Dear Claims Administrator:

Please find the attached proof of claim from the California State Controller's Office. This claim represents funds that escheated to the State of California by operation of law pursuant to California Code of Civil Procedure section 1500 et seq. The State Controller became aware of these funds through an audit conducted by Kelmar Associates on behalf of the State Controller.

On or around January 9, 2026, Kelmar Associates notified the State Controller that it had identified 412 checks totaling \$348,618.78 and 31,288 A/R credits totaling \$6,964,474.88 that had escheated to the State of California. The property detail is attached. To date, these funds totaling \$7,313,093.66 have not been received. Please contact me if you require any additional clarification or documentation in support of these claims.

Sincerely,
