**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY,
AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS
AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

INTRODUCTION

Anne Elizabeth Burns, solely in her capacity as the duly appointed chapter 7 bankruptcy trustee (the “Chapter 7 Trustee”) for Tricolor Holdings, LLC and its various affiliates and subsidiaries in the above-captioned chapter 7 cases (collectively, the “Debtors”), is filing for each Debtor entity Schedules of Assets and Liabilities (each, a “Schedule” and, collectively, the “Schedules”) and Statements of Financial Affairs (each, a “Statement” and, collectively, the “Statements”) with the United States Bankruptcy Court for the Northern District of Texas, Dallas Division (the “Bankruptcy Court”) pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

The Debtors in these chapter 7 cases failed to discharge their duties under section 521(a)(1)(B) of the Bankruptcy Code by failing to file the Schedules and Statements on or after the Petition Date (defined below). Therefore, by order of the Bankruptcy Court² and pursuant to Rule 1007(k) of the Bankruptcy Rules, the Chapter 7 Trustee assumed the responsibility for assembling the Schedules and Statements to the best of her abilities.

For avoidance of doubt, the Schedules and Statements should not be relied on for purposes of accuracy, as the Chapter 7 Trustee and her advisors have no personal knowledge to independently verify the information as found in the Debtors’ books and records. Furthermore,

¹ The Debtors in these chapter 7 cases are as follows: Tricolor Holdings, LLC, TAG Intermediate Holding Company, LLC, Tricolor Auto Group, LLC, Tricolor Auto Acceptance, LLC, Tricolor Insurance Agency, LLC, Tricolor Home Loans LLC dba Tricolor Mortgage, Tricolor Real Estate Services, LLC, TAG California Holding Company, LLC, Flexi Compras Autos, LLC, TAG California Intermediate Holding Company, LLC, Tricolor California Auto Group, LLC, Tricolor California Auto Acceptance, LLC, Risk Analytics LLC, Tricolor Tax, LLC, Tricolor Financial, LLC, Tricolor Auto Receivables LLC, Tricolor Asset Funding, LLC, and Apoyo Financial, LLC.

² See Docket No. 156.

such records were often incomplete and contradictory, and therefore the Schedules and Statements represent the best efforts of the Trustee and her advisors to reconcile the information available to them.

The Chapter 7 Trustee has **no confidence** that the Debtors' financial records can be meaningfully separated; to the contrary, the Chapter 7 Trustee believes that these Debtors may need to be substantively consolidated by the Bankruptcy Court for effective administration through these chapter 7 bankruptcy cases. Additionally, given the scale of the Debtors' businesses, the Chapter 7 Trustee and her advisors have not (and practically could not have) personally verified the accuracy of each statement and representation in the Schedules and Statements, including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

These global notes and statement of limitations, methodology, and disclaimers regarding the Debtors' Schedules and Statements (collectively, the "Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of all of the Schedules and Statements. The Global Notes are in addition to the specific notes set forth below with respect to particular Schedules and Statements (the "Specific Notes" and, together with the Global Notes, the "Notes"). These Global Notes should be referred to, and referenced in connection with, any review of the Schedules and Statements.

The Chapter 7 Trustee reserves all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected on the Schedules and Statements as to amount, liability, classification, identity of the applicable Debtor or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated." Furthermore, nothing contained in the Schedules, Statements, or Notes shall constitute a waiver of any of the Debtors' or Chapter 7 Trustee's rights or an admission with respect to the Chapter 7 Cases, including, but not limited to, liability for any claims, any issues involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or re-characterization of contracts and leases, assumption or rejection of contracts and leases under the provisions of chapter 3 of the Bankruptcy Code, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code, or any other relevant applicable laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Chapter 7 Trustee shall not be required to update the Schedules and Statements except as may be required by applicable law.

The Schedules, Statements, and Notes should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of any of the Debtors or their affiliates.

1. **Description of the Chapter 7 Cases.** Beginning on September 10, 2025 (the "Petition Date"), each Debtor commenced a voluntary case by filing a petition for relief under chapter 7 of the Bankruptcy Code (collectively, the "Chapter 7 Cases"). On September 10, 2025, the Office of the United States Trustee for Region

6 (the “U.S. Trustee”) appointed the Chapter 7 Trustee in the Chapter 7 Cases. On September 18, 2025, the Bankruptcy Court entered an order authorizing the joint administration of the cases pursuant to Bankruptcy Rule 1015(b). *See* Docket No. 68. On October 6, 2025, the Bankruptcy Court entered an order authorizing, but not directing, the Chapter 7 Trustee to file the Schedules and Statements on behalf of the Debtors. *See* Docket No. 156.

2. **Reporting Date.** The reported assets and liabilities in Schedules A, B, and E/F, with the exception of estimated cash balances, reflect the Debtors’ assets and liabilities as of the Petition Date. Estimated cash balances presented in Schedule A reflect bank balances as of the Petition Date. Liabilities presented in Schedule D are as of the Petition Date.
3. **Currency.** All amounts shown in the Schedules and Statements are in U.S. Dollars.
4. **Other Paid Claims.** To the extent the Debtors reach any postpetition settlement with a vendor or other creditor, the terms of such settlement will prevail, supersede amounts listed in the Schedules and Statements, and shall be enforceable by all parties, subject to Bankruptcy Court approval if necessary. To the extent the Chapter 7 Trustee pays any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Chapter 7 Trustee reserves all rights to amend and supplement the Schedules and Statements and take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payment for such liabilities.
5. **Causes of Action.** Despite making reasonable efforts to identify all known assets, the Chapter 7 Trustee may not have listed all of their causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including, without limitation, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Chapter 7 Trustee reserves all rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross-claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “Causes of Action”) it may have, and neither these Global Notes nor the Schedules and Schedules shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

6. **Setoffs.** The Chapter 7 Trustee has not included on Schedule D parties that may believe their claims are secured through setoff rights, deposits posted by or on behalf of the Debtors, or inchoate statutory lien rights. Such counterparties, if any to the best of the Chapter 7 Trustee's knowledge and information, have been listed on Schedule E/F.
7. **Global Notes Control.** In the event that the Schedules or Statements differ from any of the foregoing Global Notes, the Global Notes shall control.

SPECIFIC DISCLOSURES WITH RESPECT TO THE SCHEDULES

Schedule D. While the Chapter 7 Trustee may have scheduled claims of various creditors as secured claims, the Chapter 7 Trustee reserves all rights to dispute or challenge the secured nature of any such creditor's claim or the recharacterization of the structure of any such transaction or any document or instrument related to such creditor's claim except as otherwise agreed to pursuant to a stipulation or an agreed order or any other order entered by the Bankruptcy Court. No claim set forth on Schedule D is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. The Chapter 7 Trustee reserves all rights to amend Schedule D to the extent that the Chapter 7 Trustee determines that any claims associated with such agreements should be reported on Schedule D. Nothing herein shall be construed as an admission by the Chapter 7 Trustee of the legal rights of a claimant or a waiver of the Chapter 7 Trustee's rights to recharacterize or reclassify a claim or contract. Reference to the applicable loan agreements and related documents or other instrument creating the purported lien is necessary for a complete description of the collateral and the nature, extent, and priority of liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. Except as specifically stated on Schedule D, real property lessors, utility companies, and other parties that may hold security deposits have not been itemized on Schedule D.

Schedules E/F. The claims listed on Schedules E/F arose and were incurred on various dates. A determination of the date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, no such dates are included for each claim listed on Schedules E/F. To the best of the Debtors' knowledge, all claims listed on Schedules E/F arose or were incurred before the Petition Date. For avoidance of doubt, Schedule E/F does not include potential rejection damage claims, if any, of the counterparties to executory contracts.

Schedule G. Although reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases (collectively, the "Agreements"), the Chapter 7 Trustee's review process of the Agreements is ongoing and inadvertent errors, omissions, or over-inclusion may have occurred. The Debtors may have entered into various other types of Agreements in the ordinary course of their businesses, such as indemnity agreements, supplemental agreements, amendments/letter agreements, and confidentiality agreements which may not be set forth in Schedule G. Schedule G may be amended at any time to add any omitted

Agreements. Likewise, the listing of an Agreement on Schedule G does not constitute an admission that such Agreement is an executory contract or unexpired lease or that such Agreement was in effect on the Petition Date or is valid or enforceable. The Agreements listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, and other documents, instruments, and agreements which may not be listed on Schedule G.

Executory contracts for short-term service orders that are oral in nature have not been included in Schedule G.

Any and all of the Chapter 7 Trustee's rights, claims, and Causes of Action with respect to the Agreements listed on Schedule G are hereby reserved and preserved, and as such, the Chapter 7 Trustee hereby reserves all rights to (i) dispute the validity, status, or enforceability of any Agreements set forth on Schedule G, (ii) dispute or challenge the characterization of the structure of any transaction, or any document or instrument related to a creditor's claim, including, but not limited to, the Agreements listed on Schedule G, and (iii) amend or supplement such Schedule as necessary.

Certain of the Agreements listed on Schedule G may have been entered into by or on behalf of more than one of the Debtors. Additionally, the specific Debtor obligor(s) to certain of the Agreements could not be specifically ascertained in every circumstance. In such cases, the Chapter 7 Trustee has made reasonable efforts to identify the correct Debtor's Schedule G on which to list the Agreement.

Schedule H. The Debtors are party to various debt agreements which were executed by multiple Debtors. The guaranty obligations under prepetition secured credit agreements are noted on Schedule H for each individual Debtor. The Chapter 7 Trustee may not have identified on Schedule H certain guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. No claim set forth on the Schedules and Statements of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other Debtors or non-Debtors. Due to their voluminous nature, and to avoid unnecessary duplication, the Debtors have not included on Schedule H debts for which more than one Debtor may be liable if such debts were already reflected on Schedule E/F or Schedule G for the respective Debtors subject to such debt. To the extent these Notes include notes specific to Schedules D-G, such Notes also apply to the co-Debtors listed in Schedule H. The Chapter 7 Trustee reserves all rights to amend the Schedules to the extent that additional guarantees are identified or such guarantees are discovered to have expired or be unenforceable.
