Basis for Requested Emergency Relief

The Debtors respectfully request that the Court conduct an emergency hearing on this Motion. By this Motion, the Debtors seek entry of an order establishing orderly and efficient noticing procedures in the Debtors' Chapter 11 Cases (as defined below). The Debtors reasonably believe that a hearing to consider the relief requested must be held on an emergency basis as soon as the Court's calendar will permit to avoid direct, immediate and substantial harm to the Debtors and their estates and the incurrence of significant unnecessary administrative expenses.

The above-captioned debtors and debtors-in-possession (each a "Debtor" and, collectively, the "Debtors"), by and through their proposed undersigned counsel, file this *Emergency Motion for an Order Establishing Certain Notice Procedures* (the "Motion"). The Motion seeks entry of an order, substantially in the form attached hereto as **Exhibit A**, establishing orderly and efficient noticing procedures in the Debtors' Chapter 11 Cases (defined below). In support of this Motion, the Debtors rely upon the *Declaration of Mark C. Healy in Support of Chapter 11 Petitions and First Day Relief* (the "First Day Declaration") which has been filed with the Court on or about the date hereof and is incorporated herein, and respectfully represent as follows:

JURISDICTION AND VENUE

1. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).

2. Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

3. The statutory predicates for the relief sought herein are sections 102(1)(A) and 105(a) of chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"), Rules 2002(m) and 9007 of the Federal Rule of Bankruptcy Procedure (the "Bankruptcy Rules") and Rule 2002-1(g) of the Local Rules of the United States Bankruptcy Court for the Middle District of Florida (the "Local Rules").

BACKGROUND

4. On the date hereof (the "Petition Date"), each of the Debtors filed a voluntary petition for relief under chapter 11 of title 11 of the Bankruptcy Code (collectively, the "Chapter 11 Cases").

5. The Debtors are operating their businesses and managing their affairs as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

6. For a detailed description of the Debtors and their operations, the Debtors respectfully refer the Court and parties in interest to the First Day Declaration.

RELIEF REQUESTED

7. By this Motion, pursuant to sections 102(1) and 105(a) of the Bankruptcy Code, Rules 1001, 2002(m) and 9007 of the Bankruptcy Rules and Local Rules 2002-1(g) and 1001-1(b), the Debtors request entry of an order establishing appropriate notice and administrative procedures as described below, including, without limitation, authority, but not direction, to serve pertinent motions, orders and/or notices that pertain to Former Clients (as defined below) and which directly impact their rights to the Former Clients via electronic mail rather than by first class U.S. mail. The relief requested herein will provide an orderly and efficient process for notice to parties in interest while limiting the expense and administrative burden to the Debtors' estates.

BASIS FOR RELIEF

8. The Debtors have numerous creditors and diverse parties in interest. Broad notice and service requirements would be expensive, administratively inefficient, and unduly burdensome on the Debtors' estates. The Debtors propose to reduce expense and administrative burden by limiting notice and service requirements pursuant to Sections 102(1)(A) and 105(a) of the Bankruptcy Code, Bankruptcy Rules 2002(m) and 9007 and Local Rule 2002-1(g).

9. Section 102(1)(A) of the Bankruptcy Code provides that all notice and hearing requirements in the Bankruptcy Code shall be construed as mandating such notice and opportunity

for a hearing "as is appropriate in the particular circumstances." The Court has the authority under Section 105(a) of the Bankruptcy Code to issue any order that is necessary or appropriate to carry out the provisions of the Bankruptcy Code. The Court is further authorized by Bankruptcy Rule 2002(m) to enter orders designating matters in respect to which, and the entities to whom, notices shall be sent pursuant to the provisions of the Bankruptcy Code. In addition, the Court has general authority to regulate notices pursuant to Bankruptcy Rule 9007. Implementation of the Notice Procedures (as defined below) is appropriate in the Chapter 11 Cases and within the Court's equitable powers under Section 105 of the Bankruptcy Code.

10. Indeed, the Local Rules are consistent with the discretion afforded to the Court by the above referenced Bankruptcy Rules, as to the manner of service for constituents of a debtor:

Local Rule 2002-1 (Notice to Creditors and Other Interested Parties)

> (g) *Form of Notice*. ***Notices shall be in such form as may be*** directed by the Clerk or as may be ***ordered by the Court.***

Contemporaneously herewith, the Debtors have filed the *Debtors' Motion for Joint Administration* (the "Joint Administration Motion"). The objective of the relief sought in the Joint Administration Motion, along with that requested herein, is to minimize the administrative burden of the Chapter 11 Cases on the Court, the Debtors, and all parties in interest, while fully satisfying the notice and due process requirements set forth in the Bankruptcy Code, and protecting the substantive rights of all parties.

Former Clients

11. As of the Petition Date, the Debtors have in excess of 100,000 former clients (the "Former Clients"). In these cases, the best interest of the bankruptcy estates, creditors and interested parties are served by the Court authorizing, but not directing, electronic mail service to the Debtors' Former Clients. The costs of photocopying, postage and other expenses associated with mailings to

over 100,000 Former Clients will impose an extraordinary and expensive administrative and economic burden on the Debtors' estates. Mass mailings of the pertinent filings to Former Clients will require the Debtors to divert valuable resources to comply with administrative requirements when, instead, those funds can be allocated to satisfy more substantive and pressing budgetary concerns.

12. Importantly, the relief sought in this Motion will also be beneficial to the Debtors' Former Clients. The Debtors' primary means of communication with the Former Clients is by electronic mail. As such, the electronic mail addresses for the Former Clients are likely the best way to reach the Former Clients. Given advances in technology over the years, electronic mail is widely used and accessible to most consumers via personal computers, tablets, laptops and cellular phones. Often, receipt of information by electronic mail is preferable and more practical because (i) many people check their email multiple times a day, which gives them instant notice and access to pleadings and information electronically served on them; (ii) many people delay the review of their paper mail; and (iii) the sheer magnitude and size of chapter 11 cases in recent years, coupled with the current inflationary environment, make paper service by mail cost prohibitive.

13. Accordingly, the Debtors request that the Court approve the proposed Notice Procedures that will afford due and adequate notice to all parties in interest without burdening the Debtors' estates with substantial administrative costs.

Notice Procedures

14. The Debtors propose that the Court establish the following procedures for the administration of the Debtors' Chapter 11 Cases (the "Notice Procedures"):

(i) The Debtors shall create and maintain a master service list (the "Master Service List")[2] that would include the following parties or their counsel, if requested:

[2] The Master Service List complies with and, in many respects, exceeds the requirements of Local Rule 1007-2.

(1) the Debtors and the Debtors' counsel;

(2) the Office of United States Trustee for Region 21 (the "U.S. Trustee");

(3) the holders of the 30 largest unsecured claims against the Debtors (on a consolidated basis), including any member of, and counsel for, any official committee of unsecured creditors appointed in these Chapter 11 Cases, if any, from and after its appointment (the "Creditors' Committee");

(4) the Debtors' prepetition administrative agents and counsel thereto;

(5) the holders of UCC liens against the Debtors' property;

(6) the Office of the United States Attorney for the Middle District of Florida;

(7) the Internal Revenue Service;

(8) the United States Treasury;

(9) the office of the attorneys general for the states in which the Debtors operate;

(10) the state secretaries of state for the states in which the Debtors operate;

(11) the state departments of revenues for the states in which the Debtors operate;

(12) the Securities and Exchange Commission;

(13) all statutory committees appointed in the cases;

(14) all parties requesting notice under Bankruptcy Rule 2002; and

(15) all parties on whom the Court orders notice.

The Debtors' initial Master Service List is attached hereto as **Exhibit B**. The Debtors will update the Master Service List to include those persons or parties that have made a written request to be included on the Master Service List: (i) every fifteen (15) days during the first thirty (30) calendar days of these cases, and (ii) monthly thereafter throughout the pendency of these cases. Such updated Master Service List will be filed with the Court and circulated to all parties appearing thereon only in the event that there is a change to the Master Service List.

Upon completion of noticing any particular matter, the Debtors' proposed claims and noticing agent, Kurtzman Carson Consultants, LLC dba Verita Global ("Claims Agent") shall file with the Court either an affidavit or

certification of service and an attached list of parties receiving notice and the manner in which notice was provided.

(ii) Former Clients. All pertinent filings will be served on any Former Clients via electronic mail. If any emails are returned to the Claims Agent as undeliverable, and to the extent that any of the Former Clients do not have personal email addresses in order to effectuate service electronically, the Debtors, through their Claims Agent, will provide service of the filings to those affected Former Clients by first class U.S. mail.

(iii) Service by Electronic Mail. Except as otherwise provided herein, all pleadings and other documents, other than a summons and complaint in an adversary proceeding, shall be served by email on the parties identified in the Master Service List in accordance with the Notice Procedures. Separate service by email or otherwise shall not be required on any party whose attorney has filed a notice of appearance on its behalf by using the Court's case management/electronic case filing (CM/ECF) system ("ECF Party"). All documents served by email shall include access to a file containing the entire document, including, as may be applicable, the proposed form(s) of orders and any exhibits, attachments, and other relevant materials, in ".pdf" format, readable by Adobe Acrobat or an equivalent program. Notwithstanding the foregoing, if a document cannot be attached to an email (because of its size, technical difficulties, or otherwise), the serving party may, in its sole discretion, (a) serve the entire Document by U.S. mail or overnight delivery, including the proposed form(s) of orders and any exhibits, attachments, and other relevant materials, or (b) email the party being served and include a notation that the document cannot be attached and will be mailed only if specifically requested. Service by email shall be effective as of the date the document is sent by email to the address provided by a party. When a party serves documents by email, such party shall not be required to serve a paper copy of documents on interested parties or regular mail. Except as otherwise provided herein, email service shall satisfy the Court's rules for service.

(iv) Alternative Service Methods. If a party entitled to notice of a pleading or document does not have an email address or if the email address of a party is not available, that party shall be served by first-class U.S. mail or overnight mail, (i.e., Federal Express or similar service, and such service being referred to as a "Courier Service") (the choice being in the serving party's sole discretion).

(v) Parties filing pleadings and other documents with the Clerk of the Court shall serve the parties on the Master Service List by first-class U.S. mail or Courier Service. Parties may, alternatively, serve all pleadings or other documents by email or facsimile upon parties listed on the Master Service List if the Master Service List includes the party's email or facsimile information. For the avoidance of doubt, the Debtors shall not be obligated to serve any pleading or other document filed by another party unless specifically ordered by the Court.

(vi) The proceedings with respect to which notice would be limited to the Master Service List shall include all matters covered by Bankruptcy Rule 2002, with the exception of the following, as applicable: (i) notice of the first meeting of creditors pursuant to Bankruptcy Code section 341; (ii) the time fixed for filing proofs of claim pursuant to Bankruptcy Rule 3003(c); (iii) the time fixed for filing objections to, and the hearings to

consider, approval of a disclosure statement and confirmation of a plan of reorganization; and (iv) notice and transmittal of ballots for accepting or rejecting a plan of reorganization. Notice of the foregoing matters would be given to all parties-in-interest listed on the Debtors' creditor matrix (the "Creditor Matrix") by first-class U.S. mail, email, or facsimile.

(vii) Additionally, with respect to parties not listed on the Master Service List but whose rights may be directly affected by a particular filing (an "Affected Party"), the Debtors will serve that filing on the Affected Party by first-class U.S. mail, email, or facsimile.

(viii) First Day Notice Parties. The Debtors will serve all First Day Filings[3] and any subsequent orders or filings in conjunction therewith, on the Master Service List and any Affected Parties (collectively, the "First Day Notice Parties") via electronic mail, as available, and via U.S. mail following the first day hearings. Service by the Debtors on First Day Notice Parties shall not alter any of the Notice Procedures herein for all subsequent filings and shall not require any party responding to any First Day Filings to provide notice to First Day Notice Parties.

15. Bankruptcy Code section 105(a) provides that "the court may issue any order, process or judgment that is necessary or appropriate to carry out the provisions" of the Bankruptcy Code. 11 U.S.C. § 105(a). In addition, Bankruptcy Rule 9007, authorizes the Court to regulate notices in a manner that avoids unnecessary costs and delay. *See* Fed. R. Bankr. P. 9007.

16. Approval of the Notice Procedures is in the best interests of the Debtors' estates and their creditors. The Notice Procedures will not impair the rights of a party whose interest is directly affected by a particular matter to receive all filings related to that matter. By contrast, the Notice Procedures will provide adequate notice to parties in interest, while preserving estate assets that otherwise would be consumed by unnecessary copying, postage and related expenses.

17. Courts within other districts regularly approve procedures substantially similar to the proposed Notice Procedures. *See*, *e.g.*, *In re Red Lobster Management, LLC, et al.,* Case No. 6:24-bk-02486 (GER) (Bankr. EMERGENCY CONSIDERATION

18. The Debtors respectfully request emergency consideration of this Motion pursuant to Bankruptcy Rule 6003, which empowers a court to grant relief within the first 21 days after the commencement of a chapter 11 case "to the extent that relief is necessary to avoid immediate and irreparable harm." Here, the Debtors believe an immediate and orderly transition into chapter 11 is critical to the viability of their operations and that any delay in granting the relief requested could hinder the Debtors' operations and cause irreparable harm. Furthermore, the failure to receive the requested relief during the first 21 days of these Chapter 11 Cases would adversely impact the Debtors' operations at this critical juncture because valuable resources would, otherwise, be diverted in order to comply with administrative requirements when, instead, those funds can be allocated to satisfy more substantive and pressing budgetary concerns. Accordingly, the Debtors submit that they have satisfied the "immediate and irreparable harm" standard of Bankruptcy Rule 6003 and,

[4] Because of the voluminous nature of the order cited herein, such orders have not been attached to this Motion. Copies of these orders are available upon request to the Debtors' proposed counsel.

therefore, respectfully request that the Court approve the relief requested in this Motion on an emergency basis.

CONCLUSION

WHEREFORE, the Debtors request this Court (a) enter the Order, substantially in the form of **Exhibit A**, granting the relief requested herein and (b) grant such other and further relief as the Court may deem just, proper, and equitable.

Debtors. (Joint Administration Pending)
_____/

ORDER ESTABLISHING CERTAIN NOTICE PROCEDURES

THIS CASE came before the Court on July __, 2026, at _____ .m., in Jacksonville, Florida for a hearing (the "Hearing"),[2] upon the *Debtors' Emergency Motion for an Order Establishing Certain Notice Procedures* (the "Motion"). The Motion seeks entry of an order establishing orderly and efficient noticing procedures in the Debtors' Chapter 11 Cases. The Court, having considered the Motion, finding that: (a) the Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334; (b) venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409; (c) this matter is core pursuant to 28 U.S.C. § 157(b)(2); (d) the Court may enter a final order consistent with Article III of the United States Constitution; (e) notice of the Motion and the Hearing thereon was sufficient under the circumstances and no other or further notice need be provided; (f) the Court having determined that the legal and factual bases set forth in the Motion, the First Day Declaration and at the Hearing establish just cause for the relief granted herein; and it appearing that the relief requested in the Motion is in the best interests of the Debtors, their estates, their creditors, and all parties in interest; and upon all of the proceedings had before the Court and after due deliberation and sufficient cause appearing therefor. Accordingly, it is **ORDERED** that:

1. The Motion is **GRANTED**.

2. Any creditor, equity interest holder, or party in interest that wishes to receive notices in these Chapter 11 Cases and is not otherwise entitled to notice pursuant to the Notice Procedures, shall file a notice of appearance (a "Notice of Appearance") and request for service of papers in

[2] Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Motion.

accordance with Bankruptcy Rules 2002 and 9010(b). Each Notice of Appearance shall include the following information: (i) the party's name and address; (ii) the name of the client, if applicable; (iii) an email address at which the requesting party may be served; (iv) an address by which the requesting party may be served by U.S. mail, hand delivery, and overnight delivery; and (v) a facsimile number for the requesting party. Notwithstanding Bankruptcy Rules 2002 and 9010(b), no request for service filed in these Chapter 11 Cases shall be honored unless the foregoing requirements are satisfied.

3. The following Notice Procedures shall govern all aspects of the Debtors' Chapter 11 Cases:

(i) The Debtors shall create and maintain a master service list (the "Master Service List") that would include the following parties or their counsel, if requested:

(1) the Debtors and the Debtors' counsel;

(2) the Office of United States Trustee for Region 21 (the "U.S. Trustee");

(3) the holders of the 30 largest unsecured claims against the Debtors (on a consolidated basis), including any member of, and counsel for, any official committee of unsecured creditors appointed in these Chapter 11 Cases, if any, from and after its appointment (the "Creditors' Committee");

(4) the Debtors' prepetition administrative agents and counsel thereto;

(5) the holders of UCC liens against the Debtors' property;

(6) the Office of the United States Attorney for the Middle District of Florida;

(7) the Internal Revenue Service;

(8) the United States Treasury;

(9) the office of the attorneys general for the states in which the Debtors operate;

(10) the state secretaries of state for the states in which the Debtors operate;

(11) the state departments of revenues for the states in which the Debtors

operate;

(12) the Securities and Exchange Commission;

(13) all statutory committees appointed in this case;

(14) all parties requesting notice under Bankruptcy Rule 2002; and

(15) all parties on whom the Court orders notice.

The Debtors' initial Master Service List is attached to the Motion as **Exhibit B**. The Debtors will update the Master Service List to include those persons or parties that have made a written request to be included on the Master Service List: (i) every fifteen (15) days during the first thirty (30) calendar days of these cases, and (ii) monthly thereafter throughout the pendency of these cases. Such updated Master Service List will be filed with the Court and circulated to all parties appearing thereon only in the event that there is a change to the Master Service List.

Upon completion of noticing any particular matter, the Debtors' proposed claims and noticing agent, Kurtzman Carson Consultants, LLC dba Verita Global ("Claims Agent") or the Debtors or their agent shall file with the Court either an affidavit or certification of service and an attached list of parties receiving notice and the manner in which notice was provided.

(ii) Former Clients. All pertinent filings will be served on any Former Clients via electronic mail. If any emails are returned to the Claims Agent as undeliverable, and to the extent that any of the Former Clients do not have personal email addresses in order to effectuate service electronically, the Debtors, through their Claims Agent, will provide service of the filings to those affected Former Clients by first class U.S. mail.

(iii) Service by Electronic Mail. Except as otherwise provided herein, all pleadings and other documents, other than a summons and complaint in an adversary proceeding or documents filed under seal, shall be served by email on the parties identified in the Master Service List in accordance with the Notice Procedures. Separate service by email or otherwise shall not be required on any party whose attorney has filed a notice of appearance on its behalf by using the Court's case management/electronic case filing (CM/ECF) system ("ECF Party"). All documents served by email shall include access to a file containing the entire document, including, as may be applicable, the proposed form(s) of orders and any exhibits, attachments, and other relevant materials, in ".pdf" format, readable by Adobe Acrobat or an equivalent program. Notwithstanding the foregoing, if a document cannot be attached to an email (because of its size, technical difficulties, or otherwise), the serving party may, in its sole discretion, (a) serve the entire Document by U.S. mail or overnight delivery, including the proposed form(s) of orders and any exhibits, attachments, and other relevant materials, or (b) email the party being served and include a notation that the document cannot be attached and will be mailed only if specifically requested. Service by email shall be effective as of the date the document is sent by email to the address provided by a party. When a party serves documents by email, such party shall not be required to serve a paper copy of documents on interested parties by fax or regular mail. Except as otherwise provided herein, email service shall satisfy the Court's rules for service.

(iv) Alternative Service Methods. If a party entitled to notice of a pleading or document does not have an email address or if the email address of a party is not available, that party shall be served by first-class U.S. mail or overnight mail, (i.e., Federal Express or similar service, and such service being referred to as a "Courier Service") (the choice being in the serving party's sole discretion).

(v) Parties filing pleadings and other documents with the Clerk of the Court shall serve the parties on the Master Service List by first-class U.S. mail or Courier Service. Parties may, alternatively, serve all pleadings or other documents by email or facsimile upon parties listed on the Master Service List if the Master Service List includes the party's email or facsimile information. For the avoidance of doubt, the Debtors shall not be obligated to serve any pleading or other document filed by another party unless specifically ordered by the Court.

(vi) The proceedings with respect to which notice would be limited to the Master Service List shall include all matters covered by Bankruptcy Rule 2002, with the exception of the following, as applicable: (i) notice of the first meeting of creditors pursuant to Bankruptcy Code section 341; (ii) the time fixed for filing proofs of claim pursuant to Bankruptcy Rule 3003(c); (iii) the time fixed for filing objections to, and the hearings to consider, approval of a disclosure statement and confirmation of a plan of reorganization; and (iv) notice and transmittal of ballots for accepting or rejecting a plan of reorganization. Notice of the foregoing matters would be given to all parties-in-interest listed on the Debtors' creditor matrix (the "Creditor Matrix") by first-class U.S. mail, email, or facsimile.

(vii) Additionally, with respect to parties not listed on the Master Service List but whose rights may be directly affected by a particular filing (an "Affected Party"), the Debtors will serve that filing on the Affected Party by first-class U.S. mail, email, or facsimile.

(viii) First Day Notice Parties. The Debtors will serve all First Day Filings[3] and any subsequent orders or filings in conjunction therewith, on the Master Service List and any Affected Parties (collectively, the "First Day Notice Parties") via electronic mail, as available, and via U.S. mail following the first day hearings. Service by the Debtors on First Day Notice Parties shall not alter any of the Notice Procedures herein for all subsequent filings and shall not require any party responding to any First Day Filings to provide notice to First Day Notice Parties.

4. The Debtors shall serve a printed copy of this Order upon all parties on the Master Service List attached to the Debtors' Motion as **Exhibit B** on the date this Order is entered or as soon thereafter as is practicable.

5. To the extent the Notice Procedures set forth in this Order conflict with the

[3] The term "First Day Filings" shall mean all filings described in Part III of the First Day Declaration.

Bankruptcy Code, Bankruptcy Rules, or Local Rules, or any other order entered by this Court, the Notice Procedures shall supersede such rules or orders.

6. The terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

7. The Debtors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Motion.

8. The Debtors may amend the Notice Procedures from time to time throughout the Debtors' Chapter 11 Cases and shall present such amendments to the Court by motion in accordance with this Order.

9. The Court retains jurisdiction with respect to all matters arising from or related to the interpretation or implementation of this Order.

(Attorney Edward J. Peterson is directed to serve a copy of this order on interested parties who do not receive service by CM/ECF and file a proof of service within three days of entry of the order.)
