 - ii. UCC-3 Financing Statement Continuation filed with the Delaware Secretary of State on December 14, 2024, as File No. 2024 8748608.

Loan Agreement § 6.01(g). True and correct copies of the UCC-1 Financing Statements and amendments or continuation statements are attached to the TBK Bank Proofs of Claim.

11. The Agent and Lenders took action to perfect their security interests in and liens upon the Dominion Account via the Agent's control over such accounts by virtue of such accounts being maintained at TBK Bank. *Id.* §§ 4.02, 5.01, 6.01(l), and Schedule 5.01.

D. Debtors' Prepetition Events of Default

12. On September 5, 2025, Agent sent Borrowers a notice letter (the "**Default Notice**") identifying the occurrence and continuation of certain Events of Default under the Loan Agreement (the "**Existing Defaults**"). A true and correct copy of the Default Notice is attached hereto as Exhibit A-1.

13. Moreover, the Default Notice served to provide notice that all Obligations under the Loan Documents were immediately due and payable as of the date of the Default Notice. The Default Notice also served as notice to Borrowers of Agent's and Lenders' ability to foreclose or otherwise realize on any or all of the Collateral, including to set-off or apply the Collateral to the Obligations, and to take any other enforcement action or otherwise exercise any or all rights and remedies provided for by the Loan Agreement, other related documents, or applicable law.

14. In connection with the Existing Defaults, on September 5, 2025, Agent sent Custodian an email (the "**Custodian Notice**") noticing Custodian of Agent's exercise of its rights and remedies, on behalf of the Lenders, with respect to the Collateral under the Loan Agreement.

The Custodian Notice directed Custodian to immediately revoke TAG's ability to release any vehicle titles or other related documentation within Custodian's control. A true and correct copy of the Custodian Notice is attached hereto as Exhibit A-2.

E. TBK Bank's Protective Measures

15. When TBK Bank learned in the first week of September that the Debtors' employees were being terminated and that the Debtors' lots would be unattended and unmonitored, TBK Bank hired security firms to monitor and safeguard numerous Debtor locations to prevent damage or loss to vehicles. Following the Petition Date and appointment of the Trustee, TBK Bank requested authority from the Trustee to continue taking such measures. I understand that the Trustee authorized TBK Bank's actions pursuant to letters dated September 12, 2025 and September 15, 2025, copies of which are attached hereto as Exhibits A-3 and A-4, respectively. TBK Bank or its representatives continued taking protective measures until the Trustee directed it to cease such protection efforts by letter dated September 17, 2025, a copy of which is attached hereto as Exhibit A-5. Upon receiving the foregoing letter, TBK Bank immediately ceased its protection efforts as directed by the Trustee. And, on September 23, 2025, TBK Bank provided the Trustee with a report identifying and cataloguing any Vehicle Inventory that TBK Bank or its representatives moved while undertaking the various protective measures, and the locations to and from which such Vehicle Inventory was moved.

F. Need for Stay Relief

16. Based on my experience as a banker involved in financing vehicle inventory, I am aware of various risks that exist to vehicles and their value. Based on my experience, the Vehicle Inventory has been and continues to be at risk of diminution in value due to the inherent depreciation of vehicles each day as they sit on a lot, and the additional risk of theft, vandalism,

weather damage, mechanical deterioration, and other risks. It is my understanding that certain of the Vehicle Inventory previously accounted for by TBK Bank at 3720 E. Saunders St., Laredo, Texas 78042 may have subsequently gone missing and are unaccounted for. I further understand that the landlord of the premises located at 5432 S. Interstate Highway 35 Frontage Rd., Austin, Texas 78745 (the “**Austin Location**”) has indicated that Vehicles at the Austin Location have been vandalized and that homeless individuals have been inhabiting and causing destruction to the building at the Austin Location. Unless the Agent takes possession of and liquidates the Stay Relief Vehicles, I believe that the value of the Stay Relief Vehicles will continue to be materially diminished.

I hereby declare under penalty of perjury under the law of the United States of America that the foregoing is true and correct.

Re: *Tricolor Holdings, LLC, Case No. 25-33487-mvl7*, pending in the United States
Bankruptcy Court for the Northern District of Texas, Dallas Division

To: TBK Bank
c/o Bradley Foxman, Esq.
Vinson & Elkins
Trammell Crow Center
2001 Ross Avenue, Suite 3900
Dallas, Texas 75201

Dear Brad:

As you know, our firm represents Anne Burns who was appointed the Chapter 7 bankruptcy trustee (the "Trustee") for Tricolor Holdings, LLC and its various affiliates (collectively, the "Debtors")¹ who have each filed for bankruptcy protection under Chapter 7 of the Bankruptcy Code in the United States Bankruptcy Court for the Northern District of Texas.

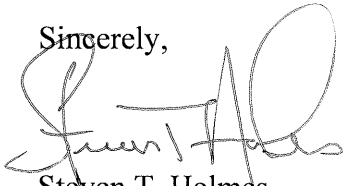

At TBK Bank's request and expense, the Trustee previously authorized TBK Bank and its agents and representatives to secure, transport, consolidate, and hold the Debtors' vehicles, keys, license plates and related titles (the "Vehicle Assets") at centralized, secure locations of the Debtors. As you are aware, on September 16, 2025, the Trustee authorized Vervent, Inc. and its affiliates ("Vervent"), including in its capacity as the current and future successor servicer under various securitization facilities involving the Debtors (collectively, the "Securitization Facilities"), to exercise any and all of Vervent's rights, powers, and duties under and related to the Securitization Facilities, including, the "Successor Servicer Duties" identified in my September 16, 2025 correspondence.

¹ The Debtors and their bankruptcy case numbers are: Tricolor Holdings, LLC (25-33487), TAG Intermediate Holding Company, LLC (25-33495), Tricolor Auto Group, LLC (25-33496), Tricolor Auto Acceptance, LLC (25-33497), Tricolor Insurance Agency, LLC (25-33512), Tricolor Home Loans LLC (25-33511), Tricolor Real Estate Services (25-33514), TAG California Holding Company, LLC (25-33493), Flexi Compras Autos, LLC (25-33490), TAG California Intermediate Holding Company, LLC (25-33494), Tricolor California Auto Group, LLC (25-33502), Tricolor California Auto Acceptance, LLC (25-33501), Risk Analytics LLC (25-33491), Tricolor Tax, LLC (25-33515), Tricolor Financial, LLC (25-33510), Tricolor Auto Receivables LLC (25-33498), TAG Asset Funding, LLC (25-33492), Apoyo Financial, LLC (25-33489).

As a result, the Trustee hereby requests that TBK Bank cease all efforts under the Trustee's prior authorization related to moving, relocating, or otherwise taking possession of any additional Vehicle Assets. The Trustee further requests that TBK Bank coordinate in good faith directly with Vervent – specifically Mr. Anthony Sperelakis at asperelakis@vervent.com - to complete an orderly transition of all activities and responsibilities related to possession, control, and security of the Vehicle Assets on behalf of the Debtors' estates. For purposes of clarity, the Trustee is not requesting or authorizing TBK Bank to abandon, sell, or transfer any of the Vehicle Assets to any party other than what is necessary to transfer full possession and control to Vervent as soon as possible.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Steven T. Holmes

3. By virtue of my position at LCG and the work I have done for TBK Bank, I have personal knowledge of the following facts regarding the Vehicles and the Subject Debtors’ locations and lots. I am a custodian of records for LCG. I am familiar with LCG’s procedure for maintaining business records. The documents attached to this Declaration are true and correct copies of business records of LCG that relate to the Vehicles and/or the Subject Debtors. A. The Vehicle Count

4. At the request of TBK Bank, and under my supervision, a combination of approximately nineteen LCG and TBK Bank representatives (the “**Counters**”) undertook counting the Vehicles on each of the Subject Debtors’ lots during the month of September 2025. Attached to this Declaration as Exhibit B-1 is a true and correct copy of a report (the “**Vehicle Count Report**”) created by LCG representatives, which compiles the total number of Vehicles counted

at the Subject Debtor's lots during the month of September 2025, including each Vehicle's location, year, make, model, color, Vehicle Identification Number (VIN), stock number, mileage, and type.

5. As set forth in the Vehicle Count Report, the Counters visited all 65 of the Subject Debtors' lots in Texas, California, Nevada, New Mexico, Illinois, and Arizona. Vehicles sat on 60 of such lots. In total, the count revealed that 5,405 Vehicles sat on the Subject Debtors' lots.

6. As set forth in the Vehicle Count Report, of the 5,405 Vehicles counted, 3,776 can be categorized as repossessed Vehicles, 1,493 as new buy Vehicles, and 136 as trade Vehicles, in each case based on referencing the Vehicles' VIN number against a list of inventory from the Debtors' system that indicated whether the Vehicles were new buys, trades, or repossessions.

I hereby declare under penalty of perjury under the law of the United States of America that the foregoing is true and correct.

Executed on October 15, 2025, at Dallas, Texas.
