NOTICE OF REMOVAL

PLEASE TAKE NOTICE that, pursuant to 28 U.S.C. §§ 1334(b), 1452, 1367, and 1446, and Federal Rule of Bankruptcy Procedure 9027, Columbia Gas Transmission, LLC ("Columbia") and Transcanada USA Services Inc. ("Transcanada") (collectively "these Defendants"), by counsel, give notice of removal of the above-captioned action from the Circuit Court of Marshall County, West Virginia, to the United States Bankruptcy Court for the Northern District of West Virginia. In support thereof, these Defendants state as follows:

1812378200204000000000015

I. NATURE OF REMOVED ACTION

1. On or about July 15, 2019, Plaintiff filed a Complaint in the Circuit Court of Marshall County, West Virginia, Civil Action No. 19-C-161, naming these Defendants as defendants.

2. In accordance with 28 U.S.C. § 1446(a) and Federal Rule of Bankruptcy Procedure 9027(a)(1), a copy of the docket sheet and a copy of all process, pleadings, and orders served upon the Defendant in the state court action are attached hereto as **Exhibit A**.

II. TIMELINESS OF REMOVAL

3. On September 19, 2019, the United States Bankruptcy Court for the District of Delaware entered an order extending the time for removal by the defendants in this instant case to November 25, 2019. *See* **Exhibit B**. As such, this Notice of Removal is timely filed.

III. PROPRIETY OF VENUE

4. Venue is proper in this district and division under 28 U.S.C. §§ 1441(a) and 1452(a), because the state court where the suit has been pending is located in this district and this division.

IV. BASIS OF REMOVAL

5. Removal in this case is proper pursuant to 28 U.S.C. § 1441(a), which provides that "any civil action brought in a State court of which the district courts of the United States have original jurisdiction, may be removed by the defendant or the defendants, to the district court of the United States for the district and division embracing the place where such action is pending," as well as 28 U.S.C. § 1452, which provides that "[a] party may remove any claim or cause of action in a civil action other than a proceeding before the United States Tax Court or a civil action

by a governmental unit . . . to the district court for the district where such civil action is pending . . . ."

6. In this case, federal jurisdiction is founded upon bankruptcy court jurisdiction, pursuant to 28 U.S.C. § 1334(b), because this civil action arises in and/or is related to a pending case filed under Title 11, *In re: Welded Construction, L.P.*, Case No. 18-12378 (KG) (Bankr. D. Del.) (Jointly Administered).

7. Welded Construction, L.P. (the "Debtor"), filed a Voluntary Petition under Chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court") on October 22, 2018. *See In re: Welded Construction, L.P.*, Case No. 18-12378 (KG) (Bankr. D. Del.) (Jointly Administered) (the "Bankruptcy Case").

8. This civil action seeks to enforce a mechanic's lien against Defendant arising from unpaid obligations of the Debtor to Plaintiff. Furthermore, upon information and belief, Plaintiff's mechanic's lien may attach to property of the Debtor's bankruptcy estate, including fixtures, appurtenances, and personal property of the Debtor situate in Marshall County.

9. Plaintiff has filed a proof of claim in the Bankruptcy Case for the obligation of the Debtor underpinning the mechanic's lien asserted against Defendant. *See* Claim No. 732. Determination of the amount of Plaintiff's claim against the Debtor—and the amount of the claim that will be allowed and paid from the Debtor's estate—is necessary to determine what amount, if any, Plaintiff can seek to recover from these Defendants through enforcement of its purported mechanic's lien.

10. Pursuant to 28 U.S.C. §1334(b), the civil action "arises in" the Debtor's Bankruptcy Case and is, thus, a "core proceeding." *See In re Mid-Atlantic Resources Corp.*, 283 B.R. 176, 186–89 (S.D. W. Va. 2002) (upholding the bankruptcy court's decision denying a motion to remand in a removed case involving a mechanic's lien asserted against non-debtor entities arising from obligations of the debtor and finding that the action was a core proceeding).

11. The Bankruptcy Court has jurisdiction to hear and decide disputes arising in or related to the Bankruptcy Case. A determination of the amount owed to the plaintiff in the mechanic's lien proceeding could have an effect on the proof of claim filed by the plaintiff in the bankruptcy. *See Siskin Steel & Supply Co., Inc. v. Highland North, LLC*, 2013 WL 23906, *7 (W.D. Pa. Jan. 2, 2013) ("Any recovery by Siskin in the mechanic's lien claim would necessarily reduce Siskin's claim against SIAG in the bankruptcy estate for contribution by the same amount, thus altering the liability of the SIAG bankruptcy estate.") and *Longchamps Elec., Inc. v. Rothenberg (In re: Wrenn Assoc., Inc.*, 2004 WL 1746117, *4 (D.N.H. July 26, 2004) (bankruptcy court exercised subject-matter jurisdiction over a subcontractor's action to recover under a mechanic's lien statute against a property owner, reasoning that it would "impact [the general contractor's] bankruptcy case because ... a subcontractor's mechanic's lien is only valid to the extent that monies are owed the general contractor," which was the debtor in the bankruptcy case.).

12. The United States District Court for the Northern District of West Virginia has held that several virtually identical mechanic's lien actions were "related to" the Debtor's Bankruptcy Case. *See* Order Transferring Case, ECF No. 19, *Earth Pipeline Services, Inc. v. Columbia Gas Transmission, LLC*, Civ. Action No. 5:19-CV-172 (N.D. W. Va. June 26, 2019) (Bailey, J.))(determining that claims were "related to" the Bankruptcy Case), attached hereto as **Exhibit C**; Order Denying Motion to Remand, Granting Motion for Partial Dismissal, and Granting Motion

to Transfer Venue, ECF No. 23, *Schmid Pipeline Construction, Inc. v. Columbia Gas Transmission, LLC*, Civ. Action No. 5-19-CV-257 (N.D. W. Va. October 21, 2019) (Bailey, J.) (determining claims "related to" Bankruptcy Case in denying motion to remand and then transferring case), attached hereto as **Exhibit D**.

13. For the same reasons, this civil action may also be removed to United States District Court for the Northern District of West Virginia (the "District Court") under 28 U.S.C. §1452(a) because it is "related to" the Debtor's Bankruptcy Case.

14. Pursuant to 28 U.S.C. §157 and the Amended Standing Order of Reference entered in the District Court miscellaneous proceeding no. 5:13-MC-12 on April 2, 2013, the District Court has referred all matters arising in or related to a case under Title 11 to the bankruptcy judges for the District Court. This includes this civil action.

15. This civil action is a "core proceeding" that arises in the Bankruptcy Case within the meaning of 28 U.S.C. §§ 157(b) and 1334(b) and, to the extent that this Court finds that this civil action is not a "core proceeding," the civil action is at least a "non-core proceeding" that invokes the "related to" jurisdiction of the bankruptcy courts pursuant to 28 U.S.C. §§ 157, 1334, and 1452.

16. These Defendants consent to entry of final orders or judgment by the bankruptcy courts.

V. STATEMENT OF CONSENT TO REMOVAL

17. Consent by the Debtor is not required for these Defendants to remove this case. *See, e.g., Fromhart v. Tucker*, No. 5:11CV97, 2011 WL 5202239, at *3 (N.D.W. Va. Oct. 31, 2011) ("based upon the differences in language between § 1441 and § 1452, which allows any 'party' to remove a claim over which jurisdiction exists under § 1334, the United States Court of

Appeals for the Fourth Circuit has found that, under § 1452, 'any one party has the right to remove the state court action without the consent of the other parties.' *Creasy v. Coleman Furniture Corp.,* 763 F.2d 656, 660 (4th Cir.1985)."); *In re id-Atl. Res. Corp.*, 283 B.R. 176, 183 (S.D.W. Va. 2002) ("Although Appellants are correct that ordinarily all defendants must join in or register their consent to removal, this case involves bankruptcy and, as such, the bankruptcy removal statute found in 28 U.S.C. § 1452 controls. As noted by the Removing Defendants and as found by the bankruptcy court, the Fourth Circuit has held that under the bankruptcy removal statute 'any one party has the right to remove the state court action without the consent of the other parties.' *Creasy v. Coleman Furniture Corp.,* 763 F.2d 656, 660 (4th Cir.1985).")

VI. OTHER REMOVAL ISSUES

18. Pursuant to 28 U.S.C. § 1446(a) and Federal Rule of Bankruptcy Procedure 9027(a)(1), a copy of all process, pleadings, and orders served upon the Defendant is attached hereto as "Exhibit A" along with a copy of the docket sheet from the Circuit Court of Marshall County, West Virginia.

19. A Notice of Filing of Notice of Removal will be filed this day with the Circuit Clerk of Marshall County, West Virginia and served on the Plaintiff.

WHEREFORE, these Defendants, by counsel, respectfully advise that this civil action has been removed from the Circuit Court of Marshall County, West Virginia, to the United States Bankruptcy Court for the Northern District of West Virginia, and that this Court shall assume jurisdiction over this action.

WELDED CONSTRUCTION, LP,
a Delaware limited partnership,

COMPLAINT

COMES NOW Plaintiff Sunbelt Tractor & Equipment Company, by counsel, Charles R. Hughes and the law firm of Bowles Rice LLP, and for its Complaint against Defendants Columbia Gas Transmission, LLC, and TransCanada USA Services Inc, and Nominal Defendant Welded Construction, LP, states as follows:

PARTIES

1. Plaintiff, Sunbelt Tractor & Equipment Company ("Sunbelt"), is a Texas corporation having a principal office address of 18555 State Highway 6 South, College Station, Texas 77845.

2. Defendant, Columbia Gas Transmission, LLC ("Columbia") is, upon information and belief, a Delaware limited liability company transacting business in the State of West Virginia. According to the records of the West Virginia Secretary State, Columbia has a principal office address of 700 Louisiana Street, Suite 700, Houston, Texas, 77002, and a Notice of Process address of 209 West Washington Street, Charleston, West Virginia 25302.

3. Defendant, TransCanada USA Services Inc ("TransCanada") is, upon information and belief, a Delaware corporation transacting business in the State of West Virginia. According to the records of the West Virginia Secretary State, TransCanada has a principal office address of 700 Louisiana Street, Suite 700, Houston, Texas, 77002, and a Notice of Process address of 209 West Washington Street, Charleston, West Virginia 25302.

4. Nominal Defendant, Welded Construction, LP ("Welded") is, upon information and belief, a Delaware limited partnership transacting business in the State of West Virginia. According to the records of the West Virginia Secretary of State, Welded has a principal office address of 2215 Sanders Road, Suite 400, Northbrook, Illinois 60062, and a Notice of Process address of 209 West Washington Street, Charleston, West Virginia 25302. Because Welded is an indispensable party to certain claims set forth below, Sunbelt has joined Welded as a nominal defendant.

JURISDICTION AND VENUE

5. Sunbelt restates the allegations contained in Paragraphs 1 through 4.

6. Sunbelt furnished and delivered certain equipment and machinery (the "Equipment") to Welded for use on the Mountaineer Express Pipeline Project (the "Project") in West Virginia.

7. Columbia and TransCanada (collectively herein, "Columbia Defendants") are the reputed owners of the Project. Welded served as a contractor for the construction of the Project.

8. The property owned by Columbia and TranCanada (collectively, the "Columbia Defendants") in West Virginia for and upon which Sunbelt furnished and delivered the Equipment to Welded for use in the construction of that portion of the Project known as "Spread 1", consists of approximately 99,436 linear feet of pipeline right-of-way, access roads and other areas from Station Number 0+00 to Station Number 994+36 and located in, on, or under, real estate owned or controlled by the Columbia Defendants in Marshall County and Wetzel County, West Virginia, situate from Mile Post 0.00 to Mile Post 18.83 (the "Property").

9. As set forth above, a portion of the Equipment furnished and delivered by Sunbelt to Welded was used in the construction of the Project and upon Property owned by the Columbia Defendants in Marshall County, West Virginia.

10. The Property upon which Sunbelt performed its work for Welded in West Virginia, including Marshall County, is more particularly described by the map and those certain rights of way identified and described by Exhibits A through C to the Notice of Mechanic's Lien Sunbelt has caused to be recorded in the Offices of the Clerks of the County Commissions for Marshall and Wetzel Counties.

11. The Property was benefitted and improved by the Equipment furnished and delivered by Sunbelt.

12. Based on the foregoing, jurisdiction and venue are appropriate in this Court.

FACTUAL ALLEGATIONS

13. Sunbelt restates the allegations contained in Paragraphs 1-12.

14. Sunbelt was a supplier for Welded for the furnishing and delivery of the Equipment necessary for the construction of the Project.

15. Welded agreed to pay Sunbelt for the Equipment furnished and delivered by Sunbelt.

16. Sunbelt furnished and delivered the Equipment for use in the construction of the Project upon the Property owned by the Columbia Defendants in Marshall and Wetzel Counties. The Property is specifically described and identified by the Notice of Mechanic's Lien (the "Mechanic's Lien") attached hereto as **Exhibit 1** (as recorded in Marshall County) and **Exhibit 2** (as recorded in Wetzel County), and the exhibits attached to the Mechanic's Lien as **Exhibits A, B and C**.

17. The Equipment delivered by Sunbelt to Welded for use in the construction of the Project upon the Property owned by the Columbia Defendants was of the nature and was furnished on the dates and in the quantities and at the prices as more particularly set out in the invoices included with **Exhibit D** to the Mechanic's Lien recorded in Marshall and Wetzel Counties, and attached hereto (the "Invoices"). Welded has failed to pay Sunbelt for the Invoices, totaling $825,977.03, which amount remains due and owing.

18. As a result of Welded's failure to pay the Invoices, Sunbelt was forced to, and did, record the Mechanic's Lien as to the interest of the Columbia Defendants in and to the Project and the Property for and upon which Sunbelt furnished and delivered the Equipment.

19. Specifically, Sunbelt recorded the Mechanic's Lien as to the Project and the Property described by the lien with the Clerk of the County Commission of Marshall County on January 17, 2019, (of record in Book 12, at Page 1), and with the Clerk of the County Commission of Wetzel County on January 16, 2019, (of record in Book 7, at Page 1).

20. Welded has not made payment to Sunbelt since the Mechanic's Lien was recorded.

COUNT I
BREACH OF CONTRACT / WELDED BANKRUPTCY

21. Sunbelt restates the allegations contained in Paragraphs 1-20.

22. Sunbelt and Welded entered into a valid contract for the furnishing and delivery of the Equipment for use in the construction of the Project and upon Property owned by the Columbia Defendants.

23. Sunbelt fulfilled all of its obligations to Welded and has performed all conditions precedent to payment under its contract with Welded.

24. Welded has not made full payment of the Invoices under its contract with Welded.

25. Sunbelt has also incurred additional costs as a result of Welded's failure to make payment on the Invoices pursuant to its contract with Sunbelt.

26. Welded's failure to make payment on the Invoices to Sunbelt represents a material breach of its contract with Sunbelt and Sunbelt has been damaged in the amount of $825,977.03.

27. On October 22, 2018, Welded and its affiliated debtors filed petitions for relief under Chapter 11 of the Bankruptcy Code (Case number 18-12378 (KG)) in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"). Accordingly, Welded is afforded certain protections pursuant to the automatic stay provided by 11 U.S.C. § 362(a) (the "Automatic Stay"). Welded, however, is also an indispensable party to the enforcement of the Mechanic's Lien.

28. Pursuant to West Virginia law, Sunbelt has a limited time to commence action to enforce and/or foreclose its Mechanic's Lien.

29. On July 3, 2019, Sunbelt perfected its Mechanics Lien with the Bankruptcy Court pursuant to 11 U.S.C. § 546(b), by filing a "Notice of Perfection, Continuance and Maintenance of Mechanics Lien Pursuant to 11 U.S.C. § 546(b)", notwithstanding the Automatic Stay, to estop Welded and other parties in interest from claiming that any lawsuit to foreclose said Mechanics Lien was not timely commenced pursuant to West Virginia Civil Code § 38-2-34.

30. On July 5, 2019, Sunbelt sought relief from the Automatic Stay by filing a "Motion for Relief from Automatic Stay" with the Bankruptcy Court for purposes of commencing this action to enforce and preserve its Mechanic's Lien and all lien rights under West Virginia law (the "Motion").

31. On July 11, 2019, the Bankruptcy Court entered an order granting the Motion (the "Relief Order"), but only to the extent required to permit Sunbelt to commence this action naming Welded as a nominal defendant, and seeking to enforce and/or foreclose upon Sunbelt's asserted mechanic's lien rights and remedies, including, but not limited to commencing and pursing to completion this mechanic's lien action with respect to the Project; subject to the provision, however, that, pursuant to section 362 of the Bankruptcy Code, this action is to be stayed immediately after its filing for a period of not less than 90 days from the commencement of this action, and after the expiration of such 90 day period, Sunbelt shall be permitted to recommence this action without further order of the Bankruptcy Court. A copy of the Relief Order is attached hereto as **Exhibit 3**, and is incorporated herein by reference.

COUNTS II AND III
UNJUST ENRICHMENT - COLUMBIA AND TRANSCANADA

32. Sunbelt restates the allegations contained in Paragraphs 1-31.

33. Sunbelt furnished and delivered the Equipment with the expectation that it would receive payment from Welded for such Equipment furnished and delivered by Sunbelt as more particularly set out in the Invoices.

34. the Columbia Defendants knew that Sunbelt expected to be paid when Welded accepted and utilized the Equipment from Sunbelt.

35. the Columbia Defendants have been unjustly enriched by Sunbelt.

36. Equity requires that Sunbelt be compensated for the Equipment furnished and delivered by Sunbelt for use in the construction of the Project and the improvement of the Property.

37. The Columbia Defendants, having accepted, taken possession, and enjoying the benefit of the Equipment furnished and delivered by Sunbelt, and having utilized this Equipment without full compensation to Sunbelt, have been bettered and enriched at the expense of Sunbelt, for which Sunbelt has been damaged, and demands judgment in the amount of $825,977.03 and as set forth below.

41. As required by West Virginia Code §38-2-1 et seq., and other applicable law, Sunbelt timely recorded its Notice of Mechanic's Liens in the proper offices and properly served notice of the Mechanic's Lien upon the Columbia Defendants.

42. The Notice of Mechanic's Lien recorded in Marshall and Wetzel Counties describe and identify the Project and the Property.

43. Sunbelt was granted relief from the Automatic Stay of 11 U.S.C. § 362(a) by the Bankruptcy Court to permit it to seek recovery against the real estate interests of the Columbia Defendants in West Virginia.

44. This suit is being filed within six months of the dates Sunbelt recorded its Mechanic's Lien in Marshall and Wetzel Counties.

45. The amount of $825,977.03 remains due at the time of the filing of this Complaint.

e. the demands of all persons filing claims or liens on the Project and/or Property at issue be adjudged subordinate to that of Sunbelt's claims;

f. the Court appoint a Special Commissioner, or direct the Sheriffs of Marshall and Wetzel Counties, West Virginia, to sell the Property pursuant to West Virginia Code §38-2-25, and out of the proceeds, after paying costs, commissions, and expenses incurred, pay to Sunbelt, or its attorneys, the amount of Sunbelt's judgment;

g. Sunbelt be reimbursed for its costs incurred in the prosecution of this suit, including the cost of verifying and recording this suit, and other costs associated with this litigation; and

h. Sunbelt be granted all such other relief as this Court may deem just and proper.

6. This Order shall be enforceable against and binding upon all successors in interest and assigns of the parties.

MOTION FOR STAY

Plaintiff Sunbelt Tractor & Equipment Company ("Sunbelt") hereby moves the Court for a stay of proceedings in this case for a period of not less than 90 days from the commencement of this action.

On October 22, 2018, Nominal Defendant Welded Construction, LP ("Welded") and its affiliated debtors filed petitions for relief under Chapter 11 of the Bankruptcy Code (Case number 18-12378 (KG)) in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"). Accordingly, Welded is afforded certain protections pursuant to the automatic stay provided by 11 U.S.C. § 362(a) (the "Automatic Stay"). Welded, however, is also

an indispensable party to the enforcement of the Mechanic's Lien, being one of the claims set out in the underlying Complaint filed by Sunbelt.

Pursuant to West Virginia law, Sunbelt has a limited time to commence action to enforce and/or foreclose its Mechanic's Lien. Accordingly, on July 3, 2019, Sunbelt perfected its Mechanics Lien with the Bankruptcy Court pursuant to 11 U.S.C. § 546(b), by filing a "Notice of Perfection, Continuance and Maintenance of Mechanics Lien Pursuant to 11 U.S.C. § 546(b)", notwithstanding the Automatic Stay, to estop Welded and other parties in interest from claiming that any lawsuit to foreclose said Mechanics Lien was not timely commenced pursuant to West Virginia Civil Code § 38-2-34.

On July 5, 2019, Sunbelt sought relief from the Automatic Stay by filing a "Motion for Relief from Automatic Stay" with the Bankruptcy Court for purposes of commencing this action to enforce and preserve its Mechanic's Lien and all lien rights under West Virginia law (the "Motion").

On July 11, 2019, the Bankruptcy Court entered an order granting the Motion, but only to the extent required to permit Sunbelt to commence this action naming Welded as a nominal defendant, and seeking to enforce and/or foreclose upon Sunbelt's asserted mechanic's lien rights and remedies, including, but not limited to commencing and pursing to completion this mechanic's lien action; subject to the provision, however, that, pursuant to section 362 of the Bankruptcy Code, this action is to be stayed immediately after its filing for a period of not less than 90 days from the commencement of this action, and after the expiration of such 90 day period, Sunbelt shall be permitted to recommence this action without further order of the Bankruptcy Court. A copy of the Relief Order is attached hereto as **Exhibit 1**, and is incorporated herein by reference.

WHEREFORE, Plaintiff Sunbelt Tractor & Equipment Company respectfully requests this Court enter an order granting Plaintiff's Motion for Stay providing that (i) this action be stayed immediately for a period of not less than 90 days from its commencement; and (ii) upon and after the expiration of such 90-day period, Sunbelt be permitted to recommence this action.

EARTH PIPELINE SERVICES, INC.,

Plaintiff,

v.

Civil Action No. 5:19-CV-172
Judge Bailey

COLUMBIA GAS TRANSMISSION, LLC,

Defendant.

ORDER TRANSFERRING CASE

Pending before this Court are the Motion to Transfer Venue filed by Columbia Gas Transmission, LLC ("Columbia") [Doc. 11] and Plaintiff, Earth Pipeline Services, Inc.'s Motion for Reconsideration and/or Clarification of May 21, 2019 Order of Court [Doc. 13].

In the first Motion, Columbia seeks to have this action transferred to the United States Bankruptcy Court for the District of Delaware where the bankruptcy matter of Welded Construction, L.P. is being administered. In the second Motion, Earth Pipeline essentially requests clarification of the basis of this Court's assumption of jurisdiction.

With respect to the latter Motion, one of the bases cited by Columbia in removing this case from the Circuit Court of Wetzel County, West Virginia, was under this Court's diversity jurisdiction. No party has sought to question the assertion of diversity jurisdiction by seeking a remand on the basis that diversity does not exist. Accordingly, this Court is exercising jurisdiction, at least, under 28 U.S.C. § 1332.

Turning to the Motion seeking transfer to the Delaware bankruptcy court, this Motion turns upon resolution of the issue of whether the present action is "related to" the

bankruptcy case of Welded Construction, L.P.

"The Fourth Circuit has adopted the test set forth in ***Pacor, Inc. v. Higgins***, 743 F.2d 984 (3d Cir. 1984), for determining whether a civil proceeding 'relates to' a bankruptcy case. *See* ***Owens–Illinois, Inc. v. Rapid American Corp***. (***In re Celotex Corp.***), 124 F.3d 619, 625 (4th Cir. 1997). According to that test:

> [W]hether a civil proceeding is related to bankruptcy is [determined by] **whether the outcome of that proceeding could conceivably have any effect on the estate being administered in bankruptcy**. Thus, the proceeding need not necessarily be against the debtor or against the debtor's property. An action is related to bankruptcy if the outcome could alter the debtor's rights, liabilities, options, or freedom of action (either positively or negatively) and which in any way impacts upon the handling and administration of the bankruptcy estate.

Pacor, 743 F.2d at 994 (emphasis in original) (citations omitted). The Fourth Circuit has construed the ***Pacor*** test broadly, stating that the test 'does not require certain or likely alteration of the debtor's rights, liabilities, options or freedom of action, nor does it require certain or likely impact upon the handling and administration of the bankruptcy estate. The possibility of such alteration or impact is sufficient to confer jurisdiction.' ***In re Celotex Corp.***, 124 F.3d at 626; *see also* ***Nat'l Union Fire Ins. Co. v. Titan Energy, Inc. (In re Titan Energy, Inc.)***, 837 F.2d 325, 330 (8th Cir. 1988) ('[E]ven a proceeding which portends a mere contingent or tangential effect on a debtor's estate meets the broad jurisdictional test articulated in ***Pacor***.')." ***Blanton v. IMN Financial Corp.***, 260 B.R. 257, 261-62 (M.D. N.C. 2001).

This Court finds that this case is related to the Welded Construction bankruptcy. A determination of the amount owed to the plaintiff in the mechanic's lien proceeding could have an effect on the proof of claim filed by the plaintiff in the bankruptcy. *See* ***Siskin Steel & Supply Co., Inc. v. Highland North, LLC***, 2013 WL 23906, *7 (W.D. Pa. Jan. 2, 2013) ("Any recovery by Siskin in the mechanic's lien claim would necessarily reduce Siskin's claim against SIAG in the bankruptcy estate for contribution by the same amount, thus altering the liability of the SIAG bankruptcy estate.") and ***Longchamps Elec., Inc. v. Rothenberg (In re: Wrenn Assoc., Inc.***, 2004 WL 1746117, *4 (D.N.H. July 26, 2004) (bankruptcy court exercised subject-matter jurisdiction over a subcontractor's action to recover under a mechanic's lien statute against a property owner, reasoning that it would "impact [the general contractor's] bankruptcy case because ... a subcontractor's mechanic's lien is only valid to the extent that monies are owed the general contractor," which was the debtor in the bankruptcy case.).

In addition, under the West Virginia mechanic's lien statute, in an action to enforce a subcontractor's lien the general contractor is a proper and necessary party. The failure to make the general contractor a party renders the complaint bad on motion to dismiss. ***Wm. James Sons Co. v. Farley***, 71 W.Va. 173, 76 S.E. 169 (1912); ***Augir v. Warder***, 68 W.Va. 752, 70 S.E. 719 (1911); ***Gist v. Virginia R. Co.***, 79 W.Va. 167, 90 S.E. 554 (1916).

According to 28 U.S.C. § 1412, "A district court may transfer a case or proceeding under title 11 to a district court for another district, in the interest of justice or for the convenience of the parties." 28 U.S.C. § 1412. The court recognizes that change of venue to the District of Delaware may prove less convenient to plaintiff than proceeding in this court, but the interest of justice weighs in favor of such a transfer. *See* ***Irwin v. Beloit***

Corp. (***In re Harnischfeger Indus., Inc.***), 246 B.R. 421, 435 (Bankr. N.D. Ala. 2000) ("Because the criteria under § 1412 is phrased in the disjunctive, the bankruptcy case or proceeding is transferable upon a sufficient showing of either the interest of justice or the convenience of the parties."). Factors cited by courts in determining whether transfer of venue will serve the interests of justice include: (a) the economic administration of the bankruptcy estate; (b) the presumption in favor of trying cases "related to" a bankruptcy case in the court in which the bankruptcy is pending; (c) judicial efficiency; (d) ability to receive a fair trial; (e) the state's interest in having local controversies decided within its borders; (f) enforceability of any judgment rendered; and (g) the plaintiff's original choice of forum. ***Id***. at 435–37. Although the state's interest in deciding local controversies and the plaintiff's original choice of forum favor retaining venue, these factors are outweighed by considerations of consistency, judicial economy, and economic administration of the bankruptcy estate. Requiring the debtor to defend or participate in an action in West Virginia would serve to diminish the bankruptcy estate.

In addition, "many courts presume that the proper venue for a proceeding related to a bankruptcy case is in the district hearing the bankruptcy case. *See* ***Sudbury, Inc. v. Dlott (In re Sudbury)***, 149 B.R. 489, 493 (Bankr. N.D. Ohio 1993) (noting the 'general presumption that all matters involving a bankruptcy should be tried in the court in which the bankruptcy is pending.'); ***Nixon Mach. Co. v. Roy Energy, Inc. (In re Nixon Machinery Co.***), 27 B.R. 871, 873 (Bankr. E.D. Tenn. 1983) (stating that the 'general rule' is that 'the court where the bankruptcy case is pending is the proper venue for all related proceedings within the court's jurisdiction.')." ***Blanton,*** *supra* at 267.

This last factor also supports the decision to transfer venue to the District of

Delaware. There is no reason to believe that the ability to receive a fair trial or the enforceability of any judgment rendered would be affected by transferring venue. Consequently, the court finds that in the interest of justice the present action should be transferred to the District of Delaware, from which it can be referred to the bankruptcy court.

For the reasons stated above, the Motion to Transfer Venue filed by Columbia Gas Transmission, LLC ("Columbia") [**Doc. 11**] is **GRANTED IN PART** and Plaintiff, Earth Pipeline Services, Inc.'s Motion for Reconsideration and/or Clarification of May 21, 2019 Order of Court [**Doc. 13**] is **GRANTED**. As a result, this matter is hereby **ORDERED TRANSFERRED** to the District of Delaware.

It is so **ORDERED**.

The Clerk is directed to transmit copies of this Order to all counsel of record herein and to take all necessary action to execute the transfer.

SCHMID PIPELINE CONSTRUCTION, INC.,

Plaintiff,

v.

Civil Action No. 5:19-CV-257
Judge Bailey

COLUMBIA GAS TRANSMISSION, LLC, and
WELDED CONSTRUCTION, L.P.,

Defendants.

ORDER DENYING SCHMID PIPELINE CONSTRUCTION, INC.'S MOTION TO REMAND AND ABSTAIN [DOC. 10], AND GRANTING COLUMBIA GAS TRANSMISSION'S MOTION FOR PARTIAL DISMISSAL [DOC. 17], AND COLUMBIA GAS TRANSMISSION'S MOTION TO TRANSFER VENUE [DOC. 20]

Pending before this Court are Schmid Pipeline Construction, Inc.'s Motion to Remand and Abstain [Doc. 10], Columbia Gas Transmission's Motion for Partial Dismissal [Doc. 17], and Columbia Gas Transmission's Motion to Transfer Venue [Doc. 20]. This Court will consider the Motions in the order in which they were filed.

Background

1. On or about August 6, 2018, Welded Construction, L.P. ("Welded"), as general contractor, entered into a certain Construction Subcontract (the "Subcontract") with Schmid Pipeline Construction, Inc. ("Schmid" or "Plaintiff") for labor, materials, equipment, and services to be provided and/or performed in connection with the construction of the Mountaineer Express Pipeline Project (the "Project").

2. Between August 10, 2018, and October 19, 2018, Schmid performed work

on the Project. Schmid last performed work on the Project on October 19, 2018.

3. On October 22, 2018, Welded and its affiliated debtors filed petitions for relief under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the District of Delaware.

4. On January 18, 2019, having not been paid for its work on the Project, Schmid recorded a Notice of Mechanic's Lien dated January 14, 2019, in the Office of the Clerk of the County Commission of Wetzel County, West Virginia at Mechanics Lien Book 7, at page 96, claiming a lien upon Columbia Gas' interest in the Project in the amount of $2,361,914.00.

5. On April 10, 2019, Schmid filed the Motion of Schmid Pipeline Construction, Inc. for Relief from the Automatic Stay in the Bankruptcy Case, requesting relief from the automatic stay of § 362(a) of the Bankruptcy Code, to commence an action to enforce and/or foreclose Schmid's mechanic's lien rights and remedies.

6. In its Motion for Relief from Automatic Stay, Schmid stated that it would not take any action against property of the Debtor's estate, and that Schmid sought to name Welded only as a nominal defendant in the lien action it planned to commence because, under West Virginia state law, when a subcontractor commences an action to enforce and/or foreclose a mechanic's lien, it must name the general contractor as a defendant.

7. On April 26, 2019, the Delaware Bankruptcy Court issued its Order Granting Motion of Schmid Pipeline Construction, Inc. for Relief from the Automatic Stay (the "Relief from Stay Order"), providing that:

> Schmid Pipeline is hereby granted relief from the automatic stay of 11 U.S.C. § 362(a) only to the extent required to permit Schmid Pipeline to commence

> any action, and name debtor Welded Construction, L.P. (the "Debtor") as a nominal defendant, to enforce and/or foreclose Schmid Pipeline's mechanic's lien rights and remedies, including, but not limited to, commencing and pursuing to completion any necessary mechanic's lien action, with respect to the Columbia Gas Mountaineer Express Pipeline Project . . . , located in the county of Wetzel, in the State of West Virginia, provided that, once an action is filed to enforce and/or foreclose Schmid Pipeline's mechanic's lien rights and remedies ("Action"), the Action shall be stayed for 90 days immediately after the commencement of the Action. At the conclusion of such 90 day period, the automatic stay will be finally and irrevocably modified solely to the extent required to permit the parties to prosecute and defend the Action to completion.

8. On August 13, 2019, Schmid initiated an action to, inter alia, enforce and/or foreclose its Mechanic's Lien by filing a Complaint in the Circuit Court of Wetzel County, West Virginia (the "State Court") asserting solely state-law claims against Columbia Gas for (a) the enforcement and/or foreclosure of Schmid Pipeline's Mechanic's Lien pursuant to West Virginia's mechanic's lien statutes, (b) unjust enrichment and (c) quantum meruit.

9. Welded was named as a nominal defendant in the Complaint, but only as to the Mechanic's Lien claim, and no relief was sought against Welded.

10. On August 7, 2019, Columbia Gas filed a Notice of Removal [Doc. 1] with the United States Bankruptcy Court for the Northern District of West Virginia (the "Northern District of West Virginia Bankruptcy Court") asserting that the Northern District of West Virginia Bankruptcy Court had jurisdiction to decide Schmid's claims "pursuant to 28 U.S.C.

§ 1334(b), because this civil action arises in and/or is related to a pending case filed under Title 11, ***In re Welded Construction, L.P.***, Case No. 18-12378 (KG) (Bankr. D. Del.) (Jointly Administered)."

11. By Order entered September 4, 2019, this Court withdrew the reference of this proceeding to the bankruptcy court and assumed jurisdiction of the matter [Doc. 7].

Motion to Remand and Abstain

In seeking remand, Schmid argues (1) there is a question as to whether diversity jurisdiction exists; (2) that the bankruptcy court cannot exercise diversity jurisdiction; and (3) that this matter is not "related to" the action pending in bankruptcy court in Delaware.

This Court finds that none of the arguments should prevail. First, with respect to the issue of diversity jurisdiction, Schmid has pled that is it a Wisconsin corporation with its principal place of business in Wisconsin. Columbia is a limited liability company, organized and existing under the laws of the State of Delaware, having its principal place of business in Texas, and not being a citizen of Wisconsin or West Virginia. As a nominal party, the citizenship of Welded is not relevant. ***Navarro Sav. Ass'n v. Lee***, 446 U.S. 458, 461 (1980); ***Hartford Fire Ins. Co. v. Harleysville Mut. Ins. Co.***, 736 F.3d 255 (4th Cir. 2015); ***Ryan Environmental, Inc. v. Hess Oil Co., Inc.***, 718 F.Supp.2d 719, 723 (N.D. W.Va. 2010) (Keeley, J.). *See* ***Brown v. Jevic***, 575 F.3d 322, 327 (3rd Cir. 2009).

The amount in controversy is clearly met. Accordingly, there is no reason to believe that this Court lacks diversity jurisdiction.

With respect to the argument that a bankruptcy court cannot exercise diversity jurisdiction, the reference has been withdrawn. There is no doubt that the district court has

jurisdiction.

This Court also finds that this matter is "related to" the Welded bankruptcy court. "The Fourth Circuit has adopted the test set forth in ***Pacor, Inc. v. Higgins***, 743 F.2d 984 (3d Cir. 1984), for determining whether a civil proceeding 'relates to' a bankruptcy case. *See* ***Owens–Illinois, Inc. v. Rapid American Corp***. (***In re Celotex Corp.***), 124 F.3d 619, 625 (4th Cir. 1997). According to that test:

> [W]hether a civil proceeding is related to bankruptcy is [determined by] **whether the outcome of that proceeding could conceivably have any effect on the estate being administered in bankruptcy**. Thus, the proceeding need not necessarily be against the debtor or against the debtor's property. An action is related to bankruptcy if the outcome could alter the debtor's rights, liabilities, options, or freedom of action (either positively or negatively) and which in any way impacts upon the handling and administration of the bankruptcy estate.

Pacor, 743 F.2d at 994 (emphasis in original) (citations omitted). The Fourth Circuit has construed the ***Pacor*** test broadly, stating that the test 'does not require certain or likely alteration of the debtor's rights, liabilities, options or freedom of action, nor does it require certain or likely impact upon the handling and administration of the bankruptcy estate. The possibility of such alteration or impact is sufficient to confer jurisdiction.' ***In re Celotex Corp.***, 124 F.3d at 626; *see also* ***Nat'l Union Fire Ins. Co. v. Titan Energy, Inc. (In re Titan Energy, Inc.)***, 837 F.2d 325, 330 (8th Cir. 1988) ('[E]ven a proceeding which portends a mere contingent or tangential effect on a debtor's estate meets the broad

jurisdictional test articulated in ***Pacor***.')." ***Blanton v. IMN Financial Corp.***, 260 B.R. 257, 261-62 (M.D. N.C. 2001).

This Court finds that this case is related to the Welded Construction bankruptcy. A determination of the amount owed to the plaintiff in the mechanics lien proceeding could have an effect on the proof of claim filed by the plaintiff in the bankruptcy. *See* ***Siskin Steel & Supply Co., Inc. v. Highland North, LLC***, 2013 WL 23906, *7 (W.D. Pa. Jan. 2, 2013) ("Any recovery by Siskin in the mechanic's lien claim would necessarily reduce Siskin's claim against SIAG in the bankruptcy estate for contribution by the same amount, thus altering the liability of the SIAG bankruptcy estate.") and ***Longchamps Elec., Inc. v. Rothenberg (In re: Wrenn Assoc., Inc.)***, 2004 WL 1746117, *4 (D.N.H. July 26, 2004) (bankruptcy court exercised subject-matter jurisdiction over a subcontractor's action to recover under a mechanic's lien statute against a property owner, reasoning that it would "impact [the general contractor's] bankruptcy case because ... a subcontractor's mechanic's lien is only valid to the extent that monies are owed the general contractor," which was the debtor in the bankruptcy case.).

For the reasons stated above, Schmid Pipeline Construction, Inc.'s Motion to Remand and Abstain [**Doc. 10**] is **DENIED**.

Motion for Partial Dismissal

In this Motion, Columbia Gas seeks an order dismissing Counts II (unjust enrichment) and III (*quantum meruit*) of the Amended Complaint [Doc. 12]. Schmid's claims for "unjust enrichment" and "quantum meruit" - according to the Complaint's own allegations and exhibits - are based in contract. This Court has made clear that "there can

be no recovery for unjust enrichment if there is an express contract covering the same subject matter." ***Worldwide Machinery L.P. v. Columbia Gas Transmission, LLC***, Civil Action No. 5:19-cv-208, Order Dismissing Compl., Doc. No. 8 (citing ***Case v. Shepherd***, 84 S.E.2d 140, 144 (W. Va. 1954); ***Ohio Valley Health Servs. & Educ. Corp. v. Riley***, 149 F.Supp.3d 709, 720–22 (N.D. W. Va. 2015). Therefore, Counts II and III must be dismissed.

Motion to Transfer Venue

According to 28 U.S.C. § 1412, "A district court may transfer a case or proceeding under title 11 to a district court for another district, in the interest of justice or for the convenience of the parties." 28 U.S.C. § 1412. The court recognizes that change of venue to the District of Delaware may prove less convenient to plaintiff than proceeding in this court, but the interest of justice weighs in favor of such a transfer. *See* ***Irwin v. Beloit Corp. (In re Harnischfeger Indus., Inc.)***, 246 B.R. 421, 435 (Bankr. N.D. Ala. 2000) ("Because the criteria under § 1412 is phrased in the disjunctive, the bankruptcy case or proceeding is transferable upon a sufficient showing of either the interest of justice or the convenience of the parties."). Factors cited by courts in determining whether transfer of venue will serve the interests of justice include: (a) the economic administration of the bankruptcy estate; (b) the presumption in favor of trying cases "related to" a bankruptcy case in the court in which the bankruptcy is pending; (c) judicial efficiency; (d) ability to receive a fair trial; (e) the state's interest in having local controversies decided within its borders; (f) enforceability of any judgment rendered; and (g) the plaintiff's original choice of forum. ***Id***. at 435–37. Although the state's interest in deciding local controversies and

the plaintiff's original choice of forum favor retaining venue, these factors are outweighed by considerations of consistency, judicial economy, and economic administration of the bankruptcy estate. Requiring the debtor to defend or participate in an action in West Virginia would serve to diminish the bankruptcy estate.

In addition, "many courts presume that the proper venue for a proceeding related to a bankruptcy case is in the district hearing the bankruptcy case. *See* ***Sudbury, Inc. v. Dlott (In re Sudbury)***, 149 B.R. 489, 493 (Bankr. N.D. Ohio 1993) (noting the 'general presumption that all matters involving a bankruptcy should be tried in the court in which the bankruptcy is pending.'); ***Nixon Mach. Co. v. Roy Energy, Inc. (In re Nixon Machinery Co.)***, 27 B.R. 871, 873 (Bankr. E.D. Tenn. 1983) (stating that the 'general rule' is that 'the court where the bankruptcy case is pending is the proper venue for all related proceedings within the court's jurisdiction.')." ***Blanton***, supra at 267.

This last factor also supports the decision to transfer venue to the District of Delaware. There is no reason to believe that the ability to receive a fair trial or the enforceability of any judgment rendered would be affected by transferring venue. Consequently, the court finds that in the interest of justice the present action should be transferred to the District of Delaware, from which it can be referred to the bankruptcy court.

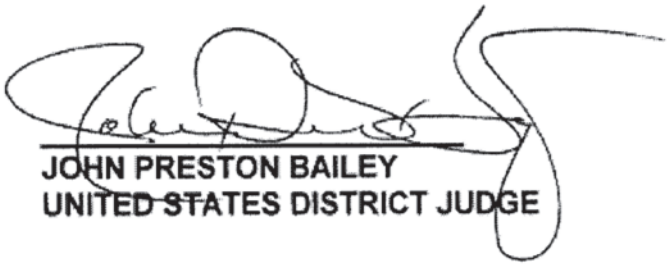

For the reasons stated above, Schmid Pipeline Construction, Inc.'s Motion to Remand and Abstain [**Doc. 10**] is **DENIED**; Columbia Gas Transmission's Motion for Partial Dismissal [**Doc. 17**] is **GRANTED**, and Columbia Gas Transmission's Motion to Transfer Venue [**Doc. 20**] is **GRANTED**. As a result, this matter is hereby **ORDERED**

TRANSFERRED to the District of Delaware.

It is so **ORDERED**.

The Clerk is directed to transmit copies of this Order to all counsel of record herein and to take all necessary action to execute the transfer.

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

I.(a) **Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.

(b) **County of Residence.** For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)

(c) **Attorneys.** Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".

II. **Jurisdiction.** The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.
United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.
United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.
Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.
Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below**; NOTE: federal question actions take precedence over diversity cases.**)

III. **Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.

IV. **Nature of Suit.** Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: Nature of Suit Code Descriptions.

V. **Origin.** Place an "X" in one of the seven boxes.
Original Proceedings. (1) Cases which originate in the United States district courts.
Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441.
Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.
Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.
Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.
Multidistrict Litigation – Transfer. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407.
Multidistrict Litigation – Direct File. (8) Check this box when a multidistrict case is filed in the same district as the Master MDL docket.
PLEASE NOTE THAT THERE IS NOT AN ORIGIN CODE 7. Origin Code 7 was used for historical records and is no longer relevant due to changes in statue.

VI. **Cause of Action.** Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service

VII. **Requested in Complaint.** Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.
Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction.
Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.

VIII. **Related Cases.** This section of the JS 44 is used to reference related pending cases, if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.
