Exhibit A

Assumed Executory Contract and Unexpired Lease List

Article V.A. of the Plan provides as follows:

On the Effective Date, except as otherwise provided herein, all Executory Contracts or Unexpired Leases not otherwise assumed or rejected will be deemed assumed by the applicable Reorganized Debtor in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than: (a) those that are identified on the Rejected Executory Contracts and Unexpired Leases Schedule; (b) those that have been previously rejected by a Final Order; (c) those that have been previously assumed by a Final Order; (d) those that are the subject of a motion to reject Executory Contracts or Unexpired Leases that is pending on the Confirmation Date; or (e) those that are subject to a motion to reject an Executory Contract or Unexpired Lease pursuant to which the requested effective date of such rejection is after the Effective Date; *provided* that notwithstanding anything to the contrary herein, no Executory Contract or Unexpired Lease shall be assumed or rejected without the written consent of the Required Consenting Creditors and the Requisite Backstop Parties.

Entry of the Confirmation Order shall constitute an order of the Bankruptcy Court approving the assumptions, assignments and assignments, or rejections of such Executory Contracts or Unexpired Leases as set forth in the Plan, the Assumed Executory Contract/Unexpired Lease Schedule or the Rejected Executory Contracts and Unexpired Leases Schedule, pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Except as otherwise specifically set forth herein, assumptions or rejections of Executory Contracts and Unexpired Leases pursuant to the Plan are effective as of the Effective Date. Each Executory Contract or Unexpired Lease assumed pursuant to the Plan or by Bankruptcy Court order but not assigned to a third party before the Effective Date shall revert in and be fully enforceable by the applicable contracting Reorganized Debtor in accordance with its terms, except as such terms may have been modified by the provisions of the Plan or any order of the Bankruptcy Court authorizing and providing for its assumption under applicable federal law. To the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease (including, without limitation, any “change of control”, “assignment”, or similar provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan, including the Restructuring Transactions shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default, breach, violation or acceleration rights with respect thereto. For the avoidance of doubt, no Restructuring Transaction shall be deemed to violate the terms of any assumed Unexpired Lease of non-residential real property. Any motions to assume Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by a Final Order of the Bankruptcy Court on or after the Effective Date but may be withdrawn, settled, or otherwise prosecuted by the Reorganized Debtors. Notwithstanding anything to the contrary in the Plan, the Debtors or the Reorganized Debtors, as applicable, reserve the

right to alter, amend, modify, or supplement the Assumed Executory Contracts and Unexpired Leases Schedule and the Rejected Executory Contracts and Unexpired Leases Schedule at any time up to forty-five (45) days after the Effective Date.

This Exhibit A contains the Assumed Executory Contract and Unexpired Lease List. In the schedule, cure amounts are aggregated for certain counterparties with whom the Debtors have multiple contracts and/or leases. The aggregation of cure amounts shall not be deemed or construed as an admission or acknowledgment by any Debtor that it has any liability for such cure except to the extent it is obligated under an assumed contract to which it is a party. Further, to the extent any Debtor actually pays a cure amount on behalf of another Debtor, all rights of subrogation, contribution and reimbursement are expressly reserved.
