4. The Debtors are hereby authorized, but not required, to pay, in their discretion and in consultation with the DIP Secured Parties, the Trade Claims up to $30,000 during the interim period, in the ordinary course of business consistent with the parties' customary practices in effect prior to the Petition Date. Nothing in this paragraph shall be construed as requiring the Debtors to make a payment to a particular creditor or claimant. For the avoidance of doubt, no payments will be made to professionals or insiders, as that term is defined in section 101(31) of the Bankruptcy Code. The Debtors shall provide a copy of this Interim Order or any final order entered in connection with the Motion to any Trade Claimant to whom a payment is made pursuant to the relief granted herein.

5. The Debtors are authorized, but not directed, in their reasonable business judgment and in consultation with the DIP Secured Parties, to condition payment of the Trade Claims upon such Trade Claimant's execution of a Trade Agreement, if the Debtors determine that such agreement is necessary to the Debtors' operations.

6. The Debtors shall provide a copy of this Interim Order to the applicable party prior to such party's acceptance of any payment hereunder. Any party that accepts payment from the Debtors on account of a Trade Claim shall be deemed to have agreed to the terms and provisions of this Interim Order, and if such party accepts payment hereunder and does not continue supplying

goods or services to the Debtors in accordance with Customary Trade Terms after agreeing to do so, then the Debtors reserve the right to seek any appropriate remedy.

7. Notwithstanding anything to the contrary in this Order, the Motion, or its attachments, the priority status of a creditor's claim, including that of claims arising under section 503(b)(9) of the Bankruptcy Code, shall not be affected by whether such creditor executes a Trade Agreement, or provides services or goods to the Debtors under Customary Trade Terms, or otherwise, unless provided in such executed Trade Agreement.

8. Nothing contained herein is or should be construed as: (i) an implication or admission as to the validity of any claim against the Debtors, (ii) a waiver of the Debtors' or any other party-in-interest's rights to dispute the amount of, basis for, or validity of any claim against the Debtors, (iii) a waiver of any claims or causes of action that may exist against any creditor or interest holder, (iv) a promise to pay any claim, (v) a concession by the Debtors that any liens (contractual, common law, statutory or otherwise) satisfied pursuant to this Interim Order are valid (and all rights to contest the extent, validity or perfection or seek avoidance of all such liens are expressly reserved), (vi) an approval, assumption, adoption, or rejection of any agreement, contract, program, policy, or lease between the Debtors and any third party under section 365 of the Bankruptcy Code, (vii) a waiver of the obligation of any party in interest to file a proof of claim, or (viii) otherwise affecting the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract or unexpired lease. Any payment made pursuant to this Interim Order is not intended to be and should not be construed as an admission to the validity of any claim or a waiver of the Debtors' rights to subsequently dispute such claim.

9. The banks on which checks are drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Interim Order.

10. The Debtors are authorized, but not directed, in their discretion and in consultation with the DIP Secured Parties, to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests made in payment of the prepetition obligations approved herein that are dishonored as a consequence of these Chapter 11 Cases with respect to prepetition amounts owed in connection with any prepetition claims of the Trade Claimants.

11. The Debtors shall maintain a matrix/schedule of payments made pursuant to this Interim Order, including the following information: (a) the names of the payees; (b) the date, category, nature, and amount of payment; and (c) the Debtor or Debtors that made the payment. The Debtors shall provide a copy of such matrix/schedule to counsel for the DIP Secured Parties upon request.

12. This Court finds and determines that the requirements of Bankruptcy Rule 6003 are satisfied and that the interim relief requested is necessary to avoid immediate and irreparable harm.

13. The notice requirement of Bankruptcy Rule 6004(a) is waived.

14. This Interim Order shall be immediately effective and enforceable upon its entry. The fourteen-day stay imposed by Bankruptcy Rule 6004(h) is hereby waived.

15. The Debtors are authorized and empowered to take all actions necessary to implement the relief granted in this Interim Order.

16. This Court shall retain jurisdiction with respect to all matters arising from or related to the implementation or interpretation of this Interim Order.
