In re: Noble Supply & Logistics, LLC, *et al.*, Debtors.[1]	Chapter 11 Case No. 26-11369 (CTG) (Jointly Administered) **Re: Docket Nos. 91, 219, 251, 252, & 301**

AMENDED LIMITED OBJECTION AND RESERVATION OF RIGHTS OF RAE SYSTEMS, INC., HONEYWELL ANALYTICS INC. AND HONEYWELL ANALYTICS INC-FORMERLY BW TECH TO NOTICE OF CURE COSTS AND POTENTIAL ASSUMPTION AND ASSIGNMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

Rae Systems, Inc. ("Rae Systems"), Honeywell Analytics Inc. ("Honeywell Analytics") and Honeywell Analytics Inc.-Formerly BW Tech ("BW Tech") (collectively, "Honeywell Creditors") by and through its undersigned counsel, hereby submits this ***amended*** limited objection and reservation of rights (this "Objection") to the *Notice of Cure Costs and Potential Assumption and Assignment of Executory Contracts and Unexpired Leases in Connection with Sale of Substantially All Assets* [Docket No. 252] (the "Cure Notice")[2] filed by the above-captioned debtors and debtors-in-possession (collectively, the "Debtors") and in support of this Objection states as follows:

[1] The Debtors in these Chapter 11 Cases, along with the last four digits of each Debtor's federal tax identification number, are: Noble Supply & Logistics, LLC (7926); COTS Solutions, LLC (4477); Federal Resources Supply Company, LLC (3636); FRS Holdings, LLC (2327); K.D. Analytical Consulting, LLC (6637); KDA Acquisition, LLC (5870); Noble Defense Corporation (N/A); Noble Equity Holdings, LLC (0851); Noble.com, LLC (4712); Noble Mission Support, LLC (7908); and Tactical & Survival Specialties, LLC (2266). The location of the Debtors' principal place of business and the Debtors' service address in these chapter 11 cases is 1 Marina Park Drive, Suite 220, Boston, MA 02210.

[2] Capitalized Terms used but not defined herein shall have the meaning given to them in the Cure Notice.

BACKGROUND

1. Rae Systems and Honeywell Analytics are parties to a certain Sensing & Safety Technologies Authorized Distributor Agreement-Gas & Flame Detection with Noble Supply & Logistics, LLC (the "Agreement"), under which the Honeywell Creditors agreed to provide the Debtors, and the Debtors agreed to pay for, certain products.

2. On September 7, 2026, the Debtors filed a motion (the "Sale Motion") [Docket No. 91] seeking, among other things, approval of certain bidding and notice procedures and the sale of substantially all of the Debtors' assets after a bid and auction process.

3. On September 26, 2026, the Court entered an order [Docket No. 219] (the "Bidding Procedures Order") that, among other things, established procedures for the sale of substantially all of the Debtors' assets to a stalking-horse bidder and the Debtors' assumption and assignment of executory contracts and unexpired leases in connection with a proposed sale.

4. On September 29, 2026, the Debtors filed their *Notice of Sale, Bidding Procedures, Auction, Sale Hearing and Other Deadlines Related Thereto* [Docket No. 251] (the "Sale Notice").

5. On September 29, 2026, the Debtors filed the Cure Notice, which includes a schedule of contracts that *may* be assumed and assigned in connection with a sale of substantially all of the Debtors' assets, along with the Debtors' proposed cure amounts in the event such contracts are actually assumed and assigned.

6. The Cure Notice lists the following agreement between Rae Systems and the Debtors and the proposed corresponding cure amount (the "Cure Amounts"):

Debtor – Company Entity	Counterparty	Description	Cure Amount
Federal Resources Supply Company, LLC	Rae Systems, Inc.	Distribution Agreement	$1,037,048.50
Federal Resources Supply Company, LLC	Honeywell Analytics, Inc.	Distribution Agreement	$0.00

LIMITED OBJECTION

7. The Honeywell Creditors do not object to the Debtors' assumption and assignment to the Stalking Horse Bidder or other successful bidder of the Agreement, subject to payment in full of the correct Cure Amounts at the time of assignment and satisfaction of all other applicable requirements of 11 U.S.C. § 365(b)(1).

8. The correct amount owed under the Agreement, as of today, is $1,066,345.47. The total owed to Rae Systems is $1,040,965.37. The total owed to Honeywell Analytics is $24,282.94. The total owed to BW Tech is $1,097.16. Since the Debtors continue to procure services from the Honeywell Creditors, and the Honeywell Creditors continue to provide services under the Agreement, the final Cure Amounts will not be known for certain until the assumption and assignment of the Agreement takes place. Accordingly, any future closing of the sale of the Debtors' assets, including the assumption and assignment of the Agreement, must provide for payment of all amounts owed as of the closing date, and the Honeywell Creditors object to the Cure Amounts to the extent it is insufficient and/or not intended to cover any such additional invoices.

RESERVATION OF RIGHTS

9. The Honeywell Creditors hereby reserve the right: (i) to supplement or otherwise modify this Objection as necessary or appropriate; and (ii) to object to any proposed sale order tendered to the Court in connection with a sale hearing. Nothing contained in this Objection constitutes a waiver of any of the claims, entitlements, rights, defenses, or remedies of the Honeywell Creditors, each of which is expressly hereby reserved.
