Anne Elizabeth Burns, the duly appointed Chapter 7 trustee (the "Trustee") of the estates of the above-captioned debtors and debtors-in-possession (the "Debtors"), hereby moves (the "Amended Motion") for entry of an order, substantially in the form attached as **Exhibit A** (the "Proposed Order") granting the relief described below. In support of the Amended Motion, the Trustee respectfully states as follows:

RELIEF REQUESTED

1. By this Amended Motion, the Trustee respectfully requests entry of the Proposed Order, (a) authorizing the surcharge of the Prepetition Lenders' Collateral pursuant to section 506(c) of the Bankruptcy Code, (b) ordering the Prepetition Lenders to pay the Expenses, and (c) granting related relief.

2. Additionally, the Trustee requests that the Court limit the Prepetition Lender's liens on the proceeds of the Collateral pursuant to section 552(b)(1) of the Bankruptcy Code under the equities of the case in the full amount of the Expenses not surcharged under section 506(c).

JURISDICTION AND VENUE

3. The United States Bankruptcy Court for the Northern District of Texas, Dallas Division (the "Court") has jurisdiction to consider the Amended Motion pursuant to 28 U.S.C. §§ 157 and 1334 and the *Order of Reference of Bankruptcy Cases and Proceedings Nunc Pro* Tunc dated August 3, 1984, entered by the United States District Court for the Northern District of Texas. This matter is a core proceeding under 28 U.S.C. § 157(b). Venue in this District is proper under 28 U.S.C. §§ 1408 and 1409.

4. The legal predicates for the relief requested herein are section 506(c) of title 11 of the United States Code (the "Bankruptcy Code"), Rule 9013 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), and 9013-1 of the Local Bankruptcy Rules of the United States Bankruptcy Court for the Northern District of Texas (the "Local Rules").

BACKGROUND

I. The Chapter 7 Cases

5. On September 10, 2025 (the "Petition Date"), the Debtors each commenced a case by filing a petition for relief under chapter 7 of the Bankruptcy Code (collectively, the "Chapter 7 Cases"). The Chapter 7 Cases are being jointly administered for procedural purposes only.

6. On the Petition Date, the Office of the United States Trustee for Region 6 (the "U.S. Trustee") appointed Anne Elizabeth Burns as the Trustee over the Chapter 7 Cases.

II. The Debtors' Business

7. The Debtors were a Texas-based subprime auto-lending company with a principal place of business located at 6021 Connection Drive, 4th Floor, Irving, Texas. *See* Voluntary Petition at Docket No. 1. The Debtors operated approximately sixty (60) retail locations across the southwestern United States and Illinois. *Id*. In addition to selling vehicles, the Debtors' business included providing consumer financing, auto repairs, and related automotive services.

8. On September 19, 2025, the Court entered the *Order Granting the Trustee's Motion for Entry of Order Approving Stipulation Between Trustee and Vervent, Inc*. [Docket No. 53] (the "Vervent Order"),[3] pursuant to which Vervent, Inc. ("Vervent") was authorized to continue acting as servicer under certain servicing agreements and, among other things, to take responsibility for and account for all vehicles owned by the Debtors. Consistent with its rights and obligations under

[3] The relief granted under the Vervent Order was extended by consensual orders through and including [April 1], 2026. *See* Docket No. 668.

the Vervent Order, and in coordination with the Trustee and applicable secured parties, Vervent has been securing, protecting, and transporting the vehicles to third-party auction and storage locations around the country.

9. On September 15, 2025, the Trustee retained Veracity Forensics LLC ("Veracity") to assist the Trustee and Vervent in marshaling, securing, preserving, and maintaining the Debtors' electronic systems, data, and technology infrastructure. Veracity was engaged to, among other things, recover and forensically preserve company-issued devices, maintain access to the Debtors' core databases and loan tracking platforms, coordinate with third-party hosting providers, and ensure the integrity of electronically stored information necessary to identify, reconcile, protect, and ultimately liquidate the Debtors' vehicle inventory and related collateral.

III. The Collateral

10. On February 22, 2018, certain of the Debtors entered into that certain *Loan and Security Agreement* (as amended or modified prior to the Petition Date, the "Origin Loan Agreement") with Origin Bank ("Origin"), as the lender. Pursuant to the Origin Loan Agreement, Origin provided revolving financing secured by, among other things, all accounts and associated inventory, all general intangibles, instruments, motor vehicle retail installment sales contracts and receivables, all goods, including furniture, fixtures, and equipment, all proceeds from the sale or other disposition of the collateral, and the books and records pertaining to the collateral (collectively, the "Origin Collateral").

11. On May 6, 2022, certain of the Debtors entered into that certain *Amended and Restated Loan and Security Agreement* (as amended or modified prior to the Petition Date, the "TBK Loan Agreement") with TBK Bank, SSB ("TBK"), as administrative, payment, and collateral agent for itself and the other lenders party thereto (collectively, the "TBK Lenders"). Pursuant to the TBK Loan Agreement, the TBK Lenders provided revolving financing secured by, among other things,

all vehicle inventory held for sale, the proceeds thereof, certain dominion accounts into which vehicle sale proceeds were deposited, all accessions, substitutions, replacements, products and insurance proceeds relating to such inventory, and all books and records pertaining thereto (collectively, the "TBK Collateral").

12. In addition, on November 15, 2024, Tricolor Auto Group, LLC entered into that certain *Loan and Security Agreement* (the "ACV Loan Agreement") with ACV Capital LLC ("ACV," and together with TBK and Origin, the "Prepetition Lenders")[4], pursuant to which ACV established a floorplan credit facility to finance the Debtors' acquisition of vehicles through auction channels. Under the ACV Loan Agreement, ACV was granted a continuing security interest in, among other things, all vehicles financed under the facility, related inventory, proceeds thereof, deposit accounts, insurance proceeds, and books and records relating thereto (the "ACV Collateral," and collectively with the TBK Collateral and Origin Collateral, the "Collateral").

IV. Veracity's Actions to Protect, Preserve, and Assist with Liquidating the Collateral

13. As of the Petition Date, the Debtors maintained approximately 10,000 vehicles constituting inventory collateral subject to the security interests of the Prepetition Lenders. These vehicles were dispersed across numerous retail lots, storage yards, and third-party facilities across multiple states. While Vervent was charged under the Vervent Order with securing, protecting, and transporting the vehicles for storage and auction, the Trustee's ability to identify, reconcile, and properly administer that inventory depended largely upon accurate and accessible electronic records. Without reliable books, records, and system access, neither the Trustee nor Vervent could

[4] The Trustee's identification of TBK, ACV, and Origin is based on the Trustee's current understanding of the security interests asserted in the Collateral. The Trustee does not concede that this list is exhaustive and reserves all rights to demonstrate that additional secured parties hold liens on the Collateral and have benefitted from the services provided by Veracity.

have confidently determined which vehicles constituted inventory collateral, where such vehicles were located, or how sale proceeds should be accounted for and applied.

14. To that end, the Trustee engaged Veracity to secure and maintain the Debtors' electronic systems and data. At the commencement of these Chapter 7 Cases, critical inventory records and related documentation resided on company-issued laptops and within integrated database platforms, including IDMS, Oracle, and related systems. Numerous former employees also retained possession of devices containing electronically stored information relevant to vehicle inventory, title status, insurance coverage, storage location, and sale history. Veracity coordinated the recovery and forensic preservation of those devices to prevent the loss or alteration of records necessary to identify, protect, and account for the Collateral.

15. Veracity also stabilized and maintained access to the Debtors' core data systems that track vehicle inventory, lot location, title documentation, insurance information, and proceeds from vehicle sales. Continued access to these systems was necessary to reconcile physical vehicle counts with system records, coordinate with Vervent regarding transport and auction preparation, verify insurance coverage, and ensure proper accounting of proceeds and dominion accounts. Without system continuity, the Trustee's administration of the Collateral and Vervent's operational efforts would have been materially impaired.

16. In addition, Veracity preserved and organized substantial volumes of electronically stored information constituting books and records pertaining to the vehicle inventory and proceeds thereof. The Collateral expressly includes such books and records. Preservation of this information was necessary to document chain of custody, confirm lien status, reconcile sale proceeds, and resolve disputes regarding priority and ownership. These efforts ensured that liquidation of the inventory proceeded in a reliable manner.

17. Veracity continues to provide these crucial services related to the Collateral.

18. In connection with performing these services, Veracity incurred approximately $1,696,664.27 in fees and expenses (the "Expenses"). A detailed itemization of the Expenses is attached as **Exhibit B** to this Amended Motion.

RELIEF REQUESTED

I. The Expenses are reasonable, necessary, and benefit the Prepetition Lenders.

19. Section 506(c) of the Bankruptcy Code provides an exception to the general rule that administrative expenses are paid out of the estate, and not by secured creditors, by authorizing a trustee to "recover from property securing an allowed secured claim the reasonable, necessary costs and expenses of preserving, or disposing of, such property to the extent of any benefit to the holder of such claim." 11 U.S.C. § 506(c). The rationale behind this provision is to prevent unsecured creditors from bearing the financial burden of protecting or liquidating assets that serve as collateral for secured claims. *See PSI, Inc. v. Agullard* (*In re Senior-G & A Operating Co., Inc.*), 957 F.2d 1290, 1298 (5th Cir. 1992) ("The underlying rationale for charging a lienholder with the costs and expenses of preserving or disposing of the secured collateral is that the general estate and unsecured creditors should not be required to bear the cost of protecting what is not theirs.") (quoting *In re Codesco, Inc.*, 18 B.R. 225, 230 (Bankr. S.D.N.Y. 1982)).

20. To surcharge collateral under section 506(c), a trustee must demonstrate that "(1) the expenditure was necessary, (2) the amounts expended were reasonable, and (3) the creditor benefitted from the expenses." *In re Domistyle, Inc*., 811 F.3d 691, 695 (5th Cir. 2015) (quoting *In re Delta Towers, Ltd.*, 924 F.2d 74, 76 (5th Cir. 1991)). Section 506(c) is equitable in nature, and the Fifth Circuit applies a "'hindsight' approach [] to prevent unjust enrichment" because "a secured creditor should not reap the benefit of actions taken to preserve the secured creditor's collateral without shouldering the cost." *Id.* at 696 (quoting 4 Collier on Bankruptcy ¶ 506.05

(Richard Levin & Henry J. Sommer eds., 16th ed.)). A court's decision to surcharge collateral is appropriate when failure to do so "can result in the unjust enrichment that the statute aims to prevent." *Id*. at 699. The Trustee need only show that the Expenses were incurred "primarily" for the benefit of the Prepetition Lenders. *See id*. at 698.

A. The Expenses are necessary.

21. An expenditure is "necessary" if it was incurred to preserve or increase the value of collateralized property, or to dispose of the property. *In re Domistyle, Inc.*, 811 F.3d at 698; *see also In re McCombs*, 436 B.R. 421, 449 (Bankr. S.D. Tex. 2010) (finding that expenses incurred in selling collateral were necessary to the administration of this case because the trustee "effectuated the sales in order to preserve the value of the properties for the estate and fulfill his duty to the unsecured creditors").

22. An expenditure is also considered necessary under section 506(c) if it is associated with operating or maintaining the secured party's collateral. *See Heartland Fed. Savings & Loan Assoc. v. Briscoe Enters.* Ltd*., II* (*In re Briscoe Enters. Ltd., II*), 994 F.2d 1160 (5th Cir. 1993) (holding that costs associated with hiring an appraiser, architect, and marketing consultant to operate and expand an apartment complex were within the scope of section 506(c)); *In re Senior-G & A Operating Co., Inc.*, 957 F.2d at 1299 (holding that expenditures associated with oil well workover were necessary because the workover restored production levels); *In re Jack Kline Co., Inc.*, 440 B.R. 712, 754 (Bankr. S.D. Tex. 2010) (permitting surcharge of reasonable attorneys' fees incurred in connection with the preservation and sale of the secured creditor's collateral); *see also* 4 Collier on Bankruptcy ¶ 506.05[4] (Richard Levin & Henry J. Sommer eds., 16th ed.) ("Necessary expenses include appraisal fees, auctioneer fees, advertising costs, moving expenses, storage charges, payroll of employees directly and solely involved with the disposition of the subject property, maintenance and repair costs, and marketing costs."). The "hindsight" approach adopted

in *Domistyle* is agnostic as to a trustee's intent when incurring the expenses. *In re Domistyle, Inc*., 811 F.3d at 696.

23. The Expenses were necessary to preserve and dispose of the Collateral. The Prepetition Lenders' Collateral consists not only of vehicle inventory, but also the proceeds thereof, dominion accounts, and books and records pertaining to such inventory. The Trustee could not have identified, reconciled, safeguarded, and liquidated the inventory Collateral without maintaining access to the electronic systems and records that define and track that Collateral. In the absence of such actions, the Trustee and Vervent would have lacked the ability to determine which vehicles constituted Collateral, verify title status, reconcile sale proceeds, or administer dominion accounts. The Expenses were therefore a prerequisite to preserving the integrity and realizable value of the Collateral.

24. Moreover, the liquidation of depreciating Collateral, such as vehicle inventory, required accurate and reliable data to locate, coordinate transport, storage, insurance coverage, and auction preparation. Without preservation of the electronic infrastructure underlying these actions, the Trustee's and Vervent's ability to dispose of the inventory in an orderly and value-maximizing manner would have been materially impaired. Accordingly, the Expenses described herein were necessary for the preservation and liquidation of the Collateral.

B. The Expenses are reasonable.

25. Courts measure the reasonableness of expenses sought to be surcharged by analyzing the "totality of the circumstances" and normal commercial considerations. *In re Senior G & A Operating Co., Inc*., 957 F.2d at 1299. What is "reasonable" may exceed the costs and expenses a secured creditor would otherwise have incurred in foreclosing on the property itself if the collateral would benefit from required repairs and would be more marketable to buyers after reasonable improvements or similar sale preparation efforts. 4 Collier on Bankruptcy ¶ 506.05[5]

(Richard Levin & Henry J. Sommer eds., 16th ed.); *see e.g., In re Hardy*, 39 B.R. 804, 807 (Bankr. N.D. Okla. 1984) (finding capital improvements including installation of an air-conditioning system to a mortgaged building reasonable as the improvements made the building habitable and preserved the building as a going concern); *Moister v. The Farmers Bank* (*In re Truitt*), 15 B.R. 169, 172 (Bankr. N.D. Ga. 1981) (approving surcharge of costs of settling title dispute where clear title made the property more marketable).

26. Courts consistently find that expenses directly related to preserving the value or facilitating the disposition of collateral are reasonable and recoverable. *See, e.g., In re Domistyle, Inc*., 811 F.3d at 694 (holding that costs for "security, repairs to the roof and electrical system, mowing, landscaping, utilities, and insurance premiums" were reasonable and necessary); *In re McCombs*, 436 B.R. at 449 ("[a]s such, the Ivy Run Property and the Ivy Run Lot—and, now, the Excess Proceeds—constitute 'property securing an allowed secured claim,' and the Trustee may recover out of the Excess Proceeds his costs and expenses incurred in 'preserving, or disposing of, such property' pursuant to [s]ection 506(c)").

27. The Expenses are reasonable under the totality of the circumstances and consistent with ordinary commercial practice for the type of work performed. Veracity was retained to provide forensic technology, data preservation, and systems continuity services in a complex chapter 7 case involving approximately 10,000 vehicles and extensive electronic records. Such services require specialized technical expertise and immediate deployment to prevent data loss and system disruption. The Expenses incurred are consistent with those customarily billed by firms performing electronic data collection, forensic preservation, and enterprise system stabilization in distressed situations.

28. The scope of Veracity's engagement was also proportional to the risks presented at the commencement of these Chapter 7 Cases. The services were limited to securing and preserving electronic systems and records necessary to marshal, administer and liquidate the Collateral. There is no indication that the work performed was duplicative, excessive, or outside the ordinary range of services required in cases involving large-scale electronic infrastructure. Consequently, the Expenses described herein are reasonable.

C. The Expenses benefit the Prepetition Lenders.

29. To recover expenses under section 506(c), a trustee must demonstrate that the expenditures conferred a benefit on the secured creditor with respect to its collateral. "[E]xpenses recoverable under [s]ection 506(c) from a secured creditor's collateral must also have bestowed a 'benefit' on the secured creditor with respect to the creditor's collateral." 4 Collier on Bankruptcy ¶ 506.05[6] (Richard Levin & Henry J. Sommer eds., 16th ed.). The Fifth Circuit has explained that this requirement is satisfied when an expense is "incurred primarily to preserve or dispose of encumbered property." *In re Domistyle, Inc.*, 811 F.3d 691, 698 (5th Cir. 2015). A secured creditor receives a benefit within the meaning of section 506(c) if the relevant expense preserved or increased the value of its collateral. 4 Collier on Bankruptcy ¶ 506.05. Importantly, "primarily" does not mean "solely"; rather, the expense must bear a direct relationship to the collateral at issue. *In re Domistyle*, 811 F.3d at 698. Whether an expense satisfies that standard is "particularly case specific." *In re Senior-G & A Operating Co., Inc.*, 957 F.2d 1290, 1300 (5th Cir. 1992).

30. The Fifth Circuit has also rejected the argument that expenses can never be incurred primarily for the benefit of a secured creditor when a trustee seeks to maximize value for the estate. *In re Domistyle*, 811 F.3d at 699. Such a rule would be inconsistent with section 506(c)'s equitable purpose of preventing secured creditors from receiving a windfall at the expense of unsecured creditors. *Id.*; s*ee also In re Senior-G & A Operating Co., Inc.*, 957 F.2d at 1298–1300.

Accordingly, the fact that other creditors may incidentally benefit from the preservation or disposition of collateral does not defeat surcharge where the secured creditor has received a direct and concrete benefit. *In re Senior-G & A Operating Co., Inc*., 957 F.2d at 1300; *cf. In re McCombs*, 436 B.R. 421, 449 (Bankr. S.D. Tex. 2010) (finding a direct benefit where the trustee's actions prevented abandonment or stay relief); *In re Domistyle*, 811 F.3d at 701 (holding that the trustee's "stewardship" conferred a quantifiable benefit on the secured creditor).

31. As set forth above, the Trustee funded the preservation and orderly liquidation of the Collateral through Veracity without any contribution from the Prepetition Lenders. The Expenses were incurred to ensure that the Collateral could be properly identified, protected, and monetized in a coordinated and value-maximizing manner. Absent these efforts, the Trustee would have faced significant challenges identifying and marshalling the Collateral and the Collateral would have faced continued depreciation, operational disruption, and reduced sale proceeds. The Prepetition Lenders have realized, and will continue to realize, recoveries from the liquidation of their Collateral as a direct result of these preservation measures. The benefit is therefore concrete and quantifiable, as without the Trustee's actions, liquidation would have been delayed or impaired, proceeds would have been diminished, and recoveries on the secured claims correspondingly reduced. Section 506(c) exists to prevent secured creditors from receiving the benefit of such estate-funded efforts without bearing their cost. All interested parties of the Chapter 7 Cases have benefitted from the efforts of Veracity, including the Prepetition Lenders. Accordingly, the Trustee respectfully submits that the requested surcharge relief should be granted.

II. The Prepetition Lenders' liens should be limited under section 552(b)(1).

32. To the extent the Court determines that any of the Expenses should not be subject to surcharge, the Court should limit the Prepetition Lenders' liens on the proceeds of Collateral to

the extent of such Expenses, as allowed by the "equities of the case" exception set forth in section 552(b)(1) of the Bankruptcy Code. Section 552(b)(1) provides that if a creditor has a prepetition security interest that extends to the proceeds of collateral, "then such security interest extends to such proceeds [. . .] after the commencement of the case to the extent provided by such security agreement and by applicable nonbankruptcy law, ***except to the extent that the court, after notice and a hearing and based on the equities of the case***, orders otherwise. 11 U.S.C. § 552(b)(1) (emphasis added).

33. While "equities of the case" is not defined in the Bankruptcy Code, at least five Courts of Appeals have held that the equities of the case exception in section 552(b)(1) applies "to prevent a secured creditor from receiving a windfall when the value of its collateral is increased by the expenditure of estate funds, which would otherwise be used to pay unsecured creditors." *Gray v. Bank of Early*, No. 1:17-CV-098, 2018 WL 9415069, *6 (M.D. Ga. Sept. 20, 2018) (quoting *In re Endrensen*, 548 B.R. 258, 274 (B.A.P. 9th Cir. 2016)), *appeal dism'd* (July 1, 2016)); *see, e.g., In re Tower Air, Inc.*, 397 F.3d 191, 205 (3d Cir. 2005); *In re Cross Baking Co., Inc.*, 818 F.2d 1027, 1033 (1st Cir. 1987); *United Virginia Bank v. Slab Fork Coal Co.*, 784 F.2d 1188, 1191 (4th Cir. 1986); *J. Catton Farms, Inc. v. First Nat. Bank of Chicago*, 779 F.2d 1242, 1246 (7th Cir. 1985); *Wolters Vill. Ltd. v. Vill. Props., Ltd. (In re Village Props., Ltd.)*, 723 F.2d 441, 444 (5th Cir. 1984).

34. Specifically, the Fifth Circuit has pointed out that the "legislative history regarding [§ 552(b)(1)] indicates its purpose was to cover cases where an expenditure of the estate's funds increases the value of the collateral." *In re Village Prop.*, 723 F.2d at 444. Thus, section 552(b)(1) was "meant to apply when funds from the bankruptcy estate are expended to *generate post-petition proceeds of that collateral*." *Bank of Early*, 2018 WL 9415069, at *7 (emphasis added).

35. Notably, the expenses that can be considered for section 552 relief are of a broader category than those chargeable under section 506(c) because the statute was designed to "grant[] the court broad equitable powers" in determining how to limit the security interest of the relevant creditor. To the extent the Trustee has incurred expenses beneficial to the Prepetition Lenders that fall outside the scope of section 506(c), section 552 applies to those expenses. This is in keeping with the purpose of the statute, which was "intended to prevent secured creditors from receiving windfalls." *In re Cafeteria Operators, L.P.*, 299 B.R. 400, 409 (Bankr. N.D. Tex 2003) (quoting *In re Patio & Porch Sys., Inc.*, 194 B.R. 569, 575 (Bankr. D. Md. 1996)). Accordingly, the Court may consider all expenses incurred that benefitted the secured creditors in this case, and not only those that satisfy the requirement of section 506(c).[5]

36. The relevant analysis with regard to any improvement or benefit to the Prepetition Lenders for purposes of section 552(b) is not limited to whether there was an improvement to the Collateral itself, but whether there were estate expenditures by the Trustee that resulted in a benefit to the Prepetition Lenders "relating to proceeds and any related improvement in the position of the secured party." *Id.* (quoting 124 Cong. Rec. S 17, 414 (daily ed. Oct. 6, 1978); *see also In re Cross Baking*, 818 F.2d at 1033 ("the 'equities of the case' proviso is a legislative attempt to address those instances where expenditures of the estate enhance the value of proceeds. . .").

37. Here, the Prepetition Lenders have realized, and will continue to realize, recoveries from the liquidation of their Collateral as a direct result of the preservation measures taken by Veracity at the direction of the Trustee. The Trustee funded the preservation and orderly liquidation of the Collateral through Veracity without any contribution from the Prepetition Lenders. Without the Trustee's actions, liquidation of the Collateral would have been delayed or

[5] As section 552 applies "except as provided in section [] . . . 506(c)", the Trustee is not requesting that amounts surcharged under section 506(c) be charged again against the Prepetition Lenders under section 552 as well.

impaired, proceeds would have been diminished, and recoveries on the secured claims correspondingly reduced. The Expenses were incurred to ensure that the Collateral could be properly identified, protected, and monetized in a coordinated and value-maximizing manner. Absent these efforts, there would have been significant challenges identifying and marshalling the Collateral and the Collateral would have faced continued depreciation, operational disruption, and reduced sale proceeds. The Prepetition Lenders have received a concrete benefit from the estate's expenditure to enhance the value of the Collateral through Veracity's services and receive a windfall, to the extent section 506(c) is not applied, if their liens are not limited by section 552(b).

38. Accordingly, based on the Expenses incurred by Veracity in the Chapter 7 Cases, both directly in connection with the Collateral and more generally in the administration of the Chapter 7 Cases for the benefit of all creditors, the Trustee respectfully submits that the equities dictate limiting the Prepetition Lenders' liens under section 552(b)(1) to the full extent of the Expenses.

NO PRIOR REQUEST

39. No previous request for the relief sought herein has been made to this or any other court.

WHEREFORE, the Trustee respectfully requests that the Court enter the Proposed Order, substantially in the form attached as **Exhibit A**, (a) authorizing the surcharge of the Prepetition Lenders' collateral pursuant to section 506(c) of the Bankruptcy Code, (b) limiting the extent of the Prepetition Lenders' security interests in the proceeds of the sale of the Collateral pursuant to section 552(b) of the Bankruptcy Code, (c) ordering the Prepetition Lenders to pay the Expenses, and (d) granting related relief.

Federal Rule of Civil Procedure 45(c), (d), (e), and (g) (Effective 12/1/13)

(made applicable in bankruptcy cases by Rule 9016, Federal Rules of Bankruptcy Procedure)

(c) Place of compliance.

(1) For a Trial, Hearing, or Deposition. A subpoena may command a person to attend a trial, hearing, or deposition only as follows:

(A) within 100 miles of where the person resides, is employed, or regularly transacts business in person; or

(B) within the state where the person resides, is employed, or regularly transacts business in person, if the person

(i) is a party or a party's officer; or

(ii) is commanded to attend a trial and would not incur substantial expense.

(2) For Other Discovery. A subpoena may command:

(A) production of documents, or electronically stored information, or things at a place within 100 miles of where the person resides, is employed, or regularly transacts business in person; and

(B) inspection of premises, at the premises to be inspected.

(d) Protecting a Person Subject to a Subpoena; Enforcement.

(1) Avoiding Undue Burden or Expense; Sanctions. A party or attorney responsible for issuing and serving a subpoena must take reasonable steps to avoid imposing undue burden or expense on a person subject to the subpoena. The court for the district where compliance is required must enforce this duty and impose an appropriate sanction — which may include lost earnings and reasonable attorney's fees — on a party or attorney who fails to comply.

(2) Command to Produce Materials or Permit Inspection.

(A) Appearance Not Required. A person commanded to produce documents, electronically stored information, or tangible things, or to permit the inspection of premises, need not appear in person at the place of production or inspection unless also commanded to appear for a deposition, hearing, or trial.

(B) Objections. A person commanded to produce documents or tangible things or to permit inspection may serve on the party or attorney designated in the subpoena a written objection to inspecting, copying, testing or sampling any or all of the materials or to inspecting the premises — or to producing electronically stored information in the form or forms requested. The objection must be served before the earlier of the time specified for compliance or 14 days after the subpoena is served. If an objection is made, the following rules apply:

(i) At any time, on notice to the commanded person, the serving party may move the court for the district where compliance is required for an order compelling production or inspection.

(ii) These acts may be required only as directed in the order, and the order must protect a person who is neither a party nor a party's officer from significant expense resulting from compliance.

(3) Quashing or Modifying a Subpoena.

(A) When Required. On timely motion, the court for the district where compliance is required must quash or modify a subpoena that:

(i) fails to allow a reasonable time to comply;

(ii) requires a person to comply beyond the geographical limits specified in Rule 45(c);

(iii) requires disclosure of privileged or other protected matter, if no exception or waiver applies; or

(iv) subjects a person to undue burden.

(B) When Permitted. To protect a person subject to or affected by a subpoena, the court for the district where compliance is required may, on motion, quash or modify the subpoena if it requires:

(i) disclosing a trade secret or other confidential research, development, or commercial information; or

(ii) disclosing an unretained expert's opinion or information that does not describe specific occurrences in dispute and results from the expert's study that was not requested by a party.

(C) Specifying Conditions as an Alternative. In the circumstances described in Rule 45(d)(3)(B), the court may, instead of quashing or modifying a subpoena, order appearance or production under specified conditions if the serving party:

(i) shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship; and

(ii) ensures that the subpoenaed person will be reasonably compensated.

(e) Duties in Responding to a Subpoena.

(1) Producing Documents or Electronically Stored Information. These procedures apply to producing documents or electronically stored information:

(A) Documents. A person responding to a subpoena to produce documents must produce them as they are kept in the ordinary course of business or must organize and label them to correspond to the categories in the demand.

(B) Form for Producing Electronically Stored Information Not Specified. If a subpoena does not specify a form for producing electronically stored information, the person responding must produce it in a form or forms in which it is ordinarily maintained or in a reasonably usable form or forms.

(C) Electronically Stored Information Produced in Only One Form. The person responding need not produce the same electronically stored information in more than one form.

(D) Inaccessible Electronically Stored Information. The person responding need not provide discovery of electronically stored information from sources that the person identifies as not reasonably accessible because of undue burden or cost. On motion to compel discovery or for a protective order, the person responding must show that the information is not reasonably accessible because of undue burden or cost. If that showing is made, the court may nonetheless order discovery from such sources if the requesting party shows good cause, considering the limitations of Rule 26(b)(2)(C). The court may specify conditions for the discovery.

(2) Claiming Privilege or Protection.

(A) Information Withheld. A person withholding subpoenaed information under a claim that it is privileged or subject to protection as trial-preparation material must:

(i) expressly make the claim; and

(ii) describe the nature of the withheld documents, communications, or tangible things in a manner that, without revealing information itself privileged or protected, will enable the parties to assess the claim.

(B) Information Produced. If information produced in response to a subpoena is subject to a claim of privilege or of protection as trial-preparation material, the person making the claim may notify any party that received the information of the claim and the basis for it. After being notified, a party must promptly return, sequester, or destroy the specified information and any copies it has; must not use or disclose the information until the claim is resolved; must take reasonable steps to retrieve the information if the party disclosed it before being notified; and may promptly present the information under seal to the court for the district where compliance is required for a determination of the claim. The person who produced the information must preserve the information until the claim is resolved.

…

(g) Contempt. The court for the district where compliance is required – and also, after a motion is transferred, the issuing court – may hold in contempt a person who, having been served, fails without adequate excuse to obey the subpoena or an order related to it.

TRUSTEE'S RESPONSES AND OBJECTIONS TO TBK BANK, SSB'S FIRST REQUESTS FOR PRODUCTION OF DOCUMENTS AND FIRST SET OF INTERROGATORIES

Pursuant to Federal Rules of Civil Procedure 26, 33, and 34, made applicable herein by Federal Rules of Bankruptcy Procedure 9014, 7026, 7033, and 7034, Anne Elizabeth Burns, Chapter 7 Trustee for the above-referenced Chapter 7 bankruptcy case ("Trustee"), hereby

[1] The Debtors in these Chapter 7 cases are as follows: Tricolor Holdings, LLC, TAG Intermediate Holding Company, LLC, Tricolor Auto Group, LLC, Tricolor Auto Acceptance, LLC, Tricolor Insurance Agency, LLC, Tricolor Home Loans LLC dba Tricolor Mortgage, Tricolor Real Estate Services, LLC, TAG California Holding Company, LLC, Flexi Compras Autos, LLC, TAG California Intermediate Holding Company, LLC, Tricolor California Auto Group, LLC, Tricolor California Auto Acceptance, LLC, Risk Analytics LLC, Tricolor Tax, LLC, Tricolor Financial, LLC, Tricolor Auto Receivables LLC, TAG Asset Funding, LLC, and Apoyo Financial, LLC.

responds and objects to TBK Bank, SSB's ("TBK") First Requests for Production of Documents and First Set of Interrogatories to Anne Elizabeth Burns in Her Capacity as Chapter 7 Trustee (collectively, incorporating the Definitions, Instructions, and each Request, the "Requests," and individually, a "Request," and incorporating the Definitions, Instructions, and each Interrogatory, the "Interrogatories", and individually, an "Interrogatory"), dated March 9, 2026, as follows:

GENERAL OBJECTIONS

The Trustee responds and objects to each and every Request and Interrogatory propounded by TBK on the following grounds, which shall be deemed incorporated into each of the following answers to said Requests and Interrogatories. The Trustee submits her Responses to the Requests and Interrogatories subject to and without waiving any of the following General Objections:

1. The Trustee objects to the Requests and Interrogatories to the extent they conflict with, are in a different form from, or purport to expand upon the obligations imposed or authorized by the Federal Rules of Civil Procedure ("FRCP"), Federal Rules of Bankruptcy Procedure ("FRBP"), Local Rules of the Bankruptcy Court of the Northern District of Texas, Dallas Division ("Local Rules"), and/or any other applicable laws, rules, or regulations.

2. The Trustee objects to the Requests and Interrogatories to the extent they seek information and/or documents protected from disclosure by the attorney-client, common-interest and/or joint-defense privileges, the attorney work-product doctrine, or any other applicable privilege or immunity, or that were prepared in anticipation of litigation and/or constitute or disclose the mental impressions, conclusions, opinions, or legal theories of any attorney or other representative of the Trustee concerning this or any other legal proceeding. To the extent any Request or Interrogatory may be construed as seeking disclosure of such documents or information subject to any of those privileges or protections, the Trustee invokes such privileges or protections

and will construe the Request or Interrogatory as not seeking such information. Such information and/or documents shall not be provided in response thereto, and inadvertent disclosure of the same shall not be deemed a waiver of any applicable privilege or protection, and any such information, document or communication shall be returned to the Trustee or her attorneys, along with any copies made thereof.

3. The Trustee objects to the Requests and Interrogatories to the extent that they are vague, ambiguous, unduly burdensome, and/or seek information and documents that are not relevant to any parties' claims or defenses or seek information that is not proportional to the needs of this case.

4. The Trustee objects to the Requests and Interrogatories to the extent that they presume the existence of certain facts, or are based on assumptions neither proven by TBK nor admitted by the Trustee. The Trustee's willingness to respond to any Request or Interrogatory, or her production of documents or information responsive to any such Request or Interrogatory, does not constitute in any manner the Trustee's admission to any of the assertions set forth or assumed in the Request or Interrogatory, nor does it constitute a waiver of the Trustee's objections thereto.

5. The Trustee objects to the Requests and Interrogatories to the extent they purport to require the Trustee to obtain and produce information and documents outside of her possession, custody, or control. The Trustee will produce responsive documents within her actual or constructive possession and expressly disclaims the obligation to produce information or documents within the actual or constructive possession of others.

6. The Trustee objects to the Requests and Interrogatories to the extent that they seek business record, confidential, trade secret, and/or proprietary information not subject to public disclosure.

7. The Trustee objects to the Requests and Interrogatories to the extent that the information and/or documents sought are unreasonably cumulative or duplicative, are already within TBK's possession or are obtainable from some other source that is more convenient, less burdensome or less expensive.

8. The Trustee's responses and objections are made based on a reasonable investigation to date. That investigation is ongoing. The Trustee reserves the right to amend or supplement her responses and objections.

9. The Trustee objects to the definition of "Capstone" as vague. The Trustee will interpret "Capstone" to mean CRS Capstone Partners LLC only.

10. The Trustee objects to the definitions of the terms "Communications," and "Documents," to the extent that they are overly broad and seek to impose obligations on the Trustee that exceed those required by the FRCP, FRBP, Local Rules, or any other applicable laws, rules or regulations.

11. The Trustee objects to the definitions of "Trustee Professionals," "You," "Your," and "Yours" as overbroad, vague, and ambiguous, to the extent that they purport to include the terms "other individuals representing, advising, or otherwise working for or at the Trustee's direction." The Trustee will interpret "Trustee Professionals," "You," "Your," and "Yours" to mean the Trustee only.

12. The Trustee objects to each and every Request seeking electronically stored information ("ESI") as unduly burdensome given the scope of the *Chapter 7 Trustee's Motion for*

Entry of an Order (I) Authorizing the Trustee to Surcharge the Prepetition Lenders' Collateral, (II) Limiting the Prepetition Lenders' Liens on Proceeds of the Collateral, (III) Order the Prepetition Lenders to Pay the Expenses, and (IV) Granting Related Relief (the "Motion"), filed in the above-captioned matter on February 28, 2026, at Docket No. 916. The scope of these Requests and Interrogatories is not proportional to the Motion, which is limited to requesting a surcharge on collateral for Veracity Forensics LLC's ("Veracity") and Vervent, Inc.'s ("Vervent") work related to the bankruptcy proceeding and asking the Court to order payment of such surcharge. Furthermore, the vast majority of the Trustee's communications with Veracity and Capstone are privileged.

SPECIFIC RESPONSES AND OBJECTIONS TO REQUESTS FOR PRODUCTION

REQUEST NO. 1

The Engagement Letter executed between the Trustee and Veracity in connection with the above-captioned matter.

RESPONSE TO REQUEST NO. 1

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee will produce the Trustee's Engagement Letter with Veracity, and its addendum.

REQUEST NO. 2

Any and all master services agreements, scope of work documents, or other agreements, documents, or communications related to the Engagement Letter or the work to be performed by Veracity for the Trustee (or any of the Trustee Professionals) in connection with the above-captioned matter.

RESPONSE TO REQUEST NO. 2

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. The

Trustee further objects to this Request as overly broad, unduly burdensome, irrelevant, and not proportional to the needs of this case because it seeks information not related to the claims or defenses of any party in this action. The Trustee objects to this Request as unduly burdensome to the extent it requests "communications" related to the Engagement Letter as they are not relevant and not proportional to the needs of the case.

The Trustee will produce any master service agreements, scope of work documents, and other agreements, to the extent they exist.

REQUEST NO. 3

All invoices, time records, and expense statements of Veracity for work performed for the Trustee (or any of the Trustee Professionals).

RESPONSE TO REQUEST NO. 3

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege.

The Trustee will produce Veracity's invoices, which include time entries, but reserves the right to redact these invoices for privilege.

REQUEST NO. 4

All documents showing the identities and employer of persons associated with Veracity who actually performed work for the Trustee (or any of the Trustee Professionals), along with all documents showing the nature and scope of services provided by each such individual.

RESPONSE TO REQUEST NO. 4

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee objects to this Request as overbroad to the extent it requests "[a]ll documents" without limitation or specification of recipient or author. The Trustee further objects to this Request as vague to the extent that "persons associated with Veracity" is undefined. The Trustee

interprets "persons associated with Veracity" to mean employees of Veracity. The Trustee also objections to this Request to the extent that it requests information not within the Trustee's possession, custody, or control. Additionally, the Trustee objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. The Trustee further objects to this Request as overly broad, unduly burdensome, irrelevant, and not proportional to the needs of this case because it seeks information not related to the claims or defenses of any party in this action, including with regards to the request for the "identities and employers" of Veracity employees. The Trustee further objects to this Request as cumulative and duplicative of other Requests, including Request Nos. 3, 14 and 16.

Notwithstanding the foregoing, Documents produced in response to Request No. 3 will satisfy Request No. 4.

REQUEST NO. 5

All communications between the Trustee (or any of the Trustee Professionals) and Veracity, including without limitation: (a) communications regarding the Trustee's solicitation and initial engagement of Veracity; (b) communications related to Veracity's work or scope of work; (c) communications related to the pricing or cost of Veracity's services; (d) communications related to e-discovery or other forensic work performed by Veracity; and (e) communications related to bills, invoices and amounts owing to Veracity.

RESPONSE TO REQUEST NO. 5

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. The Trustee further objects to this Request as overly broad, unduly burdensome, irrelevant, and not proportional to the needs of this case because it seeks information not related to the claims or defenses of any party in this action. The Trustee further objects to this Request as unduly burdensome compared to the scope of the Motion to the extent that it seeks ESI. The scope of this

Request is not proportional to the Motion, and furthermore, the vast majority of the Trustee's communications with Veracity are privileged.

Except to the extent produced in response to other Requests, the Trustee will not produce documents responsive to this Request.

REQUEST NO. 6

All documents or communications (including in connection with a potential post-petition financing) discussing any budgets or estimates of fees and expenses of Veracity in connection with its work for the Trustee (or any of the Trustee Professionals).

RESPONSE TO REQUEST NO. 6

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee objects to this Request as overbroad to the extent it requests "[a]ll documents and communications" without limitation or specification of recipient or author. The Trustee also objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. The Trustee further objects to this Request as overly broad, unduly burdensome, irrelevant, and not proportional to the needs of this case because it seeks information not related to the claims or defenses of any party in this action. The Trustee further objects to this Request as unduly burdensome compared to the scope of the Motion to the extent that it seeks ESI. The scope of this Request is not proportional to the Motion, and furthermore, the vast majority of the Trustee's communications with Veracity are privileged. The Trustee further objects to this Request as cumulative and duplicative of other Requests, including Request No. 14.

The Trustee will not produce documents responsive to this Request, however the Trustee will produce any estimates or budgets provided by Veracity, to the extent they exist.

REQUEST NO. 7

All documents showing any analysis done by the Trustee (or any of the Trustee Professionals) to determine which vehicles or Retail Installment Contracts were property of the Debtors' estates or, alternatively, property of non-debtors.

RESPONSE TO REQUEST NO. 7

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. The Trustee objects to this Request as overbroad as it seeks documents far beyond the scope of the Motion, which is limited to requesting a surcharge on collateral for Veracity's and Vervent's work related to the bankruptcy proceeding and asking the Court to order payment of such surcharge. This Request assumes, without basis, that the Trustee cannot surcharge collateral until the Court determines which property belongs to the debtor and therefore seeks information far beyond what is needed to resolve the Motion. The Trustee finally objects to this Request as premature to the extent it is improperly requesting expert discovery at this stage of this proceeding.

Except to the extent produced in response to other Requests, the Trustee will not produce the requested analysis because any such analysis constitutes attorney work product and/or is protected by the attorney-client privilege.

REQUEST NO. 8

All documents showing the Trustee's (or any of the Trustee Professionals') analysis of "which vehicles constituted inventory collateral, where such vehicles were located, or how the sale proceeds should be accounted for and applied" (as alleged in ¶ 13 of the Motion) and all documents relied upon by the Trustee (or any of the Trustee Professionals) as part of any such analysis.

RESPONSE TO REQUEST NO. 8

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee objects to this Request to the extent that it seeks documents protected from

disclosure by the attorney-client privilege, work product doctrine, or any other privilege. The Trustee objects to this Request as overbroad as it seeks documents far beyond the scope of the Motion, which is limited to requesting a surcharge on collateral for Veracity's and Vervent's work related to the bankruptcy proceeding and asking the Court to order payment of such surcharge. This Request assumes, without basis, that the Trustee cannot surcharge collateral until the Court determines which property belongs to the debtor and therefore seeks information far beyond what is needed to resolve the Motion. The Trustee finally objects to this Request as premature to the extent it is improperly requesting expert discovery at this stage of this proceeding.

Except to the extent produced in response to other Requests, the Trustee will not produce the requested analysis because any such analysis constitutes attorney work product and/or is protected by the attorney-client privilege.

REQUEST NO. 9

All documents showing the Trustee's (or any of the Trustee Professionals') analysis to "document chain of custody, confirm lien status, reconcile sale proceeds, and resolve disputes regarding priority and ownership" (as alleged in ¶ 16 of the Motion) and all documents relied upon by the Trustee (or any of the Trustee Professionals) as part of any such analysis.

RESPONSE TO REQUEST NO. 9

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. The Trustee objects to this Request as overbroad as it seeks documents far beyond the scope of the Motion, which is limited to requesting a surcharge on collateral for Veracity's and Vervent's work related to the bankruptcy proceeding and asking the Court to order payment of such surcharge. This Request assumes, without basis, that the Trustee cannot surcharge collateral until the Court determines which property belongs to the debtor and therefore seeks information far beyond what

is needed to resolve the Motion. The Trustee finally objects to this Request as premature to the extent it is improperly requesting expert discovery at this stage of this proceeding.

Except to the extent produced in response to other Requests, the Trustee will not produce the requested analysis because any such analysis constitutes attorney work product and/or is protected by the attorney-client privilege.

REQUEST NO. 10

All work product of Veracity that was delivered to the Trustee (or any of the Trustee Professionals). To the extent the work product involved restoration of electronic systems, request is made to inspect such systems or otherwise receive copies of the data on such systems.

RESPONSE TO REQUEST NO. 10

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee objects to this Request as vague to the extent that "such systems" is undefined. The Trustee requires clarification to respond to this Request. The Trustee objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. The Trustee objects to this Request as overbroad as it seeks documents far beyond the scope of the Motion, which is limited to requesting a surcharge on collateral for Veracity's and Vervent's work related to the bankruptcy proceeding and asking the Court to order payment of such surcharge. This Request assumes, without basis, that the Trustee cannot surcharge collateral until the Court determines which property belongs to the debtor and therefore seeks information far beyond what is needed to resolve the Motion. The Trustee also objects to this request as unduly burdensome because it asks the Trustee to produce all 145 terabytes of data collected by Veracity in relation to the above-captioned matter. The Trustee further objects to this Request as cumulative and duplicative of other Requests, including Request Nos. 8, 9, and 12. The Trustee objects to this Request as an inappropriate use of document requests because it requests that the Trustee allow direct access to files without any review or privilege

screening. The Trustee finally objects to this Request because it requests that the Trustee produce documents outside of the *Order Granting Chapter 7 Trustee's Amended Emergency Motion to (I) Sell Estate Assets Free and Clear of All Liens, Claims, Encumbrances, and Interests, (II) Establish Sale Procedures, and (III) Granting Related Relief* ("Sale Procedures Order"), filed on December 30, 2025 in the above-captioned matter, Docket No. 593.

Except to the extent produced in response to other Requests, the Trustee will not produce documents responsive to this Request.

REQUEST NO. 11

All documents created, restored, or preserved by Veracity that the Trustee (or any of the Trustee Professionals) provided to United States Department of Justice or any other state or federal governmental unit or entity.

RESPONSE TO REQUEST NO. 11

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee objects to this Request as overbroad as it seeks documents far beyond the scope of the Motion, which is limited to requesting a surcharge on collateral for Veracity's and Vervent's work related to the bankruptcy proceeding and asking the Court to order payment of such surcharge. This Request assumes, without basis, that the Trustee cannot surcharge collateral until the Court determines which property belongs to the debtor and therefore seeks information far beyond what is needed to resolve the Motion.

Except to the extent produced in response to other Requests, the Trustee will not produce documents responsive to this Request.

REQUEST NO. 12

All documents created, restored, or preserved by Veracity that were reviewed or relied upon by the Trustee (or any of the Trustee Professionals) in connection with preparation or defense of any litigation, including, without limitation, the following lawsuits: (a) *Burns, as Chapter 7 Trustee for Tricolor Holdings, v. Chu et al.*, 3:25-AP-3126 (Bankr. N.D. Tex); (b) *Burns, as Chapter 7 Trustee for Tricolor Holdings, v. Chu*, 2026-000047-CA-01 (Fla. Cnty. Ct., Miami-

Dade); and (c) *Burns, as Chapter 7 Trustee for Tricolor Holdings, v. Chu, et al.*, 25STCV38413 (Ca. Sup. Ct., Los Angeles Cnty.).

RESPONSE TO REQUEST NO. 12

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee objects to this Request as vague to the extent that "*Burns, as Chapter 7 Trustee for Tricolor Holdings, v. Chu et al.*, 3:25-AP-3126 (Bankr. N.D. Tex)" is undefined. The Trustee will interpret "*Burns, as Chapter 7 Trustee for Tricolor Holdings, v. Chu et al.*, 3:25-AP-3126 (Bankr. N.D. Tex)" to mean *Burns, as Chapter 7 Trustee for Tricolor Holdings, LLC v. Chu, et al.*, 3:25-AP-3126 (Bankr. N.D. Tex.). The Trustee further objects to this Request as vague to the extent that "*Burns, as Chapter 7 Trustee for Tricolor Holdings, v. Chu*, 2026-000047-CA-01 (Fla. Cnty. Ct., Miami-Dade)" is undefined. The Trustee will interpret "*Burns, as Chapter 7 Trustee for Tricolor Holdings, v. Chu*, 2026-000047-CA-01 (Fla. Cnty. Ct., Miami-Dade)" to mean *Burns, as Chapter 7 Trustee for Tricolor Holdings, LLC v. Chu*, 2026-000047-CA-01 (Fla. Cnty. Ct., Miami-Dade). The Trustee further objects to this Request as vague to the extent that "*Burns, as Chapter 7 Trustee for Tricolor Holdings, v. Chu, et al.*, 25STCV38413 (Ca. Sup. Ct., Los Angeles Cnty.)" is undefined. The Trustee will interpret "*Burns, as Chapter 7 Trustee for Tricolor Holdings, v. Chu, et al.*, 25STCV38413 (Ca. Sup. Ct., Los Angeles Cnty.)" to mean *Burns, as Chapter 7 Trustee for Tricolor Holdings, LLC v. Chu, et al.*, 25STCV38413 (Ca. Sup. Ct., Los Angeles Cnty.).

The Trustee objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. The Trustee objects to this Request as overbroad as it seeks documents far beyond the scope of the Motion which is limited to requesting a surcharge on collateral for Veracity's and Vervent's work related to the bankruptcy proceeding and asking the Court to order payment of such surcharge.

This Request assumes, without basis, that the Trustee cannot surcharge collateral until the Court determines which property belongs to the debtor and therefore seeks information far beyond what is needed to resolve the Motion. The Trustee further objects to this Request as cumulative and duplicative of other Requests, including Request No. 10.

Except to the extent produced in response to other Requests, the Trustee will not produce documents responsive to this Request.

REQUEST NO. 13

All documents and communications discussing or analyzing Veracity's services for the Trustee (or for any of the Trustee Professionals), including cost of such services.

RESPONSE TO REQUEST NO. 13

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee objects to this Request as overbroad to the extent it requests "[a]ll documents and communications" without limitation or specification of recipient or author. The Trustee further objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. The Trustee further objects to this Request as overly broad, unduly burdensome, irrelevant, and not proportional to the needs of this case because it seeks information not related to the claims or defenses of any party in this action. The Trustee further objects to this Request as unduly burdensome compared to the scope of the Motion to the extent that it seeks ESI. The scope of this Request is not proportional to the Motion, and furthermore, the vast majority of the Trustee's communications with Veracity are privileged.

Except to the extent produced in response to other Requests, the Trustee will not produce documents responsive to this Request.

REQUEST NO. 14

All communications between the Trustee (or any of the Trustee Professionals) and Capstone or Vervent discussing Veracity including, without limitation, communications discussing Veracity's retention by the Trustee, the need thereof, and the scope of Veracity's services or work.

RESPONSE TO REQUEST NO. 14

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. The Trustee further objects to this Request as overly broad, unduly burdensome, irrelevant, and not proportional to the needs of this case because it seeks information not related to the claims or defenses of any party in this action. The Trustee further objects to this Request as unduly burdensome compared to the scope of the Motion to the extent that it seeks ESI. The scope of this Request is not proportional to the Motion, and furthermore, the vast majority of the Trustee's communications with Veracity are privileged. The Trustee further objects to this Request as cumulative and duplicative of other Requests, including Request Nos. 4, 5, 6, 15, and 16.

Except to the extent produced in response to other Requests, the Trustee will not produce documents responsive to this Request.

REQUEST NO. 15

All documents and communications relating to any pitch, marketing, or other solicitation materials that the Trustee (or any of the Trustee Professionals) received from Veracity, or any alternative vendors, in connection with soliciting and engaging a vendor to perform the services identified in the Motion.

RESPONSE TO REQUEST NO. 15

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. The

Trustee further objects to this Request as overly broad, unduly burdensome, irrelevant, and not proportional to the needs of this case because it seeks information not related to the claims or defenses of any party in this action. The Trustee further objects to this Request as unduly burdensome compared to the scope of the Motion to the extent that it seeks ESI. The scope of this Request is not proportional to the Motion, and furthermore, the vast majority of the Trustee's communications with Veracity are privileged. The Trustee further objects to this Request as cumulative and duplicative of other Requests, including Request Nos. 5, 13, and 14.

Except to the extent produced in response to other Requests, the Trustee will not produce documents responsive to this Request.

REQUEST NO. 16

All documents and communications regarding former employees of the pre-petition Debtors whom the Trustee or Vervent or Veracity hired, including, without limitation, communications discussing such former employees' hiring by the Trustee or Vervent or Veracity, the need thereof, and the scope of the former employees' services or work.

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. The Trustee further objects to this Request as overly broad, unduly burdensome, irrelevant, and not proportional to the needs of this case because it seeks information not related to the claims or defenses of any party in this action. The Trustee further objects to this Request as cumulative and duplicative of other Requests, including Request Nos. 4, 5, and 14.

Except to the extent produced in response to other Requests, the Trustee will not produce documents responsive to this Request.

REQUEST NO. 17

Request is made for direct access to IDMS, Dealertrack, and any other key systems the Debtors used to track and record the Vehicle Inventory or the Retail Installment Contracts Portfolio.

RESPONSE TO REQUEST NO. 17

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee will produce documents in response to this Request according to the procedures set forth in the Sale Procedures Order.

SPECIFIC RESPONSES AND OBJECTIONS TO INTERROGATORIES

INTERROGATORY NO. 1

Identify with particularity all other Chapter 7 bankruptcy proceedings where the Trustee was appointed as the Chapter 7 trustee and retained Veracity.

RESPONSE TO INTERROGATORY NO. 1

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee objects to this Interrogatory as vague to the extent that "with particularity" is undefined. The Trustee will interpret "with particularity" to mean the case caption. The Trustee also objects to this Interrogatory as overbroad and unduly burdensome in seeking her to identify "all" other Chapter 7 bankruptcy proceedings where the Trustee was appointed as the Chapter 7 trustee and retained Veracity, regardless of whether those proceedings are at all relevant to the current proceeding. The Trustee objects to this Interrogatory to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege.

The Trustee states she has not retained Veracity in any other Chapter 7 bankruptcy proceeding in which she was appointed as the Chapter 7 trustee.

INTERROGATORY NO. 2

Identify all of the Debtors' former employees whom the Trustee or Vervent hired in connection with the above-captioned matter and describe with particularity the work they performed and any specialized technical or institutional knowledge or expertise held by each.

RESPONSE TO INTERROGATORY NO. 2

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee objects to this Interrogatory as vague to the extent that "any specialized technical or institutional knowledge or expertise" is undefined. The Trustee will interpret "any specialized technical or institutional knowledge or expertise" to mean any degrees or certificates held that are related to each employee's work at Vervent. The Trustee objects to this Interrogatory as compound, and/or containing multiple discrete subparts within the meaning of Rule 33(a) of the Federal Rules of Civil Procedure, because it calls for the Trustee to "[i]dentify all of the Debtors' former employees whom the Trustee or Vervent hired in connection with the above-captioned matter" and "describe with particularity the work they performed" and "any specialized technical or institutional knowledge or expertise held by each." The Trustee objects to this Interrogatory to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege.

Except to the extent provided in response to another Interrogatory, the Trustee will not provide any additional information in response to this Interrogatory.

INTERROGATORY NO. 3

RESPONSE TO INTERROGATORY NO. 3

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee will provide information in response to this Interrogatory according to the procedures set forth in Sale Procedures Order.

INTERROGATORY NO. 4

Identify by loan number, borrower, and amount the Retail Installment Contracts that constitute property of the Debtors' estates.

RESPONSE TO INTERROGATORY NO. 4

The Trustee incorporates the General Objections into this Response as if set forth fully herein. The Trustee will provide information in response to this Interrogatory according to the procedures set forth in Sale Procedures Order.

VERACITY FORENSICS LLC'S RESPONSES AND OBJECTIONS TO TBK BANK, SSB'S FIRST REQUESTS FOR PRODUCTION OF DOCUMENTS AND FIRST SET OF INTERROGATORIES

Pursuant to Federal Rules of Civil Procedure 26, 33, and 34, made applicable herein by Federal Rules of Bankruptcy Procedure 9014, 7026, 7033, and 7034, Veracity Forensics LLC ("Veracity"), hereby responds and objects to TBK Bank, SSB's ("TBK") First Requests for

[1] The Debtors in these Chapter 7 cases are as follows: Tricolor Holdings, LLC, TAG Intermediate Holding Company, LLC, Tricolor Auto Group, LLC, Tricolor Auto Acceptance, LLC, Tricolor Insurance Agency, LLC, Tricolor Home Loans LLC dba Tricolor Mortgage, Tricolor Real Estate Services, LLC, TAG California Holding Company, LLC, Flexi Compras Autos, LLC, TAG California Intermediate Holding Company, LLC, Tricolor California Auto Group, LLC, Tricolor California Auto Acceptance, LLC, Risk Analytics LLC, Tricolor Tax, LLC, Tricolor Financial, LLC, Tricolor Auto Receivables LLC, TAG Asset Funding, LLC, and Apoyo Financial, LLC.

Production of Documents and First Set of Interrogatories to Veracity Forensics LLC (collectively, incorporating the Definitions, Instructions, and each Request, the "Requests," and individually, a "Request," and incorporating the Definitions, Instructions, and each Interrogatory, the "Interrogatories", and individually, an "Interrogatory"), dated March 11, 2026, as follows:

GENERAL OBJECTIONS

Veracity responds and objects to each and every Request and Interrogatory propounded by TBK on the following grounds, which shall be deemed incorporated into each of the following answers to said Requests and Interrogatories. Veracity submits its Responses to the Requests and Interrogatories subject to and without waiving any of the following General Objections:

1. Veracity objects to the Requests and Interrogatories to the extent they conflict with, are in a different form from, or purport to expand upon the obligations imposed or authorized by the Federal Rules of Civil Procedure ("FRCP"), Federal Rules of Bankruptcy Procedure ("FRBP"), Local Rules of the Bankruptcy Court of the Northern District of Texas, Dallas Division ("Local Rules"), and/or any other applicable laws, rules, or regulations.

2. Veracity objects to the Requests and Interrogatories to the extent they seek information and/or documents protected from disclosure by the attorney-client, common-interest and/or joint-defense privileges, the attorney work-product doctrine, or any other applicable privilege or immunity, or that were prepared in anticipation of litigation and/or constitute or disclose the mental impressions, conclusions, opinions, or legal theories of any attorney or other representative of Veracity concerning this or any other legal proceeding. To the extent any Request or Interrogatory may be construed as seeking disclosure of such documents or information subject to any of those privileges or protections, Veracity invokes such privileges or protections and will construe the Request or Interrogatory as not seeking such information. Such information and/or

documents shall not be provided in response thereto, and inadvertent disclosure of the same shall not be deemed a waiver of any applicable privilege or protection, and any such information, document or communication shall be returned to Veracity or its attorneys, along with any copies made thereof.

3. Veracity objects to the Requests and Interrogatories to the extent that they are vague, ambiguous, unduly burdensome, and/or seek information and documents that are not relevant to any parties' claims or defenses or seek information that is not proportional to the needs of this case.

4. Veracity objects to the Requests and Interrogatories to the extent that they presume the existence of certain facts, or are based on assumptions neither proven by TBK nor admitted by Veracity. Veracity's willingness to respond to any Request or Interrogatory, or its production of documents or information responsive to any such Request or Interrogatory, does not constitute in any manner Veracity's admission to any of the assertions set forth or assumed in the Request or Interrogatory, nor does it constitute a waiver of Veracity's objections thereto.

5. Veracity objects to the Requests and Interrogatories to the extent they purport to require Veracity to obtain and produce information and documents outside of its possession, custody, or control. Veracity will produce responsive documents within its actual or constructive possession and expressly disclaims the obligation to produce information or documents within the actual or constructive possession of others.

6. Veracity objects to the Requests and Interrogatories to the extent that they seek business record, confidential, trade secret, and/or proprietary information not subject to public disclosure.

7. Veracity objects to the Requests and Interrogatories to the extent that the information and/or documents sought are unreasonably cumulative or duplicative, are already within TBK's possession or are obtainable from some other source that is more convenient, less burdensome or less expensive.

8. Veracity's responses and objections are made based on a reasonable investigation to date. That investigation is ongoing. Veracity reserves the right to amend or supplement their responses and objections.

9. Veracity objects to the definition of "Capstone" as vague. Veracity will interpret "Capstone" to mean CRS Capstone Partners LLC only.

10. Veracity objects to the definitions of the terms "Communications," and "Documents," to the extent that they are overly broad and seek to impose obligations on Veracity that exceed those required by the FRCP, FRBP, Local Rules, or any other applicable laws, rules or regulations.

11. Veracity objects to the definitions of "You," "Your," and "Yours" as overbroad, vague, and ambiguous, to the extent that they purport to include the terms "other individuals representing, advising, or otherwise working for Veracity or at Veracity's direction." Veracity will interpret "You," "Your," and "Yours" to mean Veracity only.

12. Veracity objects to each and every Request seeking electronically stored information ("ESI") as unduly burdensome given the scope of the *Chapter 7 Trustee's Motion for Entry of an Order (I) Authorizing the Trustee to Surcharge the Prepetition Lenders' Collateral, (II) Limiting the Prepetition Lenders' Liens on Proceeds of the Collateral, (III) Order the Prepetition Lenders to Pay the Expenses, and (IV) Granting Related Relief* (the "Motion"), filed in the above-captioned matter on February 28, 2026, at Docket No. 916. The scope of these

Requests and Interrogatories is not proportional to the Motion, which is limited to requesting a surcharge on collateral for Veracity's and Vervent, Inc.'s ("Vervent") work related to the bankruptcy proceeding and asking the Court to order payment of such surcharge. Furthermore, the vast majority of the Veracity's communications with the Trustee and Capstone are privileged.

SPECIFIC RESPONSES AND OBJECTIONS TO REQUESTS FOR PRODUCTION

REQUEST NO. 1

The Engagement Letter executed between the Trustee and Veracity in connection with the above-captioned matter.

RESPONSE TO REQUEST NO. 1

Veracity incorporates the General Objections into this Response as if set forth fully herein. Veracity will produce the Engagement Letter between the Trustee and Veracity, and its addendum.

REQUEST NO. 2

Any and all master services agreements, scope of work documents, or other agreements, documents, or communications related to the Engagement Letter or the work to be performed by Veracity for the Trustee (or any of the Trustee Professionals) in connection with the above-captioned matter.

RESPONSE TO REQUEST NO. 2

Veracity incorporates the General Objections into this Response as if set forth fully herein. Veracity objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. Veracity further objects to this Request as overly broad, unduly burdensome, irrelevant, and not proportional to the needs of this case because it seeks information not related to the claims or defenses of any party in this action. Veracity objects to this Request as unduly burdensome to the extent it requests "communications" related to the Engagement Letter as they are not relevant and not proportional to the needs of the case.

Veracity will produce any master service agreements, scope of work documents, and other agreements, to the extent they exist.

REQUEST NO. 3

All documents showing the identities and employers of persons associated with Veracity who actually performed work for the Trustee (or any of the Trustee Professionals), along with all documents showing the nature and scope of services provided by each such individual.

RESPONSE TO REQUEST NO. 3

Veracity incorporates the General Objections into this Response as if set forth fully herein. Veracity objects to this Request as overbroad to the extent it requests "[a]ll documents" without limitation or specification of recipient or author. Veracity further objects to this Request as vague to the extent that "persons associated with Veracity" is undefined. Veracity interprets "persons associated with Veracity" to mean employees of Veracity. Veracity also objections to this Request to the extent that it requests information not within Veracity's possession, custody, or control. Additionally, Veracity objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. Veracity further objects to this Request as overly broad, unduly burdensome, irrelevant, and not proportional to the needs of this case because it seeks information not related to the claims or defenses of any party in this action, including with regards to the request for the "identities and employers" of Veracity employees. Veracity further objects to this Request as cumulative and duplicative of other Requests, including Request No. 4.

Notwithstanding the foregoing, documents produced in response to Request No. 4 will satisfy Request No. 3.

REQUEST NO. 4

All invoices, time records, and expense statements of Veracity, including any invoices, time records, and expense statements of third-party contractors or vendors associated, used by, or affiliated with Veracity, for work performed for the Trustee (or any of the Trustee Professionals).

RESPONSE TO REQUEST NO. 4

Veracity incorporates the General Objections into this Response as if set forth fully herein. Veracity objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege.

Veracity will produce invoices, which include time entries, but reserves the right to redact these invoices for privilege.

REQUEST NO. 5

Documents showing the specific tasks and workstreams Veracity performed for the Trustee (or any of the Trustee Professionals) related to the Debtors' Vehicle Inventory and Retail Installment Contracts Portfolio.

RESPONSE TO REQUEST NO. 5

Veracity incorporates the General Objections into this Response as if set forth fully herein. Veracity objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege.

Veracity will produce documents in response to this Request according to the procedures set forth in the *Order Granting Chapter 7 Trustee's Amended Emergency Motion To (I) Sell Estate Assets Free And Clear Of All Liens, Claims, Encumbrances, And Interests, (II) Establish Sale Procedures, And (III) Granting Related Relief* ("Sale Procedures Order"), Docket No. 593.

REQUEST NO. 6

All documents or communications (including in connection with a potential post-petition financing) discussing any budgets or estimates of fees and expenses of Veracity in connection with its work for the Trustee (or any of the Trustee Professionals).

RESPONSE TO REQUEST NO. 6

Veracity incorporates the General Objections into this Response as if set forth fully herein. Veracity objects to this Request as overbroad to the extent it requests "[a]ll documents and communications" without limitation or specification of recipient or author. Veracity also objects

to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. Veracity further objects to this Request as overly broad, unduly burdensome, irrelevant, and not proportional to the needs of this case because it seeks information not related to the claims or defenses of any party in this action. Veracity further objects to this Request as unduly burdensome compared to the scope of the Motion to the extent that it seeks ESI. The scope of this Request is not proportional to the Motion, and furthermore, the vast majority of the Trustee's communications with Veracity are privileged. Veracity further objects to this Request as cumulative and duplicative of other Requests, including Request Nos. 8 and 11.

Veracity will not produce documents responsive to this Request, however Veracity will produce any estimates or budgets provided by Veracity to the Trustee, to the extent they exist.

REQUEST NO. 7

All work product of Veracity that was delivered to the Trustee (or any of the Trustee Professionals), Capstone, or Vervent. To the extent the work product involved restoration of electronic systems, request is made to inspect such systems or otherwise receive copies of the data on such systems.

RESPONSE TO REQUEST NO. 7

Veracity incorporates the General Objections into this Response as if set forth fully herein. Veracity objects to this Request as vague to the extent that "such systems" is undefined. Veracity requires clarification to respond to this Request. Veracity objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. Veracity objects to this Request as overbroad as it seeks documents far beyond the scope of the Surcharge Motion which is limited to requesting a surcharge on collateral for Vervent's work related to the bankruptcy proceeding and asking the Court to order payment of such surcharge. This Request assumes, without basis, that the Trustee cannot

surcharge collateral until the Court determines which property belongs to the debtor and therefore seeks information far beyond what is needed to resolve the Motion. Veracity also objects to this request as unduly burdensome because it asks Veracity to produce all 145 terabytes of data collected by Veracity in relation to the above-captioned matter. Veracity finally objects to this Request as an inappropriate use of document requests because it requests that Veracity allow direct access to files without any review or privilege screening. Veracity finally objects to this Request because it requests that Veracity produce documents outside of the Sale Process Order.

Except to the extent produced in response to other Requests, Veracity will not produce documents responsive to this Request.

REQUEST NO. 8

All documents and communications relating to any pitch, marketing, or other solicitation materials that Veracity provided to the Trustee (or any of the Trustee Professionals).

RESPONSE TO REQUEST NO. 8

Veracity incorporates the General Objections into this Response as if set forth fully herein. Veracity objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. Veracity further objects to this Request as overly broad, unduly burdensome, irrelevant, and not proportional to the needs of this case because it seeks information not related to the claims or defenses of any party in this action. Veracity further objects to this Request as unduly burdensome compared to the scope of the Motion to the extent that it seeks ESI. The scope of this Request is not proportional to the Motion, and furthermore, the vast majority of the Veracity's communications with the Trustee are privileged. Veracity further objects to this Request as cumulative and duplicative of other Requests, including Request Nos. 6 and 11.

Except to the extent produced in response to other Requests, Veracity will not produce documents responsive to this Request.

REQUEST NO. 9

All communications between Capstone and Veracity.

RESPONSE TO REQUEST NO. 9

Veracity incorporates the General Objections into this Response as if set forth fully herein. Veracity objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. Veracity further objects to this Request as overly broad, unduly burdensome, irrelevant, and not proportional to the needs of this case because it seeks information not related to the claims or defenses of any party in this action. Veracity further objects to this Request as unduly burdensome compared to the scope of the Motion to the extent that it seeks ESI. The scope of this Request is not proportional to the Motion, and furthermore, the vast majority of the Veracity's communications with the Trustee are privileged. Veracity further objects to this Request as cumulative and duplicative of other Requests, including Request Nos. 10 and 11. Veracity objects to this Request to the extent it purports to require Veracity to obtain and produce documents outside of its possession, custody, or control.

Except to the extent produced in response to other Requests, Veracity will not produce documents responsive to this Request.

REQUEST NO. 10

All communications between Vervent and Veracity.

RESPONSE TO REQUEST NO. 10

Veracity incorporates the General Objections into this Response as if set forth fully herein. Veracity objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. Veracity further

objects to this Request as overly broad, unduly burdensome, irrelevant, and not proportional to the needs of this case because it seeks information not related to the claims or defenses of any party in this action. Veracity further objects to this Request as unduly burdensome compared to the scope of the Motion to the extent that it seeks ESI. The scope of this Request is not proportional to the Motion, and furthermore, the vast majority of the Veracity's communications with the Trustee are privileged. Veracity further objects to this Request as cumulative and duplicative of other Requests, including Request Nos. 9 and 11. Veracity objects to this Request to the extent it purports to require Veracity to obtain and produce documents outside of its possession, custody, or control.

Except to the extent produced in response to other Requests, Veracity will not produce documents responsive to this Request.

REQUEST NO. 11

All communications between Veracity, on one hand, and the Trustee or counsel for the Trustee, on the other hand.

RESPONSE TO REQUEST NO. 11

Veracity incorporates the General Objections into this Response as if set forth fully herein. Veracity objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege. Veracity further objects to this Request as overly broad, unduly burdensome, irrelevant, and not proportional to the needs of this case because it seeks information not related to the claims or defenses of any party in this action. Veracity further objects to this Request as unduly burdensome compared to the scope of the Motion to the extent that it seeks ESI. The scope of this Request is not proportional to the Motion, and furthermore, the vast majority of the Veracity's communications with the Trustee are privileged. Veracity further objects to this Request as cumulative and duplicative of other Requests, including Request Nos. 6, 8, 9, and 10. Veracity objects to this Request to the extent it purports to require

Veracity to obtain and produce information and documents outside of its possession, custody, or control. The scope of this Request is not proportional to the Motion, and furthermore, the vast majority of the Trustee's communications with Veracity are privileged.

Except to the extent produced in response to other Requests, Veracity will not produce documents responsive to this Request.

SPECIFIC RESPONSES AND OBJECTIONS TO INTERROGATORIES

INTERROGATORY NO. 1

Identify with particularity the specific tasks and workstreams Veracity performed for the Trustee (or any of the Trustee Professionals) and, as part of your response, please identify each of the Debtors' electronic systems, databases, records, devices, and other files that Veracity worked on and explain what it did regarding each.

RESPONSE TO INTERROGATORY NO. 1

Veracity incorporates the General Objections into this Response as if set forth fully herein. Veracity objects to this Interrogatory as vague to the extent that "with particularity" is undefined. Veracity will interpret "with particularity" to mean identify. Veracity objects to this Interrogatory as compound, and/or containing multiple discrete subparts within the meaning of Rule 33(a) of the Federal Rules of Civil Procedure, because it calls for Veracity to "[i]dentify with particularity the specific tasks and workstreams Veracity performed for the Trustee" and "please identify each of the Debtors' electronic systems, databases, records, devices, and other files that Veracity worked on and explain what it did regarding each." Veracity objects to this Interrogatory to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege.

Except to the extent provided in response to another Interrogatory or Request, Veracity will not provide any additional information in Response to this Interrogatory.

INTERROGATORY NO. 2

Identify all professionals employed by or associated with Veracity who worked on matters for the Debtors or the Trustee (or any of the Trustee Professionals) and describe with particularity the work performed and any specialized technical expertise held by each.

RESPONSE TO INTERROGATORY NO. 2

Veracity incorporates the General Objections into this Response as if set forth fully herein. Veracity objects to this Interrogatory as vague to the extent that "with particularity" is undefined. Veracity will interpret "with particularity" to mean identify. Veracity objects to this Interrogatory as compound, and/or containing multiple discrete subparts within the meaning of Rule 33(a) of the Federal Rules of Civil Procedure, because it calls for Veracity to "[i]dentify all professionals employed by or associated with Veracity who worked on matters for the Debtors or the Trustee" and "describe with particularity the work performed and any specialized technical expertise held by each." Veracity objects to this Interrogatory to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other privilege.

Re: Important Information about **Claims Information Line**

Dear TRICOLOR HOLDINGS, LLC

Travelers Bond & Specialty Insurance is pleased to announce its **1-800-842-8496** Claims Information Line. This line is designed to provide insureds with an additional resource on how to report claims or those circumstances or events which may become claims.

Policyholders will be able to obtain assistance on the following topics from the Claims Information Line:

- The information that needs to be included with the claim notice
- The address, electronic mail address and/or facsimile number to which the policyholder can send claims related information
- Get questions on the claim process answered

The Declarations Page of your policy sets forth where you should report claims and claims related information. You should also review the policy's reporting requirements to be aware of how much time you have to report a claim to Travelers. The sooner Travelers is notified, the sooner we can become involved in the process and offer assistance to our policyholder. A delay in reporting may result in all or part of a matter to fall outside of the coverage provided.

The Claims Information Line should streamline the claim reporting process and allow policyholders to ask questions on what information is needed as well as other questions which will assist them in working with Travelers. While the Claims Information Line provides policyholders a valuable resource by answering questions and providing information, the line does not replace the reporting requirements contained in the Policy.

We hope this improvement to customer service is something our policyholders will find helps them understand the claim process and provides them a resource for reporting.

This endorsement modifies any Coverage Part or Coverage Form included in this Policy that is subject to the federal Terrorism Risk Insurance Act of 2002 as amended.

Cap On Losses From Certified Acts Of Terrorism Endorsement

The following is added to this Policy. This provision can limit coverage for any loss arising out of a *Certified Act Of Terrorism* if such loss is otherwise covered by this Policy. This provision does not apply if and to the extent that coverage for the loss is excluded or limited by an exclusion or other coverage limitation for losses arising out of *Certified Acts Of Terrorism* in another endorsement to this policy.

If aggregate insured losses attributable to *Certified Acts Of Terrorism* exceed $100 billion in a calendar year and the Insurer has met its insurer deductible under *TRIA*, the Insurer will not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case, insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

Certified Act Of Terrorism means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of *TRIA*, to be an act of terrorism pursuant to *TRIA*. The criteria contained in *TRIA* for a *Certified Act Of Terrorism* include the following:

1. The act resulted in insured losses in excess of $5 million in the aggregate, attributable to all types of insurance subject to TRIA; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

TRIA means the federal Terrorism Risk Insurance Act of 2002 as amended.

This endorsement modifies any Coverage Part or Coverage Form included in this Policy that is subject to the federal Terrorism Risk Insurance Act of 2002 as amended.

Federal Terrorism Risk Insurance Act Disclosure Endorsement

The federal Terrorism Risk Insurance Act of 2002 as amended ("TRIA"), establishes a program under which the Federal Government may partially reimburse "Insured Losses" (as defined in TRIA) caused by "Acts Of Terrorism" (as defined in TRIA). Act Of Terrorism is defined in Section 102(1) of TRIA to mean any act that is certified by the Secretary of the Treasury - in consultation with the Secretary of Homeland Security and the Attorney General of the United States - to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

The Federal Government's share of compensation for such Insured Losses is 80% of the amount of such Insured Losses in excess of each Insurer's "Insurer Deductible" (as defined in TRIA), subject to the "Program Trigger" (as defined in TRIA).

In no event, however, will the Federal Government be required to pay any portion of the amount of such Insured Losses occurring in a calendar year that in the aggregate exceeds $100 billion, nor will any Insurer be required to pay any portion of such amount provided that such Insurer has met its Insurer Deductible. Therefore, if such Insured Losses occurring in a calendar year exceed $100 billion in the aggregate, the amount of any payments by the Federal Government and any coverage provided by this policy for losses caused by Acts Of Terrorism may be reduced.

For each coverage provided by this policy that applies to such Insured Losses, the charge for such Insured Losses is no more than one percent of your premium, and does not include any charge for the portion of such Insured Losses covered by the Federal Government under TRIA. Please note that no separate additional premium charge has been made for coverage for Insured Losses covered by TRIA. The premium charge that is allocable to such coverage is inseparable from and imbedded in your overall premium.

2. Liability Coverage Shared Limit of Liability

In no event will the Company be obligated to make any payment for **Loss** , including **Defense Expenses**, with regard to a **Claim** after the applicable limit of liability has been exhausted by payment or tender of payment of **Loss**.

If a **Liability Coverage Limit of Liability** is exhausted by the payment of amounts covered under such **Liability Coverage**, the premium for such **Liability Coverage** will be fully earned, all obligations of the Company under such **Liability Coverage** will be completely fulfilled and exhausted, including any duty to defend, and the Company will have no further obligations of any kind or nature whatsoever under such **Liability Coverage**.

The **Additional Defense Limit of Liability** is applicable to **Defense Expenses** only. If the **Annual Reinstatement of the Liability Coverage Limit of Liability** is applicable, the **Additional Defense Limit of Liability** will be reinstated for each **Policy Year**.

   b. upon written request, the Company will advance **Defense Expenses** with respect to such **Claim**. Such advanced payments by the Company will be repaid to the Company by the **Insureds** severally according to their respective interests in the event and to the extent that the **Insureds** are not entitled to payment of such **Defense Expenses** under such **Liability Coverage**. As a condition of any payment of **Defense Expenses** under this subsection, the Company may require a written undertaking on terms and conditions satisfactory to the Company guaranteeing the repayment of any **Defense Expenses** paid to or on behalf of any **Insured** if it is finally determined that any such **Claim** or portion of any **Claim** is not covered under such **Liability Coverage**.

The **Insured** agrees to give the Company such information, assistance and cooperation as it may reasonably require.

All notices under this subsection must be sent by mail or prepaid express courier to the address set forth in ITEM 3 of the Declarations and will be effective upon receipt. The **Insured** agrees not to voluntarily settle any **Claim**, make any settlement offer, assume or admit any liability or, except at the **Insured's** own cost, voluntarily make any payment, pay or incur any **Defense Expenses**, or assume any obligation or incur any other expense, without the Company's prior written consent, such consent not to be unreasonably withheld. The Company is not liable for any settlement, **Defense Expenses**, assumed obligation or admission to which it has not consented.

If an **Insured** becomes aware of a **Potential Claim** and gives the Company written notice of the particulars of such **Potential Claim,** including all facts related to the **Wrongful Act**, the identity of each person allegedly involved in or affected by such **Wrongful Act** , the dates of the alleged events, and the reasons for anticipating a **Claim** , as soon as practicable during the **Policy Period**, or if exercised, during the Extended Reporting Period or Run-Off Extended Reporting Period, any **Claim** subsequently made against any **Insured** arising out of such **Wrongful Act** will be deemed to have been made during the **Policy Period**.

All notices under this subsection must be sent by mail or prepaid express courier to the address set forth in ITEM 3 of the Declarations and will be effective upon receipt.

H. RELATED CLAIMS

All **Claims** or **Potential Claims** for **Related Wrongful Acts** will be considered as a single **Claim** or **Potential Claim**, whichever is applicable, for purposes of this **Liability Policy**. The **Insured** will do nothing to prejudice such rights.

J. RECOVERIES

All recoveries from third parties for payments made under this **Liability Policy** will be applied, after first deducting the costs and expenses incurred in obtaining such recovery, in the following order of priority:

1. first, to the Company to reimburse the Company for any Retention amount it has paid on behalf of any **Insured**;
2. second, to the **Insured** to reimburse the **Insured** for the amount it has paid which would have been paid hereunder but for the fact that it is in excess of the applicable limits of liability hereunder;

1. such Run-Off Extended Reporting Period will not provide new, additional or renewed limits of liability; and
2. the Company's total liability for all **Claims** made during such Run-Off Extended Reporting Period will be only the remaining portion of the applicable limit of liability set forth in the Declarations as of the effective date of the **Change of Control**.

The entire premium for the Run-Off Extended Reporting Period will be deemed fully earned at the commencement of such Run-Off Extended Reporting Period.

The entire premium for the Extended Reporting Period will be deemed to have been fully earned at the commencement of such Extended Reporting Period.

The right to elect the Extended Reporting Period will terminate unless written notice of such election, together with payment of the additional premium due, is received by the Company within 60 days of the effective date of the termination or cancellation.

   a. one hundred percent (100%) of **Defense Expenses** incurred by the **Insureds** who are afforded coverage for such **Claim** will be allocated to covered **Loss**; and
   b. all loss other than **Defense Expense** will be allocated between covered **Loss** and uncovered loss based upon the relative legal and financial exposures of, and relative benefits obtained in connection with the defense and settlement of the **Claim** by the **Insured Persons**, the **Insured Organization**, and others not insured under such **Liability Coverage**. In making such a determination, the **Insured Organization**, the **Insured Persons** and the Company agree to use their best efforts to determine a fair and proper allocation of all such amounts. In the event that an allocation cannot be agreed to, then the Company will be obligated to make an interim payment of the amount of **Loss** which the parties agree is not in dispute until a final amount is agreed upon or determined pursuant to the provisions of the applicable **Liability Coverage** and applicable law.

If Reimbursement coverage is indicated in ITEM 7 of the Declarations and there is a **Claim** under any **Liability Coverage** in which the **Insureds** who are afforded coverage for such **Claim** incur an amount consisting of both **Loss** that is covered by such **Liability Coverage** and also loss that is not covered by such **Liability Coverage** because such **Claim** includes both covered and uncovered matters or covered and uncovered parties, the **Insureds** and the Company agree to use their best efforts to determine a fair and proper allocation of all such amounts. In making such a determination, the parties will take into account the relative legal and financial exposures of, and relative benefits obtained in connection with the defense and settlement of the **Claim** by the **Insured Persons**, the **Insured Organization**, and others not insured under the applicable **Liability Coverage**. In the event that an allocation cannot be agreed to, then the Company will be obligated to make an interim payment of the amount of **Loss** which the parties agree is not in dispute until a final amount is agreed upon or determined pursuant to the provisions of the applicable **Liability Coverage** and applicable law.

Q. CANCELLATION

The Company may cancel this **Liability Policy** for failure to pay a premium when due, in which case twenty (20) days written notice will be given to the **Named Insured**, unless, payment in full is received within twenty (20) days of the **Named Insured's** receipt of such notice of cancellation. The Company has the right to the premium amount for the portion of the **Policy Period** during which this **Liability Policy** was in effect.

Bankruptcy or insolvency of any **Insured** or an **Insured's** estate does not relieve the Company of any of its obligations hereunder.

S. CHANGES

Only the **Named Insured** is authorized to make changes in the terms of this **Liability Policy** and solely with the Company's prior written consent. This **Liability Policy's** terms can be changed, amended or waived only by endorsement issued by the Company and made a part of this **Liability Policy**. Notice to any representative of the **Insured** or knowledge possessed by any agent or by any other person will not effect a waiver or change to any part of this **Liability Policy**, or estop the Company from asserting any right under the terms, conditions and limitations of this **Liability Policy**, nor may the terms, conditions and limitations hereunder be waived or changed, except by a written endorsement to this **Liability Policy** issued by the Company.

T. ASSIGNMENT

This **Liability Policy** may not be assigned or transferred, and any such attempted assignment or transfer is void and without effect unless the Company has provided its prior written consent to such assignment or transfer.

2. such **Claim** is dismissed or there is a stipulation to dismiss such **Claim** with prejudice and without the payment of any monetary consideration by the **Insureds**.

In no event will a settlement of a **Claim** be considered a final adjudication of no liability for purposes of this subsection.

The certificate of incorporation, charter, articles of association or other organizational documents of the **Insured Organization** and each **Outside Entity**, including by-laws and resolutions, will be deemed to have been adopted or amended to provide indemnification to the **Insured Person**s to the fullest extent permitted by law.

D. OTHER INSURANCE AND INDEMNIFICATION

This **Liability Coverage** will apply only as excess insurance over, and will not contribute with: (1) any other valid and collectible insurance available to any **Insured**, including any insurance under which there is a duty to defend, unless such insurance is written specifically excess of this **Liability Coverage** by reference in such other policy to the Policy Number of this **Liability Policy**; or (2) indemnification to which an **Insured Person** is entitled from any **Outside Entity** other than the **Insured Organization**. This **Liability Coverage** will not be subject to the terms of any other insurance.

Counsel to the Chapter 7 Trustee

IN THE UNITED STATES BANKRUPTCY COURT
FOR THE NORTHERN DISTRICT OF TEXAS
DALLAS DIVISION

In re:	Chapter 7
TRICOLOR HOLDINGS, LLC, *et al*.,	Case No. 25-33487 (MVL)
Debtors. [1]	(Jointly Administered)
ANNE ELIZABETH BURNS, as Chapter 7 Trustee for Tricolor Holdings, LLC, *et al.*,	
Plaintiff,	
v.	Adversary No. _____
DANIEL CHU, JEROME KOLLAR, DAVID GOODGAME, and AMERYN SEIBOLD,	
Defendants.	

[1] The Debtors in these Chapter 7 cases are as follows: Tricolor Holdings, LLC, TAG Intermediate Holding Company, LLC, Tricolor Auto Group, LLC, Tricolor Auto Acceptance, LLC, Tricolor Insurance Agency, LLC, Tricolor Home Loans LLC dba Tricolor Mortgage, Tricolor Real Estate Services, LLC, TAG California Holding Company, LLC, Flexi Compras Autos, LLC, TAG California Intermediate Holding Company, LLC, Tricolor California Auto Group,

COMPLAINT

Anne Elizabeth Burns, Chapter 7 Trustee for the above-referenced Chapter 7 bankruptcy case and plaintiff herein ("**Trustee**" or "**Plaintiff**"), files this *Complaint* against Daniel Chu, Jerome Kollar, David Goodgame, and Ameryn Seibold (the "**Complaint**"), and in support thereof, respectfully submits as follows:

NATURE OF THE ACTION

1. This Complaint arises from a brazen fraud of over $600 million at Tricolor, perpetrated by Daniel Chu ("**Chu**"), the founder and former Chief Executive Officer ("**CEO**") and President, Jerome Kollar ("**Kollar**"), the former Chief Financial Officer, Vice President and Secretary, David Goodgame ("**Goodgame**"), the former Chief Operating Officer ("**COO**"), and Ameryn Seibold ("**Seibold**"), the former Director of Treasury (collectively "**Defendants**"). Defendants blatantly misrepresented the amount of finance receivables on Tricolor's books to secure more and more financing from its lending banks and to issue more and more asset-backed securities to investors. This scheme ultimately led to an avalanche of liabilities and an ensuing liquidity crisis, which resulted in the above-captioned Bankruptcy.

2. During Chu's nearly two-decade tenure as the CEO of Tricolor, he further defrauded Tricolor by using corporate funds to pay for lavish personal expenses and by forcing the company into paying him tens of millions of dollars in bonuses (on top of his executive salary), premised on his ability to deliver exceptional financial results—results that were the product of the fraud that he committed alongside Kollar, Goodgame, and Seibold. Chu's quest for multimillion dollar bonuses and regular use of corporate funds for personal expenses, against a backdrop of towering liabilities, allowed him to fund his lavish lifestyle—including opulent homes

LLC, Tricolor California Auto Acceptance, LLC, Risk Analytics LLC, Tricolor Tax, LLC, Tricolor Financial, LLC, Tricolor Auto Receivables LLC, TAG Asset Funding, LLC, and Apoyo Financial, LLC. (collectively, "**Tricolor**").

in Highland Park, Beverly Hills, and Miami (collectively worth approximately $38 million), as well as other personal luxuries such as private jet travel, expensive European vacations, cars, and even a personal ski chalet.

3. This fraud is part of a practice of deceit and self-enrichment by Chu. He began his career as a college basketball coach, until he was fired for allegedly directing an assistant coach to make improper payouts to student athletes. Following that, he founded a used-car chain that a subsequent buyer discovered was riddled with "accounting errors and irregularities" under Chu's watch. In connection with a subsequent business venture that was purportedly to invest in broadband utilities, Chu was sued by his business partners who claimed Chu sold their stakes in the company to settle a personal debt.

4. Chu then founded Tricolor in 2007. It was a "buy here, pay here" subprime auto finance company—*i.e.*, it is both an auto dealer and an auto finance company, offering in-house financing directly to its customers. Tricolor Auto Group, LLC operated over sixty dealerships in the United States, principally in Texas and California.

5. Tricolor's business model targeted "underbanked" borrowers, two-thirds of which lacked savings, consistent income, and credit scores. Tricolor was marketed as a community-focused company that gave auto loans to mainly Hispanic immigrants, attempting to cast aside the typical reputation of used car salesmen targeting vulnerable communities with promises of no credit-check loans.

6. Tricolor relied on short-term warehouse lending to originate auto loans for its customers. These loans were then bundled as collateral for asset-backed securities ("**ABS**"). These proceeds from ABS sales were, in turn, used to pay off the warehouse loans.

7. This economic model appeared to be a winning formula for Tricolor. Tricolor was among the fastest-growing auto lenders in the United States, quadrupling in size from 2018 through 2025. In 2025, it closed two term securitization transactions with notes sold for $328,100,000 and $217,180,000 (Tricolor Auto Receivables Trust 2025-1 and 2025-2, respectively).

8. But on the inside, Tricolor was a fraud, as Defendants perpetuated a double-pledging scheme, pursuant to which identical auto loans were pledged as collateral for separate warehouse credit lines with different banks, and Tricolor duplicated vehicle identification numbers to generate multiple fictitious loans per vehicle.

9. Tricolor warehouse lenders Fifth Third Bancorp and JPMorgan have each disclosed nearly $200 million in losses based on Tricolor's defaults on their warehouse loans. Tricolor's lenders have attributed these losses to "alleged fraudulent activity" at Tricolor.

10. To uncover the scope of this blatant fraud, the Trustee has retained consulting firm CRS Capstone Partners LLC ("**Capstone**"), and Captone's forensic accounting expert Jim Calandra (the "**Forensic Accounting Expert**"), to investigate the facts and circumstances that led to Tricolor's bankruptcy. While the investigation is ongoing, to date, the Forensic Accounting Expert has analyzed Tricolor's finance receivables, loan servicer reports, and Tricolor's historical financial statements, and his preliminary analysis reveals cloned or entirely fabricated loans with a receivable value of over $683 million, which allowed Tricolor to receive hundreds of millions of dollars more in credit from its lending banks than it had lent in auto loans to its consumers.

11. On December 16, 2025, the Department of Justice ("**DOJ**") unsealed a detailed indictment charging Chu and Goodgame with operating a financial crimes enterprise, conspiring to commit bank fraud and wire fraud affecting a financial institution, committing bank fraud, and committing wire fraud affecting a financial institution. (Ex. 1.) As explained in more detail below,

the DOJ's indictment cites specific text messages, voice recordings, and other documents in which Defendants orchestrated and executed this wide-ranging fraud, all while mocking the victims of that fraud. The charges brought against Chu in particular carry a maximum potential sentence of life in prison. Kollar and Seibold have pleaded guilty to fraud and are cooperating with the DOJ's investigation.

12. The Trustee now brings this action against Defendants for (1) fraud, (2) breach of the fiduciary duty of care, (3) breach of the fiduciary duty of loyalty, (4) breach of the Fifth Amended and Restated Limited Liability Agreement, (5) breach of the implied duty of good faith and fair dealing, (6) turnover of estate property, (7) avoidance of preferential transfers, (8) actual fraudulent transfer, (9) constructive fraudulent transfer, (10) civil conspiracy, (11) unjust enrichment, (12) constructive trust, and (13) an accounting, for the benefit of Debtors' estates and their creditors.

PARTIES

13. Plaintiff Anne Elizabeth Burns is the duly qualified and acting Chapter 7 trustee for the bankruptcy estate of Debtors, which is being administered under the Bankruptcy Case, and may be served with any further pleadings or documents in this Adversary Proceeding through the undersigned counsel.

14. Daniel Chu is a natural person and a resident of Florida. Chu resides at The Four Seasons Residences, The Surf Club, 9001 Collins Ave #S-201, Miami Beach, FL 33154. Chu was at all relevant times Chief Executive Officer and President of Tricolor Holdings, as well as a Manager of Tricolor Holdings. Chu also served as the Chief Executive Officer and President—as well as a Manager—of each of the other Debtors.

15. Jerome Kollar is a natural person residing in Texas. On information and belief, Kollar resides at 1301 McClintock Drive, Denton, TX 76208-5292. Kollar was at all relevant times Chief Financial Officer, Vice President and Secretary of Tricolor Holdings, as well as the CFO, and Manager of each of the other Debtors.

16. David Goodgame is a natural person residing in Texas. On information and belief, Goodgame resides at 601 Arrowhead Road, Waxahachie, TX 75167-8595. Goodgame served as the Vice President of Supply Chain and Analytics at Tricolor before being promoted to Chief Operating Officer in 2019—a position he held until Tricolor's bankruptcy.

17. Ameryn Seibold is a natural person residing in Texas. On information and belief, Seibold resides at 616 Saddle Club Way, Princeton, TX, 75407. Seibold was at all relevant times the Director of Treasury of Tricolor Holdings.

RELIEF REQUESTED

18. The Trustee seeks a judgment awarding recovery from Defendants for (1) fraud, (2) breach of the fiduciary duty of care, (3) breach of the fiduciary duty of loyalty, (4) breach of the Fifth Amended and Restated Limited Liability Agreement, (5) breach of the implied duty of good faith and fair dealing, (6) turnover of estate property, (7) avoidance of preferential transfers, (8) actual fraudulent transfer, (9) constructive fraudulent transfer, (10) civil conspiracy, (11) unjust enrichment, (12) constructive trust, and (13) an accounting, awarding Trustee's reasonable costs and attorney's fees, and granting such other and further relief at the Court deems just and proper.

JURISDICTION AND VENUE

19. The Court has jurisdiction to consider this adversary proceeding pursuant to 28 U.S.C. §§ 157 and 1334 and the *Order of Reference of Bankruptcy Cases and Proceedings Nunc Pro Tunc* dated August 3, 1984, entered by the United States District Court for the Northern

District of Texas. This is a core proceeding under 28 U.S.C. § 157(b). Venue of these cases and the Motion in this District is proper under 28 U.S.C. §§ 1408 and 1409.

20. The legal predicates for the relief requested herein are Sections 105(a), 542, 544, 547, 548, and 550 of title 11 of the United States Code (the "**Bankruptcy Code**"), Rules 7001 of the Federal Rules of Bankruptcy Procedure (the "**Bankruptcy Rules**"), and the Local Bankruptcy Rules of the United States Bankruptcy Court for the Northern District of Texas (the "**Local Rules**").

PROCEDURAL BACKGROUND

21. On September 10, 2025, Tricolor filed a voluntary petition in this Court under Chapter 7 of the United States Bankruptcy Code, 11 U.S.C. § 101, *et seq.*

22. On the same day, a Notice of a Chapter 7 Bankruptcy Case was entered, appointing Anne Elizabeth Burns as the Chapter 7 trustee for Tricolor.

23. Tricolor's petition indicated that it has more than 25,000 creditors and between $1 and $10 billion in liabilities.

24. A meeting pursuant to Section 341 of the Bankruptcy Code (the "**341 Meeting**") was held in the Bankruptcy Case on November 18, 2025. In advance of that meeting, the Trustee specifically requested that Chu serve as the Debtors' representative at the 341 Meeting. Nonetheless, Chu failed to attend this meeting. The 341 Meeting was therefore rescheduled to January 13, 2026, and Chu's counsel has indicated that Chu "will not voluntarily appear" at the rescheduled 341 Meeting and that if he is compelled to attend, he "will most certainly be advised to assert his rights under the Fifth Amendment as to most, if not all, questions that may be posed." On December 9, 2025 the Trustee filed a motion to compel Chu's attendance at the rescheduled 341 Meeting, or if Chu refuses to cooperate, the Trustee requests that the Court compel Kollar to

attend (Dkt. 523), and on December 16 filed a notice for a hearing on that motion scheduled for January 7, 2026, (Dkt. 549).

FACTUAL ALLEGATIONS

A. Chu's History of Suspect and Fraudulent Business Practices.

25. Even before engaging in the fraud he perpetrated at Tricolor alongside Kollar, Goodgame, and Seibold, Chu's professional career has been marred by wrongdoing in seemingly every professional position he has ever held.

26. Chu began his career coaching basketball at the University of the South in Sewanee, Tennessee. However, in 1992 he was fired for allegedly directing an assistant coach to give $4,000 to an athlete's parent to cover part of tuition; giving improper benefits to student athletes; and wielding improper influence over the financial aid process for need-based students. Chu violated both University and NCAA rules in orchestrating these payouts, and the NCAA infractions panel explicitly found that he engaged in unethical conduct. *See* David Adams, *Coach Dismissed for Alleged NCAA Violations*, The Sewanee Purple, dated April. 6, 1992, available at 1, dated April. 6, 1992, available at: https://dspace.sewanee.edu/server/api/core/bitstreams/8eee286e-efbe-4231-a85e-b69e9c743e67/content.

27. In 1992, Chu then founded Paaco Automotive Group, LLC, a used car chain like Tricolor that similarly targeted Hispanic buyers, and served as its President. After Paaco was sold to the Crown Group, Inc. ("**Crown**"), Chu initially stayed on as President. However, when Crown discovered that Paaco's financial records contained accounting errors and irregularities that arose under Chu's watch, it announced Chu's retirement in 1999 and reported these issues to the US Securities and Exchange Commission. *See* Crown Group, Inc., Annual Report (Form 10-K) (Apr. 30, 2001), at https://tinyurl.com/5n79tsdd.

28. After his exit from Crown, Chu and a group of partners founded Corona Broadband Partners II in 2000, for the purpose of investing in Broadband Utilities, LP. This project was short lived, however, as a lawsuit was filed by his fellow partners accusing Chu of misusing the $45,000 they gave Chu to invest. Chu allegedly never chartered the partnership, and he failed to report to investors that he instead traded the investment for forgiveness of a personal debt. *See* Plaintiffs' Original Petition, *Schlacter et al. v. Chu et al.*, DC-12-09679 (Tex. Dist. Ct. Aug. 24, 2012).

29. In 2007, Chu founded Tricolor, where he worked with Defendants to continue his pattern of fraudulent and self-dealing activities that have inflicted hundreds of millions of dollars of harm and forced the company into bankruptcy.

B. Tricolor's Business and Corporate Organization.

30. Tricolor Holdings is a limited liability company founded in 2015 and organized under the laws of the State of Delaware with a principal place of business at 6021 Connection Drive, 4th Floor, Irving, Texas 75039. It is the direct or indirect parent entity of the other Debtors. *See* Appendix A. The majority member of Tricolor Holdings is Ganas Investors, LLC, an LLC in which Chu was the sole manager.

31. Tricolor was a "buy here, pay here" subprime auto finance company, which meant that it was both an automobile dealer and finance company, offering in-house financing directly to its customers who purchased its used vehicles.

32. As a subprime finance company, Tricolor's customers were typically those with poor or little credit history, and often are lower-income individuals.

33. In particular, Tricolor focused its business toward undocumented immigrants, who traditionally had limited access to most automobile financing and no available credit history. Tricolor positioned itself as an ESG-focused (environmental, social, and governance focused)

company that allowed otherwise vulnerable communities to achieve vehicle ownership without the typical reputation of used car salesmen with promises of no credit-check loans.

C. Tricolor's Warehouse Loans.

34. Tricolor funded its auto lending operations through warehouse loans. A warehouse loan is a revolving line of credit extended by a financial institution to a lender to fund consumer loans. These lines of credit are seen in a variety of industries but are commonly used in auto lending and mortgage lending.

35. Because Tricolor was a buy-here, pay-here dealer, Tricolor could originate auto loans to the purchasers of the vehicles it sold (represented on Tricolor's books as finance receivables) and then finance those loans through the warehouse line of credit. Tricolor's lending process followed a cyclical pattern in which: (1) Tricolor would take a loan application from a prospective automobile consumer, (2) Tricolor would draw on the warehouse line of credit in order to fund the auto loan, (3) the auto loan would serve as collateral for the warehouse line of credit, (4) the auto loans would be securitized into asset-backed securities to be sold to investors, and (5) the warehouse line of credit would be repaid with funds from selling the asset-backed securities.

36. Tricolor's warehouse lending process was enumerated in its Credit Agreement dated November 13, 2020, between Tricolor Funding SPV 4 LLC (borrower), Tricolor Auto Acceptance, LLC (servicer), lenders (from time to time), agents (from time to time), JPMorgan Chase Bank, N.A. (as the administrative agent) ("**JPM**"), and Vervent Inc. (as the backup servicer), and Wilmington Trust, N.A. (as the collateral custodian and account bank) (the "**Credit Agreement**") (Ex. 2), as well as in other substantially similar agreements concerning Tricolor's other SPV entities. Tricolor's lending banks included JPM, Fifth Third Bank, and Origin Bank (each a "**Lender**," and collectively, the "**Lenders**").

37. Chu signed the Credit Agreement on behalf of both Tricolor Auto Acceptance, LLC and Tricolor Funding SPV 4 LLC.

38. Per the Credit Agreement, Tricolor Auto Acceptance, LLC (a Debtor) was the servicer of the warehouse loans, while another subsidiary, Tricolor Funding SPV 4 LLC, was the borrower.

39. By the Credit Agreement's terms, Tricolor Funding SPV 4 was obligated to not exceed a collateralization rate of 80%—that is, the Lenders agreed to extend a line of credit to Tricolor for amounts less than or equal to 80% of the value of Tricolor's recorded finance receivables (*i.e.*, its auto loans to Tricolor customers).

40. Because the auto loans themselves were the collateral for the Lenders' warehouse line of credit, the collateralization rate of 80% was intended to limit Lenders' exposure in the event of consumer defaults on those auto loans. Putting a cap on the line of credit that could be advanced to Tricolor for a given amount of collateral was vital, as Tricolor's customer base consisted of those with poor (or no) credit history. As a result, defaults on the auto loans which served as the collateral for the warehouse line of credit were a common occurrence.

41. At the same time, this collateralization rate was also vital to Tricolor's overall financial health, as Tricolor was ultimately responsible for paying off its warehouse line of credit. Limiting the rate of collateralization acted to prevent Tricolor from taking on too many liabilities at one time. In the event of a default on an auto loan from a Tricolor customer, Tricolor would repossess the vehicle and try to sell it to a new customer—but by capping the amount of liabilities Tricolor could take on, Tricolor could better absorb the shocks of individual consumer auto loan defaults.

42. In addition to his roles at Tricolor, Chu was also a board member of one of Tricolor's Lenders, Origin Bank, and upon information and belief, he used his influence at this Lender for both Tricolor's and his own personal gain.

43. Chu used his influence to persuade Origin to become one of Tricolor's top Lenders, and pledging in return collateral that had already been committed to other Lenders.

44. As of August 2025, Origin Bank had loaned $25,000,000 in warehouse financing and $5,000,000 in term financing to Tricolor.

D. Defendants' Hands-On Involvement in and Total Control Over All Aspects of Tricolor's Business.

45. Tricolor Holdings was a "manager-managed" LLC, whereby a Board of Managers was empowered pursuant to the Fifth Amended and Restated Limited Liability Agreement of Tricolor Holdings LLC (the "**LLC Agreement**") (Ex. 3) to manage the business and affairs of Tricolor Holdings. The Board of Managers, in turn, was empowered by the LLC Agreement to appoint Officers to manage the day-to-day affairs of the Company. The other Debtors, too, were manager-managed LLCs.

46. Defendants each managed the day-to-day operations of Tricolor.

47. Chu was at all relevant times the Chief Executive Officer and President of Tricolor Holdings, as well as a Manager of Tricolor Holdings. Chu also served as the Chief Executive Officer and President—and a Manager—of each of the other Debtors. As CEO and President, Chu oversaw all aspects of Tricolor's business. Chu was also the public face of Tricolor, regularly speaking for the company in a wide variety of publications and podcasts regarding Tricolor's business strategies and other substantive issues facing the company, for example on October 18, 2019, Chu appeared on the Lend Academy Podcast to discuss building a customer base that did not focus on repeat customers. (Ex. 4.)

48. Kollar was at all relevant times the Chief Financial Officer, Vice President and Secretary of Tricolor Holdings and each of the other Debtors. Kollar also served as a Manager of each of the other Debtors.

49. David Goodgame was at all relevant times the Vice President of Supply Chain and Analytics (until 2019) and the Chief Operating Officer of Tricolor Holdings (from 2019 until Tricolor's bankruptcy). As COO, Goodgame was responsible for managing the day-to-day operations of Tricolor, and he personally oversaw the supply chain, loan servicing, customer experience, and sales operations of Tricolor.

50. Ameryn Seibold was at all relevant times the Director of Treasury of Tricolor Holdings. As Director of Treasury, Seibold answered directly to Kollar and worked closely alongside him in managing the reporting of Tricolor's financial condition to the Lenders, stakeholders, and others at Tricolor.

51. At virtually every Tricolor Board meeting, Defendants Chu and Kollar presented regarding financial position of the company, including investments, hiring, and macroeconomic conditions. Defendants Chu and Kollar therefore controlled the financial narrative that was presented to the Board, meeting after meeting.

52. Defendants Chu and Kollar also led the process for securitizing Tricolor's auto loans, demonstrating their familiarity with Tricolor's financial standing, collateral available for pledging, and collateral already pledged. On at least one occasion, Defendants Chu and Kollar worked together to develop materials for the Board concerning Tricolor's securitizations to financial institutions.

53. Marketing materials for the ABS Social Bond, highlighted that Chu and Kollar, and other executives on the company's Credit Risk Committee would oversee the creation of each loan portfolio and ultimately approve the loan portfolio. (Ex. 5.)

E. Defendants' Wide-Ranging Fraud.

54. As set forth in the DOJ indictment, from 2018 through 2025, Defendants perpetuated a brazen double-pledging scheme to defraud Tricolor, its lenders, and other investors.

55. In or about 2018, Chu instructed Kollar to pledge past-due loans that Tricolor had already charged-off as losses. Chu instructed Kollar to create a fictitious portfolio company in Tricolor's dealer management system, transfer the charged-off loans to the new portfolio company, and arrange for other Tricolor employees to manually enter fake payments from customers on those charged-off loans in the dealer management system. In order to pay back the loans it secured from Lenders through the collateralized car loans, Tricolor used funds from one Lender to pay back another Lender to make it appear as though the fake payments were not fabricated by Defendants.

56. In January 2021, Chu asked Kollar over text if there was "anything we can pledge" from one lender to another lender to "get some liquidity." Kollar responded, "I will look. What is 'there' typically is [ineligible] for those." The DOJ concluded in their indictment that this text was referring to charged-off loans that were manipulated to appear as though they were actively performing loans.

57. At around the same time, others at Tricolor became concerned with the possibility of fraudulent activity and inadequate internal controls at the company. For example, as early as January 2021, Defendants were informed of material weaknesses identified by Tricolor's Chief Process Officer, Vanessa Mata. In a spreadsheet she presented to Defendants, she raised, among

other things, concerns with the lack of internal review protocols to compare inventory to finance receivables to ensure appropriate reclassification. (Ex. 6.) This lack of internal review was by design, allowing Defendants to alter data manually as part of their fraudulent scheme. Mata also sounded the alarm that certain users had access to multiple accounting systems which "can cause undetected errors, or allow the ability to commit fraud or theft." Mata also raised that "[s]tandard accounting controls were not documented or performed (such as account reconciliations performed and reviewed[])]. [The] Team lacked strong CPA and Accounting Bachelors / Masters expertise to under[stand] and record accounting transactions to US GAAP requirements." Finally, she raised that the lack of an internal audit department could lead to a lack of compliance or "bad business practices continuing without identification." In response, Defendants tasked Kollar—one of the main perpetrators of the fraud—with supposedly remediating the issues identified by Mata. He never did so, and the Defendants continued their wrongdoing.

58. In or about 2021, Defendants manipulated data related to Tricolor's collateral for inventory loans (*i.e.*, the vehicles themselves). Chu and Kollar retained vehicles on Tricolor's borrowing base for inventory credit lines even after they were sold, allowing for Tricolor to draw on lines of inventory credit for illusory collateral. For example, on April 20, 2021, Chu texted Kollar and others that, "[i]n an ideal scenario, we buy and increase inventory by $10mm and then we move the sold units off the borrowing base." That is, Tricolor would increase its inventory by $10 million to allow it to remove sold units that were fraudulently misrepresented in its borrowing base for inventory credit lines. At the same time, Defendants also caused Tricolor to pledge to other lenders the finance receivables for cars that had been sold and financed but were nonetheless pledged to inventory lines of credit.

59. From at least 2022 onwards, Defendants further manipulated financial data as to Tricolor's borrowing base, including data on loan performance, and pledged the same collateral across multiple warehouse facilities to draw more from its warehouse credit lines. Defendants submitted manipulated borrowing base reports to Lenders which misrepresented the loan receivables that formed Tricolor's borrowing base.

60. Defendants texted openly about the ongoing fraud. For example, Chu texted Kollar on July 25, 2022 asking him, "Can we work the >60s"? That is, he asked if data for loans over 60 days past due could be "worked." In response, Kollar and Seibold manually changed the data fields in borrowing base reports related to whether a loan was performing or past due, such that loans that were more than 60 days past due appeared to be current or paid within the last 60 days. (Ex. 1).

61. Chu and Kollar also regularly texted about efforts to obtain more liquidity by making misrepresentations to Lenders. On April 26, 2022, Kollar texted Chu: "We maxed the [Lender] one [*i.e.*, the SPV4 warehouse] for tomorrow by adding $1M when we should have only received $300k and working on [another Lender] [*i.e.*, the SPV 3 warehouse] today." This meant that Defendants' collateral manipulation had obtained $1 million more from the SPV 4 warehouse than would have been possible without fraud. On November 16, 2022, Chu texted Kollar for an update on Tricolor's liquidity, and Kollar responded that Tricolor has "$2.1m to [pledge] and with working DQ [delinquency] buckets we are getting $2.77M or ~$1.3m more. Will do a Bb [borrowing base] tomorrow and work to squeeze a little more out." (Ex. 1 at 8.) This meant that by manipulating delinquency data in borrowing base reports, Kollar increased the volume of eligible loans, generating an additional $1.3 million in advanced funds from lenders.

62. Defendants also double pledged the same loans as collateral to multiple lenders and securitizations. On March 1, 2023, Seibold described double-pledging efforts to Goodgame, writing that Seibold was "taking accounts from SPV6 and pledging on SPV3 to get liquidity out of SPV3," to which Goodgame replied jokingly with a crying emoji. Seibold then stated that he was then "possibly taking SPV5 accounts and double pledging on SPV6." In both instances, the same loans were being applied to multiple securitizations. On September 8, 2023, Goodgame messaged Seibold about needing to sell more inventory each week, and Seibold explained that "[w]e are bringing in between 6-8M a week on the main spvs right now," but that "[i]t's been tight just because of how close we are to maxing out the facilities." Seibold further explained that "Spv6 is capped out. Spv4 is making it hard with this notional inter[e]st rate cap. Spv3 is capped out. We have some room on SPV5 but are trying to keep it relatively clean. Doing everything I can to make sure we still have as much as we can coming in. The audits are going to be tough." In response, Goodgame responded, "ugh." Seibold, in turn, joked that "[h]opefully after this securitization we can keep them a bit cleaner," and Goodgame responded "Lol"—both joking about how Tricolor's lines of credit were not clean of fraud. (Ex. 1 at 9.)

63. To help prevent the fraud from being discovered, Defendants also falsified backup records to keep when audits were performed, including loan payment ledgers and system records indicating to which lender a loan had been pledged. During audits over the years this fraud was ongoing, Defendants would communicate about the possibility of having the fraud come to light. For example, on July 22, 2021, when an auditing firm was auditing Tricolor's prior year financial statements, Kollar texted Chu, "We will need to make sure [the auditor] does not try to [t]ie out [Lender]," because a comparison of the manipulated data that was provided to one of the Lenders to the real data in Tricolor's internal dealer management system would have revealed the fraud.

Chu responded: "I know." (Ex. 1 at 9.) Similarly, on December 12, 2022, Kollar sent a Teams message to an employee regarding an audit conducted by TBK, one of Tricolor's lenders. Kollar instructed the employee alter information in the sales report to be sent to TBK's auditing team by entering "a [vehicle identification number] that would not be searchable to the BBs [borrowing base spreadsheet]." (Ex. 7.) Later, on July 28, 2023, in connection with a different audit, Chu texted Kollar: "Can you reconstruct [Lender's] BB," referring to the borrowing base of purported collateral pledged to one of the Lenders. Kollar responded, in part, "It includes loans that are not active." Over the relevant period, Seibold at various times raised concerns about the fraud being discovered. Goodgame, in response, would reassure Seibold so that Seibold would continue perpetuating the fraud. (Ex. 1 at 9.)

64. In February 2024, JPM performed an audit of Tricolor collateral pledged to JPM and alerted Kollar and Tricolor to serious material weaknesses in its accounting practices. JPM's findings revealed approximately $13 million in double pledged loans on collateral pledged JPMorgan. In a consulting report dated February 23, 2024, addressed to Kollar, JPM's auditor noted that of the 25 accounts on which it performed an aging test, three accounts were repossessed as of January 31, 2024, but were not marked as such. This consulting report also cited some of the very same material weaknesses that were identified in the 2021 Chief Process Officer report discussed above, including lack of internal review protocols to ensure accuracy of finance receivables. Of course, Defendants did not correct these errors identified by JPM, but in fact continued to perpetuate their double-pledging fraud.

65. A year later, on April 23, 2025, a Tricolor employee notified Kollar that during the course of an audit he discovered vehicle identification numbers ("**VINs**") changing between 2023 and 2024 for the same vehicle. The employee stated that the VIN was changed in the Tricolor

system such that a duplicate would not be picked up if Tricolor's system ran a duplication check. Kollar hypothesized that the VIN may have been changed in the database because it "does not make sense to have two [accounts] with [the] same VIN." (Ex. 8.) This, however, was a lie meant to conceal Defendants' fraud.

66. Kollar also used his position as CFO and Treasurer to perpetuate Defendants' fraud by instructing Tricolor employees and consultants to manipulate data. For example, on June 17, 2025, Kollar corresponded over email with Srinivas Mutyala (who worked in software development for consulting firm Tekzenit, Inc.), whose duties, among others, were to assist in preparing Tricolor's reports to loan servicers. Mutyala presented Kollar with a list of active auto loan accounts among several ABS portfolios which were to be transferred into the TAST2025-2 securitization, and Kollar explicitly instructed Mutyala to leave those accounts attributable to the TAST2022-1 securitization "on both the TAST2025-2 and TAST2022-1 reports"—i.e., these same loans would serve as collateral for two entirely different securitizations, double-pledging 3,225 auto loans to both TAST 2022-1 and TAST 2025-2. (Ex. 9.) Because this was facially suspect, Mutyala asked Kollar to confirm that Kollar indeed wanted Mutyala wanted to attribute 3,225 loan contracts to two *different* securitizations. Kollar replied that, indeed, this was what he was instructing Mutyala to do. (Ex. 9.)

F. The Fraud is Revealed.

67. In August 2025, JPM began investigating whether Tricolor pledged the same collateral multiple times, thus significantly overrepresenting the amount of collateral pledged in support of the JPM warehouse loans. A banker from JPM called Chu about these problems. Chu, at the time, was on a luxury vacation in Italy, and he denied knowledge of the fraud. JPM retained FTI Consulting to run a forensic analysis of Tricolor and alerted the Department of Justice.

68. Chu, Kollar and other executives spoke over the phone on August 17, 2025 to discuss how to reconcile the irregularities in the records. Per audio recordings reflected in the DOJ's indictment, Chu urged the team to find a solution, observing that "rather than conform all of our records to meet the audit, I think we need to, we need to rethink, kind of holistically, all of the processes that are resulting in this" delay. Chu then drew an "analogy" to when the team managed to obscure Tricolor's fraudulent use of "dead loans on the balance sheet" to borrow capital during the 2022 financial statement audit. Chu emphasized that his "point in that analogy" was that "**rather than scrambling" to figure out, "okay, how are we gonna fabricate these loans? How are we gonna make up these loans? We just basically created around the problem with a structure, or I would say in this case, a policy, which, which made it, made all the math work.**" Chu then said, "we have a similar math problem today" and discussed with Kollar the buckets of manipulated loans and confirming exactly what fake data had been sent to the lenders on the SPV 4 Warehouse. (Ex. 1 at 11.)

69. During this August 17 call, Chu proposed that the manipulated data could be falsely attributed to a "Trump administration deferment" policy. Chu explained, "All I'm trying to do is, is alleviate the need to mess with any of these things and create a policy." Chu acknowledged, however, that "where we would have an issue is if, if they sent an auditor and they said, pull this up on your screen, right, that would be a problem." Kollar agreed, stating, "Yes. That would be bad." (Ex. 1 at 11.)

70. During another call on August 18, 2025, between Chu, Goodgame, Kollar, and other Tricolor executives, Chu described that one of the Lenders identified that "$63 million of loans that have not had a payment in 180 days that are marked as current in the borrowing base." Chu complained that he did not understand how Seibold could "be doing this and not thinking that

the balance has to reduce," saying it was "the stupidest fucking thing [he had] ever heard." Once Seibold was added to the call, Chu, in effect, demanded to know why Seibold had not thought to falsely reduce the balances in the borrowing base provided to Lenders when Seibold fraudulently marked the loans as current. Seibold responded: "I've been holding 8,000 outstanding charge-offs on every report for about a long time." When Chu asked whether Seibold ever reduced the balance, Seibold explained: "We do, but some we don't. . . . I can't reduce by a full 8,000 without having us have millions of dollars in debts that we need to pay down. . . . I'm doing what I thought was what we needed." (Ex. 1 at 12.)

71. On another call the next day between Chu, Goodgame, Kollar, and other executives, Chu recounted that he had spoken to one of the Lenders the prior evening and relayed to the Lender's representative. Chu said: "Look, if we were trying to commit fraud, we wouldn't be so stupid as to keep the same balances on there. . . . Nobody would be that stupid. And he [the Lender representative] goes, 'you're right.'" The participants on the August 19 call laughed in response. Chu also recounted how he told the representative of the Lender that it must be a "system issue." Of course, these were lies. As all participants on the call were aware, these inconsistencies were due to intentionally manipulated data, not a system issue. (Ex. 1 at 12.)

72. As the walls closed in on Defendants, Chu and Goodgame attempted to devise ways that Tricolor could settle with Lenders such as JPM who had caught on to their fraud. On August 28, 2025, Goodgame and Chu emailed each other the results of questions posed to "Grok AI," X's (formerly Twitter) AI chatbot, as to fiduciary duties owed by lending banks and circumstances where lending banks may be held liable for failure to investigate red flags. This search yielded precedents in which plaintiffs sought to recover from lending banks, including in litigation

concerning the collapse of Enron, in which JPM faced allegations of breach of fiduciary duty. A portion of the search results are below:

Some good ones in here.

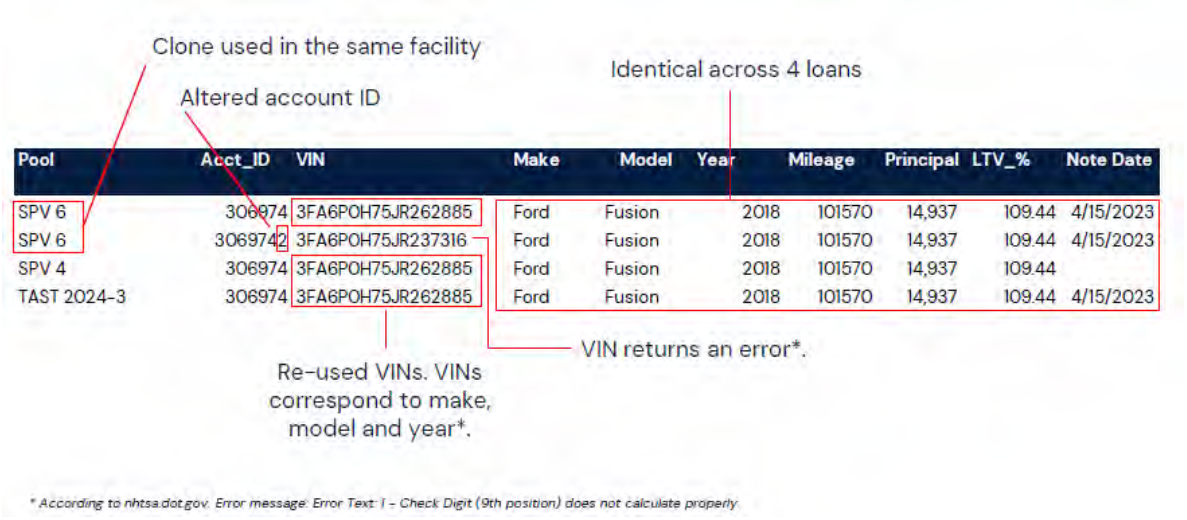
Precedents Similar to Enron Corp. Securities Derivative & ERISA Litigation (2005)

The 2005 Enron litigation (e.g., In re Enron Corp. Securities, Derivative & ERISA Litigation, 235 F. Supp. 2d 549) involved banks like JPMorgan Chase, Citigroup, and Merrill Lynch accused of aiding Enron's accounting fraud by structuring deceptive transactions (e.g., prepays disguised as trades) despite red flags in financials, such as off-balance-sheet debt and inflated revenues. Courts held that sophisticated banks could not ignore obvious signs of collapse while profiting, leading to massive settlements (e.g., $7.2B class action). Below are similar U.S. precedents where banks faced liability for aiding corporate fraud by ignoring red flags in audited financials (e.g., manipulated statements, hidden debt) and assisting in misconduct for financial gain. These often involve securities fraud, aiding and abetting, or conspiracy claims under federal laws like the Securities Exchange Act. I've focused on key cases from searches, emphasizing parallels like bank knowledge via financial access and substantial assistance.

(Ex. 10.)

73. On August 29, JPM's investigation revealed that Tricolor had failed to reconcile its bank statements with the company's internal financial records. This mismatch was an intentional practice for years by Defendants in order to prevent their fraud from being uncovered. (Ex. 11.)

74. On August 30, Chu spoke again with Goodgame, Kollar, and other Tricolor executives and discussed the possibility of blaming Tricolor's Lenders for ignoring red flags of Tricolor's activities and use that as leverage for a settlement with the Lenders, likening Tricolor's situation to that of Enron, buoyed by the results of his and Goodgame's searches from Grok AI. Specifically, Chu and the others discussed the possibility that they could blame the banks for purportedly ignoring red flags of their frauds and use that threat as leverage to extract a favorable settlement. Chu was optimistic about that outcome, stating on the call, "Enron obviously has a nice ring to it, right? <laugh>, I mean, Enron, Enron raises the blood pressure of the lender when

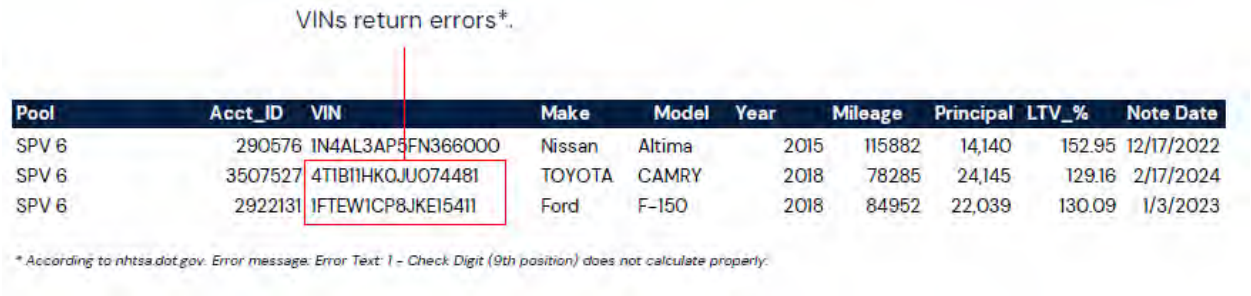


they see that <laugh>. It, it has to, right? I'm not-[. . .] Cause who wants to be thrown in the category?" **Chu later said, "That Enron case is fucking perfect, I think."** (Ex. 1 at 13.)

G. Capstone's Investigation To Date Confirms the Staggering Scope of Defendants' Fraud.

75. Capstone is an industry-leading investment banking and financial advisory firm retained by the Trustee to conduct a forensic accounting and fraud investigation. Capstone's investigation is headed by Mr. Jim Calandra, CPA, CTP, CFF. Mr. Calandra serves as Capstone's Managing Director and Head of Capstone's Financial Advisory Services practice, and he has more than 25 years of experience in turnaround management consulting, interim management, fraud and forensic accounting, mergers and acquisitions, and recapitalizations. Capstone's investigation has begun to reveal the massive scope of the fraud at Tricolor.

76. While Capstone's investigation is not yet complete, it has already revealed the massive scope of Defendants' fraud. To date, this investigation has uncovered 38,368 false finance receivable accounts, which represents loans that Capstone has classified as either "clone loans" or otherwise fictitious loans. In total, these loans represented ***$683 million*** in reported value on Tricolor's books.



77. The "clone loans" identified by Capstone were loans contained in Tricolor's warehouses and securitizations that had modified account IDs, but which otherwise had all of the other same attributes (e.g., the same vehicle identification numbers, vehicle make, and vehicle number). Capstone identified 31,408 clone loans with a finance receivable value of $547,928,874 and concluded they were the result of intentional misrepresentation of loans in Tricolor's books. An example is depicted below, which demonstrates the same make, model, mileage, and other information across multiple Tricolor warehouse facilities and securitizations, but with different account IDs.

78. The other fictitious loans that Capstone's investigation uncovered took the form of loans with vehicle identification numbers listed in servicer reports that were completely absent from finance receivable records—implying that these loans were fabricated entirely. The internal investigation has revealed that there were at least 6,960 such loans, with a finance receivable value of $135,488,888. An example is depicted below, where VINs were found listed in multiple warehouse facilities, but were not listed with the vehicles sold by Tricolor, however they did appear in the finance receivable records.

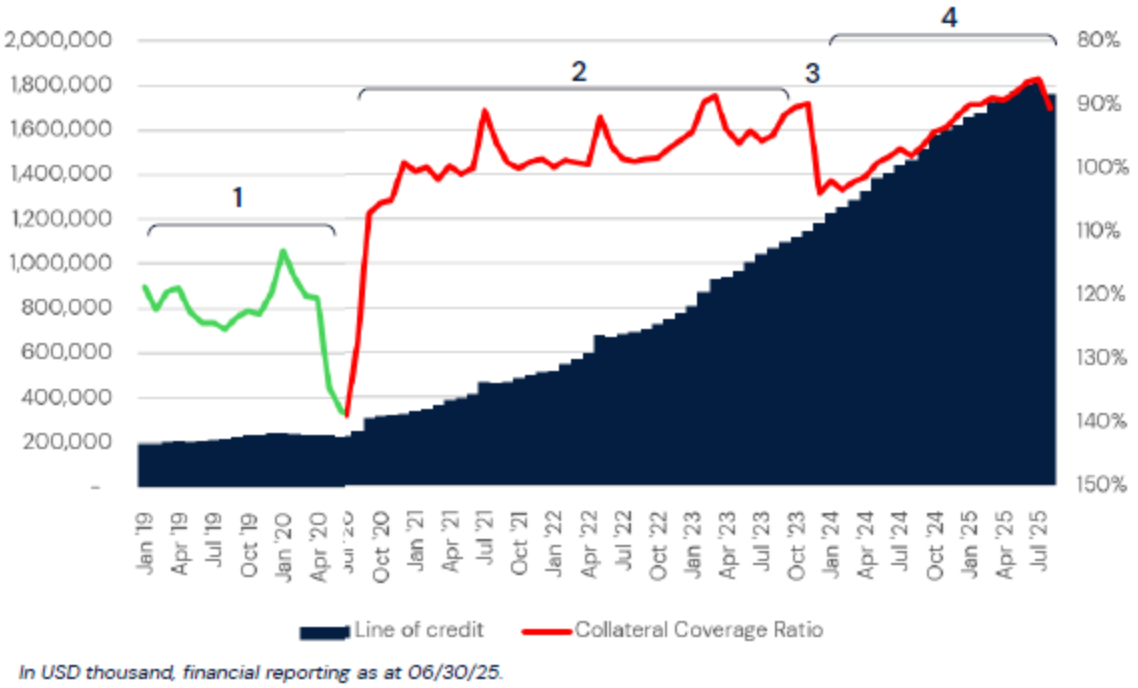
79. Capstone's investigation further uncovered that in June 2025, when Tricolor had $1.4 billion in finance receivables (which would imply a collateralization base of $1.1 billion with a collateralization rate of 80%), Tricolor falsely reported the finance receivables in its credit

facilities to show $1.7 billion total obligations—an upward variance of approximately $600 million. This variance is depicted below:



80. In other words, Tricolor was given advance loans from its warehouse Lenders premised on Tricolor's falsely inflated receivables base.

81. This reckless and risky practice put greater pressure on Tricolor's *actual* loans to cover the new liabilities caused by the loans which did not exist.

82. Because the fraud excessively leveraged Tricolor, the company was put into a precarious economic situation where Tricolor could suddenly find itself unable to pay for the loans if a significant number of defaults occurred.

83. Capstone's investigation also revealed the rapid timeline of Tricolor's overleverage.

In USD thousand, financial reporting as at 06/30/25.

84. Prior to September 2020, the ratio between the finance receivable balance to the obligations reported to credit facilities (the "**collateral coverage ratio**") sat at approximately 125%, meaning there were greater auto loan receivables than there were outstanding liabilities under the warehouse loans and the securitization trusts.

85. After September 2020, the collateral coverage ratio rapidly declined, falling below 100% and reaching approximately 87% in March 2023, meaning that Tricolor was receiving more in financing from its warehouse line of credit than it had in finance receivables.

86. In December 2023, Tricolor reported a $196 million increase in finance receivables, which temporarily improved the ratio from approximately 89% to approximately 96%.

87. From there, however, Tricolor's obligations under its credit facilities grew at a breakneck pace, with a rapidly declining collateral coverage ratio (represented by the red line in the above graph). This implies that the creation of fictitious loans increased considerably during

this period, and further that Tricolor used funds lent by Lenders to make fictitious loan payments to other Lenders.

H. The Fraud Bankrupts Tricolor.

88. When this fraudulent accounting came to light, Fifth Third and other Lenders terminated their warehouse lending agreements with Tricolor in August 2025.

89. In excessive debt to Lenders and with excessive collateralization of its meager receivables—far greater than the required rate of 80% and with borrowed amounts from lending banks far greater than its own receivables base—Tricolor found itself with far more liabilities than its liquidity could support.

90. As a result, Tricolor defaulted on its payment obligations to the Lenders. Indeed, JPM and Fifth Third each logged nearly $180 million in net charge-offs in their financial reporting in the third quarter of 2025, as a result of Tricolor's defaults on the advance loans issued to Tricolor. Fifth Third executives referred to the Tricolor loans as clear "fraud," and Fifth Third's CEO has stated that they were "defrauded" by Tricolor with respect to these loans. JPM's Chief Financial Officer similarly stated: "There clearly was, in my opinion, fraud involved in a bunch of these things."

91. On September 7, 2025, just days before Tricolor filed its Chapter 7 petition, Chu resigned from the board of directors of Origin Bank, one of Tricolor's Lenders. (Ex. 12.)

I. Chu Leverages the Fraud to Extract Excessive Bonus Compensation and to Use Corporate Funds for Lavish Personal Expenses.

92. In the years leading up to Tricolor's bankruptcy, as the scope of the above-described fraud became unsustainable and the company was poised for collapse, Chu fixated on his compensation, demanding outsized bonuses, spending company funds on personal expenses,

and using his power as Manager of Ganas Investors, LLC to unilaterally force out any Board members that voiced opposition to his demands.

93. In or around January 2022, Chu demanded a bonus for his performance for 2021 from Tricolor's Board of Managers, in the amount of $1.5 million. (Ex. 13.)

94. In response to his concerns, the Board of Managers of Tricolor retained consulting firm Meridian Compensation Partners ("**Meridian**") to determine a fair compensation package for Chu. Meridian's analysis, provided to the Board in July 2022, offered ranges of compensation for private and public companies by various revenue sizes, which showed that Chu's compensation was in line with the 50th percentile of private US companies. However, Chu demanded that he receive compensation in at least the top 10th percentile for ***public*** companies in the analysis—including a base salary of $1 million, with a bonus of $1.5 to 2 million, and $2.5 million in equity—even though Tricolor was not a public company at that time.

95. Chu's demand for increased compensation was initially considered by the Board's Compensation Committee, which at the time consisted of two now-former Board members: Dann Adams and Antonio Garza.

96. Adams, who was the chair of the Compensation Committee, expressed skepticism about the level of compensation demanded by Chu, worrying about the optics of a company whose brand image has been focused on high social impact paying its CEO a compensation package substantially higher than that of the average private company CEO.

97. In response, Chu prepared a fourteen-slide presentation for the Board meeting on March 17, 2023, taking credit for Tricolor's financial performance, and claiming that the Compensation Committee process related to his bonus has been "grossly mismanaged." In this

presentation, he referred to Adams as a "top imbecile" for daring to challenge his proposed compensation. (Ex. 14.)

98. Chu demanded, among other things: (1) a reallocation to cash compensation for 2022 and increase his bonus by $3 million, to reach a total of $5 million in 2022; (2) a new equity plan in 2023 with structure; (3) a base pay of $1.5 million and bonus of $750,000 in 2023; and (4) a three year severance of $1 million per year upon departure for any reason. (Ex. 14.)

99. And, in a further sign of his attempts to bully the Board with respect to his compensation, Chu included a final demand in his slide deck that would have required Adams personally to submit a written explanation on the appropriate use of "their, there, and they're," enroll in a local community college, and achieve a 2.5 GPA in a curriculum of English composition and grammar, and statistics. (Ex. 14.)

100. When he received continued pushback on his compensation demands, Chu threatened to leave the company and raised the prospect of forcing the Board to "agree to put the company up for sale immediately." (Ex. 15.)

101. On the morning of March 25, 2023, Board member Derrick Weatherspoon emailed Chu to notify him that a new compensation package was approved by the Board, which included, among other things, (1) a one-time grant of Restricted Stock Units valued at $1.5 million as compensation for 2022 in lieu of a cash bonus, and (2) a base salary of $750,000 and a cash bonus of $750,000 to $1.5 million (maximum) for 2023. (Ex. 16.) Weatherspoon further promised to return a response regarding some of Chu's additional asks. Chu replied late that day attempting to explain why the current compensation proposal was "undeniably absurd." (Ex. 17.)

102. Subsequently, in May 2023, in the course of Tricolor's annual audit, the Board discovered that Chu had made millions of dollars' worth of seemingly personal purchases on his

company American Express credit card without reimbursing the company. These expenses, which Chu claimed were "completely business-driven" and necessary business expenses, included over the course of just 2022:

- Hundreds of thousands of dollars worth of private jet and first-class commercial air travel for himself and his family, including over 240 purchases from American Airlines totaling $185,000;
- Hundreds of stays at luxury hotels and resorts costing more than $300,000, including spending more than $20,000 at the Sky Residences at Aspen; more than $65,000 at Four Seasons hotels in Boston, Surfside, Las Vegas, Irving, New York, Chicago, and Denver; more than $30,000 at the Trump International in New York; and more than $140,000 for 100 charges at Hotels.com; in addition to stays at the Garden of the Gods Resort in Colorado Springs, the Peninsula in New York, the Hall Arts Hotel in Dallas, the L'Auberge in Del Mar, Mandarin Oriental hotels in Boston and Paris, the Cosmopolitan in Las Vegas, Mansion on Turtle Creek in Dallas, the Grand Beach Hotel in Surfside, the Wynn in Las Vegas, the Waldorf Astoria in Las Vegas, and the Beverly Hills Hotel;
- Over 200 meals at high-end restaurants, including extravagant meals costing hundreds or thousands of dollars at Salt Bae's restaurant in Dallas, Nobu in New York, Prime 112 in Miami, Le Bilboquet in New York, Los Fuegos in Miami, Chef Tania private dining in Miami, Hakkasan in Las Vegas, Hutong in Miami, Carbone in Dallas, Novikov in Miami, Pao by Paul Qui in Miami, Mr. Chow's in Miami, Cote in Miami, and Le Coucou in New York;

- Thousands of dollars of alcohol and wine purchases from Silver Oak Cellars in Napa Valley, the Opus One Winery in Oakville, Del Dotto Vineyards in Napa Valley, Big Daddy's Liquor in New York, the Kenzo Estate Winery in Napa Valley, Crown Liquors in New York, and VinPorter in Napa Valley;
- Thousands of dollars of healthcare and beauty expenses, including skin revitalization at Skincare by Amy Peterson, vitamin infusions at Vitality IV Bar, dental work at The Prosthodontic Center of Beverly Hills, biochemical testing at DHA Laboratory, wellness treatments at Tierra Santa Healing House in Miami, multiple visits to the Exhale spa in Bar Harbour, and recurring payments for Nutrafol hair growth products;
- Tens of thousands of dollars of purchases from a woman's clothing store in Bal Harbour (Intermix), a countertop supply store in Phoenix (Lee's Counter Tapps Tops), a general contractor in Miami (Vera Castell Services), an air purifier company (Molekule), an art gallery in Dallas (Artemis Fine Arts), a designer coffee table book store (Assouline), a wool sweater store in Portland (Dehen), a home automation company in Miami (Systems Design & Integration), a luxury home staging company in California (Meredith Baer Home), and a florist in Del Ray Beach (Camden Gardens of Florida);
- Simultaneous monthly subscriptions to television services from YouTube Tv, FuboTv, Hulu Tv, and Spectrum; streaming subscriptions from Netflix, Peacock, Hulu, and Spotify; and dozens of purchases from Prime Video;
- Simultaneous memberships in ClassPass, Peloton, Equinox, SoulCycle, and StretchZone;

- More than $18,000 in purchases from Apple and the Apple Store;
- 874 charges to Uber, 314 charges to Lyft, 231 charges to Doordash, and 205 charges to Uber Eats;
- Regular dry-cleaning at Dryeco dry cleaning in Sunny Island;
- Dog-training services from Elite K9 Service in Florida; and
- Personal storage and moving charges totaling over $140,000.

(Ex. 18; Ex. 19.)

103. On May 9, 2023, Chu emailed Tricolor's counsel at the law firm Reed Smith regarding the ongoing audit, copying Board audit committee member Beth Brooke, attempting to pass off his personal expenses as necessary business expenses. Chu attempted to justify (among other things) over $422,000 in travel expenses by explaining that when he chooses to travel, he travels with his immediate family, and thus multiple airline tickets and larger hotel accommodations for his family should be paid by the company. (Ex. 18.)

104. On May 11, 2023, Brooke emailed Reed Smith and Tricolor Board members expressing concern about Chu's bonuses in 2021 and 2022 as well as the personal American Express expenses. Brooke questioned who would have authorized an advance of $400,000 to Chu, considering the Board had instructed the compensation committee to "hold up on finalizing" his compensation and bonus pending the investigation into his American Express expenses. Brooke closed her email with a sober reflection of Chu's self-interested leadership of Tricolor: "If this is all because what [Chu] says, people do, with or without proper processes and approvals. If that is the case, [the auditor] is going to question everything. Rightfully so." (Ex. 20.)

105. On May 14, 2023, Chu once more attempted to justify his personal spending as business expenses. He even went so far as to say that household expenses like a nanny and even

intravenous vitamin treatments were "the most practical" way for him to "cope" with his executive responsibilities. (Ex. 21.)

106. On May 31, 2023, in an effort to coerce the Board into ending its investigation into his improper use of his corporate card and to otherwise strong-arm the Board into complying with his outsized compensation demands, Chu threatened the Board by submitting a purported letter of resignation. (Ex. 22.)

107. The Board ultimately agreed to resolve its investigation into his personal expenses on favorable terms in order to keep Chu at the company, motivated by the veneer of financial success identified by Chu that was actually a result of Defendants' fraud. The Board ultimately agreed that Chu would only need to repay Tricolor $2,141,556 of the millions of dollars of personal expenses he attempted to pass off as business expenses on his corporate American Express credit card.

108. Chu then utilized his power as the sole manager of Ganas Investors LLC, the majority member of Tricolor, to extract egregiously large bonus compensation from the company just as the fraud was beginning to take the company down.

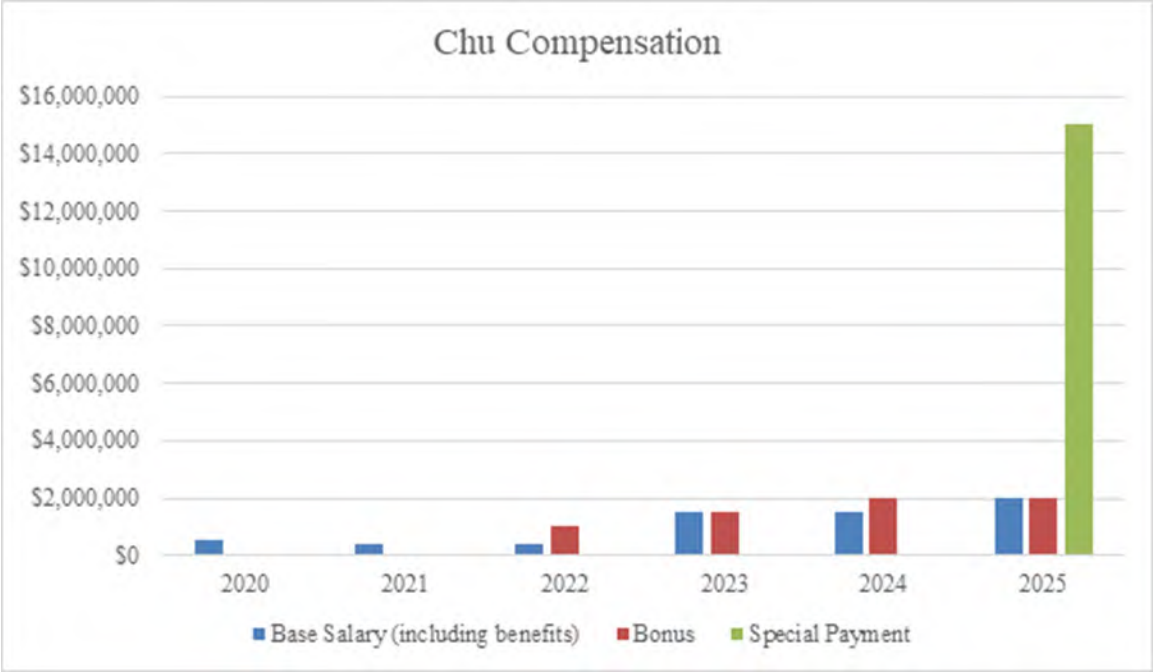
109. Pursuant to the LLC Agreement, holders of "at least a majority of the total Percentage Interests" in Tricolor Holdings LLC could remove and replace a Manager in the Board, with the restriction that: (1) two Managers who are to be appointed by members holding a majority of "senior preferred" shares of Tricolor Holdings, (2) one Manager is to be appointed by Ganas Investors, LLC, and (3) one of the Managers appointed by the majority of the Percentage Interests must be someone who is not employed by or consultants to the Company or Ganas Investors LLC (or any of their affiliates). Thus, with respect to most Members of the Board, Chu had an unfettered ability to shape the Board, as Ganas Investors, LLC held 75% of the Percentage Interest in Tricolor

Holdings LLC. (Ex. 2, at Schedule A-1.) As Chu, in turn, was the sole Manager of Ganas Investors, LLC, and was empowered by Ganas Investors, LLC's limited liability agreement to have sole decision-making authority, this meant effectively that *Chu* had the sole ability to appoint and remove Tricolor Holdings Board members.

110. Exercising this power, in retaliation for Brooke questioning his personal spending of company funds, Chu executed a Consent on behalf of Ganas Investors, LLC on September 17, 2023, removing Brooke from the Tricolor Board of Managers. In her place, Chu appointed Andrew DeLuca, Tricolor's General Counsel, to the Board, writing in an email, "Neither the removal [n]or appointment is subject to [B]oard vote." (Ex. 23.)

111. Next, on December 27, 2023, just days before the Board meeting where the Managers would vote on Chu's compensation package, Chu executed two more consents on behalf of Ganas Investors, LLC, removing Antonio Garza and Dann Adams, the only members of the Compensation Committee, from the Board effective immediately. (Ex. 24; Ex. 25.)

112. With the Board members who had previously questioned Chu's demands for excessive compensation removed and with the remaining members well aware that any opposition to Chu would be met with their removal, Chu took the opportunity to again demand even more compensation from the Board.



113. On January 3, 2024, the Board held a special meeting to vote on Chu's 2023 and 2024 compensation. The Board approved his 2023 salary of $1.5 million and a 2023 bonus of $1.5 million. The Board also approved a 2024 salary of $1.5 million. In a further boon to Chu, the Board voted to reduce the balance of Chu's promissory note to repay Tricolor for his personal expenses on his corporate American Express credit card from $2,141,556 to $1,443,057.

114. On January 24, 2025, Chu presented a new proposal that demanded a bonus of at least $13 million—many multiples greater than his prior compensation—purportedly to compensate him for Tricolor's growth between 2018 and 2025. Chu's compensation demands were premised entirely on the fabricated appearance of massive growth that was, in reality, a result of Defendants' fraud.

115. On February 12, 2025, the Board held a meeting to discuss Chu's 2025 compensation. The Board did not retain a compensation consultant nor negotiate with Chu, but instead acceded to Chu's demand for a base salary of $2 million and a bonus of $2 million; a one-time grant of profit interest in Tricolor to vest over a four-year period; **and a one-time special bonus of $15,000,000**, offset by the $1,443,057 owed by Chu via Promissory Note to compensate for some of Chu's personal American Express purchases. (Ex. 26.)

116. While Chu demanded that the Board grant him his windfall compensation, Tricolor's collateralization rate and credit advances from Lenders were increasing at a fever pitch (*see* Sections E to G, *supra*).

117. Thus, from 2023 until the time of Tricolor's bankruptcy filing, as the Company was engaging in a rapidly growing and unsustainable fraud under Chu's leadership, Chu squeezed as much money as he could out of Tricolor by misrepresenting Tricolor's financial condition and unilaterally removing Board members that questioned him. In 2025 alone, Chu received over $17,000,000 in compensation, far out of line with both his prior compensation and the compensation of executives at similar private companies, as reflected by the analysis conducted in prior years by Tricolor's consultants.

118. Given the fraud occurring behind the scenes, and Chu's outsized compensation, Tricolor did not receive reasonably equivalent value from Chu's services.

119. In the year leading up to the bankruptcy, Tricolor made payments to Chu in a total amount of $29,605,737. Of that total, $13,464,025 was paid out to Chu just over the ninety days leading up to the bankruptcy. This amount comprised not only his compensation but also a bonus of $2 million paid on February 28, 2025. It also comprised the aforementioned special bonus of $15 million paid to Chu less the $1,443,057 offset, which was paid to him in four installments: $500,000 paid on January 28, 2025; $1,500,000 paid on February 10, 2025; $4,000,000 paid on March 6, 2025; $500,000 paid on May 21, 2025; and $5,556,943 paid on June 11, 2025.

120. On July 1, 2025—just two months before Tricolor finally declared bankruptcy—Chu made a short-term loan to Tricolor in the amount of $6,500,000. Despite Tricolor's mounting liabilities and Chu's knowledge of the poor financial health of Tricolor, Chu directed Kollar to repay this amount in full in installments over the month of August: $250,000 on August 11, 2025; $4,250,000 on August 19, 2025; and $2,000,000 on August 20, 2025. Even as Chu observed in

August 2025 that Tricolor was "definitely insolvent," Chu made sure that his short-term loan was repaid before any of Tricolor's other creditors received money from the company.

121. Chu also continued to use corporate funds for personal purchases even after reaching the prior resolution with the company regarding his American Express purchases. Even as late as August 2025, when it was clear to Chu that Tricolor was in financial distress, he continued to make personal purchases on his corporate American Express card, including a $603.92 Oura ring, over $5,000 at Accent Gallery & Framing in Dallas (luxury art framing), over $3,000 in July in storage unit rent, and $18,000 for membership to Core Club in New York (a member's only social club). (Ex. 27.)

122. When Tricolor paid over $29,000,000 to Chu in the one year leading up to the bankruptcy, and especially when it paid over $13,000,000 of that amount in the ninety days leading up to the bankruptcy, these payments substantially diminished the amount of money Tricolor had remaining to pay its creditors.

123. Ultimately, Tricolor's Board requested on September 5, 2025, that Chu return the 2025 special bonus that was paid to him.

124. To date, Chu has not made this repayment, nor has he indicated that he intends to do so.

J. Chu Uses His Fraudulently Obtained Compensation to Fund Lavish Personal Expenses.

125. Chu used the compensation he defrauded from Tricolor to fuel his lavish lifestyle, purchasing multiple homes during his tenure as Tricolor's CEO, and maintaining multiple other properties at the same time.

126. In 2022, Chu purchased a property at The Four Seasons Residences, The Surf Club, 9001 Collins Ave #S-201, Miami Beach, FL 33154 for approximately $18,000,000.

127. In March 2023, the same month the Board approved Chu's increased 2023 compensation package, he purchased a property at 4208 Beverly Drive, Highland Park, TX 75205 with a tax assessment of $4,599,440 in 2023.

128. In December 2024, when Chu was lobbying for his massive 2025 compensation package that was approved in January 2025, he purchased property at 4544 Westway Ave, Highland Park, TX 75205, with a tax assessment of $2,063,260 in 2024. A background check obtained by the Trustee shows the owner as Daniel Chu and his wife Constance Chu, and the owner's address is 6021 Connection Dr., Irving, TX 75039. 6021 Connection Dr. is the address of Tricolor's headquarters.

129. On February 18, 2025—just days after his $15,000,000 special bonus was approved—on information and belief, Chu executed a purchase agreement for a ski chalet at 115 W. Bleeker Street, Aspen, CO 81611, for approximately $25,000,000.

130. On June 12, 2025, Chu purchased via holding entity 1431 Cobb Parkway South, Marietta, Georgia 30067, and shortly thereafter on June 26, 2025, sold the property for more than $7,000,000.

K. Chu's Alienation of Assets from Potential Judgment Creditors.

131. Beginning in July 2025, as it became clear that the fraud at Tricolor was unsustainable and about to be revealed, Chu began alienating his assets in an effort to protect from them Tricolor's creditors.

132. On July 10, 2025, Chu listed for sale his property located at 4544 Westway Ave., Highland Park, TX 75205, for $2,099,999. The property remains listed for sale as of this filing, and his daughter Katie Chu is the real estate agent for this property. (Ex. 28.)

133. On August 29, 2025—just days before Tricolor's bankruptcy—a limited liability company operated by Chu called Chu Family Investments LLC purchased a property at 1612 Gilcrest Drive, Beverly Hills, CA 90210, for $2,650,000, with Origin Bank financing $2.12 million of the purchase. Upon information and belief, the remaining $530,000 came from Chu's own funds, and this property was purchased through an LLC in an attempt to shield it from any personal liability of Chu.

134. On September 9, 2025, Chu listed for sale his property located at 4208 Beverly Drive, Highland Park, TX 75205, for $10,990,000. The property remains listed for sale as of this filing, and Chu has agreed to drop the price by $2,000,000 in a desperate attempt to sell this asset. (Ex. 29.)

135. On September 15, 2025, Chu received an email from a law firm specializing in asset protection at his Tricolor email address sending a flow chart for a Family Limited Partnership to own investment assets. On September 16, 2025, Chu instructed the law firm to communicate through his Gmail email address (tricolorchu@gmail.com). (Ex. 30.)

136. On September 17, 2025, Chu sent an email to himself at tricolorchu@gmail.com, including a link to an article from law firm Adler Law titled "Florida Homestead Law Guide," which "protects a Florida resident's primary home from judgment creditors." (Ex. 31.)

137. A few days later, on September 24, 2025, Chu discussed a Termination and Release Agreement with Elephant Aspen Residences Inc., terminating the purchase of White Elephant Aspen Chalets Unit No. 3, located at 115 W. Bleeker Street, Aspen, CO 81611. Upon information and belief, the seller retained Chu's earnest money deposit of $1,750,000 and returned to Chu the remainder of the $25,000,000 purchase price.

138. Upon information and belief, after Chapter 7 Bankruptcy was declared, Chu sent a former employee of Tricolor to the headquarters to collect the titles to vehicles in Chu's name. The former employee stated that Chu asked him to retrieve the titles to his vehicles that Chu left in his office at Tricolor. Tricolor is currently in possession of those titles.

139. Most recently, in December 2025, Chu called former Board member Richard Anderson requesting to sell his custom Land Rover Defender. Despite Anderson expressly disclaiming any desire to purchase the vehicle, Chu shipped the vehicle to Anderson's home.

L. Defendants are Indicted.

140. On December 16, 2025, the DOJ unsealed its indictment charging Chu and Goodgame with charges including wire fraud, bank fraud, and conspiracy.

141. Both Chu and Goodgame were arrested on December 17, 2025. Goodgame faces up to thirty years in prison, and Chu faces a maximum potential sentence of life in prison.

142. Kollar and Seibold have pleaded guilty to fraud charges and are cooperating with the DOJ investigation.

143. Following the indictment and arrest, U.S. Attorney Jay Clayton said in a statement: "Fraud became an integral component of Tricolor's business strategy. The resulting billion-dollar collapse harmed banks, investors, employees, and customers."

M. The Trustee's Investigation Continues.

144. As of the date of filing this Complaint, the Trustee's investigation is ongoing as she and her advisors sift through more than two terabytes of data at the Company, and pursue Rule 2004 discovery and other investigatory methods to uncover the full scope of Defendants' misconduct.

COUNT I
Fraud (against all Defendants)

145. Defendants, in each of their capacities as Officers of Tricolor, created or caused to be created nearly 40,000 fake loans valued at over $683 million.

146. Defendants knowingly, and with the intent to defraud, made or caused to be made misrepresentations and omissions of material fact, or were made on Defendants' behalf.

147. In his capacity as Officer and as Tricolor's CEO and President, Chu created or caused to be created nearly 40,000 fake loans valued at over $683 million. Each one of these loans contained false statements of material fact that Chu falsely represented to Tricolor as accurate.

148. In his capacity as Officer and as Tricolor's CFO and Vice President, Kollar created or caused to be created nearly 40,000 fake loans valued at over $683 million. Each one of these loans contained false statements of material fact that Kollar falsely represented to Tricolor as accurate.

149. In his capacity as Officer and as Tricolor's COO, Goodgame created or caused to be created nearly 40,000 fake loans valued at over $683 million. Each one of these loans contained false statements of material fact that Goodgame falsely represented to Tricolor as accurate.

150. In his capacity as Officer and as Tricolor's Director of Treasury, Seibold created or caused to be created nearly 40,000 fake loans valued at over $683 million. Each one of these loans contained false statements of material fact that Seibold falsely represented to Tricolor as accurate.

151. These false loans were given the appearance of legitimate loans, but with fabricated or duplicated attributes.

152. Defendants knew that these loans were fabricated or represented that they were accurate with a reckless indifference to the truth.

153. Defendants intended to deceive, and did deceive, others at Tricolor into believing these loans were legitimate.

154. Tricolor relied in good faith on the misrepresentations of Defendants to issue further asset-backed securities based upon these fake loans.

155. In reliance on these misrepresentations, Tricolor paid Chu a bonus of $15 million in 2025 and a lavish compensation package as a reward for contributing to (what appeared to be) several years of resounding success at Tricolor which was based on the fabricated loans.

156. Moreover, in reliance on these misrepresentations, Tricolor became overleveraged by fake loans that were not backed by any real customers or collateral.

157. As a result, Tricolor became vulnerable to customer defaults, and finds itself in Chapter 7 bankruptcy after having insufficient cash or assets to repay its liabilities.

158. If not for Defendants' misrepresentations, Tricolor would not be bankrupt today.

159. Accordingly, the Court should grant judgment in favor of Plaintiff, finding that Defendants are liable for common law fraud and ordering Defendants to pay Plaintiff damages in an amount to be determined, and expenses to which Plaintiff is entitled, in an amount to be determined at trial.

COUNT II
Breach of Fiduciary Duty of Care (against all Defendants)

160. Plaintiff hereby incorporates by reference each and every allegation contained in the preceding paragraphs as if set forth herein.

161. Chu was at all times a Manager of Tricolor Holdings and the CEO and President of Tricolor Holdings (and of each of Debtors). As an Officer of Tricolor, and/or as the CEO and President of Tricolor, Chu occupied a position of trust and confidence and owed a Tricolor and its members a fiduciary duty of care.

162. Kollar was at all times the CFO and Vice President of Tricolor Holdings. As an Officer of Tricolor, and/or as the CFO and Vice President of Tricolor, Kollar occupied a position of trust and confidence and owed a Tricolor and its members a fiduciary duty of care.

163. Goodgame was at all times an Officer of Tricolor Holdings. Goodgame served as the Vice President of Supply Chain and Analytics at Tricolor before being promoted to Chief Operating Officer in 2019—a position he held until Tricolor's bankruptcy. As an Officer of Tricolor, and/or as the COO of Tricolor, Goodgame occupied a position of trust and confidence and owed a Tricolor and its members a fiduciary duty of care.

164. Seibold was at all times the Director of Treasury of Tricolor Holdings. As an Officer of Tricolor, and/or as the Director of Treasury of Tricolor, Seibold occupied a position of trust and confidence and owed a Tricolor and its members a fiduciary duty of care.

165. Defendants owed Tricolor and its members a duty of care, including but not limited to, a duty to that a reasonably prudent person would exercise in similar circumstances.

166. Defendants breached this duty of care by intentionally making, or causing others to make, or failing to properly oversee others who made, false loans reported in Tricolor's accounting, and collateralizing them into asset-backed securities at a rate far greater than 80%, so that Tricolor could sell more asset-backed securities.

167. Defendants' actions in generating—or failing to properly oversee others who generated—false loans and collateralizing warehouse facilities at a rate greater than 80% had no business justification.

168. Tricolor has been, and continues to be, damaged as a direct and proximate result of Defendants' breach of their fiduciary duty of care, in an amount to be determined at trial.

COUNT III
Breach of Fiduciary Duty of Loyalty (against all Defendants)

169. Plaintiff hereby incorporates by reference each and every allegation contained in the preceding paragraphs as if set forth herein.

170. Chu was at all times a Manager of Tricolor Holdings and the CEO and President of Tricolor Holdings (and of each of Debtors). As an Officer of Tricolor, and/or as the CEO and President of Tricolor, Chu occupied a position of trust and confidence and owed a Tricolor and its members a fiduciary duty of loyalty.

171. Kollar was at all times the CFO and Vice President of Tricolor Holdings. As an Officer of Tricolor, and/or as the CFO and Vice President of Tricolor, Kollar occupied a position of trust and confidence and owed a Tricolor and its members a fiduciary duty of loyalty.

172. Goodgame was at all times an Officer of Tricolor Holdings. Goodgame served as the Vice President of Supply Chain and Analytics at Tricolor before being promoted to Chief Operating Officer in 2019—a position he held until Tricolor's bankruptcy. As an Officer of Tricolor, and/or as the COO of Tricolor, Goodgame occupied a position of trust and confidence and owed a Tricolor and its members a fiduciary duty of loyalty.

173. Seibold was at all times the Director of Treasury of Tricolor Holdings. As an Officer of Tricolor, and/or as the Director of Treasury of Tricolor, Seibold occupied a position of trust and confidence and owed a Tricolor and its members a fiduciary duty of loyalty.

174. Defendants owed Tricolor and its members a duty of loyalty, including but not limited to, a duty to take actions on a disinterested and independent basis, in good faith, and with an honest belief that the action is in the best interest of Tricolor and its members.

175. Defendants breached their fiduciary duty of loyalty to Tricolor and its members by knowingly tolerating inadequate internal controls at Tricolor and failing to monitor subordinates' compliance to ensure that Tricolor did not make fictitious loans and overleverage itself.

176. Chu separately and independently breached his fiduciary duty of loyalty to Tricolor and its members by securing himself an outsized compensation package, including a $15 million special bonus. Chu additionally violated his fiduciary duty of loyalty by failing to disclose to the Board accurate information about the loans when pursuing his outsized compensation package.

177. Defendants separately and independently breached their fiduciary duty of loyalty by failing to disclose to Tricolor that the loans were fictitious. As Officers and employees of Tricolor, Defendants had a duty to disclose all material information to Tricolor. However, through acts and omissions, Defendants both concealed the fictitious loans from Tricolor and also failed to disclosure the true status of the loans.

178. Tricolor has been, and continues to be, damaged as a direct and proximate result of Defendants' breach of their fiduciary duty of loyalty, in an amount to be determined at trial.

COUNT IV
Breach of the Fifth Amended and Restated Limited Liability Agreement
(against all Defendants)

179. Plaintiff hereby incorporates by reference each and every allegation contained in the preceding paragraphs as if set forth herein.

180. Pursuant to the LLC Agreement, Chu served as both a Manager and an Officer of Tricolor Holdings. Kollar, Goodgame and Seibold served as Officers of Tricolor Holdings.

181. Chu, in particular, served as the Chief Executive Officer and President of Tricolor Holdings.

182. As a Manager and Officer of Tricolor Holdings, Chu was bound by the LLC agreement.

183. Kollar served as the Chief Financial Officer and Vice President of Tricolor Holdings.

184. Goodgame served as the Chief Operating Officer of Tricolor Holdings.

185. Seibold served as the Director of Treasury of Tricolor Holdings.

186. Pursuant to Section 11.3 of the LLC Agreement, each Defendant owed "fiduciary duties to [Tricolor Holdings] of the same kind and to the same extent" as he would "owe fiduciary duties to [Tricolor Holdings] and its Members if [Tricolor Holdings] were a corporation formed under the General Corporation Law of the State of Delaware and its Members were shareholders of [Tricolor Holdings]."

187. If Tricolor Holdings were a corporation formed under the General Corporation Law of the State of Delaware and its Members were shareholders of Tricolor Holdings, Defendants would owe fiduciary duties of care and loyalty in each of their roles as Officers of Tricolor Holdings, and Chu would also owe fiduciary duties of care and loyalty in his role as Manager.

188. Defendants therefore had a contractual duty to perform their roles commensurate with those fiduciary duties.

189. Defendants breached this contractual duty of care by intentionally making—or causing others to make—false loans reported in Tricolor's accounting, and collateralizing them into asset-backed securities at a rate far greater than 80%, so that Tricolor could sell more asset-backed securities.

190. Defendants breached their contractual duty of loyalty to Tricolor and its members by knowingly tolerating inadequate internal controls at Tricolor and failing to monitor subordinates' compliance to ensure that Tricolor did not make fictitious loans and overleverage itself.

191. Chu separately and independently breached his contractual duty of loyalty to Tricolor and its members by removing the Board directors adverse to him and securing himself an outsized compensation package, including a $15 million special bonus.

192. As a direct and proximate result of Defendants' breach, Tricolor was forced to default on its loans from its Lenders and declare bankruptcy.

193. Accordingly, the Court should grant judgment in favor of Plaintiff, finding that Defendants are liable for breach of contract and ordering Defendants to pay Plaintiff damages in an amount to be determined, and expenses to which Plaintiff is entitled, in an amount to be determined at trial.

COUNT V

Breach of the Implied Covenant of Good Faith and Fair Dealing (against all Defendants)

194. Plaintiff hereby incorporates by reference each and every allegation contained in the preceding paragraphs as if set forth herein.

195. On December 30, 2021, the Fifth Amended and Restated Limited Liability Company Agreement of Tricolor Holdings, LLC dated December 30, 2021 sets out the powers and obligations of Managers and Officers of Tricolor.

196. Chu is a signatory to this agreement on behalf of Ganas Investors, LLC.

197. Chu was appointed by the Board of Managers to serve as the Chief Executive Officer of Tricolor, with powers enumerated under Section 5.12 and 5.13.

198. As Chief Executive Officer, Chu was empowered to have the "general executive powers concerning all the operations and business of [Tricolor]."

199. Kollar was appointed by the Board of Managers to serve as the Chief Financial Officer of Tricolor, with powers enumerated under Section 5.12.

200. Goodgame was appointed by the Board of Managers to serve as the Chief Operating Officer of Tricolor, with powers enumerated under Section 5.12.

201. Seibold was appointed by the Board of Managers to serve as the Director of Treasury of Tricolor.

202. As Treasurer, Seibold was empowered to have the "exercise such powers and duties as may be conferred upon, or assigned to, him or her by the Board or the Chief Executive Officer."

203. Defendants' obligations as officers of Tricolor required that their conduct comport with the implied covenant of good faith and fair dealing in exercising his executive powers concerning the business and operation of Tricolor.

204. Defendants breached the implied covenant of good faith and fair dealing by faking nearly 40,000 loans and overleveraging Tricolor.

205. Defendants also breached the implied covenant of good faith and fair dealing by failing to implement adequate internal controls to prevent fictitious loans and overleverage.

206. Defendants also breached the implied covenant of good faith and fair dealing by securing himself outsized compensation at the detriment of Tricolor's financial health,

207. As a result of the foregoing breach, Plaintiff has sustained damages in an amount to be determined at trial.

COUNT VI
Turnover of Estate Property (against Chu)
Pursuant to 11 U.S.C. § 542(a)

208. Plaintiff hereby incorporates by reference each and every allegation contained in the preceding paragraphs as if set forth herein.

209. Under Section 542(a) of the Bankruptcy Code, an entity in possession of a debtor's property or an entity that owes a debt to the debtor shall deliver such property or pay such debt.

210. As of the date of this Complaint, Chu is in possession of property of Tricolor's estate. Such property and debts include, without limitation, cash, accounts receivable, and other matured payment obligations due and payable to the creditors, and any proceeds thereof.

211. Under Section 542(a), Chu shall deliver to Tricolor and account for such property or the value of such property.

212. Chu's refusal to deliver property impedes administration of the estate. Turnover is appropriate because the property is estate property within Section 541 and is necessary to the administration of this case.

213. Accordingly, Tricolor seeks an order compelling an immediate turnover and full accounting, with appropriate safeguards for any proven lienholder's interest. This includes, but is not limited to, the properties Chu owns that were acquired from proceeds of his fraud that are rightfully property of the estate, including the properties at 4544 Westway Ave., Highland Park, TX 75205; 1612 Gilcrest Drive, Beverly Hills, CA 90210; 4208 Beverly Drive, Highland Park, TX 75205; The Four Seasons Residences, The Surf Club, 9001 Collins Ave #S-201, Miami Beach, FL 33154; or, that recently sold including the property at 1431 Cobb Parkway South, Marietta, Georgia 30067.

COUNT VII
Avoidance of Preferential Transfers (against Chu)
Pursuant to 11 U.S.C. §§ 547(b), 550

214. Plaintiff hereby incorporates by reference each and every allegation contained in the preceding paragraphs as if set forth herein.

215. Pursuant to section 547(b) of the Bankruptcy Code, a debtor in possession may avoid any transfer of an interest of the debtor in possession in property (a) to or for the benefit of a creditor, (b) for or on account of an antecedent debt owed by the debtor before such transfer was made, (c) made while the debtor was insolvent, (d) made on or within 90 days before the date of

the filing of the petition, (e) that enables such creditor to receive more in satisfaction of its claims than it would receive in a case under chapter 7 of the Bankruptcy Code if the transfer had not been made. 11 U.S.C. § 547(b)(1)–(5).

216. From June 12, 2025 to Tricolor's bankruptcy filing on September 10, 2025 (the "**Preference Period**"), Tricolor made the transfers (the "**Chu Transfers**") to or for the benefit of Chu in an aggregate amount of not less than $13 million, as listed in Appendix B.

217. Each Chu Transfer was made from Tricolor or one of its subsidiaries and constituted transfers of an interest in property of Tricolor.

218. The Chu Transfers were made to or for the benefit of Chu within the meaning of 11 U.S.C. § 547(b)(1) because the Chu Transfers either reduced or fully satisfied a debt or debts then owed by Tricolor to Chu.

219. Each of the Chu Transfers was made from a bank account owned by Tricolor, out of Tricolor's funds, and constituted a transfer of an interest in property of Tricolor.

220. Chu was a creditor of Tricolor at the time of each of the Chu Transfers by virtue of supplying the goods and services detailed above, for which Tricolor was obligated to pay. Each Chu Transfer was thus made for or on account of an antecedent debt owed by Tricolor before such Chu Transfer.

221. The Chu Transfers were made at a time when Tricolor was insolvent. Plaintiff is entitled to the presumption of insolvency for the Chu Transfers made during the Preference Period pursuant to 11 U.S.C. § 547(f). Each of the Chu Transfers was made during the Preference Period, as set forth in Appendix B.

222. The Chu Transfers enabled Chu to receive more in satisfaction of his claim against Tricolor than he would have received in a case under chapter 7 of the Bankruptcy Code had the

Chu Transfers not been made. As evidenced by the Bankruptcy Petition, Tricolor's liabilities exceed their assets to the point that unsecured creditors will not receive a full payout of their claims from its bankruptcy estate.

223. By reason of the foregoing, each of the Chu Transfers are avoidable pursuant to Section 547 of the Bankruptcy Code.

COUNT VIII
Actual Fraudulent Transfer (against Chu)
Pursuant to 11 U.S.C. §§ 548(a)(1)(A), 544(b), 6 Del. Code § 1304(a)(1), Tex. Bus. & Com. Code § 24.005(a)(1)

224. Plaintiff hereby incorporates by reference each and every allegation contained in the preceding paragraphs as if set forth herein.

225. Chu secured funding from the Lenders for Tricolor while knowingly and intentionally misrepresenting Tricolor's financial condition.

226. Based on these misrepresentations, Chu persuaded the Board to pay him a $15,000,000 special bonus just months before Tricolor was forced to declare bankruptcy.

227. Chu also caused Tricolor to transfer millions of dollars to his personal bank account at Origin Bank and pay his Tricolor American Express card that he used for personal expenses.

228. At the time of each transfer from Tricolor to Chu's personal bank account and American Express card, Tricolor had at least one general unsecured creditor holding an allowable claim who, but for Debtors' bankruptcy filing, would have standing to bring claims to avoid and recover actual fraudulent transfers.

229. Chu directed Tricolor to transfer money to his personal bank account and to pay off his American Express card with the actual intent of hindering, delaying, and/or defrauding Tricolor's creditors and investors.

230. The payments to Chu are voidable pursuant to Section 548(a)(1)(A) and may be recovered from Defendants pursuant to Section 550.

231. Accordingly, Tricolor is entitled to a judgment (1) avoiding the fraudulent transfers under Section 548(a)(1)(A) and/or Section 544(b), and (2) recovering and preserving all such avoided transfers under Sections 550 and 551.

COUNT IX
Avoidance of Constructive Fraudulent Transfer (against Chu)
Pursuant to 11 U.S.C. §§ 548(a)(1)(B), 544(b), 6 Del. Code § 1304(a)(2), Tex. Bus. & Com. Code § 24.005(a)(2)

232. Plaintiff hereby incorporates by reference each and every allegation contained in the preceding paragraphs as if set forth herein.

233. Plaintiff seeks to avoid the fraudulent transfers made on numerous occasions from Tricolor's accounts to Chu's personal bank account and his American Express credit card and to recover and preserve the value thereof.

234. On information and belief, Chu caused Tricolor to complete numerous transfers to benefit himself.

235. Tricolor did not receive reasonably equivalent value in exchange for the transfers.

236. Each of the transfers was made within the applicable lookback period.

237. On the date of each relevant transfer, Tricolor: (1) was insolvent or became insolvent as a result of such transfer; or (2) made such transfer to or for the benefit of an insider, or incurred such obligation to or for the benefit of an insider, under an employment contract and not in the ordinary course of business.

238. At the time of each of the fraudulent transfers, Chu was an insider given his role as CEO and President of Tricolor Holdings and the other Debtors.

239. These transfers were not made in the ordinary course of business.

240. At the time of each of the fraudulent transfers, Tricolor had numerous unsecured creditors holding an allowable claim who, but for Tricolor's bankruptcy filing, would have standing to bring claims to avoid and recover constructive fraudulent transfers.

241. Accordingly, Tricolor is entitled to a judgment (1) avoiding the fraudulent transfers under Sections 548(a)(1)(B) and/or 544(b) of the Bankruptcy Code, and (2) recovering and preserving all such avoided transfers under Sections 550 and 551 of the Bankruptcy Code.

COUNT X
Civil Conspiracy (against all Defendants)

242. Plaintiff hereby incorporates by reference each and every allegation contained in the preceding paragraphs as if set forth herein.

243. Defendants were members of a combination of two or more persons, with an object to accomplish an unlawful purpose, or a lawful purpose by unlawful means, in their efforts to double pledge collateral, overleverage Tricolor, and conceal this information from Tricolor.

244. Specifically, Defendants worked together to falsify nearly 40,000 loans that were falsely represented to Tricolor as accurate.

245. In addition, through acts and omissions, Defendants worked in concert to conceal information about the actual status of the loans from Tricolor. With Chu's knowledge, Goodgame, Kollar and Seibold also fabricated and falsified backup records when audits of the borrowing bases were conducted to try and hide their fraud from Tricolor.

246. As direct and proximate result of their object, Defendants have caused Tricolor to sustain damages in an amount to be determined at trial.

COUNT XI
Unjust Enrichment (against Chu)

247. Plaintiff hereby incorporates by reference each and every allegation contained in the preceding paragraphs as if set forth herein.

248. Chu was enriched and received direct, concrete economic benefits without legal or equitable justification, including, but not limited to, through receipt of funds from Tricolor.

249. Chu has unjustly retained the sums procured through, funded by, or serviced with Tricolor's assets—sums to which Chu had no lawful claim and for which Tricolor received no reciprocal benefit—to the detriment of Tricolor and its creditors, thereby shifting value from the company to Chu.

250. Tricolor suffered financial losses as a result of these transactions. Tricolor did not receive reasonably equivalent value for any of the transfers, the conduct at issue siphoned substantially all of Tricolor's assets; and the bankruptcy estate was left burdened with liabilities without corresponding assets or value.

251. There is a direct, proximate, and traceable relationship between Chu's enrichment and the losses accrued by Tricolor: the transfers emanated from Tricolor's accounts and were made directly to Chu.

252. No legitimate corporate purpose, consideration, or fair value supports these transfers. They were the product of self-dealing and other misconduct, conferred unique personal benefits upon Chu that were not shared by Tricolor, and were not supported by reasonably equivalent value or fair consideration.

253. Tricolor conferred a benefit in the form of corporate funds and value, Chu appreciated and accepted that benefit, and Chu's continued retention of that benefit in the form of real property, funds, and other property would be inequitable under the circumstances.

254. Equity and good conscience do not permit Chu to retain the benefits he wrongfully obtained at Tricolor's expense. Legal remedies are inadequate to the extent the relief required is

restitutionary and equitable in nature, including the recovery of specific, identifiable funds or assets traceable to Chu's unjust enrichment.

255. Accordingly, Tricolor is entitled to judgment for restitution in the amount of the benefits unjustly obtained, together with disgorgement of all proceeds traceable to the transfers, the imposition of a constructive trust and/or equitable lien over assets and proceeds in Chu's control, an accounting, and pre- and post-judgment interest at the maximum rate permitted by law, as well as such other and further equitable relief as the Court deems just and proper.

COUNT XII
Constructive Trust (against Chu)

256. Plaintiff hereby incorporates by reference each and every allegation contained in the preceding paragraphs as if set forth herein.

257. A constructive trust is an equitable remedy imposed to prevent unjust enrichment where a defendant, through fraud, breach of fiduciary duty, unfair or unconscionable conduct, or abuse of confidence, acquires or retains property that which in equity and good conscience belongs to another.

258. As detailed in this Complaint, Chu engaged in fraudulent, unfair, and unconscionable conduct, including the diversion and misappropriation of Tricolor's funds.

259. As a result of this misconduct, Chu was directly and materially enriched. Chu obtained and continues to retain specific, identifiable property traceable to Tricolor.

260. Chu received and retains the fraudulent transfers by fraud, self-dealing, and wrongful diversion. Continued possession of such property is inequitable and would unjustly enrich Chu at the expense of Tricolor and its creditors.

261. Therefore, equity deems Chu a constructive trustee of the fraudulent transfers and all traceable proceeds, substitutions, products, and property (collectively, the "**Constructive Trust Property**") for the benefit of Plaintiff in its chapter 7 case.

262. The Constructive Trust Property is sufficiently specific and traceable: the transfers originated from identified Tricolor accounts and were directed to Chu, and can be followed into property acquired therewith.

263. Included in the Constructive Trust Property are the real estate properties held by Chu and Chu Family Investments LLC at (1) 9001 Collins Ave #S-201, Miami Beach, FL 33154; (2) 4208 Beverly Drive, Highland Park, TX 75205; (3) 4544 Westway Ave, Highland Park, TX 75205; and (4) 1612 Gilcrest Drive, Beverly Hills, CA 90210 (together, the "**Chu Real Estate**").

264. These properties were purchased with Tricolor funds which were fraudulently transferred from Tricolor to Chu for Chu's personal benefit.

265. Legal remedies are inadequate because Tricolor seeks restitutionary, in-kind relief as to specific funds and assets; equitable relief is necessary to permit tracing, preserve the Constructive Trust Property, and avoid dissipation. An accounting is warranted to identify all property constituting or derived from the Constructive Trust Property.

266. Accordingly, Tricolor seeks entry of judgment: (a) declaring and imposing a constructive trust over the Constructive Trust Property and all proceeds, products, offspring, and substitutions; (b) directing Chu, as constructive trustee, to convey, transfer, and turn over the Constructive Trust Property to Tricolor, including that the Court convey—or grant an interest in—each of the Chu Real Estate properties; (c) imposing, in the alternative, an equitable lien to the extent any portion of the Constructive Trust Property cannot be specifically traced; (d) ordering

an accounting and tracing of all relevant accounts and assets; and (e) awarding pre- and post-judgment interest and such other equitable relief as the Court deems just and proper.

COUNT XIII
Accounting (against all Defendants)

267. Plaintiff hereby incorporates by reference each and every allegation contained in the preceding paragraphs as if set forth herein.

268. The facts surrounding Defendants' unlawful actions and the accounts mentioned herein are so complex that adequate relief may not be obtained through standard discovery procedures, such as production and interrogatories.

269. Accordingly, Tricolor is entitled to an equitable accounting.

PRAYER FOR RELIEF

WHEREFORE, for the foregoing reasons, Plaintiff respectfully requests that this Court enter judgment against Defendants:

a) Granting damages for common law fraud, in an amount to be determined at trial;

b) Granting damages for breach of fiduciary duty, in an amount to be determined at trial;

c) Granting damages for breach of the Fifth Amended and Restated Limited Liability Company Agreement, in an amount to be determined at trial;

d) Granting damages for breach of the implied covenant of good faith and fair dealing, in an amount to be determined at trial;

e) Avoiding the avoidable Chu Transfers and directing Chu to return to Plaintiff the amount of the Chu Transfers, plus interest from the date of demand at the maximum legal rate and to the fullest extent allowed by applicable law;

f) Avoiding and recovering the fraudulent transfers as actual or constructive fraudulent transfers, in an amount to be determined at trial;

g) Granting damages for civil conspiracy, in an amount to be determined at trial;

h) Imposing a constructive trust upon Chu's Constructive Trust Property;

i) Ordering an equitable accounting;

j) An award of pre- and post-judgment interest; and

k) Such other and further relief as this Court deems just and equitable.

INSTRUCTIONS

The filing of a bankruptcy case creates an "estate" under the jurisdiction of the bankruptcy court which consists of all of the property of the debtor, wherever that property is located. Because the bankruptcy estate is so extensive and the jurisdiction of the court so broad, there may be lawsuits over the property or property rights of the estate. There also may be lawsuits concerning the debtor's discharge. If such a lawsuit is filed in a bankruptcy court, it is called an adversary proceeding.

A party filing an adversary proceeding must also must complete and file Form 1040, the Adversary Proceeding Cover Sheet, unless the party files the adversary proceeding electronically through the court's Case Management/Electronic Case Filing system (CM/ECF). (CM/ECF captures the information on form 1040 as part of the filing process.) When completed, the cover sheet summarizes basic information on the adversary proceeding. The clerk of court needs the information to process the adversary proceeding and prepare required statistical reports on court activity.

The cover sheet and the information contained on it do not replace or supplement the filing and service of pleadings or other papers as required by law, the Bankruptcy Rules, or the local rules of court. The cover sheet, which is largely self-explanatory, must be completed by the plaintiff's attorney (or by the plaintiff if the plaintiff is not represented by an attorney). A separate cover sheet must be submitted to the clerk for each complaint filed.

Plaintiffs and **Defendants.** Give the names of the plaintiffs and defendants exactly as they appear on the complaint.

Attorneys. Give the names and addresses of the attorneys, if known.

Party. Check the most appropriate box in the first column for the plaintiffs and the second column for the defendants.

Demand. Enter the dollar amount being demanded in the complaint.

Signature. This cover sheet must be signed by the attorney of record in the box on the second page of the form. If the plaintiff is represented by a law firm, a member of the firm must sign. If the plaintiff is pro se, that is, not represented by an attorney, the plaintiff must sign.

Exhibit 1

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

25 CR 579

UNITED STATES OF AMERICA

v.

DANIEL CHU and
DAVID GOODGAME,

Defendants.

[redacted] INDICTMENT

25 Cr.

COUNT ONE
(Continuing Financial Crimes Enterprise)

The Grand Jury charges:

1. From at least in or about 2018 through in or about September 2025, DANIEL CHU and DAVID GOODGAME, the defendants, conspired to and did defraud the lenders and asset-backed securities investors of Tricolor Holdings, LLC and its affiliates ("Tricolor"), a subprime auto retailer and financing company. CHU, Tricolor's founder and chief executive officer ("CEO"), GOODGAME, Tricolor's chief operating officer, and others, operated Tricolor through systematic fraud. At CHU's direction, multiple Tricolor executives repeatedly defrauded lenders using various fraudulent schemes, including "double-pledging" collateral—pledging assets to support one loan and then pledging the same assets to another lender to support another loan. Other fraudulent schemes directed by CHU involved manipulating the descriptions and classification of assets pledged as collateral for loans to make ineligible, near-worthless assets appear to meet lender requirements. Over time, this series of fraudulent schemes had a profound effect on Tricolor, which obtained hundreds of millions of dollars in cash advances; on CHU, who used a portion of the funds to enrich himself; and on Tricolor's lenders, who provided over a billion dollars in funding based on Tricolor's fabricated data and false statements.

2. In the summer of 2025, lenders confronted DANIEL CHU, the defendant, and others at Tricolor with concerns about Tricolor's collateral. CHU and his conspirators initially tried to conceal the fraud and to falsely claim that the collateral issues were due to an administrative error. Those efforts failed. CHU, recognizing that Tricolor was, in his words, "basically history," turned his attention to extracting millions of dollars from the company. At CHU's direction, Tricolor transferred over $6 million to CHU after lenders voiced concerns in or about late August 2025.

3. After the fraudulent double-pledging and collateral manipulation schemes orchestrated by DANIEL CHU and DAVID GOODGAME, the defendants, unraveled, Tricolor was unable to maintain its access to loans and unable to sustain its business without substantial cash. On or about September 10, 2025, Tricolor filed for Chapter 7 bankruptcy. By that time, the company's largest lenders had advanced and were owed more than $900 million as a result of the defendants' schemes.

Background: Tricolor and its Lending Facilities

4. Founded in or about 2007, Tricolor sold and provided subprime financing for used cars, focusing specifically on Hispanic customers with limited or no credit history. By in or about 2025, Tricolor had grown to become the third-largest used auto retailer in Texas and California, operating approximately 65 retail centers in Texas, California, Nevada, Arizona, New Mexico, and Illinois, as well as a shared services center in Guadalajara, Mexico. At its peak, Tricolor employed over 1,500 people and generated approximately $1 billion in annual revenue in both 2023 and 2024. When the company filed for Chapter 7 bankruptcy on or about September 10, 2025, it had over 60,000 outstanding car loans.

5. Tricolor funded its operations substantially through cash advances from several

lenders with which Tricolor had entered credit agreements. Under these agreements, Tricolor pledged certain assets to the lenders as collateral and received cash advances secured by that pledged collateral. Tricolor maintained inventory lines of credit collateralized by used cars in Tricolor's possession. The company also maintained multiple lines of credit collateralized by the car loans that Tricolor had issued to its customers—specifically, by the car loan receivables, meaning the forthcoming payments that would be received from borrowers until their loans were repaid. Each credit agreement specified eligibility requirements for collateral, and Tricolor generally did not receive a 100% advance rate on such eligible loans. Instead, Tricolor received advance rates at a lower amount, such as 60% to 80% of an eligible car loan's outstanding balance. In addition to these receivables-backed lines of credit, Tricolor also raised capital by securitizing car loan receivables—that is, organizing groups, or tranches, of the receivables into classes of bonds that were then sold to investors.

6. Tricolor maintained lines of credit with several financial institutions and investment management firms. In or about February 2018, Tricolor entered into a revolving line of credit agreement with a U.S. bank ("Lender-1") that reached approximately $25 million in commitments, collateralized by car loan receivables (the "Lender-1 Credit Line"). In or about January 2020, Tricolor entered into credit agreement with another U.S. bank ("Lender-2") for an inventory line that reached $87 million in commitment, supposedly secured by Tricolor's used vehicle inventory (the "Lender-2 Inventory Credit Line"). Beginning in or about August 2020, Tricolor established a series of warehouse lending facilities—short-term revolving credit facilities extended to loan originators to temporarily fund loans before sale to permanent investors. These warehouse facilities, associated with special purpose vehicles and referred to as "SPV3," "SPV4," "SPV5," and "SPV6," were collateralized by car loan receivables and involved various lenders including a

California-based investment manager ("Lender-3") and U.S. banks. The SPV3 warehouse reached approximately $100 million in total commitment. The SPV4 warehouse ultimately reached approximately $770 million in total commitment, shared among multiple lenders including a U.S. bank ("Lender-4"), another bank ("Lender-5"), and junior mezzanine lenders based in New York, New York ("Lender-6" and "Lender-7"). In August 2022, Tricolor entered into the SPV6 warehouse with a U.S. bank ("Lender-8"), which reached $250 million in commitment. In March 2025, Tricolor entered into a mezzanine loan agreement with a New York, New York-based asset management firm ("Lender-9") for $35 million. By the time of bankruptcy, Tricolor owed approximately $923 million to lenders through these facilities.

7. Tricolor's lenders generally set eligibility criteria for the types of collateral that could be pledged in exchange for cash advances. These eligibility requirements for collateral were typically set out in credit agreements between the lender and Tricolor. For receivables-backed lines of credit, eligibility turned on, among other things, whether the car loan was current—meaning the customer was making timely payments—or past due, meaning the customer had missed a scheduled payment and the loan was delinquent. Loans that were more than 60 days past due were generally ineligible to serve as collateral under the terms of the credit agreements and could not be pledged in exchange for cash, and some lines of credit excluded loans more than 30 days past due.

8. As generally required under the loan agreements, Tricolor pledged cars and loans and requested advances by sending lenders borrowing base reports. These reports typically took the form of large Excel files with thousands of rows, one for each loan pledged to the facility. These borrowing base reports provided dozens of data points for each loan, including the outstanding principal balance, the vehicle identification number ("VIN") of the financed car, and

data related to whether the loan was current or past due. These reports generally identified loans as being current, 0-15 days past due, 15-30 days past due, 30-60 days past due, and 61+ days past due, and included a column for the last payment date. Tricolor typically sent borrowing base reports and funding requests to lenders multiple times a week. At the conclusion of each month, Tricolor would generally send each lender a monthly servicer report ("MSR") that summarized the pledged collateral for the past month.

Tricolor's Fraud on its Lenders

9. For years, DANIEL CHU and DAVID GOODGAME, the defendants, Jerome Kollar, Tricolor's chief financial officer, and Ameryn Seibold, Tricolor's senior director of finance, and others, engaged in a series of frauds directed at each of Tricolor's lenders. These schemes operated through two primary mechanisms: first, CHU, GOODGAME, and their conspirators double-pledged the same collateral to multiple lenders, allowing Tricolor to borrow against the same assets, at the same time, repeatedly; second, they manipulated loan data to make ineligible, delinquent loans appear current and compliant with lender requirements. Additionally, to conceal their deceptions from lenders, auditors, and collateral managers, the conspirators fabricated and disseminated fictious backup records, such as records of fake customer payments. Under CHU's leadership, this activity became Tricolor's routine manner of business and eventually Tricolor's means of financial survival.

10. In or about 2018, Tricolor faced liquidity pressure. To address that problem, DANIEL CHU, the defendant, instructed Kollar to pledge delinquent loans to the Lender-1 Credit Line. These delinquent loans were typically so past due that Tricolor itself had charged them off as losses. To make these charged-off loans falsely appear to be performing loans that could serve as collateral (which they were not), CHU directed Kollar to create a fictitious portfolio company in Tricolor's dealer management system (which was used to track Tricolor's loans and their

associated data), transfer the charged-off loans to that new portfolio company in the dealer management system, and arrange for other Tricolor employees to manually enter fake payments on those charged-off loans in the dealer management system.

11. Over time, DANIEL CHU, the defendant, addressed liquidity constraints by repeatedly falsifying information regarding ineligible collateral to make it appear eligible to use as collateral. In January 2021, for example, CHU asked Kollar whether Tricolor had "anything we can pledge from [Lender-1] to [Lender-4] or [Lender-3] to get some liquidity," and Kollar responded, "I will look. What is 'there' typically is [ineligible] for those"—referring to the charged-off loans manipulated to look like they were performing loans. CHU and his co-conspirators fraudulently pledged charged-off loans to Lender-1 for years until Tricolor's collapse. In addition to orchestrating this fraud within Tricolor, CHU simultaneously served on the board of directors of Lender-1, a financial institution he defrauded for nearly a decade.

12. By at least in or about 2021, Tricolor's collateral manipulation also expanded beyond the Lender-1 Credit Line. To increase the amount of cash received from Lender-2, DANIEL CHU, the defendant, directed Kollar to keep sold vehicles on the borrowing base for the Lender-2 Inventory Credit Line, even though they were supposed to be removed once sold, a practice that continued through Tricolor's bankruptcy. For instance, on or about April 20, 2021, CHU texted Kollar and others that, "[i]n an ideal scenario, we buy and increase inventory by $10mm and then we can move the sold units off the borrowing base"—meaning Tricolor would increase its inventory by $10 million to give it enough cushion to remove the sold units that were fraudulently included on the Lender-2 Inventory Credit Line borrowing base. To further increase the amount of cash received from lenders, Tricolor also pledged to other lenders the loan receivables for cars that had been sold and financed, but that were still nonetheless pledged to the

Lender-2 Inventory Credit Line.

13. As Tricolor's financing arrangements with lenders expanded, so did its use of fraud. From at least in or about 2022, DANIEL CHU and DAVID GOODGAME, the defendants, Kollar, Seibold, and others repeatedly manipulated borrowing base data (including loan performance data) for, and double-pledged collateral across, the SPV3, SPV4, SPV5 and SPV6 warehouses and the Lender-9 Credit Line. At CHU's direction and with GOODGAME's knowledge and approval, Kollar and Seibold, sometimes with the assistance of others, executed the schemes to defraud Tricolor's lenders by submitting fraudulent borrowing base reports. CHU directed Kollar to fraudulently obtain more liquidity, and Kollar, in turn, directed Seibold to submit fraudulent borrowing base reports. Kollar, Seibold, and others submitted borrowing base reports with false and manipulated data or already-pledged loans to the Lender-1 Credit Line, the Lender-2 Inventory Credit Line, the SPV3 warehouse, the SPV4 warehouse, the SPV5 warehouse, the SPV6 warehouse, and the Lender-9 Credit Line in order to fraudulently obtain cash advances.

14. As the risks and dollar size of the fraud dramatically increased, the conspirators' used the same fraudulent methods. Kollar, Seibold, and others manually edited collateral data in borrowing base reports provided to lenders so that ineligible loans would falsely appear to lenders to meet eligibility criteria when in fact the loans were significantly past due. They did this with the awareness and, at times, specific direction of DANIEL CHU, the defendant. For instance, on or about July 25, 2022, CHU texted Kollar, "Can we work the > 60s"—asking whether Kollar could manipulate data for loans over 60 days past due to make them appear eligible. In response to these requests, and to achieve CHU's overarching directives, Kollar and Seibold would manually change the data fields in borrowing base reports related to whether a loan was performing or past due by, for example, editing loans more than 60 days past due to appear current or paid within the past 60

days. Kollar would also periodically update CHU on their progress. On November 16, 2022, for example, when CHU asked for an update on liquidity, Kollar responded: "We have $2.1m to [pledge] and with working DQ [delinquency] buckets we are getting $2.77M or ~$1.3m more. Will do a Bb [borrowing base] tomorrow and work to squeeze a little more out." In other words, by manipulating delinquency data in borrowing base reports, Kollar increased the volume of eligible loans, generating an additional $1.3 million in advanced funds from lenders. Similarly, on April 26, 2022, Kollar texted CHU: "We maxed the [Lender-4] one [*i.e.*, the SPV4 warehouse] for tomorrow by adding $1M when we should have only received $300k and working on the [Lender-3] [*i.e.*, the SPV 3 warehouse] today"—meaning that collateral manipulation had obtained $1 million more from the SPV4 warehouse than would have been possible without fraud.

15. At the defendants' direction and with their knowledge, Kollar and Seibold also double-pledged the same loans as collateral to multiple lenders and securitizations. For example, on March 1, 2023, Seibold described this double-pledging to DAVID GOODGAME, the defendant, writing that he was "taking accounts from SPV6 and pledging on SPV3 to get liquidity out of SPV3," to which GOODGAME jokingly responded with a crying emoji, followed by Seibold stating he was "then possibly taking SPV5 accounts and double pledging on SPV6." As another example, on September 8, 2023, when GOODGAME messaged Seibold about selling more inventory each week, Seibold explained that "We are bringing in between 6-8M a week on the main spvs right now" but that "[i]t's been tight just because of how close we are to maxing out the facilities" and that Tricolor was "[r]eally needing the securitization." Their conversation continued with Seibold explaining, "Spv6 is capped out. Spv4 is making it hard with this notional interest rate cap. Spv3 is capped out. We have some room on SPV5 but are trying to keep it relatively clean. Doing everything I can to make sure we still have as much as we can coming in.

The audits are going to be tough." GOODGAME responded "ugh." Seibold replied, "Hopefully after this securitization we can keep them a bit cleaner" before sending an "lol" emoji, to which GOODGAME responded "Lol," as they joked about how Tricolor could not keep its lines of credit "clean" of fraud.

16. The growing risk and scale of the frauds eventually forced the conspirators to reckon with the possibility the frauds would be discovered. Seibold at various times raised concerns to DAVID GOODGAME, the defendant, among others, but GOODGAME always reassured Seibold and Seibold would continue. To minimize the risks of discovery, however, and with the knowledge of DANIEL CHU, the defendant, and GOODGAME, Kollar and Seibold fabricated and falsified backup records when audits of the borrowing bases were conducted, including loan payment ledgers and system records indicating to which lender a loan had been pledged. On July 22, 2021, for example, while an audit firm was conducting an audit of Tricolor's prior year financial statements, Kollar texted CHU, "We will need to make sure [the auditor] does not try to[t]ie out [Lender-1]," because a comparison of the manipulated data that was provided to Lender-1 to the real data in Tricolor's internal dealer management system would have revealed the fraud. CHU responded: "I know." Later, on July 28, 2023, in connection with another audit, CHU texted Kollar: "Can you reconstruct [Lender-1] BB," referring to the borrowing base of purported collateral pledged to Lender-1. Kollar responded, in part, "It includes loans that are not active."

17. By on or about August 21, 2025, Kollar had conducted an analysis comparing the collateral data in Tricolor's dealer management system to the fraudulent collateral data that Tricolor had provided to lenders to obtain capital. Using the fraudulent borrowing bases that Tricolor had sent to lenders, Kollar added up the total amount of purported collateral that Tricolor

had pledged to lines of credit, securitizations, and other facilities, which totaled approximately $2.2 billion. When Kollar performed the same calculation using Tricolor's internal dealer management system, however, the real amount of Tricolor's available collateral was approximately $1.4 billion. In other words, Tricolor had pledged approximately $2.2 billion of collateral to lenders and investors, but Tricolor had only approximately $1.4 billion of real collateral. The difference—consisting of approximately $800 million in bogus collateral—resulted from the series of schemes and the conspiracy in which DANIEL CHU and DAVID GOODGAME, the defendants, Kollar, Seibold, and others participated.

The Frands Unravel

18. As of in or about August 2025, Tricolor had still not completed an audit of its borrowing bases that had begun in or about February 2025. Lender-6 expressed concerns to Lender-4 about the unfinished audit. In reviewing Tricolor's borrowing base reports in or about August 2025, Lender-6 noticed discrepancies in Tricolor's data: loans that Tricolor reported as current—that is, as receiving timely payments from customers—did not show a corresponding reduction in the outstanding principal balance. This data made no sense as customers' payments would pay down a loan over time.

19. In or about August 2025, DANIEL CHU, the defendant, was alerted to the audit issue and then to the data discrepancies identified by Tricolor's lenders. The developing crisis prompted a series of calls among Tricolor executives, including, at times, CHU, DAVID GOODGAME, the defendant, Kollar, and another Tricolor executive ("Executive-1"). Some of these calls were secretly recorded by at least one participant, and sometimes calls were secretly recorded by multiple participants.

20. On or about August 17, 2025, for example, DANIEL CHU, the defendant, spoke with Kollar and Executive-1 about Lender-6's concerns regarding Tricolor's delay in completing

the audit. CHU urged the team to find a solution, observing that "rather than conform all of our records to meet the audit, I think we need to, we need to rethink, kind of holistically, all of the processes that are resulting in this" delay. CHU then drew an "analogy" to when the team managed to obscure Tricolor's fraudulent use of "dead loans on the balance sheet" to borrow capital during the 2022 financial statement audit. CHU emphasized that his "point in that analogy" was that "rather than scrambling" to figure out, "okay, how are we gonna fabricate these loans? How are we gonna make up these loans? We just basically created around the problem with a structure, or I would say in this case, a policy, which, which made it, made all the math work." CHU then said, "we have a similar math problem today" and discussed with Kollar the buckets of manipulated loans and confirming exactly what fake data had been sent to the lenders on the SPV4 Warehouse.

21. During the August 17, 2025 call, DANIEL CHU, the defendant, proposed various lies the conspirators could tell to resolve the audit and explain the manipulated data. For example, CHU proposed that some of the manipulated, non-paying loans could be explained away by a purported "Trump administration deferment" policy. In fact, such a deferment policy did not actually exist at Tricolor. Nevertheless, CHU explained that, with this fictitious policy, "all I'm trying to do is, is alleviate the need to mess with any of these things and create a policy." CHU acknowledged, however, that "where we would have an issue is if, if they sent an auditor and they said, pull this up on your screen, right, that would be a problem." Kollar agreed, stating, "Yes. That would be bad,"—as Tricolor's internal records would not match the manipulated records and false excuses Tricolor provided to lenders and auditors.

22. The following day, on or about August 18, 2025, the Tricolor executives, including DANIEL CHU and DAVID GOODGAME, the defendants, Kollar, and Executive-1, continued to discuss how to conceal the fraud. During the call, CHU described how Lender-6 had identified,

among other things, "$63 million of loans that have not had a payment in 180 days that are marked as current in the borrowing base." CHU complained that he did not understand how Seibold could "be doing this and not thinking that the balance has to reduce," saying it was "the stupidest fucking thing [he had] ever heard." Once Seibold was added to the call, CHU, in effect, demanded to know why Seibold had not thought to falsely reduce the balances in the borrowing base provided to lenders when Seibold fraudulently marked the loans as current. Seibold responded: "I've been holding 8,000 outstanding charge offs on every report for about … a long time." When CHU asked whether Seibold ever reduced the balance, Seibold explained: "We do, but some we don't. … I can't reduce by a full 8,000 without having us have millions of dollars in debts that we need to pay down…. I'm doing what I thought was what we needed."

23. The next day, on or about August 19, 2025, the Tricolor executives, including DANIEL CHU and DAVID GOODGAME, the defendants, Kollar, and Executive-1, spoke again by telephone. During the call, CHU described how he had spoken to a Lender-6 representative the prior evening. CHU recounted how he had told Lender-6, "look, if we were trying to commit fraud, we wouldn't be so stupid as to keep the same balances on there… Nobody would be that stupid. And he [the Lender-6 representative] goes, 'you're right.'" The participants on the August 19 call laughed in response. CHU also recounted how he told the representative of Lender-6 that it must be a "system issue." These were lies. As CHU well knew, the inconsistencies in the borrowing bases resulted from the frauds and the conspiracy among CHU, GOODGAME, and their co-conspirators, and not some supposed system issue.

24. On or about August 30, 2025, the Tricolor executives, including DANIEL CHU and DAVID GOODGAME, the defendants, Kollar, and Executive-1, discussed how they might reach a settlement with Lender-4, which, by that point, had identified double-pledged and manipulated

collateral and terminated its lending facility. During this call, CHU compared Tricolor's circumstances to the circumstances of Enron, the energy trading firm that collapsed into bankruptcy following the discovery of accounting fraud and other misconduct. Specifically, CHU and the others discussed the possibility that they could blame the banks for purportedly ignoring red flags of their frauds and use that threat as leverage to extract a favorable settlement. CHU proposed using artificial intelligence tools to search for key words that GOODGAME could use in a discussion with Lender-4. After Executive-1 described an Enron-related litigation, CHU stated: "Enron obviously has a nice ring to it, right? <laugh>, I mean, Enron, Enron raises the blood pressure of the lender when they see that <laugh>. It, it has to, right? I'm not— [...] Cause who wants to be thrown in the category?" CHU later said, "That Enron case is fucking perfect, I think."

25. Even as the frauds unraveled and Tricolor's insolvency became clear, DANIEL CHU, the defendant, continued to enrich himself. Throughout the fraud scheme, CHU had received tens of millions of dollars in compensation from Tricolor, including an annual salary, bonuses, management incentive units, and company-provided cars. CHU's annual salary was $1 million in 2023, which was raised to $2 million in 2025. He also received a $2 million bonus for 2024, two $125,000 securitization bonuses in 2025, and a $15 million bonus in 2025. During the 24-month period from August 2023 through August 2025, Tricolor made more than $19.3 million in salary and bonus net cash payments to CHU's bank accounts. As Tricolor approached collapse, and after CHU observed that the company was "definitely insolvent," he directed Kollar to pay him the final installments of his $15 million bonus. On or about August 19 and 20, 2025—roughly three weeks before Tricolor placed more than 1,000 employees on unpaid leaves of absence and before the company filed for bankruptcy—CHU received two payments from Tricolor totaling $6.25 million.

CHU used some of this money to purchase a multi-million-dollar property in Beverly Hills, California on or about August 27, 2025. Days later, on September 6, 2025, Tricolor placed more than 1,000 of its employees on unpaid leaves of absence. On September 10, 2025, Tricolor filed for Chapter 7 bankruptcy.

Section 1.05. Interest Rates; LIBOR Notification. The interest rate on the Loans shall be determined by reference to the LIBO Rate, which is derived from the London interbank offered rate. The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administration, the "IBA") for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that commencing in 2022, the London interbank offered rate may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on Loans. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate. Upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-In Election, Section 2.11(b) and (c) provide the mechanism for determining an alternative rate of interest. The Administrative Agent will promptly notify the Borrower, pursuant to Section 2.11(e), of any change to the reference rate upon which the interest rate on Loans is based. The Administrative Agent shall not, however, warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the London interbank offered rate or other rates in the definition of the term "LIBO Rate" or with respect to any alternative or successor rate thereto, or replacement rate thereof (including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 2.11(b) or (c), whether upon the occurrence of a Benchmark Transition Event a Term SOFR Transition Event or an Early Opt-in Election, and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 2.11(d), including, without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the LIBO Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability).

ARTICLE TWO

LOANS

(a) On the terms and conditions set forth herein, including this Section and Article Four, the Borrower may from time to time on any Business Day during the Revolving Period, request that each Conduit Lender (or, the related Committed Lender if such Conduit Lender is not a Committed Lender and elects to not make a Lender Advance) and Committed Lender make an advance (each, a "Loan"), in the amount of such Conduit Lender's or Committed Lender's Lender Advance to it on a Funding Date.

(c) In no event shall:

(i) a Lender be required to fund a Principal Amount that would cause its Lender Percentage of the Loans Outstanding, determined after giving effect to such funding to exceed its Commitment or Conduit Funding Limit;

(ii) any Lender be obligated to fund any Loan, to the extent that after giving effect to such Loan either the Loans Outstanding would exceed the Borrowing Base or a Borrowing Base Deficiency would exist (and to the extent that the Loan is to be made on a date in any month prior to the Payment Date in such month, after giving effect to the reduction, if any, to the Loans Outstanding to be made on such Payment Date; provided, that the funds to make such reduction are on hand in the Collection Account) (calculated as of the last day of the most recently ended Collection Period, or, with respect to any Receivables added to the Collateral following such last day but prior to or on such date of determination, the related Cutoff Date);

(a) If any Funding Request is delivered to the Administrative Agent, the Agents and the Lenders after 1:00 p.m. (New York, New York time) two Business Days prior to the proposed Funding Date, such Funding Request shall be deemed to be received prior to 1:00 p.m. (New York, New York time) on the next succeeding Business Day and the proposed Funding Date of such proposed Loan shall be deemed to be two Business Days following such deemed receipt. Each Funding Request shall include a representation by the Borrower that (i) the requested Loan will not, on the Funding Date, exceed the Available Amount and (ii) a representation that all conditions precedent to the making of such Loan set forth in Section 2.01 and Section 4.02 have been satisfied or will be satisfied as of the proposed Funding Date. Any Funding Request shall be irrevocable.

Article Four, at or prior to 12:00 p.m. (New York, New York time) on the applicable Funding Date, by deposit of immediately available funds, by wire transfer thereof, to the Administrative Agent Account, and the Administrative Agent shall deposit such Lender Advance to the account specified by the Borrower in the related Funding Request at or prior to 4:00 p.m. (New York, New York time) on the applicable Funding Date, by deposit of immediately available funds, by wire transfer thereof. Each Lender shall promptly notify the Borrower, the related Agent and the Administrative Agent in the event that it either fails to make such funds available before such time or notifies the Borrower, the related Agent and the Administrative Agent that it will not make such funds available before such time. If the Administrative Agent makes available to the Borrower funds for any Loan to be made by the Lenders as provided in this Article, and such funds are not made available to the Borrower because the conditions to the applicable Loan set forth in Article Four are not satisfied or waived in accordance with the terms hereof, the Borrower shall return such funds (in like funds as received from the Administrative Agent) to the Administrative Agent (who shall promptly return such funds to the related Lenders), without interest.

(d) In the event that, notwithstanding the fulfillment of the applicable conditions set forth in Article Four with respect to a Loan, a Conduit Lender that is not a Committed Lender elected to make an advance on a Funding Date but failed to make its Lender Advance available to the Administrative Agent when required by Section 2.02(c), such Conduit Lender shall be deemed to have rescinded its election to make such advance, and neither the Borrower nor any other party shall have any claim against such Conduit Lender by reason of its failure to timely make such advance. In any such case, the Agent for the related Lender Group shall give notice of such failure not later than 12:00 p.m. (New York, New York time) on the Funding Date to the Administrative Agent, each Committed Lender for such Lender Group and to the Borrower, which notice shall specify (i) the identity of such Conduit Lender and (ii) the amount of the Lender Advance which it had elected but failed to make. Subject to receiving such notice, the related Committed Lender shall advance a portion of the Principal Amount in an amount equal to the amount described in clause (ii) above by wire transfer thereof to the Administrative Agent Account, at or before 2:00 p.m. (New York, New York time) on such Funding Date and otherwise in accordance with Section 2.01(d).

(e) The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided, that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

Section 2.03. Reductions of Aggregate Commitment.

(a) At any time during the Revolving Period, the Borrower may, upon at least ten Business Days' prior written notice to the Administrative Agent, each Agent, each Lender and the Account Bank, reduce the Aggregate Commitment in an amount not to exceed the Available Amount as of the date such reduction shall become effective, which reduction shall be applied, unless otherwise consented to by the Administrative Agent and the Lenders, pro rata to the Commitments (and with respect to the Aggregate Commitment, further allocated from each such Commitment to the related Conduit Funding Limits, pro rata). Each partial reduction shall be in a minimum aggregate amount of $5,000,000 or integral multiples of $1,000,000 in excess

thereof. Any request for a reduction in the Aggregate Commitment shall be irrevocable and the Borrower shall deliver no more than two such requests during the Revolving Period.

(b) On the Amortization Date (except as otherwise provided in the proviso set forth in the definition thereof), the Commitments and the Conduit Funding Limits of all Lenders shall be automatically and permanently reduced to zero.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder. Any such recordation by a Lender or its related Agent shall constitute prima facie evidence of the accuracy of the information so recorded absent manifest error. The failure of a Lender or its related Agent to make any such notation shall not limit or otherwise affect the obligation of the Borrower to repay the Loans in accordance with their respective terms as set forth herein.

(c) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns). Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 13.01) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

(d) So long as no Amortization Event has occurred, the Borrower may request in writing to the Administrative Agent and the Agents, no more than 120 nor fewer than 60 days prior to the applicable Commitment Termination Date, that each Committed Lender extend its Commitment Termination Date for an additional 364-day period as herein provided, which request will be granted or denied by each Committed Lender in its sole discretion. Upon receipt of any such request, the Administrative Agent shall promptly notify each Agent thereof, which shall notify each Committed Lender in its Lender Group. On or before the last day of the Election Period, each Committed Lender shall notify the Agent for its Lender Group of its willingness or refusal to so extend its Commitment Termination Date, provided that the failure of any Committed Lender to timely respond shall be deemed to be its refusal to so extend the Commitment Termination Date. The Agent for such Lender Group shall notify the Borrower of such willingness or refusal by each Committed Lender not later than the Business Day following the last day of the Election Period. If (i) one or more Committed Lenders has agreed to extend the Commitment Termination Date and (ii) at the end of the applicable Election Period, no Termination Event shall have occurred and be continuing, the Commitment Termination Date then in effect for each such Committed Lender that has agreed to extend the Commitment Termination Date shall be extended to the date which is 364 days following the last day of the

Election Period or, if such day is not a Business Day, the next preceding Business Day (or to any other date as agreed upon by the Borrower and each Committed Lender); provided, that if not all Committed Lenders have agreed to such extension, the Borrower may elect, by notice to the Administrative Agent delivered not later than five Business Days after the end of the Election Period, not to have such extension become effective.

(e) Within two Business Days following the end of an Election Period, the Agent for each Lender Group shall notify each other Lender in such Lender Group, the Administrative Agent and the Borrower of the identity of any Dissenting Lender and the amounts of its Commitment. The Administrative Agent and the Borrower may (but shall not be required to) request one or more other Lenders to acquire all or a portion of the Commitment of the Dissenting Lender and all amounts payable to it hereunder in accordance with Article Thirteen and any such Lender may, in its sole discretion, assume all or a portion of such Commitment of the Dissenting Lender. Each Dissenting Lender hereby agrees to assign all or a portion of its Commitment and the amounts payable to it hereunder to a replacement Lender identified in accordance with the preceding sentence, subject to ratable payment of such Dissenting Lender's Invested Percentage of the Loans Outstanding, together with all accrued and unpaid interest thereon, and a ratable portion of all fees and other amounts due to it hereunder.

(f) Prior to the occurrence of an Amortization Event, if a Partial Expiration Event has occurred, the Administrative Agent shall give notice to the Borrower and the Servicer to apply any Collections in accordance with Section 2.07(v), except as otherwise provided in Section 2.08, pro rata to the repayment of such amounts owing to any Non-Extending Lender as of the date of the related Partial Expiration Event, commencing no later than the first Payment Date which is at least two Business Days following the Commitment Termination Date for the Non-Extending Lender, specifying the amounts thereof.

Section 2.05. Optional Principal Repayments. The Borrower may, on any Payment Date prior to the occurrence of a Termination Event, prepay all of the Loans Outstanding and all other Aggregate Unpaids; provided, that (i) the Borrower shall have given at least two Business Days' prior written notice to the Administrative Agent, each Lender, the Account Bank and the Collateral Custodian, (ii) on such Payment Date, the Borrower pays to the appropriate parties all amounts due and owing pursuant to clauses (i), (ii) and (vii) of Section 2.07, (iii) the Borrower pays to the Administrative Agent, for the account of the Secured Parties, on the date of any such prepayment, (a) all accrued and unpaid Interest and (b) all other Aggregate Unpaids (including all Breakage Costs) payable to any Indemnified Party under this Agreement through the date of such prepayment, including any fees or other amounts payable pursuant to Section 11.01 and (iv) the Borrower certifies that following such prepayment, the Borrower will be in compliance with the provisions of this Agreement. Any notice of a prepayment shall be irrevocable.

Section 2.06. Payments.

(a) The Borrower shall pay Interest on the unpaid Principal Amount of each Loan for the period from the related Funding Date until the date that such Loan shall be paid in full. Interest shall accrue during each Interest Period and be payable on the Loans Outstanding on each Payment Date in accordance with Section 2.07, unless earlier paid pursuant to Sections 2.05 or 2.15.

(b) The Loans Outstanding shall be payable in installments equal to the Monthly Principal Payment Amount on each Payment Date in accordance with Section 2.07. Notwithstanding the foregoing, the Loans Outstanding, together with all Aggregate Unpaids, shall be due and payable in full in immediately available funds on the earlier of (i) the date on which the "Amortization Date" is declared or automatically occurs pursuant to Section 10.01(b) and (ii) the Maturity Date.

(c) Unless otherwise specified in an applicable Conduit Lender Supplement, Interest calculated by reference to the CP Rate or the Adjusted LIBO Rate shall be calculated on the basis of a 360-day year for the actual days elapsed. Interest calculated by reference to the Prime Rate and the Federal Funds Rate shall be calculated on the basis of a 365 or 366-day year, as applicable, for the actual days elapsed. Periodic fees or other periodic amounts payable hereunder shall be calculated on the basis of a 360-day year and for the actual days elapsed.

(d) The principal of and Interest on the Loans shall be paid as provided herein. In the case of Loans held by an Agent on behalf of any Conduit Lender, the related Agent shall allocate to such Conduit Lender each payment in respect of the Loan received by the Agent as provided herein. Payments in respect of principal and Interest shall be allocated and applied to the Lenders based on their respective Invested Percentages, or in any such case in such other proportions as each affected Lender may agree upon in writing from time to time with the Administrative Agent and the Borrower; provided, that from and after the Commitment Termination Date for each Dissenting Lender until the earlier to occur of (i) the Amortization Date and (ii) the date on which the aggregate amount of payments in reduction of Loans Outstanding made after the date of the occurrence of the related Partial Expiration Event equals the Partial Expiration Event Amount, except as otherwise provided in Section 2.08, payments pursuant to Section 2.07(v) in reduction of the Partial Expiration Event Amount shall be allocated and applied to Non-Extending Lenders pro rata based on their respective Lender Percentages (and if applicable, further allocated from each such Non-Extending Lender to each of its related Conduit Lenders that are not Committed Lenders, pro rata) as of the date of the related Partial Expiration Event.

(e) At or before 1:00 p.m. (New York, New York time) on the day that is one Business Day prior to each Reporting Date, (i) the Agent for each Lender Group that includes a Conduit Lender shall notify the Administrative Agent (who shall notify the Borrower and the Servicer by 4:00 p.m. on such day) of the CP Rate for each such Conduit Lender in effect for the related Interest Period and (ii) each Committed Lender shall notify the Administrative Agent (who shall notify the Borrower and the Servicer) of the Adjusted LIBO Rate in effect for the related Interest Period. Each Lender shall notify the Administrative Agent (who shall notify the Borrower and the Servicer) of all such rates, including the Alternate Base Rate for the related Interest Period and, if applicable, the dates on which the Alternate Base Rate was applicable to all or any portion of the Loans Outstanding. Each determination by a Lender of its CP Rate, the Adjusted LIBO Rate or the Alternate Base Rate pursuant to any provision of this Agreement shall be conclusive and binding on the Borrower in the absence of manifest error.

(f) Notwithstanding any other provision of this Agreement or the other Basic Documents, if at any time the rate of interest payable by any Person under the Basic Documents exceeds the Maximum Lawful Rate, then, so long as the Maximum Lawful Rate would be

exceeded, such rate of interest shall be equal to the Maximum Lawful Rate. If at any time thereafter the rate of interest so payable is less than the Maximum Lawful Rate, such Person shall continue to pay Interest at the Maximum Lawful Rate until such time as the total interest received from such Person is equal to the total Interest that would have been received had Applicable Law not limited the interest rate so payable. In no event shall the total Interest received by a Lender under this Agreement and the other Basic Documents exceed the amount which such Lender could lawfully have received, had the Interest due been calculated from the Closing Date at the Maximum Lawful Rate.

Section 2.07. Settlement Procedures. On or before each Reporting Date, the Servicer shall instruct (by delivery of the Monthly Report) the Account Bank (or the Qualified Institution holding the Collection Account), to pay to the following Persons, from the Collection Account, to the extent of Available Funds, the following amounts in the following order of priority, as set forth in such Monthly Report:

(i) First, to the Servicer, the accrued and unpaid Servicing Fee;

(ii) Second, pro rata, (a) to the extent not paid for by Tricolor, to the Backup Servicer, the accrued and unpaid Backup Servicing Fee and any out-of-pocket expenses and indemnities owed to the Backup Servicer, subject to an aggregate limit (1) during any calendar year prior to a Termination Event, $50,000 or (2) during any calendar year after a Termination Event, $250,000, (b) to the Successor Servicer, any unpaid Transition Expenses payable pursuant to Section 7.14(e), (c) to the Collateral Custodian, the Collateral Custodian Fee and any out-of-pocket expenses and indemnities due to the Collateral Custodian, subject to an aggregate limit for such out-of-pocket expense and indemnities (1) during any calendar year prior to a Termination Event, $75,000 or (2) during any calendar year after a Termination Event, $250,000, and (d) to the Account Bank, the Account Bank Fee and any out-of-pocket expenses and indemnities due to the Account Bank, subject to an aggregate annual limit for such out-of-pocket expenses and indemnities (1) during any calendar year prior to a Termination Event, $75,000 or (2) during any calendar year after a Termination Event, $250,000;

(iii) Third, to the Administrative Agent for distribution to the Lenders, pro rata, in accordance with their Invested Percentage, the Senior Monthly Interest and Fees;

(iv) Fourth, to the Administrative Agent for distribution to the Lenders, pro rata, in accordance with their Invested Percentage, the Monthly Principal Payment Amount;

(v) Fifth, if a Partial Expiration Event has occurred, to reduce pro rata the portion of the Loans Outstanding constituting the Lender Advances of any Non-Extending Lender to zero;

(vi) Sixth, to the Administrative Agent for distribution to the Lenders, pro rata, in accordance with their Invested Percentage, the Subordinated Monthly Interest and Fees;

(vii) Seventh, pro rata, to the extent not previously paid in clause (ii) above and without regard to any annual caps on payment, to (a) the Backup Servicer, any Backup Servicing Fee, expenses and indemnities owed to the Backup Servicer, (b) the Collateral Custodian, the fees, expenses and indemnities owed to the Collateral Custodian and (c) the Account Bank, the Account Bank Fee, expenses and indemnities due to the Account Bank;

(viii) Eighth, pro rata, to the Affected Parties or the Indemnified Parties, all other Aggregate Unpaids (other than the principal amount of the Loans Outstanding) then due under this Agreement to them; and

(ix) Ninth, any remaining amount to the Borrower.

Section 2.08. Payments, Computations, Etc.

(a) Unless otherwise expressly provided herein, all amounts to be paid or deposited by the Borrower hereunder shall be paid or deposited in accordance with the terms hereof no later than 1:00 p.m. (New York, New York time) on the day when due in Dollars in immediately available funds to the Administrative Agent (who shall distribute such amounts on such day to the applicable Lender's Account for each Lender no later than 4:00 p.m. (New York, New York time)). Except as otherwise provided in Section 2.06, the Borrower shall, to the extent permitted by Applicable Law, pay to the Lenders interest on all amounts not paid or deposited when due hereunder at the related Default Rate, payable on demand; provided, however, that such interest rate shall not at any time exceed the Maximum Lawful Rate.

(b) Whenever any payment hereunder (i) shall be stated to be due on a day other than a Business Day, such payment shall be made, without penalty, on the next succeeding Business Day, except in the case where the next succeeding Business Day would occur in the succeeding calendar month, in which case such payment shall be due on the preceding Business Day or (ii) is received after 1:00 p.m. (New York, New York time) such payment shall be deemed to have been received on the next succeeding Business Day, and any such extension of time shall in such case be included in the computation of payment of Interest, other interest or any fee payable hereunder, as the case may be.

(c) If any Loan requested by the Borrower and approved by a Lender and the Administrative Agent pursuant to Section 2.01 is not, for any reason other than due to the fault of a Lender, an Agent or the Administrative Agent, made or effectuated, as the case may be, on the date specified therefor, the Borrower shall indemnify such Lender, such Agent or the Administrative Agent against any reasonable loss, cost or expense incurred by such Lender, including any loss (including loss of anticipated profits, net of anticipated profits in the reemployment of such funds in the manner determined by such Lender), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender or such Agent to fund or maintain such Loan.

(d) All payments hereunder shall be made without set-off or counterclaim and in such amounts as may be necessary in order that all such payments shall not be less than the amounts otherwise specified to be paid under this Agreement.

(e) To the extent that (i) any Person makes a payment to any party hereto or (ii) any party hereto receives or is deemed to have received any payment or proceeds for application to an obligation, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any Insolvency Law, State or federal law, common law or for equitable cause, then, to the extent such payment or proceeds are set aside, the obligation or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received or deemed received by the recipient thereof.

Section 2.09. Collections and Allocations; Investment of Funds.

(a) On or before the Closing Date (with respect to the Initial Receivables) or the applicable Funding Date (with respect to Subsequent Receivables), the Servicer shall direct and instruct all related Obligors to make all payments in respect of the related Receivables to the Master Collection Account. Each of the Servicer and the Borrower shall promptly (but in no event later than two Business Days after the receipt and identification thereof) deposit all Collections received by it in the Collection Account. The Borrower and the Servicer shall make such deposits or payments by electronic funds transfer, in immediately available funds.

(b) On the Closing Date and on each Funding Date, the Servicer will deposit (in immediately available funds) into the Collection Account all Collections received after the applicable Cutoff Date and through and including the second Business Day prior to the Closing Date or such Funding Date, as the case may be, in respect of Receivables pledged on such date.

(c) The Servicer shall be entitled to retain and to reimbursement of all amounts remitted by or on behalf of the Obligors to the Servicer under the terms of, or with respect to, the related Receivables, that represent ancillary fees (other than extension fees), including late fees, administrative fees or similar charges allowed by Applicable Law.

(d) To the extent there are uninvested amounts on deposit in the Collection Account, such amounts shall be invested in Permitted Investments that mature no later than the Business Day before the next Payment Date, which Permitted Investments shall be selected (i) prior to the occurrence of an Amortization Event, by the Borrower, or (ii) from and after the occurrence of an Amortization Event, by the Administrative Agent. Absent the written instruction of the Borrower or the Administrative Agent, amounts on deposit in the Collection Account shall remain uninvested. Permitted Investments may be purchased from the Account Bank, the Administrative Agent, any Agent, any Lender or any of their respective Affiliates, but no Permitted Investment may be purchased at a premium. Any earnings (and losses) on the foregoing investments shall be for the account of the Borrower. Each of the Borrower, the Administrative Agent and each Agent acknowledges that upon its written request and at no additional cost, it has the right to receive notification after the completion of each purchase and sale of Permitted Investments or the Account Bank's receipt of a broker's confirmation; provided, however, the Account Bank may make available to the Administrative Agent, the Agents and the Borrower periodic account statements that reflect such investment activity in lieu of notifications; provided, further that no periodic account statements are required to be available for the Collection Account or the Hedge Counterparty Collateral Account if no activity has occurred therein during such period.

(e) Any collateral posted by the Hedge Counterparty shall be retained in the Hedge Counterparty Collateral Account until required to be returned or otherwise permitted to be applied in accordance with the related Hedging Agreement. The Account Bank shall hold funds in the Hedge Counterparty Collateral Account uninvested. Any interest or other earnings on the Hedge Collateral may be paid to the Hedge Counterparty by the Account Bank upon written direction from the Borrower, to satisfy some or all of any obligations owed to the Hedge Counterparty in accordance with the related Hedging Agreement. At any time any obligations are fully paid to the Hedge Counterparty, upon written request of the Borrower, any remaining Hedge Collateral may be applied to the Collection Account for inclusion in the amounts to be distributed pursuant to Section 2.07, and the priority of payments set forth therein.

Section 2.10. Fees.

(a) Each Lender shall be entitled to receive, monthly in arrears, the respective portion of the Usage Fees and Unused Fees payable to such Lender from the Collection Account in accordance with Section 2.07.

(b) The Servicer, the Backup Servicer, Collateral Custodian and the Account Bank shall be entitled to receive their respective accrued and unpaid Servicing Fee, Backup Servicing Fee, Collateral Custodian Fee and Account Bank Fee, each in accordance with Section 2.07.

(c) The Borrower paid to the Administrative Agent on the Closing Date, in immediately available funds, the Upfront Fee and other amounts due and payable pursuant to the Fee Letter on the Closing Date, including reimbursement to the Administrative Agent for fees and expenses of any Rating Agencies incurred in connection with affirming their ratings of the Commercial Paper Notes of the Conduit Lenders.

(d) The Borrower shall pay to each of Morgan Lewis & Bockius LLP and Richards, Layton & Finger, P.A. on the Closing Date, its estimated reasonable fees and out-of-pocket expenses in immediately available funds (in each case not to exceed the amount previously agreed upon by the Borrower and the Administrative Agent) and shall pay all additional reasonable fees and out-of-pocket expenses of such counsel within 30 days after receiving an invoice for such amounts.

Section 2.11. Alternate Rate of Interest.

(a) Subject to Sections 2.11(b), (c), (d), (e) and (f), if prior to the commencement of any Interest Period for a Loan:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the applicable LIBO Rate, as applicable (including because the applicable LIBO Rate is not available or published on a current basis), for such Interest Period; provided, that no Benchmark Transition Event shall have occurred at such time; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the applicable LIBO Rate, as applicable, for such Interest Period

will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such borrowing of Loan (or Loans) for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, the interest rate applicable to the Loans shall be the Alternate Base Rate.

(b) Notwithstanding anything to the contrary herein or in any other Basic Document, if a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then if a Benchmark Replacement is determined in accordance with (i) clause (i) or (ii) of the definition of the term "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Basic Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Basic Document and (ii) clause (iii) of the definition of the term "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Basic Document in respect of any Benchmark setting at or after 5:00 p.m. (New York, New York time) on the fifth Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Basic Document, so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from the Required Lenders.

(c) Notwithstanding anything to the contrary herein or in any other Basic Document and subject to the proviso below in this paragraph, if a Term SOFR Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Basic Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Basic Document; provided, that this subsection shall not be effective unless the Administrative Agent has delivered to the Lenders and the Borrower a Term SOFR Notice.

(d) In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Basic Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Basic Document.

(e) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early

Opt-in Election, as applicable, and its related Benchmark Replacement Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.11(f) and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Basic Document, except, in each case, as expressly required pursuant to this Section.

(f) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Loan, conversion to or continuation of any Loan as to which the applicable Interest Rate is the Adjusted LIBO Rate to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Loan or conversion to Loans that bear interest at the Alternate Base Rate. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Alternate Base Rate.

Section 2.12. Increased Costs; Capital Adequacy; Illegality; Rating Requests.

(a) If any Regulatory Requirement (i) subjects any Affected Party to any charge or withholding on or with respect to this Agreement or its obligations under this Agreement, or on or with respect to the Loans and/or the Receivables, or changes the basis of taxation of payments to it of any amounts payable under this Agreement (except for (A) Indemnified Taxes, (B) Excluded Taxes, (C) Connection Income Taxes and (D) changes in the rate of tax on its overall net income (including franchise taxes imposed on net income)), (ii) imposes, modifies or deems applicable any reserve, assessment, fee, tax (other than Taxes), insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or liabilities of an Affected Party, or credit extended by it pursuant to this Agreement, or (iii) imposes any other condition, the result of which is to increase the cost to an Affected Party of performing its obligations under this Agreement, or to reduce the rate of return on its capital or assets as a consequence of its obligations under this Agreement, to reduce the amount of any sum received or receivable by it under this Agreement, or to require any payment calculated by reference to the amount of interests or loans held or interest received by it, then, upon demand by the Administrative Agent on behalf of such Affected Party, the Borrower shall pay to the Administrative Agent, for the benefit of such Affected Party, such amounts charged to such Affected Party or such amounts to otherwise compensate it for such increased cost or such reduction within 30 days after demand by such Affected Party. The Borrower acknowledges that any Affected Party may institute measures in anticipation of a Regulatory Requirement (including the imposition of internal charges on its interests or obligations under this Agreement), and may commence allocating charges to or seeking compensation from the

Borrower under this Section in connection with such Early Adoption Increased Costs in advance of the effective date of such Regulatory Requirement, and the Borrower agrees to pay such Early Adoption Increased Costs to the Administrative Agent, for the benefit of such Affected Party, following demand therefor without regard to whether such effective date has occurred; provided, however, that such amounts shall be payable to an Affected Party only if it represents and warrants in writing to the Borrower that it is (i) recognizing internal charges in respect of its interests or obligations under this Agreement in anticipation of a Regulatory Requirement and (ii) applying consistent return metrics in making determinations to charge Early Adoption Increased Costs or similar amounts to its similarly-situated subprime auto finance company customers; further provided, however, that no amount of Early Adoption Increased Costs shall begin to accrue or be payable by the Borrower in respect of an anticipated Regulatory Requirement until 60 days after it receives written notice that such Affected Party intends to make a claim for Early Adoption Increased Costs under this Section in respect of such change. For the avoidance of doubt, the Borrower shall not be required to pay any Early Adoption Increased Costs incurred by any Affected Party prior to the expiration of the 60-day notice period specified in the preceding sentence. The Borrower further acknowledges that any charge or compensation demanded hereunder may take the form of a monthly charge to be assessed by such Affected Party.

(b) If (i) the introduction of or any change in or in the interpretation of any law, guideline, rule, regulation, directive, order or request (including the Dodd-Frank Act, Basel II, Basel III or the Risk-Based Capital Requirements) or (ii) compliance by any Affected Party with any law, guideline, rule, regulation, order, directive or request from any Governmental Authority (whether or not having the force of law), including compliance by an Affected Party with any law, guideline, rule, regulation, order, directive or request regarding capital adequacy (including the Dodd-Frank Act, Basel II, Basel III or the Risk-Based Capital Requirements) has the result of reducing the rate of return on an Affected Party's capital or assets as a consequence of its obligations under this Agreement, then from time to time, within 30 days after demand by such Affected Party (which demand shall be accompanied by a statement setting forth the basis for such demand), the Borrower shall pay directly to such Affected Party such additional amount or amounts as will compensate it for such reduction. The Borrower acknowledges that any Affected Party may institute measures in anticipation of any event described in this subsection in advance of the effective date of such event, and may commence allocating charges to or seeking compensation from such Borrower under this subsection and the Borrower agrees to pay such charges or compensation to such Affected Party following demand therefor without regard to whether such effective date has occurred.

(c) In determining any amount provided for in this Section, the Affected Party may use any reasonable averaging and attribution methods. Any Affected Party making a claim under this Section shall submit to the Borrower a certificate as to such additional or increased cost or reduction, which certificate shall be conclusive absent manifest error.

(d) If in its sole discretion a Lender so desires, the related Agent shall provide a Rating Request to the Borrower and the Servicer. The Borrower and the Servicer shall cooperate with the efforts of such Agent and the related Lender to obtain the Required Rating from the Rating Agency specified in the Rating Request, and shall provide such Rating Agency any information it may reasonably require for purposes of providing and monitoring the Required

Rating. The related Lender shall pay the initial fees payable to the Rating Agency in connection with a Rating Request and the Servicer shall pay any subsequent or ongoing fees for the continued monitoring of the rating. Nothing in this subsection shall preclude any such Lender from demanding compensation from the Borrower pursuant to Section 2.12(b) at any time and without regard to whether the Required Rating shall have been obtained, or shall require the obtaining of a rating on the facility prior to demanding any such compensation from the Borrower.

Section 2.13. Taxes.

(a) Defined Terms. For purposes of this Section, the term "Applicable Law" includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower under any Basic Document shall be made without deduction or withholding for any Taxes, except as required by Applicable Law. If any Applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with Applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by Borrower. The Borrower shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 13.01(f) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the

Administrative Agent in connection with any Basic Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Basic Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this subsection.

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Basic Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in subsections (g)(ii)(A), (ii)(B) and (ii)(D)) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or about the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of

copies as shall be requested by the recipient) on or about the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party with respect to (x) payments of interest under any Basic Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) any other applicable payments under any Basic Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit K-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" related to the Borrower as described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit K-2 or Exhibit K-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided, that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit K-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax,

duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Basic Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section (including by the payment of additional amounts pursuant to this Section), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this subsection (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection, in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this subsection the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Basic Document.

(j) Tax Refunds. Within 30 days of the written request of the Borrower therefor, the Administrative Agent and each Lender, as appropriate, shall execute and deliver to the Borrower such certificates, forms or other documents which can be furnished consistent with the facts and which are reasonably necessary to assist the Borrower in applying for refunds of Taxes remitted hereunder; provided, however, that (i) neither the Administrative Agent nor any Lender shall be required to deliver any such certificate, form or other document if in its sole discretion it is determined that the deliverance of such certificate, form or other document would have a material adverse effect on it and (ii) the Borrower shall reimburse the Administrative Agent and each Lender for all expenses incurred in the delivery of any such certificate, form or other document.

Section 2.14. Sharing of Payments, Etc. If, other than as expressly provided elsewhere herein, any Lender shall obtain on account of the Loans owed to it any payment in excess of its Invested Percentage in such payment, such Lender shall immediately (i) notify the Administrative Agent of such fact and (ii) purchase from the other Lenders such participations made by them as shall be necessary to cause such purchasing Lender to share the excess payment pro rata (based on the Lender Percentage of each Lender and, if applicable, further allocated from each such Lender to each of its related Conduit Lenders that are not Committed Lenders, pro rata) with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender, such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (a) the amount of such paying Lender's required repayment to (b) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by Applicable Law, exercise all its rights of payment (including the right of set-off) with respect to such participation as fully as if such Lender was the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section and will in each case notify each Agent following any such purchases or repayments.

Section 2.15. Securitizations.

(a) On any Business Day, the Borrower shall have the right to prepay all or a portion of the Loans Outstanding and require the Administrative Agent to release its security interest and Lien on the related Receivables in connection with a Securitization, subject to the following terms and conditions:

(i) the Borrower shall have given the Administrative Agent, the Account Bank, the Collateral Custodian, the Servicer and the Backup Servicer at least ten Business Days' prior written notice of its intent to effect a Securitization;

(ii) unless a Securitization is to be effected on a Payment Date (in which case the relevant calculations with respect to such Securitization shall be reflected on the applicable Monthly Report), the Servicer shall deliver to the Administrative Agent and the Collateral Custodian (A) a Securitization Date Certificate (which shall include a calculation of the Borrowing Base after giving effect to such Securitization), together with evidence to the reasonable satisfaction of the Administrative Agent that the Borrower shall have sufficient funds on the related Securitization Date to effect such Securitization in accordance with this Agreement, which funds may come from the proceeds of sales of the Receivables in connection with such Securitization and (B) a computer tape of the Receivables, both before and after giving effect to such Securitization;

(iii) on the related Securitization Date, the following shall be true and correct and the Borrower shall be deemed to have certified that after giving effect to the Securitization and the release to the Borrower of the related Receivables on the related Securitization Date, (A) no adverse selection procedures shall have been used by the Borrower with respect to the Receivables that will remain subject to this Agreement after giving effect to the Securitization, (B) no Borrowing Base Deficiency exists, (C) no Unmatured Termination Event, Termination Event, Unmatured Servicer Termination Event, Servicer Termination Event or Amortization Event has occurred or results from such Securitization, (D) the Excess Spread Percentage exceeds the Minimum Excess Spread Percentage and (E) the proportion (rounded to the nearest one hundredth of one percent) of the Pool Balance comprised of Receivables as to which the greater of (1) 10% of any Scheduled Payment or (2) $50.00, is unpaid for 31 or more but less than 61 days past its scheduled due date is not more than 1% greater than such proportion immediately prior to such Securitization; and

(iv) on the related Securitization Date, the Administrative Agent shall have received, for the benefit of the Lenders in immediately available funds, and shall then distribute to the applicable entities, an amount equal to the sum of (A) the portion of the Loans Outstanding to be prepaid (which shall not be an amount less than the amount necessary to cause the Loans Outstanding to be less than or equal to the Borrowing Base after giving effect to the prepayment of the Loans Outstanding on such Securitization Date), (B) an amount equal to all unpaid Interest (including Interest not yet accrued) to the extent reasonably determined by the Administrative Agent to be attributable to that portion of the Loans Outstanding to be paid in connection with the Securitization, (C) an aggregate amount equal to the sum of all other amounts due and owing to the Administrative Agent, the Lenders, the Account Bank and the Backup Servicer, as applicable, under this Agreement and the other Basic Documents, to the extent accrued to such date and to accrue thereafter (including Breakage Costs) and (D) all other Aggregate Unpaids with respect thereto.

(b) The Borrower hereby agrees to pay the reasonable legal fees and expenses of the Administrative Agent, the Agents, the Lenders, the Backup Servicer, the Collateral Custodian and the Account Bank in connection with any Securitization (including expenses incurred in connection with the release of the Lien of the Administrative Agent, the Lenders and any other party having an interest in the Receivables in connection with such Securitization).

(c) In connection with any Securitization, on the related Securitization Date, subject to satisfaction of the conditions referred to in this Section, the Administrative Agent shall, at the expense of the Borrower, (i) execute such instruments of release with respect to the portion of the Receivables (and the other related Collateral) to be released to the Borrower, including a Securitization Release, in favor of the Borrower as the Borrower may reasonably request, (ii) deliver any portion of the Receivables (and the other related Collateral) to be released to the Borrower in its possession or control to the Borrower and (iii) otherwise take such actions as are necessary and appropriate to release the Lien of the Administrative Agent on the portion of the Receivables (and the other related Collateral) to be released to the Borrower and deliver to the Borrower such Receivables and related Collateral.

Section 2.16. The Account Bank.

(a) The Borrower hereby appoints WTNA as the initial Account Bank and WTNA accepts such appointment. All payments of amounts due and payable in respect of the Obligations that are to be made from amounts withdrawn from the Collection Account shall be made on behalf of the Borrower by the Account Bank.

(b) The Account Bank shall be compensated for its activities hereunder by receiving the Account Bank Fee and expenses. The Borrower shall indemnify the Account Bank and its officers, directors, employees and agents for, and hold them harmless against, any loss, liability or expense incurred (including attorneys' fees and expenses and court costs), other than in connection with the willful misconduct, gross negligence or bad faith on the part of the Account Bank, arising out of or in connection with the performance of its obligations under and in accordance with this Agreement, including in connection with any action, claim or suit brought to enforce the Account Bank's right to indemnification. All such amounts shall be payable in accordance with Section 2.07.

THE FOREGOING INDEMNIFICATION SHALL APPLY WHETHER OR NOT SUCH LIABILITIES AND COSTS ARE IN ANY WAY OR TO ANY EXTENT OWED, IN WHOLE OR IN PART, UNDER ANY CLAIM OR THEORY OF STRICT LIABILITY, OR ARE CAUSED, IN WHOLE OR IN PART, BY ANY NEGLIGENT ACT OR OMISSION OR ANY KIND BY THE ACCOUNT BANK.

(c) The Account Bank shall be liable in accordance herewith only to the extent of the obligations specifically undertaken by the Account Bank in such capacity herein. No implied covenants or obligations shall be read into this Agreement against the Account Bank and, in the absence of bad faith or gross negligence on the part of the Account Bank, the Account Bank may conclusively rely on the truth of the statements and the correctness of the opinions expressed in any certificates or opinions furnished to the Account Bank pursuant to and conforming to the requirements of this Agreement.

(d) The Account Bank shall not be liable for:

(i) an error of judgment made in good faith by one of its officers; or

(ii) any action taken, suffered or omitted to be taken in good faith in accordance with or believed by it to be authorized or within the discretion or rights or

powers conferred, by this Agreement or at the direction of a Secured Party relating to the exercise of any power conferred upon the Account Bank under this Agreement or at the direction of the Servicer or Borrower in accordance with this Agreement, in each case unless it shall be proved that the Account Bank shall have been negligent in ascertaining the pertinent facts.

(e) The Account Bank shall not be charged with actual or constructive knowledge of any event, default, event of default (including an Amortization Event, Termination Event, Unmatured Termination Event, Servicer Termination Event or Unmatured Servicer Termination Event) or information, or be required to act upon any event, default or event of default (including an Amortization Event, Termination Event, Unmatured Termination Event, Servicer Termination Event or Unmatured Servicer Termination Event) or information (including the sending of any notice) unless a Responsible Officer of the Account Bank obtains actual knowledge of such event or information, or a Responsible Officer of the Account Bank receives written notice of such event or information from the Borrower, the Servicer or any Secured Party. For the avoidance of doubt, in the absence of such actual knowledge or written notice, the Account Bank may conclusively assume that there is no such event, default or event of default (including an Amortization Event, Termination Event, Unmatured Termination Event, Servicer Termination Event or Unmatured Servicer Termination Event) or information and, consequently, is not required to perform a duty (including the sending of a notice) to act upon such event, default, event of default (including an Amortization Event, Termination Event, Unmatured Termination Event, Servicer Termination Event or Unmatured Servicer Termination Event) or information or to determine whether any such event, default or event of default (including an Amortization Event, Termination Event, Unmatured Termination Event, Servicer Termination Event or Unmatured Servicer Termination Event) has occurred.

(f) Without limiting the generality of this Section, the Account Bank shall have no duty (i) to see to any recording, filing or depositing of this Agreement or any agreement referred to herein or any financing statement or continuation statement evidencing a security interest in the Collateral, or to see to the maintenance of any such recording or filing or depositing or to any recording, refiling or redepositing of any thereof, (ii) to see to any insurance of the Financed Vehicles or Obligors or to effect or maintain any such insurance, (iii) to see to the payment or discharge of any Tax, assessment or other governmental charge or any Lien or encumbrance of any kind owing with respect to, assessed or levied against, any part of the Contracts, (iv) to confirm or verify the contents of any reports or certificates of the Servicer or the Borrower delivered to the Account Bank pursuant to this Agreement believed by the Account Bank to be genuine and to have been signed or presented by the proper party or parties or (v) to inspect the Financed Vehicles at any time or ascertain or inquire as to the performance or observance of any of the representations, warranties or covenants of the Borrower or the Servicer or the Servicer's duties and obligations as Servicer and as custodian of the books, records, files and computer records relating to the Contracts under this Agreement.

(g) The Account Bank shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if there shall be reasonable ground for believing that the repayment of such funds or adequate indemnity against such risk or liability shall not be reasonably assured to it, and none of the provisions contained in this Agreement shall in any

event require the Account Bank to perform, or be responsible for the manner of performance of, any of the obligations of the Servicer or any other party under this Agreement.

(h) The Account Bank may rely and shall be protected in acting or refraining from acting upon any resolution, Officer's Certificate, Monthly Report, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond, approval, direction or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties (including any of the foregoing deliverables in electronic format).

(i) The Account Bank may consult with counsel of its choice with regard to legal questions arising out of or in connection with this Agreement and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, omitted or suffered by the Account Bank in good faith in accordance therewith.

(j) The Account Bank shall be under no obligation to exercise any of the rights, powers or remedies vested in it by this Agreement (except to comply with its obligations under this Agreement and any other Basic Document to which it is a party) or to institute, conduct or defend any litigation under this Agreement or in relation to this Agreement, at the request, order or direction of the Administrative Agent (acting with the consent or at the direction of the Required Lenders) pursuant to the provisions of this Agreement, unless the Borrower, the Servicer or the Administrative Agent, on behalf of the Secured Parties, shall have offered to the Account Bank reasonable security or indemnity against the costs, expenses and liabilities that may be incurred therein or thereby.

(k) The Account Bank shall not be bound to make any investigation into the facts of matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, direction or other paper or document (including any of the foregoing delivered in electronic format), unless requested in writing so to do by the Borrower, the Servicer, any Secured Party or the Administrative Agent; provided, that if the payment within a reasonable time to the Account Bank of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation shall be, in the opinion of the Account Bank, not reasonably assured by the Borrower, the Servicer or any Secured Party, the Account Bank may require indemnity reasonably satisfactory to it against such cost, expense or liability as a condition to so proceeding. The reasonable expense of every such examination shall be paid by the Borrower or the Servicer or, if paid by the Account Bank, shall be reimbursed by the Borrower or the Servicer upon demand. The Account Bank shall neither be responsible for, nor chargeable with, knowledge of the terms and conditions of any other agreement, instrument, or document other than this Agreement, whether or not an original or a copy of such agreement has been provided to the Account Bank. The Account Bank shall have no obligation to supervise, verify, monitor or administer the performance of the Servicer, the Borrower, the Administrative Agent or any other Person.

(l) The Account Bank may execute any of the trusts or powers hereunder or perform any duties under this Agreement either directly or by or through agents or attorneys or a custodian. The Account Bank shall not be responsible for any misconduct or negligence of any such agent or custodian appointed with due care by it hereunder.

(m) The Account Bank shall have no duties or responsibilities except those that are specifically set forth herein, and no implied covenants or obligations shall be read into this Agreement against the Account Bank. If the Account Bank shall request instructions from the Administrative Agent or the Servicer with respect to any act, action or failure to act in connection with and as set forth in this Agreement, the Account Bank shall be entitled to refrain from taking such action and continue to refrain from acting unless and until it shall have received written instructions from the Administrative Agent or the Servicer, as applicable, without incurring any liability therefor to the Administrative Agent, the Borrower, the Servicer or any other Person.

(n) The Account Bank may act in reliance upon any written communication of the Administrative Agent or the Servicer concerning the delivery of Collateral pursuant to this Agreement. The Account Bank does not assume and shall have no responsibility for, and makes no representation as to, monitoring the value of the Contracts and other Collateral. The Account Bank shall not be liable for any action or omission to act hereunder, except for its own gross negligence, bad faith or willful misconduct.

THE FOREGOING PROVISIONS SHALL APPLY WHETHER OR NOT SUCH LIABILITIES ARE IN ANY WAY OR TO ANY EXTENT OWED, IN WHOLE OR IN PART, UNDER ANY CLAIM OR THEORY OF STRICT LIABILITY, OR ARE CAUSED, IN WHOLE OR IN PART, BY ANY NEGLIGENT ACT OR OMISSION OF ANY KIND BY THE ACCOUNT BANK.

(o) If the Account Bank shall at any time receive conflicting instructions from the Administrative Agent and the Servicer or any other party to this Agreement and the conflict between such instructions cannot be resolved by reference to the terms of this Agreement, the Account Bank shall be entitled to rely on the instructions of the Administrative Agent. In the absence of bad faith, gross negligence or willful misconduct on the part of the Account Bank, the Account Bank may rely and shall be protected in acting or refraining from acting upon any resolution, officer's certificate, Monthly Report, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice request, consent, order, appraisal, bond, approval, direction or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties (including any of the foregoing delivered in electronic format). The Account Bank may rely upon the validity of documents delivered to it, without investigation as to their authenticity or legal effectiveness, and the Servicer and the other parties to this Agreement will hold the Account Bank harmless from any claims that may arise or be asserted against the Account Bank because of the invalidity of any such documents or their failure to fulfill their intended purpose. The Account Bank shall not be bound to ascertain or inquire as to the performance or observance of any of the terms of this Agreement or any other agreement on the part of any party, except as may otherwise be specifically set forth herein. In no event will the Account Bank or any of its officers, directors, employees or agents be liable for any consequential, indirect, punitive or special damages (including lost profits).

(p) The Account Bank is authorized, in its sole discretion, to disregard any and all notices or instructions given by any other party hereto or by any other individual, firm or corporation, except only such notices or instructions as are herein provided for and orders or process of any court entered or issued with or without jurisdiction. If any property subject hereto

is at any time attached, garnished or levied upon under any court order or in case the payment, assignment, transfer, conveyance or delivery of any such property shall be stayed or enjoined by any court order, or in case any order, judgment or decree shall be made or entered by any court affecting such property or any part hereof, then and in any of such events the Account Bank is authorized, in its sole discretion, to rely upon and comply with any such order, writ, judgment or decree with which it is advised by legal counsel of its own choosing is binding upon it, and if it complies with any such order, writ, judgment or decree it shall not be liable to any other party hereto or to any other individual, firm or corporation by reason of such compliance even though such order, writ, judgment or decree maybe subsequently reversed, modified, annulled, set aside or vacated.

(q) Any Person into which the Account Bank may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Account Bank shall be a party, or any Person succeeding to the business of the Account Bank, provided that such Person otherwise meets the requirements in the definition of the term "Account Bank", shall be the successor of the Account Bank under this Agreement, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

(r) The Account Bank may at any time resign and terminate its obligations under this Agreement; provided, however, that except as provided herein, no such resignation or termination shall be effective until a successor Account Bank is appointed (and accepts such appointment) pursuant to the terms of this Section. The Borrower may remove the Account Bank with at least 30 days' prior written notice to the Account Bank and the prior written consent of the Administrative Agent. Promptly after receipt of notice of the Account Bank's intended resignation, or after the Borrower's removal of the Account Bank, the Borrower shall appoint, by written instrument, a successor Account Bank. If the Borrower fails to appoint a successor Account Bank pursuant to the terms hereof within 30 days after receipt of the Account Bank's notice of resignation or after the Borrower's removal of the Account Bank, the Administrative Agent shall have the right to appoint a successor Account Bank that is acceptable to the Required Lenders by written instrument. If neither the Borrower nor the Administrative Agent has appointed a successor Account Bank within 60 days after receipt of the Account Bank's notice of resignation or after the Borrower's removal of the Account Bank, the Account Bank may petition a court of competent jurisdiction to appoint a successor Account Bank, with the cost of such petition to be borne by the Borrower.

(s) The Account Bank may conclusively rely on the face value of any document or direction believed by it to be genuine and to have been signed or presented by the proper Person. The Account Bank need not investigate any fact or matter stated in the document or direction including recalculate, evaluate, verify or independently determine the accuracy of any numerical information, report, certificate, information, statement, representation or warranty or any fact or matter stated in any such document or direction and may conclusively rely as to the truth of the statements and the accuracy of the information therein.

(t) Without limiting the generality of any other provision hereof, the Account Bank shall have no duty to conduct any investigation as to a breach of any representation and warranty, the occurrence of any condition requiring the repurchase of any Receivable by any

Person pursuant to this Agreement or the eligibility of any Receivable for purposes of this Agreement.

(u) Before the Account Bank acts or refrains from taking any action under this Agreement, it may require (i) written direction from the Administrative Agent (acting with the consent or at the direction of the Required Lenders) that the Account Bank act or refrain from acting and (ii) an Officer's Certificate and/or an Opinion of Counsel from the party requesting that the Account Bank act or refrain from acting, in form and substance acceptable to the Account Bank, the costs of which (including the Account Bank's reasonable attorney fees and expenses) shall be paid by the party requesting that the Account Bank act or refrain from acting. The Account Bank shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificates and/or an Opinion of Counsel.

(v) The Account Bank shall incur no liability if, by reason of any provision of any future law or regulation thereunder, or by any Force Majeure Event, the Account Bank shall be prevented or forbidden from doing or performing any act or thing which the terms of this Agreement provide shall or may be done or performed.

(w) Notwithstanding anything to the contrary in this Agreement, the Account Bank shall not be required to take any action that is not in accordance with Applicable Law.

(x) The right of the Account Bank to perform any permissive or discretionary act enumerated in this Agreement or any related document shall not be construed as a duty.

(y) The Account Bank will not be responsible or liable for the existence, genuineness, value or protection of any collateral securing the Receivables, for the legality, enforceability, effectiveness or sufficiency of the Basic Documents for the creation, perfection, continuation, priority, sufficiency or protection of any of the Liens, or for any defect or deficiency as to any such matters or for monitoring the status of any Lien or performance of the Collateral.

(z) The Account Bank shall not be liable for any action or inaction of the Borrower, the Servicer or any other party (or agent thereof) to this Agreement or any related document and may assume compliance by such parties with their obligations under this Agreement or any related agreements, unless a Responsible Officer of the Account Bank has actual knowledge or shall have received written notice to the contrary pursuant to Section 15.02.

(aa) The Account Bank shall not be imputed with any knowledge of, or information possessed or obtained by, the Collateral Custodian or any Affiliate, line of business or other division of WTNA and vice versa (in each case other than instances where such roles are performed by the same group or division within WTNA or otherwise include common Responsible Officers).

(bb) The Account Bank shall not be responsible for, and makes no representation or warranty as to, the validity, legality, enforceability, sufficiency or adequacy of this Agreement or any related document, or as to the correctness of any statement contained in any thereof. The recitals contained herein shall be construed as the statements of the Borrower. The Account Bank shall not be accountable for money paid to the Borrower pursuant to the provisions hereof,

and it shall not be responsible for any statement of the Borrower in this Agreement or in any document issued in connection with this Agreement.

(cc) Delivery of any reports, information and documents to the Account Bank provided for herein is for informational purposes only and the Account Bank's receipt of such reports and any publicly available information shall not constitute actual or constructive knowledge or notice of any information contained therein or determinable from information contained therein, including the Servicer's or the Borrower's compliance with any of its representations, warranties or covenants hereunder (as to which the Account Bank is entitled to rely exclusively on Officer's Certificates of the Servicer or the Borrower with respect to such compliance thereof), unless a Responsible Officer of the Account Bank actually receives such report, other information or document and such party is expressly required under the terms of this Agreement or another Basic Document to review such information, document or the contents of any such report. In connection with the delivery of any information to the Account Bank (including the Monthly Report) by the Servicer or any other party to the Basic Documents where the Account Bank is required to use such information in connection with the preparation or distribution of reports or in connection with the payment of funds, the Account Bank is entitled to conclusively rely on the accuracy of all such information and shall not be required to investigate or reconfirm its accuracy and shall not be liable in any manner whatsoever for any errors, inaccuracies or incorrect information resulting from the use of this information.

(dd) In no event shall the Account Bank, its directors, officers, agents or employees be liable, directly or indirectly, for any special, indirect, punitive or consequential damages (including lost profits).

(ee) In no event will the Account Bank have any duty, obligation or responsibility to determine or confirm whether the selection of an Benchmark Replacement is necessary or advisable, or to select or to confirm a Benchmark Replacement or Benchmark Replacement Conforming Changes. The Account Bank shall have no liability for the Administrative Agent, the Borrower or any other Person's selection of an Benchmark Replacement or Benchmark Replacement Conforming Changes. The Account Bank shall have no obligation to provide notice of any selection of an Benchmark Replacement to any Agent, Lender, any transaction party or any other Person.

(iii) all property transferred or delivered to the Account Bank pursuant to this Agreement will be promptly credited to the Collection Account;

(iv) the Collection Account is an account to which financial assets are or may be credited, and the Account Bank shall, subject to the terms of this Agreement, treat each of the Borrower and the Servicer as entitled to exercise the rights that comprise any financial asset credited to such account;

(v) the Account Bank shall promptly make available copies of all statements, confirmations and other material correspondence concerning the Collection Account and/or any financial assets credited thereto simultaneously to each of the Servicer (on behalf of the Borrower) and the Administrative Agent at the address for each set forth on Schedule E; and

(vi) notwithstanding the intent of the parties hereto, to the extent that the Collection Account shall be determined to constitute a "deposit account" within the meaning of Section 9-102(a)(29) of the UCC, the Collection Account shall be subject to

the exclusive control of the Administrative Agent, for the benefit of the Secured Parties, and the Account Bank will comply with instructions originated by the Administrative Agent directing disposition of the funds in Collection Account without further consent by the Borrower or the Servicer.

(e) Except as otherwise set forth in Sections 2.17(f) and (g), the Account Bank will comply with Entitlement Orders originated by the Borrower or by the Servicer. The Borrower shall not directly make any withdrawals from Collection Account.

Notwithstanding the preceding sentence, the financial assets, funds, cash or other property credited to the Collection Account will not be subject to deduction, set-off, banker's lien, or any other right in favor of any Person other than the Administrative Agent, for the benefit of the Secured Parties (except that the Account Bank may set-off all amounts due to the Account Bank in respect of customary fees and expenses for the routine maintenance and operation of the Collection Account).

ARTICLE THREE

SECURITY

Section 3.01. Collateral.

(a) The parties hereto intend that this Agreement constitute a security agreement and the transactions effected hereby constitute secured loans by the Lenders to the Borrower under Applicable Law. As collateral security for the prompt, complete and indefeasible payment and performance in full when due, whether by lapse of time, acceleration or otherwise, of the Obligations, the Borrower hereby grants to the Administrative Agent, as agent for the Secured Parties, a Lien on and security interest in all of the Borrower's right, title and interest in, to and under the following, whether now existing or owned or hereafter arising or acquired by the Borrower (collectively, the "Collateral"):

(i) the Receivables, all security interests or Liens purporting to secure payment of the foregoing and the related Contracts, and any accounts or obligations evidenced thereby, any guarantee thereof, all Collections and all monies due (including any payments made under any guarantee or similar credit enhancement with respect to any such Receivables) or to become due or received by any Person in payment of any of the foregoing on or after the related Cutoff Date;

(ii) the Financed Vehicles (including Financed Vehicles that have been repossessed) or in any document or writing evidencing any security interest in any Financed Vehicle and each security interest in each Financed Vehicle, whether now existing or hereafter acquired, securing each such Receivable, including all proceeds from any sale or other disposition of such Financed Vehicles;

(iii) the Account Collateral;

(iv) subject to the Master Collection Account Agreement, the Borrower's rights to the Master Collection Account;

(v) all Hedge Collateral;

(vi) the Contract Files, the Receivables File, the Schedule of Receivables and all documents, agreements and instruments included in the Contract Files and the Receivables Files, including rights of recourse of the Borrower against Tricolor and/or any Originator;

(vii) all Records, documents and writings evidencing or related to the Receivables or the Contracts;

(viii) all rights to payment under all Insurance Policies with respect to a Financed Vehicle, including any monies collected from whatever source in connection with any default of an Obligor with respect to a Financed Vehicle and any proceeds from claims or refunds of premiums on any Insurance Policy, whether now existing or hereafter acquired, and all proceeds thereof;

(ix) all guaranties, indemnities, warranties, insurance (and proceeds and premium refunds thereof) and other agreements or arrangements of whatever character from time to time supporting or securing payment of the Receivables, whether pursuant to the related Contracts or otherwise;

(x) all rights to payment under all service contracts and other contracts and agreements associated with the Receivables and all of the Borrower's interest in all recourse rights against the related Originators;

(xi) all security interests, Liens, guaranties and other encumbrances in favor of or assigned or transferred to the Borrower in and to the Receivables, whether now existing or hereafter acquired, the related Contracts, whether now existing or hereafter acquired and the Financed Vehicles, whether now existing or hereafter acquired;

(xii) all deposit accounts, monies, deposits, funds, accounts and instruments relating to the foregoing (subject to the Master Collection Account Agreement);

(xiii) the Purchase Agreement (including each Transfer Agreement) and all other Borrower Basic Documents and remedies thereunder and the assignment to the Administrative Agent of all UCC financing statements filed by the Borrower against Tricolor under or in connection with the Purchase Agreement; and

(xiv) all accounts, general intangibles, chattel paper, instruments, documents, money, deposit accounts, certificates of deposit, goods (together with all embedded software, accessions, additions, attachments, improvements, substitutions and replacements thereto and therefor), investment property, letters of credit, letter-of-credit rights, commercial tort claims, uncertificated securities, securities accounts, security entitlements and supporting obligations; and

(xv) all income and proceeds of the foregoing.

(b) The grant under this Section does not constitute and is not intended to result in a creation or an assumption by any Secured Party or Agent of any obligation of the Borrower or any other Person in connection with any or all of the Collateral or under any agreement or instrument relating thereto. Anything herein to the contrary notwithstanding, (i) the Borrower shall remain liable under the Contracts to the extent set forth therein to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed, (ii) the exercise by the Administrative Agent of any of its rights in the Collateral shall not release the Borrower from any of its duties or obligations under the Collateral and (iii) no Secured Party or Agent shall have any obligations or liability under the Collateral by reason of this Agreement, nor shall any Secured Party or Agent be obligated to perform any of the obligations or duties of the Borrower thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

(c) Each of the Borrower and the Servicer represents and warrants as to itself that each remittance of Collections by it to the Administrative Agent (on behalf of the Secured Parties) under this Agreement will have been (i) in payment of a debt incurred by the Borrower in the ordinary course of business or financial affairs of the Borrower and the Administrative

Agent (on behalf of the Secured Parties) and (ii) made in the ordinary course of business or financial affairs of the Borrower and the Administrative Agent (on behalf of the Secured Parties).

(d) Notwithstanding the foregoing grant of security interest, no account, instrument, chattel paper or other obligation or property of any kind due from, owned by or belonging to a Sanctioned Person shall be Collateral.

Section 3.02. Release of Collateral; No Legal Title.

(a) At the same time as any Contract (i) expires by its terms and all amounts in respect thereof have been paid by the related Obligor(s) and deposited in the Collection Account or (ii) has been prepaid in full and all amounts in respect thereof have been paid by the related Obligor(s) and deposited in the Collection Account, the Administrative Agent will promptly release its interest in the related Receivable and all related Collateral. In connection with any sale of a Financed Vehicle, after the deposit by the Servicer of the proceeds of such sale into the Collection Account, the Administrative Agent will, automatically and without further action, be deemed to have released its interest and lien on such Financed Vehicle; provided, that the Administrative Agent will make no representation or warranty, express or implied, with respect to any such Receivable and all related Collateral (including any Financed Vehicle) in connection with such sale or transfer and assignment. Nothing in this Section shall diminish the Servicer's obligations pursuant to Section 7.03(c) with respect to the proceeds of any such sale.

(b) Upon (i) repurchase of Receivables and related Collateral in connection with a Securitization or optional prepayment of the Loans Outstanding or (ii) the Facility Termination Date, the Administrative Agent, at the Borrower's expense, upon payment in full of the related Aggregate Unpaids, shall execute and file such partial or full releases or partial or full assignments of financing statements and other documents and instruments, and cause or permit the Servicer to take such actions, as may be reasonably requested by the Borrower to effectuate the release of the relevant portion of the Collateral.

(c) The Administrative Agent will not, except as may result from the exercise of its remedies hereunder, have legal title to any part of the Collateral on the Facility Termination Date and will have no further interest in or rights with respect to the Collateral.

Section 3.03. Protection of Security Interest; Administrative Agent, as Attorney-in-Fact.

(a) The Borrower agrees that from time to time, at its expense, it will promptly execute and deliver all instruments and documents, and take all actions, that may reasonably be necessary or desirable, or that the Administrative Agent may reasonably deem necessary, to perfect, protect or more fully evidence the security interest granted to the Administrative Agent, (on behalf of the Secured Parties) in the Receivables and the other Collateral, or to enable the Secured Parties to exercise and enforce their rights and remedies hereunder and thereunder.

(b) If the Borrower fails to perform any of its obligations under this Section after five Business Days' notice from any Secured Party or Agent, such Secured Party or Agent may (but shall not be required to) perform, or cause performance of, such obligation; and the reasonable costs and expenses of such party incurred in connection therewith shall be payable by the Borrower as provided in Article Eleven. The Borrower irrevocably authorizes the

Administrative Agent and appoints the Administrative Agent, as its attorney-in-fact to act on its behalf, (i) to execute or cause to be executed on its behalf as debtor and to file financing statements necessary or desirable in the Administrative Agent's sole discretion to perfect and to maintain the perfection and priority of the interest of the Secured Parties in the Receivables and the other Collateral, including financing statements that describe the collateral covered thereby as "all assets of the Borrower whether now owned or existing or hereafter acquired or arising and wheresoever located", and (ii) to file a carbon, photographic or other reproduction of this Agreement or any financing statement with respect to the Receivables and the other Collateral, as a financing statement in such offices as the Administrative Agent in its sole discretion deems necessary or desirable to perfect and to maintain the perfection and priority of the interests of the Secured Parties in the Receivables and the other Collateral. This appointment is coupled with an interest and is irrevocable.

(c) The Borrower shall indicate clearly on its applicable books and records that each Receivable constitutes collateral security for the payment of the Obligations to the Secured Parties hereunder. If at any time the Borrower shall propose to sell, grant a security interest in, or otherwise transfer any interest in any motor vehicle receivables or amounts received on or in respect of such receivables to, any prospective purchaser, lender or other transferee, the Borrower shall give to such prospective purchaser, lender or other transferee computer tapes, records or printouts that, if they shall refer in any manner whatsoever to any of the Collateral, shall indicate clearly that such Collateral has been sold and is owned by the Borrower.

Section 3.04. Assignment of the Purchase Agreement. The Borrower hereby represents, warrants and confirms to the Administrative Agent that the Borrower has assigned to the Administrative Agent, for the ratable benefit of the Secured Parties hereunder, all of the Borrower's right and title to and interest in the Purchase Agreement. The Borrower confirms that the Administrative Agent shall have the sole right to enforce the Borrower's rights and remedies under the Purchase Agreement for the benefit of the Secured Parties, but without any obligation on the part of the Secured Parties or any of their respective Affiliates to perform any of the obligations of the Borrower under the Purchase Agreement. The Borrower further confirms and agrees that such assignment to the Administrative Agent (on behalf of the Secured Parties) shall terminate upon the Facility Termination Date; provided, however, that the rights of the Secured Parties pursuant to such assignment with respect to rights and remedies in connection with any indemnities and any breach of any representation, warranty or covenants made by Tricolor, pursuant to the Purchase Agreement, which rights and remedies survive the termination of the Purchase Agreement, shall be continuing and shall survive any termination of such assignment.

Section 3.05. Waiver of Certain Laws. Each of the Borrower, the Servicer and the Backup Servicer, if any, agrees, to the full extent that it may lawfully so agree, that neither it nor anyone claiming through or under it will set up, claim or seek to take advantage of any appraisement, valuation, stay, extension or redemption law now or hereafter in force in any locality where any part of the Collateral may be situated in order to prevent, hinder or delay the enforcement or foreclosure of this Agreement, or the absolute sale of any of the Collateral or any part thereof, or the final and absolute putting into possession thereof, immediately after such sale, of the purchasers thereof, and each such party for itself and all who may at any time claim through or under it, hereby waives, to the full extent that it may be lawful so to do, the benefit of

all such laws, and any and all right to have any of the properties or assets constituting the Collateral marshaled upon any such sale, and agrees that the Administrative Agent or any court having jurisdiction to foreclosure the security interests granted in this Agreement may sell the Collateral as an entirety or in such parcels as the Administrative Agent or such court may determine.

Section 3.06. Matters Relating to Electronic Chattel Paper.

(a) The Servicer hereby agrees that without the consent of the Administrative Agent (acting with the consent of the Lenders), it shall not, except in connection with a transfer of a Receivable permitted under the terms of this Agreement (i) "communicate" (as such term is used in Section 9-105 of the UCC) the Authoritative Copy of any Receivable constituting Electronic Chattel Paper to any other Person other than, if at all, the Borrower or (ii) allow the Authoritative Copy of any Receivable constituting Electronic Chattel Paper to contain any marks or notations indicating that it has been pledged, assigned or otherwise conveyed to any Person other than, if at all, the Borrower or the Administrative Agent (on behalf of the Secured Parties).

(b) On the ECP Control Date, the Borrower shall deliver to the Administrative Agent and the Lenders an Opinion of Counsel in form and substance satisfactory to the Administrative Agent and the Required Lenders that Tricolor obtains "control" (within the meaning of Section 9-105 of the UCC) of the Contracts included in the Collateral that constitute Electronic Chattel Paper.

Section 3.07. Master Collection Account. As collateral security for the prompt, complete and indefeasible payment and performance in full when due, whether by lapse of time, acceleration or otherwise, of the Obligations, Tricolor hereby grants to the Administrative Agent, as agent for the Secured Parties, a Lien on and security interest in all of its right, title and interest in, to the Master Collection Account.

Section 7.02. Servicing Compensation. As compensation for its servicing activities hereunder and reimbursement for its expenses, the Servicer shall be entitled to receive the Servicing Fee to the extent of funds available therefor pursuant to Section 2.07. The Servicer shall further be entitled to retain as additional servicing compensation any and all ancillary fees (other than extension fees) and payments from Obligors.

Section 7.03. Duties of the Servicer.

(a) Standard of Care. The Servicer agrees that its servicing and collection of the Receivables shall be carried out in accordance with the Credit and Collection Policy, Applicable Law and customary and usual procedures of institutions which service motor vehicle retail installment sale contracts and, to the extent more exacting, the degree of skill and attention that the Servicer exercises with respect to all comparable motor vehicle receivables that it services for itself or others.

(b) Records Held in Trust. The Servicer shall hold in trust for the Borrower and the Secured Parties all records in its possession which evidence or relate to all or any part of the Collateral. (c) Collection Practices.

(i) The Servicer shall be responsible for collection of payments called for under the terms and provisions of the Contracts relating to the Receivables, as and when the same shall become due. The Servicer, in making collection of Receivable payments pursuant to this Agreement, shall be acting as agent for the Borrower and the Secured Parties, and shall be deemed to be holding such funds in trust on behalf of and as agent for the Secured Parties. The Servicer, consistent with the Credit and Collection Policy in effect at the time of acting, shall service, manage, administer and make collections on the Receivables on behalf of the Borrower and shall have full power and authority to do any and all things which it may deem necessary or desirable in connection therewith which are not inconsistent with this Agreement. The Servicer may in its discretion grant extensions, rebates or adjustments on a Contract as permitted by the Credit and

Collection Policy then in effect, and amend or modify any Contract but shall not modify the APR or the number or amount of the Scheduled Payments unless required by Applicable Law or court order issued pursuant to Insolvency Proceedings involving the related Obligor or the Servicemembers Civil Relief Act (or similar State law). The Servicer may in its discretion waive any late payment charge or any other fees, not including interest on the Principal Balance of a Receivable, that may be collected in the ordinary course of servicing a Receivable. The Servicer shall also enforce all rights of the Borrower under the Purchase Agreement (including each Transfer Agreement) including the right to require Tricolor to repurchase Receivables for breaches of representations and warranties made by Tricolor. Receivables in respect of which the Servicer has breached the foregoing provisions or the provisions of Section 6.05(h)(i) shall be repurchased by the Servicer pursuant to Section 5.06.

(ii) If the full amount of a Scheduled Payment due under a Receivable is not received within five Business Days after its due date, the Servicer will make reasonable and customary efforts to contact the related Obligor by telephone. The Servicer shall continue its efforts to obtain payment from an Obligor whose payment has not been made within five Business Days after the due date for such payment until the related Financed Vehicle is repossessed and sold or the Servicer has determined that all amounts collectable on such Receivable have been collected. The Servicer shall use its best efforts, consistent with the Credit and Collection Policy and the standard of care set forth in Section 7.03(a), to collect funds on a Defaulted Receivable and, by the close of business on the second Business Day following receipt and identification of such Collections, deposit such amounts into the Collection Account.

(iii) In the event a Receivable becomes or is reasonably anticipated to become a Defaulted Receivable, the Servicer, itself or through the use of independent contractors or agents shall, consistent with the Credit and Collection Policy, repossess or otherwise convert the ownership of the related Financed Vehicle securing such Receivable as to which the Servicer shall have determined eventual payment in full is unlikely. Notwithstanding the foregoing and consistent with the terms of this Agreement, the Servicer shall not be obligated to repossess or take any action with respect to a Defaulted Receivable if, in its reasonable judgment consistent with the Credit and Collection Policy, the Liquidation Proceeds would not be increased.

(iv) Except as otherwise provided in Section 7.03(c)(ii), the Servicer shall deposit or cause to be deposited by electronic funds transfer all Collections to the Collection Account no later than two Business Days after its receipt and identification thereof.

The foregoing shall be subject to the provision that, in any case in which a Financed Vehicle shall have suffered damage, the Servicer shall not expend funds for the repair or the repossession of such Financed Vehicle unless the Servicer shall determine in its discretion that such repair or repossession would increase the Liquidation Proceeds in an amount greater than the cost of repairs.

(e) Subservicers. With prior notice to the Administrative Agent, the Servicer may delegate in the ordinary course of business any or all of its duties and obligations hereunder to one or more Subservicers; provided, however, that the Servicer shall at all times remain responsible for the performance of such duties and obligations.

(viii) not be responsible to the Borrower or the Secured Parties for any (A) act or omission to act done in order to comply with the requirements or satisfy any provisions of the Insurance Policies or (B) act, absent willful misconduct or negligence, or omission to act done in compliance with this Agreement; and

(ix) not force place any Insurance Policies against the Financed Vehicles or the related Obligors.

In the case of any inconsistency between this Agreement and the terms of any Insurance Policy, the Servicer shall comply with the latter.

(g) Obligation to Restore. In the event of any physical loss or damage to a Financed Vehicle related to a Receivable from any cause, whether through accidental means or otherwise, the Servicer shall have no obligation to cause such Financed Vehicle to be restored or repaired. However, the Servicer shall comply with the provisions of any insurance policy or policies directly or indirectly related to any physical loss or damage to a Financed Vehicle.

(h) Fidelity Bond. The Servicer represents, warrants and covenants that it has obtained and shall continue to maintain in full force and effect a fidelity bond in such form and amount as is customary for prudent servicers acting as custodian of funds and documents in respect of consumer contracts similar to the Receivables on behalf of institutional investors.

(i) Security Interests. The Borrower hereby directs the Servicer to take or cause to be taken such steps as are reasonably necessary to maintain perfection of the security interest created by each Receivable in the related Financed Vehicle and the security interests created hereunder and pursuant to the Purchase Agreement. (j) Realization on Financed Vehicles. The Servicer represents, warrants and covenants that in the event that the Servicer realizes upon any Financed Vehicle, the methods utilized by the Servicer to realize upon such Receivable or otherwise enforce any provisions of such Receivable, will be conducted in accordance with the provisions of this Agreement, the Credit and Collection Policy and Applicable Law.

(k) Recordkeeping. The Servicer shall:

(i) maintain legible copies (in electronic or hard-copy form, in the discretion of the Servicer) or originals of all documents in its Receivable File with respect to each Receivable and the related Financed Vehicle; and

(ii) keep books and records, reasonably satisfactory to the Administrative Agent, pertaining to each Receivable and shall make periodic reports in accordance with this Agreement; such records may not be destroyed or otherwise disposed of except as provided herein and as allowed by Applicable Law; all documents, whether developed or originated by the Servicer or not, reasonably required to document or to properly

administer any Receivable shall remain at all times the property of the Borrower and shall be held in trust by the Servicer; the Servicer shall not acquire any property rights with respect to such records, and shall not have the right to possession of them except as subject to the conditions stated in this Agreement; and the Servicer shall bear the entire cost of any restoration in the event any Receivable File shall become damaged, lost or destroyed while in its possession or control.

(l) Inspection. The Servicer shall permit the Administrative Agent, the Backup Servicer and each Lender, upon reasonable prior notice and during the Servicer's regular business hours and at the reasonable expense of the Borrower, to periodically, at the discretion of the Administrative Agent, the Backup Servicer and/or the Lenders (subject to Section 7.06(c)), review the Servicer's collection and administration of the Receivables in order to assess compliance by the Servicer with the Servicer's written policies and procedures, as well as with this Agreement. Such review shall be reasonable in scope and shall be completed in a reasonable period of time.

Section 7.04. Collection of Payments.

(a) Payment Instructions. On or before the relevant Funding Date with respect to the Subsequent Receivables, the Servicer shall have instructed all related Obligors to make all payments in respect of the related Receivables directly to the Master Collection Account; provided, however, that such Obligors may also make payments in respect of such Receivables by credit card, which payments are processed by an electronic payment processor and remitted to the Master Collection Account on a daily basis.

(b) Establishment of the Collection Account and the Hedge Counterparty Collateral Account. The Servicer shall cause to be established, on or before the Closing Date, and maintain in the name of the Administrative Agent for the benefit of the Secured Parties, with the Account Bank (for so long as the Account Bank is a Qualified Institution), (i) the Collection Account and (ii) the Hedge Counterparty Collateral Account, in each case over which the Administrative Agent shall have sole dominion and control and from which neither Tricolor nor the Borrower shall have any right of withdrawal. The Servicer and the Borrower are hereby required to ensure that each of the Collection Account and the Hedge Counterparty Collateral Account are established and maintained with a Qualified Institution. If any institution with which any of the accounts established pursuant to this Section are established ceases to be a Qualified Institution, the Servicer shall within ten Business Days establish a replacement account at a Qualified Institution after notice of such event.

(c) Adjustments. If the Servicer (i) makes a deposit into the Collection Account in respect of a collection of a Receivable and such collection was received by the Servicer in the form of a check that is not honored for any reason, (ii) makes a mistake with respect to the amount of any collection and deposits an amount that is less than or more than the actual amount of such collection or (iii) is entitled to reimbursement of any ancillary fees in accordance with Section 7.02, the Servicer shall appropriately adjust the amount subsequently deposited into the Collection Account to reflect such dishonored check or mistake. Any Scheduled Payment in respect of which a dishonored check is received shall be deemed not to have been paid.

Section 7.05. Payment of Certain Expenses by Servicer. Except for such amounts and expenses the Servicer is entitled to reimbursement as provided for herein, the Servicer will be required to pay all expenses incurred by it in connection with its activities under this Agreement, including the fees and disbursements of independent certified public accountants, Taxes imposed on the Servicer, expenses incurred in connection with payments and reports pursuant to this Agreement, fees and expenses of Subservicers and agents of the Servicer and all other fees and expenses not expressly stated under this Agreement for the account of the Borrower. The Servicer will be required to pay all reasonable fees and expenses owing to any bank or trust company in connection with the maintenance of the Collection Account. The Servicer shall be required to pay such expenses for its own account and shall not be entitled to any payment therefor other than the Servicing Fee.

Section 7.06. Reports and Due Diligence.

(a) Monthly Reports. On each Reporting Date, the Servicer will provide a Monthly Report to the Borrower, each Secured Party, each Agent, the Account Bank and the Backup Servicer.

(b) Quarterly Data. The Servicer will provide the Quarterly Data to each Secured Party and each Agent, within ten Business Days of receiving a request therefor, which request may be made quarterly, but not more frequently unless required by regulators or to comply with Applicable Law (including Basel II and Basel III).

(c) Due Diligence. Prior to the Closing Date and once during each calendar year commencing in 2021, at such times during normal business hours as are reasonably convenient to the Borrower or the Servicer, as the case may be, at the sole cost and expense of the Servicer (provided that such costs and expenses are reasonable and customary for similar types of inspections in the industry and do not exceed $60,000 per audit) and upon reasonable request of the Administrative Agent or a Lender and prior written notice to the Borrower or the Servicer, as the case may be, the Borrower or the Servicer, as the case may be, shall permit such Person or Persons as the Administrative Agent may designate (including the Backup Servicer), with the approval of the Required Lenders, to conduct, on behalf of all of them, audits or to visit and inspect any of the properties of the Borrower or the Servicer (including any Subservicer) where the Receivable Files are located, as the case may be, to examine the Receivable Files, internal controls and procedures maintained by the Borrower or the Servicer, as the case may be, and take copies and extracts therefrom, and to discuss the affairs of the Borrower and the Servicer (including any Subservicer) with their respective officers and employees (which employees, except after the occurrence and during the continuation of an Amortization Event, Termination Event, Unmatured Termination Event, Servicer Termination Event or Unmatured Servicer Termination Event, shall be designated by the Borrower or the Servicer, as the case may be) and, upon written notice to the Borrower or the Servicer, as the case may be, independent accountants; provided, that after the occurrence and during the continuation of a Termination Event, the Administrative Agent, the Lenders, the Backup Servicer and their respective representatives shall be permitted to take the foregoing actions without being subject to any limitation on the number of audits, visits or inspections that may be conducted during a calendar year and such audits, visits or inspections shall be at the sole cost and expense of the Servicer; provided, further, that the Administrative Agent, the Lenders and their respective representatives

shall make reasonable efforts to coordinate, and provide a prior written notice of, such audits, visits and inspections; and provided, further, that any such audit, visit or inspection of a Successor Servicer shall be at the sole cost and expense of the Lenders. The Borrower or the Servicer, as the case may be, hereby authorizes such officers, employees and independent accountants (and the Servicer shall cause each Subservicer to authorize such officers, employees and independent accountants) to discuss with the Administrative Agent, a Lender and their respective representatives the affairs of the Borrower or the Servicer, as the case may be. Any audit provided for herein shall be conducted in accordance with the rules of the Borrower and the Servicer respecting safety and security on its premises and without materially disrupting operations. Nothing in this subsection shall affect the obligation of the Servicer to observe any Applicable Law prohibiting the disclosure of information regarding the Obligors, and the failure of the Servicer to provide access to information as a result of such obligation shall not constitute a breach of this subsection. In addition to the due diligence reviews specified above, the Backup Servicer may, subject to the terms and conditions specified in this subsection conduct its own periodic due diligence reviews at the sole cost and expense of the Servicer (provided that such costs and expenses shall be limited to a maximum of $5,000 per visit in the case of any due diligence review done at the request of the Backup Servicer prior to the occurrence and continuance of a Servicer Termination Event or the automatic occurrence or declaration of the occurrence of the Amortization Date pursuant to Section 10.01(b), and thereafter, without such cost and expense cap). The Servicer will notify the Backup Servicer of any changes to the servicing processes or servicing systems of the Servicer that have occurred since the last due diligence review performed by the Backup Servicer that would reasonably be expected to have a Material Adverse Effect on the Backup Servicer's ability to undertake the servicing of the Receivables as Successor Servicer under this Agreement. The Servicer shall reimburse the Administrative Agent for all reasonable fees, costs and expenses incurred by or on behalf of the Secured Parties in connection with the foregoing actions promptly upon receipt of a written invoice therefor.

Section 7.07. Annual Statement as to Compliance. The Servicer shall deliver to the Administrative Agent, on or before May 30th of each year, beginning in 2021, an Officer's Certificate, dated as of the preceding December 31st, stating that (i) a review of the activities of the Servicer during the preceding 12-month period (or since the Closing Date in the case of the first such Officer's Certificate) and of its performance under this Agreement has been made under such officer's supervision and (ii) to the best of such officer's knowledge, based on such review, the Servicer has fulfilled all its obligations under this Agreement throughout such year (or such shorter period in the case of the first such Officer's Certificate), or, if there has been a default in the fulfillment of any such obligation, specifying each such default known to such officer and the nature and status thereof. Notwithstanding the foregoing, to the extent that in connection with public offerings, Regulation AB under the Securities Act requires the delivery by servicers of an annual report on an assessment of servicing compliance on the basis of detailed servicing criteria or other report, the delivery of a copy of such report by the Servicer to the Administrative Agent shall be deemed to satisfy the provisions of this subsection.

Section 7.08. Annual Independent Public Accountant's Reports. The Servicer will deliver to the Administrative Agent, on or before May 30th of each year beginning in 2021, a copy of a report prepared by a firm of independent certified public accountants, who may also render other services to the Servicer or any of its Affiliates, addressed to the Board of Managers

of the Servicer or any of its Affiliates and the Administrative Agent and dated during the current year, to the effect that such firm has examined the Servicer's policies and procedures and issued its report thereon and expressing a summary of findings (based on certain procedures performed on the documents, records and accounting records that such accountants considered appropriate under the circumstances) relating to the servicing of the Receivables and the administration of the Receivables (including the preparation of the Monthly Reports) during the preceding calendar year (or such longer period in the case of the first sale report) and that such servicing and administration was conducted in compliance with the terms of this Agreement, except for (i) such exceptions as such firm shall believe to be immaterial and (ii) such other exceptions as shall be set forth in such report and that such examination (a) was performed in accordance with standards established by the American Institute of Certified Public Accountants, and (b) included tests relating to auto loans serviced for others in accordance with the requirements of the Uniform Single Attestation Program for Mortgage Bankers, to the extent the procedures in such program are applicable to the servicing obligations set forth in this Agreement. Notwithstanding the foregoing, to the extent that in connection with public offerings, Regulation AB under the Securities Act requires the delivery of an annual attestation of a firm of independent public accountants with respect to the assessment of servicing compliance with specified servicing criteria of the Servicer stating, among other things, that the Servicer's assertion of compliance with the specified servicing criteria is fairly stated in all material respects, or the reason why such an opinion cannot be expressed, the delivery of a copy of such an attestation to the Administrative Agent shall be deemed to satisfy the provisions of this Section.

In the event such independent certified public accountants require the Backup Servicer or the Account Bank to agree to the procedures to be performed by such firm in any of the reports required to be prepared pursuant to this Section, the Servicer shall direct the Backup Servicer or the Account Bank in writing to so agree; it being understood and agreed that the Backup Servicer or the Account Bank will deliver such letter of agreement in conclusive reliance upon the direction of the Servicer, and each of such Backup Servicer and the Account Bank has not made any independent inquiry or investigation as to, and shall have no obligation or liability in respect of, the sufficiency, validity or correctness of such procedures.

Such report shall also indicate that the firm is "Independent" of the Servicer and its Affiliates within the meaning of the Code of Professional Ethics of the American Institute of Certified Public Accountants.

Section 7.09. Rights of the Backup Servicer Prior to Assumption of Duties by a Successor Servicer.

(a) On or before each Reporting Date, the Servicer shall deliver to the Backup Servicer an electronic file containing all information sufficient to allow the Backup Servicer to review the Monthly Report related thereto and (i) determine that such Monthly Report contains the information necessary for the Backup Servicer to complete its obligations under this Section and (ii) confirm the mathematical accuracy, as set forth in the Monthly Report, of the Borrowing Base as of the related Reporting Date (calculated as of the last day of the related Collection Period or, with respect to Receivables added to the Collateral following such last day but prior to the date of such Monthly Report, the related Cutoff Dates). The Backup Servicer shall, within five Business Days of the related Reporting Date, load the electronic file received from the

Servicer, confirm such computer tape or diskette is in readable form and verify (i) the aggregate Principal Balance of all Receivables as of the last day of the related Collection Period, and (ii) the Serviced Portfolio Net Loss-to-Liquidation Ratio, the Serviced Portfolio Delinquency Ratio, the Serviced Portfolio Extension Ratio, the Net Loss-to-Liquidation Ratio, the Delinquency Ratio and the Extension Ratio. In the event of any discrepancy between the information set forth in the two foregoing sentences, as calculated by the Servicer, from that determined or calculated by the Backup Servicer, the Backup Servicer shall promptly notify the Servicer of such discrepancy and, if within five days of such notice being provided to the Servicer, the Backup Servicer and the Servicer are unable to resolve such discrepancy, the Backup Servicer shall promptly notify the Administrative Agent of such discrepancy. The Backup Servicer shall provide a Monthly Backup Servicer Certificate to the Administrative Agent and the Servicer, on or before the close of business on the fifth Business Day following each Reporting Date. The Backup Servicer, in its capacity as such, shall not be responsible for delays attributable to the Servicer's failure to deliver information, defects in the information supplied by the Servicer or other circumstances beyond the control of the Backup Servicer. If the electronic file or the Monthly Report does not contain sufficient information for the Backup Servicer to perform any action hereunder, the Backup Servicer shall promptly notify the Servicer of any additional information to be delivered by the Servicer to the Backup Servicer, and the Backup Servicer and the Servicer shall mutually agree upon the form thereof; provided, however, that the Backup Servicer shall not be liable for the performance of any action unable to be taken hereunder without such additional information until it is received from the Servicer.

(b) The Administrative Agent or a Lender may request in writing that the Servicer deliver to the Backup Servicer the Test Data File, in a format acceptable to the Backup Servicer. The Backup Servicer and the Servicer will agree upon the file layout and electronic medium to transfer such data to the Backup Servicer. The Backup Servicer shall confirm to the Servicer and the Administrative Agent in writing that the Test Data File is in the correct format or if any changes or modifications are necessary. The Backup Servicer shall convert the Test Data File to a servicing system and confirm in writing to the Servicer and the Administrative Agent that it has received and verified the completeness of the Test Data File within 90 days of receipt of such Test Data File; provided, however, that such confirmation shall not be deemed to apply to the accuracy of the Test Data File data as provided by the Servicer, but shall be deemed only to apply to the accuracy of the conversion of the Test Data Files to the Backup Servicer's internal systems. The cost of loading the Test Data File will be paid by the Servicer and, to the extent not paid by the Servicer, will be paid in accordance with Section 2.07(ii).

(c) Other than as specifically set forth elsewhere in this Agreement, the Backup Servicer shall have no obligation to supervise, verify, monitor or administer the performance of the Servicer and shall have no liability or responsibility for any action taken or omitted by the Servicer.

(d) The Backup Servicer shall consult with the Servicer as may be necessary from time to time to perform or carry out the Backup Servicer's obligations hereunder, including the obligation, if requested in writing by the Administrative Agent (acting at the direction of the Required Lenders), to succeed to the duties and obligations of the Servicer pursuant hereto.

(e) Except as provided in this Agreement, the Backup Servicer may accept and rely on all accounting, records and work of the Servicer without audit, and the Backup Servicer shall have no liability or responsibility for the acts or omissions of the Servicer. If any error, inaccuracy or omission (collectively, "Errors") exists in any information received from the Servicer, and such Errors should cause or materially contribute to the Backup Servicer making or continuing any Errors (collectively, "Continued Errors"), the Backup Servicer shall have no liability or responsibility for such Continued Errors; provided, however, that this provision shall not protect the Backup Servicer against any liability which would otherwise be imposed by reason of willful misconduct, bad faith or gross negligence in discovering or correcting any Error or in the performance of its or their duties hereunder or under this Agreement. In the event the Backup Servicer has actual knowledge or receives written notice of Errors or Continued Errors, it shall, with the prior consent of the Administrative Agent, use its best efforts to reconstruct and reconcile such data as is commercially reasonable to correct such Errors and Continued Errors and prevent future Continued Errors. The Backup Servicer shall be entitled to recover its costs thereby expended from the Servicer (or, to the extent not paid by the Servicer, in accordance with Section 2.07(ii)).

(f) The Backup Servicer shall be indemnified by the Servicer and the Borrower from and against all claims, damages, losses or expenses reasonably incurred by the Backup Servicer (including reasonable attorneys' fees, court costs, losses and expenses incurred in connection with (i) any enforcement (including any action, claim, or suit brought) by the Backup Servicer of any indemnification obligation or other obligation of the Servicer or the Borrower and (ii) a successful defense of any claim that the Backup Servicer breached its standard of care) arising out of claims asserted against the Backup Servicer on any matter arising out of this Agreement to the extent the act or omission giving rise to the claim accrues before the date on which the Backup Servicer assumes the duties of Successor Servicer hereunder, except for any claims, damages, losses or expenses arising from the Backup Servicer's own gross negligence, bad faith or willful misconduct. Notwithstanding the foregoing, if a successor to the Backup Servicer is appointed hereunder, then the Servicer and the Borrower shall have no obligations to indemnify the successor Backup Servicer except to the extent that the Servicer and the Borrower have consented, in their reasonable discretion, to the selection of the successor Backup Servicer. The provisions of this Section shall survive the termination or assignment of this Agreement or the resignation or removal of any party.

(g) If the Backup Servicer is acting as Successor Servicer, it may delegate in the ordinary course of business any or all of its duties and obligations hereunder to one or more subservicers; provided, however, that it shall at all times remain responsible for the performance of such duties and obligations.

Section 7.10. Rights After Assumption of Duties by Successor Servicer; Liability. At any time following the assumption of the duties of the Servicer by a Successor Servicer pursuant to Section 7.14 as a result of the occurrence of a Servicer Termination Event or following the resignation of the Servicer pursuant to Section 7.12:

(a) The outgoing Servicer, on behalf of the Borrower, shall, at the Administrative Agent's request (with the consent of the Required Lenders), (i) assemble the records relating to the Collateral, including all Receivable Files, and shall make the

same available to the Administrative Agent or the Successor Servicer at a place selected by the Administrative Agent, and (ii) segregate all cash, checks and other instruments received by it from time to time constituting Collections in a manner acceptable to the Administrative Agent or the Successor Servicer and shall, promptly upon receipt but no later than one Business Day after receipt, remit all such cash, checks and instruments, duly endorsed or with duly executed instruments of transfer, to, or at the direction of, the Administrative Agent.

(b) The Borrower hereby authorizes the Administrative Agent (as agent for the Secured Parties) to take or cause to be taken any and all steps in the Borrower's name and on its behalf necessary or desirable, in the determination of the Administrative Agent, to collect all amounts due under the Collateral, including endorsing the Borrower's names on checks and other instruments representing Collections and enforcing the Receivables.

Section 7.11. Limitation on Liability of the Servicer and Others. Except as expressly provided herein, neither the Servicer nor any of its directors or officers or employees or agents shall be under any liability to the Secured Parties or any other Person for any action taken or for refraining from the taking of any action pursuant to this Agreement; provided, however, that this provision shall not protect the Servicer or any such Person against any liability that would otherwise be imposed by reason of its willful misfeasance, bad faith or gross negligence in the performance of duties or by reason of its willful misconduct hereunder.

Section 7.12. The Servicer Not to Resign. The Servicer shall resign only with the prior written consent of the Administrative Agent (acting at the direction of the Required Lenders) or if the Servicer provides an Opinion of Counsel to the Administrative Agent and the Backup Servicer to the effect that it is no longer permitted by Applicable Law to act as Servicer hereunder. No termination or resignation of the Servicer hereunder shall be effective until a successor Servicer acceptable to the Administrative Agent and the Required Lenders has accepted its appointment as Successor Servicer hereunder and has agreed to be bound by the terms of this Agreement and the Credit and Collection Policy.

Section 7.13. Servicer Termination Events. The occurrence and continuance of any of the following events shall constitute a "Servicer Termination Event" hereunder:

(a) any failure by the Servicer to make any payment, transfer or deposit as required by this Agreement or any other Servicer Basic Document, which failure continues unremedied for one Business Day after such payment, transfer or deposit is due and after the Servicer discovers such failure or is given written notice of such failure by the Administrative Agent;

(b) any failure by the Servicer to deliver a Monthly Report on any Reporting Date which failure continues for two Business Days;

(c) any failure by the Servicer duly to observe or perform in any material respect any other covenant or agreement of the Servicer set forth in this Agreement (other than as described in clauses (a) and (b) above) or in the other Servicer Basic Documents,

which failure continues unremedied for 30 days after the Servicer discovers such failure or is given written notice of such failure by any other party to such Servicer Basic Document or by the Administrative Agent;

(d) any representation, warranty or certification made by the Servicer in any Servicer Basic Document or in any certificate or report delivered pursuant to any Servicer Basic Document shall prove to have been incorrect in any material respect as of the time when the same shall have been made and, if capable of being cured, is not cured within 30 days after the Servicer discovers such failure or is given written notice of such failure by any other party to such Servicer Basic Document or by the Administrative Agent;

(e) an Insolvency Event shall occur with respect to the Servicer or any of its material Subsidiaries;

(f) one or more judgments, settlements or consent orders shall be entered against the Servicer by any Governmental Authority (including any such items as a result of the CFPB or State regulator reviews) assessing monetary damages, individually or in the aggregate over any calendar year, in excess of $2,000,000 and such judgments, settlements or consent orders, as applicable, shall not have been discharged, stayed or paid within 30 days;

(g) the IRS shall file notice of a Lien pursuant to Section 6323 of the Code with regard to any assets of the Borrower or any material portion of the assets of any Tricolor Entity, or the Pension Benefit Guaranty Corporation shall file notice of a Lien pursuant to Section 4068 of ERISA with regard to any of the assets of any Tricolor Entity or the Borrower and, in either case, such Lien shall not have been released within 30 days;

(h) (i) any Servicer Basic Document shall (except in accordance with its terms), in whole or in part, terminate, cease to be effective or cease to be the legally valid, binding and enforceable obligation of the Servicer or (ii) the Servicer shall, directly or indirectly, disaffirm or contest in any manner such effectiveness, validity, binding nature or enforceability;

(i) a Change in Control, not effected in accordance with Section 7.15, occurs with respect to the Servicer;

(j) a Termination Event occurs;

(k) (i) the Servicer shall fail to pay any principal of or premium or interest on any Indebtedness having a principal amount of $5,000,000 or greater, when the same becomes due and payable (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise) and such failure continue after the applicable grace period, if any, specified in the agreement or instrument relating to such Indebtedness and shall not be waived by the requisite holders of such Indebtedness; (ii) any other default under any agreement or instrument relating to any such Indebtedness of the Servicer or any other event shall occur and shall continue after the applicable grace period, if any, specified in such agreement or instrument if the effect of such default or event is to

accelerate, or to permit the acceleration of, the maturity of such Indebtedness; or (iii) any such Indebtedness shall be declared to be due and payable or required to be prepaid (other than by a regularly scheduled required prepayment), redeemed, purchased or defeased, or an offer to prepay, redeem, purchase or defease such Indebtedness shall be required to be made, in each case, prior to the stated maturity thereof;

(l) a Material Adverse Effect occurs with respect to the Servicer;

(m) the Performance Guaranty shall (except in accordance with its terms), in whole or in part, terminate, cease to be effective or cease to be the legally valid, binding and enforceable obligation of the Performance Guarantor or (ii) the Performance Guarantor shall, directly or indirectly, disaffirm or contest in any manner such effectiveness, validity, binding nature or enforceability; or

(n) a Key Man Event occurs.

Upon the occurrence of any of the foregoing, notwithstanding anything herein to the contrary, so long as any such Servicer Termination Event shall not have been remedied within any applicable cure period or waived in writing by the Administrative Agent, acting at the request or with the consent of the Required Lenders, the Administrative Agent (acting at the request of the Required Lenders), by written notice to the Servicer (with a copy to the Agents, the Backup Servicer, the Account Bank, the Collateral Custodian and each Rating Agency then rating the Loans (each, a "Servicer Termination Notice")), may (i) terminate all of the rights and obligations of the Servicer as Servicer under this Agreement, (ii) direct the Servicer to cause Collections to be deposited into an account other than the Master Collection Account or the Collection Account; provided, that such other account must be established by the Successor Servicer at the Account Bank or another Qualified Institution and (iii) direct the Servicer to deliver, or cause to be delivered, the Receivable Files and the related accounts and records maintained by the Servicer to the Administrative Agent, or its agent or designee, at such place as the Administrative Agent may reasonably designate with written notice to the Lenders.

Section 7.14. Appointment of Successor Servicer.

(a) Upon the resignation of the Servicer pursuant to Section 7.12 or on and after the receipt by the Servicer of a Servicer Termination Notice, the outgoing Servicer shall continue to perform all servicing functions under this Agreement until the date specified in the Servicer Termination Notice or otherwise specified by the Administrative Agent in writing or, if no such date is specified in such Servicer Termination Notice or otherwise specified by the Administrative Agent, until a date mutually agreed upon by the outgoing Servicer, the Backup Servicer and the Administrative Agent, acting with the consent of the Required Lenders. The Administrative Agent may, with the consent of the Required Lenders, at the time described in the immediately preceding sentence, appoint the Backup Servicer as the Successor Servicer hereunder and the Backup Servicer shall on such date assume all obligations of the Servicer hereunder, and all authority and power of the outgoing Servicer under this Agreement shall pass to and be vested in the Backup Servicer. In the event that the Administrative Agent does not so appoint the Backup Servicer to succeed the outgoing Servicer as Servicer hereunder or the Backup Servicer is unable to assume such obligations on such date, the Administrative Agent

shall, with the consent of the Required Lenders, as promptly as possible appoint a successor Servicer whose regular business includes the servicing of subprime automobile receivables (the Backup Servicer or such other entity as successor Servicer, the "Successor Servicer").

(b) Each Successor Servicer shall accept its appointment by a written assumption in a form acceptable to the Administrative Agent and the Required Lenders (with a copy to the Account Bank). In the event that a Successor Servicer has not accepted its appointment at the time when the outgoing Servicer ceases to act as Servicer, the Administrative Agent shall petition a court of competent jurisdiction to appoint any established financial institution whose regular business includes the servicing of subprime automobile receivables as the Successor Servicer hereunder.

(c) Upon the resignation or termination and removal of the Servicer, the predecessor Servicer shall cooperate with the Successor Servicer in effecting the termination of the rights and responsibilities of the predecessor Servicer under this Agreement, including the transfer to the Successor Servicer for administration by it of all cash amounts that shall at the time be held by the predecessor Servicer for deposit, or shall thereafter be received, with respect to a Receivable, and the related accounts and records maintained by the Servicer. In the case that the Successor Servicer shall not agree to perform any duties or obligations of the Servicer hereunder, such duties or obligations may be performed or delegated by the Administrative Agent. The Servicer, if other than Tricolor, shall as soon as practicable upon demand, deliver to the Borrower all records in its possession which evidence or relate to Indebtedness of an Obligor which is not a Receivable.

(d) The Administrative Agent shall have the same rights of removal and termination for cause with respect to the Successor Servicer as with respect to Tricolor as the initial Servicer.

(e) All reasonable out-of-pocket costs and expenses (including attorneys' fees and disbursements) incurred in connection with the transferring of Receivables to the Successor Servicer, converting the outgoing Servicer's data to the computer system of the Successor Servicer and amending this Agreement to reflect such succession as Servicer pursuant to this Section shall be paid by the predecessor Servicer upon presentation of reasonable transition expenses not exceeding $150,000 (the "Transition Expenses"). In no event shall the Backup Servicer, if it becomes the Successor Servicer, be responsible for any Transition Expenses. If the predecessor Servicer fails to pay the Transition Expenses, the Transition Expenses shall be payable pursuant to Section 2.07(ii).

(f) Upon its appointment, the Successor Servicer shall be the successor in all respects to the outgoing Servicer with respect to servicing functions under this Agreement and shall be subject to all the responsibilities, duties and liabilities relating thereto placed on the Servicer by the terms and provisions hereof, and all references in this Agreement to the Servicer shall be deemed to refer to the Successor Servicer; provided, however, that any Successor Servicer shall have (i) no liability with respect to any obligation which was required to be performed by the predecessor Servicer prior to the date that it becomes the Successor Servicer or any claim of a third party based on any alleged action or inaction of the predecessor Servicer, (ii) no obligation to perform any repurchase or advancing obligations, if any, of the Servicer, (iii) no obligation to pay any taxes required to be paid by the Servicer, (iv) no obligation to pay any of the fees and

expenses of any other party to this Agreement or any other Basic Document, (v) no liability or obligation with respect to any Servicer indemnification obligations of any prior Servicer, including Tricolor, and (vi) no obligation to service the Receivables in accordance with the Credit and Collection Policy, but shall use its customary credit and collection policies for similar assets. If the Backup Servicer becomes the Successor Servicer, the representations, warranties and covenants of the Servicer contained herein shall be modified as follows: (i) Section 6.04(b) shall be deemed to refer to the Servicer's status as a national banking association in good standing under the laws of the United States, (ii) the statement referred to in Section 6.04(h) shall come from a Responsible Officer of the Successor Servicer, (iii) the covenants in Sections 6.04(g), (l), (m) and (q) shall not apply and (iv) the covenants in Sections 6.05(b), (c), (d), (i) and (j) and 7.08 shall not apply. The indemnification obligations of the Backup Servicer, upon becoming a successor Servicer, are expressly limited to those instances of gross negligence or willful misconduct of the Backup Servicer in its role as Successor Servicer.

(g) All authority and power granted to the Servicer under this Agreement shall automatically cease and terminate upon termination of this Agreement and shall pass to and be vested in the Borrower and the Borrower is hereby authorized and empowered to execute and deliver, on behalf of the Servicer, as attorney-in-fact or otherwise, all documents and other instruments, and to do and accomplish all other acts or things necessary or appropriate to effect the purposes of such transfer of servicing rights. The Servicer agrees to cooperate with the Borrower in effecting the termination of the responsibilities and rights of the Servicer to service the Receivables.

(h) The Successor Servicer shall act as Servicer hereunder and shall, subject to the availability of sufficient funds in the Collection Account pursuant to Section 2.07 (up to the Servicing Fee), receive as compensation therefor the Servicing Fee pursuant to Section 2.07(i) (or such other fee as agreed to in writing by such Successor Servicer and each Lender, with notice to the Borrower, the Administrative Agent and each Rating Agency then rating the Loans).

Section 7.15. Merger or Consolidation, Assumption of Obligations or Resignation, of the Servicer. Any Person (i) into which the Servicer may be merged or consolidated, (ii) which may result from any merger or consolidation to which the Servicer may be a party, (iii) which may succeed to the properties and assets of the Servicer substantially as a whole or (iv) which may succeed to the duties and obligations of the Servicer under this Agreement following the resignation of the Servicer, which Person executes an agreement of assumption acceptable to the Administrative Agent to perform every obligation of the Servicer hereunder, shall, with the prior written consent of the Administrative Agent, acting with the consent of the Required Lenders (in each case which consent shall not be unreasonably withheld), be the successor to the Servicer under this Agreement without further act on the part of any of the parties to this Agreement; provided, however, that:

(a) prior written notice of such consolidation, merger, succession or resignation shall be delivered by the Servicer to the Administrative Agent, each Lender, each Hedge Counterparty, the Collateral Custodian and each Rating Agency then rating the Loans;

(b) immediately after giving effect to such consolidation, merger, succession or resignation, no Servicer Termination Event and no event which after notice or lapse of time, or both, would become a Servicer Termination Event shall have occurred and is continuing;

(c) no Amortization Event, Termination Event, Unmatured Termination Event, Servicer Termination Event or Unmatured Servicer Termination Event would occur as result of such consolidation, merger, succession or resignation;

(d) the Servicer shall have delivered to the Borrower, the Backup Servicer, each Lender and the Administrative Agent, an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger, succession or resignation and such agreement of assumption comply with this Section and that all conditions precedent provided for in this Agreement and the other Basic Documents to which it is a party relating to such transaction have been complied with and, in the case of the Opinion of Counsel, that such agreement of assumption is legal, valid and binding with respect to the Servicer and such other matters as the Administrative Agent may reasonably request; and

(e) the Servicer shall have delivered to the Borrower, the Backup Servicer, each Lender and the Administrative Agent an Opinion of Counsel to the effect that either (1) in the opinion of such counsel, all financing statements, continuation statements and amendments and notations on Certificates of Title thereto have been executed and filed that are necessary to preserve and protect the interests of the Borrower and the Secured Parties in the Receivables and reciting the details of such filings or (2) no such action shall be necessary to preserve and protect such interest;

provided, further, however, that if the Backup Servicer becomes the Successor Servicer, clauses (a), (d) and (e) above shall not apply to the Successor Servicer.

Section 7.16. Responsibilities of the Borrower. Anything herein to the contrary notwithstanding, the Borrower shall (i) perform, or cause the Servicer to perform, all of its obligations under the Receivables, to the same extent as if a security interest in such Receivables had not been granted hereunder, and the exercise by the Administrative Agent of its rights hereunder shall not relieve the Borrower from such obligations and (ii) pay when due, from funds available to the Borrower under Section 2.07(ix), any Taxes, including any sales Taxes payable in connection with the Receivables and their creation and satisfaction. No Secured Party or Agent shall have any obligation or liability with respect to any Receivable, nor shall any of them be obligated to perform any of the obligations of the Borrower thereunder.

Vervent hereby accepts such appointment and agrees to perform the duties and obligations with respect thereto set forth herein.

(b) Upon the occurrence of a Servicer Termination Event, the Administrative Agent (acting at the direction of the Required Lenders) may designate the Backup Servicer to act as Servicer for the benefit of the Secured Parties. The Backup Servicer shall accept such appointment and agree to perform the duties and obligations with respect thereto set forth herein.

(c) Until the receipt by the Backup Servicer of a notice from the Administrative Agent (acting at the direction of the Required Lenders) of the designation of a new Backup Servicer pursuant to Section 8.04, the Backup Servicer will not terminate its activities as Backup Servicer hereunder.

Section 8.02. Duties of the Backup Servicer. From the Closing Date until the earlier of (i) its removal pursuant to Section 8.04, (ii) its resignation in accordance with Section 8.05, (iii) its appointment as Successor Servicer pursuant to Section 7.14(a) (with respect to Section 7.09) or (iv) the Facility Termination Date, the Backup Servicer shall perform, on behalf of the Secured Parties, the duties and obligations set forth in Sections 7.09 and 7.10.

Section 8.03. Backup Servicing Compensation. As compensation for its back-up servicing activities hereunder, the Backup Servicer shall be entitled to receive a monthly fee up to an amount equal to the Backup Servicing Fee in accordance with the priorities set forth in Section 2.07. The Backup Servicer's entitlement to receive such fee shall cease on the earliest to occur of (i) it becoming the Successor Servicer, (ii) its removal as Backup Servicer pursuant to Section 8.04, (iii) its resignation in accordance with Section 8.05 or (iv) the termination of this Agreement.

Section 8.04. Backup Servicer Removal. The Backup Servicer may be removed in connection with a breach of any representation, warranty or covenant of the Backup Servicer under this Agreement, or otherwise in the discretion of the Administrative Agent and the Borrower, by 30 days' prior notice given in writing and delivered to the Backup Servicer from the Administrative Agent (the "Backup Servicer Termination Notice"). On and after the receipt by the Backup Servicer of the Backup Servicer Termination Notice, the Backup Servicer shall continue to perform all backup servicing functions under this Agreement until the date specified in the Backup Servicer Termination Notice or otherwise specified by the Administrative Agent in writing or, if no such date is specified in the Backup Servicer Termination Notice or otherwise so specified by the Administrative Agent, until a date mutually agreed upon by the Backup Servicer and the Administrative Agent. All actions of the Administrative Agent taken pursuant to this Section shall be made at the direction, or with the consent, of the Required Lenders.

Section 8.05. Backup Servicer Not to Resign. The Backup Servicer shall resign only with the prior written consent of the Administrative Agent (acting at the direction of the Required Lenders) and, so long as no Servicer Termination Event, Amortization Event or Termination Event has occurred and is continuing, the Borrower, or if the Backup Servicer provides an Opinion of Counsel to the Administrative Agent and the Borrower to the effect that the Backup Servicer is no longer permitted by Applicable Law to act as Backup Servicer hereunder. No termination or resignation of the Backup Servicer hereunder shall be effective until a successor Backup Servicer, acceptable to the Administrative Agent and the Required Lenders and, so long as no Servicer Termination Event, Amortization Event or Termination Event has occurred and is continuing, the Borrower, has accepted its appointment as successor Backup Servicer hereunder and has agreed to be bound by the terms of this Agreement and the Credit and Collection Policy; provided, however, that in the event a successor Backup Servicer is not appointed within 60 days after the Backup Servicer has given notice of its resignation and has provided the Opinion of Counsel required by this Section, the Backup Servicer may petition a court for its removal, with the cost of such petition to be borne by the Servicer.

Section 8.06. Monthly Backup Servicer Certificate. The Backup Servicer shall provide a Monthly Backup Servicer Certificate to each Secured Party, each Agent, the Borrower and the Servicer on or before the close of business on the fifth Business Day following each Reporting Date. The Backup Servicer, in its capacity as such, shall not be responsible for delays attributable to the Servicer's failure to deliver information, defects in the information supplied by the Servicer or other circumstances beyond the control of the Backup Servicer.

Section 8.07. Covenants of the Backup Servicer.

(a) Affirmative Covenants. From the Closing Date until the Facility Termination Date:

(i) Compliance with Law. The Backup Servicer will comply in all material respects with all Applicable Laws.

(ii) Preservation of Existence. The Backup Servicer will preserve and maintain its existence, rights, franchises and privileges in the jurisdiction of its formation, and qualify and remain qualified in good standing in each jurisdiction where the failure to preserve and maintain such existence, rights, franchises, privileges and qualification has had, or could reasonably be expected to have, a Material Adverse Effect.

(b) Negative Covenant. From the Closing Date until the Facility Termination Date, the Backup Servicer will not change the Backup Servicing Fee without the prior written approval of the Administrative Agent (acting at the direction of the Required Lenders) and, provided that no Termination Event or Amortization Event shall have occurred, the Borrower.

Section 8.08. Merger of the Backup Servicer. Any Person into which the Backup Servicer may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which to Backup Servicer shall be a party, or any Person succeeding to the business of the Backup Servicer, shall be the successor of the Backup Servicer under this Agreement, without the execution or filing of any paper or any

further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 8.09. Rights of the Backup Servicer after Assumption of Duties by Successor Servicer; Liability. At any time following the assumption of the duties of the Servicer by a Successor Servicer pursuant to Section 7.14 as a result of the occurrence of a Servicer Termination Event or following the resignation of the Servicer pursuant to Section 7.12:

(a) The Backup Servicer shall be liable in accordance herewith only to the extent of its obligations set forth in this Agreement or any obligations assumed by the Backup Servicer from the Servicer pursuant to Section 7.14. No implied duties (including fiduciary duties), covenants or obligations shall be read into this Agreement against the Backup Servicer and, in the absence of bad faith or gross negligence on its part, the Backup Servicer may conclusively rely on the truth of the statements and the correctness of the opinions expressed in any certificates or opinions furnished to it and conforming to the requirements of this Agreement.

(b) The Backup Servicer shall not be charged with knowledge of event unless a Responsible Officer of the Backup Servicer obtains actual knowledge of such event or the Backup Servicer receives written notice of such event from the Borrower, the Servicer or the Administrative Agent.

(c) The Backup Servicer shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of its duties hereunder, or in the exercise of any of its rights or powers, if it reasonably determines that the repayment of such funds or adequate written indemnity against such risks or liability is not available prior to the expenditure of such funds or the incurrence of financial liability. Notwithstanding any provision to the contrary, the Backup Servicer, so long as it is not the Successor Servicer, shall not be liable for any obligation of the Servicer contained in this Agreement, and the parties shall look only to the Servicer to perform such obligations.

(d) The Backup Servicer may execute any of the powers hereunder or perform any duties under this Agreement either directly or by or through agents, subcontractors, subservicers, nominees, attorneys or custodians. The Backup Servicer shall not be responsible for any misconduct or negligence of any such agents, subcontractors, subservicers, nominees, attorneys or custodians appointed with due care by it.

(e) The Backup Servicer may consult with counsel of its choice with regard to legal questions arising out of or in connection with this Agreement and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, omitted or suffered by the Backup Servicer in good faith in accordance therewith.

(f) The Backup Servicer need not investigate any statement, representation or warranty or any fact or matter stated in the document and may conclusively rely as to the truth of the statement and correctness of the opinions expressed therein.

(g) The Backup Servicer shall have no responsibility and shall not be in default hereunder nor incur any liability (i) for any failure, error, malfunction or any delay in carrying out any of its duties under this Agreement if any such failure or delay results from the Backup

Servicer acting in accordance with Applicable Laws or from acts of God, war or terrorism, insurrection, strikes, stoppages of labor, power or equipment failure or malfunction (including that of any common carrier or transmission line), loss or malfunction of communications or computer (hardware or software) services, emergency conditions, tornado, flood, fire, earthquake or similar event, adverse weather conditions or any other factor, medium, instrumentality or any cause or circumstances, directly or indirectly, beyond the Backup Servicer's control, it being understood that the Backup Servicer shall use commercially reasonable efforts to resume performance under this Agreement as soon as practicable under the circumstances or (ii) from information prepared or supplied by a Person other than the Backup Servicer as contemplated hereunder or the failure of any such other Person to prepare or provide such information.

(h) The Backup Servicer offers no representations concerning, and shall have no liability hereunder with respect to, the collectability, enforceability or other characteristics of the Collateral.

(i) The Backup Servicer will have no responsibility and will not be in default hereunder or incur any liability for any failure, error, malfunction or any delay in carrying out any of its duties under this Agreement if such failure or delay results from the Backup Servicer acting in accordance with information prepared or supplied by any Person other than the Backup Servicer or the failure of any such other Person to prepare or provide such information. In the event the Backup Servicer becomes aware of errors, which in the opinion of the Backup Servicer, impairs its ability to perform its services hereunder, the Backup Servicer shall immediately notify the Servicer of such errors. The Backup Servicer will have no responsibility, will not be in default and will incur no liability for (i) any act or failure to act of any third party, including the Servicer and the Successor Servicer (unless the Backup Servicer has become Successor Servicer pursuant to this Agreement), (ii) any inaccuracy or omission in a notice or communication received by the Backup Servicer from any third party, (iii) the invalidity or unenforceability of any obligation under applicable law, (iv) the breach or inaccuracy of any representation or warranty made with respect to any Loan or (v) the acts or omissions of any successor Backup Servicer. Except for the obligations undertaken by the Backup Servicer in this Agreement, the Backup Servicer will have no obligation to take any action, or to perform any of the duties of the Servicer or the Successor Servicer, under any Basic Document unless and until such time as the Backup Servicer has become a Successor Servicer pursuant to this Agreement.

(j) The Backup Servicer may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, report, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties.

ARTICLE NINE

THE COLLATERAL CUSTODIAN

Section 9.01. Appointment; Duties of the Collateral Custodian. The Administrative Agent, each Agent, each Lender and the Borrower, at the direction of and on behalf of the Administrative Agent, hereby appoint WTNA to act solely on the Administrative Agent's behalf as Collateral Custodian hereunder, and WTNA hereby accepts such appointment. The Collateral Custodian shall undertake to perform such duties and only such duties as are specifically set forth in this Agreement.

Section 9.02. Compensation and Indemnification of the Collateral Custodian.

(a) The Collateral Custodian shall be compensated for its activities hereunder and reimbursed for reasonable out-of-pocket expenses by receiving the Collateral Custodian Fee.

(b) The Borrower shall indemnify the Collateral Custodian and its officers, directors, employees and agents for, and hold them harmless against any loss, claim, action, suit or expense (including legal fees and expenses and legal fees and expenses in connection with enforcement of its rights hereunder) incurred, other than in connection with the willful misconduct or gross negligence on the part of the Collateral Custodian, arising out of or in connection with (i) the performance of its obligations under and in accordance with this Agreement, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties under this Agreement and (ii) the negligence, willful misconduct or bad faith of the Borrower in the performance of its duties hereunder. All such amounts shall be payable in accordance with Section 2.07. The provisions of this Section shall survive the termination of this Agreement and the resignation or removal of the Collateral Custodian.

THE FOREGOING INDEMNIFICATION SHALL APPLY WHETHER OR NOT SUCH LIABILITIES AND COSTS ARE IN ANY WAY OR TO ANY EXTENT OWED, IN WHOLE OR IN PART, UNDER ANY CLAIM OR THEORY OF STRICT LIABILITY, OR ARE CAUSED, IN WHOLE OR IN PART, BY ANY NEGLIGENT ACT OR OMISSION OF ANY KIND BY THE COLLATERAL CUSTODIAN.

Section 9.03. Liability of the Collateral Custodian.

(a) The Collateral Custodian shall be liable in accordance herewith only to the extent of the obligations specifically undertaken by the Collateral Custodian in such capacity herein. No implied duties (including fiduciary duties), covenants or obligations shall be read into this Agreement against the Collateral Custodian and, in the absence of gross negligence on the part of the Collateral Custodian, the Collateral Custodian may conclusively rely on the truth of the statements and the correctness of the opinions expressed in any certificates or opinions furnished to the Collateral Custodian pursuant to and conforming to the requirements of this Agreement.

(b) The Collateral Custodian shall not be liable for:

(i) an error of judgment made in good faith by one of its officers; or

(ii) any action taken, suffered or omitted to be taken in good faith in accordance with or believed by it to be authorized or within the discretion or rights or powers conferred, by this Agreement or at the direction of a Secured Party relating to the exercise of any power conferred upon the Collateral Custodian under this Agreement in each case unless it shall be proved that the Collateral Custodian shall have been negligent in ascertaining the pertinent facts.

(c) The Collateral Custodian shall not be charged with knowledge of any Termination Event or Servicer Termination Event unless a Responsible Officer of the Collateral Custodian obtains actual knowledge of such event or the Collateral Custodian receives written notice of such event from the Borrower, the Servicer, any Secured Party or the Administrative Agent, as the case may be.

(d) Without limiting the generality of this Section, the Collateral Custodian shall have no duty (i) to see to any recording, filing or depositing of this Agreement or any agreement referred to herein or any financing statement or continuation statement evidencing a security interest in the Receivables or the related Financed Vehicles, or to see to the maintenance of any such recording or filing or depositing or to any recording, refiling or redepositing of any thereof, (ii) to see to any insurance of the Financed Vehicles or Obligors or to effect or maintain any such insurance, (iii) to see to the payment or discharge of any Tax, assessment or other governmental charge or any Lien or encumbrance of any kind owing with respect to, assessed or levied against, any part of the Receivables, (iv) to confirm or verify the contents of any reports or certificates of the Servicer or the Borrower delivered to the Collateral Custodian pursuant to this Agreement believed by the Collateral Custodian to be genuine and to have been signed or presented by the proper party or parties or (v) to inspect the Financed Vehicles at any time or ascertain or inquire as to the performance or observance of any of the Borrower's or the Servicer's representations, warranties or covenants or the Servicer's duties and obligations as Servicer and as custodian of books, records, files and computer records relating to the Receivables under this Agreement.

(e) The Collateral Custodian shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if there shall be reasonable ground for believing that the repayment of such funds or adequate indemnity against such risk or liability shall not be reasonably assured to it, and none of the provisions contained in this Agreement shall in any event require the Collateral Custodian to perform, or be responsible for the manner of performance of, any of the obligations of the Servicer under this Agreement.

(f) The Collateral Custodian may rely and shall be protected in acting or refraining from acting upon any resolution, Officer's Certificate, any Monthly Report, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties.

(g) The Collateral Custodian may consult with counsel of its choice with regard to legal questions arising out of or in connection with this Agreement and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, omitted or suffered by the Collateral Custodian in good faith in accordance therewith.

(h) The Collateral Custodian shall be under no obligation to exercise any of the rights, powers or remedies vested in it by this Agreement (except to comply with its obligations under this Agreement and the other Collateral Custodian Basic Documents) or to institute, conduct or defend any litigation under this Agreement or in relation to this Agreement, at the request, order or direction of the Administrative Agent pursuant to the provisions of this Agreement, unless the Administrative Agent, on behalf of the Secured Parties, shall have offered to the Collateral Custodian reasonable security or indemnity against the costs, expenses and liabilities that may be incurred therein or thereby.

(i) The Collateral Custodian shall not be bound to make any investigation into the facts of matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document, unless requested in writing so to do by a Secured Party; provided, that if the payment within a reasonable time to the Collateral Custodian of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation shall be, in the opinion of the Collateral Custodian, not reasonably assured by the Borrower, the Collateral Custodian may require reasonable indemnity against such cost, expense or liability as a condition to so proceeding. The reasonable expense of every such examination shall be paid by the Borrower or, if paid by the Collateral Custodian, shall be reimbursed by the Borrower upon demand.

(j) The Collateral Custodian may execute any of the trusts or powers hereunder or perform any duties under this Agreement either directly or by or through agents or attorneys or a custodian. The Collateral Custodian shall not be responsible for any misconduct or negligence of any such agent or custodian appointed with due care by it hereunder.

Section 9.04. Limitation on Liability of the Collateral Custodian and Others. The directors, officers, employees or agents of the Collateral Custodian shall not be under any liability to the Administrative Agent, each Agent, each Lender, the Borrower or any other Person hereunder or pursuant to any document delivered hereunder, it being expressly understood that all such liability is expressly waived and released as a condition of, and as consideration for, the execution of this Agreement; provided, however, that this provision shall not protect the directors, officers, employees and agents of the Collateral Custodian against any liability which would be imposed by reason of willful misconduct or gross negligence in the performance of duties or by reason of reckless disregard of obligations and duties hereunder. The Collateral Custodian shall not be under any liability to the Administrative Agent, each Agent, each Lender, the Borrower or any other Person for any action taken or for refraining from the taking of any action in its capacity as Collateral Custodian pursuant to this Agreement whether arising from express or implied duties under this Agreement; provided, however, that this provision shall not protect the Collateral Custodian against any liability which would be imposed by reason of willful misconduct or gross negligence in the performance of duties or by reason of reckless disregard of obligations and duties hereunder. The Collateral Custodian may rely in good faith on any document of any kind, prima facie, properly executed and submitted by any Person respecting any matters arising hereunder.

Section 9.05. Certain Matters Affecting the Collateral Custodian.

(a) The Collateral Custodian shall have no duties or responsibilities except those that are specifically set forth herein, and no implied duties (including fiduciary duties), covenants or obligations shall be read into this Agreement against the Collateral Custodian. The Collateral Custodian shall be under no responsibility or duty with respect to the disposition of any Contract Files delivered to it hereunder while such Contract Files are not in its possession. If the Collateral Custodian shall request instructions from the Administrative Agent or the Servicer with respect to any act, action or failure to act in connection with and as set forth in this Agreement, the Collateral Custodian shall be entitled to refrain from taking such action and continue to refrain from acting unless and until the Collateral Custodian shall have received written instructions from the Administrative Agent or the Servicer, as applicable without incurring any liability therefor to the Administrative Agent, the Borrower, the Servicer or any other person.

(b) The Collateral Custodian may act in reliance upon any written communication of the Administrative Agent concerning the delivery of the Contract Files for any of the Receivables and other items of Collateral pursuant to this Agreement. The Collateral Custodian does not assume and shall have no responsibility for, and makes no representation as to, monitoring the value of the Contract Files relating to any of the Receivables and other Collateral. The Collateral Custodian shall not be liable for any action or omission to act hereunder, except for its own gross negligence or willful misconduct. In no event shall the Collateral Custodian have any responsibility to ascertain or take action with respect to the Contract Files relating to any of the Receivables or other Collateral, except as expressly provided herein.

THE FOREGOING PARAGRAPH SHALL APPLY WHETHER OR NOT SUCH LIABILITIES ARE IN ANY WAY OR TO ANY EXTENT OWED, IN WHOLE OR IN PART, UNDER ANY CLAIM OR THEORY OF STRICT LIABILITY, OR ARE CAUSED, IN WHOLE OR IN PART, BY ANY NEGLIGENT ACT OR OMISSION OF ANY KIND BY THE COLLATERAL CUSTODIAN.

(c) If the Collateral Custodian shall at any time receive conflicting instructions from the Administrative Agent and the Servicer or any other party to this Agreement and the conflict between such instructions cannot be resolved by reference to the terms of this Agreement, the Collateral Custodian shall be entitled to rely on the instructions of the Administrative Agent. In the absence of gross negligence or willful misconduct on the part of the Collateral Custodian, the Collateral Custodian may rely and shall be protected in acting or refraining from acting upon any resolution, officer's certificate, any Monthly Report, certificate of auditors, or any other certificate, statement, instrument, opinion, report, notice request, consent, order, appraisal, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Collateral Custodian may rely upon the validity of documents delivered to it, without investigation as to their authenticity or legal effectiveness, and the Servicer and the other parties to this Agreement will hold the Collateral Custodian harmless from any claims that may arise or be asserted against the Collateral Custodian because of the invalidity of any such documents or their failure to fulfill their intended purpose. The Collateral Custodian shall not be bound to ascertain or inquire as to the performance or observance of any of the terms of this Agreement or any other agreement on the part of any party, except as may otherwise be specifically set forth herein. The Collateral Custodian may consult with counsel of its choice with regard to legal questions arising out of or in connection with this Agreement and

the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, omitted or suffered by the Collateral Custodian in good faith in accordance therewith.

(d) In the event the Collateral Custodian loses or misplaces any Contract File related to any Receivable or portion thereof, or if any such instruments, documents, or certificates are destroyed or damaged while in the possession of the Collateral Custodian, then, in addition to any other liability the Collateral Custodian may have in respect thereof pursuant to the terms of this Agreement or otherwise, upon the written request of the Administrative Agent, the Collateral Custodian shall execute and deliver to the Administrative Agent an affidavit stating that such instrument, document, or certificate has been lost or destroyed, as applicable, and, if necessary, such other affidavits or certificates as maybe reasonably necessary to obtain replacement certificates of title.

(e) The Collateral Custodian is authorized, in its sole discretion, to disregard any and all notices or instructions given by any other party hereto or by any other person, firm or corporation, except only such notices or instructions as are herein provided for and orders or process of any court entered or issued with or without jurisdiction. If any property subject hereto is at any time attached, garnished or levied upon under any court order or in case the payment, assignment, transfer, conveyance or delivery of any such property shall be stayed or enjoined by any court order, or in case any order, judgment or decree shall be made or entered by any court affecting such property or any part hereof, then and in any of such events the Collateral Custodian is authorized, in its sole discretion, to rely upon and comply with any such order, writ, judgment or decree with which it is advised by legal counsel of its own choosing is binding upon it, and if it complies with any such order, writ, judgment or decree it shall not be liable to any other party hereto or to any other person, firm or corporation by reason of such compliance even though such order, writ, judgment or decree maybe subsequently reversed, modified, annulled, set aside or vacated.

(f) The Collateral Custodian shall have no responsibility and shall not be in default hereunder nor incur any liability (i) for any failure, error, malfunction or any delay in carrying out any of its duties under this Agreement if any such failure or delay results from the Collateral Custodian acting in accordance with applicable laws, regulations or rules or from acts of God, war or terrorism, insurrection, strikes, stoppages of labor, power or equipment failure or malfunction (including that of any common carrier or transmission line), loss or malfunction of communications or computer (hardware or software) services, emergency conditions, epidemic or pandemic, quarantine, shelter-in-place or similar directive, guidance, policy or other action by any Governmental Authority, tornado, flood, fire, earthquake or similar event, adverse weather conditions or any other factor, medium, instrumentality or any cause or circumstances, directly or indirectly, beyond the Collateral Custodian's control, it being understood that the Collateral Custodian shall use commercially reasonable efforts to resume performance under this Agreement as soon as practicable under the circumstances, or (ii) from information prepared or supplied by a Person other than the Collateral Custodian as contemplated hereunder or the failure of any such other Person to prepare or provide such information.

(g) The Collateral Custodian need not investigate any statement, representation or warranty or any fact or matter stated in the document and may conclusively rely as to the truth of

the statement and correctness of the opinions expressed therein. The right of the Collateral Custodian to perform any permissive or discretionary act enumerated in this Agreement or any related document shall not be construed as a duty. The Collateral Custodian shall neither be responsible for, nor chargeable with, knowledge of the terms and conditions of any other agreement, instrument, or document other than this Agreement, whether or not an original or a copy of such agreement has been provided to the Collateral Custodian. The Collateral Custodian shall have no obligation to supervise, verify, monitor or administer the performance of the Servicer, the Borrower, the Administrative Agent or any other Person.

(h) The Collateral Custodian may terminate its obligations under this Agreement upon 60 days' prior written notice to the Borrower and the Administrative Agent. In the event of such termination, (i) the Administrative Agent shall appoint, by written instrument, a successor Collateral Custodian that is capable of accepting delivery of copies of the Contract Files and (ii) the Collateral Custodian, promptly upon payment of its unpaid fees, expenses and any other amounts then owed to it, shall transfer to the successor Collateral Custodian, at the expense of the Borrower and as reasonably directed by the Borrower, all copies of the Contract Files being maintained by the Collateral Custodian under this Agreement. The Collateral Custodian's sole responsibility after the termination of its obligations as aforesaid shall be to safely maintain copies of the Contract Files and to deliver, as reasonably directed by the Borrower, copies of the Contract Files to a Collateral Custodian; provided, however, that if a successor Collateral Custodian has not accepted custodial responsibilities within the period set forth in the first sentence of this Section, the Collateral Custodian at the expense of the Borrower may petition any court of competent jurisdiction to name a successor Collateral Custodian or may deliver copies of the Contract Files in its possession to the Borrower via secure e-mail or by any other method that the Collateral Custodian and the Borrower deem appropriate, upon the later of (A) such court's identification of a successor Collateral Custodian and (B) such delivery of copies of the Contract Files, the Collateral Custodian's resignation shall be deemed effective and the Collateral Custodian shall have no further duties or obligations under this Agreement. The Collateral Custodian shall not be responsible for the fees and expenses of any successor Collateral Custodian.

Section 9.06. Documents Held by the Collateral Custodian; Inspection and Release of Contract Files.

(a) The Collateral Custodian shall hold and maintain physical possession of the Contract Files in accordance with this Agreement. The Borrower shall deliver, or cause to be delivered, the Contract Files to the Collateral Custodian within three Business Days following the related Funding Date; provided, however, that if application has been made for the issuance of a Certificate of Title and such Certificate of Title has not yet been issued at the time the Contract Files are delivered to the Collateral Custodian, there shall be delivered as part of the Contract Files copies of all correspondence with the appropriate Registrar of Titles, and all enclosures thereto for the issuance of the Certificate of Title, and the Certificate of Title shall be delivered to the Collateral Custodian promptly upon receipt thereof by the Borrower but in no event later than 180 days following the date of origination of the related Contract.

(b) The Collateral Custodian shall review the related Contract Files delivered to it in connection with each Funding Date to verify the presence of the original Contract and a

Certificate of Title (or evidence that such Certificate of Title has been applied for) with respect to the related Financed Vehicle. Each such review shall be completed within 30 Business Days after receipt of the related Contract Files (or portion thereof, in the case of any subsequently delivered Certificate of Title) and, upon completion of such review, the Collateral Custodian shall deliver to the Administrative Agent a Receivable Receipt prior to the end of such 30 Business Day period. In the event that the Collateral Custodian discovers an exception to any of the above items, the Collateral Custodian shall within five Business Days after each Collection Period with respect to each of the foregoing inspections performed by the Collateral Custodian during such Collection Period, deliver a written notice to the Backup Servicer, the Servicer, the Borrower, each Agent and the Administrative Agent, specifying which of the above items have not been received by the Collateral Custodian with respect to each Contract added to the Collateral during such Collection Period. With respect to any Contract for which any of the foregoing documents has not been delivered to the Collateral Custodian or corrected before delivery by the Collateral Custodian of a written notice with respect to such Contract File (or, in the case of Certificates of Title, if the Certificate of Title for the Contract has not been delivered with 180 days of the related Funding Date of such Contract), the Borrower shall remove or cause the removal of the related Contract from the Collateral, and the Borrower shall acquire and repurchase, respectively, such Contract from the Collateral and deposit the Release Price into the Collection Account. Other than the foregoing reviews, the Collateral Custodian shall have no duty or obligation to review any of the Contract Files. The Servicer may request the Collateral Custodian to release the Contract Files with a Request for Contract File Release.

(c) The Collateral Custodian agrees to maintain the Contract Files which are delivered to it at the office of the Collateral Custodian, which office is located at the location specified on Schedule D, or at such other office as shall from time to time be identified to the Administrative Agent by written notice delivered promptly but in no event later than 20 days after any change in location. Subject to the foregoing, the Collateral Custodian may temporarily move individual Contract Files or any portion thereof without notice as necessary to allow the Servicer to conduct collection and other servicing activities in accordance with its customary practices and procedures. The Borrower shall cause the Servicer and each Successor Servicer to take whatever actions are required subject to the other provisions of this Agreement, including, the filing of financing statements, as a result of relocating the Contract Files, if any, to maintain the perfection of the Administrative Agent's right, title and interest in and to the Contracts and the Contract Files.

(d) The Collateral Custodian shall have and perform the following powers and duties:

(i) hold the Contract Files for the benefit of the Administrative Agent, and maintain a current inventory thereof;

(ii) carry out such policies and procedures in accordance with its customary actions with respect to the handling and custody of the Contract Files so that the integrity and physical possession of the Contract Files will be maintained; and

(iii) promptly release the original Contract or the original Certificate of Title to a Financed Vehicle then held by it to the Servicer upon receipt of a Request for Contract File Release.

ARTICLE TEN

TERMINATION EVENTS

Section 10.01. Termination Events.

(a) Each of the following events shall constitute a "Termination Event":

(i) failure on the part of the Borrower (A) to make any payment, transfer or deposit required by the terms of this Agreement on the day such payment, transfer or deposit is required to be made and such failure continues for two Business Days after such payment is due or (B) to make any Monthly Principal Payment Amount or reduce the Loans Outstanding to $0 on the Maturity Date, in each case which failure continues for one Business Day after such payment is due;

(ii) failure on the part of any Tricolor Entity to observe or perform any of its covenants or agreements set forth herein and any other Basic Document to which it is party, and such failure continues unremedied for 30 days after the Borrower discovers such failure or the Borrower or the Borrower and the Seller or the Performance Guarantor, as the case may be, is given written notice of such failure by the Administrative Agent;

Section 10.02. Actions Upon Declaration of the Occurrence of the Amortization Date. Upon the automatic occurrence or declaration of the occurrence of the Amortization Date following the occurrence of a Termination Event in accordance with Section 10.01(b), the Administrative Agent may, or at the direction of the Required Lenders, shall, exercise in respect of the Collateral, in addition to any and all other rights and remedies otherwise available to it, including rights available hereunder and all of the rights and remedies of a secured party upon default under the UCC (such rights and remedies to be cumulative and nonexclusive), the following remedial actions:

(a) The Administrative Agent may, without notice to the Borrower except as required by Applicable Law and at any time or from time to time, charge, set-off and otherwise apply all or any part of the Loans Outstanding, any Interest accrued thereon and or any other amount due and owing to any Secured Party or any Agent against amounts payable to the Borrower from the Collection Account in accordance with the priorities required by Section 2.07.

(b) The Administrative Agent may take any action permitted under the Basic Documents, including delivering a Notice of Exclusive Control to the Account Bank;

(c) Consistent with the rights and remedies of a secured party under the UCC (and except as otherwise required by the UCC), the Administrative Agent may, on behalf of itself and the Lenders and without notice except as specified below, solicit and accept bids for and sell the Collateral or any part of the Collateral in one or more parcels at public or private sale, at any exchange, broker's board or at the Administrative Agent's offices or elsewhere, for cash, on credit or for future delivery, upon such terms and conditions and at prices that are consistent with the prevailing market for similar Collateral as it may deem advisable and at such prices as it may deem best. The Administrative Agent shall give the Lenders and the Borrower at least 15 Business Days' prior written notice of the time and place of any public sale or the time after which any private sale is to be made. The Administrative Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Administrative Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed for such sale, and such sale may, without further notice, be made at the time and place to which it was so adjourned. If the proceeds from the sale of the Collateral would be insufficient to fully pay accrued and unpaid Interest and the Loans Outstanding, the Administrative Agent may only proceed with the sale if the Lenders with 100% of the Loans Outstanding have consented to such sale. Every such sale shall operate to divest all right, title, interest, claim and demand whatsoever of the Borrower in and to the Collateral so sold, and shall be a perpetual bar, both at law and in equity,

against the Borrower or any Person claiming the Collateral sold through the Borrower and its successors or assigns.

(d) Upon the completion of any sale under Section 10.02(c), the Borrower will deliver or cause to be delivered all of the Collateral sold to the purchaser or purchasers at such sale on the date of sale, or within a reasonable time thereafter if it shall be impractical to make immediate delivery, but in any event full title and right of possession to such property shall pass to such purchaser or purchasers forthwith upon the completion of such sale. Nevertheless, if so requested by the Administrative Agent or by any purchaser, the Borrower shall confirm any such sale or transfer by executing and delivering to such purchaser all proper instruments of conveyance and transfer and release as may be designated in any such request.

(e) At any sale under Section 10.02(c), Tricolor, any Secured Party or any Agent may bid for and purchase the property offered for sale and, upon compliance with the terms of sale, may hold, retain and dispose of such property without further accountability therefor. Any Secured Party or Agent purchasing property at a sale under Section 10.02(c) may set off the purchase price of such property against amounts owing to such Secured Party or Agent in full payment of such purchase price.

(f) The Administrative Agent (with notice to the Lenders) may direct the Servicer to direct Collections to an account other than the Master Collection Account or the Collection Account; provided, that such other account be established by the Servicer or the Successor Servicer at the Account Bank or another national banking association within the United States.

(g) The Administrative Agent may exercise, at the Borrower's sole expense, any and all rights and remedies of the Borrower under or in connection with the Collateral.

Section 10.03. Exercise of Remedies. No failure or delay on the part of the Administrative Agent to exercise any right, power or privilege under this Agreement and no course of dealing between the Borrower, on the one hand, and the Administrative Agent, any Agent or the other Secured Parties, on the other hand, shall operate as a waiver of such right, power or privilege, nor shall any single or partial exercise of any right, power or privilege under this Agreement preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. The rights and remedies expressly provided in this Agreement are cumulative and not exclusive of any rights or remedies which the Secured Parties would otherwise have pursuant to law or equity. No notice to or demand on any party in any case shall entitle such party to any other or further notice or demand in similar or other circumstances, or constitute a waiver of the right of the other party to any other or further action in any circumstances without notice or demand.

Section 10.04. Waiver of Certain Laws. The Borrower agrees, to the full extent that it may lawfully so agree, that neither it nor anyone claiming through or under it will set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or redemption law now or hereafter in force in any locality where any Collateral may be situated in order to prevent, hinder

or delay the enforcement or foreclosure of this Agreement, or the absolute sale of any of the Collateral or any part thereof, or the final and absolute putting into possession thereof, immediately after such sale, of the purchasers thereof, and the Borrower, for itself and all who may at any time claim through or under it, hereby waives, to the full extent that it may be lawful so to do, the benefit of all such laws, and any and all right to have any of the properties or assets constituting the Collateral marshaled upon any such sale, and agrees that the Administrative Agent or any court having jurisdiction to foreclose the security interests granted in this Agreement may sell the Collateral as an entirety or such parcels as the Administrative Agent or such court may determine.

Section 10.05. Power of Attorney. The Borrower hereby irrevocably appoints the Administrative Agent its true and lawful attorney (with full power of substitution) in its name, place and stead and at its expense, in connection with the enforcement of the rights and remedies provided for in this Article as evidenced by a Power of Attorney, upon the occurrence and during the continuation of any Termination Event, to do the following: (i) exercise all rights and privileges of the Borrower under the Purchase Agreement; (ii) pay or discharge any taxes, Liens or other encumbrances levied or placed on or threatened against the Borrower or its property; (iii) defend any suit, action or proceeding brought against the Borrower if it does not defend such suit, action or proceeding or if the Administrative Agent believes that it is not pursuing such defense in a manner that will maximize the recovery to the Administrative Agent, and settle, compromise or adjust any suit, action or proceeding described above and, in connection therewith, give such discharges or releases as the Administrative Agent may deem appropriate; (iv) file or prosecute any claim, litigation, suit or proceeding in any court of competent jurisdiction or before any arbitrator, or take any other action otherwise deemed appropriate by the Administrative Agent for the purpose of collecting any and all such moneys due to the Borrower whenever payable and to enforce any other right in respect of the Borrower's property; (v) sell, transfer, pledge, make any agreement with respect to or otherwise deal with, any of the Borrower's property, and execute, in connection with such sale or action, any endorsements, assignments or other instruments of conveyance or transfer in connection therewith, receipts or acquittance for amounts collected or received thereunder; and (vi) cause the certified public accountants then engaged by the Borrower to prepare and deliver to the Administrative Agent at any time and from time to time, promptly upon the Administrative Agent's request, any reports required to be prepared by or on behalf of the Borrower under this Agreement or any other Basic Document, all as though the Administrative Agent were the absolute owner of its property for all purposes, and to do, at the Administrative Agent's option and the Borrower's expense, at any time or from time to time, all acts and other things that the Administrative Agent reasonably deems necessary to perfect, preserve, or realize upon its property or assets and the Liens of the Administrative Agent, as agent for the Secured Parties thereon, all as fully and effectively as it might do.

ARTICLE TWELVE

THE ADMINISTRATIVE AGENT AND THE AGENTS

Section 12.01. Authorization and Action.

(a) Each Lender and each Secured Party (other than the Administrative Agent) hereby designates and appoints JPMorgan (and JPMorgan accepts such designation and appointment) as Administrative Agent hereunder, and authorizes the Administrative Agent to take such actions as agent on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms of this Agreement together with such powers as are reasonably incidental thereto. In performing its functions and duties hereunder, the Administrative Agent shall act solely as agent for the Secured Parties and does not assume nor shall be deemed to have assumed any obligation or relationship of trust or agency with or for the Borrower or any of its successors or assigns. The Administrative Agent shall not be required to take any action which exposes it to personal liability or which is contrary to this Agreement or Applicable Law. The appointment and authority of the Administrative Agent hereunder shall terminate on the Facility Termination Date.

(b) Each Lender hereby irrevocably designates and appoints the Agent for its Lender Group as the agent of such Lender under this Agreement, and authorizes such Agent, as the agent for such Lender, to take such action on its behalf under the provisions of the Basic Documents and to exercise such powers and perform such duties thereunder as are expressly delegated to such Agent by the terms of this Agreement, together with such other power as are reasonably incidental thereto.

(c) Notwithstanding any provision to the contrary elsewhere in this Agreement, neither the Administrative Agent nor any Agent (the Administrative Agent and each Agent being referred to in this Article as an "Agent") shall have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist against the Administrative Agent or any Agent.

(d) The Administrative Agent shall promptly distribute to each Agent (if such Agent is not otherwise required to receive such notice), who shall promptly distribute to each related Lender all notices, requests for consent and other information received by the Administrative Agent under this Agreement, including copies of each executed amendment, waiver or other modification to this Agreement.

Section 12.02. Delegation of Duties. Each Agent may execute any of its duties under any of the Basic Documents by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

Section 12.03. Exculpatory Provisions. Neither any Agent nor any of its directors, officers, agents or employees shall be (i) liable for any action lawfully taken or omitted to be

taken by it or them under or in connection with this Agreement (except for its, their or such Person's own gross negligence or willful misconduct or, in the case of any Agent, the breach of its obligations expressly set forth in this Agreement) or (ii) responsible in any manner to any of the Secured Parties for any recitals, statements, representations or warranties made by the Borrower, the Servicer, the Account Bank, the Backup Servicer or Tricolor contained in this Agreement or in any certificate, report, statement or other document referred to or provided for in, or received under or in connection with, this Agreement or any other Basic Document to which it is a party for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other document furnished in connection herewith, or for any failure of the Borrower to perform its obligations hereunder, or for the satisfaction of any condition specified in Article Four. No Agent shall be under any obligation to any Secured Party to ascertain or to inquire as to the observance or performance of any of the agreements or covenants contained in, or conditions of, this Agreement, or to inspect the properties, books or records of the Borrower. No Agent shall be deemed to have knowledge of any Termination Event, Amortization Event or Servicer Termination Event unless it has received written notice thereof from the Borrower, the Servicer or a Secured Party.

Section 12.04. Reliance.

(a) Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, cablegram, telegram, telecopy, telex or teletype message, written statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Agent), independent accountants and other experts selected by such Agent.

(b) Each Agent shall be fully justified in failing or refusing to take any action under any of the Basic Documents unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate or it shall first be indemnified to its satisfaction by, in the case of (i) the Administrative Agent, the Lenders, or (ii) an Agent for a Lender Group, the Lenders in such Lender Group, against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

(c) Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under any of the Basic Documents in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all present and future Lenders.

(d) Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under any of the Basic Documents in accordance with a request of Lenders in its Lender Group having Invested Percentages aggregating greater than 50.0% of the aggregate Invested Percentages of all Lenders in such Lender Group and such request and any action taken or failure to act pursuant thereto shall be binding upon all present and future Lenders in such Lender Group.

(e) No Agent shall be deemed to have knowledge or notice of the occurrence of any breach of this Agreement or the occurrence of any Termination Event, Amortization Event or

Servicer Termination Event unless it has received notice from the Borrower, the Servicer, the Backup Servicer or any Lender, referring to this Agreement and describing such event. In the event that the Administrative Agent receives such a notice, it shall promptly give notice thereof to each Agent, and in any event any Agent receives such a notice, it shall promptly give notice thereof to the Lenders in its Lender Group. The Administrative Agent shall take such action with respect to such event as shall be reasonably directed by the Required Lenders, and each Agent shall take such action with respect to such event as shall be reasonably directed by Lenders in its Lender Group having Invested Percentages aggregating greater than 50.0% of the aggregate Invested Percentages of all Lenders in such Lender Group; provided, that unless and until such Agent shall have received such directions, such Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such event as it shall deem advisable in the best interests of the Lenders or of the Lenders in its Lender Group, as applicable.

Section 12.05. Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that no Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it, and that no act by any Agent hereafter taken, including any review of the affairs of the Borrower, Tricolor, the Servicer, the Backup Servicer and the Collateral Custodian shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower, the Servicer, Tricolor, the Backup Servicer and the Collateral Custodian and the Receivables and made its own decision to advance the Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own analysis, appraisals and decisions in taking or not taking action under any of the Basic Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrower, the Servicer, Tricolor, the Backup Servicer and the Collateral Custodian and the Receivables. Except for notices, reports and other documents received by an Agent hereunder, no Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of the Borrower, the Servicer, Tricolor, the Backup Servicer or the Collateral Custodian or the Receivables which may come into the possession of such Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 12.06. Indemnification. Each Committed Lender (i) agrees to indemnify the Administrative Agent in its capacity as such (without limiting the obligation (if any) of the Borrower or the Servicer to reimburse the Administrative Agent for any such amounts), ratably according to its respective Commitments (or, if the Commitments have terminated, Invested Percentages) and (ii) in each Lender Group agrees to indemnify the Agent for such Lender Group in its capacity as such (without limiting the obligation (if any) of the Borrower and the Servicer to reimburse such Agent for any such amounts), ratably according to their respective Commitments (or, if the Commitments have terminated, Invested Percentages), in each case

from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time (including at any time following the Facility Termination Date) be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of this Agreement, or any documents contemplated by or referred to herein or the transactions contemplated hereby or any action taken or omitted by such Agent under or in connection with any of the foregoing; provided, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of an Agent resulting from its own gross negligence or willful misconduct. The provisions of this Section shall survive the payment of the obligations under this Agreement, including the Loans Outstanding, the termination of this Agreement, and any resignation or removal of the applicable Agent.

Section 12.07. Agents in Their Individual Capacities. Each Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Borrower and any other party to a Basic Document as though it were not an Agent hereunder. In addition, the Lenders acknowledge that one or more Persons which are Agents may act (i) as administrator, sponsor or agent for one or more Conduit Lenders and in such capacity act and may continue to act on behalf of each such Conduit Lender in connection with its business, and (ii) as the agent for certain financial institutions under the liquidity and credit enhancement agreements relating to this Agreement to which any one or more Conduit Lenders is party and in various other capacities relating to the business of any such Conduit Lender under various agreements. Any such Person, in its capacity as Agent, shall not, by virtue of its acting in any such other capacities, be deemed to have duties or responsibilities hereunder or be held to a standard of care in connection with the performance of its duties as an Agent other than as expressly provided in this Agreement. Any Person which is an Agent may act as an Agent without regard to and without additional duties or liabilities arising from its role as such administrator or agent or arising from its acting in any such other capacity. None of the provisions to this Agreement shall require an Agent to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

Section 12.08. Successor Agents. The Administrative Agent may assign its rights and obligations hereunder with the consent of the Required Lenders and upon ten days' notice to the Lenders and the Borrower. The Administrative Agent may resign as Administrative Agent upon ten days' notice to the Agents, the Lenders and the Borrower with such resignation becoming effective upon a successor administrative agent succeeding to the rights, powers and duties of the Administrative Agent pursuant to this Section. If the Administrative Agent shall resign as Administrative Agent under this Agreement, then the Required Lenders shall appoint a successor administrative agent. Any Agent may resign as Agent upon ten days' prior written notice to the Lenders in its Lender Group, the Administrative Agent and each other Agent and the Borrower with such resignation becoming effective upon a successor agent succeeding to the rights, powers and duties of the Agent pursuant to this Section. If an Agent shall resign as Agent under this Agreement, then the Lenders in its Lender Group having Invested Percentages aggregating greater than 50.0% of the aggregate Invested Percentages of all Lenders in such Lender Group

shall appoint from among the Lenders in such Lender Group a successor agent for such Lender Group. Any successor administrative agent or agent shall succeed to the rights, powers and duties of resigning Agent, and the term "Administrative Agent" or "Agent", as applicable, shall mean such successor administrative agent or agent effective upon its appointment, and the former Agent's rights, powers and duties as Agent shall be terminated, without any other or further act or deed on the part of such former Agent or any of the parties to this Agreement. After the retiring Agent's resignation as Agent, the provisions of this Article shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement.

ARTICLE THIRTEEN

ASSIGNMENTS; PARTICIPATIONS

Section 13.01. Assignments and Participations.

(a) Each Lender agrees that the Loans or interest therein owned by such Lender pursuant to this Agreement will be acquired for investment only and not with a view to any public distribution thereof, and that such Lender will not offer to sell or otherwise dispose of the Loans or the interest therein so acquired by it (or any interest therein) in violation of any of the registration requirements of the Securities Act or any applicable State securities laws. Each Lender hereby confirms and agrees that, in connection with any syndication, offering, transfer or sale by it of any interest in the Loans, such Lender has not engaged and will not engage in a general solicitation or general advertising.

(b) Each Lender may, upon at least 30 days' notice to the Administrative Agent, assign to one or more banks or other entities all or a portion of its rights and obligations under this Agreement; provided, however, that (i) each such assignment shall be of a constant, and not a varying percentage of all of the assigning Lender's rights and obligations under this Agreement, (ii) the amount of the Commitment or Conduit Funding Limit of the assigning Lender being assigned pursuant to each such assignment (determined as of the date of the Assignment and Acceptance with respect to such assignment) shall in no event be less than the lesser of (A) $1,000,000 (unless otherwise agreed by the Borrower and such Lender) or an integral multiple of $1,000,000 in excess of that amount and (B) the full amount of the assigning Lender's Commitment or Conduit Funding Limit, (iii) each such assignment shall be to an Eligible Assignee, (iv) the parties to each such assignment shall execute and deliver to the Administrative Agent (with a copy to the Borrower), for its acceptance and recording in the Lender Register, an Assignment and Acceptance, together with a processing and recordation fee of $3,500 or such lesser amount as shall be approved by the Administrative Agent (provided, that in the case of an assignment to an Eligible Assignee satisfying clause (i) of the definition of the term "Eligible Assignee", such recordation fee shall not apply), (v) the parties to each such assignment shall have agreed to reimburse the Administrative Agent for all reasonable fees, costs and expenses (including the reasonable fees and out-of-pocket expenses of counsel for the Administrative Agent) incurred by the Administrative Agent in connection with such assignment in an amount not to exceed $5,000, (vi) each Person that becomes a Lender under an Assignment and Acceptance shall agree to be bound by the confidentiality provisions of Article Fourteen, and (vii) there shall be no increased costs, expenses or Taxes incurred by the Administrative Agent or any Lender Group upon assignment or participation. Upon such execution, delivery, acceptance and recording by the Administrative Agent, from and after the effective date specified in each Assignment and Acceptance, which effective date shall be the date of acceptance thereof by the Administrative Agent, unless a later date is specified therein, (i) the assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the rights and obligations of a Lender hereunder and (ii) the Lender assignor thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement (and, in the case of an

Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto).

(c) By executing and delivering an Assignment and Acceptance, the Lender assignor thereunder and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other instrument or document furnished pursuant hereto; (ii) such assignee confirms that it has received a copy of this Agreement, together with copies of such financial statements and other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iii) such assignee will, independently and without reliance upon the Administrative Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (iv) such assigning Lender and such assignee confirm that such assignee is an Eligible Assignee; (v) such assignee appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to such agent by the terms hereof, together with such powers as are reasonably incidental thereto; and (vi) such assignee agrees that it will perform in accordance with their terms all of the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(d) The Administrative Agent shall maintain at its address referred to herein a copy of each Assignment and Acceptance delivered to and accepted by it and a register for the recordation of the names, addresses and Commitment or Conduit Funding Limit of each Lender and the Principal Amount (and stated interest) of each Loan made by each Lender from time to time (the "Lender Register"). The entries in the Lender Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower and the Lenders shall treat each Person whose name is recorded in the Lender Register as a Lender hereunder for all purposes of this Agreement. The Lender Register shall be available for inspection by any Agent or Lender at any reasonable time and from time to time upon reasonable prior notice.

(e) Subject to the provisions of Section 13.01(a), upon its receipt of an Assignment and Acceptance executed by an assigning Lender and an assignee, the Administrative Agent shall, if such Assignment and Acceptance has been completed, accept such Assignment and Acceptance, and the Administrative Agent shall then record the information contained therein in the Lender Register.

(f) Each Lender may sell participations to one or more banks or other entities in or to all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment or Conduit Funding Limit and each Loan owned by it); provided, however, that (i) such Lender's obligations under this Agreement (including its Commitment or Conduit Funding Limit hereunder) shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Administrative Agent and the other Lenders shall continue to deal solely and directly with such

Lender in connection with such Lender's rights and obligations under this Agreement. Notwithstanding anything herein to the contrary, each participant shall have the rights of a Lender (including any right to receive payment) under Sections 2.11 and 2.12; provided, however, that no participant shall be entitled to receive payment under either such Section in excess of the amount that would have been payable under such Section by the Borrower to the Lender granting its participation had such participation not been granted, and no Lender granting a participation shall be entitled to receive payment under either such Section in an amount which exceeds the sum of (i) the amount to which such Lender is entitled under such Section with respect to any portion of any Loan owned by such Lender which is not subject to any participation plus (ii) the aggregate amount to which its participants are entitled under such Sections with respect to the amounts of their respective participations. With respect to any participation described in this Section, the participant's rights as set forth in the agreement between such participant and the applicable Lender to agree to or to restrict such Lender's ability to agree to any modification, waiver or release of any of the terms of this Agreement or to exercise or refrain from exercising any powers or rights which such Lender may have under or in respect of this Agreement shall be limited to the right to consent to any of the matters set forth in Section 13.01.

Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest in the obligations under this Agreement (the "Participant Register"); provided, that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant's interest in any Commitment, Conduit Funding Limit or Loan or its other obligations under the Agreement) to any person except to the extent that such disclosure is necessary to establish that such Commitment, Conduit Funding Limit, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as the Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(g) Each Lender may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section, disclose to the assignee or participant or proposed assignee or participant any information, including Confidential Information, relating to the Borrower furnished to such Lender by or on behalf of the Borrower.

(h) Nothing herein shall prohibit any Lender from at any time pledging or assigning as collateral (i) any of its rights under this Agreement to (A) any Federal Reserve Bank or other Governmental Authority in accordance with Applicable Law or (B) any other Lender, the Administrative Agent, any Agent or any of their respective Affiliates, or any other bank or other entity in connection with any financing or repurchase agreement entered into by such Lender or (ii) a security interest in all or any portion of its rights under this Agreement to a collateral trustee in order to comply with Rule 3a-7 under the Investment Company Act. In each of the foregoing cases, such pledge or collateral assignment may be made without compliance with Section 12.01(a) or 13.01(b), other than clause (vii) of Section 13.01(b), and without notice to or

consent of the Borrower, Servicer or any other Lender; provided, that no such pledge or collateral assignment shall release a Lender from any of its obligations hereunder, or substitute any such pledgee or grantee for such Lender as a party hereto. Furthermore, nothing herein shall prohibit or limit the ability of any Conduit Lender to sell or assign all or any portion of its Loans (or interests therein) to its Credit Providers (or to an agent on its or their behalf) pursuant to any Liquidity Facilities with respect to such Conduit Lender.

ARTICLE FOURTEEN

MUTUAL COVENANTS REGARDING CONFIDENTIALITY

Section 14.01. Covenants of the Borrower, the Servicer, the Backup Servicer, the Collateral Custodian and the Account Bank. Each of the Borrower, the Servicer, the Backup Servicer, the Collateral Custodian and the Account Bank severally and with respect to itself only, covenants and agrees to hold in confidence, and not disclose to any Person, the terms of this Agreement (including any fees payable in connection with this Agreement or the identity of any Lender under this Agreement), except as the Administrative Agent or any such Lender may have consented to in writing prior to any proposed disclosure and except it may disclose such information (i) to its officers, directors, employees, agents, counsel, accountants, auditors, subservicers, advisors or representatives, (ii) to the extent such information has become available to the public other than as a result of a disclosure by or through the Borrower, the Servicer, the Backup Servicer or the Account Bank, (iii) to a Lender Group or Affiliates of its members or (iv) to the extent it should be (a) required by Applicable Law (including filing a copy of this Agreement and the other Basic Documents (other than the Fee Letter, excluding from any such copy the identity of each Lender)) as exhibits to filings required to be made with the Securities and Exchange Commission, or in connection with any legal or regulatory proceeding or (b) requested by any Governmental Authority to disclose such information; provided, that, in the case of clause (iv)(a) above, the Borrower, the Servicer, the Backup Servicer, the Collateral Custodian and the Account Bank, as applicable, will use all reasonable efforts to maintain confidentiality and will (unless otherwise prohibited by Applicable Law) notify the Administrative Agent, each Agent and each Lender of its intention to make any such disclosure prior to making such disclosure.

Section 14.02. Covenants of the Secured Parties and the Agents.

(a) Each of the Administrative Agent, each Agent and each other Secured Party covenants and agrees that it will not disclose any of the Confidential Information now or hereafter received or obtained by it without the Borrower's prior written consent; provided, however, that it may disclose any such Confidential Information (i) in connection with participations and assignments pursuant to Section 13.01(b), (ii) to those of its employees or Affiliates directly involved in the transactions contemplated by the Basic Documents or to any nationally recognized statistical rating organizations, (iii) to its Advisors who need to know such information for the purpose of assisting it in connection with the transactions contemplated by the Basic Documents and (iv) to any collateral trustee appointed by such Lender (or Agent or Administrative Agent on such Lender's behalf) to comply with Rule 3a-7 under the Investment Company Act, provided such collateral trustee is informed of the confidential nature of such information. Each of the Administrative Agent, each Agent and each other Secured Party agrees to be responsible for any breach of this Agreement by its Affiliates and Advisors, and it agrees that its Affiliates and Advisors will be advised by it of the confidential nature of such information and that it shall cause its Affiliates to be bound by this Agreement. Notwithstanding the foregoing, with respect to participations and assignments pursuant to Section 13.01(b) involving an Eligible Assignee other than an entity satisfying clause (ii) of the definition of the term "Eligible Assignee", Confidential Information may not be provided to prospective participants or assignees before the execution of an Assignment and Acceptance, unless such

Confidential Information is covered under a separate confidentiality agreement between the assigning Lender and such prospective participant or assignee.

(b) Each of the Administrative Agent, each Agent and each other Secured Party acknowledges and agrees that any Confidential Information provided to it, in whatever form, is the sole property of the Borrower and Tricolor. Neither any such Person nor its Affiliates or Advisors shall use any of the Confidential Information now or hereafter received or obtained from or through the Borrower, Tricolor or any of their respective Affiliates for any purpose other than for purposes of engaging in, or as otherwise contemplated by, the transactions contemplated by the Basic Documents. The Administrative Agent, each Agent and each other Secured Party agree that if the Borrower or Tricolor should request that it destroy or return the Confidential Information, it shall return or destroy such Confidential Information as so directed; provided, that it shall be permitted to retain only that portion of the Confidential Information, in accordance with the confidentiality obligations specified in this Agreement, that is necessary for purposes of documenting any due diligence review performed by it in connection with the Basic Documents or as required by any Requirement of Law.

(c) If the Administrative Agent, any Agent, any other Secured Party or any of their respective Affiliates or Advisors are legally compelled (whether by deposition, interrogatory, request for documents, subpoena, civil investigation, demand or similar process) to disclose any Confidential Information, the related entity shall promptly notify the Borrower and Tricolor in writing (unless it has been advised by an Opinion of Counsel that such notification is prohibited by Applicable Law) of such requirement so that the Borrower or Tricolor, at their sole cost and expense, may seek a protective order or other appropriate remedy and/or waive compliance with the provisions hereof. The Administrative Agent, each Agent and each other Secured Party agrees to use its reasonable efforts, upon the written request of the Borrower or Tricolor to obtain or assist the Borrower or the Servicer in obtaining any such protective order. Failing the reasonably timely entry of a protective order or the reasonably timely receipt of a waiver hereunder, it may disclose, without liability hereunder, that portion (and only that portion) of the Confidential Information that it have been advised by an Opinion of Counsel that it is legally compelled to disclose; provided, that it agrees to use reasonable efforts to obtain assurance that confidential information will be accorded such Confidential Information by the Person or Persons to whom it was disclosed.

(d) Notwithstanding the foregoing, it is understood that the Administrative Agent, any Agent, the other Secured Parties and any of their respective Affiliates may be required to disclose (and may so disclose, without liability hereunder, provided that it complies with the following sentence) the Confidential Information or portions thereof at the request of a bank examiner or other regulatory authority or in connection with an examination of it or its Affiliates by a bank examiner or other regulatory authority, including in connection with the regulator compliance policy of the Administrative Agent, any Agent or such other Secured Party. Under such circumstances, the related entity agrees to provide notice to Tricolor, to the extent that it is not otherwise prohibited from doing so, as soon as practicable in connection with (and, if possible, before) releasing the Confidential Information to the bank examiner or other regulatory authority pursuant to such request or examination.

(e) It is understood and agreed that no failure or delay by the Borrower, the Servicer, the Backup Servicer, the Administrative Agent, any Agent, any other Secured Party or the Account Bank in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any right, power or privilege hereunder.

ARTICLE FIFTEEN

MISCELLANEOUS

Section 15.01. Amendments and Waivers.

(a) No failure or delay by the Administrative Agent, an Agent or a Lender in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, each Agent and each Lender hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by Section 15.01(c), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Amortization Event, Termination Event, Unmatured Termination Event, Servicer Termination Event or Unmatured Servicer Termination Event, regardless of whether the Administrative Agent, any Agent or any Lender may have had notice or knowledge of such Amortization Event, Termination Event, Unmatured Termination Event, Servicer Termination Event or Unmatured Servicer Termination Event at the time.

(b) Neither this Agreement nor any provision hereof may be amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Administrative Agent, acting with the consent of the Required Lenders; provided, that no such agreement shall, without the written consent of each Lender:

(i) change any provision of this Section or the definitions of the terms "Amortization Event", "Commitment Termination Date", "Required Lenders", "Servicer Termination Event", "Termination Event" or any other provision hereof specifying the number or percentage of Lenders required to amend, waive, or otherwise modify any rights hereunder or make any determination or grant any consent hereunder; or

(ii) amend or change the definition of the terms "Adjusted LIBO Rate", "Borrowing Base", "Borrowing Base Deficiency", "Commitment", "Cured", "Default Rate", "Excess Concentration Amount", "Excess Spread Percentage", "Monthly Interest and Fees", "Monthly Principal Payment Amount", "Required Credit Enhancement Amount", "Required Credit Enhancement Percentage", "Step-Up Credit Enhancement Trigger Event", "Unused Fee" or "Usage Fee" (or, in each case, any component thereof) or amend Sections 2.07 or 2.11;

provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Servicer, the Backup Servicer, the Account Bank or the Collateral Custodian hereunder without the prior written consent of such party (such consent not to be unreasonably withheld), as the case may be.

(c) Neither this Agreement nor any provision hereof may be waived except pursuant to an agreement or agreements in writing entered into by the Administrative Agent, acting with the consent of the Required Lenders; provided, that no such agreement shall, without the written consent of (i) each Lender, waive any (A) condition set forth in Sections 4.01 or 4.02 or (B) Amortization Event, Termination Event or Servicer Termination Event or (ii) the Servicer, the Backup Servicer, the Account Bank, the Collateral Custodian or any Hedge Counterparty, waive its respective rights or duties hereunder.

(d) The Borrower shall deliver an Officer's Certificate to the Administrative Agent stating that an amendment, modification or waiver without the prior written consent of the Servicer, the Backup Servicer, the Account Bank, the Collateral Custodian or each Hedge Counterparty will not have a Material Adverse Effect on the rights and duties of such parties.

(e) The Borrower shall provide a copy of each executed amendment, waiver or other modification to the Servicer, the Backup Servicer, the Account Bank, the Collateral Custodian and each Hedge Counterparty. No amendment, waiver or other modification which could have a Material Adverse Effect on the rights or obligations of any Hedge Counterparty shall be effective against such Hedge Counterparty without its prior written consent.

Section 15.02. Notices, Etc. All notices and other communications provided for hereunder shall, unless otherwise stated herein, be in writing (including e-mail and facsimile communication) and e-mailed, mailed, transmitted or delivered, as to each party hereto, at its address set forth under its name on the signature pages hereof or specified in such party's Assignment and Acceptance or at such other address as shall be designated by such party in a written notice to the other parties hereto. All such notices and communications shall be effective upon receipt or, in the case of notice by (i) mail, five days after being deposited in the United States mail, first class postage prepaid, (ii) facsimile, when confirmed by telephone, or (iii) e-mail, when receipt is confirmed by telephone or by reply e-mail from the recipient, except that notices and communications pursuant to Article Two shall not be effective until received with respect to any notice sent by mail.

Section 15.03. No Waiver, Rights and Remedies. No failure on the part of any Secured Party, any Agent or any of their respective assignees to exercise, and no delay in exercising, any right or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies herein provided are cumulative and not exclusive of any rights and remedies provided by law.

Section 15.04. Binding Effect; Third Party Beneficiary. This Agreement shall be binding upon and inure to the benefit of the Borrower, the Servicer, the Backup Servicer, the Account Bank, the Secured Parties, the Agents and their respective successors and permitted assigns. In addition any Hedge Counterparty (whether or not it is a Secured Party) shall be an express third party beneficiary of this Agreement.

Section 15.05. Term of this Agreement. This Agreement shall remain in full force and effect until the Facility Termination Date; provided, however, that the rights and remedies with respect to any breach of any representation and warranty made or deemed made by the Borrower

pursuant to Article Five and the indemnification and payment provisions of Article Eleven, the confidentiality provisions of Article Fourteen, the provisions of Sections 15.09 and 15.10 and any other provision of this Agreement expressly stated to survive, shall be continuing and shall survive any termination of this Agreement or the assignment, resignation or removal by or of the applicable parties hereto.

Section 15.06. **GOVERNING LAW; CONSENT TO JURISDICTION; WAIVER OF OBJECTION TO VENUE**. **THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REFERENCE TO ITS CONFLICTS OF LAW PROVISIONS (OTHER THAN §5-1401 AND §5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW). EACH OF THE PARTIES HERETO HEREBY AGREES TO THE NON-EXCLUSIVE JURISDICTION OF ANY FEDERAL COURT LOCATED WITHIN THE STATE OF NEW YORK IN THE BOROUGH OF MANHATTAN. EACH OF THE PARTIES HERETO HEREBY WAIVES ANY OBJECTION BASED ON FORUM NON CONVENIENS, AND ANY OBJECTION TO VENUE OF ANY ACTION INSTITUTED HEREUNDER IN ANY OF THE AFOREMENTIONED COURTS AND CONSENTS TO THE GRANTING OF SUCH LEGAL OR EQUITABLE RELIEF AS IS DEEMED APPROPRIATE BY SUCH COURT.**

Section 15.07. **WAIVER OF JURY TRIAL**. **TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH OF THE PARTIES HERETO WAIVES ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE BETWEEN THE PARTIES HERETO ARISING OUT OF, CONNECTED WITH, RELATED TO, OR INCIDENTAL TO THE RELATIONSHIP BETWEEN ANY OF THEM IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. INSTEAD, ANY SUCH DISPUTE RESOLVED IN COURT WILL BE RESOLVED IN A BENCH TRIAL WITHOUT A JURY.**

Section 15.08. Costs, Expenses and Taxes.

(a) In addition to the rights of indemnification granted to the Backup Servicer, the Account Bank, the Collateral Custodian, the Secured Parties, the Agents and their respective Affiliates and officers, directors, employees and agents under Article Eleven, except as otherwise provided herein, the Borrower agrees to pay on demand all reasonable out-of-pocket costs and expenses of the Backup Servicer, the Account Bank, the Collateral Custodian, the Secured Parties and the Agents incurred in connection with the administration (including periodic auditing), amendment or modification of, or any waiver or consent issued in connection with, this Agreement and the other documents to be delivered hereunder or in connection herewith, including the reasonable fees and out-of-pocket expenses of counsel for the Secured Parties, each Agent, the Account Bank, the Collateral Custodian and the Backup Servicer with respect thereto and with respect to advising such entities as to their respective rights and remedies under this Agreement and the other documents to be delivered hereunder or in connection herewith, and all costs and expenses, if any (including reasonable counsel fees and expenses), incurred by such entities in connection with the enforcement of this Agreement and the other documents to be delivered hereunder or in connection herewith.

(b) The Borrower shall pay promptly on demand any stamp, sales, excise and other Taxes and fees payable or determined to be payable in connection with the execution, delivery, filing and recording of this Agreement, the other documents to be delivered hereunder or herewith and any agreement or other document providing liquidity support, credit enhancement or other similar support to a Lender in connection with this Agreement or the funding or maintenance of Loans hereunder.

Section 15.09. No Insolvency Proceedings.

(a) Notwithstanding any prior termination of this Agreement, no party to this Agreement shall, prior to the date which is one year and one day after the final payment of all Aggregate Unpaids, petition, cooperate with or encourage any other Person in petitioning or otherwise invoke the process of any Governmental Authority for the purpose of commencing or sustaining an Insolvency Proceeding against the Borrower under any federal or State Insolvency Laws or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Borrower or any substantial part of its property or ordering the winding up or liquidation of the affairs of the Borrower.

(b) Notwithstanding any prior termination of this Agreement, each party to this Agreement hereby agrees that it shall not institute against, or join any other Person in instituting against, any Conduit Lender any Insolvency Proceeding, for one year and a day after the latest maturing Commercial Paper Note or other debt security issued by such Conduit Lender is paid.

Section 15.10. Recourse Against Certain Parties.

(a) No recourse under or with respect to any obligation, covenant or agreement (including the payment of any fees or any other obligations) of any Secured Party, any Agent, the Backup Servicer, the Collateral Custodian or the Account Bank as contained in this Agreement or any other agreement, instrument or document entered into by it pursuant hereto or in connection herewith shall be had against any such Person or any manager or administrator of such Person or any incorporator, Affiliate, stockholder, officer, employee or director of such Person or of the Borrower or of any such manager or administrator, as such, by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any statute or otherwise; it being expressly agreed and understood that the agreements of any Secured Party, any Agent, the Backup Servicer or the Account Bank contained in this Agreement and all of the other agreements, instruments and documents entered into by it pursuant hereto or in connection herewith are, in each case, solely the corporate obligations of such Person, and that no personal liability whatsoever shall attach to or be incurred by any administrator of any such Person or any incorporator, stockholder, Affiliate, officer, employee or director of such Person or of any such administrator, as such, or any other of them, under or by reason of any of the obligations, covenants or agreements of such Person contained in this Agreement or in any other such instruments, documents or agreements, or that are implied therefrom, and that any and all personal liability of every such administrator of such Person and each incorporator, stockholder, Affiliate, officer, employee or director of such Person or of any such administrator, or any of them, for breaches by such Person of any such obligations, covenants or agreements, which liability may arise either at common law or at equity, by statute or constitution, or otherwise, is

hereby expressly waived as a condition of and in consideration for the execution of this Agreement.

(b) Notwithstanding anything in this Agreement or any other Basic Document to the contrary, no Conduit Lender shall have any obligation to pay any amount required to be paid by it hereunder or thereunder in excess of any amount received pursuant to this Agreement and available to such Conduit Lender after paying or making provision for the payment of its Commercial Paper Notes. All payment obligations of any Conduit Lender hereunder are contingent upon the availability of funds received pursuant to this Agreement and in excess of the amounts necessary to pay Commercial Paper Notes, and each party to this Agreement agrees that it shall not have a claim (as defined in Section 101(5) of the Bankruptcy Code) if and to the extent that any such payment obligation exceeds the amount received pursuant to this Agreement and available to such Conduit Lender to pay such amounts after paying or making provision for the payment of its Commercial Paper Notes.

(c) The provisions of this Section shall survive the termination of this Agreement.

Section 15.11. Patriot Act Compliance. In case any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby. This Agreement, together with the other Basic

WTNA may, in such dual capacity, discharge its separate functions fully, without hindrance or regard to conflict of interest principles or other breach of duties to the extent that any such conflict or breach arises from the performance by WTNA of express duties set forth in this Agreement in any of such capacities, all of which defenses, claims or assertions are hereby expressly waived by the other parties hereto except in the case of negligence (other than errors in judgment) and willful misconduct by WTNA.

Section 15.14. JPMorgan CP Rate.

(b) By execution of this Agreement, each of the Borrower, the Servicer and each other party hereto hereby (i) acknowledges the foregoing and agrees that JPMorgan does not warrant or accept any responsibility for, and shall not have any liability with respect to the interest or discount rate paid by Chariot Funding LLC in connection with its Commercial Paper issuance, (ii) acknowledges that the discount or interest rate at which JPMorgan and/or its Affiliates purchase or sell Commercial Paper will be determined by JPMorgan and/or its Affiliates in their sole discretion and may differ from the discount or interest rate applicable to comparable transactions entered into by JPMorgan and/or its Affiliates on the relevant date and (iii) waives any conflict of interest arising by reason of JPMorgan and/or its Affiliates acting as administrative agent and Commercial Paper dealer for Chariot Funding LLC while acting as purchaser or seller of Commercial Paper.

PERFECTION REPRESENTATIONS AND WARRANTIES

The Borrower represents and warrants, as of the Closing Date and as of each Funding Date:

(i) This Agreement creates a valid and continuing security interest (as defined in the applicable UCC) in all Receivables in favor of the Administrative Agent, which security interest is prior to all other Liens, and is enforceable as such against creditors of and purchasers from the Borrower.

(ii) The Borrower has taken all steps necessary to perfect its security interest against the Obligor in the property securing the Receivables.

(iii) The Receivables constitute "tangible chattel paper" within the meaning of the applicable UCC or Electronic Chattel Paper.

(iv) The Borrower owns and has good and marketable title to the Receivables free and clear of any Lien (other than Permitted Liens), claim, or encumbrance of any Person.

(v) The Borrower has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under Applicable Law in order to perfect the security interest in the Collateral granted to the Administrative Agent hereunder.

(vi) Other than the security interest granted to the Administrative Agent pursuant to this Agreement, the Borrower has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Receivables. The Borrower has not authorized the filing of and is not aware of any financing statements against the Borrower that include a description of collateral covering the Receivables other than any financing statement relating to the security interest granted to the Administrative Agent hereunder or that has been terminated. The Borrower is not aware of any judgment or tax lien filings against the Borrower.

(vii) The Collateral Custodian has possession of all of the Contracts that constitute "tangible chattel paper" (within the meaning of the UCC) and Tricolor has "control" (within the meaning of Section 9-105 of the UCC) of all Contracts that constitute Electronic Chattel Paper.

(viii) Tricolor has not communicated an Authoritative Copy of any Contract that constitutes or evidences any Contract Receivable to any Person.

(ix) Only one Authoritative Copy of each Contract that constitutes Electronic Chattel Paper exists. Each such Authoritative Copy is unique, identifiable, and unalterable (other than with the participation of the Borrower in the case of an addition or change of an identified assignee and other than a revision that is readily identifiable as an authorized or unauthorized revision).

(x) The Authoritative Copy of each Contract that constitutes Electronic Chattel Paper identifies only Tricolor or the Borrower as the assignee and owner of record thereof.

(xi) Each copy of the Authoritative Copy of a Contract that constitutes Electronic Chattel Paper and any copy of a copy are readily identifiable as copies that are not the Authoritative Copy.

(xii) Each Contract that constitutes Electronic Chattel Paper has been established in a manner such that (a) all copies or revisions that add or change an identified assignee of the Authoritative Copy thereof that constitutes or evidences a Receivable must be made with the participation of Tricolor, and (b) all revisions of the Authoritative Copy of each Contract that constitutes Electronic Chattel Paper are readily identifiable as an authorized or unauthorized revision.

(xiii) The Contracts that constitute "tangible chattel paper" (within the meaning of the UCC) do not have any marks or notations indicating that they have been pledged, assigned, or otherwise conveyed to any Person.

(xiv) All financing statements filed or to be filed against the Borrower in favor of the Administrative Agent in connection herewith describing the Receivables contain a statement to the following effect: "A purchase of or security interest in any collateral described in this financing statement will violate the rights of the Administrative Agent".

Subject to the other provisions of this Agreement, the total number of Units of any class that may be issued hereunder shall not be limited, and the references to Units shall be deemed to include fractional Units.

(b) Upon the terms and subject to the conditions of this Agreement, including this Section 4.1 and Sections 4.3, 4.14 and 14.11, the Board is authorized to create and issue new Units, which may have rights, preferences, privileges, limitations, restrictions and/or obligations that are junior to, *pari passu* with or senior to any other class or series of Units; *provided*, *however*, that (i) no such Units shall rank *pari passu* with or senior to the Senior Preferred Units and (ii) no such Units other than the Senior Preferred Units shall rank senior to the Junior Preferred Units. To the fullest extent permitted by Section 18-302 of the Delaware Act, but subject to the terms of this Agreement, including this Section 4.1 and Sections 4.3, 4.14 and 14.11, the Company may issue Units from time to time in one or more classes, or one or more series of such classes, which classes or series (or the holders thereof) shall have, subject to the provisions of applicable law and the terms of this Agreement, including this Section 4.1 and Sections 4.3, 4.14 and 14.11, such rights, preferences, privileges, limitations, restrictions and/or obligations as shall be fixed by the Board; *provided*, *however*, that the Senior Preferred Units shall rank senior to all other Company Securities (including Common Units and Management Incentive Units) and the Junior Preferred Units shall rank senior to all Common Units and Management Incentive Units and *pari passu* with or senior to all other Company Securities other than the Senior Preferred Units, in each case including with respect to: (i) the allocation of items of Profit or Loss to each class or series; (ii) the right of each class or series to share in distributions; (iii) maintaining separate and distinct records for each class or series; (iv) allocating specific assets, liabilities, debts, obligations and expenses to each class or series; (v) the rights of each class or series upon dissolution and liquidation of the Company; (vi) the price at which, and the terms and conditions upon which, each class or series may be redeemed by the Company, if any class or series is so redeemable; (vii) the rate at which, and the terms and conditions upon which, each class or series may be converted into another class or series of Units; (viii) the right of the

owners of each class or series to information about the Company, including limitations of the rights in Section 18-305 of the Delaware Act; and (ix) the right of each class or series to vote on Company matters, including matters relating to the rights, preferences, privileges, limitations, restrictions and/or obligations of such class or series, if any such class or series (or any holders thereof) is granted any voting rights.

Subject to Sections 4.3, 4.14 and 14.12 and any other applicable terms of this Agreement, the Board may amend this Agreement without the consent of any Member in order to effect the creation or issuance of Units or any class or series thereof and the granting of any such rights, preferences, privileges, limitations, restrictions and/or obligations pursuant to this Section 4.1 (so long as the relative rights, preferences, privileges, limitations and obligations of the applicable class of Preferred Units shall rank senior to the related rights, preferences, privileges, limitations, restrictions and/or obligations of such Units or any class or series thereof as set forth in this Section 4.1 and Section 4.3 and are not otherwise adversely affected).

Section 4.2. *Certificates*. The Interests and Units of the Members are and at all times shall remain uncertificated (and any certificate purporting to evidence any Interests or Units shall be null and void ab initio). The Interests and Units of the Members in the Company are not and shall not at any time be "securities" or "investment property" covered by Article 8 of the Uniform Commercial Code of the State of Delaware (or the Uniform Commercial Code of any other applicable jurisdiction). No Member, Manager or Officer of the Company will amend this Agreement to provide that the Interests or Units of the Members in the Company are "securities" or "investment property" governed by Article 8 of the Uniform Commercial Code or otherwise "opt in" to Article 8 of the Uniform Commercial Code.

Section 4.3. *Preferred Units*. The Preferred Units shall have the following rights, preferences and privileges:

(a) (i) The Senior Preferred Units shall rank senior to the Junior Preferred Units, the Common Units, Management Incentive Units, and any other class of Units or other Company Securities hereafter created (the Junior Preferred Units, the Common Units, Management Incentive Units, and such other classes of Units and other Company Securities, "**Junior Securities**"), and (ii) the Junior Preferred Units shall rank senior to all Common Units and Management Incentive Units and *pari passu* with or senior to all other Company Securities other than Senior Preferred Units, in each case as described in the proviso contained in the second sentence of Section 4.1(b), including as to Distributions, including the distribution of assets upon liquidation, dissolution or winding up of the Company, whether voluntary or involuntary.

(b) From and after the date of issuance, Distributions shall accrue on each Preferred Unit at the applicable Preferred Accumulating Distribution Rate (subject to the last sentence of this Section 4.3(b)) on the Preferred Accrued Amount. Distributions on each Preferred Unit shall be cumulative and shall accrue daily from and after the date of issuance, and, unless paid in cash on the applicable Quarterly Preferred Distribution Date

as provided below, shall be added to the Preferred Accrued Amount on each Quarterly Preferred Distribution Date. Distributions shall be calculated on the basis of the actual days elapsed in a year of 365 (or 366, as applicable) days. Subject to Section 4.14(a)(ii), all such Distributions, as applicable, shall, at the sole discretion of the Board (excluding, with respect to Distributions on the Senior Preferred Units, the Senior Preferred Managers), either, in whole or in part, (i) be paid in cash to the Preferred Members at the applicable Preferred Cash Distribution Rate, or (ii) be added to the Preferred Accrued Amount at the applicable Preferred Accumulating Distribution Rate, *provided*, *however*, that in the event that the Board (excluding, with respect to Distributions on the Senior Preferred Units, the Senior Preferred Managers) does not make an election with respect thereto, the Board shall be deemed to have elected to have such Distribution added to the Preferred Accrued Amount pursuant to the foregoing clause (ii).

(c) The Company shall give each Preferred Member at least 15 days' written notice prior to the occurrence of any Liquidation Event. Upon the occurrence of a Liquidation Event, (i) the Senior Preferred Members shall be entitled to be paid, with respect to the Senior Preferred Units then outstanding held by the Senior Preferred Members, out of the assets of the Company available for distribution to the Members, on a preferred basis prior and in preference to any Distribution to the Junior Preferred Members, the Common Unit Members or holders of any other Junior Securities of the Company, an amount in cash per Senior Preferred Unit equal to the greater of: (1) the amount such Senior Preferred Member would have received had such Senior Preferred Unit(s) been converted to Common Unit(s) at the then-applicable Conversion Price immediately prior to such Liquidation Event; and (2) the applicable Preferred Redemption Price; *provided*, *however*, that, in each case, the amount paid with respect to the Senior Preferred Units in the aggregate shall not be less than the Minimum MOIC; and (ii) the Junior Preferred Members shall be entitled to be paid, after payment in full has been made with respect to the Senior Preferred Units pursuant to the preceding clause (i), with respect to the Junior Preferred Units then outstanding held by the Junior Preferred Members, out of the assets of the Company available for distribution to the Members, on a preferred basis prior and in preference to any Distribution to the Common Unit Members or holders of any other Junior Securities of the Company, an amount in cash per Junior Preferred Unit equal to (1) if such Liquidation Event (which, for the avoidance of doubt, does not include any redemption of Company Securities) occurs on or prior to the second anniversary of the Effective Date, the Preferred Unit Purchase Price or (2) if such Liquidation Event (which, for the avoidance of doubt, does not include any redemption of Company Securities) occurs after the second anniversary of the Effective Date, 1.2 *multiplied by* the Preferred Unit Purchase Price, in each case in the case of this clause (ii) *plus* the Preferred Accrued Amount in respect of such Junior Preferred Units.

(d) If upon any such Liquidation Event, the assets of the Company available for distribution to the Company's Members shall be insufficient to pay the Senior Preferred Members the full amount to which they shall be entitled pursuant to the preceding sentence, then (x) the Senior Preferred Members shall be paid first with any distribution of the assets available for distribution and funds of the Company until the

payment in full of the Senior Preferred Units at the applicable Preferred Redemption Price, and after the payment in full of the Senior Preferred Units at the applicable Preferred Redemption Price, the Senior Preferred Members shall not be entitled to any further participation in any distribution of funds or assets by the Company in respect of such Senior Preferred Units and (y) after giving effect to the preceding clause (x), the Junior Preferred Members shall be paid first with any distribution of the remaining assets available for distribution and funds of the Company until the payment in full of the Junior Preferred Units at the applicable Preferred Redemption Price, and after the payment in full of the Junior Preferred Units at the applicable Preferred Redemption Price, the Junior Preferred Members shall not be entitled to any further participation in any distribution of funds or assets by the Company in respect of such Junior Preferred Units. If upon any such Liquidation Event, the assets of the Company available for distribution to the Company's Members (after payment to the Senior Preferred Members of the full amount to which they shall be entitled pursuant to the first sentence of this Section 4.3(c)) shall be insufficient to pay the Junior Preferred Members the full amount to which they shall be entitled pursuant to the first sentence of this Section 4.3(c), then the Junior Preferred Members shall be paid first with any distribution of the remaining assets available for distribution and funds of the Company until the payment in full of the Junior Preferred Units at the applicable Preferred Redemption Price, and after the payment in full of the Junior Preferred Units at the applicable Preferred Redemption Price, the Junior Preferred Members shall not be entitled to any further participation in any distribution of funds or assets by the Company in respect of such Junior Preferred Units. Any payments to the Senior Preferred Members pursuant to this Section 4.3(c) shall be made to the Senior Preferred Members, *pro rata* in accordance with the percentage of Senior Preferred Units held by the Senior Preferred Members. Any payments to the Junior Preferred Members pursuant to this Section 4.3(c) shall be made to the Junior Preferred Members, *pro rata* in accordance with the percentage of Junior Preferred Units held by the Junior Preferred Members. The Preferred Units shall be convertible into Common Units as follows:

(i) Optional Conversion of Preferred Units. At the option of the holder thereof, each Preferred Unit held by such holder shall be convertible, at any time or from time to time, into Common Unit(s) at the then-applicable Conversion Price. Each holder of Preferred Units who elects to convert the same into Common Units shall surrender the certificate or certificates therefor, if any, duly endorsed, at the office of the Company or any transfer agent for the Preferred Units, and shall give written notice to the Company at such office that such Member elects to convert the same and shall state therein the number of Preferred Units being converted. Thereupon, the Company shall promptly register such Member as the holder of the applicable number of Common Units. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of receipt by the Company of written notice of conversion, and the Member entitled to receive the Common Units issuable upon such conversion shall be treated for all purposes as the record holder of such Common Units on such date.

(ii) Automatic Conversion of Senior Preferred Units and Exercise of Warrants Upon Qualified Financing. All Senior Preferred Units will automatically be converted into Common Units at the then-applicable Conversion Price for Senior Preferred Units and all outstanding Warrants will automatically be exercised at the then-applicable exercise price as of immediately prior to the consummation of a Qualified Financing, subject to, in the case of a Qualified Financing that is a Qualified Public Offering or Qualified Acquisition Transaction, clause (A) below, or in the case of a Qualified Financing that is a Change of Control, clause (B) below; *provided, however*, that the Company shall consult with the holders of the Senior Preferred Units and Warrants in good faith and use reasonable best efforts to effect any Qualified Financing in a tax efficient manner for holders of the Senior Preferred Units and Warrants.

(A) If a Qualified Public Offering or Qualified Acquisition Transaction is consummated and (1) in the case of a Qualified Public Offering, the initial price per share to the public for the Company's common stock (or the common stock of any successor thereto or parent or holding company thereof) as set forth in the final prospectus for such Qualified Public Offering, or (2) in the case of a Qualified Acquisition Transaction, (x) the value of (I) the equity interests in the combined company issued at the consummation of the Qualified Acquisition Transaction to the equityholders of the Company (or any successor thereof or parent or holding company thereof) as of immediately prior to the Qualified Acquisition Transaction, as determined pursuant to definitive agreements entered into in connection with such Qualified Acquisition Transaction, *plus* (II) cash paid upon the consummation of the Qualified Acquisition Transaction to the equityholders of the Company (or any successor thereof or parent or holding company thereof) as of immediately prior to the consummation of the Qualified Acquisition Transaction, *divided by* (y) the number of shares of common stock to be outstanding on a fully diluted basis (pursuant to the definitive agreements and final prospectus (as applicable) relating to the Qualified Acquisition Transaction) immediately after giving effect to the Qualified Acquisition Transaction ((1) or (2), as applicable, the "**Listing Per Share Price**"), in each case is less than the then-applicable Target Adjusted Per Share Price, then immediately prior to the consummation of the Qualified Public Offering or Qualified Acquisition Transaction, as applicable, each Common Unit received upon conversion of the Senior Preferred Units (or share of common stock issued in respect thereof) shall be split by multiplying each such equity interest by an adjustment factor equal to the following formula:

C / P

C = the Target Adjusted Per Share Price

P = the Listing Per Share Price

Target Adjusted Per Share Price = Adjusted Aggregate MOIC *divided by* the aggregate number of Common Units receivable upon conversion of the Senior Preferred Units (or shares of common stock issuable in respect thereof).

Adjusted Aggregate MOIC = Minimum MOIC *minus* Common Value

Common Value = the number of Common Units received upon exercise of all outstanding Warrants (or common stock issued in respect thereof) *multiplied by* P

(B) In the case that a Qualified Financing is a Change of Control, the aggregate value of the consideration paid to Senior Preferred Members and holders of Warrants in respect of the Common Units received upon conversion of the Senior Preferred Units and upon exercise of the Warrants (or in each case the applicable consideration received in respect thereof pursuant to the Change of Control transaction) shall not be less than the Minimum MOIC.

For the avoidance of doubt, (i) only one (and not both) of clause (A) or clause (B) above shall apply to the applicable Qualified Financing and (ii) this Section 4.3(d)(ii) shall not apply to the Junior Preferred Units.

(iii) Automatic Conversion of Junior Preferred Units Upon Qualified Public Offering. All Junior Preferred Units will automatically be converted into Common Units at the then-applicable Conversion Price for Junior Preferred Units as of immediately prior to the consummation of a Qualified Public Offering. Except as provided in the preceding sentence, the Junior Preferred Units are not convertible into Common Units.

(iv) Conversion Price of Senior Preferred Units. Each Senior Preferred Unit shall be convertible into the number of Common Units which results from dividing (A) the Preferred Unit Purchase Price for such Senior Preferred Unit *by* (B) the applicable Conversion Price for such Senior Preferred Unit in effect at the time of conversion. The "**Conversion Price**" with respect to the Senior Preferred Units was initially $15.92 (as of September 2, 2021); *provided*, *however*, that (1) upon the occurrence of a Qualified Financing, the Conversion Price with respect to the Senior Preferred Units shall equal the lower of (x) the then-applicable Conversion Price for the Senior Preferred Units (without giving effect to this proviso) and (y) the price per Common Unit indicated in the Qualified Financing as reduced by the QF/MR Discount and (2) if no Qualified Financing has occurred at or prior to the time of a Senior Preferred Mandatory Redemption Event, the Conversion Price upon such Senior Preferred Mandatory Redemption Event shall equal the lower of (I) the then-applicable Conversion Price for the

Senior Preferred Units (without giving effect to this proviso) and (II) the price per Common Unit based on the then-applicable QF/MR Discount to the then fair market equity valuation of the Company on a fully diluted basis, as determined by a nationally recognized investment banking firm or other independent appraisal firm having experience in the industry and selected by mutual agreement of the Company and the holders of a majority of outstanding Senior Preferred Units.

The Conversion Price with respect to the Senior Preferred Units shall be subject to adjustment from time to time as provided below (and, for the avoidance of doubt, the Conversion Price with respect to the Senior Preferred Units shall be adjusted in accordance with Section 4.3(d)(viii) in connection with the issuance of Junior Preferred Units pursuant to the Junior Preferred Unit Subscription Agreement). Following each adjustment of such Conversion Price, such adjusted Conversion Price shall remain in effect until a further adjustment of such Conversion Price.

(v) Conversion Price of Junior Preferred Units. Each Junior Preferred Unit shall be convertible into the number of Common Units which results from dividing (A) the lesser of (x) the Preferred Accrued Amount with respect to such Junior Preferred Unit and (y) 1.2 *multiplied by* the Preferred Unit Purchase Price with respect to such Junior Preferred Unit *by* (B) the applicable Conversion Price for such Junior Preferred Unit in effect at the time of conversion. The "**Conversion Price**" with respect to the Junior Preferred Units shall initially be $14.38; *provided*, *however*, that upon the occurrence of a Qualified Public Offering, the Conversion Price with respect to the Junior Preferred Units shall equal the lower of (A) the then-applicable Conversion Price for the Junior Preferred Units (without giving effect to this proviso) and (B) the price per Common Unit indicated in the Qualified Public Offering.

The Conversion Price with respect to the Junior Preferred Units shall be subject to adjustment from time to time as provided below. Following each adjustment of such Conversion Price, such adjusted Conversion Price shall remain in effect until a further adjustment of such Conversion Price.

(vi) Treatment of Certain Distributions. If at any time or from time to time after the date hereof the Company makes a Distribution to the holders of the Common Units in each case payable in securities or other property of the Company, other than an event constituting an Qualified Financing, then in each such event the Members holding Preferred Units shall receive, simultaneously with the Distribution to the holders of Common Units, a Distribution of such securities or other property in an amount equal to the amount of such securities or other property as they would have received if all outstanding Preferred Units had been converted into Common Units on the effective date of such event.

(vii) Adjustments to Conversion Price for Reorganizations or Mergers, etc.

(A) If at any time or from time to time after the date hereof there shall occur any reorganization, recapitalization, reclassification, consolidation, amalgamation, conversion, or merger involving the Company in which the Common Units (but not the Preferred Units) are converted or changed into or exchanged for securities, cash or other property (other than in connection with a Qualified Financing, a transaction covered by Section 4.3(d)(iv) or a Liquidation Event), then, following any such reorganization, recapitalization, reclassification, consolidation, amalgamation, conversion, or merger, each Preferred Unit shall thereafter be convertible in lieu of the Common Units into which it was convertible prior to such event into the kind and amount of securities, cash or other property which a holder of the applicable number of Common Units issuable upon conversion of such Preferred Unit immediately prior to such reorganization, recapitalization, reclassification, consolidation, amalgamation, conversion, or merger would have been entitled to receive pursuant to such transaction. In any such case, appropriate adjustment (as reasonably determined in good faith by the Board) shall be made in the application of the provisions of this Section 4.3(d)(vii) with respect to the rights of the holders of the Preferred Units after the reorganization, recapitalization, reclassification, consolidation, amalgamation, conversion, or merger to the end that the provisions of this Section 4.3(d)(vii) (including adjustments to the Conversion Price for the Preferred Units and the securities, cash or other property issuable upon conversion of such Preferred Units) shall be applicable after that event and be as nearly equivalent to the provisions hereof as may be practicable and with respect to such other securities, cash or property by the terms thereof. This Section 4.3(d)(vii) shall similarly apply to successive reorganizations, recapitalizations, reclassifications, consolidations, amalgamations, conversions or mergers.

(B) If at any time or from time to time after the date hereof the Company shall, while any Preferred Units are outstanding, subdivide, combine, reclassify or split its outstanding Common Units into a greater or lesser number of Common Units (other than in connection with a Qualified Financing, a transaction covered by Section 4.3(d)(iv) or a Liquidation Event), the Conversion Price shall be adjusted by multiplying the Conversion Price in effect immediately prior to such subdivision, combination, reclassification or split by a fraction, (1) the numerator of which shall be the number of Common Units outstanding immediately prior to such subdivision, combination, reclassification or split, and (2) the denominator of which shall be the number of Common Units outstanding immediately after such subdivision, combination, reclassification or split.

(viii) Adjustment of Conversion Price for Dilutive Issuances. Upon the occurrence of a Dilutive Issuance, the Conversion Price for each Preferred Unit shall be reduced, concurrently with such Dilutive Issuance, to a price (calculated to the nearest cent) determined in accordance with the following formula.

$$CP2 = CP1* \ (A + B) \div (A + C).$$

For purposes of the foregoing formula, the following definitions shall apply:

A. "CP2" means the Conversion Price for the applicable Preferred Unit in effect immediately after the issue of Dilutive Units;

B. "CP1" means the Conversion Price for the applicable Preferred Unit in effect immediately prior to the issue of Dilutive Units;

C. "A" means the total number of Units outstanding prior to the Dilutive Issuance, on a Fully Diluted Basis, but not giving effect to any Company Securities being converted, exercised or exchanged in the Dilutive Issuance;

D. "B" means the number of Dilutive Units that would have been issued if such Dilutive Units had been issued at a price per unit equal to CP1 (determined by dividing the aggregate consideration received by the Company in respect of such issue by CP1); and

E. "C" means the number of Dilutive Units issued in such Dilutive Issuance.

(ix) Tax Treatment. It is intended that the conversion of the Preferred Units into Common Units will be treated as the exercise of a noncompensatory option within the meaning of Treasury Regulations Section 1.721-2(f). Consistent with such intention, upon the conversion of a Preferred Unit into Common Units the Company shall comply with the allocation provisions set forth in Treasury Regulations Sections 1.704-1(b)(2)(iv)(s) and 1.704-1(b)(4)(x) (including making any required "corrective" allocations in accordance with the Treasury Regulations).

(e) Optional Redemption.

(i) Subject to Section 4.14(a)(ii), the Company shall have the right to redeem (an "**Optional Preferred Redemption**"), in whole or in part, on a pro rata basis from all holders of any class of Preferred Units being redeemed, based on the number of Preferred Units of such class then held, Preferred Units of such class, for cash, at a redemption price per Preferred Unit of such class equal to the Preferred Redemption Price applicable to such class, on the date such redemption is consummated. The Company may exercise its redemption right under this Section 4.3(e)(i) by delivering to the applicable holder at the address for such

holder last shown on the records of the Company a written notice stating the Company's intention to exercise its redemption right, the number of the holder's Preferred Units to be redeemed, the date and time of such redemption (the "**Preferred Optional Redemption Date**") and the Preferred Redemption Price on the Preferred Optional Redemption Date, which shall not be sooner than ten (10) Business Days after the delivery of such notice; *provided* that, if the Company delivers such a notice to holders of Preferred Units, any such holder may, at any time prior to the applicable Preferred Optional Redemption Date, in lieu of such Preferred Units being redeemed, elect to convert such Preferred Units held by such holder into Common Units pursuant to and in accordance with Section 4.3(d)(i).

(ii) In the event the Company effects a Qualified Financing within 12 months of the date of effecting any Optional Preferred Redemption of any Senior Preferred Units, the Company shall (unless otherwise consented to in writing in advance by holders of 100% of the Senior Preferred Units), concurrently with the consummation of such Qualified Financing, pay (or cause to be paid) to each holder of a Senior Preferred Unit previously redeemed pursuant to an Optional Preferred Redemption during such 12-month period an amount, in cash, in respect of such optionally redeemed Senior Preferred Unit, equal to the excess (if any) of (A) the then-applicable Conversion Price (subject to clause (1) of the proviso to the second sentence of Section 4.3(d)(iii)) as of the date of such Qualified Financing (assuming that such optionally redeemed Senior Preferred Unit was outstanding on the date of such QF) over (B) the Preferred Redemption Price already paid to such holder in respect thereof.

(f) Senior Preferred Mandatory Redemption. Upon the occurrence of a Senior Preferred Mandatory Redemption Event, (i) all Senior Preferred Units will automatically be deemed to be converted to Common Units at the applicable Conversion Price, and all such Common Units will thereupon immediately be redeemed for cash at the applicable Conversion Price as of the Senior Preferred Mandatory Redemption Date, and (ii) at the option of the holder of any Warrants, such holder's Warrants will be deemed exercised for Common Units and each such Common Unit will be redeemed for cash at the applicable Conversion Price as of the Senior Preferred Mandatory Redemption Date; *provided*, *however*, that (A) the amount paid with respect to the Senior Preferred Units in the aggregate shall not be less than the Minimum MOIC, and (B) in determining whether the Minimum MOIC has been satisfied, the holders of Senior Preferred Units shall be deemed to have received in the aggregate the amount equal to the sum of (1) the aggregate amount payable pursuant to the preceding clause (i), *plus* (2) the aggregate amount payable pursuant to the preceding clause (ii) as if all holders of Warrants had exercised their warrants in full and all Common Units received upon exercise thereof had been redeemed in full as set forth in such clause (ii) and all such amounts had been paid solely to the Senior Preferred Members.

(g) The Company and each Member agrees (i) that the Preferred Units constitute an equity interest in a partnership for U.S. federal income tax purposes, and (ii) not to file any Tax return, report or declaration inconsistent with the foregoing except as required due to a "determination" within the meaning of Section 1313(a) of the Code.

(h) Notwithstanding anything in this Agreement to the contrary, no Preferred Member shall be required to fund additional capital to the Company.

Section 4.4. *Members*. The name and mailing address of each Member, the number of Common Units, Preferred Units, Warrants and Management Incentive Units owned by such Member and the Member's respective Percentage Interests as in effect from time to time shall be listed on Schedule A. The Secretary or other designated Officer shall be required to update Schedule A from time to time as necessary to reflect accurately any changes in address, the number of Common Units, Preferred Units, Warrants and Management Incentive Units held and the Percentage Interests of the Members and such updated Schedule A shall be provided to each Member on such Schedule A promptly after any such amendment. Any amendment of Schedule A made to reflect an action taken in accordance with this Agreement shall not be deemed an amendment to this Agreement. Any reference in this Agreement to Schedule A shall be deemed to be a reference to Schedule A as amended and in effect from time to time. No Person other than the Members listed on Schedule A as of the date hereof shall be deemed a Member of the Company hereunder or under the Delaware Act, whether or not such Person holds any Units, unless approved as such pursuant to the provisions of Article XII or XIV or added pursuant to Section 2.1(b).

Section 4.5. *Powers of Members*. The Members shall have the power to exercise any and all rights or powers granted to the Members pursuant to the express terms of this Agreement, including Section 4.14. Members shall not have the authority to bind the Company by virtue of their status as Members. Subject to Section 12.10, no Member shall have any right, power or duty, including the right to approve or vote on any matter, except as expressly required by this Agreement, the Delaware Act or other applicable law.

Section 4.6. *Member's Interest*. A Member's Interest shall for all purposes be personal property. No Member (or other holder of an Interest) shall have any interest in specific Company assets or property, including any assets or property contributed to the Company by such Member as part of any Capital Contribution.

Section 4.7. *Partition*. Each Member waives any and all rights that it may have to maintain an action for partition of the Company's property.

Section 4.8. *Cessation of Membership*. A Member shall cease to be a Member at the time such Member ceases to own any Interests in accordance with the terms of this Agreement.

Section 4.9. *Member Meetings*. Meetings of Members for such business as may be stated in the notice of the meeting, may be held at such date, time and place as is determined by the Board; *provided*, *however*, that to the extent any class of Preferred Members have a right to vote on matters at such meeting, notice of such meeting and of its purpose shall have been given to such Preferred Members in writing by facsimile, electronic mail or any other means of written communication at least two (2) Business Days prior to the date of such meeting unless such prior notice is waived in writing by Preferred Members holding a majority of the applicable class of Preferred Units outstanding.

Section 4.10. *Voting*. Each Member and holder of a Warrant entitled to vote in accordance with the terms of this Agreement may vote in person or by proxy. Except as may be otherwise provided in the Delaware Act, the Members and holders of Warrants shall be entitled to vote only on the matters expressly set forth herein and shall only be entitled to the other rights expressly set forth herein. Unless otherwise provided for by this Agreement, all matters to be decided by the Members and holders of Warrants shall be decided by the affirmative vote (or consent in writing) of Members and holders of Warrants representing at least a majority of the total Percentage Interests in the Company; *provided*, *however*, that the affirmative vote (or consent in writing) of Members holding at least a majority of the then outstanding (i) Senior Preferred Units shall be required with respect to any matter set forth in Section 4.14(a) and (ii) Junior Preferred Units shall be required with respect to any matter set forth in Section 4.14(b). For the avoidance of doubt, (a) the holders of Preferred Units shall be entitled to vote with respect to such Preferred Units on an as-converted basis, (b) the holders of Warrants shall be entitled to vote with respect to such Warrants on an as-exercised basis, and (c) the holders of Management Incentive Units that are not Vested Management Incentive Units will have no voting rights with respect to such Units.

Section 4.11. *Quorum*. Except as otherwise required by law or with respect to any matter set forth in Section 4.14, the presence, in person or by proxy, of Members and holders of Warrants representing at least a majority of the total Percentage Interests in the Company shall constitute a quorum at all meetings of the Members and holders of Warrants. In case a quorum shall not be present at any meeting, Members and holders of Warrants holding a majority of the Percentage Interests held by Members and holders of Warrants represented thereat, in person or by proxy, shall have the power to adjourn the meeting and call a new meeting in accordance with Section 4.9. For the avoidance of doubt, Preferred Units shall be taken into consideration (on an as-converted basis) and Warrants shall be taken into consideration (on an as-exercised basis) for purposes of determining whether a quorum is present at any meeting of Members. For the avoidance of doubt, Management Incentive Units that are not Vested Management Incentive Units shall not be taken into consideration for purposes of determining whether a quorum is present at any meeting of Members.

Section 4.12. *Notice of Meetings*. Subject to Section 4.9, written notice, stating the place, date and time of the meeting, shall be given to each Member, at such Member's

address as it appears on the records of the Company, not less than ten (10) Business Days before the date of the meeting (except that notice to any Member may be waived in writing by such Member).

Section 4.13. *Action Without a Meeting*. Any action required or permitted to be taken at any annual or special meeting of Members may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by Members holding the amount of Percentage Interests as otherwise would be required to take such action at a meeting, notice of such action shall be given to those Members who have not so consented in writing to such action without a meeting and such written consent is filed with the minutes of proceedings of the Members.

Section 4.14. *Preferred Members Consent Rights*.

(a) Notwithstanding anything to the contrary in this Agreement, so long as there are any Senior Preferred Units outstanding, the Company shall not, and shall cause its Subsidiaries not to (directly or indirectly), without the approval (directly or by proxy) by vote or written consent of holders of at least a majority of the Senior Preferred Units:

(i) create, incur, guarantee or assume any Indebtedness in excess of $25,000,000 in the aggregate for the Company and its Subsidiaries, other than (A) any Indebtedness or guarantees secured or backed by assets of the Company or its Subsidiaries and incurred in the ordinary course of business, (B) Loan Securitizations or (C) Warehouse Facilities (for the avoidance of doubt, any Permitted Indebtedness that is not expressly included as an exception in clauses (A), (B) and (C) above shall be subject to the foregoing approval or written consent requirement);

(ix) permit any Subsidiary to pay any dividend or make any other distribution (in cash or other property) or to pay (in cash or other property) on account of or in redemption or other acquisition of any security of any Subsidiary, other than to the Company or a wholly owned Subsidiary of the Company; *provided, however,* that this clause shall not restrict any Subsidiary from paying a dividend or making a distribution (on behalf of the Company) that otherwise would be expressly permitted to be paid or made directly by the Company pursuant to this Agreement to any Member, to the extent and in satisfaction of an existing obligation of the Company to such Member; or

(ii) cause such entity to make or enter into any transaction or series of related transactions for the acquisition and/or disposition of assets or property or the expansion of existing assets or properties that involves a total purchase price or cost that, combined with the purchase price or cost of all other acquisitions

For the avoidance of doubt, in no event shall the Senior Preferred Observers have any fiduciary duties or be considered or deemed to be a director of the Company or any Subsidiary or be required to be present for the purposes of a quorum. (i) To each Member's Capital Account there shall be credited (A) the amount of money contributed by that Member to the Company, (B) the gross Fair Market Value of property contributed by that Member to the Company (net of liabilities secured by the contributed property that the Company is considered to assume or take subject to under Section 752 of the Code), (C) the amount of any item of income or gain allocated to such Member under Section 7.1, and (D) in the case of a Member receiving an Interest described in Proposed Treasury Regulation Section 1.721-1(b)(3), or any successor provision, the amount included in the Member's compensation income under Section 83(a), 83(b) or 83(d)(2) of the Code;

(ii) To each Member's Capital Account there shall be debited (A) the amount of money distributed to that Member by the Company, (B) the gross Fair Market Value of property distributed to that Member by the Company (net of liabilities secured by the distributed property that the Member is considered to assume or take subject to under Section 752 of the Code), and (C) the amount of any deduction or loss allocated to such Member under Section 7.1.

(c) On the transfer of all or part of a Member's Units, the Capital Account of the transferor that is attributable to the transferred Interest shall carry over to the transferee Member in accordance with the provisions of Treasury Regulation Section 1.704- 1(b)(2)(iv)(l).

(d) In determining the amount of any liability for purposes of paragraphs (b)(i) and (b)(ii) of this Section 6.3, there shall be taken into account Section 752(c) of the Code and any other applicable provisions of the Code and Treasury Regulations.

(e) The foregoing provisions and other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Treasury Regulations Section 1.704-1(b) and shall be interpreted and applied in a manner consistent with such Treasury Regulations. In the event the Board shall determine that it is prudent to modify the manner in which the Capital Accounts, or any debits or credits thereto (including, without limitation, debits or credits relating to liabilities that are secured by contributed or distributed property or that are assumed by the Company or any of its Members), are computed in order to comply with such Treasury Regulations, the Board may make modifications, *provided* that such modifications shall be made in a manner that does not alter any Member's right to Distributions pursuant to Article VIII or Article XIII.

Section 6.4. *Advances*. If any Member shall (subject, for the avoidance of doubt, to Section 4.14) advance any funds to the Company in excess of its Capital Contributions, the amount of such advance shall neither increase its Capital Account nor entitle it to any increase in its share of the Distributions of the Company. The amount of any such advance shall be a debt obligation of the Company to such Member and shall be repaid to it by the Company with such interest rate, conditions and terms as mutually agreed upon by such Member and the Board. Any such advance shall be payable and collectible only out of Company assets, and the other Members shall not be personally obligated to repay any part thereof. No Person who makes any loan to the Company shall have or acquire, as a result of making such loan, any direct or indirect interest in the profits, capital or property of the Company, other than as a creditor.

Section 6.5. *Management Incentive Units*.

(a) From time to time, the Board shall have the power and discretion to approve (i) the issuance of Units (all such units, "**Management Incentive Units**" and any such Units, a "**Management Incentive Unit**") to any Manager, director, employee, Officer, consultant or other service provider of the Company or any of its direct or indirect subsidiaries (each such person, a "**Management Member**"), (ii) which Management Members shall be offered and issued Management Incentive Units, (iii) the number of Management Incentive Units to be offered and issued to each Management Member and (iv) the purchase price and other terms and conditions with respect thereto. In connection with any approved issuance of Management Incentive Units to a Management Member hereunder, such Management Member, if not a Member on the date of such issuance, shall execute a counterpart to this Agreement, accepting and agreeing to be bound by all terms and conditions hereof, and shall enter into such other documents and instruments to

effect such purchase (including a Management Incentive Unit Agreement) as are required by the Board.

(b) The provisions of this Section 6.5 are designed to provide incentives to Managers, directors, employees, Officers or consultants of the Company or its direct or indirect subsidiaries. This Section 6.5, together with the other terms of this Agreement and the Management Incentive Unit Agreements relating to Management Incentive Units, are intended to be a compensatory benefit plan within the meaning of Rule 701 of the Securities Act, and, unless and until the Company's Interests are publicly traded, the issuance of Management Incentive Units are, to the extent permitted by applicable federal securities laws, intended to qualify for the exemption from registration under Rule 701 of the Securities Act.

(c) On the date of each grant of Management Incentive Units to a Management Member, the Board will establish (and document in the applicable Management Incentive Unit Agreement) the "Participation Threshold" amount with respect to each such Management Incentive Unit granted on such date. The Participation Threshold for Management Incentive Units shall mean an amount equal to the Liquidation Value of the Company as of the date of issuance; *provided*, *however*, the Participation Threshold shall not be less than zero dollars ($0). The grant of Management Incentive Units that is intended to constitute a Profits Interest to a Management Member is intended to comply with Rev. Proc. 93-27, 1993-2 CB 343 (1993) and Rev. Proc. 2001-43, 2001-2 CB 191 (2001) and shall be interpreted consistently therewith. Immediately upon receipt of Management Incentive Units, the Management Member will have no initial Capital Account balance and Management Incentive Units received shall not entitle such Management Member to any portion of the capital of the Company at the time of such Management Member's admission to the Company as a Member, such that if the Company's assets were sold at Fair Market Value immediately after the grant to such Management Member of Management Incentive Units and the proceeds distributed in complete liquidation of the Company, the Management Incentive Units so received would entitle such Management Member to receive no share of those proceeds. In connection with any issuance of Management Incentive Units, the Capital Accounts of the then existing Members shall be adjusted to reflect the Liquidation Value.

(d) In the event of any Distribution pursuant to Section 8.1, the Participation Threshold of each Management Incentive Unit outstanding at the time of such Distribution shall be reduced (but not below zero) by the amount of such Distribution.

(e) The Management Incentive Units issued to any Management Member shall become vested in accordance with the vesting schedule set forth in the relevant Management Incentive Unit Agreement or, in the absence of a Management Incentive Unit Agreement, as otherwise determined by the Board in connection with the issuance of such Management Incentive Units. Management Incentive Units that are vested per such vesting schedule or by the Board, are referred to herein as "**Vested Management Incentive Units**."

(f) By executing this Agreement, each Member authorizes and directs the Company to elect to have the "Safe Harbor" described in the proposed Revenue Procedure set forth in Internal Revenue Service Notice 2005-43 (the "**IRS Notice**") apply to any Interest in the Company transferred to a service provider by the Company on or after the effective date of such Revenue Procedure in connection with services provided to the Company. For purposes of making such Safe Harbor election, the Tax Matters Partner is hereby designated as the "member who has responsibility for federal income tax reporting" by the Company and, accordingly, execution of such Safe Harbor election by the Tax Matters Partner constitutes execution of a "Safe Harbor Election" in accordance with Section 3.03(1) of the IRS Notice. The Company and each Member hereby agree to comply with all requirements of the Safe Harbor described in the IRS Notice, including the requirement that each Member shall prepare and file all federal income tax returns reporting the income tax effects of each "Safe Harbor Partnership Interest" issued by the Company in a manner consistent with the requirements of the IRS Notice. A Member's obligations to comply with the requirements of this Section 6.5(f), shall survive such Member's ceasing to be a Member of the Company and/or the termination, dissolution, liquidation and winding up the Company, and, for purposes of this Section 6.5(f), the Company shall be treated as continuing in existence.

ARTICLE VII
ALLOCATIONS

Section 7.1. *Allocations of Profits and Losses*.

(a) General Application. For each Fiscal Year (or other allocation period), after giving effect to Section 7.2, the rules set forth below in Section 7.1(b) shall apply for the purpose of determining each Member's allocable share of the items of income, gain, loss and expense of the Company composing Profits and Losses of the Company for such Fiscal Year (or other allocation period), determining special allocations of other items of income, gain, loss and expense, and adjusting the balance of each Member's Capital Account to reflect the aforementioned general and special allocations. For each Fiscal Year (or other allocation period), the special allocations of Section 7.2 shall be made immediately prior to the general allocations of Section 7.1(b).

(b) General Allocations.

(i) *Capital Event Allocations.* For any Fiscal Year (or other allocation period), Profits or Losses (and, if necessary, gross items of income, gain, loss and deduction) resulting from a Capital Event shall be allocated among the Members in such manner that, as of the end of such Fiscal Year (or other allocation period) and to the greatest extent possible, the Capital Account of each Member shall be equal to the respective net amount, positive or negative, that would be distributed to such Member from the Company or for which such Member would be liable to the Company under this Agreement, determined as if, on the last day of such Fiscal Year (or other allocation period), the Company were to (A) liquidate the

assets of the Company for cash at their Gross Asset Value (determined according to the rules of Treasury Regulations Section 1.704-1(b)(2)(iv)), (B) all Company liabilities were satisfied (limited with respect to each nonrecourse liability within the meaning of Treasury Regulation Section 1.704-2(b)(3) to the Gross Asset Value of the assets securing such liability), and (C) distribute the remaining proceeds in liquidation in accordance with Section 13.3, *minus* the sum of (x) the amount, if any, that such Member would be obligated to contribute to the Company immediately after such a hypothetical liquidation, (y) such Member's share of any Member Minimum Gain determined pursuant to Treasury Regulation Section 1.704-2(g), and (z) such Member's share of Member Nonrecourse Debt Minimum Gain determined pursuant to Treasury Regulation Section 1.704-2(i)(5), in the case of clauses (y) and (z) as all computed immediately prior to the hypothetical sale described above;

(ii) After taking into account the allocations set forth in Section 7.1(b)(i), for any Fiscal Year (or other allocation period), Profits (and, as set forth expressly below, gross items of income and gain) other than that allocated pursuant to Section 7.1(b)(i) shall be allocated as follows:

(A) *First*, Profits shall be allocated *pro rata* to the holders of Common Units until any remaining negative balance in their Capital Accounts has been eliminated;

(B) *Second*, in the event cash is distributed to the Senior Preferred Members pursuant to Section 8.1(a) or Section 8.1(b) in such period, Profit (and, if necessary, gross items of income and gain) shall be allocated *pro rata* to the Senior Preferred Members in the amount of such cash;

(C) *Third,* in the event cash is distributed to the Junior Preferred Members pursuant to Section 8.1(c) or Section 8.1(d) in such period, Profit (and, if necessary, gross items of income and gain) shall be allocated to the Junior Preferred Members in the amount of such cash;

(D) *Third*, Profit shall be allocated to the Senior Preferred Members in respect of the Senior Preferred Units until the aggregate Capital Accounts of the Senior Preferred Members in respect of the Senior Preferred Units is equal to the Senior Preferred Unit Accumulated Capital Account;

(E) *Fourth*, Profit shall be allocated to the Junior Preferred Members in respect of the Junior Preferred Units until the aggregate Capital Accounts of the Junior Preferred Members in respect of the Junior Preferred Units is equal to the Junior Preferred Unit Accumulated Capital Account; and

(F) *Fifth*, Profits shall be allocated to Common Unit Members in respect of Common Units until the aggregate Capital Accounts of the Common Unit Members in respect of Common Units is equal to the Common Unit Accumulated Capital Account.

(iii) For any Fiscal Year (or other allocation period), Losses other than Losses allocated pursuant to Section 7.1(b)(i) shall be allocated as follows:

(A) *First*, Losses shall be allocated *pro rata* to the holders of the Common Units in respect of the Common Units until their Capital Accounts are fully depleted;

(B) *Second*, Losses shall be allocated to the Junior Preferred Members in respect of the Junior Preferred Units until their Capital Accounts are fully depleted; and

(C) *Third*, Losses shall be allocated to the Senior Preferred Members in respect of the Senior Preferred Units until their Capital Accounts are fully depleted; and

(D) *Fourth*, Losses shall be allocated *pro rata* to the holders of the Common Units.

(iv) *Loss Limitation*. Notwithstanding anything to the contrary contained in this Section 7.1(b), the amount of items of Company expense and loss allocated pursuant to this Section 7.1(b) to any Member shall not exceed the maximum amount of such items that can be allocated without causing such Member to have an Adjusted Capital Account Deficit. All such items in excess of the limitation set forth in this Section 7.1(b)(iv) shall be allocated first to Members who would not have an Adjusted Capital Account Deficit, *pro rata*, in proportion to their Capital Accounts, adjusted as provided in clauses (a) and (b) of the definition of "Adjusted Capital Account Deficit," until no Member would be entitled to any further allocation.

(v) *No Deficit Restoration Obligation*. At no time during the term of the Company or upon dissolution and liquidation hereof shall a Member with a negative balance in its Capital Account have any obligation to the Company or the other Members to restore such negative balance, except as may be required by law or in respect of any negative balance resulting from a withdrawal of capital or dissolution in contravention of this Agreement.

Section 7.2. *Special Allocations*. The following special allocations shall be made in the following order:

(a) Minimum Gain Chargeback. Notwithstanding any other provision of this Article VII, if there is a net decrease in Company Minimum Gain during any Fiscal Year,

each Member shall be specially allocated items of Company income and gain for such year (and, if necessary, subsequent years) equal to such Member's share of the net decrease in Company Minimum Gain, determined in accordance with Treasury Regulation Section 1.704-2(g)(2); *provided* that a Member shall not be subject to this Section 7.2(a) to the extent that an exception is provided by Treasury Regulation Section 1.704-2(f)(2)-(5). This Section 7.2(a) is intended to comply with the minimum gain chargeback requirement in Treasury Regulation Section 1.704- 2(f) and shall be interpreted consistently therewith.

(b) Member Nonrecourse Liability Minimum Gain Chargeback. Notwithstanding any other provision of this Section 7.2 except Section 7.2(a), if there is a net decrease in Member Minimum Gain attributable to a Member Nonrecourse Liability during any Fiscal Year, each Member who has a share of the Member Minimum Gain attributable to such Member Nonrecourse Liability (determined in accordance with Treasury Regulation Section 1.704-2(i)(5)) as of the beginning of the year shall be specially allocated items of Company income and gain for such year (and, if necessary, subsequent years) equal to such Member's share of the net decrease in Member Minimum Gain attributable to such Member Nonrecourse Liability. A Member's share of the net decrease in Member Minimum Gain shall be determined in accordance with Treasury Regulation Section 1.704-2(i)(4); *provided* that a Member shall not be subject to this provision to the extent that an exception is provided by Treasury Regulation Section 1.704-2(i)(4). This Section 7.2(b) is intended to comply with the minimum gain chargeback requirement in Treasury Regulation Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(c) Qualified Income Offset. In the event any Member unexpectedly receives any adjustments, allocations or distributions described in Treasury Regulation Section 1.704- 1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5) or 1.704-1(b)(2)(ii)(d)(6) resulting in an Adjusted Capital Account Deficit, items of Company income and gain (consisting of a *pro rata* portion of each item of Company income, including gross income, and gain for the Fiscal Year) shall be specially allocated to each such Member in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulation, the Adjusted Capital Account Deficit of such Member created by such adjustments, allocations or distributions as quickly as possible; *provided* that an allocation pursuant to this Section 7.2(c) shall be made if and only to the extent that such Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Section 7.2 have been tentatively made as if this Section 7.2(c) were not in this Agreement. This Section 7.2(c) is intended to comply with the qualified income offset requirement in Treasury Regulation Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

(d) Gross Income Allocation. In the event any Member has an Adjusted Capital Account Deficit at the end of any Fiscal Year that is in excess of the sum of (i) the amount such Member is obligated to restore pursuant to the terms of this Agreement or otherwise, and (ii) the amount such Member is deemed to be obligated to restore pursuant

to the penultimate sentence of each of Treasury Regulation Sections 1.704-2(g)(1) and 1.704-2(i)(5), each such Member shall be specially allocated items of Company income and gain in the amount of such excess as quickly as possible, *provided* that an allocation pursuant to this Section 7.2(d) shall be made if and only to the extent that such Member would have an Adjusted Capital Account Deficit in excess of such sum after all other allocations provided for in this Section 7.2 have been tentatively made as if Section 7.2(c) and this Section 7.2(d) were not in this Agreement.

(e) Member Nonrecourse Deductions. If any Member bears the Economic Risk of Loss with respect to a Member Nonrecourse Liability, any Member Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the Member who bears the Economic Risk of Loss with respect to the Member Nonrecourse Liability to which such Member Nonrecourse Deductions are attributable in accordance with Treasury Regulation Section 1.704-2(i).

(f) Curative Allocations. The allocations set forth in Sections 7.2(a) through 7.2(e) (the "**Regulatory Allocations**") are intended to comply with certain requirements of Treasury Regulations Sections 1.704-1(b) and 1.704-2. Notwithstanding the provisions of Section 7.1, the Regulatory Allocations shall be taken into account in allocating other items of income, gain, loss and deduction among the Members so that, to the extent possible, the net amount of such allocations of other items and the Regulatory Allocations to each Member shall be equal to the net amount that would have been allocated to each Member if the Regulatory Allocations had not occurred.

Section 7.3. *Tax Allocations; Section 704(c) of the Code*.

(a) In accordance with Section 704(c) of the Code and the Treasury Regulations thereunder, income, gain, loss and deduction with respect to any property contributed to the capital of the Company shall, solely for income tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such property to the Company for United States federal income tax purposes and its initial Gross Asset Value (computed in accordance with paragraph (a) of the definition of "Gross Asset Value" contained in Section 1.1). Such variation shall be taken into account under the "traditional method" of Treasury Regulation Section 1.704-3(b).

(b) In the event of a Revaluation Event, subsequent allocations of income, gain, loss and deduction with respect to such asset shall, solely for income tax purposes, take account of any variation between the adjusted basis of such asset for United States federal income tax purposes and its Gross Asset Value in the same manner as under Section 704(c) of the Code and the Treasury Regulations thereunder.

(c) Allocations pursuant to this Section 7.3 are solely for purposes of United States federal, state and local taxes, and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Profits, Losses, other items or distributions pursuant to any provision of this Agreement.

Section 7.4. *Allocation Rules*.

(a) In the event there is a change in the respective Percentage Interests of Members during the year, the Profits (or Losses) allocated to the Members for each Fiscal Year during which there is a change in the respective Percentage Interests of Members during the year shall be allocated among the Members in proportion to the Percentage Interests during such Fiscal Year in accordance with Section 706 of the Code, using any convention permitted by law and selected by the Board.

(b) For purposes of determining the Profits, Losses or any other items allocable to any period, Profits, Losses and any such other items shall be determined on a daily, monthly or other basis, as determined by the Board using any method that is permissible under Section 706 of the Code and the Treasury Regulations thereunder.

(c) The Members are aware of the income tax consequences of the allocations made by this Article VII and hereby agree to be bound by the provisions of this Article VII in reporting their shares of Company income, gain, loss, deduction and credit for income tax purposes.

ARTICLE VIII
DISTRIBUTIONS

Section 8.1. *Distributions; Special Distribution*. Subject to the requirements of Section 4.3 and the applicable terms of the Warrants, the Board may declare and make Distributions of Cash Available for Distribution from time to time in the following order of priority:

(a) *First*, to each of the Senior Preferred Members, *pro rata* in accordance with the percentage of Senior Preferred Units held by such Senior Preferred Member, until the Senior Preferred Members have received in respect of each such Senior Preferred Unit cumulative Distributions pursuant to this Section 8.1(a) equal to all accrued but unpaid Preferred Cash Distributions accrued pursuant to Section 4.3(b);

(b) *Second*, without duplication of Section 8.1(a), to each of the Senior Preferred Members, *pro rata* in accordance with the percentage of Senior Preferred Units held by such Senior Preferred Member, until each Senior Preferred Member has received the Preferred Redemption Price in respect of each Senior Preferred Unit held by such Senior Preferred Member;

(c) *Third*, subject to the prior payment in full of the Senior Preferred Units pursuant to Section 8.1(a) and Section 8.1(b), to each of the Junior Preferred Members, *pro rata* in accordance with the percentage of Junior Preferred Units held by such Junior Preferred Member, until the Junior Preferred Members have received in respect of each such Junior Preferred Unit cumulative Distributions pursuant to this Section 8.1(c) equal to all accrued but unpaid Preferred Cash Distributions accrued pursuant to Section 4.3(b);

(d) *Fourth*, subject to the prior payment in full of the Senior Preferred Units pursuant to Section 8.1(a) and Section 8.1(b), without duplication of Section 8.1(c), to each of the Junior Preferred Members, *pro rata* in accordance with the percentage of Junior Preferred Units held by such Junior Preferred Member, until each Junior Preferred Member has received the Preferred Redemption Price in respect of each Junior Preferred Unit held by such Junior Preferred Member;

(e) *Fifth*, subject to the prior payment in full of the Preferred Units pursuant to Section 8.1(a) through (d) or otherwise, to each of the Common Unit Members, *pro rata* in accordance with the percentage of Common Units held by such Common Unit Member, an amount equal to the excess, if any, of (i) the sum of the amount of cash consideration, the principal amount of any promissory note or the value of any non-cash consideration contributed by such Member as a Member Capital Contribution pursuant to Section 6.1(a) plus any additional Capital Contributions made by such Member in accordance with this Agreement, over (ii) the sum of all prior Distributions to such Member pursuant to this Section 8.1(e); and

(f) *Sixth*, to each of the holders of Participating Units *pro rata* in accordance with the number of Participating Units held by such holder as compared to all outstanding Participating Units.

For the avoidance of doubt, if the amount to be distributed pursuant to Section 8.1 with respect to any particular Distribution for a Management Incentive Unit exceeds the amount of the Participation Threshold of such outstanding Management Incentive Unit (determined immediately prior to such Distribution), then such Management Incentive Unit shall constitute, subject to any other vesting terms applicable to such Management Incentive Units, Participating Units for purposes of Section 8.1 only after a portion of the amount to be distributed in such Distribution equal to the Participation Threshold of such Management Incentive Unit has first been distributed to the holders of outstanding Units (including outstanding Management Incentive Units, if any, that have lesser Participation Thresholds (determined immediately prior to such Distribution)).

Section 8.2. *Mandatory Tax Distributions*. With respect to each Fiscal Year, the Company shall distribute to the Members each fiscal quarter, to the extent of Cash Available for Distribution, amounts intended to enable the Members to discharge their United States federal, state and local income tax liabilities arising from the allocations made pursuant to Article VII (each, a "**Tax Distribution**"). The amount of any such Tax Distribution shall be determined by the Board in its reasonable discretion taking into account (a) the maximum combined United States and state tax rate applicable to individuals or corporations (whichever is higher) on ordinary income and net short-term capital gain or on net long-term capital gain, as applicable, and taking into account the deductibility of state and local income taxes for United States federal income tax purposes (and the deductibility of local income taxes for state tax purposes, if applicable), (b) the amounts so allocated pursuant to Article VII to such Member and (c) Distributions previously made to Members pursuant to Section 8.1 or this Section 8.2 during the Fiscal Year for which such Tax Distribution is being made, and otherwise based on such

reasonable assumptions as the Board determines in good faith to be appropriate. Tax Distributions shall be made to the Members *pro rata* in accordance with their respective allocation of items of gain or income, and shall be treated as advances with respect to amounts otherwise to be received by such Members pursuant to this Article VIII; *provided*, *however*, that if the Board determines in its reasonable discretion that the amount of Cash Available for Distribution is insufficient to discharge the United States federal, state and local income tax liabilities of all Members with respect to the applicable fiscal quarter, Tax Distributions for such fiscal quarter shall be made first to the Preferred Members on a preferred basis prior and in preference to any Tax Distribution to any other Members. Notwithstanding anything to the contrary in this Section 8.2, for so long as any Senior Preferred Unit remains outstanding, no Tax Distribution shall be made to any Member (other than a Senior Preferred Member) unless and until the Preferred Minimum Cash Distribution for the applicable fiscal quarter and all prior fiscal quarters has been paid in full to the Senior Preferred Members.

Section 8.3. *Limitations on Distribution*. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not make any Distribution if such Distribution would violate Section 18-607 of the Delaware Act or other applicable law, but shall instead make such Distribution as soon as practicable after the making of such Distribution would not cause such violation.

ARTICLE IX
BOOKS AND RECORDS

Section 9.1. *Books, Records and Financial Statements*.

(a) The Company shall at all times maintain, at its principal place of business, separate books of account for the Company that shall show a true and accurate record of all costs and expenses incurred, all charges made, all credits made and received and all income derived in connection with the operation of the Company in accordance with GAAP consistently applied, and, to the extent inconsistent therewith, in accordance with this Agreement. Such books of account, together with a copy of this Agreement and the Certificate, shall at all times be maintained at the principal place of business of the Company and shall be open to inspection and examination at reasonable times by each Manager, Board observer, Common Unit Member, Preferred Member and holder of Warrants and their respective duly authorized representatives for any purpose reasonably related to such Person's Interest in the Company.

(c) The Officers shall prepare and maintain, or cause to be prepared and maintained, the books of account of the Company. The following financial information, prepared in accordance with GAAP (or, in the case of clauses (iii) and (v) below, in

accordance with United States federal income tax principles) and applied on a basis consistent with prior periods, which shall be audited (in the case of clauses (i), (ii) and (iv) below), shall be transmitted by the Company to each Common Unit Member, Preferred Member and holder of Warrants as soon as reasonably practicable and in no event later than one hundred twenty (120) days after the close of each Fiscal Year:

(i) balance sheet of the Company as of the beginning and close of such Fiscal Year;

(ii) statement of profits and losses for such Fiscal Year;

(iii) statement of each Member's Capital Account as of the close of such Fiscal Year, and changes therein during such Fiscal Year;

(iv) statement of the Company's cash flows during such Fiscal Year; and

(v) a statement indicating such Member's share of each item of the Company income, gain, loss, deduction or credit for such Fiscal Year for income tax purposes, which statement shall include or consist of a Schedule K-1 to the Company's Internal Revenue Service Form 1065 (or any corresponding schedule to any successor form) for such Fiscal Year; *provided* that, if the information described in this clause (v) has not previously been delivered to the Members for such Fiscal Year, the Company shall provide within ninety (90) days after the close of such Fiscal Year a report to each Member or former Member (or its successor or legal representative) containing estimates of such Member's allocable share of Company income, gain, loss, deduction or credit for such Fiscal Year for income tax purposes.

(d) At least thirty (30) days prior to the start of each Fiscal Year, the Company shall prepare and deliver to each Common Unit Member, Preferred Member and holder of Warrants (i) a copy of the estimated annual tax projections for the upcoming Fiscal Year, and (ii) an annual budget for the upcoming Fiscal Year.

(e) Following the end of each of the Company's four (4) fiscal quarters, the Company shall prepare and provide to each Common Unit Member, Preferred Member and holder of Warrants within sixty (60) days of the end of each quarter a report, which report shall be unaudited and set forth a description of the business activities that took place during such quarter, set forth the operating and financial results of the Company for such quarter.

(f) Within five (5) Business Days of the delivery of the quarterly and annual financial information required by Section 9.1(c) and Section 9.1(e), the Company will conduct a meeting (which such meeting may be a telephonic or video meeting, at the election of Company) of the Preferred Members to discuss the most recently reported financial results and the financial condition of the Company and its Subsidiaries, at which

there shall be present the chief financial officer and such other officers of the Company as may be reasonably requested to attend by the Preferred Members, such request or requests to be made at a reasonable time prior to the scheduled date of such meeting. Such meetings shall be held at a time and place convenient to the Preferred Members and to Company.

(g) Following the end of each month during each Fiscal Year, the Company shall prepare and provide to each Common Unit Member, Preferred Member and holder of Warrants within ten (10) days of the end of each month a monthly report, which report shall be unaudited and set forth the operating and financial results of the Company for such month.

(h) Within sixty (60) days of the end of each of the Company's four (4) fiscal quarters, to the extent otherwise prepared by management in writing, the Company shall provide to each Common Unit Member, Preferred Member and holder of Warrants a management discussion and analysis of any material issues, events or developments that occurred during such quarter.

(i) Notwithstanding any contrary provision in this Agreement or under applicable law, no Management Member (who is not also a Common Unit Member or Preferred Member) shall share in the rights granted to Common Unit Members and Preferred Members in this Section 9.1 or under Section 18-305 of the Delaware Act.

Section 9.2. *Accounting Method*. For both financial and tax reporting purposes and for purposes of determining Profits and Losses, the books and records of the Company shall be kept on the accrual method of accounting and shall reflect all Company transactions and be appropriate and adequate for the Company's business.

ARTICLE X
TAX MATTERS; REGISTRATION RIGHTS

Section 10.1. *Tax Matters*.

(a) For taxable years ending prior to January 1, 2018, the "**Tax Matters Partner**" of the Company for purposes of Section 6231(a)(7) of the Code shall have the power to manage and control, on behalf of the Company, any administrative proceeding at the Company level with the Internal Revenue Service or any other taxing authority relating to the determination of any item of Company income, gain, loss, deduction or credit for United States federal, state, local or foreign income or franchise tax purposes. The Tax Matters Partner shall take such action as may be reasonably necessary to constitute each other Member a "notice partner" within the meaning of Section 6231(a)(8) of the Code. The Tax Matters Partner shall cause to be prepared for each taxable year of the Company the federal, state and local tax returns and information returns, if any, which the Company is required to file, copies of which returns shall be made available by the Company at least thirty (30) days prior to filing for inspection, examination, and approval by any Member or any of its representatives during reasonable

business hours, and all of such persons shall be entitled to make copies or extracts thereof. The Members shall provide any comments on such returns to the Tax Matters Partner within fifteen (15) days after their being made available to the Members. Where the Members are required to file federal, state or local income tax returns by reason of their Interests in the Company, the Tax Matters Partner shall cause them to be furnished with the relevant returns filed by the Company. The Tax Matters Partner shall notify each other Member of all material matters that come to its attention in its capacity as Tax Matters Partner. The Tax Matters Partner shall not have the authority to bind any of the Members, including with respect to any extension of any statute of limitations. The Tax Matters Partner shall be Ganas Investors. Notwithstanding anything herein to the contrary, for taxable periods beginning on or after January 1, 2018, the Tax Matters Partner shall continue to act as the partnership representative (the "**Partnership Representative**") for the Company pursuant to section 6223 of the Code (as enacted and/or adopted by section 1101 of the Bipartisan Budget Act of 2015 (the "**Budget Act**")) and shall adopt, subject to the mutual consent of the Members, amendments to this Section 10.1(a) that comply with and implement the provisions of Section 1101 of the Budget Act, as amended from time to time. In the event that the Partnership Representative is an entity, the Partnership Representative must appoint a designated individual (the "**Designated Individual**"). All of the rights and obligations of the Tax Matters Partner under this Agreement shall inure to the Partnership Representative and Designated Individual, as applicable.

(b) If the Company receives a notice of final partnership adjustment from the Internal Revenue Service to which the provisions of section 1101 of the Budget Act are applicable, the Partnership Representative shall cause the Company to (i) elect the application of section 6226 of the Code, as amended by section 1101 of the Budget Act, with respect to any imputed underpayment arising from such adjustment, and (ii) furnish to each Member a statement of such Member's share of any adjustment to income, gain, loss, deduction, or credit (as determined in the notice of final partnership adjustment). Notwithstanding anything herein to the contrary, the Company shall not make any election pursuant to section 1101(g) of the Budget Act to cause Sections 6221-6241 of the Code (as amended by the Budget Act) to apply to any tax year of the Company beginning prior to January 1, 2018.

(c) If the Company is the subject of an audit by any United States federal, state, local or foreign taxing authority, the Tax Matters Partner or the Partnership Representative, as applicable, (i) shall promptly notify each Member of any administrative or judicial proceeding with respect to the Company; (ii) shall promptly furnish each Member with any material correspondence or communication relating to the Company from the Internal Revenue Service or any state, local or foreign taxing authority received by the Tax Matters Partner; and (iii) shall not settle any material action relating to the tax affairs of the Company without each Member's consent (not to be unreasonably withheld, conditioned, or delayed). Without limitation of the foregoing, the Company shall, within ten (10) days of the receipt of any notice from the Internal Revenue Service or any state, local or foreign tax authority in any administrative

proceeding at the Company level relating to the determination of any Company item of income, gain, loss, deduction or credit, mail a copy of such notice to each Member.

Section 10.2. *Right to Make Section 754 Election*. The Tax Matters Partner may, in its sole discretion, make or apply for permission with the Commissioner of the Internal Revenue Service to revoke, on behalf of the Company, an election in accordance with Section 754 of the Code, so as to adjust the basis of Company property in the case of a distribution of property within the meaning of Section 734 of the Code, and in the case of a transfer of a Company Interest within the meaning of Section 743 of the Code; *provided* that, the Tax Matters Partner shall make such election upon the request of the BlackRock Investors. Each Member shall, upon request of the Company, supply the information necessary to give effect to such an election.

Section 10.3. *Taxation as a Partnership*. The Company shall be treated as a partnership for United States federal, state, local and foreign tax purposes and will make any necessary elections to achieve such status, unless the Company undertakes to change such status in connection with a Qualified Public Offering. Except in connection with a Qualified Public Offering, this Section 10.3 cannot be amended, waived or otherwise modified without prior consent of the Preferred Members.

Section 10.4. *Tax Withholding*. The Company shall comply with any withholding requirements under any law and shall remit amounts withheld to and file required forms with applicable taxing authorities. To the extent that the Company is required to withhold and pay over any amounts to any taxing authority with respect to Distributions or allocations to any Member or any holder of currently exercisable Warrants, the amount withheld shall be treated as a distribution of cash to such Member or such holder of currently exercisable Warrants in the amount of such withholding; *provided*, *however*, that the Company shall provide written notice to such Member or such holder of currently exercisable Warrants within a reasonable time prior to such withholding and shall work in good faith with such Member or such holder of currently exercisable Warrants to reduce any such withholding.

Section 10.5. *Tax Treatment of the Warrants*. Solely for U.S. federal, state and local tax purposes, a holder of currently exercisable Warrants shall be treated as a "partner" within the meaning of Section 761(b) of the Code (and any analogous provision of state and local law) and as the owner of the Common Units underlying such Warrants, references to "Member" or "Members" shall include holders of Warrants to the extent necessary to give full effect thereto and the Warrant Agreement shall constitute and be treated as a part of this Agreement.

Section 10.6. *Registration Rights*. The terms governing the registration rights of holders of Preferred Units and the Warrants are set forth in the Registration Rights Agreement.

Section 10.7. *Qualified Financing Sales*. Each holder of Senior Preferred Units and/or Warrants may sell up to the greater of (i) the amount (but only such amount)

required to reduce such holder's equity interest (taken together with all Affiliated holders of Preferred Units and Warrants) (on an as-converted basis) to less than 9.9% of the Company's common equity and (ii) 37.5% of such holder's equity interests (on an as-converted basis), in each case at the time of a Qualified Financing or any time thereafter. If so requested by holders of Senior Preferred Units or Warrants to effect the foregoing, the Company shall redeem a sufficient amount of such holder's equity securities at the time of the Qualified Financing and at the price per Common Unit applicable in the Qualified Financing and/or permit such holders to participate as a seller of their applicable equity securities in such Qualified Financing. All equity interests not sold pursuant to the foregoing shall be subject to the same lock-up period as all other equity holders (not to exceed 180 days) in the event of a Qualified Financing that is a Qualified Public Offering or a SPAC Transaction.

ARTICLE XI
LIABILITY, EXCULPATION AND INDEMNIFICATION

Section 11.1. *Liability*. Except as otherwise provided by the Delaware Act, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and no Covered Person or Member shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a Covered Person or Member.

Section 11.2. *Exculpation*.

(a) No Covered Person shall be liable to the Company or any Member for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such Covered Person in good faith on behalf of the Company and in a manner reasonably believed to be within the scope of authority conferred on such Covered Person by this Agreement, the Board or an appropriate Officer or employee of the Company, except that a Covered Person shall be liable for any such loss, damage or claim incurred by reason of such Covered Person's gross negligence, fraud, willful misconduct or breach of any duty owed to the Company or its Members.

(b) A Covered Person shall be fully protected in relying in good faith upon the records of the Company and upon such information, opinions, reports or statements presented to the Company by any Person as to matters the Covered Person reasonably believed to be within such other Person's professional or expert competence, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, Profits or Losses or any other facts pertinent to the existence and amount of assets from which distributions to Members might properly be paid.

Section 11.3. *Fiduciary Duty*.

(a) In the exercise of rights and performance of duties hereunder, solely to the extent such Persons are not an Officer of the Company, each Member (in such Member's capacity as a Member), each Manager (in such Manager's capacity as a Manager), each

Board observer (including any Senior Preferred Observer) and any committee of the Board and member of any committee of the Board, shall, to the fullest extent permitted by applicable law, have no fiduciary duties to the Company or to any other Member. For purposes of clarity, and notwithstanding anything herein to the contrary, any Manager that is also an Officer (a "**Fiduciary Manager**"), the Officers and other employees of the Company shall owe fiduciary duties to the Company and all of the Members as a whole (and not to any other Member or subset of Members) of the same kind and to the same extent such Managers, Officers and employees would owe fiduciary duties to the Company and its Members if the Company were a corporation formed under the General Corporation Law of the State of Delaware and its Members were shareholders of the Company.

(b) Except as otherwise provided herein to the contrary and other than with respect to any Fiduciary Manager, to the fullest extent permitted by the Delaware Act, a person, in performing his duties and obligations as a Manager under this Agreement, shall be entitled to act or omit to act at the direction of, or in a manner that such Manager believes is in the best interest of, the Member(s) that designated such person to serve as a Manager, considering only such factors, including the separate interests of the designating Member(s), as such Manager or Member(s) choose to consider, and any action of a Manager or failure to act shall not, as between the Company and the other Member(s), on the one hand, and the Manager or Member(s) designating such Manager, on the other hand, constitute a breach of any duty (including any fiduciary or other similar duty, to the extent such exists under the Delaware Act or any other applicable law) on the part of such Manager or Member(s) to the Company or any other Manager or Member of the Company.

(c) The Members (and the Members on behalf of the Company) hereby: (i) agree that (A) the terms of this Section 11.3, to the extent that they modify or limit a duty or other obligation, if any, that a Manager may have (it being acknowledged and agreed that no such modification or limitation shall apply to any duty or obligation of a Fiduciary Manager) to the Company or any Member under the Delaware Act or other applicable law are reasonable in form, scope and content, and (B) the terms of this Section 11.3 shall control to the fullest extent possible if it is in conflict with a duty, if any, that a Manager may have to the Company or any Member, under the Delaware Act or any other applicable law; and (ii) waive to the fullest extent permitted by the Delaware Act any duty or other obligation, if any, that a Manager (other than a Fiduciary Manager) may have to the Company or any Member, pursuant to the Delaware Act or any other applicable law, to the extent necessary to give effect to the terms of this Section 11.3.

Section 11.4. *Indemnification*. To the fullest extent permitted by applicable law, each Member and each Covered Person shall be entitled to indemnification from the Company for any loss, damage or claim incurred by such Member or Covered Person by reason of any act or omission performed or omitted by such Member or Covered Person in good faith on behalf of the Company and in a manner reasonably believed to be within the scope of authority conferred on such Member or Covered Person by this Agreement,

except that no Member or Covered Person shall be entitled to be indemnified in respect of any loss, damage or claim incurred by reason of such Member's or Covered Person's gross negligence, fraud, willful misconduct or breach of any duty owed to the Company or its Members; *provided*, *however*, that any indemnity under this Section 11.4 shall be provided out of and to the extent of Company assets only, and no Covered Person shall have any personal liability on account thereof.

Section 11.5. *Expenses*. To the fullest extent permitted by applicable law, reasonable expenses (including reasonable legal fees) incurred by each Member and each Covered Person in defending any claim, demand, action, suit or proceeding shall, from time to time, be advanced by the Company prior to the final disposition of such claim, demand, action, suit or proceeding upon receipt by the Company of an undertaking by or on behalf of the Member or Covered Person to repay such amount if it shall be determined that the Member or Covered Person is not entitled to be indemnified as authorized in Section 11.4. The Company shall reimburse any Senior Preferred Manager and any Senior Preferred Observer for the reasonable and documented out-of-pocket travel expenses incurred by the Senior Preferred Manager in connection with the attendance at, or participation in, meetings attended in person by such Senior Preferred Manager or Senior Preferred Observer in accordance with Section 5.21, and the Senior Preferred Members for all fees and expenses incurred by the Senior Preferred Members in connection with amending or modifying this Agreement or any related documentation.

Section 11.6. *Insurance*. The Company shall purchase and maintain directors and officers insurance ("**D&O Insurance**"), to the extent and in such amounts as the Board shall deem reasonable or appropriate, on behalf of Members and Covered Persons and such other Persons as the Board shall determine, against any liability that may be asserted against or expenses that may be incurred by any such Person in connection with the activities of the Company or such indemnities, regardless of whether the Company would have the power to indemnify such Person against such liability under the provisions of this Agreement. The Members and the Company may enter into indemnity contracts with Members, Covered Persons and such other Persons as the Board shall determine and adopt written procedures pursuant to which arrangements are made for the advancement of expenses and the funding of obligations under Section 11.5 and containing such other procedures regarding indemnification as are appropriate.

Section 11.7. *Outside Businesses*. Any Member or Manager (but excluding any Member or Manager that is an Officer or an employee of the Company and excluding their respective Affiliates) or Affiliate thereof (but excluding Affiliates of any Member or Manager that is an Officer or an employee of the Company and excluding their respective Affiliates) may engage in or possess an interest in other business ventures of any nature or description, independently or with others, similar or dissimilar to the business of the Company, and the Company and the Members shall have no rights by virtue of this Agreement in and to such independent ventures or the income or profits derived therefrom, and the pursuit of any such venture, even if competitive with the business of the Company, shall not be deemed wrongful or improper. No Member, Manager or

Affiliate thereof (but excluding Members and Managers that are an Officer or an employee of the Company and excluding their respective Affiliates) shall be obligated to present any particular investment opportunity to the Company even if such opportunity is of a character that, if presented to the Company, could be taken by the Company, and any Member, Manager or Affiliate thereof (but excluding Members and Managers that are an Officer or an employee of the Company and excluding their respective Affiliates) shall have the right to take for its own account (individually or as a partner or fiduciary) or to recommend to others any such particular investment opportunity. The provisions of this Section 11.7 shall not in any way limit, modify or amend the terms of any noncompetition, license or employment agreement that may be entered into between the Company and any Member, which terms shall be binding on the parties thereto.

Section 11.8. *Primary Indemnitor*. The Company hereby acknowledges that the Senior Preferred Members, the Senior Preferred Managers and the Senior Preferred Observers (the "**Fund Indemnitees**") each has certain rights to indemnification, advancement of expenses and/or insurance provided by the BlackRock Investors and certain of its Affiliates (collectively, the "**Fund Indemnitors**"). The Company hereby agrees (a) that it is the indemnitor of first resort (i.e., its obligations to the Fund Indemnitees are primary and any obligation of the Fund Indemnitors to advance expenses or to provide indemnification for the same expenses or liabilities incurred by such Persons are secondary), (b) that it shall be required to advance the full amount of expenses incurred by each of the Fund Indemnitees and shall be liable for the full amount of all expenses, judgments, penalties, fines and amounts paid in settlement to the extent legally permitted and as required by the terms of this Agreement and the Certificate of Formation of the Company (or any other agreement between the Company and such Persons), without regard to any rights any such Persons may have against the Fund Indemnitors, and (c) that it irrevocably waives, relinquishes and releases the Fund Indemnitors from any and all claims against the Fund Indemnitors for contribution, subrogation or any other recovery of any kind in respect thereof. The Company further agrees that no advancement or payment by the Fund Indemnitors on behalf of any of the Fund Indemnitees with respect to any claim for which such Person has sought indemnification from the Company shall affect the foregoing and the Fund Indemnitors shall have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery of the Fund Indemnitees, as applicable, against the Company. The Company and the Members hereby agree that the Fund Indemnitors are express third party beneficiaries of the terms of this Section 11.8.

ARTICLE XII
TRANSFERS OF INTERESTS

Section 12.1. *Transfers*.

(a) No Member or Assignee may Transfer all or any portion of its Interest (or beneficial interest therein), except in accordance with the terms of this Agreement. Any purported Transfer which is not in accordance with this Agreement shall be null and void.

(b) Notwithstanding any contrary provision in this Agreement:

(i) any Member shall be permitted to Transfer all or any portion of its Eligible Units (or beneficial interest therein) pursuant to and in accordance with Section 12.8;

(ii) any Member shall be permitted to Transfer all or any portion of its Eligible Units (or beneficial interest therein) to any Affiliate of such Member without complying with any provisions of this Article XII other than Section 12.2, so long as at all times thereafter the Transferee remains an Affiliate of such Member; *provided, however*, that with respect to any transfers to Affiliates contemplated in this clause (ii), (A) such Member continues to be liable for its obligations hereunder, (B) any such Affiliate shall transfer such Eligible Units to the Member from whom the Eligible Units were originally received or acquired within five (5) calendar days after ceasing to be an Affiliate of such Member, and (C) such Affiliate shall be deemed a Substitute Member immediately upon the Company's receipt of original copies of the documents described in Section 12.2(h) and Schedule A shall be amended accordingly at such time;

(iii) the Senior Preferred Members and the holders of Warrants shall be permitted to Transfer all or any portion of their Eligible Units (or beneficial interests therein) (including for the avoidance of doubt any Common Units issued upon the exercise of any Warrants) to any Eligible Preferred Transferee, and such transferees shall be deemed a Substitute Member immediately upon the Company's receipt of original copies of the documents described in Section 12.2(h) and Schedule A shall be amended accordingly at such time; and

(iv) a Transfer or issuance of equity interests in or other securities of Ganas Investors, Tricolor Investors, LLC or any investment fund, intermediate holding company or similar entity affiliated with either Ganas Investors or Tricolor Investors, LLC (each of the foregoing, a "**Daniel Chu Related Entity**"), shall be permitted (and shall not be subject to the provisions of Section 12.8, but shall be subject to the provisions of Section 12.2), subject to the prior written consent of the Senior Preferred Members; *provided, however,* that no such prior written consent of the Senior Preferred Members shall be required for a Transfer of any equity interests in or other securities of any Daniel Chu Related Entity by the holder thereof (other than Daniel Chu) to any Estate Planning Entity.

(c) The Company shall provide or consent to provide any bona fide prospective transferee of Preferred Units or Warrants with the information provided to Preferred Members and the holders of Warrants hereunder and shall use commercially reasonable efforts to assist any Preferred Member with the transfer of Preferred Units and any holder of Warrants with the transfer of Warrants.

Section 12.2. *Further Restrictions*. Notwithstanding any contrary provision in this Agreement, any otherwise permitted Transfer shall be null and void if:

(a) such Transfer would cause a termination of the Company for federal income tax purposes;

(b) such Transfer would, in the written opinion of outside tax counsel to the Company, cause the Company to cease to be classified as a partnership for federal income tax purposes;

(c) such Transfer requires the registration of such Transferred Units pursuant to any applicable federal or state securities laws;

(d) such Transfer causes the Company to become a "publicly traded partnership," as such term is defined in Sections 469(k)(2) or 7704(b) of the Code;

(e) such Transfer subjects the Company to regulation under the Investment Company Act of 1940, the Investment Advisers Act of 1940 or the Employee Retirement Income Security Act of 1974, each as amended;

(f) such Transfer results in a violation of applicable laws;

(g) such Transfer is made to any Person who lacks the legal right, power or capacity to own such Interest; or

(h) the Company does not receive executed copies of (i) any instruments of Transfer, and (ii) such Assignee's consent to be bound by this Agreement as an Assignee, in each case in form and substance satisfactory to the Board (as determined in the Board's reasonable and good faith discretion).

Section 12.3. *Rights of Assignees*. Until such time, if any, as a transferee of any Transfer pursuant to this Article XII or a transferee acquiring Units pursuant to Section 12.8 is admitted to the Company as a Substitute Member pursuant to Section 12.6, (a) such transferee shall be an Assignee only, and only shall receive, to the extent Transferred, the Distributions and allocations of income, gain, loss, deduction, credit, or similar item to which the Member which Transferred its Interests would be entitled, and (b) such Assignee shall not be entitled or enabled to exercise any other rights or powers of a Member. In the event any Assignee desires to make a further assignment of any economic interest in the Company, such Assignee shall be subject to all of the provisions of this Agreement to the same extent and in the same manner as any Member desiring to make such an assignment.

Section 12.4. *Admissions and Resignations*. No Person shall be admitted to the Company as a Member under this Article XII except in accordance with Section 12.6. Except following a Transfer of all of its Interests in accordance with the terms of this Agreement, no Member shall be entitled to resign or withdraw from being a Member of the Company without the written consent of the Board, which consent may be given or withheld in its sole and absolute discretion. No admission or resignation of a Member shall, in and of itself, cause the dissolution of the Company. No Member shall be subject

to removal. Any purported admission or resignation which is not in accordance with this Agreement shall be null and void.

Section 12.5. *Payment Upon Resignation of Member*. If any Member resigns from the Company with the consent of the Board (other than in connection with a Transfer of its Interest in accordance with this Agreement) (such consent requiring the approval of at least one (1) Senior Preferred Manager), then such Member automatically shall receive from the Company a payment equal to the Member's Capital Account balance as adjusted as of the effective date of the written election of resignation (the "**Termination Payment**"). The Termination Payment shall be paid on the effective date of the written resignation. If any Member attempts to resign from the Company without the consent of the Board, then, notwithstanding the last sentence of Section 12.4, the Board may, in its sole and absolute discretion, permit such resignation (without waiving, in any manner, any other rights available to it or the Company at law or in equity and in addition to, and not in lieu of, any other remedies to which it or the Company may be entitled); *provided*, *however*, that such resigning Member shall not be entitled to any Termination Payment or any other compensation whatsoever in consideration for its Interest, such Interest shall be cancelled and such resigning Member shall have no further rights or interests in the Company.

Section 12.6. *Admission of Assignees as Substitute Members*. An Assignee shall become a Substitute Member only if and when each of the following conditions is satisfied:

(a) the assignor of the Interests transferred sends written notice to the Board requesting the admission of the Assignee as a Substitute Member and setting forth the name and address of the Assignee, the Interest transferred, and the proposed effective date of the Transfer;

(b) the Board consents in writing to such admission, which consent shall be given, subject to Section 12.2; *provided*, *however*, that, other than with respect to a Transfer of Preferred Units, the assignor and the Assignee have complied with the provisions of Section 12.8 in connection with the assignment; and

(c) the Board receives from the Assignee (i) other than with respect to a Transfer of Senior Preferred Units, such information concerning the Assignee's financial capacities and investment experience as may reasonably be requested by the Board, and (ii) (A) copies of any instruments of Transfer and (B) such Assignee's consent to be bound by this Agreement as a Substitute Member, in each case in form and substance satisfactory to the Board (as determined in the Board's reasonable discretion). Upon the admission of any Substitute Member, Schedule A shall be amended to reflect the name, address and Interests of such Substitute Member and to appropriately eliminate or adjust, if necessary, the name, address and Interests of the predecessor of such Substitute Member and such updated Schedule A shall be provided to each Member on such Schedule A promptly after any such amendment.

Section 12.7. *Transfer Upon Termination of Marital Relationship*.

(a) The Interest (other than the Preferred Units or any Registrable Securities) of each Person (i) who was married to a Member and who acquired his or her Interest as a result of a divorce, marital dissolution or agreement relating thereto or pursuant to a partition or similar agreement, or (ii) who acquired his, her or its Interest as a beneficiary or distributee of the assets of any deceased Person (whether pursuant to a will, intestate succession or otherwise) who was married to a Member (a "**Deceased Spouse**") and who was not already a Member immediately prior to such distribution or bequest, is subject to an option to purchase (the "**Marital Option**") in favor of the Member from whom the Interest was acquired with respect to the acquisition described in the preceding clause (i) hereof or in favor of the Member who was married to the Deceased Spouse immediately prior to the death of the Deceased Spouse with respect to the acquisition described in the preceding clause (ii) hereof (in each case the "**Continuing Member**"). Upon the exercise of a Marital Option, the Person who owns the Interest subject to the Marital Option (the "**Optionee**") must sell the Interest at the price and on the other terms and conditions agreed upon by the Optionee and the Continuing Member.

(b) If the purchase of an Interest that is subject to a Marital Option is not completed (whether by reason of a failure to exercise the Marital Option or to agree upon price, terms or conditions or any other reason) within sixty (60) calendar days after the Marital Option becomes exercisable, the Eligible Members other than the Continuing Member (such Eligible Members, the "**Buyer**") shall have the continuing right to purchase the Interest of the Optionee (*pro rata* in accordance with the number of Eligible Units held by each such Eligible Member as compared to the total number of Eligible Units held by all the Eligible Members exercising a purchase right under this Section 12.7) (the "**Purchase Interest**"). Any purchase and sale of a Purchase Interest pursuant to this Section 12.7(b) shall be in an amount due and payable as determined pursuant to the provisions of this Section 12.7.

(c) In the event that the Buyer elects to exercise its right under Section 12.7(b) above, it may give the Optionee written notice of such election at any time after the date on which the Buyer first has knowledge of the occurrence of the event giving rise to the rights of the Buyer under this Section. The amount of the purchase price for the Optionee's Purchase Interest (unless agreed upon by the Optionee and the Buyer within thirty (30) days after the Buyer's notice to the Optionee) in connection with any such event shall be the amount which the Optionee would have received with respect to the Purchase Interest had all of the property of the Company been sold at a price equal to the Fair Market Value of such property (determined (i) as of the date the Optionee receives notice of Buyer's election to purchase, and (ii) in accordance with the provisions of Section 12.7(f)), and the Company was then liquidated in accordance with this Agreement.

(d) The closing of such sale shall take place within ten (10) days after the date of the determination of the purchase price, or, if applicable, on the third Business Day following the date on which any required governmental approvals for such sale are

obtained or the expiration of any waiting period under the Hart Scott Rodino Antitrust Improvements Act of 1976, as amended (the "**HSR Act**"), with the time and place of the closing designated by the Buyer. The purchase price shall be payable upon terms and conditions agreed to between Buyer and the Optionee, or if Buyer and the Optionee are unable to agree, then as follows: (i) 25% of the total purchase price shall be paid by Buyer to the Optionee in cash at the closing, and (ii) the remaining portion of the purchase price shall be evidenced by a promissory note given by Buyer in favor of the Optionee, which promissory note shall bear interest on the unpaid principal balance at the General Interest Rate and require three equal payments of principal plus all accrued and unpaid interest thereon with the first, second and third payments being due on the first, second and third anniversary dates, respectively, of the closing date. Each party shall bear its own legal and accounting fees, if any. At least five (5) Business Days before the closing, the Optionee shall deliver all appropriate documents of transfer in form satisfactory for execution at the closing. The purchase price hereunder may be funded by insurance or otherwise.

(e) From the date of the event described in Section 12.7(a) to the date of the Transfer of the Purchase Interest under this Section 12.7, the Interest represented by the Purchase Interest will be excluded from any calculation of aggregate Percentage Interests for purposes of any approval required of Members under this Agreement. All distributions of cash or assets due to the Optionee by the Company from the date of the event described in Section 12.7(a) to the date of the closing of the purchase may be applied against obligations of the Optionee. Without limiting the generality of any other provision of this Agreement, upon the exercise of the Marital Option, the Optionee, without further action, will have no rights in the Company or against the Company or any Member other than the right to receive payment for the Purchase Interest in accordance with Section 12.7(d).

(f) In the event that the fair market value of all or any part of the property of the Company is required to be determined for purposes of this Section 12.7, the fair market value, unless otherwise agreed upon, shall be determined as provided in this Section 12.7(f). Within ten (10) days after a determination of fair market value is determined to be required under Section 12.7, the Buyer and the Optionee shall select a mutually agreeable independent, qualified valuation consultant (a "**Consultant**"). If the Buyer and the Optionee cannot agree on a Consultant within a reasonable time, they shall each promptly select an independent valuation consultant and those two consultants shall promptly select a third independent, qualified valuation consultant to be the Consultant. The Consultant so selected shall proceed to determine promptly the fair market value of the property in question in accordance with such methods and techniques as shall enable the Consultant to complete the valuation of all such property within thirty (30) days of appointment and in the least expensive manner reasonably possible while obtaining a reasonable determination of the fair market values of the properties including if necessary, procedures producing a result less formal than an appraiser's opinion as to value. The Consultant shall deliver a written report of its determination of fair market value to all interested parties and, absent fraud or manifest error, this determination shall

be final and binding on the interested parties for purposes of this Section 12.7. After determination of the fair market value of the Company property, the Consultant shall make a determination of the amount due to the Optionee in accordance with Section 12.7(c) as if all the property of the Company were sold at the fair market value determined by the Consultant and the Company was then liquidated in accordance with this Agreement. For purposes of this Section 12.7(f), no minority discount or lack of marketability discount shall be applied. The fees and expenses of the Consultant shall be borne by the Optionee.

(g) In no event will the Optionee who owns an Interest subject to a Marital Option have any right to purchase an Interest of any Member or Assignee under the terms of this Agreement or be deemed to be admitted as a Member unless and until all the requirements of Section 12.6 have been satisfied.

Section 12.8. *Right of First Refusal*.

(a) Except in the case of (i) a Transfer permitted pursuant to Section 12.1 or 12.7 or (ii) a Transfer of any Eligible Unit (including for the avoidance of doubt any transfer of Common Units issued upon the conversion of Preferred Units or the exercise of any Warrants) held by a Senior Preferred Member or a holder of Warrants, in the event any Member or Assignee (an "**Offering Holder**") desires to Transfer any Eligible Units in a transaction, it must first deliver written notice thereof (an "**Offer Notice**") to the Company and the Eligible Members. The Offer Notice must contain a full description of the proposed Transfer, including the type of Transfer, the number of Affected Units, the proposed per Unit purchase price and terms of payment for the Affected Units, the proposed date of such Transfer and the identity of the proposed transferee, and must be accompanied by a copy of the proposed transferee's offer to acquire the Affected Units. An Offer Notice shall constitute the Offering Holder's binding agreement to sell the applicable number of Affected Units to each of the Eligible Members and the Company on the terms and conditions specified therein (or, in the event that part of the consideration for the proposed transfer is other than cash, for the Fair Market Value of such non-cash consideration as determined by the Board in good faith).

(b) Each of the Eligible Members shall have thirty (30) days after its receipt of the Offer Notice to elect, by delivering a written acceptance to the Offering Holder and the Company (a "**ROFR Acceptance Notice**"), to purchase some or all of the Affected Units.

(c) To the extent that any Eligible Members elect to purchase Affected Units, the Affected Units shall be allocated first to each Eligible Member up to such Eligible Member's Pro-Rata Allotment. If all of the Affected Units are not allocated pursuant to the first sentence hereof and any Eligible Members have indicated in their ROFR Acceptance Notice that they wish to purchase additional Affected Units, then each Eligible Member who so indicated a desire to purchase additional Affected Units shall be allocated an additional amount of Affected Units equal to the product of (i) the total number of Affected Units available for purchase and not yet allocated, *multiplied by* (ii) a

fraction, the numerator of which is the number of Units owned by such Eligible Member and the denominator of which is the total number of Units owned by all Eligible Members who desire to purchase additional Units. The procedure in the preceding sentence shall be repeated until either (A) all of the Affected Units have been allocated to Eligible Members, or (B) each of the Eligible Members has purchased the maximum amount of Units that they have indicated that they desire to purchase in their ROFR Acceptance Notice.

(d) With respect to any purchase of Affected Units pursuant to this Section 12.8, the purchase price for the Affected Units and the other terms of transfer shall be as set forth in the Offer Notice. The closing of such Transfer shall take place at the Company's principal office at 10:00 a.m. local time on the tenth (10th) Business Day after the Cut-Off Date, or, if applicable, on the third Business Day following the date on which any required governmental approvals for such Transfer are obtained or the expiration of any waiting period under the HSR Act, or at such other place, time or date as the Offering Holder and the purchaser(s) of Affected Units (the "**Purchasers**") mutually agree. At the closing, the Offering Holder shall deliver to each Purchaser its confirmation that it has transferred the Affected Units free and clear of any and all pledges, liens, claims, security interests or other encumbrances (other than restrictions imposed by this Agreement) and the Purchaser shall pay to the Offering Holder the consideration set forth in the Offer Notice in accordance with the terms described therein. In the event any Purchaser fails to obtain any such required governmental consent or approval (or the expiration of any waiting period under the HSR Act) prior to the 60th day after the Cut-Off Date (or such later date as may be agreed to by the Offering Holder), after having attempted in good faith, using commercially reasonable efforts, to obtain such consent or approval (or such expiration), such Purchaser shall be released from its obligation to purchase any Affected Units in excess of the amount for which such governmental consent or approval is required (or which could be purchased without any filing under the HSR Act). Such excess Units shall be reallocated among the other Purchasers utilizing the same procedure as outlined in Section 12.8(c).

(e) Subject to the provisions of this Article XII, in the event that all of the Affected Units are not purchased pursuant to this Section 12.8, the Offering Holder shall be free to Transfer such unpurchased Affected Units in strict accordance with the terms set forth in the Offer Notice at any time within sixty (60) days after the Cut-off Date (the "**Transfer Period Termination Date**"), *provided* that if the Offering Holder has executed a definitive agreement for the sale of all of such Affected Units within thirty (30) days after the Cut-off Date, then the Offering Holder shall be entitled to extend the Transfer Period Termination Date for up to an additional thirty (30) days to effect the closing of such sale, or, if any required governmental approval (or expiration of any waiting period) has not been obtained by such date, to such date (not more than 120 days after the Cut-off Date) as may be required for any necessary governmental approvals (or expiration of any waiting period) for such Transfer to be obtained. In the event that the Offering Holder does not sell or otherwise dispose of all of such Affected Units in the manner set forth in the immediately preceding sentence prior to the Transfer Period

Termination Date, the right of first refusal provided for in this Section 12.8 shall continue to be applicable to any subsequent disposition of such Units.

(f) This Section 12.08 shall cease to be of any further effect upon the consummation of a Qualified Public Offering.

Section 12.9. *Interests in a Member*. Without the consent of the Board, a Member (other than a Senior Preferred Member) that is not a natural person may not cause or permit an Interest, direct or indirect, in itself to be Transferred such that, after the Transfer, such Member shall cease to be controlled by substantially the same Persons who control it as of the date of its admission to the Company. On any breach of the provisions of the preceding sentence, the Company shall have the option to buy, and on exercise of that option the breaching Member shall sell, the breaching Member's Interests, all in accordance with the provisions of Sections 12.7(b) through 12.7(g), applied *mutatis mutandis*, as if the Interest held by such Member were held by an Optionee.

Section 12.10. *Forced Sale Right*.

(a) Generally. At any time after September 2, 2026 (or, if earlier, upon a breach by the Company of its obligations to mandatorily redeem the Senior Preferred Units pursuant to Section 4.3(f), which breach remains uncured for six months), if any Senior Preferred Units remain outstanding, the Senior Preferred Members holding a majority of the Senior Preferred Units shall have the right to cause the Company, at their written request delivered to the Company (a "**Sale Notice**"), to initiate a Sale Transaction. Upon receipt of such Sale Notice, the Company shall promptly engage in a comprehensive sales process in good faith, including selecting a nationally recognized investment banking firm having experience in the industry in which the Company is engaged to assist the Company in a sales process and in the preparation of a market due diligence report and a quality of earnings report. The failure of the Company to (i) promptly initiate a Sale Transaction sales process upon receipt of a Sale Notice, (ii) engage a nationally recognized investment bank in connection with such Sale Transaction process as soon as reasonably practicable following receipt of a Sale Notice, or (iii) consummate a Sale Transaction within twelve months of the Company's receipt of a Sale Notice shall constitute a "**Sale Demand Failure**". The Members agree that in connection with a Sale Transaction pursuant to this Section 12.10, the holders of Units will be required to participate in the Sale Transaction pursuant to Section 12.10(c). For the avoidance of doubt, at least one Senior Preferred Manager will serve on any committee of the Board with responsibility with respect to such sale process, and the Senior Preferred Members will receive copies of all materials generated during the sales process, including the market due diligence report and quality of earnings report referred to herein.

(b) Sale Demand Failure. Upon the occurrence of a Sale Demand Failure, the Senior Preferred Members holding a majority of the Senior Preferred Units shall have the right to control and implement a Sale Transaction in good faith until either (i) a Sale Transaction is consummated which results in the Senior Preferred Units being redeemed

at a price at least equal to the price payable pursuant to a Senior Preferred Mandatory Redemption Event, or (ii) no Senior Preferred Units remain outstanding.

(c) Drag-Along.

(i) If, (A) following the occurrence of a Sale Demand Failure, the Senior Preferred Members holding a majority of the Senior Preferred Units receive a bona fide offer from a third party which qualifies as a Change of Control transaction or which proposes to acquire all or substantially all of the assets of the Company (whether pursuant to a merger, sale of equity interests, sale of assets or otherwise) or (B) at any time (x) Ganas Investors and (y) Senior Preferred Members holding a majority of the Senior Preferred Units mutually agree to effect a Change of Control transaction or to sell all or substantially all of the assets of the Company (whether pursuant to a merger, sale of equity interests, sale of assets or otherwise) (the Senior Preferred Members holding a majority of the Senior Preferred Units, in the case of clause (A), or Ganas Investors and Senior Preferred Members holding a majority of the Senior Preferred Units, collectively, in the case of clause (B), the "**Drag-Along Rightholders**", and the applicable transaction pursuant to clause (A) or clause (B), a "**Drag-Along Sale**"), the Drag-Along Rightholders may send written notice (the "**Drag-Along Notice**") to the Company and the other Members (the "**Drag-Along Sellers**") notifying them they will be required to (i) if applicable, sell such amount of Units and Warrants held by such Drag-Along Seller such that (A) the quotient obtained by dividing (x) the number of Units (on a Fully Diluted Basis, including Common Units issuable upon exercise of Warrants) to be sold by such Drag-Along Seller in such Drag-Along Sale by (y) the number of Units (on a Fully Diluted Basis, including Common Units issuable upon exercise of Warrants) held by such Drag- Along Seller prior to such Drag-Along Sale is equal to (B) the quotient obtained by dividing (x) the number of Units (on a Fully Diluted Basis, including Common Units issuable upon exercise of Warrants) to be sold by the Drag-Along Rightholders in such Drag-Along Sale by (y) the number of Units (on a Fully Diluted Basis, including Common Units issuable upon exercise of Warrants) held by the Drag-Along Rightholders immediately prior to such Drag-Along Sale or (ii) in the case of any asset sale or merger as described above in this Section 12.10(c)(i), to vote its Units as further provided in Section 12.10(d). The Drag-Along Notice shall set forth the terms and conditions of the Drag-Along Sale, including the number of Units (including Common Units issuable upon exercise of Warrants) proposed to be transferred, the consideration to be received by the Drag-Along Rightholders and the estimated time and place of closing.

(ii) If the Drag-Along Rightholders have not consummated the proposed sale to which reference is made in the Drag-Along Notice within one hundred eighty (180) days (or longer, if reasonably necessary to comply with applicable requirements of law) following delivery of the Drag-Along Notice, the Drag-Along Notice shall be null and void, each Drag-Along Seller shall be

released from his, her or its obligation under the Drag-Along Notice and it shall be necessary for a separate Drag-Along Notice to be furnished and the terms and provisions of Section 12.10(c)(i) separately complied with, in order to consummate such proposed sale pursuant to Section 12.10(c)(i). Notwithstanding any other provision of Section 12.10(c)(i), the election to pursue such Drag-Along Sale shall be in the sole discretion of the Drag-Along Rightholders, who may take into account their individual interests, and there shall be no liability on the part of any Drag-Along Rightholder to any other Member arising from the failure of any Drag-Along Rightholder to pursue or consummate the Drag-Along Sale for any reason, and the decision to consummate such Drag-Along Sale shall be in the sole discretion of the Drag-Along Rightholder.

(d) Provisions Applicable to Drag-Along Sales.

(i) The Company and each Member participating in a proposed sale under Section 12.10(c), solely in its capacity as a Member of the Company shall take or cause to be taken at the expense of the Company all such reasonable actions consistent with the terms of Section 12.10 of this Agreement as may be necessary or reasonably desirable in order expeditiously to consummate such sale and any related transactions, including: (A) executing, acknowledging and delivering consents, assignments, waivers and other documents or instruments; (B) voting any Units over which such Member has voting power; and (C) otherwise reasonably cooperating with the selling Drag-Along Rightholder and the prospective buyer.

Without limiting the generality of the foregoing, each such Member agrees to execute and deliver such agreements as may be reasonably specified by the Drag-Along Rightholder, including agreements to (1) make individual customary representations, warranties, covenants and other agreements as to, among other things, regarding its authority, non-contravention and title to and ownership such Units, (2) be severally based on the proceeds received by such Member, not jointly, liable with all other sellers (whether by purchase price adjustment, indemnity payments or otherwise) in respect of representations, warranties, covenants and other agreements in respect of the Company and its Subsidiaries, (3) provide indemnification obligations in respect of breaches of the matters described in clauses (1) and (2); *provided, however,* that, the aggregate liability of any such Member (other than in the case of fraud by such Member) in respect of the indemnification obligations described above shall not exceed such Member's *pro rata* portion of the proceeds (either in cash or other forms of consideration) actually received by such Member in connection with such sale, and (4) waive any appraisal or dissenters' rights which it may have in connection therewith.

(ii) The consummation of a sale pursuant to Section 12.10(c) shall be substantially in accordance with the terms and conditions set forth in the Drag-Along Notice and each participating Member in such sale shall receive the same form of consideration (except that holders of Management Incentive Units may receive securities pursuant to a management rollover which are not offered to all

Member), and the same amount of consideration per Unit (on a Fully Diluted Basis (net of any applicable exercise prices)) as received by the holders of other Units of the same priority. The closing of such sale shall take place at such time and place as the Drag- Along Rightholders shall reasonably specify by notice to each participating Member.

Section 12.11. *Preemptive Rights*.

(a) The Company shall give each Member notice (an "**Issuance Notice**") of any proposed issuance by the Company of any Company Securities at least 20 days prior to the proposed issuance date. For purposes of this Section 12.11, the term "Member" also includes each holder of a Warrant with respect to which, at the time of such notice, the Exercisable Date (as defined in the applicable Warrant) has occurred. The Issuance Notice shall specify the price at which such Company Securities are to be issued and the other material terms of the issuance. Subject to Section 12.11(c), each Member shall be entitled to purchase up to its Pro Rata Share of the Company Securities proposed to be issued, at the price and on the terms specified in the Issuance Notice.

As used herein, "**Pro Rata Share**" means, with respect to a Member, the fraction that results from dividing (i) such Member's Aggregate Ownership (immediately before giving effect to the proposed issuance) of Common Units (including Common Units issuable upon the Conversion of Preferred Units and the exercise of Warrants) by (ii) the Aggregate Ownership (immediately before giving effect to the issuance) of Common Units (including Common Units issuable upon the Conversion of Preferred Units and the exercise of Warrants) by all Members.

(b) If a Member desires to purchase any or all of its Pro Rata Share of the Company Securities specified in the Issuance Notice, such Member shall deliver notice to the Company (an "**Exercise Notice**") of its election to purchase such Company Securities within 10 Business Days of receipt of the Issuance Notice. The Exercise Notice shall specify the number (or amount) of Company Securities to be purchased by such Member (capped at such Member's Pro Rata Share). The Exercise Notice shall constitute exercise by the applicable Member of its rights under this Section 12.11 and a binding agreement of such Member to purchase, at the price and on the terms specified in the Issuance Notice, the number (or amount) of Company Securities specified in the Exercise Notice. If, at the termination of such ten-Business Day period, a Member shall not have delivered an Exercise Notice to the Company, such Member shall be deemed to have waived all of its rights under this Section 12.11 with respect to the purchase of such Company Securities that are the subject of the Issuance Notice.

(c) The Company shall have 90 days from the date of the Issuance Notice to consummate the proposed issuance of any or all of such Company Securities that the Members have not elected to purchase at the price and upon terms that are not materially less favorable to the Company than those specified in the Issuance Notice; *provided* that, if such issuance is subject to regulatory approval, such 90-day period shall be extended until the expiration of five Business Days after all such approvals have been received, but

in no event later than 180 days from the date of the Issuance Notice. If the Company proposes to issue any such Company Securities after such 90-day (or 180-day) period, it shall again comply with the procedures set forth in this Section 12.11. Subject to Section 12.11(e) the purchase of Company Securities that the Members have agreed to purchase pursuant to this Section 12.11 shall be consummated simultaneously with the closing of the sale of the Company Securities set forth in the Issuance Notice.

(d) Notwithstanding the foregoing, (A) the Members shall not be entitled to purchase Company Securities as contemplated by this Section 12.11 in connection with issuances of (i) Management Incentive Units in accordance with this Agreement (except issuances of Management Incentive Units to Daniel Chu), (ii) Company Securities in connection with a Qualified Financing or the issuance of the Junior Preferred Units contemplated by the Junior Preferred Unit Subscription Agreement as part of the Subsequent Offering, (iii) Company Securities issued to employees or Managers of the Company or any Subsidiary pursuant to employee benefit plans or similar arrangements approved by the Board (including any Company Securities issued upon conversion or exercise thereof) (except issuances of Company Securities to Daniel Chu), (iv) Company Securities issued as consideration to a selling party in a merger, consolidation, acquisition of similar business combination approved by the Board, (v) Company Securities upon conversion of the Preferred Units or upon exercise of any Warrants or (vi) paid-in-kind dividends or distributions on the Preferred Units made in accordance with this Agreement and (B) no Junior Preferred Member shall be entitled to purchase Company Securities as contemplated by this Section 12.11 in connection with issuances of (i) Company Securities issued to employees, directors and consultants pursuant to plans or agreements approved by the Board, (ii) Company Securities issued to banks, equipment lessors, or other institutions pursuant to debt financing or equipment leasing transactions approved by the Board or (iii) Company Securities issued in connection with sponsored research, collaboration, technology license, development, OEM, marketing or other similar agreements or strategic partnerships, in each case as approved by the Board. The Company shall not be obligated to consummate any proposed issuance of Company Securities, nor be liable to any Member if the Company has not consummated any proposed issuance of Company Securities pursuant to this Section 12.11 for whatever reason, regardless of whether it shall have delivered an Issuance Notice or received any Exercise Notices in respect of such proposed issuance.

(e) Notwithstanding anything contained in this Section 12.11, the closing date of any proposed issuance of Company Securities to which this Section 12.11 applies may, at the Company's discretion, occur prior to the expiration of the 20-day period contemplated by Section 12.11(a); *provided, however,* that in such case the Members shall (other than those who elected to purchase Company Securities on such closing date) continue to have the right to exercise its rights under this Section 12.11 by delivering an Exercise Notice within 15 days of the receipt of the Issuance Notice pursuant to Section 12.11(b) to acquire from the Company (or, as determined by the Company, from the purchasers of the Company Securities on such closing date) the number of Company

Securities determined in accordance with Section 12.11(a) at the price and on the terms specified in the Exercise Notice.

(f) SPAC Transactions. Notwithstanding anything contained in this Agreement to the contrary, if, in connection with any SPAC Transaction, any Manager or Member (including, for the avoidance of doubt, any Management Member) is entitled to receive any cash (including in the form of Distributions), equity securities or other interests in any Person (including any issuance of Company Securities) or any other economic right offered in connection with such SPAC Transaction, in each case, that is not generally offered to the other Members as consideration in such SPAC Transaction, then each Senior Preferred Member shall receive a pro rata share or pro rata participation rights in such economic rights or benefits up to such Senior Preferred Member's Percentage Interest on a fully diluted, as-converted and as-exercised basis; *provided* that the Senior Preferred Members shall not be entitled to share in any consideration, rights or benefits (in any form) that is offered to employees, officers or directors of the Company in their respective capacities as such (including pursuant to equity incentive plans, compensation plans, benefits plans, employment terms or employment agreements).

(g) The provisions of this Section 12.11 shall terminate upon the consummation of a Qualified Public Offering.

(h) Notwithstanding the provisions of Section 12.11(a) through (c), the Members shall not be entitled to purchase Company Securities as contemplated by this Section 12.11 in connection with any issuance of Junior Preferred Units pursuant to the terms (as such terms exist as of the date of execution thereof and without giving effect to any amendments thereto) of the Junior Preferred Subscription Agreement, pursuant to which the Company has issued or shall issue Junior Preferred Units, including issuances that occur on a Subsequent Closing Date (as defined in the Junior Preferred Unit Subscription Agreement) in accordance with the terms thereof; *provided* that in no event shall this Section 12.11(h) apply to any issuance to the extent such issuance (x) occurs after January 31, 2022 or (y) results in aggregate proceeds to the Company (taken together with all prior issuances pursuant to Junior Preferred Unit Subscription Agreement) in excess of $99,000,000.

Section 12.12. *Qualified Public Offerings and IPO Conversion*.

(a) In the event of a Qualified Public Offering, any Blocker Member may elect (i) (if the Qualified Public Offering is a SPAC Transaction) to contribute its Units to the SPAC, (ii) to be merged into any other Blocker Member and/or, in the event that the Qualified Public Offering is a SPAC Transaction, the SPAC, or (iii) such other structure that is tax-efficient for the direct and indirect owners of such Blocker Member. Each Member other than such Blocker Member shall consent to and raise no objections to, and cooperate fully with, any such structure used for the Qualified Public Offering. The Company shall use commercially reasonable efforts to structure any Qualified Public Offering in a manner that is tax-free or tax-efficient for the Members, including the Blocker Members.

(b) In connection with any Qualified Public Offering approved by the Board in accordance with the terms hereof, the Board may authorize the conversion of the Company into a corporation, whether by way of statutory conversion, merger, consolidation or otherwise (the "**Corporate Conversion**") upon such terms and conditions as the Board shall deem advisable; *provided* that the Corporate Conversion shall be effected in such a manner so as (i) not to have a material and disproportionate adverse impact on any Member in relation to any other Member, and (ii) to cause the Preferred Units, Common Units and Management Incentive Units to be exchanged for or converted into a single class of common stock of the entity into which the Company is converted, in each case, having a value equal to the proceeds that would have been distributed to the holders of the Preferred Units, Common Units and Management Incentive Units had a Liquidation Event been consummated at the aggregate equity valuation of the Company implied by the Qualified Public Offering.

(c) The Company shall give each Preferred Member at least 20 days' written notice prior to the occurrence of any Corporate Conversion or Qualified Public Offering. The Company and all Members shall cooperate in good faith and to execute all documents reasonably necessary in connection with the Corporate Conversion. The Company will bear all of its own expenses and any and all reasonable and documented out-of-pocket expenses of the Members (including any and all transfer, stamp or similar taxes, any filing fees and expenses for any required governmental filings of the Company and/or any Member and the reasonable and documented legal and accounting fees and expenses of the Members) in connection with any Corporate Conversion. Notwithstanding the foregoing, if a Corporate Conversion requires any Member to make a filing under the HSR Act or other applicable antitrust laws, the Company and the Senior Preferred Members shall cooperate in good faith to seek to structure a Corporate Conversion in a manner that will not result in an obligation of any Senior Preferred Member (or its Affiliates) to make any filing under the HSR Act or other applicable antitrust laws. The Company shall not effect a Corporate Conversion until all required waiting periods under the HSR Act applicable to any Member shall have expired or been terminated; *provided, however,* that, upon the request of the Company, the applicable Members (other than the Senior Preferred Members) shall promptly make any necessary filings under the HSR Act or other applicable antitrust laws.

ARTICLE XIII
DISSOLUTION, LIQUIDATION AND TERMINATION

Section 13.1. *No Dissolution*. The death, retirement, resignation, expulsion, bankruptcy or dissolution of any Member or the occurrence of any other event that terminates the continued membership of a Member in the Company shall not, in and of itself, cause the dissolution of the Company. In such event, the business of the Company shall be continued by the remaining Member or Members without dissolution. Notwithstanding any other provision of this Agreement, each Member waives any right it might have under Section 18-801(b) of the Delaware Act to agree in writing to dissolve the Company upon the bankruptcy of a Member of the Company or the occurrence of any

event that causes a Member to cease to be a Member of the Company. The bankruptcy (as defined in Sections 18-101(l) and 18-304 of the Delaware Act) of a Member shall not cause a Member to cease to be a member of the Company.

Section 13.2. *Events Causing Dissolution*. The Company shall be dissolved and its affairs shall be wound up upon the occurrence of any of the following events:

(a) the written consent of the Members holding at least 80% of the Percentage Interests;

(b) for so long as the Senior Preferred Units remain outstanding, the written consent of the Senior Preferred Members holding at least 75% of the Senior Preferred Units outstanding; or

(c) the entry of a decree of judicial dissolution under Section 18-802 of the Delaware Act.

Section 13.3. *Liquidation*. Upon dissolution of the Company, the Board shall immediately commence to wind up the Company's affairs; *provided*, *however*, that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of liabilities to creditors so as to enable the Board to minimize the normal losses attendant upon a liquidation. The Members shall continue to share Profits and Losses during liquidation as specified in Article VII. The proceeds of liquidation shall be distributed in the following order and priority:

(a) *first*, to creditors of the Company, excluding Members (other than Preferred Members) to the extent they are creditors, to the extent otherwise permitted by law, in satisfaction of the liabilities of the Company (whether by payment or the making of reasonable provision for payment thereof);

(b) *second*, to the Senior Preferred Members in accordance with Section 4.3(c);

(c) *third*, to the Junior Preferred Members in accordance with Section 4.3(c);

(d) *fourth*, to Members who are creditors of the Company; and

(e) *fifth*, to the Members in accordance with Section 8.1.

Section 13.4. *Termination*. The Company shall terminate when all of the assets of the Company, after payment, or due provision for all debts, liabilities and obligations, of the Company shall have been distributed to the Members in the manner provided for in this Article XII and the Certificate shall have been canceled in the manner required by the Delaware Act.

Section 13.5. *Claims of the Members*. The Members and former Members shall look solely to the Company's assets for the return of their Capital Contributions, and if the assets of the Company remaining after payment of or due provision for all debts,

liabilities and obligations of the Company are insufficient to return such Capital Contributions, the Members and former Members shall have no recourse against the Company, any Covered Person or any other Member.

ARTICLE XIV
MISCELLANEOUS

Section 14.1. *Notices*. Any notice or other communication provided for in this Agreement (a "Notice") shall be in writing, duly signed by the party giving such Notice, and shall be sent via (a) hand delivery, (b) e-mail transmission (provided that such Notice also is sent by one of the other methods set forth in this paragraph), (c) registered or certified mail (postage prepaid), or (d) overnight courier service, and addressed as follows:

(i) If sent to any Member or Manager, to the person and at the address (and, if applicable, fax number or e-mail address) set forth opposite its name on Schedule A or Schedule 5.1, as applicable, attached hereto, or at such other address (and, if applicable, fax number or e-mail address) as such Member or Manager may hereafter designate by Notice to the Company.

(ii) If sent to Company: 6021 Connection Drive, 4th Floor, Irving, TX 75039, or at such other address (and, if applicable, fax number or e-mail address) as the Company may hereafter designate by Notice to the Members and the Managers.

Each Notice shall be deemed to have been given and effective upon receipt (or refusal of receipt); *provided, however,* that if any notice is sent by email and a second method in accordance with this Section 14.1, such notice shall not be deemed to have been given until receipt of such second method unless the receiving party confirms receipt of the email, in which case notice shall be deemed to have been given at the time of such confirmation.

Section 14.2. *Failure to Pursue Remedies*. The failure of any party to seek redress for violation of, or to insist upon the strict performance of, any provision of this Agreement shall not prevent a subsequent act, which would have originally constituted a violation, from having the effect of an original violation.

Section 14.3. *Cumulative Remedies*. The rights and remedies provided by this Agreement are cumulative and the use of any one right or remedy by any party shall not preclude or waive its right to use any or all other remedies. Said rights and remedies are given in addition to any other rights the parties may have by law, statute, ordinance or otherwise.

Section 14.4. *Binding Effect*. This Agreement shall be binding upon and inure to the benefit of all of the parties and, to the extent permitted by this Agreement, their successors, legal representatives and permitted assigns.

Section 14.5. *Interpretation*. All references herein to "Articles," "Sections" and "Paragraphs" shall refer to corresponding provisions of this Agreement. Whenever the words "include," "includes" or "including" are used in this Agreement, they shall be deemed to be followed by the words "without limitation." The words "hereof," "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. All terms defined in this Agreement shall have the defined meanings when used in any certificate or other document made or delivered pursuant hereto unless otherwise defined therein. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms and to the masculine as well as to the feminine and neuter genders of such term. Any agreement, instrument or statute defined or referred to herein or in any agreement or instrument that is referred to herein means such agreement, instrument or statute as from time to time amended, modified or supplemented, including (in the case of agreements or instruments) by waiver or consent in writing and (in the case of statutes) by succession of comparable successor statutes and references to all attachments thereto and instruments incorporated therein. References to a Person are also to its permitted successors and assigns.

Section 14.6. *Severability*. Every provision of this Agreement is intended to be severable. If any term or provision hereof is illegal, invalid or unenforceable for any reason whatsoever, that term or provision will be enforced to the maximum extent permissible so as to effect the intent of the parties, and such illegality, invalidity or unenforceability shall not affect the validity or legality of the remainder of this Agreement. If necessary to effect the intent of the parties, the Members will negotiate in good faith to amend this Agreement to replace the unenforceable language with enforceable language which as closely as possible reflects such intent.

Section 14.7. *Counterparts*. This Agreement may be executed (including by facsimile or other electronic transmission) in any number of counterparts with the same effect as if all parties hereto had signed the same document. All counterparts shall be construed together and shall constitute one instrument.

Section 14.8. *Governing Law*. This Agreement and the rights of the parties hereunder shall be interpreted in accordance with the laws of the State of Delaware, and all rights and remedies shall be governed by such laws without regard to principles of conflict of laws.

Section 14.9. *Binding Agreement*. Notwithstanding any other provision of this Agreement, the Members agree that this Agreement constitutes a legal, valid and binding agreement of the Members, and is enforceable against the Company and the Members in accordance with its terms.

Section 14.10. *Waiver of Jury Trial*. Each party hereto waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect of any action, suit or proceeding arising out of or relating to this Agreement.

Section 14.11. *Amendments*. Subject to Section 4.1, Section 4.4 and Section 4.14, any amendment to this Agreement shall be adopted and be effective as an amendment hereto if approved by the Board.

Section 14.12. *Spousal Consents*. The termination of the marital relationship of any Member and such Member's spouse for any reason shall not have the effect of removing any Units otherwise subject to this Agreement from the coverage hereof. In the event any Member should hereafter become married to any Person, such Member shall cause such new spouse promptly to execute an instrument acceptable to the Board pursuant to which said new spouse shall agree to (a) be bound by the terms of this Agreement, including the terms of this Section 4.12, and (b) appoint the Member to whom he or she is married as his or her attorney in fact to represent him or her in all matters with regard to the Company and to bind his or her Interest, jointly with the applicable Member's, including by execution of any document relating to the Company.

Section 14.13. *Powers of Attorney*.

(a) Each of the Members (other than the Senior Preferred Members) does hereby constitute and appoint the Board and the liquidators of the Company, and their respective designees, with full power of substitution, as its true and lawful agents and attorneys in fact, with full power and authority in its name, place and stead, to execute, swear to, acknowledge, deliver, file and record (i) all instruments, documents and certificates that may from time to time be required by any law to effectuate, implement and continue the valid and subsisting existence of the Company, (ii) all instruments, documents and certificates which the Board or the liquidators, as applicable, deem appropriate or necessary to reflect any amendment, change, modification or restatement of this Agreement effected in accordance with Section 4.11, (iii) all instruments, documents and certificates relating to the admission, withdrawal or substitution of any Member (other than the Senior Preferred Members) pursuant to Article XII or Article XIII, and (iv) all instruments, documents and certificates that may be required to effectuate the dissolution and termination of the Company in each case in accordance with the provisions of this Agreement.

(b) Each of the Members (other than the Senior Preferred Members) does hereby constitute and appoint the Board, the liquidators and, with respect to Section 12.7, a designee of any Member (other than a Senior Preferred Member) or the Company, as applicable, exercising its rights thereunder, and their respective designees, with full power of substitution, as its proxies and true and lawful agents and attorneys in fact, with full power and authority in its name, place and stead, with respect to the matters set forth herein, including regarding any Transfer pursuant to Section 12.7 and hereby authorizes each of them to represent, vote and consent, if and only if the party attempts to vote or consent (whether by proxy, in person or by written consent), in a manner which is inconsistent with the terms of this Agreement, all of such Member's Interests in favor of the approval of any Transfer pursuant to and in accordance with the terms and provisions of Section 12.7 or to take any action necessary to effect the provisions of Section 12.7 including the execution, delivery, filing and recording of any and all instruments,

documents and certificates which the Board or designee of any Member (other than a Senior Preferred Member) or the Company, as applicable, exercising its rights under Section 12.7 deems appropriate or necessary to effect the provisions thereof. Notwithstanding the foregoing, nothing in this Section 14.3 shall grant to any Member the right to appoint any Manager on behalf of any other Member that has the right to appoint one or more Managers pursuant to Section 5.1.

(c) Each of the proxies and powers of attorney granted pursuant to this Section is given in consideration of the agreements and covenants of the Company and the Members in connection with the transactions contemplated by this Agreement and each is coupled with an interest and shall be irrevocable unless and until this Agreement terminates in accordance with its terms, and will survive the death, incompetency, disability or dissolution of such Member. Each Member hereby revokes any and all previous proxies or powers of attorney with respect to the Interests and shall not hereafter, unless and until this Agreement terminates in accordance with its terms, purport to grant any other proxy or power of attorney with respect to any of the Interests, deposit any of the Interests into a voting trust or enter into any agreement (other than this Agreement), arrangement or understanding with any person, directly or indirectly, to vote, grant any proxy or give instructions with respect to the voting of any of the Interests, in each case, with respect to any of the matters set forth herein.

Section 14.14. *Entire Agreement*. This Agreement and the other documents and agreements referred to herein or entered into concurrently herewith, including the Certificate, the Senior Preferred Unit Subscription Agreement, the Junior Preferred Unit Subscription Agreement, the Warrants, each agreement related to the grant of Management Incentive Units, embody the entire agreement and understanding of the parties hereto in respect of the subject matter contained herein; *provided*, *however*, that such other agreements and documents shall not be deemed to be a part of, a modification of or an amendment to this Agreement. There are no restrictions, promises, representations, warranties, covenants or undertakings with respect to the subject matter contained herein, other than those expressly set forth or referred to herein. This Agreement supersedes all prior agreements and understandings between the parties with respect to such subject matter, including the Existing Limited Liability Company Agreement.

Section 14.15. *No Third-Party Beneficiaries*. Except as provided in Article XI (which shall be for the benefit of and enforceable by Covered Persons as described therein) and except as set forth in the next sentence, this Agreement is for the sole benefit of the parties hereto (and their respective heirs, executors, administrators, successors and assigns) and nothing herein, express or implied, is intended to or shall confer upon any other Person, including any creditor of the Company, any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement. The provisions of this Agreement relating to the Warrants and the holders thereof are for the benefit of and enforceable by the holders of the Warrants (and their respective heirs, executors, administrators, successors and assigns). A holder of a Warrant, in its capacity

as such, has agreed in such Warrant to be bound by this Agreement to the extent expressly applicable to such Warrant.

Section 14.16. *BHC Amendments*. If the BlackRock Investors determine at any time that the continued ownership by the BlackRock Investors of any or all of the Units or other Interests in the Company owned by them (a) creates a material risk that a banking regulatory authority with jurisdiction over the BlackRock Investors or any of their Affiliates may assert that the BlackRock Investors or any of their Affiliates (i) controls the Company for banking law purposes or (ii) is in violation of applicable law, including without limitation Section 13 of the Bank Holding Company Act or the Volcker Rule, or (b) otherwise would have an adverse effect on the BlackRock Investors or its Affiliates that is material in any respect, including by subjecting it to regulatory requirements with respect to the holding of the Units or other Interests of the Company by the BlackRock Investors, the BlackRock Investors may, without the consent or approval of any other Member, make any change to this Agreement necessary or advisable, as reasonably determined by the BlackRock Investors, to reduce such risk or avoid such adverse effect (any such change to this Agreement, a "**BHCA Amendment**"). By acceptance of its Units in the Company, each Member hereby agrees, and shall be required, to cooperate fully, at Company's expense, with any such BHCA Amendment.

Section 14.17. *Use of BlackRock Name*. The Company will not, and each Member will not, without the written consent of the BlackRock Investors in each instance, use in advertising, publicity or otherwise the name of the BlackRock Investors or any of their respective Affiliates, or any director, officer or employee of the BlackRock Investors, nor any trade name, trademark, trade device, service mark, symbol or any abbreviation, contraction or simulation thereof owned by any of the BlackRock Investors or any of their Affiliates or any information relating to the business or operations of any of the BlackRock Investors or any of their Affiliates (including, for the avoidance of doubt, any investment vehicles, funds or accounts managed thereby); *provided*, *however*, the Company may, without consent from the BlackRock Investors, disclose on a confidential and non-public basis the fact that the BlackRock Investors made an investment in the Company (but not, other than with respect to the Company's advisors, the terms of such investment) to the Company's existing investors, prospective investors, existing lenders, prospective lenders, existing capital markets investors (but not in any offering memorandum, private placement memorandum or other similar offering document), investment bankers, financial advisors and other advisors to the Company (e.g., attorneys, accountants, etc.), consultants, and rating agencies.

For all purposes of this Warrant (other than this Section 2(a)), any reference herein to the exercise of this Warrant shall be deemed to include a reference to the exchange of this Warrant into Warrant Units in accordance with the terms of clause (ii).

(b) Effectiveness and Delivery. As soon as practicable, but not later than five (5) Business Days after the Company shall have received a Notice of Exercise and payment, the Company shall update the books and records of the Company to reflect the exercise of the Warrant and issuance of the number of Warrant Units specified in such Notice of Exercise and otherwise evidence of the Warrant Holder's (or such other Person's) ownership of the number of Warrant Units specified in such Exercise Notice. This Warrant shall be deemed to have been exercised and such Warrant Units shall be deemed to have been issued, and the Warrant Holder or other Person or Persons designated in such Notice of Exercise shall be deemed for all purposes to have become a holder of record of Common Units, all as of the date that such Notice of Exercise and payment shall have been received (or deemed received) by the Company.

The other rights and obligations applicable to the Warrant, the Warrant Units and the Warrant Holders shall continue in effect following any partial exercise in accordance with the terms set forth herein only with respect to the unexercised portion of the Warrant, and all rights and obligations hereunder shall terminate with respect to the portion of the Warrant or the Warrant Units that have been exercised.

(d) Warrant Surrender; Delivery of New Warrant. If this Warrant is surrendered upon exercise or partial exercise, then (i) this Warrant shall be cancelled, and (ii) unless the purchase rights represented by this Warrant shall have been fully exercised, the Company shall, at the time of delivery of the certificate or certificates representing the Warrant Units being issued in accordance with this Section 2, deliver to the Holder a new Warrant evidencing the

rights of the Holder to purchase the unexpired and unexercised Warrant Units called for by this Warrant. Such new Warrant shall in all other respects be identical to this Warrant.

(e) Delivery of Certificates. If at the time of exercise of this Warrant the Warrant Units are issuable by the Company in certificated form, then the Company shall, as promptly as practicable, and in any event within five (5) Business Days after the Company shall have received a Notice of Exercise and payment, execute (or cause to be executed) and deliver (or cause to be delivered) to the Holder a certificate or certificates representing the Warrant Units issuable upon any exercise of this Warrant. The certificate or certificates so delivered shall be, to the extent possible, in such denomination or denominations as the exercising Holder shall reasonably request in the Notice of Exercise and shall be registered in the name of the Holder or, subject to compliance with Section 2(f), such other Person's name as shall be designated in the Notice of Exercise.

(f) Expenses and Taxes. The Company shall pay all expenses, transfer taxes and owner charges payable in connection with the preparation, issuance and delivery of the Warrant Units and any new Warrants, except that if the Warrant Units or the new Warrants are to be registered in a name or names other than the name of the Warrant Holder, funds sufficient to pay all transfer taxes payable as a result of such transfer shall be paid by the Warrant Holder at the time of its delivery of the Notice of Exercise or promptly upon receipt of a written request by the Company for payment.

(g) Fractional Units. The Company shall not be required to issue a fractional Warrant Unit upon exercise of any Warrant. As to any fraction of a Warrant Unit that the Holder would otherwise be entitled to purchase upon such exercise, the Company shall pay to such Holder an amount in cash (by delivery of a certified or official bank check or by wire transfer of immediately available funds) equal to the product of (i) such fraction *multiplied by* (ii) the Fair Value of one Warrant Unit on the Exercise Date.

(h) Automatic Cashless Exercise. To the extent that there has not been an exercise by the Warrant Holder pursuant to Section 2(a), any portion of the Warrant that remains unexercised shall be exercised automatically in whole (not in part), upon the Expiration Date. Payment by the Warrant Holder upon such automatic exercise shall be in the form of the Warrant Holder receiving from the Company the number of Warrant Units equal to (i) the number of Warrant Units as to which this Warrant is being automatically exercised, *minus* (ii) the number of Warrant Units having a value, based on the Fair Value immediately prior to the date of such automatic exercise, equal to the Exercise Amount with respect to such automatic exercise.

(i) Company Action. The Company will take any Company action which may be necessary in order that the Company may validly and legally issue Warrant Units in connection with any exercise of this Warrant.

(j) Conditional Exercise. Unless the Warrant Holder elects in writing otherwise by notice to the Company, if an exercise of any portion of this Warrant is to be made in connection with a public offering, a sale of the Company (pursuant to a merger, consolidation, sale of stock, or otherwise) or a SPAC Transaction, then such exercise, notwithstanding any other provision hereof, shall be conditioned upon the consummation of such transaction, in which case such

exercise shall not be deemed to be effective until immediately prior to the consummation of such transaction.

(k) Acknowledgement. The Warrant Holder, by acceptance hereof, acknowledges that this Warrant and the Warrant Units to be issued upon exercise hereof are subject to the terms of the LLC Agreement that are expressly applicable to the Warrant Units, the Warrant Holder and holders of Warrant Units and/or this Warrant (including, without limitation, Sections 4.3(d), 4.3(f), 10.4, 10.5, 12.1, 12.2, 12.8, 12.10 and 12.12). The Warrant Holder agrees to execute the LLC Agreement (if not already a party thereto) upon its acceptance of this Warrant.

(l) Withholding and Reporting. The Warrant Holder shall be subject to Section 10.4 of the LLC Agreement as though the Warrant Holder had fully exercised this Warrant.

Section 3. **Investment Representation.**

(a) The Warrant Holder represents to the Company that the Warrant Holder is an "accredited investor" as defined in Rule 501 of Regulation D promulgated under the Securities Act. By accepting the Warrant, the Warrant Holder represents that it is acquiring the Warrant for its own account for investment purposes and not with the view to any sale or distribution, that the Warrant Holder will not offer, sell or otherwise dispose of the Warrant or the Warrant Units except under circumstances as will not result in a violation of applicable securities laws.

(b) The Warrant Holder understands and acknowledges that this Warrant and the Warrant Units to be issued upon exercise hereof are "restricted securities" under the federal securities laws and that, under such laws and applicable regulations, such securities may be resold without registration under the Securities Act only in certain limited circumstances. In addition, the Warrant Holder represents that it is familiar with Rule 144 under the Securities Act, as presently in effect, and understands the resale limitations imposed thereby and by the Securities Act.

(c) The Warrant Holder acknowledges that it can bear the economic and financial risk of its investment for an indefinite period, and has such knowledge and experience in financial or business matters that it is capable of evaluating the merits and risks of the investment in the Warrant and the Warrant Units. The Warrant Holder has had an opportunity to ask questions and receive answers from the Company regarding the terms and conditions of the offering of the Warrant and the business, properties, prospects and financial condition of the Company and its Subsidiaries.

Section 4. **Representations and Warranties of the Company.**

The Company represents and warrants to the Warrant Holders as follows:

(a) This Warrant has been duly authorized, is validly issued, and constitutes the valid and binding obligation of the Company. Any Warrant issued in substitution for or replacement of this Warrant shall be duly authorized, validly issued, and constitute the valid and binding obligation of the Company.

(b) The Company has duly authorized and reserved, and will at all times until the Expiration Date have duly authorized and reserved, such number of Common Units as will be sufficient to permit the exercise in full of the Warrant, and that all such Common Units are and will be duly authorized and, when issued upon exercise of the Warrant, will be validly issued, fully paid and non-assessable, issued without violation of any preemptive or similar rights of any Member of the Company or any other Person, and free and clear of all Liens other than those arising under the LLC Agreement or applicable securities laws.

(c) As of the date of this Warrant, Schedule A to the LLC Agreement sets forth the entire issued and outstanding equity interests of the Company, including Options and Convertible Securities.

Section 5. **Antidilution Provisions.**

The number of Warrant Units that may be purchased upon any exercise of the Warrant, shall be subject to change or adjustment as set forth in this Section 5 (in each case, after taking into consideration any prior adjustments pursuant to this Section 5).

(a) Common Unit Reorganization. If the Company shall pay a dividend or make any other distribution upon any capital interests of the Company payable in Common Units, in rights to subscribe for or to purchase Common Units, or any Options for the purchase of Common Units, or any Convertible Securities or shall subdivide its outstanding Common Units into a greater number of Common Units, by way of a Common Unit split, Common Unit distribution or otherwise, or consolidate its outstanding Common Units into a smaller number of Common Units (any such event being herein called a "Common Unit Reorganization"), then the number of Common Units subject to purchase upon exercise of this Warrant shall be adjusted, effective at such time, to a number determined by multiplying the number of Common Units subject to purchase immediately before such Common Unit Reorganization by a fraction, the numerator of which shall be the number of Common Units outstanding after giving effect to such Common Unit Reorganization and the denominator of which shall be the number of Common Units outstanding immediately before giving effect to such Common Unit Reorganization.

(b) Capital Reorganization. If there shall be (i) any consolidation or merger to which the Company is a party, other than a consolidation or a merger of which the Company is the continuing corporation and which does not result in any reclassification of, or change (other than a Common Unit Reorganization) in, outstanding Units, (ii) any sale or conveyance of the property of the Company as an entirety or substantially as an entirety, (iii) any recapitalization or similar capital reorganization of the Company, (iv) any reclassification of the Units of the Company, (v) any other transaction similar to the transactions described in clauses (i)-(iv) above (other than any such transaction that is a Common Unit Reorganization), (any of the foregoing events or transactions being called a "Capital Reorganization"), then, effective upon the effective date of such Capital Reorganization, the Warrant Holder shall no longer have the right to purchase Common Units, but shall have instead the right to purchase from the Company or the successor Person resulting from such Capital Reorganization, upon exercise of this Warrant, the kind and amount of securities and property (including cash) which the Warrant Holder would have owned or have been entitled to receive pursuant to such Capital Reorganization if the Warrant had been exercised in full immediately prior to the effective date of such Capital

Reorganization and acquired the applicable number of Warrant Units then issuable hereunder as a result of such exercise (without taking into account any limitations or restrictions on the exercisability of this Warrant); and, in such case, appropriate adjustment (in form and substance reasonably satisfactory to the Warrant Holder) shall be made with respect to the Warrant Holder's rights under this Warrant to insure that the provisions of this Section 5 shall thereafter be applicable, as nearly as possible, to this Warrant in relation to any securities and property (including cash) thereafter acquirable upon exercise of this Warrant.

As a condition to effecting any Capital Reorganization, the Company or the successor or surviving entity, as the case may be, shall execute and deliver to the Warrant Holder an agreement as to the Warrant Holder's rights in accordance with this Section 5(b), providing, to the extent of any right to purchase equity securities hereunder, for subsequent adjustments as nearly equivalent as may be practicable to the adjustments provided for in this Section 5 and otherwise having the same terms and conditions as set forth herein.

The Company shall not effect any Capital Reorganization unless, prior to the consummation thereof, the successor Person (if other than the Company) resulting from such Capital Reorganization, shall assume, by written instrument substantially similar in form and substance to this Warrant and reasonably satisfactory to the Warrant Holder, the obligation to deliver to the Warrant Holder such securities and property (including cash) which, in accordance with the foregoing provisions, such Holder shall be entitled to receive upon exercise of this Warrant. Notwithstanding anything to the contrary contained herein, with respect to any Capital Reorganization contemplated by the provisions of this Section 5(b), the Warrant Holder shall have the right to elect prior to the consummation of such any Capital Reorganization, to give effect to the exercise rights contained in Section 2 (to the extent the Exercisable Date has then occurred) instead of giving effect to the provisions contained in this Section 5(b) with respect to this Warrant.

The provisions of this Section 5(b) shall similarly apply to successive Capital Reorganizations. The provisions of this Section 5(b) shall not apply to any transaction that is a Qualified Financing.

(c) Special Distributions. If, after the Exercisable Date, the Company shall issue or distribute to any holder or holders of Common Units evidences of indebtedness, any other securities of the Company or any cash, property or other assets (excluding a Common Unit Reorganization) whether or not accompanied by a purchase, redemption or other acquisition of Units (any such nonexcluded event being herein called a "Special Distribution"), then the Warrant Holder shall be entitled to a pro-rata share of such Special Distribution as though the Warrant Holder had fully exercised this Warrant immediately prior to the record date for such Special Distribution, and the Company shall pay or distribute such pro-rata share to Warrant Holder when paid or distributed to the holders of the Common Units. For the avoidance of doubt, no adjustment in the number of Warrant Units issuable upon exercise of this Warrant shall be made with respect to a Special Distribution. A reclassification of the Common Units into Units of any other class of units or securities shall be deemed to be a distribution by the Company to the holders of its Common Units of such class of units or securities and, if the outstanding Common Units shall be changed into a larger or smaller number of Units as part of such reclassification, a Common Unit Reorganization.

(d) Adjustment to Number of Warrant Units Upon Issuance of Common Units. Except as provided in Section 5(e) and except in the case of an event described in either Section 5(a) or Section 5(b), if the Company shall, at any time or from time to time after the Exercisable Date, issue or sell, or in accordance with Section 5(f) is deemed to have issued or sold, any Common Units without consideration or for consideration per Common Unit less than $11.00 (as such amount is proportionately adjusted for Common Unit splits, reverse Common Unit splits, Common Unit combinations, Common Unit dividends and other distributions and recapitalizations affecting the Common Units after September 2, 2021, the "Original Price"), then immediately upon such issuance or sale (or deemed issuance or sale), the number of Warrant Units issuable upon exercise of this Warrant immediately prior to any such issuance or sale (or deemed issuance or sale) shall be increased to a number of Warrant Units equal to the product obtained by multiplying the number of Warrant Units issuable upon exercise of this Warrant immediately prior to such issuance or sale (or deemed issuance or sale) by a fraction (which shall in no event be less than one):

(i) the numerator of which shall be the number of Common Units Deemed Outstanding immediately after such issuance or sale (or deemed issuance or sale); and

(ii) the denominator of which shall be the sum of: (A) the number of Common Units Deemed Outstanding immediately prior to such issuance or sale (or deemed issuance or sale); *plus* (B) the aggregate number of Common Units which the aggregate amount of consideration, if any, received by the Company upon such issuance or sale (or deemed issuance or sale) would purchase at the Original Price.

(e) Exceptions to Adjustment Upon Issuance of Common Units. Anything herein to the contrary notwithstanding, there shall be no adjustment to the number of Warrant Units issuable upon exercise of this Warrant with respect to (i) any Excluded Issuance, or (ii) a Qualified Financing (which, for the avoidance of doubt, shall be subject to the terms and conditions of the LLC Agreement).

(f) Effect of Certain Events on Adjustment to Number of Warrant Units. For purposes of determining the adjusted number of Warrant Units under Section 5(d), the following shall be applicable:

(i) Issuance of Options. If the Company shall, at any time or from time to time after the Exercisable Date, in any manner grant or sell (whether directly or by assumption in a merger or otherwise) any Options, whether or not such Options or the right to convert, exercise or exchange any Convertible Securities issuable upon the exercise of such Options are immediately exercisable, and the price per Common Unit (determined as provided in this paragraph and in Section 5(f)(v)) for which Common Units are issuable upon the exercise of such Options or upon the conversion or exchange of Convertible Securities issuable upon the exercise of such Options is less than the Original Price in effect immediately prior to the time of the granting or sale of such Options, then the total maximum number of Common Units issuable upon the exercise of such Options or upon conversion or exchange of the total maximum amount of Convertible Securities issuable upon the exercise of such Options shall be deemed to have been issued as of the date of granting or sale of such Options (and thereafter shall be

deemed to be outstanding for purposes of adjusting the number of Warrant Units under Section 5(d)), at a price per Common Unit equal to the quotient obtained by dividing: (A) the sum (which sum shall constitute the applicable consideration received for purposes of Section 5(d)) of (x) the total amount, if any, received or receivable by the Company as consideration for the granting or sale of all such Options, *plus* (y) the minimum aggregate amount of additional consideration payable to the Company upon the exercise of all such Options, plus (z), in the case of such Options which relate to Convertible Securities, the minimum aggregate amount of additional consideration, if any, payable to the Company upon the issuance or sale of all such Convertible Securities and the conversion or exchange of all such Convertible Securities; *by* (B) the total maximum number of Common Units issuable upon the exercise of all such Options or upon the conversion or exchange of all Convertible Securities issuable upon the exercise of all such Options. Except as otherwise provided in Section 5(f)(iii), no further adjustment of the number of Warrant Units shall be made upon the actual issuance of Common Units or of Convertible Securities upon exercise of such Options or upon the actual issuance of Common Units upon conversion or exchange of Convertible Securities issuable upon exercise of such Options.

(ii) Issuance of Convertible Securities. If the Company shall, at any time or from time to time after the Exercisable Date, in any manner grant or sell (whether directly or by assumption in a merger or otherwise) any Convertible Securities, whether or not the right to convert or exchange any such Convertible Securities is immediately exercisable, and the price per Common Unit (determined as provided in this paragraph and in Section 5(f)(v)) for which Common Units are issuable upon the conversion or exchange of such Convertible Securities is less than the Original Price in effect immediately prior to the time of the granting or sale of such Convertible Securities, then the total maximum number of Common Units issuable upon conversion or exchange of the total maximum amount of such Convertible Securities shall be deemed to have been issued as of the date of granting or sale of such Convertible Securities (and thereafter shall be deemed to be outstanding for purposes of adjusting the number of Warrant Units pursuant to Section 5(d)), at a price per Common Unit equal to the quotient obtained by dividing: (A) the sum (which sum shall constitute the applicable consideration received for purposes of Section 5(d)) of (x) the total amount, if any, received or receivable by the Company as consideration for the granting or sale of such Convertible Securities, *plus* (y) the minimum aggregate amount of additional consideration, if any, payable to the Company upon the conversion or exchange of all such Convertible Securities; *by* (B) the total maximum number of Common Units issuable upon the conversion or exchange of all such Convertible Securities. Except as otherwise provided in Section 5(f)(iii), no further adjustment of the number of Warrant Units shall be made upon the actual issuance of Common Units upon conversion or exchange of such Convertible Securities or by reason of the issue or sale of Convertible Securities upon exercise of any Options to purchase any such Convertible Securities for which adjustments of the number of Warrant Units have been made pursuant to the other provisions of this Section 5(f).

(iii) Change in Terms of Options or Convertible Securities. Upon any change in any of (A) the total amount received or receivable by the Company as consideration for the granting or sale of any Options or Convertible Securities referred to in

Section 5(f)(i) or Section 5(f)(ii), (B) the minimum aggregate amount of additional consideration, if any, payable to the Company upon the exercise of any Options or upon the issuance, conversion or exchange of any Convertible Securities referred to in Section 5(f)(i) or Section 5(f)(ii), (C) the rate at which Convertible Securities referred to in Section 5(f)(i) or Section 5(f)(ii) are convertible into or exchangeable for Common Units, or (D) the maximum number of Common Units issuable in connection with any Options referred to in Section 5(f)(i) or any Convertible Securities referred to in Section 5(f)(ii) (in each case, other than in connection with an Excluded Issuance), then (whether or not the original issuance or sale of such Options or Convertible Securities resulted in an adjustment to the number of Warrant Units pursuant to this Section 5) the number of Warrant Units issuable upon exercise of this Warrant at the time of such change shall be adjusted or readjusted, as applicable, to the number of Warrant Units which would have been in effect at such time pursuant to the provisions of this Section 5 had such Options or Convertible Securities still outstanding provided for such changed consideration, conversion rate, or maximum number of Common Units, as the case may be, at the time initially granted, issued, or sold, but only if as a result of such adjustment or readjustment, the number of Warrant Units issuable upon exercise of this Warrant is increased.

(iv) Treatment of Expired or Terminated Options or Convertible Securities. Upon the expiration or termination of any unexercised Option (or portion thereof) or any unconverted or unexchanged Convertible Security (or portion thereof) for which any adjustment (either upon its original issuance or upon a revision of its terms) was made pursuant to this Section 5 (including upon the redemption or purchase for consideration of all or any portion of such Option or Convertible Security by the Company), the number of Warrant Units then issuable upon exercise of this Warrant shall forthwith be changed pursuant to the provisions of this Section 5 to the number of Warrant Units which would have been in effect at the time of such expiration or termination had such unexercised Option (or portion thereof) or unconverted or unexchanged Convertible Security (or portion thereof), to the extent outstanding immediately prior to such expiration or termination, never been issued.

(v) Calculation of Consideration Received. If the Company shall, at any time or from time to time after the Exercisable Date, issue or sell, or is deemed to have issued or sold in accordance with Section 5(f), any Common Units, Options, or Convertible Securities: (A) for cash, the consideration received therefor shall be deemed to be the net amount received by the Company therefor; (B) for consideration other than cash, the amount of the consideration other than cash received by the Company shall be the Fair Value of such consideration, except where such consideration consists of marketable securities, in which case the amount of consideration received by the Company shall be the market price (as reflected on any securities exchange, quotation system or association, or similar pricing system covering such security) for such securities as of the end of business on the date of receipt of such securities; (C) for no specifically allocated consideration in connection with an issuance or sale of other securities of the Company, together comprising one integrated transaction, the amount of the consideration therefor shall be deemed to be the Fair Value of such portion of the aggregate consideration received by the Company in such transaction as is attributable to such Common Units,

Options or Convertible Securities, as the case may be, issued in such transaction; or (D) to the owners of the non-surviving entity in connection with any merger in which the Company is the surviving corporation, the amount of consideration therefor shall be deemed to be the Fair Value of such portion of the net assets and business of the non-surviving entity as is attributable to such Common Units, Options, or Convertible Securities, as the case may be, issued to such owners. The net amount of any cash consideration and the Fair Value of any consideration other than cash or marketable securities shall be determined in good faith jointly by the Board and the Requisite Holders; *provided*, *however*, that if the Board and the Requisite Holders are unable to agree on the net amount of any cash consideration or the Fair Value of any consideration other than cash or marketable securities within a reasonable period of time (not to exceed 15 days from the Warrant Holder's receipt of a certificate of adjustment pursuant to Section 5(i)(vii) relating to the applicable issuance), such net amount of cash or Fair Value, as applicable, shall be determined by the Appraiser.

(vi) Record Date. For purposes of any adjustment to the number of Warrant Units in accordance with this Section 5, in case the Company shall take a record of the holders of its Common Units for the purpose of entitling them (A) to receive a dividend or other distribution payable in Common Units, Options, or Convertible Securities, or (B) to subscribe for or purchase Common Units, Options, or Convertible Securities, then such record date shall be deemed to be the date of the issue or sale of the Common Units deemed to have been issued or sold upon the declaration of such dividend or the making of such other distribution or the date of the granting of such right of subscription or purchase, as the case may be; *provided*, *however,* that if before the distribution to its holders of Common Units the Company legally abandons its plan to pay or deliver such dividend, distribution, subscription, or purchase rights, then thereafter no adjustment shall be required by the taking of such record and any such adjustment previously made in respect thereof shall be rescinded and annulled.

(vii) Treasury Units. The number of Common Units outstanding at any given time shall not include any securities owned or held by or for the account of the Company or any of its wholly owned subsidiaries, and the disposition of any such securities (other than the cancellation or retirement thereof or the transfer of such securities among the Company and its wholly owned subsidiaries) shall be considered an issue or sale of Common Units for the purpose of this Section 5.

(g) Notices. In the event:

(i) that the Company shall take a record of the holders of its Common Units (or other Units or securities at the time issuable upon exercise of the Warrant) for the purpose of entitling or enabling them to receive any dividend or other distribution (including a Special Distribution), to vote at a meeting (or by written consent), to receive any right to subscribe for or purchase any Units of any class or any other securities, or to receive any other security; or

(ii) of any capital reorganization of the Company, any reclassification of the Common Units of the Company, any consolidation or merger of the Company with or

into another Person, any sale of all or substantially all of the Company's assets to another Person (including any Capital Reorganization), or any SPAC Transaction; or

(iii) of the voluntary or involuntary dissolution, liquidation, or winding-up of the Company;

then, and in each such case, the Company shall send or cause to be sent to the Warrant Holder at least fifteen (15) days prior to the applicable record date or the applicable expected effective date, as the case may be, for the event, a written notice specifying, as the case may be, (A) the record date for such dividend, distribution, meeting or consent, or other right or action, and a description of such dividend, distribution, or other right or action to be taken at such meeting or by written consent, or (B) the effective date on which such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation, or winding-up is proposed to take place, and the date, if any is to be fixed, as of which the books of the Company shall close or a record shall be taken with respect to which the holders of record of Common Units (or such other Units or securities at the time issuable upon exercise of the Warrant) shall be entitled to exchange their Common Units (or such other Units or securities) for securities or other property deliverable upon such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation, or winding-up, and the amount per Unit and character of such exchange applicable to the Warrant and the Warrant Units.

(h) Equitable Equivalent. In case any event shall occur (including any change or adjustment to the number of Common Units issuable upon conversion of any Preferred Unit pursuant to the LLC Agreement) as to which the provisions of this Section 5 set forth above hereof are not strictly applicable but the failure to make any adjustment would not, in the reasonable opinion of the Requisite Holders, fairly protect the purchase rights represented by this Warrant in accordance with the essential intent and principles of this Section 5, then, in each such case, at the request of the Requisite Holders, the Company shall appoint an Appraiser (which shall be completely independent of the Company and shall be satisfactory to the Warrant Holder or the holders constituting the Requisite Holders), which shall give its opinion upon the adjustments, if any, on a basis consistent with the essential intent and principles established in this Section 5, necessary to preserve, without dilution, the purchase rights represented by this Warrant. Upon receipt of such opinion, the Company promptly will send a copy thereof to the Warrant Holder and shall make the adjustments described therein.

(i) Adjustment Rules.

(i) Any adjustments pursuant to this Section 5 shall be made successively whenever any event referred to herein shall occur.

(ii) In computing adjustments under this Section 5, fractional interests in Common Units shall be taken into account to the nearest one-thousandth of a Common Unit.

(iii) The exercise of a Warrant shall not, in and of itself, cause an adjustment pursuant to this Section 5.

(iv) No adjustment under this Section 5 shall operate to increase the Exercise Price or reduce the number of Common Units subject to purchase upon exercise of this Warrant, other than in the case of a Common Unit Reorganization involving a Common Unit combination or similar transaction.

(v) As a condition precedent to the taking of any action which would require an adjustment pursuant to this Section 5, the Company shall take any action which may be necessary, including obtaining regulatory approvals or exemptions, in order that the Company may thereafter validly and legally issue all Common Units which the Warrant Holder is entitled to receive upon exercise of the Warrant.

(vi) Not less than fifteen (15) days prior to the record date or effective date, as the case may be, of any action which requires or might require an adjustment or readjustment pursuant to this Section 5, the Company shall give notice to the Warrant Holder of such event, describing such event in reasonable detail and specifying the record date or effective date, as the case may be, and, if determinable, the required adjustment and computation thereof. If the required adjustment is not determinable as of the time of such notice, the Company shall give notice to the Warrant Holder of such adjustment and computation as soon as reasonably practicable after such adjustment becomes determinable (and in any event no later than three (3) days prior to such record date or effective date, as applicable). Any dispute which arises between the Warrant Holder and the Company with respect to the calculation of the adjusted Warrant Units issuable upon exercise shall be determined by the Appraiser.

(vii) As promptly as reasonably practicable following any adjustment of the number of Warrant Units pursuant to the provisions of this Section 5, but in any event not later than five (5) Business Days thereafter, the Company shall furnish to the Warrant Holder a certificate of an executive officer setting forth in reasonable detail such adjustment and the facts upon which it is based and certifying the calculation thereof.

(viii) As promptly as reasonably practicable following the receipt by the Company of a written request by the Warrant Holder, but in any event not later than five (5) Business Days thereafter, the Company shall furnish to the Warrant Holder a certificate of an executive officer certifying the number of Warrant Units or the amount, if any, of other Units, securities, or assets then issuable upon exercise of the Warrant.

(ix) The form of this Warrant need not be changed because of any adjustment pursuant to this Section 5.

(x) Upon the occurrence of any adjustment pursuant to this Section 5, the Exercise Price also shall be correspondingly adjusted, so that after such adjustment the aggregate Exercise Price payable hereunder for the adjusted number of Warrant Units shall be the same as the aggregate Exercise Price in effect immediately prior to such adjustment.

Section 6. **Transfer of Warrant.**

Subject to any limitations on transfer applicable to holders of Warrants set forth in the LLC Agreement, the Warrant Holder may effectuate a transfer of the Warrant by (a) delivering to the Company a duly executed Warrant Assignment in the form of Exhibit B of this Warrant, together with funds sufficient to pay any transfer taxes described in Section 2(f) in connection with the making of such transfer, and (b) causing the transferee to sign and deliver to the Company a joinder to the LLC Agreement (if such transferee is not already a party thereto), in a form reasonably acceptable to the Company, pursuant to which such transferee agrees to be bound by the terms thereof. For the avoidance of doubt, if the Warrant Holder does not comply with clauses (a) and (b) of the foregoing sentence, the purported transfer shall be deemed void *ab initio*.

Section 7. **Covenants.** The Company hereby covenants and agrees as follows:

(a) No Avoidance. Notwithstanding any provision herein to the contrary, nothing herein shall be construed to limit, amend or alter the rights or remedies available to the Warrant Holder**.** The Company shall not, by amendment of its certificate of formation, the LLC Agreement, any other constitutional document or any other agreement to which it is party or through any consolidation, merger, amalgamation, reorganization, reclassification of securities, recapitalization, transfer of assets, dissolution, issue or sale of securities, SPAC Transaction or any other action or transaction, directly or indirectly, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such action as may be necessary or appropriate or reasonably requested by the Warrant Holder in order to protect the rights of the Warrant Holder against dilution or other impairment.

(b) Further Actions. The Company shall take all such actions as may be necessary to ensure that all such Warrant Units are issued without violation by the Company of any applicable law or governmental regulation or any requirements of any securities exchange upon which shares of Common Stock or other securities constituting Warrant Units may be listed at the time of such exercise (except for official notice of issuance which shall be immediately delivered by the Company upon each such issuance).

(c) Securities Listings. The Company shall use its commercially reasonable efforts to cause the Warrant Units, immediately upon such exercise, to be listed on any securities exchange upon which Common Units or other securities constituting Warrant Units are listed at the time of such exercise.

(d) Par Value. If the Warrant Units have a par value, then the Company shall ensure that the par value per Warrant Unit shall at all times be less than or equal to the applicable Exercise Price. The Company shall not increase the par value of any Warrant Units receivable upon the exercise of this Warrant above the Exercise Price then in effect, and shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Units upon the exercise of this Warrant.

Section 8. **Lost, Mutilated or Missing Warrants.**

The Company hereby agrees that, upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of any Warrant, and, in the case of loss, theft or destruction, upon receipt of indemnification satisfactory to the Company (which shall be in the form of an unsecured, unbonded agreement of indemnity or affidavit of loss) or, in the case of mutilation, upon surrender and cancellation of the mutilated Warrant, the Company shall execute and deliver a new Warrant of like tenor and representing the right to purchase the same aggregate number of Warrant Units.

Section 9. **Waivers; Amendments; Rights and Remedies.**

(a) Any provision of this Warrant may be amended or waived with (but only with) the written consent of the Company and the Requisite Holders; *provided, however,* that no such amendment or waiver shall, without the written consent of the Company and the Warrant Holder, (i) change the number of Warrant Units issuable upon exercise of the Warrant or the Exercise Price, (ii) shorten the Expiration Date, or (iii) amend, supplement or waive the provisions of this Section or the definition of "Requisite Holders." Any amendment or waiver effected in compliance with this Section shall be binding upon the Company and the Warrant Holder. The Company shall give prompt notice to the Warrant Holder of any amendment or waiver effected in compliance with this Section.

(b) No failure or delay of the Company or the Warrant Holder in exercising any power or right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereon or the exercise of any other right or power. No notice or demand on the Company in any case shall entitle the Company to any other or future notice or demand in similar or other circumstances. The rights and remedies of the Company and the Warrant Holder hereunder are cumulative and not exclusive of any rights or remedies which it would otherwise have.

Section 10. **Miscellaneous.**

(a) Expenses. The Company shall pay all reasonable expenses of the Warrant Holder, including reasonable fees and disbursements of counsel, in connection with the preparation of the Warrant.

(b) Successors and Assigns. All the provisions of this Warrant by or for the benefit of the Company or the Warrant Holder shall bind and inure to the benefit of their respective successors and permitted assigns.

(c) Severability. In case any one or more of the provisions contained in this Warrant shall be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

(d) Notices. Any notice or other communication required or permitted to be delivered to any party under this Warrant will be in writing and delivered by (a) email or (b) registered mail via a national courier service to the following email address or physical address, as applicable: (a) if to the Company, addressed to the Company at its address for notices as set forth below its signature hereon or any other address as the Company may hereafter notify to the Warrant Holder; and (b) if to the Warrant Holder, addressed to such address as the Warrant Holder may hereafter from time to time notify to the Company for the purposes of notice hereunder.

(e) Equitable Remedies. Without limiting the rights of the Company and the Warrant Holder to pursue all other legal and equitable rights available to such party for the other parties' failure to perform its obligations hereunder, the Company and the Warrant Holder each hereto acknowledge and agree that the remedy at law for any failure to perform any obligations hereunder would be inadequate and that each shall be entitled to specific performance, injunctive relief or other equitable remedies in the event of any such failure.

(f) Continued Effect. Notwithstanding anything herein to the contrary, the rights and benefits conferred on the holders of Warrant Units pursuant to the provisions hereof (including Section 6 and any covenants made by the Company) shall continue to inure to the benefit of, and shall be enforceable by, such holders, notwithstanding the surrender of the Warrant to, and its cancellation by, the Company upon the full or partial exercise or repurchase hereof. The Warrant Holders shall be entitled to retain a copy of this Warrant as evidence of the continued effect of the provisions hereof.

(g) Governing Law. THIS WARRANT SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF DELAWARE, WITHOUT GIVING EFFECT TO SUCH LAW(S) THAT WOULD REQUIRE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

(h) Section Headings. The section headings used herein are for convenience of reference only and shall not be construed in any way to affect the interpretation of any provisions of the Warrant.

(i) Rights as a Lender Unaffected. For the avoidance of doubt and notwithstanding anything herein that may be to the contrary, nothing contained in this Warrant shall affect, limit or impair the rights and remedies of the Warrant Holder or an Affiliate thereof in its capacity as a lender to the Company or any of its Affiliates pursuant to any note, indenture, agreement or other instrument under which the Company or any of its Affiliates has borrowed or may in the future borrow money. Without limiting the generality of the foregoing, any such person, in exercising its rights as a lender or agent thereunder, including making its decision on whether to foreclose on any collateral security, will have no duty to consider (i) its status or the status of any of its Affiliates as a direct or indirect equityholder of the Company or any of its Affiliates, (ii) the interests of the Company or any of its Affiliates, or (iii) any duty it may have to any other direct or indirect equityholder of the Company or any of its Affiliates, except as may be required under commercial law applicable to creditors generally.

The fees and expenses of the Appraiser shall be paid by the Company, on the one hand, and by the Requisite Holders, on the other hand, based upon the percentage that the amount actually contested but not awarded to the Company or the Requisite Holders, respectively, bears to the aggregate amount actually contested by the Company and the Requisite Holders.

For the avoidance of doubt, if no Preferred Units are outstanding as of the date such fraction is calculated, then the Second Tranche Proportional Share shall be zero (0).

"Second Tranche Unit Number" means the product of (i) a number of Common Units equal to five percent (5.00%) of the Fully Diluted Equity on September 2, 2026 and (ii) the Second Tranche Proportional Share, calculated as of such fifth anniversary; *provided, however,* that, on each Second Tranche Increase Date, if any Preferred Units are outstanding as of such date, the Second Tranche Unit Number shall be increased by the product of (A) a number of Common Units equal to one and one-fourth percent (1.25%) of the Fully Diluted Equity on such Second Tranche Increase Date and (B) the Second Tranche Proportional Share, calculated as of such Second Tranche Increase Date.

On the contrary, this Warrant has been reviewed by each of the parties hereto and their respective counsel and, in the case of any ambiguity or uncertainty, shall be construed and interpreted according to the ordinary meaning of the words used so as to fairly accomplish the purposes and intentions of all parties hereto.

Section 2. **Exercise of Warrant.**

(a) Exercise and Payment. The Warrant Holder may exercise this Warrant in whole or in part, at any time or from time to time on any Business Day on or after the Exercisable Date and prior to 5:00 p.m. (ET) on the Expiration Date, by delivering to the Company a duly executed notice (a "Notice of Exercise") in the form of Exhibit A and by payment to the Company of the Exercise Price per Warrant Unit, at the election of the Warrant Holder as follows: (i) by wire transfer of immediately available funds to the account of the Company in an amount equal to the Exercise Amount; (ii) by receiving from the Company the number of Warrant Units equal to (A) the number of Warrant Units as to which this Warrant is being exercised, *minus* (B) the number of Warrant Units having a value, based on the Fair Value immediately prior to the date of such exercise, equal to the Exercise Amount; or (iii) any combination of the foregoing.

The Company acknowledges that the provisions of clause (ii) of the prior sentence are intended, in part, to ensure that a full or partial exchange of this Warrant pursuant to such clause (ii) will qualify as an exchange, within the meaning of paragraph (d)(3)(iii) of Rule 144 under the Securities Act. For all purposes of this Warrant (other than this Section 2(a)), any reference herein to the exercise of this Warrant shall be deemed to include a reference to the exchange of this Warrant into Warrant Units in accordance with the terms of clause (ii). If this Warrant is exercised only in part, the Warrant Holder shall be deemed (to the extent of such exercise) to have exercised this Warrant and acquired Common Units in respect of which the earliest Expiration Date applies under this Warrant.

(b) Effectiveness and Delivery. As soon as practicable, but not later than five (5) Business Days after the Company shall have received a Notice of Exercise and payment, the Company shall update the books and records of the Company to reflect the exercise of the Warrant and issuance of the number of Warrant Units specified in such Notice of Exercise and otherwise evidence of the Warrant Holder's (or such other Person's) ownership of the number of Warrant Units specified in such Exercise Notice. This Warrant shall be deemed to have been exercised and such Warrant Units shall be deemed to have been issued, and the Warrant Holder or other Person or Persons designated in such Notice of Exercise shall be deemed for all purposes to have become a holder of record of Common Units, all as of the date that such Notice of Exercise and payment shall have been received (or deemed received) by the Company.

(c) No Required Surrender of Warrant. The Warrant Holder shall not be required to surrender this Warrant to the Company when it delivers the Notice of Exercise, however, this Warrant shall represent the right to purchase Common Units in respect of the unexercised portion (if any) of the Warrant. The other rights and obligations applicable to the Warrant, the Warrant Units and the Warrant Holders shall continue in effect following any partial exercise in accordance with the terms set forth herein only with respect to the unexercised portion of the Warrant, and all rights and obligations hereunder shall terminate with respect to the portion of the Warrant or the Warrant Units that have been exercised.

(d) Warrant Surrender; Delivery of New Warrant. If this Warrant is surrendered upon exercise or partial exercise, then (i) this Warrant shall be cancelled, and (ii) unless the purchase rights represented by this Warrant shall have been fully exercised, the Company shall, at the time of delivery of the certificate or certificates representing the Warrant Units being issued in accordance with this Section 2, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unexpired and unexercised Warrant Units called for by this Warrant. Such new Warrant shall in all other respects be identical to this Warrant.

(e) Delivery of Certificates. If at the time of exercise of this Warrant the Warrant Units are issuable by the Company in certificated form, then the Company shall, as promptly as practicable, and in any event within five (5) Business Days after the Company shall have received a Notice of Exercise and payment, execute (or cause to be executed) and deliver (or cause to be delivered) to the Holder a certificate or certificates representing the Warrant Units issuable upon any exercise of this Warrant. The certificate or certificates so delivered shall be, to the extent possible, in such denomination or denominations as the exercising Holder shall reasonably request in the Notice of Exercise and shall be registered in the name of the Holder or, subject to compliance with Section 2(f), such other Person's name as shall be designated in the Notice of Exercise.

(f) Expenses and Taxes. The Company shall pay all expenses, transfer taxes and owner charges payable in connection with the preparation, issuance and delivery of the Warrant Units and any new Warrants, except that if the Warrant Units or the new Warrants are to be registered in a name or names other than the name of the Warrant Holder, funds sufficient to pay all transfer taxes payable as a result of such transfer shall be paid by the Warrant Holder at the time of its delivery of the Notice of Exercise or promptly upon receipt of a written request by the Company for payment.

(g) Fractional Units. The Company shall not be required to issue a fractional Warrant Unit upon exercise of any Warrant. As to any fraction of a Warrant Unit that the Holder would otherwise be entitled to purchase upon such exercise, the Company shall pay to such Holder an amount in cash (by delivery of a certified or official bank check or by wire transfer of immediately available funds) equal to the product of (i) such fraction *multiplied by* (ii) the Fair Value of one Warrant Unit on the Exercise Date.

(h) Automatic Cashless Exercise. To the extent that there has not been an exercise by the Warrant Holder pursuant to Section 2(a), any portion of the Warrant that remains unexercised shall be exercised automatically in whole (not in part), upon the Expiration Date. Payment by the Warrant Holder upon such automatic exercise shall be in the form of the Warrant Holder receiving from the Company the number of Warrant Units equal to (i) the number of Warrant Units as to which this Warrant is being automatically exercised, *minus* (ii) the number of Warrant Units having a value, based on the Fair Value immediately prior to the date of such automatic exercise, equal to the Exercise Amount with respect to such automatic exercise.

(i) Company Action. The Company will take any Company action which may be necessary in order that the Company may validly and legally issue Warrant Units in connection with any exercise of this Warrant.

(j) Conditional Exercise. Unless the Warrant Holder elects in writing otherwise by notice to the Company, if an exercise of any portion of this Warrant is to be made in connection with a public offering, a sale of the Company (pursuant to a merger, consolidation, sale of stock, or otherwise) or a SPAC Transaction, then such exercise, notwithstanding any other provision hereof, shall be conditioned upon the consummation of such transaction, in which case such exercise shall not be deemed to be effective until immediately prior to the consummation of such transaction.

(k) Acknowledgement. The Warrant Holder, by acceptance hereof, acknowledges that this Warrant and the Warrant Units to be issued upon exercise hereof are subject to the terms of the LLC Agreement that are expressly applicable to the Warrant Units, the Warrant Holder and holders of Warrant Units and/or this Warrant (including, without limitation, Sections 4.3(d), 4.3(f), 10.4, 10.5, 12.1, 12.2, 12.8, 12.10 and 12.12). The Warrant Holder agrees to execute the LLC Agreement (if not already a party thereto) upon its acceptance of this Warrant.

(l) Withholding and Reporting. The Warrant Holder shall be subject to Section 10.4 of the LLC Agreement as though the Warrant Holder had fully exercised this Warrant.

Section 3. **Investment Representation.**

(a) The Warrant Holder represents to the Company that the Warrant Holder is an "accredited investor" as defined in Rule 501 of Regulation D promulgated under the Securities Act. By accepting the Warrant, the Warrant Holder represents that it is acquiring the Warrant for its own account for investment purposes and not with the view to any sale or distribution, that the Warrant Holder will not offer, sell or otherwise dispose of the Warrant or the Warrant Units except under circumstances as will not result in a violation of applicable securities laws.

(b) The Warrant Holder understands and acknowledges that this Warrant and the Warrant Units to be issued upon exercise hereof are "restricted securities" under the federal securities laws and that, under such laws and applicable regulations, such securities may be resold without registration under the Securities Act only in certain limited circumstances. In addition, the Warrant Holder represents that it is familiar with Rule 144 under the Securities Act, as presently in effect, and understands the resale limitations imposed thereby and by the Securities Act.

(c) The Warrant Holder acknowledges that it can bear the economic and financial risk of its investment for an indefinite period, and has such knowledge and experience in financial or business matters that it is capable of evaluating the merits and risks of the investment in the Warrant and the Warrant Units. The Warrant Holder has had an opportunity to ask questions and receive answers from the Company regarding the terms and conditions of the offering of the Warrant and the business, properties, prospects and financial condition of the Company and its Subsidiaries.

Section 4. **Representations and Warranties of the Company.**

The Company represents and warrants to the Warrant Holders as follows:

(a) This Warrant has been duly authorized, is validly issued, and constitutes the valid and binding obligation of the Company. Any Warrant issued in substitution for or replacement of this Warrant shall be duly authorized, validly issued, and constitute the valid and binding obligation of the Company.

(b) The Company has duly authorized and reserved, and will at all times until the Expiration Date have duly authorized and reserved, such number of Common Units as will be sufficient to permit the exercise in full of the Warrant, and that all such Common Units are and will be duly authorized and, when issued upon exercise of the Warrant, will be validly issued, fully paid and non-assessable, issued without violation of any preemptive or similar rights of any Member of the Company or any other Person, and free and clear of all Liens other than those arising under the LLC Agreement or applicable securities laws.

(c) As of the date of this Warrant, Schedule A to the LLC Agreement sets forth the entire issued and outstanding equity interests of the Company, including Options and Convertible Securities.

Section 5. **Antidilution Provisions.**

The number of Warrant Units that may be purchased upon any exercise of the Warrant, shall be subject to change or adjustment as set forth in this Section 5 (in each case, after taking into consideration any prior adjustments pursuant to this Section 5).

(a) Common Unit Reorganization. If the Company shall pay a dividend or make any other distribution upon any capital interests of the Company payable in Common Units, in rights to subscribe for or to purchase Common Units, or any Options for the purchase of Common Units, or any Convertible Securities or shall subdivide its outstanding Common Units into a greater number of Common Units, by way of a Common Unit split, Common Unit distribution or

otherwise, or consolidate its outstanding Common Units into a smaller number of Common Units (any such event being herein called a "Common Unit Reorganization"), then the number of Common Units subject to purchase upon exercise of this Warrant shall be adjusted, effective at such time, to a number determined by multiplying the number of Common Units subject to purchase immediately before such Common Unit Reorganization by a fraction, the numerator of which shall be the number of Common Units outstanding after giving effect to such Common Unit Reorganization and the denominator of which shall be the number of Common Units outstanding immediately before giving effect to such Common Unit Reorganization.

(b) Capital Reorganization. If there shall be (i) any consolidation or merger to which the Company is a party, other than a consolidation or a merger of which the Company is the continuing corporation and which does not result in any reclassification of, or change (other than a Common Unit Reorganization) in, outstanding Units, (ii) any sale or conveyance of the property of the Company as an entirety or substantially as an entirety, (iii) any recapitalization or similar capital reorganization of the Company, (iv) any reclassification of the Units of the Company, (v) any other transaction similar to the transactions described in clauses (i)-(iv) above (other than any such transaction that is a Common Unit Reorganization), (any of the foregoing events or transactions being called a "Capital Reorganization"), then, effective upon the effective date of such Capital Reorganization, the Warrant Holder shall no longer have the right to purchase Common Units, but shall have instead the right to purchase from the Company or the successor Person resulting from such Capital Reorganization, upon exercise of this Warrant, the kind and amount of securities and property (including cash) which the Warrant Holder would have owned or have been entitled to receive pursuant to such Capital Reorganization if the Warrant had been exercised in full immediately prior to the effective date of such Capital Reorganization and acquired the applicable number of Warrant Units then issuable hereunder as a result of such exercise (without taking into account any limitations or restrictions on the exercisability of this Warrant); and, in such case, appropriate adjustment (in form and substance reasonably satisfactory to the Warrant Holder) shall be made with respect to the Warrant Holder's rights under this Warrant to insure that the provisions of this Section 5 shall thereafter be applicable, as nearly as possible, to this Warrant in relation to any securities and property (including cash) thereafter acquirable upon exercise of this Warrant.

As a condition to effecting any Capital Reorganization, the Company or the successor or surviving entity, as the case may be, shall execute and deliver to the Warrant Holder an agreement as to the Warrant Holder's rights in accordance with this Section 5(b), providing, to the extent of any right to purchase equity securities hereunder, for subsequent adjustments as nearly equivalent as may be practicable to the adjustments provided for in this Section 5 and otherwise having the same terms and conditions as set forth herein.

The Company shall not effect any Capital Reorganization unless, prior to the consummation thereof, the successor Person (if other than the Company) resulting from such Capital Reorganization, shall assume, by written instrument substantially similar in form and substance to this Warrant and reasonably satisfactory to the Warrant Holder, the obligation to deliver to the Warrant Holder such securities and property (including cash) which, in accordance with the foregoing provisions, such Holder shall be entitled to receive upon exercise of this Warrant. Notwithstanding anything to the contrary contained herein, with respect to any Capital Reorganization contemplated by the provisions of this Section 5(b), the Warrant Holder shall

have the right to elect prior to the consummation of such any Capital Reorganization, to give effect to the exercise rights contained in Section 2 (to the extent the Exercisable Date has then occurred) instead of giving effect to the provisions contained in this Section 5(b) with respect to this Warrant.

The provisions of this Section 5(b) shall similarly apply to successive Capital Reorganizations. The provisions of this Section 5(b) shall not apply to any transaction that is a Qualified Financing.

(c) Special Distributions. If, after the Exercisable Date, the Company shall issue or distribute to any holder or holders of Common Units evidences of indebtedness, any other securities of the Company or any cash, property or other assets (excluding a Common Unit Reorganization) whether or not accompanied by a purchase, redemption or other acquisition of Units (any such nonexcluded event being herein called a "Special Distribution"), then the Warrant Holder shall be entitled to a pro-rata share of such Special Distribution as though the Warrant Holder had fully exercised this Warrant immediately prior to the record date for such Special Distribution, and the Company shall pay or distribute such pro-rata share to Warrant Holder when paid or distributed to the holders of the Common Units. For the avoidance of doubt, no adjustment in the number of Warrant Units issuable upon exercise of this Warrant shall be made with respect to a Special Distribution. A reclassification of the Common Units into Units of any other class of units or securities shall be deemed to be a distribution by the Company to the holders of its Common Units of such class of units or securities and, if the outstanding Common Units shall be changed into a larger or smaller number of Units as part of such reclassification, a Common Unit Reorganization.

(d) Adjustment to Number of Warrant Units Upon Issuance of Common Units. Except as provided in Section 5(e) and except in the case of an event described in either Section 5(a) or Section 5(b), if the Company shall, at any time or from time to time after the Exercisable Date, issue or sell, or in accordance with Section 5(f) is deemed to have issued or sold, any Common Units without consideration or for consideration per Common Unit less than $11.00 (as such amount is proportionately adjusted for Common Unit splits, reverse Common Unit splits, Common Unit combinations, Common Unit dividends and other distributions and recapitalizations affecting the Common Units after September 2, 2021, the "Original Price"), then immediately upon such issuance or sale (or deemed issuance or sale), the number of Warrant Units issuable upon exercise of this Warrant immediately prior to any such issuance or sale (or deemed issuance or sale) shall be increased to a number of Warrant Units equal to the product obtained by multiplying the number of Warrant Units issuable upon exercise of this Warrant immediately prior to such issuance or sale (or deemed issuance or sale) by a fraction (which shall in no event be less than one):

(i) the numerator of which shall be the number of Common Units Deemed Outstanding immediately after such issuance or sale (or deemed issuance or sale); and

(ii) the denominator of which shall be the sum of: (A) the number of Common Units Deemed Outstanding immediately prior to such issuance or sale (or deemed issuance or sale); *plus* (B) the aggregate number of Common Units which the

aggregate amount of consideration, if any, received by the Company upon such issuance or sale (or deemed issuance or sale) would purchase at the Original Price.

(e) Exceptions to Adjustment Upon Issuance of Common Units. Anything herein to the contrary notwithstanding, there shall be no adjustment to the number of Warrant Units issuable upon exercise of this Warrant with respect to (i) any Excluded Issuance, or (ii) a Qualified Financing (which, for the avoidance of doubt, shall be subject to the terms and conditions of the LLC Agreement).

(f) Effect of Certain Events on Adjustment to Number of Warrant Units. For purposes of determining the adjusted number of Warrant Units under Section 5(d), the following shall be applicable:

(i) Issuance of Options. If the Company shall, at any time or from time to time after the Exercisable Date, in any manner grant or sell (whether directly or by assumption in a merger or otherwise) any Options, whether or not such Options or the right to convert, exercise or exchange any Convertible Securities issuable upon the exercise of such Options are immediately exercisable, and the price per Common Unit (determined as provided in this paragraph and in Section 5(f)(v)) for which Common Units are issuable upon the exercise of such Options or upon the conversion or exchange of Convertible Securities issuable upon the exercise of such Options is less than the Original Price in effect immediately prior to the time of the granting or sale of such Options, then the total maximum number of Common Units issuable upon the exercise of such Options or upon conversion or exchange of the total maximum amount of Convertible Securities issuable upon the exercise of such Options shall be deemed to have been issued as of the date of granting or sale of such Options (and thereafter shall be deemed to be outstanding for purposes of adjusting the number of Warrant Units under Section 5(d)), at a price per Common Unit equal to the quotient obtained by dividing: (A) the sum (which sum shall constitute the applicable consideration received for purposes of Section 5(d)) of (x) the total amount, if any, received or receivable by the Company as consideration for the granting or sale of all such Options, *plus* (y) the minimum aggregate amount of additional consideration payable to the Company upon the exercise of all such Options, plus (z), in the case of such Options which relate to Convertible Securities, the minimum aggregate amount of additional consideration, if any, payable to the Company upon the issuance or sale of all such Convertible Securities and the conversion or exchange of all such Convertible Securities; *by* (B) the total maximum number of Common Units issuable upon the exercise of all such Options or upon the conversion or exchange of all Convertible Securities issuable upon the exercise of all such Options. Except as otherwise provided in Section 5(f)(iii), no further adjustment of the number of Warrant Units shall be made upon the actual issuance of Common Units or of Convertible Securities upon exercise of such Options or upon the actual issuance of Common Units upon conversion or exchange of Convertible Securities issuable upon exercise of such Options.

(ii) Issuance of Convertible Securities. If the Company shall, at any time or from time to time after the Exercisable Date, in any manner grant or sell (whether directly or by assumption in a merger or otherwise) any Convertible Securities, whether or not the

right to convert or exchange any such Convertible Securities is immediately exercisable, and the price per Common Unit (determined as provided in this paragraph and in Section 5(f)(v)) for which Common Units are issuable upon the conversion or exchange of such Convertible Securities is less than the Original Price in effect immediately prior to the time of the granting or sale of such Convertible Securities, then the total maximum number of Common Units issuable upon conversion or exchange of the total maximum amount of such Convertible Securities shall be deemed to have been issued as of the date of granting or sale of such Convertible Securities (and thereafter shall be deemed to be outstanding for purposes of adjusting the number of Warrant Units pursuant to Section 5(d)), at a price per Common Unit equal to the quotient obtained by dividing: (A) the sum (which sum shall constitute the applicable consideration received for purposes of Section 5(d)) of (x) the total amount, if any, received or receivable by the Company as consideration for the granting or sale of such Convertible Securities, *plus* (y) the minimum aggregate amount of additional consideration, if any, payable to the Company upon the conversion or exchange of all such Convertible Securities; *by* (B) the total maximum number of Common Units issuable upon the conversion or exchange of all such Convertible Securities. Except as otherwise provided in Section 5(f)(iii), no further adjustment of the number of Warrant Units shall be made upon the actual issuance of Common Units upon conversion or exchange of such Convertible Securities or by reason of the issue or sale of Convertible Securities upon exercise of any Options to purchase any such Convertible Securities for which adjustments of the number of Warrant Units have been made pursuant to the other provisions of this Section 5(f).

(iii) Change in Terms of Options or Convertible Securities. Upon any change in any of (A) the total amount received or receivable by the Company as consideration for the granting or sale of any Options or Convertible Securities referred to in Section 5(f)(i) or Section 5(f)(ii), (B) the minimum aggregate amount of additional consideration, if any, payable to the Company upon the exercise of any Options or upon the issuance, conversion or exchange of any Convertible Securities referred to in Section 5(f)(i) or Section 5(f)(ii), (C) the rate at which Convertible Securities referred to in Section 5(f)(i) or Section 5(f)(ii) are convertible into or exchangeable for Common Units, or (D) the maximum number of Common Units issuable in connection with any Options referred to in Section 5(f)(i) or any Convertible Securities referred to in Section 5(f)(ii) (in each case, other than in connection with an Excluded Issuance), then (whether or not the original issuance or sale of such Options or Convertible Securities resulted in an adjustment to the number of Warrant Units pursuant to this Section 5) the number of Warrant Units issuable upon exercise of this Warrant at the time of such change shall be adjusted or readjusted, as applicable, to the number of Warrant Units which would have been in effect at such time pursuant to the provisions of this Section 5 had such Options or Convertible Securities still outstanding provided for such changed consideration, conversion rate, or maximum number of Common Units, as the case may be, at the time initially granted, issued, or sold, but only if as a result of such adjustment or readjustment, the number of Warrant Units issuable upon exercise of this Warrant is increased.

(iv) Treatment of Expired or Terminated Options or Convertible Securities. Upon the expiration or termination of any unexercised Option (or portion thereof) or any

unconverted or unexchanged Convertible Security (or portion thereof) for which any adjustment (either upon its original issuance or upon a revision of its terms) was made pursuant to this Section 5 (including upon the redemption or purchase for consideration of all or any portion of such Option or Convertible Security by the Company), the number of Warrant Units then issuable upon exercise of this Warrant shall forthwith be changed pursuant to the provisions of this Section 5 to the number of Warrant Units which would have been in effect at the time of such expiration or termination had such unexercised Option (or portion thereof) or unconverted or unexchanged Convertible Security (or portion thereof), to the extent outstanding immediately prior to such expiration or termination, never been issued.

(v) Calculation of Consideration Received. If the Company shall, at any time or from time to time after the Exercisable Date, issue or sell, or is deemed to have issued or sold in accordance with Section 5(f), any Common Units, Options, or Convertible Securities: (A) for cash, the consideration received therefor shall be deemed to be the net amount received by the Company therefor; (B) for consideration other than cash, the amount of the consideration other than cash received by the Company shall be the Fair Value of such consideration, except where such consideration consists of marketable securities, in which case the amount of consideration received by the Company shall be the market price (as reflected on any securities exchange, quotation system or association, or similar pricing system covering such security) for such securities as of the end of business on the date of receipt of such securities; (C) for no specifically allocated consideration in connection with an issuance or sale of other securities of the Company, together comprising one integrated transaction, the amount of the consideration therefor shall be deemed to be the Fair Value of such portion of the aggregate consideration received by the Company in such transaction as is attributable to such Common Units, Options or Convertible Securities, as the case may be, issued in such transaction; or (D) to the owners of the non-surviving entity in connection with any merger in which the Company is the surviving corporation, the amount of consideration therefor shall be deemed to be the Fair Value of such portion of the net assets and business of the non-surviving entity as is attributable to such Common Units, Options, or Convertible Securities, as the case may be, issued to such owners. The net amount of any cash consideration and the Fair Value of any consideration other than cash or marketable securities shall be determined in good faith jointly by the Board and the Requisite Holders; *provided*, *however*, that if the Board and the Requisite Holders are unable to agree on the net amount of any cash consideration or the Fair Value of any consideration other than cash or marketable securities within a reasonable period of time (not to exceed 15 days from the Warrant Holder's receipt of a certificate of adjustment pursuant to Section 5(i)(vii) relating to the applicable issuance), such net amount of cash or Fair Value, as applicable, shall be determined by the Appraiser.

(vi) Record Date. For purposes of any adjustment to the number of Warrant Units in accordance with this Section 5, in case the Company shall take a record of the holders of its Common Units for the purpose of entitling them (A) to receive a dividend or other distribution payable in Common Units, Options, or Convertible Securities, or (B) to subscribe for or purchase Common Units, Options, or Convertible Securities, then such record date shall be deemed to be the date of the issue or sale of the Common Units

deemed to have been issued or sold upon the declaration of such dividend or the making of such other distribution or the date of the granting of such right of subscription or purchase, as the case may be; *provided*, *however,* that if before the distribution to its holders of Common Units the Company legally abandons its plan to pay or deliver such dividend, distribution, subscription, or purchase rights, then thereafter no adjustment shall be required by the taking of such record and any such adjustment previously made in respect thereof shall be rescinded and annulled.

(vii) Treasury Units. The number of Common Units outstanding at any given time shall not include any securities owned or held by or for the account of the Company or any of its wholly owned subsidiaries, and the disposition of any such securities (other than the cancellation or retirement thereof or the transfer of such securities among the Company and its wholly owned subsidiaries) shall be considered an issue or sale of Common Units for the purpose of this Section 5.

(g) Notices. In the event:

(i) that the Company shall take a record of the holders of its Common Units (or other Units or securities at the time issuable upon exercise of the Warrant) for the purpose of entitling or enabling them to receive any dividend or other distribution (including a Special Distribution), to vote at a meeting (or by written consent), to receive any right to subscribe for or purchase any Units of any class or any other securities, or to receive any other security; or

(ii) of any capital reorganization of the Company, any reclassification of the Common Units of the Company, any consolidation or merger of the Company with or into another Person, any sale of all or substantially all of the Company's assets to another Person (including any Capital Reorganization), or any SPAC Transaction; or

(iii) of the voluntary or involuntary dissolution, liquidation, or winding-up of the Company;

then, and in each such case, the Company shall send or cause to be sent to the Warrant Holder at least fifteen (15) days prior to the applicable record date or the applicable expected effective date, as the case may be, for the event, a written notice specifying, as the case may be, (A) the record date for such dividend, distribution, meeting or consent, or other right or action, and a description of such dividend, distribution, or other right or action to be taken at such meeting or by written consent, or (B) the effective date on which such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation, or winding-up is proposed to take place, and the date, if any is to be fixed, as of which the books of the Company shall close or a record shall be taken with respect to which the holders of record of Common Units (or such other Units or securities at the time issuable upon exercise of the Warrant) shall be entitled to exchange their Common Units (or such other Units or securities) for securities or other property deliverable upon such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation, or winding-up, and the amount per Unit and character of such exchange applicable to the Warrant and the Warrant Units.

(h) Equitable Equivalent. In case any event shall occur (including any change or adjustment to the number of Common Units issuable upon conversion of any Preferred Unit pursuant to the LLC Agreement) as to which the provisions of this Section 5 set forth above hereof are not strictly applicable but the failure to make any adjustment would not, in the reasonable opinion of the Requisite Holders, fairly protect the purchase rights represented by this Warrant in accordance with the essential intent and principles of this Section 5, then, in each such case, at the request of the Requisite Holders, the Company shall appoint an Appraiser (which shall be completely independent of the Company and shall be satisfactory to the Warrant Holder or the holders constituting the Requisite Holders), which shall give its opinion upon the adjustments, if any, on a basis consistent with the essential intent and principles established in this Section 5, necessary to preserve, without dilution, the purchase rights represented by this Warrant. Upon receipt of such opinion, the Company promptly will send a copy thereof to the Warrant Holder and shall make the adjustments described therein.

(i) Adjustment Rules.

(i) Any adjustments pursuant to this Section 5 shall be made successively whenever any event referred to herein shall occur.

(ii) In computing adjustments under this Section 5, fractional interests in Common Units shall be taken into account to the nearest one-thousandth of a Common Unit.

(iii) The exercise of a Warrant shall not, in and of itself, cause an adjustment pursuant to this Section 5.

(iv) No adjustment under this Section 5 shall operate to increase the Exercise Price or reduce the number of Common Units subject to purchase upon exercise of this Warrant, other than in the case of a Common Unit Reorganization involving a Common Unit combination or similar transaction.

(v) As a condition precedent to the taking of any action which would require an adjustment pursuant to this Section 5, the Company shall take any action which may be necessary, including obtaining regulatory approvals or exemptions, in order that the Company may thereafter validly and legally issue all Common Units which the Warrant Holder is entitled to receive upon exercise of the Warrant.

(vi) Not less than fifteen (15) days prior to the record date or effective date, as the case may be, of any action which requires or might require an adjustment or readjustment pursuant to this Section 5, the Company shall give notice to the Warrant Holder of such event, describing such event in reasonable detail and specifying the record date or effective date, as the case may be, and, if determinable, the required adjustment and computation thereof. If the required adjustment is not determinable as of the time of such notice, the Company shall give notice to the Warrant Holder of such adjustment and computation as soon as reasonably practicable after such adjustment becomes determinable (and in any event no later than three (3) days prior to such record date or effective date, as applicable). Any dispute which arises between the Warrant Holder and

the Company with respect to the calculation of the adjusted Warrant Units issuable upon exercise shall be determined by the Appraiser.

(vii) As promptly as reasonably practicable following any adjustment of the number of Warrant Units pursuant to the provisions of this Section 5, but in any event not later than five (5) Business Days thereafter, the Company shall furnish to the Warrant Holder a certificate of an executive officer setting forth in reasonable detail such adjustment and the facts upon which it is based and certifying the calculation thereof.

(viii) As promptly as reasonably practicable following the receipt by the Company of a written request by the Warrant Holder, but in any event not later than five (5) Business Days thereafter, the Company shall furnish to the Warrant Holder a certificate of an executive officer certifying the number of Warrant Units or the amount, if any, of other Units, securities, or assets then issuable upon exercise of the Warrant.

(ix) The form of this Warrant need not be changed because of any adjustment pursuant to this Section 5.

(x) Upon the occurrence of any adjustment pursuant to this Section 5, the Exercise Price also shall be correspondingly adjusted, so that after such adjustment the aggregate Exercise Price payable hereunder for the adjusted number of Warrant Units shall be the same as the aggregate Exercise Price in effect immediately prior to such adjustment.

Section 6. **Transfer of Warrant.**

Subject to any limitations on transfer applicable to holders of Warrants set forth in the LLC Agreement, the Warrant Holder may effectuate a transfer of the Warrant by (a) delivering to the Company a duly executed Warrant Assignment in the form of Exhibit B of this Warrant, together with funds sufficient to pay any transfer taxes described in Section 2(f) in connection with the making of such transfer, and (b) causing the transferee to sign and deliver to the Company a joinder to the LLC Agreement (if such transferee is not already a party thereto), in a form reasonably acceptable to the Company, pursuant to which such transferee agrees to be bound by the terms thereof. For the avoidance of doubt, if the Warrant Holder does not comply with clauses (a) and (b) of the foregoing sentence, the purported transfer shall be deemed void *ab initio*.

Section 7. **Covenants.** The Company hereby covenants and agrees as follows:

(a) No Avoidance. Notwithstanding any provision herein to the contrary, nothing herein shall be construed to limit, amend or alter the rights or remedies available to the Warrant Holder**.** The Company shall not, by amendment of its certificate of formation, the LLC Agreement, any other constitutional document or any other agreement to which it is party or through any consolidation, merger, amalgamation, reorganization, reclassification of securities, recapitalization, transfer of assets, dissolution, issue or sale of securities, SPAC Transaction or any other action or transaction, directly or indirectly, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the

carrying out of all such terms and in the taking of all such action as may be necessary or appropriate or reasonably requested by the Warrant Holder in order to protect the rights of the Warrant Holder against dilution or other impairment.

(b) Further Actions. The Company shall take all such actions as may be necessary to ensure that all such Warrant Units are issued without violation by the Company of any applicable law or governmental regulation or any requirements of any securities exchange upon which shares of Common Stock or other securities constituting Warrant Units may be listed at the time of such exercise (except for official notice of issuance which shall be immediately delivered by the Company upon each such issuance).

(c) Securities Listings. The Company shall use its commercially reasonable efforts to cause the Warrant Units, immediately upon such exercise, to be listed on any securities exchange upon which Common Units or other securities constituting Warrant Units are listed at the time of such exercise.

(d) Par Value. If the Warrant Units have a par value, then the Company shall ensure that the par value per Warrant Unit shall at all times be less than or equal to the applicable Exercise Price. The Company shall not increase the par value of any Warrant Units receivable upon the exercise of this Warrant above the Exercise Price then in effect, and shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Units upon the exercise of this Warrant.

Section 8. **Lost, Mutilated or Missing Warrants.**

The Company hereby agrees that, upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of any Warrant, and, in the case of loss, theft or destruction, upon receipt of indemnification satisfactory to the Company (which shall be in the form of an unsecured, unbonded agreement of indemnity or affidavit of loss) or, in the case of mutilation, upon surrender and cancellation of the mutilated Warrant, the Company shall execute and deliver a new Warrant of like tenor and representing the right to purchase the same aggregate number of Warrant Units.

Section 9. **Waivers; Amendments; Rights and Remedies.**

(a) Any provision of this Warrant may be amended or waived with (but only with) the written consent of the Company and the Requisite Holders; *provided, however,* that no such amendment or waiver shall, without the written consent of the Company and the Warrant Holder, (i) change the number of Warrant Units issuable upon exercise of the Warrant or the Exercise Price, (ii) shorten the Expiration Date, or (iii) amend, supplement or waive the provisions of this Section or the definition of "Requisite Holders." Any amendment or waiver effected in compliance with this Section shall be binding upon the Company and the Warrant Holder. The Company shall give prompt notice to the Warrant Holder of any amendment or waiver effected in compliance with this Section.

(b) No failure or delay of the Company or the Warrant Holder in exercising any power or right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise

of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereon or the exercise of any other right or power. No notice or demand on the Company in any case shall entitle the Company to any other or future notice or demand in similar or other circumstances. The rights and remedies of the Company and the Warrant Holder hereunder are cumulative and not exclusive of any rights or remedies which it would otherwise have.

Section 10. **Miscellaneous.**

(a) Expenses. The Company shall pay all reasonable expenses of the Warrant Holder, including reasonable fees and disbursements of counsel, in connection with the preparation of the Warrant.

(b) Successors and Assigns. All the provisions of this Warrant by or for the benefit of the Company or the Warrant Holder shall bind and inure to the benefit of their respective successors and permitted assigns.

(c) Severability. In case any one or more of the provisions contained in this Warrant shall be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

(d) Notices. Any notice or other communication required or permitted to be delivered to any party under this Warrant will be in writing and delivered by (a) email or (b) registered mail via a national courier service to the following email address or physical address, as applicable: (a) if to the Company, addressed to the Company at its address for notices as set forth below its signature hereon or any other address as the Company may hereafter notify to the Warrant Holder; and (b) if to the Warrant Holder, addressed to such address as the Warrant Holder may hereafter from time to time notify to the Company for the purposes of notice hereunder.

(e) Equitable Remedies. Without limiting the rights of the Company and the Warrant Holder to pursue all other legal and equitable rights available to such party for the other parties' failure to perform its obligations hereunder, the Company and the Warrant Holder each hereto acknowledge and agree that the remedy at law for any failure to perform any obligations hereunder would be inadequate and that each shall be entitled to specific performance, injunctive relief or other equitable remedies in the event of any such failure.

(f) Continued Effect. Notwithstanding anything herein to the contrary, the rights and benefits conferred on the holders of Warrant Units pursuant to the provisions hereof (including Section 6 and any covenants made by the Company) shall continue to inure to the benefit of, and shall be enforceable by, such holders, notwithstanding the surrender of the Warrant to, and its cancellation by, the Company upon the full or partial exercise or repurchase hereof. The Warrant Holders shall be entitled to retain a copy of this Warrant as evidence of the continued effect of the provisions hereof.

(g) Governing Law. THIS WARRANT SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF DELAWARE, WITHOUT GIVING EFFECT TO SUCH LAW(S) THAT WOULD REQUIRE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

(h) Section Headings. The section headings used herein are for convenience of reference only and shall not be construed in any way to affect the interpretation of any provisions of the Warrant.

(i) Rights as a Lender Unaffected. For the avoidance of doubt and notwithstanding anything herein that may be to the contrary, nothing contained in this Warrant shall affect, limit or impair the rights and remedies of the Warrant Holder or an Affiliate thereof in its capacity as a lender to the Company or any of its Affiliates pursuant to any note, indenture, agreement or other instrument under which the Company or any of its Affiliates has borrowed or may in the future borrow money. Without limiting the generality of the foregoing, any such person, in exercising its rights as a lender or agent thereunder, including making its decision on whether to foreclose on any collateral security, will have no duty to consider (i) its status or the status of any of its Affiliates as a direct or indirect equityholder of the Company or any of its Affiliates, (ii) the interests of the Company or any of its Affiliates, or (iii) any duty it may have to any other direct or indirect equityholder of the Company or any of its Affiliates, except as may be required under commercial law applicable to creditors generally.

[Signatures on following page.]

IN WITNESS WHEREOF, the Company has caused this Warrant to be duly executed by its authorized signatory as of the day and year first above written.

2. Demand Registration.

(a) At any time after the Market Standoff Period following a Qualified Public Offering, holders of fifty percent (50%) or more of the Registrable Securities then outstanding held by the Senior Preferred Investors (such holders, the "Initiating Holders") may request that the Company file a registration statement under the Securities Act on Form S-1 or any successor form thereto (each, a "Long-Form Registration") covering the registration of Registrable Securities of such Initiating Holders with an anticipated aggregate offering price of at least $50,000,000. Each request for a Long-Form Registration shall specify the number of Registrable Securities requested to be included in the Long-Form Registration. Upon receipt of any such request, the Company shall, within twenty (20) days, give written notice of such request to all holders of Registrable Securities, and subject to the limitations of this Section 2, use all commercially reasonable efforts to effect, as expeditiously as possible, the registration under the Securities Act of all Registrable Securities that holders of Registrable Securities request to be registered in a written request received by the Company within twenty (20) days after the mailing of the Company's notice.

In connection therewith, the Company shall prepare and file with (or confidentially submit to) the Commission a Registration Statement on Form S-1 or any successor form thereto covering all of Registrable Securities that the holders thereof have requested to be included in such Long-Form Registration within thirty (30) days after the date on which the initial request is given and shall use its commercially reasonable efforts to cause such Registration Statement to be declared effective by the Commission as soon as practicable thereafter.

Notwithstanding the foregoing, the Company shall not be required to effect a registration pursuant to this Section 2(a):

(i) in any particular jurisdiction in which the Company would be required to execute a general consent to service of process in effecting such registration, unless the Company is already subject to service in such jurisdiction and except as may be required under the Securities Act; or

(ii) after the Company has effected two (2) registrations pursuant to this Section 2(a) and such registrations have been declared or ordered effective.

(b) After a Qualified Public Offering, the Company shall use its commercially reasonable efforts to qualify and remain qualified to register the offer and sale of securities under the Securities Act pursuant to a Registration Statement on Form S-3 or any successor form thereto. At such time as the Company shall have qualified for the use of a Registration Statement on Form S-3 or any successor form thereto (irrespective of whether a Qualified Public Offering shall have occurred), the holders of Registrable Securities shall have the right to request an unlimited number of registrations under the Securities Act of all or any portion of their Registrable Securities pursuant to a Registration Statement on Form S-3 or any similar short-form Registration Statement (each, a "Short-Form Registration" and, with each Long-Form Registration and Shelf Registration (as defined below), a "Demand Registration").

Each request for a Short-Form Registration shall specify the number of Registrable Securities requested to be included in the Short-Form Registration. Upon receipt of any such request, the Company shall promptly (but in no event later than twenty (20) days following receipt thereof) deliver notice of such request to all other holders of Registrable Securities who shall then have twenty (20) days from the date such notice is given to notify the Company in writing of their desire to be included in such registration. The Company shall prepare and file with (or confidentially submit to) the Commission a Registration Statement on Form S-3 or any successor form thereto covering all of the Registrable Securities that the holders thereof have requested to be included in such Short-Form Registration within twenty (20) days after the date on which the initial request is given and shall use its commercially reasonable efforts to cause such Registration Statement to be declared effective by the Commission as soon as practicable thereafter.

(c) At such time as the Company shall have qualified for the use of a Registration Statement on Form S-3 or the then appropriate form for an offering to be made on a delayed or continuous basis pursuant to Rule 415 under the Securities Act or any successor rule thereto (a "Shelf Registration Statement"), the holders of Registrable Securities shall have the right to request registration under the Securities Act of all or any portion of their Registrable Securities for an offering on a delayed or continuous basis pursuant to Rule 415 under the Securities Act or any successor rule thereto (a "Shelf Registration"). Each request for a Shelf Registration shall specify the number of Registrable Securities requested to be included in the Shelf Registration. Upon receipt of any such request, the Company shall promptly (but in no event later than twenty (20) days following receipt thereof) deliver notice of such request to all other holders of Registrable Securities who shall then have twenty (20) days from the date such notice is given to notify the Company in writing of their desire to be included in such registration. The Company shall prepare and file with (or confidentially submit to) the Commission a Shelf Registration Statement covering all of the Registrable Securities that the holders thereof have requested to be included in such Shelf Registration within twenty (20) days after the date on which the initial request is given and shall use its commercially reasonable efforts to cause such Shelf Registration Statement to be declared effective by the Commission as soon as practicable thereafter.

(d) The Company shall not be obligated to effect any registration during the period starting with the date sixty (60) days prior to the Company's good faith estimate of the date of the filing of and ending on a date one hundred eighty (180) days following the effective date of a Company-initiated registration subject to Section 3.

(e) The Company may postpone for up to one hundred twenty (120) days the filing or effectiveness of a Registration Statement for a Demand Registration or the filing of a supplement for the purpose of effecting an offering pursuant to Rule 415 under the Securities Act or any successor rule thereto (a "Shelf Takedown") if the Board determines in its reasonable good faith judgment that such Demand Registration or Shelf Takedown would: (i) materially interfere with a significant acquisition, corporate reorganization, financing, securities offering or other similar transaction involving the Company; (ii) require premature disclosure of material information that the Company has a bona fide business purpose for preserving as confidential; (iii) render the Company unable to comply with requirements under the Securities Act or Exchange Act; or (iv) otherwise be materially detrimental to the Company and its stockholders; *provided, however* that such right shall be exercised by the Company not more than once in any twelve (12)-month period; *provided further, however* that the Company shall not register any securities for its own account or that of any other stockholder during such one hundred twenty (120)-day period.

(f) If the holders of the Registrable Securities initially requesting a Demand Registration or Shelf Takedown elect to distribute the Registrable Securities covered by their request in an underwritten offering, they shall so advise the Company as a part of their request made pursuant to Section 2(a), Section 2(b) or Section 2(c), and the Company shall include such information in its notice to the other holders of Registrable Securities. In any such event, the right of any applicable holder to include its Registrable Securities in such registration shall be conditioned upon such holder's participation in such underwriting and the inclusion of such holder's Registrable Securities in the underwriting (unless otherwise mutually agreed by a majority in interest of the Initiating Holders and such holder) to the extent provided herein. All holders proposing to distribute their Registrable Securities through such underwriting shall enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such underwriting by the Company (which underwriter or underwriters shall be reasonably acceptable to a majority in interest of the Initiating Holders). The holders of at least a majority of the Registrable Securities initially requesting the Demand Registration or Shelf Takedown shall select the investment banking firm or firms to act as the managing underwriter or underwriters in connection with such offering.

(g) Other than securities to be sold for its own account, the Company shall not include in any Demand Registration or Shelf Takedown any securities which are not Registrable Securities without the prior written consent of the holders of at least a majority of the Registrable Securities initially requesting such Demand Registration or Shelf Takedown, which consent shall not be unreasonably withheld or delayed.

(h) If a Demand Registration or Shelf Takedown involves an underwritten offering and the managing underwriter of the requested Demand Registration or Shelf Takedown advises the Company and the holders of Registrable Securities in writing that in its reasonable and good faith opinion marketing factors require a limitation on the number of securities

underwritten, the Company shall include in such Demand Registration or Shelf Takedown (i) *first*, the Company Securities that the Initiating Holders propose to sell, (ii) *second*, the Company Securities that any other holders of Registrable Securities propose to sell and (iii) *third*, the Company Securities proposed to be included therein by any other Persons (including Company Securities to be sold for the account of the Company and/or other holders of Company Securities) allocated among such Persons in such manner as they may agree. If the managing underwriter determines that less than all the Registrable Securities proposed to be sold can be included in such offering, then the Registrable Securities that are included in such offering shall be allocated pro rata among the respective holders thereof on the basis of the number of Registrable Securities owned by each such holder.

(i) To the extent the Company is a WKSI at the time any Demand Registration is submitted to the Company, the Company shall file an automatic shelf registration statement (as defined in Rule 405 under the Securities Act) (an "Automatic Shelf Registration Statement") on Form S-3 which covers those Registrable Securities which are requested to be registered. If the Company does not pay the filing fee covering the Registrable Securities at the time the Automatic Shelf Registration Statement is filed, the Company will pay such fee at such time or times as the Registrable Securities are to be sold in compliance with the SEC rules. If the Automatic Shelf Registration Statement has been outstanding for at least three (3) years, at or prior to the end of the third year the Company shall refile a new Automatic Shelf Registration Statement covering the Registrable Securities. If at any time when the Company is required to re-evaluate its WKSI status the Company determines that it is not a WKSI, the Company shall use its reasonable best efforts to refile the shelf registration statement on Form S-3 and, if such form is not available, Form S-1 and keep such registration statement effective during the period which such registration statement is required to be kept effective.

(j) If the Company files any shelf registration statement for the benefit of the holders of any of its securities other than the holders of Registrable Securities, and the holders of Registrable Securities do not request that any of their Registrable Securities be included in such Shelf Registration Statement, the Company will include in such registration statement such disclosures as may be required by Rule 430B under the Securities Act (referring to the unnamed selling security holders in a generic manner by identifying the initial offering of the securities to the holders of Registrable Securities) in order to ensure that the holders of Registrable Securities may be added to such shelf registration statement at a later time through the filing of a prospectus supplement rather than a post-effective amendment.

3. Piggyback Registration.

(a) Whenever (i) the Company proposes to register the offer and sale of any Company Securities under the Securities Act (other than a registration (A) pursuant to a Registration Statement on Form S-8 (or other registration solely relating to an offering or sale to employees or directors of the Company pursuant to any employee stock plan or other employee benefit arrangement), (B) pursuant to a Registration Statement on Form S-4 (or similar form that relates to a transaction subject to Rule 145 under the Securities Act or any successor rule thereto), or (C) in connection with any dividend or distribution reinvestment or similar plan), whether for its own account or for the account of one or more stockholders of the Company, and (ii) the form of Registration Statement (a "Piggyback Registration Statement") to be used may be

used for any registration of Registrable Securities (a "Piggyback Registration"), then the Company shall give prompt written notice (in any event no later than twenty (20) days prior to the filing of such Registration Statement) to the holders of Registrable Securities of its intention to effect such a registration and, subject to Section 3(b) and Section 3(c), shall include in such registration all Registrable Securities with respect to which the Company has received written requests for inclusion from the holders of Registrable Securities within twenty (20) days after the Company's notice has been given to each such holder. A Piggyback Registration shall not be considered a Demand Registration for purposes of Section 2.

If any Piggyback Registration Statement pursuant to which holders of Registrable Securities have registered the offer and sale of Registrable Securities is a Registration Statement on Form S-3 or the then appropriate form for an offering to be made on a delayed or continuous basis pursuant to Rule 415 under the Securities Act or any successor rule thereto (a "Piggyback Shelf Registration Statement"), such holder(s) shall have the right, but not the obligation, to be notified of and to participate in any offering under such Piggyback Shelf Registration Statement (a "Piggyback Shelf Takedown").

(b) If a Piggyback Registration or Piggyback Shelf Takedown is initiated as a primary underwritten offering on behalf of the Company and the managing underwriter advises the Company and the holders of Registrable Securities (if any holders of Registrable Securities have elected to include Registrable Securities in such Piggyback Registration or Piggyback Shelf Takedown) in writing that in its reasonable and good faith opinion marketing factors require a limitation on the number of securities underwritten, the Company shall include in such registration or takedown: (i) *first*, the Company Securities that the Company proposes to sell; (ii) *second*, the Company Securities requested to be included therein by holders of Registrable Securities, allocated pro rata among all such holders on the basis of the number of Registrable Securities owned by each such holder or in such manner as they may otherwise agree; and (iii) *third*, the Company Securities requested to be included therein by holders of Company Securities other than holders of Registrable Securities, allocated among such holders in such manner as they may agree; *provided*, *however*, that in any event the Senior Preferred Investors holding Registrable Securities shall be entitled to register the offer and sale or distribution of at least fifteen percent (15%) of the Registrable Securities to be included in any such registration or takedown.

(c) If a Piggyback Registration or Piggyback Shelf Takedown is initiated as an underwritten offering on behalf of a holder of Company Securities other than Registrable Securities, and the managing underwriter advises the Company in writing that in its reasonable and good faith opinion the number of Company Securities proposed to be included in such registration or takedown, including all Registrable Securities and all other Company Securities proposed to be included in such underwritten offering, exceeds the number of Company Securities which can be sold in such offering and/or that the number of Company Securities proposed to be included in any such registration or takedown would adversely affect the price per share of the Company Securities to be sold in such offering, the Company shall include in such registration or takedown: (i) *first*, the Company Securities requested to be included therein by the holder(s) requesting such registration or takedown and by the holders of Registrable Securities, allocated pro rata among all such holders on the basis of the number of Company Securities other than the Registrable Securities (on a fully diluted, as converted basis) and the

number of Registrable Securities, as applicable, owned by all such holders or in such manner as they may otherwise agree; and (ii) *second*, the Company Securities requested to be included therein by other holders of Company Securities, allocated among such holders in such manner as they may agree.

(d) If any Piggyback Registration or Piggyback Shelf Takedown is initiated as a primary underwritten offering on behalf of the Company, the Company shall select the investment banking firm or firms to act as the managing underwriter or underwriters in connection with such offering.

(e) For the avoidance of doubt, the provisions of this Section 3 shall apply irrespective of whether a Qualified Public Offering shall have occurred.

4. Lock-Up Agreement. Each holder of Registrable Securities agrees that in connection with any Qualified Public Offering of the Company Securities and any registration effected pursuant to Section 2(a), Section 2(b) or Section 2(c), and upon the request of the managing underwriter in such offering, such holder shall not, without the prior written consent of such managing underwriter, during the Market Standoff Period (a) offer, pledge, sell, contract to sell, grant any option or contract to purchase, purchase any option or contract to sell, hedge the beneficial ownership of or otherwise dispose of, directly or indirectly, any Company Securities or any securities convertible into, exercisable for or exchangeable for Company Securities held immediately before the effectiveness of the Registration Statement for such offering, or (b) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of such securities, whether any such transaction described in clause (a) or (b) above is to be settled by delivery of Company Securities or such other securities, in cash or otherwise.

The foregoing provisions of this Section 4 shall not apply to sales of Registrable Securities to be included in such offering pursuant to Section 2, or Section 3, and shall be applicable to the holders of Registrable Securities only if all officers and directors of the Company and all holders owning more than one percent (1%) of the Company's outstanding Company Securities are subject to the same restrictions. Each holder of Registrable Securities shall execute and deliver such other customary agreements as may be reasonably requested by the Company or the managing underwriter that are consistent with the foregoing and that are on terms no less favorable to the holders of Registrable Securities than are provided to all other non-management holders of Company Securities.

Notwithstanding anything to the contrary contained in this Section 4, each holder of Registrable Securities shall be released, pro rata, from any lock-up agreement entered into pursuant to this Section 4 if and to the extent that the managing underwriter or the Company permit any discretionary waiver or termination of the restrictions of any lock-up agreement pertaining to any officer or director of the Company or any holder of greater than one percent (1%) of the outstanding Company Securities.

5. Registration Procedures. If and whenever the holders of Registrable Securities request that the offer and sale of any Registrable Securities be registered under the Securities Act or that any Registrable Securities be distributed in a Shelf Takedown pursuant to the provisions

of this Agreement, the Company shall use its commercially reasonable efforts to effect the registration of the offer and sale of such Registrable Securities under the Securities Act in accordance with the intended method of disposition thereof, and pursuant thereto the Company shall as soon as practicable and as applicable:

(a) subject to Section 2(a), Section 2(b) and Section 2(c), prepare and file with the Commission a Registration Statement covering such Registrable Securities and use its best efforts to cause such Registration Statement to be declared effective;

(b) in the case of a Long-Form Registration or a Short-Form Registration, prepare and file with the Commission such amendments, post-effective amendments and supplements to such Registration Statement and the Prospectus used in connection therewith as may be necessary to keep such Registration Statement effective for a period of not less than one hundred and eighty (180) days, or if earlier, until all of such Registrable Securities have been disposed of and to comply with the provisions of the Securities Act with respect to the disposition of such Registrable Securities in accordance with the intended methods of disposition set forth in such Registration Statement;

(c) at least ten (10) Business Days before filing such Registration Statement, Prospectus or amendments or supplements thereto with the Commission, furnish to one counsel selected by holders of a majority of such Registrable Securities copies of such documents proposed to be filed, which documents shall be subject to the review, comment and approval of such counsel;

(d) notify each selling holder of Registrable Securities, promptly after the Company receives notice thereof, of the time when such Registration Statement has been declared effective or a supplement, including a Shelf Takedown, to any Prospectus forming a part of such Registration Statement has been filed with the Commission;

(e) furnish to each selling holder of Registrable Securities such number of copies of the Prospectus included in such Registration Statement (including each preliminary Prospectus) and any supplement thereto, including a Shelf Takedown (in each case including all exhibits and documents incorporated by reference therein), and such other documents as such seller may request in order to facilitate the disposition of the Registrable Securities owned by such seller;

(f) use its best efforts to register or qualify such Registrable Securities under such other securities or "blue sky" laws of such jurisdictions as any selling holder requests and do any and all other acts and things which may be necessary or advisable to enable such holders to consummate the disposition in such jurisdictions of the Registrable Securities owned by such holders; provided, that the Company shall not be required to qualify generally to do business, subject itself to general taxation or consent to general service of process in any jurisdiction where it would not otherwise be required to do so but for this Section 5(f);

(g) notify each selling holder of such Registrable Securities, at any time when a Prospectus relating thereto is required to be delivered under the Securities Act, of the happening of any event that would cause the Prospectus included in such Registration Statement

to contain an untrue statement of a material fact or omit any fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading, and, at the request of any such holder, the Company shall prepare a supplement or amendment to such Prospectus so that, as thereafter delivered to the purchasers of such Registrable Securities, such Prospectus shall not contain an untrue statement of a material fact or omit to state any fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(h) make available for inspection by any selling holder of Registrable Securities, any underwriter participating in any disposition pursuant to such Registration Statement and any attorney, accountant or other agent retained by any such holder or underwriter (collectively, the "Inspectors"), all financial and other records, pertinent corporate documents and properties of the Company (collectively, the "Records"), and cause the Company's officers, directors and employees to supply all information requested by any such Inspector in connection with such Registration Statement;

(i) provide a transfer agent and registrar (which may be the same entity) for all such Registrable Securities not later than the effective date of such registration;

(j) use its best efforts to cause such Registrable Securities to be listed on each securities exchange on which the Company Securities is then listed or, if the Company Securities are not then listed, on a national securities exchange selected by the Company with the approval of the holders of a majority of the Registrable Securities included in such registration;

(k) in connection with an underwritten offering, enter into such customary agreements (including underwriting and lock-up agreements in customary form) and take all such other customary actions as the holders of such Registrable Securities or the managing underwriter of such offering request in order to expedite or facilitate the disposition of such Registrable Securities (including making appropriate officers of the Company available to participate in "road show" and other customary marketing activities (including one-on-one meetings with prospective purchasers of the Registrable Securities));

(l) otherwise use its best efforts to comply with all applicable rules and regulations of the Commission and make available to its stockholders an earnings statement (in a form that satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 under the Securities Act or any successor rule thereto) no later than thirty (30) days after the end of the 12-month period beginning with the first day of the Company's first full fiscal quarter after the effective date of such Registration Statement, which earnings statement shall cover said 12-month period, and which requirement will be deemed to be satisfied if the Company timely files complete and accurate information on Forms 10-K, 10-Q and 8-K under the Exchange Act and otherwise complies with Rule 158 under the Securities Act or any successor rule thereto; and

(m) furnish to each selling holder of Registrable Securities and each underwriter, if any, with: (i) a written legal opinion of the Company's outside counsel, dated the closing date of the offering, in form and substance as is customarily given in opinions of the Company's counsel to underwriters in underwritten registered offerings; and (ii) on the date of the applicable Prospectus, on the effective date of any post-effective amendment to the

applicable Registration Statement and at the closing of the offering, dated the respective dates of delivery thereof, a "comfort" letter signed by the Company's independent certified public accountants in form and substance as is customarily given in accountants' letters to underwriters in underwritten registered offerings;

(n) without limiting Section 5(f), use its best efforts to cause such Registrable Securities to be registered with or approved by such other governmental agencies or authorities as may be necessary by virtue of the business and operations of the Company to enable the holders of such Registrable Securities to consummate the disposition of such Registrable Securities in accordance with their intended method of distribution thereof;

(o) notify the holders of Registrable Securities promptly of any request by the Commission for the amending or supplementing of such Registration Statement or Prospectus or for additional information;

(p) advise the holders of Registrable Securities, promptly after it shall receive notice or obtain knowledge thereof, of the issuance of any stop order by the Commission suspending the effectiveness of such Registration Statement or the initiation or threatening of any proceeding for such purpose and promptly use its best efforts to prevent the issuance of any stop order or to obtain its withdrawal at the earliest possible moment if such stop order should be issued;

(q) permit any holder of Registrable Securities which holder, in its sole and exclusive judgment, might be deemed to be an underwriter or a "controlling person" (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) (a "Controlling Person") of the Company, to participate in the preparation of such Registration Statement and to require the insertion therein of language, furnished to the Company in writing, which in the reasonable judgment of such holder and its counsel should be included;

(r) cooperate with the holders of the Registrable Securities to facilitate the timely preparation and delivery of certificates representing the Registrable Securities to be sold pursuant to such Registration Statement or Rule 144 free of any restrictive legends and representing such number of Company Securities and registered in such names as the holders of the Registrable Securities may reasonably request a reasonable period of time prior to sales of Registrable Securities pursuant to such Registration Statement or Rule 144; *provided, however*, that the Company may satisfy its obligations hereunder without issuing physical stock certificates through the use of The Depository Trust Company's Direct Registration System (the "DTCDRS");

(s) not later than the effective date of such Registration Statement, provide a CUSIP number for all Registrable Securities and provide the applicable transfer agent with printed certificates for the Registrable Securities which are in a form eligible for deposit with The Depository Trust Company; *provided, however*, that the Company may satisfy its obligations hereunder without issuing physical stock certificates through the use of the DTCDRS;

(t) take no direct or indirect action prohibited by Regulation M under the Exchange Act; *provided, however*, that, to the extent that any prohibition is applicable to the Company, the Company will take all reasonable action to make any such prohibition inapplicable; and

(u) in the case of a Shelf Registration, prepare and file with the Commission such amendments, post-effective amendments and supplements, including Shelf Takedowns, to such Registration Statement and the Prospectus used in connection therewith as may be necessary to keep such Registration Statement effective and to comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities subject thereto for a period (unless otherwise provided herein) ending on the earlier of (i) one hundred and eight (180) days after the effective date of such Registration Statement and (ii) the date on which all the Registrable Securities subject thereto have been sold pursuant to such Registration Statement;

(v) otherwise use its best efforts to take all other steps necessary to effect the registration of such Registrable Securities contemplated hereby.

6. Expenses. All expenses (other than Selling Expenses) incurred by the Company in complying with its obligations pursuant to this Agreement and in connection with the registration and disposition of Registrable Securities shall be paid by the Company, including all: (i) registration and filing fees (including, without limitation, any fees relating to filings required to be made with, or the listing of any Registrable Securities on, any securities exchange or over-the-counter trading market on which the Registrable Securities are listed or quoted); (ii) underwriting expenses (other than fees, commissions or discounts); (iii) expenses of any audits incident to or required by any such registration; (iv) fees and expenses of complying with securities and "blue sky" laws (including, without limitation, fees and disbursements of counsel for the Company in connection with "blue sky" qualifications or exemptions of the Registrable Securities); (v) printing expenses; (vi) messenger, telephone and delivery expenses; (vii) fees and expenses of the Company's counsel and accountants; (viii) Financial Industry Regulatory Authority, Inc. filing fees (if any); and (ix) fees and expenses of one counsel for the holders of Registrable Securities participating in such registration as a group (selected by, in the case of a registration under Section 2(a), the holders of a majority of the Registrable Securities initially requesting such registration, and, in the case of all other registrations hereunder, the holders of a majority of the Registrable Securities included in the registration). In addition, the Company shall be responsible for all of its internal expenses incurred in connection with the consummation of the transactions contemplated by this Agreement (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties) and the expense of any annual audits. All Selling Expenses relating to the offer and sale of Registrable Securities registered under the Securities Act pursuant to this Agreement shall be borne and paid by the holders of such Registrable Securities, in proportion to the number of Registrable Securities included in such registration for each such holder.

7. Indemnification.

(a) The Company shall indemnify and hold harmless, to the fullest extent permitted by law, each holder of Registrable Securities, such holder's officers, directors, managers, members, partners, stockholders and Affiliates, each underwriter, broker or any other

Person acting on behalf of such holder of Registrable Securities and each other Controlling Person, if any, who controls any of the foregoing Persons, against all losses, claims, actions, damages, liabilities and expenses, joint or several, to which any of the foregoing Persons may become subject under the Securities Act or otherwise, insofar as such losses, claims, actions, damages, liabilities or expenses arise out of or are based upon any untrue or alleged untrue statement of a material fact contained in any Registration Statement, Prospectus, preliminary Prospectus, free writing prospectus (as defined in Rule 405 under the Securities Act or any successor rule thereto) or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, preliminary Prospectus or free writing prospectus, in light of the circumstances under which they were made) not misleading, or any violation or alleged violation by the Company of the Securities Act or any other similar federal or state securities laws or any rule or regulation promulgated thereunder applicable to the Company and relating to action or inaction required of the Company in connection with any such registration, qualification or compliance; and shall reimburse such Persons for any legal or other expenses reasonably incurred by any of them in connection with investigating or defending any such loss, claim, action, damage or liability, except insofar as the same are caused by or contained in any information furnished in writing to the Company by such holder expressly for use therein or by such holder's failure to deliver a copy of the Registration Statement, Prospectus, preliminary Prospectus, free writing prospectus (as defined in Rule 405 under the Securities Act or any successor rule thereto) or any amendments or supplements thereto (if the same was required by applicable law to be so delivered) after the Company has furnished such holder with a sufficient number of copies of the same prior to any written confirmation of the sale of Registrable Securities. This indemnity shall be in addition to any liability the Company may otherwise have. The indemnification provided for under this Section 7(a) shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or Controlling Person of such indemnified party and shall survive the transfer of the Registrable Securities by the Investors pursuant to Section 15.

(b) In connection with any registration in which a holder of Registrable Securities is participating, each such holder shall furnish to the Company in writing such information as the Company reasonably requests for use in connection with any such Registration Statement or Prospectus and, to the extent permitted by law, shall indemnify and hold harmless, the Company, each director of the Company, each officer of the Company who shall sign such Registration Statement, each underwriter, broker or other Person acting on behalf of the holders of Registrable Securities and each Controlling Person who controls any of the foregoing Persons against any losses, claims, actions, damages, liabilities or expenses resulting from any untrue or alleged untrue statement of material fact contained in the Registration Statement, Prospectus, preliminary Prospectus, free writing prospectus (as defined in Rule 405 under the Securities Act or any successor rule thereto) or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, preliminary Prospectus or free writing prospectus, in light of the circumstances under which they were made) not misleading, but only to the extent that such untrue statement or omission is contained in any information so furnished in writing by such holder; *provided, however*, that the obligation to indemnify shall be several, not joint and several, for each holder and shall not exceed an amount

equal to the net proceeds (after underwriting fees, commissions or discounts) actually received by such holder from the sale of Registrable Securities pursuant to such Registration Statement. This indemnity shall be in addition to any liability the selling holder may otherwise have.

(c) Promptly after receipt by an indemnified party of notice of the commencement of any action involving a claim referred to in this Section 7, such indemnified party shall, if a claim in respect thereof is made against an indemnifying party, give written notice to the latter of the commencement of such action. The failure of any indemnified party to notify an indemnifying party of any such action shall not (unless such failure shall have a material adverse effect on the indemnifying party) relieve the indemnifying party from any liability in respect of such action that it may have to such indemnified party hereunder. In case any such action is brought against an indemnified party, the indemnifying party shall be entitled to participate in and to assume the defense of the claims in any such action that are subject or potentially subject to indemnification hereunder, jointly with any other indemnifying party similarly notified to the extent that it may wish, with counsel reasonably satisfactory to such indemnified party, and after written notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be responsible for any legal or other expenses subsequently incurred by the indemnified party in connection with the defense thereof; *provided, however*, that, if (i) any indemnified party shall have reasonably concluded that there may be one or more legal or equitable defenses available to such indemnified party which are additional to or conflict with those available to the indemnifying party, or that such claim or litigation involves or could have an effect upon matters beyond the scope of the indemnity provided hereunder, or (ii) such action seeks an injunction or equitable relief against any indemnified party or involves actual or alleged criminal activity, the indemnifying party shall not have the right to assume the defense of such action on behalf of such indemnified party without such indemnified party's prior written consent (but, without such consent, shall have the right to participate therein with counsel of its choice) and such indemnifying party shall reimburse such indemnified party and any Controlling Person of such indemnified party for that portion of the fees and expenses of any counsel retained by the indemnified party which is reasonably related to the matters covered by the indemnity provided hereunder. If the indemnifying party is not entitled to, or elects not to, assume the defense of a claim, it shall not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. In such instance, the conflicting indemnified parties shall have a right to retain one separate counsel, chosen by the holders of at least a majority of the Registrable Securities included in the registration, at the expense of the indemnifying party.

(d) If the indemnification provided for hereunder is held by a court of competent jurisdiction to be unavailable to an indemnified party with respect to any loss, claim, damage, liability or action referred to herein, then the indemnifying party, in lieu of indemnifying such indemnified party hereunder, shall contribute to the amounts paid or payable by such indemnified party as a result of such loss, claim, damage, liability or action in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other in connection with the statements or omissions which resulted in such loss, claim, damage, liability or action as well as any other relevant equitable

considerations; *provided, however*, that the maximum amount of liability in respect of such contribution shall be limited, in the case of each holder of Registrable Securities, to an amount equal to the net proceeds (after underwriting fees, commissions or discounts) actually received by such seller from the sale of Registrable Securities effected pursuant to such registration. The relative fault of the indemnifying party and of the indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party, whether the violation of the Securities Act or any other similar federal or state securities laws or rule or regulation promulgated thereunder applicable to the Company and relating to action or inaction required of the Company in connection with any applicable registration, qualification or compliance was perpetrated by the indemnifying party or the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties agree that it would not be just and equitable if contribution pursuant hereto were determined by pro rata allocation or by any other method or allocation which does not take account of the equitable considerations referred to herein. No Person guilty or liable of fraudulent misrepresentation within the meaning of Section 11(f) of the Securities Act shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

8. Participation in Underwritten Registrations. No Person may participate in any registration hereunder which is underwritten unless such Person (a) agrees to sell such Person's securities on the basis provided in any underwriting arrangements approved by the Person or Persons entitled hereunder to approve such arrangements, and (b) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements; *provided, however*, that no holder of Registrable Securities included in any underwritten registration shall be required to make any representations or warranties to the Company or the underwriters (other than representations and warranties regarding such holder, such holder's ownership of its Company Securities to be sold in the offering and such holder's intended method of distribution) or to undertake any indemnification obligations to the Company or the underwriters with respect thereto, except as otherwise provided in Section 7.

9. Rule 144 Compliance. With a view to making available to the holders of Registrable Securities the benefits of Rule 144 and any other rule or regulation of the Commission that may at any time permit a holder to sell securities of the Company to the public without registration, the Company shall:

(a) make and keep public information available, as those terms are understood and defined in Rule 144, at all times after the Registration Date;

(b) use best efforts to file with the Commission in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act, at any time after the Registration Date; and

(c) furnish to any holder so long as the holder owns Registrable Securities, promptly upon request, a written statement by the Company as to its compliance with the reporting requirements of Rule 144 and of the Securities Act and the Exchange Act, a copy of the

most recent annual or quarterly report of the Company, and such other reports and documents so filed or furnished by the Company as such holder may request in connection with the sale of Registrable Securities without registration.

10. Preservation of Rights. Notwithstanding anything to the contrary herein, the Company has not prior to the date hereof, and shall not on or after the date hereof (a) grant any registration rights to any third party or to any Member of the Company other than an Investor that are more favorable than or inconsistent with the rights granted hereunder, (b) enter into any agreement, take any action, or permit any change to occur, with respect to its securities that violates or subordinates the rights expressly granted to the holders of Registrable Securities in this Agreement, or (c) enter into any agreement that is inconsistent with the rights of the Investors hereunder.

11. Termination. This Agreement shall terminate and be of no further force or effect when there shall no longer be any Registrable Securities outstanding; *provided, however*, that the provisions of Section 6 and Section 7 shall survive any such termination.

12. Alternative IPO Entities. If the Company elects to effect an underwritten registered offering of equity securities of any subsidiary or parent of the Company (collectively, "Alternative IPO Entities") rather than the equity securities of the Company, whether as a result of a reorganization of the Company or otherwise, the Investors and the Company shall cause the Alternative IPO Entity to enter into an agreement with the Investors that provides the Investors with registration rights with respect to the equity securities of the Alternative IPO Entity that are substantially the same as, and in any event no less favorable in the aggregate to, the registration rights provided to the Investors in this Agreement.

14. Entire Agreement. This Agreement, together with (i) with respect to the Company and the Senior Preferred Investors, the Senior Preferred Subscription Agreement, and (ii) with respect to the Company and the Junior Preferred Investors, the Junior Preferred Subscription Agreement, and, in each case, any related exhibits and schedules thereto, constitutes the sole and entire agreement and understanding of the parties to this Agreement with respect to the subject matter contained herein, and supersedes all prior and contemporaneous agreements

and understandings, both written and oral, with respect to such subject matter. Notwithstanding the foregoing, in the event of any conflict between the terms and provisions of this Agreement and those of the Senior Preferred Subscription Agreement or the Junior Preferred Subscription Agreement, the terms and conditions of this Agreement shall control.

15. Successor and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns. Neither the Company, on the one hand, nor any Investor, on the other hand, may assign any of its rights or obligations under this Agreement without the prior written consent of such other party, except that such Investor may, without the consent of the Company, assign its rights or obligations hereunder to any Person to whom such Investor transfers all or any portion of its Company Securities in compliance with the LLC Agreement.

16. No Third-Party Beneficiaries. This Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns, and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever, under or by reason of this Agreement; *provided*, *however* that the persons set forth in Section 7 are express third-party beneficiaries of the obligations of the parties set forth in Section 7.

17. Interpretation. All references herein to "Sections" shall refer to corresponding provisions of this Agreement. Whenever the words "include," "includes" or "including" are used in this Agreement, they shall be deemed to be followed by the words "without limitation." The words "hereof," "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms and to the masculine as well as to the feminine and neuter genders of such term.

18. Amendments, Supplements and Waivers. The provisions of this Agreement may only be amended, supplemented or waived with the prior written consent of the Company and the holders of a majority of the Registrable Securities. No waiver by any party or parties shall operate or be construed as a waiver in respect of any failure, breach or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

19. Joinder of Junior Preferred Members Pursuant to Subsequent Closings. Any Person who purchases Junior Preferred Units pursuant to the Junior Preferred Subscription Agreement on a Subsequent Closing Date (as defined therein) may execute a counterpart to this Agreement and shall, upon and as of such execution, become and be deemed a party hereto as an Investor.

20. Severability. If any term or provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

21. Remedies. Each holder of Registrable Securities, in addition to being entitled to exercise all rights granted by law, including recovery of damages, shall be entitled to specific performance of its rights under this Agreement. The Company acknowledges that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Agreement and the Company hereby agrees to waive the defense in any action for specific performance that a remedy at law would be adequate.

22. Governing Law; Submission to Jurisdiction. This Agreement and the rights of the parties hereunder shall be interpreted in accordance with the laws of the State of New York, and all rights and remedies shall be governed by such laws without regard to principles of conflict of laws. Each party hereto waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect of any action, suit or proceeding arising out of or relating to this Agreement

23. Counterparts. This Agreement may be executed with counterpart signature pages or in one or more counterparts, all of which will constitute one and the same instrument. Any counterpart signature pages or counterparts with any signatures thereon delivered by facsimile transmission or other electronic method (including by email in portable document format (pdf)) will be deemed an original executed document for all purposes hereof.

24. Further Assurances. The parties will execute and deliver such documents and other papers and take such further actions as may be reasonably required or desirable to carry out the provisions hereof and the transactions contemplated hereby.

25. Severability. Every provision of this Agreement is intended to be severable. If any term or provision hereof is illegal, invalid or unenforceable for any reason whatsoever, that term or provision will be enforced to the maximum extent permissible so as to effect the intent of the parties, and such illegality, invalidity or unenforceability shall not affect the validity or legality of the remainder of this Agreement. If necessary to effect the intent of the parties, the parties will negotiate in good faith to amend this Agreement to replace the unenforceable language with enforceable language which as closely as possible reflects such intent.

26. No Vicarious Liability. Notwithstanding anything in this Agreement to the contrary, the liabilities of the parties under this Agreement will be limited to such parties, and no Person that is not a party will have any liability hereunder or with respect to the matters contemplated hereby. Each party hereby agrees not to bring any action or claim arising under or relating to this Agreement against any Person that is not a party.

Podcast 219: Daniel Chu of Tricolor Auto Group

PETER RENTON · **FINTECH ONE-ON-ONE PODCAST** · OCT. 18, 2019 · 20 MIN READ

Good customer outcomes is not something often associated with subprime auto loans, particularly when those loans are targeted at the Hispanic market. That market is mostly thin-file/no-file and is notoriously difficult to underwrite. With asset-backed loans there is an advantage where the car can be repossessed if loans payments are not made. But that is not a good customer outcome.

My next guest on the Lend Academy Podcast is Daniel Chu. He is the CEO and founder of Tricolor Auto Group, an auto dealership group with 36 locations in Texas and California. They have a mission predicated on good customer outcomes and they do this while approving a loan for just about everyone who is looking for a vehicle. How they do that makes for a fascinating story.

In this podcast you will learn:

- How Daniel's background in basketball prepared him for success in business.
- Why he decided to create a business specifically for the Hispanic market.
- The fundamental mission driving their business.
- The percentage of customers who finance their vehicle purchase.
- A profile of the typical customer coming to Tricolor.
- How they underwrite when there is such little credit information on their customers.
- How they gather loan application data.
- How they can approve almost every customer who applies for a loan.
- The range of interest rates and loan terms they offer.
- Why their credit losses are lower than their competitors.
- Their approach to the capital markets and details of the five deals they have done.
- How and why they provide a pathway into mainstream finance.
- The kinds of vehicles they are financing.
- The scale that Tricolor is at today.
- Why they decided to branch out recently to auto insurance.
- Daniel's thinking about expanding into other lending products.

Peter Renton: Today on the show, I'm delighted to welcome Daniel Chu, he is the CEO and Founder of the Tricolor Auto Group. address that segment...it was a differentiated enough segment where there truly was a purpose to providing a better product and a better service that could really be compelling.

My parents were both immigrants and in many respects, Asians and Hispanics share similar cultural values. There's definitely an importance around family, there's definitely a commitment to working hard to build a better future and I think that gave me an appreciation for the Hispanic culture. As I spent time understanding that market, I think there were continued discoveries that led me to believe that there was really great potential in being able to serve that very, again, underserved segment.

One that I often think about is how intensely brand loyal that segment is to the extent you provide them with compelling value, I think you have a customer for life. We've really built our business at Tricolor on providing for that customer superior value to anything that they really could find and access in the marketplace and I think it served to help the company build really a sustainable business.

Peter: Okay, so why don't you just give the listeners a little bit of a description of that business, you know, how it operates because I know you really are in the physical world, more possibly than the digital world. Maybe you can tell us a little bit about that, but sort of explain how the business operates.

Daniel: Sure. So, we do operate in a segment that's known as "buy here, pay here" within retail auto. So, in the continuum of retail auto dealers, you have obviously franchise dealers and independent dealers. We operate in that subset of independent dealers, really, the only subset within the entire continuum that has to finance the sale in order to actually transact it.

That said, we look at our business on a much higher level. The real fundamental mission driving our business genuinely is a desire to enhance the quality of our customers' life and we believe we achieve that by providing them with a vehicle of very high quality and with financing that is affordable and suitable to their specific needs.

Peter: Okay, so just maybe quickly...what percentage of people coming into your dealerships need financing for their vehicle?

Daniel: Over 99% of the sales that we transact are financed by us and so, clearly, we're positioned in the market as a lender and as a retailer who can meet the specific needs of a consumer who really has a very, very low ceiling in the types of financial services they can access.

They're really excluded from anything that would be considered mainstream, but at the same time, it's a segment of consumer that we've been able to observe as being not only appreciative of the opportunity to get financing, but works very hard to meet their obligation to the extent they're extended credit.

Peter: So, then who are you kind of...let's just maybe step back and talk about the Hispanic market. They're going out to buy a car today, and they don't have the capital to do that, what are their options?

Daniel: Generally, their options would be with a dealer that would be operating in this "buy here, pay here" category and really we would say we're the only operator serving that specific segment at scale. You will find...you know, virtually in any of the geographies that we operate in, you will find operators that have had positive experiences and have been able to accommodate a Hispanic consumer that may or may not exist in the credit bureau.

We are really the only lender that has been able to address that segment at scale and we believe we have a platform that leverages technology that enables us to do that better than anybody else with more affordable terms and really an opportunity beyond that to build credit and ultimately break through that ceiling that enables those customers to ultimately access traditional financing.

Peter: Right, right. So then maybe you could help us just give a little profile of your typical customer. Are these people...you know, are they thin file, or they have no file, are they really in the cash-based economy, do they have bank accounts, maybe just give us a little bit of a profile.

Daniel: Sure, so the majority of our customers would fall into the category of being no file, or thin file so either they have no bureau data, or they have such limited bureau data that they become effectively unscorable. That said, the average borrower that we finance, even though they are thin file, or no file, have resided in the United States for over 15 years and that's really consistent with the research that we see in the market.

There's a very good resource called the Pew Research Center and Pew says that 60% of the undocumented immigrants in America have resided in America for in excess of ten years. That's very congruent with what we're seeing in the marketplace. So, even though these customers that we are financing or these consumers do not necessarily exist in the bureau, they are established in the ecosystem in the US.

In Texas, we average over 15 years in the US; in California, actually 18 years. In fact, a reasonably high percentage of our borrowers in California actually own their own business, even though they may be undocumented residents.

Peter: Interesting. So, they have thin file and no file, how do you underwrite these people? I mean, obviously it's a secured loan, you have the car as the asset securing the loan, but you obviously don't want to have to go and repossess it. So, tell us a little bit about how you go about underwriting when there is such little information formally on these people?

Daniel: Sure. So, our underwriting process both utilizes alternative data, bureau data as well as what we would call application data. Even on no file/thin file consumers, there are a number of alternative data sources that we use that provide us with insights that we can utilize in the underwriting process for those no file/thin file consumers. At the same time, we do rely on application data which are data points that we are collecting from the customer face-to-face with them when they are in one of our retail dealerships.

We're collecting, Peter, probably a hundred different data points from that customer in the application process and what we've been able to do and what has really been augmented very effectively with the use of artificial intelligence is we've been able to identify patterns in both the application data we collect as well as the alternative data and bureau data that give us the ability to segment this consumer even though they may have no credit score that we can rely on.

Peter: Do they need to have a bank account to take out this loan?

Daniel: So, we don't require a bank account. It would surprise most people that about 80% of our borrowers do have a bank account so even though they are a no file/thin file, or in some cases

undocumented, there are several banks, two major banks, Wells Fargo and Bank of America, that will provide that profile with a checking account.

So, the majority of our customers do have bank accounts and actually, we rely on an alternative data source called DecisionLogic which verifies that banking information and that's an integral part of our process. For us, at the end of the day, with our underwriting model, we're measuring stability and there is a correlation between a consumer that has been able to secure and maintain a checking account and their overall stability.

Peter: Sure, so then during the application process….this is happening face-to-face in one of your dealerships, is this a paper-based experience, or is it digital, or is it some sort of combination?

Daniel: So, the information is gathered face-to face. It is entered during that interaction with the customer, it is entered into an interface that we've built which then feeds our credit decisioning engine. So, once all of that information is actually gathered, collected and input, the process from there becomes purely digital. It's an automated underwriting process that's going to feed back to the dealership a grade and we grade in six different tiers, A+, A, B, C, D and the lowest tier, E. And so, the process, again, once we input that data into our, call it "decisioning engine" is fully automated.

Peter: Okay, so then what percentage of the people pass the underwriting, and what percentage do you turn away?

Daniel: There are a couple of conditions that would lead to an automatic disqualification, but for the most part, every customer that applies is going to be approved at some level. They're going to be graded somewhere on that continuum between an A+ and an E.

What we're going to do is use that grade to drive the financing terms that we would offer the customer so we're going to offer the highly stable, high grade customers very attractive financing terms, low down payments, longer terms, lower installment payments and conversely, we're going to offer the lower grade customers…we're going to require from those lower grade customers higher down payments, we're going to finance less over a shorter term.

Peter: Okay, so let's talk about the loans themselves. Give us a sense of the terms of these loans, the interest rates, the duration, that kind of thing.

Daniel: Sure. I think it might be helpful to provide some context first.

Peter: Okay.

Daniel: Within the "buy here, pay here" industry when we look at the industry, we think about it being comprised of roughly 10,000 pure play operators generally concentrated in Texas and the southeastern United States. If you look at that segment overall, that group is originating loans with an

average interest rate of between 22% and 26% with LTV's of somewhere between 170% and 250% at terms between 36 and probably 60 months.

There are a couple of "buy here, pay here" firms that have been active in the capital markets, DriveTime being the most prominent, and they are originating loans to borrowers with FICO scores in the mid-500 range. And there have been two capital markets transactions from two other "buy here, pay here" firms in the southeastern United States with average FICO scores closer to 500. By contrast, what we've been able to do really by applying and leveraging our risk model is originate much lower LTV loans.

Our LTV's average around 125%. We believe our financing terms are more affordable so our average interest rates are around 16% ranging from 9.9%, a very high grade borrower up to about 19% or 20% for our lowest grade borrowers and we're financing those customers over a term of between 48 and about 55 months.

If you look at how that translates into performance, I would say among all the "buy here, pay here" operators that currently enjoy capital markets access, our net credit losses are significantly lower, really going hand-in-hand with FICO scores so to the extent our customer has a FICO score…it's probably averaging around 580 so we're seeing net credit losses being incrementally or correspondingly lower across, you know, our industry group.

Peter: Okay. So, speaking of the capital markets, I know that you've sort of been active in securitization with…I think the last deal that you did was rated and obviously sub-prime auto is not… hasn't got a great reputation, in some ways that's been deserved, but just tell us a little bit about your approach to the capital markets.

Daniel: Sure. So, we probably would say first and foremost that our ability to access the capital markets is a pretty strong validation of our ability to actually segment risk with a borrower who, again, is a no file, or thin file and so has very little bureau data that we can rely on.

What we've been able to do, and we've done now 5 term securitizations, the last one was a rated one that Credit Suisse underwrote…what we've been able to do, I believe, is prove that not only can we fairly precisely segment this no file/thin file borrower, but we can fairly precisely predict their loan performance. And so, as a result, I think through 5 term securitizations, we've always been comfortably under those loss assumptions and we've seen continued success in terms of increasing the advance rates and the execution in those term deals.

Peter: Okay, so then I presume that you are submitting these payments to the credit bureaus and so I imagine that this 580 FICO that your customers applied with…I presume and maybe you can correct me, but I presume that continues to grow, their FICO score keeps going up as they're now becoming less of a thin file when they have a payment track record with you. I know you mentioned this earlier

on, are you trying to move these people, I think you said into the mainstream, into mainstream finance, maybe talk a little bit about how you're trying to do that.

Daniel: Sure. So we absolutely are trying to graduate this customer. When we started our business, we made it very obvious that our intention was to ultimately provide a path for this consumer to access traditional financing. A lot of people were critical of that approach saying that not engaging in the practice of really trying to build a repeat customer in our portfolio was ultimately going to impair our ability to grow.

We actually believed in the contrary. We believe that to the extent we could provide a customer with affordable financing that allowed them to be successful and ultimately graduate to a lower cost of funds and more mainstream financing, we believe that that would ultimately enable us to attract more and more customers and I think that's been the case.

So, when a customer builds credit for us, and his friends and family see that he has been able to…on his next purchase, perhaps acquire a new pickup truck that is beyond anything he ever imagined he could access, purchase and finance, we believe that business comes back to us really in a multiple and I think that's been our observation.

Peter: Sure, so I presume the vehicles that you're dealing with…I mean, these are all primarily used cars, I imagine. Maybe you could tell us about the average selling price and hence the average loans for these cars.

Daniel: Sure. So, our average sale price is right at $20,000. Most of the expensive vehicles we sell are large trucks and SUV's which in Texas are, by and large, the preference of the customer we serve. We're trying to sell across the board a much higher quality vehicle than what we're seeing overall, particularly in the "buy here, pay here" segment. We're selling a passenger car that is a one or two-year old vehicle and then a large truck or SUV that's maybe a five or six-year old vehicle. But, on the average we're financing between $16,000 and $17,000, again, at an interest rate of approximately 16% and a loan term of around 54 to 55 months on the average.

Peter: Right, okay. Can you give us some sense of the scale? You mentioned Texas and California, how many locations do you have, what sort of volume are you guys doing?

Daniel: Sure. So, we currently operate 36 dealerships, 28 of them are in Texas where we really started the business. We've been in California for three years now and operate eight dealerships in Southern California. The California dealerships are a little larger scale than the Texas ones simply because the magnitude of the market in Southern California is so vast and so enormous, we believe there is a tremendous market opportunity there so we try to serve that market with larger locations.

But, we currently are originating around $250 million loans a year and we would anticipate growing about a little over 20% year over year. I think if you look at the last six or seven years, we've grown at

an average compounded annual growth rate of a little over 20% and we anticipate most of our growth to be in California going forward.

Our value proposition in California is very distinct, there aren't a lot of opportunities for our customer to secure financing that's affordable on a vehicle that's reliable, dependable and sound. And so, we really believe that our value proposition in the platform we've built that allows these customers to secure financing has become very compelling in that part of the country.

We are opening in Las Vegas at the end of this year and we will probably fill in gradually through the western part of the United States. Certainly, Arizona is a market that has some appeal, New Mexico, Colorado, and so as we continue to fill out in Southern California and potentially migrate through the Central Valley up to the northern part of the state, San Jose, Oakland, the Bay Area. We also will probably fill in between Texas and California into markets like Phoenix and Tucson and potentially Albuquerque and Denver.

Peter: Okay, so we're almost out of time, but a couple of more things I really want to get to here. Firstly is, you very recently launched an auto insurance product which I just read about recently so maybe you could tell us a little bit about that product and why branch out into something...obviously, it's quite a different product to a loan.

Daniel: Sure. So, in many respects, we saw auto insurance as it's marketed to our customers to be very similar to our observations in the "buy here, pay here" industry. We saw pricing that lacked transparency that was inundated with high fees and really did not provide the customer with the value that we believe they deserved.

And so, we did some research in the industry, we hired a couple of veterans of the agency business that served the segment of the population that resembled our consumer and we really concluded there was an opportunity to build an insurance business that relied on transparency and its pricing and that eliminated all of the brokerage origination fees that really made insurance so costly for our consumer.

So we just actually launched this strategy this year in Texas, we're getting ready to roll it out across all the markets in Texas as well as California and we really believe that it will be an opportunity again to leverage our platform, to leverage our customer base, our brand, a lot of the infrastructure we've built and offer service to the customer that has, again, really compelling value.

Peter: Okay, so final question then, what about other lending products like beyond car loan? Have you thought about it, are you thinking about expanding in the other areas?

Daniel: So, we have done our share of research into other products that we believe would allow us to offer a broader platform of services to our customers. We've looked at unsecured loan products, we've looked at really all the opportunities across the continuum. We really believe, right now, that

our biggest opportunity is to continue to evolve our core business and then compliment that with insurance.

That's going to be our focus, but we have a bigger picture vision that I think, ultimately as we scale, will become much more efficient for us to leverage the existing infrastructure and add on to and we certainly are optimistic that we'll be able to do that.

Peter: Okay, we'll have to leave it there, Daniel. Good luck, I really appreciate you coming on the show today.

Daniel: I appreciate the opportunity, Peter, thank you.

Peter: Okay, see you.

You know, I love hearing these stories of companies operating on the periphery of the traditional financial markets and doing so in an honorable and respectable way and helping their customers not just getting a loan and being able to, you know, really provide them with a vehicle that can probably really help their livelihood considerably, but doing it in a way that actually helps them in the future, helps them graduate into more mainstream products. I think that is an honorable mission and something that I think is going to really help bring...expand the sort of middle class of America.

Anyway on that note, I will sign off. I very much appreciate you listening and I'll catch you next time. Bye.

Enabling Mobility and Empowering the American Dream for the Hispanic Consumer

tricolor

Social ABS Framework March 2022

CERTIFIED CDFI U.S. Department of the Treasury

Background

Tricolor is a U.S. Department of the Treasury certified Community Development Financial Institution (CDFI) and a mission-driven company that leverages its direct-to-consumer, AI-powered platform which enables mobility to provide financially underserved consumers with high quality, affordable used motor vehicles affordable financing, and a path to accessing mainstream financial services. It utilizes advanced data analytics and technology to advance financial inclusion to offer responsible, affordable, credit-building auto loans to empower (i) individuals with no or limited credit history or (ii) low income, in order to enhance the quality of their lives and ultimately help them to build a better future. "

Tricolor leverages AI to "score the unscorable".

According to the FDIC, 63 million people, or about 1 in 4 aduts million people, or about 1 in 4 adults in the US, struggle with access to mainstream financial products to meet their needs. More specifically, according to the Consumer Financial Protection Bureau (CFPB) 26 million people in the United States are "credit invisible" and an additional 19 million are "unscorable," corresponding to a total of 45 million people in the United States whose lack of a credit score translates into limited options in terms of accessing financing."

Tricolor's technology removes the barriers related to being credit invisible or low income and enables lending to the most underserved segments of the population. Its data-driven understanding and AI-powered technology create a unique ecosystem to

deliver an unprecedented value proposition and a path to a better future for the credit invisible Hispanic consumer, unlocking the opportunity to do well by doing good."

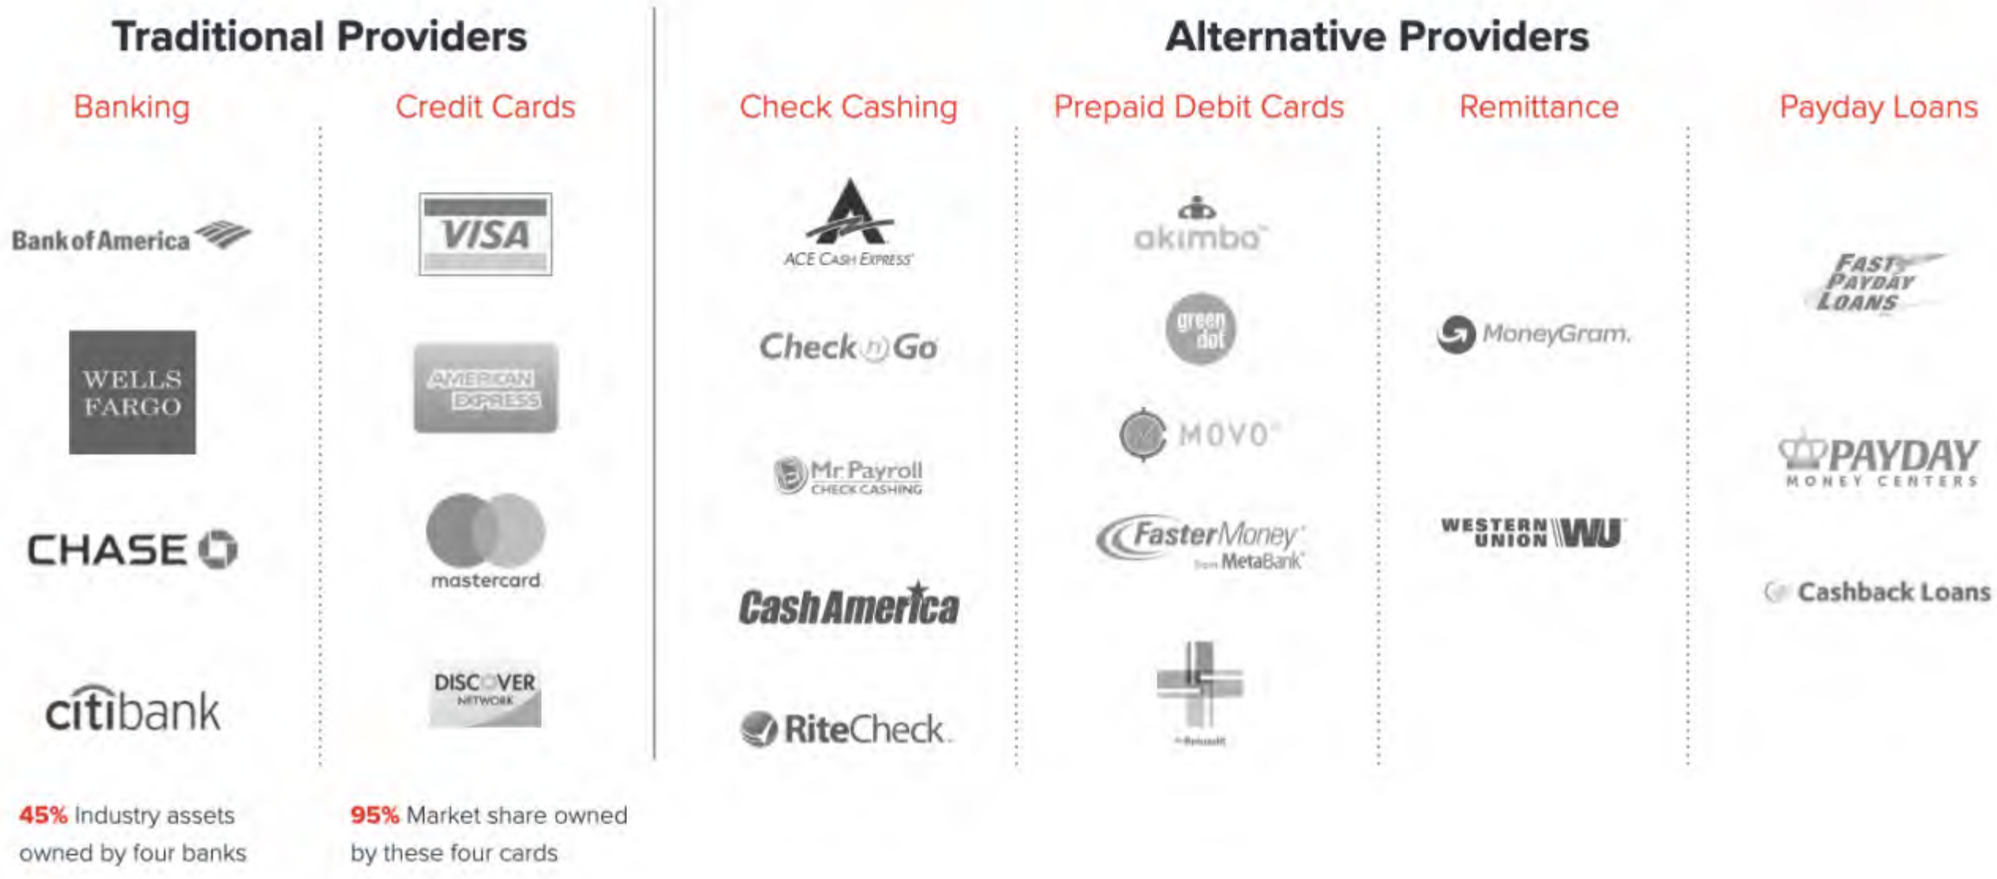
Hispanics out index the general population with respect to key attributes of financially underserved consumers. According to the Department of Homeland Security, as many as 12 million Hispanic immigrants are undocumented , representing 20% of the US Hispanic population vs. 3% of the overall population The percentage of Hispanics considered as low income is 44% greater than the general population."

If the US Hispanic population were its economy, it would be the 8th largest GDP globally

Despite their economic hardships, Hispanics are the future of the world's biggest economy, accounting for more than one in four people in the United States by 2050 and one in three of its workers by 2060 . According to the 2020 US Census, the median age of the US Hispanic is just 28 while the median age of the US White population is 58. But according to the FDIC, 32% lack access to affordable credit , creating a barrier which prevents lower income and credit invisible individuals from achieving their dreams. "

Mobility is critical for Hispanics: fewer than one in six Hispanics can work from home. Tricolor's strategy makes it more affordable for credit invisible Hispanics to own a vehicle so they can pursue a better life. Tricolor has helped 28% of its borrowers with no credit score establish a credit history with major bureaus."

"



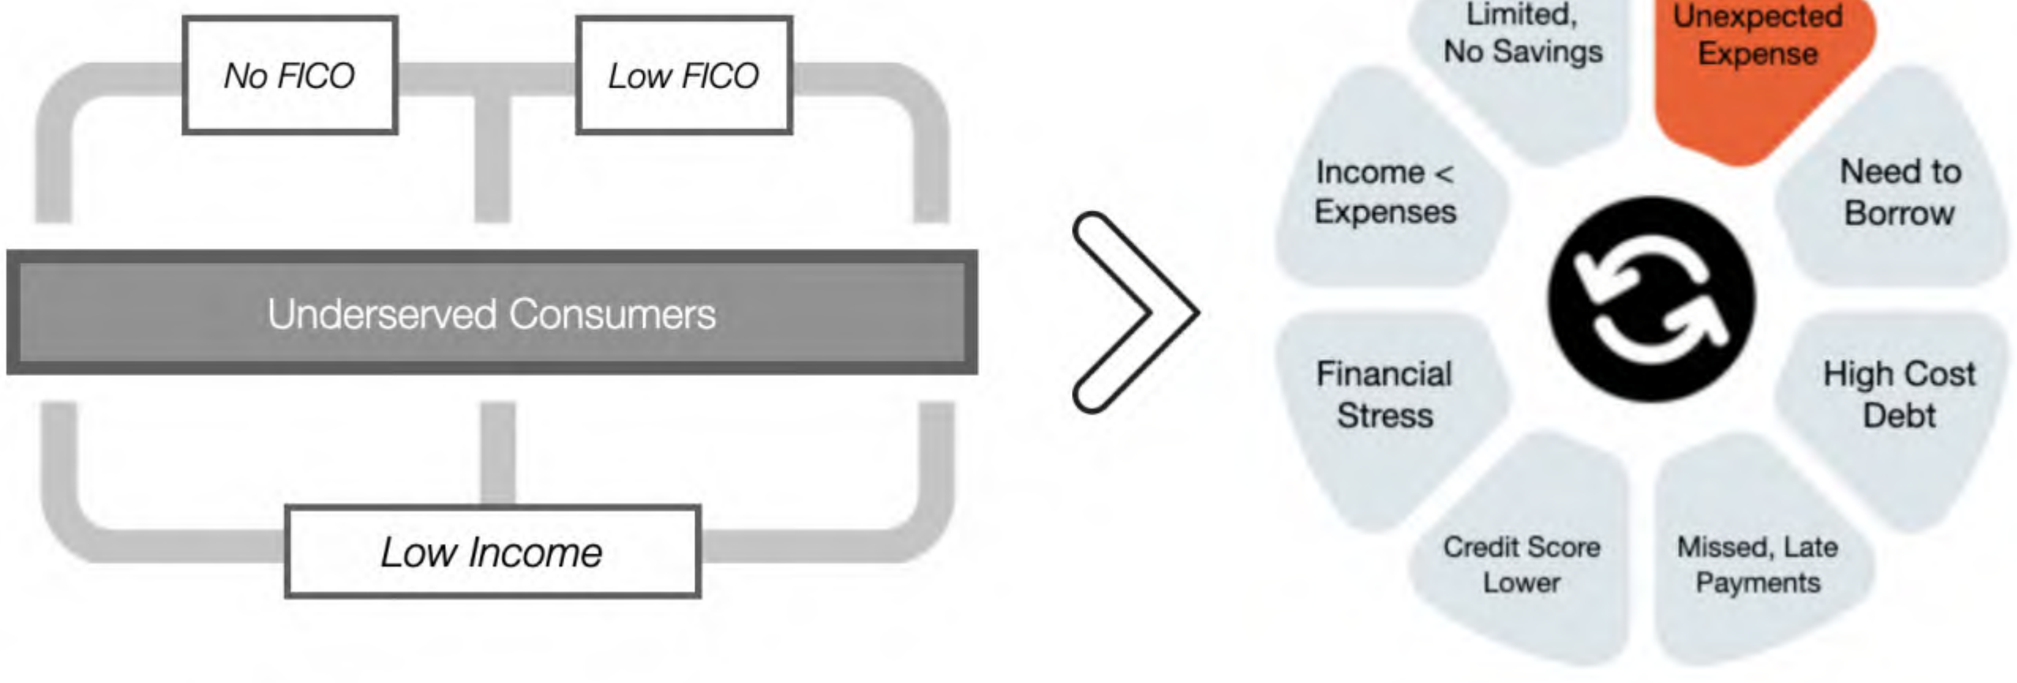
Understanding the underserved low income population

It's expensive to be poor in America.

According the Federal Reserve's 2017 Report on the Economic Well-Being of the US Household, 47% of Americans say they either could not cover an emergency expense costing $400, or would cover it by borrowing money. This explains why according to the CFPB, 12 million Americans regularly use a payday loan at an average cost of nearly 400% Annual Percentage Rate (APR)which is the annual cost of a loan to a borrower which is expressed as a percentage of the loan amount." Underserved low income consumers experience many barriers which increase economic inequality. "

According to the Financial Health Network, unbanked and underbanked consumers spend 13% of their income on interest expense and fees vs just 1% for financially healthy households."

Our target population lives in a different ecosystem and a world of alternative financial services. While the balance sheets of the four major banks collectively correspond to 45% of the industry's assets and the four major credit cards own 95% of the market share, our target consumer experiences a low ceiling with respect to access to mainstream financial services.

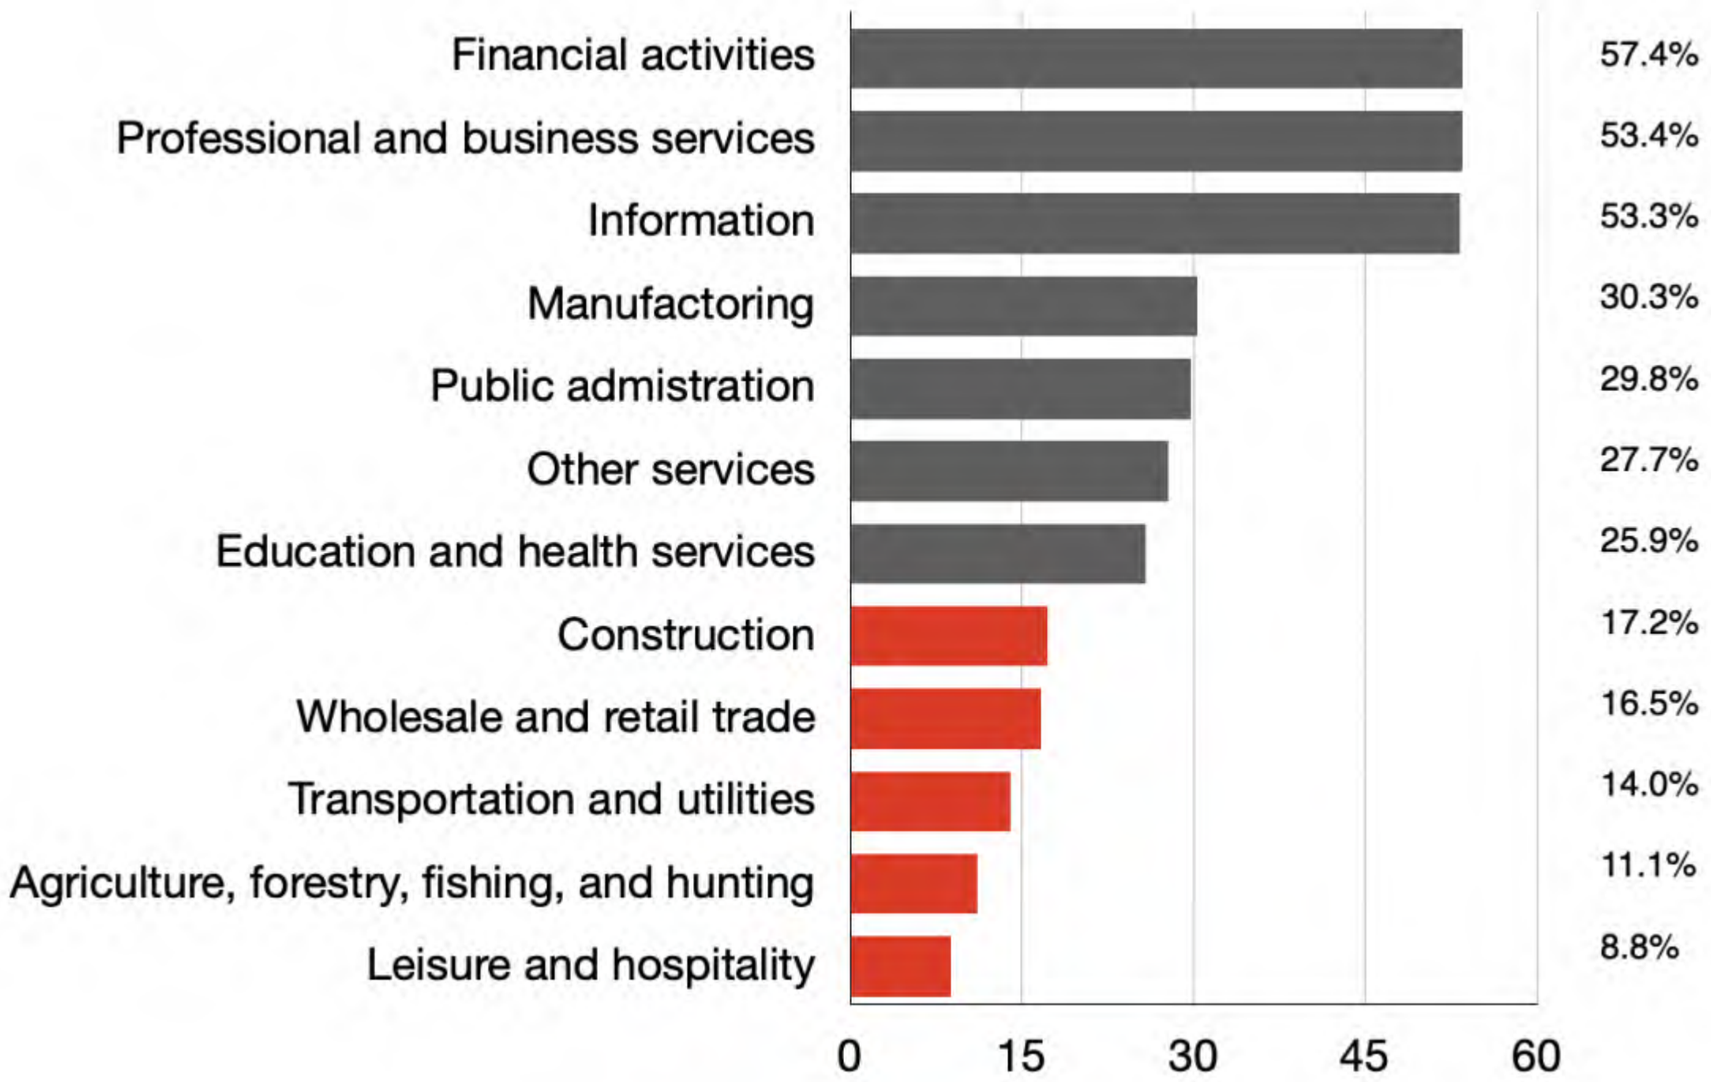


According to the Financial Health Network, unbanked and underbanked consumers spend 17% of their income on basic stu ff which mainstream consumers get for free. Hispanics generally out-index the general population in terms of reliance on alternative financial services. The most rapidly growing component of the financially underserved population is the Hispanic consumer, whose needs are more complex and options more limited. "

32% of the US Hispanic population lacks access to affordable credit.

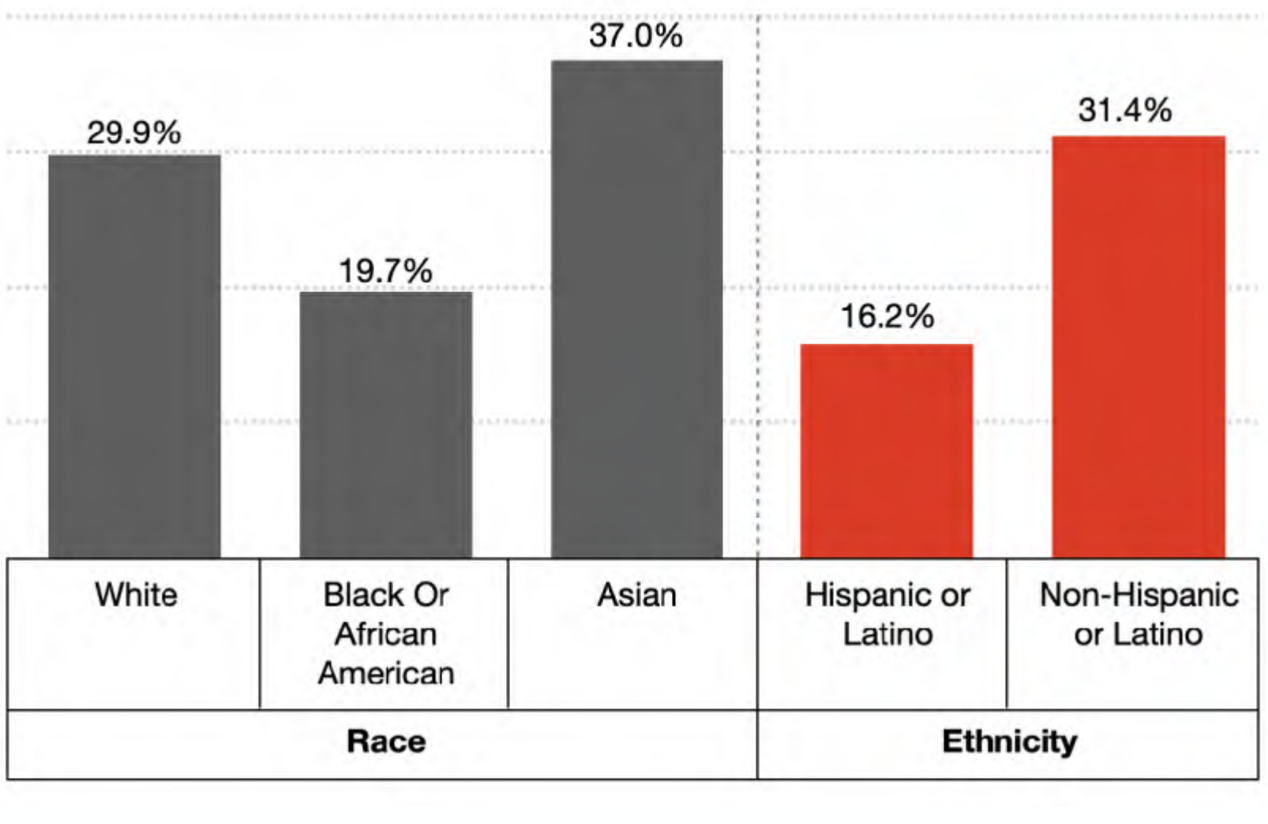
The low income population is extremely vulnerable. This creates complexity because given their liquidity constraints and economic fragility place them in a situation which forces an "interconnected" dependence on alternative financial services. In other words, their lack of access to affordable credit triggers a downward spiral or predatory lending cycle."

Financially underserved consumers are vulnerable to an unexpected expense such as a major mechanical repair which can trigger a high interest or payday loan.



The Mobility Challenge

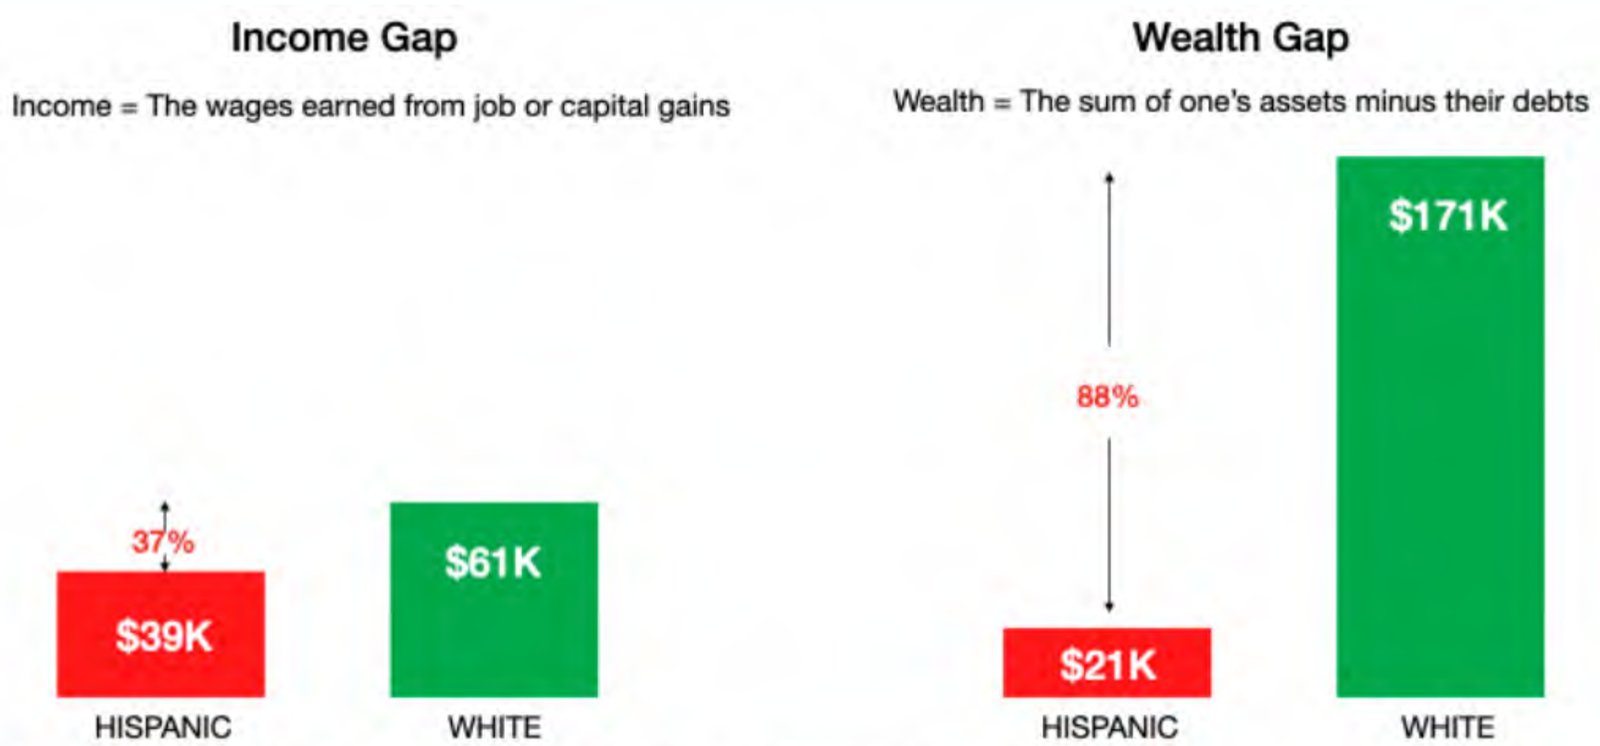
The low income population is the most disadvantaged in terms of ability to work remotely.



Globally, the US is the most dependent country with respect to vehicle ownership. Nearly 95% of all transportation in America relies on private vehicles while the rest of the world has less than 50% dependence. Only 5% of the US population uses public transportation and it is geographically distinct ; only the Northeastern US has sufficient public transportation."

Owning a vehicle is essential for the underserved consumer to survive. And physical mobility is even more critical for Hispanics. Tricolor's strategy makes it more affordable for credit invisible Hispanics to own a vehicle so they can pursue a better life.

Industries employing the low Hispanic population do not accommodate remote work.

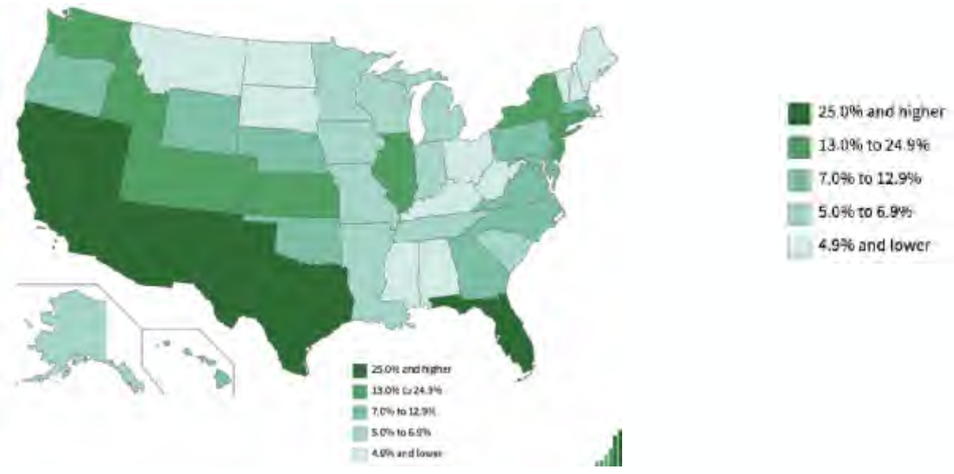


Owning a vehicle is essential for the underserved consumer to survive. The Hispanic population is the most disadvantaged in terms of ability to work remotely.

Why the US Hispanic market?

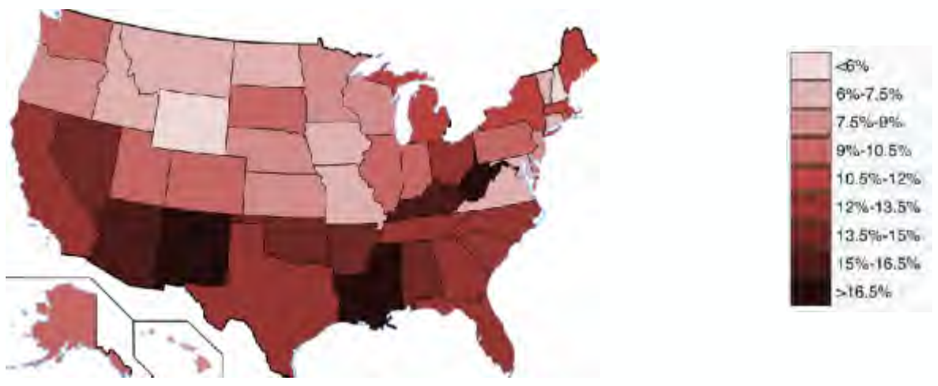
The Hispanic-White wealth gap is markedly pronounced. Like most of the underserved population, Hispanics experience a low ceiling with respect to access to mainstream financial services. The only way for the low income population to accumulate wealth is through home ownership, which explains why household wealth for Hispanics is 88% less than for the US White population.

Average Hispanic household wealth is 88% less than the average White household in the US

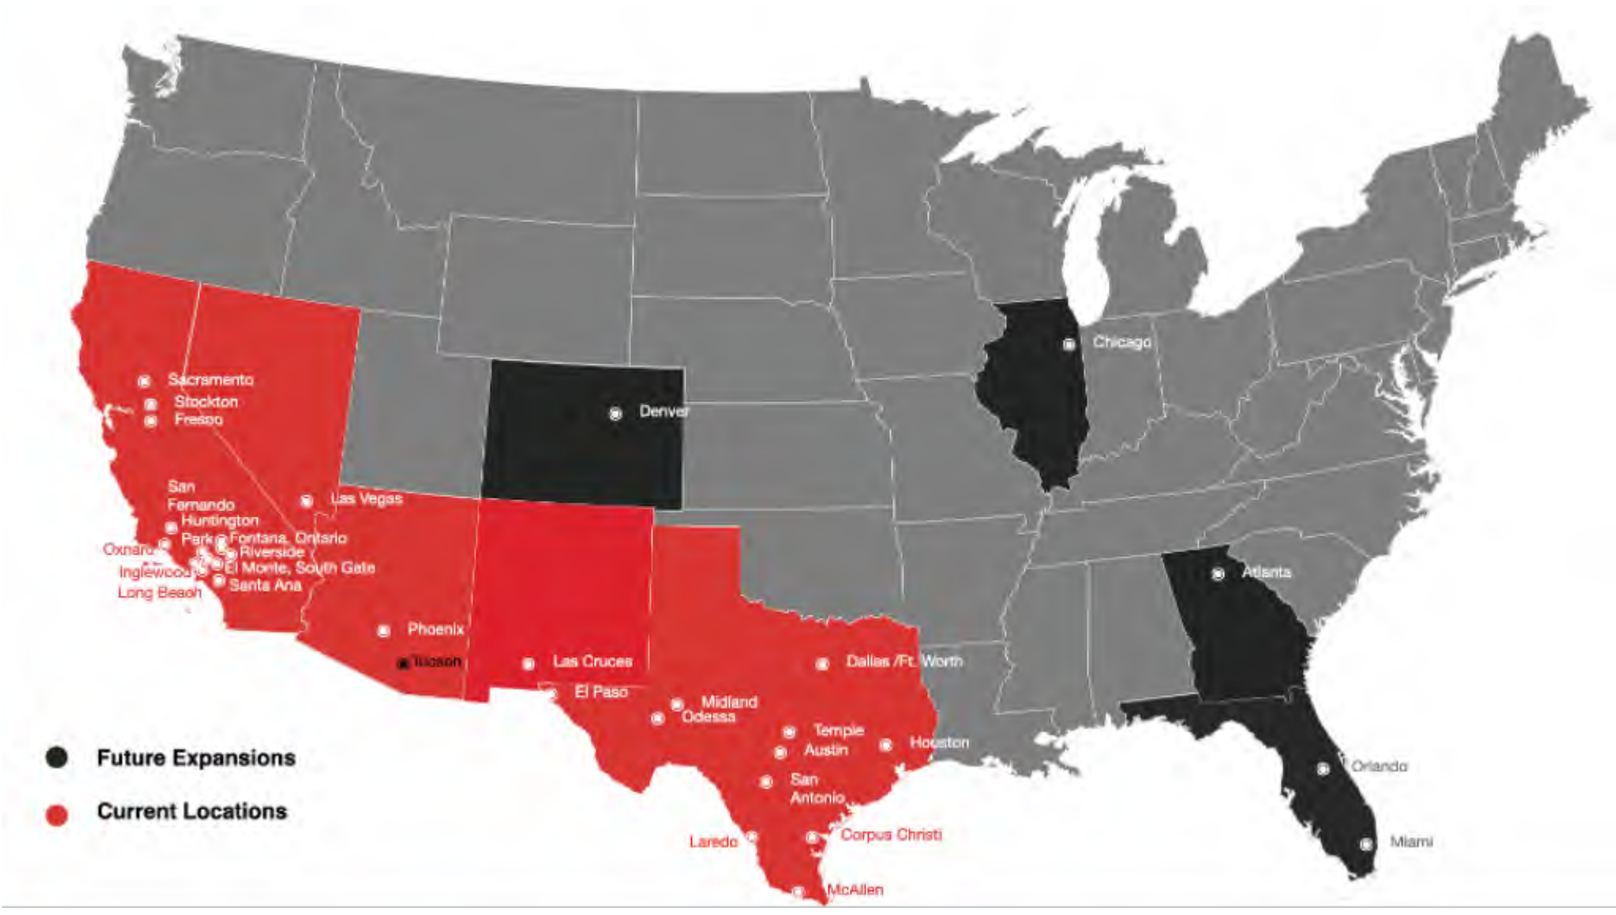


Source: Pew Research Center and Federal Reserve Board Survey of Consumer Finances (SCF)

Hispanics made up more than half of total U.S. population growth from 2010 to 2020 .



Over 40% of the US Hispanic population resides in California and Texas.



Hispanics constitute 25% of the workforce in six states.

Higher poverty rates span across the Western states.

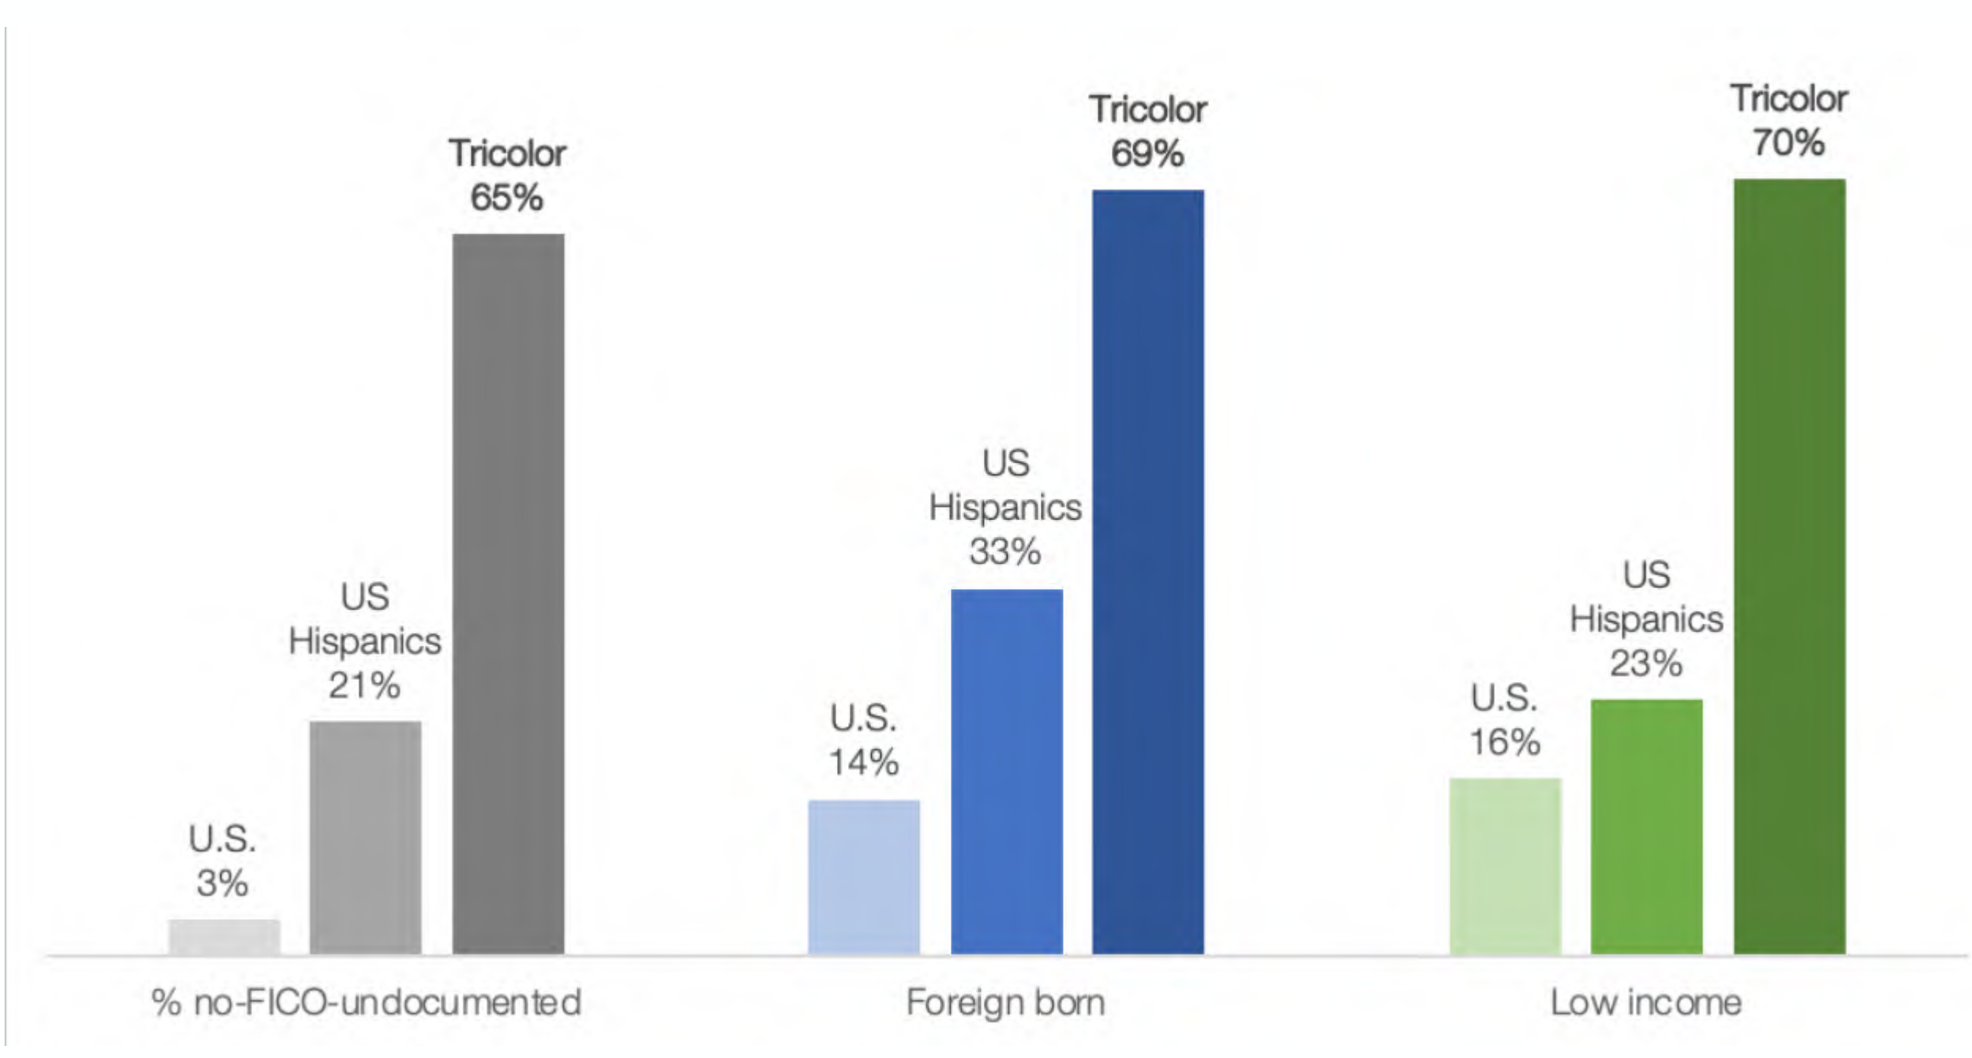
Tricolor's current and future footprint aligns with the states with the highest concentration of both Hispanics as well as poverty level.

Despite their economic hardships,Hispanics are the future of the world's biggest economy,

US Hispanic Market *at-a-Glance*

Explosive growth.
Represents fastest growing segment of the US Hispanic population: 6X faster than non-Hispanics. By the year 2050, 1 in 4 people in the US will be Hispanic origin.

Future majority.
Median age of 28 vs median age of US White population of 58.



Essential to our economy.
Produced 82% of US workforce growth over last ten years. By 2060, Latinos will correspond to 1/3 of the US labor force.

Future of automotive retail
Projected to account for all growth in US vehicle sales over next decade.

Massive buying power.
Would rank as 8th largest GDP globally if it were its own economy, growing faster than India or China.

Embedded in US ecosystem.
9% of the workforce in California, Texas and Nevada are undocumented. 60% of undocumented immigrants in America have resided in US for over ten years

Hispanics materially surpass the general population with respect to key attributes of financially underserved consumers. According to the Department of Homeland Security, as many as 12 million Hispanic immigrants are undocumented , representing 20% of the US Hispanic population vs 3% of the overall population The percentage of Hispanics considered as low income is 44% greater than the general population. Tricolor's customer profile significantly out indexes the US Hispanic population with respect to key attributes of the financially underserved population by a wide margin.

Value proposition creates sustainability

Tricolor offers the financially underserved population with an attractive physical mobility solution while enabling upward mobility through a path to mainstream access to credit."

Differentiated approach delivers superior affordability and value to underserved market.

Tricolor has transformed the traditional industry approach which incorporates a “zero sum” mentality—-for the operator to win, the customer must lose—-and created a unique and compelling value proposition for the consumer. Tricolor’s strategy creates a wide competitive moat with its peers

	Industry Peer	tricolor
Positioning	“lender of last resort”	mission-driven, technology-driven, brand-driven
Target Consumer	general market, poor credit	Hispanic, credit invisible
Model	highly fragmented, “mom + pop”	robust centralized infrastructure

Risk	“your job is your credit”	AI-enabled, data-driven proprietary model

Accordingly, Tricolor's deal structure sharply contrasts with the industry across all key metrics.

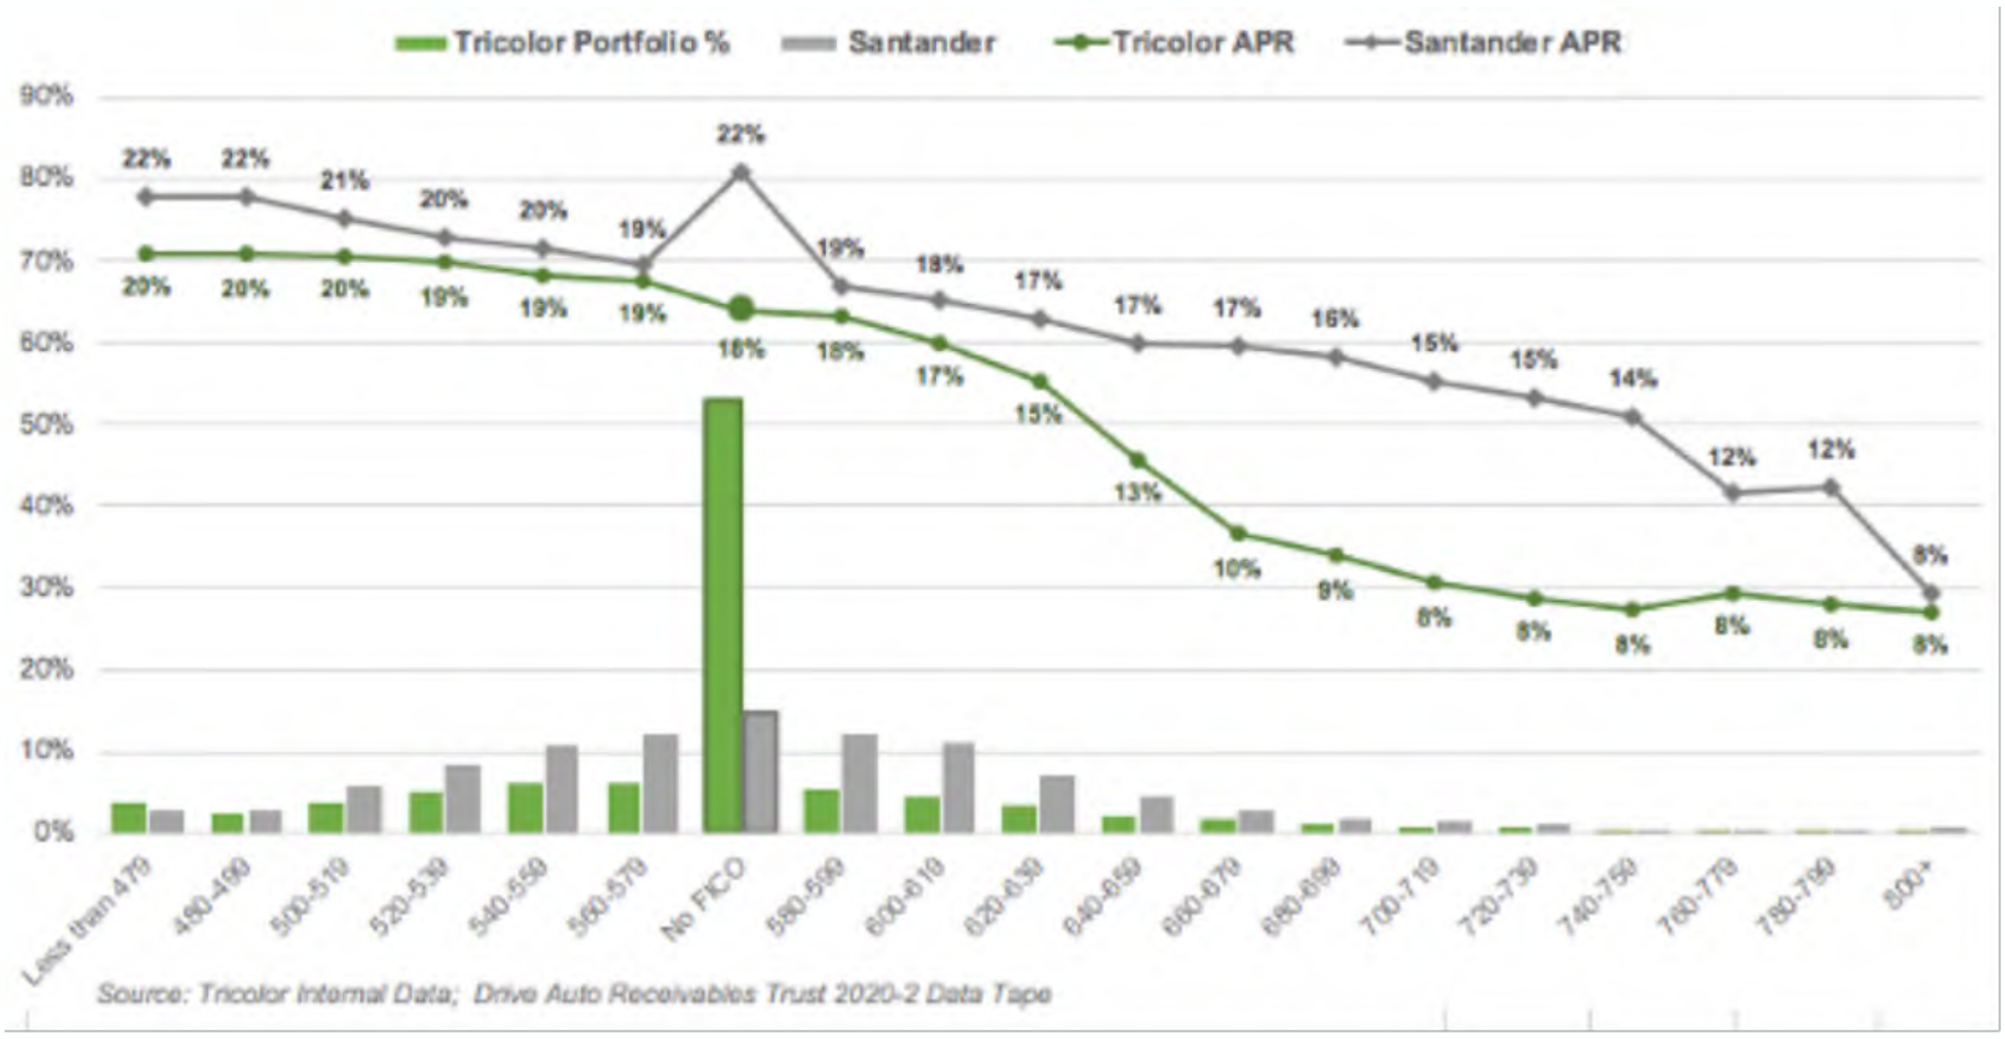
A large majority of these underserved consumers have limited options for the purchase and financing of a vehicle, relying on the buy here-pay here industry. Approximately 11% of total used vehicle sales, or 4.4 million transactions were attributed to BHPH in 2019."

Tricolor's loan terms incorporate rates well below any statutory limits related to each individual state's consumer lending code. The Company has engaged two firms, McGlinchey Stafford and Hudson Cook, to conduct reviews of both its retail and lending practices. Both firms are ranked nationally in the areas of financial services regulation and focus their practices on consumer lending.

Tricolor provides twice the value of the alternative provider based upon national industry data

Tricolor achieves financing terms which are signi ficantly more attractive than its peer group in the buy here-pay here industry. Tricolor estimates it has saved its borrowers over $800 million in potential interest charges over its history



Savings	-	$9,567	$6,602	$4,705	$7,125
Cost Multiple	100%	197%	167%	148%	173%

Additionally, our interest rates are signi ficantly lower than major subprime ABS auto lenders. Across every FICO tier, our interest rates are lower than Santander Consumer USA, despite the fact that our cost of capital is 300-400 bps higher

Consequently, financing terms are far more advantageous for the consumer.

High quality vehicles deliver superior value

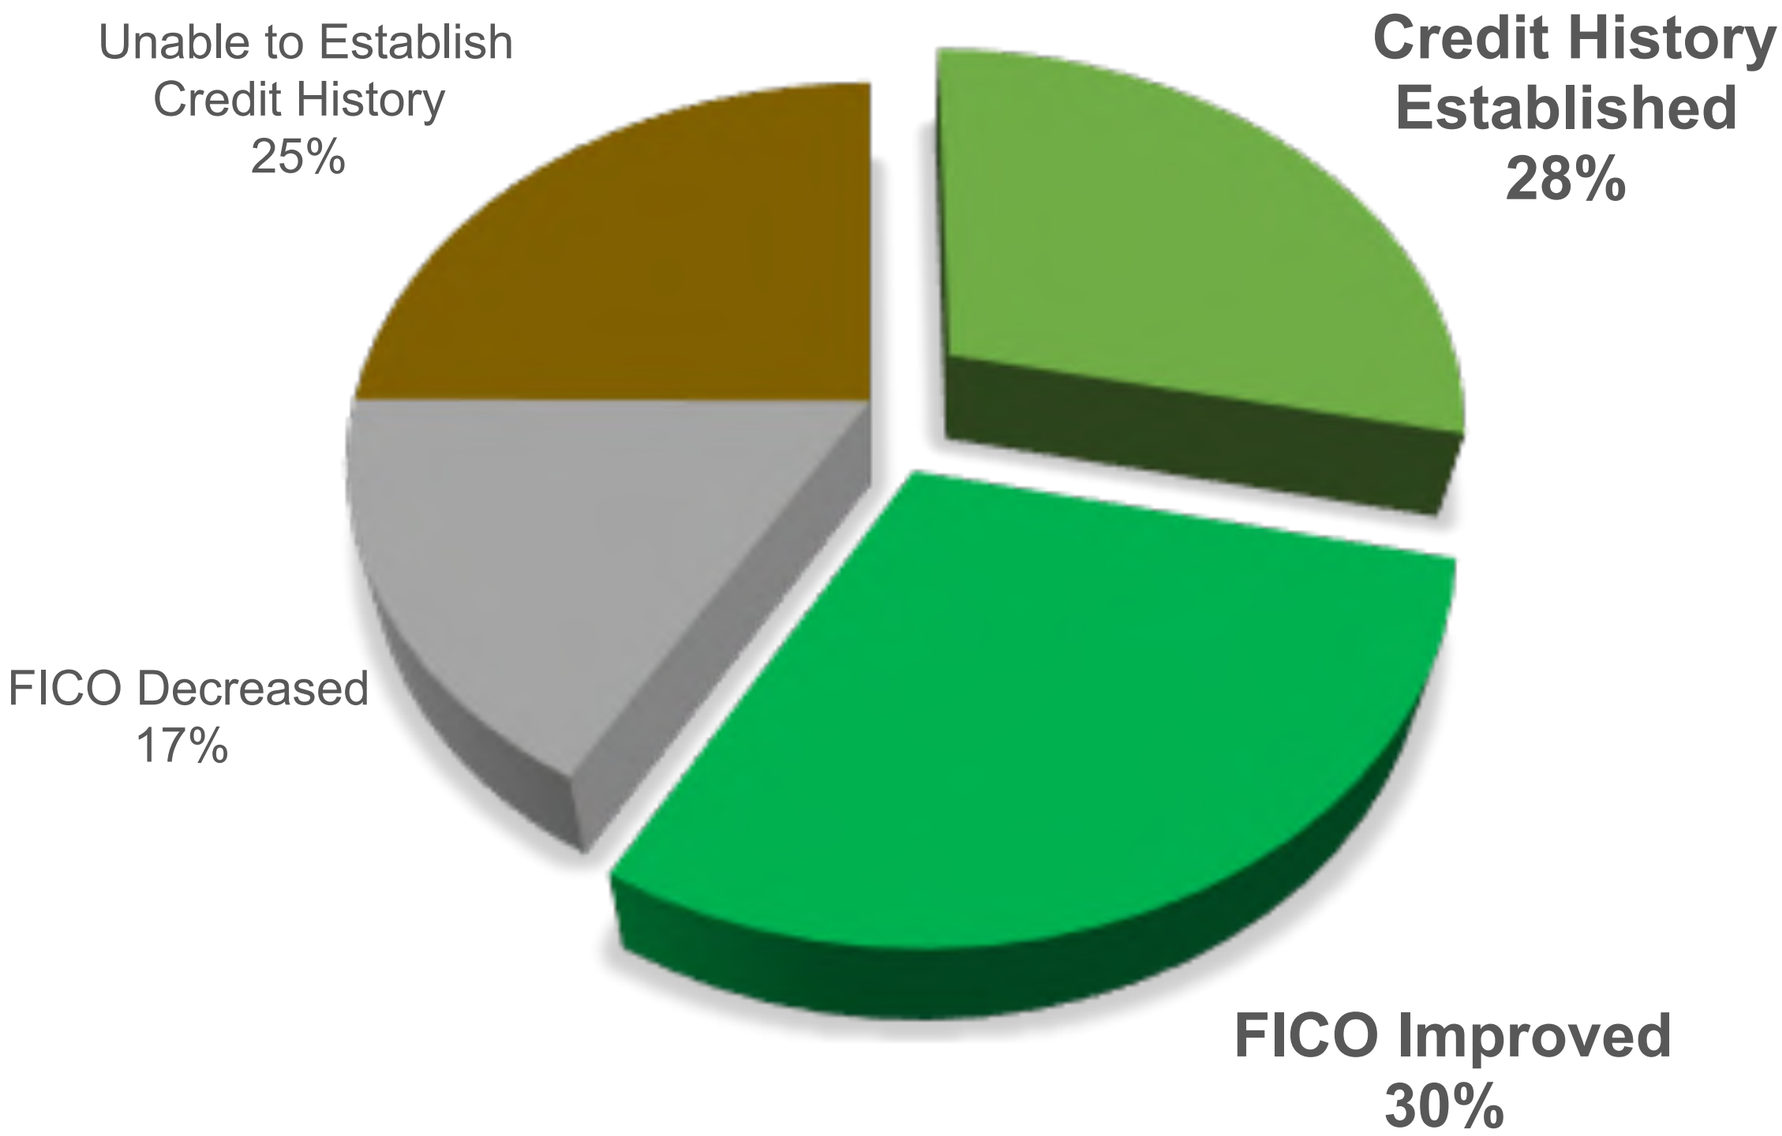
Tricolor's model vertically integrates the retail automotive component into the value proposition in order to ensure the borrower's vehicle is high quality, mechanically sound and protected with a free warranty on its major components."

The vehicles which Tricolor offers have a wholesale value of greater than 2.5x our peer group based upon the 2020 National Independent Auto Dealers Association (NIADA) Report. Tricolor does not offer vehicles which are impaired, i.e. flood, frame, or lemon law buybacks. "

Tricolor's investment in vehicle quality is unmatched by its peers:"

- High quality vehicle with much greater acquisition cost"
- Full 150 point inspection"
- Extensive reconditioning process performed to a rigorous standard with an average investment of $2,200 per vehicle."
- Free warranty on power train and major components for 18 months/18k miles"

Mechanical failure is the primary driver of default on deep subprime auto loans; therefore, the ability to control collateral quality translates into a distinct advantage for the underserved consumer



Tricolor recently opened a state-of-the art, 200,000 sf vehicle service center with over 12 acres of storage capacity just south of Dallas, Texas which accommodates 200 service bays, full paint and body shop, full car wash and detail, and a dedicated AutoZone parts facility

Establishing credit

Tricolor has been successful in helping borrowers to establish a bureau score by reporting to major bureaus, regardless of status, in order to ultimately mainstream credit invisible, or underserved borrowers. By helping its borrowers build credit history, Tricolor provides a path to ultimately accumulating wealth and a better future. "

- Through partnerships with Equifax and Experian, Tricolor has helped 28% of its borrowers with no credit score establish a credit history."
- Additionally, by o ffering affordable lending terms, an additional 30% of Tricolor customers have improved their FICO score after securing credit from Tricolor.

For the low income population, wealth creation and the American dream require credit.

Improving Financial Literacy

As an integral part of its strategy to mainstream its credit invisible target market, Tricolor engages customers in financial literacy programs featuring customized content to empower them to develop an understanding of personal financial management and ultimately, build a better future. "

Through its partnership with EverFi, Tricolor provides an online financial education curriculum for free to any consumer. Participation in the program has increased as a result of greater engagement with its existing customer base and through awareness and promotion, participation continues to grow."

Tricolor launched a partnership with Flourish to supplement our literacy initiative with technology that can be delivered online as part of our digital strategy." Flourish is a financial wellness platform that helps financial institutions attract, engage and retain consumers."

Our partnership focuses on these four specific objectives:"

1. Digital Engagement"
2. Financial Literacy"
3. Payment behavior change"
4. Improved Performance

External validation of its approach

Tricolor has attracted significant validation for its ability to leverage technology to expand financial inclusion.

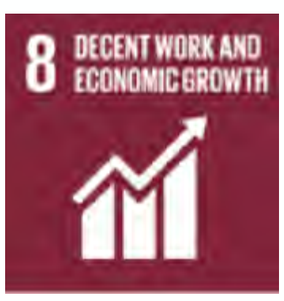
Superior reputation. Tricolor achieves Net Promoter Scores which are significantly than its national peers

Trusted brand. As a testimony to its superior value proposition, Tricolor attracts consumers well outside its target population. 16% of its borrowers are have prime credit.



Social Bond Framework

Tricolor is committed to advancing the **Sustainable Development Goals (SDG)** as established by all United Nations member states in 2015 and specific to the Use of Proceeds for Tricolor's ABS Social Bond:

1.4. No Poverty

By 2030, ensure that all men and women, in particular the poor and the vulnerable, have equal rights to economic resources."

8.10. Decent Work and Economic Growth

Strengthen the capacity of domestic financial institutions to encourage and expand access to banking, insurance and financial services for all."

10.2. Reduced Inequalities

By 2030, empower and promote the social, economic and political inclusion of all, irrespective of age, sex, disability, race, ethnicity, origin, religion or economic or other status.

Alignment with Social Bond Principles

Tricolor's 2022 ABS Social Bond Framework aligns to the Social Bond Principles 2021 ("SBP"), as administered by the International Capital Market Association ("ICMA"), and addresses the following four core components:

1. Use of proceeds
2. Process for loan evaluation and selection
3. Management of proceeds
4. Reporting

The Social Bond Principles provide illustrative examples of"Social Project" categories including social projects that provide or promote access to essential services and/or socioeconomic advancement and empowerment. Through the 2022 ABS Social Bond Framework, we aim to expand financial inclusion among the financially underserved population. The Social Bond Principles, 2021 ("SBP") are voluntary process guidelines for best practices when issuing Social Bonds. The SBP recommend transparency and promote integrity in the social bond market. This framework covers Social Bond issuances by Tricolor Auto Acceptance.

Use of Proceeds

In accordance with the Social Bond Principles (SBPs), on the closing date, the net proceeds of the TAST 2022-1 transaction will be allocated solely to the acquisition of loans to borrowers within the Target Population set forth in this Framework.

The origination of loans to the Target Population and the acquisition of such loans by the Issuer of the related Designated ABS Social Bonds comprises an “eligible social project” with the objective of expanding financial inclusion by enabling (i) access to essential services through responsible lending products; and (ii) socioeconomic advancement and empowerment with respect to equitable access to financing opportunities and reduction of income inequality.

The loans in the transaction will be made to borrowers within the Target Population which consist of the financially underserved population which lacks equitable access to essential services, and are therefore, marginalized, due to the fact that they (i) are credit invisible, i.e. have no FICO score or (ii) are low income.

Loan Evaluation Process

A subcommittee of Tricolor’s Credit Risk Committee (the “Committee”), comprised of the Company’s CEO, CFO, Chief Credit Officer and other senior executives will be responsible for:"

- Reviewing and approving the 2022 ABS Social Bond Framework"
- Reviewing and approving the Loan Portfolio for each ABS Social Bond, including additions to the Loan Portfolio during the revolving period
- Reviewing and approving annual reporting"
- Reviewing the Post Issuance External Verification Report"
- Monitoring ongoing Social Bond market practices"
- Ensuring all Eligible Loans comply with Tricolor’s Lending Guidelines, which help mitigate indirect negative social impacts by o ffering responsible access to credit pro files in the target population

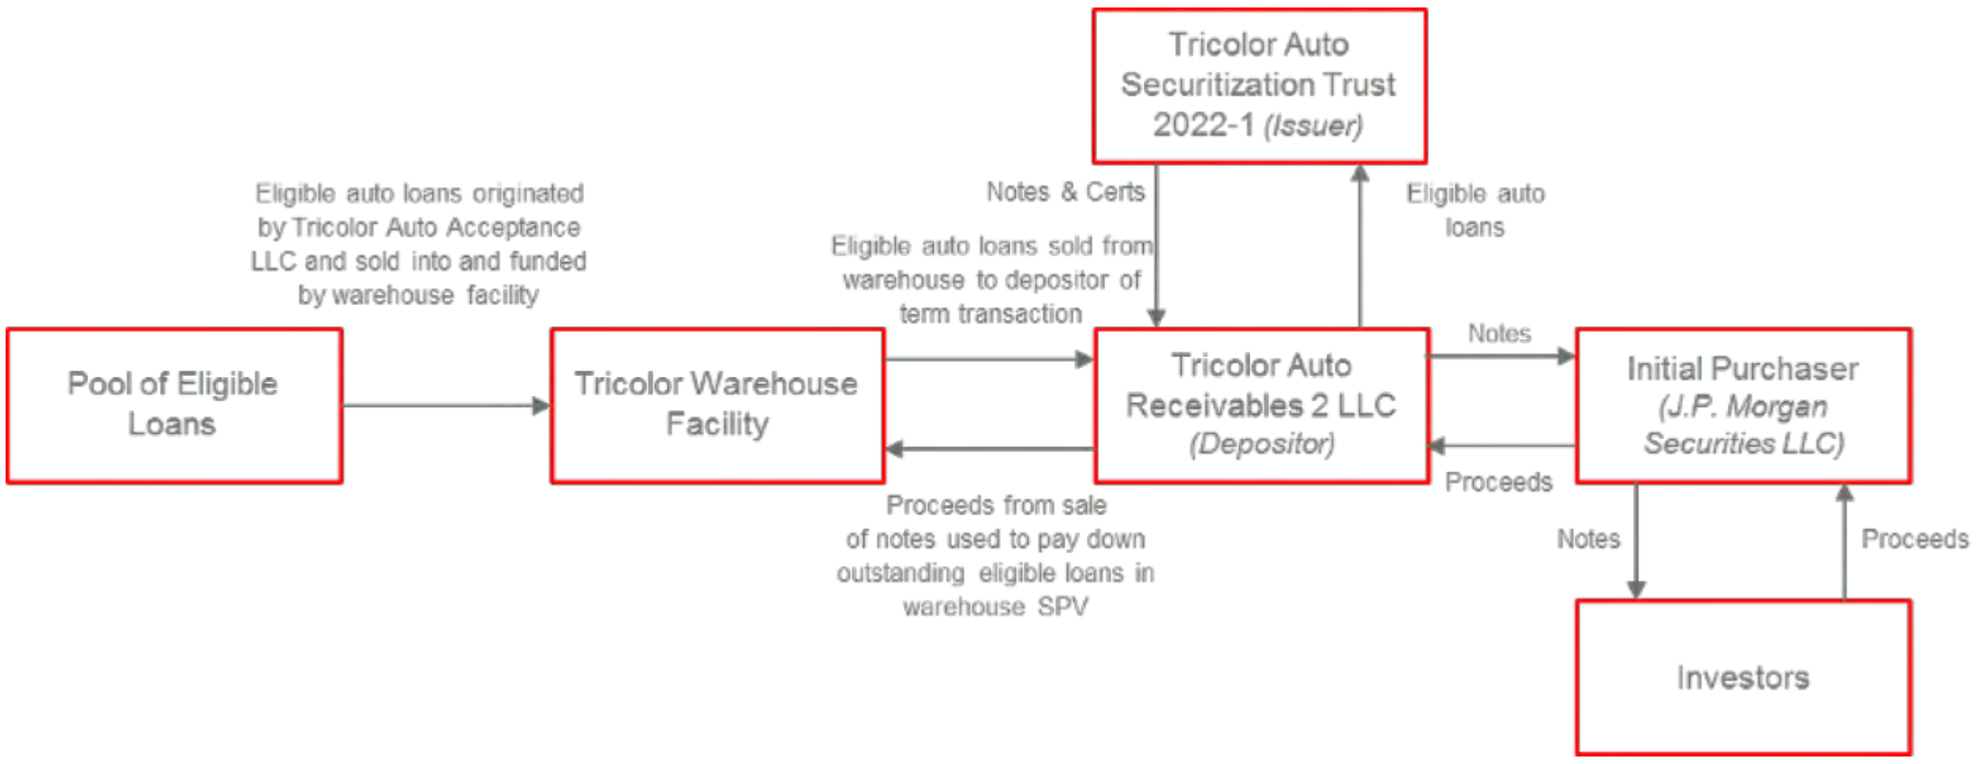
Eligibility Criteria

"Eligible Loans" must meet the following eligibility criteria:

Eligible Social Product Category	Expand financial inclusion by enabling (i) access to responsible lending; access to essential services such as transportation; and (iii) socioeconomic advancement and empowerment with respect to equitable access to financing opportunities and reduction of income inequality. "
Eligibility Criteria	Loans providing access to essential services for the purchase and financing of motor vehicles to the target population consists of consumers with 100% of the loans originated to: (i) no FICO or (ii) low income.* * *customer income is less than or equal to 80% of the median county income or less than or equal to 200% of the federal poverty threshold as de fined by the Community Reinvestment Act (CRA), the Federal Housing Finance Agency (FHFA), which includes Freddie Mac, and the United States Department of Health and Human Services (HHS)*
Social Risks	The target population is subject to greater social risks because (i) their no FICO status is prohibitive to access to mainstream financial services, subjecting them to alternative financial services at much higher costs; and (ii) their low income and consequently, low level of liquidity leaves them unprepared to deal with any financial emergency. " " As a result, a key component of Tricolor's model as described (see p.15) is to provide a superior quality, fully reconditioned vehicle to eliminate the likelihood of (i) default due to mechanical failure or (ii) a major mechanical repair which in turn, would trigger a high-cost loan and potentially, a downward spiral of predatory lending.

Environmental " Risks

All loans are collateralized by high quality vehicles with a significantly (i) lower age and mileage and (ii) higher acquisition cost than otherwise available to this segment of the population. 100% of the vehicles which are transacted undergo a rigorous inspection and reconditioning process, Tricolor administers a state-regulated inspection to certify that all vehicles satisfy the emission standards. "



Federal vehicle emission standards are set through a combination of legislative mandates enacted by Congress through the Clean Air Act (CAA), and executive regulations managed nationally by the Environmental Protection Agency (EPA), which tightened requirements as recently as 2021."

“Eligible loans” to be included in the transaction will be sourced from:"

(i) Existing loans on balance sheet: The eligible loans contributed from the warehouse facility have already been extended and funded to the Target Population. The proceeds from the term securitization will be used to pay down the warehouse debt related to these loans, and the loans will then be transferred to the term transaction SPV at closing."

(ii) Additional originations during a Pre-funding Period. The Tricolor term transaction will include a 3-month pre-funding period, where proceeds from the term securitization are used to fund a pre-funding account and in turn that cash is used to purchase additional receivables in the 3 months immediately following closing. The assets purchased during the pre-funding period are subject to the loan eligibility criteria. Tricolor will disclose the percentage of the pool comprised of pre-funded assets with each transaction, and the amount is not expected to exceed 25% of the aggregate pool for any single transaction."

The chart below is a simplified illustration of the structure of the transaction, and the source of the eligible receivables and proceeds:

"

Management of Proceeds

Tricolor intends to allocate the net proceeds of the ABS Social Bond to acquire previously originated eligible loans from existing warehouse facilities and well as purchase newly originated eligible loans, consistent with the criteria detailed in the framework, during the pre-funding period. The proceeds allocated for such activity will be deposited into a third-party account held and managed by the Indenture Trustee of the Social Bond transaction, and those proceeds will then be utilized to purchase new eligible loans during the prefunding period. The look-back period for an eligible loan to be included in an underlying securitization pool for any" ABS Social Bond will be 36 months before the “Initial Cuto ff Date” for such ABS Social Bonds. "

After transaction closing, during the pre-funding period, a portion of the proceeds from the initial bond sale will be utilized to purchase additional receivables. Any issuance of ABS Social Bonds will be tracked and monitored by the Committee identi fied above to ensure that the net proceeds thereof will be used to acquire loans that meet the criteria identi fied herein. The Committee will ensure this information is updated quarterly for their review. This information will form the basis for Tricolor’s annual Allocation and Impact Reporting set forth below.

Reporting

Allocation Reporting

On a annual basis, until full allocation of the net proceeds from the sale of any Social Bonds, and on a timely basis in case of material developments, we will publish our Annual Sustainability Report on our corporate website that will include:"

1. The amount of remaining net proceeds from the sale of any Social Bonds that have been allocated to eligible loans, subject to con fidentiality considerations; "
2. The outstanding amount of net proceeds from the sale of any Social Bonds yet to be allocated to Eligible Loans at the end of the reporting period, though it is not expected for any net proceeds to remain unallocated at the time of the first published Annual Sustainability Report.

Impact Reporting

Tricolor will report on speci fic metrics to demonstrate its impact with respect to the following social purposes for the financially underserved population which ultimately expand financial inclusion:"

1. **Access to affordable credit.** 32% of the US Hispanic population lacks access to responsible lending because they are credit invisible. According to the Department of Homeland Security, as many as 12 million Hispanic immigrants are undocumented , representing 20% of the US Hispanic population. The low-income population is highly vulnerable and struggles with su fficient liquidity, underscoring the importance of a ffordability; the percentage of Hispanics considered as low income is 44% greater than the general population.

Impact Reporting (continued)

2. **Access to quality, dependable, essential services.**

   Owning a vehicle is critical for the financially underserved consumer to survive in America. Only 5% of the US population uses public transportation . The Hispanic population is the most disadvantaged in terms of ability to work from home, due to fact that Hispanics are largely employed in industries which cannot accommodate remote work such as construction, hospitality, and agriculture. In fact, fewer than one in six Hispanics can transition to a remote working environment. "

"

3. **Socioeconomic advancement through credit building**.

   For the low-income population, wealth creation and the American dream require credit which explains why average Hispanic household wealth is 88% less than the average White household. As an integral part of its strategy to build credit and achieve access to mainstream financial services, Tricolor will report on the percentage of borrowers who successfully build credit as a result of their loan with Tricolor.

Why these impact objectives go hand-in-hand

As part of its value proposition, Tricolor drives both physical and financial mobility, enhancing affordability with vehicle quality to eliminate the likelihood of (i) default due to mechanical failure or (ii) a major mechanical repair which in turn, would trigger a high-cost loan and in turn, downward spiral or predatory lending cycle. Tricolor's integrated strategy provides a path to optimizing loan performance and successful credit building. Through a balanced execution of increasing both physical and financial mobility, the underserved consumer achieves upward mobility.

Impact Reporting (continued)

On a quarterly basis and on a timely basis in the case of material developments, Tricolor will, subject to any applicable confidentiality obligations, report on its website a description of the following regarding the securitization pool for each unique Social Bond in connection with each of these three social impact objectives. For each reporting date, the following actual data will be provided as a comparison to the expected results to demonstrate the social impact:"

Social Impact	Impact Metrics	Expected	Actual
Access to affordable credit	Percentage of proceeds to Qualifying Loans	100%	
	% of borrowers with either no FICO or with household income below 80% of the median income	100%	
	Outstanding Principal Balance (OPB) of loans to borrowers with no FICO or with low income as % of the outstanding pool	100%	
Access to quality, dependable, essential services	% of borrowers who receive a free warranty	100%	
	% of warranty claims processed at no charge to customer	100%	
	% of installment payments procvessed with no fee to the customer	100%	
Socioeconomic advancement	% of borrowers who built a credit score with a major bureau	20%	

The methodology for which such quantitative measurements and determinations are made is based on a loan-level data file for which Tricolor maintains the ability to produce on a periodic month-end basis. The data tape file includes granular loan-specific characteristics for each unique loan and corresponding borrower included in the eligible securitization loan pool."

With respect to reporting on its ability to build a credit score for its borrowers, Tricolor has created a partnership with a major bureau which allows it to pull updated credit scores on each borrower in the pool monthly, enabling it to accurately track which borrowers have successfully established a score."

External Review and Second Party Opinion

Tricolor will request a qualified independent external reviewer to verify and provide third-party assurance with respect to the allocation of the net proceeds of any Social ABS Bond with the Tricolor Social ABS Bond Framework. This review will be carried out annually and Tricolor will post the external review report on the Tricolor Holdings website."

Tricolor has obtained and will make publicly available a Second Party Opinion ("SPO") from a consultant with recognized social expertise to provide an opinion on the social benefits of this Framework as well as the alignment to the SBP. The SPO will be available on the SPO provider's website pre-issuance.

Appendix: U.S. Treasury CDFI certification

Community Development Financial Institutions are certified by the US Treasury to support the American dream that everyone should have an equal opportunity to achieve prosperity and success through their own talent and hard work. "

CDFIs are private financial institutions that are 100% dedicated to delivering responsible, affordable lending to promote financial inclusion and help low-income and other disadvantaged people join the economic mainstream. "

In the 1960s and 1970s, while many Americans were prospering, low-income and minority communities were generally excluded from this economic growth because mainstream banks and institutions deemed these communities too risky for investment. There was a common practice among banks called “redlining” where the banks would draw red lines on physical maps around neighborhoods deemed too risky for investment. They refused to provide loans or financial services to those areas. Since so many parts of the country were prospering, there was a noticeable gap in opportunity, development, and wealth. In terms of access to financial resources, it was clear that these communities were left behind. In an effort to fight this discrimination, the government passed the Community Reinvestment Act in 1977. This act, known as the CRA, encouraged financial institutions to meet the needs of every part of the community they served. "

In the 1990s, after the U.S. Department of the Treasury’s Community Development Financial Institutions Fund (CDFI Fund) was established an organization that provides federal support to individual CDFIs serving low-income communities. Its establishment was critical in the development, organization, and modernization of the community finance industry. Traditional lenders were encouraged to support these activities and communities through revised regulations, requiring qualified loans and investments in CDFIs in order to fulfill these CRA requirements."

By providing financing to CDFIs, investors provide critical opportunities to the underserved population deserving of opportunities for accessing capital, by providing access to credit. CDFIs also provide financial education and technical assistance, credit counseling. Studies have confirmed that financial literacy programs often increase the likelihood that the borrowers will be successful and able to pay back their loan. "

CDFI certification is reviewed and renewed annually each March.

let me know when you're available - I'm trying to close out some of the inventory audit requests and running into something that doesn't make sense - they have selected Repos on Hand vehicles that were also stocked backed in, sold and included in the data

tape. Its giving the appearance of being counted twice.

This ties back to some of their previous questions, about VINs changing between '23 and '24 data tapes. I think this was something you and Ameryn were looking into. Should probably have you take a look before releasing anything to GT.

Jerry Kollar <jkollar@tricolor.com> 2:33 PM

yes

OK, I will start researching and see what I can find.

Reed Crow <reed.crow@tricolor.com> 2:40 PM

what I'm finding is that for the recontacted repo, the VIN has changed in the DT - so it wouldn't pick up if we attempted to dup check

Regarding Timing - Rocky's feels really good that we will make 4/30, provided they can get all the detail testing support by end of this week (but sounds like this might go right near up to deadline). He mentioned they'll put in additional time over the

weekend, and is planning to be onsite Tuesday and Wednesday to get over the goal line. He said Rob's latest take on the BR warrants is that they carry no value - so a memo isn't currently on the punch list. We should have a draft of the rep letter tomorrow.

It doesn't sound like there are major edits coming on the financials - the only item they want feedback on the Fair Value presentation on the income statement.

#3 - Loan Variances

(this is a repeat from previous email)

They are trying to walk the loan balance from '23 data tape to '24 data tape, using the loan ledger activity. There are two accounts they have questions about:R937378 Dillon Eugene Dearmond – I can't find an account or vehicle related to the information for this one. I'm not sure where the attached ledger came fromP22536 Guadalupe Yazmin Rodriguez – the loan balance per data tape as of 12/31/23 doesn't appear to agree to loan's ledger per IDMS (which is what is creating the $154 variance)

Jerry Kollar <jkollar@tricolor.com> 8:39 PM

#4 - Debt footnote

From what I've been told there are several figures that they (GT) and Matt can't tie back to support documents. Matt has a list of these, and wants to go over them with you. If you can help provide direction on where those data points come from, Matt should

be able to close that item out

Reed Crow <reed.crow@tricolor.com> 8:50 PM

I think that's it for outstanding detail support, but I'm going to ask GT for an update by EOD

Reed Crow <reed.crow@tricolor.com> 8:59 PM

One other item - regarding tax NOL

This won't imped the audit, as we can move forward with the tax provision as is (after I post adjustments), however, the door has been opened to re-recognize a deferred tax asset associated with TAG's NOLs from 14, 16 and 17. Upper end of the range, there

is $2.1M of tax adjusted asset we could pick up. Not sure we want to consider it, this close to issuance, but something we should discuss.

Regulatory Requirements for Stress Testing and Re-Underwriting in Warehouse Credit Facilities

No, there is no strict federal regulatory requirement for banks to conduct **quarterly stress tests or re-underwriting** specifically on individual warehouse credit facilities (short-term lines used to fund loan originations, often backed by collateral like vehicles or mortgages). However, broader guidelines encourage ongoing risk monitoring, especially for high-risk portfolios. Warehouse lending falls under commercial credit, where expectations focus on internal risk management rather than per-loan mandates. Key points from regulatory sources:

- **Large Banks (>$250B Assets)**: Under the Dodd-Frank Act and Federal Reserve rules (12 CFR Part 252), annual supervisory stress tests assess overall capital adequacy under hypothetical scenarios, including interest rate shocks. These are portfolio-level, not quarterly or per-facility, and cover commercial exposures indirectly.
- **Mid-Sized Banks ($10B-$250B Assets)**: Biennial stress tests (every other year) under 12 CFR Part 46 (OCC) or similar FDIC/Fed rules, with a 9-quarter planning horizon. Again, not quarterly or facility-specific.
- **Community/Smaller Banks**: No mandated stress testing, but OCC Bulletin 2012-33 encourages tailored stress testing for credit risk, fitting the bank's size and complexity. FDIC guidance (e.g., "Stress Testing Credit Risk at Community Banks") recommends periodic testing for concentrations like warehouse lines, especially amid economic changes like rate hikes.
- **Warehouse-Specific Guidance**: No explicit quarterly re-underwriting rule. However, OCC and FDIC emphasize due diligence, collateral verification (e.g., custodians for titles to prevent multiple pledging), and ongoing monitoring of borrower financials. For example, if rates rise 500 bps (as since 2022), banks are expected to assess impacts via internal models, per FDIC risk management manuals. Lack of custodians (as in your case) could violate anti-fraud standards under laws like the Bank Secrecy Act or FDIC exam procedures.
- **Re-Underwriting**: Not mandated quarterly, but loan covenants often require periodic reviews (e.g., annual renewals). Regulators expect "continuous monitoring" for red flags like high leverage or mismatched financials vs. reported interest expenses.

In summary, while not quarterly-mandated, failing to monitor/stress test amid obvious risks (e.g., 500 bps rate hikes stressing interest expenses) could invite regulatory criticism or exam findings, especially if it enables fraud.

Instances Where Banks Faced Trouble for Similar Lapses

Yes, there are precedents where banks were sued, settled, or penalized for failing in safeguards, due diligence, stress testing, or ignoring red flags in financials—particularly in warehouse lending contexts where fraud occurred due to lax oversight. These often involve civil suits by regulators (e.g., DOJ, FHFA) or private parties, with allegations of reckless underwriting, ignoring mismatches between financial statements and known obligations (e.g., interest payments), and not stress testing portfolios during economic stress like rate hikes. Outcomes include massive settlements, though criminal convictions are rare. Below are key examples from U.S. cases, tying into your scenario (high leverage, ignored financial stress, fraud via unmonitored collateral).

1. **U.S. v. Flagstar Bank (E.D. Mich., 2012)**
- **Details**: DOJ sued Flagstar for improper underwriting and false certifications in FHA-insured warehouse loans, using unauthorized staff and ignoring red flags in borrower financials (e.g., unverifiable income/assets). This led to defaults and fraud, with the bank profiting from origination fees while lacking safeguards like proper due diligence.
- **Lapses**: No adequate review of financials against loan terms; enabled systemic fraud without stress testing for economic risks.
- **Outcome**: $132.8M settlement (including $10M penalty). Highlights liability for "reckless disregard" in warehouse lending due diligence.
- **Relevance**: Mirrors your case—bank had access to financials but ignored inconsistencies that could reveal stress/fraud, similar to not cross-checking interest expenses.

2. **Colonial BancGroup Fraud Case (M.D. Ala., 2017) – Involves PwC, but Tied to Bank's Warehouse Division**
- **Details**: Colonial Bank's mortgage warehouse lending division engaged in fraud (e.g., selling fake loans, double-pledging collateral) amid 2008-2009 rate volatility. Auditor PwC was sued for failing to detect red flags in audited financials despite access to data showing mismatches (e.g., inflated assets vs. actual payments). The bank itself collapsed, with FDIC taking over.
- **Lapses**: Lack of safeguards like independent custodians allowed CFO-led fraud; no stress testing of portfolio amid rising rates/economic crisis, ignoring obvious financial stress.
- **Outcome**: PwC settled for $335M (largest auditor liability ever); FDIC recovered $625M from related parties. Bank execs faced criminal charges (e.g., 30-year sentence for one).
- **Relevance**: Direct warehouse fraud example—simple financial cross-checks (like your interest payments vs. statements) would have revealed issues. Ties to rate hikes during the Great Recession (similar to 2022-2025 environment).

3. **FHFA v. Merrill Lynch & Co. (S.D.N.Y., 2011-2013)**
- **Details**: FHFA sued Merrill Lynch (now Bank of America) for selling $6B+ in

toxic RMBS backed by warehouse-originated mortgages, ignoring due diligence red flags (e.g., high default risks, fraudulent appraisals in financials). Amid pre-2008 rate fluctuations, no stress testing of underlying loans.
- **Lapses**: Failed to review originator financials against collateral quality; lacked safeguards against fraud in warehouse chains, leading to overvalued securities.
- **Outcome**: $3.55B+ in settlements across similar FHFA suits. Emphasized banks' duty not to ignore "storm warnings" in financial data.
- **Relevance**: Involves warehouse-style funding; parallels ignoring leverage/stress in statements during rate volatility.

4. **National Mortgage Warehouse, LLC v. Bankers First Mortgage Co. (D. Md., 2001)**
- **Details**: Lawsuit over 55 fraudulent warehouse loans where collateral (mortgages) was double-pledged due to lack of custodians/title controls. Bank ignored mismatches in financial statements vs. reported obligations, enabling fraud.
- **Lapses**: No due diligence cross-checks or safeguards like independent verification, despite access to borrower data.
- **Outcome**: Court ruled in favor of plaintiff for $4.5M in damages, finding negligence in oversight.
- **Relevance**: Exactly matches your no-custodian issue allowing CFO fraud—simple financial reviews would have exposed discrepancies.

5. **Stress Testing Failures Amid Rate Hikes (Post-2022 Examples)**
- **Silicon Valley Bank (SVB) Collapse (2023)**: FDIC/OCC reports criticized SVB for inadequate stress testing of its portfolio amid rapid rate hikes (500 bps+), ignoring interest rate risk in financials/holdings. While not a direct warehouse case, it led to regulatory penalties and reforms (e.g., enhanced Fed oversight). No private suits succeeded, but it prompted lawsuits against execs for fiduciary breaches.
- **Commercial Real Estate (CRE) Stress Tests (2023-2025)**: Fed/KC Fed analyses (e.g., 2024 reports) highlighted banks' vulnerabilities to rate hikes without adequate portfolio stress testing, echoing 1980s CRE crises. No major lawsuits yet, but banks like Signature Bank failed partly due to untested CRE/warehouse exposures, leading to FDIC takeovers and $40B+ in resolution costs.
- **Broader Litigation**: In 2024, banks/groups sued the Fed over opaque stress test rules (e.g., ABA challenge), arguing they fail to account for rate shocks properly—indirectly highlighting deficiencies.

Key Takeaways
- **Liability Patterns**: Banks have faced trouble mainly in warehouse/mortgage contexts for due diligence failures enabling fraud, often via DOJ/FHFA suits under FIRREA or securities laws. Ignoring financial red flags (e.g., leverage vs. interest expenses) or lacking safeguards (e.g., no custodians) is a common thread, but success requires proving recklessness or aiding fraud.
- **Rate Hike Context**: Post-2022 hikes have amplified scrutiny (e.g., SVB), but penalties are more regulatory than lawsuit-driven. No exact matches for "500 bps ignoring" in warehouse lines, but 2008 precedents show liability spikes during such stress.

- **Applicability to You**: If your bank's lapses enabled fraud (e.g., no title custodian despite industry norms), claims like negligence or aiding fraud could apply, especially if they had your quarterly statements. Consult a lawyer for your specifics—e.g., check loan agreements for monitoring clauses.

If you share more details (e.g., state or bank name), I can refine searches!

Some good ones in here.

Precedents Similar to Enron Corp. Securities Derivative & ERISA Litigation (2005)

The 2005 Enron litigation (e.g., In re Enron Corp. Securities, Derivative & ERISA Litigation, 235 F. Supp. 2d 549) involved banks like JPMorgan Chase, Citigroup, and Merrill Lynch accused of aiding Enron's accounting fraud by structuring deceptive transactions (e.g., prepays disguised as trades) despite red flags in financials, such as off-balance-sheet debt and inflated revenues. Courts held that sophisticated banks could not ignore obvious signs of collapse while profiting, leading to massive

settlements (e.g., $7.2B class action). Below are similar U.S. precedents where banks faced liability for aiding corporate fraud by ignoring red flags in audited financials (e.g., manipulated statements, hidden debt) and assisting in misconduct for financial gain. These often involve securities fraud, aiding and abetting, or conspiracy claims under federal laws like the Securities Exchange Act. I've focused on key cases from searches, emphasizing parallels like bank knowledge via financial access and substantial assistance.

1. **Silvercreek Management Inc. v. Citigroup, Inc. et al. (S.D.N.Y., 2018)**
- **Details**: Investors sued Credit Suisse, Deutsche Bank, and Merrill Lynch for aiding Enron's fraud by designing and funding transactions that hid debt, despite internal emails acknowledging "red flags" (e.g., Enron as a "house of cards" or "funky" books). Banks had access to financials but ignored collapse signs while profiting from fees.
- **Outcome**: Court denied summary judgment on aiding and abetting fraud and conspiracy claims, ruling circumstantial evidence of actual knowledge (beyond mere red flags) could go to a jury. Emphasized banks' sophisticated status meant they couldn't "close their eyes" to obvious issues.
- **Similarity to Enron**: Direct extension of Enron litigation; reinforces liability for ignoring financial red flags in advisory/financing roles.

2. **In re WorldCom, Inc. Securities Litigation (S.D.N.Y., 2002-2005)**
- **Details**: Banks like Citigroup, JPMorgan, and Bank of America underwrote $17B in bonds for WorldCom despite red flags in audited financials (e.g., capitalized expenses inflating earnings by $11B, hidden debt). Banks had due diligence access but aided fraud by structuring deals, knowing of impending collapse.
- **Outcome**: Settled for $6.1B total (e.g., Citigroup paid $2.65B). Courts held banks liable for aiding securities fraud under Section 10(b), as they ignored "storm warnings" in financials while profiting from underwriting fees.
- **Similarity to Enron**: Like Enron, involved massive accounting manipulation (e.g., off-balance-sheet hiding); led to Sarbanes-Oxley Act reforms on financial certifications, mirroring Enron's impact.

3. **In re Lehman Brothers Holdings Inc. Securities & ERISA Litigation (S.D.N.Y., 2010-2015)**
- **Details**: Banks like JPMorgan (as tri-party repo agent) and others facilitated Lehman's "Repo 105" transactions, which temporarily hid $50B in debt from balance sheets despite red flags in audited financials (e.g., liquidity issues, overleveraged assets). Banks ignored signs of collapse while aiding off-balance-sheet maneuvers for fees.
- **Outcome**: Multiple settlements (e.g., $615M from underwriters like UBS, Citigroup); courts found aiding and abetting liability where banks had knowledge from financial reviews but assisted fraud.
- **Similarity to Enron**: Echoes Enron's special-purpose entities to hide debt; banks' sophisticated role meant liability for willful blindness to red flags.

4. **SEC v. Merrill Lynch & Co. (S.D.N.Y., 2003)**

- **Details**: Merrill Lynch structured Enron's "Nigerian barge" deal to misreport $12M as earnings, ignoring red flags in financials (e.g., guaranteed buyback making it a loan, not sale). Bank executives were convicted for aiding fraud despite knowing of collapse risks.
- **Outcome**: $80M settlement; convictions overturned on appeal but highlighted bank liability for ignoring financial inconsistencies while profiting.
- **Similarity to Enron**: Part of broader Enron probes; focused on banks aiding misclassification in audited statements.

5. **In re Parmalat Securities Litigation (S.D.N.Y., 2004-2010)**
- **Details**: Banks like Citigroup and Bank of America structured debt deals for Parmalat despite red flags in audited financials (e.g., $14B hidden debt via offshore entities, fabricated bank accounts). Banks ignored collapse signs while aiding fraud for fees.
- **Outcome**: $400M+ settlements (e.g., Citigroup paid $75M); courts imposed liability for aiding securities fraud, noting banks' access to financials created a duty not to ignore obvious red flags.
- **Similarity to Enron**: Involved international fraud with off-balance-sheet hiding, similar to Enron's SPEs; banks held accountable as sophisticated enablers.

6. **SEC v. JPMorgan Chase & Co. and Citigroup (S.D.N.Y., 2003)**
- **Details**: Directly tied to Enron; banks structured prepay transactions disguising $8.3B in loans as commodity trades, ignoring red flags in financials (e.g., unsustainable debt levels) while aiding misrepresentation.
- **Outcome**: $305M combined settlement (JPMorgan $135M, Citigroup $170M) for aiding fraud; no admission of guilt, but regulators emphasized banks couldn't ignore financial warning signs.
- **Similarity to Enron**: Core Enron-related case; set precedent for bank liability in structured finance ignoring audited red flags.

Key Takeaways
- **Common Themes**: These cases emphasize that "sophisticated" banks with access to audited financials (via due diligence or advisory roles) can be liable for aiding and abetting fraud under theories like Section 10(b) or state common law if they ignore "red flags" (e.g., hidden debt, inflated earnings) and provide substantial assistance (e.g., structuring deals) for profit. Mere "willful blindness" suffices for knowledge in many rulings.
- **Outcomes**: Most end in settlements without admissions, but denials of summary judgment (as in Silvercreek) force trials or negotiations. Post-Enron reforms (e.g., Sarbanes-Oxley) heightened scrutiny but didn't eliminate such liability.
- **Limitations**: Success requires proving actual knowledge beyond red flags; arm's-length transactions often shield banks.

If you need details on a specific case or a different jurisdiction (e.g., non-U.S. like Wirecard), let me know!

The process has been more complicated. Cash is reconciled at a high level for reasonableness early in the close process each month. Ideally an actual rec would then be completed later on in the month, after close. That process fell off in 2024. This was something I inherited and contributed to why ARCS was so far behind when I got here. We prioritized completing 12/31 recs for the audit ahead of 2025 recs, so we're working against a backlog

I completely agree with the prioritization, but the deficit isn't something we can easily turn around. Ideally an actual reconciliation would be prepared early in close, but until we get this process caught up it is competing with a timely close. I had expected we would be further along in catching this up by now, but the team has been making incremental progress on catching this up.

The short answer is we are not caught up, but that's been a systemic issue (from before I got here). The catch-up was on Oracle ARCS, which covers much more than just bank recs. The process completely fell off last year when Matt and Clarie left, so we've been playing catch up ever since. I directed to prioritize some things, like the audit and close, ahead of these. It's a more involved explanation than to cover via email.

It would really help to get some information on what this FTI project is covering. I'm kind of flying blind and its making it difficult to manager how we should direct our resources.

Nathan,

I have a meeting with my team this afternoon to workshop how we could fulfill this request. I'm still trying to identify all of what we would pull together to provide a complete picture. What's your status tomorrow – were you planning to be onsite or remote? The accounting department works from home on Friday. Regardless, it would be helpful to talk through how to walk through our loan payments collections through to trust accounts, so we can scope this request correctly.

Does this request replace requesting bank reconciliations? You had mentioned requesting a sample of those, but I don't think I've seen that specific ask come through yet.

Thanks

Chu Compensation Discussion 03.17.2023

Contextual Realities

Reality #1: Company performance has been superior despite macroeconomic environment.

By executing on a vision to transform a model historically viewed as a zero-sum game at best, but generally characterized as predatory, Tricolor is recognized as an AI driven, purpose-driven model with a reputation for both technology innovation and social purpose which premier investment banks such as JPM, Barclays and UBS project to achieve a valuation of $1-2B+ in the public markets.

Summary:

- 54% CAGR in revenues over last 3 years
- 44% CAGR in unit sales over 3 years
- 33% YoY increase in sales in declining market with industry down 12%

Reality #2: Our compensation process (or lack of) has been guided by Meridian and their data.

From Meridian:

- FY 2022 is discretionary
- FY 2023 range is ~$3-5M

Reality #3 My performance---effort, commitment, at a cost in terms of significant stress and physical toll---has been inadequately reflected in compensation with no equity grants and no raises for past five years.

Case 2:23-cv-00726-JNP-JCB Document 97-51 Filed 12/13/24 PageID.2214 Page 630 of 781

Reality #4: The compensation process has been grossly mismanaged, characterized by miscommunication, incongruence, broken promises, and incompetence resulting in frustration, resentment, and disgust.

- Significant, costly distraction
- Wasted weeks/months in "non-profit" paradigm
  Dann: "*Should we look at not-for-profit benchmarking for comp benchmarking?"*
- Inconsistency with representations re: application of data
  Dann: "*The recommendation we are making today is far and above any private and majority of public company benchmarks*."
- Incompetence
  Dann: *"Your ask is in the 90th quartile."*
- End-to-end mismanagement; inability to provide my total compensation weeks past promised date
  Dann: "*So please let's respect the process*."

Dann Adams: bottom quartile or top imbecile?

Daniel,

Please ask for the facts before jumping to conclusions and please treat us with the respect and we give to you. Derrick and I have jumped head first into this situation and your tone is unnecessary.

We have completed our work and are scheduling a time to speak with you. We will come back to you very soon with proposed times for a call.

I caution that you may not get everything you want as you want it but we will present a compelling and competitive pay package.

Christian-
Based on my understanding from your email below one week ago, I expected to receive positive confirmation on these two asks by the end of the day, today.
Given the degree of mismanagement and miscommunication on the part of board regarding this topic, perhaps I should not be surprised by the continued apathy and negligence related to respecting your own timing.
That said, the disregard and disrespect for everything I've put into this company are still appalling.
We have a board call next Wednesday, March 29, and I intend to present a timeline related to my decision to personally go a different direction. I would hope the board would concur that in the interest of preserving value for our

shareholders, we should agree to put the company up for sale immediately. While the market timing isn't optimal, there is no assurance that it will improve in the near future.
Regards,
Daniel

Daniel,

Thank you for setting up the call and sending this over.

Our responses on the timing and key follow ups are such.

Board Response

By EOD, Friday, March 24

Ask #1: Larger cash bonus for 2022

Ask #3: Flip base and bonus

a. We would very much like to not flip the base and bonus, but instead get you comfortable with very specific parameters for your 2023 bonus payout

b. Board to provide explanation of 2023 bonus payout structure - vast majority will be formulaic based on financial targets (based on revenue and Adjusted EBITDA), and a smaller discretionary portion based on non-financial goals TBD together with you (e.g., filling specific key open senior management seats)

By EOD, Friday, April 7

Ask #4: Offer for severance package, with new long-form employment agreement to be agreed to ASAP thereafter

Ask #5: Removal of BlackRock's consent required for you to sell up to 25% of ownership pre-IPO

Tricolor to Provide

It would be helpful for Tricolor to provide the following ASAP:

1. Your latest employment agreement

2. (Ask #2) Recommendation for equity incentives for you, Jerry, James, David & Eduardo as well as any key open senior positions, assuming a one-time grant pre-IPO for all. Please include implied dollar amount of issuance and (i) what this would equate to in # of RSUs and (ii) MIUs, both based on the latest valuation of the company

3. Summary of the following regarding your equity holdings and salary – *note: this is just helpful for context as we review internally, as we don't have the history here - will be helpful to get you the largest package*

    a. Your Base + Cash Bonus annually for 2018-2021

    b. For prior MIUs issued that are still outstanding, timing of issuance and

amount (# of units and implied dollars at time of issuance; latter, if available)

c. Summary of timing and $ paid to acquire your common equity holdings

Thanks,

Christian & Derrick

Daniel –

On behalf of the Board of Directors, in the attached deck we are responding to the compensation requests that you made to Christian and I last Friday. Apologies for the day delay, as we were trying to align schedules to walk you through it live.

This compensation package was unanimously approved by the Board and has input from all. As we discussed last week, a few of the items will require more time for us to respond to – e.g., severance, ability to sell equity pre-IPO. Please let us know any questions. We are available to speak over the weekend if helpful.

Thanks,
Derrick

Tricolor Board of Directors

Compensation Discussion Materials

Daniel Chu Compensation Ask Responses

- The full Tricolor Board of Directors has reviewed the compensation requests made by Daniel Chu and has provided responses herein
- We think Daniel has done an incredible job leading and growing Tricolor in the backdrop of a difficult economic and industry environment, and believe our compensation offer reflects this outperformance
- Our offer and responses are as follows:

Key Term	Daniel Chu Ask	Board Response	Timing of Board Response
Ask #1: One-Time Cash Bonus for 2022 in Lieu of Equity Incentive Grant	• $3mm one-time cash bonus in lieu of equity for 2022	• Instead of a cash bonus, a one-time Restricted Stock Units (RSUs) grant with a value of $1.5mm • Number of RSUs granted TBD based on the current valuation of the company • RSUs would vest over 3 years	Friday, March 24th
Ask #2: Additional Equity Incentive Grant to Daniel Chu & Select Senior Team Members	• New equity incentive units to Daniel Chu as well as Jerry Kollar, James Li, David Goodgame and Eduardo Perez • Incentive units in the form of RSUs	• Strong support for additional equity incentive for senior management team • Incentive units would be in the form and vesting structure of the existing Management Incentive Units (MIUs) • Implied value of aggregate MIUs issuance, distribution amongst senior team and number of MIUs issued (based on current company valuation) TBD with company • MIUs grant would be a one-time grant to bridge these management team members with incremental incentive equity in advance of an IPO or majority sale, at which time a new plan would be established	*People & Form of Grant* - Friday, March 24th *Total Size & Distribution of Grant Amongst Team* – ASAP in conjunction with the company

Daniel Chu Compensation Ask Responses (Cont'd)

Key Term	Daniel Chu Ask	Board Response	Timing of Response
Ask #3: Base Salary & Bonus for 2023 & Beyond	• Flip Base Salary and Bonus that previously was presented by the Board • Flip would imply: - Cash Salary: $1,500k - Target Cash Bonus: $750k - **Total Cash Pay: $2,250k**	• Keep Base Salary and Bonus as previously presented: - Cash Salary: $750k - Cash Bonus: $750k (Target) - $1,500k (Maximum) - **Total Cash Pay: $1,500k-$2,250k** • Per Meridian benchmarking, cash compensation at this level would be at the 75%+ percentile payout for CEOs of private companies between $200mm-$1bn in revenue assuming Target bonus, and significantly above assuming Maximum bonus • Board intends to work with Tricolor so the bonus payout structure has much more clarity. Our offer is for the bonus structure to be based on the following: - 40% based on revenue attainment vs Target - 40% based on EBITDA attainment vs Target - 20% discretionary (based on non-financial goals set for year - e.g., hiring goals) • For the financial metrics (i.e., revenue and EBITDA) that would impact bonus, the following would be established: - A "Threshold" $ amount for which if financials are below, there would be no bonus paid - A "Target" $ amount at which 100% of target bonus would be paid - "Maximum" $ amount at which or above 200% of target bonus would be paid - *Note: Between Threshold and Maximum Revenue or EBITDA attainment, there would be a ratable scaling of bonus payout related to the metric* • For 2023, it is fine if "Target" revenue and EBITDA is below the budget that was provided to the Board	*2023 Cash Compensation* - Friday, March 24th *Bonus Payout Structure* - ASAP in conjunction with the company .

Subject: Re: Compensation Proposal

For the benefit of an explanation to the broader board on why your current comp proposal is undeniably absurd:

1. I'm relying on 2/3 (bonus component) of my cash comp to be determined by a process which we know to be mismanaged and incompetent. I would be considered an absolute idiot to depend on a process like I've just experienced (deception aside) to control the majority of my comp.
2. You're going to say it's formulaic (even though 20% is discretional), but the formula is based on our initial budget which would be in the top 1% of companies given the macro environment. So while the expectation is that we deliver in the top 1%, you expect to set my current base salary at the 50% level.

Daniel –

On behalf of the Board of Directors, in the attached deck we are responding to the compensation requests that you made to Christian and I last Friday. Apologies for the day delay, as we were trying to align schedules to walk you through it live.

This compensation package was unanimously approved by the Board and has input from all. As we discussed last week, a few of the items will require more time for us to respond to – e.g., severance, ability to sell equity pre-IPO. Please let us know any questions. We are available to speak over the weekend if helpful.

Thanks,
Derrick

Rizzy-

I've scanned over the list you provided.

It will obviously require considerable time to research each line item which is why I explained that I applied a "broad brush" to the first set of reclassed transactions.

I did, nevertheless, want to share some context which may be constructive in terms of understanding how I've thought about these expenses.

1. I wear many hats, not necessarily by my choice. So outside of the normal course of serving as CEO, I do all of the external interaction with our lenders and ABS investors. That includes, for example, attending conferences, rating agency meetings and doing roadshows for our bond issuances. (The vast majority of our peers have a dedicated person to do this). I also do 100% of our site selection and correspondingly, new market strategy. Additionally, I do virtually all of the initial reach out for anything strategic---from lobby efforts to tech to new exec hires. All of this require travel which at my age is candidly, not generally desirable. So when I do travel, I choose to travel with my immediate family (We have a 2 year old) so that we're together. So I consider larger hotel accommodations and multiple airline tickets to be part of that plan.
2. I deal with a wide variety of external constituencies---generally I believe I've been successful achieving alignment with them---and I've incurred various entertainment expenses accordingly. I do feel like I've exercised good judgment on these expenses---our peers host large golf outings for example---as well as other elaborate measures like charters to events, etc. I have hosted individuals in Miami from time to time and paid for their hotel.
3. Going back to 2014, I relocated to Los Angeles (sold my house in Dallas, purchased a house in LA) in order to launch our business there, de novo. Shortly after that, in order to capitalize on an opportunity to merge the TX and CA operations, I moved back to Dallas 15 months later. Unfortunately, I still own that house (I haven't been able to use it since pre-pandemic because of some damage and it's just gone on the market) and incurred an enormous amount of carrying costs (interest and taxes). Because the move back to Dallas was completely business-driven, I've expensed certain costs related to storage, moving, etc. over time between LA and Dallas and LA and Miami. I've felt that I only live in Dallas because I work here…
4. Because I need to be in Dallas, I decided to construct a house here. Due to pandemic-related delays, the completion was continually delayed nearly twelve months late (we had given up our rental thinking completion was more imminent) and so in 2022, there were a large number of hotel stays in Dallas.

That said, when I sort the top dollar items not classified as relocation, it looks like all are business expenses, and the higher cost hotel charges correspond to ABS road shows, bank meetings, etc, which I can corroborate. There is one large item for a company sponsorship to St. Jude's through a Hispanic fundraiser organized by a marketing firm we use.

I looked at transactions > $1,000, which totaled $680K. Of this amount,
