**UNITED STATES BANKRUPTCY COURT
DISTRICT OF NEW JERSEY**

In re:

UNITED SITE SERVICES, INC., et al.,

Debtors.¹

Chapter 11

Case No. 25-23630 (MBK)

Jointly Administered

**GLOBAL NOTES AND STATEMENT OF LIMITATION,
METHODOLOGY, AND DISCLAIMERS REGARDING
THE MONTHLY OPERATING REPORT FOR JANUARY 2026**

On December 29, 2025, Debtor United Site Service, Inc. filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the District of New Jersey (the “**Bankruptcy Court**”). Although proposed jointly for administrative purposes, the *Second Amended Joint Prepackaged Plan of Reorganization of United Site Services, Inc. and its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 291] (including as it may be amended) (the “**Plan**”)² constitutes a separate Plan for each Debtor. The classifications of Claims and Interests set forth in Article III of the Plan shall be deemed to apply separately with respect to each Plan proposed by each Debtor, to the extent applicable. The Plan does not contemplate substantive consolidation of any of the Debtors.

The factual background regarding the Debtors, including their business operations, their capital structure, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the *Declaration of Chris Kelly in Support of Chapter 11 Petitions and First Day Motions of United Site Services, Inc. et al. (Filed by Michael D. Sirota on Behalf of United Site Services, Inc.)* [Docket No. 15] (the “**First Day Declaration**”). These Chapter 11 Cases, court filings, and claims information is available at the website maintained by the Debtors’ claims and noticing agent: <https://www.veritaglobal.net/uss>.

The above-captioned debtors and debtors in possession (the “**Debtors**”), prepared the attached monthly operating report for February 1, 2026, through March 2, 2026 (together herewith and with all exhibits and schedules thereto, the “**MOR**”).

The following notes and statements and limitations pertain to and are incorporated by reference in, and comprise an integral part of, the MOR, and should be referred to and considered in connection with any review thereof.

¹ The last four digits of the tax identification number of United Site Services, Inc. are 3387. A complete list of the Debtors in these chapter 11 cases (the “**Chapter 11 Cases**”), with each one’s tax identification number, principal office address and former names and trade names, is available on the website of the Debtors’ noticing agent at www.veritaglobal.net/USS. The location of the principal place of business of United Site Services, Inc., and the Debtors’ service address for these Chapter 11 Cases is 2487 W Navigator Drive, 3rd Floor, Meridian, ID 83642.

² Capitalized terms not otherwise defined herein shall have the meanings ascribed to such terms in the Plan (if applicable).

1. **Basis of Presentation.** The Debtors prepared the MOR with the assistance of their advisors and professionals and are filing it solely for purposes of complying with the reporting requirements applicable in the Chapter 11 Cases. There can be no assurance that such information is complete, and the MOR may be subject to revision.

This MOR is unaudited, limited in scope, and has not been prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder, but has been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”) (except that the MOR does not include all information and footnotes required by U.S. GAAP).

The Debtors and their agents, advisors, attorneys, and other professionals undertake no responsibility to indicate variations from securities laws, other laws, or U.S. GAAP herein, or for any evaluations of the Debtors based on this financial information or any other information. This information has not been subjected to audit procedures that would typically be applied to financial information presented in accordance with U.S. GAAP or any other recognized financial reporting framework, and upon application of such procedures, the presented financial information could be subject to material changes. The MOR is not intended to reconcile any financial statements otherwise prepared or distributed by, or for, the Debtors. Each signatory to the MOR has necessarily relied upon the efforts, statements, advice, and representations of personnel of the Debtors and their agents, advisors, attorneys, and other professionals. Each signatory has not (and could not have) personally verified the accuracy of each such statement, representation, and answer contained in the MOR.

The financial information contained herein is presented per United Site Services’ books and records without, among other things, all adjustments or reclassification that may be necessary or typical with respect to consolidating financial statements or SEC reporting purposes or in accordance with U.S. GAAP.

2. **Reporting Period.** Unless otherwise noted, the MOR reflects the Debtors’ books and records and financial activity occurring during the applicable reporting period. Except as otherwise noted, no adjustments have been made to activity occurring after the close of the reporting period. The MOR reporting period encompasses the period from February 1, 2026, through March 2, 2026. The MOR presents the Debtors’ best estimates for the Reporting Period, but there can be no assurance that such information is complete, and the MOR may be subject to material amendment, modification, or supplement. These notes, statements, and limitations should be referred to, and referenced in connection with, any review of the MOR, of which they comprise an integral and material part.
3. **Use of Information.** The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. The MOR should not be used or relied upon for any other purpose, including for information relating to the Debtors’ current or future financial condition or performance or for purchasing, selling, or transferring the claims against or equity interest in the Debtors.
4. **Payment of Prepetition Claims Pursuant to First Day Orders.** Pursuant to certain orders entered by the Bankruptcy Court in the Chapter 11 Cases (collectively, the “**First Day Orders**”), the Debtors are authorized (but not directed) to pay or otherwise satisfy various

prepetition claims, including those related to employees, lienholders, customer obligations, insurance, vendors, taxes and fees, trade, and intercompany transactions. To the extent any reportable payments were made on account of prepetition claims following commencement of these Chapter 11 Cases pursuant to a First Day Order, such payments have been included in the applicable MOR.

5. **Intercompany Balances.** Cash is received and disbursed by the Debtors in a manner consistent with the Debtors' historical cash management practices, as described in the *Motion of the Debtor for Entry of Interim and Final Orders (I) Authorizing (A) the Debtors to Maintain their Existing Cash Management System, Bank Accounts, and Business Forms, (B) the Debtors to Open and Close Bank Accounts, and (C) Financial Institutions to Administer the Bank Accounts and Honor and Process Related Checks and Transfers, (II) Waiving Deposit and Investment Requirements, and (III) Allowing Intercompany Transactions and Affording Administrative Expense Priority to Post-Petition Intercompany Claims* [Docket No. 7]. As a result of the Debtors' cash management practices, intercompany balances are created between United Site Services, Inc., and other Debtor entities related to cash received and cash disbursed on behalf of other Debtor entities. In addition to intercompany balances created from cash management practices, the Debtors also generate intercompany balances from the allocation of expenses paid by United Site Services, Inc. to the Debtor entities receiving the benefit for those expenses. Expense allocations between entities are estimated in a systematic and rational manner based on the nature of the expense. Estimates of disbursements for each Debtor are determined using the Debtors' best reasonable efforts and are reflective of allocations made for expenses paid on behalf of each Debtor. Post-petition intercompany balances will receive Administrative Claims and prepetition intercompany balances will receive Class 9 treatment per Article III of the Amended Joint Prepackaged Plan of Reorganization [Docket No. 234].
6. **Reservation of Rights.** Although the Debtors and their advisors made reasonable efforts to ensure that the MOR is as accurate and complete as possible under the circumstances and based on information available at the time of preparation, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all rights to dispute the nature, amount, validity, status, enforceability, or executory natures of any claim, agreement, representation, or other statement set forth in this MOR. Further, the Debtors reserve the right to amend or supplement the MOR in all respects, as they deem necessary or appropriate, but shall be under no obligation to do so. Nothing contained in this MOR shall constitute a waiver of the Debtors' rights or an admission of any kind with respect to these Chapter 11 Cases or any claim of or against any Debtor. The Debtors, on behalf of themselves, their officers, employees, agents, attorneys, and financial and other advisors disclaim any liability to any third party arising out of or related to the information contained in the MOR and reserve all rights with respect thereto.
7. **Holding Company Conversions.** On February 26, 2026, PECF USS Intermediate Holding III Corporation and Portable Holding Corporation each converted to limited liability companies. Following these conversions, the entities are now known as PECF USS Intermediate Holding III, LLC and Portable Holding, LLC, respectively. Each converted entity continues to hold all assets, liabilities, and cumulative amounts previously held by its respective predecessor corporation.
8. **Non-Cash Expense Recognition.** The December-January MOR for United Site Services, Inc. disclosed a \$53 million expense related to the ERO backstop premium. The timing of that

expense may be recognized in a different period on the company's unaudited and audited financial statements, pending further and continuing review of its treatment under generally accepted accounting principles.

9. Specific MOR Disclosures.

Notes to Part 1:

- Cash balances, receipts, and disbursements reflect bank activity during the reporting period, February 1, 2026, through March 2, 2026. Timing differences in recognition of certain transactions may create differences between bank balances presented in Part 1 and cash balances reported in the Balance Sheet attachment to the MOR.
- Intercompany receipts and disbursements are excluded from Parts 1(b) and 1(c), respectively. As such, the ending cash balances in Part 1 will not agree to bank balances at the end of the reporting period. A reconciliation of end-of-month bank balances to the balances presented in Part 1 is provided in the attached Statement of Cash Receipts and Disbursements.
- Restricted cash totaling approximately \$27.0 million is excluded from the cash balances and cash attachments, as these balances are recorded within the 'Prepaid expenses and other current assets' financial statement line item in the Debtors' balance sheet. As of the reporting period, the restricted cash amounts include approximately \$0.4 million at PECF USS Intermediate Holding III, LLC \$17.7 million at United Site Services, Inc. and \$8.9 million at USS Ultimate Holdings, Inc.

Notes to Part 2:

- Balance sheet information is presented as of March 2, 2026
- Post-petition payables (excluding taxes) (item 2(f)): Post-petition payables figures have been estimated using commercially reasonable efforts by examining outstanding payables that were received in the reporting period and estimating other accrued expenses.
- Prepetition secured debt (item 2(k)): Prepetition secured debt is comprised of the amounts outstanding including interest and related discounts and premiums under the Debtors' First-Out Term Loans, First-Out Revolving Loans, Second-Out Term Loans, Amended Term Loan, First-Out Notes, Third-Out Notes, and ABL Facility. Additionally, this includes short-term and long-term equipment debt, as these are within the secured facilities' collateral packages. Balances related to the Second-Out Term Loans, Amended Term Loan, Third-Out Notes, the Amended Unsecured Notes, and the carrying value of the lease liability related to the Headquarters Office Lease at 118 Flanders Road, Suite 1000, Westborough, MA 01581, are presented in "Liabilities Subject to Compromise" in the Balance Sheet attachment. A detailed description of the Debtors' capital structure and secured debt obligations is set forth in the First Day Declaration [Docket No. 15]. A detailed description of the treatment of each secured debt facility is set forth in the Amended Joint Prepackaged Plan of Reorganization [Docket No. 234].
- Prepetition priority debt (item 2(l)): Prepetition priority debt is comprised of debts that must be paid ahead of most other unsecured debts from the bankruptcy estate. Priority categories

include employee wage claims under the statutory caps, certain employee benefit contributions, and certain taxes.

- Prepetition unsecured debt and total liabilities (debt) (items 2(m) and 2(n)): Prepetition unsecured debt is comprised of all liabilities not included in items 2(j), 2(k), and 2(l). The Debtors have made commercially reasonable efforts to determine prepetition and post-petition payables by Debtor entity for purposes of the MOR. Certain estimates and prorations were used to determine the amounts of prepetition payables for each Debtor entity. In connection with the commencement of these Chapter 11 Cases, the Debtors instituted new practices and procedures to distinguish between prepetition and post-petition liabilities in their accounting systems. The prepetition debt reported in the MOR do not include or otherwise reflect any prepetition debt arising on account of guarantees.
- Goodwill impairment and tax provision-related assessments were not finalized as of the submission of these MORs, and related entries are not reflected in the balance sheet or income statement for this reporting period.
- The estimated activity for the stub period March 1, 2026, through March 2, 2026, and its corresponding impact on net income are reflected in accounts receivable, accounts payable, and accumulated deficit. For certain legal entities, the liability impact is recorded in accrued expenses rather than accounts payable, as the March activity relates exclusively to interest and/or reorganization expenses.

Notes to Part 3:

- No asset sales outside of the ordinary course of business occurred during the reporting period.

Notes to Part 4:

- Income statement activity is for the month of February with manual adjustments for estimated activity from the stub period March 1, 2026, through March 2, 2026.
- Reorganization items (item 4(j)): Reorganization items represent expenses incurred as a result of filing the Chapter 11 Cases, including the accrued fees and expenses of chapter 11 professionals consistent with the budget approved in connection with the Debtors' post-petition financing. The amounts reported in item 4(j) are recorded in the Debtors' income statement under "Reorganization Items."

Notes to Part 6:

- Includes accrued tax balances as of March 2, 2026 and payments for the combined period of February 1, 2026, through March 2, 2026.

Notes to Part 7:

- All responses are as of March 2, 2026.
- Question 7(a): In accordance with relief granted by the Bankruptcy Court on certain of the Debtors' first day motions, the Debtors have made certain payments on account of prepetition obligations. Further details regarding the relief requested, the relief granted, and the payments projected to be made by the Debtors is set forth in the applicable first day motions and orders.

Question (a) has been answered “Yes” for entities that have made payments on prepetition obligations as authorized by the first day motions.

- Question 7(c): United Site Services, Inc. answered “Yes” where employee or director compensation payments were confirmed to have been made to insiders in the ordinary course of business.
- Question 7(h): United Site Services, Inc. answered “No” as a de minimis payment of \$406 was inadvertently made to one ordinary course professional during the reporting period prior to deemed approval of that advisor’s retention.
- Question 7(g): United Site Services, Inc. answered “Yes” as they have entered into a post-petition premium financing agreement related to their insurance policies.
- Question 7(g): Each Debtor answered “Yes” as either a borrower and/or a guarantor under the DIP Facility. The Bankruptcy Court approved the DIP Motion on a final basis in the *Final Order (I) Authorizing the Debtors to (A) Obtain Postpetition Financing (B) Grant Senior Secured Priming Liens and Superpriority Administrative Expense Claims and (C) Utilize Cash Collateral; (II) Granting Adequate Protection to the Prepetition Secured Parties; (III) Modifying the Automatic Stay; and (IV) Granting Related Relief* [Docket No. 266] (the “**Final DIP Order**”). A list of the Debtor guarantors under the DIP Facility is included in the Final DIP Order. PECF USS Intermediate Holding III, LLC drew \$57.5 million on the DIP facility during the February 1, 2026 through March 2, 2026, reporting period.
