MOTION OF THE UNITED STATES FOR LIMITED RELIEF FROM THE AUTOMATIC STAY TO EXERCISE TERMINATION RIGHTS WITH RESPECT TO CERTAIN DLA CONTRACTS AND DELIVERY ORDERS

The United States, on behalf of the Defense Logistics Agency ("DLA"), a combat support agency of the Department of Defense, moves under 11 U.S.C. § 362(d)(1), Fed. R. Bankr. P. 4001(a), and Del. Bankr. L.R. 4001-1 for limited relief from the automatic stay. DLA seeks to terminate approximately 21,000 open delivery orders for military supplies and services issued to Debtor Noble Supply & Logistics, LLC ("Noble"), nearly all past due or slated for termination by agreement. DLA also seeks to end Noble's obligation to staff an on-site supply store at a U.S. Army depot. These orders and the contract that contains the staffing obligation are executory, which DLA will not allow Noble to assume, giving cause for relief from the stay. In support of this Motion, the United States respectfully states as follows:

[1] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Noble Supply & Logistics, LLC (7926); COTS Solutions, LLC (4477); Federal Resources Supply Company, LLC (3636); FRS Holdings, LLC (2327); K.D. JURISDICTION AND VENUE

The Court has jurisdiction over this Motion under 28 U.S.C. §§ 157 and 1334. This is a core proceeding under 28 U.S.C. § 157(b)(2)(G), and venue is proper under 28 U.S.C. §§ 1408 and 1409. Under Local Rule 9013-1(f), the United States does not consent to the entry of a final order or judgment by the Court on this Motion if it is determined that the Court, absent consent of the parties, cannot enter final orders or judgments consistent with Article III of the United States Constitution.

BACKGROUND

1. On August 30, 2026 (the "Petition Date"), Noble and its affiliated debtors (collectively, the "Debtors") filed voluntary petitions under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). The Debtors are operating as debtors-in-possession and are moving quickly to sell substantially all of their assets. *See* Parker Decl. ¶ 12.

2. Before the Petition Date, Noble entered into indefinite-delivery, indefinite-quantity ("IDIQ") contracts with DLA (the "DLA Contracts"). An IDIQ contract commits the Government to buy only a stated minimum of supplies or services; beyond that, it sets the terms by which the Government may buy more by placing orders. *See* 48 C.F.R. § 16.504(a). DLA made purchases from Noble through delivery orders ("Delivery Orders"), each subject to the terms of its IDIQ. *See* 48 C.F.R. § 52.216-18(b). The DLA Contracts cover hardware supplies (the "FSG-53 Contract"), special operational equipment (the "SOE Contracts"), fire and emergency services equipment (the "FESE Contracts"), and maintenance, repair, and operations supplies (the "MRO Contracts"). Parker Decl. ¶¶ 1, 3; Cuorato Decl. ¶¶ 1, 4, 7–8; Vendetti Decl. ¶¶ 1, 4, 7–12.[2]

[2] The Declaration of Amanda Parker (the "Parker Declaration" or "Parker Decl."), the Declaration of John S. Cuorato, Jr. ("Cuorato Decl."), and the Declaration of Lauren E. Vendetti ("Vendetti Decl.") (together, the "Declarations") are attached as Exhibits B, C, and D, respectively.

3. Under one of the MRO Contracts, Contract No. SPE8E3-25-D-0009 (the "Northeast Zone 2 Contract"), Noble staffs an on-site supply store at a U.S. Army depot (the "Storefront Requirement"). Vendetti Decl. ¶ 9. The ordering period for this contract runs through January 14, 2027, and DLA pays approximately $8,312 a month to Noble through a monthly Delivery Order. *Id.*

4. Each Delivery Order is a self-contained purchase. It has its own number and specifies its own supplies or services, quantity, price, and delivery date. DLA funds each Delivery Order when issued, and delivery, acceptance, invoicing, and payment proceed sequentially for each separate order. The price of one Delivery Order does not depend on other orders, and a missed delivery under one order is not, by itself, a breach of another order. Parker Decl. ¶¶ 4–5; Cuorato Decl. ¶¶ 4–6; Vendetti Decl. ¶¶ 4–6. Under the SOE, FESE, and MRO Contracts, each order was also priced separately: Noble quoted a price for each requirement, prices for the same items varied from order to order, and Noble was bound only after DLA approved its quote and issued the order. Cuorato Decl. ¶ 5; Vendetti Decl. ¶ 5.

5. The DLA Contracts have largely run their course. DLA ordered the guaranteed minimum under the FSG-53, FESE, and MRO Contracts, and the ordering periods for most of the contracts have expired. Parker Decl. ¶¶ 3, 6; Cuorato Decl. ¶¶ 8–9; Vendetti Decl. ¶¶ 7–12. The SOE Contracts were terminated for cause on August 27, 2026. Cuorato Decl. ¶ 7. DLA has no obligations to issue new Delivery Orders, and apart from the Storefront Requirement, Noble has no obligation to supply anything except under Delivery Orders already issued. Parker Decl. ¶ 6; Cuorato Decl. ¶ 9; Vendetti Decl. ¶ 12. Further, Noble agreed to terminate thousands of individually identified FSG-53 Delivery Orders, and DLA terminated more than 2,000 SOE,

FESE, and MRO Delivery Orders before the Petition Date, while other orders remain outstanding. Parker Decl. ¶ 7; Cuorato Decl. ¶¶ 7, 10; Vendetti Decl. ¶ 13.

6. DLA now seeks to terminate approximately 21,000 Delivery Orders under the FSG-53, SOE, and MRO Contracts, as listed on Schedule A to each Declaration (the "Schedule A Orders").[3] DLA identified the Schedule A Orders by reviewing each open Delivery Order individually and determining that nearly all are past due or are orders Noble already agreed to terminate. Parker Decl. ¶¶ 7–9; Cuorato Decl. ¶ 11; Vendetti Decl. ¶ 14. As of the Petition Date, Noble had not completed delivery under any Schedule A Order, and DLA had not accepted the undelivered supplies or services or, except for Delivery Order SPE8E324F8106, paid for them. Parker Decl. ¶ 10; Cuorato Decl. ¶ 12; Vendetti Decl. ¶ 15. Until the Schedule A Orders are terminated, DLA cannot buy those supplies and services elsewhere, the military customers who need them must wait, and the funds DLA obligated for the orders when it issued them remain earmarked. Parker Decl. ¶¶ 5, 13; Cuorato Decl. ¶¶ 6, 15; Vendetti Decl. ¶¶ 6, 18.

7. With respect to the Northeast Zone 2 Contract, DLA intends to issue one final order for the store's remaining inventory and, once the stay is lifted, terminate the Storefront Requirement. Vendetti Decl. ¶ 13.

[3] Schedule A lists 20,694 FSG-53, 132 SOE, and 213 MRO Delivery Orders. Parker Decl. ¶ 9; Cuorato Decl. ¶ 11; Vendetti Decl. ¶ 14. Of the FSG-53 Schedule A Orders, approximately 12,340 are Delivery Orders that Noble agreed to terminate (approximately 11,500 before the Petition Date and 840 after it), but the automatic stay has kept DLA from completing the terminations. Parker Decl. ¶ 7. Approximately 7,800 more orders were past due on the Petition Date or became past due by September 30, 2026. *Id.* The other 543 come due after Noble's proposed sale. *Id.* ¶¶ 8–9. Of the 345 SOE and MRO Schedule A Orders, 288 were past due on the Petition Date, 32 come due on or before November 28, 2026, and 25 come due after that date. Cuorato Decl. ¶ 11; Vendetti Decl. ¶ 14.

RELIEF REQUESTED

8. The United States requests entry of an order, substantially in the form attached as Exhibit A, modifying the automatic stay so that DLA may terminate the Schedule A Orders and the Storefront Requirement, including by issuing notices and taking any other steps that the DLA Contracts and federal procurement law require.[4] The United States also asks the Court to waive the fourteen-day stay under Bankruptcy Rule 4001(a)(3) because the military needs the supplies and services that Noble has not delivered under the Schedule A Orders.[5] Counsel for the United States will confer with the Debtors' counsel before the hearing as required by Local Rule 4001-1(d).

SUPPORT FOR RELIEF REQUESTED

9. Absent relief, the automatic stay prevents DLA from terminating the Schedule A Orders and the Storefront Requirement. *See* 11 U.S.C. § 362(a)(3); *In re Computer Commc'ns, Inc.*, 824 F.2d 725, 728–31 (9th Cir. 1987). Under controlling Third Circuit precedent, cause exists to lift the stay so that a party may terminate a contract that the debtor cannot assume. *In re West Elecs., Inc.*, 852 F.2d 79, 83–84 (3d Cir. 1988). Noble cannot assume the DLA Contracts without DLA's consent, and DLA does not consent.

[4] Granting this relief does not require the Court to decide whether any termination is proper. Stay-relief proceedings are "summary proceeding[s] of limited effect." *In re Mullarkey*, 536 F.3d 215, 226–27 (3d Cir. 2008) (quoting *Grella v. Salem Five Cent Sav. Bank*, 42 F.3d 26, 32–33 (1st Cir. 1994)). Any dispute over a termination may proceed under the Contract Disputes Act. *See* 41 U.S.C. §§ 7103–7104.

[5] The relief does not impact any other Delivery Order, including the FSG-53 Delivery Orders listed on Schedule B to the Parker Declaration, which are not past due and which DLA intends to let Noble continue performing. Parker Decl. ¶¶ 8–9.

A. Section 362(d)(1) Requires Relief from the Stay for Cause.

10. Section 362(d)(1) requires the Court to grant relief from the stay, including by modifying it, "for cause." 11 U.S.C. § 362(d)(1). Cause is not defined, so courts decide whether it exists case by case, based on the totality of the circumstances. *In re Wilson*, 116 F.3d 87, 90 (3d Cir. 1997); *In re Rexene Prods. Co.*, 141 B.R. 574, 576 (Bankr. D. Del. 1992). Courts weigh the prejudice to the debtor or the estate, the balance of hardships, and the movant's probability of success on the merits. *Rexene*, 141 B.R. at 576. Cause exists here for two independent reasons: *West Electronics* bars assumption of the DLA Contracts (Part B), and the *Rexene* factors favor immediate termination (Part C).

B. Cause Exists to Lift the Stay Because DLA Does Not Consent to Noble's Assumption of the Schedule A Orders or the Northeast Zone 2 Contract.

11. In *West Electronics*, the debtor could not assume its government contract without the Government's consent. The Third Circuit therefore held that the debtor "did not have a legally cognizable interest in the contract and it was an abuse of discretion for the court to decline to lift the stay." 852 F.2d at 83–84. Courts in this District have granted stay relief on that basis. *See In re Trump Entm't Resorts, Inc.*, 526 B.R. 116, 121–22, 127 (Bankr. D. Del. 2015) (granting relief on that basis although the *Rexene* factors did not favor it); *see also In re Valley Media, Inc.*, 279 B.R. 105, 138 (Bankr. D. Del. 2002) ("The remedy of the non-debtor party is a motion to lift the automatic stay in order to terminate the non-assumable contract.").

1. Each Schedule A Order Is a Separate Executory Contract.

12. Section 365 applies to each Schedule A Order on its own because each Delivery Order is a separate contract. Specifically, federal procurement law treats a purchase or delivery order as a contract in its own right. 48 C.F.R. § 2.101 (defining "contract" to include "orders, such as purchase orders"). The Supreme Court has accordingly held that an order under a Federal Supply

Schedule ("FSS") contract is a contract of its own: "The placement of the order creates a new contract; the underlying FSS contract gives the Government the option to buy, but it does not require the Government to make a purchase or expend funds." *Kingdomware Techs., Inc. v. United States*, 579 U.S. 162, 174 (2016). An IDIQ contract works the same way. Quantities beyond an IDIQ's minimum "are estimates only and are not purchased by this contract." 48 C.F.R. § 52.216-22(a). Once the Government orders the minimum, its "legal obligation under the contract is satisfied." *Travel Centre v. Barram*, 236 F.3d 1316, 1319 (Fed. Cir. 2001). Obligations to deliver and pay for anything more arise only when an order is placed. *See* ¶¶ 4–5, *supra*.

13. General contract principles support the same conclusion. An agreement is divisible, and each part is a separate contract for purposes of section 365, if it "includes two or more promises which can be acted on separately such that the failure to perform one promise does not necessarily put the promisor in breach of the entire agreement." *In re Instant Brands Acquisition Holdings Inc.*, 170 F.4th 928, 933–34 (5th Cir. 2026) (quotation marks omitted); *see In re Hawker Beechcraft, Inc.*, No. 12-11873 (SMB), 2013 WL 2663193, at *10 (Bankr. S.D.N.Y. June 13, 2013) ("Each Purchase Order is a separate contract for purposes of Bankruptcy Code § 365."). In *Instant Brands*, a master supply agreement governed the parties' relationship but did not require the buyer to buy any quantity or set a price, and the parties assented separately to each purchase order, each with its own price. 170 F.4th at 933–35. The Fifth Circuit held that the purchase orders were divisible from the master agreement, so assigning the master agreement did not assume and assign completed orders. *Id.* at 935–36. The Delivery Orders share those features: no DLA Contract requires DLA to buy anything more, each order has its own price, quantity, delivery date, and funding, and under the SOE, FESE, and MRO Contracts the parties agreed on each order's

price separately. *See* ¶¶ 4–5, *supra*. And thousands of orders have been terminated individually while others under the same contracts continued. *See id.*; *cf. Instant Brands*, 170 F.4th at 935.

14. Nor does incorporating each IDIQ's terms merge its orders into one contract. *See* 48 C.F.R. § 52.216-18(b) (orders are "subject to the terms and conditions of this contract"). Incorporation carries those terms into each order; it does not fold the orders together. *See Hawker Beechcraft*, 2013 WL 2663193, at *10; *Instant Brands*, 170 F.4th at 934 & n.1.

15. Each Schedule A Order was executory on the Petition Date because material performance remained due on both sides: Noble had yet to complete delivery, and DLA had yet to accept what remained undelivered and, except for Delivery Order SPE8E324F8106, to pay for it. *See* ¶ 6, *supra*; *In re Columbia Gas Sys. Inc.*, 50 F.3d 233, 239 (3d Cir. 1995). The Northeast Zone 2 Contract is executory too: Noble must keep staffing the store, and DLA must keep paying for that staffing each month. *See* ¶ 3, *supra*.

2. Federal Law Bars Assumption Without DLA's Consent.

16. Section 365(c)(1) bars a debtor in possession from assuming an executory contract without the other party's consent when "applicable law excuses" that party "from accepting performance from or rendering performance to an entity other than the debtor or the debtor in possession." 11 U.S.C. § 365(c)(1). The Anti-Assignment Act (the "Act"), in turn, provides that "[t]he party to whom the Federal Government gives a contract or order may not transfer the contract or order, or any interest in the contract or order, to another party." 41 U.S.C. § 6305(a) (formerly 41 U.S.C. § 15).

17. In *West Electronics*, the Third Circuit became the first court of appeals to hold that section 365(c)(1) "creates a hypothetical test," so that a debtor may not assume a contract that applicable law would bar it from assigning, whether or not it intends to assign it. 852 F.2d at 83.

Relying on the Act, the court held that a debtor may not assume a government contract without the Government's consent. *Id.* at 83–84. Because the Act applies to each "contract or order," it applies to each Schedule A Order and to the Northeast Zone 2 Contract. DLA does not consent to the assumption of any Schedule A Order or of the Northeast Zone 2 Contract, and it will not agree to a novation. Neither accepting Noble's continued performance nor issuing orders after the Petition Date is consent. Parker Decl. ¶ 12; Cuorato Decl. ¶ 14; Vendetti Decl. ¶ 17. Section 365(c)(1), therefore, bars Noble from assuming the Schedule A Orders and the Northeast Zone 2 Contract.

C. The Balance of Harms Favors Immediate Relief.

18. The *Rexene* factors point the same way. Nearly all of the Schedule A Orders are past due or are orders that Noble agreed to terminate, and most of the rest come due only after the Debtors' proposed sale. *See* ¶ 6, *supra*. No Schedule A Order can be assigned to a buyer, so relief would not prejudice the estate. Continuing the stay, by contrast, would only keep DLA bound to orders that Noble cannot assume or transfer. Meanwhile, the military waits and the obligated funds stay tied up. *See* ¶ 6, *supra*. And DLA's right to terminate is clear. *See* 48 C.F.R. § 52.212-4(l), (m); Parker Decl. ¶ 11; Cuorato Decl. ¶ 13; Vendetti Decl. ¶ 16.

19. For the same reasons, waiver of the fourteen-day stay under Bankruptcy Rule 4001(a)(3) is warranted. Until the Schedule A Orders are terminated, DLA cannot buy elsewhere what the military needs, and it must start doing so promptly. *See* ¶ 6, *supra*.

CONCLUSION

WHEREFORE, the United States respectfully requests that the Court enter the proposed order attached as Exhibit A (a) modifying the automatic stay to permit DLA to exercise its termination rights with respect to the Schedule A Orders and the Storefront Requirement, including by issuing any notices and taking any other contractual or administrative steps required to

effectuate such terminations in accordance with the applicable contract terms and procurement law; (b) waiving the fourteen-day stay under Bankruptcy Rule 4001(a)(3); and (c) granting such other and further relief as the Court deems just and proper.

DECLARATION OF AMANDA PARKER IN SUPPORT OF MOTION OF THE UNITED STATES FOR LIMITED RELIEF FROM THE AUTOMATIC STAY TO EXERCISE TERMINATION RIGHTS WITH RESPECT TO CERTAIN DLA CONTRACTS AND DELIVERY ORDERS

I, Amanda Parker, hereby declare under penalty of perjury:

1. I am a Supervisory Contracting Officer and Division Chief at the Defense Logistics Agency ("DLA") – Weapons Support. In that capacity, I oversee administration of the FSG-53 Contract, among other programs. I am a warranted Contracting Officer with authority to administer and terminate the contracts and delivery orders described below.

2. I submit this Declaration in support of the Motion of the United States for Limited Relief from the Automatic Stay to Exercise Termination Rights with Respect to Certain DLA Contracts and Delivery Orders (the "Motion"). Unless otherwise stated, the facts in this Declaration are based on my personal knowledge, my official responsibilities, and DLA records that I review and rely on in the ordinary course of those responsibilities.

3. The FSG-53 Contract is an indefinite delivery, indefinite quantity contract under which DLA issues delivery orders to Noble Supply & Logistics, LLC ("Noble") for items of

[1] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Noble Supply & Logistics, LLC (7926)("Noble"); COTS Solutions, LLC (4477); Federal Resources Supply Company, LLC (3636); FRS Holdings, LLC (2327); K.D. Analytical Consulting, LLC (6637); KDA Acquisition, LLC (5870); Noble Defense Corporation (N/A); Noble Equity Holdings, LLC (0851); Noble.com, LLC (4712); Noble Mission Support, LLC (7908); and Tactical & Survival Specialties, LLC (2266).

hardware supply to be delivered by a specified date. The FSG-53 Contract's number is SPE4AX-21-D-9407. Due to limitations the DLA electronic contracting system places on the number of orders that can be associated with a single contract number, the following contract numbers were created administratively under that contract: SPE4AX-23-D-9408, SPE4AX-23-D-9409, SPE4AX-23-D-9410, and SPE4AX-23-D-9413 (together with SPE4AX-21-D-9407, the "FSG-53 Contract"). The ordering period under the FSG-53 Contract ended on June 30, 2026. No further delivery orders will be issued under the FSG-53 Contract. Delivery orders issued before the ordering period ended remain open until they are completed or terminated.

4. DLA purchases supplies under the FSG-53 Contract only by issuing delivery orders. DLA issues each delivery order individually, for a particular requirement, and each order is separately numbered and identifies the items, quantity, price, delivery destination, and required delivery date for that purchase. The terms of the FSG-53 Contract apply to each order. Under the terms of the FSG-53 Contract, Noble may not decline an order. The unit price of each item is established in the FSG-53 Contract. The price of each order is established by applying the contract unit price for the ordered item to the quantity ordered. The price of one delivery order does not depend on the quantity or price of any other, and the FSG-53 Contract does not contain any volume discount or rebate.

5. When DLA issues a delivery order, it obligates funds for that order in the amount of the order's price. Noble delivers the items ordered under each delivery order against that order; DLA receives, inspects, and accepts them against that order; and Noble invoices, and DLA pays, by reference to that order. Delivery under one delivery order does not satisfy any other, and a failure to deliver under one order is not, by itself, a failure to perform any other. The FSG-53 Contract does not provide that a default under one delivery order is a default under another. The

FSG-53 Contract includes performance metrics, incentives and disincentives based on Noble's on-time delivery performance and cost containment across all orders. Any incentive payments or disincentives are paid or assessed separately from the delivery orders and do not change the price of any delivery order. The inclusion of such metrics, incentives and disincentives across the totality of orders does not preclude termination of any single delivery order for cause based on Noble's failure to timely deliver that order.

6. The FSG-53 Contract guaranteed Noble a minimum order amount of $1,000. Beyond that minimum, the quantities stated in the contract were estimates that DLA was not obligated to order. DLA ordered at least the guaranteed minimum before the ordering period ended. Additionally, the contract required DLA to purchase residual and committed inventory up to 100% of the actual demand experienced in the nine months preceding buyback implementation. DLA issued orders to satisfy that obligation prior to the end of the ordering period on June 30, 2026. Now that the ordering period has ended, DLA has no obligation to order anything further under the FSG-53 Contract, and Noble has no obligation to supply anything under it except under delivery orders already issued.

7. As of August 30, 2026, 21,693 delivery orders remained open under the FSG-53 Contract. As of September 30, 2026, 21,624 delivery orders remained open. Of those, Noble and DLA had agreed to terminate approximately 11,500 individually identified delivery orders before Noble filed for bankruptcy, and soon after the bankruptcy filing they agreed to terminate another approximately 840 individually identified delivery orders. The automatic stay has prevented DLA from issuing the modifications needed to terminate any of those delivery orders. Approximately 7,800 other orders were past due on August 30, 2026, or became past due between August 30 and

September 30, 2026. All of these 20,151 orders are listed in Schedule A. The remaining 1,473 delivery orders continued in effect.

8. Of the remaining 1,473 open delivery orders, none of which was past due as of September 30, 2026, **930** are due for delivery on or before the date by which Noble proposes to complete the sale of its business, and the other **543** are due after that date.

9. Schedule A to this Declaration lists the 20,694 open FSG-53 delivery orders (the 20,151 orders described in paragraph 7 and the 543 orders described in paragraph 8 that are due after Noble's proposed sale) that DLA intends to take affirmative steps to terminate if the Court grants the Motion (the "Schedule A Orders"). Schedule B lists the 930 open FSG-53 delivery orders that are not past due and are due on or before Noble's proposed sale date, which DLA intends to permit Noble to continue performing (the "Schedule B Orders"); DLA does not currently seek relief as to the Schedule B Orders. DLA identified the Schedule A Orders by reviewing each open delivery order individually, considering its required delivery date, Noble's performance status, whether the ordered items remain required, and whether performance can reasonably be completed within Noble's sale timeline.

10. For each Schedule A Order, material performance remained due on August 30, 2026: Noble had not completed the items the order requires, and DLA had not received, accepted, or paid for the undelivered items. DLA has made no advance or progress payment for undelivered items under any Schedule A Order.

11. The FSG-53 Contract and its delivery orders incorporate FAR 52.212-4(l) and (m), which permit the Government to terminate "this contract, or any part hereof," for its convenience or for cause. The contracting officer terminates a delivery order by issuing a modification to that order, which does not terminate or modify the governing ID/IQ contract or any other delivery

order. DLA therefore can terminate the Schedule A Orders while leaving the Schedule B Orders in place.

12. I am aware that Noble has announced its intention to sell all or substantially all of its assets within 75 days from the date of its bankruptcy petition. DLA will not consent to the assignment of Noble's obligations under the FSG-53 Contract, or any of the outstanding delivery orders issued under it, to another entity. Nor will DLA agree to novate the contract or those delivery orders. DLA likewise does not consent to Noble's assumption of the FSG-53 Contract or any of those delivery orders. The FSG-53 Contract does not contain any provision by which DLA agreed in advance to consent to an assignment or novation, or agreed that it would not unreasonably withhold such consent. DLA's acceptance of Noble's continued performance under the Schedule B Orders is not consent to Noble's assumption or assignment of any contract or delivery order.

13. In order to ensure DLA can meet its customers' mission needs through the proper administration and timely delivery of orders, DLA intends, subject to the Court's approval of the Motion, to take affirmative steps to terminate the Schedule A Orders. Because DLA will not consent to the assignment of Noble's obligations, Noble will be unable to perform the **543** open delivery orders that are due after its proposed sale unless it completes them before the sale closes. Until DLA can terminate the Schedule A Orders, it cannot treat those requirements as released from Noble and obtain the items elsewhere. Additionally, DLA must "hold" the obligated dollar value of the orders; that is, DLA may not use the money obligated against these orders to satisfy other warfighter requirements.

I declare under penalty of perjury that the foregoing is true and correct.

DECLARATION OF JOHN S. CUORATO, JR. IN SUPPORT OF MOTION OF THE UNITED STATES FOR LIMITED RELIEF FROM THE AUTOMATIC STAY TO EXERCISE TERMINATION RIGHTS WITH RESPECT TO CERTAIN DLA CONTRACTS AND DELIVERY ORDERS

I, John S. Cuorato, Jr., hereby declare under penalty of perjury:

1. I am the Supervisory Supplier Operations Division Chief of the Fire & Marine Division within the Defense Logistics Agency ("DLA") – Troop Support's Construction & Equipment Directorate ("C&E"). In that capacity, I oversee administration of the federal contracting programs known as the Special Operational Equipment Tailored Logistics Support Program (the "SOE TLSP") and Fire & Emergency Services Equipment Tailored Logistics Support Program (the "FESE TLSP"), among other programs. I am a warranted Contracting Officer with authority to administer and terminate the contracts and delivery orders described below.

2. I submit this Declaration in support of the Motion of the United States for Limited Relief from the Automatic Stay to Exercise Termination Rights with Respect to Certain DLA Contracts and Delivery Orders (the "Motion"). Unless otherwise stated, the facts in this

[1] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Noble Supply & Logistics, LLC (7926)("Noble"); COTS Solutions, LLC (4477); Federal Resources Supply Company, LLC (3636); FRS Holdings, LLC (2327); K.D. Analytical Consulting, LLC (6637); KDA Acquisition, LLC (5870); Noble Defense Corporation (N/A); Noble Equity Holdings, LLC (0851); Noble.com, LLC (4712); Noble Mission Support, LLC (7908); and Tactical & Survival Specialties, LLC (2266).

Declaration are based on my personal knowledge, my official responsibilities, and DLA records that I review and rely on in the ordinary course of those responsibilities.

3. DLA is the United States' logistics combat support agency. It manages the global defense supply chain for the military services, the combatant commands, and other federal, state, and local agencies and partner and allied nations, and it is a component of the U.S. Department of War. DLA – Troop Support, a major subordinate command of DLA, supplies food, clothing, medical supplies and equipment, construction supplies and equipment, and supply-related services to the U.S. military and other authorized partners worldwide.

4. The SOE TLSP and the FESE TLSP are each an indefinite delivery, indefinite quantity ("IDIQ") contracting program issued pursuant to Parts 12, 15, and 16 of the Federal Acquisition Regulation ("FAR"), as supplemented. Each consists of a base ordering contract, as well as related administrative contracts, under which delivery orders may be issued for individual requirements, within stated limits, during the contract term. Debtor Noble Supply & Logistics, LLC ("Noble") held contracts under both programs.

5. DLA purchases supplies and services under these programs only by issuing delivery orders. DLA issues each delivery order individually, for a particular requirement, and each order is separately numbered and identifies the supplies or services, quantity, price, delivery location, and required delivery date for that purchase. The terms of the governing IDIQ contract apply to each order. Each order is priced through a quotation that Noble submits for that particular requirement, so prices for the same or similar items have varied from one order to another. The price of one delivery order does not depend on the quantity or price of any other, and the contracts do not contain any volume discount, rebate, or other pricing term that aggregates delivery orders. Under the programs, DLA receives requirements from its customers and solicits them via Requests

for Quotations to all contract holders. After quotations are evaluated, DLA awards a delivery order to the contract holder that has offered the best value to the Government, typically at the lowest price for the requirement. Noble was not required to quote on every requirement, and it became obligated to perform a requirement only when DLA accepted its quotation and issued a delivery order to it.

6. When DLA issues a delivery order, it obligates funds for that order in the amount of the order's price. Noble delivers the supplies or services ordered under each delivery order against that order; DLA's customers receive, inspect, and accept them against that order; where required based on the order value, Noble submits proof of delivery documentation, which DLA vets for accuracy and responds to with a goods receipt; and then Noble invoices, and DLA pays, by reference to that order. Delivery under one delivery order does not satisfy any other, and a failure to deliver under one order is not, by itself, a failure to perform any other. The contracts do not provide that a default under one delivery order is a default under another.

7. Noble held contracts under the prior and current generations of the SOE TLSP. Noble's most recent contracts under the SOE TLSP were SPE8EJ-21-D-0022 and its administrative contracts, SPE8EJ-21-D-0036, SPE8EJ-21-D-0037, SPE8EJ-21-D-1022, SPE8EJ-21-D-0028, and SPE8EJ-21-D-1028 (collectively, the "SOE Contracts"). Those contracts, and many delivery orders, were terminated for cause on August 27, 2026. No further delivery orders will be issued under their terms. However, a number of delivery orders issued to Noble under the SOE TLSP were not terminated prior to the bankruptcy and remain subject to outstanding obligations, including delivery.

8. Noble also held contracts under the prior and current generations of the FESE TLSP. Noble's most recent contracts under the FESE TLSP were SPE8EH-24-D-0003 and its

administrative contracts, SPE8EH-24-D-1003 and SPE8EH-26-D-1003 (collectively, the "FESE Contracts"). DLA declined to exercise the first option period on those contracts. The contracts lapsed on March 13, 2026, when their ordering periods expired, and no further delivery orders will be issued under their terms.

9. The FESE Contracts guaranteed Noble a minimum order amount, and DLA ordered at least that minimum before the FESE ordering period expired. Beyond the minimum, the quantities stated in the FESE Contracts were estimates that DLA was not obligated to order. DLA therefore has no obligation to order anything further under the FESE Contracts, and since the August 27, 2026 termination, DLA has no right to order anything further under the SOE Contracts. Noble has no obligation to supply anything under either group of contracts except under delivery orders already issued.

10. DLA administers SOE and FESE delivery orders individually; terminating or modifying one delivery order does not terminate or modify any other. DLA's August 27, 2026 action terminated the SOE Contracts and 1,360 SOE delivery orders, while leaving others open, and the open orders were not affected by the termination of the SOE Contracts or of the other orders. Before August 30, 2026, DLA had also terminated 115 FESE delivery orders, while other FESE delivery orders remained open on that date and were not affected by those terminations. Noble has since completed delivery under each of those remaining FESE delivery orders, and DLA does not seek relief from the stay as to any FESE delivery order. Performance under the terminated orders will not proceed. If the Court grants the Motion, DLA intends to take the affirmative steps required under the applicable contract terms and procurement law to terminate the remaining SOE

delivery orders that have pending, unfulfilled delivery obligations. Those orders are listed on Schedule A to this Declaration (the "Schedule A Orders").

11. DLA identified the Schedule A Orders by reviewing each open delivery order individually, considering its required delivery date, Noble's performance status, and whether delivery of the ordered supplies or services has been confirmed. Schedule A lists 132 SOE delivery orders (151 line items), with the governing contract, required delivery date, and quantity Noble had not delivered as of October 1, 2026, for each line item. Based on their required delivery dates, 86 of those orders were past due on August 30, 2026. Of the other 46, 24 are due on or before November 28, 2026, and 22 are due after that date.

12. For each Schedule A Order, material performance remained due on August 30, 2026: Noble had not completed delivery of the supplies or services the order requires, DLA's customers had not received or accepted the undelivered supplies or services, and DLA had not paid for them. DLA has made no advance or progress payment for undelivered supplies or services under any Schedule A Order.

13. Because the SOE TLSP and FESE TLSP were issued under FAR Part 12, the SOE Contracts and FESE Contracts incorporate FAR 52.212-4(l) and (m), which permit the Government to terminate "this contract, or any part hereof," for its convenience or for cause. Terminating a delivery order ends Noble's obligation to perform that order and does not, by itself, terminate the governing IDIQ contract or any other delivery order.

14. I am aware that Noble has announced its intention to sell all or substantially all of its assets within 75 days from the date of its bankruptcy petition. DLA will not consent to the assignment of Noble's obligations under the SOE Contracts or the FESE Contracts, or any of the outstanding delivery orders issued under them, to another entity. Nor will DLA agree to novate

those contracts or delivery orders. DLA likewise does not consent to Noble's assumption of those contracts or delivery orders. The SOE Contracts and FESE Contracts do not contain any provision by which DLA agreed in advance to consent to an assignment or novation, or agreed that it would not unreasonably withhold such consent. DLA's acceptance of Noble's continued performance under any non-terminated delivery orders, and its issuance of any delivery order after August 30, 2026, is not consent to Noble's assumption or assignment of any contract or delivery order.

15. In order to ensure DLA can meet its customers' mission needs through the proper administration and timely delivery of orders, DLA intends, subject to the Court's approval of the Motion, to take the affirmative steps required to terminate the Schedule A Orders. Until DLA can terminate those orders, it cannot treat their requirements as released from Noble and obtain the supplies or services elsewhere. This delays the military's receipt of the special operational and fire and emergency equipment that it needs to conduct its mission on a daily basis. Additionally, DLA must "hold" the obligated dollar value of the Schedule A Orders; that is, DLA may not use the money obligated against these orders to satisfy other warfighter requirements.

I declare under penalty of perjury that the foregoing is true and correct.

DECLARATION OF LAUREN E. VENDETTI IN SUPPORT OF MOTION OF THE UNITED STATES FOR LIMITED RELIEF FROM THE AUTOMATIC STAY TO EXERCISE TERMINATION RIGHTS WITH RESPECT TO CERTAIN DLA CONTRACTS AND DELIVERY ORDERS

I, Lauren E. Vendetti, hereby declare under penalty of perjury:

1. I am the Supervisory Supplier Operations Division Chief of the Maintenance, Repair, and Operations ("MRO") & Metals Division within the Defense Logistics Agency ("DLA") – Troop Support's Construction & Equipment Directorate ("C&E"). In that capacity, I oversee administration of the federal contracting programs known as the MRO Tailored Logistics Support Program ("TLSP") for all regions within the contiguous United States ("CONUS") and its outlying areas, as well as the U.S. Central Command ("CENTCOM") area of responsibility ("AoR"). I also assist with administration of the MRO TLSPs covering Europe and Africa, Zone 1 (North of the Alps) and the U.S. Indo-Pacific Command ("INDOPACOM") area of responsibility (Japan, Korea and various Pacific Islands), among other programs. I am a warranted Contracting Officer with authority to administer and terminate the contracts and delivery orders described below.

[1] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Noble Supply & Logistics, LLC (7926)("Noble"); COTS Solutions, LLC (4477); Federal Resources Supply Company, LLC (3636); FRS Holdings, LLC (2327); K.D. Analytical Consulting, LLC (6637); KDA Acquisition, LLC (5870); Noble Defense Corporation (N/A); Noble Equity Holdings, LLC (0851); Noble.com, LLC (4712); Noble Mission Support, LLC (7908); and Tactical & Survival Specialties, LLC (2266).

2. I submit this Declaration in support of the Motion of the United States for Limited Relief from the Automatic Stay to Exercise Termination Rights with Respect to Certain DLA Contracts and Delivery Orders (the "Motion"). Unless otherwise stated, the facts in this Declaration are based on my personal knowledge, my official responsibilities, and DLA records that I review and rely on in the ordinary course of those responsibilities.

3. DLA is the United States' logistics combat support agency. It manages the global defense supply chain for the military services, the combatant commands, and other federal, state, and local agencies and partner and allied nations, and it is a component of the U.S. Department of War. DLA – Troop Support, a major subordinate command of DLA, supplies food, clothing, medical supplies and equipment, construction supplies and equipment, and supply-related services to the U.S. military and other authorized partners worldwide.

4. The MRO TLSPs for various regions are indefinite delivery, indefinite quantity ("IDIQ") contracting programs issued pursuant to Parts 12, 15, and 16 of the Federal Acquisition Regulation ("FAR"), as supplemented. They consist of a base ordering contract, as well as related administrative contracts, under which delivery orders may be issued for individual requirements, within stated limits, during the contract term. Debtor Noble Supply & Logistics, LLC ("Noble") has held MRO TLSP contracts for several regions, as described below.

5. DLA purchases supplies and services under the MRO TLSPs only by issuing delivery orders. DLA issues each delivery order individually, for a particular requirement, and each order is separately numbered and identifies the supplies or services, quantity, price, delivery location, and required delivery date for that purchase. The terms of the governing IDIQ contract apply to each order. Each order is priced through a quotation that Noble submits for that particular requirement, so prices for the same or similar items have varied from one order to another. The

price of one delivery order does not depend on the quantity or price of any other, and the contracts do not contain any volume discount, rebate, or other pricing term that aggregates delivery orders. Under the program, Noble obtains and prices requirements from DLA's customers and submits a proposed delivery order package for each requirement, including competitive quotations, to the contracting officer for approval. Once approved, the delivery order is issued to Noble for fulfillment according to its terms.

6. When DLA issues a delivery order, it obligates funds for that order in the amount of the order's price. Noble delivers the supplies or services ordered under each delivery order against that order; DLA's customers receive, inspect, and accept them against that order; where required based on the order value, Noble submits proof of delivery documentation, which DLA vets for accuracy and responds to with a goods receipt; and then Noble invoices, and DLA pays, by reference to that order. Delivery under one delivery order does not satisfy any other, and a failure to deliver under one order is not, by itself, a failure to perform any other.

7. Noble previously held a series of contracts for the MRO TLSP for Europe & Africa, Zone 1 (North of the Alps). Its most recent contracts for that region included SPE5B1-15-D-0001, SPE5B1-19-D-0001, and SPE5B1-21-D-0002. Those contracts have all expired, the latest having reached the conclusion of its ordering period on May 19, 2026, and no further delivery orders will be issued under their terms. However, certain delivery orders issued to Noble under the MRO TLSP for Europe & Africa, Zone 1 remain subject to outstanding obligations at this time, including delivery.

8. Noble also previously held a contract for the MRO TLSP for the Pacific Region, Zone 1 (Japan, the Philippines, Thailand, Singapore, and Outlying Islands). Its contracts for that region included SPE8E3-21-D-0006 and SPE8E3-21-D-0014. Those contracts have expired,

having reached the conclusion of their ordering periods on May 12, 2026, and no further delivery orders will be issued under their terms. However, certain delivery orders issued to Noble under the MRO TLSP for the Pacific Region, Zone 1 remain subject to outstanding obligations at this time, including delivery.

9. Noble previously held, and currently holds, a contract for the MRO TLSP for the Northeast (CONUS) Region, Zone 2. Noble's most recent contracts for that region have included SPE8E3-21-D-0009, SPE8E3-23-D-0002, SPE8E3-24-D-0004, SPE8E3-24-D-0022, SPE8E3-25-D-0007, and SPE8E3-25-D-0009, as well as related administrative and "bridge" contract numbers. All of Noble's contracts under the MRO TLSP for the Northeast Region, Zone 2 have either expired, having reached the ends of their ordering periods, or have had their guaranteed minimum ordering values satisfied. However, Noble's current Northeast contract, Contract No. SPE8E3-25-D-0009, has an ordering period that runs through January 14, 2027, and it requires Noble to staff an on-site storefront at a U.S. Army depot (the "Storefront Requirement"). DLA pays the storefront labor charges, approximately $8,312.00 per month, by issuing one delivery order each month. Certain delivery orders issued to Noble under the MRO TLSP for the Northeast Region, Zone 2 remain subject to outstanding obligations at this time, including delivery.

10. Noble previously held, and currently holds, a contract for the MRO TLSP for the Southeast (CONUS) Region, Zone 2. Noble's most recent contracts for that region have included SPE8EG-14-D-0010, SPE8E3-23-D-0011, SPE8E3-24-D-0012, and SPE8E3-25-D-0021, as well as related administrative and "bridge" contract numbers. All of Noble's contracts under the MRO TLSP for the Southeast Region, Zone 2 have either expired, having reached the ends of their ordering periods, or have had their guaranteed minimum ordering values satisfied. No further delivery orders will be issued under their terms. However, certain delivery orders issued to Noble

under the MRO TLSP for the Southeast Region, Zone 2 remain subject to outstanding obligations at this time, including delivery.

11. Noble previously held, and currently holds, a contract for the MRO TLSP for the CENTCOM AoR. Its most recent contracts for that region have included SPE8E3-19-D-0011 and SPE8E3-25-D-0002, as well as related administrative and "bridge" contract numbers. All of Noble's contracts under the MRO TLSP for the CENTCOM AoR have either expired, having reached the ends of their ordering periods, or have had their guaranteed minimum ordering values satisfied. While the ordering period of Noble's current CENTCOM contract runs, DLA must give Noble a fair opportunity to be considered for delivery orders under that contract, but DLA is not obligated to issue any order to Noble. Since the filing of its bankruptcy petition, Noble has declined to quote on CENTCOM requirements. Certain delivery orders issued to Noble under the MRO TLSP for the CENTCOM AoR remain subject to outstanding obligations at this time, including delivery.

12. I refer to the contracts described in paragraphs 7 through 11 as the "MRO Contracts." Each MRO Contract guaranteed Noble a minimum order amount, and DLA ordered at least that minimum under each of them. Beyond the minimum, the quantities stated in the MRO Contracts were estimates that DLA was not obligated to order. As described above, each MRO Contract has either reached the end of its ordering period or had its guaranteed minimum satisfied. DLA therefore has no obligation to order anything further under the MRO Contracts, and Noble has no obligation to supply anything under them except under delivery orders issued to it and, under Contract No. SPE8E3-25-D-0009, the Storefront Requirement.

13. DLA administers MRO delivery orders individually; terminating or modifying one delivery order does not terminate or modify any other. Before the filing of Noble's bankruptcy

petition, DLA terminated 557 MRO delivery orders across the various regions for cause (10 from Europe & Africa, Zone 1; 503 from the Pacific Region, Zone 1; 26 from the Northeast Region, Zone 2; 10 from the Southeast Region, Zone 2; and 8 from the CENTCOM AoR), while hundreds of other MRO delivery orders issued under the same MRO Contracts remained open and were not affected by those terminations. Performance under the terminated delivery orders will not proceed. If the Court grants the Motion, DLA intends to take the affirmative steps required under the applicable contract terms and procurement law to terminate all remaining MRO delivery orders that have pending, unfulfilled delivery obligations. Those orders are listed on Schedule A to this Declaration (the "Schedule A Orders"). With respect to the Storefront Requirement, DLA intends to issue one final delivery order under Contract No. SPE8E3-25-D-0009 to purchase the storefront's remaining inventory and, if the Court grants the Motion, to take the affirmative steps required under the applicable contract terms and procurement law to terminate the Storefront Requirement.

14. DLA identified the Schedule A Orders by reviewing each open delivery order individually, considering its required delivery date, Noble's performance status, and whether delivery of the ordered supplies or services has been confirmed. Schedule A lists 213 MRO delivery orders (334 line items), with the governing contract, required delivery date, and quantity Noble has not delivered for each line item. Based on their required delivery dates, 202 of those orders were past due on August 30, 2026. Of the other 11, 8 are due on or before November 28, 2026, and 3 are due after that date.

15. For each Schedule A Order, material performance remained due on August 30, 2026: Noble had not completed delivery of the supplies or services the order requires, DLA's customers had not received or accepted the undelivered supplies or services, and, except for

Delivery Order SPE8E324F8106, DLA had not paid for them. DLA has made no advance or progress payment for undelivered supplies or services under any Schedule A Order.

16. Because the MRO TLSPs were issued under FAR Part 12, the MRO Contracts incorporate FAR 52.212-4(l) and (m), which permit the Government to terminate "this contract, or any part hereof," for its convenience or for cause. Terminating a delivery order ends Noble's obligation to perform that order and does not, by itself, terminate the governing IDIQ contract or any other delivery order.

17. I am aware that Noble has announced its intention to sell all or substantially all of its assets within 75 days from the date of its bankruptcy petition. DLA will not consent to the assignment of Noble's obligations under the MRO Contracts, or any of the outstanding delivery orders issued under them, to another entity. Nor will DLA agree to novate those contracts or delivery orders. DLA likewise does not consent to Noble's assumption of those contracts or delivery orders, including Contract No. SPE8E3-25-D-0009, which contains the Storefront Requirement. The MRO Contracts do not contain any provision by which DLA agreed in advance to consent to an assignment or novation, or agreed that it would not unreasonably withhold such consent. DLA's acceptance of Noble's continued performance under any non-terminated delivery orders, and its issuance of any delivery order after August 30, 2026, is not consent to Noble's assumption or assignment of any contract or delivery order.

18. In order to ensure DLA can meet its customers' mission needs through the proper administration and timely delivery of orders, DLA intends, subject to the Court's approval of the Motion, to take the affirmative steps required to terminate the Schedule A Orders and the Storefront Requirement. Until DLA can terminate the Schedule A Orders, it cannot treat their requirements as released from Noble and obtain the supplies or services elsewhere. As a result, the military

customers that ordered those supplies and services continue to go without them. Additionally, DLA must "hold" the obligated dollar value of the Schedule A Orders; that is, DLA may not use the money obligated against these orders to satisfy other warfighter requirements.

I declare under penalty of perjury that the foregoing is true and correct.
