**ADDENDUM TO THE AMENDED PROOF OF CLAIM OF
WILMINGTON SAVINGS FUND SOCIETY, FSB,
IN ITS CAPACITY AS COLLATERAL AGENT UNDER NOTE
PURCHASE AGREEMENT AGAINST VILLAGE ROADSHOW
ENTERTAINMENT GROUP (BVI) LIMITED AND
THE DEBTOR GUARANTORS LISTED ON EXHIBIT A**

1. Wilmington Savings Fund Society, FSB (“WSFS”), solely in its capacity as collateral agent (the “Collateral Agent”) under that certain Fifth Amended and Restated Note Purchase Agreement, dated January 21, 2025 (as amended, novated, supplemented, extended, restated, or otherwise modified from time to time, the “Notes Agreement”), by and among Village Roadshow Entertainment Group (BVI) Limited (“VREG” or the “Company”), each of the guarantors party thereto (the “Guarantors”), the noteholders listed therein (the “Noteholders”) and the Collateral Agent, asserts this amended claim (“Master Proof of Claim”) on behalf of itself and the Noteholders for all amounts due and owing under the Notes Agreement and the senior secured notes (the “Notes”) issued thereunder. Capitalized terms not defined herein shall have the meanings set forth in the Notes Agreement or the Final DIP Order (as defined below), as applicable.

2. On March 17, 2025 (the “Petition Date”), the Issuer and several of its affiliates (collectively, the “Debtors”), including the Guarantors listed on Exhibit A hereto (collectively, the “Debtor Guarantors”), filed voluntary petitions seeking relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”).

3. This Master Proof of Claim is being filed pursuant to the *Order (I) Establishing Bar Dates and Related Procedures for Filing Proofs of Claim (Including for Claims Arising Under Section 503(b)(9) of the Bankruptcy Code) and (II) Approving the Form and Manner for Notice Thereof* [Dkt. No. 514] (the “Bar Date Order”) and the *Final Order*

(I) Authorizing the Debtors to Obtain Post-Petition Secured Financing; (II) Authorizing the Use of Cash Collateral; (III) Granting Liens and Superpriority Administrative Expense Status, (IV) Granting Adequate Protection; (V) Modifying the Automatic Stay, and (VI) Granting Related Relief [Dkt. No. 280] (the “Final DIP Order”).

4. Pursuant to the Bar Date Order and the Final DIP Order, neither the Collateral Agent nor the Noteholders are required to file a proof of claim on account of claims arising under or in connection with the Notes Agreement. In accordance with the Bar Date Order and the Final DIP Order, this Master Proof of Claim shall be deemed to constitute the filing of a proof of claim in the cases of all Debtors against whom a claim may be asserted under the Notes Agreement, including the cases of the Debtor Guarantors.

5. Pursuant to Section 8 of the Notes Agreement, the Company is obligated to pay the outstanding principal of the Notes, together with any applicable premiums and accrued and unpaid interest on the Notes on the dates and in the manner provided in the Notes and the Notes Agreement.

6. Pursuant to Section 13.1 of the Notes Agreement, each of the Guarantors, jointly and severally, unconditionally and irrevocably guaranteed to the Collateral Agent, the Noteholders and the other holders of the Notes the due and punctual payment of the principal of and interest on the Notes; fees, costs and attorneys’ fees; and all other monetary obligations of the Company to the holders of the Notes or the Collateral Agent under the Notes Agreement, the Notes or any other Note Document, in each case whether direct or indirect (including those acquired by assumption), absolute or contingent, due or to become due, then existing or thereafter arising and including interest, fees and other amounts that accrue after the commencement by or against the Company, any Guarantor or any Affiliate thereof of any proceeding under any Debtor Relief Laws

naming such Person as the debtor in such proceeding, regardless of whether such interest, fees and other amounts are allowed claims in such proceeding (the "Guaranteed Obligations").

7. Pursuant to Section 5.19 of the Notes Agreement and the Collateral Documents, the Company and the Debtor Guarantors granted valid security interests in favor of the Collateral Agent in the Collateral (the "Notes Liens"), senior in right and priority to the claims of all other Persons subject to the terms of the Notes Agreement and Collateral Documents.

8. Pursuant to the Final DIP Order, the Debtors acknowledged and agreed that as of the Petition Date (a) the Notes Liens are valid, binding, enforceable, non-avoidable, and properly perfected and were granted to, or for the benefit of, the Collateral Agent and the Noteholders for fair consideration and reasonably equivalent value; (b) the Notes Liens were senior in priority over any and all other liens on the Collateral, subject only to certain liens senior by operation of law (including any that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code) or that otherwise constitute Permitted Liens under the Notes Documents; (c) the obligations due under the Notes Documents (the "Notes Obligations") constitute legal, valid, binding, and non-avoidable obligations of the Debtors enforceable in accordance with the terms of the Prepetition Credit Documents; (d) no offsets, recoupments, challenges, objections, defenses, claims, or counterclaims of any kind or nature to any of the Notes Liens or Notes Obligations exist, and no portion of the Notes Liens or Notes Obligations is subject to any challenge or defense, including avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable or otherwise) pursuant to the Bankruptcy Code or applicable non-bankruptcy law; (e) the Debtors and their estates have no claims, objections, challenges, causes of action, and/or choses in action, including avoidance claims under Chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions for recovery or disgorgement, against the

Collateral Agent or the Noteholders, or any of its or their affiliates, agents, attorneys, advisors, professionals, officers, directors, and employees arising out of, based upon, or related to the Notes Obligations; (f) the Debtors waived, discharged, and released any right to challenge any of the Notes Obligations or the Notes Liens; the priority of the Debtors' obligations thereunder; and the validity, extent, and priority of the liens securing the Notes Obligations; and (g) the Notes Obligations constitute allowed, secured claims within the meaning of sections 502 and 506 of the Bankruptcy Code.

9. Pursuant to Section 11(h) of the Notes Agreement, an Event of Default, among others, occurred by reason of the Debtors' filing of chapter 11 petitions on the Petition Date. Pursuant to Section 12.1(a) of the Notes Agreement and by operation of law, as a result of such Event of Default, all the Notes then outstanding and all other Obligations, including Guaranteed Obligations, automatically became immediately due and payable as of the Petition Date.

10. As of the Petition Date, the Collateral Agent, on behalf of the Noteholders, is entitled to payment in the aggregate principal amount of at least \$163,075,096.60, consisting of the entire outstanding principal amount. Subsequent to the Petition Date, pursuant to the Final DIP Order, \$5,786,104.96 of the outstanding Prepetition Senior Secured Notes Obligations were rolled-up and deemed to constitute DIP Obligations. Consequently, the Collateral Agent hereby asserts a claim for no less than \$157,288,992.00 against the Company and each of the Debtor Guarantors. Additionally, the Collateral Agent, on behalf the Noteholders, asserts this Master Proof of Claim against the Company and the Debtor Guarantors for any unpaid interest as of the Petition Date, post-petition interest on overdue principal, premium, if any, defaulted interest, interest payable on the defaulted interest, including for amounts payable as a result of defaults

arising prior to the Petition Date (whether known or unknown to the Collateral Agent at any time prior to the Petition Date), and all other amounts set forth in the Notes Agreement and Notes Documents, to the extent permissible under applicable law.

11. Pursuant to Section 17.1 and 24.17 of the Notes Agreement, the Company and the Guarantors, jointly and severally, agreed to pay (a) all reasonable costs and expenses (including reasonable attorneys' fees of special New York and British Virgin Islands counsel, Collateral Agent's counsel and, if reasonably required by the Collateral Agent or the Required Holders, one local counsel in each other relevant material jurisdiction) incurred by the Collateral Agent, the Noteholders and each other holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents requested by the Company under or in respect of the Notes Agreement, the Notes or any other Note Documents (whether or not such amendment, waiver or consent becomes effective) as set forth in the Notes Agreement, including all such reasonable costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company, any Guarantor or any other Group Member or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Notes and any other Note Documents; and (b) all fees and other amounts payable under and pursuant to the Collateral Agent Fee Letter and, promptly upon demand, such compensation to the Collateral Agent and its agents, co-agents and subagents as the Company and the Collateral Agent may agree in writing from time to time (collectively, the "Agent and Noteholder Fee and Expense Obligations").

12. Further, pursuant to Section 17.1 of the Notes Agreement, the Company and the Guarantors, jointly and severally, agreed to indemnify the Collateral Agent (and any sub-agent thereof), each Noteholder and each other holder of a Note and each of their respective Related

Parties (each such Person an "Indemnitee") harmless from, (a) all claims in respect of any fees, costs or expenses, if any, of brokers and finders (other than those, if any, retained by a Noteholder or other holder in connection with its purchase of the Notes), (b) any and all wire transfer fees that any bank deducts from any payment under such Note to such holder or otherwise charges to a holder of a Note with respect to a payment under such Note and (c) any judgment, liability, loss, claim, damage, order, decree, fine, penalty, cost, fee, expense (including reasonable attorneys' fees and expenses) or obligation resulting from, arising out of or in connection with, the consummation of the transactions contemplated hereby, including the use of the proceeds of the Notes by the Company, and, with respect to the Collateral Agent, its Related Parties and the other Indemnites, (x) the execution or delivery of the Notes Agreement, any other Note Document or any agreement or instrument contemplated hereby or thereby or the performance by the Collateral Agent and the other Indemnites of their respective obligations thereunder, (y) any actual or alleged presence or release of any Hazardous Materials on or from any property owned or operated by the Company or any of its Subsidiaries or any environmental liability related in any way to the Company or any of its Subsidiaries and (z) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Company or any Guarantor, and regardless of whether the Collateral Agent (or any sub-agent thereof), any Related Party thereof or any other Indemnitee is a party thereto (collectively, the "Agent and Noteholder Indemnification Obligations").

13. Prior to and since the Petition Date, the Collateral Agent and its counsel, and the Noteholders and their counsel, have incurred, and continue to incur, fees and expenses for services rendered under and in connection with the Notes Agreement. The Collateral Agent asserts this Master Proof of Claim against the Company and Debtor Guarantors for all of the Agent and

Noteholder Fee and Expense Obligations and the Agent and Noteholder Indemnification Obligations incurred, and to be incurred in the future, in amounts to be determined.

14. This Master Proof of Claim is asserted as a secured claim to the extent of the value of the Collateral Agent's interest in the Collateral on behalf of itself and the Noteholders. To the extent that the value of the Collateral Agent's interest in the Collateral on behalf of itself and the Noteholders is less than the aggregate amount owing under the Notes Documents as set forth herein, the claims set forth in this Master Proof of Claim with respect to any such deficiency are filed as claims entitled to (a) adequate protection to the extent set forth in the Final DIP Order or otherwise required by the Bankruptcy Code, (b) priority under sections 503(b) and 507(b) of the Bankruptcy Code to the extent set forth in the Final DIP Order, and (c) otherwise as general unsecured claims, without prejudice to the rights of the Holders pursuant to section 1111(b) of the Bankruptcy Code.

15. Additionally, the Collateral Agent includes in this Master Proof of Claim the value of the adequate protection liens granted for the benefit of itself and Noteholders with respect to the amount of the diminution of the Collateral pursuant to the Final DIP Order.
