trust, through the Litigation Trust Committee, shall be authorized, but not directed, to pursue, negotiate, and or/settle the Trust Causes of Action and distribute the proceeds in accordance with the Amended Plan. The Rhodium Litigation Trust shall further be entitled to pursue recoveries from any of the D&O Policies on account of the Trust Causes of Action.

(c) *Appointment of Litigation Trust Committee.* Prior to the Confirmation Hearing, the Holders of Claims and Interests in Classes 8a, 8b (if Class 8b votes as a Class to accept the Amended Plan), and 9b shall select one representative from each of such Classes to serve as a member of the Litigation Trust Committee. On and after the Effective Date, the operations of the Rhodium Litigation Trust shall be the responsibility of the Litigation Trust Committee.

(d) *Funding of the Rhodium Litigation Trust.* The Rhodium Litigation Trust Committee shall determine, on or as soon as practicable after the Effective Date, an amount of initial funding for the Rhodium Litigation Trust. Such amount, not to exceed \$5,000,000, shall be distributed to the Rhodium Litigation Trust under this Amended Plan and shall not be included in the Debtors' distributable Cash. The fees and expenses of the Rhodium Litigation Trust, and those of any employees or professionals engaged or retained by the Rhodium Litigation Trust, the Rhodium Litigation Trust Committee, and/or any trustee

selected by the Rhodium Litigation Trust Committee to manage the Rhodium Litigation Trust, shall be satisfied from recoveries made by the Rhodium Litigation Trust. None of the Rhodium Litigation Trust, the Rhodium Litigation Trust Committee (in its capacity as such), or any trustee selected by the Rhodium Litigation Trust Committee to manage the Rhodium Litigation Trust, shall be entitled to any payment of fees and expenses from any of the Debtors or the Wind Down Debtors beyond the initial funding set forth in this section 5.2(d).

(e) *Pursuit of Trust Causes of Action.* On the later of the Effective Date or the date on which the Rhodium Litigation Trust is established, the Trust Causes of Action shall be vested in the Rhodium Litigation Trust, except to the extent a Holder of any Claim or Interest or other third party has been specifically released from any Trust Cause of Action by the terms of this Amended Plan or by a Final Order of the Bankruptcy Court. The Rhodium Litigation Trust will have the right, in its sole and absolute discretion, to pursue, not pursue, settle, release or enforce any Trust Causes of Action without seeking any approval from the Bankruptcy Court. The Debtors express no opinion on the merits of any of the Trust Causes of Action or on the recoverability of any amounts as a result of any such Causes of Action. All costs and expenses (including legal fees) to pursue the Trust Causes of Action shall be paid either from the initial funding provided in section 5.2(d) of this Amended Plan or from the proceeds of recoveries by the Rhodium Litigation Trust.

**IN THE EVENT THE D&O INSURANCE SETTLEMENT IS NOT APPROVED PRIOR TO THE EFFECTIVE DATE, THE AMENDED PLAN DOES NOT, AND IS NOT INTENDED TO, RELEASE ANY TRUST CAUSES OF ACTION, AND ALL SUCH RIGHTS ARE SPECIFICALLY RESERVED IN FAVOR OF THE RHODIUM LITIGATION TRUST, SUBJECT TO THE LIMITATIONS SET FORTH IN SECTION 5.2(g).** Holders of Claims and Interests are advised that legal rights, claims and causes of action the Debtors may have against them, if they exist, are retained under the Amended Plan for prosecution unless a Final Order of the Bankruptcy Court authorizes the Debtor to release such claims. As such, Holders of Claims and Interests are cautioned not to rely on (i) the absence of the listing of any legal right, claim or right of action against a particular Holder of any Claim or Interest in the Amended Disclosure Statement, the Amended Plan, or the Schedules, or (ii) the absence of litigation or demand prior to the Effective Date of the Amended Plan as any indication that the Debtors or the Rhodium Litigation Trust do not possess or do not intend to prosecute a particular claim or Cause of Action if a particular Holder of a Claim or Interest votes to accept the Amended Plan. It is the expressed intention of the Amended Plan to preserve the Trust Causes of Action and all rights, objections to Claims, and rights of action of the Debtors relating thereto, whether now known or unknown, for the benefit of the Rhodium Litigation Trust in the event the Rhodium Litigation Trust is established. A Trust Cause of Action shall not, under any circumstances, be waived as a result of the failure of the Debtor to describe such Trust Cause of Action with specificity in the Amended Plan or in the Amended Disclosure Statement; nor shall the Rhodium Litigation Trust, as a result of such failure, be estopped or precluded under any theory from pursuing such Trust Cause of Action. Except as expressly provided, nothing in this Amended Plan operates as a release of any of the Trust Causes of Action.

The Debtors do not presently know the full extent of the Trust Causes of Action and, for purposes of voting on the Amended Plan, all Holders of Claims and Interests are advised that the Rhodium Litigation Trust will have substantially the same rights that a Chapter 7 trustee would have with respect to the Trust Causes of Action. Accordingly, neither a vote to accept the Amended Plan by any Holders of Claims or Interests nor the entry of the Confirmation Order will act as a release, waiver, bar or estoppel of any Trust Cause of Action against such Holder of Claims or Interests or any other Person or Entity, unless such Person or Entity is specifically identified by name as a released party in the Amended Plan, in the Confirmation Order, or in any other Final Order of the Bankruptcy Court. Confirmation of the Amended Plan and entry of the Confirmation Order is not intended to and shall not be deemed to have any *res judicata* or collateral

estoppel or other preclusive effect that would precede, preclude, or inhibit prosecution of such Trust Causes of Action following Confirmation of the Amended Plan, except as set forth in Section 5.2(g).

The Estates shall remain open, even if the Chapter 11 Cases shall have been closed, as to any and all Trust Causes of Action until such time as the Trust Causes of Action have been fully administered and the recoveries on account of any Trust Causes of Action have been received by the Rhodium Litigation Trust; ***provided, however, that*** nothing in the Amended Plan or the Amended Disclosure Statement shall prohibit the Rhodium Litigation Trust from pursuing any Trust Causes of Action in any courts other than the Bankruptcy Court.

(f) *Prosecution and Settlement of Trust Causes of Action.* The Rhodium Litigation Trust (a) may commence or continue in any appropriate court or tribunal any suit or other proceeding for the enforcement of any Trust Cause of Action which the Debtor had asserted or had power to assert immediately prior to the Effective Date, and (b) may settle or adjust such Trust Cause of Action. From and after the Effective Date, the Rhodium Litigation Trust shall be authorized, pursuant to Bankruptcy Rule 9019 and Section 105(a) of the Bankruptcy Code, to compromise and settle any Trust Cause of Action in accordance with the following procedures, which shall constitute sufficient notice in accordance with the Bankruptcy Code and the Bankruptcy Rules for compromises and settlements: (i) if the resulting settlement provides for settlement of a Cause of Action or objection to a Claim originally asserted in an amount equal to or less than \$100,000.00, then the Rhodium Litigation Trust may settle the Cause of Action and execute necessary documents, including a stipulation of settlement or release; and (ii) if the resulting settlement involves a Cause of Action or objection to a Claim originally asserted in an amount exceeding \$100,000.00, then the Rhodium Litigation Trust shall be authorized and empowered to settle such Cause of Action only upon Bankruptcy Court approval in accordance with Bankruptcy Rule 9019 and after notice to the required parties.

(g) *Limitation of Recovery.* Recoveries on account of the Trust Causes of Action against Imperium, its members, and/or the Founders shall be limited to amounts covered and paid by the D&O Policies. Imperium, its members, and/or the Founders shall have no further personal liability for such claims.

### 5.3. *Effectuating Documents; Corporate Action; Restructuring Transactions.*

(a) The Debtors, the Transcend Parties, and the Holders of Settling Common Interests shall determine prior to the Effective Date how the Wind Down Debtors shall be administered and whether a liquidating trust shall be established. The Debtors, the Transcend Parties, and the Holders of Settling Common Interests shall further be authorized to determine all matters relating to the governance and operation of the Wind Down Debtors and/or any liquidating trust in accordance with the terms of this Amended Plan.

(b) The Debtors, the Transcend Parties, and the Holders of Settling Common Interests shall seek to undertake the management of the Wind Down Debtors and any liquidating trust, as well as any Restructuring Transactions, in as tax-efficient a manner as possible.

(c) Notwithstanding anything herein to the contrary, on or about the Effective Date, or as soon as reasonably practicable thereafter, the Debtors, the Wind Down Debtors, or the Liquidating Trustee, as applicable, shall take all actions set forth in and contemplated by the Restructuring Transactions Exhibit, and enter into any transaction and may take all actions as may be necessary or appropriate to effectuate the transactions described in, approved by, contemplated by, or necessary or appropriate to effectuate the Amended Plan, including the Restructuring Transactions.

(d) Upon the Effective Date, all actions contemplated by the Amended Plan shall be deemed authorized and approved in all respects, including (i) any assumption of Executory Contracts and Unexpired Leases as provided herein, (ii) execution of the Litigation Trust Agreement (if applicable), and (iii) all other actions contemplated by the Amended Plan (whether to occur before, on, or after the Effective Date), in each case in accordance with and subject to the terms hereof.

#### 5.4. *Exemption from Securities Laws.*

The Debtors need not provide any further evidence other than the Amended Plan or the Confirmation Order with respect to the validity of any transaction contemplated by the Amended Plan or the Confirmation Order. #### 5.5. *Cancellation of Liens and Debt Instruments.*

(a) Except as otherwise specifically provided herein, including sections 4.4 and 4.6 hereof, all notes, instruments, certificates evidencing debt of the Debtors will be cancelled and obligations of the Debtors thereunder will be discharged and of no further force or effect, except for the purpose of allowing the applicable Persons to receive distributions under the Amended Plan and to make any further distributions to the applicable Holders on account of their Allowed Claims and Interests.

(b) After the Effective Date, the Debtors (or the Wind Down Debtors or the Liquidating Trustee), at their expense, may, in their sole discretion, take any action necessary to terminate, cancel, extinguish, and/or evidence the release of any and all mortgages, deeds of trust, Liens, pledges, and other security interests including, without limitation, the preparation and filing of any and all documents necessary to terminate, satisfy, or release any mortgages, deeds of trust, Liens, pledges, and other security

**5.8. *Closing of the Chapter 11 Cases.***

After the Effective Date, the Wind Down Debtors or the Liquidating Trustee, as applicable, shall be authorized, but not directed, to submit an order to the Bankruptcy Court under certification of counsel that is in form and substance reasonably acceptable to the U.S. Trustee and Wind Down Debtors or the Liquidating Trustee, as applicable, that closes and issues a final decree for each of the Chapter 11 Cases; ***provided that*** any order of the Bankruptcy Court closing the Chapter 11 Cases shall provide that the Chapter 11 Case of Rhodium Enterprises shall remain open through the pendency of any litigation commenced by the Rhodium Litigation Trust or an earlier date determined by the Rhodium Litigation Trust, and that for purposes of sections 546 and 550 of the Bankruptcy Code, the Rhodium Litigation Trust may proceed in the Chapter 11 Case as if the other cases had not been closed; ***provided further*** that the Rhodium Litigation Trust shall bear the cost of the Chapter 11 Case of Rhodium Enterprises Inc. following the entry of an order of the Bankruptcy Court closing the Chapter 11 Cases of the other Debtors.

**5.9. *Redemption of Rhodium Technologies Interests.***

(a) As a precursor to all other steps in this Section and any distributions to Holders of Allowed Rhodium Technologies Interests under Section 4.12 of the Plan, and following the Confirmation Date but immediately prior to the Effective Date, Rhodium Technologies shall distribute \$13,160,869.72 in Cash to Imperium to redeem Imperium's equity interest in Rhodium Technologies, which shall be in full satisfaction of the Imperium Equity Claim. As a result, the Rhodium Technologies partnership for purposes of tax treatment shall be deemed to terminate.

(b) Following completion of the distribution in Section 5.9(a) above and the termination of Imperium's equity interest in Rhodium Technologies, Debtors Jordan HPC LLC, Rhodium 10MW LLC, Rhodium 30MW LLC, Rhodium 2.0 LLC, and Rhodium Encore LLC, together with Rhodium Enterprises, shall remain in being as Wind Down Debtors. Such entities shall continue to exist as Wind Down Debtors for as long as necessary or beneficial for tax or other purposes. All other Debtors may continue as Wind Down Debtors or be merged into other Debtors or dissolved, as set forth in the Plan Supplement. In addition, following completion of the distribution in Section 5.9(a) above and the termination of Imperium's equity interest in Rhodium Technologies, each of the Wind Down Debtors shall be authorized to distribute Cash and any other assets to any other Wind Down Debtor(s) as may be necessary or beneficial to fulfill the terms of the Amended Plan in an efficient manner.

(c) Any dissolution of Rhodium Technologies shall be done in a manner that shall not affect the termination of the partnership in Section 5.9(a) or collapse together the actions taken in Section 5.9(a) with any other actions.

(d) All amounts that are or may be due to Imperium on account of Imperium's equity interest in Rhodium Technologies or any other Debtor (other than Rhodium Enterprises) in excess of \$13,160,869.72 shall be deemed to be contributed to the Debtors' distributable Cash in full satisfaction of any liability described above and any liability beyond any amounts recovered under the D&O Policies that Imperium or the Founders may have to (i) the Debtors and/or their Estates, and/or (ii) the Transcend Parties on account of the Transcend Contributed Claims.

(e) Prior to the Effective Date, the Founders and Imperium shall receive and review the draft or final Forms K-1 (or K-1 substitutes) for tax years 2024 and 2025. In exchange for the Founders and Imperium agreeing to receive complete redemption of their Rhodium Technologies Interests, the Debtors shall indemnify Imperium and its members for any tax liability they actually incur as a result of the final Schedule K-1 for 2025 issued from the Debtors to Imperium that is not otherwise reduced by losses previously allocated to Imperium, considering tax basis and gain/loss on redemption, on its historical Schedules K-1 that remain available for use by partners of Imperium. On the Effective Date, this indemnity obligation shall completely replace the Debtors' pre-existing tax indemnification obligation under Rhodium Technologies' governing documents. The good faith estimate of tax liability provided to the Founders and Imperium (whether on a Form K-1 or a substitute Form K-1) for 2024 and 2025 will be accurate within a reasonable variance from the final numbers.

(e) Following the exercise of the Exercised Warrants, claims held by the Transcend Parties on account of ADI Warrants that the Transcend Parties are unable to exercise due to the cap on authorized shares at Rhodium Enterprises ("*Unexercised Warrants*"), including claims for breach of contract or

similar claims (“*Unexercised Warrant Claims*”) shall be settled pursuant to this Amended Plan and afforded the treatment set forth in section 4.9 of this Amended Plan.

(f) The Transcend Parties will contribute all Transcend Contributed Claims to the Debtors’ Estates to be pursued, negotiated, and settled (as applicable) by the Debtors or the Rhodium Litigation Trust, as applicable; *provided, however*, that the Transcend Contributed Claims shall remain the property of the Transcend Parties until the Effective Date. (b) If the D&O Insurance Settlement is reached but not approved prior to the Effective Date, then pursuant to sections 363 and 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distribution, releases, and other benefits provided under the Amended Plan as it incorporates the D&O Insurance Settlement, the D&O Insurance Settlement is hereby approved.

(c) If the D&O Insurance Settlement is not approved on or before the Effective Date, or such settlement is not funded within 15 days of its approval, then the Rhodium Litigation Trust shall be established pursuant to section 5.2 of this Amended Plan and the Trust Assets shall be contributed thereto. Recoveries on account of the Trust Causes of Action against Imperium, its members, and/or the Founders shall be limited to amounts covered and paid by the D&O Policies. Imperium, its members, and/or the Founders shall have no further personal liability for such claims.

In the event that any distribution to any Holder is returned as undeliverable, no further distributions shall be made to such Holder unless and until such Disbursing Agent is notified in writing of such Holder's then-current address, at which time, or as soon thereafter as reasonably practicable, all currently-due, missed distributions shall be made to such Holder without interest. The Wind Down Debtors, the Liquidating Trustee, and/or the Disbursing Agent shall have no obligation to attempt to locate any Holder of an Allowed Claim or Interest other than by reviewing the Debtors' books and records, including the records of the Debtors' transfer agent(s), and the Bankruptcy Court's Filings.

6.10. ***Time Bar to Cash Payments.***

Checks issued by a Disbursing Agent in respect of Allowed Claims or Interests shall be null and void if not negotiated within ninety (90) days after the date of first issuance thereof. (b) In no event shall any Holder of a Claim or Interest be entitled to set off any such Claim or Interest against any claim, right, or Cause of Action of the Debtor (or the Wind Down Debtors or the Liquidating Trustee), unless (i) the Debtors, the Wind Down Debtors, or the Liquidating Trustee, as applicable, have consented or (ii) such Holder has Filed a motion with the Bankruptcy Court requesting the authority to perform such setoff on or before the Confirmation Date, and which was ultimately granted by the Bankruptcy Court, and notwithstanding any indication in any Proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to section 553 of the Bankruptcy Code or otherwise. 6.17. ***Calculation of Distributable Cash.***

(a) The amount of the Debtors' distributable Cash shall be the amount of Cash held at Rhodium Enterprises on the Effective Date after the satisfaction of or setting aside of an appropriate reserve for (i) all unclassified Claims; (ii) all Claims in Classes 1-7; (iii) all Administrative Expense Claims; (iv) all Professional Fee Claims (including establishment of the Professional Fee Escrow); (v) all statutory fees payable to the U.S. Trustee as set forth in section 12.1 of this Amended Plan; (vi) all wind-down expenses of the Debtors' Estates (as reasonably acceptable to the Transcend Parties and the Holders of Settling Common Interests); (vii) the amount of Cash allocated by the Litigation Trust Committee to fund the Rhodium Litigation Trust (if applicable); and (viii) the distribution of \$13,160,869.72 from Rhodium Technologies to Imperium to redeem Imperium's equity Interests in Rhodium Technologies described in section 5.9(a) of this Amended Plan.

- d. Proof of Claim No. 213, asserted by Imperium in the amount of \$1,452,970 against Rhodium Technologies.

(b) Nothing in this Amended Plan shall be deemed to be a waiver of any rights of the Founders to seek indemnification of legal fees and expenses under the D&O Policies.

(c) Nothing in this Amended Plan shall permit Imperium or any of the Founders to receive more than one recovery on account of any of the Claims listed in this section 6.18, or to receive recovery from more than one Debtor on any such Claims. Except insofar as a Claim or Interest is Allowed under the Amended Plan or was Allowed prior to the Effective Date, the Wind Down Debtors and/or the Liquidating Trustee, as applicable, shall have and retain any and all rights and defenses such Debtor has with respect to any Disputed Claim or Interest. Any objections to Claims or Interests shall be served and Filed on or before the Claim/Interest Objection Deadline. All Disputed Claims or Interests not objected to by the end of such period shall be deemed Allowed unless such period is extended upon approval of the Bankruptcy Court.

**7.2. *Objections to Claims and Interests.***

Except insofar as a Claim or Interest is Allowed under the Amended Plan, the Debtors (and, after the Effective Date, the Wind Down Debtors and the Liquidating Trustee, as applicable) shall be entitled to object to Claims and Interests. Except as otherwise expressly provided in the Amended Plan and notwithstanding any requirements that may be imposed pursuant to Bankruptcy Rule 9019, after the Effective Date the Wind Down Debtors and the Liquidating Trustee shall have the authority to (i) file, withdraw, or litigate to judgment objections to Claims and Interests, (ii) settle or compromise any Disputed Claim or Interests without any further notice to, or action, order, or approval by, the Bankruptcy Court, and (iii) administer and adjust the Debtors' claims register to reflect any such settlements or compromises without any further notice to, or action, order, or approval by, the Bankruptcy Court.

**7.3. *Estimation of Claims.***

The Debtors (or the Wind Down Debtors or the Liquidating Trustee) may at any time request that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code, regardless of whether the Debtors previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court will retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated, or Disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, the Debtors (or the Wind Down Debtors or the Liquidating Trustee) may pursue supplementary proceedings to object to the allowance of such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before twenty-one (21) days after the date on which such Claim is estimated.

**7.4. *Adjustment to Claims Register Without Objection.***

Any duplicate Claim or Interest or any Claim or Interest that has been paid or satisfied, or any Claim that has been amended or superseded, may be adjusted or expunged on the claims register or register of interests by the Debtors (or, after the Effective Date, by the Wind Down Debtors or the Liquidating Trustee) upon stipulation or any agreement in writing, including, without limitation, email correspondence,

between the parties in interest without a Claims objection having to be Filed and without any further notice or action, order, or approval of the Bankruptcy Court.

**7.5. Disallowance of Claims.**

Any Claims held by Entities from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code or that is a transferee of a transfer avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, shall be deemed Disallowed pursuant to section 502(d) of the Bankruptcy Code, and Holders of such Claims may not receive any distributions on account of such Claims until such time as such Causes of Action against that Entity have been settled or a Bankruptcy Court order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Debtors (or, after the Effective Date, to the Wind Down Debtors or the Liquidating Trustee).

Except as otherwise provided herein or otherwise agreed by the Debtors (or, after the Effective Date, by the Wind Down Debtors or the Liquidating Trustee, as applicable), any and all Proofs of Claim Filed after the applicable Bar Date shall be deemed Disallowed and expunged as of the Effective Date without any further notice or action, order, or approval of the Bankruptcy Court, and Holders of such Claims or Interests may not receive any distributions on account of such Claims or Interests, unless the Bankruptcy Court shall have determined by a Final Order, on or before the Confirmation Hearing, that cause exists to extend the Bar Date as to such Proof of Claim on the basis of excusable neglect.

**7.6. No Distributions Pending Allowance.**

If an objection, motion to estimate, or other challenge to a Claim or Interest is Filed, no payment or distribution provided under the Amended Plan shall be made on account of such Claim or Interest unless and until (and only to the extent that) such Disputed Claim or Interest becomes an Allowed Claim or Allowed Interest.

**7.7. Distributions after Allowance.**

To the extent that a Disputed Claim or Interest ultimately becomes an Allowed Claim or Interest, distributions (if any) shall be made to the Holder of such Allowed Claim or Interest in accordance with the provisions of the Amended Plan. As soon as reasonably practicable after the date that the Final Order or judgment of the Bankruptcy Court Allowing any Disputed Claim or Interest becomes a Final Order, the Wind Down Debtors or the Liquidating Trustee, as applicable, shall provide to the Holder of such Claim or Interest the distribution to which such Holder is entitled under the Amended Plan as of the Effective Date.

**7.8. Claim Resolution Procedures Cumulative.**

All of the Claims, objection, estimation, and resolution procedures in the Amended Plan are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently settled, compromised, withdrawn, or resolved in accordance with the Amended Plan without further notice or Bankruptcy Court approval.

**7.9. Single Satisfaction of Claims.**

In no case shall the aggregate value of all property received or retained under the Amended Plan on account of any Allowed Claim or Interest exceed 100 percent of the underlying Allowed Claim plus applicable interest required to be paid hereunder, if any or Interest.

7.10. *Amendments to Claims or Interests.*

On or after the Effective Date, except as provided in the Amended Plan or the Confirmation Order, a Claim or Interest may not be Filed or amended without the prior authorization of (i) the Bankruptcy Court or (ii) the Wind Down Debtors or the Liquidating Trustee (as applicable), and any other new or amended Claim or Interest or Proof of Claim or Proof of Interest Filed after the Effective Date shall be deemed Disallowed in full and expunged without any further action of or notice to the Bankruptcy Court.

**ARTICLE VIII. EXECUTORY CONTRACTS AND UNEXPIRED LEASES.**

8.1. *General Treatment.*

(a) As of and subject to the occurrence of the Effective Date and the payment of any applicable Cure Amount, and subject to section 8.5 of the Amended Plan, all Executory Contracts and Unexpired Leases to which any of the Debtors are parties shall be deemed rejected, unless such contract or lease (i) was previously assumed or rejected by the Debtors, pursuant to Final Order of the Bankruptcy Court, (ii) previously expired or terminated pursuant to its own terms or by agreement of the parties thereto, (iii) is the subject of a motion to reject Filed by the Debtors on or before the Confirmation Date, or (iv) is specifically designated as a contract or lease to be rejected on the Schedule of Rejected Contracts.

(b) Subject to (i) resolution of any disputes in accordance with section 8.2 of the Amended Plan with respect to the Executory Contracts or Unexpired Leases subject to such disputes, and (ii) the occurrence of the Effective Date, entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the assumptions or rejections provided for in the Amended Plan pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Any Executory Contracts and Unexpired Leases assumed or assumed and assigned pursuant to the Amended Plan shall vest in and be fully enforceable by the Wind Down Debtors or the Liquidating Trustee (as applicable) or their assignee(s) in accordance with its terms, except as modified by any provision of the Amended Plan, any order of the Bankruptcy Court authorizing and providing for its assumption or assumption and assignment, or applicable law.

(c) To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Amended Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease (including any “change of control” provision), then such provision shall be deemed modified such that the transactions contemplated by the Amended Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto.

(d) The Debtors reserve the right, subject to the consent of the Creditors’ Committee, such consent not to be unreasonably withheld, conditioned, or delayed, on or before the Effective Date, to amend the Schedule of Rejected Contracts or the Schedule of Assumed Contracts, to add or remove any Executory Contract or Unexpired Lease; *provided that* the Debtors or the Wind Down Debtors may amend the Schedule of Rejected Contracts or Schedule of Assumed Contracts to add or delete any Executory Contracts or Unexpired Leases after such date to the extent agreed with the relevant counterparties or authorized by the Bankruptcy Court.

8.2. *Determination of Assumption and Cure Disputes and Deemed Consent.*

(a) The Debtors shall File, as part of the Plan Supplement, the Schedule of Rejected Contracts and the Schedule of Assumed Contracts. At least ten (10) days before the deadline to object to Confirmation of the Amended Plan, the Debtors shall serve a notice on parties to Executory Contracts or

Unexpired Leases to be assumed, assumed and assigned, or rejected, reflecting the Debtors' intention to potentially assume, assume and assign, or reject, the contract or lease in connection with the Amended Plan and, where applicable, setting forth the proposed Cure Amount (if any). If a counterparty to any Executory Contract or Unexpired Lease that the Debtors intend to assume or assume and assign is not listed on such a notice, the proposed Cure Amount for such Executory Contract or Unexpired Lease shall be deemed to be Zero Dollars (\$0). **Any objection by a counterparty to an Executory Contract or Unexpired Lease to the proposed assumption, assumption and assignment, or related Cure Amount must be Filed, served, and actually received by the Debtors within fourteen (14) days of the service of the assumption notice, or such shorter period as agreed to by the parties or authorized by the Bankruptcy Court.** Any counterparty to an Executory Contract or Unexpired Lease that does not timely object to the notice of the proposed assumption or assumption and assignment of such Executory Contract or Unexpired Lease shall be deemed to have assented to assumption or assumption and assignment of the applicable Executory Contract or Unexpired Lease notwithstanding any provision thereof that purports to (i) prohibit, restrict, or condition the transfer or assignment of such contract or lease; (ii) terminate or modify, or permit the termination or modification of, a contract or lease as a result of any direct or indirect transfer or assignment of the rights of any Debtor under such contract or lease or a change, if any, in the ownership or control to the extent contemplated by the Amended Plan; (iii) increase, accelerate, or otherwise alter any obligations or liabilities of any Debtor under such Executory Contract or Unexpired Lease; or (iv) create or impose a Lien upon any property or Asset of any Debtor. Each such provision shall be deemed to not apply to the assumption or assumption and assignment of such Executory Contract or Unexpired Lease pursuant to the Amended Plan and counterparties to assumed Executory Contracts or Unexpired Leases that fail to object to the proposed assumption or assumption and assignment in accordance with the terms set forth in this section 8.2(a), shall forever be barred and enjoined from objecting to the proposed assumption or assumption and assignment or to the validity of such assumption or assumption and assignment (including with respect to any Cure Amounts or the provision of adequate assurance of future performance), or taking actions prohibited by the foregoing or the Bankruptcy Code on account of transactions contemplated by the Amended Plan.

(b) If there is an Assumption Dispute pertaining to assumption of an Executory Contract or Unexpired Lease (other than a dispute pertaining to a Cure Amount), such dispute shall be heard by the Bankruptcy Court prior to such assumption being effective; **provided that** the Debtors, the Wind Down Debtors, and/or the Liquidating Trustee may settle any dispute regarding the Cure Amount or the nature thereof without any further notice to any party or any action, order, or approval of the Bankruptcy Court.

(c) To the extent an Assumption Dispute relates solely to the Cure Amount, the Debtors may assume or assume and assign the applicable Executory Contract or Unexpired Lease prior to the resolution of the Assumption Dispute; **provided that** the Debtors (or the Wind Down Debtors or the Liquidating Trustee) reserve Cash in an amount sufficient to pay the full amount reasonably asserted as the required Cure Amount by the non-Debtor party to such Executory Contract or Unexpired Lease (or such smaller amount as may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such non-Debtor party and the Wind Down Debtors or the Liquidating Trustee).

(d) Subject to resolution of any dispute regarding any Cure Amount, all Cure Amounts shall be satisfied promptly, or otherwise as soon as practicable, by the Debtors, or the Wind Down Debtors or the Liquidating Trustee, upon assumption or assumption and assignment, as applicable, of the underlying Executory Contracts and Unexpired Leases. Assumption or assumption and assignment, as applicable, of any Executory Contract or Unexpired Lease pursuant to the Amended Plan, or otherwise, shall result in the full and final satisfaction, settlement, release, and discharge of any Claims or defaults, subject to satisfaction of the Cure Amount, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time before the effective date of the assumption or

assumption and assignment, as applicable. Any Proofs of Claim Filed with respect to an Executory Contract or Unexpired Lease that has been assumed or assumed and assigned, as applicable, shall be deemed disallowed and expunged, without further notice to, or action, order or approval of, the Bankruptcy Court or any other Entity, upon the deemed assumption of such Executory Contract or Unexpired Lease.

### 8.3. *Rejection Claims.*

Unless otherwise provided by an order of the Bankruptcy Court, Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, if any, must be Filed with the Bankruptcy Court by the later of thirty (30) days from (i) the date of entry of an order of the Bankruptcy Court approving such rejection, (ii) the effective date of the rejection of such Executory Contract or Unexpired Lease, and (iii) the Effective Date. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed within such time shall be Disallowed pursuant to the Confirmation Order or such other order of the Bankruptcy Court, as applicable, forever barred from assertion, and shall not be enforceable against, as applicable, the Debtors, the Wind Down Debtors, or the Liquidating Trustee, or property of the foregoing parties, without the need for any objection by the Debtors, the Wind Down Debtors, or the Liquidating Trustee, or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Schedules, if any, or a Proof of Claim to the contrary.** Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as General Unsecured Claims and may be objected to in accordance with the provisions of section 7.2 of the Amended Plan and applicable provisions of the Bankruptcy Code and Bankruptcy Rules.

### 8.4. *Survival of the Debtors' Indemnification Obligations.*

(a) Notwithstanding anything in the Amended Plan, all Indemnification Obligations shall (i) remain in full force and effect, (ii) not be discharged, impaired, or otherwise affected in any way, including by the Amended Plan, the Plan Supplement, or the Confirmation Order, (iii) not be limited, reduced or terminated after the Effective Date, and (iv) survive unimpaired and unaffected irrespective of whether such Indemnification Obligation is owed for an act or event occurring before, on, or after the Petition Date; **provided that** the Wind Down Debtors shall not indemnify officers, directors, members, or managers, as applicable, of the Debtors for any claims or Causes of Action that are not indemnified by such Indemnification Obligation. All such obligations shall be deemed and treated as Executory Contracts to be assumed under the Amended Plan and shall continue as obligations of the Wind Down Debtors. Any Claim based on the Debtors' Indemnification Obligations shall not be a Disputed Claim or subject to any objection, in either case, by reason of section 502(e)(1)(B) of the Bankruptcy Code.

(b) In accordance with the foregoing, the Wind Down Debtors shall cooperate with current and former officers, directors, members, managers, agents, or employees in relation to the Indemnification Obligations assumed under the Amended Plan, including responding to reasonable requests for information and providing access to attorneys, financial advisors, accountants, and other professionals with knowledge of matters relevant to any such claim covered by an Indemnification Obligation assumed under the Amended Plan, including any claim or Cause of Action arising under any state or federal securities laws.

### 8.5. *Employee Arrangements and Employee Obligations.*

(a) Employees shall be entitled to the Severance Benefits set forth on the attached **Exhibit A**, notwithstanding any other previously negotiated contractual terms, in the event that such Employee's employment with the Company is terminated after the Effective Date (i) by the Company without Cause and not due to such Employee's death or Disability, or (ii) by the Employee for Good Reason; **provided,**

**however**, that the Severance Benefits shall be payable only if the Employee executes, and fails to revoke within the statutory revocation period, a release following termination of employment which is, in form and substance, satisfactory to the Company. Each Employee shall receive written notification, as soon as practicable after the Effective Date, of such Employee's Retention Bonus under the Amended Plan. For the avoidance of doubt, the Employee and the Company may agree to an alternative payment schedule, **provided, however**, any such amounts will not exceed those provided for here in the Amended Plan.

(b) Unless otherwise listed on the Schedule of Rejected Contracts, all employment agreements and offer letters shall be deemed assumed on the Effective Date as Executory Contracts pursuant to sections 365 and 1123 of the Bankruptcy Code (which assumption shall include any modifications to such employments agreements). Any such assumption shall not trigger any applicable change of control, immediate vesting, termination, or similar provisions therein, including, *e.g.*, any right to severance pay in connection with a change in control. No Employee shall have rights under the assumed Employee Arrangements other than those existing immediately before such assumption (with respect to services performed prior to the Effective Date); **provided that** new rights may arise relating to the performance of services on or after the Effective Date pursuant to the terms of such assumed Employee Arrangements (*e.g.*, go-forward salary and bonus) and any vesting of rights under such Employee Arrangements will be recognized as continuous through the Effective Date.

(c) As of the Effective Date, the Debtors and the Wind Down Debtors shall continue to honor their obligations under all applicable Workers' Compensation Programs and in accordance with all applicable workers' compensation laws in states in which the Debtors operated. Any Claims arising under Workers' Compensation Programs shall be deemed withdrawn once satisfied without any further notice to, or action, order, or approval of, the Bankruptcy Court; **provided that** nothing in this Amended Plan shall limit, diminish, or otherwise alter the Debtors' defenses, Causes of Action, or other rights under applicable law, including non-bankruptcy law, with respect to any such Workers' Compensation Programs; **provided, further, that** nothing herein shall be deemed to impose any obligations on the Debtors or the Wind Down Debtors in addition to what is provided for under applicable state law.

(d) With respect to any Employee Arrangements that are Executory Contracts and are not otherwise addressed in this section 8.5 or listed on the Schedule of Rejected Contracts, all such Employee Arrangements shall be deemed assumed on the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code; **provided that** any Employee Arrangements that provide for or contemplate (in whole or in part) rights to Interests (whether actual or contingent) shall not be assumed pursuant to this section 8.5(c).

(e) With respect to any Employee Arrangements that are not Executory Contracts and are not otherwise addressed in this section 8.5, all such Employee Arrangements shall be continued in the ordinary course of business following the Effective Date; **provided that** any Employee Arrangements that provide for or contemplate (in whole or in part) rights to Interests (whether actual or contingent) shall not be continued as a result of this Section 8.5(d).

(f) Severance Benefits shall be as follows:

- a. The Company shall pay to the Employee an amount equal to the Employee's base salary, at the rate in effect at the time of termination of his or her employment, to be paid in accordance with Company's normal payroll practices and periods for the duration of the Severance Period (as defined below).
- b. The Company shall continue to cover the Employee and his or her dependents under, or provide such Employee and his or her dependents with insurance

coverage no less favorable than, the Company's health and dental benefit plans or programs (as in effect on the day immediately preceding the date of termination of employment) for a period equal to the lesser of (A) the Severance Period or (B) until such Employee is provided benefits by another employer that are substantially comparable (with no preexisting condition limitations) to the benefits provided by such plans or programs. To the extent any such benefits cannot be provided under the benefit plans or programs of the Company or any of its subsidiaries, the Employee will be entitled to receive, on a monthly basis following termination, cash payments in an amount equal to the monthly cost of such benefits.

#### 8.6. *Insurance Policies/Claims Payable By Third Parties.*

(a) All insurance policies to which any Debtor is a party as of the Effective Date, including any D&O Policy, shall be deemed to be and treated as Executory Contracts and shall be assumed by the applicable Debtors and shall continue in full force and effect thereafter in accordance with their respective terms, and all such insurance policies shall vest in the Rhodium Litigation Trust. Coverage for defense and indemnity under the D&O Policy shall remain available to all individuals within the definition of "Insured Persons" in any D&O Policy.

(b) In addition, after the Effective Date, all officers, directors, agents, or employees who served in such capacity at any time before the Effective Date shall be entitled to the full benefits of any D&O Policy (including any "tail" policy) for the full term of such policy regardless of whether such officers, directors, agents, and/or employees remain in such positions after the Effective Date, in each case, to the extent set forth in such policies.

(c) In addition, after the Effective Date, the Rhodium Litigation Trust shall not terminate or otherwise reduce the coverage under any D&O Policy (including any "tail policy") in effect as of the Petition Date, and any current and former directors, officers, members, managers, agents or employees of any of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such D&O Policy for the full term of such policy regardless of whether such members, managers, directors, and/or officers remain in such positions after the Effective Date to the extent set forth in such policies.

(d) In the event that the Debtors determine that an Allowed Claim is covered in full or in part under one of the Debtors' insurance policies, no distributions under the Amended Plan shall be made on account of such Allowed Claim unless and until, and solely to the extent that, (i) the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy, and (ii) an insurer authorized to issue a coverage position under such insurance policy, or the agent of such insurer, issues a formal determination, which the Debtors in their sole discretion do not contest, that coverage under such insurance policy is excluded or otherwise unavailable for losses arising from such Allowed Claim. Any proceeds available pursuant to one of the Debtors' insurance policies shall reduce the Allowed amount of a Claim on a dollar-for-dollar basis. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be Filed and without any further notice to, or action, order, or approval of, the Bankruptcy Court. If an applicable insurance policy has a SIR, the Holder of an Insured Litigation Claim shall have an Allowed General Unsecured Claim or a Section 510(b) Claim, as applicable, against the applicable Debtor's Estate solely up to the amount of the SIR that may be established upon the liquidation of the Insured Litigation Claim. Such SIR shall be considered satisfied pursuant to the Amended Plan through allowance of the General Unsecured Claim or Section 510(b) Claim, as applicable, solely in the

amount of the applicable SIR, if any; ***provided, however*** that nothing herein obligates the Debtors, the Wind Down Debtors, or the Rhodium Litigation Trust to otherwise satisfy any SIR under any insurance policy. Any recovery on account of the Insured Litigation Claim in excess of the SIR established upon the liquidation of the Claim shall be recovered solely from the Debtors' insurance coverage, if any, and only to the extent of available insurance coverage and any proceeds thereof. Nothing in this Amended Plan shall be construed to limit, extinguish, or diminish the insurance coverage that may exist or shall be construed as a finding that liquidated any Claim payable pursuant to an insurance policy. Nothing herein relieves any Entity from the requirement to timely File a Proof of Claim by the applicable Bar Date.

#### 8.7. ***Intellectual Property Licenses and Agreements.***

All intellectual property contracts, licenses, royalties, or other similar agreements to which the Debtors have any rights or obligations in effect as of the Confirmation Date shall be deemed and treated as Executory Contracts pursuant to the Amended Plan and shall be assumed by the respective Debtors and shall continue in full force and effect unless any such intellectual property contract, license, royalty, or other similar agreement otherwise is specifically rejected pursuant to a separate order of the Bankruptcy Court or is the subject of a separate rejection motion Filed by the Debtors in accordance with the Amended Plan. Unless otherwise noted hereunder, all other intellectual property contracts, licenses, royalties, or other similar agreements shall vest in the Wind Down Debtors and the Wind Down Debtors may take all actions as may be necessary or appropriate to ensure such vesting as contemplated herein.

#### 8.8. ***Assignment.***

To the extent provided under the Bankruptcy Code or other applicable law, any Executory Contract or Unexpired Lease transferred and assigned hereunder shall remain in full force and effect for the benefit of the transferee or assignee in accordance with its terms, notwithstanding any provision in such Executory Contract or Unexpired Lease (including, without limitation, those of the type set forth in section 365(b)(2) of the Bankruptcy Code) that prohibits, restricts, or conditions such transfer or assignment. To the extent provided under the Bankruptcy Code or other applicable law, any provision that prohibits, restricts, or conditions the assignment or transfer of any such Executory Contract or Unexpired Lease or that terminates or modifies such Executory Contract or Unexpired Lease or allows the counterparty to such Executory Contract or Unexpired Lease to terminate, modify, recapture, impose any penalty, condition renewal or extension, or modify any term or condition upon any such transfer and assignment, constitutes an unenforceable anti-assignment provision and is void and of no force or effect.

#### 8.9. ***Modifications, Amendments, Supplements, Restatements, or Other Agreements.***

Unless otherwise provided herein or by separate order of the Bankruptcy Court, each Executory Contract and Unexpired Lease that is assumed shall include any and all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such Executory Contract or Unexpired Lease, without regard to whether such agreement, instrument, or other document is listed in the Schedule of Assumed Contracts.

#### 8.10. ***Reservation of Rights.***

(a) Neither the exclusion nor inclusion of any contract or lease by the Debtors on any exhibit, schedule, or other annex to the Amended Plan or in the Plan Supplement, nor anything contained in the Amended Plan, will constitute an admission by the Debtors that any such contract or lease is or is not in fact an Executory Contract or Unexpired Lease or that the Debtors or their respective Affiliates has any liability thereunder.

(b) Except as otherwise provided in the Amended Plan, nothing in the Amended Plan will waive, excuse, limit, diminish, or otherwise alter any of the defenses, Claims, Causes of Action, or other rights of the Debtors or the Wind Down Debtors or the Liquidating Trustee, as applicable, under any Executory Contract or non-executory contract or any Unexpired Lease or expired lease.

(c) Nothing in the Amended Plan will increase, augment, or add to any of the duties, obligations, responsibilities, or liabilities of the Debtors under any Executory Contract or non-executory contract or any Unexpired Lease or expired lease.

(d) If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection under the Amended Plan, the Debtors, the Wind Down Debtors, or the Liquidating Trustee shall have sixty (60) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease by filing a notice indicating such altered treatment.

## **ARTICLE IX. CONDITIONS PRECEDENT TO EFFECTIVE DATE.**

### **9.1. *Conditions Precedent to the Effective Date.***

The following are conditions precedent to the Effective Date of the Amended Plan:

- (a) the Plan Supplement shall have been Filed;
- (b) the Bankruptcy Court shall have entered the Confirmation Order, which shall be in form and substance (i) acceptable to the Debtors, and (ii) solely to the extent it materially affects the treatment of Guaranteed Unsecured Claims or General Unsecured Claims, reasonably acceptable to the Creditors' Committee, and such Confirmation Order shall not have been reversed, stayed, amended, modified, dismissed, vacated or reconsidered;
- (c) all conditions precedent to the effectiveness of the Whinstone Settlement shall have been satisfied or waived in accordance with the terms thereof, and the Whinstone Settlement shall be in full force and effect and binding on all parties thereto;
- (d) the Professional Fee Escrow shall have been established and funded in Cash;
- (e) no court of competent jurisdiction (including the Bankruptcy Court) or other competent governmental or regulatory authority shall have issued a final and non-appealable order making illegal or otherwise restricting, limiting, preventing, prohibiting, or materially affecting the consummation of any of the transactions contemplated under the Amended Plan;
- (f) the distribution by Rhodium Technologies of \$13,160,869.72 in Cash to Imperium to redeem Imperium's equity interest in Rhodium Technologies in full satisfaction of the Imperium Equity Claim shall have occurred; and
- (g) all governmental and third-party approvals and consents necessary, if any, in connection with the transactions contemplated by the Amended Plan shall have been obtained, not be subject to unfulfilled conditions, and be in full force and effect, and all applicable waiting periods shall have expired without any action being taken or threatened by any competent authority that would restrain, prevent, or otherwise impose materially adverse conditions on such transactions.

### 9.2. *Timing of Conditions Precedent.*

Notwithstanding when a condition precedent to the Effective Date occurs, unless otherwise specified in the Amended Plan or any Plan Supplement document, for the purposes of the Amended Plan, such condition precedent shall be deemed to have occurred simultaneously upon the completion of the applicable conditions precedent to the Effective Date; *provided that* to the extent a condition precedent (the “*Prerequisite Condition*”) may be required to occur prior to another condition precedent (a “*Subsequent Condition*”) then, for purposes of the Amended Plan, the Prerequisite Condition shall be deemed to have occurred immediately prior to the applicable Subsequent Condition regardless of when such Prerequisite Condition or Subsequent Condition shall have occurred.

### 9.3. *Waiver of Conditions Precedent.*

(a) Except as otherwise provided herein, all actions required to be taken on the Effective Date shall take place and shall be deemed to have occurred simultaneously and no such action shall be deemed to have occurred prior to the taking of any other such action. Each of the conditions precedent of the Amended Plan may be waived by the Debtors, and in consultation with the Creditors’ Committee, without notice to, leave from, or order of, the Bankruptcy Court or any formal action other than proceedings to confirm or consummate the Amended Plan.

(b) The stay of the Confirmation Order pursuant to Bankruptcy Rule 3020(e) shall be deemed waived by and upon the entry of the Confirmation Order, and the Confirmation Order shall take effect immediately upon its entry.

### 9.4. *Effect of Failure of a Condition.*

If the Effective Date does not occur, the Amended Plan shall be null and void in all respects and nothing contained in the Amended Plan or the Amended Disclosure Statement shall (i) constitute a waiver or release of any Claims by or against, or any Interests in, the Debtors, (ii) prejudice in any manner the rights of any Person, or (iii) constitute an admission, acknowledgement, offer, or undertaking by the Debtors or any other Person.

## ARTICLE X. EFFECT OF CONFIRMATION OF AMENDED PLAN.

### 10.1. *Vesting of Assets in the Wind Down Debtors or Liquidating Trust.*

Except as otherwise provided in the Amended Plan or any Plan Document, on the Effective Date, pursuant to section 1141(b) and (c) of the Bankruptcy Code, all Assets of the Estates other than Trust Assets, including all claims, rights, and Causes of Action that are not Trust Causes of Action and any property acquired by the Debtors under or in connection with the Amended Plan, shall vest in the Wind Down Debtors or a liquidating trust (if one is established), free and clear of all Liens, Claims, charges, or other interests or encumbrances unless expressly provided otherwise by the Amended Plan or the Amended Confirmation Order. In addition, all rights, benefits, and protections provided to any of the Creditors’ Committee, the Special Committee, the Debtors, or their Estates pursuant to the Amended Plan, the Plan Supplement, or the Confirmation Order including, but not limited to, the release, exculpation, and injunction provisions provided in Article X of the Amended Plan, shall vest in the Wind Down Debtors or in a liquidating trust (if one is established) unless expressly provided otherwise by the Amended Plan or the Confirmation Order. On and after the Effective Date, except as otherwise provided herein, the Wind Down Debtors and/or the Liquidating Trustee may use, acquire, or dispose of property and pursue, compromise or settle any Claims (including any Administrative Expense Claims), Interests, and Causes of Action that are not Trust Causes of Action without supervision or approval by the Bankruptcy Court and free of any

restrictions of the Bankruptcy Code or Bankruptcy Rules. Without limiting the foregoing, the Wind Down Debtors or the Liquidating Trustee, as applicable, may pay the charges that they incur on or after the Effective Date for professional fees, disbursements, expenses, or related support services without application to the Bankruptcy Court.

#### 10.2. *Binding Effect.*

## LITIGATION TRUST AGREEMENT

This Litigation Trust Agreement,<sup>1</sup> dated and effective as of [REDACTED], 2025 (the “**Agreement**”), by and among Rhodium Encore LLC; Jordan HPC LLC; Rhodium JV LLC; Rhodium 2.0 LLC; Rhodium 10MW LLC; Rhodium 30MW LLC; Rhodium Enterprises, Inc.; Rhodium Technologies LLC; Rhodium Renewables LLC; Air HPC LLC; Rhodium Shared Services LLC; Rhodium Ready Ventures LLC; Rhodium Industries LLC; Rhodium Encore Sub LLC; Jordan HPC Sub LLC; Rhodium 2.0 Sub LLC; Rhodium 10MW Sub LLC; Rhodium 30MW Sub LLC; and Rhodium Sub LLC (collectively, the “**Debtors**”), as settlor, and [Trustee], as trustee for the trust established pursuant to this Agreement (the “**Litigation Trustee**”), creates and establishes the litigation trust (the “**Litigation Trust**”) referenced herein in connection with the *Joint Chapter 11 Plan Of Rhodium Encore LLC and Its Affiliated Debtors*, dated [REDACTED], 2025 (as the same may be amended, modified, or supplemented from time to time in accordance with the terms and provisions thereof, the “**Plan**”). Each of Reorganized Debtors, the Litigation Trust Beneficiaries, and the Litigation Trustee are referred to herein individually as a “**Party**” and, collectively, as the “**Parties**.”

### RECITALS

**WHEREAS**, each of the Debtors filed a voluntary petition for relief (collectively, the “**Chapter 11 Cases**”), which cases are jointly administered under Case No. 24-90448 (ARP), under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) on August 29, 2024 (the “**Petition Date**”) in the United States Bankruptcy Court for the Southern District of Texas (the “**Bankruptcy Court**”);

**WHEREAS**, on [REDACTED], the Bankruptcy Court entered its order confirming the Plan (the “**Confirmation Order**”);

**WHEREAS**, the Plan provides, among other things, as of the Effective Date of the Plan, for (a) the creation and establishment of the Litigation Trust for the benefit of the Litigation Trust Beneficiaries, (b) the automatic transfer to the Litigation Trust of the Trust Assets, as well as the rights and powers of each Debtor and Trust Beneficiary, as applicable, in such Trust Assets, free and clear of all Claims and Interests, and (c) the prosecution and settlement of the Trust Causes of Action (the “**Litigation Claims**”) by the Litigation Trustee and the Litigation Trust Advisory Board (as defined herein) and the distribution of the proceeds therefrom to the Litigation Trust Beneficiaries, as set forth in the Plan, the Confirmation Order, and this Agreement;

**WHEREAS**, the Litigation Trust is intended to qualify as a “liquidating trust” pursuant to the Internal Revenue Code of 1986, as amended (the “**IRC**”), and the regulations promulgated thereunder (“**Treasury Regulations**”), including Treasury Regulation section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, and shall take no action inconsistent with such qualification;

**WHEREAS**, the Litigation Trust shall not be deemed a successor in interest of any of the Debtors for any purpose other than as specifically set forth in the Plan, the Confirmation Order, or this Agreement, and upon the transfer by the Debtors of any Trust Assets to the Litigation Trust,

<sup>1</sup> Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Plan.

the Debtors will have no reversionary or further interest in or with respect to the Trust Assets or the Litigation Trust; and

**WHEREAS**, the Litigation Trustee shall have all powers necessary to implement the provisions of the Plan, the Confirmation Order, and this Agreement and to administer the Litigation Trust as provided herein.

**NOW, THEREFORE**, pursuant to the Plan and the Confirmation Order, in consideration of the mutual agreements of the Parties contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and affirmed, the Parties hereby agree as follows:

## **ARTICLE I ESTABLISHMENT OF THE LITIGATION TRUST**

1.1 Establishment of the Litigation Trust and Appointment of the Litigation Trustee and the Litigation Trust Advisory Board.

(a) The Parties, pursuant to the Plan and the Confirmation Order, and in accordance with the applicable provisions of the Bankruptcy Code, hereby establish a trust on behalf of the Litigation Trust Beneficiaries, which shall be known as the “Rhodium Litigation Trust,” on the terms set forth herein. In connection with the exercise of the Litigation Trustee’s powers hereunder, the Litigation Trustee may use this name or such variation thereof as the Litigation Trustee sees fit.

(b) The initial members of the Litigation Trust Advisory Board (each, a “**Member**”) are identified on Exhibit A hereto.

(c) The Litigation Trustee agrees to accept and hold the Trust Assets in trust for the Litigation Trust Beneficiaries, subject to the provisions of the Plan, the Confirmation Order, and this Agreement, and shall serve at the express written consent, approval, direction, acceptance, authorization, certification, or affirmation, in each case, by a majority in number of the Members of the Litigation Trust Advisory Board (“**Direction**”) as set forth in this Agreement, including Section 5.2 hereof.

(d) The Litigation Trustee and each successor trustee serving from time to time hereunder shall have all the rights, powers, and duties as set forth herein.

(e) The Litigation Trustee and the Members shall serve without bond and shall have no obligation to file any accountings with any state court.

(f) For the avoidance of doubt, neither the Litigation Trustee nor any Member is or shall be deemed an officer, director, or fiduciary of any of the Debtors.

## 1.2 Transfer of the Trust Assets.

(a) Pursuant to Section [5.2] of the Plan, on the Effective Date, in satisfaction of all Allowed Claims and Interests of the Litigation Trust Beneficiaries, the Debtors shall be deemed to transfer all of the Trust Assets (including the rights and powers of the Debtors' Estates applicable to the Trust Assets in accordance with section 1141 of the Bankruptcy Code) to the Litigation Trust, including all information necessary to investigate, prosecute, protect, and conserve all Litigation Claims, free and clear of all liens, Claims, encumbrances, and Interests (legal, beneficial, or otherwise) for the benefit of the Litigation Trust Beneficiaries. For the avoidance of doubt, upon the transfer of the Trust Assets, the Litigation Trust shall succeed to all of the Debtors' rights, title, and interest in the Trust Assets, and the Debtors shall have no further interest in or with respect to the Litigation Trust. The Plan shall be considered a motion pursuant to sections 105, 363, and 365 of the Bankruptcy Code for such relief.

(b) In connection with the vesting and transfer of the Trust Assets, any attorney-client privilege, work-product privilege, or other privilege or immunity attaching to any documents or communications (whether written or oral, including electronic information) relating to the Trust Assets (collectively, the "**Privileges**") shall vest in the Litigation Trust. The Debtors, Reorganized Debtors, and the Litigation Trustee shall take all necessary actions to effectuate the transfer of such privileges, protections, and immunities. The Litigation Trust's, Litigation Trustee's, and the Litigation Trust Advisory Board's receipt of the Privileges shall be without waiver in recognition of the joint/successorship interest in prosecuting claims on behalf of the Debtors' Estates and their stakeholders, where applicable.

(c) The Litigation Trustee, the Litigation Trust Beneficiaries, and any party under the control of such parties agree to execute any documents or other instruments and take any other steps as necessary to cause title to the Trust Assets to be transferred to the Litigation Trust on the Effective Date.

(d) To the extent reasonably requested by the Litigation Trustee, Reorganized Debtors and the professionals retained by the Debtors during the Chapter 11 Cases agree, subject to any applicable and non-transferred Privileges, to cooperate with the Litigation Trustee in the prosecution of the Litigation Claims, including by providing access to books, records, documents, materials, and/or information relevant to the Litigation Claims, as well as those attorneys, accountants, and other professionals with knowledge of matters relevant to the Litigation Claims.

(e) For all federal, state, and local income tax purposes, all relevant parties (including the Debtors, the Litigation Trustee, and the Litigation Trust Beneficiaries) shall treat the transfer of the Trust Assets to the Litigation Trust for the benefit of the Litigation Trust Beneficiaries, whether the applicable Claims are Allowed on or after the Effective Date, including any amounts or other assets subsequently transferred to the Litigation Trust (but only at such time as actually transferred) as a transfer of the Trust Assets (subject to any obligations relating to such Trust Assets) directly to the Litigation Trust Beneficiaries.

(f) Notwithstanding the foregoing, for purposes of section 553 of the Bankruptcy Code, the transfer of the Trust Assets to the Litigation Trust shall not affect the mutuality of obligations that otherwise might have existed prior to the effectuation of such transfer.

Notwithstanding anything in the Plan or in this Agreement to the contrary, the transfer of the Trust Assets to the Litigation Trust does not diminish, and fully preserves, any defenses a defendant would have if such Litigation Claims had been retained by their respective holders.

(g) The transfer of the Trust Assets to the Litigation Trust shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use, or other similar tax, pursuant to section 1146(a) of the Bankruptcy Code.

### 1.3 Funding of the Litigation Trust.

(a) On and after the Effective Date, the Litigation Trust shall be funded by [REDACTED] in the amount of \$[REDACTED] (the "**Litigation Trust Fund**"), which shall be used to administer all Trust Assets. The Litigation Trust Beneficiaries shall have no further obligation to provide any funding with respect to the Litigation Trust.

(b) As set forth in Section 1.7 of this Agreement, all reasonable fees, expenses, and costs of the Litigation Trust, including fees and expenses incurred by professionals retained by the Litigation Trust, shall be paid first from the Litigation Trust Fund and, to the extent such fees, expenses, and costs exceed the amount of the Litigation Trust Fund, then solely from the proceeds of the Trust Assets; *provided, however*, that the Trust Assets may not be used to pay professional fees and expenses other than those of the Litigation Trustee and professionals or vendors retained by the Litigation Trustee or his/her counsel. The Debtors shall have no obligation to pay, and shall not be required to pay, any of the fees and expenses of the Litigation Trust, including, without limitation, professional fees and expenses incurred in connection with the prosecution of the Litigation Claims (collectively, the "**Litigation Trust Expenses**").

(c) Any failure or inability of the Litigation Trustee to obtain additional funding for the Litigation Trust will not affect the enforceability of this Agreement.

1.4 Title to the Trust Assets. The transfer of the Trust Assets to the Litigation Trust pursuant to Section 1.2 hereof is being made for the sole benefit, and on behalf, of the Litigation Trust Beneficiaries. Upon the transfer of the Trust Assets to the Litigation Trust, the Litigation Trust shall succeed to all of the Debtors' and the Estates' rights, title, and interest in the Trust Assets, and no other Person<sup>2</sup> shall have any interest, legal, beneficial, or otherwise, in the Litigation Trust or the Trust Assets upon the assignment and transfer of such assets to the Litigation Trust (other than as provided in the Plan, the Confirmation Order, or this Agreement).

### 1.5 Nature and Purpose of the Litigation Trust.

(a) Purpose. The Litigation Trust is organized and established as a trust pursuant to which the Litigation Trustee, subject to the terms and conditions of this Agreement and when applicable, upon the Direction of the Litigation Trust Advisory Board, shall act on behalf, and for the benefit, of the Litigation Trust Beneficiaries. The Litigation Trustee and Litigation Trust Advisory Board shall, consistent with the terms of this Agreement (i) administer the Trust Assets, (ii) prosecute, settle, adjust, retain, and enforce any Litigation Claims, (iii) make

<sup>2</sup> As used in this Agreement, the term "Person" shall have the meaning ascribed to such term in section 101(41) of the Bankruptcy Code.

any distributions as provided for under the Plan and this Agreement, and (iv) liquidate the Trust Assets in accordance with Treasury Regulation section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or any other business, except to the extent reasonably necessary to, and consistent with, the purpose of the Litigation Trust. The Litigation Trustee shall have the responsibility for the pursuit and settlement of the Litigation Claims and the power and authority to allow or settle and compromise any Claims related to the Trust Assets, in each case, upon the Direction of the Litigation Trust Advisory Board, and in accordance with this Agreement, including Sections 3.2 and 3.3(b). The primary purpose of the Litigation Trust is to, in an expeditious and orderly manner, monetize and convert the Trust Assets to Cash and make timely distributions to holders of Allowed Claims in accordance with the Plan with no objective to continue or engage in the conduct of, or to further, any trade or business. In executing its duties under the Litigation Trust Advisory Board's Direction, the Litigation Trustee shall be obligated to make continuing reasonable efforts to timely resolve the Litigation Claims and not unreasonably prolong the duration of the Litigation Trust. The liquidation of the Litigation Claims may be accomplished either through the prosecution, compromise and settlement, abandonment, or dismissal thereof, in accordance with the Plan, the Confirmation Order, and this Agreement.

(b) Relationship. This Agreement is intended to create a trust and a trust relationship and to be governed and construed in all respects as a trust. The Litigation Trust is not intended to be, and shall not be deemed to be, or be treated as, a general partnership, limited partnership, joint venture, corporation, joint stock company, or association, nor shall the Litigation Trustee, the Litigation Trust Advisory Board (or any Member), or the Litigation Trust Beneficiaries for any purpose be, or be deemed to be or treated in any way whatsoever to be, liable or responsible hereunder as partners or joint venturers. The relationship of the Litigation Trust Beneficiaries, on the one hand, to the Litigation Trustee and the Litigation Trust Advisory Board, on the other hand, shall be solely that of a beneficiary of a trust and shall not be deemed a principal and agency relationship, and their rights shall be limited to those conferred upon them by the Plan, the Confirmation Order, and this Agreement.

(c) No Waiver of Claims. Except as provided in, and unless expressly released, compromised, or settled in the Plan, the Confirmation Order, or in any contract, instrument, release, or other agreement entered into or delivered in connection with the Plan, the Litigation Trustee, upon the Direction of the Litigation Trust Advisory Board, shall enforce the Litigation Claims, in accordance with sections 1123(a)(5)(A) and 1123(b)(3) of the Bankruptcy Code. For the avoidance of doubt, any Direction of the Litigation Trust Advisory Board to release, compromise, or settle a Litigation Claim must be consistent with the Advisory Board's fiduciary obligations to the Litigation Trust Beneficiaries pursuant to Section 5.3 of this Agreement. No preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel, (judicial, equitable, or otherwise), or laches shall apply to the Litigation Trust, the Litigation Trustee, or the Litigation Trust Advisory Board by virtue of or in connection with the confirmation, consummation, or effectiveness of the Plan. No Person or entity may rely on the absence of a specific reference in the Plan to any claim against them as any indication that the Litigation Trustee will not pursue any and all available Litigation Claims against them. Unless any Causes of Action against a Person or Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or an order of the Bankruptcy Court, the Litigation Trustee expressly reserves all Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim

preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation Order.

(d) Relationship to and Incorporation of the Plan. The principal purpose of this Agreement is to aid in the implementation of the Plan and the Confirmation Order, and therefore this Agreement incorporates the provisions thereof by reference; *provided, however*, that if any provisions of this Agreement are found to be inconsistent with the provisions in Section [5.2] of the Plan or the Confirmation Order, each such document shall have controlling effect in the following rank order: this Agreement, the Confirmation Order, and the Plan. In connection with the administration of the Litigation Trust, the Litigation Trustee shall have all powers necessary to implement the provisions of the Plan relating to the Litigation Trust, within the bounds of the Plan, this Agreement, and applicable law.

1.6 Appointment as Representative. Pursuant to section 1123(b)(3) of the Bankruptcy Code, the Litigation Trustee shall be the duly appointed representative of the Debtors' Estates for certain limited purposes and, as such, to the extent provided herein, the Litigation Trustee succeeds to the rights and powers of a trustee in bankruptcy solely with respect to prosecution of the Litigation Claims. To the extent that any of the Litigation Claims cannot be transferred to the Litigation Trust because of a restriction on transferability under applicable non-bankruptcy law that is not superseded or preempted by section 1123 of the Bankruptcy Code or any other provision of the Bankruptcy Code, such Trust Assets shall be deemed to have been retained by the Debtors (other than for tax purposes), and the Litigation Trustee shall be deemed to have been designated as a representative of the Debtors' Estates to the extent provided herein pursuant to section 1123(b)(3)(B) of the Bankruptcy Code solely to enforce and pursue such Litigation Claims on behalf of the Debtors' Estates. Notwithstanding the foregoing, all net proceeds of the Trust Assets shall be distributed to the Litigation Trust Beneficiaries consistent with the provisions of the Plan and Confirmation Order. For the avoidance of doubt, any of the Litigation Claims subject to this Section 1.6 shall be treated by the Parties for U.S. federal, state, and local income tax purposes as a disposition of the Litigation Claims by the Debtors as described in Section 1.2 herein.

1.7 Litigation Trust Fees and Expenses. The Litigation Trustee and the Litigation Trust Advisory Board may incur any reasonable and necessary expenses in connection with the performance of their respective duties under the Plan, the Confirmation Order, and this Agreement, including in connection with retaining professionals and/or entering into agreements pursuant to Sections 3.6, 3.7, and 3.8 herein. Counsel expenses of the Litigation Trust Advisory Board reimbursable under this provision shall be limited to fees and expenses paid to a single law firm representing the entire Litigation Trust Advisory Board (rather than some or all of its Members) where that law firm does not also represent the Litigation Trustee or any of the Litigation Trust Beneficiaries in connection with any matter relating to any of the Debtors. The Litigation Trustee's and the Litigation Trust Advisory Board's fees and expenses and the fees and expenses of their respective professionals retained pursuant to this Agreement shall be paid first from the Litigation Trust Fund and, to the extent such fees, expenses, and costs exceed the amount of the Litigation Trust Fund, then solely from the proceeds of the Trust Assets. The Litigation Trust Expenses, on or after the Effective Date, shall be paid in accordance with the Plan and this Agreement without further order of the Bankruptcy Court. For the avoidance of doubt, (i) the Trust Assets may not be used to pay professional fees and expenses other than those of the Litigation Trustee, the Litigation Trust Advisory Board, and professionals, vendors, or counsel retained by the Litigation

Trustee or the Litigation Trust Advisory Board and (ii) the Debtors and Litigation Trust Beneficiaries shall not have any obligation, or be required, to pay any of the Litigation Trust Expenses, other than the Litigation Trust Fund.

1.8 Valuation of the Trust Assets. As soon as reasonably practicable following the Effective Date, but in no event later than sixty (60) days thereafter, the Litigation Trustee shall inform, in writing, the Litigation Trust Advisory Board and the Litigation Trust Beneficiaries of the value of the non-contingent Trust Assets, based on the good-faith determination of the Litigation Trustee. In connection with the preparation of the valuation contemplated hereby and by the Plan, the Litigation Trustee shall be entitled to retain such professionals and advisors as the Litigation Trustee shall determine to be appropriate or necessary, and the Litigation Trustee shall take such other actions in connection therewith as it determines to be appropriate or necessary. The Litigation Trust shall bear all of the reasonable costs and expenses incurred in connection with determining such value, including the fees and expenses of any professionals retained in connection therewith.

## ARTICLE II LITIGATION TRUST INTERESTS

2.1 Litigation Trust Interests. The beneficial interests in the Litigation Trust and the right to receive certain distributions therefrom in accordance with this Agreement (the “**Litigation Trust Interests**”) will be represented by book entries on the books and records of the Litigation Trust. The Litigation Trustee will not issue any certificate or certificates to evidence any beneficial interests in the Litigation Trust.

2.2 Interests Beneficial Only. The ownership of the Litigation Trust Interests shall not entitle the Litigation Trust Beneficiaries to any title in or to the Trust Assets as such (which title shall be vested in the Litigation Trust) or to any right to call for a partition or division of the Trust Assets or to require an accounting.

2.3 Transferability of Litigation Trust Interests.

(a) The Litigation Trust Interests shall be freely transferable; *provided, however,* that the transfer of the Litigation Trust Interests will be prohibited to the extent such transfer would subject the Debtors to the registration and reporting requirements of the Securities Act or the Securities Exchange Act of 1934, as amended.

2.4 Registry of Beneficial Interests.

(a) The Litigation Trustee shall appoint a registrar, which may be the Litigation Trustee (the “**Registrar**”) for the purpose of recording ownership of the Litigation Trust Interests. The Registrar, if other than the Litigation Trustee, shall be a third-party institution selected upon the Direction of the Litigation Trust Advisory Board. For its services hereunder, the Registrar, unless it is the Litigation Trustee, shall be entitled to receive reasonable compensation from the Litigation Trust Fund as an expense of the Litigation Trust.

(b) The Litigation Trustee shall cause to be kept at the office of the Registrar, or at such other place or places as shall be designated by them from time to time, a registry of the

Litigation Trust Beneficiaries of the Litigation Trust (the “**Trust Register**”) and their respective holdings of Litigation Trust Interests, which shall be maintained pursuant to such reasonable regulations as the Litigation Trustee and the Registrar may prescribe.

2.5 Exemption from Registration. The Parties hereto intend that the rights of the Litigation Trust Beneficiaries arising under this Litigation Trust shall not be “securities” under applicable laws, but none of the Parties represent or warrant that such rights shall not be securities or shall be entitled to exemption from registration under applicable securities laws. If such rights constitute securities, the Parties hereto intend for the exemption from registration provided by section 1145 of the Bankruptcy Code and under applicable securities laws to apply to their issuance under the Plan. If the Litigation Trustee determines, with the advice of counsel, that the Litigation Trust is required to comply with the registration and reporting requirements of the Securities Act of 1933, as amended (the “**Securities Act**”), the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), the Trust Indenture Act of 1939, as amended (the “**Trust Indenture Act**”) or the Investment Company Act of 1940, as amended (the “**Investment Company Act**”), then the Litigation Trustee shall take commercially reasonable efforts to comply with such registration and reporting requirements to the extent required by applicable law. Notwithstanding the foregoing procedure, the Litigation Trustee may amend this Agreement in accordance with Article IX hereof, to make such changes as are deemed necessary or appropriate by the Litigation Trustee, with the advice of counsel, to ensure that the Litigation Trust is not subject to registration and/or reporting requirements of the Securities Act, the Exchange Act, the Trust Indenture Act, or the Investment Company Act.

2.6 Effect of Death, Incapacity, or Bankruptcy. The death, incapacity, or bankruptcy of any Litigation Trust Beneficiary during the term of the Litigation Trust shall not (i) operate to terminate the Litigation Trust; (ii) entitle the representatives or creditors of the deceased party to an accounting; (iii) entitle the representatives or creditors of the deceased party to take any action in the Bankruptcy Court or elsewhere for the distribution of the Trust Assets or for a partition thereof; or (iv) otherwise affect the rights and obligations of any of the Litigation Trust Beneficiaries under this Agreement.

2.7 Change of Address. Any Litigation Trust Beneficiaries may, after the Effective Date, select an alternative distribution address by providing notice to the Litigation Trustee identifying such alternative distribution address. Such notification shall be effective only upon receipt by the Litigation Trustee. Absent actual receipt of such notice by the Litigation Trustee, the Litigation Trustee shall not recognize any such change of distribution address.

### **ARTICLE III RIGHTS, POWERS, AND DUTIES OF LITIGATION TRUSTEE**

3.1 Role of the Litigation Trustee. In furtherance of and consistent with the purpose of the Litigation Trust and the Plan, subject to the terms and conditions contained in the Plan, the Confirmation Order, and this Agreement, the Litigation Trustee shall: (i) receive, manage, supervise, and protect the Trust Assets upon its receipt of same on behalf of and for the benefit of the Litigation Trust Beneficiaries; (ii) at the Direction of the Litigation Trust Advisory Board, investigate, analyze, commence, prosecute, and, if necessary and appropriate, release, settle, and compromise the Litigation Claims and any objections to Claims related to the Litigation Claims;

(iii) prepare and file all required tax returns, information returns, and other documents, and pay taxes and all other obligations of the Litigation Trust; (iv) liquidate and convert the Trust Assets to cash and make timely distributions to the Litigation Trust Beneficiaries in accordance with Section 3.5 herein; and (v) have all such other powers and responsibilities as may be vested in the Litigation Trustee pursuant to, or as may be necessary and proper to carry out the provisions of, the Plan, the Confirmation Order, this Agreement, and all other orders of the Bankruptcy Court. In all circumstances, the Litigation Trustee shall act in the best interests of the Litigation Trust Beneficiaries and in furtherance of the purpose of the Litigation Trust, and shall use commercially reasonable efforts to resolve the Litigation Claims and to make timely distributions of any proceeds therefrom and to otherwise monetize the Trust Assets and not unreasonably prolong the duration of the Litigation Trust.

3.2 Fiduciary Duties. The Litigation Trustee shall have fiduciary duties to the Litigation Trust and the Litigation Trust Beneficiaries to the same extent that a director or officer of a Delaware corporation owes fiduciary duties to such corporation. The Litigation Trustee shall act in good faith and in consideration of (i) the best interests of the Litigation Trust Beneficiaries, and (ii) the fiduciary obligations the Litigation Trustee owes the Litigation Trust Beneficiaries.

3.3 Prosecution of Litigation Claims.

(a) The Litigation Trust Advisory Board shall have the absolute right to provide Direction to the Litigation Trustee to prosecute, pursue, commence, object to, seek to estimate, seek to subordinate, compromise, settle, or take any other action concerning any and all Litigation Claims as it determines in good faith to be in the best interests of the Litigation Trust Beneficiaries, and consistent with (i) the Members' fiduciary obligations to the Litigation Trust Beneficiaries pursuant to Section 5.3 of this Agreement; and (ii) the purposes of the Litigation Trust.

(b) Any determinations by the Litigation Trust Advisory Board with regard to the amount or timing of settlement or other disposition of any Litigation Claims settled in accordance with the terms of this Agreement shall be conclusive and binding on the Litigation Trust Beneficiaries and all other parties in interest.

(c) The Litigation Trustee will prepare and make available to Litigation Trust Beneficiaries and the Litigation Trust Advisory Board, on an annual basis, a written report detailing, among other things, the litigation status of the Litigation Claims, any settlements entered into by the Litigation Trust, the proceeds recovered to date from the Trust Assets, and the distributions made by the Litigation Trust. Such report shall be posted on a website maintained by the Litigation Trustee.

(d) The Litigation Trustee shall, upon the Direction of the Litigation Trust Advisory Board, take any and all actions necessary or prudent to intervene as plaintiff, movant, or additional party, as appropriate, in any applicable Litigation Claim. For purposes of exercising its powers, the Litigation Trustee shall be deemed to be a representative of the Debtors' Estates pursuant to section 1123(b)(3)(B) of the Bankruptcy Code.

3.4 Liquidation of Trust Assets. The Litigation Trustee shall, upon the Direction of the Litigation Trust Advisory Board, in an expeditious but orderly manner, and subject to the other

provisions of the Plan, the Confirmation Order, and this Agreement, liquidate and convert to Cash the Trust Assets, make timely distributions, and not unduly prolong the duration of the Litigation Trust. The Litigation Trust Advisory Board shall take into consideration the Members' fiduciary obligations pursuant to Section 5.3 of this Agreement and the likelihood of success, risks, timing, and costs of potential actions in exercising its reasonable business judgment to maximize net recoveries to the Litigation Trust Beneficiaries. Such liquidations may be accomplished through the prosecution, compromise and settlement, abandonment, or dismissal of any or all Litigation Claims or otherwise or through the sale or other disposition of the Trust Assets (in whole or in combination). Consistent with an agreed-upon budget in accordance with Section 3.12(b) of this Agreement, if any, the Litigation Trustee may incur any reasonable and necessary expenses in connection with liquidating and converting the Trust Assets to Cash and distribution of the proceeds thereof.

### 3.5 Distributions.

(a) The Litigation Trustee shall make distributions on account of Litigation Trust Interests in accordance with the terms of this Agreement. The net proceeds of the Litigation Claims available for distribution shall be allocated on a *pro rata* basis to the holders of Litigation Trust Interests.

(b) The Litigation Trustee shall distribute or cause to be distributed to each Litigation Trust Beneficiary its share of any proceeds of the Trust Assets semi-annually, or more frequently as otherwise determined upon the Direction of the Litigation Trust Advisory Board (any such date, a "**Distribution Date**"), until such time as there are no longer any proceeds to distribute; *provided, however,* that the Litigation Trustee may retain such amounts (i) as are reasonably necessary to meet contingent liabilities and to maintain the value of the Trust Assets during liquidation; (ii) to pay or reserve for reasonable administrative expenses (including the costs and expenses of the Litigation Trust and the Litigation Trustee and the fees, costs, and expenses of all professionals retained by the Litigation Trustee, and any taxes imposed on the Litigation Trust or in respect of the assets of the Litigation Trust); and (iii) to satisfy other liabilities incurred or assumed by the Litigation Trust (or to which the assets are otherwise subject) in accordance with the Plan or this Agreement.

(c) Except as otherwise provided pursuant to a Final Order, the Litigation Trustee shall make initial distributions under the Plan on account of Claims Allowed before the Effective Date on or as soon as reasonably practicable after the Initial Distribution. Distributions of Cash on account of the Litigation Trust Interests shall, to the extent reasonably practicable, be made on the Distribution Date after the net proceeds of the Litigation Claims are received by the Litigation Trust.

(d) Subject to the requirements of Revenue Procedure 94-45, 1994-2 C.B. 684, the Litigation Trustee shall distribute all Cash on hand (including the net income and net proceeds, if any, from any disposition of Trust Assets, any Cash received on account of or representing proceeds, and treating as Cash for purposes of this Section 3.5 and any permitted investments under Section 3.9 below).

(e) The Litigation Trustee shall make distributions to each Litigation Trust Beneficiary (i) through its authorized designee for purposes of distributions to be made under the Plan; or (ii) at its last-known address, as indicated on the Debtors' or Litigation Trust's records as of the applicable Distribution Date (which, subject to Section 2.7 hereof, for each holder of an Allowed Claim shall be deemed to be the address set forth on any ballot filed by that holder).

(f) The Litigation Trustee shall, upon the Direction of the Litigation Trust Advisory Board, have the authority to enter into agreements with one or more entities to make or facilitate distributions required by the Plan and this Agreement (the "**Distribution Agent**"). The Litigation Trustee may pay to the Distribution Agents all reasonable and documented fees and expenses of the Distribution Agents. For the avoidance of doubt, the reasonable and documented fees of the Distribution Agents will be paid from the Litigation Trust Fund and will not be deducted from distributions to be made under the Plan to holders of Allowed Claims receiving distributions from the Distribution Agent.

(g) In the event that any distribution to any Litigation Trust Beneficiary is returned as undeliverable, no distribution to such holder shall be made unless and until the Litigation Trustee has determined the then-current address of such holder, at which time such distribution shall be made to such holder without interest; *provided, however*, that such distributions shall be deemed unclaimed property at the expiration of one year from date of the attempted undeliverable payment. After such date, all unclaimed distributions shall be distributed on a *pro rata* basis to all Litigation Trust Beneficiaries whose initial distributions were not returned as undeliverable. Nothing contained herein shall require the Litigation Trustee to attempt to locate any holder of an Allowed Claim.

(h) The Litigation Trustee may, in its reasonable discretion, withhold from amounts otherwise distributable to any Person any and all amounts required to be withheld by any law, regulation, rule, ruling, directive, treaty, or other governmental requirement. Any party issuing any instrument or making any distribution under this Agreement shall comply with all applicable withholding and reporting requirements imposed by any U.S. federal, state, or local tax law or taxing authority, and all distributions under this Agreement shall be subject to any such withholding or reporting requirements.

(i) Notwithstanding the above, each holder of an Allowed Claim that is to receive a distribution under the Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any income taxes imposed on such holder by any governmental unit on account of such distribution. Any party issuing any instrument or making any distribution under this Agreement has the right, but not the obligation, to not make a distribution until such holder has made arrangements satisfactory to such issuing or disbursing party for payment of any such tax obligations. The Litigation Trustee may require, as a condition to the receipt of a distribution, that the holder complete the appropriate Internal Revenue Service Form W-8 or Internal Revenue Service Form W-9, as applicable to each holder. If the holder fails to comply with such a request within one-hundred eighty (180) days, such distribution shall be deemed an unclaimed distribution and treated in accordance with Section [6.9] of the Plan.

(j) Notwithstanding anything herein to the contrary, the Litigation Trustee shall not be required to make on account of an Allowed Claim (i) partial distributions or payments of

fractions of dollars; (ii) partial distributions or payments of fractions of Litigation Trust Interests; or (iii) a distribution if the amount to be distributed is or has an economic value of less than \$100.00. Any funds so withheld and not distributed shall be held in reserve and distributed in subsequent distributions. Notwithstanding the foregoing, all Cash shall be distributed in the final distribution of the Litigation Trust.

(k) Any check issued by the Litigation Trust on account of an Allowed Claim shall be null and void if not negotiated within one-hundred twenty (120) days after the issuance of such check. Requests for reissuance of any check shall be made directly to the Litigation Trustee by the holder of the relevant Allowed Claim with respect to which such check originally was issued. If any holder of an Allowed Claim holding an un-negotiated check does not request reissuance of that check within one year after the date the check was mailed or otherwise delivered to the holder, such holder's claim to such particular check/distribution shall be released, and the holder thereof shall be forever barred, estopped, and enjoined from asserting any Claim against any of the Debtors, the Litigation Trust, or the Litigation Trustee for such particular check/distribution. In such cases, any Cash or Litigation Trust Interests held for payment on account of such Claims shall be property of the Litigation Trust, free of any Claims of such holder with respect thereto. Nothing contained herein shall require the Litigation Trustee to attempt to locate any holder of an Allowed Claim.

(l) For the avoidance of doubt, the Litigation Trust shall have no obligation to pay any amounts in respect of prepetition deductibles or self-insured retention amounts with respect to Claims covered by the Debtors' insurance policies.

3.6 Retention of Counsel and Other Professionals. The Litigation Trustee may, without further order of the Bankruptcy Court, but subject to the terms of this Agreement, employ various professionals, including, but not limited to, counsel, experts, consultants, and financial advisors, as needed to assist the Litigation Trustee in fulfilling its obligations under the Plan. Such employment agreements shall be approved by a majority of the Litigation Trust Advisory Board. Professionals engaged by the Litigation Trustee shall not be required to file applications in order to receive compensation for services rendered and reimbursement of actual out-of-pocket expenses incurred. For the avoidance of doubt, unless an alternative fee arrangement has been agreed to by the Litigation Trustee upon the Direction of the Litigation Trust Advisory Board, professionals retained by the Litigation Trustee shall be compensated solely by the Litigation Trust Fund. Any and all proceeds generated from the Trust Assets shall be the property of the Litigation Trust.

3.7 Agreements. The Litigation Trustee may enter into any agreement or execute any document required by or consistent with the Plan, the Confirmation Order, or this Agreement and perform all of the Debtors' and Litigation Trust's obligations thereunder.

3.8 Expense Reserve. The Litigation Trustee shall establish a segregated account, maintained by the Litigation Trustee, to be funded initially by the Litigation Trust Fund and thereafter by such amounts as reasonably estimated from time to time by the Litigation Trustee as being necessary to assure payment when due of all expenses that the Litigation Trustee anticipates will be incurred in connection with carrying out the provisions of the Plan, this Agreement, and applicable law, which amounts are to be reserved from distributions to Litigation Trust Beneficiaries.

3.9 Investment of Cash. The right and power of the Litigation Trustee to invest Trust Assets, the proceeds thereof, or any income earned by the Litigation Trust shall be limited to the right and power to invest such Trust Assets only in Cash and U.S. Government securities as defined in section 2(a)(16) of the Investment Company Act; *provided, however*, that (a) the scope of any such permissible investments shall be further limited to include only those investments that a liquidating trust within the meaning of Treasury Regulation Section 301.7701-4(d) may be permitted to hold pursuant to the Treasury Regulations, or any modification in the Internal Revenue Service guidelines, whether set forth in Internal Revenue Service rulings, other Internal Revenue Service pronouncements, or otherwise; (b) the Litigation Trustee may retain any Litigation Trust proceeds received that are not Cash only for so long as may be required for the prompt and orderly liquidation of such assets; and (c) the Litigation Trustee may expend the assets of the Litigation Trust (i) as reasonably necessary to meet contingent liabilities and maintain the value of the assets of the Litigation Trust during liquidation; (ii) to pay reasonable administrative expenses (including any taxes imposed on the Litigation Trust or reasonable fees and expenses in connection with litigation); and (iii) to satisfy other liabilities incurred or assumed by the Litigation Trust (or to which the assets are otherwise subject) in accordance with the Plan or this Agreement.

3.10 Limitations on Power and Authority of the Litigation Trustee. Notwithstanding anything in this Agreement to the contrary, the Litigation Trustee will not have the authority to do any of the following:

- (a) take any action in contravention of the Plan, the Confirmation Order, or this Agreement;
- (b) take any action that would make it impossible to carry on the activities of the Litigation Trust;
- (c) possess property of the Litigation Trust or assign the Litigation Trust's rights in specific property for any purpose other than as provided herein;
- (d) cause or permit the Litigation Trust to engage in any trade or business;
- (e) permit the Litigation Trust to receive or retain Cash or Cash equivalents in excess of a reasonable amount necessary to meet claims and contingent liabilities (including expected expenses) or to maintain the value of the Trust Assets during liquidation;
- (f) receive transfers of any listed stocks or securities or any readily marketable assets or any operating assets of a going business, except as is necessary or required under the Plan, the Confirmation Order, or this Agreement; *provided, however*, that in no event shall the Litigation Trustee receive any such investment that would jeopardize treatment of the Litigation Trust as a "liquidating trust" for federal income tax purposes under Treasury Regulation section 301.7701-4(d), or any successor provision thereof;
- (g) exercise investment power beyond what is provided in Section 3.9 hereof;
- (h) receive or retain any operating assets of an operating business, a partnership interest in a partnership that holds operating assets or 50% or more of the stock of a corporation with operating assets, except as is necessary or required under the Plan, the Confirmation Order,

or this Agreement; *provided, however*, that in no event shall the Litigation Trustee receive or retain any such asset or interest that would jeopardize treatment of the Litigation Trust as a “liquidating trust” for federal income tax purposes under Treasury Regulation section 301.7701-4(d) or any successor provision thereof; or

(i) take any other action or engage in any investments or activities that would jeopardize treatment of the Litigation Trust as a liquidating trust for federal income tax purposes under Treasury Regulation section 301.7701-4(d), or any successor provision thereof.

3.11 Books and Records. The Litigation Trustee shall maintain good and sufficient books and records of account relating to the Trust Assets, the management thereof, all transactions undertaken by the Litigation Trustee, all expenses incurred by or on behalf of the Litigation Trustee, and all distributions to Litigation Trust Beneficiaries contemplated or effectuated under the Plan, in such detail and for such period of time as may be necessary to enable it to make full and proper accounting in respect thereof and in accordance with Delaware law. The Litigation Trustee shall also maintain separate books and records for the Trust Assets of each Debtor. Such books and records shall be maintained as reasonably necessary to facilitate compliance with the tax reporting requirements of the Litigation Trust. Nothing in this Agreement requires the Litigation Trustee to file any accounting or seek approval of any court with respect to the administration of the Litigation Trust or as a condition for managing any payment or distribution out of the Trust Assets.

3.12 Reports.

(a) Financial and Status Reports. The fiscal year of the Litigation Trust shall be the calendar year. Within ninety (90) days after the end of each calendar year during the term of the Litigation Trust, and within forty-five (45) days after the end of each calendar quarter during the term of the Litigation Trust and as soon as practicable upon termination of the Litigation Trust, the Litigation Trustee shall make available upon request to the Litigation Trust Beneficiaries appearing on its records as of the end of such period or such date of termination a written report including: (i) financial statements of the Litigation Trust for such period, and, if the end of a calendar year, a report (which may be prepared by an independent certified public accountant employed by the Litigation Trustee) reflecting the result of such agreed-upon procedures relating to the financial accounting administration of the Litigation Trust as proposed by the Litigation Trustee; (ii) a summary description of any action taken by the Litigation Trust that, in the judgment of the Litigation Trustee, materially affects the Litigation Trust and of which notice has not previously been given to the Litigation Trust Beneficiaries; and (iii) a description of the progress of liquidating Trust Assets and making distributions to the Litigation Trust Beneficiaries and any other material information relating to the Trust Assets and the administration of the Litigation Trust. In addition, the Litigation Trustee shall provide unaudited financial statements to each Litigation Trust Beneficiary on a quarterly basis. The Litigation Trustee may post any such report on a website maintained by the Litigation Trustee in lieu of actual notice to each Litigation Trust Beneficiary. The United States Trustee reserves the right to request a list of the disbursements made by the Litigation Trust prior to the closing of the Debtors’ Chapter 11 Cases.

(b) Annual Plan and Budget. Upon Direction by the Litigation Trust Advisory Board, the Litigation Trustee shall prepare and submit to the Litigation Trust Advisory Board for approval a plan and budget in such detail as is reasonably requested.

#### **ARTICLE IV THE LITIGATION TRUSTEE GENERALLY**

4.1 Independent Litigation Trustee. The Litigation Trustee may not be a Member of the Litigation Trust Advisory Board.

4.2 Litigation Trustee's Compensation and Reimbursement.

(a) Compensation. The Litigation Trustee shall receive reasonable compensation from the Litigation Trust as provided on Exhibit B hereto even if that amount exceeds the compensation that otherwise would be payable under applicable law. The compensation of the Litigation Trustee may be modified from time to time by the Litigation Trust Advisory Board; *provided, however*, that during the period from delivery of notice of resignation by the Litigation Trustee or delivery of notice of removal of the Litigation Trustee by the Litigation Trust Advisory Board until the effective date of any such resignation or removal, as applicable, the compensation of the Litigation Trustee may not be decreased from the compensation in effect at the time such notice of resignation or removal is delivered. Notice of any modification of the Litigation Trustee's compensation shall be filed with the Bankruptcy Court promptly.

(b) Expenses. In addition, the Litigation Trustee will reimburse itself from the Litigation Trust Fund for all actual, reasonable, and documented out-of-pocket expenses incurred by the Litigation Trustee in connection with the performance of its duties hereunder or under the Confirmation Order or the Plan, including reasonable fees and disbursements of the Litigation Trustee's legal counsel incurred in connection with the preparation, execution, and delivery of this Agreement and related documents.

(c) Payment. The fees and expenses payable to the Litigation Trustee shall be paid to the Litigation Trustee upon the Direction of the Litigation Trust Advisory Board without necessity for review or approval by the Bankruptcy Court or any other Person. The reasonable costs and expenses incurred by the Litigation Trustee in performing the duties set forth in the Plan shall be paid first from the Litigation Trust Fund and, to the extent such fees, expenses, and costs exceed the amount of the Litigation Trust Fund, then solely from the proceeds of the Trust Assets as set forth in Section 1.7 hereof. All costs, expenses, and obligations incurred by the Litigation Trustee in administering the Plan, or in any manner connected, incidental, or related thereto, including those of attorneys, accountants, and other persons employed to assist in the administration and distribution of the Trust Assets, shall be a charge against the Litigation Trust Fund.

4.3 Resignation. The Litigation Trustee may resign by giving not less than ninety (90) days' prior written notice thereof to the Litigation Trust Advisory Board. Such resignation shall become effective on the later to occur of: (a) the day specified in such notice; and (b) the appointment of a successor by the Litigation Trust Advisory Board and the acceptance by such successor of such appointment. If a successor Litigation Trustee is not appointed or does not

accept its appointment within ninety (90) days following delivery of notice of resignation, the Litigation Trustee may file a motion with the Bankruptcy Court, upon notice and a hearing, for the appointment of a successor Litigation Trustee, during which time the Litigation Trustee shall be entitled to receive the fees provided for in Section 4.2(a) hereof. Notwithstanding the foregoing, upon the Termination Date (as defined in Section 8.1 below), the Litigation Trustee shall be deemed to have resigned, except as otherwise provided for in Section 8.2 herein.

#### 4.4 Removal.

(a) The Litigation Trustee may be removed by the Litigation Trust Advisory Board, for Cause (as defined in Section 5.8 herein), immediately upon notice thereof, or without Cause, upon ninety (90) days' prior written notice.

(b) The United States Trustee shall have standing to seek removal of the Litigation Trustee for cause, after notice and a hearing; *provided, however*, that the United States Trustee shall have no oversight responsibility with respect to the Litigation Trustee or the Litigation Trustee's exercise of his duties and obligations under this Agreement.

(c) Notwithstanding the foregoing, the Litigation Trustee will continue to serve as the Litigation Trustee after his removal until the earlier of (i) the time when appointment of a successor Litigation Trustee becomes effective in accordance with Section 4.5 of this Agreement; or (ii) such date as the Bankruptcy Court otherwise orders.

4.5 Appointment of Successor Litigation Trustee. In the event of the death (in the case of a Litigation Trustee that is a natural person), dissolution (in the case of the Litigation Trustee that is not a natural person), resignation, incompetency, or removal of the Litigation Trustee, the Litigation Trust Advisory Board shall designate a successor Litigation Trustee by majority vote. Every successor Litigation Trustee appointed hereunder shall execute, acknowledge, and deliver to the Litigation Trust Advisory Board an instrument accepting the appointment under this Agreement and agreeing to be bound as Litigation Trustee thereto, and thereupon the successor Litigation Trustee, without any further act, deed or conveyance, shall become vested with all rights, powers, trusts, and duties of the retiring Litigation Trustee and the successor Litigation Trustee shall not be personally liable for any act or omission of the predecessor Litigation Trustee; *provided, however*, that a removed or resigning Litigation Trustee shall, nevertheless, when requested in writing by the successor Litigation Trustee, execute and deliver an instrument or instruments conveying and transferring to such successor Litigation Trustee under the Litigation Trust all the estates, properties, rights, powers, and trusts of such predecessor Litigation Trustee and otherwise assist and cooperate, without cost or expense to the predecessor Litigation Trustee, in effectuating the assumption of its obligations and functions by the successor Litigation Trustee.

4.6 Effect of Resignation or Removal. The death, dissolution, bankruptcy, resignation, incompetency, incapacity, or removal of the Litigation Trustee, as applicable, shall not operate to terminate the Litigation Trust created by this Agreement or to revoke any existing agency created pursuant to the terms of this Agreement or invalidate any action theretofore taken by the Litigation Trustee or any prior Litigation Trustee. In the event of the resignation or removal of the Litigation Trustee, such Litigation Trustee will promptly (a) execute and deliver such documents, instruments, and other writings as may be reasonably requested by Litigation Trust

Advisory Board or the successor Litigation Trustee to effect the termination of such Litigation Trustee's capacity under this Agreement; (b) deliver to the Litigation Trust Advisory Board and/or the successor Litigation Trustee all documents, instruments, records, and other writings related to the Litigation Trust as may be in the possession of such Litigation Trustee (*provided, however*, that such Litigation Trustee may retain one copy of such documents for archival purposes); and (c) otherwise assist and cooperate in effecting the assumption of its obligations and functions by such successor Litigation Trustee.

4.7 Confidentiality. The Litigation Trustee shall, during the period that the Litigation Trustee serves as Litigation Trustee under this Agreement and following the termination of this Agreement or following such Litigation Trustee's removal or resignation hereunder, hold strictly confidential and not use for personal gain any non-public information of or pertaining to any Person to which any of the Trust Assets relates or of which the Litigation Trustee has become aware in the Litigation Trustee's capacity as Litigation Trustee, except as otherwise required by law.

## **ARTICLE V LITIGATION TRUST ADVISORY BOARD**

5.1 Litigation Trust Advisory Board. The Litigation Trust Advisory Board shall consist of three Members, who initially shall be those individuals set forth on Exhibit A. Except as set forth in Section 1.1(f) hereof, the Litigation Trustee shall not be a Member. Each Member may designate an alternate representative to attend meetings and participate in other activities of the Litigation Trust Advisory Board when the corresponding Member is unavailable to participate in such meetings and activities. With the express written consent of a majority in number of the Members, the Litigation Trust Advisory Board may appoint *ex officio* members. Such *ex officio* members shall not be entitled to vote.

### 5.2 Authority and Responsibilities.

(a) The Litigation Trust Advisory Board shall, as and when requested by the Litigation Trustee, or when the Members otherwise deem it to be appropriate or as is otherwise required under the Plan, the Confirmation Order, or this Agreement, consult with and advise the Litigation Trustee as to the administration and management of the Litigation Trust in accordance with (i) the Plan, the Confirmation Order, and this Agreement, and (ii) the Litigation Trustee's and the Litigation Trust Advisory Board's fiduciary duties, and shall have the other responsibilities and powers as set forth herein. The Litigation Trust Advisory Board shall have the authority and responsibility to provide Direction with respect to the activities of the Litigation Trust and the performance of the Litigation Trustee and shall have the authority to remove the Litigation Trustee in accordance with Section 4.4 hereof; *provided, however*, that the Litigation Trust Advisory Board may not provide Direction to the Litigation Trustee or the Members to act inconsistently with their duties under the Plan, the Confirmation Order, this Agreement, or their fiduciary obligations to the Litigation Trust Beneficiaries.

(b) The Litigation Trustee shall consult with and provide information to the Litigation Trust Advisory Board in accordance with and pursuant to the terms of the Plan, the

Confirmation Order, and this Agreement to enable the Litigation Trust Advisory Board to meet its obligations hereunder.

(c) Notwithstanding any provision of this Agreement to the contrary, the Litigation Trustee shall not be required to (i) obtain the Direction of the Litigation Trust Advisory Board to the extent that the Litigation Trust Advisory Board has not provided Direction to the Litigation Trustee to take any action that the Litigation Trustee, in good faith, reasonably determines, based on the advice of legal counsel, is required to be taken by applicable law; or (ii) follow the Direction of the Litigation Trust Advisory Board to the extent that the Litigation Trust Advisory Board provides Direction to the Litigation Trustee to take action that the Litigation Trustee, in good faith, reasonably determines, based on the advice of legal counsel, is prohibited by applicable law or by the Litigation Trustee's fiduciary obligations. Subject to the provisions in this Section 5.2(c) and the other terms and conditions contained in this Agreement, the Litigation Trustee shall be required to follow the Direction of the Litigation Trust Advisory Board.

5.3 Fiduciary Duties. The Members shall have fiduciary duties to the Litigation Trust and the Litigation Trust Beneficiaries to the same extent that a director or officer of a Delaware corporation owes fiduciary duties to such corporation. In all circumstances, the Litigation Trust Advisory Board shall act in good faith and in the best interests of the Litigation Trust Beneficiaries and in furtherance of the purpose of the Litigation Trust.

5.4 Meetings of the Litigation Trust Advisory Board. Meetings of the Litigation Trust Advisory Board are to be held not less often than quarterly. Special meetings of the Litigation Trust Advisory Board may be held whenever and wherever called for by the Litigation Trustee or any Member; *provided, however*, that notice of any such meeting shall be duly given in writing no less than 48 hours prior to such meeting (such notice being subject to waiver by the Members). Any action required or permitted to be taken by the Litigation Trust Advisory Board at a meeting may be taken without a meeting if the action is taken by unanimous written consent of the Litigation Trust Advisory Board as evidenced by one or more writings describing the action taken, signed by all Members and recorded in the minutes, if any, or other transcript, if any, of proceedings of the Litigation Trust Advisory Board. Unless the Litigation Trust Advisory Board decides otherwise (which decision shall rest in the reasonable discretion of the Litigation Trust Advisory Board), the Litigation Trustee and the Litigation Trustee's advisors may, but are not required to, attend meetings of the Litigation Trust Advisory Board.

5.5 Manner of Acting.

(a) All meetings of the Litigation Trust Advisory Board shall consist of all Members. The affirmative vote of a majority of the Members present at a duly called meeting at which all Members are present throughout shall be the act of the Litigation Trust Advisory Board except as provided in this Agreement. Any or all of the Members may participate in a regular or special meeting by, or conduct the meeting through the use of, conference telephone or video or similar communications equipment by means of which all Persons participating in the meeting may hear each other, in which case any required notice of such meeting may generally describe the arrangements (rather than or in addition to the place) for the holding thereof. Any Member participating in a meeting by these means is deemed to be present in person at the meeting. Voting

(including on negative notice) may, if approved by the Members at a meeting, be conducted by electronic mail or individual communications by the Litigation Trustee and each Member.

(b) Notwithstanding anything to the contrary herein, if a Member lacks authority to provide Direction to the Litigation Trustee pursuant to Section 5.2(a) of this Agreement, a meeting of the Litigation Trust Advisory Board may be held with a quorum consisting of those Members who have authority to provide Direction pursuant to Section 5.2(a); *provided, however*, that all Members must be provided notice of and a reasonable opportunity to attend all meetings of the Litigation Trust Advisory Board.

(c) Any Member who is present and entitled to vote at a meeting of the Litigation Trust Advisory Board (including any meeting of the Litigation Trustee and the Litigation Trust Advisory Board) when action is taken is deemed to have assented to the action taken, subject to the requisite vote of the Litigation Trust Advisory Board, unless: (i) such Member of the Litigation Trust Advisory Board objects at the beginning of the meeting (or promptly upon his/her arrival) to holding or transacting business at the meeting; (ii) his/her dissent or abstention from the action taken is entered in the minutes of the meeting; or (iii) he/she delivers written notice (including by electronic or facsimile transmission) of his/her dissent or abstention to the Litigation Trust Advisory Board before its adjournment. The right of dissent or abstention is not available to any Member of the Litigation Trust Advisory Board who votes in favor of the action taken.

(d) Prior to the taking of a vote on any matter or issue or the taking of any action with respect to any matter or issue, each Member shall report to the Litigation Trust Advisory Board any conflict of interest such Member has or may have with respect to the matter or issue at hand and fully disclose the nature of such conflict or potential conflict (including disclosing any and all financial or other pecuniary interests that such Member may have with respect to or in connection with such matter or issue, other than solely as a holder of Litigation Trust Interests). With respect to a Member who, has or may have a conflict of interest whereby such Member's interests are adverse to the interests of the Litigation Trust (a "**Conflicted Member**"): (i) such Member shall not be entitled to vote or take part in any action with respect to such matter or issue; (ii) the vote or action with respect to such matter or issue shall be undertaken only by Members of the Litigation Trust Advisory Board who are not Conflicted Members; and (iii) notwithstanding anything contained herein to the contrary, the affirmative vote of only a majority of the Members who are not Conflicted Members shall be required to approve of such matter or issue and the same shall be the act of the Litigation Trust Advisory Board; *provided, however*, that a conflict or potential conflict will not exist merely because (i) a Member has an economic interest in, or business or commercial relationship with, the party who appointed that Member, or has an economic interest in the outcome of such matter or issue; or (ii) a Member, or a party who appoints a Member (or one of their affiliates, units, groups, divisions, or desks), in the ordinary course of business has trading, lending, commercial banking, investment banking, asset management, brokerage activities, or other similar relationships with parties who may be the subject of Litigation Claims, provided that appropriate barriers are put in place to protect against the sharing of confidential information and potential conflicts of interest, and to maintain compliance with any applicable securities laws. For the avoidance of doubt, and notwithstanding anything to the contrary herein, nothing in this Agreement shall impose any obligations on any affiliate, unit, group, division or desk of a Member or a party who appoints a Member.

5.6 Tenure of the Members of the Litigation Trust Advisory Board. The authority of the Members will be effective as of the Effective Date and will remain and continue in full force and effect until the Litigation Trust is terminated in accordance with Section 8.1 hereof. Each Member will serve until such Member's successor is duly appointed or until such Member's earlier death or resignation pursuant to Section 5.7 below, or removal pursuant to Section 5.8 below.

5.7 Resignation. A Member may resign by giving not less than ninety (90) days' prior written notice thereof to the Litigation Trustee and the other Members. Such resignation shall become effective on the later to occur of: (i) the day specified in such notice; and (ii) the appointment of a successor in accordance with Section 5.9 below.

5.8 Removal. A majority of the Litigation Trust Advisory Board may remove any Member for Cause. Notwithstanding the foregoing, upon the occurrence of the Termination Date (as defined in Section 8.1 below), any or all of the Members shall be deemed to have resigned. For purposes of Section 4.4 and this Section 5.8, "**Cause**" shall mean (i) a Person's willful failure to perform his material duties hereunder (including with respect to a Member or, to the extent applicable, the Litigation Trustee, regular attendance at meetings of the Litigation Trust Advisory Board) that is not remedied within thirty (30) days' notice; (ii) a Person's commission of an act of fraud, theft, or embezzlement during the performance of his duties hereunder; (iii) a Person's conviction of a felony with all appeals having been exhausted or appeal periods lapsed; or (iv) a Person's gross negligence, bad faith, willful misconduct, or knowing violation of law in the performance of his or her duties hereunder.

5.9 Appointment of a Successor Member.

(a) In the event of a vacancy on the Litigation Trust Advisory Board (whether by removal, death or resignation), a new Member may be appointed to fill such position by a simple majority of the holders of Litigation Trust Interests participating in such vote. The appointment of a successor Member will be further evidenced by the Litigation Trustee's posting on the Litigation Trustee's website of a notice of appointment, which notice will include the name, address, and telephone number of the successor Member.

(b) Immediately upon the appointment of any successor Member, all rights, powers, duties, authority, and privileges of the predecessor Member hereunder will be vested in and undertaken by the successor Member without any further act, and such successor Member will not be liable personally for any act or omission of the predecessor Member.

(c) Every successor Member appointed hereunder shall execute, acknowledge and deliver to the Litigation Trustee and other Members an instrument accepting the appointment under this Agreement and agreeing to be bound thereto, and thereupon the successor Member without any further act, deed, or conveyance, shall become vested with all rights, powers, trusts, and duties of the retiring Member.

5.10 Compensation and Reimbursement of Expenses. Each Member shall be compensated from the Litigation Trust Fund for his or her time expended in Litigation Trust matters as provided on Exhibit C. The Litigation Trustee will reimburse the Members from the

Litigation Trust Fund for all reasonable and documented out-of-pocket expenses incurred by the Members in connection with the performance of each of their duties hereunder.

5.11 Confidentiality. Each Member shall, during the period that such Member serves as a Member under this Agreement and following the termination of this Agreement or following such Member's removal or resignation, hold strictly confidential and not use for personal gain any material, non-public information of or pertaining to any Person to which any of the Trust Assets relates or of which such Member has become aware in the Member's capacity as a Member, except as otherwise required by law.

5.12 Common Interest. The Litigation Trustee and the Litigation Trust Advisory Board have a "common legal interest" in the Litigation Claims and their successful prosecution, this Agreement, and any discussion, evaluation, or other communications and exchanges of information relating thereto and shall at all times remain subject to all applicable privileges and protections from disclosure. It is the express intent of the Litigation Trustee and the Litigation Trust Advisory Board to preserve intact to the fullest extent applicable, and not to waive, by virtue of this Agreement or otherwise, in whole or in part, any and all privileges and immunities.

## **ARTICLE VI LIABILITY AND INDEMNIFICATION**

6.1 No Further Liability. Each of the Litigation Trustee, the Members, and their representatives shall have no liability for any actions or omissions in accordance with this Agreement or with respect to the Litigation Trust unless arising out of each such Person's own fraud, self-dealing, intentional misrepresentation, willful misconduct, breach of the fiduciary duty of loyalty, or gross negligence as found in a final, non-appealable order of a court of competent jurisdiction. In no event shall the Litigation Trustee, the Litigation Trust Advisory Board, or any Member be liable for indirect, punitive, special, incidental, or consequential damages or loss (including but limited to lost profits) whatsoever. In performing its duties under this Agreement, the Litigation Trustee, the Members and their representatives (as applicable) shall have no liability for any action taken by each such Person in accordance with the advice of counsel, accountants, appraisers, and/or other professionals retained by the Members or the Litigation Trustee. Without limiting the generality of the foregoing, the Litigation Trustee, the Members and their representatives may rely without independent investigation on copies of orders of the Bankruptcy Court reasonably believed by such Person to be genuine and shall have no liability for actions taken in reliance thereon. Notwithstanding anything else, the Litigation Trustee shall have no liability as a result of following any Direction of the Litigation Trust Advisory Board as long as the Litigation Trustee has (a) consulted with any dissenting Member who has notified the Litigation Trustee in writing of such dissent prior to such action being taken and (b) considered that dissenting Member's position and the interests of the Litigation Trust Beneficiaries that appointed that Member before taking the action directed by the Litigation Trust Advisory Board. None of the provisions of this Agreement shall require the Litigation Trustee, the Members, or their representatives to expend or risk their own funds or otherwise incur personal financial liability in the performance of any of their duties hereunder or in the exercise of any of their rights and powers. Each of the Litigation Trustee, the Members, and their representatives may rely without inquiry upon writings delivered to such Person pursuant to the Plan or the Confirmation Order that such Person reasonably believes to be genuine and to have been properly given.

Notwithstanding the foregoing, nothing in this Section 6.1 shall relieve the Litigation Trustee, the Members, or their representatives from any liability for any actions or omissions arising out of such Person's fraud, self-dealing, intentional misrepresentation, willful misconduct, breach of the fiduciary duty of loyalty, or gross negligence. Any action taken or omitted to be taken in the case of the Litigation Trustee or the Litigation Trust Advisory Board with the express approval of the Bankruptcy Court and, in the case of the Litigation Trustee, with the prior written consent or Direction of the Litigation Trust Advisory Board, will conclusively be deemed not to constitute fraud, self-dealing, intentional misrepresentation, willful misconduct, breach of fiduciary duty, or gross negligence. No termination of this Agreement or amendment, modification, or repeal of this Section 6.1 shall adversely affect any right or protection of the Litigation Trustee, the Members of the Litigation Trust Advisory Board, or their respective designees, professional agents, or representatives that exist at the time of such amendment, modification, or repeal.

## 6.2 Indemnification of the Litigation Trustee and Litigation Trust Advisory Board.

(a) From and after the Effective Date, each of the Litigation Trustee, the Litigation Trust, the Litigation Trust Advisory Board, and each of their respective professionals and representatives (each, a "**Litigation Trust Indemnified Party**" and collectively, the "**Litigation Trust Indemnified Parties**") shall be, and hereby is, indemnified and held harmless by the Litigation Trust, to the fullest extent permitted by applicable law, from and against any and all Claims, debts, dues, accounts, actions, suits, Causes of Action, bonds, covenants, judgments, damages, attorneys' fees, defense costs, and other assertions of liability arising out of any such Litigation Trust Indemnified Party's exercise of what such Litigation Trust Indemnified Party reasonably understands to be its powers or the discharge of what such Litigation Trust Indemnified Party reasonably understands to be its duties conferred by the Plan, the Confirmation Order, or this Agreement, any order of the Bankruptcy Court entered pursuant to, or in furtherance of, the Plan, applicable law, or otherwise (except only for actions or omissions to act to the extent ultimately determined by a Final Order to be due to such Litigation Trust Indemnified Party's own fraud, self-dealing, intentional misrepresentation, willful misconduct, gross negligence, or breach of the fiduciary duty of loyalty on and after the Effective Date). The foregoing indemnification shall also extend to matters directly or indirectly in connection with, arising out of, based on, or in any way related to: (i) this Agreement; (ii) the services to be rendered pursuant to this Agreement; (iii) any document or information, whether oral or written, referred to herein or supplied to the Litigation Trustee; or (iv) proceedings against any Trust Assets by or on behalf of any creditor. The Litigation Trustee shall, on demand, advance or pay promptly, at the election of the Litigation Trust Indemnified Party, solely out of the Trust Assets, on behalf of each Litigation Trust Indemnified Party, attorneys' fees and other expenses and disbursements to which such Litigation Trust Indemnified Party would be entitled pursuant to the foregoing indemnification provision; *provided, however*, that any Litigation Trust Indemnified Party receiving any such advance shall execute a written undertaking to repay such advance if a court of competent jurisdiction ultimately determines, by Final Order, that such Litigation Trust Indemnified Party is not entitled to indemnification hereunder due to such Person's own fraud, self-dealing, intentional misrepresentation, willful misconduct, gross negligence, or breach of the fiduciary duty of loyalty. Any indemnification Claim of a Litigation Trust Indemnified Party shall be entitled to a priority distribution from the Trust Assets, ahead of the Litigation Trust Interests and any other Claim to or Interest in such assets. In any matter covered by the first two sentences of this subsection, any party entitled to indemnification shall have the right to employ such party's own separate counsel,

at the Litigation Trust's expense, subject to the foregoing terms and conditions. In addition, the Litigation Trustee shall purchase, using funds from the Trust Assets for the benefit of the Litigation Trustee and the Members, insurance coverage, including, without limitation, liability insurance covering the Litigation Trustee and the Members and any errors and omissions insurance with regard to any liabilities, losses, damages, claims, costs, and expenses the Litigation Trustee or the Members may incur, including, but not limited to, attorneys' fees, arising out of or due to its actions or omissions, or consequences of such actions or omissions with respect to the implementation and administration of the Plan or this Agreement. The indemnification provided under this Section 6.2 shall survive the death, dissolution, resignation, or removal, as may be applicable, of the Litigation Trustee, the Litigation Trust Advisory Board, any Member, or any other Litigation Trust Indemnified Party and shall inure to the benefit of the Litigation Trustee's, each Member's, and each other Litigation Trust Indemnified Party's respective heirs, successors, and assigns.

(b) The foregoing indemnity in respect of any Litigation Trust Indemnified Party shall survive the termination of such Litigation Trust Indemnified Party from the capacity for which such party is indemnified. Termination or modification of this Agreement shall not affect any indemnification rights or obligations set forth herein.

(c) The Litigation Trustee may, at the Direction of the Litigation Trust Advisory Board, indemnify any Person who is not a Litigation Trust Indemnified Party for any loss, cost, damage, expense, or liability for which a Litigation Trust Indemnified Party would be entitled to mandatory indemnification under this Section 6.2.

(d) Any Litigation Trust Indemnified Party may waive the benefits of indemnification under this Section 6.2, but only by an instrument in writing executed by such Litigation Trust Indemnified Party.

(e) The rights to indemnification under this Section 6.2 are not exclusive of other rights which any Litigation Trust Indemnified Party may otherwise have at law or in equity, including common law rights to indemnification or contribution. Nothing in this Section 6.2 will affect the rights or obligations of any Person (or the limitations on those rights or obligations) under any other agreement or instrument to which that Person is a party. For the avoidance of doubt, each Litigation Trust Indemnified Party shall be entitled, subject to the terms hereof, to indemnification for any costs and attorneys' fees such Litigation Trust Indemnified Party may incur in connection with enforcing any of its rights under this Article VI.

**6.3 Litigation Trust Liabilities.** All liabilities of the Litigation Trust, including indemnity obligations under Section 6.2 of this Agreement, will be liabilities of the Litigation Trust as an Entity and will be paid or satisfied from the Trust Assets and paid on a priority basis. No liability of the Litigation Trust will be payable in whole or in part by any Litigation Trust Beneficiary individually or in the Litigation Trust Beneficiary's capacity as a Litigation Trust Beneficiary, by the Litigation Trustee individually or in the Litigation Trustee's capacity as Litigation Trustee, by any Member individually or in the Member's capacity as Member, or by any representative, member, partner, shareholder, director, officer, professional, employees, agent, affiliate, or advisor of any Litigation Trust Beneficiary, any Member, the Litigation Trustee, or their respective affiliates.

6.4 Limitation of Liability. None of the Litigation Trust Indemnified Parties shall be liable for indirect, punitive, exemplary, consequential, special, or other damages for a breach of this Agreement under any circumstances.

6.5 Burden of Proof. In making a determination with respect to entitlement to exculpation or indemnification hereunder, the court, Person, or Entity making such determination shall presume that any Litigation Trust Indemnified Party is entitled to exculpation and indemnification under this Agreement and any Person seeking to overcome such presumption shall have the burden of proof to overcome that presumption.

## **ARTICLE VII TAX MATTERS**

7.1 Treatment of Trust Assets Transfer. Subject to definitive guidance from the Internal Revenue Service or a court of competent jurisdiction to the contrary (including the receipt of an adverse determination by the Internal Revenue Service upon audit if not contested by such Litigation Trustee) for all U.S. federal income tax purposes, all parties (including the Debtors, the Litigation Trustee, and the Litigation Trust Beneficiaries) shall treat the transfer of the Trust Assets to the Litigation Trust for the benefit of the Litigation Trust Beneficiaries, whether their Claims are Allowed on or after the Effective Date, including any amounts or other assets subsequently transferred to the Litigation Trust (but only at such time as actually transferred) as (i) a transfer of the Trust Assets (subject to any obligations relating to such Trust Assets) directly to the Litigation Trust Beneficiaries; followed by (ii) the transfer by the Litigation Trust Beneficiaries to the Litigation Trust of the Trust Assets in exchange for Litigation Trust Interests. Accordingly, except in the event of contrary definitive guidance, the Litigation Trust Beneficiaries shall be treated for U.S. federal income tax purposes as the grantors and owners of their respective share of the Trust Assets. The foregoing treatment shall also apply, to the extent permitted by applicable law, for state and local income tax purposes.

### 7.2 Tax Reporting.

(a) The “taxable year” of the Litigation Trust shall be the “calendar year” as such terms are defined in section 441 of the IRC. The Litigation Trustee shall file tax returns for the Litigation Trust treating the Litigation Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a) and in accordance with this Section 7.2. The Litigation Trustee also will annually send to each Litigation Trust Beneficiary a separate statement setting forth such holder’s share of items of income, gain, loss, deduction, or credit (including the receipts and expenditures of the Litigation Trust) as relevant for U.S. federal income tax purposes and will instruct all such Litigation Trust Beneficiaries to use such information in preparing their U.S. federal income tax returns or to forward the appropriate information to such Litigation Trust Beneficiary’s underlying beneficial holders with instructions to utilize such information in preparing their U.S. federal income tax returns. The Litigation Trustee shall also file (or cause to be filed) any other statement, return, or disclosure relating to the Litigation Trust that is required by any governmental unit.

(b) Allocations of Litigation Trust taxable income among the Litigation Trust Beneficiaries shall be determined by reference to the manner in which an amount of Cash equal to such taxable income would be distributed (were such Cash permitted to be distributed at such time,

and without regard to any restrictions on distributions set forth in the Plan or this Agreement) if, immediately prior to such deemed distribution, the Litigation Trust had distributed all its assets (valued at their tax book value) to the Litigation Trust Beneficiaries, adjusted for prior taxable income and loss and taking into account all prior and concurrent distributions from the Litigation Trust. Similarly, taxable loss of the Litigation Trust shall be allocated by reference to the manner in which an economic loss would be borne immediately after a hypothetical liquidating distribution of the remaining Trust Assets. The tax book value of the Trust Assets for purposes of this Section 7.2(b) shall equal their fair market value on the Effective Date, adjusted in accordance with tax accounting principles prescribed by the IRC, the applicable Treasury Regulations, and other applicable administrative and judicial authorities and pronouncements.

(c) The Litigation Trustee shall be responsible for payment, out of the Trust Assets, of any Taxes imposed on the Litigation Trust or the Trust Assets.

7.3 Withholding of Taxes. The Litigation Trustee shall withhold and pay to the appropriate Tax Authority all amounts required to be withheld pursuant to the IRC or any provision of any foreign, state, or local tax law with respect to any payment or distribution to the Litigation Trust Beneficiaries. All such amounts withheld and paid to the appropriate Tax Authority shall be treated as amounts distributed to such Litigation Trust Beneficiaries for all purposes of this Agreement. The Litigation Trustee shall be authorized to collect such tax information from the Litigation Trust Beneficiaries (including social security numbers or other tax identification numbers) as it, in its sole discretion, deems necessary to effectuate the Plan, the Confirmation Order, and this Agreement. In order to receive distributions under the Plan, all Litigation Trust Beneficiaries will need to identify themselves to the Litigation Trustee and provide tax information and the specifics of their holdings, to the extent the Litigation Trustee deems appropriate, including a taxpayer identification number (“TIN”) as assigned by the Internal Revenue Service or, in the case of Litigation Trust Beneficiaries that are not United States persons for federal income tax purposes, certification of foreign status on Internal Revenue Service Form W-8BEN, W-8BEN-E, or W-8ECI. This identification requirement may, in certain cases, extend to holders who hold their securities in street name. The Litigation Trustee may refuse to make a distribution to any Litigation Trust Beneficiary that fails to furnish such information in a timely fashion, until such information is delivered; *provided, however*, that, upon the delivery of such information by a Litigation Trust Beneficiary, the Litigation Trustee shall make such distribution to which the Litigation Trust Beneficiary is entitled, without interest.

7.4 Valuation. The valuation of the Trust Assets prepared pursuant to Section 1.8 of this Agreement shall be used consistently by all parties (including the Litigation Trust) for all federal income tax purposes. The Litigation Trust also shall file (or cause to be filed) any other statements, returns, or disclosures relating to the Litigation Trust that are required by any governmental unit.

7.5 Expedited Determination of Taxes. The Litigation Trustee may request an expedited determination of taxes of the Litigation Trust under section 505(b) of the Bankruptcy Code for all returns filed for, or on behalf of, the Litigation Trust for all taxable periods through the termination of the Litigation Trust.

7.6 Foreign Tax Matters. The Litigation Trustee shall duly comply on a timely basis with all obligations, and satisfy all liabilities, imposed on the Litigation Trustee or the Litigation Trust under non-United States law relating to Taxes. The Litigation Trustee, or any other legal representative of the Litigation Trust, shall not distribute the Trust Assets or proceeds thereof without having first obtained all certificates required to have been obtained under applicable non-United States law relating to Taxes.

## ARTICLE VIII TERMINATION OF LITIGATION TRUST

8.1 Termination. The Litigation Trust Advisory Board and the Litigation Trust shall be dissolved at such time as (i) all of the Trust Assets have been distributed pursuant to the Plan and this Agreement; or (ii) the Litigation Trust Advisory Board determines that the administration of any remaining Trust Assets is not likely to yield sufficient additional Litigation Trust proceeds to justify further pursuit; *provided, however*, that in no event shall the Litigation Trust be dissolved later than five years from the Effective Date unless the Litigation Trust Advisory Board determines that a fixed period extension (not to exceed three years, including any prior extensions, without a favorable private letter ruling from the Internal Revenue Service or an opinion of counsel satisfactory to the Litigation Trust Advisory Board that any further extension would not adversely affect the status of the Litigation Trust as a liquidating trust for U.S. federal income tax purposes) is necessary to facilitate or complete the recovery and liquidation of the Trust Assets. If at any time the Litigation Trust Advisory Board determines, in reliance upon such professionals as the Litigation Trust Advisory Board may retain, that the expense of administering the Litigation Trust so as to make a final distribution to the Litigation Trust Beneficiaries is likely to exceed the value of the assets remaining in the Litigation Trust, the Litigation Trustee, at the Direction of the Litigation Trust Advisory Board, may (i) reserve any amount necessary to dissolve the Litigation Trust; (ii) donate any balance to a charitable organization (A) described in section 501(c)(3) of the IRC, (B) exempt from U.S. federal income tax under section 501(a) of the IRC, (C) not a “private foundation,” as defined in section 509(a) of the IRC, and (D) that is unrelated to the Debtors, the Litigation Trust, and any insider of the Litigation Trustee; and (iii) dissolve the Litigation Trust. Such date upon which the Litigation Trust shall finally be dissolved shall be referred to herein as the “**Termination Date.**”

(a) Notwithstanding the foregoing, multiple extensions can be effectuated as long as the Litigation Trust Advisory Board determines that each such extension is necessary at least ninety (90) days prior to the expiration of each extended term; *provided, however*, that in no event shall the term of the Litigation Trust extend past ten years from the Effective Date.

(b) In the event a Cash balance exists in the Litigation Trust Fund upon termination of the Litigation Trust, any remaining balance shall be shared *pro rata* by holders of the Litigation Trust Interests.

8.2 Continuance of Litigation Trust for Winding Up. After the termination of the Litigation Trust and solely for the purpose of liquidating and winding up the affairs of the Litigation Trust, the Litigation Trustee shall continue to act as such until its duties have been fully performed and shall continue to be entitled to receive the fees called for by Section 4.2(a) hereof. Upon distribution of all the Trust Assets, the Litigation Trustee shall retain the books, records, and

files that shall have been delivered or created by the Litigation Trustee. At the Litigation Trust Advisory Board's discretion, all of such records and documents may be destroyed no earlier than two years following the date of final distribution of Trust Assets as the Litigation Trust Advisory Board deems appropriate (unless such records and documents are necessary to fulfill the Litigation Trustee's obligations hereunder) subject to the terms of any joint prosecution and common interest agreement(s) to which the Litigation Trustee may be a party. Except as otherwise specifically provided herein, upon the final distribution of Trust Assets, the Litigation Trustee shall be deemed discharged and have no further duties or obligations hereunder, except to account to the Litigation Trust Beneficiaries as provided herein, the Litigation Trust Interests shall be cancelled, and the Litigation Trust will be deemed to have dissolved.

## ARTICLE IX AMENDMENT AND WAIVER

9.1 Subject to Sections 9.2, 9.3, and 9.4 of this Agreement, the Litigation Trustee, at the Direction of the Litigation Trust Advisory Board, may seek Bankruptcy Court approval of any amendment, supplement, or waiver with respect to any provision of this Agreement; *provided, however,* that any such amendment, supplement, or waiver shall not be inconsistent with the terms of the Plan or the Confirmation Order.

9.2 If the Litigation Trustee desires to amend or waive any substantive provision of this Agreement but has not received the Direction of the Litigation Trust Advisory Board to do so, the Litigation Trustee may file a motion with the Bankruptcy Court that sets forth the Litigation Trustee's basis for why such amendment or waiver is necessary and identifies those Member(s) of the Litigation Trust Advisory Board who oppose such amendment or waiver and such Member's asserted reason for opposing such amendment or waiver. Any Member who opposes such amendment or waiver may file an objection with the Bankruptcy Court setting forth why such amendment or waiver should not be approved and, if the Bankruptcy Court denies the Litigation Trustee's request for such amendment or waiver based in whole or in part on such Member's objection, such Member shall be reimbursed by the Litigation Trust for its expenses, including professional fees, incurred in connection with such opposition.

9.3 Notwithstanding Section 9.1 of this Agreement, no amendment, supplement or waiver of or to this Agreement shall (a) adversely affect the payments and/or distributions to be made under the Plan or this Agreement; (b) adversely affect the U.S. federal income tax status of the Litigation Trust as a "liquidating trust"; (c) be inconsistent with the purpose and intention of the Litigation Trust to liquidate in an expeditious but orderly manner the Trust Assets in accordance with Treasury Regulation section 301.7701-4(d); or (d) negate the fiduciary obligations established in Sections 3.2 and 5.3 of this Agreement or the provision in Section 3.5(a) regarding the causes of action that do not belong solely to the Debtors.

9.4 One additional trustee may be appointed by the Litigation Trustee, and this Trust Agreement may be amended to the extent necessary to effectuate such appointment, at the Direction of the Litigation Trust Advisory Board, without Bankruptcy Court approval, for the sole purpose of administering the Litigation Trust in the state of Delaware pursuant to Section 3340 of Title 12 of the Delaware Code.

**ARTICLE X  
MISCELLANEOUS PROVISIONS**

10.1 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware (without reference to principles of conflicts of law thereof that would result in the application of law of another jurisdiction).

10.2 Jurisdiction. Subject to the proviso below, the Parties agree that the Bankruptcy Court shall have exclusive jurisdiction over disputes arising out of the formation or initial implementation of the Litigation Trust Agreement or the transfer of the Trust Assets to the Litigation Trust on the Effective Date; *provided, however*, notwithstanding the foregoing, the Bankruptcy Court shall not have jurisdiction to hear disputes regarding the removal of the Litigation Trustee; *provided, further*, that notwithstanding the foregoing, the Litigation Trustee, at the Direction of the Litigation Trust Advisory Board, shall have power and authority to bring any action in any court of competent jurisdiction to prosecute any of the Litigation Claims. For the avoidance of doubt, nothing the Plan shall be deemed to confer a broader grant of jurisdiction on the Bankruptcy Court than that set forth in this Section 10.2.

10.3 Severability. In the event any provision of this Agreement or the application thereof to any person or circumstances shall be determined by Final Order to be invalid or unenforceable to any extent, the remainder of this Agreement or the application of such provision to persons or circumstances or in jurisdictions other than those as to or in which it is held invalid or unenforceable, shall not be affected thereby, and each provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

10.4 Notices. Any notice or other communication required or permitted to be made under this Agreement shall be in writing and shall be deemed to have been sufficiently given, for all purposes, if delivered personally, by facsimile, by electronic communication, or by nationally recognized overnight delivery service or mailed by first-class mail. The date of receipt of such notice shall be the earliest of (a) the date of actual receipt by the receiving party; (b) the date of personal delivery (or refusal upon presentation for delivery); (c) the date of the transmission confirmation; or (d) three Business Days after service by first-class mail, to the receiving party's below address(es):

Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Wind Down Debtor, the Liquidating Trustee, the Released Parties, and/or the Exculpated Parties (to the extent of the exculpation provided pursuant to section 10.6 with respect to the Exculpated Parties): (i) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests; (ii) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims or Interests; (iii) creating, perfecting, or enforcing any Lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any such Claims or Interests; (iv) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims or Interests unless (x) such Entity has timely asserted such setoff right either in a Filed Proof of Claim or Proof of Interest, or in another document Filed with the Bankruptcy Court explicitly preserving such setoff or that otherwise indicates that such entity asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise or (y) such right to setoff arises under a postpetition agreement with the Debtors or an Executory Contract that has been assumed by the Debtors as of the Effective Date; and (v) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests released, settled, and/or treated, entitled to a distribution, or cancelled pursuant to the Amended Plan or otherwise Disallowed; *provided* that such persons who have held, hold, or may hold Claims against, or Interests in, a Debtor or an Estate shall not be precluded from exercising their rights and remedies, or obtaining the benefits, solely pursuant to and consistent with the terms of the Amended Plan.

#### 10.5(a) *Releases By The Debtors*

Notwithstanding anything contained in the Amended Plan to the contrary, as of the Effective Date, pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, the adequacy of which is hereby confirmed, including the obligations of the Debtors under the Amended Plan and the contributions of the Released Parties to facilitate and implement the Amended Plan, except as otherwise provided in the Amended Plan or in the Confirmation Order, on and after the Effective Date, the Released Parties are deemed conclusively, absolutely, unconditionally and irrevocably, released and discharged by the Debtors, their estates, and the Wind Down Debtor from any and all Claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that the Debtors, their estates, the Wind Down Debtor, or their Affiliates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Chapter 11 Cases, the Debtors, the governance, management, transactions, ownership, or operation of the Debtors, the purchase, sale or rescission of any security of the Debtors, the formulation, preparation, dissemination,

solicitation, negotiation, entry into, or filing of the Amended Plan (including the Plan Supplement), the Amended Disclosure Statement, or any contract, instrument, release, or other agreement or document (including any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Amended Plan or the reliance by any Released Party on the Amended Plan or Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Amended Plan, the Plan Supplement, the Amended Disclosure Statement, the Chapter 11 Cases, the pursuit of confirmation and consummation of the Amended Plan, the administration and implementation of the Amended Plan or Confirmation Order, or the distribution of property under the Amended Plan, or any other agreement, act or omission, transaction, event, or other occurrence taking place on or before the Effective Date. Notwithstanding anything to the contrary in the foregoing, the releases set forth in this Section 10.5(a) (i) shall only be applicable to the maximum extent permitted by law; and (ii) shall not be construed as (a) releasing any Released Party from Claims or Causes of Action arising from an act or omission that is judicially determined by a Final Order to have constituted actual fraud (*provided that* actual fraud shall not exempt from the scope of these Debtor releases any Claims or Causes of Action arising under sections 544 or 548 of the Bankruptcy Code or state laws governing fraudulent or otherwise avoidable transfers or conveyances), willful misconduct, or gross negligence, (b) releasing any Released Party from Claims or Causes of Action held by the Debtors arising from an act or omission that is determined by a Final Order or by a federal government agency to have constituted a violation of any federal securities laws, (c) releasing any post-Effective Date obligations of any party or Entity under the Amended Plan, the Confirmation Order, any Restructuring Transaction, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Amended Plan or (d) releasing any Trust Causes of Action, solely in the event the D&O Insurance Settlement has not occurred per the terms of the Amended Plan.

**10.5(b) *Releases by Holders of Claims and Interests.***

Notwithstanding anything contained in the Amended Plan to the contrary, as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, except as otherwise provided in the Amended Plan or in the Confirmation Order, to the fullest extent permissible under applicable law, as such law may be extended or integrated after the Effective Date, each Releasing Party shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged the Debtors and the Released Parties from any and all Claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims or Causes of Action asserted or that may be asserted on behalf of the Debtors or their Estates, that such Entity would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, based on or relating to, or in any manner arising from, in whole or in part, any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date, including any Claims or Causes of Action based on or relating to, or in any manner arising from, in whole or in part, the Chapter 11 Cases, the Debtors,

the governance, management, transactions, ownership, or operation of the Debtors, the purchase, sale or rescission of any security of the Debtors, the formulation, preparation, dissemination, solicitation, negotiation, entry into, or filing of the Amended Plan (including the Plan Supplement), the Amended Disclosure Statement, or any contract, instrument, release, or other agreement or document (including any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Amended Plan or the reliance by any Released Party on the Amended Plan or Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Amended Plan, the Plan Supplement, the Amended Disclosure Statement, the Chapter 11 Cases, the pursuit of confirmation and consummation of the Amended Plan, the administration and implementation of the Amended Plan or Confirmation Order or the distribution of property under the Amended Plan, or any other agreement, act or omission, transaction, event, or other occurrence taking place on or before the Effective Date. Notwithstanding anything to the contrary in the foregoing, the releases set forth in this section 10.5(b) (i) shall only be applicable to the maximum extent permitted by law; and (ii) shall not be construed as (a) releasing any Released Party from Claims or Causes of Action arising from an act or omission that is judicially determined by a Final Order to have constituted actual fraud (*provided that* actual fraud shall not exempt from the scope of these third-party releases any Claims or Causes of Action arising under sections 544 or 548 of the Bankruptcy Code or state laws governing fraudulent or otherwise avoidable transfers or conveyances), willful misconduct, or gross negligence, (b) releasing any post-Effective Date obligations of any party or Entity under the Amended Plan, any Restructuring Transaction, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Amended Plan, or (c) releasing any Trust Causes of Action, solely in the event the D&O Insurance Settlement has not occurred per the terms of the Amended Plan.

#### 10.6 *Exculpation*

Except as otherwise specifically provided in the Amended Plan, no Exculpated Party shall have or incur liability for, and each Exculpated Party is hereby released and exculpated from, any Cause of Action for any claim related to any act or omission in connection with, relating to, or arising out of, in whole or in part, from the Petition Date through the Effective Date, the Chapter 11 Cases, the Debtors, the governance, management, transactions, ownership, or operation of the Debtors, the purchase, sale or rescission of any security of the Debtors the formulation, preparation, dissemination, solicitation, negotiation, entry into, or filing of the Amended Plan (including the Plan Supplement), the Amended Disclosure Statement, or any Restructuring Transaction, contract, instrument, release, or other agreement or document (including any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Amended Plan or the reliance by any Released Party on the Amended Plan or Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Amended Plan, the Plan Supplement, the Amended Disclosure Statement, the Chapter 11 Cases, the pursuit of confirmation and consummation of the Plan, the administration and implementation of the Amended Plan or Confirmation Order, including the issuance or distribution of securities pursuant to the Amended Plan, or the distribution of property

under the Amended Plan, or any other related agreement, except for Claims or Causes of Action arising from an act or omission that is judicially determined in a Final Order to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects, such Exculpated Parties shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities. The Exculpated Parties have, and upon completion of the Amended Plan, shall be deemed to have, participated in good faith and in compliance with all applicable laws with regard to the solicitation and distribution of consideration pursuant to the Amended Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Amended Plan or such distributions made pursuant to the Amended Plan. Notwithstanding anything to the contrary in the foregoing, the exculpations set forth in this section 10.6 (i) shall only be applicable to the maximum extent permitted by law; and (ii) shall not be construed as (a) exculpating any Exculpated Party from Claims or Causes of Action arising from an act or omission that is judicially determined by a Final Order to have constituted actual fraud (*provided that* actual fraud shall not exempt from the scope of these exculpations any Claims or Causes of Action arising under sections 544 or 548 of the Bankruptcy Code or state laws governing fraudulent or otherwise avoidable transfers or conveyances), willful misconduct, or gross negligence, or (b) exculpating any post-Effective Date obligations of any party or Entity under the Amended Plan, any Restructuring Transaction, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Amended Plan.

### **10.7 Gatekeeper Injunctions**

No entity may commence or pursue a claim or cause of action of any kind against any Independent Director, any Independent Director's agents, or any Independent Director's advisors relating in any way to the Independent Director's role as an independent director of Debtors without the Court (i) first determining after notice that such claim or cause of action represents a colorable claim of willful misconduct or gross negligence against any Independent Director, any Independent Director's agents, or any Independent Director's advisors and (ii) specifically authorizing such entity to bring such claim. The Bankruptcy Court will have sole jurisdiction to adjudicate any such claim for which approval of the Bankruptcy Court to commence or pursue has been granted.

No entity may commence or pursue a claim or cause of action of any kind against any Exculpated Party with respect to any of their roles, actions and duties in connection with the Chapter 11 Cases without the Bankruptcy Court (i) first determining after notice that such claim or cause of action represents a colorable claim of willful misconduct or gross negligence against them, and (ii) specifically authorizing such entity to bring such claim. The Bankruptcy Court shall have sole jurisdiction to adjudicate any such claim for which approval of the Bankruptcy Court to commence or pursue has been granted.

- [1] Illustrative sensitized cash balance representing the estimated amount of the Debtor entities' "Cash On Hand" at the time of a hypothetical conversion to a chapter 7 bankruptcy or a plan confirmation hearing, assumed to occur in August 2025. Includes any relevant allocated proceeds from the Whinstone transaction.
- [2] Represents all of the cash flow received from the Rhodium Technologies LLC entity after distributions made to Imperium Investments Holdings Inc, not including intercompany receivables. Additionally, received cash has already considered the impact of the intercompany payables noted in [16] that have flowed through the corporate system.
- [3] The estates currently have \$20 million in insurance coverage for director and officer claims like those brought by the Special Committee. In protracted litigation against the Founders, which would be expected in a chapter 7 scenario, the policy would be dramatically reduced by fees and costs incurred by the Founders in their defense. Under the current settlement scenario, it is expected to recover a significant amount from these policies without protracted litigation.
- [4] Includes net of intercompany receivables owed from the noted Debtor entity. Note that the amounts shown are for illustrative purposes only and are subject to revision.
- [5] Includes all expenses incurred by liquidating recoverable assets of the estate and to effectuate distribution of entity cash. This is calculated pro rata by entity by taking the specific entity's "Cash On Hand" and dividing by the total "Cash On Hand" of all Debtor entities. This includes costs to prepare assets for sale, marketing and sale of all residual assets, general costs to effectuate the sale process, relevant cost of professionals to effectuate winddown of the Debtor entity, and the general management of cash by professionals in each case scenario.
- [6] Includes all Chapter 7 Trustee fees. The Chapter 7 Trustee would be compensated pursuant to section 326(a) of the Bankruptcy Code. In this instance, the Chapter 7 Trustee fee is calculated based on the intercompany receivables from Rhodium 30MW LLC, Rhodium Shared Services LLC, Jordan HPC LLC, and Rhodium Renewables Sub LLC, "Cash On Hand", and "Other Miscellaneous Recoveries - D&O Policy". The amount for the intercompany receivables from Rhodium Technologies LLC has already been captured in the Chapter 7 Trustee fee paid by the Rhodium Technologies LLC entity.
- [7] Under the proposed plan, the redemption of Imperium Investments Holdings LLC allows Rhodium Enterprises, Inc. to file consolidated income tax returns with the other Debtors. As a result of these consolidated filings, intercompany payables and receivables can be settled in a more tax efficient manner and the subsidiary entities can also be liquidated in a more tax efficient manner, thereby reducing the overall US federal and state income tax liabilities that would otherwise have been incurred by the Debtors.
- [8] Includes the estimated outstanding value of the aggregate principal of the noted claims.
- [9] Includes accrued interest from the applicable petition date through August 15, 2025 at the noted interest rate.
- [10] Includes recoveries from total asset value.
- [11] Indicates illustrative percent recoveries for each scenario.
- [12] The illustrative recovery date for each scenario. A potential recovery date in a Chapter 7 scenario would be at the discretion of the Chapter 7 Trustee.
- [13] Includes net of intercompany payables owed to the noted Debtor entity. Note that the amounts shown are for illustrative purposes only and are subject to revision.
- [14] Represents all cash distributable to shareholders of Rhodium Enterprises, Inc.

- [1] Illustrative sensitized cash balance representing the estimated amount of the Debtor entities' "Cash On Hand" at the time of a hypothetical conversion to a chapter 7 bankruptcy or a plan confirmation hearing, assumed to occur in August 2025. Includes any relevant allocated proceeds from the Whinstone transaction.
- [2] Represents all cash received from noted subsidiary Debtor entity.
- [3] Consists of the allotted liquidated value of all remaining assets of the Debtor, including equipment, machinery, and the Twins Facility, among others. For simplicity, the value of all residual assets is considered at Rhodium Technologies LLC.
- [4] Includes net of intercompany receivables owed from the noted Debtor entity. Note that the amounts shown are for illustrative purposes only and are subject to revision.
- [5] Includes all expenses incurred by liquidating recoverable assets of the estate and to effectuate distribution of entity cash. This is calculated pro rata by entity by taking the specific entity's "Cash On Hand" and dividing by the total "Cash On Hand" of all Debtor entities. This includes costs to prepare assets for sale, marketing and sale of all residual assets, general costs to effectuate the sale process, relevant cost of professionals to effectuate winddown of the Debtor entity, and the general management of cash by professionals in each case scenario.
- [6] Includes all Chapter 7 Trustee fees. The Chapter 7 Trustee would be compensated pursuant to section 326(a) of the Bankruptcy Code. In this instance, the Chapter 7 Trustee fee is calculated based on "Total Estimated Proceeds".
- [7] Includes the estimated outstanding value of the aggregate principal of the noted claims.
- [8] Includes accrued interest from the applicable petition date through August 15, 2025 at the noted interest rate. In the "Plan Confirmation" scenario, certain post-petition accrued interest represented here would be waived by relevant claimants as part of a settlement.
- [9] Includes recoveries from total asset value.
- [10] Indicates illustrative percent recoveries for each scenario.
- [11] The illustrative recovery date for each scenario. A potential recovery date in a Chapter 7 scenario would be at the discretion of the Chapter 7 Trustee.
- [12] Illustrative amount for late filed claims.
- [13] Includes net of intercompany payables owed to the noted Debtor entity. Note that the amounts shown are for illustrative purposes only and are subject to revision.
- [14] Includes amounts owed to Imperium Investments Holdings LLC, a non-Debtor entity, as part of a partnership agreement. In the "Plan Confirmation" scenario, recoveries to Imperium Investments Holdings LLC, a non-Debtor entity, are dictated by the Plan.
- [15] Represents all cash distributable to a parent Debtor entity or entities.

**PLEASE READ THE DISCLOSURE STATEMENT AND PLAN FOR MORE DETAILS.**

The Plan can be confirmed by the United States Bankruptcy Court for the Southern District of Texas (the "Bankruptcy Court") and thereby made binding on you if it is accepted by the Holders of (i) at least two-thirds in amount of the allowed Claims or Interests voted in each Impaired Class, and (ii) if the Impaired Class is a class of Claims, more than one-half in number of the allowed Claims voted in each Impaired Class, and if the Plan otherwise satisfies the applicable requirements of section 1129(a) under the Bankruptcy Code. If the requisite acceptances are not obtained, the Bankruptcy Court may nonetheless confirm the Plan if it finds that the Plan (i) provides fair and equitable treatment to, and does not unfairly discriminate against, the Class or Classes rejecting the Plan, and (ii) otherwise satisfies the requirements of section 1129(b) of the Bankruptcy Code. If the Plan is confirmed by the Bankruptcy Court, it will be binding on you whether or not you vote or if you vote to reject the Plan. To have your vote counted, you must complete, sign, and return this Ballot to the Solicitation Agent by the Voting Deadline.

Your receipt of this Ballot does not indicate that your Claim(s) or Interest(s) has been or will be Allowed. This Ballot is solely for purposes of voting to accept or reject the Plan and not for the purpose of allowance or disallowance of, or distribution on account of, your Claim(s) or Interest(s). You must provide all of the information requested by this Ballot. Failure to do so may result in the disqualification of your vote.

Notwithstanding anything to the contrary in the foregoing, the exculpations set forth in this section 10.6 (i) shall only be applicable to the maximum extent permitted by law; and (ii) shall not be construed as (a) exculpating any Exculpated Party from Claims or Causes of Action arising from an act or omission that is judicially determined by a Final Order to have constituted actual fraud (*provided that* actual fraud shall not exempt from the scope of these exculpations any Claims or Causes of Action arising under sections 544 or 548 of the Bankruptcy Code or state laws governing fraudulent or otherwise avoidable transfers or conveyances), willful misconduct, or gross negligence, or (b) exculpating any post-Effective Date obligations of any party or Entity under the Amended Plan, any Restructuring Transaction, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Amended Plan.

### **10.7 *Gatekeeper Injunctions***

No entity may commence or pursue a claim or cause of action of any kind against any Independent Director, any Independent Director's agents, or any Independent Director's advisors relating in any way to the Independent Director's role as an independent director of Debtors without the Court (i) first determining after notice that such claim or cause of action represents a colorable claim of willful misconduct or gross negligence against any Independent Director, any Independent Director's agents, or any Independent Director's advisors and (ii) specifically authorizing such entity to bring such claim. The Bankruptcy Court will have sole jurisdiction to adjudicate any such claim for which approval of the Bankruptcy Court to commence or pursue has been granted.

The Bankruptcy Court shall have sole jurisdiction to adjudicate any such claim for which approval of the Bankruptcy Court to commence or pursue has been granted.

- b. this letter;
- c. Notice of the Disclosure Statement Hearing;

**ACCESS TO PLAN AND DISCLOSURE STATEMENT:**

**IMPORTANT:** To access electronic versions of the Plan and the Disclosure Statement, the Solicitation and Voting Procedures, and the Disclosure Statement Motion, please visit <https://www.veritaglobal.net/rhodium>. If you would like paper copies or a flash drive containing the materials, please contact Verita Global (“Verita”), by calling Kurtzman Carson Consultants, LLC dba Verita Global, Telephone: (888) 733-1541 (domestic toll free) or +1 (310) 751-2637 (international), or online at <http://www.veritaglobal.net/rhodium/inquiry>

Verita (on behalf of itself and each of the other Debtors) has approved the filing of the Plan and the solicitation of votes to accept the Plan. The Debtors believe that the acceptance of the Plan is in the best interests of their estates, Holders of Claims, and all other parties in interest. Moreover, the Debtors believe that any alternative other than Confirmation of the Plan could result in extensive delays and increased administrative expenses, which, in turn, likely would result in smaller distributions on account of Equity Interests asserted in these chapter 11 cases.

**The Debtors strongly urge you to properly and timely submit your Ballot casting a vote to accept the Plan in accordance with the instructions in your Ballot. The Voting Deadline is August 7, 2025 at 5:00 p.m. prevailing Central Time.**

The materials in the Solicitation Package are intended to be self-explanatory. If you should have any questions, however, please feel free to contact Verita. You may also obtain copies of any pleadings filed in these chapter 11 cases for a fee via PACER at: <http://www.txs.uscourts.gov>. Please be advised that Verita is authorized to answer questions about, and provide additional copies of, the solicitation materials, but may *not* advise you as to whether you should vote to accept or reject the Plan.

are Impaired and entitled to receive distributions under the Plan and, thus, may vote to accept or reject the Plan, subject to certain exceptions discussed below (collectively, the “**Voting Classes**”).

A Holder of a Claim or Interest in a Voting Class is nonetheless not entitled to vote to the extent that:

- (a) as of the Voting Record Date (as defined below), the outstanding amount of such party’s Claim or Interest is zero (\$0.00);
- (b) as of the Voting Record Date, such party’s Claim or Interest has been Disallowed, expunged, disqualified or suspended;
- (c) such party has not timely filed a Proof of Claim or Proof of Interest in accordance with the Bar Date Order as of the Voting Record Date and the Debtors have not scheduled such party’s Claim or Interest, or have scheduled such party’s Claim or Interest in an undetermined amount or as contingent, unliquidated, or disputed, except to the extent that such party’s deadline to file a Claim or Interest has not yet occurred, in which case the party will be entitled to vote at \$1.00 on account of their Claim or Interest that has been scheduled in an undetermined amount or as contingent, unliquidated, or disputed; or
- (d) such party’s Claim or Interest is subject to an objection or request for estimation as of the Voting Record Date, subject to the procedures set forth below.

Where any portion of a single Claim or Interest has been transferred to a transferee, all Holders of any portion of such Claim or Interest may be (i) treated as a creditor or equity holder for purposes of the numerosity requirements in section 1126(c) of the Bankruptcy Code, and (ii) required to vote every portion of such Claim or Interest collectively to accept or reject the Plan. In the event that (i) a Ballot, (ii) a group of Ballots within a Voting Class received from a single party, or (iii) a group of Ballots received from the various Holders of multiple portions of a single Claim or Interest partially reject and partially accept the Plan, such Ballots may not be counted in the Debtors’ discretion.

**B. Parties Not Entitled to Vote.**

Holders of Claims in Class 1 (Rhodium 2.0 Secured Notes Claims), Class 2 (Rhodium Encore Secured Notes Claims), Class 3 (Rhodium Technologies Secured Notes Claims), Class 4 (Priority Non-Tax Claims), Class 5a (Guaranteed Unsecured Claims), Class 5b (General Unsecured Claims), Class 6 (Intercompany Claims), and Class 7 (Late Filed Claims) receive full recovery of their Allowed Claims under the Plan or otherwise receive treatment as to render such Holders Unimpaired (collectively, the “**Unimpaired Classes**”). Pursuant to section 1126(f) of the Bankruptcy Code, the Holders of such Claims and Interests in these Unimpaired Classes are conclusively presumed to accept the Plan and, accordingly, are not entitled to vote on the Plan.

Holders of Interests in Class 10 (Intercompany Interests) will receive no recovery under the Plan. Accordingly, pursuant to section 1126(g) of the Bankruptcy Code, such Holders are

deemed to reject the Plan and, accordingly, are not entitled to vote on the Plan (the “**Deemed Rejecting Classes**” and, together with the Unimpaired Classes, the “**Non-Voting Classes**”).

**C. Voting Record Date.**

The Court has established **July 5, 2025**, as the record date for purposes of determining (1) which Holders of Claims or Interests in the Voting Classes are entitled to vote on the Plan and (2) which Holders of Claims and Interests are entitled to receive a Notice of Non-Voting Status (as defined below) (the “**Voting Record Date**”).

**D. Establishing Interest Amounts for Voting Purposes.**

**Classes 9a-b (Rhodium Technologies Interests, REI Class A Interests).** The amount of each of the Rhodium Technologies Interests and REI Class A Interests, as applicable, for voting purposes only, will be established by reference to the Second Amended Equity List attached as Exhibit A to the *Notice of Filing of the Second Amended Equity List of Rhodium Enterprises, Inc.* (ECF No. 1054) as the same may be amended or modified.

If the Debtors have filed an objection to, or a request for estimation of, a Claim or Interest on or before **July 10, 2025 at 5:00 p.m. (Prevailing Central Time)**, such Interest shall be temporarily Disallowed for voting purposes, except as ordered by the Court before the Voting Deadline; *provided, however*, that, if the Debtors’ objection seeks only to reclassify or reduce the Allowed amount of such Interest, then such Interest is temporarily Allowed for voting purposes in the reduced amount and/or as reclassified (as applicable), except as may be ordered by the Court before, or concurrent with, entry of an order confirming the Plan.

If any party seeks to challenge the Allowed amount of its Interest for voting purposes, such party must file with the Court a motion for an order pursuant to Bankruptcy Rule 3018(a) temporarily allowing such Interest for voting purposes in a different amount (a “**Rule 3018(a) Motion**”). Any Rule 3018(a) Motion must be filed with the Court and served on the Notice Parties so as to be actually received not later than **5:00 p.m. (Prevailing Central Time) on July 17, 2025**.

Upon the filing of any such Rule 3018(a) Motion, such creditor’s or equity holder’s Ballot shall only be temporarily Allowed pursuant to an order of the Court entered prior to or concurrent with entry of an order confirming the Plan.

**E. Form, Content, and Manner of Notices.**

**1. Solicitation Agent.**

The Debtors have retained Kurtzman Carson Consultants, LLC dba Verita Global (“**Verita**” or the “**Solicitation Agent**”) as their claims, noticing, and solicitation agent pursuant to the *Order Authorizing the Employment and Retention of Kurtzman Carson Consultants, LLC dba Verita Global as Claims, Noticing, and Solicitation Agent* [Docket No. 43]. Pursuant to the Disclosure Statement Order, Verita is authorized to assist the Debtors in (i) distributing the Solicitation Packages, (ii) receiving, tabulating, and reporting on Ballots cast to accept or reject the Plan by Holders of Interests in Voting Classes, (iii) responding to inquiries from Holders of Interests and other parties in interest relating to the Disclosure Statement, the Plan, the Ballots, the

Solicitation Packages, and all other related documents and matters related thereto, including the procedures and requirements for voting to accept or reject the Plan and for objecting to the Plan, (iv) soliciting votes on the Plan, and (v) if necessary, contacting creditors and equity holders regarding the Plan, the Ballots, the Solicitation Packages and all other related documents and matters related thereto.

2. **The Solicitation Package.**

The following materials shall constitute the Solicitation Packages:

- a. the Disclosure Statement;

- d. the Liquidation Analysis;
- e. Disclosure Statement Order, as entered by the Court (without attachments);
- f. a copy of these Solicitation and Voting Procedures, appended as Exhibit F to the Disclosure Statement Order;
- g. the *Notice of (I) Approval of (A) the Adequacy of the Disclosure Statement, (B) the Solicitation Procedures and Solicitation Packages, (II) Scheduling Confirmation Hearing, (III) Establishing Notice and Objection Procedures For Confirmation of Plan, and (F) Granting Related Relief* in substantially the form annexed as Exhibit A to the Disclosure Statement Order (the "**Confirmation Hearing Notice**");
- h. if the recipient is entitled to vote on the Plan (as set forth herein), the appropriate Ballot conforming to Official Bankruptcy Form No. B 314, in the form described below;<sup>3</sup>
- i. a postage-prepaid return envelope; and

Holders of Claims or Interests in a Non-Voting Class shall only receive the Confirmation Hearing Notice, and the Notice of Non-Voting Status (as defined and described below).

3. **Distribution of the Solicitation Package.**

The Solicitation Package shall provide the Plan and the Disclosure Statement as well as the Disclosure Statement Order (without attachments except the Solicitation and Voting Procedures

annexed as Exhibit 1 thereto) in electronic format (*i.e.*, USB flash drive format). Moreover, the Plan and Disclosure Statement will be available at no charge via the internet at <https://www.veritaglobal.net/rhodium/document/list/6162>. Only the Cover Letter, Ballots, and Confirmation Hearing Notice will be provided in paper format. Any creditor or equity security holder for which service by USB flash drive imposes a hardship may request an additional copy of the Disclosure Statement (and attachments) and Disclosure Statement Order with Solicitation and Voting Procedures in paper format by contacting Verita by submitting an inquiry at: <https://www.veritaglobal.net/rhodium/inquiry>, or by calling Verita at (888) 733-1541 (U.S. and Canada; toll-free) or +1 (310) 751-2637 (International). Upon receipt of a telephonic or written request, the Debtors will provide such creditor or equity security holder with a paper copy of the Plan, Disclosure Statement, and Disclosure Statement Order at no cost to the creditor within five (5) days of such request or as soon as reasonably practicable thereafter.

The Debtors shall mail the Solicitation Packages within two (2) Business Days following the date of entry of the Disclosure Statement Order (the “**Solicitation Mailing Deadline**”) to Holders of Interests in Voting Classes entitled to vote on the Plan as of the Voting Record Date. The Debtors will also provide complete Solicitation Packages (excluding Ballots) to the U.S. Trustee and all parties in interest required to be notified under Bankruptcy Rule 2002 and Local Rule 2002-1.

The Debtors are not required to mail Solicitation Packages to creditors (i) who have Claims or Interests that have already been paid in full during the Chapter 11 Cases, (ii) whose prior mailings in these chapter 11 cases were returned as undeliverable and who have not provided a forwarding address by the Voting Record Date, and (iii) who hold Class 6 (Intercompany Claims) or Class 10 (Intercompany Interests).<sup>4</sup>

In the event that the United States Postal Service returns any mailings as undeliverable, the Debtors are excused from mailing Solicitation Packages or Notices of Non-Voting Status to addresses from which the Debtors received mailings returned as undeliverable. For purposes of serving the Solicitation Packages and Notices of Non-Voting Status, the Debtors may rely on the address information for Voting Classes as compiled, updated, and maintained by the Solicitation Agent as of the Voting Record Date. The Debtors and the Solicitation Agent are not required to conduct any additional research for updated addresses based on undeliverable Solicitation Packages (including Ballots) and will not be required to resend Solicitation Packages or other materials, including Notices of Non-Voting Status, that are returned as undeliverable unless the Debtors are provided with accurate addresses for such parties prior to the Voting Record Date.

To avoid duplication and reduce expenses, the Debtors will use commercially reasonable efforts to ensure that each Holder of a Claim or Interest receives no more than one Solicitation Package (and, therefore, one Ballot) on account of such Claim or Interest and with respect to that Class as against the Debtors.

---

<sup>4</sup> Such Claims and Interests are held by the Debtors or the Debtors’ affiliates.

4. **Forms of Ballots.**

Holders of Claims or Interests in the Voting Classes that are otherwise eligible to vote (as set forth herein), shall receive ballots substantially in the forms attached to the Disclosure Statement Order as Exhibit B (the “**Ballots**”).<sup>5</sup> All Holders of Claims or Interests in the Voting Classes will receive a Ballot that includes an election to opt out of the non-debtor release provisions in Article 10.6(b) of the Plan (the “**Non-Debtor Release Provisions**”). Holders of Claims or Interests in the Voting Classes that properly and timely elect to opt out of the Non-Debtor Release Provisions will not be a Releasing Party or Released Party.

The Debtors will distribute Ballots to each of the Holders of Claims and Interests in Classes 8a (Transcend Parties Claims), 8b (SAFE Claims), 8c (LTIP Claims), 9a (Rhodium Technologies Interests), and 9b (REI Class A Interests)

5. **Notice of Non-Voting Status.**

Holders of Claims or Interests in the Non-Voting Classes listed above, in lieu of a Solicitation Package, will receive the Confirmation Hearing Notice and a Notice of Non-Voting Status and opt-out form attached thereto, substantially in the form attached to the Disclosure Statement Order as Exhibit C (including the opt-out form, the “**Notice of Non-Voting Status**”); *provided* that, the Debtors are not required to serve Holders of Claims and Interests in Class 6 (Intercompany Claims) or Class 10 (Intercompany Interests) copies of the Confirmation Hearing Notice, Sale Notice, Notice of Non-Voting Status, or any other type of notice in connection with solicitation of the Plan because such Claims and Interests are held by the Debtors or the Debtors’ affiliates and/or are Unimpaired pursuant to the Plan.

The Notice of Non-Voting Status provides (i) notice of the Court’s approval of the Disclosure Statement, (ii) notice of the filing of the Plan and Disclosure Statement, (iii) notice of the Holders’ non-voting status, and (iv) information about how to obtain copies of the Disclosure Statement and Plan. In addition, the Notice of Non-Voting Status contains the full text of the release, exculpation, and injunction provisions set forth in Article X of the Plan and advises such Holders in Non-Voting Classes that they will be bound by the Non-Debtor Release Provisions unless they timely and properly opt out. The Notice of Non-Voting Status also includes a form to complete and return if the party elects to opt out of such Non-Debtor Release Provisions. A Holder that properly and timely elects to opt out of the Non-Debtor Release Provisions will not be a Releasing Party or Released Party under the Plan. Holders of Claims and Interests in the Non-Voting Classes who choose to opt out of the Non-Debtor Release provisions may do so (i) by first-class mail; (ii) by overnight courier; (iii) by hand delivery, or (iv) via the E-Ballot so that (in each instance) it is **actually received** by the Solicitation Agent no later than **August 7, 2025 at 5:00 p.m. (Prevailing Central Time)** (the “**Opt-Out Deadline**”), which the Debtors may extend, in their discretion, without further order of the Court. The Notice of Non-Voting Status includes information on how parties can opt out electronically via the E-Ballot. An encrypted opt-out data

<sup>5</sup> Verita is required to retain all paper copies of Ballots and all solicitation-related correspondence for one (1) year following the Effective Date, whereupon, Verita is authorized to destroy and/or otherwise dispose of all paper copies of Ballots; printed solicitation materials including unused copies of the Solicitation Package; and all solicitation-related correspondence (including undeliverable mail), in each case unless otherwise directed by the Debtors or the Clerk of the Court in writing within such one (1) year period.

and audit trail will be created through the electronic submission process and become part of the record of any opt-out election submitted in this manner. Additionally, the parties’ electronic signature will be deemed to be legally valid and effective immediately. For the avoidance of doubt, the E-Ballot and the Debtors’ restructuring website are the sole methods for Holders of Claims and Interests in Non-Voting Classes to transmit opt-out elections electronically.

**6. Voting Deadline.**

The Court has established **August 7, 2025 at 5:00 p.m. (Prevailing Central Time)**, as the deadline to submit votes to accept or reject the Plan (the “**Voting Deadline**”). The Debtors may extend the Voting Deadline, in their discretion, without further order of the Court. To be counted as a vote to accept or reject the Plan, each Ballot must be properly executed, completed, and delivered to the Solicitation Agent: (i) by first-class mail in the return envelope provided with each Ballot; (ii) by overnight courier; (iii) by hand delivery; or (iv) via E-Ballot.

Holders of Claims or Interests mailing their Ballots to the Solicitation Agent shall mail them to the following address:

<b>Verita Address for Receipt of Ballots</b>
<b>If by First Class Mail, Hand Delivery, or Overnight Mail</b>
<b>Rhodium Ballot Processing Center</b> <b>c/o Kurtzman Carson Consultants, LLC dba Verita Global</b> <b>222 N Pacific Coast Highway, Suite 300</b> <b>El Segundo, CA 90245</b>

In all instances, Holders shall consult their Ballot for specific instructions regarding submission of their votes and any elections.

**7. Tabulation Procedures.**

The following voting procedures and standard assumptions shall be used in tabulating Ballots, subject to the Debtors’ right to waive any of the below specified requirements for completion and submission of Ballots so long as such requirement is not otherwise required by the Bankruptcy Code, Bankruptcy Rules, or Bankruptcy Local Rules:

- (a) Whenever a Holder of Claims or Interests casts more than one Ballot voting the same Claim or Interest before the Voting Deadline, the last valid Ballot received on or before the Voting Deadline shall be deemed to reflect such or holder’s intent and thus, supersede any previously received, valid Ballot. Following the Voting Deadline, no Ballot may be changed or revoked absent further order of the Court or as directed by the Debtors.
- (b) Whenever a Holder of Claims or Interests casts a Ballot that is properly completed, executed, and timely returned to the Solicitation Agent but does

not indicate either an acceptance or rejection of the Plan, the Ballot will not be counted.

- (c) Whenever a Holder of Claims or Interests casts a Ballot that is properly completed, executed, and timely returned to the Solicitation Agent but indicates both an acceptance and a rejection of the Plan, the Ballot will not be counted.
- (d) A Holder of Claims or Interests shall be deemed to have voted the full amount of its Claim or Interest in each Class and shall not be entitled to split its vote within a particular Class or between more than one Debtor. Any such Holder's Ballot that partially accepts and partially rejects the Plan between the same or multiple Debtors, will not be counted.
- (e) A Holder of Claims or Interests against more than one Debtor that casts a single Ballot shall have its votes counted separately with respect to each such Debtor.
- (f) A Holder of Claims or Interests in more than one Class must use separate Ballots for each Class of Claims or Interests.
- (g) The Debtors, unless subject to contrary order of the Court, may waive any defects or irregularities as to any particular irregular Ballot at any time, either before or after the Voting Deadline.
- (h) The following Ballots shall not be counted:
  - i. any Ballot received after the Voting Deadline, unless the Debtors shall have granted an extension of the Voting Deadline in writing with respect to such Ballot or waive the late submission;
  - ii. any Ballot that is illegible or contains insufficient information to permit the identification of the voting party;
  - iii. any Ballot cast by a person or entity that does not hold an Interest in a Class that is entitled to vote to accept or reject the Plan;
  - iv. any Ballot cast by a person or entity that is not entitled to vote, even if such individual or entity holds an Interest in a Voting Class;
  - v. any unsigned Ballot, provided that Ballots submitted by E-Ballot will be deemed to contain a legal, valid signature;
  - vi. any Ballot containing a vote that the Court determines, after notice and a hearing, was not solicited or procured in good faith or in accordance with the provisions of the Bankruptcy Code; or

- vii. any Ballot transmitted to the Solicitation Agent by e-mail or facsimile or other means not specifically approved herein.

Each Holder of Claims or Interests that votes to accept or reject the Plan is deemed to have voted the full amount of its Claim or Interest therefor.

The Solicitation Agent may, but is not required to, contact parties who submit incomplete or otherwise deficient Ballots to make a reasonable effort to cure such deficiencies, *provided* that, neither the Debtors nor Solicitation Agent is required to contact such parties to provide notification of defects or irregularities with respect to completion or delivery of Ballots, nor will any of them incur any liability for failure to provide such notification. Unless waived, any defects or irregularities in connection with deliveries of Ballots must be cured within such time as the Debtors (or the Court) determines. Neither the Debtors nor any other person will be under any duty to provide notification of defects or irregularities with respect to deliveries of Ballots nor will any of them incur any liabilities for failure to provide such notification. Delivery of such Ballots will not be deemed to have been made until such irregularities have been cured or waived. Ballots previously furnished (and as to which any irregularities have not theretofore been cured or waived prior to the Voting Deadline) will be invalidated.

The Debtors and/or the Solicitation Agent, as applicable, are authorized to determine all questions as to the validity, form, eligibility (including time of receipt), acceptance, and revocation or withdrawal of Ballots, which determination will be final and binding on all parties.

The Debtors are authorized to reject any and all Ballots submitted by any of their respective creditors or equity holders not in proper form, the acceptance of which would, in the opinion of the Debtors or their counsel, as applicable, be unlawful.

The Debtors are further authorized to reserve their respective rights to waive any defects or irregularities or conditions of delivery as to any particular Ballot by any of their Claim or Interest Holders. The interpretation (including of the Ballot and the respective instructions thereto) by the applicable Debtor in accordance with the foregoing sentence will be final and binding on all parties.

The Debtors or the Solicitation Agent shall file the Voting Report on or before **August 11, 2025 at 5:00 p.m. (Prevailing Central Time)**.

**8. Confirmation Hearing Notice.**

Within four (4) Business Days after entry of the Disclosure Statement Order, or as soon as reasonably practicable thereafter, the Debtors will serve the Notice Parties and Holders of Claims and Interests in the Non-Voting Classes via e-mail or first-class mail, a copy of the Confirmation Hearing Notice, which sets forth (i) the Voting Deadline, (ii) the Plan Objection Deadline and procedures for filing objections and responses to confirmation of the Plan, (iii) the time, date, and place for the Confirmation Hearing, and (iv) information about the Plan's release and injunction provisions in compliance with Bankruptcy Rule 2002(c)(3). The Debtors will separately serve Holders of Claims and Interests in Voting Classes with the Confirmation Hearing Notice as part of their Solicitation Packages.

The Debtors may, in their sole discretion, give supplemental publication notice of the Confirmation Hearing, no later than twenty-eight (28) days prior to the Confirmation Hearing, in one or more local or foreign newspapers, trade journals, or similar publications as the Debtors deem appropriate.

**The Debtors reserve the right, and are authorized, to make non-substantive or immaterial changes to the Disclosure Statement, Plan (including, for the avoidance of doubt, the Plan Supplement), Ballots, Confirmation Hearing Notice, and related documents without further order of the Court, including, without limitation, changes to correct typographical and grammatical errors, if any, and to make conforming changes among the Disclosure Statement, the Plan, and any other materials in the Solicitation Packages before their distribution; *provided* that all such modifications shall be made in accordance with the terms of the document being modified and the Plan.**
