CASE NO: 24-90377

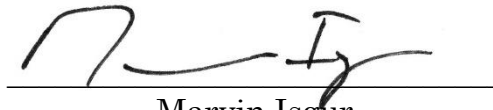

Jointly Administered  
CHAPTER 11

**ORDER DENYING OBJECTION**

Zachry's Objection to Proof of Claim No. 1645 (ECF No. 2254) is denied without prejudice. The Declaration states that Zachry cannot ascertain the validity of the Claim because the Claimant has not provided sufficient information and documentation. ECF No. 2254-1 at 2. Conversely, the Objection states that Claimant was not employed long enough to receive protection under the WARN Act. ECF No. 2254 at 5. Zachry's Declaration (ECF No. 2254-1) contradicts its Objection.

Zachry may refile an amended objection to Proof of Claim No. 1645.
