The Honorable Chief Judge Randy Crane
UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF TEXAS
515 Rusk Avenue
Houston, Texas 77002

Honorable Chief Judge Crane:

Pursuant to Rule 5. Rules on Discipline Appendix A of this Honorable Court I lodge this complaint on charges of misconduct warranting discipline. I am not an attorney, but have my Masters in Law from University of London, University College London, and Queen Mary University of London. Because of the seriousness of the issue, I feel an obligation to the Court. The fact that I am in prison, does not change this obligation.

SUMMARY OF MY COMPLAINT

These lawyers falsely represented the Clerk of this court did not issue any summons without actually verifying with the Clerk and without asking the Clerk to review the physical court files for the returns. No. 23-AP-3072

APPENDIX D to these rules mandates "A. In fulfilling his or her primary duty to the client, a lawyer must be ever conscious of the broader duty to the judicial system that serves both attorney and client".

It goes on to say at B. that " A lawyer owes, to the judiciary, candor, diligence and utmost respect."

And "D. states "A lawyer unquestionably owes, to the administration of justice, the fundamental duties of personal dignity and professional integrity."

Thomas O. Bean Esq, Nathaniel R. Hull Esq admitted Pro Hac Vice of Verrill Dana LLP made substantive blatant misrepresentations to the United States Bankruptcy Court in the adversary proceedings.

Specifically in ECF 143, 144 they impugned the integrity of the Court's process by stating that the court did not issue summons.

A notation appears on May 19, 2023 in the docket sheet that the Clerk did issue summons.

I provided counsel with a copy of the attached envelope showing that on May 19, 2023 the Clerk did issue and mail me the summons, received by me on May 30, 2023.

However, instead of asking the Clerk to check the physical returns to the summons with the summons, they, relying on a notation dated June 28, 2023, represented that no summons were issued.

adopted the position by these lawyers.

By this letter I lodge this complaint and ask that the matter be investigated and these lawyers disciplined. The misrepresentation and failure to verify with the Clerk "these lawyers violated the broader duty to the judicial system that serves both attorney and client". They violated their to the judiciary, candor, diligence and utmost respect. "Finally their conduct is an affront to the administration of justice, the fundamental duties of personal dignity and professional integrity."

Lawyers should not be deceiving the court by making material false statements.

Respectfully submitted,
