Case No.23-90086(CML)

Nathan Ochsner, Clerk of Court

Dear Clerk of the Court,

On Monday, September 22, 2025, at 1:00 p.m., in Courtroom 401 of the Southern District of Texas before Judge Christopher M. Lopez a hybrid hearing was held. I believe it was pertaining to the claim I filed and I would like to know the status of the hearing. As the October 1, 2025, I still have not received a copy of the Court's ruling and order. Would you please send me a copy of the order and a docket of entries or case register of actions for this case also. I thank you very much for your time and assistance in this matter. May peace be with you and God bless.

Sincerely,

Ben Beach
