BACKGROUND

1. On September 24, 2024 (the “Petition Date”), each of the Debtors filed with this Court a voluntary petition for relief under chapter 11 of the of title 11 of the United States Code (the “Bankruptcy Code”). The Debtors are authorized to continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Debtors’ chapter 11 cases are being jointly administered for procedural purposes only pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedures (the “Bankruptcy Rules”), and Rule 1015-1 of the Bankruptcy Local Rules for the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Local Rules”). No trustee or examiner has been appointed in these chapter 11 cases.

2. The factual background regarding the Debtors, including their business operations, their capital and debt structure, and the events leading to the filing of the chapter 11 cases is set forth in the *Declaration of R. Seth Bullock, Chief Restructuring Officer of Vertex Energy, Inc., in Support of the Debtors’ Chapter 11 Petitions and First Day Motions* [Docket No. 18].

3. The Office of the United States Trustee (the “U.S. Trustee”) selected the members of the Committee pursuant to section 1102 of the Bankruptcy Code and filed a notice of appointment on October 8, 2024 [Docket No. 151].² On October 16, 2024, the U.S. Trustee filed the *Notice of Reconstitution of the Official Committee of Unsecured Creditors* [Docket No. 178]. The current members of the Committee are: (a) Matheson Tri-Gas, Inc.; (b) Idemitsu Apollo Renewable Corporation; (c) U.S. Bank Trust Company, N.A.; (d) Harley Marine Financing LLC;

² The original members of the Committee were: (a) Matheson Tri-Gas, Inc.; (b) Idemitsu Apollo Renewable Corporation; (c) U.S. Bank Trust Company, N.A.; (d) Harley Marine Financing LLC; (e) Turner Industries Group, LLC; (f) United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union; (g) Hargrove and Associates, Inc.; (h) Worley Group Inc.; and (i) Nitro-Lift Technologies LLC. Following the Committee’s appointment, Nitro-Lift Technologies LLC resigned from the Committee.

(e) Turner Industries Group, LLC; (f) United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union; (g) Hargrove and Associates, Inc.; and (h) Worley Group Inc.

4. On January 9, 2023, following its appointment, the Committee conducted its initial meeting and selected Willkie as its proposed counsel.

RELIEF REQUESTED

5. By this Application, pursuant to sections 328(a) and 1103 of the Bankruptcy Code, Bankruptcy Rules 2014 and 2016, and Bankruptcy Local Rules 2014-1 and 2016-1, the Committee respectfully requests that the Court enter the Order authorizing the Committee to retain and employ Willkie as its counsel in connection with the prosecution of these chapter 11 cases and all related matters effective as of October 9, 2024.

I. Willkie's Qualifications

6. Willkie has represented to the Committee that it has extensive general legal experience and knowledge, and, in particular, has substantial expertise in the field of business reorganization under chapter 11 of the Bankruptcy Code and that it has significant experience representing official creditors' committees in large and complex bankruptcy cases. Among other cases, Willkie or its attorneys have represented official committees of unsecured creditors in SAS AB, GOL, Grupo Aeroméxico, Westmoreland Coal Co., WOM, Energy Future Holdings, Windstream, Core Scientific, and Digital Media Solutions, among many others. As a result of this experience, Willkie represents that it is well-positioned to anticipate and resolve legal issues that may arise during these cases.

7. Willkie has also informed the Committee that Jennifer Hardy, a partner of Willkie who will be employed in these chapter 11 cases, is a member of good standing of, among others, the Bar of the State of Texas and the United States District Court for the Southern District of Texas.

Other partners of, counsel to, and associates of Willkie who will be employed in these chapter 11 cases are members in good standing of other bars and courts. As a result, Willkie represents that it is well qualified to represent the Committee in these chapter 11 cases in an efficient and effective manner.

II. Services to be Provided

8. The Committee anticipates that Willkie will, in connection with these chapter 11 cases and subject to orders of this Court, provide a range of services to the Committee, including, but not limited to, the following:

- a. advising the Committee in connection with its powers and duties under the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules;
- b. assisting and advising the Committee in its consultation with the Debtors relative to the administration of these chapter 11 cases;
- c. attending meetings and negotiating with the representatives of the Debtors and other parties-in-interest;
- d. assisting and advising the Committee in its examination and analysis of the conduct of the Debtors' affairs;
- e. assisting and advising the Committee in connection with any sale of the Debtors' assets pursuant to section 363 of the Bankruptcy Code;
- f. assisting the Committee in the review, analysis, and negotiation of any chapter 11 plan(s) of reorganization or liquidation that may be filed and assisting the Committee in the review, analysis, and negotiation of the disclosure statement accompanying any such plan(s);
- g. taking all necessary actions to protect and preserve the interests of the Committee, including: (i) possible prosecution of actions on its behalf; (ii) if appropriate, negotiations concerning all litigation in which the Debtors are involved; and (iii) if appropriate, review and analysis of claims filed against the Debtors' estates;
- h. generally preparing on behalf of the Committee all necessary motions, applications, answers, orders, reports, replies, responses, and papers in support of positions taken by the Committee;

- i. appearing, as appropriate, before this Court, the appellate courts, and the U.S. Trustee, and protecting the interests of the Committee before those courts and before the U.S. Trustee; and
- j. performing all other necessary legal services in these chapter 11 cases.

9. Willkie intends to work closely with the Debtors' representatives and the other professionals retained by the Committee to ensure that there is no unnecessary duplication of services performed or charged to the Debtors' estates.

III. Professional Compensation

10. Willkie intends to apply for compensation for professional services rendered on an hourly basis and reimbursement of expenses in connection with these chapter 11 cases, subject to the Court's approval and in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases*, effective November 1, 2013, established by the Executive Office for the United States Trustees (the "U.S. Trustee Guidelines") and any other applicable procedures and orders of the Court (collectively, the "Fee Guidelines").

11. Subject to the provisions of the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules and the Fee Guidelines, the Committee proposes to compensate Willkie for services rendered at its customary hourly rates that are in effect from time to time, as set forth in the Hardy Declaration, and to reimburse Willkie according to its customary reimbursement policies. Further, in accordance with the Fee Guidelines, Willkie will seek payment of 80% of its fees and 100% of its expenses on a monthly basis. Willkie respectfully submits that its rates and policies as outlined in the Hardy Declaration are reasonable.

12. The hourly rates and corresponding rate structure that Willkie will use in these chapter 11 cases are the same as the hourly rates and corresponding rate structure that Willkie uses

in other restructuring matters, as well as similar complex corporate, securities, and litigation matters whether in court or otherwise, regardless of whether a fee application is required. These rates and the rate structure reflect the fact that such restructurings and other complex matters are typically national in scope and involve great complexity, high stakes, and severe time pressures.

13. Willkie's hourly rates are set at a level designed to fairly compensate the Firm for the work of its attorneys and paraprofessionals and to cover fixed and routine overhead expenses. These hourly rates are based on a variety of factors, including seniority, distinction, and expertise in one's field, and are subject to periodic adjustments to reflect economic and other conditions.³ In particular, Willkie's standard hourly rates for matters that may be implicated in these chapter 11 cases will range as follows:

Billing Category	Current Hourly Range
Partners and Senior Counsel	\$1,825 to \$2,500
Associates, Other Attorneys and Law Clerks	\$535 to \$1,625
Paraprofessionals	\$380 to \$650

14. Willkie, in consultation with the Committee, believes that the terms and conditions of Willkie's employment are reasonable.

15. Willkie will also seek to be reimbursed, subject to the Court's approval, for all actual out-of-pocket expenses incurred by Willkie on the Committee's behalf, such as travel expenses, late night working meals and transportation, computer-assisted legal research, photocopying, postage, overnight courier expenses, and other disbursements, as more fully set forth in the Hardy Declaration. All requests for reimbursement of expenses will be consistent with the Fee Guidelines.

³ As set forth in the Order, Willkie will provide ten (10) business days' notice to the Debtors and the U.S. Trustee before implementing any periodic hourly rate increases by filing such notice with the Court.

16. No promises were received by Willkie or any of its attorneys as to compensation in connection with the chapter 11 cases, other than in accordance with the provisions of the Bankruptcy Code. Neither Willkie, nor any of its attorneys, have any agreement with any other entity to share with such entity any compensation received by Willkie in connection with these chapter 11 cases.

IV. Willkie's Disinterestedness

17. Willkie has represented to this Committee and to the Court that it does not hold or represent any interest adverse to the Debtors' estates and, except as disclosed in the Hardy Declaration, does not have any "connections" to the Debtors' creditors, affiliates, other parties-in-interest or potential parties-in-interest, the U.S. Trustee or the Assistant U.S. Trustees for the Southern District of Texas and attorneys employed by such office, or any judge in the Court. Willkie believes it is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code and as used in section 328(c) of the Bankruptcy Code.

18. As set forth in the Hardy Declaration, Willkie has represented, currently represents, and will likely in the future represent certain parties-in-interest or potential parties-in-interest in these chapter 11 cases in matters unrelated to the Debtors, these chapter 11 cases, or such entities' claims against the Debtors, as part of its customary practice. Willkie is retained in cases, proceedings, and transactions involving many different parties throughout the United States and worldwide, some of whom may represent or be employed by the Debtors, claimants, and parties-in-interest in these chapter 11 cases. Pursuant to section 1103(b) of the Bankruptcy Code, Willkie submits that it is not disqualified from acting as the Committee's counsel merely because it previously represented or currently represents the Debtors' creditors, or other parties-in-interest, in matters unrelated to the Debtors or these chapter 11 cases.

19. Willkie has advised the Committee and the U.S. Trustee that it will periodically review its files during the pendency of these chapter 11 cases to ensure that no conflicts or other disqualifying circumstances exist or arise and, if any new relevant facts or relationships are discovered or arise, Willkie will use reasonable efforts to identify such further developments by filing a supplemental declaration with the Court.

20. For these reasons, the Committee submits that the employment of Willkie is necessary, in the best interests of the Debtors' estates, and will enable the Committee to carry out its fiduciary duties owed to creditors under the Bankruptcy Code. Accordingly, the Committee submits that the relief requested in the Application is appropriate and should be granted by the Court.

NOTICE

21. Notice of this Application will be provided to any party entitled to notice pursuant to Bankruptcy Rule 2002 and any other party entitled to notice pursuant to Bankruptcy Local Rule 9013-1(d).

NO PRIOR REQUEST

22. No previous application for the relief requested herein has been made to this or any other court.

CONCLUSION

WHEREFORE, the Committee respectfully requests that the Court: (a) enter the Order granting the relief requested herein, and (b) grant such other and further relief as the Court may deem just and proper.

**DECLARATION OF FRANK PATEL IN SUPPORT OF
THE APPLICATION FOR ENTRY OF AN ORDER AUTHORIZING
THE RETENTION AND EMPLOYMENT OF WILLKIE FARR &
GALLAGHER LLP AS COUNSEL TO THE OFFICIAL COMMITTEE
OF UNSECURED CREDITORS EFFECTIVE AS OF OCTOBER 9, 2024**

Pursuant to 28 U.S.C § 1746, I, Frank Patel, hereby submit this declaration (the “Declaration”) under penalty of perjury:

1. I am Corporate Counsel of Matheson Tri-Gas, Inc. (“Matheson”). Matheson is an unsecured creditor in the above-captioned cases of Vertex Energy, Inc. and its debtor affiliates (collectively, the “Debtors”). I serve as Matheson’s representative on the Committee. In such capacity, I was part of the process and involved in selecting Willkie Farr & Gallagher LLP (“Willkie”) as counsel for the Committee, and not in my individual capacity. I submit this Declaration solely in my capacity as a member of the Committee. All rights of Matheson are expressly reserved and preserved.

2. I have reviewed and am familiar with the contents of the *Application for Entry of an Order Authorizing the Retention and Employment of Willkie Farr & Gallagher LLP as Counsel*

¹ A complete list of each of the Debtors in these chapter 11 cases and the last four digits of their federal tax identification numbers may be obtained on the website of the Debtors’ claims and noticing agent at <https://www.veritaglobal.net/vertex>. to the Official Committee of Unsecured Creditors Effective as of October 9, 2024 (the “Application”).² In support of the Application, the Committee relies upon the Hardy Declaration, which is attached to the Application as **Exhibit C**.

3. The attorneys primarily responsible for the Committee’s representation in these chapter 11 cases, Brett Miller, Brian Lennon, and Jennifer Hardy, have represented to the Committee that they have extensive experience representing official committees of creditors in large and complex bankruptcy cases.

4. Given that Ms. Hardy, Mr. Miller, and Mr. Lennon have represented the official committee of unsecured creditors in a significant number of recent large chapter 11 cases—they should be well-positioned to anticipate and resolve legal issues that may arise during these cases. Moreover, Willkie has represented to the Committee that it has extensive general legal experience and knowledge, and, in particular, has substantial expertise in the field of business reorganization under chapter 11 of the Bankruptcy Code.

5. The Committee has reviewed Willkie’s standard rates for bankruptcy services, as set forth in the Application. Based upon representations made to the Committee by Willkie, those rates appear to be generally consistent with the Firm’s rates for comparable non-bankruptcy engagements and the billing rates and terms of other comparably skilled firms for providing similar services. Based on these representations and other fields in which the Debtors operate, these rates appear to be reasonable. The Committee understands that Willkie will seek payment of 80% of its fees and 100% of its expenses on a monthly basis.

6. Additionally, the Committee will: (a) develop a prospective budget and staffing plan with Willkie to comply with the U.S. Trustee’s requests for information and additional

disclosures and any other orders of the Court, recognizing that, in the course of these chapter 11 cases, there may be unforeseeable fees and expenses that will need to be addressed by the Committee and Willkie; (b) review all staffing plans and budgets to supervise Willkie's fees and expenses and to manage costs and, together with Willkie, make adjustments as may be necessary or appropriate; (c) review all applications for compensation submitted by Willkie to ensure that Willkie's fees and costs are consistent with the budget, appropriate in scope and amount, and that there has been no unreasonable duplication by the Committee's other professionals.

7. The facts set forth in this Declaration are based upon my personal knowledge, my review of the relevant documents, and information provided to me or verified by Committee counsel. I am authorized to submit this Declaration on behalf of the Committee and, if called upon to testify, I would testify competently to the facts set forth herein.

These hourly rates are based on a variety of factors, including seniority, distinction, and expertise in one's field and are subject to periodic adjustments to reflect economic and other conditions.³ In particular, Willkie's standard hourly rates for matters that may be implicated in these chapter 11 cases will range as follows:

Billing Category	Current Hourly Range
Partners and Senior Counsel	\$1,825 to \$2,500
Associates, Other Attorneys and Law Clerks	\$535 to \$1,625
Paraprofessionals	\$380 to \$650

³ As set forth in the Order, Willkie will provide ten business days' notice to the Debtors and the U.S. Trustee before implementing any periodic hourly rate increases, by filing such notice with the Court.

6. The hourly rates and corresponding rate structure that Willkie will use in these chapter 11 cases are the same as the hourly rates and corresponding rate structure that Willkie uses in other restructuring matters, as well as similar complex corporate, securities, and litigation matters whether in court or otherwise, regardless of whether a fee application is required. These rates and the rate structure reflect the fact that such restructuring and other complex matters are typically national in scope and involve great complexity, high stakes, and severe time pressures. I believe that these rates, and the terms and conditions of Willkie's employment, are reasonable. Willkie intends seek payment of 80% of its fees and 100% of its expenses on a monthly basis.

7. In addition to the hourly rates set forth above, Willkie customarily charges its clients for all actual out-of-pocket expenses incurred on the clients' behalf, including travel expenses, lodging, working meals and transportation, meal charges for business meetings, computer-assisted legal research, photocopying, facsimile transmissions, postage, printing, transcripts, filing fees, overnight courier expenses, messengers, and similar items. Willkie will seek to be reimbursed, subject to the Court's approval, for all actual out-of-pocket expenses incurred by Willkie on the Committee's behalf. All requests for reimbursement of expenses will be consistent with the Fee Guidelines.

8. No promises have been received by Willkie or any of its attorneys as to compensation in connection with these chapter 11 cases, other than in accordance with the provisions of the Bankruptcy Code. Willkie has also advised the Committee that neither the Firm nor any of its attorneys have any agreement with any other entity to share with such entity any compensation received by Willkie in connection with these chapter 11 cases.

DISINTERESTEDNESS AND DISCLOSURE OF CONNECTIONS

9. In order to ascertain Willkie's "connections," as that term is used in Bankruptcy Rule 2014, Willkie obtained an extensive (but not necessarily complete) list of interested parties

and significant creditors (the “Potential Parties in Interest”) from counsel to the Debtors, a copy of which is attached hereto as **Schedule 1**.

10. Under the supervision of attorneys in Willkie’s Business Reorganization & Restructuring group, an internal search in Willkie’s computerized conflict database was conducted to determine if Willkie (or any of its affiliates) currently represents or formerly represented any of the Potential Parties in Interest within the past three years. Willkie also made inquiries to the partners responsible for open matters involving the Potential Parties in Interest or their affiliates to determine the nature of the work and any relationship to the Potential Parties in Interest. Willkie performed this inquiry consistent with its normal and customary practices.

11. The following is a list of the categories of Potential Parties in Interest that Willkie searched:

12. This search revealed that certain Potential Parties in Interest are or may be currently represented by Willkie. Current and past Willkie representations of Potential Parties in Interest are identified on the list attached to this Declaration as **Schedule 2**.⁴ To the best of my knowledge, Willkie has no connections with the Debtors, creditors, any other party in interest, their respective attorneys and accountants, the U.S. Trustee, or any person employed in the Office of the United States Trustee – Southern District of Texas except as set forth on **Schedule 2**. Based on the results of this search, and through direct inquiries with Willkie attorneys, Willkie determined that the representation of the Potential Parties in Interest disclosed on **Schedule 2** hereto concerned matters

⁴ As referenced in **Schedule 2**, (a) the term “current representation” means an entity listed as a client in the Firm’s conflicts search system in connection with an open matter to whom time was billed in 2021, 2022, 2023, or 2024, and (b) the term “past representation” means a client matter in the Firm’s conflicts search system to which time was billed in 2021, 2022, 2023 or 2024 but has now been closed. Whether an actual client relationship exists can only be determined by reference to the documents governing Firm’s representation rather than its potential listing in Firm’s conflicts search system. The list generated from Firm’s conflicts search system is over-inclusive.

in which such clients were not adverse to the Debtors, the Debtors' estates, or the members of the Committee.

13. The status of entities identified as Potential Parties in Interest by the Debtors may have changed or could change during the pendency of the chapter 11 cases without Willkie's knowledge. Willkie will periodically review its files during the pendency of these chapter 11 cases to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new or relevant facts or relationships are discovered or arise, Willkie will use reasonable efforts to identify such further developments and will promptly file a supplemental declaration, as required by Bankruptcy Rule 2014(a).

SPECIFIC DISCLOSURES

14. As specifically set forth below and in the attached schedules, Willkie represents or has represented certain Potential Parties in Interest in matters unrelated to the Debtors and these chapter 11 cases; however, Willkie does not hold or represent any interest adverse to the Debtors' estates. Moreover, pursuant to section 1103(b) of the Bankruptcy Code, Willkie is not disqualified from acting as the Committee's counsel merely because it represents certain of the Potential Parties in Interest in matters unrelated to these chapter 11 cases. Willkie submits that it is a "disinterested person," as that term is defined in section 101(14) of the Bankruptcy Code and as used in section 328(c) of the Bankruptcy Code.

15. Specifically, Willkie represents, and has in the past represented, certain entities for which Willkie is providing additional disclosures beyond those in **Schedule 2**.

16. Willkie currently represents American International Group, Inc. and certain subsidiaries (collectively, "AIG") in various litigation and insurance coverage matters. Certain of AIG's affiliates are listed in the "Insurance Providers/Brokers" category on the Potential Parties in Interest List. Willkie has not, and will not, represent any of AIG's affiliates in connection with

the Debtors or these chapter 11 cases. AIG represented less than 2% of Willkie's revenues in 2021, 2022 and 2023. Willkie intends to continue to represent AIG and certain of its affiliates on matters wholly unrelated to the Debtors or these chapter 11 cases.

17. Willkie currently represents Comcast Corporation and certain of its subsidiaries and affiliates (collectively, "Comcast") in various litigation and communication matters. Comcast is listed in the "Utilities" category on the Potential Parties in Interest List. Willkie has not represented, and will not represent, Comcast in connection with the Debtors or these chapter 11 cases. Comcast represented less than 1.5% of Willkie's revenues in 2022 and through the second quarter of 2023. Willkie intends to continue to represent Comcast on matters wholly unrelated to the Debtors or these chapter 11 cases.

18. Willkie has in the past represented certain entities and/or their affiliates and/or subsidiaries listed in the "Top 30 Unsecured Creditors" category on the Potential Parties in Interest List. Specifically, Willkie has represented (a) certain affiliates and/or subsidiaries of Motorola Solutions in patent litigation matters before the International Trade Commission, and (b) U.S. Bank and/or its affiliates and/or subsidiaries on various matters. Each of these representations involve matters wholly unrelated to the Debtors or these chapter 11 cases. Willkie represents U.S. Bank, N.A. in these chapter 11 cases solely in its capacity as a Committee member.

19. For the avoidance of doubt, Willkie will not represent any parties other than the Committee in these chapter 11 cases, irrespective of whether such parties (including any additional interested parties that may be identified in the future) are Willkie clients.

20. Further, should the Committee decide to undertake any litigation against a client of Willkie, including any of the aforementioned clients, and Willkie does not have a conflicts waiver

that permits Willkie to be adverse to such clients in these chapter 11 cases, the Committee will use Conflicts Counsel to prosecute such litigation.

21. Willkie attorneys⁵ have represented the official committee of unsecured creditors in the chapter 11 cases of *In re SAS AB*, Case No. 22-10925 (MEW) (Bankr. S.D.N.Y.); *In re Gol Linhas Aéreas Inteligentes S.A., et al.*, Case No. 24-10118 (MG) (Bankr. S.D. N.Y.); *In re Grupo Aeroméxico, S.A.B. de C.V.*, Case No. 20-11563 (SCC) (Bankr. S.D.N.Y.); *In re Windstream Holdings, Inc.*, Case No. 19-22312 (RDD) (Bankr. S.D.N.Y.); *In re Westmoreland Coal Co.*, Case No. 18-35672 (DRJ) (Bankr. S.D. Tex.); *In re Energy Future Holdings*, Case No. 14-10979 (CSS) (Bankr. D. Del.); *In re Core Scientific, Inc., et al.*, Case No. 22-90341 (CML) (Bankr. S.D. Tex.) and *In re Digital Media Solutions, Inc., et al.*, Case No. 24-90468 (ARP) (Bankr. S.D. Tex.), among many others.

22. No agreement or understanding exists between Willkie or any of its attorneys with any other entity to share with such entity any compensation received for services rendered in connection with these chapter 11 cases, other than as permitted by section 504 of the Bankruptcy Code, nor shall Willkie or any of its attorneys share or agree to share compensation received for services rendered in connection with these chapter 11 cases with any other entity, including any of the Firm's foreign affiliates, other than as permitted by section 504 of the Bankruptcy Code.

23. To the extent the Committee seeks to retain additional professionals to represent the Committee in any matters relating to these chapter 11 cases, Willkie will make all reasonable efforts not to duplicate the services rendered by these professionals.

⁵ Willkie attorneys advised on certain of these matters while at prior firms.

STATEMENT REGARDING U.S. TRUSTEE GUIDELINES

24. Willkie intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with these chapter 11 cases in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, the U.S. Trustee Guidelines, and any other applicable procedures and orders of the Court. The following information is provided in response to the request for additional information set forth in Paragraph D.1 of the U.S. Trustee Fee Guidelines:

Question: Did you agree to any variations from, or alternatives to, your standard or customary billing arrangements for this engagement?

Response: No.

Question: Do any of the professionals included in this engagement vary their rate based on the geographic location of the bankruptcy case?

Response: No.

Question: If you represented the client in the 12 months pre-petition, disclose your billing rates and material financial terms for the pre-petition engagement, including any adjustments during the 12 months prepetition. If your billing rates and material financial terms have changed post-petition, explain the difference and the reasons for the difference.

Response: Willkie did not represent the Committee prior to the Debtors' chapter 11 cases. Willkie's billing rates and material financial terms were substantially the same as the rates Willkie is currently charging the Committee.

Question: Has your client approved your prospective budget and staffing plan, and, if so, for what budget period?

Response: The Committee and Willkie expect to develop a prospective budget and staffing plan to comply with the U.S. Trustee's requests for information and additional disclosures, and any other orders of the Court, recognizing that in the course of these chapter 11 cases there may be unforeseeable fees and

expenses that will need to be addressed by the Committee and Willkie.

AFFIRMATIVE STATEMENT OF DISINTERESTEDNESS

25. Based on the conflicts search conducted to date and described herein, to the best of my knowledge and insofar as I have been able to ascertain, (a) I believe that Willkie is a “disinterested person” within the meaning of section 101(14) of the Bankruptcy Code, as required by sections 328 and 1102 of the Bankruptcy Code, and does not hold or represent any interest adverse to the Debtors, their estates, their creditors, or the Committee and the members thereof, and (b) Willkie has no connection to the Debtors, creditors, any other party in interest, their respective attorneys and accountants, the U.S. Trustee, any person employed in the Office of the United States Trustee – Southern District of Texas, or other parties-in-interest except as disclosed herein.
