TO:
UNITED STATES BANKRUPTCY COURT
FOR THE SOUTHERN DISTRICT OF TEXAS HOUSTON DIVISION

RE:
BANGO OIL LLC
24-90508 (CML)

I, Eddie H. Wehmeier, am submitting this response to the first omnibus objection submitted by BANGO OIL LLC 24-90508 (CML).

I'm the sole owner operator of WEHMEIER ENTERPRISES LLC, which is a creditor in this bankruptcy case aforementioned. Our Claim #207 of \$30,616.12.
As the business owner, I invested our entire liquid assets into VERTEX ENERGY (BANGO OIL LLC) with great confidence that VERTEX ENERGY and its then CEO Ben Cowart, would be able to rectify the company's deficits in profits and recover financially with the solid monetary backing of investors like myself that were willing to remain steadfast during the transition to financial success.

Unfortunately, this bankruptcy has absorbed all of my liquid assets to which we are not financially able to hire an attorney to represent us in this case for recovering my claim. As well it currently prevents my ability to grow this business forward.

Therefore, I ask that the Omnibus objection not be granted in this case and that BANGO OIL LLC be responsible for the amount of my claim to be returned in full.
