(xii) authorizing the Debtors to, and to use reasonable best efforts to cause the Non-Debtor DIP Loan Parties to, use proceeds of the DIP Facility solely in accordance with the Interim Order, this Final Order and the DIP Documents;

(xiii) authorizing the Debtors to, and to use reasonable best efforts to cause the Non-Debtor DIP Loan Parties to, pay the principal, interest, fees, expenses and other amounts payable under the DIP Documents as such become earned, due and payable to the extent provided in, and in accordance with, the DIP Documents;

(xiv) subject to the restrictions set forth in the Interim Order, this Final Order and the DIP Documents, authorizing the Debtors to use the Prepetition Collateral (as defined herein), including Cash Collateral of the Prepetition Secured Parties under the Prepetition Loan Documents (as defined herein), and provide adequate protection to the Prepetition Secured Parties for any diminution in value of their respective interests in the Prepetition Collateral (including Cash Collateral) (as defined herein), resulting from the imposition of the automatic stay under section 362 of the Bankruptcy Code (the "**Automatic Stay**"), the Debtors' use, sale, or lease of the Prepetition Collateral (including Cash Collateral), and the priming of their respective interests in the Prepetition Collateral (including Cash Collateral);

(xv) vacating and modifying the Automatic Stay to the extent set forth herein to the extent necessary to permit the DIP Secured Parties and the Prepetition Secured Parties to implement and effectuate the terms and provisions of the Interim Order, this Final Order and the DIP Documents and to deliver any notices of termination described below and as further set forth herein; and

(xvi) waiving any applicable stay (including under Bankruptcy Rule 6004) and providing for immediate effectiveness of this Final Order.

Motion constitutes a core proceeding pursuant to 28 U.S.C. § 157(b)(2). The Court may enter a final order consistent with Article III of the United States Constitution. Venue for the Chapter 11 Cases and proceedings on the DIP Motion is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409. The predicates for the relief sought herein are sections 105, 361, 362, 363(c), 363(e), 363(m), 364(c), 364(d)(1), 364(e), and 507 of the Bankruptcy Code, Bankruptcy Rules 2002, 4001, 6004 and 9014, and Bankruptcy Local Rules 2002-1, 4001-1(b), 4002-1(i), and 9013-1.

F. *Committee Formation*. On May 6, 2020, the United States Trustee for the Southern District of Texas (the "**U.S. Trustee**") appointed an official committee of unsecured creditors (the "**Committee**") in these Chapter 11 Cases pursuant to section 1102 of the Bankruptcy Code.

G. *Notice*. The Final Hearing was scheduled and noticed pursuant to Bankruptcy Rule 4001(b)(2) and (c)(2). Proper, timely, adequate and sufficient notice of the DIP Motion has been provided in accordance with the Interim Order, Bankruptcy Code, the Bankruptcy Rules and the Bankruptcy Local Rules, and no other or further notice of the DIP Motion or the entry of this Final Order shall be required.

H. The relief granted pursuant to the Interim Order was necessary to avoid immediate and irreparable harm to the Debtors and their estates.

I. *Cash Collateral*. As used herein, the term "**Cash Collateral**" shall mean all of the Debtors' cash except for cash that is an Excluded Asset, wherever located and held, including cash in deposit accounts, that constitutes or will constitute "cash collateral" of the Prepetition Secured Parties and DIP Secured Parties within the meaning of section 363(a) of the Bankruptcy Code.

J. *Debtors' Stipulations*. Subject to the limitations contained in paragraph 20 hereof, and after consultation with their attorneys and financial advisors, the Debtors admit, stipulate and agree that:

(i) *Prepetition Credit Facility*. Pursuant to that certain Syndicated Facility Agreement, dated as of May 15, 2018 (as amended, restated, amended and restated, supplemented, waived, or otherwise modified from time to time, the "**Prepetition Credit Agreement**", and collectively with the other Loan Documents (as defined in the Prepetition Credit Agreement) and any other agreements and documents executed or delivered in connection therewith, each as may be amended, restated, amended and restated, supplemented, waived, or otherwise modified from time to time, the "**Prepetition Loan Documents**"), among (a) SpeedCast International Limited, SpeedCast Americas, Inc., SpeedCast Communications, Inc. and SpeedCast Limited, as borrowers (in such capacity, the "**Prepetition Borrowers**"), (b) SpeedCast International Limited, as parent, (c) Credit Suisse AG, Cayman Islands Branch, as administrative agent, collateral agent and security trustee (in such capacities, the "**Prepetition Agent**"), (d) the Term Lenders (as defined in the Prepetition Credit Agreement) party thereto (collectively, the "**Prepetition Term Loan Lenders**"), (e) the Issuing Banks (as defined in the Prepetition Credit Agreement) party thereto (the "**Prepetition Issuers**"), and (f) the Revolving Credit Lenders (as defined in the Prepetition Credit Agreement) party thereto (collectively, the "**Prepetition Revolving Lenders**" and, together with the Prepetition Term Loan Lenders, the "**Prepetition Lenders**") (the Prepetition Lenders, collectively with the Prepetition Agent, the Prepetition Issuers and all other holders of Prepetition Credit Facility Debt (as defined herein), the "**Prepetition Secured Parties**"), (1)(x) the Prepetition Issuers issued and participated in letters of credit in support of the Prepetition Borrowers and (y) the Prepetition Revolving

Lenders provided revolving loans and other financial accommodations to the Prepetition Borrowers pursuant to the Prepetition Loan Documents (the "**Prepetition Revolving Credit Facility**") and (2) the Prepetition Term Loan Lenders provided term loans to the Prepetition Borrowers pursuant to the Prepetition Loan Documents (the "**Prepetition Term Loan Credit Facility**" and, together with the Prepetition Revolving Credit Facility, the "**Prepetition Credit Facilities**").

(ii) *Prepetition Guarantee*. Pursuant to that certain Guarantee Agreement, dated as of May 15, 2018 (as amended, restated, amended and restated, supplemented, waived, or otherwise modified from time to time), certain of the Debtors and their direct and indirect non-Debtor subsidiaries and affiliates party thereto (the "**Prepetition Guarantors**") guaranteed on a joint and several basis the obligations under the Prepetition Loan Documents.

(iii) *Prepetition Credit Facility Debt*. As of the Petition Date, the Prepetition Borrowers were justly and lawfully indebted and liable to the Prepetition Secured Parties, without defense, counterclaim or offset of any kind, in the aggregate principal amount of not less than $689.7 million including (a) $87.7 million in outstanding principal amount of Revolving Loans (as defined in the Prepetition Credit Agreement), (b) $10.6 million of outstanding Letters of Credit (as defined in the Prepetition Credit Agreement) and (c) $591.4 million in outstanding principal amount of Term Loans (as defined in the Prepetition Credit Agreement) (collectively, together with accrued and unpaid interest, any reimbursement obligations (contingent or otherwise) in respect of letters of credit, any fees, expenses and disbursements (including attorneys' fees, accountants' fees, auditor fees, appraisers' fees and financial advisors' fees, and related expenses and disbursements), treasury, cash management, bank product and derivative obligations, indemnification obligations, guarantee obligations, and other charges, amounts and

costs of whatever nature owing, whether or not contingent, whenever arising, accrued, accruing, due, owing, or chargeable in respect of any of the Prepetition Borrowers' or the Prepetition Guarantors' obligations pursuant to, or secured by, the Prepetition Credit Agreement, including all Obligations (as defined in the Prepetition Credit Agreement, the "**Prepetition Obligations**"), and all interest, fees, prepayment premiums, early termination fees, costs and other charges, the "**Prepetition Credit Facility Debt**") which Prepetition Credit Facility Debt has been guaranteed on a joint and several basis by each of the Prepetition Guarantors.

(iv) *Prepetition Credit Facility Liens.* As more fully set forth in the Prepetition Loan Documents, prior to the Petition Date, the Prepetition Borrowers and the Prepetition Guarantors each granted to the Prepetition Agent, for the benefit of itself and the other Prepetition Secured Parties, a security interest in and continuing lien on (the "**Prepetition Liens**") substantially all of their assets and property, including Cash Collateral, subject to certain limited customary exclusions as set forth in the Prepetition Loan Documents (the "**Prepetition Collateral**").

(v) *Validity, Perfection and Priority of Prepetition Liens and Prepetition Debt.* The Debtors acknowledge and agree that as of the Petition Date (a) the Prepetition Liens on the Prepetition Collateral were valid, binding, enforceable, non-avoidable and properly perfected and were granted to, or for the benefit of, the Prepetition Secured Parties for fair consideration and reasonably equivalent value; (b) the Prepetition Liens were senior in priority over any and all other liens on the Prepetition Collateral, subject only to certain liens senior by operation of law or otherwise permitted by the Prepetition Loan Documents (solely to the extent any such permitted liens were valid, properly perfected, non-avoidable and senior in priority to the Prepetition Liens as of the Petition Date, the "**Prepetition Permitted Prior Liens**"); (c) the

Page 10 of 71

Prepetition Credit Facility Debt constitutes legal, valid, binding, and non-avoidable obligations of the Prepetition Borrowers and Prepetition Guarantors enforceable in accordance with the terms of the applicable Prepetition Loan Documents; (d) no offsets, recoupments, challenges, objections, defenses, claims or counterclaims of any kind or nature to any of the Prepetition Liens or Prepetition Credit Facility Debt exist, and no portion of the Prepetition Liens or Prepetition Credit Facility Debt is subject to any challenge or defense, including avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable or otherwise) pursuant to the Bankruptcy Code or applicable non-bankruptcy law; (e) the Debtors and their estates have no claims, objections, challenges, causes of action, and/or choses in action, including avoidance claims under Chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions for recovery or disgorgement, against any of the Prepetition Secured Parties or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors and employees arising out of, based upon or related to the Prepetition Credit Facilities; and (f) the Debtors waive, discharge, and release any right to challenge any of the Prepetition Credit Facility Debt, the priority of the Debtors' obligations thereunder, and the validity, extent, and priority of the Prepetition Liens securing the Prepetition Credit Facility Debt.

(vi) *No Control*. None of the Prepetition Secured Parties control the Debtors or their properties or operations, have authority to determine the manner in which any Debtors' operations are conducted or are control persons or insiders of the Debtors by virtue of any of the actions taken with respect to, in connection with, related to or arising from the Prepetition Loan Documents.

(vii) *No Claims or Causes of Action*. No claims or causes of action held by the Debtors or their estates exist against, or with respect to, the Prepetition Secured Parties (in their

capacity as such) under any agreements by and among the Debtors and any Prepetition Secured Party that is in existence as of the Petition Date.

(viii) *Release*. Effective as of the date of entry of the Interim Order, each of the Debtors and the Debtors' estates, on its own behalf, on behalf of (to the greatest extent permitted by law) the Non-Debtor DIP Loan Parties, and on behalf of its and their past, present and future predecessors, successors, subsidiaries, and assigns, hereby absolutely, unconditionally and irrevocably releases and forever discharges and acquits the Prepetition Secured Parties, the DIP Secured Parties, and each of their respective Representatives (as defined herein) (collectively, the "**Released Parties**"), from any and all obligations and liabilities to the Debtors (and their successors and assigns) and from any and all claims, counterclaims, demands, defenses, offsets, debts, accounts, contracts, liabilities, actions and causes of action arising prior to the Petition Date (collectively, the "**Released Claims**") of any kind, nature or description, whether matured or unmatured, known or unknown, asserted or unasserted, foreseen or unforeseen, accrued or unaccrued, suspected or unsuspected, liquidated or unliquidated, pending or threatened, arising in law or equity, upon contract or tort or under any state or federal law or otherwise, arising out of or related to (as applicable) the Prepetition Loan Documents, the DIP Documents, the obligations owing and the financial obligations made thereunder, the negotiation thereof and of the deal reflected thereby, and the obligations and financial obligations made thereunder, in each case that the Debtors at any time had, now have or may have, or that their successors or assigns hereafter can or may have against any of the Released Parties for or by reason of any act, omission, matter, cause or thing whatsoever arising at any time on or prior to the date of the Interim Order. For the avoidance of doubt, nothing in this release shall relieve the DIP Secured

Parties of their Obligations under the DIP Documents from and after the date of the Interim Order.

K. *Findings Regarding the DIP Financing and Use of Cash Collateral*.

(i) Good and sufficient cause has been shown for the entry of this Final Order and for authorization of the Debtor DIP Loan Parties to obtain financing pursuant to the DIP Credit Agreement.

(ii) The Debtor DIP Loan Parties have a critical need for the DIP Financing and to continue to use Prepetition Collateral (including Cash Collateral) in order to permit, among other things, the orderly continuation of the operation of their businesses, to maintain business relationships with vendors, suppliers and customers, to make payroll, to make capital expenditures, to satisfy other working capital and operational needs and to fund expenses of these Chapter 11 Cases. The access of the Debtor DIP Loan Parties to sufficient working capital and liquidity through the use of Cash Collateral and other Prepetition Collateral, the incurrence of new indebtedness under the DIP Documents and other financial accommodations provided under the DIP Documents are necessary and vital to the preservation and maintenance of the going concern values of the Debtor DIP Loan Parties and to a successful reorganization of the Debtor DIP Loan Parties.

(iii) The Debtor DIP Loan Parties are unable to obtain financing on more favorable terms from sources other than the DIP Lenders under the DIP Documents and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtor DIP Loan Parties are also unable to obtain secured credit allowable under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code without granting to the DIP Secured Parties, the DIP Liens and the DIP Superpriority

Claims (as defined herein) and incurring the Adequate Protection Obligations (as defined herein), in each case subject to the Carve Out, under the terms and conditions set forth in the Interim Order, this Final Order and in the DIP Documents.

(iv) The Debtor DIP Loan Parties continue to collect cash, rents, income, offspring, products, proceeds, and profits generated from the Prepetition Collateral and acquire equipment, inventory and other personal property, all of which constitute Prepetition Collateral under the Prepetition Loan Documents that are subject to the Prepetition Secured Parties' security interests as set forth in the Prepetition Loan Documents.

(v) The Debtor DIP Loan Parties desire to use a portion of the cash, rents, income, offspring, products, proceeds and profits described in the preceding paragraph in their business operations that constitute Cash Collateral of the Prepetition Secured Parties under section 363(a) of the Bankruptcy Code. Certain prepetition rents, income, offspring, products, proceeds, and profits, in existence as of the Petition Date, including balances of funds in the Debtor DIP Loan Parties' prepetition and postpetition operating bank accounts, also constitute Cash Collateral.

(vi) Based on the DIP Motion, the Healy Declaration, the Waldman Declaration and the record presented to the Court at the Hearings, the terms of the DIP Financing, the terms of the adequate protection granted to the Prepetition Secured Parties as provided in paragraph 15 of this Final Order (the "**Adequate Protection**"), and the terms on which the Debtor DIP Loan Parties may continue to use the Prepetition Collateral (including Cash Collateral) pursuant to this Final Order and the DIP Documents are fair and reasonable, reflect the Debtor DIP Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties and constitute reasonably equivalent value and fair consideration.

Reorganized Debtors' Exhibit No. 4
Page 14 of 71

(vii) The DIP Financing (including the Roll-Up), the Adequate Protection and the use of the Prepetition Collateral (including Cash Collateral) have been negotiated in good faith and at arm's length among the Debtor DIP Loan Parties, the DIP Secured Parties, and the Prepetition Secured Parties, and all of the Debtor DIP Loan Parties' obligations and indebtedness arising under, in respect of, or in connection with, the DIP Financing and the DIP Documents, including, without limitation: all loans made to and guarantees issued by the Debtor DIP Loan Parties pursuant to the DIP Documents and any DIP Obligations shall be deemed to have been extended by the DIP Agent and the DIP Secured Parties and their respective affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the DIP Agent and the DIP Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that the Interim Order, this Final Order or any provision hereof or thereof is vacated, reversed or modified, on appeal or otherwise.

(viii) The Prepetition Agent and the Prepetition Secured Parties have acted in good faith regarding the DIP Financing and the Debtor DIP Loan Parties' continued use of the Prepetition Collateral (including Cash Collateral) to fund the administration of the Debtor DIP Loan Parties' estates and continued operation of their businesses (including entry into the Syndicated Facility Amendment and the incurrence and payment of the Adequate Protection Obligations and the granting of the Adequate Protection Liens (as defined herein)), in accordance with the terms hereof, and the Prepetition Agent and Prepetition Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of sections 363(m) of the

Bankruptcy Code in the event that the Interim Order, this Final Order or any provision hereof or thereof is vacated, reversed or modified, on appeal or otherwise.

(ix) The Prepetition Secured Parties are entitled to the Adequate Protection provided in the Interim Order and this Final Order as and to the extent set forth herein and therein pursuant to sections 361, 362, 363 and 364 of the Bankruptcy Code. Based on the DIP Motion and on the record presented to the Court, the terms of the proposed adequate protection arrangements and of the use of the Prepetition Collateral (including Cash Collateral) are fair and reasonable, reflect the Debtor DIP Loan Parties' prudent exercise of business judgment and constitute reasonably equivalent value and fair consideration for the use of the Prepetition Collateral, including the Cash Collateral, and the "Required Lenders" (as such term is defined in the Prepetition Credit Agreement, the "**Required Prepetition Lenders**"), have consented or are deemed hereby to have consented to the use of the Prepetition Collateral, including the Cash Collateral, the priming of the Prepetition Liens by the DIP Liens pursuant to the DIP Documents, and the Roll-Up; *provided* that nothing in the Interim Order, this Final Order or the DIP Documents shall (x) be construed as the affirmative consent by any of the Prepetition Secured Parties for the use of Cash Collateral other than on the terms set forth in this Final Order and in the context of the DIP Financing authorized by the Interim Order and this Final Order to the extent such consent has been or will be given, (y) be construed as a consent by any party to the terms of any other financing or any other lien encumbering the Prepetition Collateral (whether senior or junior) or (z) prejudice, limit or otherwise impair the rights of any of the Prepetition Secured Parties to seek new, different or additional adequate protection or assert the interests of any of the Prepetition Secured Parties, and the rights of any other party in interest, including the Debtor DIP Loan Parties, to object to such relief are hereby preserved.

Reorganized Debtors' Exhibit No. 4
Page 16 of 71

(x) The exchange and substitution of Prepetition Loans with DIP Roll-Up Loans on a dollar-for-dollar basis in an amount of Prepetition Loans equal to 100% of the amount of the DIP Commitments (as of the Closing Date) reflects the Debtor DIP Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties. The Prepetition Secured Parties would not otherwise consent to the use of their Cash Collateral or the subordination of their liens to the DIP Liens (as defined herein), and the DIP Secured Parties would not be willing to provide the DIP Facility or extend credit to the Debtor DIP Loan Parties thereunder without the Roll-Up. The Roll-Up will benefit the Debtors and their estates because it will enable the Debtors to obtain urgently needed financing critical to administering these Chapter 11 Cases and funding their operations, which financing would not otherwise be available.

(xi) The Debtors have prepared and delivered to the advisors to the DIP Secured Parties an initial budget (the "**Initial DIP Budget**"), attached as Schedule 1 to the Interim Order. The Initial DIP Budget reflects, among other things, the Parent's and its Subsidiaries' anticipated cash receipts and anticipated disbursements for each calendar week, in form and substance satisfactory to the Requisite DIP Lenders. The Initial DIP Budget may be modified, amended and updated from time to time in accordance with the DIP Credit Agreement, and once approved by the Requisite DIP Lenders,[6] shall supplement and replace the Initial DIP Budget (the Initial DIP Budget and each subsequent approved budget, shall constitute without duplication, an "**Approved Budget**"). The Debtors believe that the Initial DIP Budget is reasonable under the facts and circumstances. The DIP Secured Parties are relying, in part, upon the DIP Loan Parties' agreement to comply with the Approved Budget (subject to only permitted

[6] "**Requisite DIP Lenders**" means, as applicable, pursuant to the requirements of the DIP Credit Agreement, either or both of the "Required IC Lenders" and/or "Required Lenders" (each as defined in the DIP Credit Agreement).

variances), the other DIP Documents and this Final Order in determining to enter into the postpetition financing arrangements provided for in this Final Order.

(xii) Each of the Prepetition Secured Parties shall be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code and the "equities of the case" exception under section 552(b) of the Bankruptcy Code shall not apply to the Prepetition Secured Parties with respect to proceeds, product, offspring, or profits with respect to any of the Prepetition Collateral.

L. *Relief Essential; Best Interest*. Sufficient cause exists for entry of this Final Order pursuant to Bankruptcy Rules 4001(b)(2) and (c)(2) and Bankruptcy Local Rule 4001-1(b). Consummation of the DIP Financing and the use of Prepetition Collateral (including Cash Collateral), in accordance with this Final Order and the DIP Documents are therefore in the best interests of the Debtor DIP Loan Parties' estates and consistent with the Debtor DIP Loan Parties' exercise of their fiduciary duties. The DIP Motion, the Interim Order and this Final Order comply with the requirements of Bankruptcy Local Rule 4001-1(b).

M. *Permitted Prior Liens; Continuation of Prepetition Liens*. Nothing herein shall constitute a finding or ruling by this Court that any alleged Permitted Prior Lien is valid, senior, enforceable, prior, perfected, or non-avoidable. Moreover, nothing herein shall prejudice the rights of any party-in-interest, including, but not limited to, the Debtor DIP Loan Parties, the DIP Agent, the DIP Secured Parties, the Prepetition Agent, or the Prepetition Secured Parties to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Permitted Prior Lien and/or security interests. The right of a seller of goods to reclaim such goods under section 546(c) of the Bankruptcy Code is not a Permitted Prior Lien and is expressly subject to the DIP Liens (as defined herein). The Prepetition Liens, and the DIP Liens

Page 18 of 71

that prime the Prepetition Liens, are continuing liens and the DIP Collateral is and will continue to be encumbered by such liens in light of the integrated nature of the DIP Facility, the DIP Documents and the Prepetition Loan Documents.

Based upon the foregoing findings and conclusions, the DIP Motion and the record before the Court with respect to the DIP Motion, and after due consideration and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. *Motion Granted.* The relief sought in the DIP Motion is granted, the financing described herein is authorized and approved, and the use of Cash Collateral is authorized, in each case, on a final basis, subject to the terms and conditions set forth in the DIP Documents and this Final Order. All objections to this Final Order to the extent not withdrawn, waived, settled, or resolved are hereby denied and overruled on the merits.

2. *Authorization of the DIP Financing and the DIP Documents.*

(a) The Debtor DIP Loan Parties were, by the Interim Order, and hereby are authorized, and the Debtors were, by the Interim Order, and hereby are authorized and directed to use reasonable best efforts to cause the Non-Debtor DIP Loan Parties, as applicable, to execute, deliver, enter into and, as applicable, perform all of their obligations under the DIP Documents (including without limitation the DIP Intercreditor Agreement and the Syndicated Facility Amendment) and such other and further acts as may be necessary, appropriate or desirable in connection therewith. The Borrower was, by the Interim Order, and hereby is authorized to borrow money pursuant to the DIP Credit Agreement, each Debtor DIP Guarantor was, by the Interim Order, and hereby is authorized to, and the Debtors were, by the Interim Order, and hereby are authorized and directed to use reasonable best efforts to cause the Non-

(b) In furtherance of the foregoing and without further approval of this Court, each Debtor DIP Loan Party is authorized to, and authorized and directed to use reasonable best efforts to cause the Non-Debtor DIP Loan Parties to, perform all acts, to make, execute and deliver all instruments, certificates, agreements, charges, deeds and documents (including, without limitation, the execution or recordation of pledge and security agreements, mortgages, financing statements and other similar documents), and to pay all fees, expenses and indemnities in connection with or that may be reasonably required, necessary, or desirable for the DIP Loan Parties' performance of their obligations under or related to the DIP Financing, including, without limitation:

(i) the execution and delivery of, and performance under, each of the DIP Documents;

(ii) the execution and delivery of, and performance under, one or more amendments, waivers, consents or other modifications to and under the DIP Documents, in each case, in such form as the DIP Loan Parties and the DIP Agent (acting in accordance with the terms of the DIP Credit Agreement and at the direction of the Requisite DIP Lenders) may

agree, it being understood that no further approval of this Court shall be required for any authorizations, amendments, waivers, consents or other modifications to and under the DIP Documents (and any fees and other expenses (including attorneys', accountants', appraisers' and financial advisors' fees), amounts, charges, costs, indemnities and other obligations paid in connection therewith) that do not shorten the maturity of the extensions of credit thereunder or increase the aggregate commitments or the rate of interest payable thereunder; *provided* that, for the avoidance of doubt, updates and supplements to the Approved Budget required to be delivered by the DIP Loan Parties under the DIP Documents shall not be considered amendments or modifications to the Approved Budget or the DIP Documents;

(iii) the non-refundable payment to the DIP Agent and the DIP Secured Parties, as the case may be, of all fees, whether paid pursuant to the Interim Order or this Final Order, including unused facility fees, amendment fees, prepayment premiums, early termination fees, servicing fees, audit fees, liquidator fees, structuring fees, administrative agent's, collateral agent's or security trustee's fees, upfront fees, closing fees, commitment fees, exit fees, closing date fees, backstop fees, original issue discount fees, prepayment fees or agency fees, indemnities and professional fees (which fees shall be irrevocable, and were, and were deemed to have been, approved upon entry of the Interim Order, whether or not the fees arose before or after the Petition Date, and whether or not the transactions contemplated hereby are consummated, and upon payment thereof, shall not be subject to any contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action or other challenge of any nature under the Bankruptcy Code, applicable non-bankruptcy law or otherwise) and any amounts due (or that may become due) in respect of the indemnification and expense reimbursement obligations, in each case

referred to in the DIP Credit Agreement or DIP Documents (or in any separate letter agreements, including, without limitation, any fee letters between any or all DIP Loan Parties, on the one hand, and any of the DIP Agent and/or DIP Secured Parties, on the other, in connection with the DIP Financing) and the costs and expenses as may be due from time to time, including, without limitation, fees and expenses of the professionals retained by, or on behalf of, any of the DIP Agent or DIP Secured Parties (including without limitation those of Davis Polk & Wardwell LLP, Stroock & Stroock & Lavan LLP, Skadden, Arps, Slate, Meagher & Flom LLP, King & Wood Mallesons, Rapp & Krock, P.C., Greenhill & Co., LLC, and any local legal counsel or other advisors in any foreign jurisdictions and any other advisors as are permitted under the DIP Documents), in each case, as provided for in the DIP Documents (collectively, the "**DIP Fees and Expenses**"), without the need to file retention motions or fee applications; and

(iv) the performance of all other acts required under or in connection with the DIP Documents, including the granting of the DIP Liens and the DIP Superpriority Claims and perfection of the DIP Liens and DIP Superpriority Claims as permitted herein and therein.

3. *DIP Obligations*. Upon execution and delivery of the DIP Documents, the DIP Documents shall constitute legal, valid, binding and non-avoidable obligations of the DIP Loan Parties, enforceable against each Debtor DIP Loan Party and their estates and each Non-Debtor DIP Loan Party in accordance with the terms of the DIP Documents and this Final Order, and any successors thereto, including any trustee appointed in the Chapter 11 Cases, or in any case under Chapter 7 of the Bankruptcy Code upon the conversion of any of the Chapter 11 Cases, or in any other proceedings superseding or related to any of the foregoing (collectively, the "**Successor Cases**"). Upon execution and delivery of the DIP Documents, the DIP Obligations

included all loans and any other indebtedness or obligations, contingent or absolute, which may now or from time to time be owing by any of the DIP Loan Parties to any of the DIP Agent or DIP Secured Parties, in each case, under, or secured by, the DIP Documents or this Final Order, including all principal, interest, costs, fees, expenses, indemnities and other amounts under the DIP Documents (including the Interim Order and this Final Order); *provided*, that notwithstanding anything to the contrary in the DIP Credit Agreement, no Exit Fee shall be payable on the DIP Roll-Up Loans (as defined herein). The DIP Loan Parties shall be jointly and severally liable for the DIP Obligations. Except as permitted hereby, no obligation, payment, transfer, or grant of security hereunder or under the DIP Documents to the DIP Agent and/or the DIP Secured Parties (including their Representatives) shall be stayed, restrained, voidable, avoidable, or recoverable, under the Bankruptcy Code or under any applicable law (including, without limitation, under sections 502(d), 544, and 547 to 550 of the Bankruptcy Code or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any defense, avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), disallowance, impairment, claim, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity.

4. *Prepetition Credit Facility Debt Roll-Up*.

(a) The Debtors were, pursuant to paragraph 4(a) of the Interim Order, deemed to, and are hereby deemed to have, exchanged and substituted Prepetition Loans of the DIP Lenders on a cashless, dollar-for-dollar basis with the DIP Roll-Up Loans in an amount equal to the Initial Commitments in effect as of the Closing Date allocated pro rata

among the DIP Lenders in accordance with the respective principal amounts of their DIP Loans as of such date and subject to the terms and conditions set forth in the DIP Documents; *provided* that any interest, fees and other amounts, accrued or accruing on the Prepetition Loans as of the date of the Roll-Up that were so exchanged remained and shall remain outstanding under the Prepetition Credit Agreement and constitute claims for Prepetition Credit Facility Debt thereunder. The DIP Roll-Up Loans deemed substituted and exchanged pursuant to paragraph 4(a) of the Interim Order were thereby, and hereby are, deemed indefeasible and the applicable Prepetition Loans substituted thereby were by the Interim Order, and hereby are, deemed exchanged therefor. The cashless substitution and exchange dollar-for-dollar of Prepetition Loans under the Prepetition Term Loan Credit Facility by "rolling-up" such amounts into DIP Obligations as described in this paragraph 4(a) was, by the Interim Order, and hereby is authorized as compensation for, in consideration for, as a necessary inducement for, and on account of the agreement of the DIP Lenders to fund the DIP New Money Term Loans and not as adequate protection for, or otherwise on account of, any Prepetition Credit Facility Debt. Notwithstanding anything to the contrary herein, in the Interim Order or in the DIP Documents, the claims and liens in respect of the DIP Roll-Up Loans shall be subject and subordinate to the claims and liens in respect of the DIP New Money Term Loans and the Carve-Out in all respects.

(b) Effective upon entry of this Final Order, in accordance with the DIP Credit Agreement and the other DIP Documents, the Debtors shall be deemed to exchange and substitute Prepetition Loans of the DIP Lenders on a cashless dollar-for-dollar basis with DIP Roll-Up Loans in an amount equal to the Delayed-Draw Commitments in effect as of the Closing Date allocated pro rata among the DIP Lenders in accordance with the respective

principal amounts of their DIP Loans as of such date, subject to the terms and conditions set forth in the DIP Documents; *provided* that any interest, fees and other amounts, accrued or accruing on the Prepetition Loans as of the date of the Roll-Up that are so exchanged shall remain outstanding under the Prepetition Credit Agreement and constitute claims for Prepetition Credit Facility Debt thereunder; *provided, further*, that solely in the event that the Committee is granted standing to bring and actually brings a Challenge prior to the expiration of the Challenge Period (each as defined herein) and such Challenge results in a determination in a final, nonappealable order of the Bankruptcy Court that (i) some or all of the Prepetition Liens did not constitute valid or properly perfected liens on the Prepetition Collateral as of the Petition Date or (ii) some or all of the Prepetition Credit Facility Debt did not constitute valid and binding obligations of the Prepetition Borrower or Prepetition Guarantors as of the Petition Date, and the result of such defect is that the value of the Prepetition Credit Facility Debt that is secured by Prepetition Liens on the Prepetition Collateral as of the Petition Date was less than $90 million, the right of the Committee to argue that the DIP Roll-Up Loans approved pursuant to this paragraph 4(b) only (and not, for the avoidance of doubt, the DIP Roll-Up Loans approved pursuant to paragraph 4(a)) should be "rolled down" or disgorged solely in an amount equal to the negative difference between (x) the amount of the Prepetition Credit Facility Debt that is secured by valid and properly perfected Prepetition Liens on Prepetition Collateral as of the Petition Date and (y) $90 million (such loans in such amount, the "**Rolled Down Loans**"), is hereby preserved; *provided, further* that the rights of the Debtors and the Prepetition Secured Parties to object to the Committee's assertion that some or all of the DIP Roll-Up Loans should be rolled down or disgorged on any grounds are hereby expressly preserved; *provided, further* that such Rolled Down Loans shall (i) no longer be part of the DIP Facility and (ii) subject to

Reorganized Debtors' Exhibit No. 4
Page 25 of 71

paragraph 20 hereof, shall be deemed to constitute Prepetition Loans held by the holders of the Rolled Down Loans immediately prior to such exchange and substitution for all purposes under the Prepetition Credit Agreement (and, for the avoidance of doubt, as Prepetition Loans shall not have the right to recover on a secured or priority basis from proceeds of Avoidance Actions successfully brought against the Prepetition Secured Parties), and the interest rate on the Rolled Down Loans will revert to the interest rate in effect on all amounts that were not "rolled-up" under the Prepetition Credit Agreement, as though the Roll-Up had never occurred with respect to such loans; *provided, further, however*, that in such an event the DIP Commitments for such Rolled Down Loans shall be deemed terminated. The DIP Roll-Up Loans deemed substituted and exchanged under this paragraph 4(b), except as provided above, shall be deemed indefeasible and the applicable Prepetition Loans substituted thereby shall be deemed exchanged therefor. The cashless substitution and exchange dollar-for-dollar of Prepetition Loans under the Prepetition Term Loan Credit Facility by "rolling-up" such amounts into DIP Obligations as described in this paragraph 4(b) shall be authorized as compensation for, in consideration for, as a necessary inducement for, and on account of the agreement of the DIP Lenders to fund the DIP New Money Term Loans and not as adequate protection for, or otherwise on account of, any Prepetition Credit Facility Debt. Notwithstanding anything to the contrary herein or in the DIP Documents, the claims and liens in respect of the DIP Roll-Up Loans shall be subject and subordinate to the claims and liens in respect of the DIP New Money Term Loans in all respects.

(c) The DIP Agent and Prepetition Agent, acting at the direction of, as applicable, the Requisite DIP Lenders or the Required Prepetition Lenders, was, by the Interim Order, and hereby is authorized to take any actions as may be necessary or advisable to

effectuate the terms of the Roll-Up, including entry into and performance under the DIP Intercreditor Agreement and in accordance with the terms thereof and of the other DIP Documents, and may conclusively rely on the provisions of the Interim Order and this Final Order, as applicable, in adjusting the Register and the Register (as defined in the Prepetition Credit Agreement) to reflect the Roll-Up.

5. *Professional Fee Account.*

(a) As soon as reasonably practicable following the entry of the Interim Order, the Debtors shall transfer an amount equal to the total budgeted (or actual, if available) weekly fees and expenses incurred or to be incurred by persons or firms retained by the Debtors pursuant to sections 327, 328, or 363 of the Bankruptcy Code (such persons or firms, the "**Debtor Professionals**") and any persons or firms retained by any Committee (the "**Committee Professionals**" and, together with the Debtor Professionals, the "**Professional Persons**" and, such fees and expenses of the Professional Persons, the "**Professional Fees**") for the weekly periods set forth in the Approved Budget through the weekly period that is two (2) weeks following such initial transfer into a segregated account not subject to the control, liens, security interests, or claims of the DIP Agent, any DIP Lender, or any Prepetition Secured Party, other than the reversionary interest of the DIP Agent and Prepetition Agent (for the benefit of the DIP Secured Parties and Prepetition Secured Parties, respectively), which interest shall be senior to any interest of the Debtors therein (the "**Professional Fees Account**"). Thereafter, on a weekly basis, the Debtors shall transfer into the Professional Fees Account cash proceeds from the DIP Facility or cash on hand in an amount equal to the aggregate unpaid amount of Estimated Fees and Expenses (as defined herein) included in all Weekly Statements (as defined herein) timely received by the Debtors, which shall be reported to the DIP Agent (or, in the event of a DIP

Repayment, the Prepetition Agent), or if an estimate is not provided, the total budgeted weekly fees of Professional Persons for the prior week set forth in the Approved Budget.

(b) Starting with the first full calendar week following the initial funding of the Professional Fee Account, each Professional Person shall have delivered and shall deliver to the Debtors a statement (each such statement, a "**Weekly Statement**") setting forth a good-faith estimate of the amount of unpaid fees and expenses incurred during the preceding week by such Professional Person (the "**Estimated Fees and Expenses**"). No later than one business day after the delivery of a Carve-Out Trigger Notice (as defined below) (the "**Carve-Out Statement Date**"), each Professional Person shall deliver one additional statement to the Debtors setting forth a good-faith estimate of the amount of Estimated Fees and Expenses incurred on and during the period prior to the Carve-Out Statement Date to the extent not otherwise paid or included in a previous Weekly Statement, and the Debtors shall transfer such amounts to the Professional Fees Account.

(c) The Debtors shall be authorized to use funds held in the Professional Fees Account to pay Professional Fees as they become allowed and payable pursuant to any interim or final order of the Bankruptcy Court or otherwise; *provided*, that when all allowed Professional Fees have been paid in full (regardless of when such Professional Fees are allowed by the Bankruptcy Court) and the Carve-Out (as defined herein) is funded, any funds remaining in the Professional Fees Account shall revert to the Debtors for use solely in accordance with the Interim Order, this Final Order and the other DIP Documents and subject to the DIP Liens, DIP Superpriority Claims, Adequate Protection Liens and 507(b) Claims in the order of priority set forth herein; *provided*, *further*, that the Debtors' obligations to pay allowed Professional Fees shall in no way be limited or deemed limited to funds held in the Professional Fees Account.

Reorganized Debtors' Exhibit No. 4
Page 28 of 71

(d) Notwithstanding anything herein to the contrary, (i) funds transferred to the Professional Fees Account shall be held in trust exclusively for the Professional Persons, including with respect to obligations arising out of the Carve-Out (as defined herein) and (ii) funds transferred to the Professional Fees Account shall not be subject to any liens or claims granted to the DIP Agent or DIP Lenders herein or any liens or claims granted to the Prepetition Agent or the Prepetition Secured Parties, and shall not constitute DIP Collateral, Prepetition Collateral, or Cash Collateral; *provided*, that the DIP Collateral and the Prepetition Collateral shall include a reversionary interest in funds held in the Professional Fees Account, if any, after all allowed Professional Fees have been paid in full (regardless of when such Professional Fees are allowed by the Bankruptcy Court) and the Carve-Out (as defined herein) is funded, which reversionary interest shall be senior to (i) any liens and claims against the Debtors other than the Carve-Out and (ii) any interest of the Debtors therein.

6. *Carve-Out*.

(a) As used in this Final Order, the term "**Carve-Out**" means the sum of: (i) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee under 28 U.S.C. § 1930(a) plus interest at the statutory rate (without regard to the notice set forth in clause (iv) below); (ii) fees and expenses up to $100,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in clause (iv) below); (iii) to the extent allowed at any time, whether by interim or final compensation order, all professional fees and expenses (excluding any transaction fees or success fees) of Professional Persons (collectively, the "**Allowed Professional Fees**") incurred at any time before or on the day of delivery by the DIP Agent of a Carve-Out Trigger Notice (as defined herein), whether allowed by the Bankruptcy Court prior to or after delivery of a Carve-Out Trigger Notice (as defined herein) and

Case 20-32243 Document 239 Filed in TXSB on 05/20/20 Page 30 of 71

without regard to whether such fees and expenses are provided for in the Approved Budget; and (iv) Allowed Professional Fees incurred after the day following delivery by the DIP Agent of the Carve-Out Trigger Notice (as defined herein) in an aggregate amount not to exceed $7,000,000 (the amount set forth in this clause (iv) being the "**Post-Carve-Out Trigger Notice Cap**"); *provided, further*, that nothing herein shall be construed to impair the ability of any party to object to the fees, expenses, reimbursement or compensation described in this paragraph 6(a) on any grounds.

(b) For purposes of the foregoing, "**Carve-Out Trigger Notice**" shall mean a written notice delivered by email (or other electronic means) by the DIP Agent (or, after the DIP Obligations have been indefeasibly paid in full and the DIP Commitments terminated, the Prepetition Agent) to the Debtors, their lead restructuring counsel (Weil, Gotshal & Manges LLP), the U.S. Trustee, and lead counsel to the Committee, which notice may be delivered following the occurrence and during the continuation of an Event of Default and acceleration of the obligations under the DIP Facility (or, after the DIP Obligations have been indefeasibly paid in full and the DIP Commitments terminated, any occurrence that would constitute an Event of Default hereunder) or the occurrence of the Stated Maturity Date (as defined in the DIP Credit Agreement), stating that the Post-Carve-Out Trigger Notice Cap has been invoked.

(c) On the day on which a Carve-Out Trigger Notice is received by the Debtors, the Carve-Out Trigger Notice shall constitute a demand to the Debtors to utilize all cash on hand to transfer to the Professional Fees Account cash in an amount equal to all obligations benefitting from the Carve-Out.

(d) For the avoidance of doubt, to the extent that professional fees and expenses of the Professional Persons have been incurred by the Debtors at any time before or on

the first business day after delivery by the DIP Agent or the Prepetition Agent, as applicable, of a Carve-Out Trigger Notice but have not yet been allowed by the Bankruptcy Court, such professional fees and expenses of the Professional Persons shall constitute Allowed Professional Fees benefiting from the Carve-Out upon their allowance by the Bankruptcy Court, whether by interim or final compensation order and whether before or after delivery of the Carve-Out Trigger Notice, and the Debtors shall fund the Professional Fees Account in the amount of such professional fees and expenses.

(e) Following delivery of a Carve-Out Trigger Notice, the Debtors shall deposit into the Professional Fees Account any cash swept or foreclosed upon (including cash received as a result of the sale or other disposition of any assets) until the Professional Fees Account has been fully funded in an amount equal to all obligations benefiting from the Carve-Out. Notwithstanding anything to the contrary in the DIP Documents, the Interim Order, or this Final Order, following delivery of a Carve-Out Trigger Notice, the DIP Agent shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Professional Fees Account has been fully funded in an amount equal to all obligations benefiting from the Carve-Out. Further, notwithstanding anything to the contrary herein, (i) disbursements by the Debtors from the Professional Fees Account shall not constitute DIP Loans, (ii) the failure of the Professional Fees Account to satisfy in full the Professional Fees shall not affect the priority of the Carve-Out, and (iii) in no way shall the Carve-Out, Professional Fees Account, any Approved Budget, the Permitted Variance, Weekly Statements, Estimated Fees and Expenses, or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors or that may be allowed by the Bankruptcy Court at any time (whether by interim order, final order, or otherwise).

7. *DIP Superpriority Claims*. Pursuant to section 364(c)(1) of the Bankruptcy Code, all of the DIP Obligations shall constitute allowed superpriority administrative expense claims against the Debtor DIP Loan Parties on a joint and several basis (without the need to file any proof of claim) with priority over any and all claims against the Debtor DIP Loan Parties, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code and any and all administrative expenses or other claims arising under sections 105, 326, 327, 328, 330, 331, 365, 503(b), 506(c), 507(a), 507(b), 726, 1113 or 1114 of the Bankruptcy Code (including the Adequate Protection Obligations), whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed claims (the "**DIP Superpriority Claims**") shall for purposes of section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code, and which DIP Superpriority Claims shall be payable from and have recourse to all prepetition and postpetition property of the Debtor DIP Loan Parties and all proceeds thereof (excluding claims and causes of action under sections 502(d), 544, 545, 547, 548 and 550 of the Bankruptcy Code, or any other avoidance actions under the Bankruptcy Code (collectively, "**Avoidance Actions**") but including any proceeds or property recovered, unencumbered or otherwise, from Avoidance Actions, whether by judgment, settlement or otherwise ("**Avoidance Proceeds**")) in accordance with the DIP Documents, the Interim Order and this Final Order, subject only to the liens on such property and the Carve Out, and all other property of the Non-Debtor DIP Loan Parties as set forth in this Final Order and the DIP Documents. The DIP Superpriority Claims shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that the Interim Order, this Final Order or any provision hereof or thereof is

vacated, reversed or modified, on appeal or otherwise. The DIP Superpriority Claims shall be *pari passu* in right of payment with one another and senior to the 507(b) Claims (as defined herein), and subordinated to the Carve Out.

8. *DIP Liens*. As security for the DIP Obligations, effective and automatically and properly perfected upon the date of the Interim Order and without the necessity of the execution, recordation or filing by the DIP Loan Parties or any of the DIP Secured Parties of mortgages, security agreements, control agreements, pledge agreements, financing statements, notation of certificates of title for titled goods or other similar documents, instruments, deeds, charges or certificates, or the possession or control by the DIP Agent of, or over, any Collateral, the following valid, binding, continuing, enforceable and non-avoidable security interests and liens (all security interests and liens granted to the DIP Agent, for its benefit and for the benefit of the DIP Secured Parties, pursuant to the Interim Order, this Final Order and the DIP Documents, the "**DIP Liens**") were, by the Interim Order, and hereby are granted to the DIP Agent for its own benefit and the benefit of the DIP Secured Parties (all property identified in clauses (a) through (c) below being collectively referred to as the "**DIP Collateral**"); *provided* that notwithstanding anything herein to the contrary, the DIP Liens shall be (a) subject and junior to the Carve Out in all respects, (b) senior in all respects to the Prepetition Liens and (c) senior in all respects to the Adequate Protection Liens:

(a) *Liens on Unencumbered Property*. Pursuant to section 364(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully perfected first priority senior security interest in and lien upon all prepetition and postpetition property of the Debtor DIP Loan Parties, whether existing on the Petition Date or thereafter acquired, that, on or as of the Petition Date, is not subject to (i) a valid, perfected and non-avoidable lien or (ii) a valid and non-

avoidable lien in existence as of the Petition Date that is perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, including, without limitation, any and all unencumbered cash of the Debtor DIP Loan Parties (whether maintained with any of the DIP Secured Parties or otherwise) and any investment of cash, inventory, accounts receivable, other rights to payment whether arising before or after the Petition Date, contracts, properties, plants, fixtures, machinery, equipment, general intangibles, documents, instruments, securities, goodwill, commercial tort claims and claims that may constitute commercial tort claims (known and unknown), chattel paper, interests in leaseholds, real properties, deposit accounts, patents, copyrights, trademarks, trade names, rights under license agreements and other intellectual property, capital stock of subsidiaries, wherever located, and the proceeds, products, rents and profits of the foregoing, whether arising under section 552(b) of the Bankruptcy Code or otherwise, of all the foregoing (the "**Unencumbered Property**"), in each case other than the Avoidance Actions (but, for the avoidance of doubt, "Unencumbered Property" shall include Avoidance Proceeds); *provided that*, the DIP Collateral shall not include any proceeds of Avoidance Actions that are successfully prosecuted against the Prepetition Secured Parties (for the avoidance of doubt for purposes of this proviso, solely in their capacity as Prepetition Secured Parties).

(b) *Liens Priming Certain Prepetition Secured Parties' Liens*. Pursuant to section 364(d)(1) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected first priority senior priming security interest in and lien upon all prepetition and postpetition property of the Debtor DIP Loan Parties subject to the Prepetition Liens, regardless of where located, regardless whether or not any liens on such assets are voided, avoided, invalidated, lapsed or unperfected (the "**Priming Liens**"), which Priming Liens shall prime in all

respects the interests of the Prepetition Secured Parties arising from the current and future liens of the Prepetition Secured Parties (including, without limitation, the Adequate Protection Liens granted to the Prepetition Secured Parties) (the "**Primed Liens**").

(c) *Liens Junior to Certain Other Liens.* Pursuant to section 364(c)(3) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully perfected security interest in and lien upon all tangible and intangible prepetition and postpetition property of each Debtor DIP Loan Party that is subject to either (i) valid, perfected and non-avoidable senior liens in existence immediately prior to the Petition Date (other than the Primed Liens) or (ii) any valid and non-avoidable senior liens (other than the Primed Liens) in existence immediately prior to the Petition Date that are perfected subsequent to such commencement as permitted by section 546(b) of the Bankruptcy Code, which shall be (x) junior and subordinate to any valid, perfected and non-avoidable liens (other than the Primed Liens) in existence immediately prior to the Petition Date, and (y) any such valid and non-avoidable liens in existence immediately prior to the Petition Date that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code; *provided* that nothing in the foregoing clauses (i) and (ii) shall limit the rights of the DIP Secured Parties under the DIP Documents to the extent such liens are not permitted thereunder; and

(d) *Liens Senior to Certain Other Liens.* The DIP Liens shall not be (i) subject or subordinate to or made *pari passu* with (A) any lien or security interest that is avoided and preserved for the benefit of the Debtors or their estates under section 551 of the Bankruptcy Code, (B) unless otherwise provided for in the DIP Documents or in this Final Order, any liens or security interests arising after the Petition Date, including, without limitation, any liens or security interests granted in favor of any federal, state, municipal or other governmental

unit (including any regulatory body), commission, board or court for any liability of the Debtor DIP Loan Parties, or (C) any intercompany or affiliate liens of the Debtor DIP Loan Parties or security interests of the Debtor DIP Loan Parties; or (ii) subordinated to or made *pari passu* with any other lien or security interest under section 363 or 364 of the Bankruptcy Code granted after the date hereof.

9. *Protection of DIP Lenders' Rights.*

(a) So long as there are any DIP Obligations outstanding or the DIP Lenders have any outstanding Commitments (the "**DIP Commitments**") under the DIP Documents, the Prepetition Secured Parties shall: (i) have no right to and shall take no action to foreclose upon, or recover in connection with, the liens granted thereto pursuant to the Prepetition Loan Documents, the Interim Order or this Final Order, or otherwise seek to exercise or enforce any rights or remedies against the DIP Collateral, including in connection with the Adequate Protection Liens; (ii) be deemed to have consented to any transfer, disposition or sale of, or release of liens on, the DIP Collateral (but not any proceeds of such transfer, disposition or sale to the extent remaining after payment in cash in full of the DIP Obligations and termination of the DIP Commitments), to the extent the transfer, disposition, sale or release is authorized under the DIP Documents; (iii) not file any further financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or otherwise take any action to perfect their security interests in the DIP Collateral other than as necessary to give effect to this Final Order other than, (x) solely as to this clause (iii), the DIP Agent filing financing statements or other documents to perfect the liens granted pursuant to the Interim Order and this Final Order, or (y) as may be required by applicable state law or foreign law to complete a previously commenced process of perfection or to continue the perfection of valid and non-

avoidable liens or security interests existing as of the Petition Date; and (iv) deliver or cause to be delivered, at the DIP Loan Parties' cost and expense, any termination statements, releases and/or assignments in favor of the DIP Agent or the DIP Secured Parties or other documents necessary to effectuate and/or evidence the release, termination and/or assignment of liens on any portion of the DIP Collateral subject to any sale or court-approved disposition.

(b) To the extent any Prepetition Secured Party has possession of any Prepetition Collateral or DIP Collateral or has control with respect to any Prepetition Collateral or DIP Collateral, or has been noted as secured party on any certificate of title for a titled good constituting Prepetition Collateral or DIP Collateral, then such Prepetition Secured Party shall be deemed to maintain such possession or notation or exercise such control as a gratuitous bailee and/or gratuitous agent for perfection for the benefit of the DIP Agent and the DIP Secured Parties, and such Prepetition Secured Party and the Prepetition Agent shall comply with the instructions of the DIP Agent, acting at the direction of the Requisite DIP Lenders, with respect to the exercise of such control.

(c) Any proceeds of Prepetition Collateral subject to the Primed Liens received by any Prepetition Secured Party, whether in connection with the exercise of any right or remedy (including setoff) relating to the Prepetition Collateral or otherwise received by the Prepetition Agent, shall be segregated and held in trust for the benefit of and forthwith paid over to the DIP Agent for the benefit of the DIP Secured Parties in the same form as received, with any necessary endorsements. The DIP Agent is hereby authorized to make any such endorsements as agent for the Prepetition Agent or any such Prepetition Secured Parties. This authorization is coupled with an interest and is irrevocable.

(d) The Automatic Stay is hereby modified to the extent necessary to permit the DIP Agent (acting at the direction of the Requisite DIP Lenders) (and in the case of the following clause (i), after the DIP Obligations have been indefeasibly paid in full and the DIP Commitments terminated, the Prepetition Agent, acting at the direction of the Required Prepetition Lenders) to take any or all of the following actions, at the same or different time, in each case without further order or application of the Court and immediately upon the occurrence of an Event of Default: (i) deliver a notice of an Event of Default to the Debtors; (ii) declare the termination, reduction or restriction of any further DIP Commitment to the extent any such DIP Commitment remains outstanding; (iii) declare the termination of the DIP Documents as to any future liability or obligation of the DIP Agent and the DIP Secured Parties (but, for the avoidance of doubt, without affecting any of the DIP Liens or the DIP Obligations); and (iv) declare all applicable DIP Obligations to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are expressly waived by the Debtors (or, in the case of the Prepetition Agent, rescind consent to the use of Prepetition Collateral (including Cash Collateral)). Following the delivery of such notice, the DIP Agent (or, after the DIP Obligations have been indefeasibly paid in full and the DIP Commitments terminated, the Prepetition Agent) may file a motion (the "**Stay Relief Motion**") seeking emergency relief from the Automatic Stay on at least five (5) business days' notice to request a further order of the Court permitting the DIP Agent (or Prepetition Agent, if applicable), whether or not the maturity of any of the DIP Obligations shall have been accelerated, to proceed to protect, enforce and exercise all other rights and remedies provided for in the DIP Documents and under applicable law, including, but not limited to, by suit in equity, action at law or other appropriate proceeding, whether for the specific performance of any covenant or agreement contained in any such DIP

Document or any instrument pursuant to which such DIP Obligations are evidenced, and, if such amount shall have become due, by declaration or otherwise, proceed to enforce the payment thereof or any other legal or equitable right of any of such DIP Secured Parties. The Debtors shall not object to the fact that the Stay Relief Motion is being heard on such shortened notice. Until such time that the Stay Relief Motion has been adjudicated by the Court the Debtor DIP Loan Parties may use the proceeds of the DIP Facility (to the extent drawn prior to the occurrence of Event of Default) or Cash Collateral to fund operations in accordance with the DIP Credit Agreement and the Approved Budget (subject to permitted variances).

(e) No rights, protections or remedies of the DIP Agent or the DIP Secured Parties granted by the provisions of the Interim Order, this Final Order or the DIP Documents shall be limited, modified or impaired in any way by: (i) any actual or purported withdrawal of the consent of any party to the Debtors' authority to continue to use Cash Collateral; (ii) any actual or purported termination of the Debtors' authority to continue to use Cash Collateral; or (iii) the terms of any other order or stipulation related to the Debtors' continued use of Cash Collateral or the provision of adequate protection to any party.

10. *Limitation on Charging Expenses Against Collateral.* No costs or expenses of administration of the Chapter 11 Cases or any Successor Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the DIP Collateral (including Cash Collateral) or Prepetition Collateral pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the DIP Agent or the Prepetition Agent, as applicable, and no consent shall be implied from any other action, inaction or acquiescence by the DIP Agent, the DIP Secured Parties, the Prepetition Agent or the Prepetition

Secured Parties, and nothing contained in the Interim Order or this Final Order shall be deemed to be a consent by the DIP Agent, the DIP Secured Parties, the Prepetition Agent or the Prepetition Secured Parties to any charge, lien, assessment or claims against the Collateral under section 506(c) of the Bankruptcy Code or otherwise.

11. *No Marshaling.* In no event shall the DIP Agent, the DIP Secured Parties, the Prepetition Agent or the Prepetition Secured Parties be subject to the equitable doctrine of "marshaling" or any similar doctrine with respect to the DIP Collateral, the DIP Obligations, the Prepetition Credit Facility Debt, or the Prepetition Collateral; *provided* that prior to seeking payment of any DIP Claims, DIP Liens, 507(b) Claims or Adequate Protection Liens from Avoidance Proceeds, the DIP Secured Parties and Prepetition Secured Parties shall use reasonable best efforts to first satisfy such claims or liens from all other DIP Collateral. Further, in no event shall the "equities of the case" exception in section 552(b) of the Bankruptcy Code apply to the Prepetition Agent or the Prepetition Secured Parties with respect to proceeds, products, offspring or profits of any Prepetition Collateral.

12. *Payments Free and Clear.* Any and all payments or proceeds remitted to the DIP Agent by, through or on behalf of the DIP Secured Parties pursuant to the provisions of the Interim Order, this Final Order, the DIP Documents or any subsequent order of the Court shall be irrevocable, received free and clear of any claim, charge, assessment or other liability, including without limitation, any claim or charge arising out of or based on, directly or indirectly, sections 506(c) or 552(b) of the Bankruptcy Code, whether asserted or assessed by through or on behalf of the Debtors.

13. *Use of Cash Collateral.* The Debtors are hereby authorized, subject to the terms and conditions of this Final Order, to use all Cash Collateral; *provided* that (a) the Prepetition

Secured Parties are granted the Adequate Protection as hereinafter set forth and (b) except on the terms and conditions of this Final Order, the Debtors shall be enjoined and prohibited from at any times using the Cash Collateral absent further order of the Court.

14. *Disposition of DIP Collateral*. The Debtor DIP Loan Parties shall not sell, transfer, lease, encumber or otherwise dispose of any portion of the DIP Collateral, except as otherwise provided for in the DIP Documents or otherwise permitted by an order of the Court.

15. *Adequate Protection of Prepetition Secured Parties*. The Prepetition Secured Parties are entitled, pursuant to sections 361, 362, 363(e), 364(d)(1) and 507 of the Bankruptcy Code, to adequate protection of their interests in all Prepetition Collateral (including Cash Collateral) in an amount equal to the aggregate diminution in the value of the Prepetition Secured Parties' interests in the Prepetition Collateral (including Cash Collateral) from and after the Petition Date, if any, for any reason provided for under the Bankruptcy Code, including, without limitation, any diminution resulting from the sale, lease or use by the Debtors of the Prepetition Collateral, the priming of the Prepetition Liens by the DIP Liens pursuant to the DIP Documents, the Interim Order and this Final Order, the payment of any amounts under the Carve Out or pursuant to the Interim Order, this Final Order or any other order of the Court or provision of the Bankruptcy Code or otherwise, and the imposition of the Automatic Stay (the "**Adequate Protection Claims**"); *provided*, that the priming of the Prepetition Liens by the liens securing the DIP Roll-Up Loans (but not, for the avoidance of doubt, the DIP New Money Term Loans) shall not, in and of itself, constitute diminution in value for purposes of determining the amount of the Prepetition Secured Parties' Adequate Protection Claims;. In consideration of the foregoing, the Prepetition Agent, for the benefit of the Prepetition Secured Parties, was, by the Interim Order, and hereby is granted the following as Adequate Protection

for, and to secure repayment of an amount equal to such Adequate Protection Claims, and as an inducement to the Prepetition Secured Parties to consent to the priming of the Prepetition Liens and use of the Prepetition Collateral (including Cash Collateral) (collectively, the "**Adequate Protection Obligations**"):

(a) *Prepetition Adequate Protection Liens*. The Prepetition Agent, for itself and for the benefit of the other Prepetition Secured Parties, was, pursuant to the Interim Order, and hereby is granted (effective and perfected upon the date of the Interim Order and without the necessity of the execution of any mortgages, security agreements, pledge agreements, financing statements or other agreements) in the amount of the Prepetition Secured Parties' Adequate Protection Claims, a valid, perfected replacement security interest in and lien upon all of the DIP Collateral (the "**Adequate Protection Liens**"), in each case subject and subordinate only to (A) the DIP Liens and (B) the Carve Out.

(b) *Section 507(b) Claims*. The Prepetition Agent, for itself and for the benefit of the other Prepetition Secured Parties, is hereby granted, subject to the Carve Out and effective as of the date of the Interim Order, an allowed superpriority administrative expense claim as provided for in section 507(b) of the Bankruptcy Code in the amount of the Prepetition Secured Parties' Adequate Protection Claims, with priority in payment over any and all administrative expenses of the kind specified or ordered pursuant to any provision of the Bankruptcy Code (the "**507(b) Claims**") which 507(b) Claims shall have recourse to and be payable from all prepetition and postpetition property of the Debtors and all proceeds thereof (excluding Avoidance Actions, but including Avoidance Proceeds). The 507(b) Claims shall be subject and subordinate only to the Carve Out and the DIP Superpriority Claims; *provided, further* that the 507(b) Claims shall not recover on a priority basis from proceeds of Avoidance

Actions that are successfully prosecuted against the Prepetition Secured Parties (for the avoidance of doubt for purposes of this proviso, solely in their capacity as Prepetition Secured Parties). Except to the extent expressly set forth in this Final Order or the DIP Documents, the Prepetition Secured Parties shall not receive or retain any payments, property or other amounts in respect of the 507(b) Claims unless and until the DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted) have indefeasibly been paid in cash in full and all DIP Commitments have been terminated.

(c) *Prepetition Secured Parties Fees and Expenses*. The Debtor DIP Loan Parties shall provide the Prepetition Agent, for the benefit of the Prepetition Secured Parties, without duplication of fees paid for the benefit of the DIP Secured Parties, current cash payments of all reasonable and documented prepetition and postpetition fees and expenses, including, but not limited to, the reasonable and documented fees and out-of-pocket expenses of primary, special and local counsel (in each applicable jurisdiction) and financial advisors to the Prepetition Agent and ad hoc group of Prepetition Lenders, including without limitation (i) Davis Polk & Wardwell LLP, Stroock & Stroock & Lavan LLP, King & Wood Mallesons, Greenhill & Co., LLC, Rapp & Krock, P.C., and any other advisors retained by or on behalf of the ad hoc group of Prepetition Lenders and (ii) Skadden, Arps, Slate, Meagher & Flom LLP as counsel to the Prepetition Agent (the "**Adequate Protection Fees and Expenses**") (and such counsel and advisors, the "**Prepetition Secured Parties Advisors**"), subject to the review procedures set forth in paragraph 19 of this Final Order.

(d) *Adequate Protection Payments.* Upon indefeasible payment in full of all DIP Obligations and termination of all DIP Commitments, (i) the Prepetition Secured Parties are hereby entitled to application of all mandatory prepayments as described in Section 2.13 of the

Reorganized Debtors' Exhibit No. 4
Page 43 of 71

DIP Credit Agreement to repayment of the Prepetition Secured Obligations in accordance with the priorities set forth in the Prepetition Loan Documents (the "**Adequate Protection Payments**") and (ii) the Required Prepetition Lenders shall constitute the Requisite DIP Lenders for purposes of any amendment, extension, waiver or other modification with respect to such Adequate Protection Payments; *provided* that the application of such mandatory prepayments shall only be permitted upon notice and hearing before the Court, and the rights of the Committee, the Debtors and other parties in interest to argue that such amounts should not be so applied are hereby expressly preserved; *provided further* that any amounts subject to application pursuant to this paragraph 15(d) shall, upon receipt by any DIP Loan Party, be held in a segregated escrow account by the Debtors until the time that such motion regarding the application thereof is resolved, at which time the proceeds shall be applied in accordance with such resolution.

(e) *Milestones*. Upon indefeasible payment in full of all DIP Obligations and termination of all DIP Commitments, (i) the Prepetition Secured Parties are hereby entitled to performance of those certain case milestones set forth in Section 5.16 of the DIP Credit Agreement (for such purposes, the "**Adequate Protection Milestones**"), and (ii) the Required Prepetition Lenders shall constitute the Requisite DIP Lenders for purposes of any amendment, extension, waiver or other modification of such Adequate Protection Milestones.

(f) *Budget and Financial Covenants*. Upon indefeasible payment in full of all DIP Obligations and termination of all DIP Commitments, (i) the Approved Budget shall continue to be updated in accordance with the terms and conditions of the DIP Credit Agreement (for such purposes, the "**Adequate Protection Budget Requirement**"), (ii) the Prepetition Secured Parties are hereby entitled to performance of those certain financial and other covenants

set forth in Section 6.15 of the DIP Credit Agreement (for such purposes, the "**Adequate Protection Covenants**") and (iii) the Required Prepetition Lenders shall constitute the Requisite DIP Lenders for purposes of any amendment, extension, waiver or other modification relating to the Adequate Protection Budget Requirement or Adequate Protection Covenants.

(g) *Prepetition Secured Parties' Information Rights.* The DIP Loan Parties shall promptly provide the Prepetition Agent, for distribution to the Prepetition Secured Parties (and subject to applicable confidentiality restrictions governing the Prepetition Credit Agreement, including with respect to any "private" side lender database), and the Committee or its professionals (pursuant to a confidentiality agreement or information sharing protocol in form and substance reasonably satisfactory to the Debtors) with all required written financial reporting and other periodic reporting that is required to be provided to the DIP Agent or the DIP Secured Parties under the DIP Documents, including without limitation the reporting required under Sections 5.04, 5.05, 5.06 and 5.07 of the DIP Credit Agreement (the "**Adequate Protection Reporting Requirement**"). Upon indefeasible payment in full of all DIP Obligations and termination of all DIP Commitments, (i) the Prepetition Secured Parties and the Committee shall continue to be entitled hereby to satisfaction of the Adequate Protection Reporting Requirement and (ii) the Required Prepetition Lenders shall constitute the Requisite DIP Lenders for purposes of any amendment, extension, waiver or other modification relating to the Adequate Protection Reporting Requirement.

(h) *Maintenance of Collateral.* The DIP Loan Parties shall continue to maintain and insure the Prepetition Collateral and DIP Collateral in amounts and for the risks, and by the entities, as required under the Prepetition Credit Facilities and the DIP Documents.

(i) *Prepetition Secured Parties' Additional Adequate Protection*. In the event the Debtors file, support, make a written proposal or counterproposal to any party relating to, or take any other similar action in furtherance of (any of the foregoing, a "**Non-Permitted Action**"), a chapter 11 plan, sale process or other restructuring transaction that does not (i) provide for the indefeasible payment on the effective date thereof of all claims on account of the Prepetition Credit Facility Debt in full in cash or (ii) constitute an Approved Restructuring (as defined in the DIP Credit Agreement) (in each case, a "**Non-Permitted Restructuring**"), the Debtors shall provide notice to counsel to the ad hoc group of Prepetition Lenders not less than seven (7) business days before taking such Non-Permitted Action (the "**Non-Permitted Restructuring Notice**"). Upon receipt of a Non-Permitted Restructuring Notice, each of the Prepetition Secured Parties shall have the right to immediately file a Stay Relief Motion on five Business Days' notice seeking to terminate the Debtor DIP Loan Parties' right to use Cash Collateral pursuant to this Final Order (consistent with the procedures set forth in paragraph 9 of this Final Order), and seek authority thereby to proceed to protect, enforce and exercise all other rights and remedies provided under the Prepetition Loan Documents or applicable law.

16. *Reservation of Rights of Prepetition Secured Parties*. Under the circumstances and given that the above-described adequate protection is consistent with the Bankruptcy Code, including section 506(b) thereof, the Court finds that the adequate protection provided herein is reasonable and sufficient to protect the interests of the Prepetition Secured Parties and any other parties' holding interests that are secured by Primed Liens; *provided* that the Prepetition Agent, acting on its own behalf or at the direction of the requisite Prepetition Secured Parties, may request further or different adequate protection and the Debtor DIP Loan Parties or any other party in interest may contest any such request.

17. *Perfection of DIP Liens and Adequate Protection Liens.*

(a) Without in any way limiting the automatically effective perfection of the DIP Liens granted pursuant to paragraph 8 hereof and the Adequate Protection Liens granted pursuant to paragraph 15 hereof, the DIP Agent, the DIP Secured Parties, the Prepetition Agent and the Prepetition Secured Parties are hereby authorized, but not required, to file or record (and to execute in the name of the DIP Loan Parties and the Prepetition Secured parties (as applicable), as their true and lawful attorneys, with full power of substitution, to the maximum extent permitted by law) financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments in any jurisdiction, including as may be reasonably required or deemed appropriate by the DIP Agent, acting at the direction of the Requisite DIP Lenders, and the Prepetition Agent, acting at the direction of the Required Prepetition Lenders, under applicable local laws, or take possession of or control over cash or securities, or to amend or modify security documents, or enter into, amend or modify intercreditor agreements, or to subordinate existing liens and any other similar action or action in connection therewith or take any other action in order to document, validate and perfect the liens and security interests granted to them hereunder the ("**Perfection Actions**"). Whether or not the DIP Agent, on behalf of the DIP Secured Parties and acting at the direction of the Required DIP Lenders, or the Prepetition Agent, on behalf of the Prepetition Secured Parties and acting at the direction of the Required Prepetition Lenders, shall take such Perfection Actions, the liens and security interests shall be deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination, at the time and on the date of entry of the Interim Order. Upon the request of the DIP Agent, acting at the direction of the Required DIP Lenders, or the Prepetition Agent, acting at the direction of the Required Prepetition Lenders, each of the

Page 47 of 71

Prepetition Secured Parties and the Debtor DIP Loan Parties, without any further consent of any party, and at the sole cost of the Debtors as set forth herein, is authorized (in the case of the Debtor DIP Loan Parties), authorized and directed to use reasonable best efforts to cause (in the case of the Debtors with respect to the Non-Debtor DIP Loan Parties) and directed (in the case of the Prepetition Secured Parties), and such direction is hereby deemed to constitute required direction under the applicable DIP Documents or Prepetition Loan Documents, to take, execute, deliver and file such actions, instruments and agreements (in each case, without representation or warranty of any kind) to enable the DIP Agent to further validate, perfect, preserve and enforce the DIP Liens in all jurisdictions required under the DIP Credit Agreement, including all local law documentation therefor determined to be reasonably necessary by the DIP Agent, acting at the direction of the Required DIP Lenders; *provided, however*, that no action need be taken in a foreign jurisdiction that would jeopardize the validity and enforceability of the Prepetition Liens. All such documents will be deemed to have been recorded and filed as of the Petition Date. To the extent necessary to effectuate the terms of the Interim Order, this Final Order and the DIP Documents, each of the DIP Agent and the Prepetition Agent hereby is deemed to appoint the other (and deemed to have accepted such appointment) to act as its agent with respect to the Shared Collateral (as defined in the DIP Documents) and under the Common Security Documents (as defined in the DIP Documents) to which they are a party in such capacity, with such powers as are expressly delegated thereto under the DIP Documents and Prepetition Loan Documents (and even if it involves self-contracting and multiple representation to the extent legally possible), together with such other powers as are reasonably incidental thereto.

(b) A certified copy of the Interim Order and/or this final Order may, in the discretion of the DIP Agent, acting at the direction of the Required DIP Lenders, and the

Reorganized Debtors' Exhibit No. 4
Page 48 of 71

Prepetition Agent, acting at the direction of the Required Prepetition Lenders, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized and directed to accept a certified copy of the Interim Order and/or this Final Order for filing and/or recording, as applicable. The Automatic Stay shall be modified to the extent necessary to permit the DIP Agent and the Prepetition Agent to take all actions, as applicable, referenced in this subparagraph (b) and the immediately preceding subparagraph (a).

18. *Preservation of Rights Granted Under this Final Order.*

(a) Other than the Carve Out and other claims and liens expressly granted by this Final Order, no claim or lien having a priority superior to or *pari passu* with those granted by this Final Order to the DIP Agent and the DIP Secured Parties or the Prepetition Agent and the Prepetition Secured Parties shall be permitted while any of the DIP Obligations or the Adequate Protection Obligations remain outstanding, and, except as otherwise expressly provided in this Final Order, the DIP Liens and the Adequate Protection Liens shall not be: (i) subject or junior to any lien or security interest that is avoided and preserved for the benefit of the Debtors' estates under section 551 of the Bankruptcy Code; (ii) subordinated to or made *pari passu* with any other lien or security interest, whether under section 364(d) of the Bankruptcy Code or otherwise; (iii) subordinated to or made *pari passu* with any liens arising after the Petition Date including, without limitation, any liens or security interests granted in favor of any federal, state, municipal or other domestic or foreign governmental unit (including any regulatory body), commission, board or court for any liability of the DIP Loan Parties; or (iv) subject or junior to any intercompany or affiliate liens or security interests of the DIP Loan Parties.

(b) The occurrence of (i) any Event of Default or (ii) any violation of any of the terms of this Final Order, shall, after notice by the DIP Agent (acting in accordance with the terms of this Final Order) in writing to the Borrower (and, in the case of violation of any terms of this Final Order, and after indefeasible payment in full of the DIP Obligations and termination of the DIP Commitments, notice by the Prepetition Agent acting at the direction of the Required Prepetition Lenders), constitute an event of default under this Final Order (each an "**Event of Default**") and, upon any such Event of Default, interest, including, where applicable, default interest, shall accrue and be paid as set forth in the DIP Credit Agreement. Notwithstanding any order that may be entered dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code: (A) the DIP Superpriority Claims, the 507(b) Claims, the DIP Liens, and the Adequate Protection Liens, and any claims related to the foregoing, shall continue in full force and effect and shall maintain their priorities as provided in this Final Order until all DIP Obligations and Adequate Protection Obligations shall have been paid in full (and that such DIP Superpriority Claims, 507(b) Claims, DIP Liens and Adequate Protection Liens shall, notwithstanding such dismissal, remain binding on all parties in interest); (B) the other rights granted by this Final Order, including with respect to the Carve Out, shall not be affected; and (C) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in this paragraph and otherwise in this Final Order.

(c) If any or all of the provisions of this Final Order are hereafter reversed, modified, vacated or stayed, such reversal, modification, vacatur or stay shall not affect: (i) the validity, priority or enforceability of any DIP Obligations or Adequate Protection Obligations incurred prior to the actual receipt of written notice by the DIP Agent or the Prepetition Agent,

as applicable, of the effective date of such reversal, modification, vacatur or stay; or (ii) the validity, priority or enforceability of the DIP Liens or the Adequate Protection Liens or the Carve Out. Notwithstanding any reversal, modification, vacatur or stay of any use of Cash Collateral, any DIP Obligations, DIP Liens, Adequate Protection Obligations or Adequate Protection Liens incurred by the Debtor DIP Loan Parties to the DIP Agent, the DIP Secured Parties, the Prepetition Agent, or the Prepetition Secured Parties, as the case may be, prior to the actual receipt of written notice by the DIP Agent or the Prepetition Agent, as applicable, of the effective date of such reversal, modification, vacatur or stay shall be governed in all respects by the original provisions of this Final Order, and the DIP Agent, the DIP Secured Parties, the Prepetition Agent, and the Prepetition Secured Parties shall be entitled to all the rights, remedies, privileges and benefits granted in sections 364(e) and 363(m) of the Bankruptcy Code, this Final Order and the DIP Documents with respect to all uses of Cash Collateral, DIP Obligations and Adequate Protection Obligations.

(d) Except as expressly provided in this Final Order or in the DIP Documents, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Obligations, the 507(b) Claims and all other rights and remedies of the DIP Agent, the DIP Secured Parties, the Prepetition Agent, and the Prepetition Secured Parties granted by the provisions of this Final Order and the DIP Documents and the Carve Out shall survive, and shall not be modified, impaired or discharged by: (i) the entry of an order converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code, dismissing any of the Chapter 11 Cases or terminating the joint administration of these Chapter 11 Cases or by any other act or omission; (ii) the entry of an order approving the sale of any DIP Collateral pursuant to section 363(b) of the Bankruptcy Code (except to the extent permitted by the DIP Documents);

(iii) the entry of an order confirming a chapter 11 plan in any of the Chapter 11 Cases and, pursuant to section 1141(d)(4) of the Bankruptcy Code, the DIP Loan Parties have waived any discharge as to any remaining DIP Obligations or Adequate Protection Obligations. The terms and provisions of this Final Order and the DIP Documents shall continue in these Chapter 11 Cases, in any Successor Cases if these Chapter 11 Cases cease to be jointly administered and in any superseding chapter 7 cases under the Bankruptcy Code, and the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens and the Adequate Protection Obligations and all other rights and remedies of the DIP Agent, the DIP Secured Parties, the Prepetition Agent, and the Prepetition Secured Parties granted by the provisions of this Final Order and the DIP Documents shall continue in full force and effect until the DIP Obligations are indefeasibly paid in full in cash, as set forth herein and in the DIP Documents, and the DIP Commitments have been terminated (and in the case of rights and remedies of the Prepetition Agent and Prepetition Secured Parties, shall remain in full force and effect thereafter, subject to the terms of this Final Order), and the Carve Out shall continue in full force and effect.

19. *Payment of Fees and Expenses*. The Fee Letter is hereby approved, and the Debtor DIP Loan Parties are authorized to and shall pay the DIP Fees and Expenses. Subject to the review procedures set forth in this paragraph 19, payment of all DIP Fees and Expenses and Adequate Protection Fees and Expenses shall not be subject to allowance or review by the Court. Professionals for the DIP Secured Parties and the Prepetition Secured Parties shall not be required to comply with the U.S. Trustee fee guidelines, however any time that such professionals seek payment of fees and expenses from the Debtor DIP Loan Parties prior to confirmation of a chapter 11 plan, each professional shall provide summary copies of its invoices (which shall not be required to contain time entries and which may be redacted or modified to

the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of their invoices shall not constitute any waiver of the attorney client privilege or of any benefits of the attorney work product doctrine) to the Debtor DIP Loan Parties, the U.S. Trustee, and counsel to the Committee (together, the "**Review Parties**"). Any objections raised by any Review Party with respect to such invoices must be in writing and state with particularity the grounds therefor and must be submitted to the applicable professional within ten (10) calendar days after the receipt by the Review Parties (the "**Review Period**"). If no written objection is received by 12:00 p.m., prevailing Eastern Time, on the end date of the Review Period, the Debtor DIP Loan Parties shall pay such invoices within three (3) calendar days. If an objection to a professional's invoice is received within the Review Period, the Debtor DIP Loan Parties shall promptly pay the undisputed amount of the invoice and this Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the dispute consensually. Notwithstanding the foregoing, the Debtor DIP Loan Parties are authorized and directed to pay on the Closing Date the DIP Fees and Expenses and Adequate Protection Fees and Expenses incurred on or prior to such date without the need for any professional engaged by, or on behalf of, the DIP Secured Parties or the Prepetition Secured Parties to first deliver a copy of its invoice or other supporting documentation to the Review Parties (other than the Debtor DIP Loan Parties). No attorney or advisor to the DIP Secured Parties or any Prepetition Secured Party shall be required to file an application seeking compensation for services or reimbursement of expenses with the Court. Any and all fees, costs, and expenses paid prior to the Petition Date by any of the Debtors to the (i) DIP Secured Parties in connection with or with respect to the DIP Facility and (ii) Prepetition Secured Parties in

connection or with respect to these matters, are hereby approved in full and shall not be subject to recharacterization, avoidance, subordination, disgorgement or any similar form of recovery by the Debtor DIP Loan Parties or any other person.

20. *Effect of Stipulations on Third Parties.* The Debtors' stipulations, admissions, agreements and releases contained in this Final Order shall be binding upon the Debtors and any successor thereto (including, without limitation, any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors) in all circumstances and for all purposes. The Debtors' stipulations, admissions, agreements and releases contained in this Final Order shall be binding upon all parties in interest, including, without limitation, any Committee or other statutory or non-statutory committees appointed or formed in the Chapter 11 Cases and any other person or entity acting or seeking to act on behalf of the Debtors' estates, including any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors, in all circumstances and for all purposes unless: (a) such committee or any other party in interest with requisite standing (subject in all respects to any agreement or applicable law that may limit or affect such entity's right or ability to do so) has timely filed an adversary proceeding or contested matter (subject to the limitations contained herein, including, *inter alia*, in this paragraph) by no later than (i) the earlier of (x) an order confirming a chapter 11 plan, and (y) July 6, 2020; (ii) any such later date agreed to in writing by the DIP Agent (acting with the direction of the Requisite DIP Lenders) and Prepetition Agent (acting with the direction of the Required Prepetition Lenders); and (iii) any such later date as has been ordered by the Court for cause upon a motion filed and served within any applicable period (the time period established by the foregoing clauses (i)-(iii), the "**Challenge Period**"), (A) objecting to or challenging the amount, validity, perfection, enforceability, priority or extent of the Prepetition Credit Facility Debt or the

Prepetition Liens, or (B) otherwise asserting or prosecuting any action for preferences, fraudulent transfers or conveyances, other avoidance power claims or any other claims, counterclaims or causes of action, objections, contests or defenses (collectively, the "**Challenges**") against the Prepetition Secured Parties or their respective subsidiaries, affiliates, officers, directors, managers, principals, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives and other professionals and the respective successors and assigns thereof, in each case in their respective capacity as such (each, a "**Representative**" and, collectively, the "**Representatives**") in connection with matters related to the Prepetition Loan Documents, the Prepetition Credit Facility Debt, the Prepetition Liens and the Prepetition Collateral (*provided* that in the event that the Committee files a motion seeking standing to pursue a Challenge prior to the end of the Challenge Period, the Challenge Period shall be extended, solely with respect to the Challenges for which the Committee seeks standing as set forth in a reasonably detailed complaint attached to such motion, to two business days after entry of a final, non-appealable order granting or denying such motion, and solely with respect to the Challenges that the Committee is granted standing to pursue by such order); and (b) there is a final non-appealable order in favor of the plaintiff sustaining any such Challenge in any such timely filed adversary proceeding or contested matter; *provided*, *however*, that any pleadings filed in connection with any Challenge shall set forth with specificity the basis for such challenge or claim and any challenges or claims not so specified prior to the expiration of the Challenge Period shall be deemed forever, waived, released and barred. If no such Challenge is timely and properly filed during the Challenge Period or the Court does not rule in favor of the plaintiff in any such proceeding then: (1) the Debtors' stipulations, admissions, agreements and releases contained in this Final Order shall be binding on all parties in interest, including, without

limitation, the Committee; (2) the obligations of the Debtor DIP Loan Parties under the Prepetition Loan Documents, including the Prepetition Credit Facility Debt, shall constitute allowed claims not subject to defense, claim, counterclaim, recharacterization, subordination, recoupment, offset or avoidance, for all purposes in the Chapter 11 Cases, and any subsequent chapter 7 case(s); (3) the Prepetition Liens on the Prepetition Collateral shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected, security interests and liens, not subject to recharacterization, subordination, avoidance or other defense; and (4) the Prepetition Credit Facility Debt and the Prepetition Liens on the Prepetition Collateral shall not be subject to any other or further claim or challenge by the Committee or any other statutory or non-statutory committees appointed or formed in the Chapter 11 Cases or any other party in interest acting or seeking to act on behalf of the Debtor DIP Loan Parties' estates, including, without limitation, any successor thereto (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors) and any defenses, claims, causes of action, counterclaims and offsets by any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases or any other party acting or seeking to act on behalf of the Debtors' estates, including, without limitation, any successor thereto (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors), whether arising under the Bankruptcy Code or otherwise, against any of the Prepetition Secured Parties and their Representatives arising out of or relating to any of the Prepetition Loan Documents, the Prepetition Credit Facility Debt, the Prepetition Liens and the Prepetition Collateral shall be deemed forever waived, released and barred. If any such Challenge is timely filed during the Challenge Period, the stipulations, admissions, agreements and releases contained in this Final Order shall nonetheless remain binding and preclusive (as provided in the second sentence of this

paragraph) on the Committee or any other statutory or non-statutory committee appointed or formed in the Chapter 11 Cases and on any other person or entity, except to the extent that such stipulations, admissions, agreements and releases were expressly and successfully challenged in such Challenge as set forth in a final, non-appealable order of a court of competent jurisdiction. Nothing in the Interim Order or this Final Order vests or confers on any Person (as defined in the Bankruptcy Code), including the Committee or any other statutory or non-statutory committees appointed or formed in these Chapter 11 Cases, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, including, without limitation, Challenges with respect to the Prepetition Loan Documents, the Prepetition Credit Facility Debt or the Prepetition Liens, and any ruling on standing, if appealed, shall not stay or otherwise delay the Chapter 11 Cases or confirmation of any plan of reorganization.

21. *Limitation on Use of DIP Financing Proceeds and Collateral*. Notwithstanding any other provision of the Interim Order, this Final Order or any other order entered by the Court, no DIP Loans, DIP Collateral, Prepetition Collateral (including Cash Collateral) or any portion of the Carve Out, may be used directly or indirectly, (a) in connection with the investigation, threatened initiation or prosecution of any claims, causes of action, adversary proceedings or other litigation (i) against any of the DIP Secured Parties, or the Prepetition Secured Parties, or their respective predecessors-in-interest, agents, affiliates, representatives, attorneys, or advisors, in each case in their respective capacity as such, or any action purporting to do the foregoing in respect of the DIP Obligations, DIP Liens, DIP Superpriority Claims, Prepetition Credit Facility Debt, and/or the Adequate Protection Obligations and Adequate Protection Liens granted to the Prepetition Secured Parties, as applicable, or (ii) challenging the amount, validity, perfection, priority or enforceability of or asserting any defense, counterclaim or offset with respect to the

DIP Obligations, the Prepetition Credit Facility Debt and/or the liens, claims, rights, or security interests securing or supporting the DIP Obligations granted under the Interim Order, this Final Order, the DIP Documents or the Prepetition Loan Documents in respect of the Prepetition Credit Facility Debt, including, in the case of each (i) and (ii), without limitation, for lender liability or pursuant to section 105, 510, 544, 547, 548, 549, 550 or 552 of the Bankruptcy Code, applicable non-bankruptcy law or otherwise (*provided* that, notwithstanding anything to the contrary herein, the proceeds of the DIP Loans and/or DIP Collateral (including Cash Collateral) may be used by any Committee to investigate but not to prosecute (A) the claims and liens of the Prepetition Secured Parties and (B) potential claims, counterclaims, causes of action or defenses against the Prepetition Secured Parties (together, the "**Investigation**"), up to an aggregate cap of no more than $250,000 (the "**Investigation Budget**"), (b) to prevent, hinder, or otherwise delay or interfere with the Prepetition Agent's, the Prepetition Secured Parties', the DIP Agent's, or the DIP Secured Parties', as applicable, enforcement or realization on the Prepetition Credit Facility Debt, Prepetition Collateral, DIP Obligations, DIP Collateral, and the liens, claims and rights granted to such parties under the Interim Order or this Final Order, as applicable, each in accordance with the DIP Documents, the Prepetition Loan Documents or this Final Order; (c) to seek to modify any of the rights and remedies granted to the Prepetition Agent, the Prepetition Secured Parties, the DIP Agent, or the DIP Secured Parties under this Final Order, the Prepetition Secured Debt Documents or the DIP Documents, as applicable; (d) to apply to the Court for authority to approve superpriority claims or grant liens (other than the liens permitted pursuant to the DIP Documents) or security interests in the DIP Collateral or any portion thereof that are senior to, or on parity with, the DIP Liens, DIP Superpriority Claims, Adequate Protection Liens and 507(b) Claims granted to the Prepetition Secured Parties; or (e) to pay or to

seek to pay any amount on account of any claims arising prior to the Petition Date unless such payments are approved or authorized by the Court, agreed to in writing by the DIP Lenders, expressly permitted under this Final Order or permitted under the DIP Documents (including the Approved Budget, subject to permitted variances), in each case unless all DIP Obligations, Prepetition Credit Facility Debt, Adequate Protection Obligations, and claims granted to the DIP Agent, DIP Secured Parties, Prepetition Agent and Prepetition Secured Parties under this Final Order, have been refinanced or paid in full in cash (including the cash collateralization of any letters of credit) or otherwise agreed to in writing by the DIP Secured Parties. For the avoidance of doubt, this paragraph 21 shall not limit the Debtors' right to use DIP Collateral to contest that an Event of Default has occurred hereunder pursuant to and consistent with paragraph 9(d) of this Final Order.

22. *Final Order Governs*. In the event of any inconsistency between the provisions of the Interim Order, this Final Order and the DIP Documents (including, but not limited to, with respect to the Adequate Protection Obligations) or any other order entered by this Court, the provisions of this Final Order shall govern. Notwithstanding anything to the contrary in any other order entered by this Court, any payment made pursuant to any authorization contained in any other order entered by this Court shall be consistent with and subject to the requirements set forth in this Final Order and the DIP Documents, including, without limitation, the Approved Budget (subject to permitted variances).

23. *Binding Effect; Successors and Assigns*. The DIP Documents and the provisions of this Final Order, including all findings herein, shall be binding upon all parties in interest in these Chapter 11 Cases, including, without limitation, the DIP Agent, the DIP Secured Parties, the Prepetition Agent, the Prepetition Secured Parties, the Committee or any other statutory or

Reorganized Debtors' Exhibit No. 4

non-statutory committees appointed or formed in these Chapter 11 Cases, the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Agent, the DIP Secured Parties, the Prepetition Agent, the Prepetition Secured Parties and the Debtors and their respective successors and assigns; *provided* that the DIP Agent, the DIP Secured Parties, the Prepetition Agent and the Prepetition Secured Parties shall have no obligation to permit the use of the Prepetition Collateral (including Cash Collateral) by, or to extend any financing to, any chapter 7 trustee, chapter 11 trustee or similar responsible person appointed for the estates of the Debtors.

24. *Exculpation*. Nothing in the Interim Order, this Final Order, the DIP Documents, the Prepetition Loan Documents or any other documents related to the transactions contemplated hereby shall in any way be construed or interpreted to impose or allow the imposition upon any DIP Secured Party or Prepetition Secured Party any liability for any claims arising from the prepetition or postpetition activities of the Debtors in the operation of their businesses, or in connection with their restructuring efforts. The DIP Secured Parties and Prepetition Secured Parties shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the DIP Collateral or Prepetition Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency or other person and (b) all risk of loss, damage or destruction of the DIP Collateral or Prepetition Collateral shall be borne by the Debtors.

25. *Limitation of Liability*. In determining to make any loan or other extension of credit under the DIP Documents, to permit the use of the DIP Collateral or Prepetition Collateral (including Cash Collateral) or in exercising any rights or remedies as and when permitted pursuant to this Final Order or the DIP Documents or Prepetition Loan Documents, none of the DIP Secured Parties or Prepetition Secured Parties shall (a) have any liability to any third party or be deemed to be in "control" of the operations of the Debtors; (b) owe any fiduciary duty to the Debtors, their respective creditors, shareholders or estates; or (c) be deemed to be acting as a "Responsible Person" or "Owner" or "Operator" or "managing agent" with respect to the operation or management of any of the Debtors (as such terms or similar terms are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601, *et seq.*, as amended, or any other federal or state statute, including the Internal Revenue Code). Furthermore, nothing in this Final Order shall in any way be construed or interpreted to impose or allow the imposition upon any of the DIP Agent, DIP Secured Parties, Prepetition Agent or Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their respective affiliates (as defined in section 101(2) of the Bankruptcy Code).

26. *Master Proof of Claim*. The Prepetition Agent, and/or any other Prepetition Secured Parties shall not be required to file proofs of claim in the Chapter 11 Cases or any Successor Case in order to assert claims on behalf of themselves or the Prepetition Secured Parties for payment of the Prepetition Credit Facility Debt arising under the Prepetition Loan Documents, including, without limitation, any principal, unpaid interest, fees, expenses and other amounts under the Prepetition Loan Documents. The statements of claim in respect of such indebtedness set forth in this Final Order, together with any evidence accompanying the

DIP Motion and presented at the Hearings, are deemed sufficient to and do constitute proofs of claim in respect of such debt and such secured status. However, in order to facilitate the processing of claims, to ease the burden upon the Court and to reduce an unnecessary expense to the Debtors' estates, the Prepetition Agent is authorized, but not directed or required, to file in the Debtors' lead chapter 11 case *In re Speedcast International Limited*, Case No. 20-32243 (MI), a master proof of claim on behalf of its respective Prepetition Secured Parties on account of any and all of their respective claims arising under the applicable Prepetition Loan Documents and hereunder (each, a "**Master Proof of Claim**") against each of the Debtors. Upon the filing of a Master Proof of Claim by the Prepetition Agent, it shall be deemed to have filed a proof of claim in the amount set forth opposite its name therein in respect of its claims against each of the Debtors of any type or nature whatsoever with respect to the applicable Prepetition Loan Documents, and the claim of each applicable Prepetition Secured Party (and each of its respective successors and assigns), named in a Master Proof of Claim shall be treated as if it had filed a separate proof of claim in each of these Chapter 11 Cases. The Master Proofs of Claim shall not be required to identify whether any Prepetition Secured Party acquired its claim from another party and the identity of any such party or to be amended to reflect a change in the holders of the claims set forth therein or a reallocation among the holders of the claims asserted therein resulting from the transfer of all or any portion of such claims. The provisions of this paragraph 26 and each Master Proof of Claim are intended solely for the purpose of administrative convenience and shall not affect the right of each Prepetition Secured Party (or its successors in interest) to vote separately on any plan proposed in these Chapter 11 Cases. The Master Proofs of Claim shall not be required to attach any instruments, agreements or other documents evidencing the obligations owing by each of the Debtors to the applicable Prepetition

Secured Parties, which instruments, agreements or other documents will be provided upon written request to counsel to the Prepetition Agent. The DIP Agent and the DIP Secured Parties shall similarly not be required to file proofs of claim with respect to their DIP Obligations under the DIP Documents, and the evidence presented with the DIP Motion and the record established at the Hearings are deemed sufficient to, and do, constitute proofs of claim with respect to their obligations, secured status, and priority.

27. *Forbearance of the Prepetition Secured Parties.* Except as expressly permitted pursuant to the terms of this Final Order, the Prepetition Secured Parties shall not (i) exercise any rights or remedies with respect to any Prepetition Liens or Prepetition Collateral, (ii) enforce or pursue an event of default or other breach under any Prepetition Loan Document, or (iii) assert any demand for payment of any kind whatsoever, in each case with respect to any Debtor or Non-Debtor DIP Loan Party on account of any Prepetition Obligations; *provided* that, following (x) payment in full of the DIP Obligations and termination of the DIP Commitments, (y) the occurrence of any Event of Default or other violation of the terms of this Final Order and (z) five (5) business days' notice delivered to the Debtors and the Committee or counsel thereto (which may be delivered via email) the (i) the forbearance set forth in this paragraph 27 shall be of no further force or effect, and (ii) the Prepetition Secured Parties shall be permitted to rescind any consent given under the Interim Order or this Final Order regarding the use of Prepetition Collateral (including Cash Collateral) and file a Stay Relief Motion (consistent with the procedures set forth in paragraph 9 of this Final Order and which Stay Relief Motion may, for the avoidance of doubt, be filed immediately upon the occurrence of the conditions set forth in clauses (x) and (y) of this paragraph 27) seeking authority to proceed to protect, enforce and exercise all other rights and remedies provided under the Prepetition Loan Documents or

applicable law; *provided* that (i) for the avoidance of doubt, no Stay Relief Motion shall be required to be filed with respect to any non-Debtor and (ii) with respect to any Government Business Subsidiary (as defined in the DIP Credit Agreement), the condition set forth in clause (z) of this paragraph 27 shall not apply, or to the extent commenced shall immediately terminate without notice or otherwise, as a result of (I) any Default or Event of Default under the Prepetition Credit Agreement (including as a result of an Event of Default under Sections 7.01(g), (h) or (i)), that occurs as a result of any act or omission by any Government Business Subsidiary or (II) the seeking of any legal action or request for relief in connection with the Prepetition Obligations by any Government Business Subsidiary from any Governmental Authority (as defined in the Prepetition Credit Agreement) other than the Bankruptcy Court); *provided* that the each of the Debtors and the Prepetition Agent shall provide counsel to the Committee with notice (which shall include email) of the existence of any event or condition described in clauses (I) or (II) of this paragraph as soon as reasonably practicable after having or receiving actual knowledge thereof.

contingent, whenever arising, due or owing pursuant to the terms of the ING Swap Documents or applicable law under each Transaction (as such term is defined in the ING Swap Documents) (collectively, the "**ING Swap Obligations**")). To resolve any and all objections that may be raised by ING to the DIP Motion or the DIP Facility, upon entry of this Final Order, and subject to the conditions set forth in this paragraph 28, the ING Swap Documents will be terminated (including a designation by ING of an Early Termination Date thereunder as of May 21, 2020) with the consent of each of the Debtors and ING; provided, that notwithstanding anything in this Final Order to the contrary, nothing in this Final Order shall prevent, hinder or otherwise limit ING's ability to (i) submit a calculation or similar statement to the Debtors setting forth ING's determination of the Early Termination Amount (calculated in accordance with Section 6(e)(i) of the ISDA Master Agreement, and which such Early Termination Amount shall, solely for the purposes of Section 6(d)(ii) of the ISDA Master Agreement, be payable on the day on which the calculation or similar statement is submitted by ING to the Debtors) and the amount of the ING Swap Obligations owed (or payable, as appropriate) under the ING Swap Documents in connection with such Early Termination Date (including, without limitation, interest payable on the Early Termination Amount in accordance with Section 9(h)(ii)(2) of the ISDA Master Agreement and any other amounts due and payable in accordance with the terms and conditions of the ING Swap Documents), and/or (ii) file a proof of claim (any such proof of claim, an "**ING Proof of Claim**") in the Chapter 11 Cases for any amount of the ING Swap Obligations owed under the ING Swap Documents in connection with such Early Termination Date (including, without limitation, interest payable on the Early Termination Amount in accordance with Section 9(h)(ii)(2) of the ISDA Master Agreement and any other amounts due and payable in accordance with the terms and conditions of the ING Swap Documents); provided, further, that the rights of

the Debtors and any other party in interest to object to any ING Proof of Claim on any grounds are hereby expressly preserved; provided, further that except as provided in this paragraph, the forbearance provisions set forth in this Final Order and the Automatic Stay (as and to the extent set forth in, as applicable, this Final Order, including paragraph 27 hereof, and the Bankruptcy Code, but, for avoidance of doubt, subject to the applicable terms and conditions of such forbearance provisions set forth in this Final Order) shall be of full force and effect against ING, and ING shall not be permitted to exercise any rights or remedies other than those described in clauses (i) and (ii) of this paragraph, whether pursuant to this Final Order and the terms and conditions of the ING Swap Documents or otherwise permitted under the Prepetition Loan Documents, including (x) taking action to setoff, foreclose upon, or recover in connection with, the liens granted pursuant to or in connection with the ING Swap Documents, or otherwise seek to exercise or enforce any netting, setoff or other rights or remedies under the ING Swap Documents (other than those set forth in Section 6 of the ISDA Master Agreement for purposes of determining the Early Termination Amount) or against any Prepetition Collateral, DIP Collateral or other property of the DIP Loan Parties, Prepetition Borrowers or Prepetition Guarantors, (y) enforcing or pursuing an event of default, termination event or other breach under the ING Swap Documents, or (z) asserting any demand for payment of any kind whatsoever, in each case with respect to any Debtor or Non-Debtor DIP Loan Party on account of any obligations under the ING Swap Documents; provided, further that nothing in this Final Order shall affect or otherwise limit ING's right to vote on, object to, or otherwise respond in any way to any plan filed in these Cases in connection with the ING Swap Obligations; provided, further that, notwithstanding the foregoing, in determining the Early Termination Amount (as defined under the ISDA Master Agreement), no effect shall be given to any rights of setoff with

respect to any agreements or arrangements other than Transactions under and as defined in the ISDA Master Agreement.

29. *Texas Tax Liens*. Notwithstanding any provisions of the Motion, the Interim Order, this Final Order, or the other DIP Documents, any valid, binding, perfected, enforceable, and non-avoidable liens currently held by the Texas Taxing Authorities[7] for state or local taxes on any DIP Collateral that under applicable non-bankruptcy law are granted priority over a prior perfected security interest or lien (the "**Texas Tax Liens**") shall neither be primed by nor subordinated to any DIP Liens or Adequate Protection Liens granted under the Interim Order or this Final Order, and the Texas Tax Liens shall attach to any proceeds of any sale of DIP Collateral subject to the Texas Tax Liens in accordance with such priority. All parties' rights (a) to object to the priority, validity, amount, and extent of the claims and liens, including any Texas Tax Liens, asserted by the Texas Taxing Authorities and (b) with respect to any rights of the Texas Taxing Authorities to request an ad valorem tax reserve from the proceeds of the sale of any DIP Collateral that is secured by the Texas Tax Liens are fully preserved.

30. *Intercompany Transfers*. The Debtors shall provide not less than two (2) business days' notice to counsel to the Creditors' Committee prior to (i) any DIP Loan Party making any investment in any Subsidiary that is not a DIP Loan Party (including any Guarantees by any DIP Loan Party of any Indebtedness or other obligations of any Subsidiary that is not a DIP Loan Party and any loans and advances made by any DIP Loan Party to any Subsidiary that is not a DIP Loan Party) (each, as defined in the DIP Credit Agreement) to the extent that the aggregate

31. *Insurance*. To the extent that the Prepetition Agent is listed as loss payee under the Borrower's or DIP Guarantors' insurance policies, the DIP Agent is also deemed to be the loss payee under the insurance policies and shall act in that capacity and distribute any proceeds recovered or received in respect of the insurance policies, to the indefeasible payment in full of the DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and termination of the DIP Commitments, and to the payment of the applicable Prepetition Credit Facility Debt.

32. *Credit Bidding*. SpeedCast International Limited and its debtor affiliates in the above-captioned chapter 11 cases, as debtors and debtors in possession (collectively, "**Speedcast**," the "**Company**," or the "**Debtors**"), respectfully represent as follows in support of this motion (the "**Motion**") for the relief requested herein.[2]

Preliminary Statement

1. These chapter 11 cases began with the Debtors obtaining financing to ensure sufficient liquidity to restructure their liabilities and continue operations uninterrupted. To achieve these goals, the Debtors entered into the Original DIP Credit Agreement (as defined below) with their prepetition credit facility lenders. The Debtors utilized their postpetition financing facility to borrow $90 million of new money, "roll up" $90 million of prepetition secured claims, and grant superpriority claims and priming liens on their assets.

[2] In support of this Motion, the Debtors respectfully submit the *Declaration of Adam Waldman in Support of Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing Debtors to (A) Obtain Postpetition Financing and (B) Use Cash Collateral, (II) Granting Liens and Providing Claims with Superpriority Administrative Expense Status, (III) Granting Adequate Protection to the Prepetition Secured Parties, (IV) Modifying the Automatic Stay, (V) Scheduling a Final Hearing and (VI) Granting Related Relief* [ECF No. 34] (the "**Waldman Declaration**") and the *Declaration of Michael Healy in Support of Debtors' Chapter 11 Petitions and First Day Relief* [ECF No. 16] (the "**Healy Declaration**"), to the extent relevant. The Debtors will provide additional support for this Motion prior to or at the applicable hearing on the Motion.

2. A prepetition senior secured lender often demonstrates its desire to control the outcome of a chapter 11 case through its DIP financing. At the outset of these chapter 11 cases, this Court, with appropriate admonition, permitted commonplace controls in the Original DIP Facility. Absent alternative financing at the time, the Original DIP Facility was appropriate and permitted the Debtors to stabilize their businesses.

3. Frequently, DIP financing controls are of no moment because the debtor lacks exit options other than with the sponsorship or consent of the DIP/senior lender. Here, however, the Debtors have (i) a signed commitment from each of CCP III AIV V, L.P. and Centerbridge Capital Partners SBS III, L.P. (together with its affiliates, "**Centerbridge**") to sponsor a plan of reorganization that has the support of the Creditors' Committee (as defined herein) (the "**Reorganization Plan**"), and (ii) a signed commitment (the "**Commitment Letter**," and the term sheet attached thereto, the "**DIP Term Sheet**") from Centerbridge, attached hereto as **Exhibit B**, to provide a replacement DIP facility that will fund the Debtors' exit from chapter 11 with maximum flexibility. Specifically, Centerbridge is willing to permit the Debtors to pursue an alternative or different chapter 11 plan proposal if a higher or otherwise better offer exists, or even to pursue to a 363 sale if the Debtors later deem that course prudent.

4. By comparison, filing the Reorganization Plan is not permitted under the Original DIP Facility, because the majority lenders under the Original DIP Facility are withholding their consent to the Reorganization Plan, and the same existing lenders have noticed events of default thereunder. As a result, the Debtors seek authorization to enter into a replacement and upsized DIP financing with Centerbridge according to the terms set forth in the Commitment Letter and DIP Term Sheet (the "**Refinancing DIP Facility**") and approval of adequate protection with an unusual feature—subordination of the obligations under the

Reorganized Debtors' Exhibit No. 5
Page 3 of 126

Refinancing DIP Facility to adequate protection in favor of the prepetition secured lenders in an amount representing the projected going concern value of their secured claim at emergence.

5. By providing adequate protection of up to $150 million, the Debtors are going above and beyond what is required by law. Adequate protection of $150 million reflects the going concern emergence value of the prepetition lenders' secured claim after giving effect to a significant new money investment and the implementation of the Reorganization Plan. The value of the prepetition lenders' secured claim at the Petition Date (as defined herein), or even today, is less than $150 million, and the Prepetition Lenders are only entitled to adequate protection standard for the diminution in value of their collateral as of the Petition Date. Indeed, the existence of the Commitment Letter and committed Reorganization Plan substantially mitigates the risk that there will ever be diminution of the secured claim value going forward.

6. This Motion, along with the negotiations leading to its filing, have become a referendum on the Debtors' exit process. Black Diamond Commercial Finance, L.L.C. ("**Black Diamond**") holds [redacted] the current DIP loan and advised the Debtors that it holds [redacted] of the prepetition secured debt. Together with Centerbridge, the two hold [redacted] of the prepetition secured facility. [redacted]

7. The Debtors have selected the Refinancing DIP Facility not only because it provides additional liquidity necessary to maintain their operations, but critically, because it

Reorganized Debtors' Exhibit No. 5
Page 4 of 126

also provides the Debtors with maximum flexibility for the duration of its chapter 11 cases. Illuminating a few key points that divide the parties will provide the Court with important background.

8. At the heart of the dispute is the parties' disagreement on the application of a few fundamental chapter 11 principles. First and foremost, Black Diamond believes that under section 1129(b) of title 11 of the United States Code (the "**Bankruptcy Code**"), its ability to credit bid as the majority holder of the prepetition credit facility divests a chapter 11 debtor of its right to pay a secured claim in cash as determined under section 506 of the Bankruptcy Code. Black Diamond maintains this position even where the plan provides for a reorganization and not the sale of assets. The Reorganization Plan sponsored by Centerbridge, which provides for a reorganization and not a sale, proposes to pay the secured portion of prepetition claims in full in cash.

9. [redacted] Taken together, the essence of what Black Diamond believes is that it should control the Debtors' chapter 11 process because its majority stake means Black Diamond will automatically control the reorganized

[redacted]

Debtors.[4] Chapter 11 is more complex than that. The Court has the authority to confirm the plan most well suited for these Debtors under the circumstances.

10. Based on the discussions with the parties and the proposals submitted, the Debtors submit the best path forward to exit from chapter 11 expeditiously is to approve the Refinancing DIP Facility. The Debtors' businesses would benefit greatly by moving forward with a plan process that provides the Debtors with the flexibility to choose to solicit votes for the Reorganization Plan proposed by Centerbridge, while also maintaining the option to pivot to any higher or otherwise better offer made by Black Diamond or another party, including pursuit of a sale process. The Debtors intend to file a plan shortly that will illuminate this path, and approval of the Refinancing DIP Facility will allow negotiations to continue by defining, through the confirmation schedule, the end of the exit process.

Jurisdiction

11. The Court has jurisdiction to consider this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before the Court pursuant to 28 U.S.C. §§ 1408 and 1409.

Relief Requested

12. By this Motion, pursuant to Bankruptcy Code sections 105, 361, 362, 363(b), 363(c)(2), 363(m), 364(c)(1), 364(c)(2), 364(c)(3), 364(d)(1), 364(e), 503, 506(a), 506(c), and 507, Rules 2002, 3012, 4001, 6003, 6004 and 9014 of the Federal Rules of Bankruptcy Procedure (the "**Bankruptcy Rules**"), Rules 2002-1, 4001-1(b), 4002-1(i), and 9013-1 of the Bankruptcy Local Rules for the Southern District of Texas (the "**Local Rules**")

Statement Regarding Significant Provisions

14. Pursuant to paragraph 26 of the Complex Case Procedures, the Refinancing DIP Facility and/or DIP Orders contain the following provisions (the "**Significant Provisions**"):

SIGNIFICANT PROVISIONS		Location
Plan Confirmation Milestones Complex Case Procedures ¶ 26(a)	(a) Entry of Interim Order, and Execution of Credit Agreement and Other Definitive Documentation: By no later than a date to be agreed (but in any event on or before October 1, 2020). (b) Entry of Final Order: Within 30 days following entry of the Interim Order. (c) Filing of One or More Plans, Disclosure Statements, and Solicitation Documents (or Bid Procedures): By no later than a date to be agreed. (d) Entry of Order Approving Disclosure Statement and Solicitation (or Bid Procedures): By no later than a date to be agreed. (e) Auction: If required, by no later than a date to be agreed. (f) Entry of Order Authorizing Restructuring Transaction: By no later than a date to be agreed. (g) Consummation of Restructuring Transaction: March 15, 2021. Justification. The plan confirmation milestones are appropriate, and provide the Debtors with tremendous flexibility on timing and also to pursue alternative paths. The DIP Lender is providing new money to the Debtors. Further, the DIP Lender is a Commitment Party (as defined in Centerbridge's Revised ECA (defined below)) and has backstopped a $500 million equity investment pursuant to the Revised ECA. The milestones will not prejudice the Debtors' stakeholders because removal of the concept of an "Approved Restructuring" enables the Debtors to solicit and pursue higher or otherwise better plan proposals, or pursue a sale process, without risk of defaulting the Refinancing DIP Facility.	DIP Term Sheet
Liens on Avoidance Actions or Proceeds of Avoidance Actions Complex Case Procedures ¶ 26(d)	The Debtors' obligations pursuant to the DIP Credit Agreement are secured by a fully-perfected first priority senior security on the Debtor DIP Loan Parties' unencumbered property, including, avoidance action proceeds, junior only to the Carve-Out and the Adequate Protection Liens. Justification. The liens are appropriate because the Refinancing DIP Facility provides the Debtors with new money to fund the Debtors' reorganization and ensure the Debtors are able to maximize value for their estates. Moreover, the lien was required by the DIP Lender as a condition to extending credit.	Interim Order ¶ 8(a)

SIGNIFICANT PROVISIONS		Location
Default Provisions and Remedies Complex Case Procedures ¶ 26(e)	Same as Original Final Order. Justification. These features are usual and customary for financings of this type. Additionally, after the occurrence of an Event of Default, the lenders can only seek remedies after filing a motion for stay relief on at least five (5) business days' notice, during which time the Debtors may use the proceeds of the Refinancing DIP Facility (to the extent drawn prior to the occurrence of the Event of Default) or Cash Collateral to fund operations in accordance with the DIP Credit Agreement and the approved budget (subject to permitted variances).	Interim Order ¶¶ 9(d), 17(b)
Release of Claims Complex Case Procedures ¶ 26(f)	The Debtors are releasing claims against the DIP Lender and Prepetition Lenders related to claims arising prepetition and related to the DIP Documents and Prepetition Loan Documents. Justification. The release is appropriate because the Refinancing DIP Facility provides the Debtors with new money to fund the Debtors' reorganization and ensure the Debtors are able to maximize value for their estates. As this Court found, the Debtors and Prepetition Secured Lenders previously engaged in arm's length negotiations and agreed to release the Prepetition Lenders. Further, the Debtors are not aware of any meaningful claims against the Prepetition Lenders and the DIP Lender.	Interim Order ¶ J(viii)
Limitations on the Use of Cash Collateral Complex Case Procedures ¶ 26(g)	Cash Collateral may not be used for certain enumerated purposes that are contrary to the rights and interests of the Prepetition Secured Parties and DIP Secured Parties (*e.g.*, for investigations and litigation against such parties). Justification. As this Court found, the Debtors and the Prepetition Lenders previously engaged in arm's length negotiations and agreed to limit the Debtors' use of their Cash Collateral as consideration for, among other things, the provision of new money in the Original DIP Credit Agreement. Those limitations are continued here.	Interim Order ¶ 13

SIGNIFICANT PROVISIONS		Location
Priming Liens Complex Case Procedures ¶ 26(h)	(a) Subject only to the Carve-Out, the Prepetition Secured Parties are provided first priority, senior priming liens on, and security interests in, all DIP Collateral of each of the DIP Secured Parties to secure the Adequate Protection Claims. (b) Subject only to the Carve-Out and the Adequate Protection Liens, the DIP Lender is provided first priority, senior priming liens on, and security interests in, all Prepetition Collateral of each of the Prepetition Secured Parties to secure the DIP Obligations. Justification. The Debtors respectfully submit that it is appropriate to provide priming liens to the DIP Lender to secure the DIP Obligations. The Debtors are unable to procure sufficient financing in the form of unsecured credit. Postpetition financing was only available in accordance with sections 364(c) and (d) of the Bankruptcy Code. The Debtors do not have substantial unencumbered assets to grant as collateral and the DIP Lender would not accept junior liens. The priming liens were negotiated with the DIP Lender in good faith, arm's length, and with the assistance of their respective advisors, and represents the best financing available under the circumstances, in an amount sufficient to fund operations and the costs of these chapter 11 cases, and on reasonable terms. Lastly, the priming liens satisfy section 364(d)(1) of the Bankruptcy Code, which requires a showing that the Debtors cannot otherwise obtain such financing, and the interests of existing lien holders are adequately protected.	Interim Order ¶¶ 8(b), 9(a)

15. The Debtors respectfully submit that the foregoing Significant Provisions are appropriate as necessary components of the Refinancing DIP Facility and use of Cash Collateral, including the adequate protection of the Prepetition Secured Parties' interests in their collateral. As set forth herein, granting the relief requested pursuant to the Interim Order is critical to the continued operation of the Debtors' businesses and will maximize the value of the Debtors' estates for all stakeholders.

16. In light of the foregoing, and under the facts and circumstances of these chapter 11 cases, the Debtors submit that the Significant Provisions are appropriate. Accordingly, the Significant Provisions in the DIP Orders should be approved.

Background

17. On April 23, 2020 (the "**Petition Date**"), the Debtors each commenced with this Court a voluntary case under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Debtors' chapter 11 cases are being jointly administered for procedural purposes only pursuant to Bankruptcy Rule 1015(b) and Local Rule 1015-1.

18. On May 6, 2020, the United States Trustee for Region 7 appointed an official committee of unsecured creditors (as reconstituted on May 12, 2020, the "**Creditors' Committee**") in these chapter 11 cases. No trustee or examiner has been appointed in these chapter 11 cases.

19. As of the Petition Date, the Debtors had outstanding funded debt obligations in the aggregate amount of approximately $689.1 million, which amount consisted of (i) approximately $87.7 million of borrowings under the Revolving Credit Facility (as defined below); (ii) approximately $591.4 million in Term Loans; and (iii) approximately $10.6 million of Prepetition Credit Facility Outstanding Letters of Credit (as defined below). Original Final Order ¶ J(iii).

Prepetition Credit Facility

20. Certain of the Debtors are parties to that certain *Syndicated Facility Agreement*, dated as of May 15, 2018 (as amended, restated, supplemented or otherwise modified from time to time, the "**Prepetition Credit Agreement**" and, the lenders thereunder, the "**Prepetition Lenders**") by and among (i) Speedcast and certain of its subsidiaries, as borrowers, (ii) the lender parties thereto, (iii) the Issuing Banks (as defined in the Prepetition

Credit Agreement), and (iv) Black Diamond, as successor administrative agent, collateral agent, and security trustee to Credit Suisse AG, Cayman Islands Branch (the "**Prepetition Agent**" and together with the Prepetition Lenders, the "**Prepetition Secured Parties**"). *Id.* ¶ J(i). Under the Prepetition Credit Agreement, the Debtors received: (i) a $425 million senior secured credit facility (the "**Initial Term Loan**"), maturing on May 15, 2025; and (ii) a $100 million senior secured revolving credit facility (the "**Revolving Credit Facility**"), including $30 million of letters of credit, maturing on May 15, 2023, of which $10.6 million was outstanding as of the Petition Date (the "**Prepetition Credit Facility Outstanding Letters of Credit**"). Healy Decl. ¶ 28.

21. In September 2018, the Debtors received an additional $175 million of term loans under the Prepetition Credit Agreement (the "**Incremental Term Loan**," and together with the Initial Term Loan, the "**Term Loan**"). The Incremental Term Loan shares the same terms with the Initial Term Loan. *Id.* ¶ 29.

Original DIP Facility

22. On April 23, 2020, the Debtors moved for authority to, among other things, enter into the Original DIP Facility and use Cash Collateral (the "**Original DIP Motion**") [ECF No. 27].[8]

23. On April 23, 2020, the Court entered an order approving the Original DIP Facility and the use of Cash Collateral on an interim basis [ECF No. 49]. On April 24, 2020, the Court entered a corrected order approving the Original DIP Facility and the use of Cash Collateral on an interim basis [ECF No. 77] (the "**Original Interim Order**").

[8] Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Original DIP Motion. All dollar ($) references in this Motion are to the U.S. dollar, unless stated otherwise.

24. Following a hearing, on May 20, 2020, the Court entered an order [ECF No. 239] approving the Debtors' entry into the Original DIP Facility and the use of Cash Collateral on a final basis (the "**Original Final Order**" and, together with the Original Interim Order, the "**Original Orders**").[9]

25. Pursuant to the Original Final Order, the Court, *inter alia*, authorized the Debtors to incur obligations of up to $180 million under the Original DIP Facility, comprised of up to $90 million of new money term loans and a two-stage roll-up (the "**Original Roll-Up**") to a second-out position term loan in the principal amount of $90 million. *See* Original Final Order ¶ 2. The Original DIP Facility is scheduled to mature on January 22, 2021. *See* Original DIP Credit Agreement ¶ 2.11. The current outstanding amount is approximately $185 million.

26. The Original DIP Credit Agreement and Original Final Order include certain milestones and covenants that were initially designed to ensure a swift exit from these chapter 11 cases. Within 14 days of the Petition Date, the Prepetition Lenders, the Original DIP Lenders, and the Required IC Lenders (as defined in the Original DIP Credit Agreement) (collectively, the "**Electing Lenders**") were obligated to elect whether a restructuring be implemented through a chapter 11 plan or a section 363 sale process. Original DIP Credit Agreement, § 5.16(c). Whichever path was chosen, the transaction would have to be acceptable to the Electing Lenders in their sole discretion. Original DIP Credit Agreement, § 5.16(c). On or about May 7, 2020, the Electing Lenders chose to pursue the chapter 11 plan path, giving the Debtors until May 21, 2020 to file an Acceptable Plan.

27. Due to the Electing Lenders' inability to reach agreement on an Approved Restructuring or Acceptable Plan, the Original DIP Lenders extended the milestone to file an

Acceptable Plan several times, including a formal amendment to the Original DIP Credit Agreement dated July 15, 2020.

28. Simultaneously, certain lenders under the Original DIP Facility requested that the Debtors explore a potential 363 sale process (the "**363 Sale**"). Following an evaluation of a number of factors, the Debtors concluded, with the assistance of their advisors and in their sound business judgement, that the proposed 363 Sale would be unlikely to maximize value for all creditors as a restructuring path and would put severe strain on the Company, its employees, and available resources. The Debtors communicated this to such lenders, yet the Debtors continue to engage in good faith discussions and diligence with respect to the 363 Sale process.

ECA Motion

29. In the midst of the 363 Sale process, the Debtors received the *Equity Commitment Agreement*, dated as of August 12, 2020, by and among Speedcast International Limited and the commitment parties listed on **Schedule 1** thereto (the "**ECA**"), and the proposed plan of reorganization contemplated by such agreement from Centerbridge and the Creditors' Committee, and concluded it presented an executable transaction that maximized value for all creditors. Accordingly, on August 12, 2020, the Debtors filed the *Emergency Motion for Order (I) Authorizing Debtors to Enter Into and Pay Expense Reimbursements Under Equity Commitment Agreement, (II) Granting Relief from Final DIP Order in Connection Therewith, and (III) Granting Related Relief* [ECF No. 586] (the "**ECA Motion**").

30. While the ECA Motion was pending, the Debtors received multiple competitive and responsive offers from Black Diamond and Centerbridge. To encourage both parties to continue negotiations, on August 31, 2020, the Debtors ultimately withdrew the ECA Motion [ECF No. 646]. Subsequently, the Debtors received from Centerbridge a revised Equity

Commitment Agreement (the "**Revised ECA**") and a revised proposed Reorganization Plan contemplated by such agreement.[10]

31. On September 8, 2020, Black Diamond, as DIP Agent, sent the Debtors a notice of default alleging the occurrence of certain events of default under the Original DIP Facility arising from, among other things, the Debtors' entry into the ECA. Specifically, the letter asserts that by entering into the ECA, the Debtors caused events of default under Sections 7.01(a), (ll), and (nn) of the Original DIP Credit Agreement. The letter also asserts that events of default exist pursuant to Section 7.01(e) of the Original DIP Credit Agreement, for failure to deliver the unaudited monthly financial statements for the month of July by August 30, 2020 and Section 7.01(bb) of the Original DIP Credit Agreement, for failure satisfy the Milestone set forth in Section 5.16(c)(ii)(A) of the Original DIP Credit Agreement to file an Acceptable Plan.

Need to Refinance Original DIP Facility

32. As discussed above, while the Debtors now have their existing DIP facility in default and face the risk that the Original DIP Lenders may exercise remedies, the Debtors also have in hand a value-maximizing commitment that provides an executable path to confirm a chapter 11 plan of reorganization. To finance that process, ensure the Company can continue operations, and maintain flexibility to consider and potentially pursue alternative proposals, the Debtors need to refinance the Original DIP Facility and access incremental funding, which has been offered by Centerbridge on terms more favorable to the Debtors than those provided for under the Original DIP Facility.

33. The Debtors' advisor, FTI Consulting, Inc., evaluated the Debtors' cash flow and liquidity needs to determine the amount of incremental financing that would be

[10] The Debtors will file the Revised ECA prior to the interim hearing on the Motion.

required to operate the Debtors' businesses and pay administrative costs and chapter 11 expenses through a plan process. Based on that analysis, the Debtors and their advisors concluded that the Debtors require approximately $100 million of additional funding (in addition to continued use of Cash Collateral) to finance their operations and maintain sufficient minimum liquidity while they pursue confirmation and implementation of a chapter 11 plan. The Debtors' current initial budget is attached to the Interim Order as **Schedule 1** (the "**Initial DIP Budget**").

34. The Initial DIP Budget reflects the Debtors' current need for approximately $100 million in incremental financing to fund the Debtors' chapter 11 plan process through implementation and emergence, while maintaining an adequate liquidity cushion. The balance of the funds will be used to repay in full the obligations under the Original DIP Facility. Without access to DIP financing and use of Cash Collateral, even for a short period of time, the Debtors will be unable to fund these chapter 11 cases, resulting in significant destruction of value to the detriment of all stakeholders in these chapter 11 cases.

The Debtors' Search for Incremental Funding

35. Upon recognizing the Debtors' need for additional liquidity to fund their extended chapter 11 process, the Debtors' investment banker, Moelis & Company LLC ("**Moelis**"), reached out to the Original DIP Lenders to determine if they would be willing to provide incremental financing. Given the timing and circumstances, and taking into account the result of prepetition solicitation efforts, Moelis determined these lenders would be best positioned to provide such funding.

36. After receiving proposals from Centerbridge [redacted], the Debtors, with the advice of their advisors, determined to accept the Refinancing DIP Facility proposal from Centerbridge. The Refinancing DIP Facility contains terms that are more

favorable than both the Original DIP Facility and the [redacted] bid, are competitive in today's marketplace, and fully address the projected financing needs of the Debtors.

37. Importantly, the Refinancing DIP Facility is advanced at a lower interest rate and contains no fees—no commitment fee, exit fee, or agency fee, all of which the Debtors were required to pay under the Original DIP Credit Agreement—other than a customary unused line fee, resulting in significant savings to the Debtors' estates. In addition, the Refinancing DIP Facility will permit the Debtors to pursue a plan that maximizes value for all parties in interest. Moreover, the Debtors' emergence timeline has now extended, necessitating a later DIP financing maturity date. Amending this term under the Original DIP Facility requires unanimous consent of the Original DIP Lenders. Original DIP Credit Agreement § 9.08(a). To the extent any Original DIP Lender does not consent to the maturity extension, the Borrower may replace such non-consenting lender by having a consenting assignee purchase such non-consenting lender's position. Original DIP Credit Agreement § 2.22(a). [redacted]

38. In the Debtors' considered business judgment, the proposed Refinancing DIP Facility, as reflected in the DIP Credit Agreement, is the best option available under the cicumstances. Although it is a priming facility, as described in detail below, it is permitted under the terms of the existing DIP Documents and the Prepetition Secured Parties' interests will be adequately protected.

DIP Intercreditor Agreement

39. The Prepetition Secured Parties have already consented to a senior priming financing facility that refinances the Original DIP Facility. On April 24, 2020, in connection with entry of the Original DIP Credit Agreement, the Debtors and Black Diamond, as successor agent to Credit Suisse AG, Cayman Islands Branch, as the "Senior Representative" and the "Junior Representative," entered into that certain *DIP Intercreditor Agreement* (the "**DIP Intercreditor Agreement**"), which governs the respective rights and obligations of the DIP Secured Parties and Prepetition Secured Parties with respect to the Shared Collateral (as defined in the DIP Intercreditor Agreement). Original Final Order at Preamble (v).

40. Pursuant to the DIP Intercreditor Agreement, the Prepetition Secured Parties consented to be primed. The DIP Intercreditor Agreement subordinates the Prepetition Secured Parties' claims and liens to the claims and liens granted to Black Diamond, as successor administrative agent, collateral agent and security trustee, and the Original DIP Lenders (together, the "**Original DIP Secured Parties**") in accordance with the Final Order (as defined therein) and limits enforcement of remedies as long as the senior DIP obligations remain outstanding. DIP Intercreditor Agreement §§ 2.01, 3.01, 4.01; Original Final Order ¶ 9.

41. The DIP Intercreditor Agreement specifically contemplates and permits a refinancing of the Original DIP Facility. Specifically, any such refinancing is automatically deemed not to be a discharge of the Senior Obligations (as defined therein and below), and the relevant provisions regarding claim and lien subordination and forbearance from exercising remedies by the Prepetition Secured Parties remain enforceable. DIP Intercreditor Agreement § 5.05 ("If, at any time substantially concurrently with or after the Discharge of Senior Obligations has occurred, the Parent or any other Grantor incurs any Senior Obligations . . . then

the Discharge of Senior Obligations shall automatically be deemed not to have occurred for all purposes this Agreement . . . and the applicable agreement governing such Senior Obligations shall automatically be treated as a Senior Debt Document for all purposes of this Agreement, including for purposes of the lien priorities and rights in respect of Shared Collateral set forth herein and the granting by the Senior Representative of amendments, waivers and consents hereunder, and the agent, representative or trustee for the holders of such Senior Obligations shall be the Senior Representative for all purposes of this Agreement.").[11] This includes a refinancing for an increased commitment amount. *Id.* § 7.03(b).

42. Moreover, the DIP Intercreditor Agreement contemplates that the Original Orders may be subsequently amended or modified. Section 3.01 of the DIP Intercreditor Agreement contemplates that the Original DIP Lenders and Prepetition Secured Parties have their respective rights set forth in specifically referenced provisions of the Original Final Order "or any corresponding or equivalent section in the Final Order *or any amendment thereof*." *Id.* § 3.01 (emphasis added). Thus, the parties agreed that the Original Final Order may be modified as necessary to permit, among other things, the refinancing of the Original DIP Facility, the incurrence of the Refinancing DIP Facility, and the Debtors' continued use of Cash Collateral.

Basis for Relief Requested

I. The Refinancing DIP Facility Should be Approved

43. The Debtors satisfy the requirements for relief under section 364 of the Bankruptcy Code, which authorizes a debtor to obtain secured or superpriority financing under

[11] "Senior Obligations" means the "Obligations" under the Senior Credit Agreement, which is defined as the Original DIP Credit Agreement "as may be . . . increased or otherwise modified, *refinanced* or replaced." DIP Intercreditor Agreement p. 5–6 (emphasis added).

certain circumstances. The Debtors would be unable to procure sufficient financing in the form of unsecured credit, which would be allowable under section 503(b)(1) or as an administrative expense, in accordance with sections 364(a) or (b) of the Bankruptcy Code. *See* 11 U.S.C. §§ 364(a)-(b), 503(b)(1). Having determined that postpetition financing was only available pursuant to sections 364(c) and (d) of the Bankruptcy Code, the Debtors negotiated with Centerbridge to secure the Refinancing DIP Facility on the terms described herein. For these reasons, and as discussed further below, the Debtors satisfy the necessary conditions under section 364 for authority to enter into the Refinancing DIP Facility.

A. Entering into the Refinancing DIP Facility Is a Sound Exercise of Business Judgment

44. The Court should authorize the Debtors, in an exercise of their sound business judgment, to enter into the DIP Documents and obtain access to the Refinancing DIP Facility. If an agreement to obtain secured credit does not run afoul of the provisions of, and policies underlying, the Bankruptcy Code, courts give debtors considerable deference in acting in accordance with their sound business judgment in obtaining such credit. *See, e.g.*, *In re N. Bay Gen. Hosp., Inc.*, No. 08-20368 (Bankr. S.D. Tex. July 11, 2008) [ECF No. 21] (order approving postpetition financing on an interim basis as exercise of debtors' business judgment); *In re Los Angeles Dodgers LLC,* 457 B.R. 308, 313 (Bankr. D. Del. 2011) ("[C]ourts will almost always defer to the business judgment of a debtor in the selection of the lender."); *In re Ames Dep't Stores, Inc.*, 115 B.R. 34, 40 (Bankr. S.D.N.Y. 1990) ("[C]ases consistently reflect that the court's discretion under section 364 is to be utilized on grounds that permit reasonable business judgment to be exercised so long as the financing agreement does not contain terms that leverage the bankruptcy process and powers or its purpose is not so much to benefit the estate as it is to benefit a party-in-interest.").

45. Courts generally will not second-guess a debtor's business decisions when those decisions involve the appropriate level of care in arriving at the decision on an informed basis, in good faith, and in the honest belief that the action was taken in the best interest of the debtor. *See In re Los Angeles Dodgers LLC*, 457 B.R. at 313. To determine whether the business judgment test is met, "the court 'is required to examine whether a reasonable business person would make a similar decision under similar circumstances.'" *In re Dura Auto. Sys. Inc.*, No. 06-11202 (KJC), 2007 WL 7728109, at *97 (Bankr. D. Del. Aug. 15, 2007) (citation omitted). Further, in considering whether the terms of postpetition financings are fair and reasonable, courts consider the terms in light of the relative circumstances of both the debtor and the potential lender. *In re Farmland Indus., Inc.*, 294 B.R. 855—86 (Bankr. W.D. Mo. 2003); *see also Unsecured Creditors' Comm. Mobil Oil Corp. v. First Nat'l Bank & Tr. Co. of Escanaba (In re Ellingsen MacLean Oil Co., Inc.)*, 65 B.R. 358, 365 n.7 (W.D. Mich. 1986) (recognizing a debtor may have to enter into "hard bargains" to acquire funds for its reorganization).

46. The Debtors' determination to move forward with the Refinancing DIP Facility is a sound exercise of their business judgment, based the guidance of experienced advisors, and taking into account the Debtors' limited liquidity runway. Specifically, the Debtors and their advisors determined that the Refinancing DIP Facility allows the Debtors to refinance the Original DIP Facility to access incremental funding on better terms and provides the Debtors with sufficient liquidity to continue operations and pursue an exit path to reorganize as a going concern, on economic and legal terms that benefit the Debtors and their stakeholders. The Debtors and their advisors also concluded that the Refinancing DIP Facility carries

significantly less execution risk than the [redacted].

47. Additionally, the removal of the Approved Restructuring, Acceptable Sale Transaction, and Acceptable Plan concepts allows the Debtors the flexibility to entertain higher or otherwise better bids without the fear of defaulting under the Refinancing DIP Facility if such bids are not approved by the Electing Lenders (thereby allowing the Debtors to avoid again finding themselves in exactly the situation they face today), thus maximizing value for all stakeholders.

48. The Debtors negotiated the DIP Documents with Centerbridge in good faith, at arm's length, and with the assistance of their respective advisors. The Debtors have obtained the best financing available under the circumstances, in an amount sufficient to fund operations and the costs of these chapter 11 cases, and on reasonable terms. Accordingly, the Court should authorize the Debtors' entry into the DIP Documents as a reasonable exercise of the Debtors' business judgment.

B. The Debtors Should Be Authorized to Obtain Refinancing DIP Financing on a Senior Secured and Superpriority Basis

49. The Debtors propose to obtain financing under the Refinancing DIP Facility, in part, by providing superpriority claims and priming liens to the DIP Lender pursuant to sections 364(c) and 364(d) of the Bankruptcy Code, with limited (but important) exceptions. Specifically, the obligations under the Refinancing DIP Facility will be secured by (i) first priority liens on all of the Debtors' unencumbered property, (ii) first priority, senior priming liens on all Prepetition Collateral, and (iii) junior liens on all other encumbered property, but in each case subject to the Carve-Out and the Adequate Protection Liens. Put simply, Centerbridge has agreed to a carve-out from its senior priming liens in an amount up to $150 million as

adequate protection for any possible claim for diminution in value of the Prepetition Collateral. Inasmuch as the $150 million amount exceeds any reasonable valuation of the Prepetition Collateral as of the Petition Date or even today, and represents the going concern value of these assets at confirmation (as discussed herein), this ensures that the Prepetition Liens will be unaffected by the Refinancing DIP Facility.

50. The Debtors satisfy the requirements for relief under section 364 of the Bankruptcy Code, which authorizes a debtor to obtain secured or superpriority financing under certain circumstances. Specifically, section 364(c) of the Bankruptcy Code provides that:

> If the trustee is unable to obtain unsecured credit allowable under section 503(b)(1) of this title as an administrative expense, the court, after notice and a hearing, may authorize the obtaining of credit or the incurring of debt:
>
> (1) with priority over any or all administrative expenses of the kind specified in section 503(b) or 507(b) of this title;
>
> (2) secured by a lien on property of the estate that is not otherwise subject to a lien; or
>
> (3) secured by a junior lien on property of the estate that is subject to a lien.

11 U.S.C. § 364(c).

51. In determining whether to authorize financing under 364(c) of the Bankruptcy Code, courts will consider whether (i) the debtor made a reasonable effort, but failed, to obtain unsecured credit under sections 364(a) and 364(b) of the Bankruptcy Code, (ii) the credit transaction benefits the debtor as necessary to preserve estate assets, and (iii) the terms of the credit transaction are fair, reasonable, and adequate, given the circumstances of the debtor and proposed lender. *In re Republic Airways Holdings Inc.*, No. 16-10429 (SHL), 2016 WL 2616717, at *11 (Bankr. S.D.N.Y. May 4, 2016); *In re Los Angeles Dodgers LLC*, 457

B.R. at 312–13; *In re Ames Dep't Stores, Inc.*, 115 B.R. at 40. However, section 364 "imposes no duty to seek credit from every possible lender before concluding that such credit is unavailable." *Bray v. Shenandoah Fed. Savs. & Loan Ass'n* (*In re Snowshoe Co.*), 789 F.2d 1085, 1088 (4th Cir. 1986).

52. Courts may also authorize a debtor to obtain postpetition credit secured by a lien that is senior or equal in priority to existing liens on property if the debtor cannot otherwise obtain such credit and the interests of existing lien holders are adequately protected. *See* 11 U.S.C. § 364(d)(1). Specifically, section 364(d)(1) of the Bankruptcy Code provides:

> (1) The court, after notice and a hearing, may authorize the obtaining of credit or the incurring of debt secured by a senior or equal lien on property of the estate that is subject to a lien only if:
>
> (A) the trustee is unable to obtain such credit otherwise; and
>
> (B) there is adequate protection of the interest of the holder of the lien on the property of the estate on which such senior or equal lien is proposed to be granted.

11 U.S.C. § 364(d). "Section 364(d) 'does not require that debtors seek alternative financing from every possible lender. However, the debtor must make an effort to obtain credit without priming a senior lien.'" *In re Republic Airways Holdings Inc.*, 2016 WL 2616717, at *11. When few lenders are likely to be able and willing to extend the necessary credit to a debtor, "it would be unrealistic and unnecessary to require [the debtor] to conduct such an exhaustive search for financing." *In re Sky Valley, Inc.*, 100 B.R. 107, 113 (Bankr. N.D. Ga. 1988), *aff'd sub nom., Anchor Savs. Bank FSB v. Sky Valley, Inc.*, 99 B.R. 117, 120 n.4 (N.D. Ga. 1989); *see also In re Ames*, 115 B.R. at 40. Moreover, consent by the secured creditors to priming obviates the need to show adequate protection. *See Anchor Savs. Bank FSB v. Sky Valley, Inc.*, 99 B.R. 117, 122

Reorganized Debtors' Exhibit No. 5
Page 32 of 126

(N.D. Ga. 1989) ("[B]y tacitly consenting to the superpriority lien, those [undersecured] creditors relieved the debtor of having to demonstrate that they were adequately protected.").

a) Alternative Sources of Financing Are Not Available to Debtors

53. As this Court previously found, given that substantially all of the Debtors' assets are encumbered by prepetition liens, when the Debtors solicited financing prior to the Petition Date, no party was willing to extend unsecured financing or financing supported only by an administrative expense claim or a junior lien. *See* Original Final Order ¶ K(iii). Further, the Debtors' prepetition unencumbered assets are limited and are predominantly located in foreign markets, making it challenging to raise sufficient capital with such assets serving as security. *See* Waldman Decl. ¶ 24.

54. Given these facts, the Debtors and their advisors determined that incremental postpetition financing would only be available if secured by superpriority claims and senior liens under sections 364(c) and (d) of the Bankruptcy Code. As expected, all proposals received were for senior secured financing. Notably, this is consistent with the DIP Intercreditor Agreement, which specifically contemplates increased funding or a refinancing on a senior secured basis. DIP Intercreditor Agreement § 5.05. The Debtors have two separate bases for granting superpriority claims and priming liens: (i) the Prepetition Secured Parties have already consented; and (ii) such Prepetition Secured Parties are receiving adequate protection.

b) The Refinancing Is Permitted by the DIP Intercreditor Agreement

55. When the Prepetition Secured Parties agreed to the DIP Intercreditor Agreement, and agreed to the priming effectuated by the Original DIP Facility, they also agreed that such postpetition facility could be increased and refinanced without disturbing the Prepetition Secured Parties' consent to the intercreditor subordination agreements. As outlined above, this is evidenced in Section 5.05 of the DIP Intercreditor Agreement and the definition of

Reorganized Debtors' Exhibit No. 5
Page 33 of 126

"Senior Credit Agreement" set forth therein, which effectively allow for a "swapping in" of a new senior facility that takes out the Original DIP Facility. It is clear from the terms of Sections 5.05 and 7.03(b) of the DIP Intercreditor Agreement that, in such circumstances, all rights and obligations of the senior and junior creditors remain unchanged.

56. Thus, the Debtors can enter into the Refinancing DIP Facility without disturbing the DIP Intercreditor Agreement, the Prepetition Lenders have consented to be primed by the Refinancing DIP Facility, and the Original Orders may be amended as necessary to permit such refinancing. On this basis, the Court could find that the adequate protection granted in the Original Final Order is sufficient with respect to the Refinancing DIP Facility. Nevertheless, the Refinancing DIP Facility provides enhanced protection of the Prepetition Secured Parties' interests by ensuring the Prepetition Secured Parties will recover no less than the currently projected going concern value of their secured claims at emergence—which is protection beyond what is required by the Bankruptcy Code.

c) Prepetition Secured Parties Are Adequately Protected

57. Section 364(d)(1) requires a debtor to demonstrate there is adequate protection against potential diminution in value of a to-be-primed prepetition lien holder's interests in the property on which the priming lien is to be granted. *See In re First South Sav. Ass'n*, 820 F.2d 700, 710 (5th Cir. 1987) ("[Adequate protection's] application is left to the vagaries of each case . . . but its focus is protection of the secured creditor from diminution in the value of its collateral during the reorganization process.") (quoting *In re Becker Indus.*, 58 B.R. 725, 736 (Bankr. S.D.N.Y. 1986)). Except as described in section 361, the Bankruptcy Code does not expressly define adequate protection, and determination of what constitutes adequate protection is decided on a case-by-case basis. *In re Swedeland Dev. Grp., Inc.*, 16 F.3d 552, 564 (3d Cir. 1994) ("[A] determination of whether there is adequate protection is made on a case by

case basis."); *In re N.J. Affordable Homes Corp.*, No. 05-60442 (DHS), 2006 WL 2128624, at *14 (Bankr. D.N.J. June 29, 2006) ("The term 'adequate protection' is intended to be a flexible concept."); *In re Columbia Gas Sys., Inc.*, Nos. 91-803, 91-804, 1992 WL 79323, at *2 (Bankr. D. Del. Feb. 18, 1992) (emphasizing that "the varying analyses and results contained in the . . . slew of cases demonstrate that what interest is entitled to adequate protection and what constitutes adequate protection must be decided on a case-by-case basis").

58. Regardless of the form, adequate protection should provide a secured creditor with the value of their bargained-for interest "as nearly as possible under the circumstances of the case." *Swedeland*, 16 F.3d at 564, *quoting In re Martin*, 761 F.2d 472, 476 (8th Cir. 1985). Such determination requires "an analysis of all the relevant facts, with a particular focus upon the value of the collateral, the likelihood that it will depreciate or appreciate over time, the prospects for successful reorganization of the Debtors' affairs by means of the [business] Plan, and the Debtors' performance in accordance with the [business] Plan." *In re Franklin Pembroke Venture II*, 105 B.R. 276, 278 (Bankr. E.D. Pa. 1989) (citations omitted).

59. When a debtor's financial outlook and prospects for successful reorganization continue to improve, that outlook becomes "far more significant in the weight of considerations as to whether a creditor is 'adequately protected.'" *See In re Grant Broadcasting of Phila.*, 71 B.R. 376, 378 (Bankr. E.D. Pa. 1987) ("If these prospects are strong, as we believe them to be here, then the measure of the secured creditor's adequate protection is the probability that the debtor will be able to propose an effective Plan."); *see also In re Sky Valley, Inc.*, 100 B.R. 107, 114-15 (Bankr. N.D. Ga. 1988) ("The superpriority loans will enable Debtor to preserve the resort and perhaps enhance its value. The failure to undertake the projects Debtor

proposes could ultimately result in a diminution in value of the resort precipitated not only by deterioration of the property but also by forcing Debtor to liquidate or refinance some or all of the resort under duress.").

60. For purposes of determining adequate protection, pursuant to section 506(a) of the Bankruptcy Code, a prepetition lien holder is determined to have a secured claim to the extent of the value of such creditor's interest in the debtor's property, and an unsecured deficiency claim for the balance. *See In re Winthrop Old Farm Nurseries, Inc.*, 50 F.3d 72, 74 (1st Cir. 1995) ("a valuation for § 361 purposes necessarily looks to § 506(a) for a determination of the amount of a secured claim") (citing *United Sav. Ass'n of Texas v. Timbers of Inwood Forest Associates, Ltd.*, 48 U.S. 365, 371-72 (1988) ("The phrase 'value of such creditor's interest' in § 506(a) means 'the value of the collateral' . . . . We think the phrase 'value of such entity's interest' in § 361(1) and (2), when applied to secured creditors, means the same.")); *see also In re Hubbard Power & Light*, 202 B.R. 680, 685 (Bankr. E.D.N.Y. 1996) (referring to section 506(a) as governing the amount of the secured claim that must be adequately protected).

61. Section 506(a)(1) divides a secured creditor's claim "into secured and unsecured portions, with the secured portion of the claim limited to the value of the collateral." *Assocs. Commercial Corp. v. Rash*, 520 U.S. 953, 961 (1997). The debtor has the initial burden of proof to demonstrate (i) the value of the prepetition secured claim, s*ee In re Heritage Highgate, Inc.*, 679 F.3d 132, 140 (3d Cir. 2012) ("It is only fair, then, that the party seeking to negate the presumptively valid amount of a secured claim—and thereby affect the rights of a creditor—bear the initial burden."); *see also In re Solis*, 576 B.R. 828, 832 (Bankr. W.D. Tex. 2016) (adopting the reasoning in *Heritage Highgate* to determine burden of proof in claim valuation for chapter 13 case), and (ii) that the value of such secured claim is adequately

protected. 11 U.S.C. § 364(d)(2) ("In any hearing under this subsection, the trustee has the burden of proof on the issue of adequate protection."); *see also In re Beach Development, LP*, 383 B.R. 887, 889 (Bankr. S.D. Tex. 2008) ("The objecting party must produce evidence rebutting the presumption raised by the proof of claim. If such evidence is produced, the party filing the claim must then prove by a preponderance of the evidence the validity of the claim. The claiming party, through this process, bears the ultimate burden of proof."), *citing to In re Fidelity Holding Company, Ltd.*, 837 F.2d 696, 698 (5th Cir. 1988).[12]

62. Valuation is a highly situation-specific determination made by the court. *See In re Stembridge*, 394 F.3d 384, 386 (5th Cir. 2004) ("Valuation under § 506(a) thus differs depending on the purposes and circumstances for which it is undertaken."). Section 506(a)(1) instructs that "value shall be determined in light of the purpose of the valuation and of the proposed disposition or use of such property." 11 U.S.C. § 506(a)(1). Consistent with this, courts in the Fifth Circuit have held that bankruptcy courts have flexibility to select a valuation date after taking into account the purpose and proposed disposition and use of the property to be valued. *See, e.g., Houston Sportsnet Finance, L.L.C. v. Houston Astros, L.L.C. (Matter of Houston Regional Sports Network, L.P.)*, 866 F.3d 523, 532 (5th Cir. 2018). When valuing a secured claim for purposes of demonstrating adequate protection under section 364(d), the valuation should be as of the time of the petition date, to "preserve the secured creditor's position as it existed at the time of the bankruptcy filing." *In re Windsor Hotel LLC*, 295 B.R. 307, 314 (Bankr. C.D. Ill. 2003); *see In re Mosello*, 195 B.R. 277, 289 (Bankr. S.D.N.Y. 1996) ("The

[12] Once the moving party—here, the Debtors—establishes with sufficient evidence that the creditor's claim is overvalued, the burden shifts to the creditor, who bears the "ultimate burden of persuasion" to demonstrate, by preponderance of the evidence, both the extent of its lien and the value of collateral securing its claim. *Heritage Highgate*, 679 F.3d at 140.

purpose of 'adequate protection' for a creditor 'is to insure that the creditor receives the value for which he bargained prebankruptcy.'") (quoting *Swedeland*, 16 F.3d at 564).

63. The appropriate methodology for secured claim valuation has been the subject of much debate, particularly in the context of adequate protection. The standard must be considered on a case-by-case basis, taking into account what is to be done with the property as well as "realistic measures of present worth." *In re Heritage Highgate, Inc.*, 679 F.3d at 143; *see Associates Commercial Corp. v. Rash*, 520 U.S. 953, 962 (1997) ("As we comprehend § 506(a), the 'proposed disposition or use' of the collateral is of paramount importance to the valuation question.").

64. Some bankruptcy courts and treatises favor utilizing a foreclosure value standard for purposes of valuing collateral as of the petition date. *See, e.g., In re Robbins*, 119 B.R. 1, 5 (Bankr. D. Mass. 1990) (holding that, despite debtor's continued operation of property in chapter 11, foreclosure value was the appropriate standard for determining secured creditor's interests in collateral); *see also* 4 COLLIER ON BANKRUPTCY ¶ 506.03[7][a] (16th ed. 2015) ("[I]t is only if the debtor fulfills the promise [to pay] that any use value to the creditor will be realized. . . . If the debtor fails to pay, the secured creditor will not realize the debtor's use value from its collateral but will simply recover its foreclosure value."); *id.* ("Critical to the analysis for purposes of adequate protection is its underlying role in protecting the secured creditor's interest in the collateral in the event the debtor's proposed reorganization or disposition fails and the secured creditor must foreclose or otherwise enforce its lien. Hence, such items as reorganization value and any idiosyncratic value that the debtor ascribes to the enterprise . . . are not often relevant if the creditor cannot recover any value for them in foreclosure or through other enforcement steps."). By contrast, other courts have held that a

going concern valuation is more appropriate if the debtor intends to retain and continue using the property. *See, e.g.*, *Residential Capital, LLC v. UMB Bank, N.A. (In re Residential Capital, LLC)*, 501 B.R. 549, 595 (Bankr. S.D.N.Y. 2013).

65. Even if a bankruptcy court determines to apply a going concern valuation to assess the value of collateral as of a chapter 11 filing, the court must take into account facts existing as of the filing date that may impair value, including if the debtor is insolvent, burdened with debt, requires operational improvements, and faces potential liquidation. Such factors may translate into discounts to value, given the distressed nature of the assets and likely inability to quickly monetize the collateral. In *Residential Capital, LLC v. UMB Bank, N.A. (In re Residential Capital, LLC)*, 501 B.R. 549 (Bankr. S.D.N.Y. 2013), a group of junior secured noteholders argued they were entitled to an adequate protection claim based on diminution in value of the debtors' cash collateral from the petition date, and that the petition date value should be calculated using a going concern methodology. *Id.* at 595. The court agreed with the use of going concern valuation as opposed to foreclosure valuation, but discounted the junior secured noteholders' valuation of the debtors' business. *Id.* at 595. The court found the noteholders' experts performed the valuation by treating the debtors "as a solvent seller able to capture fair value for its assets." *Id.* at 580. Their valuation assumed a petition date sale with appropriate representations, warranties, market indemnifications, and receipt of all necessary consents. *Id.* at 595-96. The court found these assumptions were unrealistic:

> Most of the assets could not simply be turned over to a buyer who could instantly reap full value as if the assets were commodity products… ResCap was an insolvent company, overburdened with debt, owning assets that had to be 'fixed' before they could be sold, and facing a real possibility of being shut down.

Id. at 596. Ultimately, the court ruled that the junior secured noteholders failed to show diminution. *Id.* at 597.

66. By contrast, the value of a prepetition secured claim at the time of confirmation and emergence from chapter 11 does not "suffer" from many of these value impairments and actually benefits from value-enhancing measures that may be available by virtue of the debtors' exit from chapter 11, such as the injection of new capital and satisfaction and discharge of administrative expense and other claims. Yet, courts have still cautioned prepetition secured creditors that the value of their secured claims as of the time of confirmation should not take into account improvements to and increased value of their collateral following confirmation of a debtor's chapter 11 plan.

67. In this regard, the court in *In re Heritage Highgate, Inc.*, 679 F.3d 132, 142 (3d Cir. 2012), found the secured creditors' "wait-and-see" approach to be contrary to section 506(a), which provides "for the division of allowed claims supported by liens into secured and unsecured portions during the reorganization, before the plan's success or failure is clear." *Id.* The court noted that while section 506 requires the valuation take into account the proposed disposition or use of the property, this does not mean the court should postpone or alter the time as of which property is valued. *Id.* The court held that "valuations must be based upon realistic measures of present worth." *Id.* at 143; *see also In re Cavu/Rock Properties Project I, LLC*, 637 Fed. Appx. 123, 126 (5th Cir. 2016) (adopting the reasoning in *In re Heritage Highgate* to approve the debtors' present fair market valuation of their property).

68. Here, even applying a going concern valuation of the Prepetition Collateral as of the Petition Date, such valuation would have to take into account several realities that plagued these Debtors at the time. The Company was in severe distress, operating in a very

uncertain market, and facing significant liquidity needs, a cancelled contract with a material provider of bandwidth uplink and related services, and an unclear path forward. These factors negatively impact the value of the Prepetition Secured Parties' secured claim. As of today, some of these issues have been resolved and the Debtors are on stronger footing and headed down a better defined path to emergence, but in the absence of new capital and a confirmed plan, the implied value of the Prepetition Secured Parties' secured claim has not yet been realized. Each day that the Debtors continue with an uncertain path increases the risk of achieving that value.

69. The Prepetition Collateral at emergence should be worth more than it was worth on the Petition Date. Nonetheless, the Debtors are not asking the Court to determine now that the collateral value will increase and that such an increase itself constitutes adequate protection. Rather, the Debtors (and Centerbridge) are committing to compensate the Prepetition Secured Parties for any diminution in value of their prepetition secured claim, up to an amount that shall not exceed $150 million. This amount reflects the projected going concern value of the secured claim at emergence, taking into account the value enhancement that results from implementation of a plan, including new capital, the discharge, and other benefits. In other words, the Prepetition Secured Parties will be adequately protected for a projected value that unquestionably exceeds the current value (and the value at the Petition Date), and will only materialize if the Debtors are successful in implementing their strategy. This is value that is being made available by Centerbridge, by subordinating its DIP lien to a potential $150 million adequate protection claim, leaving for another day whether there are adequate protection claims and under what theory such claims might be sustained.

70. Thus, pursuant to the DIP Orders, the Prepetition Secured Parties will receive adequate protection for any diminution of value of their prepetition secured claims in the

form of senior adequate protection liens and superpriority claims—ahead of the DIP obligations—up to the implied value of their prepetition secured claims at confirmation, which is $150 million. The $150 million reflects the implied value of the Prepetition Lenders' secured claim after giving effect to a $500 million new money equity investment and implementation of the Reorganization Plan.

71. Under the Reorganization Plan, the implied total enterprise value of Speedcast at emergence is $507.9 million. While the Prepetition Secured Parties have liens on substantially all of the Debtors' assets, the Prepetition Collateral only has a going concern value in the context of a plan that provides for repayment of the Original DIP Facility and administrative costs, adequate capitalization of the Company, and emergence from the overhang of chapter 11. Thus, these components are subtracted from the total enterprise value. After deducting such costs, the implied value of the Prepetition Secured Parties' secured claim at emergence is $150 million under the Reorganization Plan.

72. Indeed, based upon an independent valuation analysis of the reorganized Debtors performed by Moelis at the Debtors' request, and as will be demonstrated at the hearing in support of this Motion, the $507.9 million implied total enterprise value under the Reorganization Plan is above the range of Moelis' view of the estimated going concern enterprise value of the reorganized Debtors.

73. The New Adequate Protection Package goes beyond what is required by the law by providing the Prepetition Secured Parties with adequate protection for any diminution in value of the Prepetition Collateral in an amount up to the maximum value that can be attributed to the Prepetition Collateral in a lucrative going concern transaction. Moreover, it is coupled with similar adequate protection terms in the Original Final Order and other features that

ensure the Prepetition Secured Parties' interests are more than protected. Indeed, they are enhanced to the point that there likely will never be an adequate protection claim for diminution in value.

74. The Refinancing DIP Facility ensures that the Debtors have sufficient funds, on favorable terms, to pursue a chapter 11 plan and emerge as a going concern. The Refinancing DIP Facility will allow the Debtors to pay off their existing DIP financing and pursue a now well-defined path toward a chapter 11 plan that allows the Debtors to emerge as a going concern, with sufficient liquidity and a restructured balance sheet by early next year.

75. At the same time, the terms of the facility allow the Debtors to entertain and even pursue a higher or otherwise better plan proposal or pursue a sale process without the risk of default. In addition, the Prepetition Secured Parties will be compensated for a portion of their prepetition claims through repayment of the $90 million Original Roll-Up.

76. For these reasons, granting the Priming Liens to the DIP Lender is reasonable, appropriate, and permissible under the Bankruptcy Code.

C. The DIP Credit Agreement Contains Most of the Terms and Conditions in the Original DIP Credit Agreement

77. Despite significant differences in certain terms and conditions, most of the terms and conditions in the Original DIP Credit Agreement remain unchanged in the DIP Credit Agreement, including, among others, the use of DIP proceeds by non-Debtor affiliates, the Carve-Out, and modification of the Automatic Stay. Accordingly, the Court should approve these terms for the reasons set for in paragraphs 43-44 and 47-48 of the Original DIP Motion and the Court's prior findings in the Original Orders and on the record at the hearings in connection with approval of the Original Orders.

D. The DIP Lender Should Be Deemed a Good Faith Lender under Section 364(e)

78. Section 364(e) of the Bankruptcy Code protects a good faith lender's right to collect on loans extended to a debtor and its rights with respect to liens securing those loans, even if the authority of the debtor to obtain such loans or grant such liens is later reversed or modified on appeal. Section 364(e) provides that:

> The reversal or modification on appeal of an authorization under this section [364 of the Bankruptcy Code] to obtain credit or incur debt, or of a grant under this section of a priority or a lien, does not affect the validity of any debt so incurred, or any priority or lien so granted, to an entity that extended such credit in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and the incurring of such debt, or the granting of such priority or lien, were stayed pending appeal.

11 U.S.C. § 364(e).

79. As explained herein and will be supported by evidence at the hearing on the Motion, negotiations of the Refinancing DIP Facility were conducted in good faith and at arm's length. The proceeds of the Refinancing DIP Facility will be used only for purposes that are permissible under the Bankruptcy Code. Accordingly, the Court should find that the DIP Lender is a "good faith" lender within the meaning of section 364(e) of the Bankruptcy Code, and therefore entitled to all of the protections afforded by that section.

II. The Debtors Should Be Authorized to Use Cash Collateral

80. The Debtors' use of property of their estates, including the Cash Collateral, is governed by section 363 of the Bankruptcy Code, which provides in relevant part that:

> If the business of the debtor is authorized to be operated under section . . . 1108 . . . of this title and unless the court orders otherwise, the [debtor] may enter into transactions, including the sale or lease of property of the estate, in the ordinary course of business, without notice or a hearing, and may use property of the

> estate in the ordinary course of business without notice or a hearing.

11 U.S.C. § 363(c)(1). Section 363(c)(2)(A) permits a debtor in possession to use cash collateral with the consent of the secured party.

81. As part of the Prepetition Lenders' consent to use of Cash Collateral in connection with the Original DIP Facility, the Prepetition Lenders agreed to an adequate protection package that includes, among other things, replacement liens and superpriority claims granted under section 507(b) of the Bankruptcy Code, each junior only to the Carve-Out and DIP Liens/DIP Obligations and payment of professional fees and expenses, and continued access to information and financial reporting. Original Final Order ¶ 15. Now, the Debtors propose to provide the Prepetition Lenders, as adequate protection for the use of Cash Collateral, the New Adequate Protection Package, which, as described above, provides for familiar protections, such as continued access to information and financial reporting, and other protections on significantly better terms. For example, the replacement liens and superiority claims granted under section 507(b) of the Bankruptcy Code are subordinate only to the Carve-Out.[13] Interim Order ¶¶ 15(a)-(b). Consequently, the Prepetition Lenders will not be adversely affected by the Debtors' continued use of Cash Collateral as requested herein. Therefore, the Debtors respectfully submit that they have satisfied the standards of section 363(c)(2) of the Bankruptcy Code.

82. As described above, access to Cash Collateral is essential to the continued operation of the Debtors' businesses and smooth exit from the chapter 11 cases. The Debtors believe use of Cash Collateral is in the best interests of the Debtors' estates and all of their

[13] It bears noting that the implied value of the Prepetition Secured Parties' secured claim at emergence already includes an allocation for professional fees.

stakeholders, including the Prepetition Secured Parties, and that the Interim Order should be approved.

III. Debtors Should Be Authorized to Pay Fee Required by DIP Documents

83. The Debtors have agreed to pay certain interest and an unused line fee to the DIP Agent and DIP Lender as a condition to providing financing. Such terms are integral to the financing package. Notably, in contrast to the Original DIP Facility, the Refinancing DIP Facility does not include a commitment fee, an exit fee, or an agency fee—the only fee contemplated is a customary unused line fee. Under the circumstances, the contemplated fee and other economic terms of the Refinancing DIP Facility are reasonable and were all negotiated at arm's length. Accordingly, authorization to pay the fee is warranted.

IV. Immediate Access to Cash Collateral and DIP Facility Should Be Approved

84. The Court may grant interim relief in respect of a motion filed pursuant to section 363(c) or 364 of the Bankruptcy Code if, as here, interim relief is "necessary to avoid immediate and irreparable harm to the estate pending a final hearing." Fed. R. Bankr. P. 4001(b)(2), (c)(2). In examining requests for interim relief under this rule, courts generally apply the same business judgment standard applicable to other business decisions. *See In re Ames Dep't Stores*, 115 B.R. at 36.

85. Here, the Debtors and their estates will suffer immediate and irreparable harm if the interim relief requested herein is not granted promptly. The Debtors have an immediate need to refinance the Original DIP Facility—which is in default—access additional liquidity, and continue using Cash Collateral. Without such funds, the Debtors will be prevented from making necessary disbursements and otherwise operating in the ordinary course, and the Original DIP Lenders may seek to exercise remedies, all of which would damage the value of the Debtors' businesses and their assets.

86. Approval of the Refinancing DIP Facility will not only provide essential funding, but will also assist the Debtors to maintain confidence in their customer base, employees, counterparties, and business partners help assure those critical stakeholders that the Debtors will continue operating "business as usual" and otherwise pay their obligations as they come due after the Petition Date. Absent the ability to access the Refinancing DIP Facility, even for a limited period of time, there is a substantial risk of significant deterioration in the value of the Debtors' businesses to the detriment of all stakeholders.

87. Accordingly, prompt entry of the Interim Order is necessary to avoid the value-destruction that would otherwise result in immediate and irreparable harm to the Debtors' estates.

Request for Final Hearing

88. Pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2), the Debtors request that the Court set a date for consideration of entry of the Final Order. The Debtors request that they be authorized to serve a copy of the signed Interim Order, which fixes the time and date for the filing of any objections, by first class mail and e-mail upon the notice parties listed below. The Debtors further request that the Court consider such notice of the Final Hearing to be sufficient notice under Bankruptcy Rule 4001(c)(2).

Compliance with Bankruptcy Rule 6004(a) and Waiver of Bankruptcy Rule 6004(h)

89. To implement the foregoing successfully, the Debtors request that the Court find that notice of the Motion satisfies Bankruptcy Rule 6004(a) and that the Court waive the 14-day period under Bankruptcy Rule 6004(h).

Reservation of Rights

90. Except to the extent contemplated in the DIP Orders, nothing contained herein is intended to be or shall be deemed as (i) an admission as to the validity of any claim against the Debtors, (ii) a waiver or limitation of the Debtors' or any party in interest's rights to dispute the amount of, basis for, or validity of any claim, (iii) a waiver of the Debtors' rights under the Bankruptcy Code or any other applicable nonbankruptcy law, (iv) an agreement or obligation to pay any claims, (v) a waiver of any claims or causes of action which may exist against any creditor or interest holder, and (vi) an approval, assumption, adoption, or rejection of any agreement, contract, lease, program, or policy under section 365 of the Bankruptcy Code. Likewise, if the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended to be and should not be construed as an admission to the validity of any claim or a waiver of the Debtors' rights to dispute such claim subsequently.

Notice

91. Notice of this Motion will be served on any party entitled to notice pursuant to Bankruptcy Rule 2002 and any other party entitled to notice pursuant to Local Rule 9103-1(d).

No Previous Request

92. No previous request for the relief sought herein has been made by the Debtors to this or any other court, except for the Debtors' motion, dated April 23, 2020 [ECF No. 27], for authority, *inter alia*, to enter their existing postpetition term loan facility and use Cash Collateral on an interim and final basis. The Court granted said motion by an interim order, dated April 23, 2020 [ECF No. 49], a corrected interim order, dated April 24, 2020 [ECF No. 77], and a final order, dated May 20, 2020 [ECF No. 239].

WHEREFORE the Debtors respectfully request entry of the DIP Orders granting the relief requested herein and such other and further relief as the Court may deem just and appropriate.

G. *Cash Collateral*. As used herein, the term "**Cash Collateral**" shall mean all of the Debtors' cash except for cash that is an Excluded Asset, wherever located and held, including cash in deposit accounts, that constitutes or will constitute "cash collateral" of the Prepetition Secured Parties and DIP Secured Parties within the meaning of section 363(a) of the Bankruptcy Code.

On April 24, 2020, the Court entered a corrected order approving the Original DIP Facility and the use of Cash Collateral on an interim basis [ECF No. 77] (the "**Original Interim Order**"). (the "**Original Final Order**" and together with the Original Interim Order, the "**Original Orders**").

I. *Reorganization Plan Term Sheet*. On August 12, 2020, the Debtors filed an *Emergency Motion for Order (I) Authorizing Debtors to Pay Expense Reimbursement Under Equity Commitment Agreement, (II) Granting Relief from Final DIP Order in Connection Therewith, and (III) Granting Related Relief* [ECF No. 586] (the "**ECA Motion**"), pursuant to which Centerbridge provided a $395 million equity commitment in connection with a plan of reorganization. To encourage both parties to continue negotiations, on August 31, 2020, the Debtors ultimately withdrew the ECA Motion [ECF No. 646]. Subsequently, Centerbridge delivered a revised Equity Commitment Agreement (the "**Revised ECA**") for a $500 million equity commitment and a corresponding plan of reorganization term sheet (the "**Reorganization Plan**").

J. *Debtors' Stipulations*. After consultation with their attorneys and financial advisors, the Debtors admit, stipulate and agree that:

(i) *Prepetition Credit Facility*. (b) SpeedCast International Limited, as parent, (c) Black Diamond Commercial Finance, L.L.C., as successor administrative agent, collateral agent and security trustee (in such capacities, the "**Prepetition Agent**"), (d) the Term Lenders (as defined in the Prepetition Credit Agreement) party thereto (collectively, the "**Prepetition Term Loan Lenders**"), (e) the Issuing Banks (as defined in the Prepetition Credit Agreement) party thereto (the "**Prepetition Issuers**"), and (f) the Revolving Credit Lenders (as defined in the Prepetition Credit Agreement) party thereto (collectively, the "**Prepetition Revolving Lenders**" and, together with the Prepetition Term Loan Lenders, the "**Prepetition Lenders**") (the Prepetition Lenders, collectively with the Prepetition Agent, the Prepetition Issuers and all other holders of Prepetition Credit Facility Debt (as defined herein), the "**Prepetition Secured Parties**"), (1)(x) the Prepetition Issuers issued and participated in letters of credit in support of the Prepetition Borrowers and (y) the Prepetition Revolving Lenders provided revolving loans and other financial accommodations to the Prepetition Borrowers pursuant to the Prepetition Loan Documents (the "**Prepetition Revolving Credit Facility**") and (2) the Prepetition Term Loan Lenders provided term loans to the Prepetition Borrowers pursuant to the Prepetition Loan Documents (the "**Prepetition Term Loan Credit Facility**" and, together with the Prepetition Revolving Credit Facility, the "**Prepetition Credit Facilities**").

(ii) *Prepetition Guarantee*. Pursuant to that certain Guarantee Agreement, dated as of May 15, 2018 (as amended, restated, amended and restated, supplemented, waived, or otherwise modified from time to time), certain of the Debtors and their direct and indirect non-Debtor subsidiaries and affiliates party thereto (the "**Prepetition Guarantors**") guaranteed on a joint and several basis the obligations under the Prepetition Loan Documents.

(iii) *Prepetition Credit Facility Debt*. As of the Petition Date, the Prepetition Borrowers were justly and lawfully indebted and liable to the Prepetition Secured Parties, without defense, counterclaim or offset of any kind, in the aggregate principal amount of not less than $689.7 million including (a) $87.7 million in outstanding principal amount of Revolving Loans (as defined in the Prepetition Credit Agreement), (b) $10.6 million of outstanding Letters of Credit (as defined in the Prepetition Credit Agreement) and (c) $591.4 million in outstanding principal amount of Term Loans (as defined in the Prepetition Credit Agreement) (collectively, together with accrued and unpaid interest, any reimbursement obligations (contingent or otherwise) in respect of letters of credit, any fees, expenses and disbursements (including attorneys' fees, accountants' fees, auditor fees, appraisers' fees and financial advisors' fees, and related expenses and disbursements), treasury, cash management, bank product and derivative obligations, indemnification obligations, guarantee obligations, and other charges, amounts and costs of whatever nature owing, whether or not contingent, whenever arising, accrued, accruing, due, owing, or chargeable in respect of any of the Prepetition Borrowers' or the Prepetition Guarantors' obligations pursuant to, or secured by, the Prepetition Credit Agreement, including all Obligations (as defined in the Prepetition Credit Agreement, the "**Prepetition Obligations**"), and all interest, fees, prepayment premiums, early termination fees, costs and other charges, the "**Prepetition Credit Facility Debt**") which Prepetition Credit Facility Debt has been guaranteed on a joint and several basis by each of the Prepetition Guarantors.

(iv) *Prepetition Credit Facility Liens*. As more fully set forth in the Prepetition Loan Documents, prior to the Petition Date, the Prepetition Borrowers and the Prepetition Guarantors each granted to the Prepetition Agent, for the benefit of itself and the

other Prepetition Secured Parties, a security interest in and continuing lien on (the "**Prepetition Liens**") substantially all of their assets and property, including Cash Collateral, subject to certain limited customary exclusions as set forth in the Prepetition Loan Documents (the "**Prepetition Collateral**").

(v) *Validity, Perfection and Priority of Prepetition Liens and Prepetition Debt.* The Debtors acknowledge and agree that as of the Petition Date (a) the Prepetition Liens on the Prepetition Collateral were valid, binding, enforceable, non-avoidable and properly perfected and were granted to, or for the benefit of, the Prepetition Secured Parties for fair consideration and reasonably equivalent value; (b) the Prepetition Liens were senior in priority over any and all other liens on the Prepetition Collateral, subject only to certain liens senior by operation of law or otherwise permitted by the Prepetition Loan Documents (solely to the extent any such permitted liens were valid, properly perfected, non-avoidable and senior in priority to the Prepetition Liens as of the Petition Date, the "**Prepetition Permitted Prior Liens**"); (c) the Prepetition Credit Facility Debt constitutes legal, valid, binding, and non-avoidable obligations of the Prepetition Borrowers and Prepetition Guarantors enforceable in accordance with the terms of the applicable Prepetition Loan Documents; (d) no offsets, recoupments, challenges, objections, defenses, claims or counterclaims of any kind or nature to any of the Prepetition Liens or Prepetition Credit Facility Debt exist, and no portion of the Prepetition Liens or Prepetition Credit Facility Debt is subject to any challenge or defense, including avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable or otherwise) pursuant to the Bankruptcy Code or applicable non-bankruptcy law; (e) the Debtors and their estates have no claims, objections, challenges, causes of action, and/or choses in action, including avoidance claims under Chapter 5 of the Bankruptcy Code or applicable state law

equivalents or actions for recovery or disgorgement, against any of the Prepetition Secured Parties or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors and employees arising out of, based upon or related to the Prepetition Credit Facilities; and (f) the Debtors waive, discharge, and release any right to challenge any of the Prepetition Credit Facility Debt, the priority of the Debtors' obligations thereunder, and the validity, extent, and priority of the Prepetition Liens securing the Prepetition Credit Facility Debt.

(vi) *No Control*. None of the Prepetition Secured Parties control the Debtors or their properties or operations, have authority to determine the manner in which any Debtors' operations are conducted or are control persons or insiders of the Debtors by virtue of any of the actions taken with respect to, in connection with, related to or arising from the Prepetition Loan Documents.

(vii) *No Claims or Causes of Action*. No claims or causes of action held by the Debtors or their estates exist against, or with respect to, the Prepetition Secured Parties (in their capacity as such) under any agreements by and among the Debtors and any Prepetition Secured Party that is in existence as of the Petition Date.

(viii) *Release*. Effective as of the date of entry of this Interim Order, each of the Debtors and the Debtors' estates, on its own behalf, on behalf of (to the greatest extent permitted by law) the Non-Debtor DIP Loan Parties, and on behalf of its and their past, present and future predecessors, successors, subsidiaries, and assigns, hereby absolutely, unconditionally and irrevocably releases and forever discharges and acquits the Prepetition Secured Parties or their respective subsidiaries, affiliates, officers, directors, managers, principals, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives and other professionals and the respective successors and assigns thereof, in each case in their

respective capacity as such (collectively, the "**Representatives**" and, together with the DIP Secured Parties, the "**Released Parties**"), from any and all obligations and liabilities to the Debtors (and their successors and assigns) and from any and all claims, counterclaims, demands, defenses, offsets, debts, accounts, contracts, liabilities, actions and causes of action arising prior to the Petition Date (collectively, the "**Released Claims**") of any kind, nature or description, whether matured or unmatured, known or unknown, asserted or unasserted, foreseen or unforeseen, accrued or unaccrued, suspected or unsuspected, liquidated or unliquidated, pending or threatened, arising in law or equity, upon contract or tort or under any state or federal law or otherwise, arising out of or related to (as applicable) the Prepetition Loan Documents, the DIP Documents, the obligations owing and the financial obligations made thereunder, the negotiation thereof and of the deal reflected thereby, and the obligations and financial obligations made thereunder, in each case that the Debtors at any time had, now have or may have, or that their successors or assigns hereafter can or may have against any of the Released Parties for or by reason of any act, omission, matter, cause or thing whatsoever arising at any time on or prior to the date of this Interim Order. For the avoidance of doubt, nothing in this release shall relieve the DIP Secured Parties of their Obligations under the DIP Documents from and after the date of this Interim Order.

K. *Findings Regarding the DIP Financing and Use of Cash Collateral*.

(i) Good and sufficient cause has been shown for the entry of this Interim Order and for authorization of the Debtor DIP Loan Parties to obtain financing pursuant to the DIP Credit Agreement.

(ii) The Debtor DIP Loan Parties have a critical need for the DIP Financing and to continue to use Prepetition Collateral (including Cash Collateral) in order to permit,

among other things, the repayment in full of the obligations under Original DIP Credit Agreement, under which the Original DIP Agent has delivered a notice asserting an event of default, the orderly continuation of the operation of their businesses, to maintain business relationships with vendors, suppliers and customers, to make payroll, to make capital expenditures, to satisfy other working capital and operational needs and to fund expenses of these Chapter 11 Cases. The access of the Debtor DIP Loan Parties to sufficient working capital and liquidity through the use of Cash Collateral and other Prepetition Collateral, the incurrence of new indebtedness under the DIP Documents and other financial accommodations provided under the DIP Documents are necessary and vital to the preservation and maintenance of the going concern values of the Debtor DIP Loan Parties and to a successful reorganization of the Debtor DIP Loan Parties.

(iii) The Debtor DIP Loan Parties are unable to obtain financing on more favorable terms from sources other than the DIP Lender under the DIP Documents and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtor DIP Loan Parties are also unable to obtain secured credit allowable under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code without granting to the DIP Secured Parties the DIP Liens and the DIP Superpriority Claims (as defined herein) and incurring the Adequate Protection Obligations (as defined herein), in each case subject to the Carve-Out, under the terms and conditions set forth in this Interim Order and in the DIP Documents.

(iv) The Debtor DIP Loan Parties continue to collect cash, rents, income, offspring, products, proceeds, and profits generated from the Prepetition Collateral and acquire equipment, inventory and other personal property, all of which constitute Prepetition Collateral

under the Prepetition Loan Documents that are subject to the Prepetition Secured Parties' security interests as set forth in the Prepetition Loan Documents.

(v) The Debtor DIP Loan Parties desire to use a portion of the cash, rents, income, offspring, products, proceeds and profits described in the preceding paragraph in their business operations that constitute Cash Collateral of the Prepetition Secured Parties under section 363(a) of the Bankruptcy Code. Certain prepetition rents, income, offspring, products, proceeds, and profits, in existence as of the Petition Date, including balances of funds in the Debtor DIP Loan Parties' prepetition and postpetition operating bank accounts, also constitute Cash Collateral.

(vi) Based on the DIP Motion, the Healy Declaration, the Waldman Declaration, and the record presented to the Court at the Interim Hearing, the terms of the DIP Financing, the terms of the adequate protection granted to the Prepetition Secured Parties as provided in paragraph 15 of this Interim Order (the "**Adequate Protection**"), and the terms on which the Debtor DIP Loan Parties may continue to use the Prepetition Collateral (including Cash Collateral) pursuant to this Interim Order and the DIP Documents are fair and reasonable, reflect the Debtor DIP Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties and constitute reasonably equivalent value and fair consideration.

(vii) The DIP Financing has been negotiated in good faith and at arm's length among the Debtor DIP Loan Parties and the DIP Secured Parties, and all of the Debtor DIP Loan Parties' obligations and indebtedness arising under, in respect of, or in connection with, the DIP Financing and the DIP Documents, including, without limitation: all loans made to and guarantees issued by the Debtor DIP Loan Parties pursuant to the DIP Documents and any DIP

Obligations shall be deemed to have been extended by the DIP Agent and the DIP Secured Parties and their respective affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the DIP Agent and the DIP Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise.

(viii) The Prepetition Secured Parties are entitled to the Adequate Protection provided in this Interim Order as and to the extent set forth herein pursuant to sections 361, 362, 363 and 364 of the Bankruptcy Code. Based on the DIP Motion and on the record presented to the Court, the terms of the proposed adequate protection arrangements and of the use of the Prepetition Collateral (including Cash Collateral) are fair and reasonable, reflect the Debtor DIP Loan Parties' prudent exercise of business judgment and constitute reasonably equivalent value and fair consideration for the use of the Prepetition Collateral, including the Cash Collateral, and the "Required Lenders" (as such term is defined in the Prepetition Credit Agreement, the "**Required Prepetition Lenders**"), are deemed hereby to have consented to the use of the Prepetition Collateral, including the Cash Collateral, and the priming of the Prepetition Liens by the DIP Liens pursuant to the DIP Documents.

(ix) The Debtors have previously prepared and delivered to the advisors to the DIP Secured Parties an initial budget (the "**Initial DIP Budget**"), attached hereto as **Schedule I**. The Initial DIP Budget reflects, among other things, the Parent's and its subsidiaries' anticipated cash receipts and anticipated disbursements for each calendar week, in form and substance satisfactory to the Required DIP Lenders (as defined in the DIP Credit Agreement). The Initial

DIP Budget may be modified, amended and updated from time to time in accordance with the DIP Credit Agreement, and once approved by the Required DIP Lenders, shall supplement and replace the Initial DIP Budget (the Initial DIP Budget and each subsequent approved budget, shall constitute without duplication, an "**Approved Budget**"). The Debtors believe that the Initial DIP Budget is reasonable under the facts and circumstances. The DIP Secured Parties are relying, in part, upon the DIP Loan Parties' agreement to comply with the Approved Budget (subject to only permitted variances), the other DIP Documents and this Interim Order in determining to enter into the postpetition financing arrangements provided for in this Interim Order.

(x) Each of the Prepetition Secured Parties shall be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code and the "equities of the case" exception under section 552(b) of the Bankruptcy Code shall not apply to the Prepetition Secured Parties with respect to proceeds, product, offspring, or profits with respect to any of the Prepetition Collateral.

L. *Immediate Entry*. Sufficient cause exists for immediate entry of this Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and (c)(2) and Bankruptcy Local Rule 4001-1(b). Absent granting the relief set forth in this Interim Order, the Debtor DIP Loan Parties' estates will be immediately and irreparably harmed. Consummation of the DIP Financing and the use of Prepetition Collateral (including Cash Collateral), in accordance with this Interim Order and the DIP Documents are therefore in the best interests of the Debtor DIP Loan Parties' estates and consistent with the Debtor DIP Loan Parties' exercise of their fiduciary duties. The DIP Motion and this Interim Order comply with the requirements of Bankruptcy Local Rule 4001-1(b).

M. *Prepetition Permitted Prior Liens; Continuation of Prepetition Liens.* Nothing herein shall constitute a finding or ruling by this Court that any alleged Prepetition Permitted Prior Lien is valid, senior, enforceable, prior, perfected, or non-avoidable. Moreover, nothing herein shall prejudice the rights of any party-in-interest, including, but not limited to, the Debtor DIP Loan Parties, the DIP Agent, the DIP Secured Parties, the Prepetition Agent, or the Prepetition Secured Parties to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Prepetition Permitted Prior Lien and/or security interests. The right of a seller of goods to reclaim such goods under section 546(c) of the Bankruptcy Code is not a Prepetition Permitted Prior Lien and is expressly subject to the DIP Liens (as defined herein). The Prepetition Liens, and the DIP Liens that prime the Prepetition Liens, are continuing liens and the DIP Collateral is and will continue to be encumbered by such liens in light of the integrated nature of the Refinancing DIP Facility, the DIP Documents and the Prepetition Loan Documents.

Based upon the foregoing findings and conclusions, the DIP Motion and the record before the Court with respect to the DIP Motion, and after due consideration and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. *Motion Granted.* The interim relief sought in the DIP Motion is granted, the interim financing described herein is authorized and approved, and the continued use of Cash Collateral on an interim basis is authorized, in each case, subject to the terms and conditions set forth in the DIP Documents and this Interim Order. All objections to this Interim Order to the extent not withdrawn, waived, settled, or resolved are hereby denied and overruled on the merits.

2. *Authorization of the DIP Financing and the DIP Documents*.

(a) The Debtor DIP Loan Parties are hereby authorized, and the Debtors are hereby authorized and directed to use reasonable best efforts to cause the Non-Debtor DIP Loan Parties, as applicable, to execute, deliver, enter into and, as applicable, perform all of their obligations under the DIP Documents (including without limitation any documents related to the Refinancing DIP Facility) and such other and further acts as may be necessary, appropriate or desirable in connection therewith. The Borrower is hereby authorized to borrow money pursuant to the DIP Credit Agreement, each Debtor DIP Guarantor is hereby authorized to, and the Debtors are hereby authorized and directed to use reasonable best efforts to cause the Non-Debtor DIP Loan Parties to, provide a guaranty of payment in respect of the Borrower's obligations with respect to such borrowings, subject to any limitations on borrowing under the DIP Documents, which shall be used for all purposes permitted under the DIP Documents (and subject to and in accordance with the Approved Budget) (subject to any permitted variances).

(b) In furtherance of the foregoing and without further approval of this Court, each Debtor DIP Loan Party is authorized to, and authorized and directed to use reasonable best efforts to cause the Non-Debtor DIP Loan Parties to, perform all acts, to make, execute and deliver all instruments, certificates, agreements, letters, charges, deeds and documents (including,without limitation, the execution or recordation of pledge and security agreements, mortgages, financing statements and other similar documents), and to pay all fees, expenses and indemnities in connection with or that may be reasonably required, necessary, or desirable for the DIP Loan Parties' performance of their obligations under or related to the DIP Financing, including, without limitation:

(i) the execution and delivery of, and performance under, each of the DIP Documents;

(ii) the execution and delivery of, and performance under, one or more amendments, waivers, consents or other modifications to and under the DIP Documents, in each case, in such form as the DIP Loan Parties and the DIP Agent (acting in accordance with the terms of the DIP Credit Agreement and at the direction of the Required DIP Lenders) may agree, it being understood that no further approval of this Court shall be required for any authorizations, amendments, waivers, consents or other modifications to and under the DIP Documents (and any fees and other expenses (including attorneys', accountants', appraisers' and financial advisors' fees), amounts, charges, costs, indemnities and other obligations paid in connection therewith) that do not shorten the maturity of the extensions of credit thereunder or increase the aggregate commitments or the rate of interest payable thereunder; *provided* that, for the avoidance of doubt, updates and supplements to the Approved Budget required to be delivered by the DIP Loan Parties under the DIP Documents shall not be considered amendments or modifications to the Approved Budget or the DIP Documents;

(iii) the non-refundable payment to the DIP Agent and the DIP Secured Parties, as the case may be, of all fees, including unused facility fees, amendment fees, prepayment premiums, administrative agent's, collateral agent's or security trustee's fees, indemnities and professional fees (which fees shall be irrevocable, and shall be, and shall be deemed to have been, approved upon entry of this Interim Order, and whether or not the transactions contemplated hereby are consummated, and upon payment thereof, shall not be subject to any contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action or other challenge of

any nature under the Bankruptcy Code, applicable non-bankruptcy law or otherwise) and any amounts due (or that may become due) in respect of the indemnification and expense reimbursement obligations, in each case referred to in the DIP Credit Agreement or DIP Documents (or in any separate letter agreements, including, without limitation, any fee letters between any or all DIP Loan Parties, on the one hand, and any of the DIP Agent and/or DIP Secured Parties, on the other, in connection with the DIP Financing) and the costs and expenses as may be due from time to time, including, without limitation, fees and expenses of the professionals retained by, or on behalf of, any of the DIP Agent or DIP Secured Parties (including without limitation those of Wachtell, Lipton, Rosen & Katz, Vinson & Elkins LLP, MinterEllison, and any local legal counsel or other advisors in any foreign jurisdictions and any other advisors as are permitted under the DIP Documents), in each case, as provided for in the DIP Documents (collectively, the "**DIP Fees and Expenses**"), without the need to file retention motions or fee applications; and

(iv) the performance of all other acts required under or in connection with the DIP Documents, including the granting of the DIP Liens and the DIP Superpriority Claims and perfection of the DIP Liens and DIP Superpriority Claims as permitted herein and therein.

3. *DIP Obligations*. Upon execution and delivery of the DIP Documents, the DIP Documents shall constitute legal, valid, binding and non-avoidable obligations of the DIP Loan Parties, enforceable against each Debtor DIP Loan Party and their estates and each Non-Debtor DIP Loan Party in accordance with the terms of the DIP Documents and this Interim Order, and any successors thereto, including any trustee appointed in the Chapter 11 Cases, or in any case under Chapter 7 of the Bankruptcy Code upon the conversion of any of the Chapter 11 Cases, or

in any other proceedings superseding or related to any of the foregoing (collectively, the "**Successor Cases**"). Upon execution and delivery of the DIP Documents, the DIP Obligations will include all loans and any other indebtedness or obligations, contingent or absolute, which may now or from time to time be owing by any of the DIP Loan Parties to any of the DIP Agent or DIP Secured Parties, in each case, under, or secured by, the DIP Documents or this Interim Order, including all principal, interest, costs, fees, expenses, indemnities and other amounts under the DIP Documents (including this Interim Order). The DIP Loan Parties shall be jointly and severally liable for the DIP Obligations. Except as permitted hereby, no obligation, payment, transfer, or grant of security hereunder or under the DIP Documents to the DIP Agent and/or the DIP Secured Parties (including their Representatives) shall be stayed, restrained, voidable, avoidable, or recoverable, under the Bankruptcy Code or under any applicable law (including, without limitation, under sections 502(d), 544, and 547 to 550 of the Bankruptcy Code or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any defense, avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), disallowance, impairment, claim, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity.

4. *Refinancing of the Original DIP Credit Agreement.* The Debtor DIP Loan Parties are hereby authorized, and the Debtors are hereby authorized and directed to use reasonable best efforts to cause the Non-Debtor DIP Loan Parties, as applicable, to repay in full all obligations owed under the Original DIP Facility, in the approximate amount of $185,000,000, and to terminate the Original DIP Facility documents, and to execute, deliver, enter into and, as

applicable, to perform all actions in furtherance of such repayment of the Original DIP Facility and termination of the Original DIP Facility Documents (including without limitation the delivery of any payoff letters) and such other and further acts as may be necessary, appropriate or desirable in connection therewith. The liens securing the obligations under the Original DIP Facility shall be automatically released and terminated upon the repayment in full of all such obligations (other than contingent obligations and other obligations not then payable which expressly survive termination of the Original DIP Credit Agreement). In furtherance of the foregoing and without further approval of this Court, each Debtor DIP Loan Party is authorized to, and authorized and directed to use reasonable best efforts to cause the Non-Debtor DIP Loan Parties to make, execute and deliver all instruments, certificates, agreements, charges, deeds and documents necessary to evidence the repayment of the Original DIP Facility and the release of all security interests, liens, and claims related thereto (including, without limitation, the execution or recordation of documents necessary to release, cancel, or otherwise withdraw and pledge and security agreements, mortgages, financing statements and other similar documents), and to pay all fees, expenses and indemnities in connection therewith.

5. *Professional Fee Account*.

(a) The Debtors are authorized to maintain the existing Professional Fees Account (as defined in and established pursuant to the Original Orders) and all funds deposited therein, in accordance with the terms and conditions of this Interim Order. On a weekly basis, the Debtors shall continue transferring into the Professional Fees Account cash proceeds from the Refinancing DIP Facility or cash on hand in an amount equal to the aggregate unpaid amount of Estimated Fees and Expenses (as defined herein) included in all Weekly Statements (as defined herein) timely received by the Debtors, which shall be reported to the DIP Agent, or

if an estimate is not provided, the total budgeted weekly fees of Professional Persons (as defined herein) for the prior week set forth in the Approved Budget. The Professional Fees Account shall not be subject to the control, liens, security interests, or claims of the DIP Agent, any DIP Lender, or any Prepetition Secured Party, other than the reversionary interest of the DIP Agent and Prepetition Agent (for the benefit of the DIP Secured Parties and Prepetition Secured Parties, respectively), which interest shall be senior to any interest of the Debtors therein.

(b) Each week, each person or firm retained by the Debtors pursuant to sections 327, 328, or 363 of the Bankruptcy Code (such persons or firms, the "Debtor Professionals") and any persons or firms retained by the Committee (the "Committee Professionals" and, together with the Debtor Professionals, the "Professional Persons" and, such fees and expenses of the Professional Persons, the "Professional Fees") shall deliver to the Debtors a statement (each such statement, a "**Weekly Statement**") setting forth a good-faith estimate of the amount of unpaid fees and expenses incurred during the preceding week by such Professional Person (the "**Estimated Fees and Expenses**"). No later than one business day after the delivery of a Carve-Out Trigger Notice (as defined below) (the "**Carve-Out Statement Date**"), each Professional Person shall deliver one additional statement to the Debtors setting forth a good-faith estimate of the amount of Estimated Fees and Expenses incurred on and during the period prior to the Carve-Out Statement Date to the extent not otherwise paid or included in a previous Weekly Statement, and the Debtors shall transfer such amounts to the Professional Fees Account.

(c) The Debtors shall be authorized to use funds held in the Professional Fees Account to pay Professional Fees as they become allowed and payable pursuant to any interim or final order of the Bankruptcy Court or otherwise; *provided*, that when all allowed Professional

Fees have been paid in full (regardless of when such Professional Fees are allowed by the Bankruptcy Court) and the Carve-Out (as defined herein) is funded, any funds remaining in the Professional Fees Account shall revert to the Debtors for use solely in accordance with this Interim Order and the other DIP Documents and subject to the DIP Liens, DIP Superpriority Claims, Adequate Protection Liens and Prepetition Secured Parties' Section 507(b) Claims in the order of priority set forth herein; *provided, further,* that the Debtors' obligations to pay allowed Professional Fees shall in no way be limited or deemed limited to funds held in the Professional Fees Account.

(d) Notwithstanding anything herein to the contrary, (i) funds transferred to the Professional Fees Account shall be held in trust exclusively for the Professional Persons, including with respect to obligations arising out of the Carve-Out (as defined herein) and (ii) funds transferred to the Professional Fees Account shall not be subject to any liens or claims granted to the DIP Agent or DIP Lender herein or any liens or claims granted to the Prepetition Agent or the Prepetition Secured Parties, and shall not constitute DIP Collateral, Prepetition Collateral, or Cash Collateral; *provided,* that the DIP Collateral and the Prepetition Collateral shall include a reversionary interest in funds held in the Professional Fees Account, if any, after all allowed Professional Fees have been paid in full (regardless of when such Professional Fees are allowed by the Bankruptcy Court) and the Carve-Out (as defined herein) is funded, which reversionary interest shall be senior to (i) any liens and claims against the Debtors other than the Carve-Out and (ii) any interest of the Debtors therein.

6. *Carve-Out*.

(a) As used in this Interim Order, the term "**Carve-Out**" means the sum of: (i) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee under 28 U.S.C.

Reorganized Debtors' Exhibit No. 5
Page 76 of 126

§ 1930(a) plus interest at the statutory rate (without regard to the notice set forth in clause (iv) below); (ii) fees and expenses up to $100,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in clause (iv) below); (iii) to the extent allowed at any time, whether by interim or final compensation order, all professional fees and expenses (excluding any transaction fees or success fees) of Professional Persons (collectively, the "**Allowed Professional Fees**") incurred at any time before or on the day of delivery by the DIP Agent of a Carve-Out Trigger Notice (as defined herein), whether allowed by the Bankruptcy Court prior to or after delivery of a Carve-Out Trigger Notice (as defined herein) and without regard to whether such fees and expenses are provided for in the Approved Budget; and (iv) Allowed Professional Fees incurred after the day following delivery by the DIP Agent of the Carve-Out Trigger Notice (as defined herein) in an aggregate amount not to exceed $7,000,000 (the amount set forth in this clause (iv) being the "**Post-Carve-Out Trigger Notice Cap**"); *provided, further*, that nothing herein shall be construed to impair the ability of any party to object to the fees, expenses, reimbursement or compensation described in this paragraph 6(a) on any grounds.

(b) For purposes of the foregoing, "**Carve-Out Trigger Notice**" shall mean a written notice delivered by email (or other electronic means) by the DIP Agent (or, after the DIP Obligations have been indefeasibly paid in full and the DIP Commitments terminated, the Prepetition Agent) to the Debtors, their lead restructuring counsel (Weil, Gotshal & Manges LLP), the U.S. Trustee, and lead counsel to the Committee, which notice may be delivered following the occurrence and during the continuation of an Event of Default and acceleration of the obligations under the Refinancing DIP Facility (or, after the DIP Obligations have been indefeasibly paid in full and the DIP Commitments terminated, any occurrence that would

constitute an Event of Default hereunder) or the occurrence of the Stated Maturity Date (as defined in the DIP Credit Agreement), stating that the Post-Carve-Out Trigger Notice Cap has been invoked.

(c) On the day on which a Carve-Out Trigger Notice is received by the Debtors, the Carve-Out Trigger Notice shall constitute a demand to the Debtors to utilize all cash on hand to transfer to the Professional Fees Account cash in an amount equal to all obligations benefitting from the Carve-Out.

(d) For the avoidance of doubt, to the extent that professional fees and expenses of the Professional Persons have been incurred by the Debtors at any time before or on the first business day after delivery by the DIP Agent or the Prepetition Agent, as applicable, of a Carve-Out Trigger Notice but have not yet been allowed by the Bankruptcy Court, such professional fees and expenses of the Professional Persons shall constitute Allowed Professional Fees benefiting from the Carve-Out upon their allowance by the Bankruptcy Court, whether by interim or final compensation order and whether before or after delivery of the Carve-Out Trigger Notice, and the Debtors shall fund the Professional Fees Account in the amount of such professional fees and expenses.

(e) Following delivery of a Carve-Out Trigger Notice, the Debtors shall deposit into the Professional Fees Account any cash swept or foreclosed upon (including cash received as a result of the sale or other disposition of any assets) until the Professional Fees Account has been fully funded in an amount equal to all obligations benefiting from the Carve-Out. Notwithstanding anything to the contrary in the DIP Documents or this Interim Order, following delivery of a Carve-Out Trigger Notice, the DIP Agent shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the

Debtors until the Professional Fees Account has been fully funded in an amount equal to all obligations benefiting from the Carve-Out. Further, notwithstanding anything to the contrary herein, (i) disbursements by the Debtors from the Professional Fees Account shall not constitute DIP Loans, (ii) the failure of the Professional Fees Account to satisfy in full the Professional Fees shall not affect the priority of the Carve-Out, and (iii) in no way shall the Carve-Out, Professional Fees Account, any Approved Budget, the Permitted Variance, Weekly Statements, Estimated Fees and Expenses, or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors or that may be allowed by the Bankruptcy Court at any time (whether by interim order, final order, or otherwise).

7. *DIP Superpriority Claims*. Pursuant to section 364(c)(1) of the Bankruptcy Code, all of the DIP Obligations shall constitute allowed superpriority administrative expense claims against the Debtor DIP Loan Parties on a joint and several basis (without the need to file any proof of claim) with priority over any and all claims against the Debtor DIP Loan Parties, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code and any and all administrative expenses or other claims arising under sections 105, 326, 327, 328, 330, 331, 365, 503(b), 506(a), 506(c), 507(a), 507(b), 726, 1113 or 1114 of the Bankruptcy Code (other than the Adequate Protection Obligations), whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed claims (the "**DIP Superpriority Claims**") shall for purposes of section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code, and which DIP Superpriority Claims shall be payable from and have recourse to all prepetition and postpetition property of the Debtor DIP

Loan Parties and all proceeds thereof (excluding claims and causes of action under sections 502(d), 544, 545, 547, 548 and 550 of the Bankruptcy Code, or any other avoidance actions under the Bankruptcy Code (collectively, "**Avoidance Actions**") but including any proceeds or property recovered, unencumbered or otherwise, from Avoidance Actions, whether by judgment, settlement or otherwise ("**Avoidance Proceeds**")) in accordance with the DIP Documents and this Interim Order, subject only to the Carve-Out and the Adequate Protection Liens, and all other property of the Non-Debtor DIP Loan Parties as set forth in this Interim Order and the DIP Documents. The DIP Superpriority Claims shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise. The DIP Superpriority Claims shall be *pari passu* in right of payment with one another, and subordinated to the Carve-Out and the Prepetition Secured Parties' Section 507(b) Claims (as defined herein). Except to the extent expressly set forth in this Interim Order or the DIP Documents, the DIP Lender shall not receive or retain any payments, property or other amounts in respect of the DIP Superpriority Claims unless and until the Prepetition Secured Parties' Section 507(b) Claims have indefeasibly been paid in cash in full.

8. *DIP Liens*. As security for the DIP Obligations, effective and automatically and properly perfected upon the date of this Interim Order and without the necessity of the execution, recordation or filing by the DIP Loan Parties or any of the DIP Secured Parties of mortgages, security agreements, control agreements, pledge agreements, financing statements, notation of certificates of title for titled goods or other similar documents, instruments, deeds, charges or certificates, or the possession or control by the DIP Agent of, or over, any Collateral, the following valid, binding, continuing, enforceable and non-avoidable security interests and liens

Page 80 of 126

(all security interests and liens granted to the DIP Agent, for its benefit and for the benefit of the DIP Secured Parties, pursuant to this Interim Order and the DIP Documents, the "**DIP Liens**") are hereby granted to the DIP Agent for its own benefit and the benefit of the DIP Secured Parties (all property identified in clauses (a) through (c) below being collectively referred to as the "**DIP Collateral**"); *provided* that notwithstanding anything herein to the contrary, the DIP Liens shall be (a) subject and junior to the Carve-Out and the Adequate Protection Liens in all respects and (b) senior in all respects to the Prepetition Liens:

(a) *Liens on Unencumbered Property*. Pursuant to section 364(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully perfected first priority senior security interest in and lien upon all prepetition and postpetition property of the Debtor DIP Loan Parties, whether existing on the Petition Date or thereafter acquired, that, on or as of the Petition Date, is not subject to (i) a valid, perfected and non-avoidable lien or (ii) a valid and non-avoidable lien in existence as of the Petition Date that is perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, including, without limitation, any property that is or was subject to a lien under the Original DIP Facility and all unencumbered cash of the Debtor DIP Loan Parties (whether maintained with any of the DIP Secured Parties or otherwise) and any investment of cash, inventory, accounts receivable, other rights to payment whether arising before or after the Petition Date, contracts, properties, plants, fixtures, machinery, equipment, general intangibles, documents, instruments, securities, goodwill, commercial tort claims and claims that may constitute commercial tort claims (known and unknown), chattel paper, interests in leaseholds, real properties, deposit accounts, patents, copyrights, trademarks, trade names, rights under license agreements and other intellectual property, capital stock of subsidiaries, wherever located, and the proceeds, products, rents and profits of the foregoing,

whether arising under section 552(b) of the Bankruptcy Code or otherwise, of all the foregoing (the "**Unencumbered Property**"), in each case other than the Avoidance Actions (but, for the avoidance of doubt, "Unencumbered Property" shall include Avoidance Proceeds).

(b) *Liens Priming Certain Prepetition Secured Parties' Liens*. Pursuant to section 364(d)(1) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected first priority senior priming security interest in and lien upon all prepetition and postpetition property of the Debtor DIP Loan Parties subject to the Prepetition Liens, regardless of where located, regardless whether or not any liens on such assets are voided, avoided, invalidated, lapsed or unperfected (the "**Priming Liens**"), which Priming Liens shall prime in all respects the interests of the Prepetition Secured Parties arising from the current and future liens of the Prepetition Secured Parties other than the Adequate Protection Liens granted to the Prepetition Secured Parties (the "**Primed Liens**").

(c) *Liens Junior to Certain Other Liens*. Pursuant to section 364(c)(3) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully perfected security interest in and lien upon all tangible and intangible prepetition and postpetition property of each Debtor DIP Loan Party that is subject to either (i) valid, perfected and non-avoidable senior liens in existence immediately prior to the Petition Date (other than the Primed Liens) or (ii) any valid and non-avoidable senior liens (other than the Primed Liens) in existence immediately prior to the Petition Date that are perfected subsequent to such commencement as permitted by section 546(b) of the Bankruptcy Code, which shall be junior and subordinate to (x) any valid, perfected and non-avoidable liens (other than the Primed Liens) in existence immediately prior to the Petition Date, and (y) any such valid and non-avoidable liens in existence immediately prior to the Petition Date that are perfected subsequent to the Petition Date as permitted by section 546(b)

of the Bankruptcy Code; *provided* that nothing in the foregoing clauses (i) and (ii) shall limit the rights of the DIP Secured Parties under the DIP Documents to the extent such liens are not permitted thereunder; and

(d) *Liens Senior to Certain Other Liens.* The DIP Liens shall not be (i) subject or subordinate to or made *pari passu* with (A) any lien or security interest that is avoided and preserved for the benefit of the Debtors or their estates under section 551 of the Bankruptcy Code, (B) other than the Adequate Protection Liens or unless otherwise provided for in the DIP Documents or in this Interim Order, any liens or security interests arising after the Petition Date, including, without limitation, any liens or security interests granted in favor of any federal, state, municipal or other governmental unit (including any regulatory body), commission, board or court for any liability of the Debtor DIP Loan Parties, or (C) any intercompany or affiliate liens of the Debtor DIP Loan Parties or security interests of the Debtor DIP Loan Parties; or (ii) subordinated to or made *pari passu* with any other lien or security interest under section 363 or 364 of the Bankruptcy Code granted after the date hereof.

9. *Protection of DIP Lender's Rights*.

(a) Other than with respect to the Adequate Protection Liens, so long as there are any DIP Obligations outstanding or the DIP Lender has any outstanding Commitments (the "**DIP Commitments**") under the DIP Documents, the Prepetition Secured Parties shall: (i) have no right to and shall take no action to foreclose upon, or recover in connection with, the liens granted thereto pursuant to the Prepetition Loan Documents or this Interim Order, or otherwise seek to exercise or enforce any rights or remedies against the DIP Collateral; (ii) be deemed to have consented to any transfer, disposition or sale of, or release of liens on, the DIP Collateral (but not any proceeds of such transfer, disposition or sale to the extent remaining after

Reorganized Debtors' Exhibit No. 5
Page 83 of 126

payment in cash in full of the DIP Obligations and termination of the DIP Commitments), to the extent the transfer, disposition, sale or release is authorized under the DIP Documents; (iii) not file any further financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or otherwise take any action to perfect their security interests in the DIP Collateral other than as necessary to give effect to this Interim Order other than, (x) solely as to this clause (iii), the DIP Agent filing financing statements or other documents to perfect the liens granted pursuant to this Interim Order, or (y) as may be required by applicable state law or foreign law to complete a previously commenced process of perfection or to continue the perfection of valid and non-avoidable liens or security interests existing as of the Petition Date; and (iv) deliver or cause to be delivered, at the DIP Loan Parties' cost and expense, any termination statements, releases and/or assignments in favor of the DIP Agent or the DIP Secured Parties or other documents necessary to effectuate and/or evidence the release, termination and/or assignment of liens on any portion of the DIP Collateral subject to any sale or court-approved disposition.

(b) To the extent any Prepetition Secured Party or agent or lender under the Original DIP Credit Agreement has possession of any Prepetition Collateral or DIP Collateral or has control with respect to any Prepetition Collateral or DIP Collateral, or has been noted as secured party on any certificate of title for a titled good constituting Prepetition Collateral or DIP Collateral, then such Prepetition Secured Party, agent or lender, as applicable, shall be deemed to maintain such possession or notation or exercise such control as a gratuitous bailee and/or gratuitous agent for perfection for the benefit of the Prepetition Lenders (only to the extent of the Adequate Protection Liens), the DIP Agent and the DIP Secured Parties, and such Prepetition Secured Party, agent and lender, as applicable, after payment in full of the Adequate Protection

Obligations, shall comply with the instructions of the DIP Agent, acting at the direction of the Required DIP Lenders, with respect to the exercise of such control.

(c) Any proceeds of Prepetition Collateral subject to the Primed Liens received by any Prepetition Secured Party, whether in connection with the exercise of any right or remedy (including setoff) relating to the Prepetition Collateral or otherwise received by the Prepetition Agent, shall be segregated and held in trust for the benefit of and, after satisfaction of the Adequate Protection Claims, forthwith paid over to the DIP Agent for the benefit of the DIP Secured Parties in the same form as received, with any necessary endorsements. The DIP Agent is hereby authorized to make any such endorsements as agent for the Prepetition Agent or any such Prepetition Secured Parties. This authorization is coupled with an interest and is irrevocable.

(d) The Automatic Stay is hereby modified to the extent necessary to permit the DIP Agent (acting at the direction of the Required DIP Lenders) (and in the case of the following clause (i), after the DIP Obligations have been indefeasibly paid in full and the DIP Commitments terminated, the Prepetition Agent, acting at the direction of the Required Prepetition Lenders) to take any or all of the following actions, at the same or different time, in each case without further order or application of the Court and immediately upon the occurrence of an Event of Default: (i) deliver a notice of an Event of Default to the Debtors; (ii) declare the termination, reduction or restriction of any further DIP Commitment to the extent any such DIP Commitment remains outstanding; (iii) declare the termination of the DIP Documents as to any future liability or obligation of the DIP Agent and the DIP Secured Parties (but, for the avoidance of doubt, without affecting any of the DIP Liens or the DIP Obligations); and (iv) declare all applicable DIP Obligations to be immediately due and payable, without

presentment, demand, protest or other notice of any kind, all of which are expressly waived by the Debtors (or, in the case of the Prepetition Agent, rescind consent to the use of Prepetition Collateral (including Cash Collateral)). Following the delivery of such notice, the DIP Agent (or, after the DIP Obligations have been indefeasibly paid in full and the DIP Commitments terminated, the Prepetition Agent) may file a motion (the "**Stay Relief Motion**") seeking emergency relief from the Automatic Stay on at least five (5) business days' notice to request a further order of the Court permitting the DIP Agent (or Prepetition Agent, if applicable), whether or not the maturity of any of the DIP Obligations shall have been accelerated, to proceed to protect, enforce and exercise all other rights and remedies provided for in the DIP Documents and under applicable law, including, but not limited to, by suit in equity, action at law or other appropriate proceeding, whether for the specific performance of any covenant or agreement contained in any such DIP Document or any instrument pursuant to which such DIP Obligations are evidenced, and, if such amount shall have become due, by declaration or otherwise, proceed to enforce the payment thereof or any other legal or equitable right of any of such DIP Secured Parties. The Debtors shall not object to the fact that the Stay Relief Motion is being heard on such shortened notice. Until such time that the Stay Relief Motion has been adjudicated by the Court the Debtor DIP Loan Parties may use the proceeds of the Refinancing DIP Facility (to the extent drawn prior to the occurrence of Event of Default) or Cash Collateral to fund operations in accordance with the DIP Credit Agreement and the Approved Budget (subject to permitted variances).

(e) No rights, protections or remedies of the DIP Agent or the DIP Secured Parties granted by the provisions of this Interim Order or the DIP Documents shall be limited, modified or impaired in any way by: (i) any actual or purported withdrawal of the consent of any

Reorganized Debtors' Exhibit No. 5
Page 86 of 126

party to the Debtors' authority to continue to use Cash Collateral; (ii) any actual or purported termination of the Debtors' authority to continue to use Cash Collateral; or (iii) the terms of any other order or stipulation related to the Debtors' continued use of Cash Collateral or the provision of adequate protection to any party.

10. *Limitation on Charging Expenses Against Collateral*. No costs or expenses of administration of the Chapter 11 Cases or any Successor Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the DIP Collateral (including Cash Collateral) or Prepetition Collateral pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the DIP Agent or the Prepetition Agent, as applicable, and no consent shall be implied from any other action, inaction or acquiescence by the DIP Agent, the DIP Secured Parties, the Prepetition Agent or the Prepetition Secured Parties, and nothing contained in this Interim Order shall be deemed to be a consent by the DIP Agent, the DIP Secured Parties, the Prepetition Agent or the Prepetition Secured Parties to any charge, lien, assessment or claims against the Collateral under section 506(c) of the Bankruptcy Code or otherwise.

11. *No Marshaling*. In no event shall the DIP Agent, the DIP Secured Parties, the Prepetition Agent or the Prepetition Secured Parties be subject to the equitable doctrine of "marshaling" or any similar doctrine with respect to the DIP Collateral, the DIP Obligations, the Prepetition Credit Facility Debt, or the Prepetition Collateral. Further, in no event shall the "equities of the case" exception in section 552(b) of the Bankruptcy Code apply to the Prepetition Agent or the Prepetition Secured Parties with respect to proceeds, products, offspring or profits of any Prepetition Collateral.

12. *Payments Free and Clear*. Any and all payments or proceeds remitted to the DIP Agent by, through or on behalf of the DIP Secured Parties pursuant to the provisions of this Interim Order, the DIP Documents or any subsequent order of the Court shall be irrevocable, received free and clear of any claim, charge, assessment or other liability, including without limitation, any claim or charge arising out of or based on, directly or indirectly, sections 506(c) or 552(b) of the Bankruptcy Code, whether asserted or assessed by through or on behalf of the Debtors.

13. *Use of Cash Collateral*. The Debtors are hereby authorized, subject to the terms and conditions of this Interim Order, to continue to use all Cash Collateral; *provided* that (a) the Prepetition Secured Parties are granted the Adequate Protection as hereinafter set forth and (b) except on the terms and conditions of this Interim Order, the Debtors shall be enjoined and prohibited from at any times using the Cash Collateral absent further order of the Court.

14. *Disposition of DIP Collateral*. The Debtor DIP Loan Parties shall not sell, transfer, lease, encumber or otherwise dispose of any portion of the DIP Collateral, except as otherwise provided for in the DIP Documents or otherwise permitted by an order of the Court.

15. *Adequate Protection of Prepetition Secured Parties*. The Prepetition Secured Parties are entitled, pursuant to sections 361, 362, 363(e), 364(d)(1), 506 and 507 of the Bankruptcy Code, to adequate protection of their interests in all Prepetition Collateral (including Cash Collateral) in an amount equal to the aggregate diminution in the value of the Prepetition Secured Parties' interests in the Prepetition Collateral (including Cash Collateral) from and after the Petition Date, if any, for any reason provided for under the Bankruptcy Code, including, without limitation, any diminution resulting from the sale, lease or use by the Debtors of the Prepetition Collateral, the priming of the Prepetition Liens by the DIP Liens pursuant to the DIP

Documents and this Interim Order, the payment of any amounts under the Carve-Out or pursuant to this Interim Order, the Final Order or any other order of the Court or provision of the Bankruptcy Code or otherwise, and the imposition of the Automatic Stay (the "**Adequate Protection Claims**"); *provided*, that the Adequate Protection Claims shall under no circumstances exceed $150 million; provided further that the priming of the Prepetition Liens by the liens securing the DIP Roll-Up Loans (as defined in the Original Orders) (but not, for the avoidance of doubt, the DIP New Money Term Loans (as defined in the Original Orders)) shall not, in and of itself, constitute diminution in value for purposes of determining the amount of the Prepetition Secured Parties' Adequate Protection Claims. In consideration of the foregoing, the Prepetition Agent, for the benefit of the Prepetition Secured Parties, is hereby granted the following as Adequate Protection for, and to secure repayment of an amount equal to such Adequate Protection Claims (collectively, the "**Adequate Protection Obligations**"):

(a) *Prepetition Adequate Protection Liens*. The Prepetition Agent, for itself and for the benefit of the other Prepetition Secured Parties, is hereby granted (effective and perfected upon the date of this Interim Order and without the necessity of the execution of any mortgages, security agreements, pledge agreements, financing statements or other agreements) in the amount of the Prepetition Secured Parties' Adequate Protection Claims, a valid, perfected replacement security interest in and lien upon all of the DIP Collateral (the "**Adequate Protection Liens**"), in each case subject and subordinate only to the Carve-Out.

(b) *Prepetition Secured Parties' Section 507(b) Claims*. The Prepetition Agent, for itself and for the benefit of the other Prepetition Secured Parties, is hereby granted, subject to the Carve-Out, an allowed superpriority administrative expense claim as provided for in section 507(b) of the Bankruptcy Code in the amount of the Prepetition Secured Parties'

Adequate Protection Claims, with priority in payment over any and all administrative expenses of the kind specified or ordered pursuant to any provision of the Bankruptcy Code (including the DIP Superpriority Claims) (the "**Prepetition Secured Parties' Section 507(b) Claims**") which Prepetition Secured Parties' Section 507(b) Claims shall have recourse to and be payable from all prepetition and postpetition property of the Debtors and all proceeds thereof (excluding Avoidance Actions, but including Avoidance Proceeds). The Prepetition Secured Parties' Section 507(b) Claims shall be senior to the DIP Superpriority Claims and subject and subordinate only to the Carve-Out.

(c) *Adequate Protection Payments.* The Prepetition Secured Parties are hereby entitled to application of all mandatory prepayments as described in Section 2.13 of the DIP Credit Agreement to repayment of Adequate Protection Claims and, upon indefeasible payment in full of all DIP Obligations and termination of all DIP Commitments, the Prepetition Secured Obligations (as defined in the Prepetition Credit Agreement) in accordance with the priorities set forth in the Prepetition Loan Documents and this Interim Order (the "**Adequate Protection Payments**"); *provided* that the application of such mandatory prepayments to the Adequate Protection Claims or Prepetition Secured Obligations, as applicable, shall only be permitted upon notice and hearing before the Court, including to determine whether and to what extent the Prepetition Secured Parties have an allowed Adequate Protection Claim, and the rights of the DIP Agent, the DIP Lender, the Committee, the Debtors and other parties in interest to argue that such amounts should not be so applied are hereby expressly preserved; *provided further* that any amounts subject to application pursuant to this paragraph 15(c) shall, upon receipt by any DIP Loan Party, be held in a segregated escrow account by the Debtors until the

time that such motion regarding the application thereof is resolved, at which time the proceeds shall be applied in accordance with such resolution.

(d) *Prepetition Secured Parties' Information Rights*. The DIP Loan Parties shall promptly provide the Prepetition Agent, for distribution to the Prepetition Secured Parties (and subject to applicable confidentiality restrictions governing the Prepetition Credit Agreement, including with respect to any "private" side lender database), and the Committee or its professionals (pursuant to a confidentiality agreement or information sharing protocol in form and substance reasonably satisfactory to the Debtors) with all required written financial reporting and other periodic reporting that is required to be provided to the DIP Agent or the DIP Secured Parties under the DIP Documents, including without limitation the reporting required under Sections 5.04, 5.05, 5.06 and 5.07 of the DIP Credit Agreement (the "**Adequate Protection Reporting Requirement**").

(e) *Maintenance of Collateral*. The DIP Loan Parties shall continue to maintain and insure the Prepetition Collateral and DIP Collateral in amounts and for the risks, and by the entities, as required under the Prepetition Credit Facilities and the DIP Documents.

16. *Perfection of DIP Liens and Adequate Protection Liens.*

(a) Without in any way limiting the automatically effective perfection of the DIP Liens granted pursuant to paragraph 8 hereof and the Adequate Protection Liens granted pursuant to paragraph 15 hereof, the DIP Agent, the DIP Secured Parties, the Prepetition Agent and the Prepetition Secured Parties are hereby authorized, but not required, to file or record (and to execute in the name of the DIP Loan Parties and the Prepetition Secured parties (as applicable), as their true and lawful attorneys, with full power of substitution, to the maximum extent permitted by law) financing statements, trademark filings, copyright filings,

mortgages, notices of lien or similar instruments in any jurisdiction, including as may be reasonably required or deemed appropriate by the DIP Agent, acting at the direction of the Required DIP Lenders, and the Prepetition Agent, acting at the direction of the Required Prepetition Lenders, under applicable local laws, or take possession of or control over cash or securities, or to amend or modify security documents, or enter into, amend, supplement or modify intercreditor agreements, or to subordinate existing liens and any other similar action or action in connection therewith or take any other action in order to document, validate and perfect the liens and security interests granted to them hereunder (the "**Perfection Actions**"). Whether or not the DIP Agent, on behalf of the DIP Secured Parties and acting at the direction of the Required DIP Lenders, or the Prepetition Agent, on behalf of the Prepetition Secured Parties and acting at the direction of the Required Prepetition Lenders, shall take such Perfection Actions, the liens and security interests shall be deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination, at the time and on the date of entry of this Interim Order. Upon the request of the DIP Agent, acting at the direction of the Required DIP Lenders, or the Prepetition Agent, acting at the direction of the Required Prepetition Lenders, each of the Prepetition Secured Parties and the Debtor DIP Loan Parties, without any further consent of any party, and at the sole cost of the Debtors as set forth herein, is authorized (in the case of the Debtor DIP Loan Parties), authorized and directed to use reasonable best efforts to cause (in the case of the Debtors with respect to the Non-Debtor DIP Loan Parties) and directed (in the case of the Prepetition Secured Parties), and such direction is hereby deemed to constitute required direction under the applicable DIP Documents or Prepetition Loan Documents, to take, execute, deliver and file such actions, instruments and agreements (in each case, without representation or warranty of any kind) to enable the DIP

Agent to further validate, perfect, preserve and enforce the DIP Liens in all jurisdictions required under the DIP Credit Agreement, including all local law documentation therefor determined to be reasonably necessary by the DIP Agent, acting at the direction of the Required DIP Lenders; *provided*, *however*, that no action need be taken in a foreign jurisdiction that would jeopardize the validity and enforceability of the Prepetition Liens. All such documents will be deemed to have been recorded and filed as of the Petition Date. To the extent necessary to effectuate the terms of this Interim Order and the DIP Documents, each of the DIP Agent and the Prepetition Agent hereby is deemed to appoint the other (and deemed to have accepted such appointment) to act as its agent with respect to the Shared Collateral (as defined in the DIP Documents) and under the Common Security Documents (as defined in the DIP Documents) to which they are a party in such capacity, with such powers as are expressly delegated thereto under the DIP Documents and Prepetition Loan Documents (and even if it involves self-contracting and multiple representation to the extent legally possible), together with such other powers as are reasonably incidental thereto.

(b) A certified copy of this Interim Order may, in the discretion of the DIP Agent, acting at the direction of the Required DIP Lenders, and the Prepetition Agent, acting at the direction of the Required Prepetition Lenders, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized and directed to accept a certified copy of this Interim Order for filing and/or recording, as applicable. The Automatic Stay shall be modified to the extent necessary to permit the DIP Agent and the Prepetition Agent to take all actions, as applicable, referenced in this subparagraph (b) and the immediately preceding subparagraph (a).

17. *Preservation of Rights Granted Under this Interim Order.*

(a) Other than the Carve-Out and other claims and liens expressly granted by this Interim Order, no claim or lien having a priority superior to or *pari passu* with those granted by this Interim Order to the DIP Agent and the DIP Secured Parties or the Prepetition Agent and the Prepetition Secured Parties shall be permitted while any of the DIP Obligations or the Adequate Protection Obligations remain outstanding, and, except as otherwise expressly provided in this Interim Order, the DIP Liens and the Adequate Protection Liens shall not be: (i) subject or junior to any lien or security interest that is avoided and preserved for the benefit of the Debtors' estates under section 551 of the Bankruptcy Code; (ii) subordinated to or made *pari passu* with any other lien or security interest, whether under section 364(d) of the Bankruptcy Code or otherwise; (iii) subordinated to or made *pari passu* with any liens arising after the Petition Date including, without limitation, any liens or security interests granted in favor of any federal, state, municipal or other domestic or foreign governmental unit (including any regulatory body), commission, board or court for any liability of the DIP Loan Parties; or (iv) subject or junior to any intercompany or affiliate liens or security interests of the DIP Loan Parties.

(b) The occurrence of (i) any Event of Default or (ii) any violation of any of the terms of this Interim Order, shall, after notice, in writing to the Borrower, by (x) the DIP Agent (acting in accordance with the terms of this Interim Order) and, (y) after indefeasible payment in full of the DIP Obligations and termination of the DIP Commitments, notice the Prepetition Agent acting at the direction of the Required Prepetition Lenders, constitute an event of default under this Interim Order (each an "**Event of Default**") and, upon any such Event of Default, interest, including, where applicable, default interest, shall accrue and be paid as set

forth in the DIP Credit Agreement. Notwithstanding any order that may be entered dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code: (A) the DIP Superpriority Claims, the Prepetition Secured Parties' Section 507(b) Claims, the DIP Liens, and the Adequate Protection Liens, and any claims related to the foregoing, shall continue in full force and effect and shall maintain their priorities as provided in this Interim Order until all DIP Obligations and Adequate Protection Obligations shall have been paid in full (and that such DIP Superpriority Claims, Prepetition Secured Parties' Section 507(b) Claims, DIP Liens and Adequate Protection Liens shall, notwithstanding such dismissal, remain binding on all parties in interest); (B) the other rights granted by this Interim Order, including with respect to the Carve-Out, shall not be affected; and (C) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in this paragraph and otherwise in this Interim Order.

(c) If any or all of the provisions of this Interim Order are hereafter reversed, modified, vacated or stayed, such reversal, modification, vacatur or stay shall not affect: (i) the validity, priority or enforceability of any DIP Obligations or Adequate Protection Obligations incurred prior to the actual receipt of written notice by the DIP Agent or the Prepetition Agent, as applicable, of the effective date of such reversal, modification, vacatur or stay; or (ii) the validity, priority or enforceability of the DIP Liens or the Adequate Protection Liens or the Carve-Out. Notwithstanding any reversal, modification, vacatur or stay of any use of Cash Collateral, any DIP Obligations, DIP Liens, Adequate Protection Obligations or Adequate Protection Liens incurred by the Debtor DIP Loan Parties to the DIP Agent, the DIP Secured Parties, the Prepetition Agent, or the Prepetition Secured Parties, as the case may be, prior to the actual receipt of written notice by the DIP Agent or the Prepetition Agent, as applicable, of the

effective date of such reversal, modification, vacatur or stay shall be governed in all respects by the original provisions of this Interim Order, and the DIP Agent, the DIP Secured Parties, the Prepetition Agent, and the Prepetition Secured Parties shall be entitled to all the rights, remedies, privileges and benefits granted in sections 364(e) and 363(m) of the Bankruptcy Code, this Interim Order and the DIP Documents with respect to all uses of Cash Collateral, DIP Obligations and Adequate Protection Obligations.

(d) Except as expressly provided in this Interim Order or in the DIP Documents, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Obligations, the Prepetition Secured Parties' Section 507(b) Claims and all other rights and remedies of the DIP Agent, the DIP Secured Parties, the Prepetition Agent, and the Prepetition Secured Parties granted by the provisions of this Interim Order and the DIP Documents and the Carve-Out shall survive, and shall not be modified, impaired or discharged by: (i) the entry of an order converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code, dismissing any of the Chapter 11 Cases or terminating the joint administration of these Chapter 11 Cases or by any other act or omission; (ii) the entry of an order approving the sale of any DIP Collateral pursuant to section 363(b) of the Bankruptcy Code (except to the extent permitted by the DIP Documents); or (iii) the entry of an order confirming a chapter 11 plan in any of the Chapter 11 Cases and, pursuant to section 1141(d)(4) of the Bankruptcy Code, the DIP Loan Parties have waived any discharge as to any remaining DIP Obligations or Adequate Protection Obligations. The terms and provisions of this Interim Order and the DIP Documents shall continue in these Chapter 11 Cases, in any Successor Cases if these Chapter 11 Cases cease to be jointly administered, and in any superseding chapter 7 cases under the Bankruptcy Code, and the DIP Liens, the DIP Superpriority Claims,

the Adequate Protection Liens and the Adequate Protection Obligations and all other rights and remedies of the DIP Agent, the DIP Secured Parties, the Prepetition Agent, and the Prepetition Secured Parties granted by the provisions of this Interim Order and the DIP Documents shall continue in full force and effect until the DIP Obligations are indefeasibly paid in full in cash, as set forth herein and in the DIP Documents, and the DIP Commitments have been terminated (and in the case of rights and remedies of the Prepetition Agent and Prepetition Secured Parties, shall remain in full force and effect thereafter, subject to the terms of this Interim Order), and the Carve-Out shall continue in full force and effect.

18. *Payment of Fees and Expenses*. The Debtor DIP Loan Parties are authorized to and shall pay the DIP Fees and Expenses. Subject to the review procedures set forth in this paragraph 18, payment of all DIP Fees and Expenses shall not be subject to allowance or review by the Court. Professionals for the DIP Secured Parties and the Prepetition Secured Parties shall not be required to comply with the U.S. Trustee fee guidelines, however any time that such professionals seek payment of fees and expenses from the Debtor DIP Loan Parties prior to confirmation of a chapter 11 plan, each professional shall provide summary copies of its invoices (which shall not be required to contain time entries and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of their invoices shall not constitute any waiver of the attorney client privilege or of any benefits of the attorney work product doctrine) to the Debtor DIP Loan Parties, the U.S. Trustee, and counsel to the Committee (together, the "**Review Parties**"). Any objections raised by any Review Party with respect to such invoices must be in writing and state with particularity the grounds therefor and must be submitted to the applicable professional within ten (10)

calendar days after the receipt by the Review Parties (the "**Review Period**"). If no written objection is received by 12:00 p.m., prevailing Eastern Time, on the end date of the Review Period, the Debtor DIP Loan Parties shall pay such invoices within three (3) calendar days. If an objection to a professional's invoice is received within the Review Period, the Debtor DIP Loan Parties shall promptly pay the undisputed amount of the invoice and this Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the dispute consensually. Notwithstanding the foregoing, the Debtor DIP Loan Parties are authorized and directed to pay on the Closing Date the DIP Fees and Expenses incurred on or prior to such date without the need for any professional engaged by, or on behalf of, the DIP Secured Parties to first deliver a copy of its invoice or other supporting documentation to the Review Parties (other than the Debtor DIP Loan Parties). No attorney or advisor to the DIP Secured Parties shall be required to file an application seeking compensation for services or reimbursement of expenses with the Court. Any and all fees, costs, and expenses paid prior to the Petition Date by any of the Debtors to the DIP Secured Parties in connection with or with respect to the Refinancing DIP Facility are hereby approved in full and shall not be subject to recharacterization, avoidance, subordination, disgorgement or any similar form of recovery by the Debtor DIP Loan Parties or any other person.

19. *Effect of Stipulations on Third Parties*. The Debtors' stipulations, admissions, agreements and releases contained in this Interim Order shall be binding upon the Debtors and any successor thereto (including, without limitation, any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors) in all circumstances and for all purposes. The Debtors' stipulations, admissions, agreements and releases contained in this Interim Order shall be binding upon all parties in interest, including, without limitation, the Committee or any

other statutory or non-statutory committees appointed or formed in the Chapter 11 Cases and any other person or entity acting or seeking to act on behalf of the Debtors' estates, including any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors, in all circumstances and for all purposes.

20. *Limitation on Use of DIP Financing Proceeds and Collateral.* Notwithstanding any other provision of this Interim Order or any other order entered by the Court, no DIP Loans, DIP Collateral, Prepetition Collateral (including Cash Collateral) or any portion of the Carve-Out, may be used directly or indirectly, (a) in connection with the investigation, threatened initiation or prosecution of any claims, causes of action, adversary proceedings or other litigation (i) against any of the DIP Secured Parties, or the Prepetition Secured Parties, or their respective predecessors-in-interest, agents, affiliates, representatives, attorneys, or advisors, in each case in their respective capacity as such, or any action purporting to do the foregoing in respect of the DIP Obligations, DIP Liens, DIP Superpriority Claims, Prepetition Credit Facility Debt, and/or the Adequate Protection Obligations and Adequate Protection Liens granted to the Prepetition Secured Parties, as applicable, or (ii) challenging the amount, validity, perfection, priority or enforceability of or asserting any defense, counterclaim or offset with respect to the DIP Obligations, the Prepetition Credit Facility Debt and/or the liens, claims, rights, or security interests securing or supporting the DIP Obligations granted under this Interim Order, the DIP Documents or the Prepetition Loan Documents in respect of the Prepetition Credit Facility Debt, including, in the case of each (i) and (ii), without limitation, for lender liability or pursuant to section 105, 510, 544, 547, 548, 549, 550 or 552 of the Bankruptcy Code, applicable non-bankruptcy law or otherwise, (b) to prevent, hinder, or otherwise delay or interfere with the Prepetition Agent's, the Prepetition Secured Parties', the DIP Agent's, or the DIP Secured

Notwithstanding the foregoing, this paragraph 20 shall not limit the Debtors' right to use DIP Loans or DIP Collateral to (i) contest that an Event of Default has occurred hereunder pursuant to and consistent with paragraph 9(d) of this Interim Order, (ii) contest the amount or existence of diminution in value in connection with any asserted

Adequate Protection Claim, and (iii) prosecute one or more plan or sale transactions, including responding to and defending against any objection thereto by any Prepetition Secured Party.

21. *Interim Order Governs*. In the event of any inconsistency between the provisions of this Interim Order and the DIP Documents (including, but not limited to, with respect to the Adequate Protection Obligations) or any other order entered by this Court, the provisions of this Interim Order shall govern. Notwithstanding anything to the contrary in any other order entered by this Court, any payment made pursuant to any authorization contained in any other order entered by this Court shall be consistent with and subject to the requirements set forth in this Interim Order and the DIP Documents, including, without limitation, the Approved Budget (subject to permitted variances).

22. *Binding Effect; Successors and Assigns*. The DIP Documents and the provisions of this Interim Order, including all findings herein, shall be binding upon all parties in interest in these Chapter 11 Cases, including, without limitation, the DIP Agent, the DIP Secured Parties, the Prepetition Agent, the Prepetition Secured Parties, the Committee or any other statutory or non-statutory committees appointed or formed in these Chapter 11 Cases, the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Agent, the DIP Secured Parties, the Prepetition Agent, the Prepetition Secured Parties and the Debtors and their respective successors and assigns; *provided* that the DIP Agent, the DIP Secured Parties, the Prepetition Agent and the Prepetition Secured Parties shall have no obligation to permit the use of the Prepetition Collateral (including Cash

Collateral) by, or to extend any financing to, any chapter 7 trustee, chapter 11 trustee or similar responsible person appointed for the estates of the Debtors.

23. *Exculpation*. Nothing in this Interim Order, the DIP Documents, the Prepetition Loan Documents or any other documents related to the transactions contemplated hereby shall in any way be construed or interpreted to impose or allow the imposition upon any DIP Secured Party or Prepetition Secured Party any liability for any claims arising from the prepetition or postpetition activities of the Debtors in the operation of their businesses, or in connection with their restructuring efforts. The DIP Secured Parties and Prepetition Secured Parties shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the DIP Collateral or Prepetition Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency or other person and (b) all risk of loss, damage or destruction of the DIP Collateral or Prepetition Collateral shall be borne by the Debtors.

24. *Limitation of Liability*. In determining to make any loan or other extension of credit under the DIP Documents, to permit the use of the DIP Collateral or Prepetition Collateral (including Cash Collateral) or in exercising any rights or remedies as and when permitted pursuant to this Interim Order or the DIP Documents or Prepetition Loan Documents, none of the DIP Secured Parties or Prepetition Secured Parties shall (a) have any liability to any third party or be deemed to be in "control" of the operations of the Debtors; (b) owe any fiduciary duty to the Debtors, their respective creditors, shareholders or estates; or (c) be deemed to be acting as a "Responsible Person" or "Owner" or "Operator" or "managing agent" with respect to the operation or management of any of the Debtors (as such terms or similar terms are used in the

United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601, *et seq.*, as amended, or any other federal or state statute, including the Internal Revenue Code). Furthermore, nothing in this Interim Order shall in any way be construed or interpreted to impose or allow the imposition upon any of the DIP Agent, DIP Secured Parties, Prepetition Agent or Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their respective affiliates (as defined in section 101(2) of the Bankruptcy Code).

25. *Master Proof of Claim*. The DIP Agent and the DIP Secured Parties shall not be required to file proofs of claim with respect to their DIP Obligations under the DIP Documents, and the evidence presented with the DIP Motion and the record established at the Interim Hearing are deemed sufficient to, and do, constitute proofs of claim with respect to their obligations, secured status, and priority.

26. *Forbearance of the Prepetition Secured Parties*. Except as expressly permitted pursuant to the terms of this Interim Order, including with respect to the Adequate Protection Obligations, the Prepetition Secured Parties shall not (i) exercise any rights or remedies with respect to any Prepetition Liens or Prepetition Collateral, (ii) enforce or pursue an event of default or other breach under any Prepetition Loan Document, or (iii) assert any demand for payment of any kind whatsoever, in each case with respect to any Debtor or Non-Debtor DIP Loan Party on account of any Prepetition Obligations; *provided* that, following (x) payment in full of the DIP Obligations and termination of the DIP Commitments, (y) the occurrence of any Event of Default or other violation of the terms of this Interim Order and (z) five (5) business days' notice delivered to the Debtors and the Committee or counsel thereto (which may be delivered via email) the (i) the forbearance set forth in this paragraph 26 shall be of no further

force or effect, and (ii) the Prepetition Secured Parties shall be permitted to rescind any consent given under this Interim Order regarding the use of Prepetition Collateral (including Cash Collateral) and file a Stay Relief Motion (consistent with the procedures set forth in paragraph 9 of this Interim Order and which Stay Relief Motion may, for the avoidance of doubt, be filed immediately upon the occurrence of the conditions set forth in clauses (x) and (y) of this paragraph 26) seeking authority to proceed to protect, enforce and exercise all other rights and remedies provided under the Prepetition Loan Documents or applicable law; *provided* that (i) for the avoidance of doubt, no Stay Relief Motion shall be required to be filed with respect to any non-Debtor and (ii) with respect to any Government Business Subsidiary (as defined in the DIP Credit Agreement), the condition set forth in clause (z) of this paragraph 26 shall not apply, or to the extent commenced shall immediately terminate without notice or otherwise, as a result of (I) any Default or Event of Default under the Prepetition Credit Agreement (including as a result of an Event of Default under Sections 7.01(g), (h) or (i)), that occurs as a result of any act or omission by any Government Business Subsidiary or (II) the seeking of any legal action or request for relief in connection with the Prepetition Obligations by any Government Business Subsidiary from any Governmental Authority (as defined in the Prepetition Credit Agreement) other than the Bankruptcy Court); *provided* that the each of the Debtors and the Prepetition Agent shall provide counsel to the Committee with notice (which shall include email) of the existence of any event or condition described in clauses (I) or (II) of this paragraph as soon as reasonably practicable after having or receiving actual knowledge thereof.

All parties' rights (a) to object to the priority, validity, amount, and extent of the claims and liens, including any Texas Tax Liens, asserted by the Texas Taxing Authorities and (b) with respect to any rights of the Texas Taxing Authorities to request an ad valorem tax reserve from the proceeds of the sale of any DIP Collateral that is secured by the Texas Tax Liens are fully preserved.

28. *Intercompany Transfers*. The Debtors shall provide not less than two (2) business days' notice to counsel to the Creditors' Committee prior to (i) any DIP Loan Party making any investment in any Subsidiary that is not a DIP Loan Party (including any guarantees by any DIP Loan Party of any Indebtedness or other obligations of any Subsidiary that is not a DIP Loan Party and any loans and advances made by any DIP Loan Party to any Subsidiary that is not a DIP Loan Party) (each, as defined in the DIP Credit Agreement) to the extent that the aggregate of all such investments outstanding would exceed $500,000; (ii) entering into any agreement with respect to Section 6.04(c)(ii) of the DIP Credit Agreement to increase, waive or otherwise modify the $500,000 investment threshold set forth therein; or (iii) the addition or removal of any entity as a Non-Debtor DIP Loan Party.

COMMITMENT LETTER
$285 million Superpriority Senior Secured Debtor-In-Possession Term Loan Credit Facility

Ladies and Gentlemen:

Each of CCP III AIV V, L.P. and Centerbridge Capital Partners SBS III, L.P. (each, a "***Backstop DIP Lender***") understands that SPEEDCAST COMMUNICATIONS, INC. (the "***Borrower***") and SPEEDCAST INTERNATIONAL LIMITED ("***Parent***" and, together with the Borrower, "***you***" or the "***Company***") intend to enter into a $285 million Superpriority Senior Secured Debtor-In-Possession Term Loan Credit Facility (the "***Backstop DIP Facility***") on the terms (and subject to the conditions) set forth in the Indicative Terms of Backstop Debtor-in-Possession Financing attached as Exhibit A hereto and incorporated herein by this reference (the "***Summary of Terms***"). Capitalized terms used herein and not defined have the meaning ascribed to such terms in the Summary of Terms.

Each Backstop DIP Lender hereby grants to the Borrower an option (collectively, the "***Loan Put Option***") to require such Backstop DIP Lender (and no other lenders without the prior written approval of the Backstop DIP Lenders), severally and not jointly, to fund its portion of 100% (but not less than 100% without the prior written approval of the Backstop DIP Lenders) of the principal amount of the Backstop DIP Facility as set forth opposite its name on Schedule 1 hereto (the "***Backstop DIP Commitment***") on the closing date of the Backstop DIP Facility upon and subject to the terms and conditions set forth in this letter (this "***Commitment Letter***") and in the Summary of Terms (including the satisfaction of all "Conditions Precedent to Closing" set forth therein). Upon exercise by the Borrower of such Loan Put Option by the demand of the Borrower (for which prior written notice shall be delivered), each Backstop DIP Lender shall, severally and not jointly, fund its portion of the Backstop DIP Commitment upon and subject to the terms and conditions set forth in this Commitment Letter and in the Summary of Terms (including the satisfaction of all "Conditions Precedent to Closing" set forth therein).

An affiliate of the Backstop DIP Lenders or another financial institution reasonably acceptable to the Backstop DIP Lenders will act as sole administrative agent, collateral agent and security trustee for the Backstop DIP Facility (the "***Administrative Agent***"). No additional agents, co-agents or lenders will be appointed and no other titles will be awarded with respect to the Backstop DIP Facility without the prior written approval of the Backstop DIP Lenders.

The Backstop DIP Commitment of each Backstop DIP Lender hereunder is subject to the satisfaction of each of the following conditions precedent and the satisfaction of those conditions precedent set forth or referred to in the Summary of Terms, in each case, in a manner acceptable to the Backstop DIP Lenders (unless otherwise provided) (the "***Conditions Precedent***"): (a) (i) the representations and warranties referred to in the Summary of Terms and/or to be set forth in the credit agreement and other definitive documentation of the Backstop DIP Facility (the "***Backstop DIP Loan Documents***") shall be

true and correct in all material respects (or, in the case of any representations and warranties qualified by materiality, material adverse effect or words of similar import, in all respects) on and as of the closing date of the Backstop DIP Facility with the same effect as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date, in which case they shall have been true and correct in all material respects (or, in the case of any representations and warranties qualified by materiality, material adverse effect or words of similar import, in all respects) as of such earlier date, (ii) at the time of and immediately after the closing date of the Backstop DIP Facility, no event of default or default shall have occurred and be continuing under the Backstop DIP Facility, and (iii) your compliance in all material respects with the terms of this Commitment Letter (including the Summary of Terms); (b) the negotiation, execution and delivery of the Backstop DIP Loan Documents, including guarantee, security and intercreditor documents with respect to non-Debtor DIP loan parties, consistent with the Summary of Terms and otherwise satisfactory to the Backstop DIP Lenders (in their sole discretion); and (c) the payment of all fees set forth in the Summary of Terms (in addition to those set forth in any applicable fee letter) that are due and payable on or before the date set forth for payment of such fees in the Summary of Terms (or such fee letter, as applicable) provided, that nothing herein shall prohibit any Backstop DIP Lender from retaining fronting or seasoning services in connection with the funding of such Backstop DIP Lender's Backstop DIP Commitment.

In connection with the Backstop DIP Facility, you agree to provide and cause your advisors to provide the Backstop DIP Lenders or their advisors upon request with all reasonably requested information and all evaluations prepared by you and your advisors, or on your behalf, relating to the transactions contemplated hereby (including the Projections (as hereinafter defined), the "***Information***"); provided that the Information is subject to the terms of (a) any non-disclosure agreement, whether now or already existing, between you, on the one hand, and the Lender Advisors (as defined below) or any Backstop DIP Lender, on the other hand, and (b) Section 9.17 (*Confidentiality*) of the Prepetition Credit Agreement.

You represent, warrant and covenant that (a) all financial projections concerning Parent and its subsidiaries that have been or are hereafter made available to the Backstop DIP Lenders or their advisors by you or any of your representatives (or on your or their behalf) (the "***Projections***") have been or will be prepared in good faith based upon reasonable assumptions (it being understood and agreed that such Projections are provided as a general guide only and should not be relied upon as an indication or guarantee of future performance) and (b) all Information, other than Projections, which has been or is hereafter made available to the Backstop DIP Lenders or their advisors by you or any of your representatives (or on your or their behalf) in connection with any aspect of the transactions contemplated hereby, as and when furnished, is and will be complete and correct in all material respects and does not and will not contain any untrue statement of a material fact or omit to state a material fact necessary, in light of the circumstances under which they were made, to make the statements contained therein not materially misleading. If at any time prior to the termination of this Commitment Letter, any of the representations, warranties or covenants in the immediately preceding clause (b) would not be accurate and complete in any material respect if the Information were being furnished, and such representations and warranties were being made, at such time, you agree to promptly furnish us with further and supplemental Information so that the representations, warranties and covenants in the immediately preceding clause (b) remain accurate and complete in all material respects under those circumstances. In agreeing to its portion of the Backstop DIP Commitment with respect to the Backstop DIP Facility, each Backstop DIP Lender is and will be using and relying on the Information without independent verification thereof.

By executing this Commitment Letter, you agree to reimburse the Backstop DIP Lenders from time to time on demand for all reasonable and documented out-of-pocket fees and expenses (including, but not limited to, the reasonable fees, disbursements and other charges of (i) Wachtell, Lipton, Rosen & Katz, as counsel to the Backstop DIP Lenders, (ii) one local Texas counsel to the Backstop DIP Lenders, (iii) one counsel to the Administrative Agent, and (iv) one local counsel in each relevant jurisdiction retained by the

Backstop DIP Lenders (collectively, the "***Lender Advisors***") incurred in connection with the Backstop DIP Facility, the preparation of the definitive documentation therefor and the other transactions contemplated hereby and thereby. The foregoing obligations shall be payable whether or not definitive documentation for the Backstop DIP Facility is executed and/or whether or not the Backstop DIP Facility transactions are consummated. You acknowledge that we may receive a benefit, including without limitation, a discount, credit or other accommodation, from any of such counsel based on the fees such counsel may receive on account of their relationship with us including, without limitation, fees paid pursuant hereto.

Whether or not the transactions contemplated hereby are consummated, you agree to indemnify and hold harmless each Backstop DIP Lender and each of their affiliates and their respective officers, directors, employees, agents, accountants, attorneys, advisors and other representatives (each, a "***Representative***") and any Representative of such Representatives (each, an "***Indemnified Party***") from and against (and will reimburse each Indemnified Party as the same are incurred for) any and all claims, damages, losses, liabilities and expenses (including, without limitation, the reasonable fees, disbursements and other charges of counsel) that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or by reason of (including, without limitation, in connection with any investigation, litigation or proceeding or preparation of a defense in connection therewith) (a) any matters contemplated by this Commitment Letter or any related transaction or (b) the Backstop DIP Facility, or any use made or proposed to be made with the proceeds thereof IN ALL CASES, WHETHER OR NOT CAUSED OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF THE INDEMNIFIED PARTY, except to the extent such claim, damage, loss, liability or expense is found in a final, nonappealable judgment by a court of competent jurisdiction to have resulted from (y) such Indemnified Party's gross negligence or willful misconduct or (z) such Indemnified Party's material breach of its obligations under this Commitment Letter. In the case of an investigation, litigation or proceeding to which the indemnity in this paragraph applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by you, your equityholders or creditors or an Indemnified Party, whether or not an Indemnified Party is otherwise a party thereto and whether or not the transactions contemplated hereby are consummated. You also agree that no Indemnified Party shall have any liability (whether direct or indirect, in contract or tort or otherwise) to you or your subsidiaries or affiliates or to your or their respective equity holders or creditors arising out of, related to or in connection with any aspect of the transactions contemplated hereby, except to the extent direct, as opposed to special, indirect, consequential or punitive, damages have resulted from such Indemnified Party's gross negligence, willful misconduct or material breach of its obligations under this Commitment Letter, as determined in a final, nonappealable judgment by a court of competent jurisdiction. Notwithstanding any other provision of this Commitment Letter, no Indemnified Party shall be liable for any damages arising from the use by others of information or other materials obtained through electronic telecommunications or other information transmission systems, other than for direct or actual damages resulting from the gross negligence or willful misconduct of such Indemnified Party as determined by a final and nonappealable judgment of a court of competent jurisdiction.

You shall not effect any settlement of any pending or threatened investigation, litigation or proceedings in respect of which indemnity has been sought hereunder by an Indemnified Party without the prior written consent of such Indemnified Party (which consent shall not be unreasonably withheld or delayed) unless such settlement (i) includes an unconditional release of such Indemnified Party in form and substance satisfactory to such Indemnified Party from all liability or claims that are the subject matter of such investigation, litigation or proceedings, (ii) does not include any statement as to, or any admission of, fault by or on behalf of any Indemnified Party and (iii) includes confidentiality provisions that are customary or are reasonably satisfactory to such Indemnified Party (it being understood that any Indemnified Party may reasonably withhold its consent to any settlement that does not comply with clauses (i)-(iii) of this sentence).

This Commitment Letter and the contents hereof are confidential and, except for disclosure hereof or thereof on a confidential basis to your affiliates, representatives, accountants, attorneys and other professional advisors retained by you in connection with the Backstop DIP Facility or as otherwise required by law, may not be disclosed by you in whole or in part to any person or entity without our prior written consent; provided that it is understood and agreed that you may disclose this Commitment Letter (including the Summary of Terms) but not the fees contained in the Summary of Terms (or any applicable fee letter), after your acceptance of this Commitment Letter, in filings required by any applicable regulatory authorities and stock exchanges (provided that the Backstop DIP Lenders are provided with prior written notice of, and a reasonable opportunity to review, any such filing). Notwithstanding anything to the contrary in the foregoing, you shall be permitted to disclose this Commitment Letter to the extent necessary to obtain approval of the United States Bankruptcy Court for the Southern District of Texas (the "***Bankruptcy Court***") for the Backstop DIP Facility and the United States Trustee in connection with the Cases; provided that, to the extent any such disclosure of the fees set forth in the Summary of Terms is necessary to obtain Bankruptcy Court approval, the Backstop DIP Lenders shall have the right to require such disclosure to be made via a filing under seal and, to the extent required, by providing an unredacted copy thereof directly to the Bankruptcy Court. The Backstop DIP Lenders hereby notify you that pursuant to the requirements of the USA PATRIOT Act, Title III of Pub. L. 107-56 (signed into law October 26, 2001) (the "***Act***") and the requirements of 31 C.F.R. §1010.230 (the "***Beneficial Ownership Regulation***"), each of them is required to obtain, verify and record information that identifies you, which information includes your name and address and other information that will allow the Backstop DIP Lenders, as applicable, to identify you in accordance with the Act and the Beneficial Ownership Regulation. Except with respect to the prohibition on disclosure of the fees set forth in the Summary of Terms, this paragraph shall terminate on the first anniversary of the date hereof.

You acknowledge that any Backstop DIP Lender or its affiliates may be providing financing or other services to parties whose interests may conflict with yours. The Backstop DIP Lenders agree that they will not furnish confidential information obtained from you to any of their other customers and that they will treat confidential information relating to you and your affiliates with the same degree of care as they treat their own confidential information. The Backstop DIP Lenders further advise you that they will not make available to you confidential information that they have obtained or may obtain from any other customer. In connection with the services and transactions contemplated hereby, you agree that the Backstop DIP Lenders are permitted to access, use and share with any of their affiliates, agents, advisors (legal or otherwise) or representatives any information concerning you or any of your affiliates that is or may come into the possession of any Backstop DIP Lender or any of its affiliates.

In connection with all aspects of each transaction contemplated by this Commitment Letter, you acknowledge and agree, and acknowledge your affiliates' understanding, that: (a) (i) the transactions, agreements and commitments described herein regarding the Backstop DIP Facility are arm's-length commercial transactions between you and your affiliates, on the one hand, and each Backstop DIP Lender, on the other hand, (ii) you have consulted your own legal, accounting, regulatory and tax advisors to the extent you have deemed appropriate, and (iii) you are capable of evaluating, and understand and accept, the terms, risks and conditions of the transactions contemplated hereby; (b) (i) each Backstop DIP Lender has been, is, and will be acting solely as a principal and, except as otherwise expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for you, any of your affiliates or any other person or entity and (ii) no Backstop DIP Lender has any obligation to you or your affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein; and (c) the Backstop DIP Lenders and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from yours and those of your affiliates, and the Backstop DIP Lenders have no obligation to disclose any of such interests to you or your affiliates. To the fullest extent permitted by law, you hereby waive and release any claims that you may have against any Backstop DIP Lender or its affiliates and any and all related parties with respect to any breach or alleged

breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated by this Commitment Letter.

This Commitment Letter (including the Summary of Terms) shall be governed by, and construed in accordance with, the laws of the State of New York and, to the extent applicable, the Bankruptcy Code. Each Backstop DIP Lender and you hereby irrevocably waives any and all right to trial by jury in any action, proceeding or counterclaim (whether based on contract, tort or otherwise) arising out of or relating to this Commitment Letter (including the Summary of Terms), the transactions contemplated hereby and thereby or the actions of the Backstop DIP Lenders in the negotiation, performance or enforcement hereof. (a) SpeedCast International Limited, SpeedCast Americas, Inc., SpeedCast Communications, Inc. and SpeedCast Limited, as borrowers (in such capacity, the "**Prepetition Borrowers**"), (b) SpeedCast International Limited, as parent, (c) Black Diamond Commercial Finance, L.L.C., as successor administrative agent, collateral agent and security trustee (in such capacities, the "**Prepetition Agent**"), (d) the Term Lenders (as defined in the Prepetition Credit Agreement) party thereto (collectively, the "**Prepetition Term Loan Lenders**"), (e) the Issuing Banks (as defined in the Prepetition Credit Agreement) party thereto (the "**Prepetition Issuers**"), and (f) the Revolving Credit Lenders (as defined in the Prepetition Credit Agreement) party thereto (collectively, the "**Prepetition Revolving Lenders**" and, together with the Prepetition Term Loan Lenders, the "**Prepetition Lenders**") (the Prepetition Lenders, collectively with the Prepetition Agent, the Prepetition Issuers and all other holders of Prepetition Credit Facility Debt (as defined herein), the "**Prepetition Secured Parties**"), (1)(x) the Prepetition Issuers issued and participated in letters of credit in support of the Prepetition Borrowers and (y) the Prepetition Revolving Lenders provided revolving loans and other financial accommodations to the Prepetition Borrowers pursuant to the Prepetition Loan Documents (the "**Prepetition Revolving Credit Facility**") and (2) the Prepetition Term Loan Lenders provided term loans to the Prepetition Borrowers pursuant to the Prepetition Loan Documents (the "**Prepetition Term Loan Credit Facility**" and, together with the Prepetition Revolving Credit Facility, the "**Prepetition Credit Facilities**").

(ii) *Prepetition Guarantee*. Pursuant to that certain Guarantee Agreement, dated as of May 15, 2018 (as amended, restated, amended and restated, supplemented, waived, or otherwise modified from time to time), certain of the Debtors and their direct and indirect non-

Debtor subsidiaries and affiliates party thereto (the "**Prepetition Guarantors**") guaranteed on a joint and several basis the obligations under the Prepetition Loan Documents.

(iii) *Prepetition Credit Facility Debt*. As of the Petition Date, the Prepetition Borrowers were justly and lawfully indebted and liable to the Prepetition Secured Parties, without defense, counterclaim or offset of any kind, in the aggregate principal amount of not less than $689.7 million including (a) $87.7 million in outstanding principal amount of Revolving Loans (as defined in the Prepetition Credit Agreement), (b) $10.6 million of outstanding Letters of Credit (as defined in the Prepetition Credit Agreement) and (c) $591.4 million in outstanding principal amount of Term Loans (as defined in the Prepetition Credit Agreement) (collectively, together with accrued and unpaid interest, any reimbursement obligations (contingent or otherwise) in respect of letters of credit, any fees, expenses and disbursements (including attorneys' fees, accountants' fees, auditor fees, appraisers' fees and financial advisors' fees, and related expenses and disbursements), treasury, cash management, bank product and derivative obligations, indemnification obligations, guarantee obligations, and other charges, amounts and costs of whatever nature owing, whether or not contingent, whenever arising, accrued, accruing, due, owing, or chargeable in respect of any of the Prepetition Borrowers' or the Prepetition Guarantors' obligations pursuant to, or secured by, the Prepetition Credit Agreement, including all Obligations (as defined in the Prepetition Credit Agreement, the "**Prepetition Obligations**"), and all interest, fees, prepayment premiums, early termination fees, costs and other charges, the "**Prepetition Credit Facility Debt**") which Prepetition Credit Facility Debt has been guaranteed on a joint and several basis by each of the Prepetition Guarantors.

(iv) *Prepetition Credit Facility Liens.* As more fully set forth in the Prepetition Loan Documents, prior to the Petition Date, the Prepetition Borrowers and the Prepetition Guarantors each granted to the Prepetition Agent, for the benefit of itself and the other Prepetition Secured Parties, a security interest in and continuing lien on (the "**Prepetition Liens**") substantially all of their assets and property, including Cash Collateral, subject to certain limited customary exclusions as set forth in the Prepetition Loan Documents (the "**Prepetition Collateral**").

(v) *Validity, Perfection and Priority of Prepetition Liens and Prepetition Debt.* The Debtors acknowledge and agree that as of the Petition Date (a) the Prepetition Liens on the Prepetition Collateral were valid, binding, enforceable, non-avoidable and properly perfected and were granted to, or for the benefit of, the Prepetition Secured Parties for fair consideration and reasonably equivalent value; (b) the Prepetition Liens were senior in priority over any and all other liens on the Prepetition Collateral, subject only to certain liens senior by operation of law or otherwise permitted by the Prepetition Loan Documents (solely to the extent any such permitted liens were valid, properly perfected, non-avoidable and senior in priority to the Prepetition Liens as of the Petition Date, the "**Prepetition Permitted Prior Liens**"); (c) the Prepetition Credit Facility Debt constitutes legal, valid, binding, and non-avoidable obligations of the Prepetition Borrowers and Prepetition Guarantors enforceable in accordance with the terms of the applicable Prepetition Loan Documents; (d) no offsets, recoupments, challenges, objections, defenses, claims or counterclaims of any kind or nature to any of the Prepetition Liens or Prepetition Credit Facility Debt exist, and no portion of the Prepetition Liens or Prepetition Credit Facility Debt is subject to any challenge or defense, including avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable or otherwise)

pursuant to the Bankruptcy Code or applicable non-bankruptcy law; (e) the Debtors and their estates have no claims, objections, challenges, causes of action, and/or choses in action, including avoidance claims under Chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions for recovery or disgorgement, against any of the Prepetition Secured Parties or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors and employees arising out of, based upon or related to the Prepetition Credit Facilities; and (f) the Debtors waive, discharge, and release any right to challenge any of the Prepetition Credit Facility Debt, the priority of the Debtors' obligations thereunder, and the validity, extent, and priority of the Prepetition Liens securing the Prepetition Credit Facility Debt.

(vi) *No Control*. None of the Prepetition Secured Parties control the Debtors or their properties or operations, have authority to determine the manner in which any Debtors' operations are conducted or are control persons or insiders of the Debtors by virtue of any of the actions taken with respect to, in connection with, related to or arising from the Prepetition Loan Documents.

(vii) *No Claims or Causes of Action*. No claims or causes of action held by the Debtors or their estates exist against, or with respect to, the Prepetition Secured Parties (in their capacity as such) under any agreements by and among the Debtors and any Prepetition Secured Party that is in existence as of the Petition Date.

(viii) *Release*. Effective as of the date of entry of the Interim Order, each of the Debtors and the Debtors' estates, on its own behalf, on behalf of (to the greatest extent permitted by law) the Non-Debtor DIP Loan Parties, and on behalf of its and their past, present and future predecessors, successors, subsidiaries, and assigns, hereby absolutely, unconditionally and irrevocably releases and forever discharges and acquits the Prepetition Secured Parties, the DIP

Secured Parties and each of their respective subsidiaries, affiliates, officers, directors, managers, principals, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives and other professionals and the respective successors and assigns thereof, in each case in their respective capacity as such (collectively, the "**Representatives**" and, together with the Prepetition Secured Parties and the DIP Secured Parties, the "**Released Parties**"), from any and all obligations and liabilities to the Debtors (and their successors and assigns) and from any and all claims, counterclaims, demands, defenses, offsets, debts, accounts, contracts, liabilities, actions and causes of action arising prior to the Petition Date (collectively, the "**Released Claims**") of any kind, nature or description, whether matured or unmatured, known or unknown, asserted or unasserted, foreseen or unforeseen, accrued or unaccrued, suspected or unsuspected, liquidated or unliquidated, pending or threatened, arising in law or equity, upon contract or tort or under any state or federal law or otherwise, arising out of or related to (as applicable) the Prepetition Loan Documents, the DIP Documents, the obligations owing and the financial obligations made thereunder, the negotiation thereof and of the deal reflected thereby, and the obligations and financial obligations made thereunder, in each case that the Debtors at any time had, now have or may have, or that their successors or assigns hereafter can or may have against any of the Released Parties for or by reason of any act, omission, matter, cause or thing whatsoever arising at any time on or prior to the date of the Interim Order. For the avoidance of doubt, nothing in this release shall relieve the DIP Secured Parties of their Obligations under the DIP Documents from and after the date of the Interim Order.

K. *Findings Regarding the DIP Financing and Use of Cash Collateral.*

(i) Good and sufficient cause has been shown for the entry of this Final Order and for authorization of the Debtor DIP Loan Parties to obtain financing pursuant to the DIP Credit Agreement.

(ii) The Debtor DIP Loan Parties have a critical need for the DIP Financing and to continue to use Prepetition Collateral (including Cash Collateral) in order to permit, among other things, the repayment in full of the obligations under Original DIP Credit Agreement, under which the Original DIP Agent has delivered a notice asserting an event of default, the orderly continuation of the operation of their businesses, to maintain business relationships with vendors, suppliers and customers, to make payroll, to make capital expenditures, to satisfy other working capital and operational needs and to fund expenses of these Chapter 11 Cases. The access of the Debtor DIP Loan Parties to sufficient working capital and liquidity through the use of Cash Collateral and other Prepetition Collateral, the incurrence of new indebtedness under the DIP Documents and other financial accommodations provided under the DIP Documents are necessary and vital to the preservation and maintenance of the going concern values of the Debtor DIP Loan Parties and to a successful reorganization of the Debtor DIP Loan Parties.

(iii) The Debtor DIP Loan Parties are unable to obtain financing on more favorable terms from sources other than the DIP Lender under the DIP Documents and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtor DIP Loan Parties are also unable to obtain secured credit allowable under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code without granting to the DIP Secured Parties the DIP Liens and the DIP Superpriority

Claims (as defined herein) and incurring the Adequate Protection Obligations (as defined herein), in each case subject to the Carve-Out, under the terms and conditions set forth in the Interim Order, this Final Order, and the other DIP Documents.

(iv) The Debtor DIP Loan Parties continue to collect cash, rents, income, offspring, products, proceeds, and profits generated from the Prepetition Collateral and acquire equipment, inventory and other personal property, all of which constitute Prepetition Collateral under the Prepetition Loan Documents that are subject to the Prepetition Secured Parties' security interests as set forth in the Prepetition Loan Documents.

(v) The Debtor DIP Loan Parties desire to use a portion of the cash, rents, income, offspring, products, proceeds and profits described in the preceding paragraph in their business operations that constitute Cash Collateral of the Prepetition Secured Parties under section 363(a) of the Bankruptcy Code. Certain prepetition rents, income, offspring, products, proceeds, and profits, in existence as of the Petition Date, including balances of funds in the Debtor DIP Loan Parties' prepetition and postpetition operating bank accounts, also constitute Cash Collateral.

(vi) Based on the DIP Motion, the Healy Declarations, the Waldman Declarations, and the record presented to the Court at the Hearings, the terms of the DIP Financing, the terms of the adequate protection granted to the Prepetition Secured Parties as provided in paragraph 15 of this Final Order (the "**Adequate Protection**"), and the terms on which the DIP Loan Parties may continue to use the Prepetition Collateral (including Cash Collateral) pursuant to this Final Order and the DIP Documents are fair and reasonable, reflect the DIP Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties and constitute reasonably equivalent value and fair consideration.

(vii) The DIP Financing has been negotiated in good faith and at arm's length among the Debtor DIP Loan Parties, the DIP Secured Parties, and the Prepetition Secured Parties, and all of the Debtor DIP Loan Parties' obligations and indebtedness arising under, in respect of, or in connection with, the DIP Financing and the DIP Documents, including, without limitation: all loans made to and guarantees issued by the Debtor DIP Loan Parties pursuant to the DIP Documents and any DIP Obligations shall be deemed to have been extended by the DIP Agent and the DIP Secured Parties and their respective affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the DIP Agent and the DIP Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that the Interim Order, this Final Order, or any provision hereof or thereof is vacated, reversed or modified, on appeal or otherwise.

(viii) The DIP Secured Parties, the Prepetition Agent and the Prepetition Secured Parties have acted in good faith regarding the DIP Financing and the DIP Loan Parties' continued use of the Prepetition Collateral (including Cash Collateral) to fund the administration of the Debtor DIP Loan Parties' estates and continued operation of their businesses (including entry into the Syndicated Facility Amendment and the incurrence and payment of the Adequate Protection Obligations and the granting of the Adequate Protection Liens (as defined herein)), in accordance with the terms hereof, and the DIP Secured Parties, the Prepetition Agent and Prepetition Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of sections 363(m) of the Bankruptcy Code in the event that the Interim Order, this Final Order, or any provision hereof or thereof is vacated, reversed or modified, on appeal or otherwise.

(ix) The Prepetition Secured Parties are entitled to the Adequate Protection provided in the Interim Order and this Final Order as and to the extent set forth herein and therein pursuant to sections 361, 362, 363 and 364 of the Bankruptcy Code. Based on the DIP Motion and on the record presented to the Court, the terms of the proposed adequate protection arrangements and of the use of the Prepetition Collateral (including Cash Collateral) are fair and reasonable, reflect the Debtor DIP Loan Parties' prudent exercise of business judgment and constitute reasonably equivalent value and fair consideration for the use of the Prepetition Collateral, including the Cash Collateral, and the "Required Lenders" (as such term is defined in the Prepetition Credit Agreement, the "**Required Prepetition Lenders**"), have consented or are deemed hereby to have consented to the use of the Prepetition Collateral, including the Cash Collateral, and the priming of the Prepetition Liens by the DIP Liens pursuant to the DIP Documents. Nothing in the Interim Order or this Final Order constitutes a finding on the value of the Prepetition Collateral as of the Petition Date or any other date. All parties' rights are reserved with respect to the value of the Prepetition Collateral, and the amount of the Secured Parties' Section 507(b) Claims, Excess Adequate Protection Claims and Excess Section 507(b) Claims (in each case, if any) including for purposes of confirmation of a chapter 11 plan, and nothing herein shall prejudice any party's rights with respect to such issue, including based on principles of *res judicata*, collateral estoppel, or otherwise.

(x) The Debtors have previously prepared and delivered to the advisors to the DIP Secured Parties an initial budget (the "**Initial DIP Budget**"), attached as Schedule I to the Interim Order. The Initial DIP Budget reflects, among other things, the Parent's and its subsidiaries' anticipated cash receipts and anticipated disbursements for each calendar week, in form and substance satisfactory to the Required DIP Lenders (as defined in the DIP Credit

Agreement). The Initial DIP Budget may be modified, amended and updated from time to time in accordance with the DIP Credit Agreement, and once approved by the Required DIP Lenders, shall supplement and replace the Initial DIP Budget (the Initial DIP Budget and each subsequent approved budget, shall constitute without duplication, an "**Approved Budget**"). The Debtors believe that the Initial DIP Budget is reasonable under the facts and circumstances. The DIP Secured Parties are relying, in part, upon the DIP Loan Parties' agreement to comply with the Approved Budget (subject to only permitted variances), the other DIP Documents and this Final Order in determining to enter into the postpetition financing arrangements provided for in this Final Order.

(xi) Each of the Prepetition Secured Parties shall be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code and the "equities of the case" exception under section 552(b) of the Bankruptcy Code shall not apply to the Prepetition Secured Parties with respect to proceeds, product, offspring, or profits with respect to any of the Prepetition Collateral.

L. *Relief Essential; Best Interest.* Consummation of the DIP Financing and the use of Prepetition Collateral (including Cash Collateral), in accordance with this Final Order and the other DIP Documents are in the best interests of the Debtor DIP Loan Parties' estates and consistent with the Debtor DIP Loan Parties' exercise of their fiduciary duties. The DIP Motion, the Interim Order, and this Final Order comply with the requirements of Bankruptcy Local Rule 4001-1(b).

M. *Prepetition Permitted Prior Liens; Continuation of Prepetition Liens.* Nothing herein shall constitute a finding or ruling by this Court that any alleged Prepetition Permitted Prior Lien is valid, senior, enforceable, prior, perfected, or non-avoidable. Moreover, nothing

herein shall prejudice the rights of any party-in-interest, including, but not limited to, the Debtor DIP Loan Parties, the DIP Agent, the DIP Secured Parties, the Prepetition Agent, or the Prepetition Secured Parties to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Prepetition Permitted Prior Lien and/or security interests. The right of a seller of goods to reclaim such goods under section 546(c) of the Bankruptcy Code is not a Prepetition Permitted Prior Lien and is expressly subject to the DIP Liens (as defined herein). The Prepetition Liens, and the DIP Liens that prime the Prepetition Liens, are continuing liens and the DIP Collateral is and will continue to be encumbered by such liens in light of the integrated nature of the Refinancing DIP Facility, the DIP Documents and the Prepetition Loan Documents.

Based upon the foregoing findings and conclusions, the DIP Motion and the record before the Court with respect to the DIP Motion, and after due consideration and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. *Motion Granted*. The relief sought in the DIP Motion is granted, the financing described herein is authorized and approved, and the continued use of Cash Collateral is authorized, in each case, subject to the terms and conditions set forth in the DIP Documents and this Final Order. All objections to this Final Order to the extent not withdrawn, waived, settled, or resolved are hereby denied and overruled on the merits.

2. *Authorization of the DIP Financing and the DIP Documents*.

(a) The Debtor DIP Loan Parties were, by the Interim Order, and hereby are authorized, and the Debtors were, by the Interim Order, and hereby are authorized and directed to use reasonable best efforts to cause the Non-Debtor DIP Loan Parties, as applicable, to

execute, deliver, enter into and, as applicable, perform all of their obligations under the DIP Documents and such other and further acts as may be necessary, appropriate or desirable in connection therewith. The Borrower was, by the Interim Order, and hereby is authorized to borrow money pursuant to the DIP Credit Agreement; (x) each Debtor DIP Guarantor was, by the Interim Order, and hereby is authorized to, and (y) the Debtors were, by the Interim Order, and hereby are authorized and directed to use reasonable best efforts to cause the Non-Debtor DIP Loan Parties to provide a guaranty of payment in respect of the Borrower's obligations with respect to such borrowings, subject to any limitations on borrowing under the DIP Documents, which shall be used for all purposes permitted under the DIP Documents (and subject to and in accordance with the Approved Budget) (subject to any permitted variances).

(b) In furtherance of the foregoing and without further approval of this Court, each Debtor DIP Loan Party was, by the Interim Order, and hereby is authorized to, and authorized and directed to use reasonable best efforts to cause the Non-Debtor DIP Loan Parties to, perform all acts, to make, execute and deliver all instruments, certificates, agreements, letters, charges, deeds and documents (including, without limitation, the execution or recordation of pledge and security agreements, mortgages, financing statements and other similar documents), and to pay all fees, expenses and indemnities in connection with or that may be reasonably required, necessary, or desirable for the DIP Loan Parties' performance of their obligations under or related to the DIP Financing, including, without limitation:

(i) the execution and delivery of, and performance under, each of the DIP Documents;

(ii) the execution and delivery of, and performance under, one or more amendments, waivers, consents or other modifications to and under the DIP Documents,

in each case, in such form as the DIP Loan Parties and the DIP Agent (acting in accordance with the terms of the DIP Credit Agreement and at the direction of the Required DIP Lenders) may agree, it being understood that no further approval of this Court shall be required for any authorizations, amendments, waivers, consents or other modifications to and under the DIP Documents (and any fees and other expenses (including attorneys', accountants', appraisers' and financial advisors' fees), amounts, charges, costs, indemnities and other obligations paid in connection therewith) that do not shorten the maturity of the extensions of credit thereunder or increase the aggregate commitments or the rate of interest payable thereunder; *provided* that, for the avoidance of doubt, updates and supplements to the Approved Budget required to be delivered by the DIP Loan Parties under the DIP Documents shall not be considered amendments or modifications to the Approved Budget or the DIP Documents;

(iii) the non-refundable payment to the DIP Agent and the DIP Secured Parties, as the case may be, of all fees, whether paid pursuant to the Interim Order or this Final Order, including unused facility fees, amendment fees, prepayment premiums, administrative agent's, collateral agent's or security trustee's fees, indemnities and professional fees (which fees shall be irrevocable, and were deemed to have been, approved upon entry of the Interim Order, and whether or not the transactions contemplated hereby are consummated, and upon payment thereof, shall not be subject to any contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action or other challenge of any nature under the Bankruptcy Code, applicable non-bankruptcy law or otherwise) and any amounts due (or that may become due) in respect of the indemnification and expense reimbursement obligations, in each case referred to in the DIP Credit Agreement or DIP Documents (or in any separate letter agreements, including, without

limitation, any fee letters between any or all DIP Loan Parties, on the one hand, and any of the DIP Agent and/or DIP Secured Parties, on the other, in connection with the DIP Financing) and the costs and expenses as may be due from time to time, including, without limitation, fees and expenses of the professionals retained by, or on behalf of, any of the DIP Agent or DIP Secured Parties (including without limitation those of Wachtell, Lipton, Rosen & Katz, Vinson & Elkins LLP, MinterEllison, and any local legal counsel or other advisors in any foreign jurisdictions and any other advisors as are permitted under the DIP Documents), in each case, as provided for in the DIP Documents (collectively, the "**DIP Fees and Expenses**"), without the need to file retention motions or fee applications; and

(iv) the performance of all other acts required under or in connection with the DIP Documents, including the granting of the DIP Liens and the DIP Superpriority Claims and perfection of the DIP Liens and DIP Superpriority Claims as permitted herein and therein.

3. *DIP Obligations*. Upon execution and delivery of the DIP Documents, the DIP Documents shall constitute legal, valid, binding and non-avoidable obligations of the DIP Loan Parties, enforceable against each Debtor DIP Loan Party and their estates and each Non-Debtor DIP Loan Party in accordance with the terms of the DIP Documents and this Final Order, and any successors thereto, including any trustee appointed in the Chapter 11 Cases, or in any case under Chapter 7 of the Bankruptcy Code upon the conversion of any of the Chapter 11 Cases, or in any other proceedings superseding or related to any of the foregoing (collectively, the "**Successor Cases**"). Upon execution and delivery of the DIP Documents, the DIP Obligations shall include all loans and any other indebtedness or obligations, contingent or absolute, which may now or from time to time be owing by any of the DIP Loan Parties to any of

the DIP Agent or DIP Secured Parties, in each case, under, or secured by, the DIP Documents or this Final Order, including all principal, interest, costs, fees, expenses, indemnities and other amounts under the DIP Documents (including the Interim Order and this Final Order). The DIP Loan Parties shall be jointly and severally liable for the DIP Obligations. Except as permitted hereby, no obligation, payment, transfer, or grant of security hereunder or under the DIP Documents to the DIP Agent and/or the DIP Secured Parties (including their Representatives) shall be stayed, restrained, voidable, avoidable, or recoverable, under the Bankruptcy Code or under any applicable law (including, without limitation, under sections 502(d), 544, and 547 to 550 of the Bankruptcy Code or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any defense, avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), disallowance, impairment, claim, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity.

4. *Refinancing of the Original DIP Credit Agreement.* The Debtor DIP Loan Parties were, by the Interim Order, and hereby are authorized and directed, and the Debtors were, by the Interim Order, and hereby are authorized and directed to use reasonable best efforts to cause the Non-Debtor DIP Loan Parties, as applicable, without further notice or approval (to the extent such actions have not already occurred pursuant to the Interim Order) to (a) execute and deliver, and to perform all of their obligations (including contingent expense reimbursement and indemnification obligations) under the payoff letter in the form attached as Exhibit 2 to the Interim Order, as the same may be modified in a manner reasonably satisfactory to the Debtors, the Prepetition Agent, the DIP Lender and the Committee (the "**Payoff Letter**"), (b) use

proceeds of the Initial DIP Term Loans, at the closing of the DIP Facility (or, in the case of the succeeding clause (ii), thereafter in accordance with Paragraph 15(d)(i) below), to (i) indefeasibly repay in full in cash and discharge all obligations owed under the Original DIP Facility in accordance with the Payoff Letter, and (ii) indefeasibly pay in full in cash all fees and expenses payable pursuant to Paragraph 15(d)(i) below and set forth in the Payoff Letter, and (c) in connection with such repayment, terminate the Original DIP Facility documents, execute, deliver, enter into and, as applicable, perform all actions under such documents as reasonably required in furtherance of such repayment of the Original DIP Facility and termination of the Original DIP Facility Documents, and take such other and further acts as may be necessary, appropriate or desirable in connection therewith. The liens securing the obligations under the Original DIP Facility shall be automatically released and terminated upon the repayment in full of all such obligations (other than contingent obligations and other obligations not then payable which expressly survive termination of the Original DIP Credit Agreement). In furtherance of the foregoing and without further approval of this Court, each Debtor DIP Loan Party was, by the Interim Order, and hereby is authorized to, and was, by the Interim Order, and hereby is authorized and directed to use reasonable best efforts to cause the Non-Debtor DIP Loan Parties to make, execute and deliver all instruments, certificates, agreements, charges, deeds and documents necessary to evidence the repayment of the Original DIP Facility and the release of all security interests, liens, and claims related thereto (including, without limitation, the execution or recordation of documents necessary to release, cancel, or otherwise withdraw and pledge and security agreements, mortgages, financing statements and other similar documents), and to pay all fees, expenses and indemnities in connection therewith.

5. *Professional Fee Account*.

(a) The Debtors were, by the Interim Order, and hereby are authorized to maintain the existing Professional Fees Account (as defined in and established pursuant to the Original Orders) and all funds deposited therein, in accordance with the terms and conditions of the Interim Order and this Final Order. On a weekly basis, the Debtors shall continue transferring into the Professional Fees Account cash proceeds from the Refinancing DIP Facility or cash on hand in an amount equal to the aggregate unpaid amount of Estimated Fees and Expenses (as defined herein) included in all Weekly Statements (as defined herein) timely received by the Debtors, which shall be reported to the DIP Agent, or if an estimate is not provided, the total budgeted weekly fees of Professional Persons (as defined herein) for the prior week set forth in the Approved Budget. The Professional Fees Account shall not be subject to the control, liens, security interests, or claims of the DIP Agent, any DIP Lender, or any Prepetition Secured Party, other than the reversionary interest of the DIP Agent and Prepetition Agent (for the benefit of the DIP Secured Parties and Prepetition Secured Parties, respectively), which interest shall be senior to any interest of the Debtors therein.

(b) Each week, each person or firm retained by the Debtors pursuant to sections 327, 328, or 363 of the Bankruptcy Code (such persons or firms, the "**Debtor Professionals**") and any persons or firms retained by the Committee (the "**Committee Professionals**" and, together with the Debtor Professionals, the "**Professional Persons**" and, such fees and expenses of the Professional Persons, the "**Professional Fees**") shall deliver to the Debtors a statement (each such statement, a "**Weekly Statement**") setting forth a good-faith estimate of the amount of unpaid fees and expenses incurred during the preceding week by such Professional Person (the "**Estimated Fees and Expenses**"). No later than one business day after

the delivery of a Carve-Out Trigger Notice (as defined below) (the "**Carve-Out Statement Date**"), each Professional Person shall deliver one additional statement to the Debtors setting forth a good-faith estimate of the amount of Estimated Fees and Expenses incurred on and during the period prior to the Carve-Out Statement Date to the extent not otherwise paid or included in a previous Weekly Statement, and the Debtors shall transfer such amounts to the Professional Fees Account.

(c) The Debtors shall be authorized to use funds held in the Professional Fees Account to pay Professional Fees as they become allowed and payable pursuant to any interim or final order of the Bankruptcy Court or otherwise; *provided*, that when all allowed Professional Fees have been paid in full (regardless of when such Professional Fees are allowed by the Bankruptcy Court) and the Carve-Out (as defined herein) is funded, any funds remaining in the Professional Fees Account shall revert to the Debtors for use solely in accordance with the Interim Order, this Final Order and the other DIP Documents and subject to the DIP Liens, DIP Superpriority Claims, Adequate Protection Liens and Prepetition Secured Parties' Section 507(b) Claims, and Excess Section 507(b) Claims (as defined herein) in the order of priority set forth herein; *provided*, *further*, that the Debtors' obligations to pay allowed Professional Fees shall in no way be limited or deemed limited to funds held in the Professional Fees Account.

(d) Notwithstanding anything herein to the contrary, (i) funds transferred to the Professional Fees Account shall be held in trust exclusively for the Professional Persons, including with respect to obligations arising out of the Carve-Out (as defined herein) and (ii) funds transferred to the Professional Fees Account shall not be subject to any liens or claims granted to the DIP Agent or DIP Lender herein or any liens or claims granted to the Prepetition Agent or the Prepetition Secured Parties, and shall not constitute DIP Collateral, Prepetition

Collateral, or Cash Collateral; *provided*, that the DIP Collateral and the Prepetition Collateral shall include a reversionary interest in funds held in the Professional Fees Account, if any, after all allowed Professional Fees have been paid in full (regardless of when such Professional Fees are allowed by the Bankruptcy Court) and the Carve-Out (as defined herein) is funded, which reversionary interest shall be senior to (i) any liens and claims against the Debtors other than the Carve-Out and (ii) any interest of the Debtors therein.

6. *Carve-Out*.

(a) As used in the Interim Order and this Final Order, the term "**Carve-Out**" means the sum of: (i) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee under 28 U.S.C. § 1930(a) plus interest at the statutory rate (without regard to the notice set forth in clause (iv) below); (ii) fees and expenses up to $100,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in clause (iv) below); (iii) to the extent allowed at any time, whether by interim or final compensation order, all professional fees and expenses (excluding any transaction fees or success fees) of Professional Persons (collectively, the "**Allowed Professional Fees**") incurred at any time before or on the day of delivery by the DIP Agent of a Carve-Out Trigger Notice (as defined herein), whether allowed by the Bankruptcy Court prior to or after delivery of a Carve-Out Trigger Notice (as defined herein) and without regard to whether such fees and expenses are provided for in the Approved Budget; and (iv) Allowed Professional Fees incurred after the day following delivery by the DIP Agent of the Carve-Out Trigger Notice (as defined herein) in an aggregate amount not to exceed $7,000,000 (the amount set forth in this clause (iv) being the "**Post-Carve-Out Trigger Notice Cap**"); *provided*, *further*, that nothing herein shall be construed to impair the

ability of any party to object to the fees, expenses, reimbursement or compensation described in this paragraph 6(a) on any grounds.

(b) For purposes of the foregoing, "**Carve-Out Trigger Notice**" shall mean a written notice delivered by email (or other electronic means) by the DIP Agent (or, after the DIP Obligations have been indefeasibly paid in full and the DIP Commitments terminated, the Prepetition Agent) to the Debtors, their lead restructuring counsel (Weil, Gotshal & Manges LLP), the U.S. Trustee, and lead counsel to the Committee, which notice may be delivered following the occurrence and during the continuation of an Event of Default and acceleration of the obligations under the Refinancing DIP Facility (or, after the DIP Obligations have been indefeasibly paid in full and the DIP Commitments terminated, any occurrence that would constitute an Event of Default hereunder) or the occurrence of the Stated Maturity Date (as defined in the DIP Credit Agreement), stating that the Post-Carve-Out Trigger Notice Cap has been invoked.

(c) On the day on which a Carve-Out Trigger Notice is received by the Debtors, the Carve-Out Trigger Notice shall constitute a demand to the Debtors to utilize all cash on hand to transfer to the Professional Fees Account cash in an amount equal to all obligations benefitting from the Carve-Out.

(d) For the avoidance of doubt, to the extent that professional fees and expenses of the Professional Persons have been incurred by the Debtors at any time before or on the first business day after delivery by the DIP Agent or the Prepetition Agent, as applicable, of a Carve-Out Trigger Notice but have not yet been allowed by the Bankruptcy Court, such professional fees and expenses of the Professional Persons shall constitute Allowed Professional Fees benefiting from the Carve-Out upon their allowance by the Bankruptcy Court, whether by

interim or final compensation order and whether before or after delivery of the Carve-Out Trigger Notice, and the Debtors shall fund the Professional Fees Account in the amount of such professional fees and expenses.

(e) Following delivery of a Carve-Out Trigger Notice, the Debtors shall deposit into the Professional Fees Account any cash swept or foreclosed upon (including cash received as a result of the sale or other disposition of any assets) until the Professional Fees Account has been fully funded in an amount equal to all obligations benefiting from the Carve-Out. Notwithstanding anything to the contrary in the DIP Documents, the Interim Order or this Final Order, following delivery of a Carve-Out Trigger Notice, the DIP Agent shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Professional Fees Account has been fully funded in an amount equal to all obligations benefiting from the Carve-Out. Further, notwithstanding anything to the contrary herein, (i) disbursements by the Debtors from the Professional Fees Account shall not constitute DIP Loans, (ii) the failure of the Professional Fees Account to satisfy in full the Professional Fees shall not affect the priority of the Carve-Out, and (iii) in no way shall the Carve-Out, Professional Fees Account, any Approved Budget, the Permitted Variance, Weekly Statements, Estimated Fees and Expenses, or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors or that may be allowed by the Bankruptcy Court at any time (whether by interim order, final order, or otherwise).

7. *DIP Superpriority Claims*. Pursuant to section 364(c)(1) of the Bankruptcy Code, all of the DIP Obligations shall constitute allowed superpriority administrative expense claims against the Debtor DIP Loan Parties on a joint and several basis (without the need to file any proof of claim) with priority over any and all claims against the Debtor DIP Loan Parties,

existing as of the date of the Interim Order or thereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code and any and all administrative expenses or other claims arising under sections 105, 326, 327, 328, 330, 331, 365, 503(b), 506(a), 506(c), 507(a), 507(b), 726, 1113 or 1114 of the Bankruptcy Code (other than the Prepetition Secured Parties' Section 507(b) Claims), whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed claims (the "**DIP Superpriority Claims**") shall for purposes of section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code, and which DIP Superpriority Claims shall be payable from and have recourse to all prepetition and postpetition property of the Debtor DIP Loan Parties and all proceeds thereof (excluding claims and causes of action under sections 502(d), 544, 545, 547, 548 and 550 of the Bankruptcy Code, or any other avoidance actions under the Bankruptcy Code (collectively, "**Avoidance Actions**") but including any proceeds or property recovered, unencumbered or otherwise, from Avoidance Actions, whether by judgment, settlement or otherwise ("**Avoidance Proceeds**")) in accordance with the DIP Documents, the Interim Order, and this Final Order, subject only to the Carve-Out and Prepetition Secured Parties' Section 507(b) Claims, and all other property of the Non-Debtor DIP Loan Parties as set forth in this Interim Order and the DIP Documents. The DIP Superpriority Claims shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that the Interim Order, this Final Order or any provision hereof or thereof is vacated, reversed or modified, on appeal or otherwise. The DIP Superpriority Claims shall be *pari passu* in right of payment with one another, and subordinated to the Carve-Out and the Prepetition Secured Parties' Section 507(b) Claims. The DIP Lender shall not receive or retain

any payments, property or other amounts in respect of the DIP Superpriority Claims unless and until the Prepetition Secured Parties' Section 507(b) Claims have indefeasibly been paid in cash in full.

8. *DIP Liens*. As security for the DIP Obligations, effective and automatically and properly perfected upon the date of the Interim Order and without the necessity of the execution, recordation or filing by the DIP Loan Parties or any of the DIP Secured Parties of mortgages, security agreements, control agreements, pledge agreements, financing statements, notation of certificates of title for titled goods or other similar documents, instruments, deeds, charges or certificates, or the possession or control by the DIP Agent of, or over, any Collateral, the following valid, binding, continuing, enforceable and non-avoidable security interests and liens (all security interests and liens granted to the DIP Agent, for its benefit and for the benefit of the DIP Secured Parties, pursuant to the Interim Order, this Final Order and the DIP Documents, the "**DIP Liens**") were, by the Interim Order, and hereby are granted to the DIP Agent for its own benefit and the benefit of the DIP Secured Parties (all property identified in clauses (a) through (c) below being collectively referred to as the "**DIP Collateral**"); *provided* that notwithstanding anything herein to the contrary, the DIP Liens shall be (a) subject and junior to the Carve-Out and the Adequate Protection Liens in all respects and (b) senior in all respects to the Prepetition Liens:

(a) *Liens on Unencumbered Property*. Pursuant to section 364(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully perfected first priority senior security interest in and lien upon all prepetition and postpetition property of the Debtor DIP Loan Parties, whether existing on the Petition Date or thereafter acquired, that, on or as of the Petition Date, is not subject to (i) a valid, perfected and non-avoidable lien or (ii) a valid and non-

avoidable lien in existence as of the Petition Date that is perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, including, without limitation, any property that is or was subject to a lien under the Original DIP Facility and all unencumbered cash of the Debtor DIP Loan Parties (whether maintained with any of the DIP Secured Parties or otherwise) and any investment of cash, inventory, accounts receivable, other rights to payment whether arising before or after the Petition Date, contracts, properties, plants, fixtures, machinery, equipment, general intangibles, documents, instruments, securities, goodwill, commercial tort claims and claims that may constitute commercial tort claims (known and unknown), chattel paper, interests in leaseholds, real properties, deposit accounts, patents, copyrights, trademarks, trade names, rights under license agreements and other intellectual property, capital stock of subsidiaries, wherever located, and the proceeds, products, rents and profits of the foregoing, whether arising under section 552(b) of the Bankruptcy Code or otherwise, of all the foregoing (the "**Unencumbered Property**"), in each case other than the Avoidance Actions (but, for the avoidance of doubt, "Unencumbered Property" shall include Avoidance Proceeds); provided that, the DIP Collateral shall not include any proceeds of Avoidance Actions that are successfully prosecuted against the Prepetition Secured Parties (for the avoidance of doubt for purposes of this provision, solely in their capacity as Prepetition Secured Parties).

(b) *Liens Priming Certain Prepetition Secured Parties' Liens*. Pursuant to section 364(d)(1) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected first priority senior priming security interest in and lien upon all prepetition and postpetition property of the Debtor DIP Loan Parties subject to the Prepetition Liens, regardless of where located, regardless whether or not any liens on such assets are voided, avoided, invalidated, lapsed or unperfected (the "**Priming Liens**"), which Priming Liens shall prime in all

respects the interests of the Prepetition Secured Parties arising from the current and future liens of the Prepetition Secured Parties other than the Adequate Protection Liens granted to the Prepetition Secured Parties (the "**Primed Liens**").

(c) *Liens Junior to Certain Other Liens*. Pursuant to section 364(c)(3) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully perfected security interest in and lien upon all tangible and intangible prepetition and postpetition property of each Debtor DIP Loan Party that is subject to either (i) valid, perfected and non-avoidable senior liens in existence immediately prior to the Petition Date (other than the Primed Liens) or (ii) any valid and non-avoidable senior liens (other than the Primed Liens) in existence immediately prior to the Petition Date that are perfected subsequent to such commencement as permitted by section 546(b) of the Bankruptcy Code, which shall be junior and subordinate to (x) any valid, perfected and non-avoidable liens (other than the Primed Liens) in existence immediately prior to the Petition Date, and (y) any such valid and non-avoidable liens in existence immediately prior to the Petition Date that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code; *provided* that nothing in the foregoing clauses (i) and (ii) shall limit the rights of the DIP Secured Parties under the DIP Documents to the extent such liens are not permitted thereunder; and

(d) *Liens Senior to Certain Other Liens.* The DIP Liens shall not be (i) subject or subordinate to or made *pari passu* with (A) any lien or security interest that is avoided and preserved for the benefit of the Debtors or their estates under section 551 of the Bankruptcy Code, (B) other than the Adequate Protection Liens or unless otherwise provided for in the DIP Documents, the Interim Order or this Final Order, any liens or security interests arising after the Petition Date, including, without limitation, any liens or security interests

granted in favor of any federal, state, municipal or other governmental unit (including any regulatory body), commission, board or court for any liability of the Debtor DIP Loan Parties, or (C) any intercompany or affiliate liens of the Debtor DIP Loan Parties or security interests of the Debtor DIP Loan Parties; or (ii) subordinated to or made *pari passu* with any other lien or security interest under section 363 or 364 of the Bankruptcy Code granted after the date hereof.

9. *Protection of DIP Lender's Rights*.

(a) Other than with respect to the Adequate Protection Liens, so long as there are any DIP Obligations outstanding or the DIP Lender has any outstanding Commitments (the "**DIP Commitments**") under the DIP Documents, the Prepetition Secured Parties shall: (i) have no right to and shall take no action to foreclose upon, or recover in connection with, the liens granted thereto pursuant to the Prepetition Loan Documents, the Interim Order or this Final Order, or otherwise seek to exercise or enforce any rights or remedies against the DIP Collateral; (ii) be deemed to have consented to any transfer, disposition or sale of, or release of liens on, the DIP Collateral (but not any proceeds of such transfer, disposition or sale to the extent remaining after payment in cash in full of the DIP Obligations and termination of the DIP Commitments), to the extent the transfer, disposition, sale or release is authorized under the DIP Documents; (iii) not file any further financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or otherwise take any action to perfect their security interests in the DIP Collateral other than as necessary to give effect to this Final Order other than, (x) solely as to this clause (iii), the DIP Agent filing financing statements or other documents to perfect the liens granted pursuant to this Final Order, or (y) as may be required by applicable state law or foreign law to complete a previously commenced process of perfection or to continue the perfection of valid and non-avoidable liens or security interests existing as of the

Petition Date; and (iv) deliver or cause to be delivered, at the DIP Loan Parties' cost and expense, any termination statements, releases and/or assignments in favor of the DIP Agent or the DIP Secured Parties or other documents necessary to effectuate and/or evidence the release, termination and/or assignment of liens on any portion of the DIP Collateral subject to any sale or court-approved disposition.

(b) To the extent any Prepetition Secured Party, agent or lender under the Original DIP Credit Agreement has possession of any Prepetition Collateral or DIP Collateral or has control with respect to any Prepetition Collateral or DIP Collateral, or has been noted as a secured party on any certificate of title for a titled good constituting Prepetition Collateral or DIP Collateral, then such Prepetition Secured Party, agent or lender, as applicable, shall be deemed to maintain such possession or notation or exercise such control as a gratuitous bailee and/or gratuitous agent for perfection for the benefit of the Prepetition Lenders (only to the extent of the Adequate Protection Liens), the DIP Agent and the DIP Secured Parties, and such Prepetition Secured Party, agent and lender, as applicable, after payment in full of the Adequate Protection Obligations, shall comply with the instructions of the DIP Agent, acting at the direction of the Required DIP Lenders, with respect to the exercise of such control.

(c) Any proceeds of Prepetition Collateral subject to the Primed Liens received by any Prepetition Secured Party, whether in connection with the exercise of any right or remedy (including setoff) relating to the Prepetition Collateral or otherwise received by the Prepetition Agent, shall be segregated and held in trust for the benefit of and, after satisfaction of the Prepetition Secured Parties' Section 507(b) Claims, forthwith paid over to the DIP Agent for the benefit of the DIP Secured Parties in the same form as received, with any necessary endorsements. The DIP Agent is hereby authorized to make any such endorsements as agent for

the Prepetition Agent or any such Prepetition Secured Parties. This authorization is coupled with an interest and is irrevocable.

(d) The Automatic Stay is hereby modified to the extent necessary to permit the DIP Agent (acting at the direction of the Required DIP Lenders) (and in the case of the following clause (i), after the DIP Obligations have been indefeasibly paid in full and the DIP Commitments terminated, the Prepetition Agent, acting at the direction of the Required Prepetition Lenders) to take any or all of the following actions, at the same or different time, in each case without further order or application of the Court and immediately upon the occurrence of an Event of Default: (i) deliver a notice of an Event of Default to the Debtors; (ii) declare the termination, reduction or restriction of any further DIP Commitment to the extent any such DIP Commitment remains outstanding; (iii) declare the termination of the DIP Documents as to any future liability or obligation of the DIP Agent and the DIP Secured Parties (but, for the avoidance of doubt, without affecting any of the DIP Liens or the DIP Obligations); and (iv) declare all applicable DIP Obligations to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are expressly waived by the Debtors (or, in the case of the Prepetition Agent, rescind consent to the use of Prepetition Collateral (including Cash Collateral)). Following the delivery of such notice, the DIP Agent (or, after the DIP Obligations have been indefeasibly paid in full and the DIP Commitments terminated, the Prepetition Agent) may file a motion (the "**Stay Relief Motion**") seeking emergency relief from the Automatic Stay on at least five (5) business days' notice to request a further order of the Court permitting the DIP Agent (or Prepetition Agent, if applicable), whether or not the maturity of any of the DIP Obligations shall have been accelerated, to proceed to protect, enforce and exercise all other rights and remedies provided for in the DIP Documents

and under applicable law, including, but not limited to, by suit in equity, action at law or other appropriate proceeding, whether for the specific performance of any covenant or agreement contained in any such DIP Document or any instrument pursuant to which such DIP Obligations are evidenced, and, if such amount shall have become due, by declaration or otherwise, proceed to enforce the payment thereof or any other legal or equitable right of any of such DIP Secured Parties. The Debtors shall not object to the fact that the Stay Relief Motion is being heard on such shortened notice. Until such time that the Stay Relief Motion has been adjudicated by the Court the Debtor DIP Loan Parties may use the proceeds of the Refinancing DIP Facility (to the extent drawn prior to the occurrence of Event of Default) or Cash Collateral to fund operations in accordance with the DIP Credit Agreement and the Approved Budget (subject to permitted variances).

(e) No rights, protections or remedies of the DIP Agent or the DIP Secured Parties granted by the provisions of the Interim Order, this Final Order, or the other DIP Documents shall be limited, modified or impaired in any way by: (i) any actual or purported withdrawal of the consent of any party to the Debtors' authority to continue to use Cash Collateral; (ii) any actual or purported termination of the Debtors' authority to continue to use Cash Collateral; or (iii) the terms of any other order or stipulation related to the Debtors' continued use of Cash Collateral or the provision of adequate protection to any party.

10. *Limitation on Charging Expenses Against Collateral.* No costs or expenses of administration of the Chapter 11 Cases or any Successor Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the DIP Collateral (including Cash Collateral) or Prepetition Collateral pursuant to section 506(c) of the Bankruptcy Code or any

similar principle of law, without the prior written consent of the DIP Agent or the Prepetition Agent, as applicable, and no consent shall be implied from any other action, inaction or acquiescence by the DIP Agent, the DIP Secured Parties, the Prepetition Agent or the Prepetition Secured Parties, and nothing contained in the Interim Order or this Final Order shall be deemed to be a consent by the DIP Agent, the DIP Secured Parties, the Prepetition Agent or the Prepetition Secured Parties to any charge, lien, assessment or claims against the Collateral under section 506(c) of the Bankruptcy Code or otherwise.

11. *No Marshaling*. In no event shall the DIP Agent, the DIP Secured Parties, the Prepetition Agent or the Prepetition Secured Parties be subject to the equitable doctrine of "marshaling" or any similar doctrine with respect to the DIP Collateral, the DIP Obligations, the Prepetition Credit Facility Debt, or the Prepetition Collateral; *provided* that prior to seeking payment of any DIP Obligations, DIP Liens, the Prepetition Secured Parties' 507(b) Claims, Excess Section 507(b) Claims, or Adequate Protection Liens from Avoidance Proceeds, the DIP Secured Parties and Prepetition Secured Parties shall use reasonable best efforts to first satisfy such claims or liens from all other DIP Collateral. Further, in no event shall the "equities of the case" exception in section 552(b) of the Bankruptcy Code apply to the Prepetition Agent or the Prepetition Secured Parties with respect to proceeds, products, offspring or profits of any Prepetition Collateral.

12. *Payments Free and Clear*. Any and all payments or proceeds remitted to the DIP Agent by, through or on behalf of the DIP Secured Parties pursuant to the provisions of the Interim Order, this Final Order, or the other DIP Documents or any subsequent order of the Court shall be irrevocable, received free and clear of any claim, charge, assessment or other liability, including without limitation, any claim or charge arising out of or based on, directly or

indirectly, sections 506(c) or 552(b) of the Bankruptcy Code, whether asserted or assessed by through or on behalf of the Debtors.

13. *Use of Cash Collateral.* The Debtors are hereby authorized, subject to the terms and conditions of this Final Order, to continue to use all Cash Collateral; *provided* that (a) the Prepetition Secured Parties are granted the Adequate Protection as hereinafter set forth and (b) except on the terms and conditions of this Final Order, the Debtors shall be enjoined and prohibited from at any times using the Cash Collateral absent further order of the Court.

14. *Disposition of DIP Collateral.* The Debtor DIP Loan Parties shall not sell, transfer, lease, encumber or otherwise dispose of any portion of the DIP Collateral, except as otherwise provided for in the DIP Documents or otherwise permitted by an order of the Court.

15. *Adequate Protection of Prepetition Secured Parties.* The Prepetition Secured Parties are entitled, pursuant to sections 361, 362, 363(e), 364(d)(1), and 507 of the Bankruptcy Code, to adequate protection of their interests in all Prepetition Collateral (including Cash Collateral) in an amount equal to the aggregate diminution in the value of the Prepetition Secured Parties' interests in the Prepetition Collateral (including Cash Collateral) from and after the Petition Date, if any, for any reason provided for under the Bankruptcy Code, including, without limitation, any diminution resulting from the sale, lease or use by the Debtors of the Prepetition Collateral, the priming of the Prepetition Liens by the DIP Liens pursuant to the DIP Documents, the Interim Order and this Final Order, the payment of any amounts under the Carve-Out or pursuant to the Interim Order, this Final Order or any other order of the Court or provision of the Bankruptcy Code or otherwise, and the imposition of the Automatic Stay (the "**Adequate Protection Claims**"); *provided*, that the priming of the Prepetition Liens by the liens securing the DIP Roll-Up Loans (as defined in the Original Orders) (but not, for the

avoidance of doubt, the DIP New Money Term Loans (as defined in the Original Orders)) shall not, in and of itself, constitute diminution in value for purposes of determining the amount of the Prepetition Secured Parties' Adequate Protection Claims. In consideration of the foregoing, the Prepetition Agent, for the benefit of the Prepetition Secured Parties, was, by the Interim Order, and hereby is granted the following as Adequate Protection for, and to secure repayment of an amount equal to such Adequate Protection Claims, and as an inducement to the Prepetition Secured Parties to consent to the priming of the Prepetition Liens and use of the Prepetition Collateral (including Cash Collateral) (collectively, the "**Adequate Protection Obligations**"):

(a) *Prepetition Adequate Protection Liens*. The Prepetition Agent, for itself and for the benefit of the other Prepetition Secured Parties, was, pursuant to the Interim Order, and hereby is granted (effective and perfected upon the date of the Original Interim Order, but from and after entry of the Interim Order, subject to the priorities set forth in, and the other provisions of, the Interim Order and this Final Order, and without the necessity of the execution of any mortgages, security agreements, pledge agreements, financing statements or other agreements) in the amount of the Prepetition Secured Parties' Adequate Protection Claims up to $150 million, a valid, perfected replacement security interest in and lien upon all of the DIP Collateral (such liens securing the Adequate Protection Claims, if any, in an amount not to exceed $150 million, the "**Adequate Protection Liens**"), in each case subject and subordinate only to the Carve-Out.

(b) *Prepetition Secured Parties' Section 507(b) Claims*. The Prepetition Agent, for itself and for the benefit of the other Prepetition Secured Parties, was, by the Interim Order, and hereby is granted, subject to the Carve-Out, an allowed superpriority administrative expense claim as provided for in section 507(b) of the Bankruptcy Code in the amount of the

Prepetition Secured Parties' Adequate Protection Claims up to $150 million, with priority in payment over any and all administrative expenses of the kind specified or ordered pursuant to any provision of the Bankruptcy Code (including the DIP Superpriority Claims) (such claims, if any, in an amount not to exceed $150 million, the "**Prepetition Secured Parties' Section 507(b) Claims**") which Prepetition Secured Parties' Section 507(b) Claims shall have recourse to and be payable from all prepetition and postpetition property of the Debtors and all proceeds thereof (excluding Avoidance Actions, but including Avoidance Proceeds). The Prepetition Secured Parties' Section 507(b) Claims shall be senior to the DIP Superpriority Claims and subject and subordinate only to the Carve-Out;

(c) *Excess Section 507(b) Claims.* To the extent the Adequate Protection Claims are in excess of $150 million (the amount of such Adequate Protection Claims, if any, in excess of $150 million, the "**Excess Adequate Protection Claims**"), the Prepetition Agent, for itself and for the benefit of the other Prepetition Secured Parties, was, by the Interim Order, and hereby is granted an allowed superpriority administrative expense claim as provided for in section 507(b) of the Bankruptcy Code in the amount of the Excess Adequate Protection Claims, with priority in payment over any and all administrative expenses of the kind specified or ordered pursuant to any provision of the Bankruptcy Code, other than the Carve-Out, the Prepetition Secured Parties' Section 507(b) Claims, and the DIP Superpriority Claims (the "**Excess Section 507(b) Claims**"), which Excess Section 507(b) Claims shall have recourse to and be payable from all prepetition and postpetition property of the Debtors and all proceeds thereof (excluding Avoidance Actions, but including Avoidance Proceeds). The Excess Section 507(b) Claims shall be subject and subordinate to the Carve-Out, the Prepetition Secured Parties' Section 507(b) Claims, and the DIP Superpriority Claims.

(d) *Prepetition Secured Parties Fees and Expenses*. The Debtor DIP Loan Parties shall provide, for the benefit of the Prepetition Secured Parties, (i) payment of all documented fees and expenses of (1) Skadden, Arps, Slate, Meagher & Flom LLP, as counsel to the Required Prepetition Lenders, (2) Davis Polk & Wardwell LLP, Stroock & Stroock & Lavan LLP, Rapp & Krock, P.C., and Ernst & Young LLP as professionals retained by, or on behalf of, the ad hoc group of Prepetition Lenders, and (3) primary, special and local counsel (in each applicable jurisdiction) to the Prepetition Agent, in each case to the extent incurred prior to the Closing Date and invoiced within eight (8) business days of such date, (ii) payment of reasonable and documented fees and expenses of counsel to the Prepetition Agent and Required Prepetition Lenders incurred on or after the Closing Date, up to an aggregate monthly amount (of all such counsel taken together) of $375,000, and (iii) payment of reasonable and documented fees and expenses of Davis Polk & Wardwell LLP, as counsel to the ad hoc group of Prepetition Lenders, incurred on or after the Closing Date, up to an aggregate amount of $250,000 (collectively, the "**Adequate Protection Fees and Expenses**"), in each case subject to the review procedures set forth in paragraph 19 of this Final Order.

(e) *Adequate Protection Payments.* Upon infeasible payment in full of all DIP Obligations and termination of all DIP Commitments, the Prepetition Secured Parties were, by the Interim Order, and hereby are entitled to application of all mandatory prepayments as described in Section 2.13 of the DIP Credit Agreement to repayment of Adequate Protection Claims and, upon indefeasible payment in full of all DIP Obligations and termination of all DIP Commitments, the Prepetition Secured Obligations (as defined in the Prepetition Credit Agreement) in accordance with the priorities set forth in the Prepetition Loan Documents and this Interim Order (the "**Adequate Protection Payments**"); *provided* that the application of such

mandatory prepayments to the Adequate Protection Claims or Prepetition Secured Obligations, as applicable, shall only be permitted upon notice and hearing before the Court, including to determine whether and to what extent the Prepetition Secured Parties have an allowed Adequate Protection Claim, and the rights of the DIP Agent, the DIP Lender, the Committee, the Debtors and other parties in interest to argue that such amounts should not be so applied are hereby expressly preserved; *provided further* that any amounts subject to application pursuant to this paragraph 15(e) shall, upon receipt by any DIP Loan Party, be held in a segregated escrow account by the Debtors until the time that such motion regarding the application thereof is resolved, at which time the proceeds shall be applied in accordance with such resolution.

(f) *Prepetition Secured Parties' Information Rights*. The DIP Loan Parties shall promptly provide the Prepetition Agent, for distribution to the Prepetition Secured Parties (and subject to applicable confidentiality restrictions governing the Prepetition Credit Agreement, including with respect to any "private" side lender database), and the Committee or its professionals (pursuant to a confidentiality agreement or information sharing protocol in form and substance reasonably satisfactory to the Debtors) with all required written financial reporting and other periodic reporting that is required to be provided to the DIP Agent or the DIP Secured Parties under the DIP Documents, including without limitation the reporting required under Sections 5.04, 5.05, 5.06 and 5.07 of the DIP Credit Agreement (the "**Adequate Protection Reporting Requirement**").

(g) *Maintenance of Collateral*. The DIP Loan Parties shall continue to maintain and insure the Prepetition Collateral and DIP Collateral in amounts and for the risks, and by the entities, as required under the Prepetition Credit Facilities and the DIP Documents.

16. *Reservation of Rights of Prepetition Secured Parties.* Under the circumstances and given that the above-described adequate protection is consistent with the Bankruptcy Code, including section 506(b) thereof, the Court finds that the adequate protection provided herein is reasonable and sufficient to protect the interests of the Prepetition Secured Parties and any other parties' holding interests that are secured by Primed Liens.

17. *Perfection of DIP Liens and Adequate Protection Liens.*

(a) Without in any way limiting the automatically effective perfection of the DIP Liens granted pursuant to paragraph 8 hereof and the Adequate Protection Liens granted pursuant to paragraph 15 hereof, the DIP Agent, the DIP Secured Parties, the Prepetition Agent and the Prepetition Secured Parties were, by the Interim Order, and hereby are authorized, but not required, to file or record (and to execute in the name of the DIP Loan Parties and the Prepetition Secured parties (as applicable), as their true and lawful attorneys, with full power of substitution, to the maximum extent permitted by law) financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments in any jurisdiction, including as may be reasonably required or deemed appropriate by the DIP Agent, acting at the direction of the Required DIP Lenders, and the Prepetition Agent, acting at the direction of the Required Prepetition Lenders, under applicable local laws, or take possession of or control over cash or securities, or to amend or modify security documents, or enter into, amend, supplement or modify intercreditor agreements, or to subordinate existing liens and any other similar action or action in connection therewith or take any other action in order to document, validate and perfect the liens and security interests granted to them hereunder (the "**Perfection Actions**"). Whether or not the DIP Agent, on behalf of the DIP Secured Parties and acting at the direction of the Required DIP Lenders, or the Prepetition Agent, on behalf of the Prepetition Secured Parties

and acting at the direction of the Required Prepetition Lenders, shall take such Perfection Actions, the liens and security interests shall be deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination, at the time and on the date of entry of the Interim Order. Upon the request of the DIP Agent, acting at the direction of the Required DIP Lenders, or the Prepetition Agent, acting at the direction of the Required Prepetition Lenders, each of the Prepetition Secured Parties and the Debtor DIP Loan Parties, without any further consent of any party, and at the sole cost of the Debtors as set forth herein, is authorized (in the case of the Debtor DIP Loan Parties), authorized and directed to use reasonable best efforts to cause (in the case of the Debtors with respect to the Non-Debtor DIP Loan Parties) and directed (in the case of the Prepetition Secured Parties), and such direction is hereby deemed to constitute required direction under the applicable DIP Documents or Prepetition Loan Documents, to take, execute, deliver and file such actions, instruments and agreements (in each case, without representation or warranty of any kind) to enable the DIP Agent to further validate, perfect, preserve and enforce the DIP Liens in all jurisdictions required under the DIP Credit Agreement, including all local law documentation therefor determined to be reasonably necessary by the DIP Agent, acting at the direction of the Required DIP Lenders; *provided*, *however*, that no action need be taken in a foreign jurisdiction that would jeopardize the validity and enforceability of the Prepetition Liens. All such documents will be deemed to have been recorded and filed as of the Petition Date. To the extent necessary to effectuate the terms of the Interim Order, this Final Order, and the other DIP Documents, each of the DIP Agent and the Prepetition Agent hereby is deemed to appoint the other (and deemed to have accepted such appointment) to act as its agent with respect to the Shared Collateral (as defined in the DIP Documents) and under the Common Security Documents (as defined in the DIP

Documents) to which they are a party in such capacity, with such powers as are expressly delegated thereto under the DIP Documents and Prepetition Loan Documents (and even if it involves self-contracting and multiple representation to the extent legally possible), together with such other powers as are reasonably incidental thereto.

(b) A certified copy of the Interim Order and/or this Final Order may, in the discretion of the DIP Agent, acting at the direction of the Required DIP Lenders, and the Prepetition Agent, acting at the direction of the Required Prepetition Lenders, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized and directed to accept a certified copy of the Interim Order and/or this Final Order for filing and/or recording, as applicable. The Automatic Stay shall be modified to the extent necessary to permit the DIP Agent and the Prepetition Agent to take all actions, as applicable, referenced in this subparagraph (b) and the immediately preceding subparagraph (a).

18. *Preservation of Rights Granted Under this Final Order.*

(a) Other than the Carve-Out and other claims and liens expressly granted by this Final Order, no claim or lien having a priority superior to or *pari passu* with those granted by this Final Order to the DIP Agent and the DIP Secured Parties or the Prepetition Agent and the Prepetition Secured Parties shall be permitted while any of the DIP Obligations or the Adequate Protection Obligations remain outstanding, and, except as otherwise expressly provided in this Final Order, the DIP Liens and the Adequate Protection Liens shall not be: (i) subject or junior to any lien or security interest that is avoided and preserved for the benefit of the Debtors' estates under section 551 of the Bankruptcy Code; (ii) subordinated to or made *pari passu* with any other lien or security interest, whether under section 364(d) of the Bankruptcy

Code or otherwise; (iii) subordinated to or made *pari passu* with any liens arising after the Petition Date including, without limitation, any liens or security interests granted in favor of any federal, state, municipal or other domestic or foreign governmental unit (including any regulatory body), commission, board or court for any liability of the DIP Loan Parties; or (iv) subject or junior to any intercompany or affiliate liens or security interests of the DIP Loan Parties.

(b) The occurrence of (i) any Event of Default or (ii) any violation of any of the terms of this Final Order, shall, after notice, in writing to the Borrower, by (x) the DIP Agent (acting in accordance with the terms of this Final Order) and, (y) after indefeasible payment in full of the DIP Obligations and termination of the DIP Commitments, the Prepetition Agent acting at the direction of the Required Prepetition Lenders, constitute an event of default under this Final Order (each an "**Event of Default**") and, upon any such Event of Default, interest, including, where applicable, default interest, shall accrue and be paid as set forth in the DIP Credit Agreement. Notwithstanding any order that may be entered dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code: (A) the DIP Superpriority Claims, the Prepetition Secured Parties' Section 507(b) Claims, the Excess Section 507(b) Claims, the DIP Liens, and the Adequate Protection Liens, and any claims related to the foregoing, shall continue in full force and effect and shall maintain their priorities as provided in this Final Order until all DIP Obligations and Adequate Protection Obligations shall have been paid in full (and such DIP Superpriority Claims, Prepetition Secured Parties' Section 507(b) Claims, the Excess Section 507(b) Claims, DIP Liens, and Adequate Protection Liens shall, notwithstanding such dismissal, remain binding on all parties in interest); (B) the other rights granted by this Final Order, including with respect to the Carve-Out, shall not be

affected; and (C) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in this paragraph and otherwise in this Final Order.

(c) If any or all of the provisions of this Final Order are hereafter reversed, modified, vacated or stayed, such reversal, modification, vacatur or stay shall not affect: (i) the validity, priority or enforceability of any DIP Obligations or Adequate Protection Obligations incurred prior to the actual receipt of written notice by the DIP Agent or the Prepetition Agent, as applicable, of the effective date of such reversal, modification, vacatur or stay; or (ii) the validity, priority or enforceability of the DIP Liens or the Adequate Protection Liens or the Carve-Out. Notwithstanding any reversal, modification, vacatur or stay of any use of Cash Collateral, any DIP Obligations, DIP Liens, Adequate Protection Obligations or Adequate Protection Liens incurred by the Debtor DIP Loan Parties to the DIP Agent, the DIP Secured Parties, the Prepetition Agent, or the Prepetition Secured Parties, as the case may be, prior to the actual receipt of written notice by the DIP Agent or the Prepetition Agent, as applicable, of the effective date of such reversal, modification, vacatur or stay shall be governed in all respects by the original provisions of this Final Order, and the DIP Agent, the DIP Secured Parties, the Prepetition Agent, and the Prepetition Secured Parties shall be entitled to all the rights, remedies, privileges and benefits granted in sections 364(e) and 363(m) of the Bankruptcy Code, this Final Order and the DIP Documents with respect to all uses of Cash Collateral, DIP Obligations and Adequate Protection Obligations.

(d) Except as expressly provided in this Final Order or in the DIP Documents, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Obligations, the Prepetition Secured Parties' Section 507(b) Claims, the Excess

Section 507(b) Claims, and all other rights and remedies of the DIP Agent, the DIP Secured Parties, the Prepetition Agent, and the Prepetition Secured Parties granted by the provisions of this Final Order and the DIP Documents and the Carve-Out shall survive, and shall not be modified, impaired or discharged by: (i) the entry of an order converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code, dismissing any of the Chapter 11 Cases or terminating the joint administration of these Chapter 11 Cases or by any other act or omission; (ii) the entry of an order approving the sale of any DIP Collateral pursuant to section 363(b) of the Bankruptcy Code (except to the extent permitted by the DIP Documents); or (iii) the entry of an order confirming a chapter 11 plan in any of the Chapter 11 Cases and, pursuant to section 1141(d)(4) of the Bankruptcy Code, the DIP Loan Parties have waived any discharge as to any remaining DIP Obligations or Adequate Protection Obligations. The terms and provisions of this Final Order and the DIP Documents shall continue in these Chapter 11 Cases, in any Successor Cases if these Chapter 11 Cases cease to be jointly administered, and in any superseding chapter 7 cases under the Bankruptcy Code, and the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens and the Adequate Protection Obligations and all other rights and remedies of the DIP Agent, the DIP Secured Parties, the Prepetition Agent, and the Prepetition Secured Parties granted by the provisions of this Final Order and the DIP Documents shall continue in full force and effect until the DIP Obligations are indefeasibly paid in full in cash, as set forth herein and in the DIP Documents, and the DIP Commitments have been terminated (and in the case of rights and remedies of the Prepetition Agent and Prepetition Secured Parties, shall remain in full force and effect thereafter, subject to the terms of this Final Order), and the Carve-Out shall continue in full force and effect.

19. *Payment of Fees and Expenses*. The Debtor DIP Loan Parties were, by the Interim Order, and hereby are authorized to and shall pay the DIP Fees and Expenses. Subject to the review procedures set forth in this paragraph 19, payment of all DIP Fees and Expenses and Adequate Protection Fees and Expenses shall not be subject to allowance or review by the Court. Professionals for the DIP Secured Parties and the Prepetition Secured Parties shall not be required to comply with the U.S. Trustee fee guidelines, however any time that such professionals seek payment of fees and expenses from the Debtor DIP Loan Parties prior to confirmation of a chapter 11 plan, each professional shall provide summary copies of its invoices (which shall not be required to contain time entries and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of their invoices shall not constitute any waiver of the attorney client privilege or of any benefits of the attorney work product doctrine) to the Debtor DIP Loan Parties, the U.S. Trustee, and counsel to the Committee (together, the "**Review Parties**"). Any objections raised by any Review Party with respect to such invoices must be in writing and state with particularity the grounds therefor and must be submitted to the applicable professional within ten (10) calendar days after the receipt by the Review Parties (the "**Review Period**"). If no written objection is received by 12:00 p.m., prevailing Eastern Time, on the end date of the Review Period, the Debtor DIP Loan Parties shall pay such invoices within three (3) calendar days. If an objection to a professional's invoice is received within the Review Period, the Debtor DIP Loan Parties shall promptly pay the undisputed amount of the invoice and this Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the dispute consensually. Notwithstanding the foregoing, the Debtor DIP Loan Parties are

authorized and directed to pay on the Closing Date the DIP Fees and Expenses incurred on or prior to such date without the need for any professional engaged by, or on behalf of, the DIP Secured Parties to first deliver a copy of its invoice or other supporting documentation to the Review Parties (other than the Debtor DIP Loan Parties). No attorney or advisor to the DIP Secured Parties or any Prepetition Secured Party shall be required to file an application seeking compensation for services or reimbursement of expenses with the Court. Any and all fees, costs, and expenses paid prior to the Petition Date by any of the Debtors to (i) the DIP Secured Parties in connection with or with respect to the Refinancing DIP Facility and (ii) the Prepetition Secured Parties in connection or with respect to these matters, are hereby approved in full and shall not be subject to recharacterization, avoidance, subordination, disgorgement or any similar form of recovery by the Debtor DIP Loan Parties or any other person.

20. *Effect of Stipulations on Third Parties*. The Debtors' stipulations, admissions, agreements and releases contained in this Final Order shall be binding upon the Debtors and any successor thereto (including, without limitation, any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors) in all circumstances and for all purposes. The Debtors' stipulations, admissions, agreements and releases contained in this Final Order shall be binding upon all parties in interest, including, without limitation, the Committee or any other statutory or non-statutory committees appointed or formed in the Chapter 11 Cases and any other person or entity acting or seeking to act on behalf of the Debtors' estates, including any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors, in all circumstances and for all purposes unless (a) the Committee (subject in all respects to any agreement or applicable law that may limit or affect the Committee's right or ability to do so) has timely filed an adversary proceeding or contested matter (subject to the limitations contained

herein, including, *inter alia*, in this paragraph) by no later than (i) the earlier of (x) an order confirming a chapter 11 plan, and (y) October 23, 2020; (ii) any such alternate date agreed to in writing by the DIP Agent (acting with the direction of the Required DIP Lenders) and Prepetition Agent (acting with the direction of the Required Prepetition Lenders); and (iii) any such later date as has been ordered by the Court for cause upon a motion filed and served within any applicable period (the time period established by the foregoing clauses (i)-(iii), the "**Challenge Period**"), (A) objecting to or challenging the amount, validity, perfection, enforceability, priority or extent of the Prepetition Credit Facility Debt or the Prepetition Liens, or (B) otherwise asserting or prosecuting any action for preferences, fraudulent transfers or conveyances, other avoidance power claims or any other claims, counterclaims or causes of action, objections, contests or defenses (collectively, the "**Challenges**") against the Prepetition Secured Parties or their respective Representatives in connection with matters related to the Prepetition Loan Documents, the Prepetition Credit Facility Debt, the Prepetition Liens and the Prepetition Collateral (*provided* that in the event that the Committee files a motion seeking standing to pursue a Challenge prior to the end of the Challenge Period, the Challenge Period shall be extended, solely with respect to the Challenges for which the Committee seeks standing as set forth in a reasonably detailed complaint attached to such motion, to two business days after entry of a final, non-appealable order granting or denying such motion, and solely with respect to the Challenges that the Committee is granted standing to pursue by such order); and (b) there is a final non-appealable order in favor of the Committee sustaining any such Challenge in any such timely filed adversary proceeding or contested matter; *provided*, *however*, that any pleadings filed in connection with any Challenge shall set forth with specificity the basis for such challenge or claim and any challenges or claims not so specified prior to the expiration of the Challenge

Period shall be deemed forever, waived, released and barred. If no such Challenge is timely and properly filed during the Challenge Period or the Court does not rule in favor of the Committee in any such proceeding then: (1) the Debtors' stipulations, admissions, agreements and releases contained in this Final Order shall be binding on all parties in interest, including, without limitation, the Committee; (2) the obligations of the Debtor DIP Loan Parties under the Prepetition Loan Documents, including the Prepetition Credit Facility Debt, shall constitute allowed claims not subject to defense, claim, counterclaim, recharacterization, subordination, recoupment, offset or avoidance, for all purposes in the Chapter 11 Cases, and any subsequent chapter 7 case(s); (3) the Prepetition Liens on the Prepetition Collateral shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected, security interests and liens, not subject to recharacterization, subordination, avoidance or other defense; and (4) the Prepetition Credit Facility Debt and the Prepetition Liens on the Prepetition Collateral shall not be subject to any other or further claim or challenge by the Committee or any other statutory or non-statutory committees appointed or formed in the Chapter 11 Cases or any other party in interest acting or seeking to act on behalf of the Debtor DIP Loan Parties' estates, including, without limitation, any successor thereto (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors) and any defenses, claims, causes of action, counterclaims and offsets by any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases or any other party acting or seeking to act on behalf of the Debtors' estates, including, without limitation, any successor thereto (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors), whether arising under the Bankruptcy Code or otherwise, against any of the Prepetition Secured Parties and their Representatives arising out of or relating to any of the Prepetition Loan Documents, the

Prepetition Credit Facility Debt, the Prepetition Liens and the Prepetition Collateral shall be deemed forever waived, released and barred. If any such Challenge is timely filed during the Challenge Period, the stipulations, admissions, agreements and releases contained in this Final Order shall nonetheless remain binding and preclusive (as provided in the second sentence of this paragraph) on the Committee, except to the extent that such stipulations, admissions, agreements and releases were expressly and successfully challenged in such Challenge as set forth in a final, non-appealable order of a court of competent jurisdiction. Nothing in the Interim Order or this Final Order vests or confers on any Person (as defined in the Bankruptcy Code), including the Committee or any other statutory or non-statutory committees appointed or formed in these Chapter 11 Cases, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, including, without limitation, Challenges with respect to the Prepetition Loan Documents, the Prepetition Credit Facility Debt or the Prepetition Liens, and any ruling on standing, if appealed, shall not stay or otherwise delay the Chapter 11 Cases or confirmation of any plan of reorganization.

21. *Limitation on Use of DIP Financing Proceeds and Collateral.* Notwithstanding any other provision of the Interim Order, this Final Order or any other order entered by the Court, no DIP Loans, DIP Collateral, Prepetition Collateral (including Cash Collateral) or any portion of the Carve-Out, may be used directly or indirectly, (a) in connection with the investigation, threatened initiation or prosecution of any claims, causes of action, adversary proceedings or other litigation (i) against any of the DIP Secured Parties, or the Prepetition Secured Parties, or their respective predecessors-in-interest, agents, affiliates, representatives, attorneys, or advisors, in each case in their respective capacity as such, or any action purporting to do the foregoing in respect of the DIP Obligations, DIP Liens, DIP Superpriority Claims, Prepetition Credit Facility

Debt, and/or the Adequate Protection Obligations and Adequate Protection Liens granted to the Prepetition Secured Parties, as applicable, or (ii) challenging the amount, validity, perfection, priority or enforceability of or asserting any defense, counterclaim or offset with respect to the DIP Obligations, the Prepetition Credit Facility Debt and/or the liens, claims, rights, or security interests securing or supporting the DIP Obligations granted under the Interim Order, this Final Order, the other DIP Documents or the Prepetition Loan Documents in respect of the Prepetition Credit Facility Debt, including, in the case of each (i) and (ii), without limitation, for lender liability or pursuant to section 105, 510, 544, 547, 548, 549, 550 or 552 of the Bankruptcy Code, applicable non-bankruptcy law or otherwise (provided that, notwithstanding anything to the contrary herein or the Original Orders, the proceeds of the DIP Loans and/or DIP Collateral (including Cash Collateral) may be used to satisfy actual and reasonable fees and expenses incurred as of the date of the Interim Order by the Committee in investigating (A) the claims and liens of the Prepetition Secured Parties and (B) potential claims, counterclaims, causes of action or defenses against the Prepetition Secured Parties (together, the "**Investigation**"); provided, however, the proceeds of the DIP Loans and/or DIP Collateral (including Cash Collateral) shall not be used to prosecute claims against the Prepetition Secured Parties or fund the Committee's Investigation beyond the date of the Interim Order in an amount exceeding an aggregate cap of no more than $25,000); (b) to prevent, hinder, or otherwise delay or interfere with the Prepetition Agent's, the Prepetition Secured Parties', the DIP Agent's, or the DIP Secured Parties', as applicable, enforcement or realization on the Prepetition Credit Facility Debt, Prepetition Collateral, DIP Obligations, DIP Collateral, and the liens, claims and rights granted to such parties under the Interim Order or this Final Order, each in accordance with the DIP Documents, the Prepetition Loan Documents, the Interim Order or this Final Order; (c) to seek to modify any

of the rights and remedies granted to the Prepetition Agent, the Prepetition Secured Parties, the DIP Agent, or the DIP Secured Parties under the Interim Order or this Final Order, the Prepetition Secured Debt Documents or the DIP Documents, as applicable; (d) to apply to the Court for authority to approve superpriority claims or grant liens (other than the liens permitted pursuant to the DIP Documents) or security interests in the DIP Collateral or any portion thereof that are senior to, or on parity with, the DIP Liens, DIP Superpriority Claims, Adequate Protection Liens and the Prepetition Secured Parties' Section 507(b) Claims and Excess Section 507(b) Claims of or granted to the Prepetition Secured Parties; or (e) to pay or to seek to pay any amount on account of any claims arising prior to the Petition Date unless such payments are approved or authorized by the Court, agreed to in writing by the DIP Lender, expressly permitted under this Final Order or permitted under the DIP Documents (including the Approved Budget, subject to permitted variances), in each case unless all DIP Obligations, Prepetition Credit Facility Debt, Adequate Protection Obligations, and claims granted to the DIP Agent, DIP Secured Parties, Prepetition Agent and Prepetition Secured Parties under the Interim Order and this Final Order, have been refinanced or paid in full in cash (including the cash collateralization of any letters of credit) or otherwise agreed to in writing by the DIP Secured Parties. Notwithstanding the foregoing, this paragraph 21 shall not limit the Debtors' right to use DIP Loans or DIP Collateral to (i) contest that an Event of Default has occurred hereunder pursuant to and consistent with paragraph 9(d) of this Final Order, (ii) contest the amount or existence of diminution in value in connection with any asserted Adequate Protection Claim, and (iii) prosecute one or more plan or sale transactions, including responding to and defending against any objection thereto by any Prepetition Secured Party or DIP Secured Party.

22. *Final Order Governs*. In the event of any inconsistency between the provisions of the Interim Order, this Final Order, and the other DIP Documents (including, but not limited to, with respect to the Adequate Protection Obligations) or any other order entered by this Court, the provisions of this Final Order shall govern. Notwithstanding anything to the contrary in any other order entered by this Court, any payment made pursuant to any authorization contained in any other order entered by this Court shall be consistent with and subject to the requirements set forth in this Final Order and the other DIP Documents, including, without limitation, the Approved Budget (subject to permitted variances).

23. *Binding Effect; Successors and Assigns*. The DIP Documents and the provisions of this Final Order, including all findings herein, shall be binding upon all parties in interest in these Chapter 11 Cases, including, without limitation, the DIP Agent, the DIP Secured Parties, the Prepetition Agent, the Prepetition Secured Parties, the Committee or any other statutory or non-statutory committees appointed or formed in these Chapter 11 Cases, the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Agent, the DIP Secured Parties, the Prepetition Agent, the Prepetition Secured Parties and the Debtors and their respective successors and assigns; *provided* that the DIP Agent, the DIP Secured Parties, the Prepetition Agent and the Prepetition Secured Parties shall have no obligation to permit the use of the Prepetition Collateral (including Cash Collateral) by, or to extend any financing to, any chapter 7 trustee, chapter 11 trustee or similar responsible person appointed for the estates of the Debtors.

24. *Exculpation*. Nothing in the Interim Order, this Final Order, the other DIP Documents, the Prepetition Loan Documents or any other documents related to the transactions contemplated hereby shall in any way be construed or interpreted to impose or allow the imposition upon any DIP Secured Party or Prepetition Secured Party any liability for any claims arising from the prepetition or postpetition activities of the Debtors in the operation of their businesses, or in connection with their restructuring efforts. The DIP Secured Parties and Prepetition Secured Parties shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the DIP Collateral or Prepetition Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency or other person and (b) all risk of loss, damage or destruction of the DIP Collateral or Prepetition Collateral shall be borne by the Debtors. Notwithstanding anything in the Interim Order, this Final Order, the other DIP Documents, the Prepetition Loan Documents, or any other documents related to the transaction contemplated hereby, the directors, officers, managers, and board members of the Non-Debtor DIP Loan Parties, and all their associated entities, shall not, in any way or manner, be liable for any claim arising from the directors, officers, managers and board members of the Non-Debtor DIP Loan Parties causing the Non-Debtor DIP Loan Parties to jointly and severally guarantee the Refinancing DIP Facility and the other DIP Obligations on the basis set forth in the DIP Guarantee Agreement, the DIP Term Loans, and the other DIP Obligations.

25. *Limitation of Liability*. In determining to make any loan or other extension of credit under the DIP Documents, to permit the use of the DIP Collateral or Prepetition Collateral (including Cash Collateral) or in exercising any rights or remedies as and when permitted

pursuant to this Final Order or the DIP Documents or Prepetition Loan Documents, none of the DIP Secured Parties or Prepetition Secured Parties shall (a) have any liability to any third party or be deemed to be in "control" of the operations of the Debtors; (b) owe any fiduciary duty to the Debtors, their respective creditors, shareholders or estates; or (c) be deemed to be acting as a "Responsible Person" or "Owner" or "Operator" or "managing agent" with respect to the operation or management of any of the Debtors (as such terms or similar terms are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601, *et seq.*, as amended, or any other federal or state statute, including the Internal Revenue Code). Furthermore, nothing in this Final Order shall in any way be construed or interpreted to impose or allow the imposition upon any of the DIP Agent, DIP Secured Parties, Prepetition Agent or Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their respective affiliates (as defined in section 101(2) of the Bankruptcy Code).

26. *Master Proof of Claim*. The Prepetition Agent, and/or any other Prepetition Secured Parties shall not be required to file proofs of claim in the Chapter 11 Cases or any Successor Case in order to assert claims on behalf of themselves or the Prepetition Secured Parties for payment of the Prepetition Credit Facility Debt arising under the Prepetition Loan Documents, including, without limitation, any principal, unpaid interest, fees, expenses and other amounts under the Prepetition Loan Documents. The statements of claim in respect of such indebtedness set forth in the Interim Order and this Final Order, together with any evidence accompanying the DIP Motion and presented at the Hearings, are deemed sufficient to and do constitute proofs of claim in respect of such debt and such secured status. However, in order to facilitate the processing of claims, to ease the burden upon the Court and to reduce an

unnecessary expense to the Debtors' estates, the Prepetition Agent is authorized, but not directed or required, to file in the Debtors' lead chapter 11 case *In re Speedcast International Limited*, Case No. 20-32243 (MI), a master proof of claim on behalf of its respective Prepetition Secured Parties on account of any and all of their respective claims arising under the applicable Prepetition Loan Documents and hereunder (each, a "**Master Proof of Claim**") against each of the Debtors. Upon the filing of a Master Proof of Claim by the Prepetition Agent, it shall be deemed to have filed a proof of claim in the amount set forth opposite its name therein in respect of its claims against each of the Debtors of any type or nature whatsoever with respect to the applicable Prepetition Loan Documents, and the claim of each applicable Prepetition Secured Party (and each of its respective successors and assigns), named in a Master Proof of Claim shall be treated as if it had filed a separate proof of claim in each of these Chapter 11 Cases. The Master Proofs of Claim shall not be required to identify whether any Prepetition Secured Party acquired its claim from another party and the identity of any such party or to be amended to reflect a change in the holders of the claims set forth therein or a reallocation among the holders of the claims asserted therein resulting from the transfer of all or any portion of such claims. The provisions of this paragraph 26 and each Master Proof of Claim are intended solely for the purpose of administrative convenience and shall not affect the right of each Prepetition Secured Party (or its successors in interest) to vote separately on any plan proposed in these Chapter 11 Cases. The Master Proofs of Claim shall not be required to attach any instruments, agreements or other documents evidencing the obligations owing by each of the Debtors to the applicable Prepetition Secured Parties, which instruments, agreements or other documents will be provided upon written request to counsel to the Prepetition Agent. The DIP Agent and the DIP Secured Parties shall not be required to file proofs of claim with respect to their DIP Obligations under

the DIP Documents, and the evidence presented with the DIP Motion and the record established at the Hearings are deemed sufficient to, and do, constitute proofs of claim with respect to their obligations, secured status, and priority.

27. *Forbearance of the Prepetition Secured Parties*. Except as expressly permitted pursuant to the terms of this Final Order, including with respect to the Adequate Protection Obligations, the Prepetition Secured Parties shall not (i) exercise any rights or remedies with respect to any Prepetition Liens or Prepetition Collateral, (ii) enforce or pursue an event of default or other breach under any Prepetition Loan Document, or (iii) assert any demand for payment of any kind whatsoever, in each case with respect to any Debtor or Non-Debtor DIP Loan Party on account of any Prepetition Obligations; *provided* that, following (x) payment in full of the DIP Obligations and termination of the DIP Commitments, (y) the occurrence of any Event of Default or other violation of the terms of this Final Order and (z) five (5) business days' notice delivered to the Debtors and the Committee or counsel thereto (which may be delivered via email) the (i) the forbearance set forth in this paragraph 27 shall be of no further force or effect, and (ii) the Prepetition Secured Parties shall be permitted to rescind any consent given under the Interim Order or this Final Order regarding the use of Prepetition Collateral (including Cash Collateral) and file a Stay Relief Motion (consistent with the procedures set forth in paragraph 9 of this Final Order and which Stay Relief Motion may, for the avoidance of doubt, be filed immediately upon the occurrence of the conditions set forth in clauses (x) and (y) of this paragraph 27) seeking authority to proceed to protect, enforce and exercise all other rights and remedies provided under the Prepetition Loan Documents or applicable law; *provided* that (i) for the avoidance of doubt, no Stay Relief Motion shall be required to be filed with respect to any non-Debtor and (ii) with respect to any Government Business Subsidiary (as defined in the

DIP Credit Agreement), the condition set forth in clause (z) of this paragraph 27 shall not apply, or to the extent commenced shall immediately terminate without notice or otherwise, as a result of (I) any Default or Event of Default under the Prepetition Credit Agreement (including as a result of an Event of Default under Sections 7.01(g), (h) or (i)), that occurs as a result of any act or omission by any Government Business Subsidiary or (II) the seeking of any legal action or request for relief in connection with the Prepetition Obligations by any Government Business Subsidiary from any Governmental Authority (as defined in the Prepetition Credit Agreement) other than the Bankruptcy Court); *provided* that the each of the Debtors and the Prepetition Agent shall provide counsel to the Committee with notice (which shall include email) of the existence of any event or condition described in clauses (I) or (II) of this paragraph as soon as reasonably practicable after having or receiving actual knowledge thereof.

28. *Texas Tax Liens*. Notwithstanding any provisions of the Motion, the Interim Order, this Final Order, or the other DIP Documents, any valid, binding, perfected, enforceable, and non-avoidable liens currently held by the Texas Taxing Authorities[5] for state or local taxes on any DIP Collateral that under applicable non-bankruptcy law are granted priority over a prior perfected security interest or lien (the "**Texas Tax Liens**") shall neither be primed by nor subordinated to any DIP Liens or Adequate Protection Liens granted under the Interim Order or this Final Order, and the Texas Tax Liens shall attach to any proceeds of any sale of DIP Collateral subject to the Texas Tax Liens in accordance with such priority. All parties' rights (a) to object to the priority, validity, amount, and extent of the claims and liens, including any

[5] For purposes of this Interim Order, the term "Texas Taxing Authorities" shall refer to Bexar County, Cleveland ISD, Culberson Co – Allamoore ISD, Culberson County, Dallas County, Harris County, Hidalgo Country Hood CAD, Jasper County, Jim Wells CAD, City of McAllen, Nueces County, Parker CAD, Rio Grande City CISD, Smith County, Starr Country, Tarrant Country, Victoria County, Midland County, Cooke County, Alvarado Independent School District, Johnson County, Zavalla Independent School District, Tyler Independent School District, Brazoria County Tax Office, Taylor Central Appraisal District, Midland Central Appraisal District, Denton County, and Brazos County.

Texas Tax Liens, asserted by the Texas Taxing Authorities and (b) with respect to any rights of the Texas Taxing Authorities to request an ad valorem tax reserve from the proceeds of the sale of any DIP Collateral that is secured by the Texas Tax Liens are fully preserved.

29. *Intercompany Transfers*. The Debtors shall provide not less than two (2) business days' notice to counsel to the Creditors' Committee prior to (i) any DIP Loan Party making any investment in any Subsidiary that is not a DIP Loan Party (including any guarantees by any DIP Loan Party of any Indebtedness or other obligations of any Subsidiary that is not a DIP Loan Party and any loans and advances made by any DIP Loan Party to any Subsidiary that is not a DIP Loan Party) (each, as defined in the DIP Credit Agreement) to the extent that the aggregate of all such investments outstanding would exceed $500,000; (ii) entering into any agreement with respect to Section 6.04(c)(ii) of the DIP Credit Agreement to increase, waive or otherwise modify the $500,000 investment threshold set forth therein; or (iii) the addition or removal of any entity as a Non-Debtor DIP Loan Party.

30. *Insurance*. To the extent that the Prepetition Agent is listed as loss payee under the Borrower's or DIP Guarantors' insurance policies, the DIP Agent is also deemed to be the loss payee under the insurance policies and shall act in that capacity and, upon the indefeasible payment in full of the Adequate Protection Obligations, distribute any proceeds recovered or received in respect of the insurance policies, to the indefeasible payment in full of the DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and upon termination of the DIP Commitments, and to the payment of the applicable Prepetition Credit Facility Debt.

31. *Credit Bidding*. (a) The DIP Agent shall have the right to credit bid, in accordance with the DIP Documents, up to the full amount of the DIP Obligations in any sale of

the DIP Collateral and (b) the Prepetition Agent shall have the right, consistent with the provisions of the Prepetition Loan Documents, to credit bid up to the full amount of the Prepetition Credit Agreement Debt (provided that any such credit bid of the Prepetition Credit Agreement Debt shall provide for the indefeasible repayment in full in cash of the DIP Obligations and the termination of the DIP Commitments), in each case as and to the extent provided for in section 363(k) of the Bankruptcy Code, without the need for further Court order authorizing the same and whether any such sale is effectuated through section 363(k) or 1129(b) of the Bankruptcy Code, by a chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise, in each case unless the Court for cause orders otherwise, and all parties' rights are reserved in this regard.

32. *Effectiveness*. This Final Order shall constitute findings of fact and conclusions of law in accordance with Bankruptcy Rule 7052 and shall take effect and be fully enforceable immediately upon entry hereof. This Final Order amends, supersedes, and replaces the Original Orders in their entirety effective from and after the date hereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062, or 9014 of the Bankruptcy Rules or any Local Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Final Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Final Order.

33. *Modification of DIP Documents and Approved Budget*. The Debtors are hereby authorized, without further order of this Court, to enter into agreements with the DIP Secured Parties (or the Prepetition Secured Parties, after the indefeasible payment in full of the DIP Obligations and termination of the DIP Commitments) providing for any consensual non-material modifications to the Approved Budget or the DIP Documents, or of any other

modifications to the DIP Documents necessary to conform the terms of the DIP Documents to this Final Order, in each case consistent with the amendment provisions of the DIP Documents; *provided*, *however*, that notice of any material modification or material amendment to the DIP Documents shall be provided to the U.S. Trustee, the Prepetition Agent, the Required Prepetition Lenders, the Committee and any other statutory committee which shall have five (5) days from the date of such notice within which to object, in writing, to the modification or amendment; *provided further, however,* that any modifications or amendments that impose any chapter 11 plan or section 363 sale process requirements or are conditioned on chapter 11 plan or section 363 sale process requirements are material. If the U.S. Trustee, the Prepetition Agent, the Required Prepetition Lenders, the Committee or any other statutory committee timely objects to any material modification or amendment to the DIP Documents, the modification or amendment shall only be permitted pursuant to an order of the Court. The foregoing shall be without prejudice to the Debtors' right to seek approval from the Court of a material modification on an expedited basis.

34. *Headings*. Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Final Order.

35. *Payments Held in Trust*. Except as expressly permitted in the Interim Order, this Final Order, or the other DIP Documents and except with respect to the DIP Loan Parties, in the event that any person or entity receives any payment on account of a security interest in DIP Collateral, receives any DIP Collateral or any proceeds of DIP Collateral or receives any other payment with respect thereto from any other source prior to indefeasible payment in full in cash of all DIP Obligations and termination of all DIP Commitments, such person or entity shall be deemed to have received, and shall hold, any such payment or proceeds of DIP Collateral in trust

for the benefit of the DIP Agent and the DIP Secured Parties and shall immediately turn over the proceeds to the DIP Agent, or as otherwise instructed by this Court, for application in accordance with the DIP Documents and this Final Order.

36. *Bankruptcy Rules*. The requirements of Bankruptcy Rules 4001, 6003 and 6004, in each case to the extent applicable, are satisfied by the contents of the DIP Motion.

37. *No Third Party Rights*. Except as explicitly provided for herein, this Final Order does not create any rights for the benefit of any third party, creditor, equity holder or any direct, indirect or incidental beneficiary.

38. *Necessary Action*. The Debtors, the DIP Secured Parties and the Prepetition Secured Parties are authorized to take all actions as are necessary or appropriate to implement the terms of this Final Order. In addition, the Automatic Stay is modified to permit affiliates of the Debtors who are not debtors in these Chapter 11 cases to take all actions as are necessary or appropriate to implement the terms of this Final Order.

39. *Original Orders and Interim Order*. Any actions taken by the Debtors, the Original DIP Lenders, the Prepetition Secured Parties (including, without limitation, the Original DIP Agent and the Prepetition Agent), or the Committee prior to the date hereof in accordance with the Original Orders, including, for the avoidance of doubt, the Adequate Protection Liens granted as set forth in paragraph 15(a) of the Original Final DIP Order and any payments made to the Prepetition Secured Parties' advisors prior to the date hereof pursuant to paragraph 15(c) of the Original Final DIP Order or after the date hereof pursuant to the Payoff Letter, were ratified by the Interim Order and are hereby ratified by this Final Order (provided that from and after the entry of the Interim Order, such Adequate Protection Liens shall be subject to the priorities set forth in, and the other provisions of, the Interim Order and this Final Order). Any

actions taken by the Debtors, the DIP Secured Parties or the Prepetition Secured Parties (including, without limitation, the DIP Agent and the Prepetition Agent) in accordance with the Interim Order shall remain in effect and are hereby ratified by this Final Order.

40. *Retention of Jurisdiction*. The Court shall retain jurisdiction to enforce the provisions of this Final Order, and this retention of jurisdiction shall survive the confirmation and consummation of any chapter 11 plan for any one or more of the Debtors notwithstanding the terms or provisions of any such chapter 11 plan or any order confirming any such chapter 11 plan.

41. The Debtors shall serve this order in accordance with all applicable rules and orders and shall file a certificate of service evidencing compliance therewith.

Other than as described in Section 5.15, this Plan groups the Debtors together solely for the purpose of describing treatment under this Plan, confirmation of this Plan, and making Plan Distributions in respect of Claims against and Interests in the Debtors under this Plan. Such groupings shall not affect any Debtor's status as a separate legal entity, change the organizational structure of the Debtors' business enterprise, constitute a change of control of any Debtor for any purpose, cause a merger or consolidation of any legal entities, or cause the transfer of any Assets. Except as otherwise provided or permitted under this Plan, this Plan is not premised upon and shall not cause the substantive consolidation of the Debtors or any non-Debtor affiliate, and, all Debtors shall continue to exist as separate legal entities unless otherwise contemplated herein or in the Corporate Restructuring.

(h) Any and all actions taken by any Debtor, Reorganized Debtor, Australian Liquidator, Australian Deed Administrator or Australian Administrator pursuant to this Plan shall comply with the Settlement Agreement in all respects.

5.15 ***Substantive Consolidation of Certain Debtors.***

Except as provided in this section, the Plan is a joint plan of reorganization of the Debtors for administrative purposes only and constitutes a separate chapter 11 plan for each Debtor.

The Plan shall be implemented through a substantive consolidation of the assets and liabilities of certain Debtors. The Confirmation Order shall contain findings supporting the conclusions providing for limited substantive consolidation for purposes of distribution to holders of Claims and Interests at the Substantively Consolidated Debtors on the terms set forth in this Section of the Plan. The Assets and liabilities of the following entities shall be substantively consolidated pursuant to the Plan: (i) Speedcast Group Holdings Pty Ltd. shall be substantively consolidated with Speedcast International Limited; and, (ii) Spacelink Systems, LLC and Spacelink Systems II, LLC (fka Spacelink System Inc) shall be substantively consolidated with Caprock Participações do Brasil Ltda. The substantive consolidation of the Assets and liabilities and properties of the Substantively Consolidated Debtors shall have the following effects:

(a) The Chapter 11 Cases of (i) Speedcast Group Holdings Pty Ltd. and Speedcast International Limited shall be consolidated and (ii) Spacelink Systems II, LLC (fka Spacelink System Inc), Caprock Participações do Brasil Ltda., and Spacelink Systems, LLC, shall be consolidated, respectively, with each being treated as a single consolidated case with respect to Claims against the applicable Substantively Consolidated Debtor. All property of the Estate of each applicable Substantively Consolidated Debtor shall be deemed to be property of the applicable consolidated Estate with respect to the payment of Claims against the consolidated Estate.

(b) All Claims against each applicable Substantively Consolidated Debtors' Estate shall be deemed to be Claims against the consolidated Estates of Speedcast International Limited and Caprock Participações do Brasil Ltda., as applicable, and all proofs of claim filed against one or more of the Substantively Consolidated Debtors shall be deemed to be a single Claim filed against the consolidated estates of Speedcast International Limited and Caprock

Participações do Brasil Ltda., as applicable, and all duplicate proofs of claim for the same Claim filed against more than one Debtor shall be deemed expunged.

(c) As set forth in Section 4.6 of this Plan, all Intercompany Claims will be adjusted, continued, settled, reinstated, discharged, eliminated, or otherwise managed, in each case to the extent determined to be appropriate by the Debtors or Reorganized Debtors, as applicable, after consultation with the Plan Sponsor.

(d) For purposes of determining the availability of the right of setoff under section 553 of the Bankruptcy Code, the Substantively Consolidated Debtors shall be treated as one consolidated entity (either Speedcast International Limited or Caprock Participações do Brasil Ltda., as applicable) so that, subject to the other provisions of section 553, debts due to any of the Substantively Consolidated Debtors may be set off against the debts of any other of the applicable Substantively Consolidated Debtors.

5.16 ***Separability.***

Notwithstanding the combination of the separate plans of reorganization for the Debtors set forth in the Plan for purposes of economy and efficiency, other than as described in Section 5.15, the Plan constitutes a separate chapter 11 plan for each Debtor. Accordingly, if the Bankruptcy Court does not confirm the Plan with respect to one or more Debtors, it may still, subject to the consent of the applicable Debtors and the Plan Sponsor, confirm the Plan with respect to any other Debtor that satisfies the confirmation requirements of section 1129 of the Bankruptcy Code.

5.17 ***Restructuring Expenses.***

On the Effective Date, or as soon as reasonably practicable thereafter, the Debtors or the Reorganized Debtors, as applicable, shall pay in full in Cash (to the extent not previously paid during the course of the Chapter 11 Cases) all outstanding Restructuring Expenses billed through the Effective Date, in accordance with the terms of the applicable orders, engagement letters, or other applicable contractual arrangements. All parties entitled to payment pursuant to this Section 5.17 shall estimate their accrued Restructuring Expenses prior to and as of the Effective Date and shall deliver such estimates to the Debtors at least two Business Days before the Effective Date; *provided*, that such estimate shall not be considered an admission or limitation with respect to the fees and expenses of such parties. On the Effective Date, final invoices for all Restructuring Expenses incurred prior to and as of the Effective Date shall be submitted to the Debtors. In addition, the Debtors and the Reorganized Debtors (as applicable) shall continue to pay post-Effective Date, when due and payable in the ordinary course, Restructuring Expenses related to implementation, consummation and defense of the Plan.

5.18 ***Reorganized Debtors' Authority.***

After the Effective Date, the Reorganized Debtors may operate the Debtors' business and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

5.19 ***Subordination Agreements.***

Pursuant to section 510(a) of the Bankruptcy Code, all subordination agreements governing Claims or Interests shall be enforced in accordance with such agreement's terms.

5.20 ***Litigation Trust.***

(a) ***Creation and Governance of the Litigation Trust***. On the Effective Date, the Debtors and the Litigation Trustee shall execute the Litigation Trust Agreement in a form reasonably acceptable to the Creditors' Committee, and all other necessary steps shall be taken to establish the Litigation Trust in accordance with the Plan and the beneficial interests therein, which shall be for the benefit of the Litigation Trust Beneficiaries. In the event of any conflict between the terms of the Plan and the terms of the Litigation Trust Agreement, the terms of the Plan shall govern. Additionally, on the Effective Date, to the extent permitted by law, the Debtors shall transfer and shall be deemed to transfer to the Litigation Trust all of their rights, title and interest in and to all of the Litigation Trust Assets, and in accordance with section 1141 of the Bankruptcy Code, the Litigation Trust Assets shall automatically vest in the Litigation Trust free and clear of all Claims and Liens, subject only to (a) Litigation Trust Interests, and (b) the expenses of the Litigation Trust as provided for in the Litigation Trust Agreement, and such transfer shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar tax. The Litigation Trustee shall be the exclusive trustee of the assets of the Litigation Trust for purposes of 31 U.S.C. § 3713(b) and 26 U.S.C. § 6012(b)(3), as well as the representatives of the Estate of each of the Debtors appointed pursuant to section 1123(b)(3)(B) of the Bankruptcy Code, solely for purposes of carrying out the Litigation Trustee's duties under the Litigation Trust Agreement. The Litigation Trust shall be governed by the Litigation Trust Agreement and administered by the Litigation Trustee.

The powers, rights and responsibilities of the Litigation Trustee shall be specified in the Litigation Trust Agreement and shall include the authority and responsibility to, among other things, take the actions set forth in this Section 5.20. The Litigation Trustee shall hold and distribute the Litigation Trust Assets in accordance with the provisions of the Plan and the Litigation Trust Agreement. Other rights and duties of the Litigation Trustee and the Litigation Trust Beneficiaries shall be as set forth in the Litigation Trust Agreement. After the Effective Date, the Debtors and the Reorganized Debtors shall have no interest in the Litigation Trust Assets except as set forth in the Litigation Trust Agreement.

(b) ***Purpose of the Litigation Trust***. The Litigation Trust shall be established for the purpose of (i) evaluating and prosecuting the Litigation Trust Causes of Action, (ii) liquidating the Litigation Trust Assets, and (iii) distributing the Litigation Trust Distributable Proceeds, if any, to the Litigation Trust Beneficiaries in accordance with Treasury Regulation section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business.

(c) ***Litigation Trustee and Litigation Trust Agreement***. The Litigation Trust Agreement generally will provide for, among other things, payment of the Litigation Trust Expenses. The Litigation Trust Expenses shall be paid solely from the Litigation Trust Assets in accordance with the Plan and the Litigation Trust Agreement.

For the avoidance of doubt, any costs incurred by (i) the Disbursing Agent in making distributions to holders of Claims under the Plan or (ii) the Reorganized Debtors in prosecuting objections to Claims or otherwise administering Claims shall be paid by the Reorganized Debtors, except to the extent the Litigation Trustee seeks to prosecute certain claims objections pursuant to section 7.2(c).

The Litigation Trustee, on behalf of the Litigation Trust, may employ, without further order of the Bankruptcy Court, professionals (including Professionals previously retained by the Creditors' Committee) to assist in carrying out its duties hereunder and may compensate and reimburse the reasonable expenses of these professionals without further order of the Bankruptcy Court from the Litigation Trust Assets in accordance with the Plan and the Litigation Trust Agreement.

In furtherance of and consistent with the purpose of the Litigation Trust and the Plan, the Litigation Trustee, for the benefit of the Litigation Trust, shall (a) hold the Litigation Trust Assets for the benefit of the Litigation Trust Beneficiaries, (b) make distributions of Litigation Trust Distributable Proceeds, if any, as provided herein and in the Litigation Trust Agreement and (c) have the power and authority to prosecute and resolve any Litigation Trust Causes of Action. The Litigation Trustee shall be responsible for all decisions and duties with respect to the Litigation Trust and the Litigation Trust Assets, except as otherwise provided in the Litigation Trust Agreement. In all circumstances, the Litigation Trustee shall act in the best interests of the Litigation Trust Beneficiaries.

(d) ***Compensation and Duties of the Litigation Trustee***. The salient terms of the Litigation Trustee's employment, including the Litigation Trustee's duties and compensation (which compensation shall be negotiated by the Litigation Trustee, the Debtors, the Plan Sponsor and the Creditors' Committee), shall be set forth in the Litigation Trust Agreement. The Litigation Trustee shall be entitled to reasonable compensation in an amount consistent with that of similar functionaries in similar types of bankruptcy cases.

(e) ***Indemnification of the Litigation Trust Indemnified Persons***. The Litigation Trust Indemnified Persons shall be held harmless by the Litigation Trust and shall not be liable for actions taken or omitted in their capacity as, or on behalf of, the Litigation Trustee, except those acts that are determined by Final Order to have arisen out of their own intentional fraud, willful misconduct, or gross negligence, and each shall be entitled to be indemnified, held harmless, and entitled to advancement (and indemnification for the same amounts if the Litigation Trust Indemnified Persons do not seek or receive advancement) by or from, as applicable, the Litigation Trust for fees and expenses including, without limitation, reasonable attorney's fees, which such Persons and Entities may incur or may become subject to or in connection with any action, suit, proceeding or investigation that is brought or threatened against such Persons in respect of that Person's or the Litigation Trustee's actions or inactions regarding the implementation or administration of this Plan or the Litigation Trust Agreement, or the discharge of their duties hereunder or the Litigation Trust Agreement, except for any actions or inactions that are determined by Final Order to have arisen from intentional fraud, willful misconduct or gross negligence. Any Claim of the Litigation Trust Indemnified Persons to be indemnified, held harmless, advanced, or reimbursed shall be satisfied from the Litigation Trust or any applicable insurance coverage obtained by the Litigation Trust.

(f) ***Cooperation of Reorganized Debtors***. Subject to subsection (g) of this Section 5.20, the Debtors or Reorganized Debtors, as applicable, upon reasonable notice, shall provide reasonable cooperation with the Litigation Trustee in the administration of the Litigation Trust, including providing reasonable access to pertinent documents, including books and records, to the extent the Debtors or Reorganized Debtors have such information and/or documents, to the Litigation Trustee sufficient to enable the Litigation Trustee to perform its duties hereunder. All reasonable out-of-pocket costs and expenses incurred, upon prior written request of the Litigation Trustee, by the Debtors or the Reorganized Debtors in connection with actions taken under this subsection (f) shall be at the expense of the Litigation Trust.

(g) ***Preservation of Privilege***. The Debtors and the Litigation Trust shall enter into a common interest agreement whereby the Debtors will be able to disclose to the Litigation Trust, on a strictly confidential basis, documents, information or communications (whether written or oral) relating to the Litigation Trust Assets that are covered by attorney-client privilege, work product privilege, or other privileges or immunity. Pursuant to the common interest disclosure agreement, the Debtors and the Litigation Trust will agree that, in the case of disclosures made pursuant to the agreement: (i) the documents, information or communications are privileged; (ii) the disclosure is made to the Litigation Trust solely for the specific purpose of enabling the Litigation Trustee to carry out its duties under the Litigation Trust Agreement; and (iii) the Debtors do not intend, by the disclosure, to waive any privileges or immunities as against any other person or entity. Further, the Litigation Trust shall agree: (x) to keep the documents, information and communications (and their contents) strictly confidential, not disclose them to any other party, and preserve and protect all applicable privileges attaching to them; (y) to return to the Debtors on reasonable demand any documents, information or communications or copies of them (or records of their contents); and (z) to inform the Debtors immediately if it receives any voluntary or compulsory request for production to a third party of the documents, information or communications (or their contents) to enable the Debtors to assert their privilege. The Litigation Trustee's receipt of such documents, information or communications shall constitute a limited waiver in favor of the Litigation Trustee only, and shall not constitute a waiver of any privilege as against any other party. On the Effective Date, the Reorganized Debtors shall automatically succeed the Debtors as party to such common interest agreement. All privileges shall remain in the control of the Debtors or the Reorganized Debtors, as applicable, and the Debtors or the Reorganized Debtors retain the right to waive their own privileges.

(h) ***Transferability***. Litigation Trust Interests shall not be certificated and shall be non-transferable other than if transferred by will, intestate succession, or otherwise by operation of law, or as and to the extent determined by the Litigation Trustee.

(i) ***U.S. Federal Income Tax Treatment of the Litigation Trust.*** The Litigation Trust shall be structured to qualify as a "liquidating trust" within the meaning of Treas. Reg. § 301.7701-4(d) and in compliance with Rev. Proc. 94-45, 1994-2 C.B. 684, and, thus, as a "grantor trust" within the meaning of Sections 671 through 679 of the Tax Code to the holders of Other Unsecured Claims, consistent with the terms of the Plan. All assets held by the Litigation Trust on the Effective Date shall be deemed for U.S. federal income tax purposes (i) to have been distributed (subject to any obligations relating to such assets) by the Debtors to the Litigation Trust Beneficiaries (other than the assets allocable to any disputed ownership fund) in

partial satisfaction of such Litigation Trust Beneficiaries' Claims and (ii) immediately thereafter contributed by such Litigation Trust Beneficiaries to the Litigation Trust in exchange for their respective Litigation Trust Interests. The Litigation Trust Beneficiaries will be treated as the deemed owners of the Litigation Trust (other than the assets allocable to any disputed ownership fund). The sole purpose of the Litigation Trust shall be the liquidation and distribution of the Litigation Trust Assets in accordance with Treas. Reg. § 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business. All parties (including the Debtors and the Estates, holders of Other Unsecured Claims and the Litigation Trustee) shall report consistently with such treatment. All parties shall report consistently with the valuation of the Litigation Trust Assets transferred to the Litigation Trust as determined by the Litigation Trustee (or its designee). The Litigation Trustee shall be responsible for filing U.S. federal tax returns for the Litigation Trust as a grantor trust pursuant to Treas. Reg. § 1.671-4(a). The Litigation Trustee shall annually send to each holder of an interest in the Litigation Trust a separate statement regarding the receipts and expenditures of the trust as relevant for U.S. federal income tax purposes. Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Litigation Trustee of a private letter ruling if the Litigation Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Litigation Trustee), the Litigation Trustee may timely elect to (x) treat any portion of the Litigation Trust allocable to Disputed Claims as a "disputed ownership fund" governed by Treasury Regulation section 1.468B-9 (and make any appropriate elections) and (y) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All parties (including the Debtors and the Estates, holders of Other Unsecured Claims and the Litigation Trustee) shall report for U.S. federal, state, and local income tax purposes consistently with the foregoing.

(j) ***Withholding***. The Litigation Trustee may withhold and pay to the appropriate taxing authority all amounts required to be withheld pursuant to the Tax Code or any provision of any foreign, state or local tax law with respect to any payment or distribution to the Litigation Trust Beneficiaries. All such amounts withheld and paid to the appropriate taxing authority shall be treated as amounts distributed to such Litigation Trust Beneficiaries for all purposes of the Litigation Trust Agreement. The Litigation Trustee shall be authorized to collect such tax information from the Litigation Trust Beneficiaries (including, without limitation, social security numbers or other tax identification numbers) as it, in its sole discretion, deems necessary to effectuate the Plan, the Confirmation Order and the Litigation Trust Agreement. In order to receive distributions under the Plan, all Litigation Trust Beneficiaries will need to identify themselves to the Litigation Trustee and provide tax information and the specifics of their holdings, to the extent the Litigation Trustee deems appropriate. This identification requirement may, in certain cases, extend to holders who hold their securities in street name. The Litigation Trustee may refuse to make a distribution to any Litigation Trust Beneficiary that fails to furnish such information in a timely fashion, until such information is delivered; *provided, however*, that, upon the delivery of such information by a Litigation Trust Beneficiary, the Litigation Trustee shall make such distribution to which the Litigation Trust Beneficiary is entitled, without interest; and, *provided, further*, that, if the Litigation Trustee fails to withhold in respect of amounts received or distributable with respect to any such holder and the Litigation Trustee is later held liable for the amount of such withholding, such holder shall reimburse the Litigation Trustee for such liability.

(k) ***Litigation Trust Assets***. The Litigation Trustee shall have the exclusive right on behalf of the Litigation Trust, to institute, file, prosecute, enforce, settle, compromise, release, abandon, or withdraw any and all Litigation Trust Causes of Action without any further order of the Bankruptcy Court, except as otherwise provided herein or in the Litigation Trust Agreement. From and after the Effective Date, the Litigation Trustee, in accordance with section 1123(b)(3) of the Bankruptcy Code, and on behalf of the Litigation Trust, shall serve as a representative of the Estates, solely for purposes of carrying out the Litigation Trustee's duties under the Litigation Trust Agreement. In connection with the investigation, prosecution and/or compromise of the Litigation Trust Causes of Action, the Litigation Trustee may expend such portion of the Litigation Trust Assets as the Litigation Trustee deems necessary. The Litigation Trustee may invest Cash (including any earnings thereon or proceeds therefrom) in any manner permitted to be made by a liquidating trust within the meaning of Treasury Regulation section 301.7701-4(d), as reflected therein, or under applicable IRS guidelines, rulings, or other controlling authorities.

(l) ***Litigation Trust Fees and Expenses***. From and after the Effective Date, the Litigation Trustee, on behalf of the Litigation Trust, shall, in the ordinary course of business and without the necessity of any approval by the Bankruptcy Court, pay the reasonable professional fees and expenses incurred by the Litigation Trust and any Litigation Trustee Representatives retained by the Litigation Trust from the Litigation Trust Assets, except as otherwise provided in the Litigation Trust Agreement.

(m) ***Distribution of Unrestricted Cash***. The Litigation Trustee shall distribute to the Litigation Trust Beneficiaries on account of their interests in the Litigation Trust, at least annually, all net proceeds from the monetization of assets, except that the Litigation Trust may retain an amount of net proceeds reasonably necessary to maintain the value of the Litigation Trust Assets or to meet claims and contingent liabilities.

(n) ***Single Satisfaction of Allowed Other Unsecured Claims***. Notwithstanding anything to the contrary herein, in no event shall holders of Allowed Other Unsecured Claims, as applicable, recover more than the full amount of their Allowed Other Unsecured Claims from the Litigation Trust Distributable Proceeds, if any.

(o) ***Dissolution of the Litigation Trust***. The Litigation Trustee and the Litigation Trust shall be discharged or dissolved, as the case may be, at such time as (a) the Litigation Trustee determines that the pursuit of additional Litigation Trust Causes of Action is not likely to yield sufficient additional proceeds to justify further pursuit of such claims and (b) all distributions of Litigation Trust Distributable Proceeds, if any, required to be made by the Litigation Trustee under the Plan have been made, but in any event the Litigation Trust shall be dissolved no later than five years after the Effective Date unless the Bankruptcy Court, upon motion made within the six-month period before such fifth anniversary (and, in the event of further extension, at least six months before the end of the preceding extension), determines that a fixed period extension (not to exceed three years, together with any prior extensions, without a favorable letter ruling from the IRS that any further extension would not adversely affect the status of the Litigation Trust as a liquidating trust for federal income tax purposes) is necessary to facilitate or complete the recovery on, and liquidation of, the Litigation Trust Assets. Upon dissolution of the Litigation Trust, any remaining Litigation Trust Assets shall be distributed to

all Litigation Trust Beneficiaries in accordance with the Plan and the Litigation Trust Agreement as appropriate.

5.21 ***Class 3 Trust.***

(a) ***Creation and Governance of the Class 3 Trust***. On the Effective Date, the Debtors and the Class 3 Trustee shall execute the Class 3 Trust Agreement, and all other necessary steps shall be taken to establish the Class 3 Trust in accordance with the Plan and the Settlement Agreement, and the beneficial interests therein, which shall be for the benefit of the Class 3 Trust Beneficiaries. In the event of any conflict between the terms of the Plan and the terms of the Class 3 Trust Agreement, the terms of the Plan shall govern. Additionally, on the Effective Date, to the extent permitted by law, the Debtors shall transfer and shall be deemed to transfer to the Class 3 Trust all of their rights, title and interest in and to all of the Class 3 Trust Causes of Action, and in accordance with section 1141 of the Bankruptcy Code, the Class 3 Trust Causes of Action shall automatically vest in the Class 3 Trust free and clear of all Claims and Liens, subject only to Class 3 Trust Interests, and such transfer shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar tax. The Class 3 Trustee shall be the exclusive trustee of the assets of the Class 3 Trust for purposes of 31 U.S.C. § 3713(b) and 26 U.S.C. § 6012(b)(3), as well as the representatives of the Estate of each of the Debtors appointed pursuant to section 1123(b)(3)(B) of the Bankruptcy Code, solely for purposes of carrying out the Class 3 Trustee's duties under the Class 3 Trust Agreement. The Class 3 Trust shall be governed by the Class 3 Trust Agreement and administered by the Class 3 Trustee.

The powers, rights and responsibilities of the Class 3 Trustee shall be specified in the Class 3 Trust Agreement and shall include the authority and responsibility to, among other things, take the actions set forth in this Section 5.21. The Class 3 Trustee shall hold and distribute the Class 3 Trust Assets in accordance with the provisions of the Plan, the Settlement Agreement, and the Class 3 Trust Agreement. Other rights and duties of the Class 3 Trustee and the Class 3 Trust Beneficiaries shall be as set forth in the Class 3 Trust Agreement. After the Effective Date, the Debtors and the Reorganized Debtors shall have no interest in the Class 3 Trust Assets except as set forth in the Class 3 Trust Agreement.

(b) ***Purpose of the Class 3 Trust***. The Class 3 Trust shall be established for the purpose of (i) evaluating and prosecuting the Class 3 Causes of Action, (ii) liquidating the Class 3 Trust Assets and (iii) distributing the Class 3 Trust Distributable Proceeds, if any, to the Class 3 Trust Beneficiaries in accordance with Treasury Regulation section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business.

(c) ***Class 3 Trustee and Class 3 Trust Agreement***. The Class 3 Trustee, on behalf of the Class 3 Trust, may employ, without further order of the Bankruptcy Court, professionals to assist in carrying out its duties hereunder and may compensate and reimburse the reasonable expenses of these professionals without further order of the Bankruptcy Court from the Class 3 Trust Assets in accordance with the Plan and the Class 3 Trust Agreement.

In furtherance of and consistent with the purpose of the Class 3 Trust, the Plan, and as consistent with the Class 3 Trust Agreement, the Class 3 Trustee, for the benefit of the

Class 3 Trust, shall (a) hold the Class 3 Trust Assets for the benefit of the Class 3 Trust Beneficiaries, (b) make distributions of Class 3 Trust Distributable Proceeds, if any, as provided herein and in the Class 3 Trust Agreement and (c) have the power and authority to prosecute and resolve any Class 3 Trust Causes of Action. The Class 3 Trustee shall be responsible for all decisions and duties with respect to the Class 3 Trust and the Class 3 Trust Assets, except as otherwise provided in the Class 3 Trust Agreement. In all circumstances, the Class 3 Trustee shall act in the best interests of the Class 3 Trust Beneficiaries.

(d) ***Compensation and Duties of the Class 3 Trustee***. The salient terms of the Class 3 Trustee's employment, including the Class 3 Trustee's duties and compensation (which compensation shall be determined by a majority of the Class 3 Beneficiaries and paid solely from Class 3 Trust Assets), shall be set forth in the Class 3 Trust Agreement.

(e) ***Cooperation***. Following the Confirmation Date and prior to the Effective Date, the Debtors shall provide reasonable cooperation reasonably requested by the Class 3 Trustee and/or her counsel with the investigation and development of the Class 3 Causes of Action. Following the Effective Date, except as set forth in Section 1.3(a) and 1.3(b) of the Litigation Trust Agreement, the Reorganized Debtors shall have no obligation to provide any cooperation to the Class 3 Trustee or the Class 3 Trust Beneficiaries with respect to or in connection with the Class 3 Trust, including the administration thereof or the investigation, development or pursuit of any Class 3 Causes of Action.

(f) ***Preservation of Privilege***. Any attorney-client privilege, work-product doctrine, joint interest privilege or other privilege or immunity (collectively, the "Privileges")[2] belonging to any of the Debtors, and attaching to any documents, information or communications (whether written or oral) in connection with Class 3 Trust Assets (including Class 3 Litigation Causes of Action), shall be transferred (subject to the limitations below) to the Class 3 Trust solely for the purpose of allowing the Class 3 Trustee to carry out its obligations under this Class 3 Trust Agreement. Privileged material that the Debtors or Reorganized Debtors turn over that specifically relates to Class 3 Litigation Causes of Action shall automatically vest in, and be available for the assertion or waiver by the Class 3 Trustee, *provided* that the transfer of Privileges, and any obligation of the Debtors to turn over any documents, information or communications in connection with such transfer of Privileges, shall apply only to documents, information or communications dated on or before August 31, 2020 (which date cutoff shall not apply to any documents that refer to Peter Shaper and his dealings with the Debtors) and provided that the Class 3 Trustee and Class 3 Trust Beneficiaries shall maintain as strictly confidential all privileged information received pursuant to this Class 3 Trust Agreement. Should the Class 3 Trustee desire to waive any Privileges, the Class 3 Trustee must obtain the written consent of the Debtors or the Reorganized Debtors as appropriate, which shall not be unreasonably withheld. The Class 3 Trust's receipt of the Privileges associated with the Class 3 Trust Assets shall not operate as a waiver of any or all other privileges possessed or retained by the Debtors or Reorganized Debtors. To the extent any documents, information, or communications transferred to the Class 3 Trust pursuant to this Class 3 Trust Agreement

[2] For clarity, Privileges shall not include any internal attorney work product of Debtors' counsel in connection with the Chapter 11 Cases.

contain any personal information covered by Australian or other foreign privacy laws, SpeedCast International Limited and Class 3 Trustee will take any necessary steps, including effectuating any agreement required, to allow for the legal transfer of such information.

(g) ***Transferability***. Class 3 Trust Interests shall not be certificated and shall be non-transferable other than if transferred by will, intestate succession, or otherwise by operation of law, or as and to the extent determined by the Class 3 Trustee.

(h) ***U.S. Federal Income Tax Treatment of the Class 3 Trust.*** The Class 3 Trust shall be structured to qualify as a "liquidating trust" within the meaning of Treas. Reg. § 301.7701-4(d) and in compliance with Rev. Proc. 94-45, 1994-2 C.B. 684, and, thus, as a "grantor trust" within the meaning of Sections 671 through 679 of the Tax Code to the holders of Syndicated Facility Secured Claims as of the Class 3 Trust Record Date, consistent with the terms of the Plan and the Class 3 Trust Agreement. All assets held by the Class 3 Trust on the Effective Date shall be deemed for U.S. federal income tax purposes (i) to have been distributed (subject to any obligations relating to such assets) by the Debtors to the Class 3 Trust Beneficiaries (other than the assets allocable to any disputed ownership fund) in partial satisfaction of such Class 3 Trust Beneficiaries' Claims and (ii) immediately thereafter contributed by such Class 3 Trust Beneficiaries to the Class 3 Trust in exchange for their respective Class 3 Trust Interests. The Class 3 Trust Beneficiaries will be treated as the deemed owners of the Class 3 Trust (other than the assets allocable to any disputed ownership fund). The sole purpose of the Class 3 Trust shall be the liquidation and distribution of the Class 3 Trust Assets in accordance with Treas. Reg. § 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business. All parties (including the Debtors and the Estates, holders of Syndicated Facility Secured Claims and the Class 3 Trustee) shall report consistently with such treatment. All parties shall report consistently with the valuation of the Class 3 Trust Assets transferred to the Class 3 Trust as determined by the Class 3 Trustee (or its designee). The Class 3 Trustee shall be responsible for filing U.S. federal tax returns for the Class 3 Trust as a grantor trust pursuant to Treas. Reg. § 1.671-4(a). The Class 3 Trustee shall annually send to each holder of an interest in the Class 3 Trust a separate statement regarding the receipts and expenditures of the trust as relevant for U.S. federal income tax purposes. Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Class 3 Trustee of a private letter ruling if the Class 3 Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Class 3 Trustee), the Class 3 Trustee may timely elect to (x) treat any portion of the Class 3 Trust allocable to Disputed Claims as a "disputed ownership fund" governed by Treasury Regulation section 1.468B-9 (and make any appropriate elections) and (y) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All parties (including the Debtors and the Estates, holders of Syndicated Facility Secured Claims as of the Class 3 Trust Record Date and the Class 3 Trustee) shall report for U.S. federal, state, and local income tax purposes consistently with the foregoing.

(i) ***Withholding***. The Class 3 Trustee may withhold and pay to the appropriate taxing authority all amounts required to be withheld pursuant to the Tax Code or any provision of any foreign, state or local tax law with respect to any payment or distribution to the Class 3 Trust Beneficiaries. All such amounts withheld and paid to the appropriate taxing authority shall be treated as amounts distributed to such Class 3 Trust Beneficiaries for all

purposes of the Class 3 Trust Agreement. The Class 3 Trustee shall be authorized to collect such tax information from the Class 3 Trust Beneficiaries (including, without limitation, social security numbers or other tax identification numbers) as it, in its sole discretion, deems necessary to effectuate the Plan, the Confirmation Order and the Class 3 Trust Agreement. In order to receive distributions under the Plan, all Class 3 Trust Beneficiaries will need to identify themselves to the Class 3 Trustee and provide tax information and the specifics of their holdings, to the extent the Class 3 Trustee deems appropriate. This identification requirement may, in certain cases, extend to holders who hold their securities in street name. The Class 3 Trustee may refuse to make a distribution to any Class 3 Trust Beneficiary that fails to furnish such information in a timely fashion, until such information is delivered; *provided*, *however*, that, upon the delivery of such information by a Class 3 Trust Beneficiary, the Class 3 Trustee shall make such distribution to which the Class 3 Trust Beneficiary is entitled, without interest; and, *provided*, *further*, that, if the Class 3 Trustee fails to withhold in respect of amounts received or distributable with respect to any such holder and the Class 3 Trustee is later held liable for the amount of such withholding, such holder shall reimburse Class 3 Trustee for such liability.

(j) ***Class 3 Trust Assets***. The Class 3 Trustee shall have the exclusive right on behalf of the Class 3 Trust, to institute, file, prosecute, enforce, settle, compromise, release, abandon, or withdraw any and all Class 3 Trust Causes of Action without any further order of the Bankruptcy Court, except as otherwise provided herein or in the Class 3 Trust Agreement. From and after the Effective Date, the Class 3 Trustee, in accordance with section 1123(b)(3) of the Bankruptcy Code, and on behalf of the Class 3 Trust, shall serve as a representative of the Estates, solely for purposes of carrying out the Class 3 Trustee's duties under the Class 3 Trust Agreement. In connection with the investigation, prosecution and/or compromise of the Class 3 Trust Causes of Action, the Class 3 Trustee may expend such portion of the Class 3 Trust Assets as the Class 3 Trustee deems necessary. The Class 3 Trustee may invest Cash (including any earnings thereon or proceeds therefrom) in any manner permitted to be made by a liquidating trust within the meaning of Treasury Regulation section 301.7701-4(d), as reflected therein, or under applicable IRS guidelines, rulings, or other controlling authorities.

(k) ***Class 3 Trust Fees and Expenses***. From and after the Effective Date, the Class 3 Trustee, on behalf of the Class 3 Trust, shall, in the ordinary course of business and without the necessity of any approval by the Bankruptcy Court, pay the reasonable professional fees and expenses incurred by or on behalf of the Class 3 Trust from the Class 3 Trust Assets in accordance with the Class 3 Trust Agreement.

(l) ***Distribution of Unrestricted Cash***. The Class 3 Trustee shall distribute to the Class 3 Trust Beneficiaries on account of their interests in the Class 3 Trust, at least annually, all net proceeds from the monetization of Class 3 Trust Assets, except that the Class 3 Trust may retain an amount of net proceeds reasonably necessary to maintain the value of the Class 3 Trust Assets or to meet claims and contingent liabilities.

(m) ***Dissolution of the Class 3 Trust***. The Class 3 Trustee and the Class 3 Trust shall be discharged or dissolved, as the case may be, at such time as (a) the Class 3 Trustee determines that the pursuit of additional Class 3 Trust Causes of Action is not likely to yield sufficient additional proceeds to justify further pursuit of such claims and (b) all distributions of Class 3 Trust Distributable Proceeds, if any, required to be made by the Class 3 Trustee under

the Plan have been made, but in any event the Class 3 Trust shall be dissolved no later than five years after the Effective Date unless the Bankruptcy Court, upon motion made within the six-month period before such fifth anniversary (and, in the event of further extension, at least six months before the end of the preceding extension), determines that a fixed period extension (not to exceed three years, together with any prior extensions, without a favorable letter ruling from the IRS that any further extension would not adversely affect the status of the Class 3 Trust as a liquidating trust for federal income tax purposes) is necessary to facilitate or complete the recovery on, and liquidation of, the Class 3 Trust Assets. Upon dissolution of the Class 3 Trust, any remaining Class 3 Trust Assets shall be distributed to all Class 3 Trust Beneficiaries in accordance with the Plan and the Class 3 Trust Agreement as appropriate.

(n) **Centerbridge Partners, L.P., on behalf of itself and its controlled affiliates and any funds advised or managed thereby, irrevocably and forever disclaims and waives any right it or they have to receive any Class 3 Trust Interests on the Effective Date. For the avoidance of any doubt, Centerbridge Partners, L.P., and any of its controlled affiliates and any funds advised or managed thereby are ineligible to be Class 3 Trust Beneficiaries and shall not receive any Class 3 Trust Interests.**

ARTICLE VI. DISTRIBUTIONS.

6.1 *Distributions Generally.*

The Disbursing Agent shall make all Plan Distributions to the appropriate holders of Allowed Claims and Allowed Interests in accordance with the terms of this Plan; *provided*, that the Debtors or Reorganized Debtors, as applicable, shall disburse New Equity Interests to the Plan Sponsor; *provided, further*, that notwithstanding anything herein to the contrary, distributions to the Litigation Trust Beneficiaries shall be made by the Litigation Trustee as and when provided for in the Litigation Trust Agreement and distributions to the Class 3 Trust Beneficiaries shall be made by the Class 3 Trustee as and when provided for in the Class 3 Trust Agreement.

6.2 *No Postpetition Interest on Claims.*

Except as otherwise specifically provided for in this Plan, the Confirmation Order, or another order of the Bankruptcy Court or required by the Bankruptcy Code, and notwithstanding any documents to the contrary that govern the Debtors' prepetition indebtedness, postpetition and/or default interest shall not accrue or be paid on any Claims, and no holder of a Claim shall be entitled to (a) interest accruing on such Claim on or after the Petition Date, or (b) interest at the contractual default rate, as applicable.

6.3 *Date of Distributions.*

Unless otherwise provided in the Plan, Class 3 Trust Agreement or Litigation Trust Agreement, on the Effective Date or as soon as reasonably practicable thereafter (or, if a Claim is not an Allowed Claim on the Effective Date, on the date that such Claim becomes Allowed or as soon as reasonably practicable thereafter), each holder of an Allowed Claim as of the Distribution Record Date (or, in the case of the distribution of Class 3 Trust Interests, as of

the Class 3 Trust Record Date) shall receive the full amount of the distributions that the Plan provides for such Allowed Claims in their applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims, distributions on account of any such Disputed Claims shall be made pursuant to the provisions set forth in Article VII of the Plan. Except as otherwise provided in the Plan or the documents included in the Plan Supplement, holders of Claims shall not be entitled to interest, dividends, or accruals on any Plan Distributions.

6.4 ***Distribution Record Date.***

As of the close of business on the Distribution Record Date, the various lists of holders of Claims in each Class, as maintained by the Debtors or their agents, shall be deemed closed, and there shall be no further changes in the record holders of any Claims after the Distribution Record Date. Neither the Debtors, Reorganized Debtors, the Australian Administrator(s), the Australian Deed Administrator(s), nor the Disbursing Agent shall have any obligation to recognize any transfer of a Claim occurring after the close of business on the Distribution Record Date. In addition, with respect to payment of any Cure Amounts or disputes over any Cure Amounts, none of the Debtors, the Reorganized Debtors, the Australian Administrator(s), the Australian Deed Administrator(s), or the Disbursing Agent shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable executory contract or unexpired lease, even if such non-Debtor party has sold, assigned, or otherwise transferred its Claim for a Cure Amount.

6.5 ***Disbursing Agent.***

All distributions under this Plan shall be made by the applicable Disbursing Agent on and after the Effective Date as provided herein except distributions to the Litigation Trust Beneficiaries shall be made by the Litigation Trustee as and when provided for in the Litigation Trust Agreement and distributions to the Class 3 Trust Beneficiaries shall be made by the Class 3 Trustee as and when provided for in the Class 3 Trust Agreement. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties. The Reorganized Debtors shall use all commercially reasonable efforts to provide the applicable Disbursing Agent with the amounts of Claims and the identities and addresses of holders of Claims, in each case, as set forth in the Debtors' or the Reorganized Debtors' books and records. The Reorganized Debtors shall cooperate in good faith with the applicable Disbursing Agent (if other than the Reorganized Debtors) to comply with the reporting and withholding requirements outlined in Section 6.17 of this Plan.

6.6 ***Delivery of Distributions.***

The applicable Disbursing Agent will issue or cause to be issued, the applicable consideration under this Plan and, subject to Bankruptcy Rule 9010, will make all distributions to any holder of an Allowed Claim as and when required by this Plan (except distributions to the Litigation Trust Beneficiaries shall be made by the Litigation Trustee as and when provided for in the Litigation Trust Agreement and distributions to the Class 3 Trust Beneficiaries shall be

made by the Class 3 Trustee as and when provided for in the Class 3 Trust Agreement) at: (i) the address of such holder on the books and records of the Debtors or their agents or the Syndicated Facility Agent, as applicable or (ii) the address in any written notice of address change delivered to the Debtors or the Disbursing Agent, including any addresses included on any transfers of Claim filed pursuant to Bankruptcy Rule 3001. In the event that any distribution to any holder is returned as undeliverable, no distribution or payment to such holder shall be made unless and until the Disbursing Agent has been notified of the then-current address of such holder, at which time or as soon thereafter as reasonably practicable such distribution shall be made to such holder without interest.

6.7 ***Unclaimed Property.***

One year from the later of: (i) the Effective Date and (ii) the date that is ten (10) Business Days from the date of distribution, all distributions payable on account of such Claim that are not deliverable and remain unclaimed shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and shall revert to the Reorganized Debtors automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial, or state escheat, abandoned, or unclaimed property laws to the contrary) or their successors or assigns, and all claims of any other Entity (including the holder of a Claim in the same Class) to such distribution shall be discharged and forever barred. The Reorganized Debtors and the Disbursing Agent shall have no obligation to attempt to locate any holder of an Allowed Claim other than by reviewing the Debtors' books and records, the register of the DIP Agent or the Syndicated Facility Agent, as applicable, or filings with the Bankruptcy Court.

6.8 ***Satisfaction of Claims.***

Unless otherwise provided herein, any distributions and deliveries to be made on account of Allowed Claims under this Plan shall be in complete and final satisfaction, settlement, and discharge of and exchange for such Allowed Claims.

6.9 ***Manner of Payment Under Plan.***

Except as specifically provided herein, at the option of the Debtors, the Reorganized Debtors, the Australian Administrator(s) or the Australian Deed Administrator(s), as applicable, any Cash payment to be made under this Plan may be made by a check or wire transfer or as otherwise required or provided in applicable agreements or customary practices of the Debtors consistent with commonly accepted business practices.

6.10 ***Fractional Shares and De Minimis Cash Distributions.***

No fractional New Equity Interests shall be distributed. When any distribution would otherwise result in the issuance of a number of New Equity Interests that is not a whole number, the New Equity Interests subject to such distribution shall be rounded to the next higher or lower whole number as follows: (i) fractions equal to or greater than 1/2 shall be rounded to the next higher whole number and (ii) fractions less than 1/2 shall be rounded to the next lower whole number. The total number of New Equity Interests to be distributed on account of the Direct Investment or otherwise in accordance with the Plan Sponsor Agreement will be adjusted

as necessary to account for the rounding provided for herein. No consideration will be provided in lieu of fractional shares that are rounded down. Neither the Reorganized Debtors, Australian Administrator, nor the Disbursing Agent shall have any obligation to make a distribution that is less than one (1) share of New Equity Interests or one hundred dollars ($100.00) in Cash. Fractional New Equity Interests that are not distributed in accordance with this section shall be returned to, and ownership thereof shall vest in New Speedcast Parent.

6.11 ***No Distribution in Excess of Amount of Allowed Claim.***

Notwithstanding anything to the contrary in this Plan, no holder of an Allowed Claim shall receive, on account of such Allowed Claim, Plan Distributions in excess of the Allowed amount of such Claim plus any postpetition interest on such Claim, to the extent such interest is permitted by Section 6.2.

6.12 ***Allocation of Distributions Between Principal and Interest.***

Except as otherwise provided in this Plan and subject to Section 6.2 of this Plan, to the extent that any Allowed Claim entitled to a distribution under this Plan is comprised of indebtedness and accrued but unpaid interest thereon, such distribution shall be allocated first to the principal amount of the Claim (as determined for U.S. federal income tax purposes) and then, to the extent of any excess, to the remainder of the Claim, including any Claim for accrued but unpaid interests.

6.13 ***Exemption from Securities Laws.***

The issuance of the New Equity Interests pursuant to the Direct Investment are being made in reliance on the exemption from registration set forth in section 4(a)(2) of the Securities Act and/or Regulation D thereunder. Such Securities will be considered "restricted securities" and may not be offered for sale, sold, or otherwise transferred except pursuant to an effective registration statement under the Securities Act or in a transaction exempt from or not subject to registration under the Securities Act, such as under certain conditions, the resale provisions of Rule 144 of the Securities Act and in accordance with any applicable state securities laws.

6.14 ***Setoffs and Recoupments.***

Each Debtor or Reorganized Debtor, as applicable, or such Entity's designee, as instructed by such Reorganized Debtor, may, pursuant to section 553 of the Bankruptcy Code or applicable nonbankruptcy law, offset or recoup against any Allowed Claim and the distributions to be made pursuant to this Plan on account of such Allowed Claim any and all Claims, rights, and Causes of Action that such Debtor or Reorganized Debtor or its successors may hold against the holder of such Allowed Claim; *provided*, that neither the failure to effect a setoff or recoupment nor the allowance of any Claim hereunder will constitute a waiver or release by a Debtor or Reorganized Debtor or its successor of any Claims, rights, or Causes of Action that a Reorganized Debtor or its successor or assign may possess against such holder.

6.15 ***Release of Retained Funds***

Any Cash remaining in the Fee Claim Escrow Account, after all applicable distributions or other payments have been made from such Fee Claim Escrow Account shall be released therefrom by the Disbursing Agent and revert to the Reorganized Debtors or their successors or assigns at such dates as may be determined by the Disbursing Agent, but in no event later than the date that is sixty (60) days after all applicable distributions or other payments have been made from such account.

6.16 ***Rights and Powers of Disbursing Agent.***

(a) Powers of Disbursing Agent. The Disbursing Agent shall be empowered to: (i) effect all reasonable actions and execute all agreements, instruments, and other documents necessary to perform its duties under this Plan; (ii) make all applicable distributions or payments provided for under this Plan; (iii) employ professionals to represent it with respect to its responsibilities; and (iv) exercise such other powers (A) as may be vested in the Disbursing Agent by order of the Bankruptcy Court (including any order issued after the Effective Date) or pursuant to this Plan or (B) as deemed by the Disbursing Agent to be necessary and proper to implement the provisions of this Plan.

(b) Expenses Incurred on or After the Effective Date. To the extent the Disbursing Agent is an Entity other than a Debtor or Reorganized Debtor, except as otherwise ordered by the Bankruptcy Court and subject to the written agreement of the Reorganized Debtors, the amount of any reasonable fees and reasonable and documented out-of-pocket expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes and including for reasonable and documented attorneys' and other professional fees and out-of-pocket expenses) made by the Disbursing Agent shall be paid in Cash by the Reorganized Debtors.

6.17 ***Withholding and Reporting Requirements.***

(a) The Reorganized Debtors and the Disbursing Agent shall comply with all applicable withholding and reporting requirements imposed by any federal, state, local, or foreign taxing authority, and all distributions under this Plan shall be subject to any such withholding or reporting requirements. In the case of a non-Cash distribution that is subject to withholding, the distributing party may withhold an appropriate portion of such distributed property and sell such withheld property to generate Cash necessary to pay over the withholding tax. Any amounts withheld pursuant to the preceding sentence shall be deemed to have been distributed to and received by the applicable recipient for all purposes of this Plan. The Reorganized Debtors and the Disbursing Agent shall reasonably cooperate with the relevant recipients of any distributions under this Plan to minimize any withholding to the extent permitted by applicable law.

(b) Notwithstanding the above, each holder of an Allowed Claim that is to receive a distribution under this Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed on such holder by any Governmental Unit, including income, withholding, and other tax obligations, on account of such distribution.

(c) The Reorganized Debtors and the Disbursing Agent may require, as a condition to receipt of a distribution, that the holder of an Allowed Claim provide any information reasonably necessary to allow the distributing party to comply with any such withholding and reporting requirements imposed by any federal, state, local, or foreign taxing authority (including, for the avoidance of doubt, an IRS Form W-9 or (if the holder is a non-U.S. Person) an appropriate IRS Form W-8 (unless such Person is exempt from information reporting requirements under the Tax Code) and so notifies the Reorganized Debtors and the Disbursing Agent).

6.18 *Hart-Scott-Rodino Antitrust Improvements Act*

Any New Equity Interests to be distributed under the Plan to any Entity required as a result of such distribution to file a premerger notification and report form under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, to the extent applicable, shall not be distributed until the notification and waiting periods applicable under such Act to such Entity have expired or been terminated.

ARTICLE VII. PROCEDURES FOR RESOLVING CLAIMS.

7.1 *Disputed Claims Generally.*

Except insofar as a Claim is Allowed under the Plan or was Allowed prior to the Effective Date, the Debtors or the Reorganized Debtors, as applicable, shall have and retain any and all rights and defenses such Debtor has with respect to any Disputed Claim, including the Causes of Action retained pursuant to Section 10.11. Any objections to Claims shall be served and filed on or before: (a) the one hundred twentieth (120th) day following the later of (i) the Effective Date and (ii) the date that a proof of Claim is filed or amended or a Claim is otherwise asserted or amended in writing by or on behalf of a holder of such Claim; or (b) such later date as may be fixed by the Bankruptcy Court. All Disputed Claims not objected to by the end of such one hundred twenty (120) day period shall be deemed Allowed unless such period is extended upon approval of the Bankruptcy Court.

7.2 *Resolution of Disputed Claims*

(a) On and after the Effective Date, the Reorganized Debtors shall have the duty and authority, and, solely with respect to Other Unsecured Claims, in consultation with the Litigation Trustee, to (i) litigate, compromise, settle, otherwise resolve, or withdraw any objections to all Claims against the Debtors and to compromise and settle any such Disputed Claims without any further notice to or action, order, or approval by the Bankruptcy Court or any other party and (ii) administer and adjust the Claims Register to reflect any such settlements or compromises without any further action, order, notice to, or approval by the Bankruptcy Court or any other party.

(b) Expungement of, or Adjustment to, Paid, Satisfied, or Superseded Claims. Any Claim that has been paid, satisfied, or superseded, or any Claim that has been amended or superseded, may be adjusted or expunged on the Claims Register by the Reorganized Debtors, and, solely with respect to Other Unsecured Claims, in consultation with the Litigation Trustee,

without a claims objection having to be filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

(c) Notwithstanding anything herein to the contrary, the Creditors' Committee or Litigation Trustee, as applicable, shall have the right to prosecute or otherwise adjudicate or settle particular objections to Other Unsecured Claims in the event that the Reorganized Debtors and the Litigation Trustee disagree with respect to the treatment of any particular Other Unsecured Claim and the Litigation Trustee shall have standing to seek court intervention to enforce this provision or otherwise resolve any dispute between the Reorganized Debtors and the Litigation Trustee with respect to allowance of Other Unsecured Claims.

(d) Disallowance of Claims. EXCEPT AS OTHERWISE AGREED, ANY AND ALL PROOFS OF CLAIM FILED AFTER THE APPLICABLE DEADLINE FOR FILING SUCH PROOFS OF CLAIM SHALL BE DEEMED DISALLOWED AND EXPUNGED AS OF THE EFFECTIVE DATE WITHOUT ANY FURTHER NOTICE TO OR ACTION, ORDER, OR APPROVAL OF THE BANKRUPTCY COURT, AND HOLDERS OF SUCH CLAIMS MAY NOT RECEIVE ANY DISTRIBUTIONS ON ACCOUNT OF SUCH CLAIMS, UNLESS SUCH LATE PROOF OF CLAIM IS DEEMED TIMELY FILED BY A FINAL ORDER ON OR BEFORE THE LATER OF THE CONFIRMATION HEARING AND THE DATE THAT IS FORTY-FIVE (45) DAYS AFTER THE APPLICABLE DEADLINE FOR FILING SUCH PROOFS OF CLAIM.

7.3 ***Estimation of Claims.***

The Debtors or the Reorganized Debtors, as applicable, may at any time request that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code, regardless of whether the Debtors had previously objected to or otherwise disputed such Claim or whether the Bankruptcy Court has ruled on any such objection. The Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated, or Disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, the Reorganized Debtors may pursue supplementary proceedings to object to the allowance of such Claim.

7.4 ***Claims Resolution Procedures Cumulative.***

All of the objection, estimation, and resolution procedures in this Plan are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently settled, compromised, withdrawn, or resolved in accordance with this Plan by any mechanism approved by the Bankruptcy Court.

7.5 ***No Distributions Pending Allowance.***

No payment or distribution provided under this Plan shall be made on account of a Disputed Claim unless and until (and only to the extent that) such Claim becomes an Allowed Claim.

7.6 ***Distributions After Allowance.***

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the holder of such Allowed Claim in accordance with the provisions of this Plan. As soon as practicable after the date on which the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Disbursing Agent shall provide to the holder of such Claim the distribution (if any) to which such holder is entitled under this Plan as of the Effective Date, without any interest to be paid on account of such Claim unless required by the Bankruptcy Code.

ARTICLE VIII. EXECUTORY CONTRACTS AND UNEXPIRED LEASES.

8.1 ***Assumption and Rejection of Executory Contracts and Unexpired Leases.***

(a) As of and subject to the occurrence of the Effective Date, except as expressly set forth in this section 8.1 or sections 8.3, 8.4 and 8.5 herein, or in the Confirmation Order, all executory contracts and unexpired leases to which the Debtors are party shall (subject, in the cases of clauses (ii) and (iii), to the consent of the Plan Sponsor, whose consent will not to be unreasonably withheld) be deemed rejected except for an executory contract or unexpired lease that (i) has been assumed or rejected pursuant to a Final Order prior to entry of the Confirmation Order and in respect to which a motion for such assumption or rejection has been filed prior to the initial filing of this Plan, (ii) is specifically designated on the Schedule of Assumed Contracts and Leases, or (iii) is the subject of a separate (A) assumption motion filed by the Debtors or (B) rejection motion filed by the Debtors under section 365 of the Bankruptcy Code before the Confirmation Date. The Debtors reserve the right to modify the treatment of any particular executory contract or unexpired lease pursuant to this Plan (subject to the consent rights in this clause (a)). Except as expressly set forth in this section 8.1 or sections 8.3, 8.4 and 8.5, the Confirmation Order shall constitute the Bankruptcy Court's approval of the rejection of all the leases and contracts not identified in the Schedule of Assumed Contracts and Leases (subject to the consent rights described in this clause (a)).

(b) Subject to the occurrence of the Effective Date, the payment of any applicable Cure Amount, and the resolution of any Cure Dispute, the entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the rejections, assumptions, and assumptions and assignments provided for in this Plan pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Unless otherwise indicated or provided in a separate order of the Bankruptcy Court, rejections, assumptions, or assumptions and assignments of executory contracts and unexpired leases pursuant to this Plan are effective as of the Effective Date. Each executory contract and unexpired lease assumed pursuant to this Plan or by order of the

Bankruptcy Court but not assigned to a third party before the Effective Date shall vest in and be fully enforceable by the applicable Reorganized Debtor in accordance with its terms, except as modified by the provisions of this Plan, any order of the Bankruptcy Court authorizing and providing for its assumption, or applicable law.

(c) Unless otherwise provided herein or by separate order of the Bankruptcy Court, each executory contract and unexpired lease that is assumed or assumed and assigned shall include any and all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without regard to whether such agreement, instrument, or other document is listed in the Schedule of Assumed Contracts and Leases.

(d) Notwithstanding anything to the contrary herein, all intercompany agreements are deemed to be, and shall be treated as, executory contracts under this Plan and, on the Effective Date, shall be assumed pursuant to sections 365 and 1123 of the Bankruptcy Code effective as of the Effective Date regardless of whether such contracts are listed on the Schedule of Assumed Contracts and Leases.

(e) Notwithstanding anything to the contrary herein or in the Plan Supplement, all shareholders' agreements, nominee agreements, call option agreements and other agreements in respect of the Speedcast Entities' joint venture entities to which the Debtors are a party are deemed to be, and shall be treated as, executory contracts under the Plan and, on the Effective Date shall be assumed pursuant to sections 365 and 1123 of the Bankruptcy Code, unless otherwise specifically rejected in the Assumption Schedules.

8.2 ***Determination of Cure Disputes and Deemed Consent.***

(a) With respect to each executory contract or unexpired lease to be assumed or assumed and assigned by the Debtors, unless otherwise determined by the Bankruptcy Court pursuant to a Final Order or agreed to by the parties thereto, the dollar amount required to Cure any defaults of the Debtors existing as of the Confirmation Date shall be the Cure Amount set in the Cure Notice. The Cure Amount shall be satisfied, under section 365(b)(1) of the Bankruptcy Code, by the Debtors or Reorganized Debtors, as applicable, upon assumption of the relevant executory contract or unexpired lease. In advance of the Confirmation Hearing, the Debtors shall have served a notice on parties to executory contracts and unexpired leases to be assumed reflecting the Debtors' intent to assume the contract or lease in connection with this Plan and setting forth the proposed Cure Amount (if any). Unless a different agreement has been reached with the counterparty, upon payment in full of the Cure Amount, any and all proofs of Claim based upon an executory contract or unexpired lease that has been assumed in the Chapter 11 Cases or hereunder shall be deemed Disallowed and expunged without any further notice to or action by any party or order of the Bankruptcy Court.

(b) If there is a dispute regarding (i) any Cure Amount, (ii) the ability of the Debtors to provide adequate assurance of future performance (within the meaning of section 365 of the Bankruptcy Code) under the contract or lease to be assumed, or (iii) any other matter pertaining to assumption or assumption and assignment, such dispute shall be heard by the

Bankruptcy Court prior to such assumption or assumption and assignment being effective. Any counterparty to an executory contract or unexpired lease that fails to object timely to the notice of the proposed assumption or assumption and assignment of such executory contract or unexpired lease or the relevant Cure Amount by the deadline to object to confirmation of this Plan, shall be deemed to have consented to such assumption or assumption and assignment and the Cure Amount (even if Zero Dollars ($0)), and shall be forever barred, estopped, and enjoined from challenging the validity of such assumption or assumption and assignment or the amount of such Cure Amount thereafter.

8.3 ***Survival of the Debtors' Indemnification and Reimbursement Obligations.***

(a) Notwithstanding anything in the Plan (including Section 10.3 of the Plan), any indemnification of the Debtors' officers, directors, members, agents, or employees (other than Non-Released Parties) (each, a "D&O Indemnification") who serve in such capacity provided for in the Debtors' bylaws, certificates of incorporation, other formation documents, board resolutions, deeds of indemnity, or other similar agreements with respect to all present and future actions, suits, and proceedings against the Debtors or such officers, directors, members, managers, agents, or employees based upon any act or omission for or on behalf of the Debtors shall (i) remain in full force and effect, (ii) not be discharged, impaired, or otherwise affected in any way, including by the Plan, the Plan Supplement, or the Confirmation Order, (iii) not be limited, reduced or terminated after the Effective Date, and (iv) survive unimpaired and unaffected irrespective of whether such obligation is owed for an act or event occurring before, on or after the Petition Date, *provided*, that the Reorganized Debtors shall not indemnify officers, directors, members, or managers, as applicable, of the Debtors for any claims or Causes of Action (i) arising out of or relating to any act or omission that constitutes intentional fraud, gross negligence, or willful misconduct or (ii) that are not indemnified by such indemnification obligation; *provided*, further, that the obligations in this section shall not apply to any Non-Released Party and any obligations to indemnify any Non-Released Party shall be terminated upon the occurrence of the Effective Date regardless of whether such obligations are captured on the Assumption Schedules (as defined in the Plan Supplement) or elsewhere in the Schedule of Assumed Executory Contracts and Unexpired Leases. All D&O Indemnifications shall be deemed and treated as executory contracts to be assumed by the Debtors under the Plan and shall continue as obligations of the Reorganized Debtors regardless of whether such obligations are included on the Schedule of Assumed Contracts and Leases. Any claim based on the Debtors' obligations under the Plan shall not be a Disputed Claim or subject to any objection, in either case, by reason of section 502(e)(1)(B) of the Bankruptcy Code.

(b) After the Effective Date, the Reorganized Debtors shall not terminate or otherwise reduce the coverage under any directors' and officers' insurance policies (including any "tail policy") in effect as of the Confirmation Date, and all members, managers, directors, and officers of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy regardless of whether such members, managers, directors, and/or officers remain in such positions after the Effective Date.

8.4 ***Compensation and Benefit Plans.***

Unless otherwise provided in this Plan and except as applicable to any Non-Released Party, all employment policies, and all compensation and benefits plans, policies, and programs of the Debtors applicable to their respective employees, retirees, and non-employee directors, including all savings plans, retirement plans, healthcare plans, disability plans, severance benefit plans, incentive plans, and life and accidental death and dismemberment insurance plans, are deemed to be, and shall be treated as, executory contracts under this Plan and, on the Effective Date, shall be assumed pursuant to sections 365 and 1123 of the Bankruptcy Code regardless of whether such obligations are identified on the Schedule of Assumed Contracts and Leases. For the avoidance of doubt, any awards granted under the Management Incentive Plan shall be governed by such plan and shall not be subject to any provisions of the foregoing assumed plans, programs, or arrangements.

8.5 ***Insurance Policies.***

All insurance policies to which any Debtor is a party as of the Effective Date shall be deemed to be and treated as executory contracts, shall be assumed or assumed and assigned by the applicable Debtor regardless of whether such obligations are identified on the Schedule of Assumed Contracts and Leases, and shall vest in the Reorganized Debtors and continue in full force and effect thereafter in accordance with their respective terms.

8.6 ***Rejection Damages Claims.***

In the event that the rejection of an executory contract or unexpired lease hereunder results in damages to the other party or parties to such executory contract or unexpired lease, any Claim for such damages shall be classified and treated in Class 4A (Unsecured Trade Claims) or Class 4B (Other Unsecured Claims), as applicable and as determined by the Debtors or Reorganized Debtors, as applicable. Such Claim shall be forever barred and shall not be enforceable against the Debtors or the Reorganized Debtors, as applicable, or their respective Estates, properties or interests in property as agents, successors, or assigns, unless a proof of Claim is filed with the Bankruptcy Court and served upon counsel for the Debtors or the Reorganized Debtors, as applicable, no later than forty-five (45) days after the filing and service of the notice of the occurrence of the Effective Date.

8.7 ***Reservation of Rights.***

(a) Neither the exclusion nor the inclusion by the Debtors of any contract or lease on any exhibit, schedule, or other annex to this Plan or in the Plan Supplement, nor anything contained in this Plan, shall constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Reorganized Debtors or their respective affiliates has any liability thereunder.

(b) Except as otherwise provided in this Plan, or in a previously entered order of the Bankruptcy Court, nothing shall waive, excuse, limit, diminish, or otherwise alter any of the defenses, claims, Causes of Action, or other rights of the Debtors or the Reorganized Debtors under any executory or non-executory contract or unexpired or expired lease.

(c) Nothing in this Plan shall increase, augment, or add to any of the duties, obligations, responsibilities, or liabilities of the Debtors or the Reorganized Debtors, as applicable, under any executory or non-executory contract or unexpired or expired lease.

(d) For the avoidance of doubt, nothing in this Plan shall or shall be deemed to constitute a waiver of any rights, claims and/or remedies of any Prepetition Lender against another Prepetition Lender(s) or the Syndicated Facility Agent under the Syndicated Facility Agreement, including, the New Incremental Term Loans (as defined in the Incremental Assumption and Amendment Agreement, dated as of October 16, 2018), the other SFA Loan Documents or any related instrument, agreement or document.

(e) If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of its assumption under this Plan, the Debtors or Reorganized Debtors, as applicable, shall have sixty (60) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

(b) By accepting distributions pursuant to the Plan, each holder of an Allowed Claim or Allowed Interest shall be deemed to have affirmatively and specifically consented to be bound by the Plan, including the injunctions set forth in this Section 10.5 of the Plan.

(c) For the avoidance of doubt, the injunctions set forth in this Section 10.5 of the Plan prohibit the enforcement of the Syndicated Facility Agreement against any SFA Loan Party.

EFFECTIVE AS OF THE EFFECTIVE DATE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW AND WITHOUT AFFECTING OR LIMITING EITHER THE ESTATE RELEASE SET FORTH IN SECTION 10.6 HEREIN OR THE CONSENSUAL RELEASES BY HOLDERS OF CLAIMS SET FORTH IN SECTION 10.7 HEREIN, AND NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, NO EXCULPATED PARTY WILL HAVE OR INCUR, AND EACH EXCULPATED PARTY WILL BE RELEASED AND EXCULPATED FROM, ANY CLAIM, OBLIGATION, SUIT, JUDGMENT, DAMAGE, DEMAND, DEBT, RIGHT, CAUSE OF ACTION, LOSS, REMEDY, AND LIABILITY FOR ANY CLAIM IN CONNECTION WITH OR ARISING OUT OF THE ADMINISTRATION OF THE CHAPTER 11 CASES; THE NEGOTIATION, PURSUIT, FORMULATION, PREPARATION OR CONSUMMATION OF THE DIP FACILITY, THE SYNDICATED FACILITY AGREEMENT, THE EQUITY COMMITMENT AGREEMENT, THE PLAN SPONSOR AGREEMENT, THE FORBEARANCE AGREEMENT, THE DIRECT INVESTMENT, THE MANAGEMENT INCENTIVE PLAN, THE AMENDED ORGANIZATIONAL DOCUMENTS, THE DISCLOSURE STATEMENT, THE RESTRUCTURING, THE PLAN AND THE PLAN DOCUMENTS (INCLUDING THE DOCUMENTS IN THE PLAN SUPPLEMENT), OR THE SOLICITATION OF VOTES FOR, OR CONFIRMATION OF, THE PLAN; THE FUNDING OR CONSUMMATION OF THE PLAN; THE OCCURRENCE OF THE EFFECTIVE DATE; THE ADMINISTRATION OF THE PLAN OR THE PROPERTY TO BE DISTRIBUTED UNDER THE PLAN; THE ISSUANCE OF SECURITIES UNDER OR IN CONNECTION WITH THE PLAN; THE PURCHASE, SALE, OR RESCISSION OF THE PURCHASE OR SALE OF ANY SECURITY OF THE DEBTORS OR THE REORGANIZED DEBTORS; OR THE TRANSACTIONS IN FURTHERANCE OF ANY OF THE FOREGOING; OTHER THAN CLAIM, OBLIGATION, SUIT, JUDGMENT, DAMAGE, DEMAND, DEBT, RIGHT, CAUSE OF ACTION, LOSS, AND LIABILITY FOR ANY CLAIM ARISING OUT OF OR RELATED TO ANY ACT OR OMISSION OF AN EXCULPATED PARTY THAT CONSTITUTES INTENTIONAL FRAUD, WILLFUL MISCONDUCT OR GROSS NEGLIGENCE AS DETERMINED BY A FINAL ORDER. THE EXCULPATED PARTIES HAVE ACTED IN COMPLIANCE WITH THE APPLICABLE PROVISIONS OF THE BANKRUPTCY CODE WITH REGARD TO THE SOLICITATION AND DISTRIBUTION OF SECURITIES PURSUANT TO THE PLAN AND, THEREFORE, ARE NOT, AND ON ACCOUNT OF SUCH

DISTRIBUTIONS WILL NOT BE, LIABLE AT ANY TIME FOR THE VIOLATION OF ANY APPLICABLE LAW, RULE, OR REGULATION GOVERNING THE SOLICITATION OF ACCEPTANCES OR REJECTIONS OF THE PLAN OR SUCH DISTRIBUTIONS MADE PURSUANT TO THE PLAN, INCLUDING THE ISSUANCE OF SECURITIES THEREUNDER.

10.9 ***Injunction Related to Releases and Exculpation.***

Except for the rights that remain in effect from and after the Effective Date to enforce this Plan and the Plan Documents, the Confirmation Order shall permanently enjoin the commencement or prosecution by any Entity, whether directly, derivatively, or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, losses, or liabilities released or exculpated pursuant to this Plan.

10.10 ***Subordinated Claims.***

The allowance, classification, and treatment of all Allowed Claims and Allowed Interests and the respective distributions and treatments thereof under this Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, sections 510(b), or 510(c) of the Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Debtors and Reorganized Debtors, as applicable, reserve the right to reclassify any Allowed Claim or Allowed Interest in accordance with any contractual, legal, or equitable subordination relating thereto.

10.11 ***Retention of Causes of Action and Reservation of Rights.***

Subject to Sections 10.6, 10.7,10.8, and 10.9 of this Plan, nothing contained in this Plan or the Confirmation Order shall be deemed to be a waiver or relinquishment of any rights, claims, Causes of Action, rights of setoff or recoupment, or other legal or equitable defenses that the Debtors had immediately before the Effective Date on behalf of the Estates or of themselves in accordance with any provision of the Bankruptcy Code or any applicable nonbankruptcy law. Subject to Sections 10.6, 10.7, 10.8, and 10.9 of this Plan, and except as provided in any order entered by the Bankruptcy Court, the Reorganized Debtors shall have, retain, reserve, and be entitled to assert all such claims, Causes of Action, rights of setoff or recoupment, and other legal or equitable defenses as fully as if the Chapter 11 Cases had not been commenced, and all of the Debtors' legal and equitable rights in respect of any Unimpaired Claim may be asserted after the Effective Date to the same extent as if the Chapter 11 Cases had not been commenced.

10.12 ***Ipso Facto and Similar Provisions Ineffective.***

Any term of any policy, contract, or other obligation applicable to a Debtor shall be void and of no further force or effect with respect to any Debtor to the extent that such term is conditioned on, creates an obligation of the Debtor as a result of, or gives rise to a right of any Entity based on any of the following: (i) the insolvency or financial condition of a Debtor;

(ii) the commencement of the Chapter 11 Cases; (iii) the confirmation or consummation of this Plan, including any change of control that will occur as a result of such consummation; (iv) any change of control resulting from Restructuring Transactions; (v) the commencement of any Foreign Enforcement Action or similar proceeding; or (vi) the Restructuring.

Pursuant to sections 105(c) and 1142 of the Bankruptcy Code and notwithstanding entry of the Confirmation Order and the occurrence of the Effective Date, on and after the Effective Date, the Bankruptcy Court shall retain exclusive jurisdiction, pursuant to 28 U.S.C. §§ 1334 and 157, over all matters arising in or related to the Chapter 11 Cases, other than with respect to the Speedcast Parent Administration, the Deed of Company Arrangement, the Speedcast Parent Liquidation, as applicable, or any matters subject to the jurisdiction of a voluntary foreign recognition, administration, or similar proceedings commenced to implement the terms of the Restructuring or this Plan, for, among other things, the following purposes:

(a) to hear and determine applications for the assumption or rejection of executory contracts or unexpired leases and any disputes over Cure Amounts resulting therefrom;

(b) to determine any motion, adversary proceeding, application, contested matter, and other litigated matter in the Chapter 11 Cases pending on or commenced after the entry of the Confirmation Order, including adjudication of the Litigation Trust Causes of Action and the Class 3 Trust Causes of Action; *provided*, *however*, that the Bankruptcy Court's jurisdiction with respect to the Litigation Trust Causes of Action and the Class 3 Trust Causes of Action shall not be exclusive;

(c) to hear and resolve any disputes arising from or related to (i) any orders of the Bankruptcy Court granting relief under Bankruptcy Rule 2004 or (ii) any protective orders entered by the Bankruptcy Court in connection with the foregoing;

(d) to ensure that distributions to holders of Allowed Claims are accomplished as provided in this Plan and the Confirmation Order;

(e) to consider Claims or the allowance, classification, priority, compromise, estimation, or payment of any Claim, including any Administrative Expense Claim;

(f) to enter, implement, or enforce such orders as may be appropriate in the event that the Confirmation Order is for any reason stayed, reversed, revoked, modified, or vacated;

(g) to issue and enforce injunctions and releases, enter and implement other orders, and take such other actions as may be necessary or appropriate to restrain interference by any Entity with the consummation, implementation, or enforcement of this Plan, the Confirmation Order, or any other order of the Bankruptcy Court;

(h) to hear and determine any application to modify this Plan in accordance with section 1127 of the Bankruptcy Code to remedy any defect or omission or reconcile any inconsistency in this Plan, the Disclosure Statement, or any order of the Bankruptcy Court, including the Confirmation Order, in such a manner as may be necessary to carry out the purposes and effects thereof;

(i) to hear and determine all Fee Claims and Restructuring Expenses;

(j) to resolve disputes concerning Disputed Claims and any retained amounts with respect to Disputed Claims or the administration thereof, including disagreement between the Reorganized Debtors and the Litigation Trustee regarding the allowance of certain Disputed Claims as provided for in section 7.2(c) or information requests from the Litigation Trustee or Class 3 Trustee to the Reorganized Debtors;

(k) to hear and determine disputes arising in connection with the interpretation, implementation, or enforcement of this Plan, the Confirmation Order, any transactions or payments in furtherance of either, or any agreement, instrument, or other document governing or related to any of the foregoing;

(l) to take any action and issue such orders, including any such action or orders as may be necessary after entry of the Confirmation Order or the occurrence of the Effective Date, as may be necessary to construe, enforce, implement, execute, and consummate this Plan, including any release, exculpation, or injunction provisions set forth in this Plan, or to maintain the integrity of this Plan following the occurrence of the Effective Date;

(m) to determine such other matters and for such other purposes as may be provided in the Confirmation Order;

(n) to hear and determine matters concerning state, local, and federal taxes in accordance with sections 346, 505, and 1146 of the Bankruptcy Code;

(o) to hear and determine any other matters related to the Chapter 11 Cases and not inconsistent with the Bankruptcy Code or title 28 of the United States Code;

(p) to resolve any disputes concerning whether an Entity had sufficient notice of the Chapter 11 Cases, the Disclosure Statement, any solicitation conducted in connection with the Chapter 11 Cases, any bar date established in the Chapter 11 Cases, or any deadline for responding or objecting to a Cure Amount, in each case, for the purpose for determining whether a Claim or Interest is discharged hereunder or for any other purpose;

(q) to recover all Assets of the Debtors and property of the Estates, wherever located;

(r) to enter a final decree closing each of the Chapter 11 Cases;

provided, that upon the execution of the New Organizational Documents and the Amended Organizational Documents, disputes with respect the New Organizational Documents and the

Amended Organizational Documents that are not related to the Plan shall otherwise be governed by the jurisdictional, forum selection or dispute resolution clause contained in such document.

ARTICLE XII. MISCELLANEOUS PROVISIONS.

12.1 *Amendments.*

(a) Plan Modifications. Subject to the written consent of (w) the Plan Sponsor, (x) the Creditors' Committee (in the case of this clause (y), whose consent will not be unreasonably withheld), (y) solely with respect to Sections 5.8 and 9.1(h) and the component definitions thereof, the Initial Plan Sponsor and (z) solely with respect to any provision of this Plan relating to the Class 3 Trust or disproportionately impacting Black Diamond Commercial Finance, L.L.C. or Black Diamond Capital Management, L.L.C. in a material and adverse manner, Black Diamond Commercial Finance, L.L.C. and Black Diamond Capital Management, L.L.C., this Plan may be amended, modified, or supplemented by the Debtors in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law, without additional disclosure pursuant to section 1125 of the Bankruptcy Code, except as otherwise ordered by the Bankruptcy Court. In addition, after the Confirmation Date, so long as such action does not materially and adversely affect the treatment of holders of Allowed Claims or Allowed Interests pursuant to this Plan, the Debtors may remedy any defect or omission or reconcile any inconsistencies in this Plan or the Confirmation Order with respect to such matters as may be necessary to carry out the purposes or effects of this Plan, and any holder of a Claim or Interest that has accepted this Plan shall be deemed to have accepted this Plan as amended, modified, or supplemented.

(b) Certain Technical Amendments. Prior to the Effective Date, the Debtors may make appropriate technical adjustments and modifications to this Plan without further order or approval of the Bankruptcy Court; *provided*, that such technical adjustments and modifications do not adversely affect the Plan Sponsor or treatment of holders of Allowed Claims or Allowed Interests under this Plan and are reasonably acceptable to the Creditors' Committee.

12.2 *Revocation or Withdrawal of Plan.*

The Debtors, in consultation with the Creditors' Committee, reserve the right to revoke or withdraw this Plan prior to the Effective Date as to any or all of the Debtors. If, with respect to a Debtor, this Plan has been revoked or withdrawn prior to the Effective Date, or if confirmation or the occurrence of the Effective Date as to such Debtor does not occur on the Effective Date, then, with respect to such Debtor: (i) this Plan shall be null and void in all respects; (ii) any settlement or compromise embodied in this Plan (including the fixing or limiting to an amount any Claim or Interest or Class of Claims or Interests), assumption of executory contracts or unexpired leases affected by this Plan, and any document or agreement executed pursuant to this Plan shall be deemed null and void; and (iii) nothing contained in this Plan shall (a) constitute a waiver or release of any Claim by or against, or any Interest in, such Debtor or any other Entity; (b) prejudice in any manner the rights of such Debtor or any other Person or Entity; or (c) constitute an admission of any sort by any Debtor or any other Person or Entity.

12.3 ***Dissolution of Creditors' Committee.***

Except to the extent provided herein, upon the Effective Date, the current and former members of the Creditors' Committee, and their respective officers, employees, counsel, advisors, and agents, shall be released and discharged of and from all further authority, duties, responsibilities, and obligations related to and arising from and in connection with the Chapter 11 Cases; *provided, however*, that following the Effective Date, the Creditors' Committee shall continue in existence and have standing and a right to be heard for the following limited purposes: (a) Claims and/or applications for compensation by Professional Persons; (b) any appeals of the Confirmation Order; (c) any appeals to which the Creditors' Committee is a named party; and (d) any adversary proceedings or contested matters as of the Effective Date to which the Creditors' Committee is a named party. Following the completion of the Creditors' Committee's remaining duties set forth above, the Creditors' Committee shall be dissolved, and the retention or employment of the Creditors' Committee's respective attorneys, accountants, and other agents shall terminate.

12.4 ***Exemption from Certain Transfer Taxes.***

Pursuant to section 1146 of the Bankruptcy Code, the issuance, transfer, or exchange of any security or other property hereunder, including, to the fullest extent permitted by applicable law, all sale transactions consummated by the Debtors and approved by the Bankruptcy Court on and after the Confirmation Date through and including the Effective Date, including any transfers effectuated under this Plan, and any assumption, assignment, or sale by the Debtors of their interests in unexpired leases of nonresidential real property or executory contracts pursuant to section 365(a) of the Bankruptcy Code, shall constitute a "transfer under a plan" within the purview of section 1146 of the Bankruptcy Code and shall not be subject to any stamp, real estate transfer, mortgage, mortgage recording, document recording, conveyance fee or other similar tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, sales tax, use tax or other similar tax or government assessment.

12.5 ***Payment of Statutory Fees.***

All fees payable under section 1930 of chapter 123 of title 28 of the United States Code shall be paid on the Effective Date, or as soon as practicable thereafter, by the Debtors or Reorganized Debtors; *provided*, that all fees payable pursuant to section 1930 of chapter 123 of title 28 of the United States Code prior to the Effective Date shall be paid by the Debtors. Quarterly fees owed to the U.S. Trustee shall be paid when due in accordance with applicable law and the Debtors and Reorganized Debtors shall continue to file reports to show the calculation of such fees for the Debtors' Estates until the Chapter 11 Cases are closed under section 350 of the Bankruptcy Code. Each and every one of the Debtors shall remain obligated to pay quarterly fees to the U.S. Trustee until the earliest of that particular Debtor's case is closed, dismissed, or converted to a case under Chapter 7 of the Bankruptcy Code; *provided* that, in the event Chapter 11 Cases are not closed under section 350 of the Bankruptcy Code solely due to the existence of the Litigation Trust and/or the Class 3 Trust, then the Litigation Trust and/or Class 3 Trust, as applicable shall be obligated, and the Litigation Trustee and/or Class 3 Trustee, as applicable, shall cause the Litigation Trust and/or Class 3 Trust, as applicable, to pay the quarterly fees to the U.S. Trustee.

12.6 ***Severability.***

Subject to Section 12.2 of this Plan, if, prior to the entry of the Confirmation Order, any term or provision of this Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court, at the request of the Debtors with the reasonable consent of the Creditors' Committee and the Plan Sponsor, shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation by the Bankruptcy Court, the remainder of the terms and provisions of this Plan shall remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of this Plan, as it may have been altered or interpreted in accordance with this Section, is valid and enforceable pursuant to its terms.

12.7 ***Governing Law.***

Except to the extent that the Bankruptcy Code or other federal law is applicable or to the extent that a Plan Document provides otherwise, the rights, duties, and obligations arising under this Plan and the Plan Documents shall be governed by, and construed and enforced in accordance with, the internal laws of the State of New York, without giving effect to the principles of conflict of laws thereof.

12.8 ***Immediate Binding Effect.***

Notwithstanding Bankruptcy Rules 3020(e), 6004(h), 7062, or otherwise, upon the occurrence of the Effective Date, the terms of this Plan and the Plan Documents shall be immediately effective and enforceable and deemed binding upon and inure to the benefit of the Debtors, the Reorganized Debtors, the holders of Claims and Interests, the Released Parties, the Exculpated Parties, and each of their respective successors and assigns.

12.9 ***Successors and Assigns.***

WHEREAS, all other objections to final approval of the Disclosure Statement or confirmation of the Plan have been settled, withdrawn, resolved, or overruled in their entirety on the merits by this Court;

THEREFORE, based on the foregoing, and after due deliberation thereon and sufficient cause appearing therefor, this Court hereby FINDS, DETERMINES, and CONCLUDES as follows:

FINDINGS OF FACT AND CONCLUSIONS OF LAW

A. Findings of Fact and Conclusions of Law. The findings and conclusions set forth herein constitute this Court's findings of fact and conclusions of law pursuant to Rule 52 of the Federal Rules of Civil Procedure, as made applicable herein by Bankruptcy Rules 7052 and 9014. To the extent any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

B. Jurisdiction, Venue, Core Proceeding. This Court has jurisdiction over these Chapter 11 Cases and this matter pursuant to 28 U.S.C. § 1334. Final approval of the Disclosure Statement, confirmation of the Plan, and approval of the Plan Settlement Agreement are core proceedings pursuant to 28 U.S.C. § 157(b) and this Court has jurisdiction to enter a final order with respect thereto. The Debtors consent to the entry of a final order by the Court in accordance with the terms set forth herein to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments consistent with Article III of the United States Constitution. Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409. The Debtors are eligible debtors under section 109 of the Bankruptcy Code. The Debtors are proper plan proponents under section 1121(a) of the Bankruptcy Code.

C. Chapter 11 Petitions. On April 23, 2020, each Debtor commenced with this Court a voluntary case under chapter 11 of the Bankruptcy Code (the "**Chapter 11 Cases**"). The Debtors are authorized to continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in the Debtors' Chapter 11 Cases pursuant to section 1104 of the Bankruptcy Code. The Debtors' Chapter 11 Cases are being jointly administered pursuant to Bankruptcy Rule 1015(b) and Local Rule 1015-1. On May 6, 2020, the Office of the United States Trustee for Region 7 appointed the official committee of unsecured creditors (as reconstituted on May 12, 2020, the "**Creditors' Committee**").

D. Judicial Notice. This Court takes judicial notice of the docket of the Debtors' Chapter 11 Cases maintained by the Clerk of the Court, including all pleadings and other documents filed, all orders entered, all hearing transcripts, and all evidence and arguments made, proffered, adduced, or admitted at the hearings held before this Court during the pendency of the Debtors' Chapter 11 Cases. Any resolution of objections to the confirmation of the Plan explained on the record at the Combined Hearing is hereby incorporated by reference. All unresolved objections, statements, informal objections, and reservations of rights, if any, related to the Plan, or confirmation of the Plan are overruled in their entirety on the merits and denied.

E. Burden of Proof. Based on the record of the Debtors' Chapter 11 Cases, each of the Debtors has met the burden of proving each element of sections 1129(a) and (b) of the Bankruptcy Code by a preponderance of the evidence.

F. Adequacy of Disclosure Statement. The Disclosure Statement contains "adequate information," as such term is defined in section 1125(a)(1) of the Bankruptcy Code, with respect to the Debtors, the Plan, and the transactions contemplated therein.

G. Solicitation. As described in and evidenced by the Solicitation Affidavit and the Voting Certification, the transmittal and service of the Solicitation Materials (collectively, the "**Solicitation**") were timely, adequate, appropriate, and sufficient under the circumstances. The Solicitation (i) was conducted in good faith and (ii) complied with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the Solicitation Procedures Order, and all other applicable non-bankruptcy rules, laws, and regulations applicable to the Solicitation. The Solicitation was conducted properly and there was no wrongdoing or unlawful conduct in connection with the solicitation of votes in favor of the Plan.

H. Notice. As evidenced by the Solicitation Affidavit, the Publication Affidavit, and the Voting Certification, all parties required to be given notice of the Combined Hearing (including the deadline for filing and serving objections to final approval of the Disclosure Statement and confirmation of the Plan) have been given due, proper, adequate, timely, and sufficient notice of the Combined Hearing in accordance with the Solicitation Procedures Order and in compliance with the Bankruptcy Code, the Bankruptcy Rules (including Bankruptcy Rule 3017(d)), the Local Rules, and all other applicable non-bankruptcy rules, laws, and regulations, and such parties have had an opportunity to appear and be heard with respect thereto.

I. Tabulation Results. As described in the Voting Certification, and as further described on the record at the Confirmation Hearing and as a result of the agreements set forth in the Plan Settlement Agreement: (i) holders of Claims in Class 3 are Impaired under the Plan and have voted to accept the Plan in the numbers and amounts required by section 1126 of the Bankruptcy Code, (ii) holders of Claims in Class 4A are Impaired under the Plan and have voted to accept the Plan in the numbers and amounts required by section 1126 of the Bankruptcy Code, and (iii) holders of Claims in Class 4B are Impaired under the Plan and have voted to accept the Plan in the numbers and amounts required by section 1126 of the Bankruptcy Code. All

procedures used to tabulate the Ballots were conducted in accordance with the Solicitation Procedures Order.

J. Bankruptcy Rule 3016. In accordance with Bankruptcy Rule 3016(a), the Plan is dated and identifies the Debtors as proponents of the Plan. The Debtors appropriately filed the Disclosure Statement and the Plan with this Court, thereby satisfying Bankruptcy Rule 3016(b). The discharge, release, injunction, and exculpation provisions of the Plan are set forth in bold and with specific and conspicuous language, thereby complying with Bankruptcy Rule 3016(c).

K. Plan Compliance with the Bankruptcy Code (11 U.S.C. § 1129(a)(1)). The Plan complies with the applicable provisions of the Bankruptcy Code and thereby satisfies section 1129(a)(1) of the Bankruptcy Code. More particularly:

L. Proper Classification (11 U.S.C. §§ 1122, 1123(a)(1)). In addition to Administrative Expense Claims (section 2.1 of the Plan), Fee Claims (section 2.2 of the Plan), Priority Tax Claims (section 2.3 of the Plan), and DIP Claims (section 2.4 of the Plan), which need not be classified, Articles III and IV of the Plan classify and describe the treatment of nine (9) Classes of Claims and Interests of the Debtors. The Claims and Interests placed in each Class are substantially similar to the other Claims and Interests, as the case may be, in each such Class. Each Class was appropriately established in good faith and in accordance with the reasonable business judgment of the Debtors. Valid business, factual, and legal reasons exist for separately classifying the various Classes of Claims and Interests created under the Plan, the classifications were not implemented for improper purposes, and such Classes do not unfairly discriminate between holders of Claims and Interests. The Plan therefore satisfies sections 1122 and 1123(a)(1) of the Bankruptcy Code. The Court finds that Class 4A was created for a legitimate business purpose and not primarily for the purpose of obtaining an impaired consenting class. Neither the Debtors nor any other party in interest acted improperly to manufacture an impaired accepting class. There

is no evidence that any Class has been established as a result of gerrymandering and no evidence that any members of a Class have been improperly selected.

M. Specified Unimpaired Classes (11 U.S.C. § 1123(a)(2)). Under Articles III and IV of the Plan, Class 1 (Other Priority Claims), Class 2 (Other Secured Claims), Class 5 (Intercompany Claims), and Class 8 (Intercompany Interests) are not "impaired" within the meaning of section 1124 of the Bankruptcy Code, thereby satisfying section 1123(a)(2) of the Bankruptcy Code.

N. Specified Treatment of Impaired Classes (11 U.S.C. § 1123(a)(3)). Articles III and IV of the Plan designate Class 3 (Syndicated Facility Secured Claims), Class 4A (Unsecured Trade Claims), Class 4B (Other Unsecured Claims), Class 6 (Subordinated Claims), and Class 7 (Parent Interests) as impaired within the meaning of section 1124 of the Bankruptcy Code and specify the treatment of the Claims and Interests in those Classes, thereby satisfying section 1123(a)(3) of the Bankruptcy Code. Each Class was appropriately established in good faith and in accordance with the reasonable business judgment of the Debtors.

O. No Discrimination (11 U.S.C. § 1123(a)(4)). The Plan provides for the same treatment for each Claim or Interest in each respective Class unless the holder of a particular Claim or Interest has agreed to a less favorable treatment of such Claim or Interest, thereby satisfying section 1123(a)(4) of the Bankruptcy Code.

P. Implementation of Plan (11 U.S.C. § 1123(a)(5)). The Plan, including the various documents and agreements set forth in the Plan Supplement and the Plan Settlement Agreement, provides adequate and proper means for the implementation of the Plan, thereby satisfying section 1123(a)(5) of the Bankruptcy Code, including (i) all corporate actions as set forth more fully in Article V of the Plan including the continued corporate existence of the Reorganized Debtors, (ii) the funding of the Plan, (iii) the cancellation of certain existing securities

and agreements, (iv) the cancellation of certain existing security interests, (v) the authorization, issuance, and delivery of the New Equity Interests, (vi) compromise and settlement of Claims, Interests, and controversies, (vii) the entry into and performance of the Debtors' obligations under the Equity Commitment Agreement, (viii) the implementation, if applicable, of the Speedcast Parent Administration, the Deed of Company Arrangement, or any relevant Foreign Enforcement Action, (ix) the creation of the Litigation Trust and transfer of the Litigation Trust Assets (as defined in the Litigation Trust Agreement) to the Litigation Trust, (x) the creation of the Class 3 Trust and transfer of the Class 3 Trust Causes of Action (as defined in the Plan Settlement Agreement) to the Class 3 Trust, (xi) substantive consolidation of certain of the Debtors as set forth in the Plan, (xii) the condition precedent to the Effective Date as being necessary or appropriate to ensure the release of each Subsidiary Guarantor (as defined in the Syndicated Facility Agreement) under the Plan, and (xiii) the taking of all necessary or appropriate actions by the Debtors or Reorganized Debtors, as applicable, to effectuate the Restructuring Transactions under and in connection with the Plan Documents and consistent with the Corporate Restructuring Steps.

Q. Non-Voting Equity Securities/Allocation of Voting Power (11 U.S.C. § 1123(a)(6)). The applicable organizational documents for the Debtors have been or will be amended on or prior to the Effective Date to satisfy section 1123(a)(6) of the Bankruptcy Code. In addition, the issuance of the New Equity Interests complies with section 1123(a)(6) of the Bankruptcy Code.

R. Designation of Directors and Officers (11 U.S.C. § 1123(a)(7)). The Plan Supplement and section 5.10 of the Plan contain provisions with respect to the manner of selection of directors and officers of the Reorganized Debtors that are consistent with the interests of

creditors, equity security holders, and public policy, thereby satisfying section 1123(a)(7) of the Bankruptcy Code.

S. Impairment/Unimpairment of Classes of Claims or Interests (11 U.S.C. § 1123(b)(1)). As contemplated by section 1123(b)(1) of the Bankruptcy Code, and pursuant to section 1124 of the Bankruptcy Code, Articles III and IV of the Plan classify and describe the treatment for the Unimpaired Classes and Impaired Classes as follows: Class 3 (Syndicated Facility Secured Claims), Class 4A (Unsecured Trade Claims), Class 4B (Other Unsecured Claims), and Class 6 (Subordinated Claims) are Impaired. Class 1 (Other Priority Claims), Class 2 (Other Secured Claims), Class 5 (Intercompany Claims), and Class 8 (Intercompany Interests) are Unimpaired.

T. Assumption and Rejection (11 U.S.C. § 1123(b)(2)). Article VIII of the Plan addresses the assumption and rejection of executory contracts and unexpired leases and satisfies the requirements of section 365(b) of the Bankruptcy Code. In accordance with section 8.2 of the Plan, as set forth in the Cure Notice, the Debtors served a notice on parties to executory contracts and unexpired leases to be assumed reflecting the Debtors' intention to assume such contracts or leases in connection with the Plan and indicating Cure Amounts. Any monetary amounts by which any executory contract or unexpired lease to be assumed under the Plan is in default shall be satisfied, under section 365(b)(1) of the Bankruptcy Code, by the Debtors or Reorganized Debtors, as applicable, upon assumption thereof on the Effective Date. Notwithstanding anything to the contrary in the Plan or this Confirmation Order, the Debtors or the Reorganized Debtors, as applicable, may alter, amend, modify, or supplement the Schedule of Assumed Contracts at any time before the Effective Date. In addition, the Debtors may, until the Effective Date, seek to modify, after notice and hearing, the treatment of any executory contract or unexpired lease that has been previously assumed in these Chapter 11 Cases.

U. Compromise and Settlement (11 U.S.C. § 1123(b)(3)). In accordance with section 1123(b)(3) of the Bankruptcy Code and Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided pursuant to the Plan, the Plan Settlement Agreement and the provisions of the Plan shall constitute the good faith compromise of any and all Claims, Interests, and controversies relating to the contractual, legal, and subordination rights that a creditor or an Interest holder may have with respect to any Allowed Claim or Allowed Interest or any distribution to be made on account of such Allowed Claim or Allowed Interest. The Plan and the Plan Settlement Agreement and the compromises and settlements made thereunder (including negotiations leading up to those compromises and settlements) are made in good faith and in accordance with applicable law. Neither the Plan, the Plan Settlement Agreement, the compromises and settlements made in accordance with the Plan and the Plan Settlement Agreement (including negotiations leading up to those compromises and settlements), nor the Equity Commitment Agreement violate applicable law.

V. Retention of Causes of Action and Reservation of Rights (11 U.S.C. § 1123(b)(3)). On December 1, 2020, the Debtors filed with the Court a schedule of retained Causes of Action as Exhibit C to the Plan Supplement. In accordance with section 1123(b)(3) of the Bankruptcy Code and section 10.11 of the Plan, except as otherwise released or vested in the Class 3 Trust or the Litigation Trust under the Plan, the Class 3 Trust Agreement, the Litigation Trust Agreement, or Confirmation Order, the Reorganized Debtors shall have, retain, reserve, and be entitled to assert all such claims, Causes of Action (excluding, for the avoidance of doubt, the Litigation Trust Causes of Action and the Class 3 Trust Causes of Action), rights of setoff or recoupment, and other legal or equitable defenses as fully as if these Chapter 11 Cases had not been commenced, and all of the Debtors' legal and equitable rights in respect of any

Unimpaired Claim may be asserted after the Confirmation Date and Effective Date to the same extent as if these Chapter 11 Cases had not been commenced.

W. Unaffected Rights of Holders of Claims (11 U.S.C. § 1123(b)(5)). The Plan leaves unaffected the rights of holders of Claims and Interests in Class 1 (Other Priority Claims), Class 2 (Other Secured Claims), Class 5 (Intercompany Claims), and Class 8 (Intercompany Interests). Thus, the Plan complies with sections 1123(b)(5) and 1129(b) of the Bankruptcy Code.

X. Additional Plan Provisions (11 U.S.C. § 1123(b)(6)). The provisions of the Plan are appropriate and consistent with the applicable provisions of the Bankruptcy Code, thereby satisfying section 1123(b)(6) of the Bankruptcy Code.

Y. Cure of Defaults (11 U.S.C. § 1123(d)). Section 8.2 of the Plan provides for the payment of Cure Amounts for each executory contract and unexpired lease to be assumed pursuant to the Plan. The Reorganized Debtors will pay valid Cure Amounts. Thus, the Plan complies with section 1123(d) of the Bankruptcy Code.

Z. Debtors' Compliance with Bankruptcy Code (11 U.S.C. § 1129(a)(2)). The Debtors have complied with the applicable provisions of the Bankruptcy Code. Specifically:

1. Each of the Debtors is an eligible debtor under section 109 of the Bankruptcy Code;

2. The Debtors have complied with all other applicable provisions of the Bankruptcy Code, except as otherwise provided or permitted by orders of the Court; and

3. The Debtors have complied with the applicable provisions of the Bankruptcy Code, including sections 1125 and 1126(b), the Bankruptcy Rules, the Local Rules, applicable non-bankruptcy law, and all other applicable laws, rules, and regulations in transmitting the Plan, the Plan Supplement, the Disclosure Statement, the Ballots, and related documents and notices and in soliciting and tabulating the votes on the Plan.

4. Black Diamond asserted in the Black Diamond Objection that the Debtors have acted inequitably towards Black Diamond and violated their respective fiduciary duties during the Chapter 11 Cases, including in connection with prior iterations of the Plan, to the detriment of the Debtors' Estates and creditors (including Black Diamond). The Debtors dispute these assertions. Black Diamond's agreement to withdraw the Black Diamond Objection in connection with the Plan Settlement Agreement does not signify Black Diamond's renouncement of such allegations, but instead reflects Black Diamond's assessment that the comprehensive settlement reflected in the Plan Settlement Agreement and the modified Plan (including the release and exculpation provisions therein) now before the Bankruptcy Court for confirmation are in the best interests of the Debtors, their Estates, and creditors at this time, and that the Court is making factual findings to confirm such Plan. Notwithstanding the provisions of this Paragraph Z, or any other provisions hereof to the contrary, this Court makes no findings of fact or conclusions of law, whether express or implied, favorably or unfavorably that: (i) the Debtors' former director and chief executive officer, Peter Shaper, acted in good faith, fairly, and honestly; adhered to his fiduciary duties; or otherwise complied with any duties imposed by the Bankruptcy Code or other applicable law in connection with these Chapter 11 Cases, the Plan, or any other matter relating to the Debtors' restructuring; (ii) the Debtors, their Estates, their creditors, and other parties in interest were or were not harmed or damaged by any wrongful acts or omissions that may be alleged against Mr. Shaper; or (iii) prior to the date of the Plan Settlement Agreement value was maximized for creditors or the Estates. Accordingly, this Court's findings of fact and conclusions of law shall not preclude or impair in any way (whether pursuant to the doctrines of claim preclusion, res judicata, law of the case, or otherwise) any claims or Causes of Action against Mr. Shaper that are preserved by the Plan and this Confirmation Order. For the avoidance of doubt, all findings of fact and conclusions of law in this Confirmation Order concerning the Debtors' and

their directors', officers', representatives', and other agents' good faith, fair dealing, honesty, adherence to their fiduciary duties, compliance with other legal duties, and similar matters shall be read to exclude Peter Shaper, regardless of whether this Paragraph Z is expressly referenced in any such finding of fact or conclusion of law. Further, notwithstanding the resolution of all objections and potential litigation as between Black Diamond and the Released Parties pursuant to the terms of the Settlement Agreement, Black Diamond, the Class 3 Trustee and the Class 3 Trust (as assignee of the Class 3 Trust Assets) reserve their rights, if any, solely for purposes of any subsequent litigation against Peter Shaper as to (i) whether certain actions taken by such Released Parties prior to the parties' entry into the Settlement Agreement (and the related amendments and modifications to the Plan) were inconsistent with those parties' applicable duties and obligations and (ii) whether such actions prejudiced Black Diamond and the Debtors' estates. Nothing herein in any way affects or impacts the releases, exculpations and injunction in favor of the Released Parties and/or the Exculpated Parties, as applicable, in the Plan or this Confirmation Order. This Confirmation Order does not affect Peter Shaper's substantive or procedural defenses in connection with any Class 3 Causes of Action; *provided, that*, Mr. Shaper will not have any defense that the Class 3 Causes of Action cannot be assigned to the Class 3 Trust.

AA. Plan Proposed in Good Faith (11 U.S.C. § 1129(a)(3)). The Debtors have proposed the Plan (and all documents necessary to effectuate the Plan) in good faith and not by any means forbidden by law, thereby satisfying section 1129(a)(3) of the Bankruptcy Code. The Plan complies with applicable law. The Plan and the documents contained in or contemplated by the Plan, including the Plan Supplement (the "**Plan Documents**"), now before the Bankruptcy Court for confirmation are (after taking into account, and giving effect to, the settlements, compromises, and agreements memorialized in the Plan Settlement Agreement and the modifications to the Plan Documents made in accordance therewith) being proposed with the good

faith and honest purpose to effectuate a successful reorganization of the Debtors. The Plan (including all documents necessary to effectuate the Plan) was negotiated in good faith and at arm's length among the Debtors, the Debtors' non-Debtor affiliates, the DIP Lenders, the Prepetition Lenders, the Creditors' Committee, the other Released Parties, and the Plan Sponsor. Further, the Plan's classification, indemnification, exculpation, release, and injunction provisions have been negotiated in good faith and at arm's length, are consistent with sections 105, 1122, 1123(b)(3)(A), 1123(b)(6), 1129, and 1142 of the Bankruptcy Code, and are each integral to the Plan, supported by valuable consideration, and necessary for the Debtors' successful reorganization.

BB. Payment for Services or Costs and Expenses (11 U.S.C. § 1129(a)(4)). Any payment made or to be made by the Debtors for services or for costs and expenses of the Debtors' and Creditors' Committee's respective professional advisors in connection with the Debtors' Chapter 11 Cases, or in connection with the Plan and incident to the Debtors' Chapter 11 Cases, has been approved by, or is subject to the approval of, the Court as reasonable, thereby satisfying section 1129(a)(4) of the Bankruptcy Code.

CC. Directors, Officers, and Insiders (11 U.S.C. § 1129(a)(5)). The Debtors have complied with section 1129(a)(5) of the Bankruptcy Code. The Plan provides that except as otherwise provided in the Plan Supplement, the officers of the Debtors immediately before the Effective Date shall serve as the initial officers of each of the respective Reorganized Debtors on and after the Effective Date. The appointment to, or continuance in, such offices of such persons is consistent with the interests of holders of Claims against and Interests in the Debtors and with public policy. Each such member will serve in accordance with the terms and subject to the conditions of the applicable organizational documents then in effect. The identity of the Litigation Trustees have been disclosed in the Plan Supplement.

DD. No Rate Changes (11 U.S.C. § 1129(a)(6)). The Plan does not provide for rate changes by any of the Reorganized Debtors. Thus, section 1129(a)(6) of the Bankruptcy Code is not applicable in the Debtors' Chapter 11 Cases.

EE. Best Interest of Creditors (11 U.S.C. § 1129(a)(7)). The Plan satisfies section 1129(a)(7) of the Bankruptcy Code. The liquidation analysis provided in the Disclosure Statement and the other evidence presented, proffered, or adduced at the Combined Hearing (i) are persuasive and credible, (ii) have not been controverted by other evidence, and (iii) establish that each holder of an Impaired Claim or Interest either has accepted the Plan or will receive or retain under the Plan, on account of such Claim or Interest, property of a value, as of the Effective Date, that is not less than the amount that such holder would receive or retain if the Debtors were liquidated under chapter 7 of the Bankruptcy Code on such date.

FF. Acceptance by Certain Classes (11 U.S.C. § 1129(a)(8)). Classes 6 and 7 are Classes of Impaired Claims or Interests that are conclusively deemed to have rejected the Plan in accordance with section 1126(g) of the Bankruptcy Code. Classes 3, 4A, and 4B are Classes of Impaired Claims that have voted to accept the Plan in accordance with sections 1126(b) and (c) of the Bankruptcy Code. Class 1 (Other Priority Claims), Class 2 (Other Secured Claims), Class 5 (Intercompany Claims), and Class 8 (Intercompany Interests) are Unimpaired under the Plan pursuant to section 1124 of the Bankruptcy Code and, accordingly, Holders of Claims or Interests in such classes are conclusively deemed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code.

GG. Treatment of Administrative Expense Claims, Fee Claims, Priority Tax Claims, and Other Priority Claims (11 U.S.C. § 1129(a)(9)). The treatment of Allowed Administrative Expense Claims and Fee Claims pursuant to sections 2.1 and 2.2, respectively, of the Plan satisfies the requirements of section 1129(a)(9)(A) of the Bankruptcy Code. The treatment of Priority Tax Claims pursuant to section 2.3 of the Plan satisfies the requirements of section 1129(a)(9)(C) of the Bankruptcy Code. The treatment of Other Priority Claims pursuant to section 4.1 of the Plan satisfies the requirements of section 1129(a)(9)(B) of the Bankruptcy Code.

HH. Acceptance by Impaired Class (11 U.S.C. § 1129(a)(10)). Classes 4A and 4B are each a Class of Impaired Claims that has voted to accept the Plan by the requisite majority in accordance with section 1126 of the Bankruptcy Code, determined without including any acceptance of the Plan by any insider, thereby satisfying the requirements of section 1129(a)(10) of the Bankruptcy Code. The Impaired Classes were appropriately classified and voted without any undue pressure or influence. There was no wrongdoing or unlawful conduct relating to Class 4A's vote to accept the Plan.

II. Feasibility (11 U.S.C. § 1129(a)(11)). The information in the Disclosure Statement, the Healy Declaration, the Waldman Declaration, the Mack Declaration, and the evidence proffered or adduced at the Combined Hearing (i) are persuasive and credible, (ii) have not been controverted by other evidence, and (iii) together with the record of the Debtors' Chapter 11 Cases and the evidence presented at the Combined Hearing, establish that the Plan is feasible, that there is a reasonable prospect of the Reorganized Debtors being able to meet their financial obligations under the Plan as well as their business obligations in the ordinary course, that the incurrence of the obligations contemplated by the Plan will not result in the insolvency of the Debtors, and that, except as contemplated by the Plan and Plan Settlement Agreement,

confirmation of the Plan is not likely to be followed by the liquidation or the need for further financial reorganization of the Reorganized Debtors, thereby satisfying the requirements of section 1129(a)(11) of the Bankruptcy Code.

JJ. Payment of Statutory Fees (11 U.S.C. § 1129(a)(12)). All fees currently payable under section 1930 of title 28 of the United States Code, as determined by the Bankruptcy Code, have been or will be paid on or before the Effective Date, thereby satisfying the requirements of section 1129(a)(12) of the Bankruptcy Code.

KK. Continuation of Retiree Benefits (11 U.S.C. § 1129(a)(13)). Section 8.4 of the Plan provides that all compensation and benefits plans, policies, and programs of the Debtors applicable to their respective employees, retirees, consultants, contractors, and non-employee directors, including all savings plans, retirement plans, healthcare plans, disability plans, severance benefit plans, incentive plans, and life and accidental death and dismemberment insurance plans, are deemed to be, and shall be treated as, executory contracts under the Plan and, on the Effective Date, will be assumed pursuant to sections 365 and 1123 of the Bankruptcy Code. The Plan therefore satisfies section 1129(a)(13) of the Bankruptcy Code.

LL. No Domestic Support Obligations (11 U.S.C. § 1129(a)(14)). The Debtors are not required by a judicial or administrative order, or by statute, to pay a domestic support obligation. Accordingly, section 1129(a)(14) of the Bankruptcy Code is inapplicable in the Debtors' Chapter 11 Cases.

MM. Debtors Are Not Individuals (11 U.S.C. § 1129(a)(15)). The Debtors are not individuals and, accordingly, section 1129(a)(15) of the Bankruptcy Code is inapplicable in the Debtors' Chapter 11 Cases.

NN. No Applicable Non-Bankruptcy Law Regarding Transfers (11 U.S.C. § 1129(a)(16)). The Debtors are each a moneyed, business, or commercial corporation,

and, accordingly, section 1129(a)(16) of the Bankruptcy Code is inapplicable in the Debtors' chapter 11 cases.

OO. No Unfair Discrimination; Fair and Equitable (11 U.S.C. § 1129(b)). The Plan satisfies the requirements of section 1129(b) of the Bankruptcy Code. Notwithstanding the fact that Classes 6 and 7 are deemed to have rejected the Plan, the Plan may be confirmed pursuant to sections 1129(b)(1) and (b)(2) of the Bankruptcy Code. Based upon the evidence proffered, adduced, and presented by the Debtors at the Combined Hearing and the Healy Declaration, the Plan does not discriminate unfairly between holders of Claims and Interests and is fair and equitable with respect to the aforementioned Classes, as required by sections 1129(b)(1) and (b)(2) of the Bankruptcy Code because no holder of any Claim or Interest that is junior to each such Class will receive or retain any property under the Plan on account of such junior Claim or Interest and no holder of a Claim or Interest in a Class senior to such Classes is receiving more than 100% recovery on account of its Claim or Interest. The Plan does not discriminate unfairly among the different Classes of unsecured Claims and does not offend or violate the fair and equitable standard of the Bankruptcy Code because valid and reasonable grounds and justifications exist for treating the Classes differently in these Chapter 11 Cases.

PP. Only One Plan (11 U.S.C. § 1129(c)). The Plan is the only plan filed in each of the Debtors' Chapter 11 Cases and, accordingly, section 1129(c) of the Bankruptcy Code is inapplicable in the Debtors' Chapter 11 Cases.

QQ. Principal Purpose of Plan (11 U.S.C. § 1129(d)). The principal purpose of the Plan is not the avoidance of taxes or the avoidance of the application of section 5 of the Securities Act, and no governmental entity has objected to the confirmation of the Plan on any such grounds. The Plan, therefore, satisfies the requirements of section 1129(d) of the Bankruptcy Code.

RR. Good Faith Solicitation (11 U.S.C. § 1125(e)). Based on the record before the Court in the Debtors' Chapter 11 Cases, including evidence presented at the Combined Hearing, the Debtors, the non-Debtor SFA Loan Parties, the Released Parties, and the Exculpated Parties (i) have acted in "good faith" within the meaning of section 1125(e) of the Bankruptcy Code in compliance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any applicable non-bankruptcy law, rule, or regulation governing the adequacy of disclosure in connection with the development of the Plan, all their respective activities relating to the solicitation of acceptances to the Plan and their participation in the activities described in section 1125 of the Bankruptcy Code, including the negotiation, execution, delivery, entry into and performance of the DIP Facility Credit Agreement, the Equity Commitment Agreement, the Plan, the New Organizational Documents, any other Plan Documents, the extension of financing under the DIP Facility, consummation of the Restructuring Transactions, and appointment of the New Board, and (ii) shall be deemed to have participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code, and the Debtors' agreements in the offer and issuance of any securities, if any, under the Plan, and therefore are not, and on account of such offer, issuance, and solicitation shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or the offer and issuance of the securities under the Plan, and are entitled to the protections afforded by section 1125(e) of the Bankruptcy Code and the exculpation provisions set forth in section 10.8 of the Plan.

SS. Substantive Consolidation. The evidence in support of the Plan, including the Healy Declaration and other pleadings in support of the Plan, that was proffered or adduced at or prior to the Confirmation Hearing established that the substantive consolidation of the Chapter 11 Cases of (i) Speedcast International Limited and Speedcast Group Holdings Pty Ltd. and (ii)

Caprock Participações do Brasil Ltda., Spacelink Systems, LLC, and Spacelink Systems II, LLC pursuant to this Confirmation Order and section 5.15 of the Plan is (i) in the best interests of the Debtors, the Estates, and all holders of Claims, (ii) fair, equitable, and reasonable, (iii) effected after due notice and opportunity for a hearing, and (iv) appropriate under Bankruptcy Code sections 105(a) and 1123(a)(5)(C).

TT. Satisfaction of Confirmation Requirements. Based upon the foregoing, the Plan satisfies the requirements for confirmation set forth in section 1129 of the Bankruptcy Code.

UU. Likelihood of Satisfaction of Conditions Precedent to the Effective Date. Each of the conditions precedent to the Effective Date, as set forth in section 9.1 of the Plan, has been or is reasonably likely to be satisfied or waived in accordance with the Plan.

VV. Implementation. The Plan Settlement Agreement and the Plan Documents are essential elements of the Plan, and entry into the Plan Settlement Agreement and each Plan Document is in the best interests of the Debtors, the Estates, and holders of Claims and Interests. The Plan Documents are incorporated by reference, are approved in all respects, and constitute an integral part of this Confirmation Order. The Debtors are hereby authorized to execute the Plan Settlement Agreement and the Plan Documents and to take all such further actions as are necessary to implement such Plan Settlement Agreement and Plan Documents, including the payment of all fees, expenses, and other payments in accordance with the terms thereof. The Debtors have exercised reasonable business judgment in determining to enter into each of the Plan Documents, and the terms and conditions of all such Plan Documents, including the fees, expenses, and other payments set forth therein, have been and continue to be negotiated in good faith and at arm's length, are fair and reasonable, are supported by reasonably equivalent value and fair consideration, and shall, upon completion of documentation and execution, be valid, binding, non-avoidable, and enforceable agreements and not be in conflict with any federal, state, or local law.

The Debtors have provided sufficient and adequate notice of each of the Plan Documents to all parties in interest in the Debtors' Chapter 11 Cases.

WW. Executory Contracts and Unexpired Leases. The Debtors have exercised reasonable business judgment in determining whether to assume or reject executory contracts and unexpired leases pursuant to Article VIII of the Plan. Each assumption of an executory contract or unexpired lease pursuant to Article VIII of the Plan shall be legal, valid, and binding upon the Debtors or Reorganized Debtors and their successors and assigns and all non-Debtor parties and their successors and assigns to such executory contract or unexpired lease, all to the same extent as if such assumption were effectuated pursuant to an order of this Court under section 365 of the Bankruptcy Code entered before entry of this Confirmation Order. Moreover, the Debtors have cured, or provided adequate assurance that the Debtors or Reorganized Debtors or their successors and assigns, as applicable, will cure, defaults (if any) under or relating to each of the executory contracts and unexpired leases that are being assumed by the Debtors pursuant to the Plan.

XX. Good Faith. The Debtors, non-Debtor SFA Released Parties, and the Released Parties have been and will be acting in good faith if they proceed to (i) consummate the Plan Settlement Agreement, the Plan and the agreements, settlements, transactions, and transfers set forth therein and (ii) take any actions authorized and directed by this Confirmation Order.

YY. Injunctions, Releases, and Exculpation.

1. The Bankruptcy Court has jurisdiction under sections 1334(a) and (b) of title 28 of the United States Code and authority under section 105 of the Bankruptcy Code to approve the injunctions or stays, injunction against interference with the Plan, releases, and exculpation set forth in the Plan, including in sections 10.5, 10.6, 10.7, 10.8, and 10.9 of the Plan, respectively. As has been established based upon the record in the Chapter 11 Cases and the evidence presented at the Combined Hearing, such provisions, as applicable, (i) are essential to the

confirmation of the Plan, (ii) were given in exchange for good and valuable consideration provided by the non-Debtor SFA Loan Parties, including on account of their contribution to the distributions provided pursuant to the Plan, (iii) are a good faith settlement and compromise of the Claims released by the non-Debtor SFA Loan Party Release, (iv) are in the best interests of the Debtors, their Estates, and parties in interest, (v) are fair, equitable, and reasonable, (vi) were given and made after due notice and opportunity for hearing, and/or (vii) are a bar to any of the releasing parties asserting any Claim or Cause of Action released pursuant to the non-Debtor SFA Loan Party Release. Pursuant to section 1123(b)(3) of the Bankruptcy Code and Bankruptcy Rule 9019(a), the injunctions, releases, and exculpation set forth in the Plan and implemented by this Confirmation Order are fair, equitable, reasonable, and in the best interest of the Debtors, the Reorganized Debtors, and their Estates, creditors, and equity holders and supported by adequate consideration.

2. The releases granted by the Debtors and their Estates under section 10.6(a) of the Plan (the "**Debtors' Release**") represent a valid exercise of the Debtors' business judgment. For the reasons set forth on the record of these Chapter 11 Cases and the evidence proffered or adduced at the Combined Hearing, such release is an integral and necessary part of the Plan and is fair, reasonable, and in the best interests of the Debtors, the Estates, and holders of Claims and Interests. Also, the Debtors' Release is: (i) in exchange for the good and valuable consideration provided by the Released Parties; (ii) a good faith settlement and compromise of the Released Claims released by the Debtors, the Reorganized Debtors, and the Estates; (iii) given and made after due notice and opportunity for hearing; and (iv) a bar to any of the Debtors, the Reorganized

Debtors, or the Estates asserting any Claim or Cause of Action released pursuant to the release described in section 10.6(a) of the Plan, except as otherwise set forth in the Plan.

3. The releases contained in section 10.6(b) of the Plan (the "**Non-Debtor SFA Loan Party Release**"), provided with the consent of the Releasing Parties and on account of the Non-Debtor SFA Loan Parties' contributions under the Plan, are appropriate and satisfy the legal standard of approval of such third-party releases. The Non-Debtor SFA Loan Party Release is an integral part of the Plan and was critical in incentivizing the parties to negotiate or support the Plan. As established at the Confirmation Hearing, among other things, the Released Parties have provided substantial consideration to the Debtors' Estates and the claims that are the subject of the Non-Debtor SFA Loan Party Release would indirectly impact the Debtors' reorganization by undermining the compromises and settlements that are the foundation of achieving the consensual Plan. Like the Debtors' Release, the Non-Debtor SFA Loan Party Release facilitated participation in both the Debtors' Plan and the chapter 11 process generally. The Non-Debtor SFA Loan Party Release is appropriately tailored under the facts and circumstances of these Chapter 11 Cases.

4. The releases contained in section 10.7 of the Plan (the "**Third-Party Release**") are appropriate. Holders of Claims and Interests were duly informed of the Third-Party Release and given the opportunity to opt out. The release provisions contained in section 10.7 of the Plan are consensual under applicable law because the releases therein are provided only by (i) holders of all Claims and Interests who voted to accept the Plan, (ii) the holders of all Claims or Interests whose vote to accept or reject the Plan was solicited but that did not vote either to accept or to reject the Plan, (iii) the holders of all Claims or Interests that voted, or were deemed, to reject the Plan but did not opt out of granting the releases set forth therein, (iv) the holders of all Claims and Interests that were given notice of the opportunity to opt out of granting the releases

set forth in the Plan but did not opt out, and (v) the Released Parties. The Third-Party Release is consensual and: (i) in exchange for good and valuable consideration provided by the Released Parties; (ii) a good faith settlement and compromise of the claims released by the Third-Party Release; (iii) in the best interests of the Debtors and all holders of Claims and Interests; (iv) fair, equitable, and reasonable; (v) given and made after due notice and opportunity for hearing; and (vi) a bar to any of the Releasing Parties asserting any claim or Cause of Action released pursuant to the Third-Party Release, except as otherwise set forth in the Plan. The Third-Party Release is an integral part of the Plan and was critical in incentivizing the parties to negotiate or support the Plan. Like the Debtors' Release, the Third-Party Release facilitated participation in both the Debtors' Plan and the chapter 11 process generally. The Third-Party Release is appropriately tailored under the facts and circumstances of these Chapter 11 Cases. Parties-in-interest have had a full opportunity to object to and/or opt out of the Third-Party Release. As such, the Third-Party Release appropriately offers certain protections to parties that constructively participated in the Debtors' restructuring process by, among other things, supporting the Plan and the Restructuring Transactions. Each of (i) the Notice of Non-Voting Status and Notice of Right to Opt-Out of Certain Releases (the "**Notice of Non-Voting Status**"), which was sent to holders of Claims and Interests in Non-Voting Classes, and (ii) the Ballots, which were sent to holders of Claims in Voting Classes, expressly included in bold font the terms of the Third-Party Releases, as set forth in section 10.7 of the Plan. The Notice of Non-Voting Status and the Ballots advised careful review and consideration of the terms of the Third-Party Release, along with the Exculpation and Injunction provisions. The language of the Third-Party Release was also emphasized using bold

font in the Plan and the Disclosure Statement. The Debtors sufficiently put the Releasing Parties on notice of the claims being released.

5. The exculpations granted under the Plan are reasonable in scope and do not relieve any party of liability for an act or omission to the extent such act or omission is a criminal act or constitutes intentional fraud, gross negligence, or willful misconduct.

6. The record of the Combined Hearing and the Chapter 11 Cases is sufficient to support the injunctions, releases, and exculpation provided for in the Plan, including sections 10.5, 10.6, 10.7, 10.8, and 10.9 of the Plan. Accordingly, based upon the record of the Chapter 11 Cases, the representations of the parties, and/or the evidence proffered, adduced, and/or presented at the Combined Hearing, the injunctions, exculpation, and releases set forth in Article X of the Plan are consistent with the Bankruptcy Code and applicable law and are approved.

ZZ. Class 3 Trust. Entry into the Class 3 Trust Agreement is in the best interests of the Debtors, the Debtors' Estates and creditors. Each of the establishment of the Class 3 Trust, the establishment of the proposed Class 3 Trust Agreement and the other terms of the Class 3 Trust, as set forth in the Plan and the Plan Settlement Agreement, are appropriate and in the best interests of the Debtors' stakeholders. The Class 3 Trust Agreement shall, upon execution, be valid, binding, and enforceable in accordance with its terms. The Class 3 Trustee's compensation, including fees and expenses of the Class 3 Trustee Representatives, will be paid as set forth in the Plan. The Holders of Allowed Claims or Interests in Class 3 (Syndicated Facility Secured Claims), as of the Class 3 Trust Record Date, shall receive beneficial interests in the Class 3 Trust entitling each Holder of Claims or Interests in such Class to receive its Pro Rata Share of any recovery from Class 3 Trust Causes of Action that vest in the Class 3 Trust on the Effective Date, in accordance with the terms set forth in the Plan, the Plan Settlement Agreement, and the Class 3 Trust Agreement.

AAA. Litigation Trust. Entry into the Litigation Trust Agreement is in the best interests of the Debtors, the Debtors' Estates and creditors. Each of the establishment of the Litigation Trust, the selection of Peter Kravitz to serve as the Litigation Trustee, and the form of the proposed Litigation Trust Agreement (as it may be modified or amended) is appropriate and in the best interests of the Debtors' stakeholders. The Litigation Trust Agreement shall, upon execution, be valid, binding, and enforceable in accordance with its terms. The Litigation Trustee's compensation, including fees and expenses of Litigation Trustee Representatives, will be paid as set forth in the Plan and the Litigation Trust Agreement. The Holders of Allowed Claims or Interests in Class 4B (Other Unsecured Claims) shall receive beneficial interests in the Litigation Trust entitling each Holder of Claims or Interests in such Class to receive its Pro Rata Share of any recovery from Litigation Trust Causes of Action that vest in the Litigation Trust on the Effective Date, in accordance with the terms set forth in the Plan and the Litigation Trust Agreement. The Litigation Trustee and the Class 3 Trustee are each an External Administrator (as that term is defined in the D&O Policies) of the Litigation Trust Assets and the Class 3 Trust Assets, respectively.

BBB. Plan Settlement Agreement. Entry into the Plan Settlement Agreement is in the best interests of the Debtors and the Debtors' Estates and creditors.

CCC. Plan Modifications. Subsequent to solicitation, the Debtors made certain modifications to the Plan. All such modifications since the entry of the conditional approval of the Disclosure Statement and the commencement of solicitation are consistent with all of the provisions of the Bankruptcy Code, including sections 1122, 1123, 1125, and 1127 thereof. None of the aforementioned modifications materially adversely affects the treatment of any Holder of a Claim or Interest under the Plan. Accordingly, pursuant to Bankruptcy Code section 1127(a), no such modification requires additional disclosure under Bankruptcy Code section 1125 or

resolicitation of votes under Bankruptcy Code section 1126 of the Bankruptcy Code. The filing of the Plan, as modified, with the Bankruptcy Court, and the disclosure of the Plan modifications on the record at or prior to the Confirmation Hearing, constitute due and sufficient notice of any and all such modifications. Further, in accordance with Bankruptcy Code section 1127 and Bankruptcy Rule 3019, all Holders of Claims or Interests who voted to accept the Plan or who are conclusively presumed to have accepted the Plan are deemed to have accepted the Plan as modified by the Plan modifications. No Holder of a Claim shall be permitted to change its vote as a consequence of the Plan modifications unless otherwise agreed to by the Holder of the Claim and the Debtors. The modifications to the Plan are hereby approved, pursuant to Bankruptcy Code section 1127 and Bankruptcy Rule 3019.

The failure to specifically include or refer to any particular article, section, or provision of the Plan or the Plan Documents in this Confirmation Order shall not diminish or impair the effectiveness or enforceability of such article, section, or provision nor constitute a waiver thereof, it being the intent of this Court that the Plan is confirmed in its entirety and incorporated herein by this reference.

7. Implementation of the Plan. In addition, pursuant to section 5.13 of the Plan, the Debtors, Reorganized Debtors, Australian Administrator(s) or Australian Deed Administrator(s), as applicable, are authorized to take any and all actions necessary to consummate the Corporate

Restructuring and implement, if applicable, the Speedcast Parent Administration, the Deed of Company Arrangement, or any relevant Foreign Enforcement Action.

8. Restructuring Transactions. 9. Material Amendments. After the entry of this Confirmation Order, the Debtors or Reorganized Debtors, as applicable, may, upon order of the Bankruptcy Court, amend or modify the Plan, in accordance with section 1127(b) of the Bankruptcy Code, or remedy any defect or omission or reconcile any inconsistency in the Plan in such manner as may be necessary to carry out the purpose and intent of the Plan; *provided, however*, that the Debtors shall not amend or modify the Plan in a manner inconsistent with the Plan Settlement Agreement without the prior written consent of the parties thereto, provided that the Plan Settlement Agreement has not been terminated in accordance with its terms. 10. New Organizational Documents. 11. DIP.

Notwithstanding the Debtors' obligation to provide, for the benefit of the Prepetition Secured Parties, the Adequate Protection Fees and Expenses (as defined in the Final DIP Order) in connection with the Final DIP Order, the Debtors shall not pay for any fees, expenses, or disbursements of the Syndicated Facility Agent (as defined in the Plan Settlement Agreement) or Black Diamond (as defined in the Plan Settlement Agreement), including for advisors, which have not already been paid by the Debtors prior to January 12, 2021 (other than (x) $1,125,000 in accrued but unpaid fees payable pursuant to the Final DIP Order for October, November and December 2020 which will be paid in the ordinary course to Skadden, Arps, Slate, Meagher & Flom LLP and (y) fees and expenses payable to Greenhill & Co., Inc. pursuant to its engagement letter with the Debtors).On the Effective Date, in accordance with section 2.4 of the Plan, the Debtors are authorized to satisfy, and authorized and directed to use commercially reasonable best efforts to cause the non-Debtors party to the DIP

This Confirmation Order shall be effective as a determination that automatically upon the Effective Date, all debts and obligations of the Debtors and the non-Debtor SFA Released Parties on account of the Syndicated Facility Claims have been unconditionally released, discharged and terminated. The releases and termination described herein have been effected, and are and shall be binding upon and govern the acts of all Persons, including all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, county and local officials and all other Persons who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments that reflect the release of security interests in favor of the collateral agents for the Secured Facility

All Recording Officers are hereby directed to accept for filing any and all of the documents and instruments necessary, advisable or appropriate, and appropriate in connection with the termination of the applicable Syndicated Facility Claims. ARTICLE III. CLASSIFICATION OF CLAIMS AND INTERESTS.

3.1 *Classification in General.*

A Claim or an Interest is classified in a particular Class only to the extent that the Claim or Interest qualifies within the description of that Class and is classified in other Classes to the extent that any portion of the Claim or Interest qualifies within the description of such other Classes. A Claim or Interest is placed in a particular Class for all purposes, including voting,

confirmation, and distribution under this Plan and under sections 1122 and 1123(a)(1) of the Bankruptcy Code; *provided*, that a Claim or Interest is placed in a particular Class for the purpose of receiving distributions pursuant to this Plan only to the extent that such Claim or Interest is an Allowed Claim or Allowed Interest in that Class and such Claim or Interest has not been satisfied, released, or otherwise settled prior to the Effective Date.

3.2 *Formation of Debtor Groups for Convenience Only.*

Other than as described in Section 5.15, this Plan groups the Debtors together solely for the purpose of describing treatment under this Plan, confirmation of this Plan, and making Plan Distributions in respect of Claims against and Interests in the Debtors under this Plan. Such groupings shall not affect any Debtor's status as a separate legal entity, change the organizational structure of the Debtors' business enterprise, constitute a change of control of any Debtor for any purpose, cause a merger or consolidation of any legal entities, or cause the transfer of any Assets. Except as otherwise provided or permitted under this Plan, this Plan is not premised upon and shall not cause the substantive consolidation of the Debtors or any non-Debtor affiliate, and, all Debtors shall continue to exist as separate legal entities unless otherwise contemplated herein or in the Corporate Restructuring.

3.3 *Summary of Classification of Claims and Interests.*

respect of the legal and equitable defenses to, or setoffs or recoupments against, any such Unimpaired Claims.

3.5 ***Separate Classification of Other Secured Claims.***

Although all Other Secured Claims have been placed in one Class for purposes of nomenclature within this Plan, each Other Secured Claim, to the extent secured by a Lien on Collateral different from the Collateral securing another Other Secured Claim, shall be treated as being in a separate sub-Class for the purposes of receiving Plan Distributions.

Any Claim or Interest in a Class that is considered vacant under this Plan shall receive no Plan Distribution.

3.7 ***Voting Classes; Presumed Acceptance by Non-Voting Classes***

Allowed Claims in accordance with the Plan; (vii) prosecute all Causes of Action (that are not Litigation Trust Causes of Action or Class 3 Trust Causes of Action) on behalf of Speedcast Parent and its subsidiaries, elect not to pursue such Causes of Action, and determine whether and when to compromise, settle, abandon, dismiss, or otherwise dispose of any such Causes of Action, as the Australian Administrator(s) or Australian Deed Administrator(s) may determine is in the best interests of Speedcast Parent and its subsidiaries; (viii) retain professionals to assist in performing its duties under the Plan, Speedcast Parent Administration or the Deed of Company Arrangement; (ix) maintain the books, records, and accounts of Speedcast Parent and its subsidiaries; (x) complete and file, as necessary, all final or otherwise required foreign, federal, state, and local tax returns for Speedcast Parent and its subsidiaries; and (xi) perform other duties and functions that are consistent with the implementation of the Plan, the Speedcast Parent Administration or the Deed of Company Arrangement, including the Corporate Restructuring, Corporate Restructuring Steps, Restructuring and Restructuring Transactions.

(b) Following the Confirmation Date and the appointment of any Australian Administrator(s) as may be required or prudent to implement this Plan or the Restructuring Transactions under the laws of Australia, any Debtor (other than the Speedcast Parent) shall have the authority and right to propose the Deed of Company Arrangement.

(c) In furtherance of the provisions of Section 5.13(b), after the consummation of the Plan, the directors of the Speedcast Parent, the Australian Administrators, the Australian Deed Administrators or the Australian Liquidators (as applicable) may (to the extent not inconsistent with the Corporate Restructuring) wind down, sell, liquidate, and may operate, use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action (that are not retained by or transferred to the Litigation Trust or Class 3 Trust) of the Speedcast Parent and its subsidiaries without approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

(d) Speedcast Parent shall indemnify and hold harmless any Australian Administrator(s) and Australian Deed Administrator(s) solely in their capacity as such for any losses incurred in such capacity, except to the extent such losses were the result of the gross negligence, willful misconduct, or criminal conduct of such Australian Administrator or Australian Deed Administrator (as applicable).

(e) The Australian Administrator(s), the Australian Deed Administrator(s) or the directors of the Speedcast Parent (as applicable) shall be authorized, on behalf of Speedcast Parent, subject to applicable law but without further action including any action by the stockholders, members, the board of directors, or board of directors or similar governing body of New Speedcast Parent, to (i) file any and all corporate and company documents necessary and/or (ii) enter or cause to enter any Foreign Enforcement Action necessary, in each case to effectuate the Plan, including the Restructuring, Restructuring Transactions, Corporate Restructuring, Corporate Restructuring Steps and the terms of the Deed of Company Arrangement.

(f) Any Australian Administrator(s) and the Australian Deed Administrator(s) shall be permitted to effectuate any Speedcast Parent Administration and Deed of Company Arrangement, as applicable, with the amounts reserved in the Speedcast Parent Budget.

(g) Nothing in this Plan shall be construed to:

(i) prohibit any Debtor, the Australian Administrator(s) or any other Person from taking any steps towards implementing the Speedcast Parent Administration or any relevant Foreign Enforcement Action prior to the Effective Date; or

(ii) require the Australian Administrator(s) or Australian Deed Administrator(s) to take any action, or refrain from taking any action, that would be contrary to their duties, the Corporations Act or law.

(h) Any and all actions taken by any Debtor, Reorganized Debtor, Australian Liquidator, Australian Deed Administrator or Australian Administrator pursuant to this Plan shall comply with the Settlement Agreement in all respects.

5.15 ***Substantive Consolidation of Certain Debtors.***

Except as provided in this section, the Plan is a joint plan of reorganization of the Debtors for administrative purposes only and constitutes a separate chapter 11 plan for each Debtor.

The Plan shall be implemented through a substantive consolidation of the assets and liabilities of certain Debtors. The Confirmation Order shall contain findings supporting the conclusions providing for limited substantive consolidation for purposes of distribution to holders of Claims and Interests at the Substantively Consolidated Debtors on the terms set forth in this Section of the Plan. The Assets and liabilities of the following entities shall be substantively consolidated pursuant to the Plan: (i) Speedcast Group Holdings Pty Ltd. shall be substantively consolidated with Speedcast International Limited; and, (ii) Spacelink Systems, LLC and Spacelink Systems II, LLC (fka Spacelink System Inc) shall be substantively consolidated with Caprock Participações do Brasil Ltda. The substantive consolidation of the Assets and liabilities and properties of the Substantively Consolidated Debtors shall have the following effects:

(a) The Chapter 11 Cases of (i) Speedcast Group Holdings Pty Ltd. and Speedcast International Limited shall be consolidated and (ii) Spacelink Systems II, LLC (fka Spacelink System Inc), Caprock Participações do Brasil Ltda., and Spacelink Systems, LLC, shall be consolidated, respectively, with each being treated as a single consolidated case with respect to Claims against the applicable Substantively Consolidated Debtor. All property of the Estate of each applicable Substantively Consolidated Debtor shall be deemed to be property of the applicable consolidated Estate with respect to the payment of Claims against the consolidated Estate.

(b) All Claims against each applicable Substantively Consolidated Debtors' Estate shall be deemed to be Claims against the consolidated Estates of Speedcast International Limited and Caprock Participações do Brasil Ltda., as applicable, and all proofs of claim filed against one or more of the Substantively Consolidated Debtors shall be deemed to be a single Claim filed against the consolidated estates of Speedcast International Limited and Caprock

Participações do Brasil Ltda., as applicable, and all duplicate proofs of claim for the same Claim filed against more than one Debtor shall be deemed expunged.

(c) As set forth in Section 4.6 of this Plan, all Intercompany Claims will be adjusted, continued, settled, reinstated, discharged, eliminated, or otherwise managed, in each case to the extent determined to be appropriate by the Debtors or Reorganized Debtors, as applicable, after consultation with the Plan Sponsor.

(d) For purposes of determining the availability of the right of setoff under section 553 of the Bankruptcy Code, the Substantively Consolidated Debtors shall be treated as one consolidated entity (either Speedcast International Limited or Caprock Participações do Brasil Ltda., as applicable) so that, subject to the other provisions of section 553, debts due to any of the Substantively Consolidated Debtors may be set off against the debts of any other of the applicable Substantively Consolidated Debtors.

5.16 ***Separability.***

Notwithstanding the combination of the separate plans of reorganization for the Debtors set forth in the Plan for purposes of economy and efficiency, other than as described in Section 5.15, the Plan constitutes a separate chapter 11 plan for each Debtor. Accordingly, if the Bankruptcy Court does not confirm the Plan with respect to one or more Debtors, it may still, subject to the consent of the applicable Debtors and the Plan Sponsor, confirm the Plan with respect to any other Debtor that satisfies the confirmation requirements of section 1129 of the Bankruptcy Code.

5.17 ***Restructuring Expenses.***

On the Effective Date, or as soon as reasonably practicable thereafter, the Debtors or the Reorganized Debtors, as applicable, shall pay in full in Cash (to the extent not previously paid during the course of the Chapter 11 Cases) all outstanding Restructuring Expenses billed through the Effective Date, in accordance with the terms of the applicable orders, engagement letters, or other applicable contractual arrangements. All parties entitled to payment pursuant to this Section 5.17 shall estimate their accrued Restructuring Expenses prior to and as of the Effective Date and shall deliver such estimates to the Debtors at least two Business Days before the Effective Date; *provided*, that such estimate shall not be considered an admission or limitation with respect to the fees and expenses of such parties. On the Effective Date, final invoices for all Restructuring Expenses incurred prior to and as of the Effective Date shall be submitted to the Debtors. In addition, the Debtors and the Reorganized Debtors (as applicable) shall continue to pay post-Effective Date, when due and payable in the ordinary course, Restructuring Expenses related to implementation, consummation and defense of the Plan.

5.18 ***Reorganized Debtors' Authority.***

After the Effective Date, the Reorganized Debtors may operate the Debtors' business and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

5.19 ***Subordination Agreements.***

Pursuant to section 510(a) of the Bankruptcy Code, all subordination agreements governing Claims or Interests shall be enforced in accordance with such agreement's terms.

5.20 ***Litigation Trust.***

(a) ***Creation and Governance of the Litigation Trust***. On the Effective Date, the Debtors and the Litigation Trustee shall execute the Litigation Trust Agreement in a form reasonably acceptable to the Creditors' Committee, and all other necessary steps shall be taken to establish the Litigation Trust in accordance with the Plan and the beneficial interests therein, which shall be for the benefit of the Litigation Trust Beneficiaries. In the event of any conflict between the terms of the Plan and the terms of the Litigation Trust Agreement, the terms of the Plan shall govern. Additionally, on the Effective Date, to the extent permitted by law, the Debtors shall transfer and shall be deemed to transfer to the Litigation Trust all of their rights, title and interest in and to all of the Litigation Trust Assets, and in accordance with section 1141 of the Bankruptcy Code, the Litigation Trust Assets shall automatically vest in the Litigation Trust free and clear of all Claims and Liens, subject only to (a) Litigation Trust Interests, and (b) the expenses of the Litigation Trust as provided for in the Litigation Trust Agreement, and such transfer shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar tax. The Litigation Trustee shall be the exclusive trustee of the assets of the Litigation Trust for purposes of 31 U.S.C. § 3713(b) and 26 U.S.C. § 6012(b)(3), as well as the representatives of the Estate of each of the Debtors appointed pursuant to section 1123(b)(3)(B) of the Bankruptcy Code, solely for purposes of carrying out the Litigation Trustee's duties under the Litigation Trust Agreement. The Litigation Trust shall be governed by the Litigation Trust Agreement and administered by the Litigation Trustee.

The powers, rights and responsibilities of the Litigation Trustee shall be specified in the Litigation Trust Agreement and shall include the authority and responsibility to, among other things, take the actions set forth in this Section 5.20. The Litigation Trustee shall hold and distribute the Litigation Trust Assets in accordance with the provisions of the Plan and the Litigation Trust Agreement. Other rights and duties of the Litigation Trustee and the Litigation Trust Beneficiaries shall be as set forth in the Litigation Trust Agreement. After the Effective Date, the Debtors and the Reorganized Debtors shall have no interest in the Litigation Trust Assets except as set forth in the Litigation Trust Agreement.

(b) ***Purpose of the Litigation Trust***. The Litigation Trust shall be established for the purpose of (i) evaluating and prosecuting the Litigation Trust Causes of Action, (ii) liquidating the Litigation Trust Assets, and (iii) distributing the Litigation Trust Distributable Proceeds, if any, to the Litigation Trust Beneficiaries in accordance with Treasury Regulation section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business.

(c) ***Litigation Trustee and Litigation Trust Agreement***. The Litigation Trust Agreement generally will provide for, among other things, payment of the Litigation Trust Expenses. The Litigation Trust Expenses shall be paid solely from the Litigation Trust Assets in accordance with the Plan and the Litigation Trust Agreement.

For the avoidance of doubt, any costs incurred by (i) the Disbursing Agent in making distributions to holders of Claims under the Plan or (ii) the Reorganized Debtors in prosecuting objections to Claims or otherwise administering Claims shall be paid by the Reorganized Debtors, except to the extent the Litigation Trustee seeks to prosecute certain claims objections pursuant to section 7.2(c).

The Litigation Trustee, on behalf of the Litigation Trust, may employ, without further order of the Bankruptcy Court, professionals (including Professionals previously retained by the Creditors' Committee) to assist in carrying out its duties hereunder and may compensate and reimburse the reasonable expenses of these professionals without further order of the Bankruptcy Court from the Litigation Trust Assets in accordance with the Plan and the Litigation Trust Agreement.

In furtherance of and consistent with the purpose of the Litigation Trust and the Plan, the Litigation Trustee, for the benefit of the Litigation Trust, shall (a) hold the Litigation Trust Assets for the benefit of the Litigation Trust Beneficiaries, (b) make distributions of Litigation Trust Distributable Proceeds, if any, as provided herein and in the Litigation Trust Agreement and (c) have the power and authority to prosecute and resolve any Litigation Trust Causes of Action. The Litigation Trustee shall be responsible for all decisions and duties with respect to the Litigation Trust and the Litigation Trust Assets, except as otherwise provided in the Litigation Trust Agreement. In all circumstances, the Litigation Trustee shall act in the best interests of the Litigation Trust Beneficiaries.

(d) ***Compensation and Duties of the Litigation Trustee***. The salient terms of the Litigation Trustee's employment, including the Litigation Trustee's duties and compensation (which compensation shall be negotiated by the Litigation Trustee, the Debtors, the Plan Sponsor and the Creditors' Committee), shall be set forth in the Litigation Trust Agreement. The Litigation Trustee shall be entitled to reasonable compensation in an amount consistent with that of similar functionaries in similar types of bankruptcy cases.

(e) ***Indemnification of the Litigation Trust Indemnified Persons***. The Litigation Trust Indemnified Persons shall be held harmless by the Litigation Trust and shall not be liable for actions taken or omitted in their capacity as, or on behalf of, the Litigation Trustee, except those acts that are determined by Final Order to have arisen out of their own intentional fraud, willful misconduct, or gross negligence, and each shall be entitled to be indemnified, held harmless, and entitled to advancement (and indemnification for the same amounts if the Litigation Trust Indemnified Persons do not seek or receive advancement) by or from, as applicable, the Litigation Trust for fees and expenses including, without limitation, reasonable attorney's fees, which such Persons and Entities may incur or may become subject to or in connection with any action, suit, proceeding or investigation that is brought or threatened against such Persons in respect of that Person's or the Litigation Trustee's actions or inactions regarding the implementation or administration of this Plan or the Litigation Trust Agreement, or the discharge of their duties hereunder or the Litigation Trust Agreement, except for any actions or inactions that are determined by Final Order to have arisen from intentional fraud, willful misconduct or gross negligence. Any Claim of the Litigation Trust Indemnified Persons to be indemnified, held harmless, advanced, or reimbursed shall be satisfied from the Litigation Trust or any applicable insurance coverage obtained by the Litigation Trust.

(f) ***Cooperation of Reorganized Debtors***. Subject to subsection (g) of this Section 5.20, the Debtors or Reorganized Debtors, as applicable, upon reasonable notice, shall provide reasonable cooperation with the Litigation Trustee in the administration of the Litigation Trust, including providing reasonable access to pertinent documents, including books and records, to the extent the Debtors or Reorganized Debtors have such information and/or documents, to the Litigation Trustee sufficient to enable the Litigation Trustee to perform its duties hereunder. All reasonable out-of-pocket costs and expenses incurred, upon prior written request of the Litigation Trustee, by the Debtors or the Reorganized Debtors in connection with actions taken under this subsection (f) shall be at the expense of the Litigation Trust.

(g) ***Preservation of Privilege***. The Debtors and the Litigation Trust shall enter into a common interest agreement whereby the Debtors will be able to disclose to the Litigation Trust, on a strictly confidential basis, documents, information or communications (whether written or oral) relating to the Litigation Trust Assets that are covered by attorney-client privilege, work product privilege, or other privileges or immunity. Pursuant to the common interest disclosure agreement, the Debtors and the Litigation Trust will agree that, in the case of disclosures made pursuant to the agreement: (i) the documents, information or communications are privileged; (ii) the disclosure is made to the Litigation Trust solely for the specific purpose of enabling the Litigation Trustee to carry out its duties under the Litigation Trust Agreement; and (iii) the Debtors do not intend, by the disclosure, to waive any privileges or immunities as against any other person or entity. Further, the Litigation Trust shall agree: (x) to keep the documents, information and communications (and their contents) strictly confidential, not disclose them to any other party, and preserve and protect all applicable privileges attaching to them; (y) to return to the Debtors on reasonable demand any documents, information or communications or copies of them (or records of their contents); and (z) to inform the Debtors immediately if it receives any voluntary or compulsory request for production to a third party of the documents, information or communications (or their contents) to enable the Debtors to assert their privilege. The Litigation Trustee's receipt of such documents, information or communications shall constitute a limited waiver in favor of the Litigation Trustee only, and shall not constitute a waiver of any privilege as against any other party. On the Effective Date, the Reorganized Debtors shall automatically succeed the Debtors as party to such common interest agreement. All privileges shall remain in the control of the Debtors or the Reorganized Debtors, as applicable, and the Debtors or the Reorganized Debtors retain the right to waive their own privileges.

(h) ***Transferability***. Litigation Trust Interests shall not be certificated and shall be non-transferable other than if transferred by will, intestate succession, or otherwise by operation of law, or as and to the extent determined by the Litigation Trustee.

(i) ***U.S. Federal Income Tax Treatment of the Litigation Trust.*** The Litigation Trust shall be structured to qualify as a "liquidating trust" within the meaning of Treas. Reg. § 301.7701-4(d) and in compliance with Rev. Proc. 94-45, 1994-2 C.B. 684, and, thus, as a "grantor trust" within the meaning of Sections 671 through 679 of the Tax Code to the holders of Other Unsecured Claims, consistent with the terms of the Plan. All assets held by the Litigation Trust on the Effective Date shall be deemed for U.S. federal income tax purposes (i) to have been distributed (subject to any obligations relating to such assets) by the Debtors to the Litigation Trust Beneficiaries (other than the assets allocable to any disputed ownership fund) in

partial satisfaction of such Litigation Trust Beneficiaries' Claims and (ii) immediately thereafter contributed by such Litigation Trust Beneficiaries to the Litigation Trust in exchange for their respective Litigation Trust Interests. The Litigation Trust Beneficiaries will be treated as the deemed owners of the Litigation Trust (other than the assets allocable to any disputed ownership fund). The sole purpose of the Litigation Trust shall be the liquidation and distribution of the Litigation Trust Assets in accordance with Treas. Reg. § 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business. All parties (including the Debtors and the Estates, holders of Other Unsecured Claims and the Litigation Trustee) shall report consistently with such treatment. All parties shall report consistently with the valuation of the Litigation Trust Assets transferred to the Litigation Trust as determined by the Litigation Trustee (or its designee). The Litigation Trustee shall be responsible for filing U.S. federal tax returns for the Litigation Trust as a grantor trust pursuant to Treas. Reg. § 1.671-4(a). The Litigation Trustee shall annually send to each holder of an interest in the Litigation Trust a separate statement regarding the receipts and expenditures of the trust as relevant for U.S. federal income tax purposes. Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Litigation Trustee of a private letter ruling if the Litigation Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Litigation Trustee), the Litigation Trustee may timely elect to (x) treat any portion of the Litigation Trust allocable to Disputed Claims as a "disputed ownership fund" governed by Treasury Regulation section 1.468B-9 (and make any appropriate elections) and (y) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All parties (including the Debtors and the Estates, holders of Other Unsecured Claims and the Litigation Trustee) shall report for U.S. federal, state, and local income tax purposes consistently with the foregoing.

(j) ***Withholding***. The Litigation Trustee may withhold and pay to the appropriate taxing authority all amounts required to be withheld pursuant to the Tax Code or any provision of any foreign, state or local tax law with respect to any payment or distribution to the Litigation Trust Beneficiaries. All such amounts withheld and paid to the appropriate taxing authority shall be treated as amounts distributed to such Litigation Trust Beneficiaries for all purposes of the Litigation Trust Agreement. The Litigation Trustee shall be authorized to collect such tax information from the Litigation Trust Beneficiaries (including, without limitation, social security numbers or other tax identification numbers) as it, in its sole discretion, deems necessary to effectuate the Plan, the Confirmation Order and the Litigation Trust Agreement. In order to receive distributions under the Plan, all Litigation Trust Beneficiaries will need to identify themselves to the Litigation Trustee and provide tax information and the specifics of their holdings, to the extent the Litigation Trustee deems appropriate. This identification requirement may, in certain cases, extend to holders who hold their securities in street name. The Litigation Trustee may refuse to make a distribution to any Litigation Trust Beneficiary that fails to furnish such information in a timely fashion, until such information is delivered; *provided, however*, that, upon the delivery of such information by a Litigation Trust Beneficiary, the Litigation Trustee shall make such distribution to which the Litigation Trust Beneficiary is entitled, without interest; and, *provided, further*, that, if the Litigation Trustee fails to withhold in respect of amounts received or distributable with respect to any such holder and the Litigation Trustee is later held liable for the amount of such withholding, such holder shall reimburse the Litigation Trustee for such liability.

(k) ***Litigation Trust Assets***. The Litigation Trustee shall have the exclusive right on behalf of the Litigation Trust, to institute, file, prosecute, enforce, settle, compromise, release, abandon, or withdraw any and all Litigation Trust Causes of Action without any further order of the Bankruptcy Court, except as otherwise provided herein or in the Litigation Trust Agreement. From and after the Effective Date, the Litigation Trustee, in accordance with section 1123(b)(3) of the Bankruptcy Code, and on behalf of the Litigation Trust, shall serve as a representative of the Estates, solely for purposes of carrying out the Litigation Trustee's duties under the Litigation Trust Agreement. In connection with the investigation, prosecution and/or compromise of the Litigation Trust Causes of Action, the Litigation Trustee may expend such portion of the Litigation Trust Assets as the Litigation Trustee deems necessary. The Litigation Trustee may invest Cash (including any earnings thereon or proceeds therefrom) in any manner permitted to be made by a liquidating trust within the meaning of Treasury Regulation section 301.7701-4(d), as reflected therein, or under applicable IRS guidelines, rulings, or other controlling authorities.

(l) ***Litigation Trust Fees and Expenses***. From and after the Effective Date, the Litigation Trustee, on behalf of the Litigation Trust, shall, in the ordinary course of business and without the necessity of any approval by the Bankruptcy Court, pay the reasonable professional fees and expenses incurred by the Litigation Trust and any Litigation Trustee Representatives retained by the Litigation Trust from the Litigation Trust Assets, except as otherwise provided in the Litigation Trust Agreement.

(m) ***Distribution of Unrestricted Cash***. The Litigation Trustee shall distribute to the Litigation Trust Beneficiaries on account of their interests in the Litigation Trust, at least annually, all net proceeds from the monetization of assets, except that the Litigation Trust may retain an amount of net proceeds reasonably necessary to maintain the value of the Litigation Trust Assets or to meet claims and contingent liabilities.

(n) ***Single Satisfaction of Allowed Other Unsecured Claims***. Notwithstanding anything to the contrary herein, in no event shall holders of Allowed Other Unsecured Claims, as applicable, recover more than the full amount of their Allowed Other Unsecured Claims from the Litigation Trust Distributable Proceeds, if any.

(o) ***Dissolution of the Litigation Trust***. The Litigation Trustee and the Litigation Trust shall be discharged or dissolved, as the case may be, at such time as (a) the Litigation Trustee determines that the pursuit of additional Litigation Trust Causes of Action is not likely to yield sufficient additional proceeds to justify further pursuit of such claims and (b) all distributions of Litigation Trust Distributable Proceeds, if any, required to be made by the Litigation Trustee under the Plan have been made, but in any event the Litigation Trust shall be dissolved no later than five years after the Effective Date unless the Bankruptcy Court, upon motion made within the six-month period before such fifth anniversary (and, in the event of further extension, at least six months before the end of the preceding extension), determines that a fixed period extension (not to exceed three years, together with any prior extensions, without a favorable letter ruling from the IRS that any further extension would not adversely affect the status of the Litigation Trust as a liquidating trust for federal income tax purposes) is necessary to facilitate or complete the recovery on, and liquidation of, the Litigation Trust Assets. Upon dissolution of the Litigation Trust, any remaining Litigation Trust Assets shall be distributed to

all Litigation Trust Beneficiaries in accordance with the Plan and the Litigation Trust Agreement as appropriate.

5.21 ***Class 3 Trust.***

(a) ***Creation and Governance of the Class 3 Trust***. On the Effective Date, the Debtors and the Class 3 Trustee shall execute the Class 3 Trust Agreement, and all other necessary steps shall be taken to establish the Class 3 Trust in accordance with the Plan and the Settlement Agreement, and the beneficial interests therein, which shall be for the benefit of the Class 3 Trust Beneficiaries. In the event of any conflict between the terms of the Plan and the terms of the Class 3 Trust Agreement, the terms of the Plan shall govern. Additionally, on the Effective Date, to the extent permitted by law, the Debtors shall transfer and shall be deemed to transfer to the Class 3 Trust all of their rights, title and interest in and to all of the Class 3 Trust Causes of Action, and in accordance with section 1141 of the Bankruptcy Code, the Class 3 Trust Causes of Action shall automatically vest in the Class 3 Trust free and clear of all Claims and Liens, subject only to Class 3 Trust Interests, and such transfer shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar tax. The Class 3 Trustee shall be the exclusive trustee of the assets of the Class 3 Trust for purposes of 31 U.S.C. § 3713(b) and 26 U.S.C. § 6012(b)(3), as well as the representatives of the Estate of each of the Debtors appointed pursuant to section 1123(b)(3)(B) of the Bankruptcy Code, solely for purposes of carrying out the Class 3 Trustee's duties under the Class 3 Trust Agreement. The Class 3 Trust shall be governed by the Class 3 Trust Agreement and administered by the Class 3 Trustee.

The powers, rights and responsibilities of the Class 3 Trustee shall be specified in the Class 3 Trust Agreement and shall include the authority and responsibility to, among other things, take the actions set forth in this Section 5.21. The Class 3 Trustee shall hold and distribute the Class 3 Trust Assets in accordance with the provisions of the Plan, the Settlement Agreement, and the Class 3 Trust Agreement. Other rights and duties of the Class 3 Trustee and the Class 3 Trust Beneficiaries shall be as set forth in the Class 3 Trust Agreement. After the Effective Date, the Debtors and the Reorganized Debtors shall have no interest in the Class 3 Trust Assets except as set forth in the Class 3 Trust Agreement.

(b) ***Purpose of the Class 3 Trust***. The Class 3 Trust shall be established for the purpose of (i) evaluating and prosecuting the Class 3 Causes of Action, (ii) liquidating the Class 3 Trust Assets and (iii) distributing the Class 3 Trust Distributable Proceeds, if any, to the Class 3 Trust Beneficiaries in accordance with Treasury Regulation section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business.

(c) ***Class 3 Trustee and Class 3 Trust Agreement***. The Class 3 Trustee, on behalf of the Class 3 Trust, may employ, without further order of the Bankruptcy Court, professionals to assist in carrying out its duties hereunder and may compensate and reimburse the reasonable expenses of these professionals without further order of the Bankruptcy Court from the Class 3 Trust Assets in accordance with the Plan and the Class 3 Trust Agreement.

In furtherance of and consistent with the purpose of the Class 3 Trust, the Plan, and as consistent with the Class 3 Trust Agreement, the Class 3 Trustee, for the benefit of the

Class 3 Trust, shall (a) hold the Class 3 Trust Assets for the benefit of the Class 3 Trust Beneficiaries, (b) make distributions of Class 3 Trust Distributable Proceeds, if any, as provided herein and in the Class 3 Trust Agreement and (c) have the power and authority to prosecute and resolve any Class 3 Trust Causes of Action. The Class 3 Trustee shall be responsible for all decisions and duties with respect to the Class 3 Trust and the Class 3 Trust Assets, except as otherwise provided in the Class 3 Trust Agreement. In all circumstances, the Class 3 Trustee shall act in the best interests of the Class 3 Trust Beneficiaries.

(d) ***Compensation and Duties of the Class 3 Trustee***. The salient terms of the Class 3 Trustee's employment, including the Class 3 Trustee's duties and compensation (which compensation shall be determined by a majority of the Class 3 Beneficiaries and paid solely from Class 3 Trust Assets), shall be set forth in the Class 3 Trust Agreement.

(e) ***Cooperation***. Following the Confirmation Date and prior to the Effective Date, the Debtors shall provide reasonable cooperation reasonably requested by the Class 3 Trustee and/or her counsel with the investigation and development of the Class 3 Causes of Action. Following the Effective Date, except as set forth in Section 1.3(a) and 1.3(b) of the Litigation Trust Agreement, the Reorganized Debtors shall have no obligation to provide any cooperation to the Class 3 Trustee or the Class 3 Trust Beneficiaries with respect to or in connection with the Class 3 Trust, including the administration thereof or the investigation, development or pursuit of any Class 3 Causes of Action.

(f) ***Preservation of Privilege***. Any attorney-client privilege, work-product doctrine, joint interest privilege or other privilege or immunity (collectively, the "Privileges")[2] belonging to any of the Debtors, and attaching to any documents, information or communications (whether written or oral) in connection with Class 3 Trust Assets (including Class 3 Litigation Causes of Action), shall be transferred (subject to the limitations below) to the Class 3 Trust solely for the purpose of allowing the Class 3 Trustee to carry out its obligations under this Class 3 Trust Agreement. Privileged material that the Debtors or Reorganized Debtors turn over that specifically relates to Class 3 Litigation Causes of Action shall automatically vest in, and be available for the assertion or waiver by the Class 3 Trustee, *provided* that the transfer of Privileges, and any obligation of the Debtors to turn over any documents, information or communications in connection with such transfer of Privileges, shall apply only to documents, information or communications dated on or before August 31, 2020 (which date cutoff shall not apply to any documents that refer to Peter Shaper and his dealings with the Debtors) and provided that the Class 3 Trustee and Class 3 Trust Beneficiaries shall maintain as strictly confidential all privileged information received pursuant to this Class 3 Trust Agreement. Should the Class 3 Trustee desire to waive any Privileges, the Class 3 Trustee must obtain the written consent of the Debtors or the Reorganized Debtors as appropriate, which shall not be unreasonably withheld. The Class 3 Trust's receipt of the Privileges associated with the Class 3 Trust Assets shall not operate as a waiver of any or all other privileges possessed or retained by the Debtors or Reorganized Debtors. To the extent any documents, information, or communications transferred to the Class 3 Trust pursuant to this Class 3 Trust Agreement

[2] For clarity, Privileges shall not include any internal attorney work product of Debtors' counsel in connection with the Chapter 11 Cases.

contain any personal information covered by Australian or other foreign privacy laws, SpeedCast International Limited and Class 3 Trustee will take any necessary steps, including effectuating any agreement required, to allow for the legal transfer of such information.

(g) ***Transferability***. Class 3 Trust Interests shall not be certificated and shall be non-transferable other than if transferred by will, intestate succession, or otherwise by operation of law, or as and to the extent determined by the Class 3 Trustee.

(h) ***U.S. Federal Income Tax Treatment of the Class 3 Trust.*** The Class 3 Trust shall be structured to qualify as a "liquidating trust" within the meaning of Treas. Reg. § 301.7701-4(d) and in compliance with Rev. Proc. 94-45, 1994-2 C.B. 684, and, thus, as a "grantor trust" within the meaning of Sections 671 through 679 of the Tax Code to the holders of Syndicated Facility Secured Claims as of the Class 3 Trust Record Date, consistent with the terms of the Plan and the Class 3 Trust Agreement. All assets held by the Class 3 Trust on the Effective Date shall be deemed for U.S. federal income tax purposes (i) to have been distributed (subject to any obligations relating to such assets) by the Debtors to the Class 3 Trust Beneficiaries (other than the assets allocable to any disputed ownership fund) in partial satisfaction of such Class 3 Trust Beneficiaries' Claims and (ii) immediately thereafter contributed by such Class 3 Trust Beneficiaries to the Class 3 Trust in exchange for their respective Class 3 Trust Interests. The Class 3 Trust Beneficiaries will be treated as the deemed owners of the Class 3 Trust (other than the assets allocable to any disputed ownership fund). The sole purpose of the Class 3 Trust shall be the liquidation and distribution of the Class 3 Trust Assets in accordance with Treas. Reg. § 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business. All parties (including the Debtors and the Estates, holders of Syndicated Facility Secured Claims and the Class 3 Trustee) shall report consistently with such treatment. All parties shall report consistently with the valuation of the Class 3 Trust Assets transferred to the Class 3 Trust as determined by the Class 3 Trustee (or its designee). The Class 3 Trustee shall be responsible for filing U.S. federal tax returns for the Class 3 Trust as a grantor trust pursuant to Treas. Reg. § 1.671-4(a). The Class 3 Trustee shall annually send to each holder of an interest in the Class 3 Trust a separate statement regarding the receipts and expenditures of the trust as relevant for U.S. federal income tax purposes. Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Class 3 Trustee of a private letter ruling if the Class 3 Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Class 3 Trustee), the Class 3 Trustee may timely elect to (x) treat any portion of the Class 3 Trust allocable to Disputed Claims as a "disputed ownership fund" governed by Treasury Regulation section 1.468B-9 (and make any appropriate elections) and (y) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All parties (including the Debtors and the Estates, holders of Syndicated Facility Secured Claims as of the Class 3 Trust Record Date and the Class 3 Trustee) shall report for U.S. federal, state, and local income tax purposes consistently with the foregoing.

(i) ***Withholding***. The Class 3 Trustee may withhold and pay to the appropriate taxing authority all amounts required to be withheld pursuant to the Tax Code or any provision of any foreign, state or local tax law with respect to any payment or distribution to the Class 3 Trust Beneficiaries. All such amounts withheld and paid to the appropriate taxing authority shall be treated as amounts distributed to such Class 3 Trust Beneficiaries for all

purposes of the Class 3 Trust Agreement. The Class 3 Trustee shall be authorized to collect such tax information from the Class 3 Trust Beneficiaries (including, without limitation, social security numbers or other tax identification numbers) as it, in its sole discretion, deems necessary to effectuate the Plan, the Confirmation Order and the Class 3 Trust Agreement. In order to receive distributions under the Plan, all Class 3 Trust Beneficiaries will need to identify themselves to the Class 3 Trustee and provide tax information and the specifics of their holdings, to the extent the Class 3 Trustee deems appropriate. This identification requirement may, in certain cases, extend to holders who hold their securities in street name. The Class 3 Trustee may refuse to make a distribution to any Class 3 Trust Beneficiary that fails to furnish such information in a timely fashion, until such information is delivered; *provided*, *however*, that, upon the delivery of such information by a Class 3 Trust Beneficiary, the Class 3 Trustee shall make such distribution to which the Class 3 Trust Beneficiary is entitled, without interest; and, *provided*, *further*, that, if the Class 3 Trustee fails to withhold in respect of amounts received or distributable with respect to any such holder and the Class 3 Trustee is later held liable for the amount of such withholding, such holder shall reimburse Class 3 Trustee for such liability.

(j) ***Class 3 Trust Assets***. The Class 3 Trustee shall have the exclusive right on behalf of the Class 3 Trust, to institute, file, prosecute, enforce, settle, compromise, release, abandon, or withdraw any and all Class 3 Trust Causes of Action without any further order of the Bankruptcy Court, except as otherwise provided herein or in the Class 3 Trust Agreement. From and after the Effective Date, the Class 3 Trustee, in accordance with section 1123(b)(3) of the Bankruptcy Code, and on behalf of the Class 3 Trust, shall serve as a representative of the Estates, solely for purposes of carrying out the Class 3 Trustee's duties under the Class 3 Trust Agreement. In connection with the investigation, prosecution and/or compromise of the Class 3 Trust Causes of Action, the Class 3 Trustee may expend such portion of the Class 3 Trust Assets as the Class 3 Trustee deems necessary. The Class 3 Trustee may invest Cash (including any earnings thereon or proceeds therefrom) in any manner permitted to be made by a liquidating trust within the meaning of Treasury Regulation section 301.7701-4(d), as reflected therein, or under applicable IRS guidelines, rulings, or other controlling authorities.

(k) ***Class 3 Trust Fees and Expenses***. From and after the Effective Date, the Class 3 Trustee, on behalf of the Class 3 Trust, shall, in the ordinary course of business and without the necessity of any approval by the Bankruptcy Court, pay the reasonable professional fees and expenses incurred by or on behalf of the Class 3 Trust from the Class 3 Trust Assets in accordance with the Class 3 Trust Agreement.

(l) ***Distribution of Unrestricted Cash***. The Class 3 Trustee shall distribute to the Class 3 Trust Beneficiaries on account of their interests in the Class 3 Trust, at least annually, all net proceeds from the monetization of Class 3 Trust Assets, except that the Class 3 Trust may retain an amount of net proceeds reasonably necessary to maintain the value of the Class 3 Trust Assets or to meet claims and contingent liabilities.

(m) ***Dissolution of the Class 3 Trust***. The Class 3 Trustee and the Class 3 Trust shall be discharged or dissolved, as the case may be, at such time as (a) the Class 3 Trustee determines that the pursuit of additional Class 3 Trust Causes of Action is not likely to yield sufficient additional proceeds to justify further pursuit of such claims and (b) all distributions of Class 3 Trust Distributable Proceeds, if any, required to be made by the Class 3 Trustee under

the Plan have been made, but in any event the Class 3 Trust shall be dissolved no later than five years after the Effective Date unless the Bankruptcy Court, upon motion made within the six-month period before such fifth anniversary (and, in the event of further extension, at least six months before the end of the preceding extension), determines that a fixed period extension (not to exceed three years, together with any prior extensions, without a favorable letter ruling from the IRS that any further extension would not adversely affect the status of the Class 3 Trust as a liquidating trust for federal income tax purposes) is necessary to facilitate or complete the recovery on, and liquidation of, the Class 3 Trust Assets. Upon dissolution of the Class 3 Trust, any remaining Class 3 Trust Assets shall be distributed to all Class 3 Trust Beneficiaries in accordance with the Plan and the Class 3 Trust Agreement as appropriate.

(n) **Centerbridge Partners, L.P., on behalf of itself and its controlled affiliates and any funds advised or managed thereby, irrevocably and forever disclaims and waives any right it or they have to receive any Class 3 Trust Interests on the Effective Date. For the avoidance of any doubt, Centerbridge Partners, L.P., and any of its controlled affiliates and any funds advised or managed thereby are ineligible to be Class 3 Trust Beneficiaries and shall not receive any Class 3 Trust Interests.**

ARTICLE VI. DISTRIBUTIONS.

6.1 *Distributions Generally.*

The Disbursing Agent shall make all Plan Distributions to the appropriate holders of Allowed Claims and Allowed Interests in accordance with the terms of this Plan; *provided*, that the Debtors or Reorganized Debtors, as applicable, shall disburse New Equity Interests to the Plan Sponsor; *provided, further*, that notwithstanding anything herein to the contrary, distributions to the Litigation Trust Beneficiaries shall be made by the Litigation Trustee as and when provided for in the Litigation Trust Agreement and distributions to the Class 3 Trust Beneficiaries shall be made by the Class 3 Trustee as and when provided for in the Class 3 Trust Agreement.

6.2 *No Postpetition Interest on Claims.*

Except as otherwise specifically provided for in this Plan, the Confirmation Order, or another order of the Bankruptcy Court or required by the Bankruptcy Code, and notwithstanding any documents to the contrary that govern the Debtors' prepetition indebtedness, postpetition and/or default interest shall not accrue or be paid on any Claims, and no holder of a Claim shall be entitled to (a) interest accruing on such Claim on or after the Petition Date, or (b) interest at the contractual default rate, as applicable.

6.3 *Date of Distributions.*

Unless otherwise provided in the Plan, Class 3 Trust Agreement or Litigation Trust Agreement, on the Effective Date or as soon as reasonably practicable thereafter (or, if a Claim is not an Allowed Claim on the Effective Date, on the date that such Claim becomes Allowed or as soon as reasonably practicable thereafter), each holder of an Allowed Claim as of the Distribution Record Date (or, in the case of the distribution of Class 3 Trust Interests, as of

the Class 3 Trust Record Date) shall receive the full amount of the distributions that the Plan provides for such Allowed Claims in their applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims, distributions on account of any such Disputed Claims shall be made pursuant to the provisions set forth in Article VII of the Plan. Except as otherwise provided in the Plan or the documents included in the Plan Supplement, holders of Claims shall not be entitled to interest, dividends, or accruals on any Plan Distributions.

6.4 ***Distribution Record Date.***

As of the close of business on the Distribution Record Date, the various lists of holders of Claims in each Class, as maintained by the Debtors or their agents, shall be deemed closed, and there shall be no further changes in the record holders of any Claims after the Distribution Record Date. Neither the Debtors, Reorganized Debtors, the Australian Administrator(s), the Australian Deed Administrator(s), nor the Disbursing Agent shall have any obligation to recognize any transfer of a Claim occurring after the close of business on the Distribution Record Date. In addition, with respect to payment of any Cure Amounts or disputes over any Cure Amounts, none of the Debtors, the Reorganized Debtors, the Australian Administrator(s), the Australian Deed Administrator(s), or the Disbursing Agent shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable executory contract or unexpired lease, even if such non-Debtor party has sold, assigned, or otherwise transferred its Claim for a Cure Amount.

6.5 ***Disbursing Agent.***

All distributions under this Plan shall be made by the applicable Disbursing Agent on and after the Effective Date as provided herein except distributions to the Litigation Trust Beneficiaries shall be made by the Litigation Trustee as and when provided for in the Litigation Trust Agreement and distributions to the Class 3 Trust Beneficiaries shall be made by the Class 3 Trustee as and when provided for in the Class 3 Trust Agreement. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties. The Reorganized Debtors shall use all commercially reasonable efforts to provide the applicable Disbursing Agent with the amounts of Claims and the identities and addresses of holders of Claims, in each case, as set forth in the Debtors' or the Reorganized Debtors' books and records. The Reorganized Debtors shall cooperate in good faith with the applicable Disbursing Agent (if other than the Reorganized Debtors) to comply with the reporting and withholding requirements outlined in Section 6.17 of this Plan.

6.6 ***Delivery of Distributions.***

The applicable Disbursing Agent will issue or cause to be issued, the applicable consideration under this Plan and, subject to Bankruptcy Rule 9010, will make all distributions to any holder of an Allowed Claim as and when required by this Plan (except distributions to the Litigation Trust Beneficiaries shall be made by the Litigation Trustee as and when provided for in the Litigation Trust Agreement and distributions to the Class 3 Trust Beneficiaries shall be

made by the Class 3 Trustee as and when provided for in the Class 3 Trust Agreement) at: (i) the address of such holder on the books and records of the Debtors or their agents or the Syndicated Facility Agent, as applicable or (ii) the address in any written notice of address change delivered to the Debtors or the Disbursing Agent, including any addresses included on any transfers of Claim filed pursuant to Bankruptcy Rule 3001. In the event that any distribution to any holder is returned as undeliverable, no distribution or payment to such holder shall be made unless and until the Disbursing Agent has been notified of the then-current address of such holder, at which time or as soon thereafter as reasonably practicable such distribution shall be made to such holder without interest.

6.7 ***Unclaimed Property.***

One year from the later of: (i) the Effective Date and (ii) the date that is ten (10) Business Days from the date of distribution, all distributions payable on account of such Claim that are not deliverable and remain unclaimed shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and shall revert to the Reorganized Debtors automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial, or state escheat, abandoned, or unclaimed property laws to the contrary) or their successors or assigns, and all claims of any other Entity (including the holder of a Claim in the same Class) to such distribution shall be discharged and forever barred. The Reorganized Debtors and the Disbursing Agent shall have no obligation to attempt to locate any holder of an Allowed Claim other than by reviewing the Debtors' books and records, the register of the DIP Agent or the Syndicated Facility Agent, as applicable, or filings with the Bankruptcy Court.

6.8 ***Satisfaction of Claims.***

Unless otherwise provided herein, any distributions and deliveries to be made on account of Allowed Claims under this Plan shall be in complete and final satisfaction, settlement, and discharge of and exchange for such Allowed Claims.

6.9 ***Manner of Payment Under Plan.***

Except as specifically provided herein, at the option of the Debtors, the Reorganized Debtors, the Australian Administrator(s) or the Australian Deed Administrator(s), as applicable, any Cash payment to be made under this Plan may be made by a check or wire transfer or as otherwise required or provided in applicable agreements or customary practices of the Debtors consistent with commonly accepted business practices.

6.10 ***Fractional Shares and De Minimis Cash Distributions.***

No fractional New Equity Interests shall be distributed. When any distribution would otherwise result in the issuance of a number of New Equity Interests that is not a whole number, the New Equity Interests subject to such distribution shall be rounded to the next higher or lower whole number as follows: (i) fractions equal to or greater than 1/2 shall be rounded to the next higher whole number and (ii) fractions less than 1/2 shall be rounded to the next lower whole number. The total number of New Equity Interests to be distributed on account of the Direct Investment or otherwise in accordance with the Plan Sponsor Agreement will be adjusted

as necessary to account for the rounding provided for herein. No consideration will be provided in lieu of fractional shares that are rounded down. Neither the Reorganized Debtors, Australian Administrator, nor the Disbursing Agent shall have any obligation to make a distribution that is less than one (1) share of New Equity Interests or one hundred dollars ($100.00) in Cash. Fractional New Equity Interests that are not distributed in accordance with this section shall be returned to, and ownership thereof shall vest in New Speedcast Parent.

6.11 ***No Distribution in Excess of Amount of Allowed Claim.***

Notwithstanding anything to the contrary in this Plan, no holder of an Allowed Claim shall receive, on account of such Allowed Claim, Plan Distributions in excess of the Allowed amount of such Claim plus any postpetition interest on such Claim, to the extent such interest is permitted by Section 6.2.

6.12 ***Allocation of Distributions Between Principal and Interest.***

Except as otherwise provided in this Plan and subject to Section 6.2 of this Plan, to the extent that any Allowed Claim entitled to a distribution under this Plan is comprised of indebtedness and accrued but unpaid interest thereon, such distribution shall be allocated first to the principal amount of the Claim (as determined for U.S. federal income tax purposes) and then, to the extent of any excess, to the remainder of the Claim, including any Claim for accrued but unpaid interests.

6.13 ***Exemption from Securities Laws.***

The issuance of the New Equity Interests pursuant to the Direct Investment are being made in reliance on the exemption from registration set forth in section 4(a)(2) of the Securities Act and/or Regulation D thereunder. Such Securities will be considered "restricted securities" and may not be offered for sale, sold, or otherwise transferred except pursuant to an effective registration statement under the Securities Act or in a transaction exempt from or not subject to registration under the Securities Act, such as under certain conditions, the resale provisions of Rule 144 of the Securities Act and in accordance with any applicable state securities laws.

6.14 ***Setoffs and Recoupments.***

Each Debtor or Reorganized Debtor, as applicable, or such Entity's designee, as instructed by such Reorganized Debtor, may, pursuant to section 553 of the Bankruptcy Code or applicable nonbankruptcy law, offset or recoup against any Allowed Claim and the distributions to be made pursuant to this Plan on account of such Allowed Claim any and all Claims, rights, and Causes of Action that such Debtor or Reorganized Debtor or its successors may hold against the holder of such Allowed Claim; *provided*, that neither the failure to effect a setoff or recoupment nor the allowance of any Claim hereunder will constitute a waiver or release by a Debtor or Reorganized Debtor or its successor of any Claims, rights, or Causes of Action that a Reorganized Debtor or its successor or assign may possess against such holder.

6.15 ***Release of Retained Funds***

Any Cash remaining in the Fee Claim Escrow Account, after all applicable distributions or other payments have been made from such Fee Claim Escrow Account shall be released therefrom by the Disbursing Agent and revert to the Reorganized Debtors or their successors or assigns at such dates as may be determined by the Disbursing Agent, but in no event later than the date that is sixty (60) days after all applicable distributions or other payments have been made from such account.

6.16 ***Rights and Powers of Disbursing Agent.***

(a) Powers of Disbursing Agent. The Disbursing Agent shall be empowered to: (i) effect all reasonable actions and execute all agreements, instruments, and other documents necessary to perform its duties under this Plan; (ii) make all applicable distributions or payments provided for under this Plan; (iii) employ professionals to represent it with respect to its responsibilities; and (iv) exercise such other powers (A) as may be vested in the Disbursing Agent by order of the Bankruptcy Court (including any order issued after the Effective Date) or pursuant to this Plan or (B) as deemed by the Disbursing Agent to be necessary and proper to implement the provisions of this Plan.

(b) Expenses Incurred on or After the Effective Date. To the extent the Disbursing Agent is an Entity other than a Debtor or Reorganized Debtor, except as otherwise ordered by the Bankruptcy Court and subject to the written agreement of the Reorganized Debtors, the amount of any reasonable fees and reasonable and documented out-of-pocket expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes and including for reasonable and documented attorneys' and other professional fees and out-of-pocket expenses) made by the Disbursing Agent shall be paid in Cash by the Reorganized Debtors.

6.17 ***Withholding and Reporting Requirements.***

(a) The Reorganized Debtors and the Disbursing Agent shall comply with all applicable withholding and reporting requirements imposed by any federal, state, local, or foreign taxing authority, and all distributions under this Plan shall be subject to any such withholding or reporting requirements. In the case of a non-Cash distribution that is subject to withholding, the distributing party may withhold an appropriate portion of such distributed property and sell such withheld property to generate Cash necessary to pay over the withholding tax. Any amounts withheld pursuant to the preceding sentence shall be deemed to have been distributed to and received by the applicable recipient for all purposes of this Plan. The Reorganized Debtors and the Disbursing Agent shall reasonably cooperate with the relevant recipients of any distributions under this Plan to minimize any withholding to the extent permitted by applicable law.

(b) Notwithstanding the above, each holder of an Allowed Claim that is to receive a distribution under this Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed on such holder by any Governmental Unit, including income, withholding, and other tax obligations, on account of such distribution.

(c) The Reorganized Debtors and the Disbursing Agent may require, as a condition to receipt of a distribution, that the holder of an Allowed Claim provide any information reasonably necessary to allow the distributing party to comply with any such withholding and reporting requirements imposed by any federal, state, local, or foreign taxing authority (including, for the avoidance of doubt, an IRS Form W-9 or (if the holder is a non-U.S. Person) an appropriate IRS Form W-8 (unless such Person is exempt from information reporting requirements under the Tax Code) and so notifies the Reorganized Debtors and the Disbursing Agent).

6.18 *Hart-Scott-Rodino Antitrust Improvements Act*

Any New Equity Interests to be distributed under the Plan to any Entity required as a result of such distribution to file a premerger notification and report form under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, to the extent applicable, shall not be distributed until the notification and waiting periods applicable under such Act to such Entity have expired or been terminated.

ARTICLE VII. PROCEDURES FOR RESOLVING CLAIMS.

7.1 *Disputed Claims Generally.*

Except insofar as a Claim is Allowed under the Plan or was Allowed prior to the Effective Date, the Debtors or the Reorganized Debtors, as applicable, shall have and retain any and all rights and defenses such Debtor has with respect to any Disputed Claim, including the Causes of Action retained pursuant to Section 10.11. Any objections to Claims shall be served and filed on or before: (a) the one hundred twentieth (120th) day following the later of (i) the Effective Date and (ii) the date that a proof of Claim is filed or amended or a Claim is otherwise asserted or amended in writing by or on behalf of a holder of such Claim; or (b) such later date as may be fixed by the Bankruptcy Court. All Disputed Claims not objected to by the end of such one hundred twenty (120) day period shall be deemed Allowed unless such period is extended upon approval of the Bankruptcy Court.

7.2 *Resolution of Disputed Claims*

(a) On and after the Effective Date, the Reorganized Debtors shall have the duty and authority, and, solely with respect to Other Unsecured Claims, in consultation with the Litigation Trustee, to (i) litigate, compromise, settle, otherwise resolve, or withdraw any objections to all Claims against the Debtors and to compromise and settle any such Disputed Claims without any further notice to or action, order, or approval by the Bankruptcy Court or any other party and (ii) administer and adjust the Claims Register to reflect any such settlements or compromises without any further action, order, notice to, or approval by the Bankruptcy Court or any other party.

(b) Expungement of, or Adjustment to, Paid, Satisfied, or Superseded Claims. Any Claim that has been paid, satisfied, or superseded, or any Claim that has been amended or superseded, may be adjusted or expunged on the Claims Register by the Reorganized Debtors, and, solely with respect to Other Unsecured Claims, in consultation with the Litigation Trustee,

without a claims objection having to be filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

(c) Notwithstanding anything herein to the contrary, the Creditors' Committee or Litigation Trustee, as applicable, shall have the right to prosecute or otherwise adjudicate or settle particular objections to Other Unsecured Claims in the event that the Reorganized Debtors and the Litigation Trustee disagree with respect to the treatment of any particular Other Unsecured Claim and the Litigation Trustee shall have standing to seek court intervention to enforce this provision or otherwise resolve any dispute between the Reorganized Debtors and the Litigation Trustee with respect to allowance of Other Unsecured Claims.

(d) Disallowance of Claims. EXCEPT AS OTHERWISE AGREED, ANY AND ALL PROOFS OF CLAIM FILED AFTER THE APPLICABLE DEADLINE FOR FILING SUCH PROOFS OF CLAIM SHALL BE DEEMED DISALLOWED AND EXPUNGED AS OF THE EFFECTIVE DATE WITHOUT ANY FURTHER NOTICE TO OR ACTION, ORDER, OR APPROVAL OF THE BANKRUPTCY COURT, AND HOLDERS OF SUCH CLAIMS MAY NOT RECEIVE ANY DISTRIBUTIONS ON ACCOUNT OF SUCH CLAIMS, UNLESS SUCH LATE PROOF OF CLAIM IS DEEMED TIMELY FILED BY A FINAL ORDER ON OR BEFORE THE LATER OF THE CONFIRMATION HEARING AND THE DATE THAT IS FORTY-FIVE (45) DAYS AFTER THE APPLICABLE DEADLINE FOR FILING SUCH PROOFS OF CLAIM.

7.3 ***Estimation of Claims.***

The Debtors or the Reorganized Debtors, as applicable, may at any time request that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code, regardless of whether the Debtors had previously objected to or otherwise disputed such Claim or whether the Bankruptcy Court has ruled on any such objection. The Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated, or Disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, the Reorganized Debtors may pursue supplementary proceedings to object to the allowance of such Claim.

7.4 ***Claims Resolution Procedures Cumulative.***

All of the objection, estimation, and resolution procedures in this Plan are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently settled, compromised, withdrawn, or resolved in accordance with this Plan by any mechanism approved by the Bankruptcy Court.

7.5 ***No Distributions Pending Allowance.***

No payment or distribution provided under this Plan shall be made on account of a Disputed Claim unless and until (and only to the extent that) such Claim becomes an Allowed Claim.

7.6 ***Distributions After Allowance.***

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the holder of such Allowed Claim in accordance with the provisions of this Plan. As soon as practicable after the date on which the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Disbursing Agent shall provide to the holder of such Claim the distribution (if any) to which such holder is entitled under this Plan as of the Effective Date, without any interest to be paid on account of such Claim unless required by the Bankruptcy Code.

ARTICLE VIII. EXECUTORY CONTRACTS AND UNEXPIRED LEASES.

8.1 ***Assumption and Rejection of Executory Contracts and Unexpired Leases.***

(a) As of and subject to the occurrence of the Effective Date, except as expressly set forth in this section 8.1 or sections 8.3, 8.4 and 8.5 herein, or in the Confirmation Order, all executory contracts and unexpired leases to which the Debtors are party shall (subject, in the cases of clauses (ii) and (iii), to the consent of the Plan Sponsor, whose consent will not to be unreasonably withheld) be deemed rejected except for an executory contract or unexpired lease that (i) has been assumed or rejected pursuant to a Final Order prior to entry of the Confirmation Order and in respect to which a motion for such assumption or rejection has been filed prior to the initial filing of this Plan, (ii) is specifically designated on the Schedule of Assumed Contracts and Leases, or (iii) is the subject of a separate (A) assumption motion filed by the Debtors or (B) rejection motion filed by the Debtors under section 365 of the Bankruptcy Code before the Confirmation Date. The Debtors reserve the right to modify the treatment of any particular executory contract or unexpired lease pursuant to this Plan (subject to the consent rights in this clause (a)). Except as expressly set forth in this section 8.1 or sections 8.3, 8.4 and 8.5, the Confirmation Order shall constitute the Bankruptcy Court's approval of the rejection of all the leases and contracts not identified in the Schedule of Assumed Contracts and Leases (subject to the consent rights described in this clause (a)).

(b) Subject to the occurrence of the Effective Date, the payment of any applicable Cure Amount, and the resolution of any Cure Dispute, the entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the rejections, assumptions, and assumptions and assignments provided for in this Plan pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Unless otherwise indicated or provided in a separate order of the Bankruptcy Court, rejections, assumptions, or assumptions and assignments of executory contracts and unexpired leases pursuant to this Plan are effective as of the Effective Date. Each executory contract and unexpired lease assumed pursuant to this Plan or by order of the

Bankruptcy Court but not assigned to a third party before the Effective Date shall vest in and be fully enforceable by the applicable Reorganized Debtor in accordance with its terms, except as modified by the provisions of this Plan, any order of the Bankruptcy Court authorizing and providing for its assumption, or applicable law.

(c) Unless otherwise provided herein or by separate order of the Bankruptcy Court, each executory contract and unexpired lease that is assumed or assumed and assigned shall include any and all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without regard to whether such agreement, instrument, or other document is listed in the Schedule of Assumed Contracts and Leases.

(d) Notwithstanding anything to the contrary herein, all intercompany agreements are deemed to be, and shall be treated as, executory contracts under this Plan and, on the Effective Date, shall be assumed pursuant to sections 365 and 1123 of the Bankruptcy Code effective as of the Effective Date regardless of whether such contracts are listed on the Schedule of Assumed Contracts and Leases.

(e) Notwithstanding anything to the contrary herein or in the Plan Supplement, all shareholders' agreements, nominee agreements, call option agreements and other agreements in respect of the Speedcast Entities' joint venture entities to which the Debtors are a party are deemed to be, and shall be treated as, executory contracts under the Plan and, on the Effective Date shall be assumed pursuant to sections 365 and 1123 of the Bankruptcy Code, unless otherwise specifically rejected in the Assumption Schedules.

8.2 ***Determination of Cure Disputes and Deemed Consent.***

(a) With respect to each executory contract or unexpired lease to be assumed or assumed and assigned by the Debtors, unless otherwise determined by the Bankruptcy Court pursuant to a Final Order or agreed to by the parties thereto, the dollar amount required to Cure any defaults of the Debtors existing as of the Confirmation Date shall be the Cure Amount set in the Cure Notice. The Cure Amount shall be satisfied, under section 365(b)(1) of the Bankruptcy Code, by the Debtors or Reorganized Debtors, as applicable, upon assumption of the relevant executory contract or unexpired lease. In advance of the Confirmation Hearing, the Debtors shall have served a notice on parties to executory contracts and unexpired leases to be assumed reflecting the Debtors' intent to assume the contract or lease in connection with this Plan and setting forth the proposed Cure Amount (if any). Unless a different agreement has been reached with the counterparty, upon payment in full of the Cure Amount, any and all proofs of Claim based upon an executory contract or unexpired lease that has been assumed in the Chapter 11 Cases or hereunder shall be deemed Disallowed and expunged without any further notice to or action by any party or order of the Bankruptcy Court.

(b) If there is a dispute regarding (i) any Cure Amount, (ii) the ability of the Debtors to provide adequate assurance of future performance (within the meaning of section 365 of the Bankruptcy Code) under the contract or lease to be assumed, or (iii) any other matter pertaining to assumption or assumption and assignment, such dispute shall be heard by the

Bankruptcy Court prior to such assumption or assumption and assignment being effective. Any counterparty to an executory contract or unexpired lease that fails to object timely to the notice of the proposed assumption or assumption and assignment of such executory contract or unexpired lease or the relevant Cure Amount by the deadline to object to confirmation of this Plan, shall be deemed to have consented to such assumption or assumption and assignment and the Cure Amount (even if Zero Dollars ($0)), and shall be forever barred, estopped, and enjoined from challenging the validity of such assumption or assumption and assignment or the amount of such Cure Amount thereafter.

8.3 ***Survival of the Debtors' Indemnification and Reimbursement Obligations.***

(a) Notwithstanding anything in the Plan (including Section 10.3 of the Plan), any indemnification of the Debtors' officers, directors, members, agents, or employees (other than Non-Released Parties) (each, a "D&O Indemnification") who serve in such capacity provided for in the Debtors' bylaws, certificates of incorporation, other formation documents, board resolutions, deeds of indemnity, or other similar agreements with respect to all present and future actions, suits, and proceedings against the Debtors or such officers, directors, members, managers, agents, or employees based upon any act or omission for or on behalf of the Debtors shall (i) remain in full force and effect, (ii) not be discharged, impaired, or otherwise affected in any way, including by the Plan, the Plan Supplement, or the Confirmation Order, (iii) not be limited, reduced or terminated after the Effective Date, and (iv) survive unimpaired and unaffected irrespective of whether such obligation is owed for an act or event occurring before, on or after the Petition Date, *provided*, that the Reorganized Debtors shall not indemnify officers, directors, members, or managers, as applicable, of the Debtors for any claims or Causes of Action (i) arising out of or relating to any act or omission that constitutes intentional fraud, gross negligence, or willful misconduct or (ii) that are not indemnified by such indemnification obligation; *provided*, further, that the obligations in this section shall not apply to any Non-Released Party and any obligations to indemnify any Non-Released Party shall be terminated upon the occurrence of the Effective Date regardless of whether such obligations are captured on the Assumption Schedules (as defined in the Plan Supplement) or elsewhere in the Schedule of Assumed Executory Contracts and Unexpired Leases. All D&O Indemnifications shall be deemed and treated as executory contracts to be assumed by the Debtors under the Plan and shall continue as obligations of the Reorganized Debtors regardless of whether such obligations are included on the Schedule of Assumed Contracts and Leases. Any claim based on the Debtors' obligations under the Plan shall not be a Disputed Claim or subject to any objection, in either case, by reason of section 502(e)(1)(B) of the Bankruptcy Code.

(b) After the Effective Date, the Reorganized Debtors shall not terminate or otherwise reduce the coverage under any directors' and officers' insurance policies (including any "tail policy") in effect as of the Confirmation Date, and all members, managers, directors, and officers of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy regardless of whether such members, managers, directors, and/or officers remain in such positions after the Effective Date.

8.4 ***Compensation and Benefit Plans.***

Unless otherwise provided in this Plan and except as applicable to any Non-Released Party, all employment policies, and all compensation and benefits plans, policies, and programs of the Debtors applicable to their respective employees, retirees, and non-employee directors, including all savings plans, retirement plans, healthcare plans, disability plans, severance benefit plans, incentive plans, and life and accidental death and dismemberment insurance plans, are deemed to be, and shall be treated as, executory contracts under this Plan and, on the Effective Date, shall be assumed pursuant to sections 365 and 1123 of the Bankruptcy Code regardless of whether such obligations are identified on the Schedule of Assumed Contracts and Leases. For the avoidance of doubt, any awards granted under the Management Incentive Plan shall be governed by such plan and shall not be subject to any provisions of the foregoing assumed plans, programs, or arrangements.

8.5 ***Insurance Policies.***

All insurance policies to which any Debtor is a party as of the Effective Date shall be deemed to be and treated as executory contracts, shall be assumed or assumed and assigned by the applicable Debtor regardless of whether such obligations are identified on the Schedule of Assumed Contracts and Leases, and shall vest in the Reorganized Debtors and continue in full force and effect thereafter in accordance with their respective terms.

8.6 ***Rejection Damages Claims.***

In the event that the rejection of an executory contract or unexpired lease hereunder results in damages to the other party or parties to such executory contract or unexpired lease, any Claim for such damages shall be classified and treated in Class 4A (Unsecured Trade Claims) or Class 4B (Other Unsecured Claims), as applicable and as determined by the Debtors or Reorganized Debtors, as applicable. Such Claim shall be forever barred and shall not be enforceable against the Debtors or the Reorganized Debtors, as applicable, or their respective Estates, properties or interests in property as agents, successors, or assigns, unless a proof of Claim is filed with the Bankruptcy Court and served upon counsel for the Debtors or the Reorganized Debtors, as applicable, no later than forty-five (45) days after the filing and service of the notice of the occurrence of the Effective Date.

8.7 ***Reservation of Rights.***

(a) Neither the exclusion nor the inclusion by the Debtors of any contract or lease on any exhibit, schedule, or other annex to this Plan or in the Plan Supplement, nor anything contained in this Plan, shall constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Reorganized Debtors or their respective affiliates has any liability thereunder.

(b) Except as otherwise provided in this Plan, or in a previously entered order of the Bankruptcy Court, nothing shall waive, excuse, limit, diminish, or otherwise alter any of the defenses, claims, Causes of Action, or other rights of the Debtors or the Reorganized Debtors under any executory or non-executory contract or unexpired or expired lease.

(c) Nothing in this Plan shall increase, augment, or add to any of the duties, obligations, responsibilities, or liabilities of the Debtors or the Reorganized Debtors, as applicable, under any executory or non-executory contract or unexpired or expired lease.

(d) For the avoidance of doubt, nothing in this Plan shall or shall be deemed to constitute a waiver of any rights, claims and/or remedies of any Prepetition Lender against another Prepetition Lender(s) or the Syndicated Facility Agent under the Syndicated Facility Agreement, including, the New Incremental Term Loans (as defined in the Incremental Assumption and Amendment Agreement, dated as of October 16, 2018), the other SFA Loan Documents or any related instrument, agreement or document.

(e) If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of its assumption under this Plan, the Debtors or Reorganized Debtors, as applicable, shall have sixty (60) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

(b) By accepting distributions pursuant to the Plan, each holder of an Allowed Claim or Allowed Interest shall be deemed to have affirmatively and specifically consented to be bound by the Plan, including the injunctions set forth in this Section 10.5 of the Plan.

(c) For the avoidance of doubt, the injunctions set forth in this Section 10.5 of the Plan prohibit the enforcement of the Syndicated Facility Agreement against any SFA Loan Party.

10.9 ***Injunction Related to Releases and Exculpation.***

Except for the rights that remain in effect from and after the Effective Date to enforce this Plan and the Plan Documents, the Confirmation Order shall permanently enjoin the commencement or prosecution by any Entity, whether directly, derivatively, or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, losses, or liabilities released or exculpated pursuant to this Plan.

10.10 ***Subordinated Claims.***

Pursuant to section 510 of the Bankruptcy Code, the Debtors and Reorganized Debtors, as applicable, reserve the right to reclassify any Allowed Claim or Allowed Interest in accordance with any contractual, legal, or equitable subordination relating thereto.

10.11 ***Retention of Causes of Action and Reservation of Rights.***

Subject to Sections 10.6, 10.7,10.8, and 10.9 of this Plan, nothing contained in this Plan or the Confirmation Order shall be deemed to be a waiver or relinquishment of any rights, claims, Causes of Action, rights of setoff or recoupment, or other legal or equitable defenses that the Debtors had immediately before the Effective Date on behalf of the Estates or of themselves in accordance with any provision of the Bankruptcy Code or any applicable nonbankruptcy law. Subject to Sections 10.6, 10.7, 10.8, and 10.9 of this Plan, and except as provided in any order entered by the Bankruptcy Court, the Reorganized Debtors shall have, retain, reserve, and be entitled to assert all such claims, Causes of Action, rights of setoff or recoupment, and other legal or equitable defenses as fully as if the Chapter 11 Cases had not been commenced, and all of the Debtors' legal and equitable rights in respect of any Unimpaired Claim may be asserted after the Effective Date to the same extent as if the Chapter 11 Cases had not been commenced.

10.12 ***Ipso Facto and Similar Provisions Ineffective.***

Any term of any policy, contract, or other obligation applicable to a Debtor shall be void and of no further force or effect with respect to any Debtor to the extent that such term is conditioned on, creates an obligation of the Debtor as a result of, or gives rise to a right of any Entity based on any of the following: (i) the insolvency or financial condition of a Debtor;

(ii) the commencement of the Chapter 11 Cases; (iii) the confirmation or consummation of this Plan, including any change of control that will occur as a result of such consummation; (iv) any change of control resulting from Restructuring Transactions; (v) the commencement of any Foreign Enforcement Action or similar proceeding; or (vi) the Restructuring.

(a) to hear and determine applications for the assumption or rejection of executory contracts or unexpired leases and any disputes over Cure Amounts resulting therefrom;

(b) to determine any motion, adversary proceeding, application, contested matter, and other litigated matter in the Chapter 11 Cases pending on or commenced after the entry of the Confirmation Order, including adjudication of the Litigation Trust Causes of Action and the Class 3 Trust Causes of Action; *provided*, *however*, that the Bankruptcy Court's jurisdiction with respect to the Litigation Trust Causes of Action and the Class 3 Trust Causes of Action shall not be exclusive;

(c) to hear and resolve any disputes arising from or related to (i) any orders of the Bankruptcy Court granting relief under Bankruptcy Rule 2004 or (ii) any protective orders entered by the Bankruptcy Court in connection with the foregoing;

(d) to ensure that distributions to holders of Allowed Claims are accomplished as provided in this Plan and the Confirmation Order;

(e) to consider Claims or the allowance, classification, priority, compromise, estimation, or payment of any Claim, including any Administrative Expense Claim;

(f) to enter, implement, or enforce such orders as may be appropriate in the event that the Confirmation Order is for any reason stayed, reversed, revoked, modified, or vacated;

(g) to issue and enforce injunctions and releases, enter and implement other orders, and take such other actions as may be necessary or appropriate to restrain interference by any Entity with the consummation, implementation, or enforcement of this Plan, the Confirmation Order, or any other order of the Bankruptcy Court;

(h) to hear and determine any application to modify this Plan in accordance with section 1127 of the Bankruptcy Code to remedy any defect or omission or reconcile any inconsistency in this Plan, the Disclosure Statement, or any order of the Bankruptcy Court, including the Confirmation Order, in such a manner as may be necessary to carry out the purposes and effects thereof;

(i) to hear and determine all Fee Claims and Restructuring Expenses;

(j) to resolve disputes concerning Disputed Claims and any retained amounts with respect to Disputed Claims or the administration thereof, including disagreement between the Reorganized Debtors and the Litigation Trustee regarding the allowance of certain Disputed Claims as provided for in section 7.2(c) or information requests from the Litigation Trustee or Class 3 Trustee to the Reorganized Debtors;

(k) to hear and determine disputes arising in connection with the interpretation, implementation, or enforcement of this Plan, the Confirmation Order, any transactions or payments in furtherance of either, or any agreement, instrument, or other document governing or related to any of the foregoing;

(l) to take any action and issue such orders, including any such action or orders as may be necessary after entry of the Confirmation Order or the occurrence of the Effective Date, as may be necessary to construe, enforce, implement, execute, and consummate this Plan, including any release, exculpation, or injunction provisions set forth in this Plan, or to maintain the integrity of this Plan following the occurrence of the Effective Date;

(m) to determine such other matters and for such other purposes as may be provided in the Confirmation Order;

(n) to hear and determine matters concerning state, local, and federal taxes in accordance with sections 346, 505, and 1146 of the Bankruptcy Code;

(o) to hear and determine any other matters related to the Chapter 11 Cases and not inconsistent with the Bankruptcy Code or title 28 of the United States Code;

(p) to resolve any disputes concerning whether an Entity had sufficient notice of the Chapter 11 Cases, the Disclosure Statement, any solicitation conducted in connection with the Chapter 11 Cases, any bar date established in the Chapter 11 Cases, or any deadline for responding or objecting to a Cure Amount, in each case, for the purpose for determining whether a Claim or Interest is discharged hereunder or for any other purpose;

(q) to recover all Assets of the Debtors and property of the Estates, wherever located;

(r) to enter a final decree closing each of the Chapter 11 Cases;

provided, that upon the execution of the New Organizational Documents and the Amended Organizational Documents, disputes with respect the New Organizational Documents and the

Amended Organizational Documents that are not related to the Plan shall otherwise be governed by the jurisdictional, forum selection or dispute resolution clause contained in such document.

ARTICLE XII. MISCELLANEOUS PROVISIONS.

12.1 *Amendments.*

(a) Plan Modifications. Subject to the written consent of (w) the Plan Sponsor, (x) the Creditors' Committee (in the case of this clause (y), whose consent will not be unreasonably withheld), (y) solely with respect to Sections 5.8 and 9.1(h) and the component definitions thereof, the Initial Plan Sponsor and (z) solely with respect to any provision of this Plan relating to the Class 3 Trust or disproportionately impacting Black Diamond Commercial Finance, L.L.C. or Black Diamond Capital Management, L.L.C. in a material and adverse manner, Black Diamond Commercial Finance, L.L.C. and Black Diamond Capital Management, L.L.C., this Plan may be amended, modified, or supplemented by the Debtors in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law, without additional disclosure pursuant to section 1125 of the Bankruptcy Code, except as otherwise ordered by the Bankruptcy Court. In addition, after the Confirmation Date, so long as such action does not materially and adversely affect the treatment of holders of Allowed Claims or Allowed Interests pursuant to this Plan, the Debtors may remedy any defect or omission or reconcile any inconsistencies in this Plan or the Confirmation Order with respect to such matters as may be necessary to carry out the purposes or effects of this Plan, and any holder of a Claim or Interest that has accepted this Plan shall be deemed to have accepted this Plan as amended, modified, or supplemented.

(b) Certain Technical Amendments. Prior to the Effective Date, the Debtors may make appropriate technical adjustments and modifications to this Plan without further order or approval of the Bankruptcy Court; *provided*, that such technical adjustments and modifications do not adversely affect the Plan Sponsor or treatment of holders of Allowed Claims or Allowed Interests under this Plan and are reasonably acceptable to the Creditors' Committee.

12.2 *Revocation or Withdrawal of Plan.*

The Debtors, in consultation with the Creditors' Committee, reserve the right to revoke or withdraw this Plan prior to the Effective Date as to any or all of the Debtors. If, with respect to a Debtor, this Plan has been revoked or withdrawn prior to the Effective Date, or if confirmation or the occurrence of the Effective Date as to such Debtor does not occur on the Effective Date, then, with respect to such Debtor: (i) this Plan shall be null and void in all respects; (ii) any settlement or compromise embodied in this Plan (including the fixing or limiting to an amount any Claim or Interest or Class of Claims or Interests), assumption of executory contracts or unexpired leases affected by this Plan, and any document or agreement executed pursuant to this Plan shall be deemed null and void; and (iii) nothing contained in this Plan shall (a) constitute a waiver or release of any Claim by or against, or any Interest in, such Debtor or any other Entity; (b) prejudice in any manner the rights of such Debtor or any other Person or Entity; or (c) constitute an admission of any sort by any Debtor or any other Person or Entity.

12.3 ***Dissolution of Creditors' Committee.***

Except to the extent provided herein, upon the Effective Date, the current and former members of the Creditors' Committee, and their respective officers, employees, counsel, advisors, and agents, shall be released and discharged of and from all further authority, duties, responsibilities, and obligations related to and arising from and in connection with the Chapter 11 Cases; *provided, however*, that following the Effective Date, the Creditors' Committee shall continue in existence and have standing and a right to be heard for the following limited purposes: (a) Claims and/or applications for compensation by Professional Persons; (b) any appeals of the Confirmation Order; (c) any appeals to which the Creditors' Committee is a named party; and (d) any adversary proceedings or contested matters as of the Effective Date to which the Creditors' Committee is a named party. Following the completion of the Creditors' Committee's remaining duties set forth above, the Creditors' Committee shall be dissolved, and the retention or employment of the Creditors' Committee's respective attorneys, accountants, and other agents shall terminate.

12.4 ***Exemption from Certain Transfer Taxes.***

Pursuant to section 1146 of the Bankruptcy Code, the issuance, transfer, or exchange of any security or other property hereunder, including, to the fullest extent permitted by applicable law, all sale transactions consummated by the Debtors and approved by the Bankruptcy Court on and after the Confirmation Date through and including the Effective Date, including any transfers effectuated under this Plan, and any assumption, assignment, or sale by the Debtors of their interests in unexpired leases of nonresidential real property or executory contracts pursuant to section 365(a) of the Bankruptcy Code, shall constitute a "transfer under a plan" within the purview of section 1146 of the Bankruptcy Code and shall not be subject to any stamp, real estate transfer, mortgage, mortgage recording, document recording, conveyance fee or other similar tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, sales tax, use tax or other similar tax or government assessment.

12.5 ***Payment of Statutory Fees.***

All fees payable under section 1930 of chapter 123 of title 28 of the United States Code shall be paid on the Effective Date, or as soon as practicable thereafter, by the Debtors or Reorganized Debtors; *provided*, that all fees payable pursuant to section 1930 of chapter 123 of title 28 of the United States Code prior to the Effective Date shall be paid by the Debtors. Quarterly fees owed to the U.S. Trustee shall be paid when due in accordance with applicable law and the Debtors and Reorganized Debtors shall continue to file reports to show the calculation of such fees for the Debtors' Estates until the Chapter 11 Cases are closed under section 350 of the Bankruptcy Code. Each and every one of the Debtors shall remain obligated to pay quarterly fees to the U.S. Trustee until the earliest of that particular Debtor's case is closed, dismissed, or converted to a case under Chapter 7 of the Bankruptcy Code; *provided* that, in the event Chapter 11 Cases are not closed under section 350 of the Bankruptcy Code solely due to the existence of the Litigation Trust and/or the Class 3 Trust, then the Litigation Trust and/or Class 3 Trust, as applicable shall be obligated, and the Litigation Trustee and/or Class 3 Trustee, as applicable, shall cause the Litigation Trust and/or Class 3 Trust, as applicable, to pay the quarterly fees to the U.S. Trustee.

12.6 ***Severability.***

Subject to Section 12.2 of this Plan, if, prior to the entry of the Confirmation Order, any term or provision of this Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court, at the request of the Debtors with the reasonable consent of the Creditors' Committee and the Plan Sponsor, shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation by the Bankruptcy Court, the remainder of the terms and provisions of this Plan shall remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of this Plan, as it may have been altered or interpreted in accordance with this Section, is valid and enforceable pursuant to its terms.

12.7 ***Governing Law.***

Except to the extent that the Bankruptcy Code or other federal law is applicable or to the extent that a Plan Document provides otherwise, the rights, duties, and obligations arising under this Plan and the Plan Documents shall be governed by, and construed and enforced in accordance with, the internal laws of the State of New York, without giving effect to the principles of conflict of laws thereof.

12.8 ***Immediate Binding Effect.***

Notwithstanding Bankruptcy Rules 3020(e), 6004(h), 7062, or otherwise, upon the occurrence of the Effective Date, the terms of this Plan and the Plan Documents shall be immediately effective and enforceable and deemed binding upon and inure to the benefit of the Debtors, the Reorganized Debtors, the holders of Claims and Interests, the Released Parties, the Exculpated Parties, and each of their respective successors and assigns.

12.9 ***Successors and Assigns.***

10. Choice of Law and Venue.

a. This Settlement Agreement shall be governed by the laws of the State of New York without giving effect to any choice or conflict of laws provision or rule (whether of the State of New York or any other jurisdiction).

b. Each Party hereto agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Settlement Agreement in the Bankruptcy Court, and solely in connection with claims arising under this Settlement Agreement: (i) irrevocably submits to the exclusive jurisdiction and the constitutional authority of the Bankruptcy Court; (ii) waives any objection to laying venue in any such action or proceeding in the Bankruptcy Court; and (iii) waives any objection that the Bankruptcy Court is an inconvenient forum, does not have jurisdiction over any Party hereto, or lacks the constitutional authority to enter final orders in connection with such action or proceeding; *provided*, *however*, that this Settlement Agreement and the releases set forth herein may be submitted in any court, arbitration, and/or other legal proceeding to enforce the terms of such releases.

c. The Parties hereby agree that service of any process, summons, notice or document by registered mail addressed to a Party hereto (as applicable) shall be effective service of process for any suit, action or proceeding brought in the Bankruptcy Court. The Parties hereby irrevocably and unconditionally waive any objection to the laying of venue in the Bankruptcy Court of any such suit, action or proceeding and any claim that any such suit, action or proceeding has been brought in any inconvenient

forum. The Parties irrevocably agree to waive trial by jury in any suit, action, proceeding, claim or counterclaim brought by or on behalf of any party related to or arising out of the transactions contemplated hereby and this Settlement Agreement.

11. Entire Agreement. This Settlement Agreement sets forth the entire agreement among the Parties with respect to the subject matter hereof and supersedes all other prior agreements and understandings, both written and oral, among the Parties with respect to the subject matter hereof (including, without limitation, the terms of the SFA, and any notices given thereunder or in connection therewith, or any other documentation or correspondence between the Parties prior to the date hereof).

12. No Admission of Liability. Each Party enters into this Settlement Agreement without admitting any liability or conceding any allegations. This Settlement Agreement and its provisions shall not be offered or received in evidence in any action or proceeding as an admission or concession of liability or wrongdoing of any nature on the part of any Party except that it may be offered and received in evidence solely to enforce this Settlement Agreement.

13. Confidentiality. The Parties agree to keep this Settlement Agreement confidential, and neither this Settlement Agreement nor the terms hereof shall be shared with any other person other than the Parties (and their respective board of directors, officers, employees and professional advisors who are bound by confidentiality arrangements) except (i) as may be necessary on a redacted basis with redactions reasonably acceptable to each of the Parties (to the extent permitted by the Bankruptcy Court) to secure approval of the Bankruptcy Court, (ii) where mutually agreed to in writing by the Parties, (iii) with a Party's affiliates, investors, accountants, attorneys, or auditors who are directly involved in the consideration of the matters contemplated by this Settlement Agreement, (iv) with the Official Committee of Unsecured Creditors (which shall treat the Settlement Agreement as confidential pursuant to the protective order), and (v) as required by law, regulation, court order or applicable stock exchange rules or regulations, without the consent of each of the Parties (which consent shall not be unreasonably withheld, conditioned or delayed).

14. Mutual Releases. **As of the Term Loan Settlement Date (as defined in the Term Sheet), except for the rights and remedies that remain in effect from and after the Term Loan Settlement Date to enforce this Settlement Agreement and the obligations contemplated hereby, on and after the Term Loan Settlement Date, each of Centerbridge and Black Diamond hereby conclusively, absolutely, unconditionally, irrevocably, and forever releases and discharges any and all claims and causes of action whatsoever (including any derivative claims, asserted or assertable on behalf of the Debtors, the Reorganized Debtors, or their estates), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, existing or hereinafter arising, at law, or in equity, contract, tort, or otherwise by statute, violations of federal or state securities laws or otherwise, that Centerbridge or Black Diamond, as applicable, or their respective estates, affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other persons claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of Centerbridge or Black Diamond, as applicable, or any other person, against Black Diamond or Centerbridge, or each of the foregoing parties' respective officers, directors, managers, principals, members, employees, agents, advisory board members, financial advisors, partners, attorneys, investment bankers, consultants, representatives and other professionals solely in their role or capacity for the foregoing parties, based on or relating to, or in any manner arising from, in whole or in part, the Chapter 11 Cases, the Restructuring, the DIP Documents, the Syndicated Facility Agreement, any SFA Loan Document, and any related instrument, agreement, or document, the Equity Commitment Agreement, the Direct Investment, the Forbearance Agreement, the amended organizational documents, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors or any of their affiliates, the subject matter of, or the transactions or events giving rise to, any claim or interest that**

is treated in the Plan, the business or contractual arrangements or interactions between any Debtor and Centerbridge or Black Diamond, as applicable, or between Centerbridge and Black Diamond, relating to or arising out of the Restructuring, the Restructuring of any claims or interests before or during the Chapter 11 cases, the Plan, the Disclosure Statement, the Plan Sponsor Agreement, the plan documents and the documents in the Plan Supplement or related agreements, instruments, or other documents relating thereto, and the negotiation, formulation, preparation or consummation of any documents or transactions in connection with any of the foregoing, or the solicitation of votes with respect to the Plan, in all cases based upon any act or omission, transaction, agreement, event, or other occurrences taking place on or before the Term Loan Settlement Date. Notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release any obligations arising under this Settlement Agreement before or after the Term Loan Settlement Date. Nothing in this mutual release shall be read, directly or indirectly, to release, waive, diminish or in any way effect any claim or cause of action held by either the Debtors, Black Diamond, or Centerbridge against Peter Shaper.

15. Termination.

a. This Settlement Agreement and the obligations of the Parties may be terminated by mutual written agreement of all the Parties.

b. Any Party may terminate this Settlement Agreement and its obligations hereunder, in the event that:

i. The Confirmation Order approving, to the extent necessary, the Debtors' entry into this Settlement Agreement shall not have been entered by the Bankruptcy Court and become a Final Order by February 15, 2021,

ii. Any Definitive Documentation is executed or filed by any Party with the Bankruptcy Court that is not consistent with the standards set forth in the Term Sheet; or

iii. Any other Party terminates this Settlement Agreement and its obligations hereunder in accordance with this Section 15(b).

c. Effect of Termination. Upon termination of this Settlement Agreement in accordance with this Section 15, all obligations of the Parties under this Settlement Agreement shall terminate and shall be of no further force and effect; *provided*, that any claim for breach of this Settlement Agreement shall survive termination and all rights and remedies with respect to such claim shall be neither waived nor prejudiced in any way by termination of this Settlement Agreement.

16. Successors. All of the terms and provisions of this Settlement Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns. The Parties acknowledge and agree that, for purposes of this Settlement Agreement, the Reorganized Debtors, New Speedcast Parent and their respective subsidiaries shall be successors of the Debtors.

17. Third-Party Beneficiaries. This Settlement Agreement shall be solely for the benefit of the Parties hereto and no other person shall be a third-party beneficiary hereof.

18. Counterparts. This Settlement Agreement may be executed (including electronically) in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Settlement Agreement delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Settlement Agreement.

19. Severability. Whenever possible, each provision of this Settlement Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Settlement Agreement is held to be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Settlement Agreement. In the event that any part of this Settlement Agreement is declared by any court or other judicial or administrative body to be null, void or unenforceable, said provision survives to the extent it is not so declared, and all of the other provisions of this Settlement Agreement remain in full force and effect only if, after excluding the portion deemed to be unenforceable, the remaining terms provide for the consummation of the transactions contemplated hereby in substantially the same manner as originally set forth at the later of the date this Settlement Agreement was executed or last amended.

20. Mutual Drafting. This Settlement Agreement is the product of negotiations among the Parties, and the enforcement or interpretation of this Settlement Agreement is to be interpreted in a neutral manner and in accordance with section 102 of the Bankruptcy Code; and any presumption with regard to interpretation for or against any Party by reason of that Party (or its counsel) having drafted or caused to be drafted this Settlement Agreement or any portion of this Settlement Agreement, shall not be effective in regard to the interpretation of this Settlement Agreement.

21. Settlement Discussions. This Settlement Agreement and the transactions contemplated herein are part of a settlement among the Parties. Nothing herein shall be deemed an admission of any kind. To the extent provided by Federal Rule of Evidence 408, any applicable mediation privileges, and any applicable state rules of evidence, this Settlement Agreement and all negotiations relating thereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce the terms of this Settlement Agreement.

22. Remedies. The Parties understand and agree that irreparable damage would occur in the event that any provision of this Settlement Agreement were not performed in accordance with its terms and further agree that, although monetary damages may be available for the breach of such covenants and undertakings, monetary damages alone could be an inadequate remedy therefor. Accordingly, each Party hereto agrees, on behalf of itself and its affiliates, that in the event of any breach or threatened breach of this Settlement Agreement by another Party, each Party shall be entitled to seek an injunction or injunctions, specific performance and other equitable relief, including attorneys' fees and costs, as a remedy of any such breach or to prevent or restrain breaches or threatened breaches of this Settlement Agreement, and to specifically enforce the terms and provisions of this Settlement Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the terms and provisions of this Settlement Agreement. Any Party seeking an injunction or injunctions to prevent breaches of this Settlement Agreement or to enforce specifically the terms and provisions of this Settlement Agreement shall not be required to provide, furnish or post any bond or other security in connection with or as a condition to obtaining any such order or injunction, and each Party hereby irrevocably waives any right it may have to require the provision, furnishing or posting of any such bond or other security or to object to such relief based on a lack of bond or other security. In the event that any action, claim, suit or proceeding should be

brought in equity to enforce the provisions of this Settlement Agreement, no party shall allege, and each party hereto hereby waives the defense, that there is an adequate remedy at law.

23. Headings. Headings in this Settlement Agreement are for the convenience of the Parties and are not to be construed as limiting the scope of or use in construing the Settlement Agreement.

24. No Waiver. Neither this Settlement Agreement nor any term hereof may be amended other than by an instrument in writing signed by each of the Parties. No provision of this Settlement Agreement may be waived, discharged or terminated other than by an instrument in writing signed by the Party against whom the enforcement of such waiver, discharge or termination is sought.

Principal Amount of term loan Syndicated Facility Claims: $263,117,989

Exhibit 1

Settlement Term Sheet

1. Transfer of Claims to Centerbridge:

   a) Subject to the terms and conditions of this Settlement Agreement,

      a. Centerbridge will purchase, and Black Diamond will sell, all of Black Diamond's term loan Syndicated Facility Claims, which Black Diamond represents (i) are in the principal amount of $263,117,989 and (ii) constitute 100% of Black Diamond's term loan Syndicated Facility Claims, for $63,221,738, on a date within fifteen (15) Business Days of the date of this Settlement Agreement or, to the extent such purchases are not consummated in spite of the commercially reasonable efforts of Black Diamond and Centerbridge, as promptly as possible thereafter with the ongoing commercially reasonable efforts of each party to consummate such transactions, including to obtain all consents required for such purchases of term loan Syndicated Facility Claims under the SFA (the date on which such assignments are consummated, the "**Term Loan Settlement Date**");

      b. Centerbridge will purchase, and Black Diamond will sell, all of Black Diamond's revolver Syndicated Facility Claims and commitments, which Black Diamond represents (i) are in the principal amount of $37,206,400 (of which $35,158,388 is funded) and (ii) constitute 100% of Black Diamond's revolving loan Syndicated Facility Claims and commitments, for $8,447,824 (the "**Revolver Purchase Amount**"), on a date within fifteen (15) Business Days of the date of this Settlement Agreement or, to the extent such purchases are not consummated in spite of the commercially reasonable efforts of Black Diamond and Centerbridge, as promptly as possible thereafter with the ongoing commercially reasonable efforts of each party to consummate such transactions, including to obtain all consents required for such purchases of revolving loan Syndicated Facility Claims under the SFA (the date on which such assignments are consummated, the "**Revolver Settlement Date**"); and

      c. Centerbridge will pay to Black Diamond a settlement payment in the aggregate amount of [redacted], which payment shall be due and payable upon the Term Loan Settlement Date.

   Notwithstanding the foregoing, if the Effective Date occurs prior to the Revolver Settlement Date, Black Diamond shall retain its distributions under the Plan on account of its revolving loan Syndicated Facility Claims (which amount Black Diamond and Centerbridge agree shall, assuming no change to Black Diamond's revolving loan Syndicated Facility Claims, be the Revolver Purchase Amount) and no purchase or sale of revolving loan Syndicated Facility Claims shall be made and no payment shall be owed by Centerbridge to Black Diamond pursuant to 1(a)(b) above.

[redacted]

b) On the Term Loan Settlement Date, the current SFA Agent shall resign and be replaced by a successor Agent selected by Centerbridge and the current SFA Agent shall provide reasonable and customary cooperation in connection therewith.

2. Voting and Objection: The Plan and the Confirmation Order shall each be revised to give effect to the terms set forth in this Term Sheet. The parties agree that the form of Plan attached as **Exhibit 3** hereto, the form of Confirmation Order attached as **Exhibit 4** hereto, and the form of Class 3 Trust Agreement attached as **Exhibit 5** hereto, are each in form and substance satisfactory thereto. Black Diamond agrees to, on the date of this Settlement Agreement, vote its Syndicated Facility Claims in favor of the Plan in Class 3 and Class 4B and withdraw its objections to the Plan and Disclosure Statement with prejudice. The Plan and the Confirmation Order shall provide that each of Centerbridge and Black Diamond is both a "Released Party" and an "Exculpated Party" as defined in the form of Plan attached hereto.

3. SFA Releases: Black Diamond agrees to take any reasonable and lawful action requested by the Debtors in its capacity as claim holder, lender, and/or SFA Agent to grant the Non-Debtor SFA Loan Party Release contained in the Plan, including for non-Debtor subsidiaries and affiliates, in order to ensure that none of UltiSat Inc. or its direct or indirect subsidiaries are required to file for chapter 11 in connection with the current Plan.

4. No Peter Shaper Release: The Plan shall not provide for any release or exculpation for Peter Shaper and claims against Mr. Shaper shall be addressed by paragraph 7 below and the Confirmation Order shall be revised according to proposed findings agreed to by the Parties.

5. Dismissal of Adversary Proceeding: On the Term Loan Settlement Date, Black Diamond agrees to dismiss with prejudice all claims in the Adversary Proceeding.

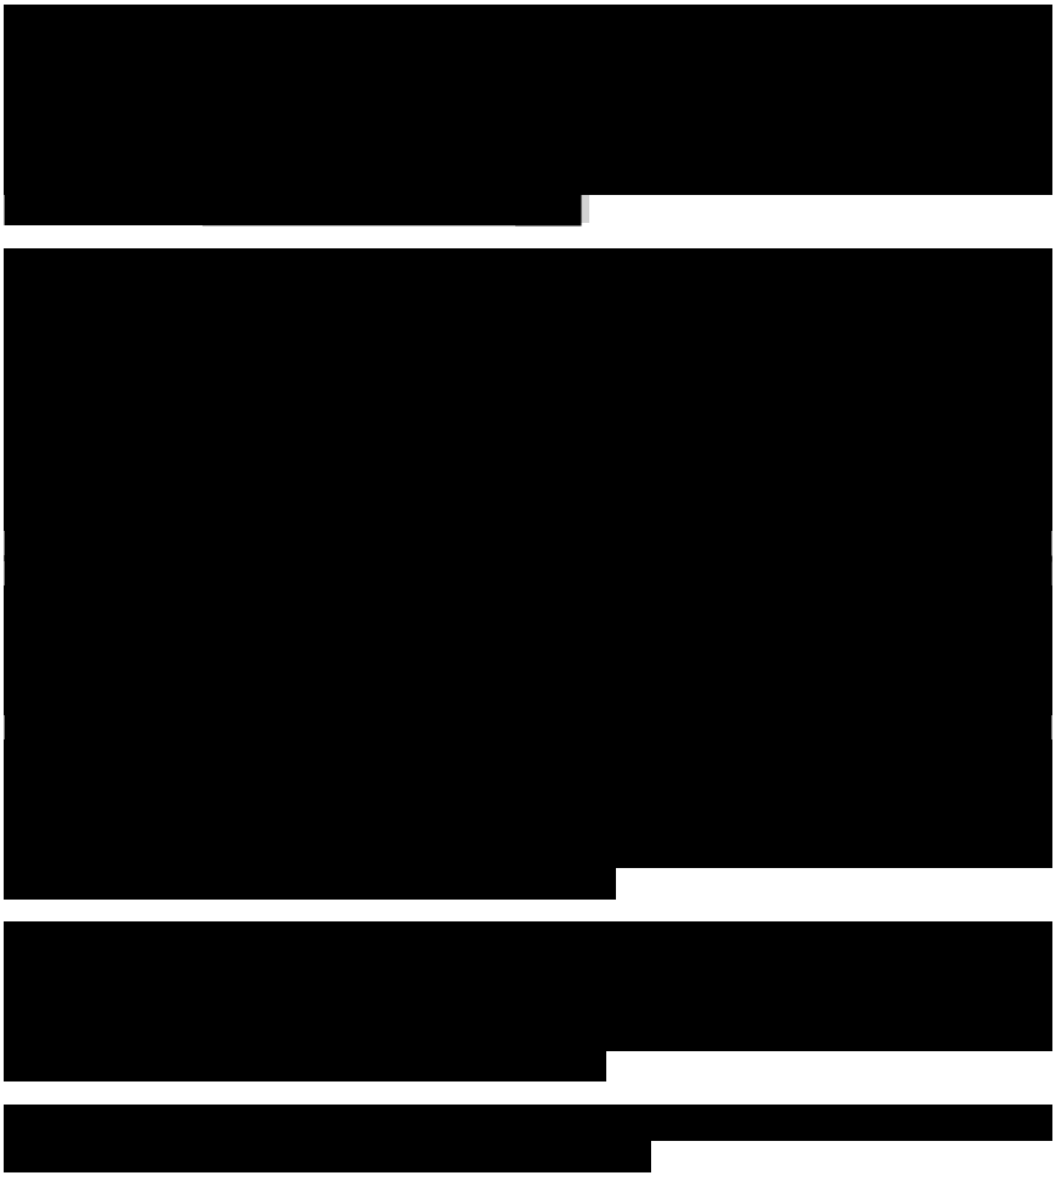
6. Fees: [redacted] Black Diamond agrees not to, directly or indirectly, object to fee applications of professionals retained by the Debtors and the Official Committee of Unsecured Creditors in the chapter 11 cases.

7. Assignment of Cause of Action:

a) Claim Contribution: The Debtors agree to contribute or assign any claims against Peter Shaper that they may have to a separate litigation trust (to the greatest extent allowed under applicable law) on the Effective Date established for the benefit of holders of Class 3 Syndicated Facility Secured Claims (the "**Class 3 Trust**"). Black Diamond shall be responsible for the form of the trust agreement (which agreement shall not be inconsistent in any respect with the terms of this Settlement Agreement) and shall select the trustee of such trust. Neither the Class 3 Trust nor Black Diamond shall commence any claim or litigation against Peter Shaper prior to the Effective Date; provided, that following the Confirmation Date and prior to the Effective Date, the Debtors shall provide reasonable cooperation reasonably requested by Black Diamond in connection with the investigation and development of such claims. The Debtors cooperation and treatment of "Privileges" with respect to any claims against Peter Shaper shall be no less favorable to Black Diamond than the cooperation and treatment of "Privileges" set forth in the Litigation Trust Agreement filed as Exhibit B to the Plan Supplement. The record date for the distribution of

interests in the Class 3 Trust to holders of Class 3 Syndicated Facility Secured Claims (but not, for the avoidance of doubt, for distributions of cash under the Plan to such holders) shall be the Confirmation Date and Centerbridge shall waive its right to receive any interests in the Class 3 Trust. Black Diamond agrees that it shall comply with all confidentiality obligations applicable to Class 3 Trust Beneficiaries under and as defined in the Class 3 Trust Agreement.

b) Limitation of Liability:



8. Necessary Steps: The Debtors, Black Diamond, and Centerbridge agree to take all reasonable and necessary steps to implement the Plan and the settlement terms outlined in this Settlement Agreement. Each of (i) the Plan, (ii) any documents to be included in a Plan Supplement, (iii) the Confirmation Order, (iv) any motions, pleadings, proposed orders, or other filings related to this settlement to be filed with the Bankruptcy Court and (v) any amendments, modifications or

supplements to the foregoing (such documents, the "**Definitive Documentation**") shall be consistent with the terms of this Settlement Agreement in all respects and otherwise reasonably satisfactory to each Party; *provided*, *however*, that (A) nothing in the Settlement Agreement shall provide or be deemed to provide Centerbridge with any consent rights over the documentation governing the Class 3 Trust or provide the Debtors with additional consent rights with respect thereto not set forth in Section 7(a) above (except to the extent such documentation imposes any obligations on, creates any potential liabilities of or impairs any rights or interests of Centerbridge or the Debtors not contemplated by Section 7(a) above) and (B) terms of the Definitive Documentation that are consistent with the terms of this Settlement Agreement (provided, in the case of the Confirmation Order, that the Debtors have used reasonable best efforts to cause the Confirmation Order to be entered with the language included in **Exhibit 3** of this Settlement Agreement), do not relate to the Class 3 Trust and do not disproportionately impact Black Diamond in a material and adverse manner shall be deemed reasonably acceptable to Black Diamond. Each of the Debtors, Black Diamond and Centerbridge agrees to take all steps to support the confirmation of the Plan as promptly as possible. Notwithstanding anything herein or in the Settlement Agreement to the contrary, entry of a Confirmation Order approving the Plan and, to the extent necessary, the Debtors' entry into this Settlement Agreement by the Bankruptcy Court and which has become final is a condition to the claim purchases contemplated in clause 1 hereof, the SFA releases contemplated in clause 3 hereof, the dismissal contemplated in clause 5 hereof, the assignment contemplated in clause 7 hereof, and the releases set forth in Section 14 of this Settlement Agreement.

WHEREAS, the Plan contemplates, on the Effective Date, among other things, (a) the creation of a Class 3 Trust (the "Class 3 Trust") to be treated as a "liquidating trust" within the meaning of Treasury Regulation Section 301.7701-4(d) (the "Trust Regulations") for the benefit of holders of Class 3 Syndicated Facility Secured Claims as of the Class 3 Trust Record Date entitled to receive Class 3 Trust Interests (after giving effect to the waiver of rights to receive Class 3 Trust Interests by Centerbridge set forth in Section 4.3(a) of the Plan) (the "Class 3 Trust Beneficiaries") and (b) the Class 3 Trust Causes of Action (as defined in and subject to the terms and provisions of the Plan) (collectively, the "Class 3 Trust Causes of Action"; following the Effective Date, Class 3 Trust Assets shall also be deemed to include all Class 3 Trust Distributable Proceeds and all other proceeds, products and income thereof) will be transferred into the Class 3 Trust, as set forth in the Plan; and

WHEREAS, the Plan further contemplates that the Class 3 Trust is intended to qualify as a "liquidating trust" within the meaning of the Trust Regulations, and shall be created for the purposes of, among other things, (a) investigating, prosecuting, settling, liquidating, or disposing of the Class 3 Trust Causes of Action and (b) distributing the Class 3 Trust Distributable Proceeds to the Class 3 Trust Beneficiaries as holders of Class 3 Syndicated Facility Secured Claims entitled to their Pro Rata share of the Class 3 Trust Distributable Proceeds consistent with the terms of this Class 3 Trust Agreement, with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to and consistent with the purpose of the Class 3 Trust and the Plan; and

WHEREAS, presuming that the Class 3 Trust qualifies as a "liquidating trust" within the meaning of the Trust Regulations, to the extent permitted by law, the parties hereto will elect to treat the Class 3 Trust for tax purposes as a "grantor trust" pursuant to the Treasury Regulations for U.S. federal income tax purposes, pursuant to Sections 671-679 of the Internal Revenue Code of 1986, as amended (the "IRC"), with the Class 3 Trust Beneficiaries to be treated as the grantors of the Class 3 Trust and deemed to be the owners of the Class 3 Trust Assets (subject to the rights of creditors of the Class 3 Trust), and consequently, for federal income tax purposes the transfer of the Class 3 Trust Assets to the Class 3 Trust shall be treated as a deemed transfer of those assets from the Reorganized Debtors and their Estates to the Class 3 Trust Beneficiaries followed by a deemed transfer by such Class 3 Trust Beneficiaries to the Class 3 Trust at a valuation determined by the Class 3 Trustee to be reported consistently by all parties; provided, however, if any assets are allocable to a disputed claim reserve, the Class 3 Trustee may elect to treat any disputed claim reserve as a "disputed ownership fund" governed by Treasury Regulation Section 1.468B-9.

NOW, THEREFORE, pursuant to the Plan, the Settlement Agreement, and the Confirmation Order, in consideration of the promises, the mutual agreements of the parties contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and affirmed, the parties hereto hereby agree as follows:

ARTICLE I.
DECLARATION OF TRUST

1.1 Creation and Purpose of the Class 3 Trust. The Debtors, Reorganized Debtors and the Class 3 Trustee hereby create what shall be known as the "Class 3 Trust," which is in a form reasonably acceptable to a majority of the Class 3 Trust Beneficiaries, for the purpose of (i)

evaluating and prosecuting the Class 3 Trust Causes of Action, (ii) liquidating the Class 3 Trust Assets, and (iii) distributing the Class 3 Trust Distributable Proceeds, if any, to the Class 3 Trust Beneficiaries in accordance with Treasury Regulation Section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business.

1.2 Declaration of Trust. In order to declare the terms and conditions hereof, and in consideration of the confirmation of the Plan, the Debtors, the Reorganized Debtors and the Class 3 Trustee have executed this Class 3 Trust Agreement and, effective on the Effective Date, the Debtors hereby irrevocably transfer and assign to the Class 3 Trust, all of their right, title, and interest in the Class 3 Trust Assets, to have and to hold unto the Class 3 Trust and its successors and assigns, under and subject to the terms of the Plan and the Confirmation Order for the benefit of the Class 3 Trust Beneficiaries and their permitted successors and assigns solely to the extent provided for in this Class 3 Trust Agreement and in the Plan and Confirmation Order. Notwithstanding the foregoing, subject to Section 5.21 of the Plan and the rights of the Class 3 Trustee set forth in herein, all Class 3 Trust Distributable Proceeds shall be distributed by the Class 3 Trustee, to the Class 3 Trust Beneficiaries in accordance with the provisions hereof, including, without limitation, Sections 1.4 and 7.1 (and consistent with the Plan and the Confirmation Order).

1.3 Transfer and Vesting of Estate Assets.

(a) On the Effective Date, pursuant to the terms of the Plan, the Class 3 Trust Assets, including all Class 3 Trust Assets held or controlled by the Debtors, if any, shall be vested in the Class 3 Trust, which also shall, without limiting any of the other provisions hereof, own and be authorized to obtain, liquidate, and collect all of the Class 3 Trust Assets in the possession of the Debtors, and pursue all of the Class 3 Trust Causes of Action. All Class 3 Trust Assets shall be transferred and delivered to the Class 3 Trust free and clear of all Claims and Liens, and such transfer and delivery shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar tax. The Class 3 Trust will be the successor-in-interest to each of the Debtors and Reorganized Debtors with respect to any Claim, Cause of Action or other action or proceeding that was or could have been commenced by any of the Debtors or Reorganized Debtors prior to the Effective Date that is a Class 3 Trust Cause of Action and shall be deemed and entitled to be substituted for the same as the party in all such actions, litigations, arbitrations or similar proceedings. To the extent any of the foregoing does not automatically occur on the Effective Date or is not effectuated through the Plan, the Confirmation Order or this Class 3 Trust Agreement, the Reorganized Debtors shall, reasonably promptly following written request therefore by the Class 3 Trustee, cause to be executed such other and further documents in form and substance reasonably acceptable to the Class 3 Trustee and its Litigation Oversight Committee (described below), as are reasonably necessary to effectuate all of the foregoing. All reasonable out-of-pocket costs and expenses incurred, upon prior written request of the Class 3 Trustee, by the Debtors or the Reorganized Debtors in connection with actions taken under this subsection 1.3(a) or subsections 1.3(b) or (c) below shall be at the expense of the Class 3 Trust. For the avoidance of doubt, notwithstanding anything in the Plan to the contrary, the Debtors or Reorganized Debtors, as applicable, shall not charge the Class 3 Trust any amounts on account of such applicable entities' overhead costs or for the time of such entities' employees in assisting the Class 3 Trust.

(b) Any attorney-client privilege, work-product doctrine, joint interest privilege or other privilege or immunity (collectively, the "Privileges")[2] belonging to any of the Debtors, and attaching to any documents, information or communications (whether written or oral) in connection with Class 3 Trust Assets (including Class 3 Litigation Causes of Action), shall be transferred (subject to the limitations below) to the Class 3 Trust solely for the purpose of allowing the Class 3 Trustee to carry out its obligations under this Class 3 Trust Agreement. Privileged material that the Debtors or Reorganized Debtors turn over that specifically relates to Class 3 Litigation Causes of Action shall automatically vest in, and be available for the assertion or waiver by the Class 3 Trustee, *provided* that the transfer of Privileges, and any obligation of the Debtors to turn over any documents, information or communications in connection with such transfer of Privileges, shall apply only to documents, information or communications dated on or before August 31, 2020 (which date cutoff shall not apply to any documents that refer to Peter Shaper and his dealings with the Debtors) and provided that the Class 3 Trustee and Class 3 Trust Beneficiaries shall maintain as strictly confidential all privileged information received pursuant to this Class 3 Trust Agreement. Should the Class 3 Trustee desire to waive any Privileges, the Class 3 Trustee must obtain the written consent of the Debtors or the Reorganized Debtors as appropriate, which shall not be unreasonably withheld. The Class 3 Trust's receipt of the Privileges associated with the Class 3 Trust Assets shall not operate as a waiver of any or all other privileges possessed or retained by the Debtors or Reorganized Debtors. To the extent any documents, information, or communications transferred to the Class 3 Trust pursuant to this Class 3 Trust Agreement contain any personal information covered by Australian or other foreign privacy laws, SpeedCast International Limited and Class 3 Trustee will take any necessary steps, including effectuating any agreement required, to allow for the legal transfer of such information.

(c) Without limiting any other provision of this Class 3 Trust Agreement, the Plan or the Confirmation Order, the Debtors and/or Reorganized Debtors shall, subject to Section 1.3(d) below, reasonably promptly following receipt of a reasonable written request from the Class 3 Trustee, (i) take, or cause to be taken, all such further actions, and execute and/or deliver all such additional instruments, agreements or documents, as the Class 3 Trustee may reasonably request in order to evidence or effectuate the transfer of the Class 3 Trust Assets and Privileges to the Class 3 Trustee by the Plan; and (ii) otherwise take any action reasonably necessary to carry out the intent of the parties hereunder and under the Plan. Notwithstanding anything contained herein, without the express written consent of the Class 3 Trustee, no Entity or creditor of the Reorganized Debtors shall be permitted to assert, bring, institute, commence or continue any Class 3 Trust Cause of Action that is transferred to the Class 3 Trust pursuant to the Plan or take any other action in the name of the Class 3 Trust.

(d) Notwithstanding anything in the Plan, the Confirmation Order or the Settlement Agreement to the contrary, except as set forth in Section 1.3(a) and 1.3(b) hereof, following the Effective Date, the Reorganized Debtors shall have no obligation to provide any cooperation to the Class 3 Trustee or the Class 3 Trust Beneficiaries with respect to or in connection with the Class 3 Trust, including the administration thereof or the investigation, development or pursuit of any Class 3 Causes of Action.

[2] For clarity, Privileges shall not include any internal attorney work product of Debtors' counsel in connection with the Chapter 11 Cases.

(e) All rights of the Class 3 Trust Beneficiaries in connection with any Rule 2004 examinations, orders, and agreements related thereto concerning the Debtors or their Affiliates shall be transferred to the Class 3 Trust for the purpose of allowing the Class 3 Trustee to carry out her obligations under this Class 3 Trust Agreement. For the avoidance of doubt, Class 3 Trust Beneficiaries shall be permitted to share any discovery, communications, or analyses obtained relating to the Debtors and/or the Class 3 Trust Assets with the Class 3 Trustee without waiver of any Privileges. The Class 3 Trustee shall not share any documents, communications or information obtained from the Debtors and/or Reorganized Debtors and their Affiliates with the Class 3 Trust Beneficiaries unless such Class 3 Trust Beneficiaries agree to be subject to the same confidentiality restrictions as set forth in Section 1.3(b) hereof, and agree to not use such materials for any purpose other than in connection with pursuit of the Class 3 Trust Cause of Action. To the extent that the Class 3 Trustee makes any allegations against any Released Party as defined in the Plan, the Class 3 Trustee shall use best efforts to file such allegations under seal. To the extent there is any objection to such document being filed under seal, the Class 3 Trustee shall provide the Debtors and/ or Reorganized Debtors prompt notice of same prior to filing such allegations publicly. In any event, the Class 3 Trustee is obligated to share the foregoing agreement to file under seal with any court as necessary.

(f) The transfer of the Class 3 Trust Assets to the Class 3 Trust shall be made, as provided in the Plan and this Class 3 Trust Agreement, for the benefit of the Class 3 Trust Beneficiaries. In accordance with the Settlement Agreement, the Plan and this Class 3 Trust Agreement, the Debtors shall transfer, on behalf of the Class 3 Trust Beneficiaries, the Class 3 Trust Assets to the Class 3 Trust for the benefit of the Class 3 Trust Beneficiaries. Upon the transfer of the Class 3 Trust Assets, the Debtors and Reorganized Debtors shall have no interest in or claim to the Class 3 Trust Assets or the Class 3 Trust, and the Class 3 Trust shall succeed to all of the Debtors and/or Reorganized Debtors' right, title and interest in and to the Class 3 Trust Assets. The Class 3 Trustee shall have no authority to bind the Debtors or the Reorganized Debtors in any manner except with respect to a Class 3 Trust Cause of Action. Notwithstanding the foregoing, for purposes of section 553 of the Bankruptcy Code, the transfer of the Class 3 Trust Assets to the Class 3 Trust shall not affect the mutuality of obligations which otherwise may have existed prior to the effectuation of such transfer. Notwithstanding anything in this Class 3 Trust Agreement to the contrary, the transfer of the Class 3 Trust Assets to the Class 3 Trust does not diminish, and fully preserves, any defenses a defendant would have if such Class 3 Trust Assets had been retained by the Reorganized Debtors. To the extent that any Class 3 Trust Assets cannot be transferred to the Class 3 Trust because of a restriction on transferability under applicable non-bankruptcy law that is not superseded or preempted by section 1123 of the Bankruptcy Code or any other provision of the Bankruptcy Code, such Class 3 Trust Assets shall be deemed to have been retained by the Reorganized Debtors and the Class 3 Trustee shall be deemed to have been designated as a representative of the Reorganized Debtors pursuant to section 1123(b)(3)(B) of the Bankruptcy Code to enforce and pursue such Class 3 Trust Assets on behalf of the Reorganized Debtors, and all proceeds, income and recoveries on account of any such Class 3 Trust Assets shall be assets of the Class 3 Trust and paid over thereto immediately upon receipt by the Reorganized Debtors, or any other Entity, to the Class 3 Trust.

1.4 Funding of the Trust and Rights to any Recovery. The Class 3 Trust shall be funded by Class 3 Trust Beneficiaries electing to participate and share in any recovery of the Class 3 Trust Assets (a "Participating Class 3 Trust Beneficiary" and, collectively, the "Participating

Class 3 Trust Beneficiaries"). For avoidance of doubt, the Debtors and Reorganized Debtors shall have no funding obligations with respect to the Class 3 Trust. The Class 3 Trustee shall from time to time, in consultation with the Litigation Oversight Committee, issue a notice to all Class 3 Trust Beneficiaries specifying the amount of any required funding, and setting forth the deadline for such funding (such notice a "Funding Notice"). Any Class 3 Trust Beneficiary shall inform the Class 3 Trustee of its election to participate on or before the date set forth in the Funding Notice and, upon making such election, it will be responsible for funding the amount set forth in the Funding Notice. Such amount shall be equal to each Class 3 Trust Beneficiary's pro rata share of legal fees, expenses, and costs incurred or expected to be incurred by the Class 3 Trust to the extent of such Beneficiary's pro rata holdings of Class 3 Syndicated Secured Claims as of the Class 3 Trust Record Date, which pro rata holdings shall be determined after giving effect to the waiver of rights to receive Class 3 Trust Interests by Centerbridge set forth in Section 4.3(a) of the Plan. Only those Class 3 Trust Beneficiaries who, at the time of a distribution pursuant to Section 7.1 hereof, have participated in funding the Class 3 Trust in compliance with a Funding Notice (thus becoming Participating Class 3 Trust Beneficiaries to the extent of any such funding) shall be entitled to a pro rata share of any recovery of the Class 3 Trust Distributable Assets.

1.5 Acceptance by Class 3 Trustee. The Class 3 Trustee hereby accepts the trust imposed upon her by this Class 3 Trust Agreement and agrees to observe and perform that trust on and subject to the terms and conditions set forth in this Class 3 Trust Agreement, the Plan, and the Confirmation Order. In connection with and in furtherance of the purposes of the Class 3 Trust, the Class 3 Trustee hereby accepts the transfer of the Class 3 Trust Assets.

1.6 Name of the Class 3 Trust. The Class 3 Trust established hereby shall be known as the "Speedcast SFA Lenders' Litigation Trust".

1.7 Capacity of Trust.

(a) Notwithstanding any state or federal law to the contrary or anything herein, the Class 3 Trust shall itself have the capacity to act or refrain from acting on its own behalf, including the capacity to sue and be sued. The Class 3 Trust may alone be the named movant, respondent, party plaintiff or defendant, or the like in all adversary proceedings, contested matters, and other cases or proceedings brought by or against it, and may settle and compromise all such matters in its own name, and the Class 3 Trust shall be deemed to be a party in interest for all purposes concerning the Class 3 Trust Causes of Action. The Class 3 Trust shall be vested with all the powers and authority set forth in the Plan and this Class 3 Trust Agreement.

(b) This Class 3 Trust Agreement is intended to create a trust and a trust relationship, and the Class 3 Trust is to be governed and construed in all respects as a trust. The Class 3 Trust is not intended to be, and shall not be deemed to be or treated as, a general partnership, limited partnership, joint venture, corporation, joint stock company or association, nor shall the Class 3 Trustee, or the Class 3 Trust Beneficiaries, or any of them, for any purpose be, or be deemed to be or treated in any way whatsoever to be, liable or responsible hereunder as partners or joint venturers. The relationship of the Class 3 Trust Beneficiaries, on the one hand, to the Class 3 Trust and the Class 3 Trustee, on the other, shall not be deemed a principal or agency relationship, and their rights shall be limited to those conferred upon them by this Class 3 Trust Agreement and the Plan.

(c) In accordance with section 1123(d) of the Bankruptcy Code, the Class 3 Trustee may enforce all rights to commence and pursue, as appropriate, any and all Class 3 Trust Causes of Action after the Effective Date. No Entity may rely on the absence of a specific reference in the Plan to any Class 3 Trust Cause of Action against such Entity as any indication that the Class 3 Trustee will not pursue any and all available Class 3 Trust Causes of Action against such Entity. Unless any Class 3 Trust Causes of Action against a Person are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Bankruptcy Court order, including the Confirmation Order, the Class 3 Trustee expressly reserves all Class 3 Trust Causes of Action, for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise) or laches, shall apply to such Class 3 Trust Causes of Action upon, after, or as a consequence of the Confirmation Order. Any objections of the Debtors or Reorganized Debtors to the allowance of any Claims or Equity Interests filed with the Bankruptcy Court with respect to which they dispute liability, priority, and/or amount (or any objections, affirmative defenses and/or counterclaims, whether or not litigated to Final Order) shall not in any way limit the ability or the right of the Class 3 Trustee to assert, commence or prosecute any Class 3 Trust Cause of Action against the holder of such Claim or Equity Interest. Nothing contained in the Plan, the Confirmation Order or this Class 3 Trust Agreement shall be deemed to be a waiver, release, or relinquishment of any Class 3 Trust Cause of Action, right of setoff, or other legal or equitable defense which the Debtors had immediately prior to the Petition Date, against or with respect to any Claim against the Debtors. Without limiting the rights of the Class 3 Trust or the Class 3 Trustee, the Class 3 Trustee shall have, retain, reserve, and be entitled to assert all Class 3 Trust Causes of Action; provided, however, that the Class 3 Trustee shall not pursue any such actions or claims against any of the Released Parties.

(d) The Class 3 Trust and the Class 3 Trustee shall have all of the other rights, powers, duties and obligations set forth in the Plan and Confirmation Order, whether or not they are expressly set forth in this Class 3 Trust Agreement.

ARTICLE II.
THE CLASS 3 TRUSTEE

2.1 Appointment. The Class 3 Trustee has been selected by Black Diamond, as the holder of Syndicated Facility Secured Claims as of the Class 3 Trust Record Date that holds a majority of the Class 3 Trust Interests as of the Effective Date (after giving effect to the waiver of rights to receive Class 3 Trust Interests set forth in Section 4.3(a) of the Plan), pursuant to the provisions of the Plan and this Class 3 Trust Agreement, and has been appointed as of the Effective Date. The Class 3 Trustee's appointment shall continue until the earlier of (a) the termination of the Class 3 Trust as set forth below, or (b) the Class 3 Trustee's resignation, death, dissolution, removal or liquidation, in each case in accordance with the provisions of this Class 3 Trust Agreement and the Plan.

2.2 Authority of Class 3 Trustee and Litigation Oversight Committee. Except as otherwise provided in this Class 3 Trust Agreement, the Plan, or the Confirmation Order, the Class 3 Trustee, subject to the management and direction of a "Litigation Oversight Committee" (whose initial members are identified in Exhibit A hereto), shall in an expeditious but orderly manner, liquidate and convert to Cash the Class 3 Trust Assets, which includes, without limitation, pursuing

recovery on the Class 3 Trust Causes of Action, and making distributions of Class 3 Trust Proceeds to the Class 3 Trust Beneficiaries as set forth herein and in the Plan. The Class 3 Trustee, subject to the management and direction of the Litigation Oversight Committee, shall have the absolute right to pursue, settle and compromise or not pursue any and all Class 3 Trust Causes of Action as it determines is in the best interests of the Class 3 Trust Beneficiaries, and consistent with the purposes of the Class 3 Trust and the Plan. The Class 3 Trustee shall have no liability for the outcome of any such decision except for any damages caused by intentional fraud, willful misconduct, or gross negligence. Subject to the terms of the Settlement Agreement, nothing in this Class 3 Trust Agreement shall be deemed to prevent the Class 3 Trustee from taking, or failing to take, any action that, based upon the advice of counsel or other professionals, it determines it is obligated to take (or refrain from taking) in the performance of any fiduciary or similar duty which the Class 3 Trustee owes to the Class 3 Trust Beneficiaries. No Entity dealing with the Class 3 Trust shall be obligated to inquire into the Class 3 Trustee's authority in connection with the acquisition, management, or disposition of Class 3 Trust Assets or general administration of the Class 3 Trust. Without limiting the foregoing, but subject to the Plan, the Confirmation Order, the Settlement Agreement and other provisions of this Class 3 Trust Agreement, the Class 3 Trustee shall, at the management and direction of the Litigation Oversight Committee, be expressly authorized to, with respect to the Class 3 Trust and the Class 3 Trust Assets, and may cause the Class 3 Trust to:

(a) Subject to the terms of this Class 3 Trust Agreement, exercise power and authority that may be or could have been exercised, commence all proceedings that may be or could have been commenced, and take all actions that may be or could have been taken, by any officer, director, shareholder or other party acting in the name of the Reorganized Debtors or their Estates with like effect as if duly authorized, exercised and taken by unanimous action of such officers, directors and shareholders or other party that are reasonably necessary to maximize the value of the Class 3 Trust Assets;

(b) Open and maintain bank accounts on behalf of or in the name of the Class 3 Trust, incur debt to fund and finance the Class 3 Trust, calculate and make distributions of Class 3 Trust Proceeds to the Participating Class 3 Trust Beneficiaries, and take other actions consistent with the Plan and the implementation thereof, including the establishment, re-evaluation, adjustment, and maintenance of appropriate reserves, in the name of the Class 3 Trust, provided that the Class 3 Trustee need not maintain the Class 3 Trust's reserves in segregated bank accounts, if more than one is required in the discretion of the Class 3 Trustee, and may pool funds in the reserves with each other and other funds of the Class 3 Trust; provided, however, that the Class 3 Trust shall treat all such reserved funds as being held in segregated accounts in its books and records;

(c) Receive, manage (including, for the avoidance of doubt, use the proceeds, products and income of the Class 3 Trust to fund on-going fees, costs and expenses of the Class 3 Trust), invest (in any manner permitted to be made by a liquidating trust within the meaning of Treasury Regulation Section 301.7701-4(d), as reflected therein, or under applicable IRS guidelines, rulings, or other controlling authorities), supervise, protect, collect, liquidate and distribute the Class 3 Trust Assets;

(d) Hold legal title to any and all Class 3 Trust Assets;

(e) Commence, prosecute, compromise, adjust, settle, sue on or defend, withdraw, abandon, resolve any or all Class 3 Trust Causes of Action, or otherwise protect and enforce the rights to the Class 3 Trust Assets by any method deemed appropriate including, without limitation, by judicial proceedings or pursuant to any applicable bankruptcy, insolvency, moratorium, or similar law and general principles of equity;

(f) Engage in, intervene in, join, compromise, adjust, release, mediate, arbitrate, sue on or defend, counterclaim, setoff, recoup, pursue, prosecute, abandon, or otherwise deal with and settle any actions, suits, proceedings, disputes, claims, controversies, demands, causes of action, or other litigation in favor of or against the Class 3 Trust, to enter into agreements relating to the foregoing, whether or not any suit is commenced or claim accrued or asserted and, in advance of any controversy, to enter into agreements regarding arbitration, adjudication or settlement thereof, all in the name of the Class 3 Trust if necessary or appropriate, and institute or continue actions that were or could have been commenced by any of the Debtors prior to the Effective Date that is a Class 3 Trust Asset, and prosecute or defend all related litigation or appeals, and, when appropriate, settle such actions and claims;

(g) Enforce, waive, assign or release rights, privileges or immunities of any kind (including the Privileges) subject to Section 1.3(b) above;

(h) Seek any relief from, or resolution of, any disputes by the Bankruptcy Court or other court of competent jurisdiction;

(i) Seek a determination of tax liability or refund under section 505 of the Bankruptcy Code; (2) file, if necessary, any and all tax and information returns required with respect to the Class 3 Trust; (3) make tax elections for and on behalf of the Class 3Trust; (4) pay taxes, if any, payable for and on behalf of the Class 3 Trust; and (5) file and prosecute claims for tax refunds to which the Reorganized Debtors or the Class 3 Trust may be entitled; provided, however, that notwithstanding any other provision of this Class 3 Trust Agreement, the Class 3 Trustee shall have no personal responsibility for the signing or accuracy of the Reorganized Debtors' income tax returns that are due to be filed after the Effective Date or for any tax liability related thereto;

(j) Pay all valid and lawful expenses, debts, charges, taxes and liabilities of the Class 3 Trust;

(k) Take all other actions not inconsistent with the provisions of the Plan that the Class 3 Trustee deems reasonably necessary or desirable to administer the Class 3 Trust;

(l) Enter into any agreement or execute any document or instrument required by or consistent with the Plan, the Confirmation Order or this Class 3 Trust Agreement and perform all duties and obligations thereunder;

(m) If any of the Class 3 Trust Assets are situated in any state or other jurisdiction in which the Class 3 Trustee is not qualified to act as trustee, nominate and appoint an Entity duly qualified to act as trustee in such state or jurisdiction and require from each such trustee such security as may be designated by the Class 3 Trustee in its reasonable discretion; confer

upon such trustee all the rights, powers, privileges, and duties of the Class 3 Trustee hereunder, subject to the conditions and limitations of this Class 3 Trust Agreement, except as modified or limited by the Class 3 Trustee and except where the conditions and limitations may be modified by the laws of such state or other jurisdiction (in which case, the laws of the state or other jurisdiction in which such trustee is acting shall prevail to the extent necessary); require such trustee to be answerable to the Class 3 Trustee for all monies, assets and other property that may be received in connection with the administration of all property; and, remove such trustee, with or without cause, and appoint a successor trustee at any time by the execution by the Class 3 Trustee of a written instrument declaring such trustee removed from office, and specifying the effective date and time of removal, which notice shall be promptly served on the Class 3 Trust Beneficiaries;

(n) Purchase and carry all insurance policies and pay all insurance premiums and costs the Class 3 Trustee deems reasonably necessary or advisable;

(o) Implement, enforce, or discharge all of the terms, conditions, and all other provisions of, and all duties and obligations under, the Plan, the Confirmation Order, and this Class 3 Trust Agreement; and

(p) Employ and compensate Class 3 Trustee Representatives.[3] Nothing in this Class 3 Trust Agreement shall limit the Class 3 Trustee from engaging counsel or other professionals (at the sole expense of the Class 3 Trust), including the Class 3 Trustee itself to do work for or represent the Class 3 Trust.

2.3 Limitations on the Class 3 Trustee. Notwithstanding anything to the contrary under applicable law, this Class 3 Trust Agreement or the Plan to the contrary, the Class 3 Trustee shall not undertake any of the following, and any of the following actions by the Class 3 Trustee shall be null and void:

(a) Take or commence any actions against any Released Parties;

(b) Take, or fail to take, any action that would jeopardize treatment of the Class 3 Trust as a "liquidating trust" under the Trust Regulations;

(c) Take any action in contravention of the Plan, the Confirmation Order, the Settlement Agreement or this Class 3 Trust Agreement, in each case without express Bankruptcy Court approval;

(d) Possess the Class 3 Trust Assets for purposes other than the purposes of the Class 3 Trust as expressly provided in the Plan and this Class 3 Trust Agreement;

(e) Receive transfers of any listed stocks or securities, any readily-marketable assets or any operating assets of a going business; provided, however, that in no event shall the

[3] "Class 3 Trustee Representatives" means any current or former officers, directors, employees, attorneys, professionals, accountants, investment bankers, financial advisors, consultants, agents and other representatives retained by the Class 3 Trustee pursuant to the terms hereof.

Class 3 Trustee receive or invest in any such investment that would jeopardize treatment of the Class 3 Trust as a "liquidating trust" under the Trust Regulations; or

(f) Receive or retain any operating assets of a going business, a partnership interest in a partnership that holds operating assets, or fifty percent (50%) or more of the stock of a corporation with operating assets; provided, however, that in no event shall the Class 3 Trustee receive or retain any such asset or interest that would jeopardize treatment of the Class 3 Trust as a "liquidation trust" under the Trust Regulations.

Notwithstanding any of the foregoing, the Class 3 Trustee shall not be prohibited from engaging in any trade or business on its own account, provided that such activity does not interfere with the Class 3 Trustee's administration of the Class 3 Trust or its duties as Class 3 Trustee, or jeopardize treatment of the Class 3 Trust as a "liquidating trust" under the Trust Regulations.

2.4 Compensation of Class 3 Trustee and Class 3 Trustee Representatives.

(a) The Class 3 Trustee shall be entitled to receive from the Class 3 Trust reasonable compensation and reimbursement of its reasonable out-of-pocket expenses for the performance of its duties after the Effective Date on terms and conditions to be agreed upon between the Litigation Oversight Committee and Class 3 Trustee prior to the Effective Date and filed with the Bankruptcy Court. Any successor to the Class 3 Trustee shall also be entitled to reasonable compensation in connection with the performance of its duties, which compensation may be different from the terms provided herein, plus the reimbursement of reasonable out-of-pocket expenses. For the avoidance of doubt, all compensation, reimbursements or other amounts paid to the Class 3 Trustee shall be at the sole cost of the Class 3 Trust.

(b) The Class 3 Trustee Representatives (unless the Class 3 Trustee Representatives and the Class 3 Trustee agree to different treatment) seeking compensation or reimbursement shall submit written statements to the Class 3 Trustee and the Litigation Oversight Committee on a periodic basis. The Class 3 Trustee and Litigation Oversight Committee shall have thirty (30) days from the date such statement is received to review the statement and object to any portion of such statement by serving a written objection on the party seeking compensation setting forth the precise nature of the objection and the amount at issue. At the expiration of the thirty (30) day period, the Class 3 Trustee shall pay from the Class 3 Trust Assets 100% of the amounts requested, except for any portion of such fees and expenses to which objection has been made, if any. The Class 3 Trustee and/or Litigation Oversight Committee, and the party seeking compensation, shall attempt to consensually resolve objections, if any, to any statement. If the Class 3 Trustee and the party seeking compensation are unable to reach a consensual resolution of any such objection, the party seeking compensation who received an objection to its fees and expenses may seek payment of such fees and expenses by filing a motion with the Bankruptcy Court, providing notice of such motion to the Class 3 Trustee and the Participating Class 3 Trust Beneficiaries, and obtaining an order from the Bankruptcy Court. If any agent or professional of the Class 3 Trustee fails to submit a written statement as set forth above, it shall be ineligible to receive payment of the fees and expenses that would be the subject of such written statement as provided in this Class 3 Trust Agreement until such written statement is submitted.

2.5 General Duties, Obligations, Rights, and Benefits of the Class 3 Trustee. The Class 3 Trustee shall have all duties, obligations, rights, and benefits assumed by, assigned to or vested in the Class 3 Trust, or reasonably necessary to accomplish the purpose of the Class 3 Trust, under the Plan, the Confirmation Order, this Class 3 Trust Agreement and any other agreement entered into pursuant to or in connection with the Plan. Such duties, obligations, rights and benefits include, without limitation, all duties, obligations, rights and benefits relating to (a) administering the Class 3 Trust Assets; and (b) all of the other powers set forth in Section 2.2 hereof, in each case subject to the limitations set forth in Section 2.3 hereof. The Class 3 Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth herein, and no implied covenants or obligations shall be read into this Class 3 Trust Agreement against the Class 3 Trustee.

2.6 Replacement of the Class 3 Trustee.

(a) The Class 3 Trustee may resign at any time upon thirty (30) days' prior written notice to the Litigation Oversight Committee (a "Resignation Notice"), provided that such resignation shall only become effective upon the appointment of a successor Class 3 Trustee, which notice shall also include the proposed terms of engagement of the successor Class 3 Trustee.

(b) In addition, the Litigation Oversight Committee may remove the Class 3 Trustee with or without cause.

(c) In the event the Class 3 Trustee's appointment terminates for any of the reasons set forth in clauses (a) or (b) above, such Class 3 Trustee shall be promptly compensated for all reasonable fees and expenses accrued through the effective date of termination, whether or not previously invoiced. The provisions of Article IV of this Class 3 Trust Agreement shall survive the resignation or removal of any Class 3 Trustee, in accordance with Section 4.8 of this Class 3 Trust Agreement.

(d) In the event the Class 3 Trustee's appointment terminates for any of the reasons set forth in clauses (a) or (b) above, or as a result of the death, disability, dissolution or liquidation of the Class 3 Trustee, the Litigation Oversight Committee will appoint a successor Class 3 Trustee.

2.7 Class 3 Trust Continuance. The death, disability, dissolution, liquidation, resignation, or removal of the Class 3 Trustee shall not terminate the Class 3 Trust or revoke any existing agency created by the Class 3 Trustee pursuant to this Class 3 Trust Agreement or invalidate any action theretofore taken by the Class 3 Trustee, and the provisions of this Class 3 Trust Agreement shall be binding upon and inure to the benefit of the successor Class 3 Trustee and all its successors or assigns.

ARTICLE III.
PROSECUTION AND RESOLUTION OF ACTIONS

3.1 Exclusive Authority; Representative. Without limiting the authority of the Class 3 Trust or the Class 3 Trustee set forth in this Class 3 Trust Agreement herein, the Plan or the

Confirmation Order, the Class 3 Trust shall be deemed to be a party in interest, and shall have the exclusive right, power, and interest to pursue, settle, defend, or abandon, as the case may be, all Class 3 Trust Causes of Action, as trustee and external administrator of the Reorganized Debtors and their Estates pursuant to section 1123(b)(3) of the Bankruptcy Code.

3.2 Class 3 Trust Proceeds. Any and all Class 3 Trust Proceeds, plus all income earned on Class 3 Trust Assets, after payment of any and all expenses of the Class 3 Trust and subject to holdbacks for the Class 3 Trust Reserve (as defined below), shall be added to the Class 3 Trust Assets, held as a part thereof (and title therein shall be vested in the Class 3 Trustee), and distributed to the Participating Class 3 Trust Beneficiaries, in accordance with the terms of this Class 3 Trust Agreement.

ARTICLE IV.
LIABILITY OF CLASS 3 TRUSTEE

4.1 Standard of Care; Exculpation. Subject to the terms of the Settlement Agreement, neither the Class 3 Trustee nor any Class 3 Trustee Representative (each, an "Exculpated Party" and collectively, the "Exculpated Parties") shall be liable for any losses, claims, damages, liabilities, obligations, settlements, proceedings, suits, judgments, causes of action, litigation, actions, or investigations (whether civil or administrative and whether sounding in tort, contract or otherwise), penalties, costs, and expenses, including reasonable fees and disbursements (collectively referred to herein as "Losses"), whether or not in connection with litigation in which any Exculpated Party is a party, or administering or enforcing this Class 3 Trust Agreement (including these exculpation provisions), as and when imposed on the Class 3 Trustee, incurred, caused by, relating to, based upon or arising out of (directly or indirectly) the Class 3 Trustee's execution, delivery, and acceptance of or the performance or nonperformance of its powers, duties and obligations under this Class 3Trust Agreement, the Plan, or the Confirmation Order, or as may arise by reason of any action, omission or error of an Exculpated Party; provided, however, that the foregoing limitation shall not apply to any Losses suffered or incurred by any holder of a Claim or Interest or Beneficiary that are determined by a Final Order of the Bankruptcy Court to have been caused by the intentional fraud, willful misconduct or gross negligence of such Exculpated Party. Every act taken or omitted, power exercised or obligation assumed by the Class 3 Trust or any other Exculpated Party pursuant to the provisions of this Class 3 Trust Agreement, the Plan, or the Confirmation Order shall be held to be taken or omitted, exercised, or assumed, as the case may be, by the Class 3 Trust or any Exculpated Party acting for and on behalf of the Class 3 Trust and not otherwise; provided, however, that none of the foregoing Entities are deemed to be responsible for any other such Entities' actions or inactions. Except as provided in the first proviso of the first sentence of this Section, every Entity contracting or otherwise dealing with or having any relationship with the Class 3 Trust or any Exculpated Party shall have recourse only to the Class 3 Trust Assets for payment of any liabilities or other obligations arising in connection with such contracts, dealings or relationships, and the Class 3 Trust and the Exculpated Parties shall not be individually liable therefor. In no event shall the Class 3 Trustee or any other Exculpated Party be liable for indirect, punitive, special, incidental, or consequential damage or loss (including but not limited to lost profits) whatsoever, even if the Class 3 Trustee has been informed of the likelihood of such loss or damages and regardless of the form of action. Any liability of the Class 3 Trustee or any other

Exculpated Party under this Class 3 Trust Agreement shall be limited to an amount equal to the fees actually paid to the Class 3 Trustee as of the date of any determination.

4.2 Indemnification and Limitation on Liability.

(a) Members of the Litigation Oversight Committee and the Class 3 Trustee (including any director, officer, member, affiliate, employee, employer, professional, successor, assign, agent, or representative of the Class 3 Trustee) (each, an "Indemnified Party" and collectively, the "Indemnified Parties") shall be defended, held harmless, and indemnified from time to time by the Class 3 Trust against any and all Losses, including, without limitation, the costs for counsel or others in investigating, preparing, defending, or settling any action or claim, whether or not in connection with litigation in which any Indemnified Party is a party, or administering or enforcing this Class 3 Trust Agreement (including these indemnity provisions), as and when imposed on the Indemnified Parties, incurred, caused by, relating to, based upon or arising out of (directly or indirectly) the Indemnified Parties' execution, delivery, and acceptance of or the performance, implementation or administration, or nonperformance of its powers, duties, and obligations under this Class 3 Trust Agreement, the Plan, or the Confirmation Order, or as may arise by reason of any action, omission, or error of an Indemnified Party; provided, however, such indemnity shall not apply to any such Losses that are determined by a Final Order of the Bankruptcy Court to have been caused by the intentional fraud, willful misconduct, or gross negligence of such Indemnified Party. Satisfaction of any obligation of the Class 3 Trust arising pursuant to the terms of this Section shall be, in the first instance, satisfied from any applicable insurance coverage, and any remaining amounts shall be payable from the Class 3 Trust Assets, and in either case shall be advanced prior to the conclusion of such matter (to the greatest extent possible) and such right to payment shall be prior and superior to the rights of the Class 3 Trust Beneficiaries to receive a distribution of the Class 3 Trust Assets.

(b) The Class 3 Trust shall promptly pay to the Indemnified Party the expenses set forth in subparagraph (a) above upon submission of invoices therefore on a current basis. Each Indemnified Party hereby undertakes, and the Class 3 Trust hereby accepts its undertaking, to repay any and all such amounts so paid by the Class 3 Trust if it shall ultimately be determined that such Indemnified Party is not entitled to be indemnified therefore under this Class 3 Trust Agreement.

(c) Neither the Class 3 Trustee nor any current or successor members of the Litigation Oversight Committee (or either of their professionals) will be liable for punitive, exemplary, consequential, or special damages for breach of this Class 3 Trust Agreement under any circumstances.

(d) In the event Black Diamond has any obligation to reimburse any person pursuant to paragraph 7(b) of the term sheet attached as Exhibit 1 to the Settlement Agreement, then the Class 3 Trust shall indemnify Black Diamond to the extent of any such reimbursement out of the available Class 3 Trust Distributable Proceeds.

4.3 No Liability for Acts of Successor/Predecessor Class 3 Trustees. Upon the appointment of a successor Class 3 Trustee and the delivery of the Class 3 Trust Assets to the successor Class 3 Trustee, the predecessor Class 3 Trustee and any director, officer, affiliate,

employee, employer, professional, agent, or representative of the predecessor Class 3 Trustee shall have no further liability or responsibility with respect to the Class 3 Trust, the Class 3 Trust Assets or this Class 3 Trust Agreement. A successor Class 3 Trustee shall have no duty to examine or inquire into the acts or omissions of its immediate or remote predecessor and no successor Class 3 Trustee shall be in any way liable for the acts or omissions of any predecessor Class 3 Trustee unless a successor Class 3 Trustee expressly assumes such responsibility. A predecessor Class 3 Trustee shall have no liability for the acts or omissions of any immediate or subsequent successor Class 3 Trustee for any events or occurrences subsequent to the cessation of its role as Class 3 Trustee.

4.4 Reliance by Class 3 Trustee on Documents or Advice of Counsel or Other Professionals. Except as otherwise provided in this Class 3 Trust Agreement, the Class 3 Trustee and any director, officer, member, affiliate, employee, employer, professional, agent, or representative of the Class 3 Trustee, may rely, and shall be protected from liability for acting or failing to act, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, or other paper or document reasonably believed by the Class 3 Trustee to be genuine and to have been presented by an authorized party. The Class 3 Trustee shall not be liable for any action taken or omitted or suffered by the Class 3 Trustee in reasonable reliance upon the advice of counsel or other professionals engaged by the Class 3 Trustee in accordance with this Class 3 Trust Agreement. The Class 3 Trustee shall be fully indemnified by the Class 3 Trust for or in respect of any action taken, suffered or omitted by it and in accordance with such advice or opinion.

4.5 Conflicts of Interest. Conflicts of interest of the Class 3 Trustee will be addressed by the Class 3 Trustee appointing a disinterested person to handle any matter where the Class 3 Trustee has identified a conflict of interest or the Bankruptcy Court, on motion of a party in interest, determines one exists. In the event the Class 3 Trustee is unwilling or unable to appoint a disinterested person to handle any such matter, the Litigation Oversight Committee may file an objection with the Bankruptcy Court, on notice to the Class 3 Trustee and the Participating Class 3 Trust Beneficiaries, setting forth such objection and seeking entry of an order appointing a disinterested person recommended in such objection.

4.6 Insurance. In consultation with and subject to approval of the Litigation Oversight Committee, the Class 3 Trustee may purchase, using the Class 3 Trust Assets, and carry, all insurance policies and pay all insurance premiums and costs reasonably necessary or advisable, including, without limitation, purchasing any errors and omissions insurance with regard to any Losses it may incur, arising out of or due to its actions or omissions, or consequences of such actions or omissions, other than as a result of its fraud or willful misconduct, with respect to the implementation and administration of the Plan or this Class 3 Trust Agreement.

4.7 No Liability for Good Faith Error of Judgment. The Class 3 Trustee shall not be liable for any error of judgment made in good faith, unless it shall be finally determined by a Final Order that the Class 3 Trustee was grossly negligent in ascertaining the pertinent facts.

4.8 Survival. The provisions of this Article IV shall survive the termination of this Class 3 Trust Agreement and the death, resignation, removal, liquidation, dissolution, or replacement of the Class 3 Trustee.

ARTICLE V.
GENERAL PROVISIONS CONCERNING ADMINISTRATION OF THE CLASS 3 TRUST

5.1 Class 3 Trust Reserve. The Class 3 Trustee, in consultation and with the approval of the Litigation Oversight Committee, shall establish the Class 3 Trust Reserve in accordance with Section 8.2 of this Class 3 Trust Agreement.

5.2 Books and Records. The Class 3 Trustee shall maintain in respect of the Class 3 Trust and the Class 3 Trust Beneficiaries books and records relating to the Class 3 Trust Assets and the payment of expenses of and claims against or assumed by the Class 3 Trust in such detail and for such period of time as may be necessary to enable it to make full and proper reports in respect thereof as required under the Plan, Confirmation Order or this Class 3 Trust Agreement. Except as expressly provided in this Class 3 Trust Agreement, the Plan, or the Confirmation Order, or as may be required by applicable law (including securities law), nothing in this Class 3 Trust Agreement is intended to require the Class 3 Trust to file any accounting or seek approval of any court with respect to the administration of the Class 3 Trust, or as a condition for making any payment or transfer out of the Class 3 Trust Assets. Within 60 days following termination of the Class 3 Trust, the Class 3 Trustee must destroy or return to the Reorganized Debtors, in its discretion after consultation with the Reorganized Debtors, any copies of the Debtors' and/or Reorganized Debtors' documents, books, or records. If reasonably requested by the Reorganized Debtors, the Litigation Trustee shall provide the Reorganized Debtors a written certification of the destruction of all copies of the Debtors and/or the Reorganized Debtors' applicable books and records within 30 days of the destruction thereof.

5.3 Final Accounting of Class 3 Trustee. The Class 3 Trustee (or any such successor Class 3 Trustee) shall within thirty (30) days after the termination of the Class 3 Trust or the death, dissolution, liquidation, resignation, or removal of the Class 3 Trustee, render an accounting containing the following information:

(a) A description of the Class 3 Trust Assets.

(b) A summarized accounting in sufficient detail of all gains, losses, receipts, disbursements and other transactions in connection with the Class 3 Trust and the Class 3 Trust Assets during the Class 3 Trustee's term of service, including their source and nature.

(c) Separate entries for all receipts of principal and income.

(d) The ending balance of all Class 3 Trust Assets as of the date of the accounting, including the Cash balance on hand and the name(s) and location(s) of the depository or depositories where the Cash is kept.

(e) All known liabilities of the Class 3 Trust.

(f) A description of all Class 3 Trust Causes of Action and the status thereof.

5.4 Filing of Accounting. The final accounting described in the above Section shall be filed with the Bankruptcy Court and the Reorganized Debtors and all Class 3 Trust Interests shall

have notice that the final accounting has been filed and an opportunity to have a hearing on the approval of the accounting and the discharge and release of the Class 3 Trustee.

ARTICLE VI.
BENEFICIAL INTERESTS AND BENEFICIARIES

6.1 Trust Beneficial Interests. Each Class 3 Trust Beneficiary shall hold a beneficial interest in the Class 3 Trust (such interests, "Class 3 Trust Interests") in the same proportion as its rights as holders of Class 3 Syndicated Secured Claims as of the Class 3 Trust Record Date (after giving effect to the waiver of rights to receive Class 3 Trust Interests by Centerbridge set forth in Section 4.3(a) of the Plan). The Class 3 Trust Interests will be uncertificated; accordingly, distributions of Class 3 Trust Interests will be accomplished solely by the entry of the names of such holders and their respective Class 3 Syndicated Secured Claims as of the Class 3 Trust Record Date in a registry maintained by the Class 3 Trustee (the "Claims Registry"). Each holder of a Class 3 Trust Interest shall take and hold its uncertificated beneficial interest subject to all of the terms and provisions of this Class 3 Trust Agreement, the Confirmation Order, and the Plan.

6.2 Interest Beneficial Only. Ownership of a beneficial interest in the Class 3 Trust shall not entitle any Participating Class 3 Trust Beneficiary to any title in or to the Class 3 Trust Assets or to any right to call for a partition or division of the Class 3 Trust Assets or to require an accounting. The interest of a holder of a Participating Class 3 Trust Interest is in all respects personal property. Any transfer of any Class 3 Trust Interest in violation of this Class 3 Trust Agreement shall be null and void. A holder of a Class 3 Trust Interest shall have no title to, right to, possession of, management of, or control of, any Class 3 Trust Assets except as herein expressly provided. No surviving spouse, heir or devisee of any deceased holder of a Class 3 Trust Interest shall have any right of dower, homestead, or inheritance, or of partition, or any other right, statutory or otherwise, in the Class 3 Trust Assets, but the whole title to all the Class 3 Trust Assets shall be vested in the Class 3 Trust and the sole interest of the holders of Class 3 Trust Interests shall be the rights and benefits given to such persons under this Class 3 Trust Agreement. The record holder of Class 3 Trust Interests, as evidenced by the Claims Registry, will be entitled to participate in the rights due to a holder of Class 3 Trust Interests hereunder.

6.3 Evidence of Beneficial Interest. Ownership of a Class 3 Trust Interest shall not be evidenced by any certificate, security, or receipt or in any other form or manner whatsoever, except as maintained by the Class 3 Trustee. Except as otherwise required by law, references in this Class 3 Trust Agreement to the identification of holders and the providing of information to holders shall be read to mean holders of record as set forth in the Claims Registry and shall not mean any beneficial owner not recorded in such official registry.

6.4 Exemption from Registration. It is intended that the Class 3 Trust Interests and the entitlements hereunder, if any, of the Class 3 Trust Beneficiaries shall not constitute "securities." To the extent the Class 3 Trust Interests or the entitlements of the Class 3 Trust Beneficiaries are deemed to be "securities," the issuance of Class 3 Trust Interests to Class 3 Trust Beneficiaries of any entitlements hereunder or under the Plan (and any redistribution of any of the foregoing pursuant to the Plan or otherwise) shall be exempt, pursuant to section 1145 of the Bankruptcy Code, from registration under the Securities Act of 1933, as amended (the "Securities Act"), and any applicable state and local laws requiring registration of securities. If the Class 3

Trustee determines, with the advice of counsel, that the Class 3 Trust is required to comply with registration and/or reporting requirements of the Securities Act, the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"), or the Investment Company Act of 1940, as amended (the "Investment Company Act"), then the Class 3 Trustee shall take any and all actions to comply with such registration and reporting requirements, if any, and file reports with the Securities and Exchange Commission (the "SEC") to the extent required by applicable law. Notwithstanding the foregoing procedure, nothing herein shall be deemed to preclude the Class 3 Trustee from amending this Class 3 Trust Agreement to make such changes as are deemed necessary or appropriate by the Class 3 Trustee, with the advice of counsel, to ensure that the Class 3 Trust is not subject to registration and/or reporting requirements of the Securities Act, the Exchange Act, the Trust Indenture Act or the Investment Company Act, except that no amendment to this Class 3 Trust Agreement may be made which would not be permitted by Section 11.1 of this Class 3 Trust Agreement.

6.5 Transfers of Beneficial Interests. The Class 3 Trust Interests are non-transferable and shall not be assigned, pledged or hypothecated, in whole or in part, except upon the death of an individual interest holder, in which case such holder's legal representative under applicable law. Any purported transfer, assignment, pledge or hypothecation of a Class 3 Trust Interest or any part thereof not permitted by this Section shall constitute a violation of this Class 3 Trust Agreement and shall be void *ab initio*.

6.6 Change of Address. A Class 3 Trust Beneficiary may, after the Effective Date, select an alternative address by filing a notice with the Bankruptcy Court (with a copy served on the Class 3 Trustee) identifying such alternative address. Absent such notice, the Class 3 Trustee shall not recognize any such change of address. Such notification shall be effective only upon receipt by the Class 3 Trustee and Reorganized Debtors.

6.7 Litigation Oversight Committee. The Litigation Oversight Committee shall have two members selected by Black Diamond responsible for advising, assisting, supervising, and directing the Class 3 Trustee in the administration of the Class 3 Trust pursuant to this Class 3 Trust Agreement. The initial members of the Litigation Oversight Committee shall be the Persons set forth on Exhibit A, attached hereto. Members of the Litigation Oversight Committee shall have the right to direct and remove the Class 3 Trustee, and shall have such other rights to operate and manage the Class 3 Trust as are not inconsistent with the Settlement Agreement, the Confirmation Order, the Plan and the terms of this Class 3 Trust Agreement. No other Class 3 Trust Beneficiary shall have any consultation or approval rights whatsoever in respect of the management and operation of the Class 3 Trust. Each member of the Litigation Oversight Committee shall have the right to appoint his, her, or its successor. In the event that a member of the Litigation Oversight Committee member is unable to appoint his, her, or its successor, the replacement member of the Litigation Oversight Committee shall be appointed by Black Diamond.

6.8 Authority of the Litigation Oversight Committee. The Litigation Oversight Committee shall have the authority and responsibility to advise, assist, supervise and direct the Class 3 Trustee in the administration of the Class 3 Trust and shall have the authority to remove the Class 3 Trustee. The Class 3 Trustee shall consult with the Litigation Oversight Committee on a quarterly basis. The Litigation Oversight Committee shall have the authority to select and engage such professional advisors as it deems necessary and desirable to assist the Litigation

Oversight Committee in fulfilling its obligations under this Class 3 Trust Agreement and the Plan, and the Class 3 Trust shall pay the reasonable and documented fees of such advisors (including on an hourly, contingency, or modified contingency basis) and reimburse such advisors for their reasonable and documented out-of-pocket costs and expenses consistent with the terms of this Class 3 Trust Agreement. Members of the Litigation Oversight Committee can be switched upon written notice to the Class 3 Trustee.

ARTICLE VII.
DISTRIBUTIONS

7.1 Distributions to Participating Class 3 Trust Beneficiaries. The Class 3 Trustee shall distribute Class 3 Trust Distributable Proceeds only to those Class 3 Trust Beneficiaries who are Participating Class 3 Trust Beneficiaries at the time of a distribution. The amount of each Participating Class 3 Trust Beneficiary's individual distribution shall be equal to the amount to be distributed to all Participating Class 3 Trust Beneficiaries multiplied by a fraction, the numerator of which shall be the amount that such Participating Class 3 Beneficiary has funded pursuant to Section 1.4 hereof, and the denominator of which shall be the amount that all Participating Class 3 Trust Beneficiaries have funded pursuant to Section 1.4 hereof. By way of example, if a Participating Class 3 Trust Beneficiary has, at the time of a distribution, funded 1/10 of all amounts funded by Participating Class 3 Trust Beneficiaries, and the amount of the distribution is $1,000, such Participating Class 3 Trust Beneficiary shall be entitled to $100 and the remaining $900 shall be distributed to all other Participating Class 3 Trust Beneficiaries using the same pro rata calculation. For the avoidance of doubt, no Class 3 Trust Trust Beneficiary who, at the time of a distribution, is not a Participating Class 3 Trust Beneficiary shall be entitled to any distribution of Class 3 Trust Distributable Proceeds.

7.2 Reserves.

(a) Notwithstanding anything in this Class 3 Trust Agreement to the contrary, the Class 3 Trustee may withhold from amounts transferrable to the Participating Class 3 Trust Beneficiaries, and supplement from time to time, a reserve (the "Litigation Trust Reserve") in such amount as the Class 3 Trustee, with consultation and direction from the Litigation Oversight Committee, determines is or may be reasonably necessary (a) to meet contingent liabilities and to maintain the value of the Class 3 Trust Assets during the term of the Class 3 Trust; (b) to administer the Class 3 Trust and pay reasonable administrative expenses including, without limitation, the compensation and the reimbursement of reasonable, actual and necessary costs, fees, and expenses (including attorneys' fees and expenses, financial advisor fees and expenses of the Class 3 Trustee in connection with the performance of their duties in connection with this Class 3 Trust Agreement; (c) to wind-up the affairs of the Class 3 Trust; and (d) to satisfy all other liabilities of the Class 3 Trust incurred or assumed in respect of the Class 3 Trust, or to which the Class 3 Class 3 Trust Assets are otherwise subject, other than Claims, in accordance with the Plan, the Confirmation Order and this Class 3 Trust Agreement.

(b) The Class 3 Trustee may also withhold from Class 3 Trust Proceeds any and all amounts, determined in with consultation and with direction from the Litigation Oversight Committee, to be required by any law, regulation, rule, ruling, directive or other governmental requirement.

ARTICLE VIII.
TAXES

8.1 Liquidating Trust. The Class 3 Trust shall be treated as a "liquidating trust" as described within the Trust Regulations and as a grantor trust pursuant to IRC Sections 671-677. As such, the Class 3 Trust Beneficiaries will be treated as both the grantors and the deemed owners of the Class 3 Trust. Any items of income, deduction, credit, and loss of the Class 3 Trust shall be allocated for federal income tax purposes to the Class 3 Trust Beneficiaries. Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Class 3 Trustee of a private letter ruling if the Class 3 Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Class 3 Trustee), the Class 3 Trustee may timely elect to (x) treat any portion of the Class 3 Trust allocable to Disputed Claims as a "disputed ownership fund" governed by Treasury Regulation Section 1.468B-9 (and make any appropriate elections) and (y) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. If and to the extent an election to be taxed as a "disputed ownership fund" is made, for U.S. federal income tax purposes the "disputed ownership fund" will be taxable as a separate corporate entity subject to tax on amounts it earns on a current basis.

8.2 Tax Returns. In accordance with IRC Section 6012 and Treasury Regulation Section 1.671-4(a), the Class 3 Trust shall file with the Internal Revenue Service (the "IRS") annual tax returns on Form 1041. In addition, the Class 3 Trust shall file in a timely manner such other tax returns, statements or disclosures (in accordance with applicable Treasury Regulations and Rev. Proc. 94-45, 1994-2 C. B. 684), including any state and local tax returns, as are required by applicable law and pay any taxes shown as due thereon out of the Class 3 Trust Assets. Within a reasonable time following the end of the taxable year, the Class 3 Trust shall send to each Participating Class 3 Trust Beneficiary a separate statement setting forth the Class 3 Trust Beneficiary's share of items of income, gain, loss, deduction or credit and will instruct each such Beneficiary to report such items on their federal income tax returns. The Class 3 Trust may provide each Participating Class 3 Trust Beneficiary with a copy of the Form 1041 for the Class 3 Trust (without attaching any other Participating Class 3 Trust Beneficiary's Schedule K-1 or other applicable information form) along with such Participating Class 3 Trust Beneficiary's Schedule K-1 or other applicable information form in order to satisfy the foregoing requirement. The Class 3 Trust shall allocate the taxable income, gain, loss, deduction, or credit of the Class 3 Trust with respect to each Participating Class 3 Trust Beneficiary. All parties shall report for U.S. federal, state, and local income tax purposes consistently with the foregoing.

8.3 Tax Identification Numbers. The Class 3 Trustee shall require any Participating Class 3 Trust Beneficiary to furnish to the Class 3 Trustee its social security number or employer or taxpayer identification number as assigned by the IRS and the Class 3 Trustee may condition any distribution to any Participating Class 3 Trust Beneficiary upon the receipt of such identification number. No distribution shall be made to or behalf of a Participating Class 3 Trust Beneficiary unless and until such holder has provided the Class 3 Trustee with any information applicable law requires the Class 3 Trust to obtain in connection with making distributions, including completed IRS Form W-8 or W-9, as applicable. If a Participating Class 3 Trust Beneficiary does not timely provide the Class 3 Trustee with its taxpayer identification number in the manner and by the deadline established by the Class 3 Trustee, then the distribution to such

Participating Class 3 Trust Beneficiary shall be administered as unclaimed property in accordance with Section 6.7 of the Plan.

8.4 Withholding of Taxes and Reporting Related to Class 3 Trust Operations. The Class 3 Trust shall comply with all withholding and reporting requirements imposed by any federal, state, local, or foreign taxing authority, and all distributions made by the Class 3 Trust shall be subject to any such withholding and reporting requirements. To the extent that the operation of the Class 3 Trust or the liquidation of the Class 3 Trust Assets creates a tax liability, the Class 3 Trust shall promptly pay such tax liability out of the Class 3 Trust Assets and any such payment shall be considered a cost and expense of the operation of the Class 3 Trust payable without Bankruptcy Court order. The Class 3 Trust may reserve a sum, the amount of which shall be determined by the Class 3 Trustee sufficient to pay the accrued or potential tax liability arising out of the operations of the Class 3 Trust or the operation of the Class 3 Trust Assets. The Class 3 Trustee, on behalf of the Class 3 Trust, may enter into agreements with taxing authorities or other governmental units for the payment of such amounts as may be withheld. Any federal, state, or local withholding taxes or other amounts required to be withheld under applicable law shall be deducted from distributions hereunder. The Class 3 Trustee may withhold and pay to the appropriate taxing authority all amounts required to be withheld under the Tax Code or any provision of any foreign, state or local tax law with respect to any payment or distribution on account of Claims against the Reorganized Debtors. All such amounts withheld and paid to the appropriate taxing authority shall be treated as amounts distributed to the applicable holders of the Claims against the Reorganized Debtors. All Participating Class 3 Trust Beneficiaries shall be required to provide any information necessary to effect the withholding of such taxes.

8.5 Expedited Determination of Taxes. The Class 3 Trustee may request an expedited determination of taxes or tax refund rights of the Class 3 Trust under section 505(b) of the Bankruptcy Code for all returns or claims filed for the Class 3 Trust for all taxable periods through the termination of the Class 3 Trust.

ARTICLE IX.
DISSOLUTION OF CLASS 3 TRUST

9.1 Dissolution of Class 3Trust.

(a) The Class 3 Trust shall commence on the Effective Date and end no later than the fifth (5^{th}) anniversary of the Effective Date (the "Initial Class 3 Trust Term"); provided, however, that the Class 3 Trustee may, subject to the further provisions of this Section, extend the term of the Class 3 Trust for such additional period of time as is necessary to facilitate or complete the recovery and liquidation of the Class 3 Trust Assets as follows: within the six (6) month period prior to the termination of the Initial Class 3 Trust Term, the Class 3 Trustee may file a notice of intent to extend the term of the Class 3 Trust with the Bankruptcy Court and, upon approval of the Bankruptcy Court of such extension request following notice and a hearing, the term of the Class 3 Trust shall be so extended. The Class 3 Trust may file one or more such extension notices, each notice to be filed within the six (6) month period prior to the termination of the extended term of the Class 3 Trust (all such extensions are referred to herein in the aggregate as the "Supplemental Class 3 Trust Term"). Notwithstanding anything to the contrary in this Section, however, the

Supplemental Class 3 Trust Term may not, in the aggregate, exceed three (3) years without a favorable letter ruling from the IRS that any further extension would not adversely affect the status of the Class 3 Trust as a "liquidating trust" (or a "liquidating trust" treated as a grantor trust pursuant to the Trust Regulations) under the Trust Regulations.

(b) The Class 3 Trust may be terminated earlier than its scheduled termination if (i) the Class 3 Trustee, in consultation with and at the direction of the Litigation Oversight Committee, determines that the pursuit of additional Class 3 Trust Causes of Action is not likely to yield sufficient additional proceeds to justify further pursuit of such claims, or (ii) the Class 3 Trustee has administered all Class 3 Trust Assets and materially performed all duties required by the Plan, the Confirmation Order, and this Class 3 Trust Agreement.

9.2 Events Upon Termination. At the conclusion of the term of the Class 3 Trust, the Class 3 Trustee shall transfer the remaining Class 3 Trust Assets and Class 3 Trust Proceeds (subject to a reserve for expenses to be incurred in winding up the affairs of the Class 3 Trust as set forth in Section 7.2), to all Class 3 Trust Beneficiaries, in accordance with the Plan, the Confirmation Order, and this Class 3 Trust Agreement.

9.3 Winding Up, Discharge, and Release of the Class 3 Trustee. Upon a motion by the Class 3 Trustee, the Bankruptcy Court may enter an order relieving the Class 3 Trustee and the Class 3 Trustee Representatives of any further duties, discharging, and releasing the Class 3 Trustee and releasing its bond, if any. For the purposes of winding up the affairs of the Class 3 Trust in an orderly manner at the conclusion of its term, the Class 3 Trustee shall continue to act as Class 3 Trustee until its duties under this Class 3 Trust Agreement have been fully discharged or its role as Class 3 Trustee is otherwise terminated under this Class 3 Trust Agreement and the Plan. Upon such an occurrence, the Class 3 Trustee shall proceed as promptly as possible (but in no event for a period longer than three (3) months, unless a longer period is approved by the Bankruptcy Court) to wind up the affairs of the Class 3 Trust and make any required federal, state or local filings for the dissolution of the Class 3 Trust. The Class 3 Trust Beneficiaries shall have no right to wind up the affairs of the Class 3 Trust. Upon its dissolution, the Class 3 Trustee shall file a final report with the Bankruptcy Court stating that the Class 3 Trust has been dissolved, whereupon the Class 3 Trustee shall be discharged from any further responsibility under the Agreement.

NOTES TO THE MONTHLY OPERATING REPORT

INTRODUCTION:

This monthly operating report ("MOR") is unaudited and does not purport to represent financial statements prepared in accordance with GAAP nor is it intended to fully reconcile to the consolidated financial statements prepared by the Debtors. Information contained in the MOR has been derived from the Debtors' books and records. Therefore, in order to comply with their obligations to provide MORs during these chapter 11 cases, the Debtors have prepared this MOR using the best information presently available to them, which has been collected, maintained, and prepared in accordance with their historical accounting practices. The results of operations and financial position contained herein are not necessarily indicative of results that may be expected for any other period or for the full year and may not necessarily reflect the consolidated results of operations and financial position of the Debtors in the future.

RESERVATION OF RIGHTS:

This MOR is limited in scope, covers a limited time period, and has been prepared solely for the purpose of complying with the monthly reporting requirements of these chapter 11 cases. The unaudited financial statements have been derived from the Debtors' books and records. The information presented herein has not been subject to all procedures that typically would be applied to financial information presented in accordance with GAAP. Upon the application of such procedures, the Debtors believe that the financial information could be subject to material change. The Debtors hereby reserve all of their rights to dispute the validity, status, enforceability, or executory nature of any claim amount, agreement, representation, or other statement in this MOR and reserve the right to amend or supplement this MOR, if necessary, but shall be under no obligation to do so.

GLOBAL NOTES:

For financial reporting purposes, the Debtors prepare consolidated financial statements, which include information for Speedcast International Limited and its Debtor and non-Debtor subsidiaries. This MOR only contains information of the Debtor entities. For the purposes of MOR reporting, the accompanying Balance Sheets and Statement of Income (Loss) of the Debtors have been prepared on a condensed combined basis. There can be no assurance that such information is complete, and the MOR may be subject to revision.

INTERCOMPANY CLAIMS AND TRANSFERS:

Intercompany balances arise from several types of transactions, including accounts payable transfers, interest expense allocations, equipment transfers, and intercompany loan transfers, among others. In addition, the Debtors' books and records carry historical intercompany balances that arose from prior mergers and acquisitions. The balances listed in the Debtors' accounts reflect the amounts recorded on the respective balance sheet dates. However, there are entries that have not been allocated down to individual Debtor accounts as of the balance sheet dates. The full reconciliation of the intercompany accounts, including the full allocation of all intercompany transactions, is completed every six months. The Debtors are continuing to reconcile their intercompany balances and as such, the balances shown in the accounts are subject to change. While the Debtors have used reasonable efforts to ensure that the proper intercompany balances are attributed to each legal entity, the Debtors reserve all of their rights with respect to the intercompany balances listed in the analysis, including, but not limited to, the appropriate characterization of such intercompany balances and the amounts of such balances, which are still being identified by the Debtors. The Debtors have not made any attempt to analyze the nature or composition of these intercompany balances.

NOTES TO THE MONTHLY OPERATING REPORT

LIABILITIES SUBJECT TO COMPROMISE ("LSTC"):

LSTC represents the Debtors' estimate of pre-petition claims to be resolved in connection with the chapter 11 cases. As a result of the chapter 11 filings, the payment of pre-petition liabilities are subject to compromise or other treatment under a plan of reorganization. The determination of how liabilities will ultimately be settled or treated cannot be made until the Bankruptcy Court approves a chapter 11 plan or reorganization. Accordingly, the ultimate amount of such liabilities is not determinable at this time. Pre-petition liabilities that are subject to compromise are preliminary and may be subject to, among other things, future adjustments depending on Court actions, further developments with respect to disputed claims, determinations of the secured status of certain claims, the values of any collateral securing such claims, rejection of executory contracts, continued reconciliation, or other events.

INSIDERS:

The list of insiders is consistent with public disclosures and other filings associated with the Debtors' chapter 11 cases.

Any failure of the Debtors, Reorganized Debtors, or any Entity authorized pursuant to the Plan, as applicable, to file an objection to any claim or interest in the Closing Debtors on or prior to entry of this Final Decree shall not constitute allowance of the claim or interest and shall not result in such claim or interest being deemed Allowed against or in any Debtor. Reorganized Debtors' Exhibit No. 19
Page 1 of 1

Exhibit 2

Schedule of Retained Causes of Action

Amended Schedule of Retained Causes of Action

In accordance with and as provided by section 1123(b) of the Bankruptcy Code[1] and section 10.11 of the *Second Amended Joint Chapter 11 Plan of Speedcast International Limited and its Affiliated Debtors* [Docket No. 992, **Exhibit A**] (as may be amended, modified, or supplemented, the "**Plan**"), the Reorganized Debtors shall have, retain, reserve and be entitled to assert all rights to commence, pursue, prosecute, and/or settle, as appropriate, any and all Causes of Action[2] (including all Avoidance Actions), whether arising before or after the Petition Date, including, but not limited to, any actions specifically enumerated herein, and such rights to commence, pursue, prosecute, and/or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date.

Specifically, as provided by section 10.11 of the Plan, the Reorganized Debtors shall have, retain, reserve, and be entitled to assert all Causes of Action, including all claims, rights of setoff or recoupment, and other legal or equitable defenses as fully as if the Chapter 11 Cases had not been commenced, and all of the Debtors' legal and equitable rights in respect of any claims

[1] Unless otherwise defined, capitalized terms used herein have the meanings ascribed to them in the Plan (as defined below).

[2] Under Section 1.1 of the Plan, "**Cause of Action**" means any action, claim, cross-claim, third-party claim, cause of action, controversy, dispute, demand, right, lien, indemnity, contribution, guaranty, suit, obligation, liability, loss, debt, fee or expense, damage, interest, judgment, cost, account, defense, remedy, recovery, offset, power, privilege, proceeding, license, and franchise of any kind or character whatsoever, known, unknown, foreseen or unforeseen, existing or hereafter arising, contingent or non-contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, direct or indirect, choate or inchoate, secured or unsecured, assertable directly or derivatively (including any alter ego theories), whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law. For the avoidance of doubt, Cause of Action also includes: (i) any right of setoff, counterclaim, or recoupment and any claim for breach of contract or for breach of duties imposed by law or in equity; (ii) the right to object to Claims or Interests; (iii) any claim pursuant to section 362 or chapter 5 of the Bankruptcy Code; (iv) any claim or defense including fraud, mistake, duress, and usury and any other defenses set forth in section 558 of the Bankruptcy Code; and (v) any claims under any state or foreign law, including any fraudulent transfer or similar claims.

which are Unimpaired may be asserted after the Effective Date to the same extent as if the Chapter 11 Cases had not been commenced.

Despite the Debtors' reasonable efforts to identify all known Causes of Action in the Plan, herein, the Disclosure Statement, or in the Schedules and Statements, the Debtors may not have listed all of their Causes of Action or potential Causes of Action, including, but not limited to, Avoidance Actions and actions under other relevant non-bankruptcy laws to recover assets. No Entity may rely on the absence of a specific reference in the Plan, herein, the Disclosure Statement, or the Schedules and Statements to any Cause of Action against it as any indication that the Reorganized Debtors will not pursue any and all available Causes of Action against it. Nothing herein shall be deemed a waiver of any such claims, causes of action, or Avoidance Actions or in any way prejudice or impair the assertion of such claims.

Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled under the Plan or pursuant to a Bankruptcy Court order, the Reorganized Debtors expressly reserve all Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of confirmation or consummation of the Plan.

In accordance with section 1123(b)(3) of the Bankruptcy Code, except as otherwise provided in the Plan or herein, any Causes of Action that a Debtor may hold against any Entity shall vest in the applicable Reorganized Debtor. The applicable Reorganized Debtor, through its authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and

discretion to determine, initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action, and to decline to do any of the foregoing without the consent or approval of any third party or further notice to, or action, order, or approval of, the Bankruptcy Court.

Notwithstanding the above, pursuant to the Plan and the Litigation Trust Agreement dated as of the Effective Date, a Litigation Trust for the benefit of holders of Other Unsecured Claims will be formed on the Effective Date. Pursuant to the Plan and the Litigation Trust Agreement, the Litigation Trustee will have the power and authority to prosecute and resolve those Causes of Action defined as "Litigation Trust Causes of Action" under Section 1.1 of the Plan,[3] including any Causes of Action against the parties identified on the Non-Released Parties Exhibit, and contributed to the Litigation Trust pursuant to section 5.20 of the Plan.

Notwithstanding and without limiting the generality of section 10.11 of the Plan, the Reorganized Debtors expressly reserve all claims and Causes of Action, including, but not limited to, those categories and specific Causes of Action listed below.

[3] Under Section 1.1 of the Plan, "**Litigation Trust Causes of Action**" means (i) all Causes of Actions by or on behalf of any Debtor or Debtor's Estate against (A) Non-Released Parties (and, if a Non-Released Party is a former director or officer of the Debtors, solely to the extent of available proceeds under the applicable D&O Policy), and (B) other persons to be mutually determined by the Debtors, the Plan Sponsor, and the Creditors' Committee, including Causes of Action, if any, arising under the Bankruptcy Code, state or other applicable or similar fraudulent transfer statutes, or claims arising under state or other applicable law based upon negligence, breach of fiduciary duty, lender liability, and/or other similar Causes of Action; (ii) all Causes of Action of any Debtor, the Debtors' Estates, and the Reorganized Debtors arising under any D&O Policy solely to the extent such Causes of Action are based on the Bankruptcy Code, state or other applicable or similar fraudulent transfer statutes, or claims arising under state or other applicable law based upon negligence, breach of fiduciary duty and/or other similar Causes of Action and to the extent assignable to the Litigation Trust pursuant to the terms of the applicable D&O Policy; provided, that Litigation Trust Causes of Action shall not include: (x) any Causes of Action against any Released Party that is released pursuant to the Plan, and (y) Causes of Action against holders of Allowed Unsecured Trade Claims and any counterparty to an executory contract or unexpired lease under section 365(b)(1)(A) of the Bankruptcy Code that has been assumed by the Reorganized Debtors to the extent such counterparty is not otherwise a Non-Released Party.

I. Claims Related to Insurance Policies

Unless otherwise released by the Plan, the Reorganized Debtors expressly reserve and retain all Causes of Action based in whole or in part upon any and all insurance contracts and insurance policies (including any and all D&O Policies) to which any Debtor or Reorganized Debtor is or was a party, or pursuant to which any Debtor or Reorganized Debtor has any rights whatsoever, regardless of whether such contract or policy is specifically identified in the Plan, this Plan Supplement, or any amendments thereto, including, without limitation, Causes of Action against insurance carriers, reinsurance carriers, insurance brokers, underwriters, occurrence carriers, or surety bond issuers relating to coverage, indemnity, contribution, reimbursement, or any other matters. For the avoidance of doubt, the Reorganized Debtors expressly reserve and retain all Causes of Action arising in connection with any previously asserted, pending, or future claims under the insurance contracts and insurance policies. Without limiting the generality of the foregoing, the Reorganized Debtors expressly reserve all Causes of Action against the Entities identified herein.
