Hey Alex,

Excited to collaborate on this!

Sharing the [SOW](#) outlining scope of work for our upcoming project.
Just a reminder, I require a signature and 50% upfront before starting work. I accept most payment types and typically anything like Zelle or PayPal works best.

Also, let me know if you have any updates on music option selections and branding elements from the client side. I'll also be on standby for the footage transfer!

Hey Alex,

Can I send you payment on Venmo? I would send it on PayPal but I'm not sure if it will take fees out of what you receive.

Thanks,
Alex

They would like them at the end of the video so you can start the video with a hero shot of the front of the facility that clearly shows the logo on the building itself.

Thanks,
Alex

Mandatory Airport Related Charges

Mandatory Airport Related Charges

At certain airport locations where Enterprise is an on-airport concessionaire, or off-airport concessionaire, Enterprise is required to collect other mandatory charges from its customers and to remit them to the airport; these are sometimes referred to as Customer Facility Charges, Airport Facility Charges, or Transportation Facility Charges. These charges are also set forth in the charges section of the Rental Agreement.

Additionally, if a customer arrives at an airport where Enterprise is an on-airport concessionaire and rents from an Enterprise non-airport location within (i) a certain amount of time since arriving at that airport, and/or (ii) a certain distance from that airport, Enterprise may be required to collect the aforementioned mandatory charges. Please contact the relevant location for additional information.

Renter Requirements

RENTER REQUIREMENTS AND FORMS OF PAYMENT POLICIES

RENTER REQUIREMENTS POLICY

All renters and additional drivers must be 21 or older. All renters must have a valid driver's license and a major credit card or debit card in their name. Individuals with learners' or instructional permits are not eligible to rent. This is only a summary. For additional details, please reference the Driver's License Information Policy.

AGE

The underage surcharge for drivers between the ages of 21 and 24 is \$25 per day. Renters between the ages of 21 and 24 may rent the following vehicle classes: Economy through Full Size cars, Cargo and Minivans, and Compact, Small and Standard SUVs with seating up to 5 passengers.

DEBIT CARD

At airport locations, debit cards are only accepted at the time of rental if accompanied by a ticketed return travel itinerary. The name and address shown on the renter's driver's license must match their current home address. Active duty military personnel are exempt from address requirements.

Other than the renter's spouse or domestic partner, no other additional drivers are allowed.

If using a debit card for any amounts owed, the available funds in the account associated with Renter's debit card will be reduced by those amounts. Additionally, Renter is responsible for any overdraft fees incurred.

Please read the Forms of Payment policy (see below) for additional details pertaining to the use of debit cards at this location.

INSURANCE VERIFICATION

At the time of rental, Renters without a ticketed return travel itinerary must provide evidence of a transferrable auto collision, comprehensive and liability policy for the following vehicle classes: Full Size Luxury Sedan, Premium Luxury Sedan, Midsize Sport Luxury Sedan, Electric Luxury Sedan, Premium Luxury SUV, Extended Luxury SUV, Electric Luxury SUV, Limo Van, and Corvette.

FORMS OF PAYMENT POLICY

The following forms of payment are accepted for the rental.

VISA®

MasterCard®

American Express®

Discover Network®

Debit Card

The Estimated Total for the rental on the Review & Reserve screen and/or in the email reservation confirmation will be charged to the form of payment provided by Renter. If the rental as reserved is modified, the estimated total amount for the rental may change and would still be charged to the form of payment provided by Renter.

At the time of the rental, Renter will sign a rental contract (the "Contract") which applies to the rental and includes a Rental Agreement Summary and the Additional Terms and Conditions.

DEPOSIT AMOUNT

To account for Renter potentially incurring additional amounts owed under the Contract, renters without a ticketed return travel itinerary will be required to provide a deposit of \$300, or \$850 for the following vehicles classes: Performance Sport, Full Size Luxury SUV, Electric Luxury SUV, Full Size Elite Electric Sedan, Midsize Sport Luxury Sedan, Full Size Luxury Sedan, Premium Luxury Sedan, Electric Luxury Sedan, Premium Luxury SUV, Extended Luxury SUV, Limo Van, and Corvette.

ADDITIONAL INFORMATION

Debit cards are only accepted at the time of rental if accompanied by a ticketed return travel itinerary.

Renter must use an above listed form of payment for the deposit amount. The deposit amount will not be available for use by Renter and/or refunded to Renter until after the vehicle has been returned.

If Renter incurs additional amounts owed under the Contract, those additional amounts may be deducted from Renter's deposit amount, if applicable. If those additional amounts are not deducted from the deposit amount, if applicable, they will be charged to the form of payment provided by Renter at the time of rental unless Renter provides a different above listed form of payment to be charged.

If using a debit card for any of the above amounts, the available funds in the account associated with Renter's debit card will be reduced by those amounts. Additionally, Renter is responsible for any overdraft fees incurred.

Money orders and prepaid cards are not acceptable forms of payment at the time of rental, including for the deposit amount, but may be used to pay any amounts due at the end of the rental after the vehicle has been returned. Cash is not accepted.

In addition to one of the above listed forms of payment, credit cards with sufficient available credit which are listed on Renter's Profile or Loyalty Account (Emerald Club, E Club, etc.) will be accepted as payment for all amounts owed under the Contract.

All amounts owed by Renter under the Contract will be submitted (a) as an authorization to be a hold against and ultimately charged to Renter's credit card or debit card, or (b) to be charged to Renter's debit card.

Please read the Renter Requirements policy (see above) for additional details pertaining to the use of debit cards and general rental requirements at this location.

Forms of Payment

Please read the Renter Requirements Policy for details pertaining to deposits and general rental

requirements at this location.

Additional Driver

Renter's spouse or domestic partner who meet the same age and driver's license requirements of the renter are authorized drivers at no additional charge. Any additional authorized drivers must appear at time of rental and meet age and driver's license requirements. An additional charge of \$15 per day for each additional authorized driver will be added to the cost of the rental, unless other contractual conditions apply.

A spouse or domestic partner is the only permitted additional driver on a rental secured with a debit card.

After Hours Service

After Hours Drops Service: After hours returns service is not available at this location.

Age Requirements

Please see the Renter Requirements policy for age requirements and youthful driver charges.

Cross Border Policy

Rentals originating in the United States: Most vehicles rented in the US can be driven throughout the US and Canada. Some vehicle classes like Exotics, Large Passenger or Cargo Vans, and other specialty vehicles may not be allowed to travel outside of the US. Vehicles rented in the US cannot be driven into Mexico.

Damage Waiver

Collision Damage Waiver (CDW) is not insurance. The purchase of CDW is optional and not required in order to rent a vehicle.

You may purchase optional CDW for an additional fee. If you purchase CDW we agree, subject to the actions that invalidate CDW listed on the rental agreement, to contractually waive your responsibility for all or part of the cost of damage to, loss or theft of, the vehicle. DW does not apply to damage occurring in Mexico.

When deciding whether or not to purchase CDW, you may wish to check with your insurance representative or credit card company to determine whether, in the event of damage to, or theft of, vehicle, you have coverage or protection for such damage or theft and the amount of your deductible or out-of-pocket risk.

*For rentals originating in California- CDW ranges between 16.99 USD and 500.00 USD per day depending on the type of vehicle rented.

Extended Protection

For retail rentals only secured with Extended Protection within the cost of the rental (excluding any liability protection or insurance coverage provided under a commercial contract), the following shall apply:

Extended Protection (EP) (Where available): Owner provides Renter or any AAD with third party liability protection in an amount equal to the minimum financial responsibility limits applicable to the vehicle (the Primary Protection). EP also provides additional third party liability protection, through an excess liability policy, with limits of the difference between the Primary Protection and a combined single limit of \$1 million per accident for bodily injury and/or property damage to others arising out of the use or operation of the Owner rental vehicle by Renter or an AAD, subject to the terms and conditions of the policy. EP includes UM/UIM coverage for bodily injury and property damage (only where required by law for property damage) in an amount equal to the minimum financial responsibility limits applicable to the Vehicle (the Primary Protection), and additional coverage, through an excess liability policy, with limits for the difference between the statutory minimum underlying limits and \$100,000 per accident (for rentals commencing in New York, UM/UIM limits are \$100,000 per person/\$300,000 per accident; for rentals commencing in Hawaii, the UM/UIM limits are \$1,000,000 combined single limit) or state mandated UM/UIM limit, whichever is greater. OWNER AND RENTER REJECT ANY ADDITIONAL UM/UIM COVERAGE TO THE EXTENT PERMITTED BY LAW. EP,

including UM/UIM benefits is provided only when Renter or any AAD are driving the Vehicle. No claim for UM/UIM may be made due to the negligence of the driver of the Vehicle. EP coverage is in effect only while another AAD or Renter is driving the Vehicle within the United States and Canada; coverage does not apply in Mexico. ADDITIONAL POLICY EXCLUSIONS INCLUDE: (A) BODILY INJURY OR DEATH TO RENTER, ANY AAD, OR TO THE BLOOD RELATIVES OR FAMILY OF RENTER OR AN AAD, IF SUCH RELATIVES OR FAMILY RESIDE IN THE SAME HOUSEHOLD WITH RENTER OR WITH AN AAD; (B) PROPERTY DAMAGE TO THE RENTAL VEHICLE; (C) FINES, PENALTIES, EXEMPLARY OR PUNITIVE DAMAGES; (D) BODILY INJURY, DEATH OR PROPERTY DAMAGE EXPECTED OR INTENDED FROM THE STANDPOINT OF THE INSURED; AND (E) ANY OBLIGATION FOR WHICH THE INSURED OR THE INSURED'S INSURER MAY BE HELD LIABLE UNDER ANY WORKER'S COMPENSATION, DISABILITY BENEFITS OR UNEMPLOYMENT COMPENSATION LAW OR ANY SIMILAR LAW. (F) BODILY INJURY OR PROPERTY DAMAGE EXPECTED OR INTENDED FROM THE STANDPOINT OF RENTER OR AADS. Note: Any UM/UIM benefits paid are included in the \$1 million combined single limit EP coverage and in no way increase the combined single limit amount referenced above. This insurance coverage is underwritten by Ace American Insurance Company. Report SLP Claims to: Sedgwick CMS, P.O. Box 94950 Cleveland, OH 44101-4950, Phone: 1-888-515-3132 Fax: 1-216-617-2928.

Personal Effects Coverage

Personal Effects Coverage (PEC) is offered at the time of rental for an additional daily charge. If accepted, the PEC contained in the policy insures the personal effects of the renter, additional drivers or any individual who is traveling with the renter against risks of loss or damage. Benefits are payable in addition to any other insurance coverage the renter or passengers may have. This is a summary only. PEC is subject to the provisions, limitations and exclusions of the PEC policy underwritten by Empire Fire and Marine Insurance Company in the United States. The purchase of PEC is optional and not required to rent a car. The coverage provided by PEC may duplicate the renter's existing coverage. We are not qualified to evaluate the adequacy of the renter's existing coverage; therefore, the renter should examine their personal insurance policies or other sources of coverage that may duplicate the coverage provided by PEC.

Refueling Service

As a customer, you have a choice as to how you would like to pay for fuel.

Option 1 - Prepay Fuel

This option allows the renter to pay for the fuel at the time of rental and return the tank empty. No refunds will be issued for unused fuel.

Option 2 - We Refill

This option allows the renter to pay at the end of the rental for fuel used but not replaced. Prices will be higher than local fuel prices. Additional charges may be added.

Option 3 - You Refill

This option allows the renter to return the vehicle with the same amount of fuel as received to avoid extra fuel charges.

Roadside Assistance PLUS

Renter may purchase Roadside Plus (RSP) from Owner for an additional fee. If Renter purchases RSP, Owner agrees, subject to the actions that invalidate Collision Damage Waiver, to contractually waive Renter's responsibility for the cost to provide 24/7 roadside assistance (where available) which includes replacement of lost keys (including remote entry devices), flat tire service (if no inflated spare is available, the vehicle will be towed. Cost of a replacement tire is not covered by RSP), lockout service (if the keys are locked inside the vehicle), jumpstarts, and fuel delivery service for up to 3 gallons (or equivalent liters) of fuel if Vehicle is out of fuel. Roadside Plus services are only available in the United States and Canada. If Renter does not purchase RSP, or RSP is invalidated as set forth above, roadside assistance will be available, but standard charges will apply. RSP does not apply in Mexico. For roadside assistance call 1-800-803-4444. In CA, KS, MO, NV and NY, keys are not covered by RSP.

Supplemental Liability Protection

Supplemental Liability Protection (SLP) is offered at the time of rental for an additional daily charge. If accepted, SLP provides the renter and authorized drivers with up to \$300,000 combined single limit for third party liability claims. If the renter accepts SLP, Alamo provides third party liability protection up to the applicable minimum financial responsibility limit and Zurich American Insurance Company provides excess third party liability insurance coverage from the applicable minimum financial responsibility limit to \$300,000. This is a summary only. SLP is subject to the terms, conditions, provisions, limitations and exclusions in the supplemental rental liability insurance excess policy underwritten by Zurich American Insurance Company. The purchase of SLP is optional and not required to rent a car. The coverage provided by SLP may duplicate the renters existing coverage. Alamo is not qualified to evaluate the adequacy of the renters existing coverage; therefore the renter should examine his or her personal insurance policies or other sources of coverage that may duplicate the coverage provided by SLP.

Hey Tyler,

Thank you guys for helping out on this project! The client is happy with everything. I have both of your invoices and I will pay them hopefully within the next week or two. They're pretty quick about paying so it shouldn't be a long wait time. I'll definitely hit you guys up again if I have another job out west!

Thanks,

Hello,

I'm reaching out on behalf of Tricolor Auto regarding a drone video project we'd like to coordinate at our Recon Center located at:

3800 N I-45, STE 100
Wilmer, TX 75172

We're looking to capture aerial and on-site footage during our busiest operational hours—ideally around **10:00 AM** or **3:00 PM**. The objective is to showcase our recon center in full activity, highlighting key areas including:

- Body shop
- Parts department
- Lifts
- Inventory lot

We are seeking **both raw footage and an edited video**. The final product will be used in investor presentations, social media content, and on LinkedIn to highlight our operational capabilities.

Please let us know your availability, estimated turnaround time, and pricing for this project. If you need additional details or would like to schedule a site visit before filming, we'd be happy to coordinate.

Looking forward to your response.

Hello Vanessa,

My name is Alex, producer and pilot at Dallas Drone Pros. We are available most days over the next week to capture drone footage for your project at your Recon Center.

In order to provide you with an accurate quote, it would be best to get on a brief phone call to discuss some details of your project. Can you let me know when you'd be available for a quick call? I'm free most of the day tomorrow if that works for you.

Hello Vanessa,

I am waiting to receive a first draft from the editor but should have one this week.

Thank you for reminding me about the raw footage. It can be downloaded at the link below.

<https://dallasdronepros.fromsmash.com/JUDaCZiAWe-ft>

The photos are still being edited as well but I will have those completed before the end of the week too. They will be sent over separately.

As for Sept 3rd, I will need to double check flights and availability for Robert and I to be able to fly out there for the shoot.

Thanks,
Alex

Hello Vanessa,

My name is Alex, producer and pilot at Dallas Drone Pros. We are available most days over the next week to capture drone footage for your project at your Recon Center.

In order to provide you with an accurate quote, it would be best to get on a brief phone call to discuss some details of your project. Can you let me know when you'd be available for a quick call? I'm free most of the day tomorrow if that works for you.

Thanks,
Alex

Hello,

I'm reaching out on behalf of Tricolor Auto regarding a drone video project we'd like to coordinate at our Recon Center located at:

3800 N I-45, STE 100
Wilmer, TX 75172

We're looking to capture aerial and on-site footage during our busiest operational hours—ideally around **10:00 AM or 3:00 PM**. The objective is to showcase our recon center in full activity, highlighting key areas including:

- Body shop
- Parts department
- Lifts
- Inventory lot

We are seeking **both raw footage and an edited video**. The final product will be used in investor presentations, social media content, and on LinkedIn to highlight our operational capabilities.

Please let us know your availability, estimated turnaround time, and pricing for this project. If you need additional details or would like to schedule a site visit before filming, we'd be happy to coordinate.

Looking forward to your response.

Hi Vanessa,

Thank you for sending over the example video.

I have attached a single quote for the scope of work to shoot the facility locations in TX and AZ. The flight, rental car, and hotel costs for AZ are listed as a flat rate to help with the overall cost of the invoice. If they end up costing more than the quoted prices, we will cover the excess costs.

Hi Vanessa,

Thank you for sending over the example video.

I have attached a single quote for the scope of work to shoot the facility locations in TX and AZ. The flight, rental car, and hotel costs for AZ are listed as a flat rate to help with the overall cost of the invoice. If they end up costing more than the quoted prices, we will cover the excess costs.

Hello Vanessa,

I am waiting to receive a first draft from the editor but should have one this week.

Thank you for reminding me about the raw footage. It can be downloaded at the link below.

The photos are still being edited as well but I will have those completed before the end of the week too. They will be sent over separately.

As for Sept 3rd, I will need to double check flights and availability for Robert and I to be able to fly out there for the shoot.

My name is Alex, producer and pilot at Dallas Drone Pros. We are available most days over the next week to capture drone footage for your project at your Recon Center.

In order to provide you with an accurate quote, it would be best to get on a brief phone call to discuss some details of your project. Can you let me know when you'd be available for a quick call? I'm free most of the day tomorrow if that works for you.

DALLAS DRONE PROS

Hello,

I'm reaching out on behalf of Tricolor Auto regarding a drone video project we'd like to coordinate at our Recon Center located at:

**3800 N I-45, STE 100
Wilmer, TX 75172**

We're looking to capture aerial and on-site footage during our busiest operational hours—ideally around **10:00 AM or 3:00 PM**. The objective is to showcase our recon center in full activity, highlighting key areas including:

- Body shop
- Parts department
- Lifts
- Inventory lot

We are seeking **both raw footage and an edited video**. The final product will be used in investor presentations, social media content, and on LinkedIn to highlight our operational capabilities.

Please let us know your availability, estimated turnaround time, and pricing for this project. If you need additional details or would like to schedule a site visit before filming, we'd be happy to coordinate.

Looking forward to your response.

Hello Vanessa,

My name is Alex, producer and pilot at Dallas Drone Pros. We are available most days over the next week to capture drone footage for your project at your Recon Center.

In order to provide you with an accurate quote, it would be best to get on a brief phone call to discuss some details of your project. Can you let me know when you'd be available for a quick call? I'm free most of the day tomorrow if that works for you.

Hi Vanessa,

Thank you for sending over the example video.

I have attached a single quote for the scope of work to shoot the facility locations in TX and AZ. The flight, rental car, and hotel costs for AZ are listed as a flat rate to help with the overall cost of the invoice. If they end up costing more than the quoted prices, we will cover the excess costs.

Hi Vanessa,

Thank you for sending over the example video.

I have attached a single quote for the scope of work to shoot the facility locations in TX and AZ. The flight, rental car, and hotel costs for AZ are listed as a flat rate to help with the overall cost of the invoice. If they end up costing more than the quoted prices, we will cover the excess costs.

Hello Vanessa,

I am waiting to receive a first draft from the editor but should have one this week.

Thank you for reminding me about the raw footage. It can be downloaded at the link below.

The photos are still being edited as well but I will have those completed before the end of the week too. They will be sent over separately.

As for Sept 3rd, I will need to double check flights and availability for Robert and I to be able to fly out there for the shoot.

Hi Vanessa,

Thank you for sending over the example video.

I have attached a single quote for the scope of work to shoot the facility locations in TX and AZ. The flight, rental car, and hotel costs for AZ are listed as a flat rate to help with the overall cost of the invoice. If they end up costing more than the quoted prices, we will cover the excess costs.

Alex

The photos are still being edited as well but I will have those completed before the end of the week too. They will be sent over separately.

Hello,

I'm reaching out on behalf of Tricolor Auto regarding a drone video project we'd like to coordinate at our Recon Center located at:

**3800 N I-45, STE 100
Wilmer, TX 75172**

We're looking to capture aerial and on-site footage during our busiest operational hours—ideally around **10:00 AM or 3:00 PM**. The objective is to showcase our recon center in full activity, highlighting key areas including:

- Body shop
- Parts department
- Lifts
- Inventory lot

We are seeking **both raw footage and an edited video**. The final product will be used in investor presentations, social media content, and on LinkedIn to highlight our operational capabilities.

Please let us know your availability, estimated turnaround time, and pricing for this project. If you need additional details or would like to schedule a site visit before filming, we'd be happy to coordinate.

Looking forward to your response.

Hello Vanessa,

My name is Alex, producer and pilot at Dallas Drone Pros. We are available most days over the next week to capture drone footage for your project at your Recon Center.

In order to provide you with an accurate quote, it would be best to get on a brief phone call to discuss some details of your project. Can you let me know when you'd be available for a quick call? I'm free most of the day tomorrow if that works for you.

The photos are still being edited as well but I will have those completed before the end of the week too. They will be sent over separately.

As for Sept 3rd, I will need to double check flights and availability for Robert and I to be able to fly out there for the shoot.

Hello Vanessa,

My name is Alex, producer and pilot at Dallas Drone Pros. We are available most days over the next week to capture drone footage for your project at your Recon Center.

In order to provide you with an accurate quote, it would be best to get on a brief phone call to discuss some details of your project. Can you let me know when you'd be available for a quick call? I'm free most of the day tomorrow if that works for you.

Thanks,
Alex

I have attached a single quote for the scope of work to shoot the facility locations in TX and AZ. The flight, rental car, and hotel costs for AZ are listed as a flat rate to help with the overall cost of the invoice. Hello Vanessa,

Thank you for answering our questions. I wanted to see if it would be possible to push the shoot to Friday, August 1st? If not, we can still make Thursday, July 31st work. We are going to bring a 3rd person with us on the shoot day to assist.

Hi Vanessa,

Thank you for sending over the example video.

I have attached a single quote for the scope of work to shoot the facility locations in TX and AZ. The flight, rental car, and hotel costs for AZ are listed as a flat rate to help with the overall cost of the invoice. If they end up costing more than the quoted prices, we will cover the excess costs.

Thanks,
Alex

Hello,

I'm reaching out on behalf of Tricolor Auto regarding a drone video project we'd like to coordinate at our Recon Center located at:

3800 N I-45, STE 100
Wilmer, TX 75172

We're looking to capture aerial and on-site footage during our busiest operational hours—ideally around **10:00 AM or 3:00 PM**. The objective is to showcase our recon center in full activity, highlighting key areas including:

- Body shop
- Parts department
- Lifts
- Inventory lot

We are seeking **both raw footage and an edited video**. The final product will be used in investor presentations, social media content, and on LinkedIn to highlight our operational capabilities.

Please let us know your availability, estimated turnaround time, and pricing for this project. If you need additional details or would like to schedule a site visit before filming, we'd be happy to coordinate.

Looking forward to your response.

Hello Vanessa,

My name is Alex, producer and pilot at Dallas Drone Pros. We are available most days over the next week to capture drone footage for your project at your Recon Center.

In order to provide you with an accurate quote, it would be best to get on a brief phone call to discuss some details of your project. Can you let me know when you'd be available for a quick call? I'm free most of the day tomorrow if that works for you.

Thanks,
Alex
