Steven Balasiano, in his capacity as the Plan Administrator of the above-captioned debtors and debtors in possession (collectively, the “Debtors”), states as follows in support of this motion (this “Motion”):

RELIEF REQUESTED²

1. The Plan Administrator seeks entry of an order, substantially in the form attached

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Stage Stores, Inc. (6900) and Specialty Retailers, Inc. (1900).

² Capitalized terms used but not defined herein have the meanings ascribed to them in the Plan or the Settlement, as applicable.

hereto at **Exhibit A** (the “Proposed Order”): (1) approving the proposed compromise and stipulation by and between the Debtors and various claimants alleging violations under certain wage and hour laws (the “Claimants”, and together with the Plan Administrator, the “Parties”) attached hereto as **Exhibit 1** to **Exhibit A** (the “Settlement”) pursuant to Rule 9019 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”); and (2) granting related relief.

PRELIMINARY STATEMENT

2. Following the liquidation of the Debtors’ assets pursuant to a Court-approved sale process, on August 14, 2020 (the “Confirmation Date”), this Court confirmed the Debtors’ chapter 11 plan of liquidation (the “Plan”). As of the Confirmation Date, the Claimants, former employees of the Debtors, timely filed approximately 7,400 proofs of claim, including certain class proofs of claim, related to certain prepetition class action cases commenced against the Debtors (the “Proofs of Claim”). The Claimants allege that the Debtors violated various provisions of federal and state law by failing to pay statutorily required overtime compensation through various methods, including by forcing off-the-clock work, altering employee time records, or misclassifying employees as “exempt” employees not entitled to overtime pay under applicable law, and by failing to provide statutorily required wage notices and other information. The Debtors deny all aspects of the Claimants’ allegations.

3. The Proofs of Claim assert significant damages against the Debtors’ estates and their successful resolution is one of the few remaining issues in these Chapter 11 Cases. Such claims include (i) priority unsecured claims asserting over \$1.8 million in aggregate damages, (ii) general unsecured claims asserting over \$34 million in aggregate damages, (iii) priority unsecured claims asserting unliquidated damages, and (iv) general unsecured claims asserting unliquidated

damages.³ On the Confirmation Date, the amount of funds available for distribution to unsecured creditors was speculative: the Disclosure Statement estimated recoveries to unsecured creditors at between 0% - 6%. As a result, the Debtors, Committee, and counsel to the Claimants agreed to defer all issues related to the Proofs of Claim, including the issue of class certification and the merits of the claims, to an unspecified date post-confirmation.

4. Since that time, the Plan Administrator, appointed pursuant to the Plan, has worked to reconcile substantially all secured, administrative, and priority unsecured claims filed against the Debtors' estates. As of the date hereof, the Proofs of Claim are the only priority unsecured claims that have not yet been reconciled. After the Plan Administrator obtained greater clarity into amounts available for distribution to holders of allowed general unsecured claims, he undertook an extensive review of the Proofs of Claim, engaged counsel to the Claimants in good-faith settlement negotiations, and ultimately reached a settlement that, if approved, would fully and finally resolve the Proofs of Claim. Critically, the Plan Administrator believes that the Settlement will pave the way for a small distribution to holders of allowed general unsecured claims in an amount greater than what would be available in a litigation scenario.

5. As outlined in greater detail herein, the Settlement provides, *inter alia*, the following:

- Consolidation of all Proofs of Claim (as defined in the Settlement) into a single claim, which shall be allowed as a priority unsecured claim in the amount of \$1,500,000.00;
- Appointment of a settlement administrator, chosen by Claimant Counsel (as defined in the Settlement), to collect and remit applicable taxes to appropriate jurisdictions and facilitate distributions to Claimants (as defined in the Settlement); and
- Payment of \$1,500,000.00 by the Debtors to a settlement fund, established by the Settlement Administrator, to be distributed in accordance with the procedures

³ These amounts exclude duplicate claims.

contained in the Settlement.

6. The Plan Administrator submits the terms of the Settlement are reasonable and should be approved by this Court. Absent approval of the Settlement, the Plan Administrator would be forced to engage in complex, time-consuming, and expensive discovery and multi-phased litigation on several issues related to the Proofs of Claim, including: (i) application of Bankruptcy Rule 7023 and certification of classes under Rule 23 of the Federal Rules of Civil Procedure; (ii) certification of collective actions under the Fair Labor Standards Act; and (iii) the merits of the Wage and Hour Actions at both the Federal and applicable state levels. Approval of the Settlement will allow the estates to avoid the cost and expense of uncertain litigation, enable distributions to holders of allowed general unsecured claims, facilitate the remainder of the Debtors' wind-down, and enable the Plan Administrator to close these Chapter 11 Cases.

7. For the foregoing reasons, the Plan Administrator respectfully requests that the Court grant this Motion and approve the proposed Settlement.

JURISDICTION AND VENUE

8. The United States Bankruptcy Court for the Southern District of Texas (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157, 1334. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2). The Plan Administrator consents, pursuant to Bankruptcy Rule 7008, to the entry of a final order by the Court.

9. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

10. The bases for the relief requested herein are section 105(a) of the Bankruptcy Code and Bankruptcy Rules 2002 and 9019.

BACKGROUND

I. THE WAGE AND HOUR ACTIONS

11. On March 12, 2018, certain Claimants commenced an action captioned *Qazi v.*

Stage Stores, Inc. d/b/a Peebles, Inc. in the United States District Court for the Southern District of Texas under Case No. 4:18-CV-00780 (the “Qazi Action”). The Qazi Action asserts that the Debtors violated the rights of certain Claimants under certain wage and hour laws, including the Fair Labor Standards Act (“FLSA”).

12. On May 30, 2018, certain Claimants commenced an action captioned *Crosby, et al. v. Stage Stores Inc.* in the United States District Court for the Middle District of Tennessee under Case No. 3:18-cv-00503 (the “Crosby Action”). The Crosby Action asserts that the Debtors violated the rights of certain Claimants under certain wage and hour laws, including the FLSA.

13. On April 2, 2020, certain Claimants commenced an action captioned *Harris v. Stage Stores Inc. et al.* in the United States District Court for the Western District of New York under Case No. 6:20-cv-06205-CJS (the “Harris Action,” and together with the Qazi Action and Crosby Action, the “Wage and Hour Actions”). The Harris Action asserts that the Debtors violated the rights of certain Claimants under certain wage and hour laws, including the New York Labor Law.

14. The Debtors have denied the allegations in the Wage and Hour Actions and assert they are not liable in respect of the Wage and Hour Actions or the claims asserted therein. The Debtors specifically deny that they, their employees, or their agents committed any unlawful, tortious or improper acts against the Claimants at any time. Additionally, the Debtors dispute, among other matters, the number of hours the Claimants claim they worked, whether the Claimants are due additional compensation under the FLSA or any other wage and hour law, and, if so, the amount.

II. THE BANKRUPTCY CASES

15. On May 10, 2020 (the “Petition Date”), each of the Debtors filed a voluntary

petition for relief under chapter 11 of the Bankruptcy Code in this Court.

16. On June 18, 2020, the Court entered the *Order (I) Setting Bar Dates for Filing Proofs of Claim, Including Requests for Payment Under Section 503(b)(9), (II) Establishing Amended Schedules Bar Date and Rejection Damages Bar Date, (III) Approving the Form of and Manner for Filings Proofs of Claim, Including Section 503(b)(9) Requests, (IV) Approving Notice of Bar Dates, and (V) Granting Related Relief* [Docket No. 478], which established July 24, 2020, as the general deadline for filing proofs of claim and administrative claims against the Debtors (the “Bar Date”).

17. The Claimants, either on their own behalf or by and through Claimant Counsel, filed the Proofs of Claim prior to the Bar Date.

18. The Proofs of Claim, excluding duplicate claims, collectively assert damages entitled to priority unsecured treatment under section 507(a)(4) of the Bankruptcy Code in an aggregate amount in excess of \$1,800,000.00 (the “507(a)(4) Claims”) and damages entitled to general unsecured treatment in an aggregate amount in excess of \$34,000,000.00 (the “GUC Claims”).⁴

19. On the Confirmation Date, the Court entered the *Order Confirming the Joint Second Amended Chapter 11 Plan of Stage Stores, Inc. and Specialty Retailers, Inc.* [Docket No. 705]. The effective date (“Effective Date”) of the Plan occurred on October 30, 2020 [Docket No. 898].

20. On the Effective Date, Steven Balasiano, in his capacity as Plan Administrator, became the sole representative of the Debtors’ estates for the purpose of, *inter alia*, reviewing,

⁴ Approximately 800 Claimants filed unliquidated Proofs of Claim, including substantially all claims related to the Qazi Action.

settling, and compromising disputes regarding claims filed against the Debtors' estates and facilitating distributions to creditors pursuant to Articles IV.D and VII.B of the Plan.⁵

III. SUMMARY OF THE SETTLEMENT TERMS

21. The Parties have reached an agreement on a resolution regarding the Wage and Hour Actions and the Proofs of Claim, subject to the Court's approval. The Debtors, the Plan Administrator, and the Claimants have further agreed on an allocation of the proceeds, as discussed herein.

22. The Settlement includes the following principal terms:⁶

- The Proofs of Claim shall be consolidated and assigned a new proof of claim number, 9000, which shall have a claim amount of \$1,500,000.00 and shall be allowed as a priority unsecured claim pursuant to section 507(a)(4) of the Bankruptcy Code (the "Liquidated Claim").
- The Plan Administrator shall make a one-time payment in the amount of \$1,500,000.00 to a settlement administrator designated by Claimant Counsel (the "Settlement Administrator"), for deposit in a qualified settlement fund established by the Settlement Administrator within the meaning of Treasury Regulation § 1.468B-1 *et seq.*, in full and final satisfaction of the Liquidated Claim.
- The proceeds of the Liquidated Claim shall be divided into fees, expenses, and net proceeds (being the difference between gross proceeds and fees and expenses), which sums shall be allocated as follows:
 - o \$150,000.00 as an irrevocable gift to holders of GUC Claims (the "GUC Gift");
 - o \$60,000.00 for the fees and expenses of the Settlement Administrator;
 - o \$500,000.00 to Claimant Counsel as legal fees;
 - o \$150,000.00 to Dundon Advisers LLC as bankruptcy financial and strategic advisers to Claimant Counsel and the Lead Plaintiffs;

⁵ The Plan provides that the Plan Administrator may settle any Causes of Action (as defined in the Plan) without the consent or approval of any third party, including the Bankruptcy Court. Notwithstanding the foregoing, the Plan Administrator files this Motion under Bankruptcy Rule 9019 and seeks approval from this Court for purposes of transparency with this Court and the Debtors' stakeholders.

⁶ To the extent of any conflict between this summary and the Settlement, the terms of the Settlement shall govern.

- o Reimbursement of reasonable and documented expenses of Claimant Counsel as set forth in **Exhibit A** of the Settlement; and
- o \$5,000.00 to each of the Lead Plaintiffs as service awards.
- The Settlement Administrator shall distribute \$1,500,000.00 less each of the amounts set forth above, less W-2 tax withholdings, to each Claimant *pro rata* to the calculated 507(a)(4) claim of each Claimant on their respective Proof of Claim.
- The Settlement Administrator shall distribute the GUC Gift, less W-2 tax withholdings, to each Claimant *pro rata* to the calculated general unsecured claim of each Claimant on their respective Proof of Claim.

BASIS FOR RELIEF

I. THE PROPOSED SETTLEMENT AGREEMENT IS IN THE BEST INTEREST OF THE DEBTORS' ESTATES AND SHOULD BE APPROVED

23. Bankruptcy Rule 9019 governs the procedural prerequisites to approve a settlement, providing that:

On motion and after notice and a hearing, the court may approve a compromise or settlement. Notice must be given to: all creditors; the United States trustee; the debtor; all indenture trustees as provided in Rule 2002; and any other entity the court designates.

Fed. R. Bankr. P. 9019(a).

24. It is well established that settlements are considered a “normal part of the process of reorganization” and a “desirable and wise method[] of bringing to a close proceedings otherwise lengthy, complicated, and costly.” *In re ASARCO, LLC*, No. 05-21207, 2009 WL 8176641, at *9 (Bankr. S.D. Tex. 2009) (citations omitted). Approval of a compromise is within the “sound discretion” of the bankruptcy court. *United States v. AWECO, Inc. (In re AWECO, Inc.)*, 725 F.2d 293, 297–98 (5th Cir. 1984).

25. A court does not need to consider the merits of individual issues in a dispute when evaluating a settlement. *Watts v. Williams*, 154 B.R. 56, 59 (S.D. Tex. 1993). Indeed, “in complex controversies, courts may conduct less exacting factual inquiries before approving a settlement which appears to substantially benefit the estate.” *Id.* Instead, the Court should determine whether

the settlement, as a whole, is fair and equitable. *Protective Comm. for Indep. Stockholders of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414, 424 (1968).

26. A settlement proponent's burden is not high. *See In re Roquomore*, 393 B.R. 474, 480 (Bankr. S.D. Tex. 2008) (collecting cases). A settlement proponent is not required to convince the court that the settlement is the optimal outcome, but only that the settlement falls "within the range of reasonable litigation alternatives." *Id.* (cleaned up); *see also Watts*, 154 B.R. at 59 ("The burden on the estate and administrative expense of evaluating over one-hundred cases, as well as the speculative nature of those valuations even after a full scale investigation into each case, weigh heavily in favor of the compromise.").

27. The Fifth Circuit has established a three-factor balancing test under which bankruptcy courts analyze proposed settlements. The factors courts consider are: "(1) the probability of success in litigating the claim subject to settlement, with due consideration for the uncertainty in fact and law; (2) the complexity and likely duration of litigation and any attendant expense, inconvenience, and delay; and (3) all other factors bearing on the wisdom of the compromise." *See In re Age Ref., Inc.* 801 F.3d 530, 540 (5th Cir. 2015) (internal citations omitted). The third factor is broken into two more specific factors: (a) whether the settlement is in the best interest of creditors; and (b) the extent to which the settlement is truly the product of arms-length bargaining. *Id.*

28. The Court should approve the Settlement pursuant to Bankruptcy Rule 9019(a) for the following reasons:

A. The Probability of Success in Litigating the Proofs of Claim is Uncertain

29. There are several issues presented by the Wage and Hour Actions that make the Debtors' likelihood of success in litigation uncertain. As of the Bar Date, approximately 7,400 Proofs of Claim related to the Wage and Hour Actions were filed in these bankruptcy cases.

Additionally, the Wage and Hour Actions were at nascent stages as of the Petition Date, and the Debtors face diverging litigation paths regardless of whether classes are certified in these bankruptcy cases. On the one hand, if class certification is denied, which is consistent with the Debtors' position, the Parties will still have to litigate the individual merits of the 7,400 Proofs of Claim. On the other hand, if this Court approves certification of any classes, the Debtors would be exposed to a presently unknown universe of potential damages, which could eliminate any recovery for general unsecured creditors. Additionally, in either scenario, the Parties will have to engage in protracted discovery and litigate the merits of the Wage and Hour Actions, including whether the Debtors committed any "willful" violations as required for application of a three-year statute of limitations on claims arising under the FLSA. Although the Debtors believe that they have viable defenses to the causes of action asserted in the Wage and Hour Actions, litigating all of the issues raised in the Wage and Hour Actions presents complex issues of law and fact that are likely to be time-consuming and expensive to litigate without any guarantee of a favorable outcome on the merits for the Debtors.

B. Litigating the Complex Issues Presented in the Proofs of Claim Will Create Considerable Expenses, Inconvenience, and Delay

30. As noted above, any litigation between the Debtors and the Claimants would be costly and time consuming. The Wage and Hour Actions were only in the beginning stages when the Debtors filed for Chapter 11 relief. Absent approval of the Settlement, the Parties would have to engage in protracted discovery on issues related to class certification and the underlying merits of the Wage and Hour Actions. Given the allegations in the Wage and Hour Actions, the Parties would have to exchange and review voluminous additional documents related to the Debtors' operations and personnel and payment records of thousands of the Debtors former employees. The Parties would also have to depose a substantial number of the Debtors' former employees and

executives years after they left the Debtors' employ. Additionally, the Parties would have to engage in multi-phased litigation of several complex issues of law and fact, including: (i) application of Bankruptcy Rule 7023 and certification of classes of claimants under Rule 23 of the Federal Rules of Civil Procedure; (ii) certification of collective actions under the FLSA; (iii) the merits of the Wage and Hour Actions, whether collectively as a class action and/or certified collective or on an individual basis for all 7,400 Proofs of Claim filed in these bankruptcy cases; and (iv) potential appeals of each of the foregoing. In sum, litigation of the Wage and Hour Actions would come at considerable time and expense to the Debtors' estates, expose the Debtors to indeterminate damages, delay or eliminate distributions to general unsecured creditors, and consume substantial judicial resources of this Court, which the Settlement will allay.

C. The Settlement is Fair and Equitable and Provides Substantial Benefits to All Parties

31. The Settlement is the result of extensive arms-length negotiations between the Parties. As noted above, the Settlement resolves the issues raised in the Wage and Hour Actions without time-consuming and costly litigation. Through the Settlement, the Plan Administrator is able to definitively resolve the Debtors' liabilities and consolidate the Proofs of Claim, collectively amounting to over \$35,800,000.00 in claims across all priority levels, into a single \$1,500,000.00 priority unsecured claim. Additionally, the Settlement provides the Debtors with significant administrative benefits, including obviating the need to collect W-9 forms and other tax documentation, remit taxes to various taxing authorities, and make individual payments to the Claimants, all of which will be done instead by the Settlement Administrator.

32. The Plan Administrator, the Debtors and their stakeholders will also gain additional benefits upon approval of the Settlement. The Plan Administrator estimates that the Settlement will enable distributions to holders of allowed general unsecured claims in an amount greater than

what would be available if the Debtors are required to litigate the Proofs of Claim to their conclusion. Additionally, as discussed in the Plan Administrator's most recent motion to extend the Claims Objection Deadline (as defined in the Plan),⁷ resolution of the Proofs of Claim is one of a number of remaining issues in these bankruptcy cases. The Plan Administrator is currently reconciling general unsecured claims, preparing further formal objections to certain proofs of claim, and is also working to consensually resolve certain proofs of claim with the respective claimants. After approval of the Settlement, the Plan Administrator can focus his efforts on completing his reconciliation of the claims register, making distributions to other holders of allowed general unsecured claims, completing the Debtors' wind-down, and closing the bankruptcy cases.

33. The Settlement also provides the Claimants with substantial benefits. First, the Settlement fairly compensates the Claimants for their claims. Second, the Claimants, through their counsel, have the power to select the Settlement Administrator. Third, the Settlement provides for the creation of a settlement fund in favor of the Claimants and distribution procedures for their claims. Finally, the Settlement Administrator can make distributions to the Claimants without needing to wait for the Plan Administrators' reconciliation of the remainder of the claims register.

34. For all of the foregoing reasons, the Plan Administrator respectfully requests the Court approve the proposed Settlement, which represents a reasonable compromise of the claims presented by the Claimants in the Wage and Hour Actions.

MISCELLANEOUS

35. Notice. The Plan Administrator will provide notice of this Motion to: (a) the Office of the U.S. Trustee for the Southern District of Texas, (b) the Claimants by and through Claimant

⁷ See Docket No. 1292.

Counsel, (c) the jurisdictions where the Debtors may owe any income or similar tax; and (d) any other party requesting notice pursuant to Bankruptcy Rule 2002. The Plan Administrator respectfully submits that such notice is sufficient under the circumstances.

36. Reservation of Rights. Nothing contained in this Motion is intended or should be construed as: (i) an admission as to the validity of any claim against the Debtors, or (ii) a waiver or limitation of the Debtors' or the Claimants' rights under the Bankruptcy Code or any other applicable law.

37. No Prior Request. No prior request for the relief sought in this Motion has been made to this or any other court.

[Remainder of Page Left Intentionally Blank]

WHEREFORE, the Plan Administrator respectfully requests that the Court enter an order approving the Settlement and granting such other and further relief as is appropriate under the circumstances.

TERMS AND CONDITIONS

NOW, THEREFORE, in consideration of the foregoing and the mutual promises of the Parties herein contained, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby stipulate and agree as follows:

1. Recitals. The recitals set forth above are incorporated herein by this reference as though set forth herein at length.

2. Effective Date of Stipulation. This Stipulation shall be effective upon its execution by the Parties in compliance with paragraph 13 herein (the “Stipulation Effective Date”).

3. Approval by the Court. Within thirty (30) days of the Stipulation Effective Date, the Parties shall jointly move, pursuant to Federal Rule of Bankruptcy Procedure Rule 9019, for approval of this Stipulation by the Court.

4. Fixing of Liquidated Claim. The Parties hereby agree that upon the approval of this Stipulation by the Court, the Proofs of Claim shall be consolidated and assigned a new proof of claim number, 9000, which shall have a claim amount of \$1,500,000.00 and shall be allowed as a priority unsecured claim pursuant to section 507(a)(4) of the Bankruptcy Code (the “Liquidated Claim”). The Plan Administrator shall be entitled to cause Kurtzman Carson Consultants, LLC dba Verita Global, the claims and noticing agent (the “Claims Agent”), to adjust the official claims register in this case to reflect (i) the allowed status of the Liquidated Claim, (ii) the disallowed and/or expunged status of all Proofs of Claim listed on Schedule 1 (as may be amended from time to time) and any other proof of claim filed by Claimant Counsel or any of the Claimants other than the Liquidated Claim.

5. Settlement Payment and Distributions to Claimants. Following allowance of the Liquidated Claim, the Plan Administrator shall make a one-time payment in the amount of

\$1,500,000.00 to a settlement administrator designated by Claimant Counsel (the “Settlement Administrator”), for deposit in a qualified settlement fund established by the Settlement Administrator within the meaning of Treasury Regulation § 1.468B-1 et seq., in full and final satisfaction of the Liquidated Claim (the “Settlement Payment”). The Settlement Payment shall be made by the Plan Administrator at such time the Plan Administrator makes distributions on account of other Allowed Priority Unsecured Claims. Claimant Counsel shall provide notice of the identity of the Settlement Administrator to the Plan Administrator in a letter signed by all Claimant Counsel in advance of such payment. Claimant Counsel, on behalf of themselves and the Claimants, represent, warrant, and agree that neither the Debtors nor Plan Administrator shall have any duty or obligation to make, and that it and they shall not make, any distributions to individual Claimants or to pay the fees and expenses of Claimant Counsel, the Claimants, and any of their respective representatives or agents, all of which shall be paid out of the distributions made to the Settlement Administrator. (The aforesaid fees and expenses, and thereafter the balance of the proceeds of the Liquidated Claim, shall be paid by the Settlement Administrator as more particularly set forth in paragraph 6 hereof.) In accordance therewith, (i) the Settlement Administrator shall make all necessary arrangements to prepare and file any and all required tax forms and/or tax returns in connection with payments to Claimants; (ii) the Settlement Administrator shall be solely responsible for compliance with any and all other applicable laws in connection with distributions to individual Claimants, including federal, state and local taxes (including any employment taxes), any escheat, abandoned or unclaimed funds laws to the extent distribution checks issued to individual Claimants are not cashed; and (iii) neither the Debtors nor the Plan Administrator shall have any responsibility or obligation to identify or locate any Claimant. Without limiting the generality of the foregoing, neither the Debtors nor the Plan

Administrator shall have any liability whatsoever for any act or omission on the part of the Settlement Administrator or Claimant Counsel.

6. Allocation and Distribution of the Proceeds of the Liquidated Claim. The proceeds of the Liquidated Claim shall be divided into fees, expenses, and net proceeds (being the difference between gross proceeds and fees and expenses), which sums shall be allocated and distributed as follows:

- a. The Lead Plaintiffs and Claimants shall, to the extent of their respective interests in the 507(a)(4) Claims, irrevocably gift to the Claimants to the extent of the GUC Claims the amount of \$150,000.00 (the “GUC Gift”).
- b. The Settlement Administrator shall pay (a) its own fees and reasonably estimated expenses not to exceed \$60,000, (b) \$500,000.00 in the aggregate to Claimant Counsel as legal fees to be apportioned among them as set forth in Exhibit A attached hereto, (c) \$150,000.00 to Dundon Advisers LLC as bankruptcy financial and strategic advisers to Claimant Counsel and the Lead Plaintiffs, (d) reimbursements of reasonable and documented expenses of Claimant Counsel as set forth in Exhibit A attached hereto, (e) service awards to each of the Lead Plaintiffs of \$5,000.00, and (f) all costs and expenses associated with tax reporting requirements under applicable federal, state, and local law, including payment of applicable taxes to the appropriate taxing authorities.
- c. The Settlement Administrator shall distribute \$1,500,000.00 less each of the amounts set forth above, less W-2 tax withholdings, to each Claimant *pro rata* to the calculated 507(a)(4) claim of each Claimant on their respective Proof of Claim.

d. The Settlement Administrator shall distribute the GUC Gift, less W-2 tax withholdings, to each Claimant *pro rata* to the calculated general unsecured claim of each Claimant on their respective Proof of Claim.

7. No Assignment of Claims. Claimant Counsel and Lead Plaintiffs represent and warrant that they have not assigned or transferred, or purported to assign or transfer, to any person or entity, any claim or any portion thereof or interest therein, including, but not limited to, any interest in the Wage and Hour Actions, or any related action.

8. Unclaimed Distributions. The Settlement Administrator shall contribute to a charity selected by Claimant Counsel (a) any funds in respect of a check uncashed for one more than one (1) year from its mailing and (b) any funds due a Claimant whose check for such amount was undeliverable after two attempts, a location effort customary and reasonable in the class action settlement administration industry being made between the first and second attempt.

9. Dismissal of Wage Actions. Within five (5) days of the Settlement Administrator's receipt of the Settlement Payment from the Plan Administrator, Claimant Counsel shall file a notice of dismissal with prejudice in each of the Wage Actions.

10. Binding Effect. This Stipulation and each and every covenant, warranty, release and agreement set forth herein shall be binding upon and inure to the benefit of each of the Parties hereto and their respective agents, subsidiaries, employees, officers, directors, predecessors, successors, and assigns.

11. Governing Law. This Stipulation shall be governed by and construed in accordance with the laws of the State of Texas without regard to any law concerning the conflicts of laws. Any disputes arising in connection with this Stipulation shall be adjudicated by the Court.

12. Confidentiality. The terms of this Stipulation and all negotiations leading up to the execution of the Stipulation shall be deemed confidential and shall not be further disclosed to any person or entity except as required by applicable law, rule or regulation (including, without limitation, the requirements under any federal or state securities laws, rules or regulations that may require disclosure of the terms of this Stipulation or the fact that this Stipulation has been entered into), unless otherwise agreed in writing by the Plan Administrator.

13. Originals and Counterparts. This Stipulation may be executed in separate counterparts, each of which shall constitute an original, and all of which shall constitute a single agreement. It shall not be necessary, in making proof of this Stipulation, to produce or account for more than one (1) complete set of counterparts. Further, this Stipulation may be executed by transfer of a scanned signature by facsimile or e-mail in PDF format, each of which shall be as fully binding as an original document.

14. No Waiver. The Parties agree that no breach of any provision hereof can be waived except in writing. The waiver of a breach of any provision hereof shall not be deemed a waiver of any other breach of any provision hereof.

15. Severability. Should any provision of this Stipulation be held by a court of competent jurisdiction to be illegal, invalid or unenforceable for any reason, then the remaining portions of this Stipulation will nonetheless remain in full force and effect, unless such portion of the Stipulation is so material that its deletion would violate the obvious purpose and intent of the Parties.

16. Entire Agreement. This Stipulation constitutes the entire agreement between the Parties with respect to the subject matter of it. There are no other covenants, promises, agreements, conditions or understandings, either oral or written, expressed or implied, between the

Parties, except for this Stipulation with respect to its subject matter. The terms are contractual and not merely recitals. No alteration, amendment or modification shall be effective or binding upon any Party unless in writing and duly executed by all Parties.

17. Acknowledgements. The Parties acknowledge they have carefully read and fully understand the terms of this Stipulation. They have jointly negotiated and prepared this Stipulation and are fully satisfied with all of its terms. The individuals executing this Stipulation are authorized to do so on behalf of the organizations and/or individuals for which they execute this Stipulation and have had a full opportunity to consult with legal counsel regarding the terms. Claimant Counsel specifically acknowledges it has the power to settle and resolve the Proofs of Claim identified on Schedule 1. The Parties have entered into this Stipulation knowingly and voluntarily and agree to all of its provisions.

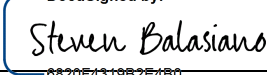

18. No Admissions. Except with respect to the enforcement of the terms of this Stipulation, nothing herein and no action taken by any of the Parties hereto shall be construed as an admission or concession with respect to the merits of the Wage and Hour Actions, or any other claims or causes of action.
