Sales Deadline[2] from October 15, 2026, through and including **November 30, 2026**, (b) establishing November 1, 2026 (the "Title Determination Date") as the date by which Vervent and Holman, in consultation with the Trustee, will make a final determination of the remaining Vehicles that will be sold without clear title, and (c) authorizing Holman to sell the remaining Vehicles identified on **Exhibit B** hereto, including, following the Title Determination Date and the filing of the No-Title Vehicle Notice (each as defined below), those Vehicles designated for sale without clear title, in each case without prejudice to the Trustee's rights to seek additional extensions or to enter into individual arrangements for the sale of any remaining Vehicles after the extended deadline.

JURISDICTION AND VENUE

2. The United States Bankruptcy Court for the Northern District of Texas, Dallas Division (the "Court") has jurisdiction to consider the Motion pursuant to 28 U.S.C. §§ 157 and 1334 and the *Order of Reference of Bankruptcy Cases and Proceedings Nunc Pro* Tunc dated August 3, 1984, entered by the United States District Court for the Northern District of Texas. This matter is a core proceeding under 28 U.S.C. § 157(b).

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The statutory predicates for the relief requested herein are section 105(a) of title 11 of the United States Code (the "Bankruptcy Code"), and rules 9006(b)(1) and 9024 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

BACKGROUND

I. The Chapter 7 Cases

5. On September 10, 2025 (the "Petition Date"), the Debtors each commenced a case

[2] Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Sale Order and the First Extension Order (each as defined herein), as applicable.

by filing a petition for relief under chapter 7 of the Bankruptcy Code (collectively, the "Chapter 7 Cases"). The Chapter 7 Cases are being jointly administered for procedural purposes only.

6. On the Petition Date, the Office of the United States Trustee for Region 6 (the "U.S. Trustee") appointed Anne Elizabeth Burns as the Trustee over the Chapter 7 Cases.

II. Vehicle Sales

7. On December 15, 2025, the Trustee filed the *Chapter 7 Trustee's Amended Emergency Motion to (I) Sell Estate Assets Free and Clear of All Liens, Claims, Encumbrances, and Interests, (II) Establish Sale Procedures, and (III) Granting Related Relief* [Docket No. 537] (the "Sale Motion"). The Sale Motion was granted by Court order [Docket No. 593] entered on December 30, 2025 (the "Sale Order").

8. Among other things, the Sale Order approved a process for the Trustee to work cooperatively with Vervent, Inc. ("Vervent") and Automotive Rentals, Inc. T/A Holman ("Holman") to ensure that substantially all of the vehicles in the Debtors' possession (the "Vehicles") are sold no later than April 30, 2026 (the "Vehicle Sales Deadline"). On April 17, 2026, the Trustee filed the *Chapter 7 Trustee's Emergency Motion for Entry of an Order Extending the Vehicle Sales Deadline* [Docket No. 1074] (the "First Extension Motion"). The Court granted the First Extension Motion by order entered on April 30, 2026 [Docket No. 1112] (the "First Extension Order"), extending the Vehicle Sales Deadline through and including October 15, 2026.

9. Since the entry of the First Extension Order, the Trustee, Vervent, and Holman have continued to make significant progress in the vehicle sale process. However, approximately 2,100 Vehicles remain to be sold. The primary impediment to completing the sales process continues to be the processing of vehicle titles through the Texas Department of Motor Vehicles ("TX DMV"), which is currently processing approximately 200 to 250 titles per week. The timing of the TX DMV's title processing efforts remains beyond the control of Vervent, Holman, and the Trustee.

A true and correct list of the VIN numbers for the remaining approximately 2,100 Vehicles yet to be sold as of the date hereof is attached hereto as **Exhibit B**. Accordingly, the Trustee seeks a further extension of the Vehicle Sales Deadline through and including November 30, 2026.

10. As previewed in prior hearings before this Court, the Trustee, in consultation with Holman, seeks authorization for Holman to proceed with the sale of the remaining approximately 2,100 Vehicles identified on **Exhibit B**, including those Vehicles for which the Trustee and Vervent have been unable to locate or obtain clear title. Vervent will continue its title-cure efforts, including its coordination with the TX DMV and other applicable state departments of motor vehicles, through November 1, 2026 (the "Title Determination Date"). On or before the Title Determination Date, Vervent and Holman, in consultation with the Trustee, will make a final determination of the Vehicles for which clear title has not been, and is not reasonably expected to be, obtained (the "No-Title Vehicles"), and within three (3) business days thereafter the Trustee will file with the Court and serve on the Secured Parties and the Texas Taxing Authorities a notice identifying the No-Title Vehicles by VIN (the "No-Title Vehicle Notice"). Holman may sell Vehicles for which clear title has been obtained at any time, and may sell the No-Title Vehicles upon the filing of the No-Title Vehicle Notice. The Trustee is in possession of these Vehicles and is authorized to sell them pursuant to the Sale Order, but some of the information to locate or obtain clear title is unavailable. In accordance with the Sale Order, any party that fails to timely assert an interest shall be forever barred from asserting it against the applicable Vehicle or its purchaser; any interest that is timely and validly asserted shall attach to the Net Sale Proceeds of the applicable Vehicle with the same validity, extent, and priority that existed against such Vehicle, consistent with the Sale Order.

11. This authorization is necessary to enable Holman to continue liquidating the

remaining Vehicles in an orderly fashion and to maximize the value of the Debtors' estates, despite the unresolved title issues of some of the Vehicles. Without such authorization, the sale process will be further delayed and may cause the Vehicles to continue to depreciate and ultimately diminish recoveries for the estates and their creditors.

BASIS FOR RELIEF

12. Bankruptcy Code section 105(a) provides that "the court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title." 11 U.S.C. § 105(a). Moreover, the Court is not precluded from "taking any action or making any determination necessary or appropriate to enforce or implement court orders or rules, or to prevent an abuse of process." *Id*. Bankruptcy Rule 9006(b)(1) also allows a court, "for cause," to enlarge the time within which an act is to be performed. *See* Fed. R. Bankr. P. 9006(b)(1). Bankruptcy Rule 9024, which incorporates rule 60(b) of the Federal Rules of Civil Procedure, further provides that the court may relieve a party from an order for any reason "that justifies relief." See Fed. R. Bankr. P. 9024; Fed. R. Civ. P. 60(b)(6).

13. Cause exists to further extend the Vehicle Sales Deadline because completion of the Vehicle sales will continue to provide a significant benefit to the Debtors' estates and will maximize value for all stakeholders. The sale process facilitates an orderly liquidation of the Vehicles and allows the Trustee to expeditiously reduce to money the property of the Debtors' estates, consistent with her fiduciary duties and in the best interests of the parties in interest. The requested extension through November 30, 2026, is also designed to avoid the need for Holman to renew certain bond premiums, the fees for which are extensive, while still providing sufficient time to complete substantially all remaining Vehicle sales.

14. By contrast, absent an extension of the Vehicle Sales Deadline, the Debtors' estates

will suffer irreparable harm if the sale process is cut short. The Vehicles will continue to depreciate, and the Trustee has no readily available alternative means to liquidate them. In addition, the Trustee and her professionals would be required to expend substantial additional time and estate resources to negotiate and implement a new sale process. Such a result would materially prejudice creditors and other parties in interest, many of whom consented to the terms of the Sale Order at the outset of these Chapter 7 Cases.

15. Moreover, the title issues that continue to impede completion of the sale process, including the pace of the TX DMV's title processing, could not reasonably have been anticipated by the Trustee or her professionals at the outset of these Chapter 7 Cases. The Sale Motion, which proposed the original Vehicle Sales Deadline, was filed early in these Chapter 7 Cases, before those issues were discovered, to preserve the value of the Vehicles by promptly commencing the sale process. At that time, the Trustee's investigation was ongoing, as was Vervent's assessment of the Debtors' title-processing practices. Since those issues were identified, Vervent has worked diligently to resolve them and deliver titles to Holman as quickly as possible.

16. The further extension of the Vehicle Sales Deadline to November 30, 2026, coupled with the Title Determination Date and the related procedures described above, will allow Vervent to continue resolving the title issues that remain curable, ensure that the No-Title Vehicles are identified by November 1, 2026, and provide Holman sufficient time to sell substantially all the remaining Vehicles in a manner that will maximize value for the estates. To the extent any Vehicles remain unsold after November 30, 2026, the Trustee intends to negotiate individual arrangements for the sale of each such Vehicle on a case-by-case basis, thereby avoiding the need for an additional blanket extension and the associated costs of renewing Holman's bond premiums. In addition, because the current Vehicle Sales Deadline may expire while this Motion is pending,

the Trustee requests that the further extension granted herein be effective as of October 15, 2026, notwithstanding the date of entry of the order granting this Motion.

17. Accordingly, the Trustee respectfully submits that the requested further extension of the Vehicle Sales Deadline through and including November 30, 2026, and the authorization for Holman to sell the remaining Vehicles as described herein, is appropriate.

NO PRIOR REQUEST

18. Except for the First Extension Motion (which was granted), no previous request for the specific relief sought herein has been made to this or any other court.

[*Remainder of Page Intentionally Left Blank*]

CONCLUSION

WHEREFORE, the Trustee respectfully requests that the Court: (i) enter the Proposed Order in substantially the form attached hereto as **Exhibit A**, granting the relief requested herein, including (a) extending the Vehicle Sales Deadline through and including November 30, 2026, (b) establishing the November 1, 2026 Title Determination Date and the related No-Title Vehicle Notice procedures described herein, and (c) authorizing Holman to sell the remaining Vehicles identified on **Exhibit B**, including, following the filing of the No-Title Vehicle Notice, the No-Title Vehicles, and (ii) provide such other relief as the Court deems appropriate and just.
