Hunton Andrews Kurth LLP ("Hunton"), counsel for the debtor and debtor in possession in the above-captioned case (the "Debtor"), submits this eighth and final application (the "Application") for allowance of compensation for professional services rendered by Hunton to the Debtor for the period June 30, 2024, through September 15, 2026 (the "Final Application Period"), including compensation for fees and expenses incurred between March 1, 2026, through September 15, 2026 (the "Eighth Application Period"), which was not previously the subject of an interim fee application, pursuant to sections 330 and 331 of title 11 of the United States Code (the "Bankruptcy Code"), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy

Rules"), Rule 2016-1 of the Local Rules of Bankruptcy Practice and Procedure for the United States Bankruptcy Court of the Eastern District of Virginia (the "Local Bankruptcy Rules"), and the *Order (I) Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals and (II) Granting Related Relief* entered on September 9, 2024 [Docket No. 162] (the "Interim Compensation Order"). In support of this Application, Hunton represents as follows:

I. JURISDICTION, VENUE AND PREDICATES FOR RELIEF

V. STATEMENT PURSUANT TO APPENDIX B GUIDELINES

20. The following is provided in response to the questions set forth in ¶ C.5 of the Appendix B Guidelines:

Question: Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees or terms for services pertaining to this engagement that were provided during the application period? If so, please explain.

Response: No.

Question: If the fees sought in this fee application as compared to the fees budgeted for the time period covered by this fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Response: Not applicable.

Question: Have any of the professionals included in this fee application varied their hourly rate based on the geographic location of the bankruptcy case?

Response: No.

Question: Does this fee application include time or fees related to reviewing the time records or preparing, reviewing, or revising invoices? (This is limited to work involved in preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application.). If so, please quantify by hours and fees.

Response: This Application includes approximately $17,548.50 in fees (19.3 hours) relating to preparing, reviewing, or revising Monthly Statements. These fees are reflected in Task Code 160 time entries. Hunton submits that all such fees are reasonable and necessary for preparing the Monthly Statements.

Question: Does this fee application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify by hours and fees.

Response: As set forth above, this Application includes approximately $17,548.50 in fees (19.3 hours) relating to preparing, reviewing, or revising Monthly Statements. In the course of such efforts, Hunton reviewed and edited various entries to avoid

publicly disclosing any privileged or confidential information. Hunton submits that such review and edits are a reasonable and necessary part of Hunton's preparation of the Monthly Statements.

Question: If the fee application includes any rate increases since retention: (i) Did your client review and approve those rate increases in advance? (ii) Did your client agree when retaining the law firm to accept all future rate increases? If not, did you inform your client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

Response: Yes. As disclosed in the Brown Declaration, the Debtor agreed to retain Hunton in accordance with its standard terms and conditions which, among other things, provide that the billing rates are subject to periodic adjustments. In accordance with Hunton's established billing practices and procedures and, following the Debtor's review and approval, certain of Hunton's billing rates for this engagement were increased effective as of January 1, 2025 and March 1, 2026.

VI. Notice

21. Notice of this Application has been provided in accordance with Bankruptcy Local Rule 1075-1 and the procedures set forth in Article II of the "Procedures for Complex Chapter 11 Cases in the Eastern District of Virginia" and the Interim Compensation Order. Hunton submits that no other or further notice need be provided.

[*Remainder of page intentionally left blank*]
