Subject: Request for Cell Phone Reimbursement

Dear Village Roadshow,

I am writing to formally request reimbursement for cell phone expenses incurred while employed with Village Roadshow Entertainment Group from September 2019 to August 2024.

As a dedicated employee in the role of Assistant and subsequently Coordinator, I relied heavily on my personal cell phone to conduct company business given that I was not provided with a company-issued cell phone, and both of my supervisors as well as the company required such usage. This included, but was not limited to, the Microsoft Authenticator iPhone application the company required me to download and maintain on my device, responding to emails during and outside of working hours, placing and receiving work-related calls for myself, rolling calls and receiving/responding to text messages from supervisors during and outside of working hours, and coordinating tasks while away from my desk during and outside of working hours via phone calls, text messages, Microsoft Teams, and Slack with colleagues as well as external partners of the company including but not limited to producers, agents, managers, and the company's retained attorneys.

I understand that the company's expense policy outlined a \$50 monthly reimbursement, or the issuance of a company cell phone, for employees with manager-level titles or above. However, I confirmed that California labor law mandates reimbursement for employees who utilize their personal devices for work purposes, regardless of job title. Given the extensive use of my personal cell phone for work-related activities throughout my employment as outlined above, I am requesting reimbursement for the entire period of my employment from September 2019 through August 2024 in the amount of \$2,900 (i.e., \$50/month for 58 months of employment).

Additionally, given the applicable time and resources, the state requires interest to be paid on any unreimbursed expenses. The applicable interest rate is the statutory interest rate which is currently 7%. Therefore, the interest owed on \$2,900 compounded over 5 years at \$50/month for a 7% rate is approximately **\$1,123.82**. Thus, the total amount owed, including interest, would be approximately **\$4,023.82**.

I have attached my cell phone bills which also include detailed call records as supporting documentation. Given that I was told I was not eligible for reimbursement, I did not save bills prior to 2023, and I am only able to access 18 months of bill history through my cell phone carrier's online portal, even after calling them to request further history. I can confirm, however, that all previous bills are roughly the same amount as I have been on the same plan and had

the same usage (plus increased company-required usage during the work-from-home orders of the 2020-2021 COVID Pandemic) since my first day of employment. Given that I was on a plan with other members of my household, the bills may not state my name as the account holder, however, my provided contact number of +1 (408) 910-6992 to the company is listed on all bills and records. This number was my primary phone number for the entire period of my employment and was also listed on the company's contact sheet for the entire period of my employment.

To that end, I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Please send the check to my address below and thank you for your prompt attention to this matter. Should you have any questions, please contact me at my email address below. Thank you.

Sincerely,
Keyon Tehrani

If we process your payment by EFT, the funds may be withdrawn the same day we receive your check, & your canceled check will not be returned.  - b. Telco Recovery Fee (\$2.99 for voice lines, \$1.28 data only lines) - defrays costs and charges imposed on us by other carriers for delivery of calls from our customers to theirs and for certain network facilities (e.g. leases), operations, and services we obtain to provide you service
- 2. State & federal Universal Service Fund charges (recovers charges imposed on us by the government to support universal service).
- 3. Other governmental assessments including, without limitation, gross receipt & excise taxes.

LATE FEES

Late Fees, which are assessed up to the highest amount permitted by law, may apply on unpaid balances. This fee is a liquidated damage & not a penalty.

PAYMENT BY CHECK

When you pay by check, you authorize us to either use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the same day we receive your check, & your canceled check will not be returned. During congestion, heavy data users and customers choosing lower-prioritized plans may notice lower speeds than other customers. Video typically streams on smartphone/tablet at DVD quality (480p), unless you add HD-capable (1080p) plan/feature. High-speed tethering up to allotment, if any, and then max 3G speeds. See plan for details.

IMPORTANT INFORMATION RELATING TO YOUR SPRINT BILL

Billing, Late Payment and Other Information

Full call detail is available online. Payments are due as shown on your invoice to avoid service suspension or disconnection. A late fee (min. of \$5 or percentage allowed by state law) will apply if your payment is late. Sprint may charge you for returned checks (up to \$40). Certain charges accrued in one billing period may be delayed and appear on a later invoice. **We keep credit and debit card information on file and will charge your cards for all delinquent amounts owed. You may incur overdraft fees from your financial institution if applicable. Please see your agreements for more details.**

Disputes - You must dispute a charge within 60 days from receiving your invoice or we will consider the charge accepted and due.

Your privacy - Protect against unauthorized account access by using a Personal Identification Number (PIN) to identify yourself when calling Care or visiting a retail store. Visit sprint.com/pin to establish or change your PIN. Don't use commonly known info like birthdays or SSNs. To access your account online, create a unique UserID/ password. Sprint's Privacy Policy is available at sprint.com.

Enhanced 911 (E911) - services provide public safety officials with your location during a 911 call. E911 services are not available everywhere and at all times. E911 availability depends on many factors, including the ability of local public safety agencies to receive and process location information, your equipment's capabilities and other factors impacting service delivery.

Terms & conditions/service updates - Sprint's terms and conditions sometimes change and the current version is online and updates are provided in the news and notices section.

Contact Sprint - Sprint Customer Service, PO Box 629023, El Dorado Hills, CA 95762 (include name and account number). Do not use payment envelope.

Surcharges - Add'l charges imposed by us on a per line basis including federal USF, Administrative and Regulatory charges. Surcharges are not taxes, not required by law and are subject to change.

Gov't Taxes and Fees - Sprint is required by law to bill government taxes and fees. They may change without notice.

California Customers

If you have a complaint that we cannot resolve, contact the California Commission at 800-649-7570 or 711 for California Relay Service or <http://ddtp.cpuc.ca.gov>. For information on managing your phone service and additional contact information visit: consumers.cpuc.ca.gov/complaints.

Important 9-1-1 Information

Dial 9-1-1 in case of emergency. If you encounter a prerecorded message instead of a live operator, wait for the appropriate prompt and say "EMERGENCY" instead of pressing 1. Not all wireless phones transmit number tones during a 911 call. See sprint.com/consumerinfo. Important 911 Information for more details.

IMPORTANT INFORMATION RELATING TO YOUR SPRINT BILL

Billing, Late Payment and Other Information

Full call detail is available online. Payments are due as shown on your invoice to avoid service suspension or disconnection. A late fee (min. of \$5 or percentage allowed by state law) will apply if your payment is late. Sprint may charge you for returned checks (up to \$40). Certain charges accrued in one billing period may be delayed and appear on a later invoice. **We keep credit and debit card information on file and will charge your cards for all delinquent amounts owed. You may incur overdraft fees from your financial institution if applicable. Please see your agreements for more details.**

Disputes - You must dispute a charge within 60 days from receiving your invoice or we will consider the charge accepted and due.

Your privacy - Protect against unauthorized account access by using a Personal Identification Number (PIN) to identify yourself when calling Care or visiting a retail store. Visit sprint.com/pin to establish or change your PIN. Don't use commonly known info like birthdays or SSNs. To access your account online, create a unique UserID/ password. Sprint's Privacy Policy is available at sprint.com.

Enhanced 911 (E911) - services provide public safety officials with your location during a 911 call. E911 services are not available everywhere and at all times. E911 availability depends on many factors, including the ability of local public safety agencies to receive and process location information, your equipment's capabilities and other factors impacting service delivery.

Terms & conditions/service updates - Sprint's terms and conditions sometimes change and the current version is online and updates are provided in the news and notices section.

Contact Sprint - Sprint Customer Service, PO Box 629023, El Dorado Hills, CA 95762 (include name and account number). Do not use payment envelope.

Surcharges - Add'l charges imposed by us on a per line basis including federal USF, Administrative and Regulatory charges. Surcharges are not taxes, not required by law and are subject to change.

Gov't Taxes and Fees - Sprint is required by law to bill government taxes and fees. They may change without notice.

IMPORTANT INFORMATION RELATING TO YOUR SPRINT BILL

Billing, Late Payment and Other Information

Full call detail is available online. Payments are due as shown on your invoice to avoid service suspension or disconnection. A late fee (min. of \$5 or percentage allowed by state law) will apply if your payment is late. Sprint may charge you for returned checks (up to \$40). Certain charges accrued in one billing period may be delayed and appear on a later invoice. **We keep credit and debit card information on file and will charge your cards for all delinquent amounts owed. You may incur overdraft fees from your financial institution if applicable. Please see your agreements for more details.**

Disputes - You must dispute a charge within 60 days from receiving your invoice or we will consider the charge accepted and due.

Your privacy - Protect against unauthorized account access by using a Personal Identification Number (PIN) to identify yourself when calling Care or visiting a retail store. Visit sprint.com/pin to establish or change your PIN. Don't use commonly known info like birthdays or SSNs. To access your account online, create a unique UserID/ password. Sprint's Privacy Policy is available at sprint.com.

Enhanced 911 (E911) - services provide public safety officials with your location during a 911 call. E911 services are not available everywhere and at all times. E911 availability depends on many factors, including the ability of local public safety agencies to receive and process location information, your equipment's capabilities and other factors impacting service delivery.

Terms & conditions/service updates - Sprint's terms and conditions sometimes change and the current version is online and updates are provided in the news and notices section.

Contact Sprint - Sprint Customer Service, PO Box 629023, El Dorado Hills, CA 95762 (include name and account number). Do not use payment envelope.

Surcharges - Add'l charges imposed by us on a per line basis including federal USF, Administrative and Regulatory charges. Surcharges are not taxes, not required by law and are subject to change.

Gov't Taxes and Fees - Sprint is required by law to bill government taxes and fees. They may change without notice.

Important 9-1-1 Information

Dial 9-1-1 in case of emergency. If you encounter a prerecorded message instead of a live operator, wait for the appropriate prompt and say "EMERGENCY" instead of pressing 1. Not all wireless phones transmit number tones during a 911 call. See sprint.com/consumerinfo. Important 911 Information for more details.

A late fee (min. of \$5 or percentage allowed by state law) will apply if your payment is late. Sprint may charge you for returned checks (up to \$40). Certain charges accrued in one billing period may be delayed and appear on a later invoice. **We keep credit and debit card information on file and will charge your cards for all delinquent amounts owed. You may incur overdraft fees from your financial institution if applicable. Please see your agreements for more details.**

IMPORTANT INFORMATION RELATING TO YOUR SPRINT BILL

Billing, Late Payment and Other Information

Full call detail is available online. Payments are due as shown on your invoice to avoid service suspension or disconnection. A late fee (min. of \$5 or percentage allowed by state law) will apply if your payment is late. Sprint may charge you for returned checks (up to \$40). Certain charges accrued in one billing period may be delayed and appear on a later invoice. **We keep credit and debit card information on file and will charge your cards for all delinquent amounts owed. You may incur overdraft fees from your financial institution if applicable. Please see your agreements for more details.**

Disputes - You must dispute a charge within 60 days from receiving your invoice or we will consider the charge accepted and due.

Sprint's Privacy Policy is available at sprint.com.

Enhanced 911 (E911) - services provide public safety officials with your location during a 911 call. E911 services are not available everywhere and at all times. E911 availability depends on many factors, including the ability of local public safety agencies to receive and process location information, your equipment's capabilities and other factors impacting service delivery.

Important 9-1-1 Information

Dial 9-1-1 in case of emergency. If you encounter a prerecorded message instead of a live operator, wait for the appropriate prompt and say "EMERGENCY" instead of pressing 1.
