STORMWATER SERVICE

The Stormwater Utility is concerned with minimizing pollution entering streams due to water runoff and managing the increase in runoff associated with a growing city. Property owners are charged a stormwater utility fee based on the amount of impervious surface on the property. This standard measurement is called an "Equivalent Residential Unit" or ERU, and is equal to 2,650 square feet of impervious surface. Call 704-869-1063 for information.
