CHAPTER 11**

ORDER SETTING HEARING

A hearing on Zachry's Objection to Proof of Claim No. 1666 (ECF No. 2246) is set for July 31, 2025 at 1:30 p.m. John McDonald seeks \$65,000.00 because he "[a]rrived to work 2-2.5 hours early every day to catch the bus from the parking lot." ECF No. 2246 at 4. Zachry's employment policy only provides a flat rate of 0.5 per day for bus commute travel. Neither the POC nor the Objection reflect whether Mr. McDonald had the option to commute to the work site without using the bus service. That fact will be explored at an evidentiary hearing.

Zachry must provide notice to Mr. McDonald regarding the hearing.
