3. Within 20 days after the Petition Date, the Debtors shall, for each Utility Company listed on Exhibit C to the Motion (the "Utility Company List") place a deposit for such Utility Company equal to approximately two weeks of Utility Services (each such deposit, a "Utility Deposit") into the Utility Deposit Account.

4. Except as the amount may be adjusted by application of the provisions of this Interim Order, the aggregate amount of $4,215.00 shall be deposited in the Utility Deposit Account on account of the Utility Deposits within 20 days after the Petition Date and shall be held for the purpose of providing adequate assurance of payment to each Utility Company for its postpetition Utility Services provided to the Debtors.

5. The balance of the Utility Deposit Account may be adjusted by the Debtors, without further order of the Court, as follows: (a) to the extent no dispute over postpetition amounts due exists, the balance of the Utility Deposit Account may be reduced by the amount of a Utility Deposit associated with any terminated utility account; (b) the balance of the Utility Deposit Account shall be increased to the extent a Subsequently Identified Utility Company is added to the Utility Company List; and (c) the balance of the Utility Deposit Account may be adjusted in accordance with the terms of any agreement with respect to adequate assurance of payment reached between a Debtor and a Utility Company; *provided, however,* that before the Debtors make any adjustment under subsection (a) of this paragraph with respect to a Utility Company, the Debtors shall provide at least ten (10) days' prior notice of such adjustment to the affected Utility Company and if such Utility Company disputes the proposed adjustment, the Debtors shall not be permitted to effectuate such adjustment absent further order of this Court or agreement by the parties.

6. The Debtors shall maintain the Utility Deposit Account until the earlier of the Court's entry of an order authorizing the return of the Utility Deposit Account to the Debtors, the effective date of a chapter 11 plan, or the date that an order is entered dismissing these Chapter 11 Cases.

7. No liens—prepetition, postpetition, debtor-in-possession, or otherwise—shall attach to the funds in the Utility Deposit Account until such time that the Utility Companies have been paid in full.

8. The following procedures (the "Adequate Assurance Procedures") are hereby approved with respect to all Utility Companies, including any Subsequently Identified Utility Company:

a) Except as provided by the Adequate Assurance Procedures, the Utility Companies will be prohibited from: (i) altering, refusing, or discontinuing services to, or discriminating against, the Debtors on the basis of the commencement of the Chapter 11 Cases or a debt owed by the Debtors for services rendered prior to the Petition Date, or on account of any perceived inadequacy of the Debtors' Proposed Adequate Assurance; or (ii) requiring the Debtors to pay a deposit or other security in connection with the provision of postpetition Utility Services, other than the funding of the Utility Deposit.

b) Within 48 hours after entry of the Interim Order,[3] the Debtors will mail a copy of the Motion and Interim Order to the Utility Companies on the Utility Company List.

c) If a Utility Company is not satisfied with the Proposed Adequate Assurance and seeks additional adequate assurance of payment, it must serve a written request for additional adequate assurance (an "Additional Assurance Request") upon: (a) proposed co-counsel for the Debtors, Cole Schotz P.C., 500 Delaware Avenue, Suite 600, Wilmington, Delaware 19801, Attn: Patrick J. [3] Local Rule 9013-1(m)(iv) requires service of first-day orders and the underlying first-day motions on affected parties within 48 hours of the entry of such first-day orders.

(amielke@ycst.com); and (f) counsel to any statutory committee appointed in the Chapter 11 Cases (collectively, the "Adequate Assurance Notice Parties").

d) Each Additional Assurance Request must: (i) be made in writing; (ii) set forth the amount and form of additional assurance of payment requested; (iii) set forth the type of Utility Services, any account numbers, and the location(s) for which Utility Services are provided; (iv) include a summary of the Debtors' payment history to such Utility Company, including whether the Utility Company holds any deposits or other security, and if so, in what amount; (v) set forth why the Utility Company believes the Proposed Adequate Assurance is insufficient; and (vi) provide an email address to which the Debtors may respond to the Additional Assurance Request.

e) Upon the Debtors' receipt of an Additional Assurance Request, the Debtors will promptly negotiate with the requesting Utility Company to resolve such Utility Company's Additional Assurance Request.

f) Should the Debtors be unable to reach a resolution with respect to an Additional Assurance Request, the Debtors will, upon reasonable notice, calendar the matter (the "Determination Hearing") for the next regularly scheduled omnibus hearing to determine the adequacy of assurance of payment pursuant to section 366(c)(3) of the Bankruptcy Code.

g) Pending the Determination Hearing, the Utility Company that is the subject of the unresolved Additional Assurance Request is prohibited from altering, refusing, or discontinuing service to the Debtors on account of unpaid charges for prepetition services, the filing of the Chapter 11 Cases, or any objection (an "Objection") to the adequacy of the proposed Adequate Assurance.

h) Any Utility Company that does not serve an Additional Assurance Request in compliance with the procedures herein will be deemed to have received adequate assurance of payment that is satisfactory to such Utility Company within the meaning of section 366(c)(2) of the Bankruptcy Code, subject to each such Utility Company's right to seek a modification of adequate assurance under section 366(c)(3) of the Bankruptcy Code.

9. The Debtors are authorized, in their sole discretion, to amend the Utility Company List to add or remove any Utility Company, and all provisions of this Interim Order shall apply to any such Subsequently Identified Utility Company that is added to such list upon service of this Interim Order; *provided, however*, that if any Subsequently Identified Utility Company is added to the Utility Company List, the Debtors shall: (i) file a copy of any such amendment and serve a copy of the Motion and this Interim Order on any such Subsequently Identified Utility Company,

along with an amended Utility Company List; and (ii) increase the amount of the Utility Deposit Account by an amount equal to the cost of two weeks of Utility Services provided by each such Subsequently Identified Utility Company. Such Subsequently Identified Utility Company shall be permitted to make an Additional Assurance Request in compliance with the Adequate Assurance Procedures after it receives notice of the Motion.

10. Pending entry of the Final Order and resolution of any Additional Assurance Request, Objection or Determination Hearing, the Utility Companies are prohibited from (a) discriminating against the Debtors, (b) altering, refusing, or discontinuing service to the Debtors, or (c) requiring payment of a deposit or receipt or any other security for continued service other than the Utility Deposit, on the basis of the commencement of the Chapter 11 Cases or a debt owed by the Debtors for services rendered prior to the Petition Date, or on account of any perceived inadequacy of the Debtors' Proposed Adequate Assurance.

11. For the avoidance of doubt, the terms of this Interim Order, including the Adequate Assurance Procedures, shall apply to each Utility Company, notwithstanding any customary business practices, policies, internal operating procedures, or state or local laws or regulations to the contrary. Any Utility Company that believes its customary business practices, policies, internal operating procedures, or state or local laws or regulations forbid it from accepting the Proposed Adequate Assurance or entitle it to additional adequate assurance shall make an Additional Assurance Request or file an Objection in accordance with this Interim Order.

12. Nothing herein constitutes a finding that any entity is or is not a Utility Company hereunder or a "utility" within the meaning of section 366 of the Bankruptcy Code, whether or not such entity is listed on the Utility Company List.

13. Nothing contained in the Motion or this Interim Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Interim Order) is intended as or shall be construed or deemed to be: (a) an admission as to the amount, validity or priority of, or basis for, any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission, or finding that any particular claim is an administrative expense claim, other priority claim, or otherwise of a type specified or defined in the Motion or this Interim Order; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver or limitation of any claims, causes of action, or other rights of the Debtors or any other party in interest against any person or entity under the Bankruptcy Code or any other applicable law.

14. The Court finds and determines that the requirements of Bankruptcy Rule 6003 are satisfied and that the relief requested is necessary to avoid immediate and irreparable harm.

15. Notwithstanding Bankruptcy Rule 6004(h), this Interim Order shall be effective and enforceable immediately upon entry hereof.

16. The Debtors are authorized to take all actions necessary to implement the relief granted in this Interim Order.

17. This Court shall retain jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Interim Order.
